The Gay Philosopher

By J. W. S.

WINTER HUNTING season opens Nov. 16 for those who wish to hunt white tail deer and on Nov. 17 the hunters of black tail. The season only stays open a few days on the black tails out in West Texas where a big party of sportsmen will go for their annual hunt.

The Ciscoans and their guests A. D. Anderson, Jack Anderson, Albert Hansen, R. E. Grant, Joe Ben Hamrick, I. J. Henson, Pete Dunning, Zan Burroughs. Others to go on the trip with them are R. Grantham, Jr., of Houston, Tyler of Rising Star and Mr. King's brother of Texarkana. They'll leave about the 18th in a truck, a couple of pickups, camp cooks, and assorted equipment. The ranch where they will hunt is some 15 miles from Alpine. The hunters will have a new cabin this year. It's complete with fireplace. It will be the 5th annual hunt to the place for the Cisco sportsmen and their guests.

They brought home a dozen or so black tail bucks last year. The deer are pretty fair, according to reports from all around.

WEATHER—OR NOT—Aboard the aircraft carrier USS Hornet, a weather balloon is being readied for release off the coast of Formosa. A radar reflector is attached to the balloon to help forecast. The thin shroud over the balloon prevents it from ripping prior to release.

District Court Passes Judgment In Crime Cases

Several cases were heard in the 91st District Court of Eastland County during the past few days. District Attorney J. M. Nuessle reported Saturday. The criminal cases included:

James C. Putnam plead guilty to an indictment charging him with forgery. He was sentenced to two years in the state penitentiary. Tilford Wesley Cochran was convicted on a plea of guilty to charges of burglarizing the Merchants Motor Lines office in Cisco last Sept. 2. The court assessed a punishment of two years in the penitentiary and placed the 17-year-old youth on adult probation for that period of time.

George Daniel Stephens was convicted by the district court on a plea of "not guilty" to an indictment charging him with second offense DWI. His punishment was assessed as a \$100 fine and costs. The defendant's motion for a new trial was denied by Judge Collie and he gave notice of appeal to the Court of Criminal Appeals in Austin.

Joe Hagler of Ranger was found guilty by a district court jury on an indictment charging him with passing a forged instrument. His punishment was assessed at five years in the penitentiary. He filed a motion for new trial, and no action had been taken on the motion.

Ray Likin Cloud plead guilty to the charge of driving while intoxicated in the County Court on November 10. Judge Hart assessed punishment as a fine of \$50 and three days in jail.

Mrs. C. A. Farquhar was returned from a visit with her sister, Mrs. J. W. Couch, in Bertran. Also visiting Mrs. Couch were her other three sisters, Mrs. Gus Jones of San Angelo, Mrs. Lee Balfanz of Abilene, and Mrs. H. S. Keller of Waco.

MENTAL HEALTH WORKSHOP DUE TO ATTRACT LARGE CROWD HERE

Plans for the mental health workshop to be held Monday at the First Presbyterian Church under the sponsorship of the Cisco Federation of Women's Clubs have been completed, and a large group of club women from the Sixth District is expected to attend the all-day affair.

Dr. Robert Blake of the Hogg Foundation of the University of Texas will conduct the workshop. The program was arranged through cooperation of Mrs. L. E. Dudley, state president; Dr. Robert Sutherland, director of the Hogg Foundation; Mrs. Van Hook Stubbs, state chairman of the mental health division, and local club officers.

Club women from Abilene, Baird, Ballinger, Blanket, Brady, Bronte, Brownwood, Cristoval, Coleman, Comanche, De Leon, Colorado City, Eastland, Gorman, Junction, Lampasas, May, Merkel, Ozona, Putnam, Ranger, Rising

COUNTY HD ACHIEVEMENT DAY IS DESCRIBED AS BIG SUCCESS

Work, fun, and fellowship were the ingredients which made the Eastland County Home Demonstration Achievement Day a success.

