Another something new has been added in this week's issue of The Star—an editorial page.

We hope you will enjoy reading this addition to our paper. On this page you will find a weekly cartoon, locally written editorials and columns, and something which we find interesting to write—"It Seems Only Yesterday."

"Yesterday" is a column which we will take each week out of the old files of The Star. This week you will find excerpts from issues back in 1925 and 1933.

Uncle John White edited The Star during those days and we have taken the news exactly as it was printed in the old issues. We found them extremely interesting and hope you will also.

In addition we will have clippings from other newspapers and magazines which we hope will be of interest to our readers.

Let us know what you think of our "newest addition." Your comments will be appreciated.

Who says TV is modern and up-to-date?

One night last week we came home and watched a late show on TV. The show was entitled "Storm at Daybreak."

We could tell it was an oldie, but we didn't realize just how old the film was until we sat down to write this week's copy for "Yesterday." There under an advertisement for The Star Theatre back in 1933 was this notice:

"Showing Sunday and Monday—Storm at Daybreak, starring Kay Frances, Walter Huston, Nils Astor and Phillip Holmes."

Little things like this make a fellow wonder if we in this so-called modern age have anything at all on Mom and Pop!

Friday's football game at Amherst was the source of all sorts of speculations, including how much trouble the Chiefs will have when they meet the teams in their new district, their improvement in blocking, tackling and ball-handling and even which way does the football field at Amherst run.

Saturday night Frank Truitt, Andy Hurst, Ralph Roden, Tom Jarboe and several others got into a discussion as to which direction the field ran.

Some said the field ran north and south and others said east to west.

Finally to settle the argument, Roden got on the phone and called an operator in Amherst.

Much to everyone's disgust this operator didn't help as she says the field was there, but as to the directions, well, she just wasn't sure.

Needless to say the discussion ended in a stalemate, with neither side convinced as to just who was right in the subject.

Friday afternoon the Lions Club's committee on jail handling whipped out and installed the iron calaboose on Main Street in downtown Friona for the convenience of those un-bearded people who walk around town without a Shave Permit.

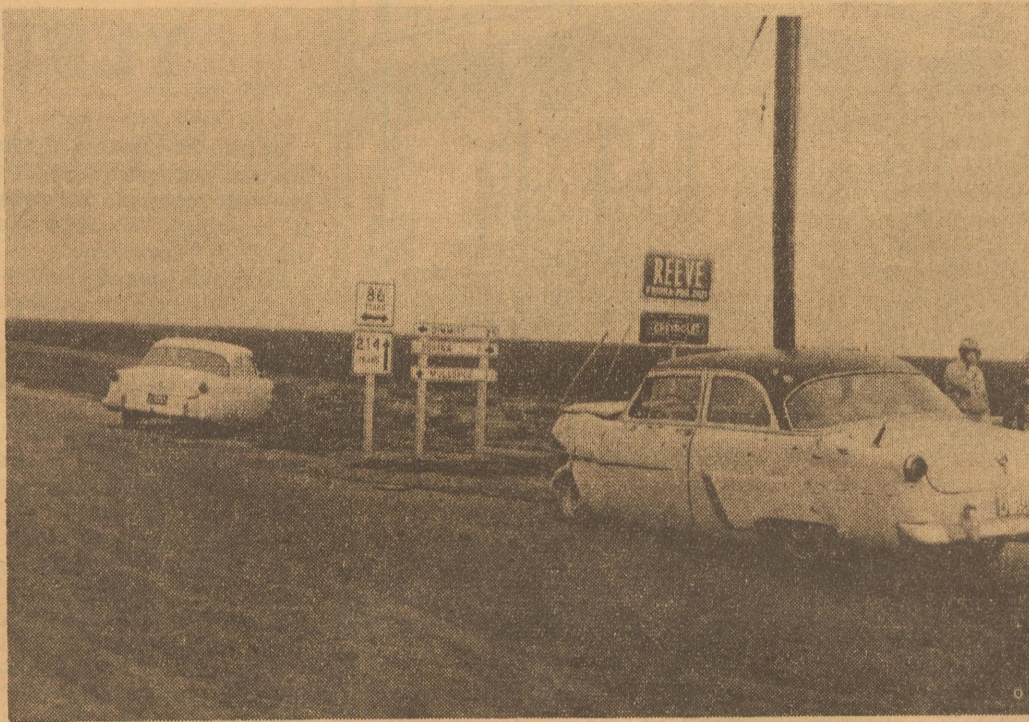

Several "innocent" bystanders were whisked off to the jug Saturday morning, including yours truly.

Our cellmate was none other than County Agent Joe Jones who maintained he should have been exempt from such goings-on. After a half-hour of "rest" both of us were released from our room on the street.

We noticed that our Bovina friend, Leland Boyd, also got into the act Saturday afternoon. As to how long he was confined, we don't know. We hope nobody gets their feelings hurt over this horse-play for the Shave Permits go for a worthy cause—buying the meat and trimmings for the giant Bar-B-Q Friday afternoon of Maize Days. So—get your Shave Permit today and help the cause of Maize Days.

Saturday just wasn't our day!

Hub's Death Corner Site of Crash Monday

Hub's "Death Corner," the intersection of Highways 84 and 214, was the scene of a grinding crash again Monday morning about 7:30, but fortunately this time there were no deaths.

Two Ford automobiles collided in the intersection and brought nearby people running to the scene.

A 1954 Ford driven by Serafina Leal, 16, of Route 1, Bovina, was headed west on Highway 84 and was struck on the right front by a 1952 Ford driven by Wendel F. Jeter, 19, of Route 1, Dill City, Okla.

Leal told investigating of-

ficer Kenneth Maxwell of the Texas Highway Patrol, that he stopped for the stop sign, and didn't see anyone coming then proceeded across 214 when he was struck by Jeter. Jeter, who had the right of way on 214, slammed on his brakes, but couldn't stop in time and crashed into Leal's auto.

The intersection was the scene of Parmer County's worst highway wreck only three weeks ago when a Pontiac carrying six persons crashed into the side of a loaded wheat truck and killed all the persons in the car.

Leal was charged with driv-

ing without a driver's license, and failure to yield right-of-way.

Both cars were total wrecks.

PC POLIO CHAPTER HAS REGULAR MEET

Four members and two guests were present at a regular meeting of Parmer County Polio Chapter Tuesday night at Bovina Restaurant.

Oliver Keown Jr., state representative for this district, met with the group. Bills owed by the chapter were voted to be paid. Members attending were Mr. and Mrs. Raymond Euler, Mrs. Joe Jesko and Hugh Moseley. Mrs. Ben Koelzer and Keown were visitors.

Next meeting of the chapter will be November 18 at Bovina Restaurant.

Escapes Serious Injury Sunday

Barry Maynard, three-year-old son of Mr. and Mrs. Jerry Maynard of Route 2, Friona, escaped serious injury Sunday afternoon when he ran into the side of an auto on Cleveland Street in Friona.

The youngster was playing chase with several little friends at the time of the accident. He darted into the street and bounced into the side of a 1956 Ford driven by Jim Roy Clements of Friona.

Young Maynard was rushed to Parmer County Community Hospital and was treated for bruises and cuts and was released after an examination. Witnesses exonerated young Clements, saying the boy ran into the side of the car and there wasn't anything the driver could have done to avoid the accident.

Asks For Work For Young Boys

Baker Duggins, student counselor at Friona Schools, is making an appeal this week to businesses and individuals who might have part-time work openings.

"We have several young boys who need to work very hard, and we would like to be able to get them work on Saturdays and after school on weekdays," he says.

Persons who might consider hiring one or more of the boys are asked to telephone Duggins. The school office phone number is 3571. Duggins can be reached at home after hours, 2681.

Russell Rentfrow Joins Friona PD

Russell Rentfrow, 28, formerly of Hereford, has been named as night patrolman replacing Ed Dukes of Friona who has been ill the last few weeks after suffering a heart attack.

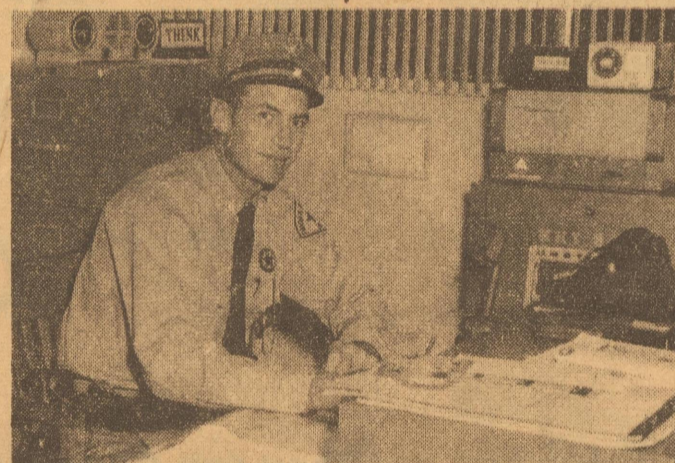

Rentfrow is married, and he and his wife, Geraldine, are making their home in the Lovelace apartment on North Main Street in Friona.

