### BIG SWEETWATER GROUP ENJOYS OUTING HERE; MIDLAND IS DUE

By W. P. KNIGHT  
Two big buses brought 85 Sweetwater High School seniors to the Lake Cisco recreational area Tuesday morning shortly after 10 o'clock. Despite the heaviest rain in months, and an 85-mile trip to Cisco over slippery highways, these seniors were out for a full day of fun, and were not disappointed.

Water temperature of 65 and air temperature of 60 degrees, plus a heavy downpour, did not bother 25 of the visitors who thoroughly enjoyed an invigorating swim in the big pool. Several swam both before and after lunch and every swimmer complimented us on our fine pool. About a third of those in the water were girls.

Even non-swimmers agreed with us that our recreational facilities are really tops, when most of the visitors enjoyed the spacious skating rink where they could have lots of fun, regardless of the weather. Many skated both in the morning and afternoon. During the few hours when the rain ceased falling, many of the Sweetwater seniors walked through the passageways under the huge Lake Cisco dam, which separates the pool from the lake, and is the base for the Cisco-Albany highway, U. S. 380. A number of picnickers climbed up to the highway and got a bird's-eye view of the pool area, and the lake.

The miniature golf course was a rather busy place, too, after lunch, before the rains returned. Lunch was enjoyed under the bath-house pavilion and the garage space between two of the City of Cisco rock houses, behind the bathhouse. Senior class sponsor and teacher, Ray Rushing, telephone early last week and made arrangements for the big day. Other teachers who accompanied the high school boys and girls were Miss Louise Bollinger, a sponsor, and Miss Irving Loeb and Miss Jack Yarborough, Jr.

While Slingshot Sammy Baugh, the ex-professional football star, did not come along on this trip, his nephew was with the seniors at the lake. The Midland High School band will be at the lake area Friday, Saturday and Sunday, during which period they will live at the Presbyterian Camp. FHA advisors at Hamlin and Aspermont were sent letters recently with information about rates and availability of city cottages near the swimming pool. Ray Judia originally received the letters.

From Southwestern Arkansas came a letter, via chamber of commerce manager B. A. Butler, asking for some of the good points in favor of the Lake Cisco recreational area as a suitable spot for a reunion of families who live in Kansas, Arkansas, Texas, Colorado, New Mexico and Oklahoma. This group desires to camp out in the park. We wish all Lake Cisco letters we get were as easy to answer as this one.

Mr. Watkins, who came with the Rising Star 8th grade visitors Saturday, asked for a little information regarding the recreational facilities at the lake, and about the Presbyterian Camp, where the Anderson reunion will be held later in the year. Cisco Oil Operator J. T. Anderson sought our opinion concerning the possibility of having the swimming pool open during this reunion. Although we discussed this matter last March, we agreed that there would be sufficient water for the pool, and the heavy rain the past few weeks sure made our predictions look good.

The swimming pool enjoyed a big early season crowd last Saturday when 134 adult tickets and 15 children's tickets were sold, as a number of West Texas schools enjoyed their favorite vacation spot. Peacock High School Principal Bill Teel brought 18 freshmen, every one of whom enjoyed a good swim. As he praised our pool, the school head mentioned that the Sophomore class will pay us a visit this Saturday. Accompanying the Peacock group were Mrs. Gene Kissick and Mrs. Earl Baker.

From Roscoe High School came 30 Juniors under the sponsorship (Turn To Page Four)

### STUDENT COUNCIL LEADERS ARE SELECTED IN ANNUAL ELECTION

By RHELD A REED  
Cisco High School elected its officers for the 1954-55 student council Wednesday. The new officers are: president, Arzell Hale; vice-president, Jimmy Branton; secretary-treasurer, Faye Redwine. Arzell will be a member of the senior class of next year. Jimmy and Faye will be juniors. They are looking forward to taking over their new positions next September. They are making plans for a better and more efficient Student Council for the welfare of CHS.

