The Gay Philosopher

By J. W. S.

ONE OF THE best crowds for a Cisco Junior College game this season was on hand Saturday night to help the Wranglers celebrate their annual homecoming. It was a good game and everybody enjoyed the evening's program. The winners of merchants gate awards were: Carolyn Stansell, 4, daughter of the C. W. Stansells, \$25 in merchandise; George Cleveland, \$15 in merchandise; and Cecil Adams, \$10 in merchandise.

The Lobo band looked fine in its half-time program, and the special numbers were splendid. Miss Patsy Beyer, the talented twirler, gave a demonstration in the art of handling batons. She wore an attractive costume and won a lot of applause.

The Rev. Tex Culp, the new East Cisco Baptist pastor, gave the pre-game invocation. . . Coach Boone Yarbrough of the Ranger High School team was scouting the game. Ranger Junior College plays Allen Academy soon. . . Jack Everett saw the TCU-Baylor game and got home in time to see the local contest.

THERE WAS a big crowd of "trick or treaters" in town Saturday night. They were dressed in all kinds of costumes. A couple of little girls came to our house, and demanded "trick or treat." We suggested that a trick might be interesting. After we forked over with some goodies, they departed. And one of the little girls said to the other: "They always want tricks!"

ONE OF THE most surprised young ladies in town the other day was Miss Patsy King, daughter of the Sam Kings and now at McMurry College. A couple of years ago, Patsy lost her billfold out at Lake Cisco. She gave up all hopes of ever finding it about one year and 11 months ago.

But the mail man brought her a package Saturday. It contained her lost billfold — contents intact. It came to Patsy from a Monahans cafe owner, who reported that "you left your billfold in our cafe." Patsy hadn't been to Monahans, so she figures whoever had it left it at the cafe there.

ELSEWHERE ON this page you'll see a picture of Mr. S. H. Nance, the long-time civic leader who has just retired as a partner in the Nance Motor Company. You probably noticed the story about Mr. Nance selling his stock to Mr. Charlie Graham in Sunday's Press.

We fixed up the story and set up pictures of Mr. Nance and Mr. Graham to run therewith. The picture that ran of Mr. Nance was made about 20 years ago, and we're running the recent picture today. And we're sorry that the wrong cut was run by mistake.

Several folks asked Mr. Graham "isn't the wrong man retiring?" And Mr. Nance had several pals mention that "you look too young to retire." Actually, Mr. Nance doesn't look old enough to retire. And you will be pleased to know that his retirement only means that he is going to quit working so much and will have more time for personal pleasure and civic work.

If he's not too busy, Mr. Nance can join our staff of advisors. We have a big staff of retired men who are free to write and discuss community problems and the like.

MR. GRAHAM reports that he and Salesmen Earl Gorr and Truly Carter went up to Fort Worth last Saturday for a dealers' preview of the 1955 model Fords that'll be introduced this month. "We liked what we saw," reports Charlie.

They took Mr. Nance along for a final meeting of the Ford dealers and salesmen. And Mr. Nance enjoyed it very much.

EVERYBODY WAS mighty well pleased up at the A-G Motor Company with the reception given the 1955 model Chevrolet in the 3-day show Thursday, Friday and Saturday. Mr. Dick Anderson says about 3,500 people visited the show room. The A-G folks served 75 dozen doughnuts and 70 gallons of coffee.

It was the best reception ever given a Chevrolet model change" was the unanimous opinion of the Andersons.

Midgets To Play Eastland Eleven In Game Tonight

The Cisco Junior High School Midgets go to Eastland tonight for a Junior Oilbelt Conference contest with the classy Eastland Dogie grid team.

The Midgets will probably see more balls in the air in the game tonight than at any time this season, since the Dogie attack is built around the throwing arm of Quarterback Humphries. The Eastland team won last week over De Leon by a 20-18 score after being behind for most of the game. They scored the winning touchdown in the final 60 seconds of the game. Humphries passed for two of the scores and a pass set up the third touchdown.

The junior Maverick backs are small but shifty. The backfield averages 107 pounds per man as compared to approximately 140 for the Midgets. The lines average about the same. Both forward walls will hit an average of approximately 130 pounds per man.

Benton Porter will be at the quarterback post tonight in the place of Johnny Choate, who has been shifted to an end position. Coaches Bobby Zellers and Bill Tate made the switch to give added height and better passing to the quarterback post.