The tall patrolman comes highly recommended from previous work in California, according to Chief Moorman.

A veteran policeman, Rentfrow worked in Holtville and Salinas, Calif., for several years as a patrolman.

A native of Phoenix, Ariz., he served during World War II in the 2nd Division.

Rentfrow assumed his duties in Friona Monday night.

RUSSELL RENTFROW---Friona's new night patrolman, Russell Rentfrow, assumed his duties Monday night of this week. Rentfrow is an experienced officer, having worked in California for a number of years before moving back to Texas.

AT FRIONA HIGH

Jacquelyn Magness SFC President

Jacquelyn Magness was elected president of the Student Faculty Congress for the school year at Friona High School in voting Wednesday morning.

Owen Houston was the other candidate in the race for president of the governing body of the high school. In the same election, Nancy Outland was elected vice-president of the organization beating out Owen Houston in the morning election.

Class officers have been elected this week at the school and each class has chosen their sponsors and representatives for the SFC.

Dale Smith was elected president of the 1959 senior class at FHS. Other officers elected by this year's seniors include Jim Roy Clements, vice-president; LaVon Fleming, secretary; and Janice Bock, treasurer.

SFC representatives from the senior class are Raye Jene Jones, Chauncy Woody,

LaVon Fleming and Pat Cranfill.

Sponsors of the class are Mrs. Carmaleet Truitt, Dempsey Watkins, and Earl Smith. Room parents are the Hank Outlands, Ralph Rodens, and Bill Baxters.

Adelle Smith was elected president of the junior class. Other junior officers include Jackie Height, vice-president; Alice Gordon, secretary; and Judy Smith, treasurer.

SFC representatives from the junior class include Gary Goetz, Ronnie Wood, Judy Smith, Gerald Daniel, Charles McKenzie and Lawana Houlette (alternate).

Class sponsors for the juniors are C. R. Brown, Tacy Smith, and Miss Joeddie Scott.

Bobby Sanders is the president of this year's sophomore class. His slate of officers are Tommy Barker, vice-president; Jackie Oldham, secretary; and LaVerne Mabry, treasurer.

SFC representatives from

the sophomore class include Kitty Black, Kay Struve, Jerry Rankin, Jacky Oldham, Charles Jones and Gayle Knight (alternate).

Sophomore class sponsors are Mrs. Dorothy Rowlette and Dick Bentz.

E. C. Wilson was named president of the freshman class. Other freshman officers are Pete Carter, vice-president; Maynard Green, secretary; and Janet Smith, treasurer.

SFC representatives from the freshman class include Mary Ann Boggess, Jimette McLean, Reggie Hays, Judy Bock, Charles Bass, and Floyd Reeve.

High school favorites will be decided this week. Candidates for this honor include Gene Pope and Raye Jene Jones from the senior class, Kenneth Carter and Sue Baxter from the junior class, and Celia Weatherly and Jerry Rankin from the sophomore class.

Chiefs Massacre Cats For Second Win, 50-6

Despite Amherst's Jerry Gee returning the opening kickoff for 80 yards and a touchdown, the Friona Chiefs blasted back to take their second game of the season by a wide margin of 50-6 Friday night at Amherst.

Gee, a 155-pound halfback, took a handoff on Jon Mack Roden's kick around the 20-yard line deep in Amherst territory.

Dashing through the entire Chief line, he got to the sideline and breezed 80 yards to paydirt.

This apparently only aroused the Chiefs who marched right back upon receiving the kickoff. Opening a drive which originated on their own 39, in six plays they sent Bomar Stacy over the double stripe from the Amherst 21-yard

line to tie up the ball game.

Gary Brooks, fleet-footed halfback for the Chiefs, scampered around for the two extra points and from this point on the Chiefs were never threatened seriously again.

Eight plays later the Bulldogs punted to Friona and the Chiefs took over on their own 30.

The first play, J. W. Baxter jammed his way over right guard, twisted loose from one would-be tackler, stiff-armed another and headed for the sideline and paydirt.

Stacy slammed across for the extra points to make the score 16-6 midway in the first quarter.

Roden put his foot into the ball and blasted it down to Amherst's 10 where it was fumbled and rolled back into

the end zone. Gee picked up the ball and returned it to the five.

After two tries to advance the ball out of danger the Bulldogs were held to no gain and forced to punt.

Gary Goetz picked the pigskin out of the air on the Amherst 40 and returned it to the 13 before being dragged down.

Stacy lugged the ball twice, advancing the ball to the two, then Gary Brooks dashed around end for a TD.

Try for extra points was no good and the score remained 22-6.

Bulldogs took Roden's kick on the 20 and on the first play Gee's pass to Long was intercepted by Ronnie Castleberry.

(Continued on page 7.)

AND HE'S OVER FOR A TD!--Bomar Stacy, number 20, takes the pigskin over for a touchdown during the Friday night clash between the Friona Chiefs and the Amherst Bulldogs. Friona went on to win the game 50-6 in the non-district tilt.

THE FRIONA STAR

THE STAR'S EDITORIAL COMMENT

Some Thoughts On "Child's Play"

We've heard considerable comment from several folks around town regarding the so-called "child's play" of Shave Permits and Maize Days in general.

First, we would like to point out that usually the one who does all the grumbling usually is the one who is first to cast a stone to veto any subject at all which comes along.

Overheard in cafe conversation was the talk to this effect--"I'm not going to buy a shave permit nor will I take a throwing into that tin jail down on Main Street." Well, this is okay. This is a person's right. But what does make our blood boil is not that a person has this right to his, or her, own opinion--but then after bragging about what they are, or aren't going to do, then we'll just bet that these same people will be about the first in line Friday afternoon when the free barbecue is being served.

We realize it takes all kinds of folks to make up this mixed-up world. But the folks behind Maize Days are convinced that such a project is good for the town.

Sure, it is a lot of trouble. But what isn't a lot of trouble that is worthwhile?

A person, or a town, seldom gets anything for nothing. And, if and when you do, well, then it is seldom it is appreciated.

We aren't asking everyone to grow a beard, for then there wouldn't be any Shave Permits sold at all. And when you get down to it this is where the money comes from that pays for the barbecue.

Free barbecue, we might add. And, if you have been to the grocery store lately you know that good meat isn't given away.

Let us look a little farther.

A town is no better than those who live in it.

Personally, we are pretty well sold on Friona. Both as a town and as a town with some pretty good folks in it.

We believe that most of the folks in town, and in the surrounding territory, are interested in this area growing and progressing.

An event like Maize Days is appreciated by more people than those who don't like it, else we wouldn't have it each year.

We're not asking that everyone get out and work like a Trojan. This would be great, but we know it won't happen. But, we are saying that if you don't care to participate in what is happening, well then, don't just stand around and gripe and then be found at the head of the line when the eats are handed out.

People like this are like our nation. They scream about states' rights and all that, but when Uncle Sam gets ready to hand out anything, they want to be sure to get their "share" or let out a scream like a scalded dog.

If we'd all pull together for our common good we could go a long way down the road to a bigger and better Friona.

man in college, the Dicksons have a son, Richard, who is a first grader, and a daughter, Deann, who is four. It seems that Deann came up with the cleverest idea about how her mother would react to having all her children in school.

In discussing the subject, someone asked the question, "What are you going to do when Deann starts to school?" Before any of the grown-ups had time to think of a suitable answer, Deann came up with "I know. She'll have some peace and quiet."

Those of us who didn't attend the football game at Amherst Friday evening must have missed a treat. Doubt that there has ever been more rehashing of a game than on Saturday morning. Everyone you

THE BOY WHO WAS LATE CALLING ON THE NEW GIRL

WHAT OTHER PAPERS HAVE TO SAY

CLIPPED QUOTES

Thumbing through our exchange newspapers week after week we find some food for thought, or laughter, and in hopes it will add to your reading pleasure here goes--

Bill Cherry of the CANYON NEWS has this to say about new fathers and their problems:

Men, in general, have a fairly rough time when they become fathers. It's not a physical problem, or a psychological problem exactly. It's more that new fathers are sort of behind the eight-ball for a few days.

Even if they have nothing to do but tend to the needs and wants of the new mother, they can't seem to do everything right--something is bound to be wrong.

Therefore, we believe that most fathers will be sympathetic toward this story we have to tell. It concerns a man who became a father for the second time last Thursday.

Canyon High School Coach Bill Davis, like most coaches, has football for breakfast, lunch and supper, for dreams and nightmares, instead of sleep and while awake--and this lasts acutely all fall. He has a sort of glazed look about him from September to December, and sometimes we think his eyes change from round to football-shaped.

