

The Gay Philosopher

By J. W. S.

SAW A BIG crowd gathering at the T&P Railway depot at 1 p. m. Thursday, so we went over to see what was going on. The 2nd grade room taught by Miss Mary Lou Stamey at the Ward School was present, and 12 students strong plus their mothers. They were about to board the train for Eastland.

Almost none of the students had ever been on a train, and you can well imagine how thrilled they were. They had bought tickets for 15¢ each and a school had gone on to Eastland to see them home again. When the train stopped, the youngsters crowded aboard. The conductor greeted them with a little talk and showed them through the

They had just finished a hurried hour of the train when it stopped in Eastland — 8½ minutes from Cisco. One of the little boys told us they even had beds in the train.

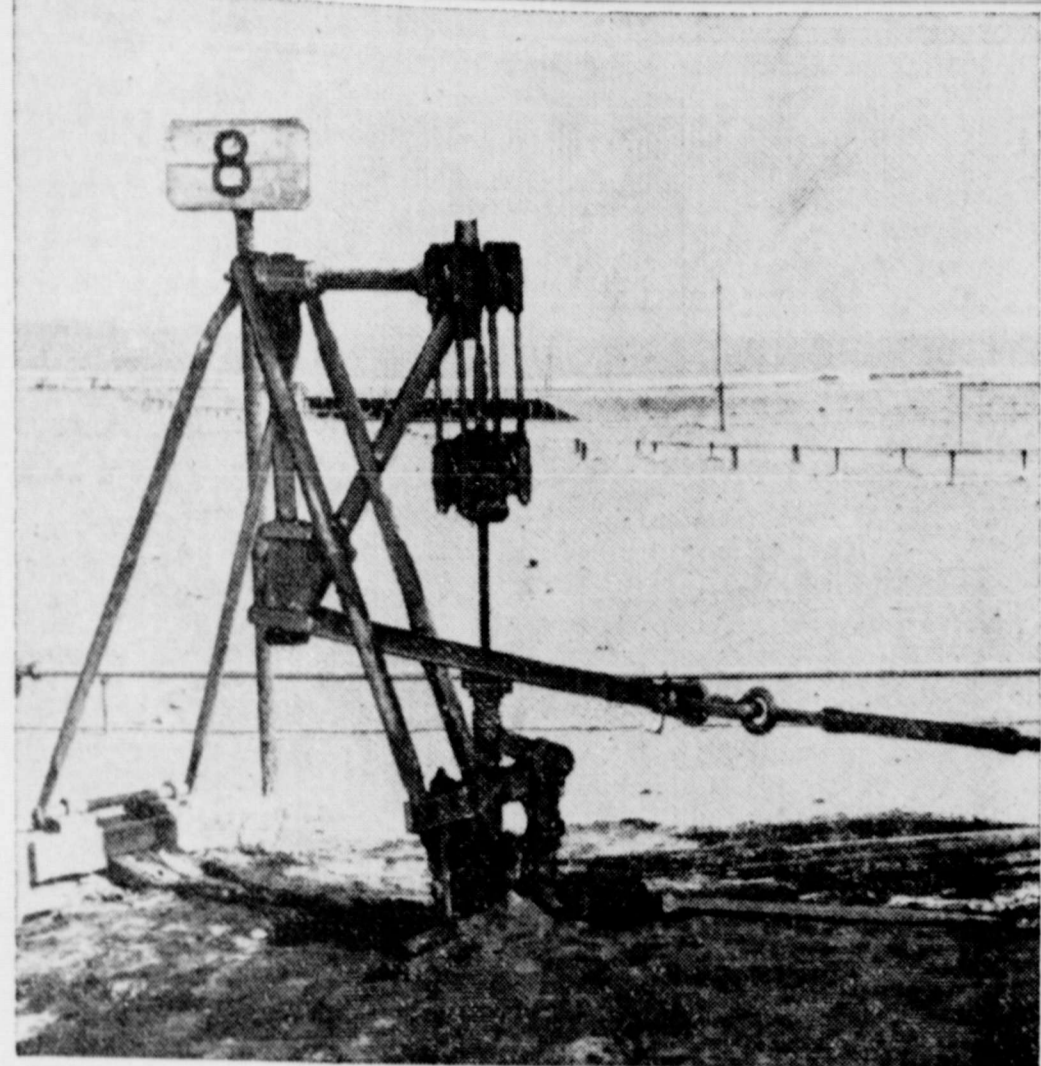

From mothers who also enjoyed the train ride were Mesdames Joe Langmore, J. V. Heyser, Jr., Mrs. M. Starr, Gerald Parks, Mrs. Abbott and Marshall Jones. We found out if the room was also getting on a train for the first time.

