

The Gay Philosopher

By J. W. S.

GREAT LOBO football star kills big buck!

That's the title of an essay that somebody wrote and left in our typewriter. The story went on to explain that Mr. Arzell Hale, who is a right handy man in a football game, and some buddies went down Junction way over Thanksgiving.

The party included such seasoned hunters as Andy Mosley, J. D. Nelson and Al Anderson. At exactly 3:15 p. m. on Saturday, Nov. 27, 1954, a rifle shot rang out. Triggerman Hale had bagged the only buck for the party. The boys gathered around. They counted the points on the horns — all three of them.

SCOUT REPORTS indicate that Cisco was pretty well represented up in the Atlantic Ocean recently when the Marine Corps staged maneuvers off the Carolina coast. Private David L. Williams, son of Mr. and Mrs. R. H. Williams of 907 West 8th Street, had a part in this, the biggest Atlantic maneuvers ever staged by the Marines.

On Monday, Nov. 15, they left Camp Lejeune, N. C., and more than 20,000 Marines took part. It was a mock invasion of the coast with Army, Navy and Air Force cooperating. Nearly 100,000 men and over 200 ships of the Atlantic Fleet were in the party.

Besides Private Williams, Cisco was represented by Lt. Donald Kent and Airman Benjamin F. Courtney. Another Ciscoan at Camp Lejeune is Sgt. Jack Myrick, son of the A. Z. Myricks. Don't know if he got in on the maneuvers, but he probably did.

OVER AT THE Cisco Post Office they're already beginning to feel the Christmas season as the daily mail grows heavier. Postmaster J. J. Porter reports that the number of packages coming in and going out is increasing each day.

Mr. Jim McCantles, who drives the mail truck, has been on vacation and was back on the job today. He and A. E. Gosnell went deer hunting over in eastern Eastland County yesterday — the last day of the season in this county.

And they had a successful hunt. They brought in a buck last evening.

BEFORE LONG now the parties and things that happen at Christmas time will begin happening. And we'll be hearing details of the home decorations contest that the Cisco Garden Club and others will join hands to sponsor. This promises to be an outstanding project this year, and it will be a good idea to begin thinking about it already.

SQUIBS: Many more people get in the world than up in it. . . . White lies often have to be white-washed to prevent them from turning black. . . . The lazy man takes out in wishful thinking what the ambitious man goes out and gets. . . . Most every man knows his own business but it is often difficult to make his neighbors believe it. . . . In spite of the speed of modern living, the wise man saves enough time to plan his next move. . . . A boy seldom inherits his bad habits from father — father usually hangs on to all he has.

The driver who speeds, along at 85 is literally killing time. . . . Education means developing the mind, not stuffing the memory. . . . Some men credit their business success to the fact that their wives need the money. . . . Tip to motorists: Watch out for school kids — they weren't brought up to be run down. . . . The dollar that does the most good for us is the dollar which is kept in circulation. . . . In the old days when a youth started sowing wild oats, father started the thrashing machine.

More Squibs: The days are growing much shorter — just like the funds of the man who has been on vacation. . . . We judge ourselves by what we feel are our capabilities — the world judges us by what we accomplish. . . . Try to convince a schoolboy that summer vacation days are longer than winter school days. . . . The man who looks before he leaps often gives the other fellow a chance to get in ahead of him. . . . No man should have reason to complain if he is measured by his own yardstick.

ADOPTED MOTHER—A hen on the farm of M. O. Olsen, near Davenport, Wash., has taken on a chore usually ignored by her feathered sisters. The mother dog shown feeding her pups frequently wears of the chore of looking after her family, so she wanders away. When she does, the hen takes over. She's unable to feed them, but she does look after the pups.

Area Is Urged To Support National Safe Driving Day

Paul Brashear, manager of the Cisco Chamber of Commerce, today called on every motorist and pedestrian in the community to give personal support to national "Safe Driving Day," December 15, 1954.

He said the community's goal will be to eliminate all traffic accidents for the 24-hour period. "Safe Driving Day" is sponsored by the President's Action Committee for Traffic Safety in cooperation with other national organizations, with the support of President Eisenhower. The Chamber of Commerce of the United States and its member organizations throughout the country are cooperating.

Mr. Brashear pointed out that business and industry have a direct interest in traffic safety, for accidents increase the cost of transportation and production. "But the real cost of traffic accidents," Mr. Brashear said, "is the most precious thing we own — human life."

Mr. Brashear pointed out that traffic engineers, law enforcement officers and traffic-safety educators are using all the equipment and know-how of modern science to reduce accidents, but in the long run these are of limited value unless individuals — motorists and pedestrians — observe safety rules and apply common sense.

