

The Gay Philosopher

By J. W. S.

TODAY'S THE birthday of a great American — Mr. Abraham Lincoln. And we've just finished a magazine article about him. The author points out that Lincoln's reputation as a good and great man has grown with the years. Lincoln's life story should be required reading for every citizen who goes into government service.

TODAY IS ALSO the birthday of Mrs. Marie Griffin up at the Elmer's Cafe. And the contest to guess her age ends with a reception and open house at the cafe at 7 o'clock tonight. The four people who guess her correct age will be dinner guests of the cafe. Coffee and sandwiches will be served buffet style to open house visitors after 7 p. m. The bakery prepared a handsome cake for Mrs. Griffin. And we all wish for her a happy birthday.

MR. CHARLES CLARK reports that he has just received a letter from Dr. E. H. Ramsey, local dentist who recently was recalled to active duty by the U. S. Navy. Ramsey reported to a West Coast base.

After a boat ride to Japan, he has given a free ticket on an airplane to Korea. He now is dental officer for a combat engineering unit. And their camp is situated 25 miles north of the 38th parallel. The letter reports that Ramsey has never run into the cold weather.

AN ITEM IN THE Dallas News today tells one and all that Mel Sandler of Cisco is doing right well in his music. The article reads as follows:

Four alumni of the erstwhile Elmer Beckner band, making their Dallas debut as a unit, played Monday evening at the Chateau. Having played with the Sandler Quartet are well-versed in the tricks of band business, and as on a show in the informal manner which suits an amateur spot such as the Chateau. But the outstanding quality of this unit is the smooth blend of piano and celeste, Bill Peck on piano and vocals, Bob Fisher on trumpet and Neil Black on bass. The four are sound musicians with a flair for a rhythmic beat."

THE BOYS OUT at the National Guard armory tell us that they have a basketball team that is doing a good job of winning games. They've started 13 games and have 10 victories to their credit. Latest victim was a team of Olden All-Stars, which lost to Cisco outfit, 52 to 36, at the gym last evening.

Among the Guardsmen playing for the Cisco team were Al Anderson, Eldon Callerman, Raymond Brown, Neil Callerman, Reo Evans, and Smith, Ralph Green and Bob Womack.

They're looking for some more members. You can call them at the Armory. Understand a CJC basketball team will take on the Guardsmen in a game one night next week.

YOU WILL WANT to drop in on the Junior High School Gym tonight, Friday night or Saturday (next) to watch all or part of the annual grade school basketball tournament. Sixteen teams will be here for the tournament, and let's all help make the visitors feel welcome. Coach O. B. Graham and Principal Roy Killingsworth have arranged a fine tournament.

TOMORROW IS Friday the 13th and there will be another scary day the 13th next month.

REASONS WILL MEET

There will be a stated assembly of the Cisco Council No. 128, A.S.M., at 7:30 p. m. Thursday (tonight), Recorder L. D. Wilson announced. The Blue Lodge will meet Friday at 7 p. m. for work on the master's degree, Mr. Wilson said.

Four women are honored with memorial statues in Washington.

FINN TWIN TROUBLE—Another chapter in the struggle between the U. S. Government and the identical Finn twins occurred in Tonapah, Nev. When FBI agents arrived to arrest one twin named Charles—without a warrant—they found both twins facing them. Charles, upper, and George were armed and guarding their \$100,000 surplus plane the government claims they bought illegally. When the agents return with a warrant, they won't be able to tell the twins apart.

Cub Scout Den Makes Plans For Banquet

Members of Cub Scout Den 1 met Tuesday for their regular meeting in the home of their den mother, Mrs. W. L. Darr. Mrs. Darr was assisted at the meeting by her helper, Mrs. A. G. Sander.

During the meeting, place cards for the coming Blue and Gold Banquet were made by troop members.

At the close of the meeting, popcorn was served to Tommy Chance, Royce Darr, Alton Lassiter, Pat McCanlies, Rex Miller, Daryl Rice, Dick Sander, Tony Stiles and Mrs. Darr and Mrs. Sander.