ENJOYED MEETING up with George Simpson here late Monday. He and Mrs. Simpson live at Denison, were here for the night. He is a representative of the Humble Pipe Company, and was en route to attend a retirement party for S. H. Hudkins, who is well known here.

Mr. Simpson was with Humble here from 1919 to 1931 when he was sent to East Texas. He was active in the country club and "we use to play 36 every Sunday." He was paying a visit with Mr. Curley Strong and Mr. Nick Miller when we last saw him.

TWO OTHER first day scorers in the deer hunting business were Budford Hageman of West Texas Utilities Company and Mr. M. P. Midkiff of Moran. Their names are hanging in the vault at the Lee Co. Both were shot by Ranger in Eastland County opening day — Tuesday.

A handsome six-point buck was shot early Thursday morning by Mrs. A. D. Taylor of our town. Her deer was the second for the family as 8-year old David got one on opening day. Her Archie and Daughter still must score to make it famous for the family.

WOW!—One of the world's oldest active oil wells, which began producing in 1889, is still producing regularly. Located in the La Brea and Parinas zone of northwestern Peru, "Number-8" shows a life of two to three times that of the average well in the U. S.

Revenue Service To Hold Schools On Income Forms

Ellis Campbell, Jr., district director of the Internal Revenue Service for North Texas, announced today that the Internal Revenue Service plans a series of schools for large employers. The purpose of these schools is to train company representatives to assist the company employees by answering income tax questions or preparing the employees' income tax returns.

Mr. Campbell pointed out that this program has definite advantages to the employers. Quite a few companies like to provide every assistance possible to their employees as a regular part of their employee relations program. However, a much larger number of companies find that employees take time off from their jobs to seek assistance in preparing their income tax returns. This usually hurts the company, as well as builds up lines at Internal Revenue Service offices.

Larger companies, government agencies, city, county and state agencies, as well as army installations have been invited to send representatives to one of the two- or three-day schools to be held during the month of December. Mr. Campbell issued an open invitation to other employers or agencies that are interested in the program to send a representative.

RA's Hold Dinner At Baptist Church

Some 80 members of the Royal Ambassadors and their fathers and guests attended a banquet Monday night at the First Baptist Church. Dr. H. M. Ward, pastor, was master of ceremonies for the program. A turkey dinner was served by a group of women of the church.

W. C. Chapman of Eastland, R. A. Counsellor for the Cisco Baptist Association, was the program speaker. He told of the successful R. A. Focus Week, and discussed the program of the Royal Ambassadors. He noted that the movement was begun in 1908 under the auspices of the W.M.U. The Baptist Men's Brotherhood has now taken over the R.A.'s and the brotherhood of the local church provided the banquet.

C. L. Webb, brotherhood president, spoke briefly to give "words of appreciation." "Looking Forward" was the subject of a talk by V. C. Estes, R. A. leader. A male quartet, composed of M. F. Underwood, Harry Schaefer, Stanley Webb and Dr. Ward provided music.

Talk On Driver Education Made At P-TA Meeting

The monthly meeting of the West Ward P-TA was held Wednesday, Nov. 17, at the school with Mrs. Don Choate presiding in the absence of the president, Mrs. D. N. Morrison.

Charles Williams spoke to the group on "Driver Education." He brought out the point that 20% of the accidents are caused by those who have had the driver's education training and 80% are caused by those who have not had the training. He also stated that a concentrated effort is being made to acquaint people with this training throughout the states.

During the business session which followed, the recommendations of the executive committee were read and approved. A collection was taken for the audiometer and the resignation of Mrs. Gladys Byrd as historian was read. Mr. Holmes gave a report on the condition of the school and the meeting was adjourned.