He noted that business leaders everywhere have spearheaded traffic-safety efforts for years by promoting safety councils and by cooperating with all phases of traffic-safety programs.

CISCOAN SELECTED AS ONE OF 50 PASTORS FOR JAMAICA TRIP

Dr. H. M. Ward, pastor of the First Baptist Church in Cisco, is one of 50 Texas ministers who have been selected for a special mission trip to the island of Jamaica in the West Indies during January, 1955, according to information here today.

The 50 Texas Baptist pastors were selected for the preaching mission to Jamaica by the Department of Evangelism of the Baptist General Convention of Texas. The group will fly to the Caribbean Sea island. Dr. Ward will board the plane in Dallas on Dec. 30, and will arrive at Jamaica on Dec. 31.

Dr. Ward, along with the other ministers, will be assigned to a mission station on the island. He will be at the station from Jan. 2 through Jan 9 and will hold preaching services twice daily. Selection for the trip was regarded as a considerable honor for the Cisco pastor. Dr. Ward came to the First Baptist Church here more than two years ago from a pastorate in Illinois. He had previously been a minister of

COUNTRY CLUB STOCKHOLDERS HOLD ANNUAL MEET, ELECTION

Plans for increasing their membership were discussed by the stockholders of the Cisco Country Club at the annual meeting Tuesday night at the First National Bank's community conference room. The organization hopes to add new members to its rolls in order to have funds for improvements and a broader program of operations.

The board of directors named Mr. Sitton as president of the club for the coming year. Mrs. Harrell was elected vice-president, and Mr. McDaniel was re-elected secretary. The board will meet soon to make plans for the coming year.

Mr. Robinson, the retiring president, was given a vote of appreciation for his work during the past year. He presided over the meeting and announced that the annual holiday dance will be held Thursday night, Dec. 30, at the club house.

Plans were announced for selling tickets for a platform rocker, an electric blanket and a wrought iron tea cart to be given away at the holiday dance. The tickets for the items will sell for 50 cents and proceeds will be used by the club in its work.

A committee will be named to seek new members. The club has some 65 members who pay dues at the rate of \$3 per month. The club hopes to increase its membership to 100.

A committee composed of Carl Lamb, W. J. Foxworth and Carl Armstrong was named to investigate the possibilities of sponsoring a turkey shoot as a fund raising project for the club.

Moran Soldier With Brigade On Okinawa

YOKOHAMA, Japan. — Pvt. Bobby R. McKee, 21, whose wife, Dorothy, lives in Breckenridge, recently was graduated from the Far East Anti-Aircraft Artillery Specialist School in Yokohama, Japan.

After completing the school's heavy and medium artillery gun mechanic's course at the Anti-Aircraft Artillery Center, McKee returned to his duties with the 55th Anti-Aircraft Artillery Brigade on Okinawa.

He entered the Army in May 1953 and completed basic training at Fort Bliss, Texas. He is the son of Mr. and Mrs. Boss E. McKee, Route 1, Moran.

The monthly social meeting of the Philathea Sunday School Class of the First Methodist Church will be held Friday, December 3, at the home of Mrs. D. P. King with the husbands of the members attending as guests. Co-hostesses with Mrs. King will be Mrs. A. R. Westfall, Mrs. S. H. Nance and Mrs. Sam King.

churches at Huntsville, Troup and elsewhere in Texas.

Dr. Ward is a graduate of Baylor University.

Librarian Exams To Be Conducted By Civil Service

The United States Civil Service Commission has announced that there is still a need for librarians in various Federal agencies in Washington, D. C., and vicinity, for positions paying from \$3,410 to \$7,040 a year.

Applicants are required to take a written test and must have completed (a) a full 4-year college course which included at least 30 semester hours of study in library science; or (b) 4 years of progressive experience in library work; or (c) 1 full year of professional library training in a library school plus 3 years of college study or 3 years of progressive experience in library work.

Further information and application forms may be obtained at many post offices throughout the country, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications will be accepted by the Commission in Washington until further notice.

Scranton High School boys and girls basketball teams put on the steam for the home fans at the Scranton gym Tuesday night to win both games of a double-header over Carbon High School.

The Scranton girls won easily over Carbon 47-28 and the Scranton boys had no difficulty in disposing of the Carbon boys 69-25.

In the girls game Barbara Simmons and Judy Ingram made 19 points each to tie for point honors for the Scranton team and for the game. Other players seeing action were Lavada Luster, Willowdene Sawyer, Linda Sue Led-Better, Sandra Auld, Effie Jo Carroll, Betty James, Nelda Stewart and Laura Redden.