Probable starters include Choate and Billy Hammer at ends; Billy Swindle and Joe Tom Johnson at tackles; Johnny Bob Richardson and John Adams at guards; Dickie Bennie at center; Porter at quarter; Ronnie and Robert Bostick at halves and Wayne Brown at full.

The Midgets conclude their regular 1954 schedule on November 9 when the heavy Gorman team comes to Cisco for a conference game.

Boosters Club Will Hold Meeting Tonight

The Cisco Boosters Club will meet tonight at the high school building. The regular weekly meeting is scheduled for 7 o'clock.

President Bob Latson said that a review of work done this year would be made, and that plans for raising additional funds would be discussed. He asked all members to attend the meeting.

CJC AND ALLEN ACADEMY PLAY 20-20 GAME SATURDAY NIGHT

Cisco Junior College and the Allen Academy of Bryan fought to a 20-20 tie in one of the season's outstanding football games here Saturday night. It was the homecoming and queen coronation occasion for the Wranglers, and a good crowd turned out for the program.

In half-time ceremonies, Miss Margie Cook of Cisco was crowned as football queen. She was presented by the Wrangler tri-captains for the game — Ray Westmoreland, Bud Miller and Burl Shetter. The Cisco Lobo Band provided music for the coronation.

Miss Patsy Beyer, CJC freshman student from Wylie, was presented in a special twirling demonstration. The Wranglers, who play next on November 20 with Paris Junior College in Cisco, were given this week off by Coaches Red Lewis and Joe Stephenson. An open date was on the schedule for November 6, and a game with the Goodfellow Air Force Base on November 13 was cancelled, leaving the team with two weeks off. Practice will be resumed next Monday.

Westmoreland, speedy halfback, suffered a broken bone in his right hand in the final quarter of the game. He probably will be ready to play in the aris contest.

Bill Bankhead, freshman halfback from Gatesville who had been on the sidelines all season with injuries, provided much of the spark that enabled the Wranglers to pile up 14 first downs. He was a consistent ground gainer and showed a lot of ability.

The Wranglers played a better brand of defensive football than in previous games. They held the Ramblers to seven first downs. Severo Vaquera, who divided offensive quarterbacking chores with Nored Van Dinter, was a defensive standout backing up the line. Bankhead look good on the defense, too, and so did Arnold Hunter, Kent Mundell, Wayne Adams, Burl Shetter, and others. Westmoreland played a fine game in all departments.

Allen Academy scored first as the second period opened. The first quarter was scoreless with honors fairly well divided. Shortly before the period ended, Allen recovered a Cisco fumble on the Wrangler 33. They drove to the Cisco 5 where the Wranglers held and took over. Three plays failed to gain and Bud Miller's punt was returned to the Cisco 17 as the quarter closed.

Opening the second period, Allen's Jim Whitehead got six yards and S. Bullock drove to the 6. Quarterback D. Williams then scored. And the try for extra point was good.

The Wranglers went to work and scored, too. Bob Lay returned the kickoff 32 yards, and Van Dinter hit Miller with two passes to the Allen 47. Lay and Van Dinter drove to the 35, and the latter hit Miller with a pass on the Allen 21. Bankhead and Van Dinter ran to the 8-yard line, and Bankhead then scored. Blackburn missed the uprights.

Cisco scored again just before the half ended. Allen lost the ball on downs on the Cisco 46 when a fourth down buck failed to get a yard. Bankhead got through for 9 yards, and Lay drove to the Allen 32. Van Dinter then hit Miller with a pass for a touchdown. Van Dinter (Turn To Page Four)

Governor Proclaims "Beef Week In Texas"

Beef Week in Texas, November 8 to 14, was made official this week when Governor Allan Shivers handed an official proclamation to Roy Parks, Midland, President of the Texas Beef Council. The proclamation urged all Texans "to eat beef at least once a day." Shown with the Governor and Mr. Parks is J. D. Sartwell, Houston, center, TBC first vice-president.

Light Vote Seen For Entire State

Voting was comparatively light in Cisco and Eastland County today as area residents joined those of the entire nation in the general election. Less than 150 votes had been cast here at noon, and reports from over the county indicated that voters would not be out in large numbers.

The polls opened at 8 a. m. and will remain open until 7 p. m. Fred Girst was presiding judge at the City Hall polling place and a total of 82 ballots had been issued at 11:30 a. m. W. W. Wallace, presiding judge of the East Cisco box at the Cisco Gas Corp., had issued only 30 ballots.

Those who received ballots were taking a little more time than usual at elections. The big ballot listed all Democratic Party nominees, a few nominees by the Republican party, and places for the Constitution Party, Independent Party and write-ins.