The event was held Wednesday, November 10, in the Pullman Building in Eastland. A Bake Sale was held in connection with the event. Proceeds of the sale went to the Council funds. At noon a covered dish luncheon was served to the Home demonstration women and guest.

The individual exhibits consisted of hooked rugs, frozen vegetables, flower arrangements, refinished furniture, canned vegetables, reporters books, and draperies. Educational exhibits

Council To Hear Details On Plan To Refund Bonds

Representatives of a Dallas bond brokerage company will be here Tuesday night to submit details on a proposal under which the City of Cisco would refinance its bonded debt and issue new bonds to finance a Battle Creek water project.

Mayor G. C. Rosenthal reported that the project would be presented to the City Commission in a special meeting at the City Hall. He noted that "the general public is welcome to attend." The mayor said that the meeting would be moved to the city hall auditorium if enough people want to attend.

The Dallas firm submitted the program verbally at the regular commission meeting last week. After the commission expressed interest, the firm made arrangements to return at the special meeting and present the proposal formally.

RETURN FROM MARKET

Mr. and Mrs. F. B. Altman, Mrs. E. L. Pugh and Mrs. Floyd Robinson returned Thursday from Dallas where they attended market. Mrs. Robinson represented the Altman store in Eastland and Mrs. Pugh the Cisco store. Mr. and Mrs. Altman represented the Altman store in Abilene.

Local committees in charge of the arrangements are as follows: Hospitality — Mrs. Edward Keough, Mrs. Charles Kleiner and Mrs. J. J. Porter; Decorations — Mrs. J. V. Heyser, Jr., Mrs. Alex Spears and Mrs. Rudy Kamon; Luncheon — Mrs. H. L. Ferguson, Mrs. Bill Berry and Mrs. Ada Mobley; and Program — Jack Chambliss.

Mrs. Raby Miller will introduce the speaker. A covered dish luncheon will be served in the dining room of the church. Every woman in Cisco was invited to attend the workshop and join with club members in the discussion, which will touch on the thinking of people of the present age.

Three Grid Teams Will End Season Here This Week

Three Cisco football teams will end their 1954 season this week in games to be played at Chesley Field. The fourth team concluded its season last week.

To begin the triple program the Cisco Junior High School Midgets meet Cross Plains Tuesday night. At the game, the Midget band will make its first appearance of the year, when they play at half-time and during the contest. Also, the Midget football team for 1954 will be crowned.

Friday night, the Cisco High School Lobos end their season in a game with Mineral Wells. The game will have no bearing on the 1954 conference chase as both teams are out of the running.

Saturday night the Cisco Junior College Wranglers end their season with the League leading Paris Junior College team. Paris has a firm hold on the Texas Junior College Athletic Conference crown.

The Lobo "B" team ended its season in Eastland Thursday by losing to the future Mavericks 19-18.

All schools will begin work Monday, November 22, on getting their basketball teams ready for the opening of the cage season later this month.

Public Invited To Donate Gifts For Auxiliary Project

Members of the American Legion Auxiliary will devote Monday to a project to provide Christmas gifts for disabled war veterans in Texas hospitals. Mrs. J. M. Flournoy, president, reported Saturday.

Auxiliary workers will be at the Legion Hall from 2 to 5 p. m. Monday to accept gift packages from the general public. The packages may contain anything useful for the veterans or their families. Plans call for the items to be sent to the hospitals, and the disabled men will be given the gifts for themselves and their families.

Mrs. Flournoy said the Auxiliary Units throughout the state are working on the project, and the gift items will be sent to Veterans Hospitals in Texas.

At 7 p. m. Monday, the Auxiliary will sponsor a "42" party at the Legion Hall. Proceeds from this event will also benefit the disabled veterans at Christmas time. The party will be open to the general public.

Mrs. Gilman Sells Home, Will Move To Odessa Monday

Mrs. R. F. Gilman, who has lived in Cisco for the past 35 years, has sold her home at 600 Avenue J to Dr. and Mrs. Hugh Chief Brown and will move Monday to Odessa, according to reports Saturday.