Murl Petree led the Carbon team with 11 points and was trailed by Nancy Norris with 10. Other players seeing action were Ann Mangum, Mary Nicholas, Thelma Phelps, Corynne Benton, Wanda Payne, Madeline Justice, Wanda May, Elonor Phelps, Marjorie Quarles and Lavonda Jordan.

In the boys game Bill Parks led the Scranton team in scoring and took game honors with 25 points. Lyndel Reese of Scranton made 18. Mangum was high for Carbon with nine.

Playing for Scranton were Bill Parks, Gene Parks, James Reese, Lyndel Reese, Jimmy Blackwell, Jack Speegle, Tom Speegle, Buddy Johnson, Billy Ingram and Jimmy Laminack.

Playing for Carbon were Haves, Phelps, Cook, G. Hogan, B. Hogan, Mangum, Duggan, Smith and Morrow.

Mr. and Mrs. J. R. Deen have returned from a two weeks visit in Houston, Kingsville and Corpus Christi.

Mr. and Mrs. Emmitt Eager of Clyde were the guests of Mrs. G. P. Rainbolt last Sunday.

300 Expected To Attend Grid Banquet Here Thursday Night

LOBO CAGERS OPEN NEW SEASON WITH VICTORIES OVER DE LEON

Cisco High School's Lobo cagers started the 1954-55 season off in good form Tuesday night at the community gym when both the "A" team and the "B" team took victories from Coach Al Langford's De Leon Bearcat teams.

The Lobo "B" boys started the ball rolling when they downed the De Leon "B" team 53-40. Coach Lynn Glass' boys started to work in the second half to pile up a good lead after the first half ended 20-20. During the third period the junior Loboes tossed in 21 points to go out in front and stay there.

Benji Lipsey took scoring honors for the game when he sank five field goals and 11 free throws for 21 points. Brownlee of De Leon was in second place with 16. Levere Adams accounted for eight of Cisco's points before five fouls took him from the game early in the fourth quarter. He was Cisco's second high scorer.

The Lobo "A" team had to fight an uphill battle to overcome the De Leon "A" team 49-40. The Loboes trailed most of the way until the fourth period. De Leon jumped into an early four point lead, but the Loboes soon knotted the count. The first period was played on an even keel with neither team able to go ahead more than one point. In the second period De Leon began hitting their shots and the half ended with the visitors in the lead 24-18.

In the third period the Bearcats widened their lead at one time to 12 points. Late in the third quarter Coach Charles Williams' players started to work and practically ran the visitors off the court. The third period ended in a 36-36 deadlock. In the fourth quarter the fast Lobo outside men literally stole the game when they outran and out hustled the visitors to keep control of the ball most of the way. They held De Leon to one lone field goal and two free throws in the final period while they were making 13.

George Callarman scored 18 points for Cisco and took game honors. Bill Smith had 11 and Reynolds 10.

CHOIR WILL MEET

The choir of the Holy Rosary Catholic Church will meet Wednesday night at 7:30 o'clock at the church. All members were urged to attend.

NEW POSTAL REGULATIONS DUE TO SPEED UP MAIL OPERATIONS

Postmaster J. J. Porter today called to the attention of mail-representers major new postal regulations being issued effective December 1 which will provide important changes and simplifications in the use of the mails.

The Post Office Department is issuing a final edition of a history-making new Postal Manual which contains these changes in simple form. The new manual will bring together in less than 300 pages public-interest postal regulations formerly scattered through 4,000 pages of dense print, Postmaster Porter explained.

This publication may be obtained at 65 cents a copy from the Superintendent of Documents, Washington 25, D. C. And mail users anxious to get abreast of all changes in this material that may be made from time to time may get both the pamphlet in loose-leaf format and a year's subscription to all sheets making changes for a total of \$2, also from the Superintendent of Documents, the postmaster noted.

The revision of the Postal Manual, Postmaster Porter said, represents what Postmaster General Arthur E. Summerfield has described as the most complete revision of regulations in the history of the U. S. Post Office Department.

The Department on October 21 issued the first preliminary edition, and Postmaster General Summerfield invited the general public, as well as large mailers and postal employees, to suggest constructive revisions for incorporation into the final edition. At that time, the final edition was set for November 20, but, because of the volume of the many worthwhile suggestions offered, its publication date was moved up to the present December 1.

The final regulations have been filed with the Division of the Federal Register in Washington, and will become legally effective on December 1.

Postmaster Porter noted that the new pamphlet and the new \$2 documents, the postmaster noted.