Graduation  
As you have probably observed from taking fancy white envelopes seniors out of your mailbox, the seniors received their invitations. They are all getting anxious to graduate. They will leave to go on their senior trip next Friday, May 21. The graduation exercises will be held on May 28. It won't be long!

Gossip — Dash Crofts looked quite charming as a girl Wednesday. It was part of the skit for Faye Redwine's campaign. He had on a real cute skirt, but it was a little short. . . Frances Self, Flora Jean Fletcher, and Rhelda Reed were dressed as boys and put on a little show. They were campaigning for Robert Fletcher. Tia Juana Alford has been wearing a senior ring. It was heard that its owner is Marilyn Jackson. Everybody is still signing annuals! Their arms are about to drop off. . . The homemaking class is revolutionizing biscuit making! They made some of the most peculiar looking biscuits ever seen by man Tuesday. Mrs. Moore's home room was certainly entertained to say the least. They worked very hard to present it. . . The seniors are all about to go crazy over the long English assignment that Mrs. Hazlewood has given them this week.

The officers who will graduate are: president, Bob Miller; vice-president, Leon McCrary; and secretary-treasurer, Anita Stroebel.

### Cheer Leaders

The cheer leaders for the 1954 football season were elected last week. They will be Cindee Gallagher, Dot Crofts, Sandra Turknett, Donnie Johnson, and Trevia Edwards. Cindee will be a senior next year. Dot, Sandra, and Donnie will be juniors. Trevia will be a sophomore. The graduating cheer leaders are Flora Jean Fletcher, Bobbie Ann Huffman and Rhelda Reed.

### Band and Choir Concert

The Cisco High School Lobo Band and Choir will present their annual spring concert Friday night at the High School Auditorium. They will play numbers they played and sang at the Interscholastic League Contests early this spring. They are hopeful of a large crowd for the concert.

### Meet the Seniors

BARBARA WEBB — Barbara was born at Odessa, Texas, on April 5, 1936. Her favorite subject is typing. She enjoys reading as a past-time. After graduating from high school she hopes to obtain a secretarial job. She transferred here from Robstown shortly after mid-term. In Robstown she was a member of the FHA chapter. She has been a very good student and everyone was most happy to have her as a member of the graduating class of '54.

DAVID WILLIAMS — David was born on October 15, 1935, at Prescott, Arizona. His favorite subject is geometry. He likes to hunt. His hobby is guns. After graduating from high school, David plans to go into the service and then go to Texas Tech where he plans to train to be a civil engineer.

### Team Assignments Are Made By League

Team assignments were made at a meeting of officials and coaches of the Teenage League held Wednesday night at the Chamber of Commerce. The league is made up of four teams, and each team was assigned 16 players. The complete details, including the team members, will be announced in the Sunday edition of The Press, it was reported.

### BANQUET IS PLANNED

The C.W.E. of the First Christian Church will hold the annual Mother and Daughter Banquet at 7 p. m. Friday at the church basement. Members were asked to make plans to attend and to bring a covered dish for the banquet.

### LEGION MEETS TONIGHT

Members of the John William Butts Post 123 of the American Legion will hold a regular business meeting at 7:30 p. m. Thursday at the Legion Hall. Post Commander Gene Abbott has asked members to be present.

### CEMETERY WORKING

There will be a cemetery working by members of the Corinth Church on Saturday, May 15, according to an announcement here today. Anyone interested was invited to take part. Picnic lunches will be served at noon.

### Honor Students Are Announced By Scranton School

Miss Annette Brawley and Miss Beatrice Lee have been named valedictorian and salutatorian, respectively, of the senior class at Scranton High School. Wayne Speegle, son of Mr. and Mrs. J. W. Speegle of Route 4, Cisco, had the highest scholastic average for boys of the class with a grade average of 90.9 per cent.