"It is hard to leave a town and friends you've grown to love over a period of 35 years," Mrs. Gilman told The Press. "I have been alone since my husband's death and I'm not getting any younger, and I feel that my place is to be near my children."

Mrs. Gilman's only daughter is Mrs. F. F. Tracy of Odessa. She has property here and elsewhere and will be a frequent visitor in Cisco. She has lived in the same house for the past 30 years.

The late Bob Gilman was well known here as an oil and business man and as a civic leader. Mrs. Gilman has also been prominent in community affairs over the years.

Dr. Brown said they expect to move to the Gilman home in the near future.

Boosters Club Will Meet Tuesday Night

The Cisco Boosters Club will meet at 7 p. m. Tuesday to make plans for the final games of the 1954 season. All members were urged to attend and have a part in the planning of the work.

The business part of the meeting will end in time for fans to attend the Midget-Cross Plains game at Chesley Field at 7:30 p. m.

WEATHERFORD TEAM WINS OVER LOBOES IN DISTRICT GRID PLAY

The Weatherford Kangaroos took advantage of three quick breaks Friday night on their home field to begin a scoring spree that buried the Cisco Lobos under a barrage of seven touchdowns and a 47-0 score in a game that gave the Weatherford team a cinch for the District 9-AA crown.

The Kangaroos converted two fumbles and a punt miscue into three touchdowns within five and a half minutes after the opening whistle, then went on to score in every quarter to hand the Lobos their worst defeat of the year.

Superior line play gave the Roos the power they needed to cinch the crown. The fast charging Weatherford forwards held the Lobos to 54 yards on the ground and opened wide holes for their own backs. Good blocking cleared the way for end sweeps and the passing arm of quarterback Don Johnson and halfback J. C. (Jay Bird) Wright added to the havoc.

The game opened with Weatherford kicking to the Cisco 15. Joe Gilmore returned to the 23 and on the first play the fast charging left side of the Roos line caused a fumble on a handoff from Reynolds to Gallegos. Paul Martin recovered for Weatherford and two passes later the Kangaroos had scored.

The scoring pass was from Johnson to End Earl Minyard into the end zone from the 16. Fred Curtis failed on the conversion attempt.

The fast charging Roo line set up the second Weatherford touchdown. Following the first

touchdown Weatherford kicked to the Cisco 10 and Reynolds returned to the 27. Three plays netted nothing for the Lobos and Lipsy dropped back to punt. The Kangaroo linemen broke through and dropped Lipsy on the 14 before he could get the punt away and Weatherford took possession there.

On the first play Halfback Paul Martain carried to the five, and on the following play Halfback Don Bowden scored. Curtis converted to bring the count to 13-0.

A fumble on the Cisco 16 set up the third touchdown for the Roos with only five and a half minutes of the game gone. Weatherford kicked off to Cisco on the five and Lipsy returned to the 15. A fumble on the second play gave Weatherford possession the Lobo 16. Brawley and Johnson carried to the eight and Bowden went over from there. Curtis put one through the uprights to bring the count to 20-0.

The Lobo defense stiffened and held Weatherford scoreless the remainder of the period and until late in the second period. The second quarter score came on a pass from Wright to End Maxie Massingale from the six. The drive began on the Weatherford 31 where the Roos took possession on a fumble. Curtis failed to convert and the half ended 26-0.

Weatherford scored once in the third period when Fullback Martin plunged over from the one. The drive started at midfield and the scoring play was set up on a pass interference penalty which gave the Roos possession on the one. Bowden kicked the extra point.

The Lobos held the Roos for the remainder of the third period but loosened up to allow two touchdowns in the fourth. The first came on a pass from Wright to Norris Stroud from the nine and the second on a plunge over the line by Wright from the two. Bowden was successful on the two point after tries and the game ended at 47-0.