Civil Service To Hold Job Exams

Examinations have been announced by the U. S. Civil Service Commission for Pharmacist, Scientific Illustrator (Medical), and Medical Photographer, for positions with the Veterans Administration throughout the country and in Puerto Rico, and for Investigator positions with the General Accounting Office throughout the country.

To qualify for pharmacist positions which pay \$4,205 to \$5,500, applicants must have had appropriate education and be registered pharmacists. In addition, for positions paying \$5,060 and above, they must have had professional experience in pharmacy. No written test is required.

For the positions of scientific illustrator (medical), \$3,410 to \$5,060, and medical photographer, \$3,175 to \$4,205, appropriate experience is required. Appropriate education may be substituted for all of the experience required for the lower grades and for part of that required for the higher grades. Scientific illustrators must furnish a sample of their work. No written tests are required.

Investigator positions pay \$3,410 to \$7,040 a year. Applicants must take a written test and must have had experience in accounting, legal work, investigative work, or other pertinent experience. Appropriate education may be substituted for part of the experience.

Methodists To Hold Fellowship Dinner

The First Methodist Church will resume their evening fellowship dinners and study at 6:30 p. m. Wednesday, J. H. Chambliss will discuss the last chapter of the study book. The topic is the "Spiritual Significance of Stewardship." The Frances Gaby Circle will serve as hostesses.

The Wesley choir and the youth choir will rehearse at 7 o'clock and the adult choir at 7:30 o'clock. The adult choir will rehearse the special music to be given at the district conference at Eastland on Thursday night. Director Jack Chambliss would like to have a full attendance of all choir members.

Clarence Weatherby Due Home For Leave

Pfc. Clarence Weatherby, son of Mr. and Mrs. P. T. Weatherby of Cisco, will arrive here soon to spend a 30-day leave with his family and friends. He is stationed at Fort MacArthur, Calif.

Another son, Airman Andrew Weatherby, who is stationed at Conally Air Force base, near Waco, will also be on leave and will visit his parents here.

Mrs. Allie Nelms has returned after a visit with her son and family, Mr. and Mrs. John C. Nelms, in Crane and with relatives in Andrews and Mulleshoe.

Weekend guests in the home of Dr. and Mrs. N. A. Brown were John Brown and A. B. Whitley of Leesville, La.

The first official American flag was displayed on Prospect Hill, Jan. 1, 1776.

"Birdcage Walk" is a well-known street in London.

TEXAS FOOD EXPERTS ENTER 'BEST BEEF' RECIPE CONTEST

If it's expert, it's Texan! That is the position the Texas Beef Council takes as it sponsors a unique recipe contest. "Typically" Texan beef recipes — with names like "Cowboy Hash," "Pioneer Short Ribs," "East Texas Beef Pie" — have been pouring into the Council's headquarters since details of the contest were announced by Roy Parks, president of the Texas Beef Council. One thousand graduate home economists and dieticians in Texas who help keep balanced diets on Texas tables were invited to participate. Among these experts are the women who plan and execute school lunch programs, supervise institutions' meals, guide Home Demonstration Club activities, teach home economics in schools and colleges and pre-test recipes found in food product packages. "In short," Parks said, "they are the food experts of Texas . . . and therefore of the entire world."

Taste, originality and economy will determine the \$100 Grand Winner, to be announced at the annual meeting of the Texas Home Economics Association in Dallas next March. A panel of judges selected by officers of THEA and the Texas State Nutritional Council will make the final decision, Parks said.

"How they will ever reach a decision is beyond me," Parks said after tasting some of the early entries tested by the Council's consultant home economist, who will screen all recipes before they go to the panel.

"There's a recipe for everyone's taste and we intend to circulate the outstanding ones widely before final judgment is held. Afterwards, the Council will publish its own recipe book, featuring these and other Texas menus."

A sneak preview of the Texanized recipes resulting from the state-wide search for "better beef" tips follows in the "Tippy Texan Casserole," submitted by MRS. FREDERIKA (DALE) MAIKA, consultant home economist of Dallas.

TIPPY TEXAN CASSEROLE

- | | |
|-----------------------------|---|
| 1 lb. ground beef | 1/2 cup dry red wine |
| 2 tbs shortening | 1 cup water |
| 1/4 cup minced green pepper | 1 cup corn meal |
| 3/4 cup diced onion | 1 cup canned, drained whole-kernel corn |
| 2 8-oz. cans tomato sauce | 1 cup grated mild cheese |
| 1 tsp. salt | 2 eggs slightly beaten |
| 1/4 tsp. pepper | |

Melt shortening and brown meat, green pepper and onion. Lower heat; add tomato sauce, salt, pepper, wine and water and bring to a boil. Stir in corn meal and cook 3 minutes, stirring occasionally. Add corn and 3/4 cup cheese. Mix well. Blend in eggs slowly, stirring constantly and top with remaining cheese. Cover and cook 20 minutes over low heat. Serve hot.