Mrs. Davis presented him with his second daughter Thursday. The girl, named Terri Ann, is a fine one, and Bill is proud.

But things were complicated for him. The first game of

the season was coming up Friday. His football eyes must have had a hard time focusing on Terri Ann, but apparently they did. He says he was able to take time off to be there when she was born, and visited a spell with Mrs. Davis.

The coach said he even remembered to send telegrams to relatives, and he thinks maybe that is fairly remarkable. But Friday and the football game came, and probably Terri Ann escaped his thoughts for a few hours.

Reach back in your memories, fathers, and feel for poor Bill. We can imagine he's in for a rough time. Congratulations, Mrs. Davis, and we wish the best of luck for you and Terri Ann.

From the pages of THE PUBLISHER'S AUXILIARY we snipped these jewels:

It goes without saying that the newspaper is a serious contribution to the American way of life.

But, on the lighter side, it also provides many an inadvertent belly laugh, especially in the classified advertisements. As an example, look at these recent slips that passed in the type in various sections of the country.

New York--Man wanted to work in dynamite factory. Must be willing to travel.

Illinois--Two furnished rooms. For adults only.

Nevada--To buy; used privy (four seater) in good condition. Suitable for conversion into residence for bachelor.

Missouri--House trailer, 15 foot, sleeps two. Perfect for bachelor.

Although it hasn't been officially announced yet, there will surely be a hoop contest sometime during Maize Days. Anyone who is interested in entering such a contest should do some serious practicing in the next week or 10 days. Such a contest should be a lot of fun.

From a check on the number of hoops that have been sold here, it seems that every family should have two or three, at least. Think the biggest thing in being able to "hoop" is being able to keep three going at the same time.

Since so many of the young people of the town have gone away to school for the first time, there are adjustments being made in many households. One family that feels keenly the absence of the oldest son is the Weldon Dickson family.

Cotton John will show "Tenderfoot in Europe," a brand new documentary film of his recent tour at the tenth annual Farm Bureau convention in the Hub Community Building Monday night, October 6.

Remember that it is the result of meetings like this that cotton acreages are not being drastically cut in 1959. Organized effort is a must if the farmer is to retain any freedom in the years coming up real soon.

Participation of the membership in local, district and state and national meetings is an absolute necessity if you are to have a voice in your future.

Reading that we recommend for giving you an understanding of what is taking place behind the scenes in fields that concern every American are first, The Holy Bible, which is the word of God, and American Mercury, which is a patriotic publication that reveals documentary, behind-the-scenes events, that will help you understand how unreasonable some things are that you may now wonder if they are unreasonable or not.

Nelson Tells Problems, Hopes of Grain Men

The Parmer County Grain Sorghum Producers Association met last Monday night at the Hub Community House. Bill Nelson, executive vice-president of the GSPA, was the principal speaker. Nelson spoke of the changing picture in milo production.

Nelson spoke of some of the accomplishments of the GSPA during 1958 and explained some of the work they hope to accomplish in 1959. Farmers will again be asked to deduct two pounds of grain per 1000 pounds produced to finance the work of the GSPA.

The USDA crops utilization laboratories will do research work this year for the first time on grain sorghum before but it is hoped many new uses for milo can be found. With the present support program and absence of acreage controls the milo farmers have proven we have adequate production for industrial use of milo.

Good Crowd For Field Day

A full house was on hand Saturday afternoon at the "pig parlor field day" sponsored jointly by Cummings Farm Store of Friona and the Ralston Purina Co.

Hillis Newman of the Newway Manufacturing Co. of Fremont, Neb., was the speaker at the meeting which began at the club house in Friona.

Bearing down on sanitation, Newman told farmers at the meeting that of the four practices which make a pig operation profitable sanitation is the most important.

He went on in detail to outline his own operation in Nebraska and answered numerous questions concerning his methods and practices of raising profitable hogs.

Following the talk at the club house, farmers toured two local pig parlor operations at Dub Anthony's farm north of Friona and Walt Mabry's at the Hub.

After a short refreshment break and questions and answers the field day adjourned.

T. O. Lesly Heads F U at Lazbuddie

T. O. Lesly was elected president of the Lazbuddie Farmers Union Local Thursday night. Serving with him for the coming year will be Freeman Davis, vice-president; and James Welch, secretary-treasurer.

Main speaker for the meeting, which was held in the Lazbuddie School cafeteria, was Charles Dettler of Plainview, Farmers Union field representative.

Dettler, who has been an American exchange student, showed films of his experiences while studying overseas.

Welch reported on legislative activities that Farmers Union has been interested in and which will affect area farmers.

There were about 45 present for the meeting. The Lazbuddie FU local now has 102 members, according to Wyle Bullock, insurance representative.

Don Watson, David Smith and Eugene Houston gave a detailed report on the Farmers Union camp they attended in August. Gene Phillips showed colored slides that were taken at the camp.

This year the Texas Junior Farmers Union met at a joint camp with the Oklahoma Junior Farmers Union at Turner Falls, Okla. It is hoped that

next year the Texas Juniors will be able to have a camp of their own. Authorities are now looking for a camp site. Officers that were elected for the Junior Union include Don Watson, president; Carol Redwine, vice-president; and David Smith, publicity. These officers will serve four months.

The purpose of a four-month term is to give more young people an opportunity to serve in positions of leadership.

Deeton was one of eight Farmers Exchange students. These students went to Europe and stayed for a year working on farms and living with farm families.

He lived with a family in Scotland and worked on their dairy farm. He had many experiences there and is bringing back much information about Scotland's farming and education system.

In February, exchange students will again be coming from different countries in Europe to the United States. These students will work on farms for approximately nine months.

The Lazbuddie group is hoping that it will be possible to get an exchange student to visit in their community during their stay in this country.

Note To Bargain Hunters

When hunting for Bargains & Values Look at Home First

No doubt you've heard of the treasure seeker who looked the world over to no avail, but returned home and learned that in his back yard there was an untouched vein of gold.

We'd like to compare that to automobile buying, because there are scores of people who over look value that is in their present car. Modern Ford automobiles have a surprising amount of transportation in them just like the models of past years. The secret to getting the transportation out of them is prompt attention to the mechanical parts that need occasional adjustment. That is one of our main services, making adjustments and repairs to your car's motor, driving mechanism, and body.

Of course, we have new Fords to sell, and you can rest assured that there is no finer value in a new car than a Ford. At the same time, we like to remind you that your present car plus workmanship with care can preserve the "carrying power" of your car longer.

THE PARMER FARMER

by W. H. Graham Jr.

Parmer County's fledgling vegetable business has been more haren-scarem this year than usual. Right at the moment things seem to be in a state of general confusion... nobody seems to know "nothin'."

We talked with Frank Seale of Farwell this week. Frank got into vegetables this year, raising, with his brother, Charles, about 30 acres. We have been checking with Frank periodically for around three months to find how he made out with his first try at vegetables.

Frank's experience seems to be typical. He harvested and marketed his onions many weeks ago, but still doesn't know if he made any money on them. He's still awaiting settlement on their selling.

Frank hauled them to El Paso and was told he might have to wait "maybe six weeks" to get his money. His wait has now stretched over 12 weeks and he still hasn't heard how he made out.

Money has been slow to come in to the Bovina cantaloupe growers, too. For a good part of the season, cantaloupes sold for over \$3 a crate--some quite a bit higher. But for weeks farmers have been in the dark about how they were making out individually.

Maybe it's just because we can't get used to this type of farming, but it seems to us that a farmer ought to have some idea of how many cantaloupes he makes an acre--how many make top grade and how many go into the cull pile, and--most important--how much money does he have coming and when will he get it.

It's keeping everything under wraps and cloaking the deals in mystery that keeps so many farmers scared of what will happen to them if they ever get into growing vegetables. And we can't say that we blame them.

Frank Seale is not soured on vegetable growing. He already knows that he will give

it another whirl next year. We also understand that the Bovina growers as a whole believe there are definite possibilities for their new-found ability to grow vegetables. This is a tribute to their ambition and perseverance in the face of such disillusioning circumstances.

Harry Harvey, Purina field man, was in Parmer County last week, helping beat the drums for feeding livestock and hogs.

Of course, Harry has a special interest in his efforts, since the more animals that farmers feed out, the better his business will become. However, Harry displays a touch of enthusiasm and confidence in his work that is above and beyond the call of duty.

His conviction that feeding in the Southwest is "the coming thing" is uncommonly sincere.

We've been through the arguments for cattle and hog feeding on the High Plains before, but with good cattle prices (for the moment at least) it wouldn't hurt to do a little re-hashing.