Fred Hayes, Lobo star defensive halfback, was probably lost to the team for the final game of the season when he received an ankle injury after he had broken through to block a Weatherford punt in the third period. Hayes blocked the kick, picked it up and on the run attempt received the injury. He had played an outstanding game on defense until he was removed from the game. The Lobos were playing without the services of Captain Arzell Hale at his regular tackle post, and Guard Joe Far-

CofC To Sponsor Regional Project

The annual Eastland County Pecan Show will be held in Cisco on December 10, 11 and 12 and the program has been enlarged to include contests for pecan products as well as for the various varieties of nuts, according to arrangements worked out at a meeting of orchard owners and civic leaders here last week.

Some 15 pecan growers and county farm leaders attended the meeting to make the final plans. County Agent J. M. Cooper presided over the meeting.

The show will be held at the Cisco Locker Plant and judges will include B. G. Hancock, extension horticulturist at Texas A & M College; Fred Bryson, horticulturist, A & M College, and John Hutchinson, professor, A & M College. Judging will be on December 11.

Entries will be accepted from growers in adjoining counties, it was decided. Seedlings, oblong and round pecans will be in one class. There must be as many as three entries in each variety before cash prizes will be awarded. Ribbons will be given, however, in classes with less than three entries.

Those who wish to enter the contest may leave pecans — each entry should be about one pound — at the office of the County Agent or at the Chamber of Commerce.

A new division for the show will be for pecan products — pies, cakes, candy, nut bread and cookies. These products will compete for prizes. Plans call for an auction of the products on Dec. 11.

Prize money is being provided by the Cisco Chamber of Commerce. The first annual show was held here last December and it attracted considerable attention.

Garden Club Will Hear Area Leader

The Cisco Garden Club will meet Monday, November 15 at the club house for their regular meeting. Hostesses for the meeting will be Mrs. J. J. Callaway, Mrs. W. C. Hogue, and Mrs. A. D. Anderson.

For the program of the day, Mrs. Kendrick Lucas of Abilene, Governor of District 8, will set eight tables using as her theme "Plan Attractive Table Settings for All Occasions." Mrs. J. J. Callaway will speak on points to consider in judging table settings and Mrs. R. P. Brashear will speak on "Bird Bath for the Garden."

Hospital News

Oliver Thomas and Belton Whitehead, both of Cisco, underwent surgery at Graham Hospital recently, and are still patients there. Other patients include Amos Lowery and Mrs. M. E. Fry, both of Cisco.

Dismissed recently were Mrs. G. R. Sanders and baby boy of Breckenridge, Mrs. Frank Jackson, Mrs. Troy Stewart, Miss Emma Huber, Mrs. Woodrow Howell, Mrs. D. I. Graves, Mrs. J. R. Rector and baby, Mrs. Sidney Spain and baby, Mrs. Lynn Glass and baby, Mrs. Mittie Schlaepfer, Mrs. Mart Agnew and Mrs. J. E. Murphy and baby, all of Cisco, and Mrs. Willis Lovell of Eastland.

Baptists To Attend Thanksgiving Meet

An estimated 7,500 Baptist Christians will spend their Thanksgiving holidays in Corpus Christi attending the sixty-fourth annual state Baptist Training Union Convention.

Sessions for the convention—the 1st state-wide Baptist meeting ever to be held in the South Texas city — will be in the new municipal auditorium.

Mrs. L. M. Densmore of Dallas is spending the weekend in the home of her mother, Mrs. J. S. Mobley.

IT'S THE LAW in Texas
A public service feature of the State Bar of Texas

Alert observers frequently notice that some goods or articles are patented, whereas other seemingly similar items are copyrighted. The question accordingly arises as to what constitutes the difference between a patent and a copyright.

Patents are granted to inventors on new and useful articles of manufacture, compositions of matter, methods and processes, ornamental designs of articles of manufacture and certain types of plants.

