## The Gay Philosopher

By J. W. S.

ONE RESULT of the closing of the Gulf refinery out at wetwater, according to reliable reports reaching us, is that they're angling over some of their pipelines to handle the movement of oil products to West Texas. The Gulf company has four pipelines, including products lines, at cross this part of the country. In the vicinity of the highway north of Cisco — where the roads to Cisco, Eastland and Reckenridge split off — Gulf plans to build a loading out platform where trucks will pick up gasoline for distribution to some bulk agents. This, we understand, will necessitate the erection of several tanks, a loading platform and probably a small office.

Our informant believes this will drive several families into Cisco, which is a little nearer to the town than any other town. And if we should get ready to give them a warm welcome. Understand the project will be worked out very soon.

FROM HAWAII comes word that Master Sergeant Alfred B. McCorkle, son of Mrs. W. L. McCorkle of Nimrod, was at Pearl Harbor last November 5 to greet his wife, Barbara, and sons, Terry, Bruce and Stephen, when they arrived from the United States aboard the Navy Ship Aultman. Sgt. McCorkle, who is a member of the famed 25th Infantry Division, was re-deployed to await when the division was transferred from Korea last month. And his family went on to Honolulu to be with him until he completes his overseas tour.

NEXT TUESDAY, by the way, the anniversary of the bombing of Pearl Harbor, an event that opened World War II as far as the United States was concerned. Mr. Ed Huestis has acquired from Mr. T. G. Caudle a fine ferret-bull named WHR Mixer. The Dr. Jim Lawrence were weekend visitors in Fort Worth and Dallas. And Ralph Glenn went deer hunting again. Guess he wants plenty meat in the old smoke house this winter, seeing he has already bagged a turkey and a turkey. The Hal Savers were among those cheerleaders for SMU in the Cotton Bowl on Saturday.

BIRTHDAYS of Ciscoans, as listed in our book, this week include:  
Dec. 5 — W. C. McDaniel, Shirley Gail Isbell and Nettie Newton.  
Dec. 6 — Mrs. George Irvine.  
Dec. 7 — Ann Etta Brashear, Edwin E. Addy, III, and George Fee.  
Dec. 9 — Mrs. Myrtle Porter.  
Dec. 10 — Mrs. E. G. Pierce, Gizzie Taylor and E. L. Jackson.  
Dec. 11 — Mrs. Tommy Watson.