Latin Americans Are Presented In Rotary Program

Rotarian Anton White presented an International Service program at the regular meeting of the Rotary Club Thursday when he presented two Latin American girls who sang three songs in their native Mexican language.

Rotarian White told Rotarians that his company, the Boss Manufacturing Company, had begun employing Latin Americans, and that the employees had proven to be equal to other employees the company had used, both in attitude and in ability.

He said that the Latin Americans had proven their ability and that the acceptance by other employees had been excellent.

Word HD Club Will Hold Annual Bazaar

The Word Home Demonstration Club will hold their annual bazaar Saturday, Nov. 20, at the Reynolds building. They will also have a bake sale, rummage sale and white elephant sale. Coffee and pie will be sold to the public.

Mr. and Mrs. John Potter and daughters, Sherry Ann and Deborah Fay, of Odessa and Mrs. C. S. Turner and sons, Sidney and Lynn, of Breckenridge have returned to their homes following a visit in Cisco with their parents, Mr. and Mrs. M. I. Yeager.

MORAN NEWS

Mr. and Mrs. Frank Midkiff and girls, Mr. and Mrs. Barnie Midkiff and girls, and Mrs. W. J. Midkiff were in Richardson Sunday to attend the family reunion of Mrs. Midkiff's family.

Guests in the home of Mr. and Mrs. C. Harper last week were Mr. and Mrs. J. R. Mead of Dallas and Mr. and Mrs. Milton McGee of Wichita Falls. Mrs. McGee was formerly Bettie Lois Harper.

Mr. and Mrs. Bertram Elliott attended the T.C.U.-Texas University football game in Fort Worth last Saturday.

Mr. and Mrs. Byron Miller visited in the home of her brother, Floyd C. Pool, Sunday night and Monday.

Mr. and Mrs. Hyman Charminsky of Dallas were visitors in the home of Mr. and Mrs. Leon Andrews in Moran last weekend.

Mrs. Walter Austin of Lubbock is visiting her parents, Mr. and Mrs. Chester Allen, and other relatives in Moran this week.

Mrs. Marcus H. Ward and Mrs. Alton Burton attended wholesale market in Fort Worth, shopping for Christmas merchandise.

The Moran Band Mothers Club will sponsor a "Game Night" Friday, November 19, 1954, beginning at 7:30 p. m. Dominoes, "42," and Canasta, will be played. Pie and coffee will be sold. Proceeds go to pay on the band uniforms.

The Flying Tigers from South Taylor won over the Moran Bulldogs 38-0 in the last game of the season for both schools. The South Taylor team, pre-season favorites to win the district title, played in championship form, Bobby McMillon furnishing the spark where needed. Outstanding for Moran was their small safety man, Cecil Harper, who made several fine tackles.

The Moran Pups defeated Leuders Pirates Thursday night, November 11, in a return game played at Leuders. At the half the score was 21-6 in favor of Moran. This was the pups last game of the 1954 football season.

Moran lineup for this year was: Weaver Callaway, Barney Tabor, Charles Chaney, Kenneth Williams, Billy Edgar, Burrell McKelvin, Randall Hess, Joe Ed Pesch, Reuben Hurlay, Glenn Bredend, Davis Bredend, Thomas Holland, Dale Thomason, Scooter, Tommy Burton, Jerry Chaney, Jerry Thomas, Jerald McCanlies, Houston Connally, James Tabor and G. B. Lane.

The Bulldogs have opened practice for the coming basketball season. There were thirteen boys who reported for the opening drills Monday afternoon. With six lettermen returning, the team has a fine opportunity to have a good season.

The first game will be at Rising Star, with both boys and girls playing, Tuesday, November 23. Game time is 7 p. m.

James Paul Clark of Fort Worth was killed instantly Sunday while on duty with the National Guard in Fort Worth. The deceased was a nephew of Mrs. F. B. Cornelius of Moran. Mr. and Mrs. Cornelius left Monday for Fort Worth.

Mr. and Mrs. C. L. Green of Corpus Christi returned home on Wednesday after visiting in the home of Mr. and Mrs. Enoch McCollum and family. Mrs. Green went by plane to Fort Worth when Maurice underwent surgery and came home with them for a ten-day visit. Her husband came on Sunday. The Greens and Judge and Mrs. W. C. Davidson of Snyder were guests for a turkey dinner in the McCollum home Sunday.