Copyrights are granted to authors, composers, or artists on works such as books (which includes not only bound volumes, but also pamphlets, leaflets,

and even single sheets), periodicals, speeches, plays, musical compositions, phonograph records, works of art, including sculptured works, maps, photographs and motion pictures.

The function of a patent or copyright is to give its owner the right to exclude all others from infringing the patent or copyright—that is, from practicing the invention or copying the copyrighted material. Patents give protection against any infringer who makes, uses or sells the invention, regardless of whether he is a copyist and regardless of whether he actually knew of the patent. Copyrights, on the other hand, give protection only against a copyist and not against one who independently does the same thing.

A patent runs for seventeen years and cannot be renewed. A copyright runs twenty-eight years and may be renewed once for an additional period of twenty-eight years.

An inventor or author may himself apply for a patent or copyright. However, only persons trained in such work should prepare and prosecute the necessary applications, since it often happens that an unskilled person, because of his lack of knowledge of the law and the procedure, will do irreparable damage to the rights to which the inventor or author was originally entitled. Sometimes rights are forfeited completely through the mistakes of such unskilled persons.

Southwest Games Will Be On TV

Outstanding plays from three Southwest Conference games will be featured this week on Humble Oil and Refining Company's TV program, Texas in Review.

Kern Tips, head of Humble's football announcing staff, will comment on exciting plays filmed during the Rice-Texas A&M, Texas-TCU and SMU-Arkansas games.

There will also be a feature film showing how the people of White Sand Community near Huntsville worked together to provide themselves with rural telephone service; the Women's Garden Show in Wichita Falls; and the dedication of Southern Methodist University's new Administration Building; St. Mary's Seminary in Houston; and the Episcopal Theological Seminary of the Southwest in Austin.

Texas in Review can be seen Monday on KRBC-TV, Abilene, 8:00 p. m.

Unable to walk herself because of muscular dystrophy, Bonnie Bazan, 4, of Grand Rapids, Mich., is fascinated by movements of walking doll presented to her by John P. Redmond, president, International Assn. of Fire Fighters, whose members will stage a nationwide "March" during the Thanksgiving Season to gather funds for research into the baffling disease. Bonnie, as Poster Girl for the campaign, symbolizes more than 200,000 children and adults doomed by muscular dystrophy unless funds are made available for science to seek a remedy.

Water Is Desalted By Freezing Method

Austin, Nov. 13. — University of Texas engineers are making progress in desalting sea water by freezing it.

Laboratory experiments indicate a large-scale freezing plant might be as efficient and economical as current distillation methods, Brother Henry M. Curran, a researcher working under Engineering Dean W. R. Woolrich, explained.

Certain isolated petroleum drilling operations and Air Force bases now obtain fresh water from sea water by distillation. The cost is six times the amount required for a city water system but still is cheaper than hauling fresh water.

The University of Texas freezing process is expected to cause considerably less scaling and corrosion in equipment than distillation does.

SOCIETY AND CLUBS

D NEWS OF INTEREST TO WOMEN

Methodist Women Monthly Meeting

November Inspirational of the Women of the Methodist Church was held at the church Tuesday afternoon at the home of Mrs. Sam King for their monthly meeting.

An announcement was made of the church supper to be held Wednesday, November 17, at 6:30 p. m. and various committees were appointed. The group voted to send a dollar to the Assemblies Training School.

Mrs. John Kleiner informed the women that Mrs. J. B. Elder, president of the Cisco Council of Church Women, had asked her secretary to write a letter to Mrs. John Shertzer in Houston telling her she was missed at the World Day of Prayer meeting. Mrs. Elder reported 190 pounds of clothing given for overseas. Mrs. Kleiner was in charge of the program coming into the room carrying a suitcase, just arriving from an imaginary trip to Tokyo, telling of her trip going from Boulder, Colorado to San Francisco and Honolulu, enroute to Tokyo.

As she spoke of the customs, and conditions in Tokyo, Mrs. Kleiner set a place at a dinner table, telling of menus for company and for family meals. Following her talk, she passed hot Japanese tea in Japanese cups and Japanese rice cups to all present.