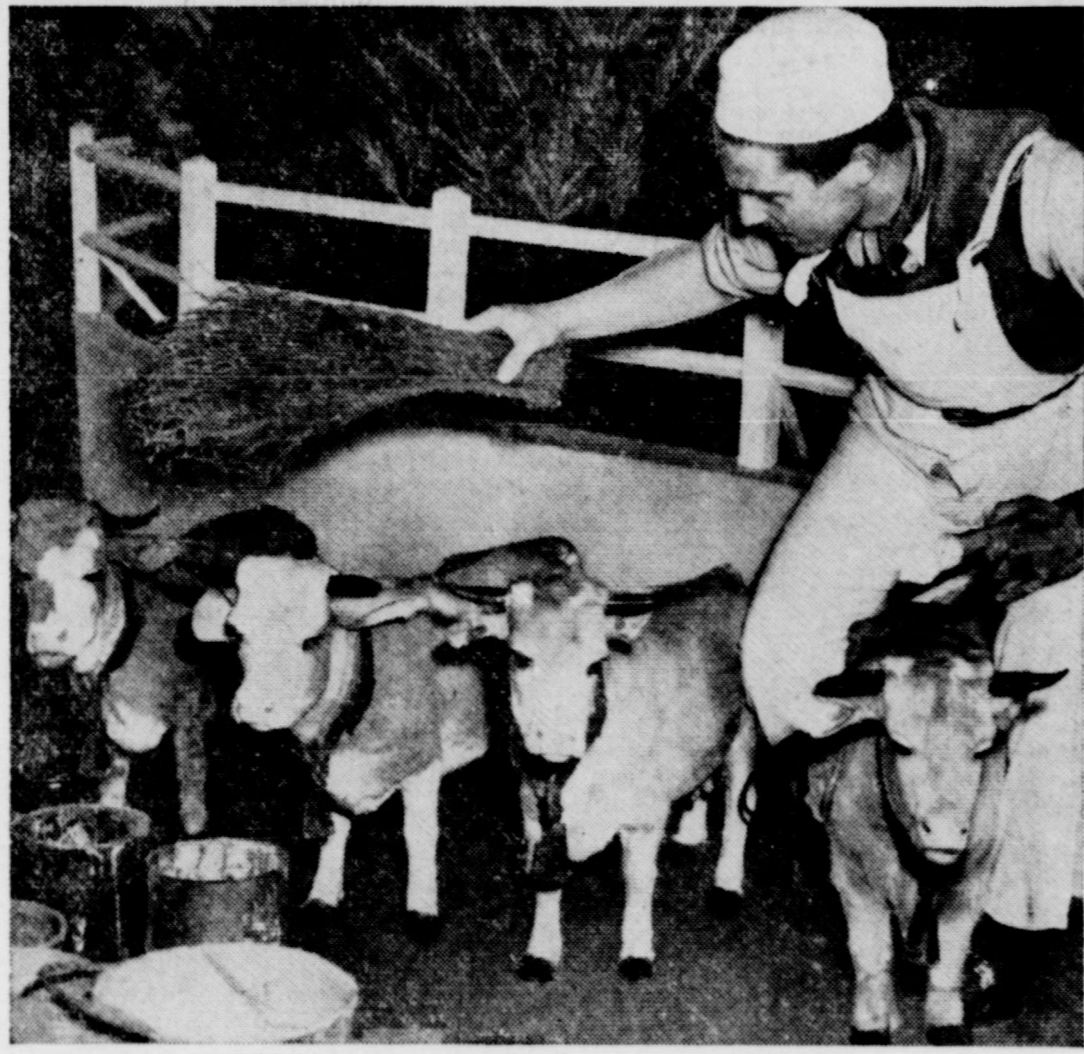

A NOTE FROM Mrs. George Biggerstaff, who does a fine job as our correspondent at Putnam, writes that her nephew, Mel Parley, of the army in Korea has acknowledged receipt of a picture of Pete the big snake. As you remember Pete is 18 feet long, and Mr. Parsley said Korean snakes are huge if they're two feet long. Pete's picture created a sensation among the natives. As per request, Mrs. Biggerstaff sent Parsley 100 all-day jockers and an equal amount of bubble gum, plus assorted other goodies, for distribution among the Korean youngsters at Christmas time.

Mrs. Biggerstaff will give his address to anybody who might want to send things for the Koreans. She is also going to repair broken toys for Christmas distribution at Putnam. She concluded with the report that she has a pair of white Belgian rabbits for sale cheap.

HAVE HEARD A lot of people "ohing" and "ahing" about the doll show over at Abilene, which ends this Sunday. Over 5,000 dolls are on display in a community project. They're in collections and projects and many are being shown individually. Contests are for antiques, moderns, foreign and other kinds of dolls.

And two of the eight judges for the show were Ciscoans — Mrs. Ray Chapman and Mrs. Shyborn.

THE COUNTRY Club members and guests enjoyed a family supper and game tournament Friday evening. One of the outstanding dishes of food was a platter of barbecued doves fixed by Mrs. (Turn to Page Four)

SHORT-ORDER CATTLE—These miniature cows are getting the brush-off for their appearance at a children's show in Paris. The real-looking animals on the small scale are made of papier-mache, but a lot of youngsters will expect them to really move about.

## Winning Pecans Will Be Entered In State Contest

Winning entries of different varieties at the annual Eastland County Pecan Show to be held at the Locker Plant in Cisco, Dec. 10-12, will be sent to A & M College for entry in the state pecan show, according to those arranging for the local show.