Eleven constitutional amendments are listed on the ballot. This is the largest number of changes ever proposed in the constitution in any one election.

All eligible voters have been urged to go to the polls by precinct, county, district, state and national leaders.

S. H. Nance, pictured above, has announced his retirement from active business and has sold his stock in the Nance Motor Co. here to Charles W. Graham. Mr. Nance spent some 30 years as a Ford dealer, including 23 years in Cisco. He is active in civic and church work here. Mr. Graham became sole owner of the firm in the transaction that was announced last Sunday.

Kathie Archer In Masonic Hospital

Dallas, Nov. 2.—Kathie Archer, age 3, daughter of Mrs. Katherine Archer of Cisco, was admitted October 29 to the Scottish Rite Hospital for Crippled Children in Dallas.

Texas Scottish Rite Masons founded the hospital more than 30 years ago in an effort to provide a chance at a normal life and a useful place in society for the handicapped child. The Scottish Rite Hospital has accepted almost 100,000 children for treatment since 1925. An expert staff, plus unique physical facilities and dedication to the welfare of the child make it an outstanding treatment center which serves the entire state. It is supported by public contributions and bequests.

Home Agents To Go To Area Workshop

A recent visitor in the County Home Demonstration Office was Miss Annie Lane, district home demonstration agent, from Stephenville. The purpose of her visit was to confer with the agents, Miss Minnie Mae Billingsley, and the assistant, Miss Mason, on the plans of work for the year and publicity.

Both Miss Billingsley and Miss Mason will spend November 3 and 4 at Stephenville attending a Homestead Improvement Workshop. The demonstration office will be open on Friday, Nov. 5.

Hospital News

Amos Lowery, who was injured in an automobile accident several days ago, was slightly improved at Graham Hospital Tuesday.

Other patients included Mrs. J. E. Murphy and infant daughter, Mrs. Tom B. Stark, E. L. Hazlewood, W. C. Cates, and Mrs. T. E. Wilson and infant son, all of Cisco; and Mrs. L. L. Hill of Rising Star.

Dismissed recently were Mary Fay Wagley, Mrs. Carmie Wallace, Mrs. W. C. Clements, and Mrs. W. W. Allen, all of Cisco.

WORD CLUB TO MEET

The Word Home Demonstration Club will meet Thursday afternoon at two o'clock at the home of Mrs. Hap Wagley with Mrs. Gay Weaver serving as the co-hostess. All members were asked to attend.

CLASS PLANS MEETING

The T.E.L. Class of the First Baptist Church will have an important meeting Thursday afternoon at three o'clock at the church. All members and associate members were urged to be present.

Dr. and Mrs. N. A. Brown were business visitors in Wichita Falls today.

Rev. and Mrs. H. K. Neely, Jr., and baby of Waco spent the week end in Cisco with their parents, Mr. and Mrs. Harry Schaefer and Mr. and Mrs. H. K. Neely, Sr.

Mrs. R. H. Heizer of Dublin spent the weekend in Cisco as the guest of Mrs. J. T. Waddell, Sr., and attended the Homecoming of the Wesley Methodist Church on Sunday.

Mrs. R. L. Farmer and daughter and family of Fort Worth attended the Homecoming at the Wesley Methodist Church Sunday.

A/ie and Mrs. George M. Davis and children of Salina, Kansas, and Edwin Hall Baird of Dallas spent the weekend in Cisco in the home of Mr. and Mrs. George Davis.

Mr. and Mrs. E. G. Pierce visited in Cross Plains Saturday afternoon and with Mr. and Mrs. Joe Pierce and family in Baird Sunday afternoon.

Mr. and Mrs. W. B. Wright attended the SMU-Texas football game in Austin last Saturday afternoon.

Mr. and Mrs. Coy Warren and daughter of Abilene were weekend visitors in Cisco.

Mrs. George P. Fee has returned home after undergoing treatment for several days in a Dallas hospital.

Vets Questions And Answers

Q — I understand that a veteran may not receive Korean GI training benefit payments if they duplicate payments made by the Government under some other program. I plan to enroll in a land-grant college, which gets Federal funds from a non-VA source. Would I still be permitted to take my training under the Korean GI Bill?

A — Yes. The fact that the Government provides funds to land-grant colleges would not

deprive you of your rights to enroll under the Korean GI Bill. The ban on duplicate payments would apply only if you yourself were to get money from two Federal sources -- the VA and some other agency.