Plans Completed For Safety Lane Project Saturday

Plans were completed Thursday for the Safety Lane to be held Saturday by the Cisco Boosters Club for the purpose of installing Scotch-Lite tape on the rear bumpers of local automobiles.

President Bob Latson announced that the safety lane would be located on the Banner Dairies lot at the corner of West 8th Street and Avenue G between the hours of 1 and 5 p. m.

Members of the Boosters Club will be on hand during the operation of the lane to install the tape on the car bumpers.

Mayor G. C. Rosenthal and Chief of Police M. L. Perdue backed the project as a safety measure and offered the aid of the city police department in conducting the lane.

The tape, which glows in the dark, is placed on the rear bumper of cars as a means of cutting down collisions while driving at night. The cost of the tape has been set at \$1 per car. The program has gained statewide acclaim and has the sanction of the Texas Department of Public Safety. The program is sponsored by the Texas Junior Chamber of Commerce.

Farm Bureau To Conduct Queen Contest In Fall

The Texas Farm Bureau will give recognition to the beauty, charm and vivaciousness of farm and ranch girls this year by sponsoring a state-wide Queen Contest, according to President J. Walter Hammond.

Top prize for the winner who will be selected in November at the annual convention in Minear, Wells is an all-expense paid trip to the national convention in December in Chicago. The Farm Bureau will also pay the expenses of a matron escort.

The board announced that the contest will be an "honest-to-goodness" Queen Contest and not just a bathing beauty competition. The entrants will be judged on three points: (1) appearance, (2) poise and (3) personality.

The purpose of the contest is to give the young ranch and farm girls and other young people an opportunity to become better acquainted with the principles of the Farm Bureau organization.

After County Farm Bureau Queens are chosen they will compete in district eliminations. One girl from each district will compete at the state convention for state beauty crown.

Here are the rules as approved by a special Queen Contest committee: To be eligible a girl must be: (1) daughter or sister of a Farm Bureau member, (2) single, (3) sixteen years of age by Sept. 1, 1953, and not over 22 on Sept. 1, 1953. Counties must have over 25 Farm Bureau members, and must sponsor a contest before a girl from the county can enter the district eliminations.

Daughters of state directors, employees, county officers and county directors are not eligible to enter this contest.

District winners will receive beautiful watches and an expense-paid trip for the girl and attendant to the state convention. The state Queen and her matron escort will be allowed \$500.00 expenses to attend the national convention.

LEGION MEETS TONIGHT

The John William Butts Post 123 of the American Legion will hold a regular semi-monthly meeting at 7:30 p. m. Thursday at the Legion Hall, it was announced today. All members were urged to attend.

'BELIEVE IT OR NOT' EXHIBIT WILL BE HERE FRIDAY THE 13th

A mobile museum of Robert Ripley's collection of "Believe It or Not" oddities and art objects will be presented in Cisco on Friday, Feb. 13.

The exhibit is mounted on a special built trailer, which is one of the six on the third year of a national tour. Each unit carries a different collection of items and only one unit is shown in a city each year. This will be the 3rd to be exhibited in Cisco and the collection will include authentic replicas of the world's famous diamonds, such as the Hope, the Cullinan, the Pasha, the Kohinoor, and the Star of India. In addition to this spectacular display, there are many curious items from faraway lands with strange customs, like the soulcatcher, an Eskimo drinking cup and a shrunken human head from Ecuador.

Each item is selected from the unusual assortment of strange things which Mr. Ripley spared no effort or expense to unearth during his endless explorations of all parts of the world. Many are relics and collector's items such as the Iron Cross that formed in the heart of a tree, the world's largest women's shoes, the magic rattle of a medicine man, the

medieval torture instrument called the "Spike Crown," the Hopi-Indian rain-maker and many others.

Location of the showing will be on West 7th St. at Ave. D, and the exhibit will be open from 9 a. m. to 9 p. m. Teachers are invited to bring classes at any time during these hours. No admission is charged, although voluntary donations will be accepted. Funds so raised will be used to help the Navy Club of the United States of America continue its programs of aid and rehabilitation to naval veterans of all wars.

Spring Planting Moves Northward In Open Weather

Beginning of the 1953 spring season moved northward as cotton planting started in the coastal bend during the past week. A small acreage of corn and sudan also went into the ground in that area in the warm open weather during the week. Final preparation of corn land was completed in some south central counties. Flax in the south Texas area was making satisfactory progress.