Several entries from the county won honors at the state show last year it was explained.

The Cisco Chamber of Commerce is sponsoring the affair for the second straight year.

Anyone growing pecans may enter them, it was explained. Each entry must have enough nuts to weigh at least a pound and they must have been grown by the person entering them and be grown in 1954. Growers, however, are limited to only one entry of each variety. For example, only one entry of Burketts or Mahans or natives may be entered.

About 15 different varieties of improved papershell pecans are expected to be entered. A grand champion as well as a reserve champion will be selected to be the judges.

All entries must be in by 9:30 a. m. on Dec. 11. Cash prizes will be awarded for the first and second entries in each variety. First place pays \$1.00 cash, second place pays \$.75, third place will be awarded a ribbon only. Pecans are to be judged on size, color, appearance, shell thickness, cracking and kernel quality and weight.

WORKMEN who are remodeling broken and discarded toys for use in area Christmas packages for the needy still need more toys, it was reported Saturday. Those who wish to contribute toys were asked to leave them at the Chamber of Commerce or at the Dick Thomas workshop on West 18th Street.

Three important dates that you will want to remember are December 10, 11, and 12. It is then that the Pecan Bake Show will be held in connection with the annual Eastland County Pecan Show. The event will be held in the Cisco Locker Plant.

All entries must be entered and in place by 11 a. m. on December 10, when they will be judged by trained home economist. Anyone from this county or from adjoining counties may enter. All entries must contain pecans and have the recipe attached.

The pecan products in the Bake Show will have five divisions with a requirement for each. They are pies — must enter one whole pie; cakes — must enter one whole cake; candy — must enter

at least six pieces; cookies — must enter at least six; and nut bread — must enter 1 whole loaf.

Each entry becomes the property of the bake show to be sold, and the proceeds will go to the Pleasant Hill Home Demonstration Club as sponsors. Score cards will be used to judge all entries in each division. Cash prizes and ribbons will be awarded according to the score. A grand prize will be given in the cake division.

The Pecan Bake Show is a new division being added to the Pecan Show this year. According to Minnie Mae Billingsley, Eastland County Home Demonstration Agent, it is hoped that a good number of women will display their cooking talents in this show. She added that the show is "not restricted to lady cooks." Men may also enter.

## LOBOES DROP CLOSE GAME TO COLEMAN; PLAY AGAIN TUESDAY

The Cisco Lobo cagers lost a heartbreaker to the strong Coleman quintet in Coleman Friday night when the Bluecats scored four points in the final 40 seconds to win 46-43.

The Lobos had one point lead with less than a minute to play when a foul gave the Bluecats two points and a chance to score a field goal.

The game was close all the way with Coleman enjoying a slight advantage until Cisco went ahead in the final period. The first quarter ended in a 10-10 stymie, and the half ended with Coleman in the lead 22-20. In the third quarter the Bluecats widened the lead to 34-28, but

in the final stanza the Lobos closed the gap and went ahead. The Bluecats had the advantage of height and team speed, but the Lobos took better advantage of free throws, and out hustled the Coleman quint. Cisco sank 16 of 23 gratis shots while Coleman made 12 of 24.

George Callarman took scoring honors for the Lobos, and was high point man of the game when he sank seven field goals and 10 free throws for 24 points. M. Powell of Coleman was high for his team, and second in game scoring with 13. Tommy Reynolds and Bill Smith of Cisco and McCulloch, Wilson and Norris of Coleman were tied for third in game scoring with six each.

In the "B" team game which preceded the Lobo-Bluecat game the Coleman team outscored Cisco 53-32. Cosson of Coleman took scoring honors with 11 points. Roger Lisenbee of Cisco and Hall of Coleman were tied for second place with 10 each.