Miss Brawley, 17, lives with her mother, Mrs. J. W. Brawley, of Route 1, Nimrod. Her grade average was 92.8 per cent. She has been a student at Scranton since the fourth grade. She is active in all school activities and was voted the most popular girl in high school this year.

Miss Lee, 19, is the daughter of Mr. and Mrs. J. F. Lee, Route 4, Cisco. Her grade average was 91.2 per cent. She has attended the Scranton school since she was a freshman. She is captain of the girls basketball team and was in the senior play. English and home economics are her favorite subjects. She also plans to study primary education at TCU next year.

Scranton High School will hold its baccalaureate service on Sunday, May 16, at 3 p. m. at the Scranton Baptist Church. Rev. Jackson C. Oglesby, pastor of the First Methodist Church at Eastland is to bring the message. The commencement exercises are to be held Thursday, May 20, at 8 p. m. at the Scranton Gym. Carlos J. Turner, president-elect of Cisco Junior College, will be the commencement speaker. — Robert Bell.

### Increase In Liver Ailments Noted In Some Sections

AUSTIN, May 13.—Increasing numbers of cases of a disease called "infectious hepatitis" are being observed in Texas, state health officials say. Over 800 cases of the debilitating illness have been reported by private physicians so far this year. That's substantial increase over the number reported for the same time period last year, says Health Department Epidemiologist Dr. Gordon Grace.

Most medical authorities believe the disease is spread by person to person contact nose and throat discharges, Dr. Grace pointed out. But he said a number of cases have been traced to contaminated food and water. Infectious hepatitis literally means "infectious inflammation of the liver." It is a virus infection which occurs sporadically all year long, but which subsides somewhat during summer months.

Grace said there are no experimental animals on which tests can be conducted, and the virus cannot be "cultured" or grown in a laboratory. Older people, he said, are apparently immune. Sub-clinical cases — people who have the virus but are not sick — are not uncommon.

The disease is characterized by a flu-like onset, accompanied by a low-grade fever of 99-101 degrees for two or three days. The liver area is tender, and the patient has little appetite. Later, the skin turns yellow, fever returns, and the liver area is sore and tender. Walking increases pain because the inflamed liver is thus aggravated.

Gamma globulin in the proper dosage gives a temporary immunity, Grace said. The blood fraction is made available through the State Department of Health to private physicians who administer it to family contacts of patients and to institutional cases. An outbreak in a community usually lasts two or three months, Dr. Grace commented.

He said the best individual and community defense against the weakening condition is scrupulous hygiene and good environmental sanitation. Stewart M. Doss and daughter, Susan, of Dallas spent the weekend in Cisco with his parents, Mr. and Mrs. O. H. Doss.

### CISCOAN TO GRADUATE

AUSTIN, May 13.—The University of Texas will hold commencement exercises on May 29, and the degree candidates include Laura Lou Morris of 204 West 5th Street, Cisco, who will receive the degree of Bachelor of Science in elementary education.

### COUNTRY CLUB PARTY

Friday night will be coffee and game night at the Cisco Country Club, it was announced by the committee in charge Thursday. The program is scheduled to begin at 7:30 o'clock and all members were urged to attend.

You Can't Have A Credit Rating If You Never Buy Thing On The Credit. (Last Article of a Series) Don't pride yourself that you always pay for your purchases with cash and never use a charge account.

Most people, Mrs. Huffmyer believes, realize the value of using credit wisely, even if only sparingly. She points out that there are only a few among the adult population of the Cisco trading area whose names are not to be found in the files of the Merchants Credit Association office.

Practically everyone has to buy something on credit at some time or other during his life. If he has no credit record he is more than likely either to fail to make the purchase or to encounter a lot of difficulty in consummating the transaction.

Most people, she says, like to protect their good credit standing. She estimates that about 87 percent of people in this area are reasonably good credit risks. "We are interested mostly in helping people maintain good credit," Mrs. Huffmyer says. "That is our principal reason for being in business."