4-H Members in Texas Win Trips

TOP 1954 honors in Texas were presented to four 4-H Club members who reported exceptional work in the National 4-H Canning, Electric, Poultry, and Recreation and Rural Arts programs. Their rewards will be all-expense trips to the 33rd National 4-H Club Congress in Chicago. Summaries of their accomplishments are as follows:

Marvin Mott Judy Parker Donald Spence Betty Whitson

Noteworthy efforts in the 4-H Electric program have gathered State laurels and all-expense trip to the National 4-H Club Congress in Chicago for Marvin L. Lott, 16, of Riesel, provided by the Westinghouse Educational Foundation.

Studying the project with his father, who is an electrician and the leader of his 4-H Club, Marvin first learned how to wire switches, and how to run overhead and underground conductors. He installed infrared bulbs in his brooder, with a thermostat, which saves checking. In the summer he installed a fan that has probably saved about 50 baby chicks. Marvin has also built a table lamp, a TV lamp, an automatic waterer, a test lamp and a sander, and installed an air conditioner he constructed. Marvin has been president and junior leader of his club.

Leadership and achievement in the 4-H Recreation and Rural Arts program have brought state-wide recognition to Judy Parker, 16, of Cuero. Judy was awarded an all-expense trip to the National 4-H Club Congress in Chicago provided by United States Rubber Co.

Judy has taken 11 projects in four years in 4-H, and has enrolled in recreation each year. She has attended 60 county-wide dances, given 16 exhibition dances and won the Recreation and Rural Arts pin. She has helped plan and teach songs, dances and games at parties, outings, and camps. In rural arts, Judy helped her club members make figurines and taught crafts at camp. She has been county delegate from her local club and has been acting

All these programs are conducted under the direction of the Cooperative Extension Service.

ALL-AGE CURIOSITY—That's one human trait not confined to any generation, and here's the proof in Brussels, Belgium. An elderly gentleman, a mature woman and a young boy are all intrigued by an "atomic lantern" which displays images of samples of minerals which are the source of atomic energy. It was part of an exhibition sponsored by the U. S. and Belgium.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

GJC Girl Is Married In Abilene Ceremony

Miss Barbara Jean Beyer, student at Cisco Junior College, and Francis Carl Kirby of Abilene were united in marriage in a double ring ceremony performed Thanksgiving morning at 9 o'clock by the Rev. Robert Johnson.

White stock, greenery, and white candles decorated the altar. The kneeling bench was white and white satin bows marked the pews.

Nuptial music was sung by the St. Joseph's Academy choir. Mrs. Tom Van Hoose was the organist and Glen Caffey, soloist.

The bride, given in marriage by her father, wore an original gown of lace, satin and net. The scooped neckline of the lace bodice was edged with cut out motifs of lace outlined with seed pearls. The full net skirt, worn over satin, formed a short train. Her finger tip veil was caught to a tiara of seed pearls and she carried white rosebuds and gardenias on a white prayer book.

Miss Dixie Dues of Fort Worth attended the bride as maid of honor. She wore a royal blue velvet dress with fitted bodice and gathered skirt and carried a bouquet of deep pink carnations. Tommie Allen, Hymonda Moran, Phyllis Lamb, Peggy Strickland, and Rita Carol Beyer, sister

of the bride, were bridesmaids. They wore identical dresses of canary velveteen styled with fitted bodices, low V necklines, kimona type sleeves, and full gathered skirts. They carried bouquets of blue, yellow, and pink carnations.

Debra Kirby, niece of the bridegroom, was flower girl. She was dressed in royal blue velveteen styled with peter pan collar and a three tiered floor length skirt. She carried a pink basket of rose petals.

Pete Kirby attended his brother as best man and Cecil Allen, Clifton Yates, Genkie Beyer and Joe Beyer, brothers of the bride, were ushers. Ring bearer was Kenneth Beyer, brother of the bride.

A reception was held following the ceremony in the church undercroft. The couple were assisted in receiving guests by the bridal party and their parents. Guests attended from Dallas, Winters, Tuscola, Fort Worth and Panhandle.

As the couple left on a wedding trip to Fort Worth, the bride was wearing an original aqua faille suit and black shoes and bag, white hat and gloves, and the corsage of white gardenias from her bridal bouquet.