Playing for Cisco in the "B" team game were Bobby Cluck, Lisenbee, Howard Hamilton, Levere Adams, Herbie Gallegos, Robert Fletcher and Lee Cheves. Tuesday night the Lobos go to De Leon for a return game with the Bearcats. The Lobos won over De Leon in the opening game at Community Gym on November 30. The teams will play two games in De Leon, with the "B" game scheduled for 7 p. m. Friday night they return to De Leon to enter the annual De Leon invitation tournament. They were originally scheduled to play Hamilton but the team dropped out and Pottsville was substituted. Game time has been set for 9:30 p. m.

According to custom, club members and their families gather on the first Sunday afternoon in December each year to decorate the Christmas tree and the ballroom for the season. The club is usually used by numerous individuals and organizations for their Christmas parties.

Decorations are usually in charge of the Ladies of the Club, assisted by the men. Those who attend were asked to bring sandwiches or cake to be served with coffee after the work is finished.

The annual club holiday ball has been scheduled for Thursday night, Dec. 30, with Ray Judia and his orchestra providing the music. Tickets will go on sale soon.

## Patrol Inspector Exams Are Slated

Patrol Inspector (Trainee) positions are still available in the Immigration and Naturalization Service, the U. S. Civil Service Commission announced. The entrance salary is \$3,795 a year and the jobs are located in cities and towns in the vicinity of the land and borders and certain coastal areas of the southwestern part of the United States.

To qualify, applicants must pass a written test and be in excellent physical condition.

Further information and application forms may be obtained from the Post Office of from the U. S. Civil Service Commission, Washington 25, D. C. Applications will be accepted by the Board of U. S. Civil Service Examiners, Immigration and Naturalization Service, 19th and East Capitol Streets, Washington 25, D. C., until further notice.

W. B. (Bill) Wright, local attorney, was elected as a member of the board of directors of the First National Bank at the regular monthly meeting Friday afternoon, President James P. McCracken announced.

A native of Cisco, Mr. Wright has been practicing law here since his graduation from the Southern Methodist University Law School several years ago. He is a veteran of World War II, is a director and finance officer of the Chamber of Commerce, and is serving as president of the Cisco Rotary Club. He is active in various civic affairs and in church work.

## W. B. Wright Is Elected Director 1st National Bank

Others on the bank's governing board are Mr. McCracken, Charles A. Spears, Dick Lauderdale, J. H. Reynolds, Betty Fee Drumwright, Bob Hammett, Don Choate and Dr. E. E. Addy, Jr.

The bank's stockholders are scheduled to hold their annual meeting later this month, Mr. McCracken said. He added that bank employees will hold their annual Christmas party on December 23.

The contest was close all the way, and the outcome was in doubt until the final whistle. Burnell Stevens of the Wranglers took scoring honors for the game. The Lamesa flash slipped the ball through the nets for 34 points. Burnie Woodruff scored 31 points for Weatherford.

In other games played Friday in the tourney, Howard County Junior College edged Ranger, 65-64; Tarleton State ousted the Hardin-Simmons Buttons, 66-63; and Arlington State out scored Decatur Baptist College, 64-53.

Saturday morning, the Wranglers won their consolation match over the Decatur Baptist College

team by a score of 58 to 45. As a result of the victory, they advanced to the consolation finals and were to play Ranger Junior College in the finals at 7:30 p. m. Saturday.

Burnell Stevens sank five field goals and 10 free tosses to take honors in the Decatur game. Howlett was high for Decatur with 11 points.

Playing in the two games for the Wranglers were Jim Hicks, Bob Lloyd, Byron Welborn, Norbet Van Dinter, Joe Ed Palmore, Don Slatton, Burnell Stevens, Richard Eddleman, Eddie Bennett, Diz Madison and Jack Wells.

This week, the Wranglers have three games. Monday night, they play Odessa Junior College three and Tuesday night the local team goes to Big Spring for a game with the Howard County Junior College. They play their first game at home Saturday when the ACC "B" team comes here.

Proceeds from the show will be used to help in purchasing packets for Midget lettermen. Admission prices have been set at 25 cents for adults and 10 cents for students.