Over most of the eastern half of the state where moisture was still adequate small grains, clovers vetch and other winter cover crops were responding to the warmer temperature. Scattered individual peach trees were blooming in south Texas and buds were swelling in other parts of the State.

Wheat in the northwest was making some growth but moisture was still short. Cutworms continued to damage small grains in the northern low rolling plains. Strong winds at the weekend were depleting surface moisture rapidly in all areas.

Movement of commercial vegetables continued the usual seasonal increase with solid carrots, cabbages, lettuce, and spinach accounting for most of the increase over the previous week. Solid carrot movement of cabbage dropped off slightly but shipments by truck were very active and the combined total exceeded that of the previous week. Conditions were favorable for most growing crops, spinach still being an exception, and supplies are expected to continue to be plentiful through February.

Most lettuce has been coming from the Lower Valley but late plantings in the Laredo and Winter Garden sections are making good progress and these areas will be in heavier production around mid-February when the Valley supplies are becoming exhausted. Most early-planted spring crop vegetables made very good progress. Onions in south Texas were in generally good condition with considerable acreage being harvested for green table onions. Early spring tomato and potato crops in the lower valley have a good start.

Temperatures were especially favorable for the larger-than-usual acreages of cantaloups and watermelons in the lower valley. Most of the Falfurrias watermelon acreage is planted but moisture is needed to germinate late plantings satisfactorily. Seed-beds for the east Texas tomato crop were in good condition. Some growers were preparing cold frames and setting of plants may start a little earlier than usual. Preparation of land for planting the Panhandle potato crop is well along.

Winter grass, clovers, small

Lions Make Plans For Ladies Night Event Next Week

Members of the Cisco Lions Club made plans to hold a Ladies Night Banquet on Thursday night, Feb. 19, at their weekly luncheon meeting at noon Wednesday at the Victor Hotel Coffee Shop.

Lions Truly Carter and Sutton Crofts were placed in charge of ticket sales.

The program is being arranged to appeal especially to the women guests. President Gene Abbott told the club. Details were not made public. The dinner will be held at the coffee shop.

Wednesday's program was arranged by Dr. Chief Brown with Stanley Webb in charge. Misses Sue Gorley and Joy Lynn Robinson of Eastland presented several musical pantomime numbers.

Lion Everett Plowman of Eastland was a guest.

MORAN NEWS

By MRS. C. C. CADY
Mr. and Mrs. Latham Jackson of Dallas visited Mr. and Mrs. Cole Jackson in Moran Saturday and Sunday.

A. A. Smith of Dallas was in Moran Tuesday attending a bank meeting.

Mr. and Mrs. Harold Parnell and family moved this week to Fort Worth where Mr. Parnell has accepted a job. Mr. Parnell has been a Moran barber for the past several months.

Mrs. Ben Waters and Mrs. Ezra Weir were hostesses at the Luncheon Club meeting this week. They served a dinner of roast beef and side dishes. County Judge Chisum was in the toastmaster's chair and had charge of the program. Visitors included John Hightower, Parker Sears, Ann Coaker, Betty George, Mrs. Darling, Pete Williams, all of Albany and Mr. Peterson, Floyd Knowles and H. W. Connolly of Moran. Two new members, Ann Coaker of Albany, and H. D.

Turn To Page Six

BAR ASSOCIATION WILL OPPOSE COURT CONSOLIDATION MEASURE

The Eastland County Bar Association has voted unanimously to oppose a bill introduced last week in the Texas Legislature by Representative Omar Burkett of the 76th District to consolidate the 91st District Court of this county with the 90th District Court of Stephens and Young Counties.

This action of the bar association was reported here today by a spokesman for the organization. Thirty-two members of the county bar association have signed a petition, asking State Senator Wayne Wagonseller and Rep.

Burkett to oppose the measure. Under Mr. Burkett's bill, Eastland County would be made a part of the 90th District Court and the judge would visit the courthouse in Eastland on a regular schedule to hear cases. Mr. Burkett said his action in introducing the legislation was taken in the interest of economy.