The local Merchants Credit Association has been in business since September, 1946, and Mrs. Huffmyer has been its secretary-manager since that time. Chas. W. Graham has been president of the association for the past two years, and Chas. S. Sandier is vice president. Former presidents have been A. D. The Intermediate and Junior G.A.'s of the East Cisco Baptist Church honored their mothers with a mother-daughter tea Tuesday evening at the educational building of the church.

Nell Green and Wanda Nance presided at the guest book and refreshments of punch, cookies, and mints were served by Shirley Fowler and Glenda Hughes. Music was furnished during the evening by Glenda Hughes and Claudine Tucker.

Twenty-seven guests attended.

### Business Women's Circle Has Meeting

The Business Women's Circle of the East Cisco Baptist Church met Monday at the church for a Royal Service Program.

Mrs. Thelma Bosworth opened the meeting with prayer and Mrs. Carroll Stansell gave the devotional on Stewardship. She was assisted by her daughter, Carolyn. Mrs. Bosworth then told the Royal Service story, "Baptist Educational System in South America," and the meeting was dismissed with prayer by Mrs. H. K. Neely.

Those attending were Mrs. Carroll Stansell, Mrs. Thelma Bosworth, Mrs. H. K. Neely, and two visitors, Connie and Carolyn Stansell.

### Music Club Selects Officers At Meeting

The Cisco Music Study Club held its last meeting of the year Wednesday morning at the Federated Clubhouse with Mrs. J. M. Flournoy presiding.

The meeting was opened with the repeating of the club collect. Mrs. Doug Hill, Mrs. Sidney Spain, and Mrs. C. J. Kleiner were named the year book committee for the coming year. New officers were elected as follows: Mrs. E. W. Barnby, president; Mrs. John Kleiner, vice president; Mrs. Ben Krauskopf, secretary; and Mrs. Roy Fonville, treasurer.

Following the business session, the meeting was turned to the program chairman. Mrs. Richard Phillips played a piano solo, "Rhapsody in B Minor," by Brahms. Diana Waters, accompanied by Mrs. Doug Hill, sang "The Owl" and "Somewhere a Voice is Calling." The text of the hymn, "O God Our Help in Ages Past," was given by Mrs. Barnby and the tune was played by Mrs. Hill. Discussions on "Twentieth Century Music" and "Development of American Music" were given by Mrs. C. E. Paul and Mrs. J. M. Flournoy. Mrs. Ben Krauskopf closed the program with two accordin solos, "The Rosary" by Nevin, and "Lake of the Woods" by Barry.

Those present were Mesdames E. W. Barnby, J. M. Flournoy, Roy Fonville, Doug Hill, J. H. Kleiner, Ben Krauskopf, and C. E. Paul.

### Mrs. Grantz Hostess For Baptist Circle

Mrs. Eula Grantz was hostess in her home Tuesday when Circle Two of the First Baptist Church met for their regular meeting.

Mrs. O. G. Lawson presided over the short business session and Mrs. E. L. Jackson taught the mission study. The meeting was dismissed with prayer.

Those attending were Mrs. O. L. Mason, Mrs. W. H. LaRoque, Mrs. Ada Wheeler, Mrs. E. L. Jackson, Mrs. W. J. Parsons, Mrs. O. G. Lawson, and the hostess, Mrs. Grantz.

The next meeting will be held at the home of Mrs. E. L. Jackson.

Mrs. D. R. Harper, who broke her ankle recently, is able to be up in a wheel chair.

## Esso Extra MOTOR OIL

in your car,

in your tractor,

in your truck

I'd particularly like to recommend Esso Extra Motor Oil for your farm and ranch. It is a heavy duty, anti-acid, detergent motor oil with an unusually high viscosity index.\* Like all other Humble products it has been designed to perform under Texas conditions.

Let me know if I can help you with any special needs or problems... whether it's gasoline, motor oil, lubricants, rust preventives... any petroleum products.

\*High viscosity index means less "drag" on your starter and engine, lengthens battery life and saves gasoline.