Between 40 and 50 junior high students have already signed up to appear on the show and others were expected. Included in the group will be the Bostick twins, Ronnie and Robert, who appeared on the football banquet program. The mothers have invited Libera, who appeared in the Boosters Club minstrel, to appear as the guest star.

At the intermission during the show the group has planned a cake and pie auction. Mrs. M. P. Farnsworth, president of the Mothers Club, said that donations of cakes or pies from anyone in Cisco would be welcome.

SHE'S ALL RIGHT—Mrs. Annie Wilkins, 63, wearied of lonely farm life in West Minot, Me., and decided to try her luck in California. With admirable spirit, she packed her belongings, climbed aboard her horse, Tarzan, and set out for the west coast with her little dog, Hurry Up. With a bit of luck, this sturdy lady should make it and find a better life.

## WRANGLERS LOSE IN TOURNEY WILL PLAY 3 TILTS THIS WEEK

The Cisco Junior College basketball team lost their first game of the season and their first tilt in the Ranger Junior College tournament Friday night when the strong Weatherford Junior College quintet won by a 91-86 score in a game that went into an overtime period.

The contest was close all the way, and the outcome was in doubt until the final whistle. Burnell Stevens of the Wranglers took scoring honors for the game. The Lamesa flash slipped the ball through the nets for 34 points. Burnie Woodruff scored 31 points for Weatherford.

## Work Will Begin Early This Week

Construction work on a new 70x90 foot brick and tile building to be erected at the corner of East 10th Street and Avenue D will begin this week, according to an announcement by Charles S. Sandler of the Cisco Lumber and Supply Company.

The building is to be erected for lease to the Pipkin Piggly Wiggly Grocery Corporation, which operates some 15 stores in this section and in West Texas. The Pipkin company has headquarters in Eastland and has leased the building for a long period of time, Mr. Sandler said.

The building will be erected by workmen under the supervision of L. C. Davis of the Sandler Manufacturing Company. The new structure will be located on Avenue D just west of the Sandler Manufacturing Company building, now nearing completion.

The huge manufacturing plant building, where tanks of various kinds and sizes are built, has been lengthened twice since it was originally occupied early in January, 1954.

Mr. Sandler said the new building will be completed and turned over to the grocery concern about February 1, 1955. The Piggly Wiggly company has ordered complete fixtures for the store. The vacant space between the new building and the Charles S. Sandler Company will be prepared as a parking lot for the grocery firm and for the Sandler enterprises.

Materials for the new building are here or in transit, Mr. Sandler added.

Stadium Too Small! BUCKAROOS SHOW PLENTY REAL CLASS IN BI-DISTRICT VICTORY

By STAFF WRITER. Breckenridge advanced in the state Triple-A football competition Friday afternoon at Buck Stadium, beating a fine Garland team 20-7. The Buckaroos did it mainly by defense. Not that they didn't look good while carrying the ball, but they looked better while manning the line and determined Garland squad. Cisco's neighbor to the north will have to build a bigger and better stadium if they are going to have the size crowds who completely filled Buck Stadium for this important game. Standees at the south end of the field emphasized this need. The story of the game is simply told. Speed of Dick Carpenter, Clyde Harris and Jake Sandefer and deceptive ball handling by brilliant Bennett Watts, 150-up-man of the Breck split T attack, racked up the Buck scores, and the hard-charging, alert line, led by All-State Center Jerry Payne and 190-pound James Jones, stopped Garland when the chips were down. \$3,000 was a pretty high annual income back in 1937 when the Social Security Act first became effective, but prices and wages have climbed considerably in the past 17 years. That fact was one of several that led Congress to permit crediting of up to \$4,200 per year for Social Security purposes in the 1954 Amendments. In 1937, the average annual amount credited to persons cov-

ered by Social Security was less than \$1,000. In 1953, that average was nearing the \$3,000 mark, and \$3,600 was the most that could appear for a year on any one record. By raising the top allowable figure to \$4,200, it was also possible to increase the top limit for an individual retirement benefit from the present \$98.50 to \$108.50 for persons retiring after next year with an average of \$4,200 per year after 1954. This wage or self-employment income base on which Social Security benefits can be figured will also serve to increase amounts payable to survivors of deceased insured persons. After 1955, such survivors might have their amounts figured as percentages of \$108.50 instead of the present \$98.50 amount. The condensed table below shows how selected average monthly wage amounts become Social Security benefit amounts under the 1954 Amendments, both for now and for after 1955:

Table with 5 columns: Average monthly wage, Workers monthly benefit, Worker and wife, Widow child, etc., and Widow and 2 children. Rows show wage levels from \$45 to \$350 and corresponding benefits.

Famous Trichologist Will demonstrate how to grow thicker hair . . . and guarantees it! Demonstration to Be Held Here

This new method of home treatment for saving and growing thicker hair will be demonstrated in Cisco, Texas, Thursday ONLY, December 9. These private individual demonstrations will be held in the Victor Hotel on Thursday ONLY, December 9, 12 noon to 9 p. m. There is no charge for this examination and no appointment is necessary. After the examination the person is told the required length of treatment and how much it will cost. After starting treatment, the person makes regular reports to the Keele firm in Oklahoma City to check the progress of the home treatment.

OKLAHOMA CITY, Nov. 26.—In an interview here today, Mr. Keele, internationally famous trichologist and president of the Keele Hair and Scalp Specialists, Inc., said: "There are 18 different scalp disorders that cause most men and women to lose hair. Using common sense, a person must realize no one tonic or so-called cure all could correct all the disorders," he explained. "This Keele firm, recognizing that most people are skeptical of claims that hair can be grown on balding heads offer a guarantee," Keele said. "Once a person avails themselves of the Keele treatment his skepticism immediately disappears. To insure this, we offer this guarantee. If you are not completely satisfied with your hair progress at the end of 30 days your money will be returned. Hopeless Cases Discouraged. First the trichologist is quick to tell hopeless cases that they cannot be helped. But the 'hopeless' cases are few. Only if a man is completely, shiny bald is he in this lost category. If there is fuzz, no matter how light, thin, or colorless, the Keele treatment can perform wonders. A complete, private examination is given by a trichologist to determine the condition of his scalp and cause for his hair troubles. Free Examinations. This examination is very thorough and highly technical, it requires 20 to 30 minutes. There

AND NEWS OF INTEREST TO WOMEN

## Margie Cook Becomes Bride Of Bob Barker In Friday Evening Ceremony

A reception was held following the ceremony at the Wilson home. Members of the house party included Mrs. Richard Turknett, Sandra Turknett, Neva Reddick and Sue Stephenson.

As the couple left on a short wedding trip to Mexico, the bride was wearing a chocolate brown faille suit with white accessories and a white carnation corsage. On their return they will be at home at 612 West 4th St. in Cisco.

Mrs. Barker is a graduate of Cisco High School and is attending Cisco Junior College. Mr. Barker is a graduate of Cisco High School and is employed by the U. S. Post Office in Cisco.

Among the approximately 50 friends and relatives attending were Mrs. J. E. Foy, great grandmother of the bride; Mr. and Mrs. S. L. Cook, grand parents of the bride; Mr. and Mrs. C. A. Barker, parents of the groom; Mrs. J. C. Butcher and daughter, Fort Worth; Mrs. Joyce Turner, Dallas; Miss Gloria Bassie, Fort Worth; and Mr. and Mrs. L. A. Lenz and family. Mrs. Lenz is a sister of the groom.

The newly elected officers of the Ladies of the Cisco Country Club will be in charge as the group holds its December luncheon at 12 o'clock noon on Wednesday, Dec. 8, at the club. Reservations for the event are to be made by noon Monday by calling Mrs. Ralph Glenn.