Q — I have a GI insurance policy. I have named my beneficiaries but I have not yet told VA how I want the money paid out. If something were to happen to me before I designate a method of payment, what will VA do with the money?

A — If you fail to select a method of settlement, the insurance money will be paid to your beneficiary in 36 equal installments. Your beneficiary, however, would have the right to choose some other settlement method so long as it is not a lump-sum payment.

Q — I am a disabled World War I veteran drawing a VA pension. Recently I set up a small business that I operate part-time from my home. Do I have to count all the money I make from the business as income, for pension purposes?

A — No. In computing the income from your business, you are permitted to deduct necessary expenses of carrying on the business. It is your net income that counts, not your gross income.

Q — Would it be possible to attend a cooking school in France under the Korean GI Bill? This school is not a college.

A — No. Under the Korean GI Bill, veterans may train in foreign countries only at accredited colleges and universities. They may not enroll in any other type of school.

RELIVING OLD TIMES

AND TOUGH ONES—The man at left has let his beard grow for the annual "Hellorado" celebration in Tombstone, Ariz., a town once called "Too tough to die." The popular resort and health center will re-enact the days of wide-open poker games, where guns were kept within easy reach, upper right. No real money changes hands now, but the props are real. Below is a rehearsal of the well known situation in which the "good" guy shoots down a "bad" guy. The Wild West will soon live again in the proper spirit—if not the right century.

MISHAP IN TEXAS—After a wood and steel bridge collapsed under the weight of a semi-trailer truck near Dallas, this was the result. A bulldozer which had been loaded on the truck, lower right, also landed in the creek bed, and it took some hours to get them out.

BOGGED DOWN—After a sand truck overturned on top of this car a woman was driving in Roslyn Heights, N. Y., the auto was pinned by the deluge of sand. The woman was removed to a hospital with multiple contusions and a possible neck fracture after the freak accident.

A CLOSE ONE!—Detroit Lion Lew Carpenter (34) hurdles over 49er Jim Gason (43) for a seven-yard gain in their game at San Francisco. Making a grab for the ball, San Francisco's Joe Arenas, while 49er Leo Nomellini (73) comes up on the play. Battling for the Western Division lead in the National Football League, the 49ers won by a bare 37-35.

AND NEWS OF INTEREST TO WOMEN

County Home Demonstrators Report Busy Schedule During Past Month

The different meetings, office calls, telephone calls, home visits, reports, and office work have left both the assistant and the county home demonstration agent with very little free time.

During October, the county home demonstration agent, Minnie Mae Billingsley, met with the nine home demonstration clubs in the county to present a demonstration on "Floor Coverings." The demonstration was presented in the form of an illustrated lecture by using samples of floor coverings and pictures for illustrations.

Twelve girl 4-H Clubs have been organized in the county for 1954-55. The agent acted as leader for five of these clubs in order

to train the assistant, Miss Julia LaFaye Mason. The remainder of the clubs were led by the assistant. High school girl clubs have been organized at Cisco and Rising Star. Plans had previously been made for a county-wide club for high school girls, but lack of interest caused this to be dropped. The demonstrations to be carried in the 4-H Clubs this time are bedroom improvement and clothing.

Two leader training meetings have been held in the office. The agent presented one on "Selecting and Arranging Furniture." Seven of the nine clubs were represented at this meeting. The assistant agent presented her 4-H adult leader training meeting on "Scarf Tricks."

During October there was only one out of the county trip. This consisted of taking 34 4-H'ers to the State Fair in Dallas. Fourteen girls were among this group. The girls toured the Women's Building and also attended the State 4-H Dress Revue.

In addition to these things 31 homes have been visited in the county, 30 people have been helped through office calls, 25 have been helped by telephone, 75 bulletins have been distributed, and approximately 500 letters have been written. Approximately 677 people were contacted through club meetings.

Both agents join in saying, "We feel that by helping others, we are also helping ourselves. Each month we hope that our record will be at least this good, and we are striving to make it even better. Visitors are always welcome in our office. We hope that you feel free to call upon us at any time, and if you have problems we will certainly try to help you find the solution."

Auto Inspections Are Lagging At Most Stations

AUSTIN, Nov. 2. — Automobile inspections are lagging at the "slowest rate since the inspection law was passed," G. C. Morris, executive director of the Highway Safety Council of Texas, said today after a survey of the State-licensed inspection stations.

"From every section of the state, inspection stations report that they are checking only a handful of cars each week now," Morris said. "A good many stations report they have made no inspections at all for the 1955 sticker."