The bar association is expected to issue a complete statement in support of its opposition to the measure in the near future.

It was understood that petitions in opposition to the bill were being circulated for signatures of citizens in all parts of the county.

Soil Conservation Meet Due To Attract Good Crowd Here

The amazing portrait bust of Robert "Believe It or Not" Ripley, sculptured by totally blind Mark Shoemith, solely by means of his sense of touch, will be exhibited in Cisco on Friday, Feb. 13, when the Navy Club of the U. S. A. brings a mobile Odditorium to this city. This is only one of many amazing curiosities and oddities to be seen in this exhibit, which will be open to the public, admission free.

Three Speakers Are On Program

Farmers, ranchers and landowners from several area counties are expected in Cisco for a soil conservation program at 1 p. m. Friday at the First National Bank's community conference room, according to an announcement today.

The meeting is being held here under the auspices of the Upper Leon Soil Conservation Service on invitation of the Cisco Chamber of Commerce. Anyone interested in soil conservation has been invited to attend.

Walter J. Fritts, chairman of the board of supervisors of the soil conservation service, will serve as program leader. He is also scheduled to read a paper on "The Work of the Local Soil Conservation Supervisors and the Progress Made in the Organization."

County Agent J. M. Cooper is to speak on "Work in Soil Conservation and in the Upper Leon District." Mr. Cooper is a veteran in farm extension work and has had a part in the organization of two soil conservation districts.

E. E. McAllister of the Eastland County PMA Office will read a paper on "Team Work in Soil Conservation District Operations and the Job Ahead."

A question and answer period will follow the program. Mrs. Helen Brashear of Cisco is secretary of the organization. Visitors are expected from this area, Eastland, Ranger, Comanche, Rising Star, De Leon, Dublin, Gorman and other West Central Texas cities.

Local Group Goes To Farm Bureau Meet At Abilene

A delegation from the Eastland County Farm Bureau attended a statewide meeting of leaders and service agents of the Farm Bureau in Abilene last week. The local group included President A. Z. Myrick, T. C. Cozart, Herman Schaefer, Ray A. Norris, Mr. and Mrs. Ed Harrison and Mr. and Mrs. John Love.

The meeting brought out the importance of the membership as a whole informing themselves of the service program and knowing the policies of the organization. Matt C. Weber, general agent from Rockford, Ill., made a keynote statement when he said "an intelligent agricultural people will organize and voice their rights as American citizens."

Other speakers included A. R. Grauer, manager of the Texas Farm Bureau Insurance Company; Paul Edwards, executive vice president of the Southern Farm Bureau Casualty Company; Dave C. Miesher, executive vice president of the Southern Farm Bureau Life Insurance Company, and Marvin Carter, state organization specialist.

Wrangler Cagers Will Meet H-SU Freshmen Tonight

The Cisco Junior College Wranglers were to leave late today for Abilene where they will play the Hardin-Simmons University freshmen basketball team in a game at Rose Field at 6:15 p. m.

A large group of Cisco fans was expected to follow the Wranglers to Abilene, and to remain for the Border Conference game between Hardin-Simmons and New Mexico A&M. Bobby John Huffmyer, Wrangler star for the past two years, is a member of the New Mexico team.

Friday night the H-SU Freshmen will be in Cisco for a return game with the Wranglers at the community gym. The Friday game will be the final home game for the Wranglers, who wind up the 1953 season in Decatur Thursday, February 19.

BOOSTERS ASK HELP TO FIND OLD HATS

Members of the Cisco Boosters Club, sponsors of the minstrel "Convention Blues," Thursday were seeking old hats to be used in presenting the show in Rising Star Monday night and for future performances.

Anyone having old straw "caddies," top hats or derbies that they would like to donate to the club were asked to call 355 or 414 and they will be picked up. Members of the cast were reminded of a rehearsal to be held at 7:30 o'clock tonight at the city hall auditorium. All members were urged to attend the rehearsal in preparation for the Monday show.

Raw Pork Causes Trichinosis, Is Health Warning

AUSTIN, Feb. 12 — "Trichinosis is a disease caused by eating raw or partly cooked pork which contains the trichina worm. This disease as a rule causes several deaths and an undetermined amount of illness in Texas each year," states Dr. Geo. W. Cox, State Health Officer.