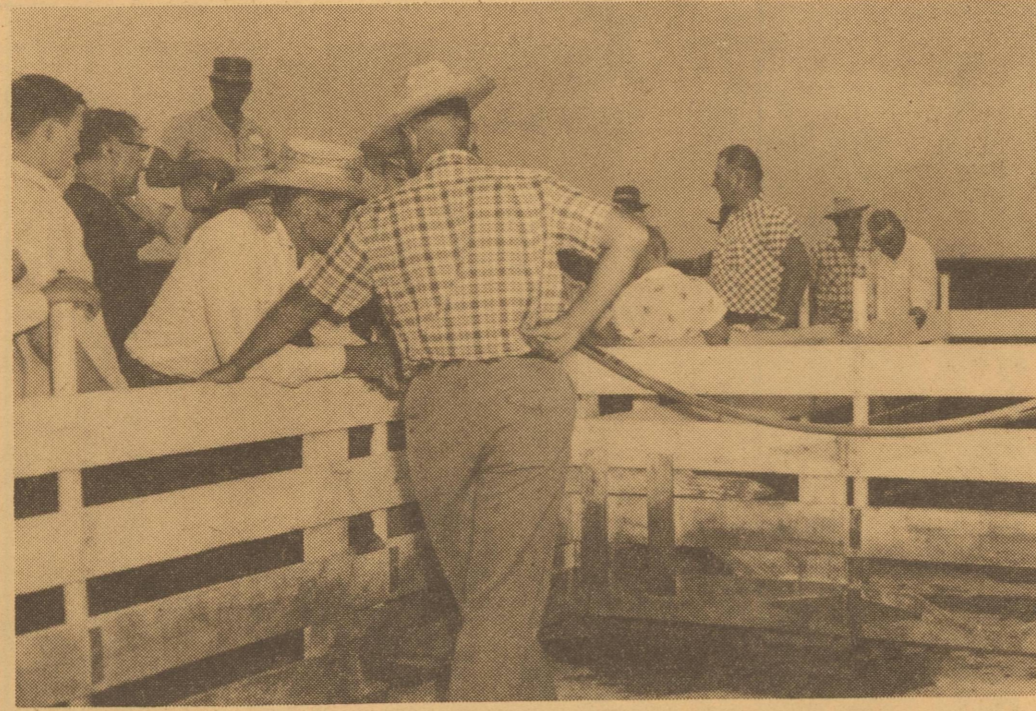

In the first place, the Southwest in general and the High Plains of the Southwest in particular has almost every natural asset to encourage this type farming that can be found in the Midwest--long the feeding center of the nation.

Farmers and ranchers of the High Plains now find themselves in the center of the most productive feed grain area on earth--and nearly all of this vital commodity is being exported elsewhere. What do you think happens to the milo once it leaves here? It's fed, of course.

So, High Plains farmer-stockmen find themselves with an important basic ingredient all around them in plenteous supply--something that will assure economical prices for feedstuffs.

Then, Plainsmen have an important natural climatic advantage, as compared with the Midwest feeder. Our winters are relatively mild and open. Stock do not need near the protection and attention on the Plains in the winter that is required in the Midwest.

Thirdly, the High Plains area is favorably located with respect to two very important population centers: The Gulf Coast and the West Coast. The California market is, ad-

mittedly, a good ways off, but we can cut the mileage in half compared with Midwest feeders. The populous Gulf, enjoying a long and continuing boom, is at our doorstep.

Fourth, we have excellent, yes, unexcelled, transportation systems that can send our beef, pork and poultry to market by truck or rail in little time.

Lastly, our country is still "new" and anything developed from scratch always has a chance to be better and more efficient than anything ever tried before. We have the room, and we have the cattle "know-how" of long standing.

Harry says the feeding revolution on the High Plains has been a long time in coming, but he figures it's the next and most logical step in our development of a diversified and dynamic agricultural economy.

Surely his convictions have some merit.

Ask thy purse what thou shouldst spend.

Since wheat planting time is here the technicians of the Soil Conservation Service are busy assisting farmers in laying out row directions to improve the application of irrigation water. Also, some farmers are filling low areas that pond irrigation water.

Dirt work to fill these areas is being done on several farms in the district. D. G. Hand asked for assistance to fill a low spot on his farm. Also, J. R. Ray, who farms the McFarland land, is doing some dirt work on a low area. The district's equipment is now working on the M. A. Black farm north of Friona.

If you have problems on how to irrigate your wheat, contact the SCS technicians in Friona and let them assist you in improving your water application.

If you are planning to plant vetch or winter peas, it should be done by October 15 and not later than October 31. Seeding rates for vetch are 8 to 10 pounds in rows or 15 to 20 pounds drilled, or if drilled with rye the rate should be 8 to 10 pounds of vetch with 15 to 25 pounds of rye. Seeding rate for winter peas should be 15 to 30 pounds.

Thirteen years of experimental work at Manhattan, Kans., indicate that dwarf grain sorghums are producing 11.8 bushels (26 percent) more in 20-inch rows than in 40-inch rows. Moisture evaporation losses are reduced due to shading, less wind movement and reduced temperatures.

Temperatures were consistently twenty degrees less in the 20-inch spacings than the 40-inch spacings when air temperature was above 100 degrees F. At the time of full head, the regular row-spacing gave 65 percent shade at noon. The narrow spacing gave 95 percent ground shade. --What's New in Crops and Soils--June-July, 1958.

en's street dresses and girls' school or sports dresses take a big share of the clothing dollars in most family budgets. Extension clothing specialists say these three items deserve special attention when you shop, because the many new fabrics, finishes, colors and styles make the job of selection pretty confusing.

Price is not necessarily a guide to quality. Specialists say it pays to look for a label that gives information on fiber content, care needed, color fastness, and shrinkage. A sales person whom you know well can give you much helpful information that will assure greater satisfaction and longer wear.

Buying guides and pointers on judging fabrics and finishes selecting suitable styles, sizes and colors, and information on labels have been prepared by extension clothing specialists.

THE HAPPY HOMEMAKER

BY JUNE FLOYD

At the present time there is a plentiful supply of carrots, onions, and cucumbers available at little or no cost. The following recipes should help any homemaker who needs some variety to her pickle supply.

Pickled Carrots
4 pounds small carrots
1 teaspoon salt
2 quarts water
1 1/2 cups vinegar
1 1/2 cups water
1 1/2 cups sugar
1/2 teaspoon whole cloves
1 medium lemon, thinly sliced
Wash and scrape carrots. Place in large kettle with salt and 2 quarts water. Cover and cook until tender. Drain, cut in even lengths and pack tightly in hot, sterilized jars.

Combine remaining ingredients, boil five minutes. Pour over carrots to within 1/8 inch to tops of jars; seal. Yields four pints.

Pickled Onions
4 cups tiny onions
1 sweet red pepper
1/2 cup pickling salt
4 cups boiling water
2 cups white vinegar
1/4 cup sugar
1 1/2 teaspoons white mustard seed,
1/8 teaspoon white peppercorns
Wash and peel onions. Wash, seed, and cut pepper in 1/4 inch strips. Combine onions and pepper in 4 quart glass or enamel bowl. Add salt to boiling water, stirring until salt is dissolved. Pour over onions and pepper. Cover. Let stand 24 hours.

Drain, cover with 1 cup cold water. Let stand 1 hour. Combine remaining ingredients in saucepan and boil one minute. Thoroughly drain onions and pepper; pack into hot, sterilized jars. Cover with boiling sirup to top of jars; seal. Yields 2 pints.

Dilled Pickled Beans
1 pound green beans
6 cups boiling water
3 1/2 teaspoons pickling salt
1 cup white vinegar
1 cup liquid from beans
Dill and garlic clove
Wash, string and drain beans. Place in large kettle with boiling water and 1 1/2 teaspoons pickling salt. Boil 20 minutes. Drain, saving 1 cup liquid.
Combine vinegar, bean liquid, and 2 teaspoons pickling salt in kettle. Bring to boil. Pack beans, bunch of dill, and garlic in hot, sterilized jars. Fill to top with hot vinegar mixture, seal. Yields 2 pints.

Most homemakers we know enjoy using contoured sheets but have difficulty folding them neatly for storing on shelves or in drawers.

This paragraph was copied from "Cotton in News and Pictures" which is published by the National Cotton Council at Memphis, Tenn.

Here's an easy way to fold contour sheets: Reverse the contoured fold along one side and tuck it underneath the opposite contoured edge, envelope style.

This decorating hint was also lifted from the same leaflet. "If you're redecorating a boy's room, choose sturdy blue jean denim bedspreads and matching cafe curtains. You'll find the bedroom sets natively trimmed in white and the spreads will take the same rough wear that has made cotton denim famous as a blue jean fabric."

Pound cakes are simple to make and have no leavening agent. To make this type cake, all you do is cream 1 pound butter well; add 2 1/4 cups sugar. Then add nine eggs, three at a time and blend after each addition. Then add 3 cups cake flour and 1 tablespoon vanilla. Bake in a pan or in layers, if desired.