Local Football Season Ends With Contests This Weekend

Eight Lobos To Be In Last Game

Eight members of the Lobo football team will don their black and gold football uniforms for the last time Friday night when they go onto Chesley Field for the final game of the 1954 season with the Mineral Wells Mountaineers.

Playing their final games for the Cisco school will be Co-Captains Arzell Hale and Marcos Gallegos, along with Harold Pippen, Buck Whitehead, Fred Hayes, Joe Gilmore, George Callarman and Jerry Weiser. Weiser is an end, Hale a tackle and the others are backs.

Hale is the only regular line-man who will not return for the 1955 season. Weiser is a reserve end. Halfback Hayes will sit out the final game. He has been sidelined since the Weatherford game with a badly sprained ankle. All the other seniors will see a lot of action.

The coaches will build their team next year around 13 veteran linemen and five backs from the 1954 traveling squad. Of the 18 members of the traveling squad, 15 will be seniors next year and three will be juniors. A few good boys will move up from the "B" team to round out the 1955 squad.

Tonight the game has been designated as "Parents Night" and all parents of the players will be seated together in a special section of the stands. The plans call for the parents to wear the number of their player son.

Several hundred Mineral Wells fans were expected to accompany the Mountaineers to Cisco for the contest. The school requested a roped off section to accommodate some 200 members of the band and pep squad.

Game time is called for 8 p. m. Members of the Boosters Club will be on hand to help school officials with ticket taking jobs, and will sell programs for the game.

Musical Program Given At Junior High Club Meet

The Junior High Mother's Club met Thursday afternoon at the school for their monthly meeting with Mrs. M. P. Farnsworth, president, presiding.

Mrs. Earl Mayhew opened the meeting with prayer. Routine business matters were transacted and the group voted to give \$25 to the audiometer fund. The room count was won by Mrs. Stanley Webb's room.

A musical program was presented by students of the school. A piano solo was given by Camille Lee and a quartet composed of Tim Huffaker, Tony Johnson, Charles Lipsy, and James Stanley Webb, accompanied by Mrs. Stanley Webb, sang "This Old House." The program closed with "April Showers" sung by Linda Curry, Mary Ward, Carole Mayhew and Judy Slaughter.

MISSIONARY TO SPEAK TONIGHT AT NAZARENE CHURCH SERVICES

The Rev. Elmer Schmelzenbach, missionary in South Africa who recently arrived in the United States for a furlough, will speak at 7:30 p. m. Friday (tonight) at the Church of the Nazarene. The general public will be welcome, the Rev. D. M. Duke, pastor, said.

During his furlough from the mission field, Rev. Schmelzenbach will spend his time in extensive deputation work. He was born in Africa of missionary parents, who pioneered the Nazarene work on the dark continent. He came to this country in 1925, graduated from Northwest Nazarene College, pastored for a year, and then returned to Africa in 1936, serving continuously there except for a furlough in 1945.

Rev. Schmelzenbach's work has been in Swaziland and the Transvaal and has included Bible school teaching, pastoring, building and directing the activities of a main station. His wife, who is a registered nurse, and their three children accompanied him to this country.

\$160 In Fund To Buy Audiometer For City Schools

The committee in charge of the audiometer project for the West Ward Parent-Teacher Association reported Friday that there was now \$160.91 in the fund, and that approximately \$100 had been pledged but not received.

When the amount that has been pledged comes in, plans call for ordering the audiometer so that the school nurse can begin using it. The P-TA will add the remaining amount needed toward the purchase.

The committee urged those organizations that had voted to contribute to the fund to send the money as soon as possible so that the order could be placed.

The audiometer will be used to test the hearing of every student in the public schools in order to detect any hearing defects in students, so that correctional means may be used. The club would like to order the instrument early next week.

PAMELA J. FLETCHER

Mr. and Mrs. Walter Fletcher of Fort Worth are the parents of a daughter, Pamela Jeanette born November 9 in a Fort Worth hospital. The infant weighed seven pounds and 11 ounces at birth. The paternal grandmother is Mrs. Pernecia Cearley of Cisco and Mr. and Mrs. Alden Phillips of Fort Worth are the maternal grandparents.