The deadline for inspection of the more than 3,000,000 motor vehicles in Texas is April 1, 1955. A six-month period is allowed for motorists to have these required inspections of safety devices on their automobiles.

"Most inspection station operators agree that the public, generally, is not aware that inspections for 1955 can be made at this time," Morris said. "One of the principal reasons for lengthening the inspection period, however, was to eliminate the inconvenience arising from last minute rushes to beat the deadline."

Morris urged motorists to have their automobiles inspected as early as possible.

"Early inspection will not only aid in enforcement of the law," he noted, "but will benefit motorists by getting their cars in top condition for more hazardous winter driving."

Mrs. Philpott Honored With Birthday Party

Mrs. Alma Philpott was hostess in her home Friday evening when the Double Octet Birthday Club met for their monthly meeting.

The house was decorated for the occasion in the Hallowe'en theme. A fruit salad plate was served and Mrs. Ione Surles gave the invocation.

A short business session was held following the meal and a gift was presented to the hostess. The happy birthday song was sung and a social hour followed.

Those attending were Mesdames Fay Gardenhire, Grace Cheves, Ione Surles, Julia Hazel, Florence Hussey, Thelma Schaefer, Mayme Walker, Bernice Carter, V. C. Estes, Helen Russell, Helen Pugh, Alma Philpott, Nettie Shepard, and Miss Willie Frank Walker.

Lake Cisco HD Club Has Regular Meeting

The Lake Cisco Home Demonstration Club met Monday afternoon at the home of Mrs. A. E. McNeely for their regular meeting.

Mrs. W. D. Hazel presided over a short business session. Roll call was answered with things the members were thankful for. Mrs. C. A. Ditmore was in charge of the recreation.

Mrs. A. T. Gorr brought the program which had a Thanksgiving theme and the meeting was dismissed in regular form.

Refreshments were served at the close of the program to two visitors, Mrs. Gay Weaver and Mrs. A. L. Wagley, and Mesdames W. D. Hazel, C. A. Ditmore, W. Z. Latch, A. Y. Ball, W. V. Gardenhire, Ray Judia, A. T. Gorr, and the hostess, Mrs. McNeely.

The next meeting will be held at the home of Mrs. Ball.

Anniversary Dinner Held At Weiser Home

Mr. and Mrs. O. J. Weiser were hosts in their home Sunday, October 31, at a dinner honoring their son, Jerry, on his 18th birthday and in celebration of their 32nd wedding anniversary.

Gifts were presented the honorees and a turkey dinner, with all the trimmings, was served.

Those attending were Paul Bartels, Joe Ziehr, Kathleen Ziehr, Robert Dunning, Richard Lenz, Katherine Fricke, Wayne Fricke, Glenda Zander, Nancy Stroebel, Fred Stroebel, Jr., Shirley Miller, Martha Lanham, Stephen Lanham, Ruth Lanham, Jerry Weiser, Rev. and Mrs. J. "Thanks for your wonderful gift—a Savings Bond!"

Do you know a young couple about to be married? Give them the most appreciated gift of all—a U. S. Savings Bond. So simple for you: no worry about duplications, because duplications of this gift are always welcome! So wonderful for them: because an interest-earning Savings Bond increases in value with time.

Millions have discovered this safe, sure way to save "rainy day" money . . .

Have you a little extra money you're saving for emergencies? Then do as 43 million Americans are doing—put it where it's safe, and where it will work for you—in U. S. Savings Bonds! Bonds pay good interest—an average of 3% compounded semi-annually, when held to maturity. They can go on earning interest for as long as 19 years 8 months if you wish, giving you back 80% more than you put in!

You'll find, too, that you aren't so tempted to spend the money when it's invested in Bonds. Yet, should an emergency arise, your money is readily available.

Best of all, your money is safe. Cash destroyed is gone forever. But if your Savings Bonds are lost or destroyed, your Government will replace them free of charge.

Get into the habit of putting that "rainy day" money into Bonds. And—if you have a particular savings goal, find out about the Payroll Savings Plan where you work, or the Bond-A-Month Plan where you bank.

Social Security Booklet Printed For Farm Family

Many farmers in and around Cisco have begun to show a keen interest in the new social security law as it will affect them in 1955 and later, according to R. R. Tuley, Jr., District Manager of the Abilene office of the Social Security Administration.

"In visits to Eastland county, representatives of the Abilene office are having numerous questions and inquiries from self-employed farm operators about what they need to do now and later, and what it will mean to them and to their families in the way of future retirement or survivors monthly benefit checks," Tuley stated.