Along the fair line too, is the Friona Maize Days celebration. The 4-H Council had a committee meeting in the Farm Bureau office Saturday, September 13, at 9:30 to plan the 4-H exhibit. Those present were Judy Billingsley and David Watkins of Farwell; Pat Chitwood, Dick Chitwood, of Lazbuddie, and Edwin Taylor of Friona. BIG CHANGE COMING FOR COTTON FARMERS

By W. H. GRAHAM JR.
The biggest change in the government's farm program since allotments were put in in 1953 (that affects cotton) will be felt in the Parmer County area next year, and the changes are sure to give rise to consternation, hope, confusion, elation, and perhaps some other emotions before farmers get all the angles figured out.

The much-talked "option" for cotton farmers has become a reality, and for next year they will be offered an individual choice between keeping the program they have been under for the past five years, or selecting an alternate plan that would enable them to plant 40 percent more cotton than their allotment, but would not assure them of as high a price.

Lots of possibilities are wrapped up in a new plan like this one, especially for a county like Parmer. This county might well be the leading county in cotton production in Texas as it had not been for the necessity of government controls which pruned acreage from over 100,000 to around 40,000 overnight.

Probably there is no area in the nation so full of farmers who would grow cotton if they only could. Continued low maize prices and the general instability of most other "optional" crops, plus the fact that Parmer County area growers can produce more cotton per acre than any other county on the Plains, helps explain the desire for an increase in cotton acreage.

Observers have speculated that if all controls were done away with that the cotton acreage would leap to from 200,000 to 250,000 acres in Parmer County in one year. (That guess is made on the basis of an assured price—admittedly conditions that exist only

SOMETHING WORTH FIGURING ON--This chart, prepared by Plains Cotton Growers, shows how the alternatives offered in next year's cotton program might affect an area grower. Notice that the average yield has been rounded off to a bale an acre. Also, in the case of Parmer County, the average allotments are around 40 acres—not 100. These differences will have important effects on how Parmer County area farmers figure their chances.

in fantasy.)
With these things as a background, one can readily understand why next year's change in the farm program for cotton farmers will be especially significant to growers of this area.

This change is a result of the Agricultural Act of 1958, and Secretary of Agriculture

Benson is authorized to increase upland allotments by 40 percent for farmers who choose the alternate or "choice B" program for the coming year. The 40 percent determination was made last week.

Marketing quotas have yet to be approved, and if they are not, the changes could be nullified. However, the nation's growers have never turned down the annual referendum yet, and the vote this year is expected to be a

more formality with such an important change coming up. So, when farmers renew their approval of marketing quotas, each will have the following choice in 1959:

A--He may grow his crop in compliance with his regular cotton allotment, in which case he will be eligible for the full level of price support for the crop (not less than 80 percent of parity for 1959), or:

B--He may increase his acreage by not more than 40 percent over his regular allotment and be eligible for support at a level which is 15 percent of parity less than Choice A.

For 1960, farmers will have a similar choice but the increase for Choice B farms has not been determined.

If any person operates more than one farm, he must elect the same choice for all his farms; he may not elect Choice A for one farm and Choice B for another.

For the 1959 crop, each farm operator will be informed to the Choice A and Choice B farm allotments applicable to his farm.

After 1960, farmers will receive their regular cotton acreage allotments, and price support will be available at levels determined by the secretary within specified limits (from 70 to 90 per cent of parity for 1961, and from 65 to 90 per cent of parity thereafter.)

Cotton from farms where Choice A has been elected will be eligible for price support through a Commodity Credit Corporation purchase program only. Price support for cotton from farms for which Choice B has been elected shall be made available through loans, purchases, or other operations.

The new legislation also includes other provisions affecting upland cotton as follows:

(1) Beginning with the 1959 crop, the minimum national acreage allotment for upland cotton is fixed at 16 million acres. This is approximately one million acres less than the allotment for the 1958 crop.

(2) An additional allocation of 310,000 acres over the national acreage allotment is provided for apportionment to states on the basis of their needs to take care of minimum farm allotments.

(3) The minimum farm allotment for upland cotton is permanently established at the smaller of (a) the farm's 1958 acreage allotment or (b) 10 acres.

The bill provides that the support for the "A" farmer will be through a purchase program to the Commodity Credit Corporation. The CCC is then directed to sell for unrestricted use any upland cotton owned by it at not less than 110 percent of the support price of the B program. Thus, if the B support is at 65% the CCC release price will be not less than 71.5% of parity. This will substan-

tially determine the market level, and the B producer will have a potential sales price between these two limits.

The standard grade for purposes of price support will remain at middling 7/8 inch for 1959 and 1960, but after that time it will go onto "average of the crop" which means approximately a lowering of support of one cent per pound.

Each farmer must notify his county committee in writing if he wishes to adopt Choice B. If he does not do so before the prescribed deadline he is presumed to have chosen plan A. It is important, therefore, to watch the time limit.

A producer who has accepted Choice B may revert to Choice A if weather conditions beyond his control prevent the planting of the additional acreage or having this acreage available for harvest.

Minimum allotments of 16,000,000 acres for the nation probably will be set again for next year's crop. A reduction in allotments for all farmers having more than the minimum amount is considered a pretty sure thing. The size of the reduction is expected to be between 9 and 10 percent.

When and if that reduction becomes a reality, it is expected to add stimulus to those who would choose the B plan in this area. Parmer County has a relatively small cotton allotment and a productive capacity that is very large.

It would not surprise too many people to find a substantial number of area farmers taking the alternate choice for next year's program.

High Plains Farm and Home gratefully acknowledges the assistance of the Parmer County ASC office and Plains Cotton Growers in getting material together for this article.

IN AND AROUND--

saw was excited about the game and many of them went over it play by play. One booster was heard to remark, "That first play sure scared me when it was made then kept me scared throughout the game."

At least three persons who saw the game listened to the play by play broadcast of it. It surely must have been interesting. We're hoping the Chiefs do as well when they play Happy here this weekend.

It has been quite a long time since we have offered any apologies for mistakes we have made. This isn't because we haven't made any. One we made last week that we regret is that we erroneously reported that Mrs. Nora Ragan was hospitalized.

She is in critical condition and all of her children have been called to her bedside, but she is at the home of her daughter, Mrs. Bertie Stowers. At the time we wrote the story, we thought she was hospitalized but learned later that she was not.

One of the prettiest sights we have seen recently is the newly planted wheat and barley that is coming up. The tiny plants look almost like hairs they are so small, but the color is so bright that so many together make a beautiful sight. The wheat that was planted before the rain about 10 days ago is up to a stand.

Can you imagine anyone from West Texas who has grown up without ever hearing of Friona? Saturday afternoon in Clovis a man, who had inquired our place of residence, said, "Friona? I don't believe I know where that is." After we had explained that it was in the county east of Curry County, N.M., he said, "Well, I grew up in West Texas, but never heard of

Friona." Could you guess where he was from? Monahans.

A letter came this week that was postmarked Hurst, Texas. Now, we don't know where that town is, but are guessing it isn't in West Texas. Since it isn't shown on our map, it must be a very small post office.

If you are planning on sending Christmas gifts to anyone overseas, it isn't too early to start thinking about getting it in the mail. Think the deadline for mailing overseas packages so they will be reasonably sure of being delivered on time is November 20, and that is closer to us than we think.

Read this somewhere recently and think it pretty well describes the situation. "Historians tell us about the past, economists tell us about the future, so only the present is confusing."

Don't forget to invite your friends and relatives to attend our Maize Days Celebration. There is going to be fun for all, so let's share it with everyone.

The entire staff of The Star offers apologies for the omission of the classified ads last week. It is gratifying to know that so many people read them and we appreciate every inquiry concerning this particular section of The Star. Several persons were of the opinion that they had not received whole papers when they were unable to locate the classified section.

IN THE COURTS

JP COURT Action was off in Justice of Peace Walter Loveless' court this week as no cases were tried.

CORPORATION COURT The following cases were tried in City Court before Judge Walter Loveless during the week ending September 16:

Kenneth Carter, excessive noise. Otis Massey, illegal start from parked position. Six warning tickets were issued by city police.

MAX TRAX--

Thanks to Gil Lamb of Station KMUL of Muleshoe we got out of the hole, however.

Friday night instead of keeping play by play notes on the football game we were busy getting pictures of the clash.

We figured that surely someone would have a record of the game for us to get a story from. After the game was over, an inquiry showed that nobody bothered to keep such a record.

To top this off Saturday we got in the darkroom and proceeded to "soup" the Friday night's pictures. After taking all the film out and preparing to put them in the developer we reached over to set the clock.

One thing was wrong--we forgot the clock was hooked to the enlarger and when we pushed the hands around for the proper time setting--WHAM!--on came the light in the enlarger.

Convinced all our work was for naught we went ahead and ran the pix through some soup and hoped for the best.