"As It Looks From Here"

OMAR BURLESON Congressman 17th District

WASHINGTON, D. C. — More nonsense has been written and more drivel has been talked about "unleashing Chiang Kai-shek" than should be allowed to go unanswered in an informed country such as ours.

If there ever was a time when the forces of Chiang Kai-shek should have been used against the mainland of China, it was during the past several weeks. If it had been possible for Chiang's forces to have attacked the mainland of China with any effect, it would have relieved the pressure of the Communists in Indochina.

The fact is that the ability of Chiang's forces for an invasion of the mainland of China was very limited. A lot of Asia-firsters have seemingly gotten drunk on their own propaganda.

The United States has poured millions upon millions into Formosa and it is true that Chiang has approximately three-hundred thousand combat-worthy troops, of whom perhaps 10 percent are fit for commando-type operations. But he has neither the air power nor the naval power to attempt any sizeable re-invasion of China.

Political Announcements

Dr. Clark To Get Honorary Doctor Of Science Degree

HOUSTON, May 13. — Dr. R. Lee Clark, University of Texas M. D. Anderson Hospital director, will receive an honorary Doctor of Science degree June 1 at commencement exercises of his alma mater, the Medical College of Virginia.

Dr. W. T. Sanger, president who was also president when Dr. Clark received his Doctor of Medicine degree in 1932, will confer the D. Sc. While a student there, Dr. Clark paid part of his expenses by lettering the school's diplomas. In his senior year he lettered one of the first honorary degrees of Doctor of Science given by the college. It was for Dr. A. C. Broders, now with the Scott-White Clinic in Temple.

Dr. Clark has been director and surgeon in chief of the Anderson Hospital since 1946. He received his Bachelor of Science degree at the University of South Carolina in 1927, and his Master of Science in Surgery at the University of Minnesota in 1933.

After graduation from the Medical College of Virginia he did postgraduate work at the University of Paris and was chief resident surgeon in the American Hospital there. He entered the U. S. Air Force Medical Corps in 1942, and was chief of surgery at the School of Aviation Medicine at Randolph Field. He organized the surgical research for the Air Force Medical Corps.

Before leaving the service in 1946 he wrote the surgical history of the Army Air Force for the surgeon general. Dr. Clark is professor of surgery at the University of Texas Postgraduate School of Medicine, consultant to the Surgeon General of the U. S. Air Force, and consultant to the Medical Division of the Oak Ridge Institute of Nuclear Studies.

Dr. Clark is directing medical editor of the Medical Arts Publications. He received his Bachelor of Science degree at the University of South Carolina in 1927, and his Master of Science in Surgery at the University of Minnesota in 1933.

Garden Fence Adds Room To Grow Crops in Air

Tomato Vines Pruned and Tied to Fence or Stakes Ripen Earlier.

Air rights are a valuable asset to every vegetable garden. If used properly, some of our finest vegetables can be grown much better, if trained on a fence or trellis than if allowed to spread out on the ground.

Tomatoes, cucumbers, melons, squash, and both snap and lima beans of the so-called pole varieties grow better and are easier to grow if they are allowed to climb. For this purpose a picket fence four to five feet high may be built on the north, east and west sides of a garden plot.

Pickets should be spaced 3 or 4 inches apart, so free circulation of air is permitted and some sunshine may pass through. Around a garden of 1,000 square feet a fence covered with plants would add 360 square feet or more to the effective area.

Climbing crops are planted at the base of the fence, which has no roots to compete with them for food. Some seed six inches from the fence and apply plant food in a trench four inches from the seed. Thus the ground space occupied by the climbing crops will be no greater than one of the row crops needs.

Practically all the climbing crops are killed by frost, so seed should not be sown or plants set out until frost danger has passed. Tomatoes for growing in the air should not be of the so-called determinate vine class.

When desirable to spray or dust vine crops to protect them from insects and disease, this is much easier to do if they are climbing, than when they are sprawling. All surfaces can more easily be reached. Harvesting requires no bending over, and the sun has a better chance to ripen the fruit.

