Good Evening, Folks

You know I'm sort of a friendly kind of fellow. When I meet folks on the street I like to say Hello! Howdy! How are you getting along. Kinda hate for a fellow to look the other way when he sees me coming, and I am the same way when I see that somebody has bought a bill of furniture and didn't come around and see ours and talk it over with us. You know, we don't urge you to buy and don't expect to sell everybody that comes in, but it sure does make us feel good when you come around and see our merchandise. This is just another way of asking you to come in and talk it