We got some negatives, and although several were ruined, we hope one or two will print. This, on top of having to sweat out a story just about had us feeling we'd have been better off at home.

But a call to Gil, and sure 'nuff, he had a tape of the game which we borrowed to get a story.

Thanks again, Gil.

MAIZE DAYS--

Contestant winning the contest and the second and third place winners must ride the queen's float in the parade.

Prizes are 1st place--\$100; 2nd place--\$50; and 3rd place--\$25.

Another new event this year is being planned. This will be a Hula Hoop contest. This event will be for school-age youngsters and rumors say that a "special event" is being arranged along this theme. More will be announced in next week's paper.

Only eight more days to go before the gala event.

Plan now to bring the family to Friona for Maize Days. FREE Bar-B-Q, kiddies rides; agricultural exhibits, car and tractor rodeo, '58 Chevrolet to be given away, running motor contest and many others.

CHIEFS--

The Chiefs' advance to the goal was thwarted by costly penalties at this point and the ball was fumbled and recovered by Amherst.

Bulldogs took over on the Chiefs' 30 and advanced to the 23 in three tries. On a fourth and three situation Gee attempted to jam across for a first when J. W. Baxter slammed through and threw him for a loss and the ball went over on downs.

Thrown for a loss on the second down, Clements called on Stacy with a third and 10 to go situation. Faking beautifully, Stacy broke into the secondary and raced 81 yards for a TD. Brooks added two more and the score was 30-6.

Another Chief scoring threat was stopped as the gun went off at the half when Amherst's Schrader intercepted a Friona aerial on the goal line.

Halftime score, 30-6. Bulldogs kicked off after the half and Goetz returned the ball to the Friona 20.

On the second down David Massey broke into the scoring column by racing 76 yards for a TD.

Rankin's try for extra points failed and the score was 36-6.

Wright returned Roden's kickoff to the Amherst 18 and after holding the Bulldogs for four downs they were forced to punt.

The snap back from center dropped from the kicker's hands and fell loose and Friona recovered the ball on the Amherst 22.

Driving from the 15 to the 2 in five plays, the Chiefs' luck failed and the ball rolled free and into the arms of an Amherst player.

Four plays later the Bulldogs were forced to punt.

Taking over on the Amherst 37, the Chiefs were plagued by penalties and 10 plays later on a fourth down and 17 to go from the Bulldog 27, Castleberry faded back and shot a pass to Connie Ray complete in the end zone for a TD.

Rankin added two more to bring the score to 44-6.

The Bulldogs were again unable to move the ball and fumbled on the fourth down after losing considerable yardage back to their 41-yard line.

Taking an offside penalty, the Chiefs called on Mike Ellis who advanced the ball to the nine. Two plays later Castleberry crashed across on a keeper to bring the score to 50-6. The try for extra points failed.

This was the second win of the season for Friona. They will meet the Happy Cowboys at Chieftain Field Friday night at 8 in their next contest.

He: "This is going to be a battle of wits."

She: "How brave of you to fight unarmed."

"B" Team Outscores Springlake Thursday

Friona's "B" team outscored Springlake three TDs to 0 in a scrimmage game last Thursday night at Springlake.

Playing the game similar to a scrimmage, the fledgling Chiefs played a "good ball game" according to Coach Roy Simmons.

Jackie Height scored on a quarterback sneak from the 5-yard line for the Chiefs' first marker and Jerry Rankin and Connie Ray added one TD each later in the game.

Rankin's TD came on a plunge over the right tackle from the 5-yard line and Ray scored after snaring a 10-yard pass from Height.

"Our linemen played a bang-up game," Coach Simmons says. "The contact and

tackling was really good."

Footballers making the trip to Springlake included Connie Ray, re; Owen Drake, rt; Luther Metcalf, rg; Don Clements, c; Murray Woody, lf; Luther Curry, lt; Ken Harrington, le; Jackie Height, qb; Tommy Barker, fb; Jerry Rankin, lg; and Mike Ellis, rh--all starters.

Others included Fred Jackson, Joe Reeve, Joe Ayres, Travis Anderson, Kenneth Gaines and Coach Simmons.

The next "B" game will be in Friona Thursday night at 7:30 against Springlake.

Club Theme is Modern Madam

The theme of the Progressive Study Club is Modern Madam. This theme was carried out in the program and decorations at the Tuesday evening meeting of the organization. Madam President was the title of the program and began with a buffet meal which was the president's dinner.

Before the buffet meal was served, Fern Sanders gave the invocation. Winifred Hurst presented the yearbooks to the members. She also presented each member a sack dress made of gunny sacks, a string of macaroni beads, and red silk hose.

The serving table was covered with a black cloth with white decorations. The centerpiece was of white gladioli with black leaves. Red candles added color to the table. A mannequin dressed in the latest fashion was displayed. She wore a black knit dress, white rope beads, bracelet, headache band, and carried black purse and gloves.

Wilhelms Go To New York

Mrs. Jael Wilhelm and granddaughter, Dagmar, who recently arrived in Friona from Hamburg, Germany, to make their home, were called to New York one day last week. Mrs. Wilhelm had established a home in one of the Howard Mayfield apartments, and was employed at the school cafeteria.

Blanka and Sonya Wilhelm, ballet dancers, are on contract for personal and television appearances in New York City and it was necessary for their mother to join them there in order that she could assist with their costumes.

Before her departure, Mrs. Wilhelm expressed her appreciation for all the kindnesses shown her in the brief time she was here. The thing she enjoyed most about Friona was the friendliness of the people here. She plans to return here to make her home as soon as possible.

NETTLES RETURNS

Leonard Nettles, who has been at the bedside of his father-in-law, O. R. Phifer, at Lubbock and Houston for the past several weeks, returned home last week. Phifer's condition is improved and Mrs. Nettles is still in Houston.

Anniversary Observed Two Days Before Death

Mr. and Mrs. Walter S. Menefee of Lazbuddie, pioneer Parmer County people, had a moment of happiness Saturday a week ago before his death last Monday. The day marked the observance of their 50th wedding anniversary, and although Mr. Menefee was ill and bedfast and no celebrating with friends could be enjoyed, the couple had the satisfaction of knowing that they managed to attain the 50th milestone before his death. Mr. Menefee, a former county commissioner from the Lazbuddie precinct, was buried in Muleshoe last Tuesday.

ed their trailer house to Canyon. Weldon has enrolled as a freshman at West Texas State College.

Wayland Hinds, son of Mr. and Mrs. Otey Hinds, and a 1957 graduate of Friona High School, has enrolled as a freshman at Lubbock Christian College.

Darrell Thompson, whose parents are Mr. and Mrs. John S. Thompson, is attending Levelland Junior College. He is a 1958 graduate of Friona High School.

Mrs. Jerry Houlette, the former Mary Tatum, is attending business college in Amarillo. Her husband is doing overseas duty with the Naval Air Force.

Wesley and Judy Barnett, whose parents are Mr. and Mrs. Fern Barnett, are attending Texas Tech. Wesley is a sophomore and Judy is a freshman. Graham Prewett is also attending Texas Tech. He is a 1957 graduate of Friona High School and is the son of Mr. and Mrs. Lloyd Prewett.

HONORS HUSBAND

Mrs. B. C. Day entertained with a family dinner in observance of her husband's 77th birthday Monday. Guests were Mrs. Leona Wolfe, Mr. and Mrs. John S. Thompson, and Clyde Renner.

Mr. and Mrs. Rolan Smart returned home Wednesday after spending several days with Smart's mother, who is ill, at Whitesboro. They also visited their daughter and family at Wellington.

CARTHEL'S HAVE GUESTS

Dinner guests in the home of Mr. and Mrs. Bill Carthel Friday were Mr. and Mrs. H. V. McCabe of Dawn, who are Mrs. Carthel's parents; Mr. and Mrs. Press Wilks of Downey, Calif., and Frank Sanders from Lynwood, California. Wilks is Mrs. Carthel's great-grandfather.

Mr. and Mrs. Harkins of Plainview visited in the Gene Welch home last week. They are Mrs. Welch's parents.

TATUMS HAVE GUESTS

Sunday dinner guests in the home of Mr. and Mrs. Ellis Tatum were Mrs. J. T. Gilbreath and Rufus Gilbreath of Muleshoe, Mr. and Mrs. Hubert Gilbreath of Littlefield, and Mrs. Blanche Woolley from Fort Worth.

HOSPITALIZED

Ralph Price, who was taken to the hospital at Hereford about 10 days ago after a lawn mower accident at his home, is making satisfactory progress and expects to return home in about a week.

Mr. and Mrs. B. C. Day and Mrs. Leona Wolfe were dinner guests in the home of Mr. and Mrs. John S. Thompson Sunday.

Mr. and Mrs. Bill Carthel and sons spent Sunday visiting in the Bill Simpson home in Dimmitt.