Swimming Pool News . . . From Page One

of Principal and Mrs. R. H. Saltee. Like the Peacock class, the visitors from Roscoe first enjoyed a refreshing swim and tapered off with skating and a round of golf.

Other Saturday visitors at Lake Cisco included the Cross Plains 8th grade, with elementary school principal Hubert Kelley in charge of the 23 pupils who found fun everywhere at our many lake area attractions. Sponsors included Mrs. Jack Watson, who is the bookkeeper at the Cisco Livestock Auction. She inquired about the forthcoming Anderson reunion, which will be held later at the Presbyterian Camp here.

Sponsors included Mrs. Jack Watson, who is the bookkeeper at the Cisco Livestock Auction. She inquired about the forthcoming Anderson reunion, which will be held later at the Presbyterian Camp here.

Sunday was another big day at the pool, when 91 adults and a few children swam. Adults are ticket purchasers 12 and over. A number of Wranglers and Wranglerettes came out for a swim and to check up on what kind of a life guarding job Ronald Conner and Burl Shetter were doing.

One of the CJC girls found out that it was easier to swim in a bathing suit than fully clothed, a way of swimming that was not altogether her own idea. Practically all Sunday swimmers were from Cisco.

CJC Ranch Day swimmers included band members from De Leon in charge of Director E. L. Repass; some from Cross Plains band headed by Billy King and about 18 Cisco band swimmers. A few came from other bands which marched in the parade. In cooperation with Cisco Junior College, these band members enjoyed a free swim, courtesy of John Wm. Butts Post 123, American Legion, operators of the pool and rink.

Other swimming groups last week included students from Baird, Moran, Albany, German, Putnam, May, Rising Star and other Cisco area towns. The German sophomore class 25 was headed by Mrs. Jack Dawsonport along with sponsors and mothers Mesdames Earnie Todd, John Wheeler and Durwood Bejuga.

Twenty-eight May sophomores were in charge of Mr. and Mrs. Jack Ryie, who were assisted by Mrs. Harris, Mrs. Branham, Mrs. Richardson and Mrs. Epley. A Baird 6th grade class of 33, which did not swim, came with their teacher, Mrs. Webster, whose son is affiliated with Wylie Funeral Home at Cisco. Sponsors included Merl King, L. L. Bryant and J. D. Barnes.

Fishing Foundation which publishes the Cancer Bulletin, The Heart Bulletin, and The Psychiatric Bulletin. He was co-editor of "The Book of Health," a medical encyclopedia for laymen. He grew up in Cisco.

Mr. and Mrs. Austin Flint were Sunday visitors in Terrell with her mother. Their daughter, Jane, a student at Baylor University, joined them there. Mr. Flint attended a meeting of J. C. Penney Company managers in Fort Worth on Monday and Tuesday.

Mrs. Harry Fielding of Borger, Mrs. Reba Carson of Amarillo, and Mr. and Mrs. T. A. Wilson and family of Amarillo have returned to their homes following a visit in Cisco with their parents, Mr. and Mrs. J. T. Carson, Sr., and their brother, Mr. and Mrs. J. T. Carson, Jr.

Weekend guests in the home of Mr. and Mrs. D. R. Harper were Mr. and Mrs. Troy Rodgers of Austin, Mr. and Mrs. Paul A. Cozby of Vernon, Mr. and Mrs. Chester Falk and son, Michael, of Austin, Mr. and Mrs. Jeff Laughlin of Eastland, and Mrs. A. M. Jensen of Port Arthur.

Miss Carolyn Bint, who underwent surgery at Graham Hospital Friday, is reported as doing nicely. She is expected to remain in the hospital for several days.

Mr. and Mrs. Buddy Dolgener and Mr. and Mrs. S. O. Barnhill were in Fort Worth Tuesday where Mr. Barnhill received treatment in a Fort Worth hospital. They also visited in the home of Mr. and Mrs. Novel Barnhill.