Definite symptoms and signs of illness are associated with trichinosis. In the beginning there are abdominal pains, nausea, vomiting and diarrhea, lasting about a week. Migration of the embryos in the blood stream causes fever and severe muscle soreness, especially in the diaphragm and the muscles of the arms and legs. The third stage, during which cysts surround the larvae in the muscles, is the critical one. If infection is severe, there may be edema, or swelling of the eyelids and elsewhere, marked loss of weight, weakness and delirium.

The prevention of trichinosis depends primarily upon the thorough cooking of all pork. Most cases follow the indigestion of wieners, sausage or other pork products, eaten in raw or partly cooked form. The hazard of this disease is greater in connection with home butchering, unless safeguards are exercised. Rats should be exterminated because they play an important part in the spread of infection among swine. Prolonged refrigeration, as carried out under federal supervision, destroys trichina larvae. Thorough cooking and the use of meat which bears the stamp of federal inspection are safeguards against trichinosis.

Lobos Conclude Cage Schedule In Loss To Hamilton

The Cisco High School Lobos concluded their regular basketball schedule in Hamilton Tuesday night by losing to the hosts 48-54. The game was a non-conference affair.

Bob Lloyd led the Lobos in scoring when he sank eight field goals and two free throws for 18 points. Jim Webb followed closely with 16 points. Charles Wilcox of Hamilton had 17 points and his team mate, Harry Bullard, had 15. Free throws aided the Hamilton team in winning the contest. They sank 26 gratis shots and 14 field goals. The Lobos sank 18 field goals and 12 free throws.

The Lobo Queens lost their game to the Hamilton girls to close out their regular season.

Both the Lobos and the Queens will enter the district tournament to be played in Stephenville Friday and Saturday nights. The Lobos have drawn Ranger in the opening game Friday night.

The Ranger Bulldogs won the round robin play by defeating the Stephenville Yellowjackets Tuesday night by a two point margin. The winner of the tournament will play Ranger for the district championship. The championship is to be decided in a best-two-out-of-three series following the tourney. If Ranger should win the tournament they have the crown cinched.

CLASSIFIED QUIZZERS

Without consulting the calendar, see if you can identify the months whose flowers and gems are given in the questions below. Turn to the Classified Page for the answers.

1. The flower is the snowdrop and the gem is the garnet of what month?
2. What month has the hawthorn as its flower and the emerald as its gem?
3. The moonstone is the gem and the poppy is the flower of what month?
4. The hop blossom and the opal are flower and gem of what month?
5. Of what month is the primrose the flower and the amethyst the gem?

LEGISLATURE DUE TO DECIDE FATE OF INSPECTION LAW SOON

AUSTIN, Feb. 12. — The Texas Legislature now in session will soon decide the fate of the Motor Vehicle Inspection Law. Bills have been introduced in both Houses to repeal this law.

against the inspection law might win some votes, but it will lose lives — and all legislators, they are sure, recognize that they must sooner or later find solutions to our traffic toll or else face the severe wrath of the public.

ive Buchanan and Senate Bill Number 9 by Senator John Bell is an honest attempt to correct the obvious deficiencies of the present law, and at the same time, preserve for Texans this life saving measure. These two bills remove the requirement that a car must be inspected before it can be registered.

in their final report urged the retention and improvement of the Motor Vehicle Inspection Law. The Texas Safety Association, and every traffic commission in Texas, has endorsed its retention and revision. This is evidence that the people of Texas are in favor of a Motor Vehicle Inspection Law.

It is to be remembered that no driver is a safe driver if the automobile he drives is unsafe. The 65 lives saved in 1952 testify eloquently as to the need of Texas having an inspection law.

IT'S THE LAW
in Texas
A public service feature of the State Bar of Texas

There is no time like the present, while the great battle of Form 1040 is still upon us, to start a procedure that will aid you with next year's income tax calculations. That is to maintain a record of your income and outgo. Such a record can be simple and brief but it may save you tax dollars.