VISIT RELATIVES

Mrs. Ellis Tatum and granddaughter, Debbie, spent several days last week visiting in the home of her mother and brother, Mrs. Molly Dillingham and Joe at Albany. Tatum went to Albany Saturday to return them home. He was accompanied by his son, Tommie, and daughter, Mrs. Jerry Houlette.

COMMUNITY MEET WELL ATTENDED

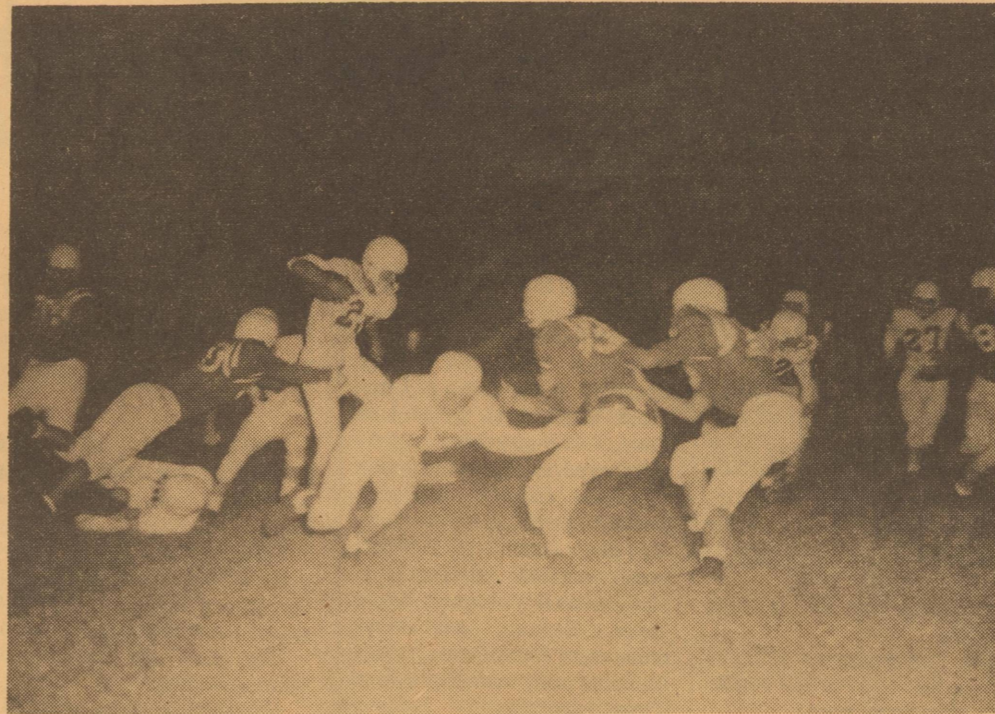

A large crowd attended the community meeting Thursday evening. The hosts and hostesses were Mr. and Mrs. L. H. Lookingbill, Mr. and Mrs. Delton Luellen, and Mr. and Mrs. Tom Luellen.

The president, Ellis Tatum, had charge of the meeting. Plans were made for a Maize Days float. Fern Barnett was appointed as chairman of a committee to prepare the float. It was also decided to sponsor a candidate for Maize Days queen.

Those in charge of this contest entry are Fern Barnett, Pete Braxton and Dick Rockey. The next regular meeting has been scheduled for October 9.

During the social hour which followed the business meeting, refreshments of cookies, coffee, and punch were served.

Dwight Whitaker, young son of the Woodrow Whitakers, missed four days of school last week due to a throat infection. He was able to return to school Monday.

STOPPED AFTER SHORT YARDAGE---Amherst's ball carrier, center, is "just before" getting downed by a host of red-shirted Chiefs during the Chief-Bulldog duel Friday night. Flying across to get his hands on the carrier is Bomer Stacy and help is on the way by J. W. Baxter and Gary Brooks.

The Rosco Ivies and R. E. Barnetts spent Sunday visiting in the homes of the George Brooks and Calvin Ivies in Lubbock. They also visited Wayland Hinds at Lubbock Christian College.

The Jimmy Buckleys spent Sunday visiting relatives and friends at Dimmitt.

The third Thursday in October has been announced as International Credit Union Day in Friona and over the world, according to an announcement from Lucy Jones, manager of the Friona Texas Federal Credit Union.

Mrs. Jones says the local Credit Union plans to have some special observance of the event and plans will be announced at a later date.

A general meeting of the credit union is slated for Monday, September 28, in the American Legion building.

News From LAZBUDDIE
By MRS. CLYDE MONK

Born In Germany
Mr. and Mrs. Lloyd Davenport of Needmore and Mr. and Mrs. Leon Smith Sr. are announcing the arrival of a new granddaughter, Debra Leigh, born Aug. 11 to Mr. and Mrs. Leon Smith Jr., who are now stationed in Longensfeld, Germany. Debbie, as she will be called, weighed 7 1/2 lbs. and is the first child for the Smiths.

Lou Ann Hardesty and Mary Ann Stacy from Friona visited in the Les Bruns home Sunday.

Lois Fletcher from Walters, Okla. visited Thursday with the Gene Smiths.

Dee Brown, Allen Grusenford, Jackie Brown and J. B. Young spent a couple of days last week fishing at Conchas Lake.

A. G. Ivey from Plainview visited Thursday with his cousin, Mr. and Mrs. Ira Wimberly. Ivey was conducting the singing for a revival at the Lee Street Baptist Church in Dimmitt.

Weekend guests in the Owen Broyles home were Mr. and Mrs. J. D. Tyler and Geraldine from Hereford and Eugene Broyles and Jackie Dodson from Amarillo.

The Walter Edwardses spent last week fishing at Stamford Lake and Lake Texhoma. When they arrived home Sunday evening, her father, Bill Bell, and a brother, Mr. and Mrs. Russell Bell and Pat from Glendale, Calif. had arrived for a visit.

Mr. and Mrs. E. L. Clark and Mr. and Mrs. Wayne Clark and boys spent the

weekend at Newcastle and attended a "Clifton" family reunion.

BRIDE-ELECT IS HONORED

The home of Mrs. J. T. Eubanks was the scene of a pre-nuptial shower honoring Miss Linda Donaldson, bride-elect of Bill Stegualde. The couple will be married October 4.

The serving table was laid with a white linen cloth with an arrangement of prince feathers surrounded by white glads, periwinkles and dahlias, using the honoree's colors of red and white.

She was assisted in opening the gifts by her mother, Mrs. Bill Lancaster, her fiancé's mother, Mrs. Earl Stegualde, and her grandmother, Mrs. E. M. Gray of Seagraves. Judy Brown, Karen Smallwood and Beverly Smith served red punch with individual white cake squares, each topped with red roses. Patsy Morrow registered the guests and Coretta Watkins, Penny Grusenford and Mary Aduddell displayed the gifts.

Approximately 40 guests signed the guest register and many who were unable to attend sent gifts.

Hostesses were Mesdames T. R. Smallwood, D. M. Morrow, F. L. Brown, Robert Kimbrough, R. T. Atchinson, Jim Shafer, J. C. Shanks, Mickey Robinson and J. T. Eubanks. The hostess gift was an electric mixer.

Mr. and Mrs. Pete Mimms and Tracy left Sunday afternoon for Paducah, where they attended the funeral services on Monday for Mrs. Mimms' grandmother.

Mr. and Mrs. R. L. Kimbrough, Mr. and Mrs. Bob Kimbrough and Mr. and Mrs.

Sig Kimbrough attended in a group with others from the Main Street Baptist Church of Muleshoe, a revival at West Camp last Thursday evening.

Mr. and Mrs. T. W. Bewley left Monday morning for a few weeks hunting trip to Montana. After about 15 years of trying for a moose permit, Mr. Bewley finally received one, and was off to try his luck.

Mr. and Mrs. Bob Kimbrough and children were Sunday dinner guests of Mr. and Mrs. Lee Renner in Friona.

LUNCH MENU

Monday — meat loaf, sweet potatoes, green peas, sliced tomatoes, applesauce cake, bread, milk;

Tuesday — red beans, buttered spinach, Mexican rice, cabbage slaw, hot rolls, butter, jelly, milk;

County Demos Report Confusion in Santone

"All was quiet until the end," reports Bill Sheehan, district attorney and chairman of the Farmer County delegation to the State Democratic convention held in

Castro County Man Reports—

100 pounds of ammonia made 51-bushel wheat

Dan J. Heard, a successful Dimmitt, Tex., farmer, says: "I put down 100 pounds per acre of Phillips 66 Agricultural Ammonia pre-plant on my irrigated wheat and made 51 bushels per acre average on 108 acres. I'm sold on the dollars-and-cents value of applying Phillips 66 ammonia to my wheat land."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that the 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

"We cast our seven votes for Frank Ikard as we were instructed at the county convention," Sheehan says.