Hostesses for the occasion are Mesdames Paul Woods, Alex Spears, Aaron Robinson, Ralph Glenn, J. J. Callaway, F. E. Harrell and J. P. Mitcham, all of Cisco, and Mrs. W. E. Chaney of Eastland. Christmas decorations will be used in the club house.

New officers were elected during a business meeting at the club's family night party Friday night. They are: Mrs. Paul Woods, president; Mrs. Ralph Glenn, vice president; and Mrs. Aaron Robinson, secretary and treasurer.

The retiring officers are Mrs. Karl Armstrong, president, and Mrs. Jack Anderson, vice president. Mrs. Robinson was re-elected to her post.

Members were urged to attend, if they desire, to invite guests. Bridge will be played following the luncheon.

## Country Club Ladies Plan Xmas Luncheon

The First Industrial Arts Club met Thursday afternoon at the Club House for their regular meeting and a tea with Mrs. Ed Aycock and Mrs. W. V. Gardenhire serving as hostesses.

Mrs. M. F. Underwood poured tea during the tea hour and Mrs. E. L. Jackson presided over the business which followed. The meeting opened with the club collect and roll call was answered with federation news. An announcement of the Christmas party, to be held at the home of Mr. and Mrs. S. H. Nance on Dec. 16, was made and members were asked to bring gifts for the Wichita Falls mental hospital to this party.

Mrs. Jackson then turned the meeting to Mrs. Raby Miller, program leader, who introduced Mrs. Hart Shoemaker, president of 6th District of Texas Federated Women's Clubs. Mrs. Shoemaker spoke to the group on "Holding the Strings."

In her talk, Mrs. Shoemaker pointed out that "we are living in the greatest age in history and it is a privilege to work with women all over the world who share a common interest in the worthwhile endeavors of today.

## District President Speaks At Industrial Arts Club Meeting

"In federation, we grow in knowledge and understanding to such an extent that we can cast aside the non-essentials and embroider into our lines patterns that point to uplifting things. Federation was organized for education and service and these are still our watchwords. When the responsibility is ours we are holding the strings.

"Club women must be strong and in cooperation combat the apathy that we are facing today. Our youth is our responsibility and we must work to make them strong and self-reliant. Parents must give them the proper ethical and moral ideals."

Mrs. Shoemaker stated that parents must have time for their children, listen to their problems, their joys, their griefs and their anxieties.

"Our responsibility begins at home," she said. "In federation, home is your club and each individual club member is an integral part of that home."

Jack Chambliss, director of music at Cisco Junior College, presented his Madrigal Singers who furnished the musical part of the program. The group sang several numbers, closing with "The Lord Bless You and Keep You," by Peter Lutkin.

## Girl Scout Troop 2 Has Regular Meeting

Girl Scout Troop Two met Tuesday, November 30, at the Locker Plant for their weekly meeting.

Ann Choate collected the dues and Cathy Rodden read the minutes of the previous meeting and called the roll. Games were played and nibbles served by Judy Reynolds and Pricilla Mahaney after which the meeting was adjourned by the leader, Mrs. Don Choate.

Those attending were Marguerite Leard, Nevia Burnam, Mary Starr, Melba Hamilton, Linda Latham, Dona Byrd, Judy Reynolds, Pricilla Mahaney, Carolyn Neely, Billie Jean Moates, Roberta Mitchell, Sharon Rawson, Ann Choate, Kathy Rodden, and the leader Mrs. Choate.

**No other gas pedal gets action like this!**

**THIS** pedal does more than just feed gas to an eager and high-powered V8 engine.

When you give it the extra nudge that moves it beyond the full throttle position, something happens that never happened before in an automobile.

You hear a businesslike purr, which tells you that twenty power vanes, deep inside the 1955 Dynaflo Drive,\* have changed their pitch—just like the variable pitch propellers on a modern air liner.

And with the same result in the way you get-up-and-go, with a safety-surge of power for pulling out of a tight spot on the highway.

Words can't describe it. It's a new sensation—something you simply must try for yourself.