Mrs. H. Grady James prayed the closing prayer. Ten members attended.

Mrs. and Mrs. J. P. McCantley were visitors in Waco Thursday.

Frances Gaby Circle Has Meeting Tuesday

The Frances Gaby Circle of the W.S.C.S. of the First Methodist Church met Tuesday afternoon at the home of Mrs. Sam King for their monthly meeting.

The meeting was opened with the group singing "For The Beauty of The Earth," followed by prayer by Mrs. E. H. Lightfoot. Mrs. J. E. Crawford brought the devotional from Genesis 23:14-16, closing with prayer.

H. R. Garrett Speaks At School Club Meet

H. R. Garrett, well known Cisco educator, was the guest speaker at the monthly meeting of the Grace Lutheran School Club held Thursday evening, November 11, at the school building.

The Rev. J. G. Elser opened the meeting with prayer and Mrs. Dorothy Prange, program chairman, introduced Mr. Garrett who spoke to the group on "Christian Education."

This being education week, Mr. Garrett began his talk by giving valuable information on our public schools system, its origin, progress, maintenance, and present operation. He stressed the importance of true Christian training and showed by examples of life that the man who chooses Christ will endure while the unrighteous will soon be forgotten.

Mrs. R. H. Dunning conducted

a short business session. Paul Bartels was asked to act as secretary in the absence of Mrs. Larry Shoemaker. Reports were heard from the committees on school insurance, help on purchasing the audiometer, and the aquarium.

Instead of the December meeting, the program committee is to arrange a Christmas social for the children. The meeting closed with all praying the Lord's Prayer.

A social hour followed and refreshments were served by Mrs. Alex Zander and Mrs. Paul Weiser to Mr. and Mrs. H. R. Garrett, Mrs. R. H. Dunning, Paul Bartels, Rev. and Mrs. Elser, Mr. and Mrs. John Gerhardt, Mr. and Mrs. O. J. Weiser, Mr. and Mrs. Park Plambeck, Mrs. A. O. Lenz, Mrs. Winona Lanham, Mrs. Ernest Stroebel, Ernest Reich, Ed Wende, and Mrs. Dorothy Prange.

We Like to Talk About Abstracts

... Because making abstracts has been our job for many years. Every day people come to us with their title problems. Some cases are tragic. Take the example of the couple who have put their life's savings into a home to find out later they have no title.

ministration. "Some of the changes take effect immediately," state Tuley, "and other changes will not become effective until January 1, 1955. This is the first of a series of informative articles prepared to acquaint the people of this area with just what the changes are and also what they are not."

All Social Security offices want this change to get as wide publicity as possible, trying to reach some 300,000 affected persons over the entire country. Widows and unmarried children under 18 of persons who died before September 1, 1950, can now be paid benefits previously denied, if the deceased had at least 6 quarters of coverage to his credit at the time of death after 1939.

Persons covered by Social Security can receive credit of up to \$4200 per year, starting in 1955, towards future benefits instead of only \$3600 per year as had been the case since 1950, or \$3000 per year for years before 1951.

The coverage of Social Security will be expanded to cover more farm workers than before, more domestic employees than before, added self-employed groups such as farm operators, accountants, engineers, funeral directors, architects and, on voluntary basis, ministers and Christian Science practitioners.

Following articles in this series will give more details on the items mentioned above. Readers are urged to clip and save this series as a source of reference when the question of Social Security comes up later in family or other discussions. To get the most from one's own Social Security account, accurate information as to the things provided and not provided by the law is essential. There's just a little "mis" between INFORMATION and MISINFORMATION, but that little difference might well serve to cost some family thousands of dollars.