Mrs. I. J. Davis is ill at home at 1911 Avenue D.

ATTEND ZONE MEETING

Five members of the Cisco Lions Club attended a zone rally in Ranger Thursday night. Making the trip were Dr. C. M. Cleveland, president, Dr. C. E. Paul, Carlos Turner, Charles S. Sandler and Paul Brashear.

Mr. and Mrs. S. N. Poe have as their guests her sister and husband, Mr. and Mrs. L. T. Park of McKamie, Arkansas, and Mrs. Pierce Murphy of Little Rock, Arkansas.

Humble Reports Grid Radio Plans

A statewide telecast of the Michigan-Ohio State game and broadcasts of four other football games will be sponsored in Texas Saturday by Humble Oil & Refining Company.

At 12:25 p. m. the telecast of the Michigan-Ohio State game at Columbus will begin over WFAA-TV, Dallas, WBAP-TV, Ft. Worth, and others.

League Leaders To Play College

The league leading Paris Junior College Dragons will be in Cisco Saturday night for a Texas Junior College Conference game with the Cisco Junior College Wranglers at Chesley Field. It will be the final game of the season for the Wranglers, and the final game in a Wrangler uniform for some 13 boys.

Coaches Red Lewis and Joe Stephenson have been working their charges hard this week in preparation for the game, the first since October 30. The Wranglers will probably take to the air Saturday night in their effort to unseat the champs. Paris is playing its first season in the T.J.C.C.

Probable starters for the Wranglers Saturday night include Bud Miller and George Gilgo or Jimmy Hicks at ends; Phill Perry, Kent Mundell, C. A. Wheat or Bruce Stovall at tackles; Carl Metkar and Gene Burke at guards; Wayne Adams at center; Norbet Van Dinter or Severo Vaguera at quarter; Don Blackburn or Billy Hawk at full and Bob Lay, Bill Bankhead, Edwin Allen or Bill Barr at halves.

Boys who probably will not return next season include Bud Miller at end; Phill Perry, Bruce Stovall, C. A. Wheat and Charles Roden, tackles; Richard Basck, Gene Burke, Burl Shetter and Arnold Hunter, guards; Wayne Adams, center and Norbet Van Dinter, Ray Westmoreland and Billy Hawk, backs.

The Dragon team, one of the best junior college eleven in the state, is comparatively light and will tip the scales a few pounds under the Wranglers. The team average is approximately 182 pounds. The line averages 190 and the backs 169. The Wranglers will average some 195 pounds per man in the line and 170 pounds in the backfield.

The Wranglers will enter the game without the services of Halfback Ray Westmoreland and probably without Halfback Bill Bankhead. The line is in fair condition and the remained or the backs can go. Westmoreland broke a hand in the Allen game and Bankhead received a shoulder injury in scrimmage this week.

Following the game Saturday night the squad members will turn in their equipment, and work will begin in earnest on basketball. The Wrangler cagers open their season on December 3 when they play Weatherford in the Ranger Junior College tournament.

ELMER SCHMELZENBACH

Mrs. Orville Jenkins of Lubbock, district president, was to be in charge at a woman's missionary workshop at the Nazarene church here at 2 p. m. today. Plans called for a basket lunch to be served at 6 p. m.

Thanksgiving, 1954...

FOR BLESSINGS GOD HAS GIVEN, LET ONE AND ALL BE THANKFUL

By REV. JOHN G. ELSER, Pastor, Grace Lutheran Church, Cisco.

In 1621 Governor Bradford decreed that the Pilgrim colonists at Plymouth should set aside a day for general Thanksgiving...

Yet with all this we truly have abundant reason to thank God publicly and wholeheartedly on the day of national Thanksgiving...

Let us assemble in our churches (for Thanksgiving without church services is a pathetic desecration of the spirit of the day) not so much in response to the proclamation of the government...

True, there may be some who perhaps think that they have no compelling reasons to lift their voices in thanks and praise. There are a number of vacant chairs because brothers and sons have been sacrificed on the altar of war...

And with all this, let us not be unmindful of the truth that the blessings from above are not only radiated in joy, but that they often come enshrouded in dark clouds...