There's nothing like it on the 1955 new-car horizon.

Fact is, there's a whale of a lot to see and sample at your Buick dealer's.

There's fresh new styling. There's higher horsepower in every Buick V8 engine. There's a new Airpower carburetor. And

beneath it all there's good old-fashioned integrity in every nut, bolt and rivet.

But, this year, don't simply make a visit to the showroom where these trim and thrilling new beauties are on display.

The smart thing to do—if you want to know what's what in new automobiles—is to get behind the wheel of a 1955 Buick and drive it. How about doing that soon?

### Book Tells Story Of TB; Seal Sale Begins In Texas

AUSTIN, Dec. 4. — Lois Parker made a serious mistake about TB. When her doctor first told her she had tuberculosis, she refused to believe him. She was just beginning to cut her niche in the business world and the idea of going to the hospital for months, possibly years, seemed preposterous.

Lois Parker died at 37 in a Colorado sanatorium last month — just two weeks before her book, "The Calcified Cliffs," was published.

In a sketch of her life written for the book jacket, she says, "I wrote this book in the hope of keeping other patients from making the same mistake I did."

She found all kinds of excuses for not staying in the hospital. She was in and out several times — in emergencies. Her disease steadily worsened and finally she had no choice. She went to the hospital to stay, but she had waited too long.

During six years in bed she taught herself to write and sketch. Several of her stories were published by national magazines and finally she combined her talents in "The Calcified Cliffs." She called it a "story for TB patients and others with a sense of humor."

But Lois Parker didn't live to see the book in published form. As she explained it, "I simply didn't understand tuberculosis."

In Austin, Miss Pansy Nichols, executive director of the Texas Tuberculosis Association, who does understand tuberculosis, received copies of the book today.

She said it will be made available to TB patients throughout Texas by the TTA and its affiliated associations.

"Perhaps," Miss Nichols said, "it will help other patients understand tuberculosis. We believe it will keep some of them from making the same mistake Lois Parker did."

### Bobwhite Quail Hatchery To Be Opened In State

AUSTIN, Dec. 4.—Experiments to determine whether a bobwhite quail hatchery can be successfully blended into wildlife restoration projects will begin next year, according to the Assistant Executive Secretary of the Game and Fish Commission.

He said negotiations are underway to buy a hatchery site near Tyler in East Texas with indication now that actual nesting operations may begin by early spring.

The Commission, by proposal of Commissioner Frank Wood of Wichita Falls, authorized an expenditure of up to \$75,000 for the hatchery experiment.

The Assistant Executive Secretary said the site under consideration comprises slightly over eighty acres, and added that George Stodhill, A. & M. trained with long experience in the poultry business, has been retained to manage the undertaking.

Native birds will be used exclusively in the hatchery program and present plans, according to the Assistant Executive Secretary, are to use quail from the different areas to restock birds in those areas. Thus, native birds from East Texas would be segregated for restocking East Texas.

The birds when ready for release will be distributed at cost through sportsmen's groups, 4-H clubs, Future Farmers units and other such organizations.

One proposal has been made to make the state hatchery reared birds available to private hatcheries at the cost as a means of expanding the program of propagating native quail.

The Commission hopes the hatchery will generally stimulate habitat improvement as a means of restoring bobwhite quail.

### Vets Questions And Answers

Q — I am planning to go to school under the Korean Bill. Could I count my parents as dependents for GI allowance purposes?

A — You could include your parents as dependents only if they are in fact dependent on you.

Q — I am being retired from active service because I have a service - connected disability. What would my deadline be for getting the special GI insurance for disabled Korean veterans—one year from my retirement, or one year from the date VA adjudicated my disability as service-connected?

A — You would have one year from the date VA deter-

mines your disability is service-connected.

Q — Could I take on-the-job training under the Korean GI Bill in a silversmith shop in England?

A — No. Under the law, the only type of Korean GI training you could take outside the United States is college training in a VA-approved course.