The average man who works for a wage or salary doesn't have to concern himself about keeping books and records — at least so he thinks. His employer keeps a reliable record of his earnings and for the withholding of various taxes out of his wages.

But whether or not you run a business of your own, you have a partner who each year is claiming a substantial interest in your personal income. And the law

requires that you keep books for him in case he ever asks for an accounting.

Perhaps you own your home or are paying it out in instalments. It's likely that some day you may sell that house. When you do you'll want to be able to prove whether you realized a gain or a loss on that sale. If a gain in capital results, it probably will add to your income tax. If a loss was suffered, it probably will reduce your income tax.

You may have made certain capital improvements on the house while you lived in it, but unless you can show what out-of-pocket you incurred while making them, you may not get credit for them in your cost basis so as to prove that you had no capital gain or that you had a loss.

Or perhaps you received that little summer cottage on the lake as a gift from your father. If you ever sell it, you should be able to show Uncle Sam not only the cost of improvements you made on it while you owned it, but also what its fair market value was at the time Dad gave it to you.

It may be that you are receiving an annuity on an insurance policy. If so, do you know how much that policy costs you and how much of that cost you have recovered tax-free to date?

There are many kinds of transactions you enter into that may some day affect the computation of your personal income tax. The best proof of the cost of anything you've purchased is a receipted bill or canceled check. If one of these pieces of evidence relates to any transaction that may affect your income in later years, it's a good idea to keep it. Your "partner" may some day ask to see it.

Natives of Finland call their country Suomi.

Quebec is North America's only walled city.

SOCIETY AND CLUBS AND NEWS OF INTEREST TO WOMEN

Mrs. Conie Reynolds Is Honored At Dinner Here on Her 83rd Birthday

Mrs. Conie Reynolds was honored Sunday on the event of her 83rd birthday with a covered dish dinner held at noon at the American Legion hall. Most of her children and their families, as well as invited guests, were on hand for the celebration. Family members brought covered dishes of food, which was served buffet style to those present. Her children remembered Mrs. Reynolds with many nice gifts. Members of her family attending the party were: Mr. and Mrs. Jesse Reynolds, Mr. and Mrs. I.

D. Reynolds and Bobbie, Tommy and Pam, Mrs. Ollie Reynolds and Jimmie and Jackie, all of Cisco; Mr. and Mrs. W. R. Reynolds and Kenneth and Mr. and Mrs. Jack Reynolds of Fort Worth; Mr. and Mrs. O. O. Gonn, Mrs. Della Reynolds and children, Hazle, Afton and Barbara, of Grand Prairie; Mr. and Mrs. James E. Graham and sons, Gregory and Randy, Jesse Reynolds, Jr., and daughters, Judy and Sondra, of Cisco; Mrs. Opal Jefferson and children, Donny and Karen, of Rotan; Mr. and Mrs. Corbett Gonn of Amarillo and Mr. and Mrs. C. L. Proctor and Mr. and Mrs. Wayne Coleman of Fort Worth.

We don't know what they're worth, but we will trade them!

Methodist Circle One Has Meeting Tuesday

Circle One of the First Methodist Church met Tuesday afternoon in the home of Mrs. S. H. McCanlies with Mrs. McCanlies and Mrs. Crigler Paschal as hostesses. Mrs. J. T. Fields, chairman, presided at the meeting and conducted the business session. Mrs. J. T. Anderson, program chairman, presented the program

with Mrs. B. J. Osborn bringing the devotional. Mrs. Durwood Morris gave a talk on the book, "The Life of Robert Moffett." Mrs. R. S. Elliott collected the penny fund offering.

A motion was made and approved that the Circle help in serving meals or the members attending the District P-TA meeting to be held in Cisco on April 9-10.

Mrs. Mattie Cole and Mrs. L. R. Smith were welcomed as new members.

Following the meeting a refreshment plate, in the Valentine theme, was served to Mrs. J. H. Latson, Mrs. L. R. Smith, Mrs. F. J. Harrelson, Mrs. M. D. Paschal, Mrs. Stella Wilson, Mrs. B. J. Osborn, Mrs. Mattie Cole, Mrs. J. T. Fields, Mrs. Bessie Wilson, Mrs. Joe Lovelady, Mrs. R. W. Merrett, Mrs. Durwood Morris and her two children, Mrs. R. S. Elliott and the hostesses, Mrs. McCanlies and Mrs. Paschal.