History is replete with examples of men and women who have found physical and financial difficulties to be disguised blessings. Suppose that these men and women had sat back and whined...

Let us, therefore, "give thanks unto the Lord; for He is good." Some sections have suffered, due to drought, but in the country as a whole the land has yielded its rich treasures...

Yes, we are allowed to breathe God's free air, enjoy his sunshine and what rain He sends us; we enjoy His many other blessings, too numerous to mention...

... Because making abstracts has been our job for many years. Every day people come to us with their title problems. Some cases are tragic. Take the example of the couple who have put their life's savings into a home to find out later they have no title...

Keep Away From People Who Have Colds Is Warning

AUSTIN, Nov. 18. — You catch a cold from a person who has a cold when you take in more of his cold germs than your body defenses can destroy. This is apt to happen when you are tired, and somebody is coughing or sneezing around you, says Dr. Henry A. Holte, State Health Officer.

Avoid taking in large masses of the germs by staying away from the person who has a cold; by staying out of crowded places during a cold epidemic; by washing your hands before you eat and after contact with a cold-infected person, or articles he has handled.

Keep your general health high by getting plenty of sleep; by eating regular well-balanced meals and drinking plenty of water; by getting some outdoor exercise every day; and by letting sunshine and fresh air into your home, office or factory.

Don't lower your resistance by getting too tired, over-heated or chilled. Avoid sitting in dried out, smoke-, dust- or chemical-laden air. Dress according to the weather and the temperature in which you must work.

Go to bed if you possibly can at the first sign of a cold. If you can't stay in bed, get as much rest as possible. Protect others by covering your mouth and nose when you cough or sneeze, and by washing your hands frequently, especially before handling food, cooking utensils or dishes.

Don't try to treat yourself. If your cold symptoms persist or if you develop fever or chest pain, call your doctor and follow his advice.

Mr. and Mrs. Truitt Dawkins visited Mr. and Mrs. W. S. McCann Friday night.

Members of the Baptist Church met Tuesday afternoon at the church and cleaned the church grounds and waxed floors and washed windows.

AND NEWS OF INTEREST TO WOMEN

Circle Three Meeting Tuesday

Mrs. Jim Flournoy was hostess for the home Tuesday, November 16, when Circle Three of the First Christian Church met for their weekly meeting.

Al Snider presided and read the opening prayer. Mrs. Mabley brought the devotional from the 13th chapter of the Bible and Mrs. Willierue taught the lesson on Tithing.

A short business session was held and the meeting was dismissed with the missionary benediction.

A social hour followed and refreshments were served to Messrs. G. W. Troxell, W. R. Huesel, C. B. Powell, Al Snider, Sam Hensell, Ada Mabley, Willierue, Jim Flournoy, Oscar F. M. Hooks, and two children, Jimmy and Mary Ann Snider.

Rebekah Lodge Has Meeting On Thursday

The weekly meeting of the Goodwill Rebekah Lodge was held Thursday evening at the lodge hall with Mrs. Connie Hyatt, Noble Grand, in charge.

Following the regular session of lodge, the group went to the home of Mrs. Meda Strawn for a birthday party honoring Mrs. Winnie Linebarger with Mrs. Pauline Taylor as hostess. The Thanksgiving theme was carried out in the refreshments and games. A short Thanksgiving program was given and the honoree was presented a gift from the group and the happy birthday song was sung.

Those attending were Messdames Winnie Linebarger, Rhoda Burkett, Helen Brashear, Mabel Aikire, Lydia Krauskopf, Leah Bates, Connie Hyatt, Katie Cooper, Edith Rainbolt, May Kleiner, Juel Browning, Meda Strawn and Pauline Taylor.

GA's Hold Meeting At Baptist Church

The Bell Intermediate G.A.'s of the First Baptist Church met Wednesday evening at the church for their weekly meeting.

Marita Webb opened the meeting with prayer and a discussion was held on a meeting to be held December 3. The group voted to have a pot luck supper at the meeting instead of having their mission book, "Flying Missionary." The book was distributed for the members to read.

Six girls volunteered to serve at the joy banquet November 13 and the group repeated their watch word, star ideals, and allegiance and sang the G.A. song, "We've A Story to Tell to the Nations."