"In general," he reports, "self-employed farm, ranch and cotton operators, who earn as much as \$400 net profit in 1955 and in 1956 will become fully insured in April, 1956. Those then 65 years of age or older, or survivors of those who die insured after that date will be due monthly checks subject to the retirement or earnings test contained in the '54 Amendments.

"Farm employees who are paid as much as \$100 by one employer in 1955 or any later calendar year will also begin to earn social security rights. The test of being insured depends on what we call 'quarters of coverage.' A farm employee gets one such 'quarter of coverage' for each \$100 in taxable wages, up to four in each year. The self-employed person receives his farm 'quarters of coverage' for each year that he reports as much as \$400 in net profit. No one is insured until he has at least 6 quarters of coverage, and the requirement rises through the future years to a maximum need for 40 such credits."

Anyone interested may obtain the free booklet, "Facts for Farm Families," by writing: Social Security Administration, 308 Post Office Building, Abilene, Texas.

Mrs. Jennie Moyer of Los Angeles, California, was expected in Cisco today for a month's visit in the home of Mr. and Mrs. Harry Schaefer and other friends and relatives.

MOSLAH TEMPLE SHOW TO BE AT RANGER

After a real try-out in Bridgeport to a packed house, Moslah Temple Variety Show, under the direction of R. M. Stovall, will show in Ranger, on Tuesday, Nov. 2, at 8 p. m., at the High School auditorium.

This all-professional cast of over 50 performers will appear in Ranger under the sponsorship of the Cross Timber Shrine Club.

This appearance of the variety show is to boost the annual Moslah Temple Shrine Circus, billed as the World's Greatest Indoor Circus, which will be held this year in Fort Worth, November

19-23. As usual this fine indoor circus will be held in Will Rogers Coliseum.

This year's variety show is an all-professional show, and will bring to Ranger a stage orchestra composed of professional musicians under the leadership of Ken Vaughan, conductor. The rendition of "South Rampart Street Parade" by this orchestra and the trumpet solos by Ken Vaughan is in itself a great treat for music lovers of the blues.

The cast of top entertainers will also include such fine talent as the circus line of Hancock-Hut-

cheson dancing girls, with Pat Hutcherson as their impressionistic dancer supreme.

Other members of this stellar cast will include Nan Roy, blonde, vivacious and a singer of renown; Bill Wright and his ukulele; Rex, the performing Chicaulau Dog; Bob Bohn, accordionist of WBAP TV fame; Cherry Madduz, Miss Magic of the Variety Show; Joe Felix, Boogie woogie; Janet McEntire, a child wonder acrobat supreme.

Moslah Temple in bringing this deluxe traveling show to Ranger believes that it has produced the finest show that is possible. Again this fine unit is under Herschell Gibbs as Producer.

R. M. Stovall, circus chairman for 1954, will be along to remind circus lovers that this year's Circus will be one of the finest ever produced by Moslah in its 12th year as circus producers. Tickets for Moslah Shrine Circus will go on sale in the Texas Hotel Lobby on November 10. However, mail orders addressed to Moslah Temple, P.O. Box 1320, Fort Worth, are being received now.

Reddy's Quiz

Since the end of World War II, the amount of power produced by the country's electric companies has

- Not changed a great deal
- Decreased by ten per cent, since wartime needs disappeared
- Increased around two-thirds

Here's the Answer:
Increased around two-thirds. From 1946 through 1953, they spent 16 billion dollars in order to provide more electricity for homes and industry. They expect to spend another nine billion from 1954 through 1956.

passed Jimmy Hicks for the extra point.

Shortly after the third quarter began, Allen intercepted a Cisco pass in midfield. Line plays carried to the Cisco 8 with Mixon scoring. The try for extra point was missed.

The Wranglers took a punt on their 47-yard line as the final period opened. Bankhead got 9 yards, and Billy Hawk drove to the Allen 23. Bucks by Bankhead and Hawk then carried to the 12. Hawk drove nine yard in three tries and Bankhead scored. Hawk ran the extra point over to give the Wranglers a 20-13 lead.

Late in the game an Allen drive began on their 32. Williams got loose for 42 yards to the Cisco 26. Successive bucks carried to the Wrangler 5 where the ball went over on downs.

The Cisco team fumbled and Allen recovered on the Cisco 1. Whitehead promptly plunged over and kicked goal to tie the score. The Wranglers had another drive in progress and the ball was on Allen's 9-yard line as the final gun sounded.