Fabulous Shrine Circus Shows In Fort Worth November 19-28

CIRCUS THRILLS are just around the corner and the ramrod of the big show this year, R. M. Stovall, chairman of Moshlah Shrine Circus for 1954, promises that it will be the greatest indoor attraction ever to appear in Fort Worth. That's Mr. Stovall sitting atop of a Shrine Circus billboard which proclaims the dates of the show to be held again at Will Rogers Coliseum. Among the daring and amusing acts will be: Moshlah's performing elephants; Charlotte Walsch and her Hawthorne Olympic Performing Bears; John Seims, billed as "The Greatest Clown Magician on Earth"; Zelita Loyal Repensky, queen of the bareback riders; Dick Walker with his jungle compound of wild animals and the Four Acrobatic Ramses. In addition there will be daring performers on the high wire and a top-flight array of other talent. There will be 10 nightly performances. Matinees will be on November 20, 21, 25, 26, 27 and 28. Parking is free.

Civil Service To Conduct Exams To Employ Typists

The United States Civil Service Commission has announced its examination for Stenographers and Typists and has announced new examinations for Highway Engineer Trainee and Design Patent Examiner. Stenographers and typists are needed in various Federal agencies in Washington, D. C., and vicinity. The entrance salaries for typists are \$2,750 and \$2,950, and for stenographers, \$2,750 to \$3,175 a year. A written test is required.

The Highway Engineer Trainee positions are in the Bureau of Public Roads and are located in Washington, D. C., and throughout the United States. Some may also be filled in Territories and Possessions of the United States, and in foreign countries. The salaries are \$3,175 and \$3,410 a year. To qualify, applicants must pass a written test and must have had education or experience in civil engineering.

Design Patent Examiner positions are in the U. S. Patent Office in Washington, D. C., and pay \$3,410 and \$4,205 a year. Positions paying \$3,410 a year are trainee positions. To qualify, applicants must pass a written test and must have had appropriate college study or experience.

Further information and application forms, including instructions on applying, may be obtained from the Cisco Post Office or from the U. S. Civil Service Commission, Washington 25, D. C. The closing date for the acceptance of applications for Highway Engineer Trainee is February 8, 1955. The other examinations are open until further notice.

You Can Stop Saying 'C/O Postmaster'

The Department of Defense has requested that hereafter the phrase "c/o Postmaster" not be used on mail address for delivery through the over-seas army and fleet post offices, Postmaster J. J. Porter reported Saturday. The address on mail intended for members of the Armed Forces or civilians receiving mail through overseas APO's should be confined to three lines, if possible, the last line to show the APO number followed by the name of the post office as, for example: Pvt. Richard Roe, TA12376856 Company F, 167th Infantry APO 801, New York, N. Y.

Army Personnel Due Releases To Get Out By Xmas

AUSTIN - Army personnel whose release from active military service would normally take place during the Christmas-New Year period will, with some exceptions, be separated between December 13 and 17 in order that they may spend the holidays at home, the Department of the Army has advised Fourth Army headquarters.

Officers and enlisted men who return from overseas and are scheduled for separation during the holiday season period will be separated as soon after arrival as possible. To preclude overseas returnees from reporting for reassignment during the Christmas holiday period, leave for this period has been authorized.

The release policy applies only to personnel scheduled for separation during the December 13 to 17 period who are in the continental United States or its territories. Early departure from overseas stations to meet provisions of the policy is not authorized.

Exceptions to the policy are officers being released from active duty for purpose of reenlistment, who will continue to be processed in accordance with instructions issued in each case; non-regular Medical Corps, Dental Corps and Veterinary Corps officers who have not completed 21 months' active duty prior to release; enlisted personnel of Reserve components desiring to complete Reserve obligations, who may be retained until expiration of their terms of service; enlisted personnel inducted or enlisted under provisions of the Universal Military Training and Service Act, as amended, who are eligible for release prior to completing two years' active military service, but who must complete 21 months' active duty.

The Executive Board of the W.S.C.S. of the First Methodist Church will meet Tuesday afternoon at 2:30 o'clock, preceding the regular meeting of the W.S.C.S., in the basement of the church to make out quarterly reports. All officers of the organization has been requested to be present.