Nelda Cates was in charge of the program entitled "Facts About Southern Rhodesia." Those taking part on the program were Nelda Cates, Linda Cheves, Linda Pirtle, Maedean Collins, Linda Bennie, and Marita Webb.

The meeting was dismissed with prayer by Mrs. Thomas.

Thanksgiving Theme Used At Club Meet

The First Industrial Arts Club met Thursday afternoon at the Woman's Club House for their regular meeting with Mrs. E. L. Jackson, president, in charge.

The meeting opened with all praying the club collect and giving the pledge of allegiance to the flag. Roll call was answered with Thanksgiving thoughts.

During the business session which followed, the group voted to send a Christmas box to the mental hospital in Wichita Falls. Mrs. Edward Keough reported on the mental health clinic held in Cisco Monday and Mrs. W. W.

Wallace gave highlights of the state convention of the Texas Federation of Women's Clubs held in Mineral Wells last week.

Mrs. F. J. Borman was in charge of the program and presented a playlet, "My Country, 'Tis of Thee I Sing." A historical picture in music was presented on the date dedicated to the Thanksgiving season. To open the program Mrs. Don Choate presented four Cub Scouts from Den Four. The boys were Billy

Pence, Bill Berry, and Jimmy Choate and represented the spirit of '76 with the American flag and the scout flag.

Mrs. F. J. Borman was reader, Mrs. A. E. Jamison, soloist, and Mrs. Douglas Hill, pianist, as each period in the growth of our nation was presented. Music was given to illustrate each era.

Those attending were Messdames B. E. Morehart, S. H. Nance, Edward Keough, H. A. Bible, Frank Bond, N. A. Brown,

M. F. Underwood, Leslie Seymour, J. E. Coleman, E. L. Jackson, E. J. Poe, W. W. Wallace, A. J. Olson, Joe Clements, F. J. Borman, R. E. Grantham, and five guests, Mrs. Hill and the Boy Scouts.

The first permanent iron works was built in Massachusetts in 1645.

The first power-producing public utility was built in New York City in 1882.

MODERN TRANSPORTATION—Actor Sebastian Cabot certainly chose a current means of getting about during the filming of "Romeo and Juliet" in Verona, Italy. He seems to be inviting Susan Shentall, who plays Juliet, for a ride. It appears that Susan isn't so certain there's room for her, too.

Reddy's Quiz

How much of the nation's total electric power is produced by electric companies and how much by the federal government power systems?

It's about fifty-fifty.
 Government systems produce 10 per cent.
 Electric companies produce over 80 per cent.

Here's the Answer:
Electric companies produce over 80 per cent. In the twenty-one years from 1923 through 1953, the U. S. produced four-and-a-half trillion kilowatt hours of electricity. Investor owned electric companies produced 83.5 per cent of those kilowatt hours. Federal government systems generated 10 per cent. The rest was accounted for by municipal power systems, cooperatives, etc.

Winter Crops In Good Shape After Weekend Rainfall

AUSTIN, Nov. 18. — Small grain, winter legume and pasture prospects continued on the up-grade over the eastern third of the State as spotted showers added further to moisture reserves in most of that area. Light to heavy showers over the southern counties of the low plains, cross tim-

bers, central blacklands and eastern plateau counties revived hopes for small grains in those areas. On the high plains dryland wheat was holding on but needed moisture very soon. Irrigated wheat in that area, however, was making very good growth. Some intended acreage in the low rolling plains was still not planted and what in that area which got up to a stand was struggling to survive. Weekend showers in favored parts of the southern low rolling plains, southern cross timbers and eastern plateau will now permit completion of

Girl Scout Troop 2 Has Weekly Meeting

On Tuesday, November 16, Girl Scout Troop Two met at the Locker Plant for their weekly meeting.

Mrs. Don Choate called the meeting to order and Ann Choate collected the dues. Kathy Rodden called the roll. Badger work was discussed by the group and individual Second Class Badge charts were made. Linda Latham was elected as the new chart keeper. Everyone was asked to bring an apple to the next meeting and the meeting was dismissed.