Mrs. Kirby is a graduate of Wylie High School and is a freshman at Cisco Junior College where she is a member of the college choir, school paper staff, and girls basketball team. In High School she lettered in basketball and volleyball, was a twirler for three years, art editor for the school paper and year book, and a member of Future Homemakers of America.

Mr. Kirby is a graduate of Winters High School where he was a member of Future Farmers of America, Eskimo Club, Civil Aeronautics and the basketball team. He is presently employed by Waldrop's Furniture Company in Abilene.

TRYING THEM OUT—Edmund Clarke, eight, and seven-year-old Jeanne Lawrence are taking a walk after being fitted with artificial limbs at the U. S. Naval Hospital in Oakland, Calif. Edmund has had four legs since he was injured in an auto accident three years ago. Jeanne was born with a deformed right arm and leg and got her replacements just two months ago. The kids are children of Navy men.

FAMILY NIGHT PARTY

The regular family night meeting of the Cisco Country Club will be held Friday night at the clubhouse. All members were urged to attend and may bring guests.

Presbyterian Women Hold Business Meet

The November business meeting of the Women of the First Presbyterian Church was held Tuesday, November 22, at the church with the president, Mrs. C. M. Townsley, in charge.

Following silent prayer of thanks, Mrs. C. R. Baugh prayed the opening prayer. Monthly letters from the Presbyterian and Synodical presidents were read and the treasurers report given by Mrs. A. E. Jamison.

Mrs. Homer Slicker, delegate to the Mid-Texas Presbyterian in Brownwood, gave her report. Mrs. John Kleiner, District Chairman of the New District No. 5, which is the same territory as the old District No. 6 with Coleman added, set the tentative date for the District meeting as February 18.

Mrs. Kleiner told of B. Lewis of Atlanta, Georgia, planning to be in Texas the second week in April and in Cisco on April 12 for a one day conference. Mrs. B. S. Huey told of the new kitchen in the Brownwood church and made a motion that the group fix the local church kitchen.

Mrs. Vera Kleiner, chairman of Circle One, reported that her circle was planning to paint the kitchen. Circle reports were given as follows: Circle One, Mrs. H. L. Ferguson; Circle Two, Mrs. J. J. Tableman; and Circle Three, Mrs. J. A. Pressley.

Mrs. H. Grady James, chairman of Spiritual Growth, stressed daily Bible reading from Thanksgiving to Christmas and Mrs. Rudy Kamon, chairman of World Missions, told of sending three duffel bags, thanking all for the articles given and Mrs. W. W. Donohoe for cleaning the soiled articles and Sunset Motor Lines for free freight.

Mrs. Kamon made a motion that the group give \$15 to send bags to Europe. She also reported sending a box of various small articles with the other bags.

Mrs. Slicker moved that the group buy a binder for the local church histories at Montreat. Mrs. A. J. Olson, chairman of Christian Education, asked for subscriptions to the Christian Observer and the Survey.

Mrs. Huey, chairman of Annuities and Relief, spoke of the church pageant, "Opening Their Treasures," to be held December 19 at 6 p. m. and named her committees. Committees are as follows: decorations, Ted Waters, Mrs. Joe Comingore, Mrs. Kamon, and Rev. James; costumes, Mrs. Vera Kleiner, Mrs. Ted Waters, Mrs. P. R. Warwick, and Miss Elizabeth McCracken; and publicity, Miss Patti Minear and other helpers.

Mrs. C. C. Jones sent a letter of thanks to the group for the kindnesses shown to her sister, Shirley, during her recent illness and Mrs. James expressed her thanks for the Thanksgiving basket of fruit sent them.

A letter of resignation was read from the president, Mrs. C. M. Townsley, which was accepted with regret and Mrs. Kleiner, chairman of the nominating committee, read her report. There being no nominations from the

floor, the following were elected by acclamation:

Mrs. W. W. Wallace, president; Mrs. C. M. Townsley, vice president; Mrs. Ted Waters, recording and corresponding secretary; Mrs. Glenn Dietaker, Chairman of church extensions; Mrs. Vera Kleiner, chairman of Annuities and Relief; and Miss Titia Bell Simmons, chairman of stewardship.

Mrs. A. J. Olson's resignation as chairman of Christian Education, was accepted with regret and Mrs. H. L. Ferguson elected to fill her unexpired term. Mrs. Huey asked of the expense for the pageant and the group voted for the church to furnish the materials and the parents to make the costumes.

The meeting was closed with prayer by Mrs. James with sixteen members attending.