Parmer County's delegation was composed of Sheehan and Charles and Melba Allen of Friona, Hollis Horton of Friona, Mary Bell Aldridge of Farwell, Luther Ham of Oklahoma Lane and Wyle Bullock of Lazbuddie. They voted by the unit rule on the temporary chairman of the convention.

Split in two factions, even here on the local level, political heat was generated at the convention as the DOT-controlled candidate Jim Sewell of Corsicana, and conservative Ikard and their forces fought for control of the convention and the Democratic Party in the state.

Local delegates met for a caucus of the 30th Senatorial District Monday night in the Gunter Hotel and selected Frank Moore of Plainview and Mrs. Inez Bobo of Muleshoe as the committee members from this district on the state Democratic executive committee.

Each of the 30 senatorial districts picked two to make up this body.

Later in the convention it was two of these committee nominees who caused the uproar that marked the end of the convention.

The conservative-minded Democrats controlled the convention and elected Ikard to head the convention. "It was smooth sailing until right at the end," Sheehan says.

Sheehan described all the trouble as being when one liberal was nominated from McLennan County and one from Bexar County to be on the SDEC. The nominations committee threw these names out and nominated two more, this time naming conservatives, and this caused the uproar from these two counties—dominated by liberal factions.

When the list of nominees which were approved was read by the chairman and these counties discovered their representatives had been deleted—"all heck broke loose."

Little notice has been given to the convention until recent years, namely since Allan Shivers led the Texas Demos to vote for Eisenhower in the state Democratic Party's machinery which has grown in volume. The conservatives, led by Governor Price Daniel and DOT-liberals led by Ralph Yarborough, have fought for control of the party since that time.

This convention gave almost a two-to-one nod to the conservative group, voting 2977-1788 for Ikard for chairman of the convention.

"What makes this convention so important is that it will be in power during the

next presidential election in 1960," Sheehan points out. "In addition, it will set up the convention committees and their members during this important political season."

Frank Spring Completes Course At Harvard

Frank Spring of the Friona State Bank has been awarded a certificate for completing a seminar for senior bank officers at Harvard University.

He is one of 78 community bankers from throughout the nation who participated in the two-week course conducted at the Harvard Graduate School of Business in Boston, Mass.

Dr. Charles M. Williams, Harvard professor and seminar director, presented the certificate. It noted that Spring had "successfully participated in an intensive study of key problems facing the leaders of community banks."

The seminar session just completed was the first in what hereafter will be an annual event.

LAZBUDDIE-- Honored Tuesday

Miss Linda Lancaster was the honoree, at a lingerie shower last Tuesday evening at the Home Ec. building. The girls of Linda's class: Beverly Smith, Coretta Watkins, Patsy Morrow, Karen Smallwood, Penny Grusendorf, Tommie Horton, Marilyn Aduddell, and Judy Brown, under the sponsorship of the home ec teacher, Mrs. Albert Clark, were hostesses.

The serving table was laid with a red cloth, with white candles and red zinnias as the centerpiece. Refreshments of punch and sandwiches were served. Invitations were given to all high school girls.

BREAKS BONE

Mrs. Finis Jennings caught her hand in the car door Thursday, breaking the bone in the end of the forefinger. Mrs. Jennings says it has been quite painful, and since it happened, is glad it was on her left hand.

Members of the Methodist Church are quite pleased with the work put forth this past week by the men in getting concrete walks around the building. This will enable the members to complete the landscaping with shrubbery and improve the beauty of the property.

Miss Jimmie Carpenter from Vega spent the weekend at home with her parents, the Howard Carpenters. Accompanying her home were Mr.

and Mrs. H. Holder and Mrs. Thornberg, also teachers at Vega.

Mr. and Mrs. V. H. Broyles were Sunday visitors at Libby, N. M., with Mr. and Mrs. Sweeney Pool.

Those attending the drag races in Roswell Sunday were Mr. and Mrs. Max Steinbock, Rex Steinbock, Mr. and Mrs. Beardean Broyles, Mr. and Mrs. Gene Smith, Mr. and Mrs. Joe Cox and Mr. and Mrs. Bobby Broyles.

The Raymond McGehee visited his parents, the R. F. McGehee's in Lubbock, Sunday.

Mr. and Mrs. John Littlefield and Carroll were fishing at Conchas over the weekend.

Mr. and Mrs. Andy Brown were in Slaton over the weekend to be at the bedside of his mother, Mrs. J. H. Brown, who had major surgery Friday morning.

Sunday visitors in Anton with her parents, Mr. and Mrs. H. I. Bass, were the C. A. Watson family.

Mr. and Mrs. Edgar Hartley and children left on Thursday for Brownwood to visit a few days with her parents, Mr. and Mrs. Bill Singer.

James Jackson from Centralia, Ill., spent the weekend with his aunt and uncle, the Deboe Carpenters. James left Tuesday for Tech, where he will be a junior. The Carpenters and James were also in Odessa over the weekend with the Loren Howards and all attended the air show in Midland on Sunday.

The R. L. Forresters accompanied by the Eldon Beckers from Slaton spent last week at Lake Buchanan, fishing. They report a catch of approximately 65 crappie.

Wyle Bullock and Luther Ham attended the Democratic convention in San Antonio the first of last week as delegates from Lazbuddie and Oklahoma Lane.

Mr. and Mrs. Donald Dean Littlefield and baby spent the weekend at Midland with her sister, the Bill Hollers family, who have recently moved there from Lubbock.

Larry Sisk, who has been visiting his grandmother, Mrs. Lora Brown this summer, returned to his home at Reseda, Calif. last week so he could be ready to begin school this week.

Mr. and Mrs. Boone McCracken from Quitaque visited Wednesday with her sister, Mr. and Mrs. Clyde Monk. The McCrackens were returning home from Tucson, Ariz. where they had been visiting a daughter and family.

Mr. and Mrs. Clifford Pyritz from Odessa spent the weekend with his mother, Mrs. Rudolph Pyritz.

The Davis Gulleys were in Wellington the first of the week visiting and attending to business.

Mr. and Mrs. Howard Carpenter were in Lubbock last Tuesday visiting their daughter, Mr. and Mrs. Neil Ross.

J. T. Mayfield and two sisters, Mrs. Minnie Parham and Mrs. Nancy Gleason are taking turns staying in Anson with their mother, Mrs. Y. B. Mayfield, who is a patient in the hospital.

The Jarrett Pinckleys spent the weekend in Merkel visiting relatives.

Mr. and Mrs. Leon Connor from Ralls spent the weekend with their daughter, the T. O. Lesly family. The Connors were accompanied by another daughter, Barbara, and her cousin, Kay Bennett. The group enjoyed Sunday dinner with Mr. and Mrs. Glen Lesly in Farwell.

Expected Home
Mrs. E. A. Seaton is expected home the last of the week from the hospital in Amarillo, after having eye surgery last Wednesday. Mrs. Seaton is reported to be doing fine and

has high hopes the operation will be successful. Morris Bruns left Monday afternoon for Tech, where he will enroll as a senior student.

Mr. and Mrs. Howard Cash from Tulia were Sunday afternoon visitors in the home of their nephew and family, the E. T. Fords.

Chiefs Face First Strength Test Friday

"We'll see just how good we are this weekend," Coach Colie Huffman says of the upcoming clash this Friday night between the Friona Chiefs and Happy Cowboys.

"They only lost one starter from a fine team last year," Huffman says. "They won their district and were defeated in Bi-District play by Whiteface." (Incidentally, Whiteface will play the Chiefs here Friday night, September 26.)

"Happy will bring an experienced, well-balanced team to Friona," Huffman says. "After this game we'll know where our weak spots are," he pointed out. "Amherst and Sunray were both weak and easy to run against," he said.

"Neither of them have had a passing attack to loosen up our line play," he added. Game time will be 8 p.m.

at Chieftain Stadium. Chief Ben Moorman and school officials remind fans that autos will not be allowed inside the stadium this year.

Fans are asked to park their cars on the field north of the stadium. Volunteer firemen and the Friona Auxiliary Police will be in charge of parking at the game.

BIGGERS RETURNS

M/Sgt. Howard Biggers returned late last week after a tour of duty in Korea. He and Mrs. Biggers and their two sons, Richard and Gary, left Monday afternoon for Alexandria, La., where they will make their home. Mrs. Biggers and the boys have been residents of Friona about one year. Biggers will be stationed at England Air Base near Alexandria.

HALL COUNTY PICNIC SET

The third annual Hall County Picnic has been set for Sunday, September 21, in the Memphis City Park. Officials are expecting from 3,000 to 5,000 to attend. J. Claude Wells announces that each family is to bring a basket lunch.

Wells further states, "Make your plans now to attend. It will be a fine opportunity to renew acquaintances, and visit friends and neighbors. Tell all ex-Hall Counts they are invited, also."