HEALTH TALKS

Prepared by the Texas Medical Association

Changing the top sheet and covers on a bed occupied by a patient isn't too bad, but what a bugbear the bottom linen seems to the inexperienced home nurse!

After the bath and other grooming has been finished, the bed linen may be changed. If the patient must remain in bed, he is turned on his side and moved as far as possible toward one side of the bed. If he is weak or unable to turn easily, someone should stand on each side of the bed to make it.

The soiled bottom sheet is rolled up from the vacant side to the patient's back. After the mattress covering is straightened, a clean sheet is put into position, tucked at two corners and the loose side rolled on top of the soiled sheet. The patient is turned on his back across the rolled cover toward the opposite side so that the soiled sheet can be completely removed and the fresh one pulled smooth and tucked at the remaining corners. When the bottom sheet is put on the bed, another folded in

half (a "draw sheet") can be added to fit under shoulders and hips to protect the rest of the bottom covers and use in helping to turn the patient. A clean top sheet is put on last. A box pleat made at the foot of the bed will allow the patient room to wiggle his toes, if he doesn't like close fitting top covers.

Some patients can't have their heads lowered to change the linen, and others aren't allowed to turn from side to side. Their beds can be changed by working from the head to the foot, the patient's shoulders and hips being lifted as the linen is pulled under them.

Only one English monarch has willingly given up the throne.

Moran News...

From Page One
Connally of Moran, were introduced.

Miss Ruth Mercer of Ranger and Gene Griffith of Moran were married February 7, in the parsonage of the Ranger First Baptist Church. Rev. Perkins of Ranger officiated in the wedding rites. Mrs. Griffith is a graduate

Majestic EASTLAND

THURSDAY ONLY

— PLUS —
BIRTHDAY NITE

of Breckenridge High School. Mr. Griffith, son of Mrs. John Griffith of Moran, is a graduate of Moran High School and a veteran of four years with the Navy. He is employed with the Carl Lummus Drilling Company of Ranger. Mrs. Griffith is employed at Ranger General Hospital.

Mrs. Henry Grisham returned Sunday from the Haskel hospital where she had been ill. Her sister, Mrs. Ella Royal, remained in the hospital in a serious condition. Mrs. Lucy Burton remained in Haskel with her mother, Mrs. Royal.

Mrs. Melvin Mathis is ill in Graham Hospital in Cisco. She is the wife of Rev. Melvin Mathis of Moran.

Sgt. Donald Hagar was discharged from the Army on January 30 after being in service since May, 1951. He spent 14 months in Korea. He is the son of Mr. and Mrs. J. A. Hagar of Moran.

Miss Opal Clements of Dallas spent last week in Moran visiting relatives.

Mr. and Mrs. Oran Dennis were called to Garland Friday by the death of her father, J. A. Kale, 83. Burial was in Erath County beside his wife who died in 1916. In addition to Mrs. Dennis he is

survived by two other daughters, Mrs. Veva Williams of Garland and Mrs. Cleo Burton of Monument, New Mexico.

The annual brotherhood banquet of the Moran First Christian Church will be held at 7:15 p. m. Thursday, February 19, in the church dining room. Following the dinner the guests will go to the auditorium for the program. Thurman Morgan of Fort Worth will be the speaker for the evening and will tell of the week of compassion which is observed by Christian Churches everywhere.

Mr. and Mrs. Elvis Green of El Paso have announced the birth of a daughter, Debbie Susan, on February 8, in an El Paso hospital. She weighed six pounds and nine ounces at birth. Both the baby and Mrs. Green are doing well.

Spring Planning -- (From page one)

grain and weeds responded to the warmer weather over the eastern half of the state where moisture was available. Supplemental feeding of roughage and cake was tapering off in that area as the supply of green feed increased. In the west, moisture was needed to start grass. Wheat was supplying a little feed in the northwest. Heavy supplemental feed-

ing of roughage and cake continued in western counties.

It Doesn't Cost --

It Pays