Mrs. Phama Travis, who has been a patient in Graham Hospital for the past two weeks, is now at her home, 1000 West 12th Street.

Ruby J. Carr of Los Angeles, California, is expected Friday for a ten day visit with his parents, Mr. and Mrs. R. T. Carr.

Mr. and Mrs. Floyd Betts of Port Arthur visited Mr. and Mrs. W. P. Guinn Monday and Tuesday. Mr. Betts is superintendent of the Port Arthur College.

WORD CLUB TO MEET

The Word Home Demonstration Club will meet Thursday afternoon at 2 o'clock at the home of Mrs. Clint Britain. Each member has been asked to bring needle and thread and their article for the state hospital. Christmas gifts will be exchanged. All members were urged to attend.

We Like to Talk About Abstracts —

... Because making abstracts has been our job for many years. Every day people come to us with their title problems. Some cases are tragic. Take the example of the couple who have put their life's savings into a home to find out later they have no title. But most title problems are simple and the abstract helps to make them simple. So before buying real estate better talk to us about the title.

EARL BENDER & COMPANY

Eastland, (Abstracting since 1923) Texas

The gift that fits into everyone's dreams

NO OTHER GIFT can mean so many precious things to so many people. That's why millions of Americans are including U. S. Savings Bonds on their gift lists this Christmas. Each Bond you give brings someone a step closer to his favorite dream. And Bonds, increasing in value every six months, are a reminder of your thoughtfulness long after other gifts are forgotten.

Savings Bonds now earn an average 3% annual interest, compounded semiannually, for as long as 19 years and 8 months. This means they will one day be worth as much as 80% more than you originally paid!

And Bonds, by strengthening the security of individual families, add to the security of America. For our nation's strength is the strength of one home joined with that of many others.

This Christmas give the present with a future. Give U. S. Savings Bonds.

Give the gift of security... with United States Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

State Capitol NEWS

By VERN SANFORD
Texas Press Association
AUSTIN — U. S. Senator Price Daniel may be a Democratic candidate for Governor of Texas in 1956.

The junior senator, with still four years to serve, said he might consider the move under certain conditions.

He had been mentioned as a possible successor to Governor Allan Shivers by Texas Democrats wishing to continue the conservative brand of government.

Daniel stated that he knew nothing about any organized movement on his behalf toward the governorship.

However, he set the wheels of speculation rolling by adding:

"There could be some circumstances under which I would consider the matter... if a majority of those who helped elect me feel I can do the state more service by running for governor."

Daniel also said that he had rather live in Texas and send his children to Texas schools.

However, he stressed that he was enjoying his work and was not seeking a change.

If he resigns to enter the 1956 race, his Senate successor would be appointed by the governor.

Losing the Republican race for governor in Texas hasn't dampened GOP attempts to gain strength.

Party members hailed both losing candidate Tod R. Adams and victorious congressman Bruce Alger at their state committee meeting in Austin.

They said they would pick out a candidate for governor in the near future and there would be a "real attempt" toward taking the 1956 election.

Adams and Alger were praised for leading the party in an aggressive fight for Texas victories in the next national and state races.

C. Woodrow Laughlin is back in his old position as judge of the 79th District Court.

Ousted from the bench last March by the Supreme Court, he was elected again but still must face new disbarment proceedings by the State Bar Association in January.

Laughlin took the oath of office restoring him as judge and immediately hurried from Austin to South Texas.

State investigators arrested three men as probing continued into Veterans Land Program sales in South Texas.

Two Cuero notaries were charged with notarizing land titles without seeing sales participants sign their names.

A third man was released under bond but details of the charge were not made public.

Meanwhile the Senate Investigating Committee prepared for a December look into complaints that veterans found themselves owners of land without knowing of the sale or where the land was located.

Presently handling the investigation is the Attorney General's office, the state auditor's office, and the Department of Public Safety.

W. J. Murray, Sr., has withdrawn a special drilling application because his son, W. J. Murray, Jr., is a member of the Railroad Commission.

Application was made to the Commission by the senior Murray to allow him a spacing rule exception in drilling a new well in the North Glen Cove Field in Coleman County.

He said he withdrew the application after protests claimed the application would harm oil conservation in the field.

Murray, Sr., said he didn't want to do anything to harm his son, who is a strong backer of conservation.

Investigation powers of the State Liquor Board include that of inspecting pertinent "records," state Attorney General John Ben Shepperd ruled.

Shepperd said the board could command production of personal records and accounts of officers and stockholders of corporations holding a state liquor license or permit.

There is no immediate hope of adequate professional help for state mental institutions, the Texas Research League has warned.