Mrs. A. J. Olson has returned from a visit with her daughter, Mrs. D. E. Franklin, in Wichita Falls.

Mr. and Mrs. Lonnie Crosby of Fort Worth and Mr. and Mrs. Foye Flood of Abilene spent the weekend with their parents, Mr. and Mrs. A. A. Hansen.

## State Capitol NEWS

By VERN SANFORD  
Texas Press Association  
AUSTIN — Governor Allan Shivers thinks that his opponent, Ralph W. Yarborough, "may be" receiving some financial help from George Parr, the South Texas politico.

It was quite a coincidence, Shivers said, that Yarborough and Parr announced their candidacies on the same day. Parr is running for district judge.

Shivers said he supposes Yarborough will make "the same sort of campaign of personal vilification and name-calling he made two years ago."

After making these remarks to reporters, the governor left with Mrs. Shivers for a vacation in Alabama. Later he will go to Korea with several other governors, returning to Texas June 1.

Thereafter, he said, "there will be a long time for campaigning."

ISN'T THERE SOMEONE YOU COULD NEVER FORGET?

Say it with Flowers from Philpot the Florist  
Phone 15 200 AVE. J. - CISCO, TEXAS

the drought." Shivers and Yarborough shaped up as the leading contenders in the race for governor. Other candidates who paid their \$600 filing fee were J. J. Holmes, Austin general contractor, and Arlon Barton "Cyclone" Davis of Dallas, frequently a candidate for state office.

### Young Demos

Young Democrats of Texas squared away into two factions, ready for the coming summer's political battles.

One side, friendly to Shivers, promised a precinct-by-precinct fight for control of the party machinery. The other faction held a meeting at San Antonio, where Yarborough was a principal speaker.

### Other Races

A number of state office holders were unopposed for reelection.

These included Land Commissioner Bascom Giles, Railroad Commissioner Ernest O. Thompson, Congressman-at-large Martin Dies, Comptroller Robert S. Calvert, Treasurer Jesse James and Supreme Court Justices J. E. Hickman and Clyde E. Smith, and Agriculture Commissioner John C. White.

Attorney General John Ben Shepperd drew a late-filing opponent in the person of Doug Crouch, a state representative from Denton who recently moved to Fort Worth.

Opposing Judge Few Brewster for a place on the state supreme court are Alfred M. Scott of Austin and Robert B. Keenan of Gladewater.

A three-man field set out in the race for lieutenant governor, with Ben Ramsey seeking reelection and having as his opponents George T. Hinson of Mineola and C. T. Johnson of Austin.

Harry N. Graves of Georgetown retired from his pace on the court of criminal appeals, and the position is being sought by Alan B. Haley of Wichita Falls, Lloyd W. Davidson of Austin, W. C. Graves of Dallas and Sam W. Davis of Houston.

Running against U. S. Senator Lyndon B. Johnson is State Representative Dudley T. Dougherty, wealthy Beeville rancher and oil man.

### Republicans File

All those candidates listed above will seek nomination at the Democratic primaries. The Republicans will have a primary election, too, for the third time in Texas history. Here are the G.O.P. candidates:

For U. S. Senator: Carlos G. Watson of Brownsville and Willard T. Holland of Houston.

For governor: Todd R. Adams of Crockett.

For commissioner of agriculture: Harold W. Linderman of Houston.

For congressman-at-large: Thomas H. Nolan of San Antonio.

More candidates may be permitted to file up to June 7, said Alvin Lane, state Republican chairman.

### Two Million Voters

It is possible that more than two million votes may be cast in this year's elections.

Anyway, there are that many persons eligible to vote in Texas. Comptroller Robert S. Calvert announced that poll taxes paid add up to 1,640,101. More than half a million others may vote by getting exemptions.

In the presidential race between Eisenhower and Stevenson, Texans cast 2,075,946 votes.