Nibbles were served following the meeting to Marguerite Leard, Neeta Burnam, Carolyn Baird, Mary Starr, Melba Hamilton, Linda Latham, Dona Byrd, Judy Reynolds, Pricilla Mahaney, Billie Moats, Sharon Rawson, Katy Rodden, Ann Choate, and the leader, Mrs. Choate.

planting, germinate dusted in wheat, and should bring on some grazing on that acreage already up.

Cotton harvest in the northwest and trans-Pecos continued without interruption. Use of mechanical strippers was stepped up, particularly on dryland high plains acreage. Mechanical stripping of irrigated acreage will become active within the next week or 10 days. With a few more weeks of open weather, growers in the trans-Pecos should have most cotton harvested. Grain sorghum harvest on the high plains continued with only a limited acreage remaining in fields.

In many localities storage facilities are inadequate to handle the crop and considerable grain has

been piled on the ground. In the Cross Timbers, light frosts have burned tops of peanuts. As soon as fields dry, harvest will be pushed to completion in this important peanut area. Growth of fall peanuts in south Texas was checked by recent low temperatures. Harvest of the short peacan crop was active. Digging of sweetpotatoes was very active with harvest about complete in some northeast Texas counties. Early October rains improved yields and lowered quality.

Early planted small grains in the northern blacklands and eastern and southern counties were supplying an increasing amount of grazing with supplemental feeding tapering out as pastures improved in these areas. On the high plains, stalk fields and irrigated wheat were supplying considerable feed, but grazing on dryland wheat was short and not expected to last long unless rain is received soon.

Supplemental feeding was increasing in the low rolling plains and much of the plateau; however, where dry grass was critically short and small grains need rain to make grazing. Marketing of cattle and calves continues heavy.

Mr. and Mrs. Austin Flint left today for a weekend visit in Terrell and Dallas.

Sunbeams Meet At Church On Tuesday

The Sunbeams of the First Baptist Church met Tuesday afternoon, November 16, at the church for their regular weekly meeting.

The meeting was called to order by the president, Joan Parkinson. The group joined in giving the watch word and rally cry at it in singing the Sunbeam song. The group joined in sentence prayers with Miss Willie Frank Walker closing the prayer.

During the business session, Cinda Gafford was elected as vice president. A social committee, composed of Alice Everett and Becky Johnson, and a room and handwork committee, composed of Nancy Shingle and Ellen Crane, were elected.

Mrs. Flournoy Cleveland told a story of Thanksgiving and the

group voted to prepare a Thanksgiving Box for a shut-in. The meeting closed in regular form. Refreshments were served by Circle Four to Cinda Gafford, Ronnie Reynolds, Brenda Smith, Becky Johnson, Mark Lineberger, Patti Morrison, Brenda Mayhew,

Joan Parkinson, Karen Moore, Val Jean Louder, Nancy Shingle, Don Williams, Charles Cleveland, Betty Callaway, Nancy Carlile, Donnie Joe Hamrick, Doris Lee Glenn, Diane Everett, Jeanne Parks, Ellen Crane, Sherry Barnes, Alice Everett, Jane Parks,

Betty Lou Shingle, Cathy Nolds, Marcia Kay Glenn, Lineberger, and the leader, S. E. Parkinson, Mrs. P. Cleveland, Mrs. Don Re, Mrs. Jack Everett, Miss Frank Walker, and a visitor, Gerald Parks.

MEET A SUCCESSFUL CATTLE RAISER!

"Texo Life-Guard Range Cubes were a life-saver in more ways than one," says RED POPE, Bonham, Texas.

"Last winter I fed 300 head of cattle on hay and about 2 pounds of Texo Life-Guard per head per day, and that's a life-saver when you figure up the cost. But the real pay-off was in the results. My cows calved easily, cleaned up well and settled quickly. You can count me in as a regular Life-Guard feeder," says Red Pope, your TEXO neighbor in Bonham, Texas.

Yes, folks, it's no wonder cattlemen everywhere are turning to TEXO Life-Guard Range Cubes, because they're the lowest-priced range cubes ever developed with a guaranteed analysis of 20% protein, 10,000 units of Vitamin A and all the essential minerals.

It's not a bit too early to be making plans for this winter's feeding, so why not stop in next time you're in town and ask about TEXO Life-Guard Range Cubes.