In a report prepared for the Board of State Hospitals and Special Schools, the league said that 278 physicians are required for the state's six mental hospitals.

Only 102 have been certified by the Hospital Board, the report said.

League research also pointed out shortcomings in numbers of psychologists, registered nurses, and psychiatric specialists available for state mental work.

Why do industries come to Texas?

Texas Economic Advisory Commission asked the question of 230 manufacturers in a bid to find why industry was pouring into the state at a rapid pace.

Answers included: A better chance to serve customers of this area, less competition, special markets, adequate labor and transportation, and abundant resources and raw materials.

COLD—BUT PRETTY—In spite of brisk weather, three lovely Japanese dancing girls are shown rehearsing their terpsichore atop the roof of a building in Tokyo. These un-Oriental appearing beauties work in a local stage show and, cold weather or not, the show must go on.

Postal Regulations — From page one

package deal give the businessmen and other large users the easiest, most complete method of keeping completely up to date on postal information that they have ever had.

"The new publication is remarkable for its simplicity," he said. "Not only is it printed in easy-to-understand English, but it contains simple black and white illustrations on how to prepare material for mailing. The print is easy to understand, and is arranged in logical sections under bold-face headings."

"Not only are the regulations issued in new simplified form, but the rules themselves have been changed. A great deal of obsolete and conflicting material has been eliminated in the process."

The new booklet is so simple

that if the shipping clerk, for example, in a small business is ill or absent, other employees can get a ready understanding of the postal rules from the publication, Mr. Porter said.

The booklet is also an invaluable guide for the average householder. It shows, for example, how to package fragile materials for mailing; how to attach first-class letters to packages; how stamps of unwanted denominations that are unused may be exchanged for others of different values if desired. It also tells about many other matters of special interest to all mail users, he added.

Mail users who have inquiries about any special points in connection with the new publication may direct them to the Cisco Post Office. It should be emphasized, Postmaster Porter said, that the booklet represents the "final word" on all postal rules.

REF'S TARGET TOO—Peter Mueller, of Cologne, Germany, is the target for referee Petey Scalzo's warning finger at an arena in Brooklyn. Scalzo warned the ex-middleweight champion of Germany for "heeling" in the eighth round of his 10-round bout with unbeaten Gene Fullmer, of West Jordan, Utah. Mueller had trouble with Fullmer, who defeated him.

FAST WORK—Matt Botsford of Harvard leaps high to get off a pass before being brought down by Bryon Campbell of Yale during their game in Cambridge, Mass. Pass was incomplete but Harvard rallied in the last period to win 13-9. In on this play are John Phillips of Yale and Jerry Marsh, Harvard.

Texans Help Aid Needy Foreigners In CARE Packages

Residents of Texas have contributed \$1,457,246 of the \$165,000,000 worth of American aid contained in the 15,000,000 CARE packages distributed in 60 foreign countries during the past nine years.

Nationally, it's contributions placed Texas 15th among all U. S. states in terms of CARE support, with New York (\$26,356,411) first. Regionally, the Lone Star State was far ahead of its border neighbors, which ranked in the following order: Louisiana (\$398,385); Oklahoma (\$313,903); New Mex-

ico (\$164,008) and Arkansas (\$128,751).

Those figures are reported in a Ninth Anniversary booklet, "People to People," released by CARE headquarters, 660 First Avenue, New York City. A cover message by Executive Director Paul Comly French stresses that credit goes "to those who really earned it, the (American) people whose support made CARE'S achievement possible."

Starting with the first CARE food package deliveries in France soon after World War II, the booklet takes the agency through development of its newest "self-help" packages, whereby needy peoples and institutions in Europe, Asia, Africa and Latin America receive farm and industrial tools, educational and health supplies "to help them help them-

selves." Among its statistics: CARE has delivered abroad 31,680,000 lbs. of meat; 75,000,000 quarts of milk; 220,000 new books; \$2,000,000 in hospital equipment; \$135,000 worth of new plows, agricultural and hand tools.

Major current efforts described in the booklet include food and clothing relief packages for the 500,000 partition refugees in Vietnam and an "Armed Forces Matching Program" in Korea. Under the latter, CARE packages subscribed by the American public are released to U. S. Servicemen for distribution to the same needy Korean institutions and families they are helping.

A third major program, arranged too late for inclusion Mr. French pointed out, is the Christmas distribution of 18,000,000 pounds of U. S. agricultural sur-

pluses to needy families countries, via special 14-lb. food packages. Donors are to contribute 50c for each package delivered in their

In the year 2000, Easter Sunday will be on April 23.
