THURSDAY, JUNE 6, 1968

Hansford Celebration Underway

2,000 Lbs. Of Beef In Pits Friday Nite

Spearman-Gruver Road Construction To Begin

A ton of beef will be prepared for the noon barbecue on Friday June 8. Serving will begin at 11:30 a.m. on the horse square. The meal, the highlight of the anniversary celebration, will cost \$1.00 and \$1.00.

Bill Floyd, barbecue king of Panhandle, will be chief of the event. His committee will wrap large chunks of corn-fed beef and place it in cooking pits until just before serving time. All meat which is served after the serving line is closed, will be sold by the pound.

H. B. Rinker, chairman of the barbecue, said the committee this year plans to have a year's worth of beef for every body. "Each year they ran out before the year was over," he said.

The meal will consist of the beef, beans, apricots, onions, etc., plus drinks. A portion of the street by the house will be roped off for the barbecue. People may bring their own lawn under the shade trees. Plenty of acceptances will be provided and diners are asked to take advantage of the special.

A Pre-Construction Safety Conference covering upcoming highway construction in Hansford County was held in Gruver on May 31. Two projects involved: the rebuilding of State Highway 15 from Spearman to Gruver and the construction of a new six-mile section of Farm Road 2535 northwest of Gruver. State Highway 15 will be strengthened and widened to forty-four feet, providing for two thirteen foot main lanes and paved shoulders. Some of the hills will be cut down and the low places filled in to establish a grade line with better sight distance and fewer no-passing zones. Climbing lanes will be added on the hills on either side of Old Hansford. The main lanes will be surfaced with asphalt.

Concrete pavement and the shoulders surfaced with a double asphalt surface treatment. Existing bridges will be widened to forty-four feet. The proposed new Farm Road is currently a caliche county road. More caliche will be added and a double asphalt surface treatment will be applied.

The contractor for both projects is Cooper & Woodruff, Inc., of Amarillo. Mr. Charles Schmidt, representative of the contracting firm, stated that grading and culvert work would begin about June 17th. Caliche crushing should begin about July 10th. It is hoped that all caliche base material can be placed on the roads and a temporary asphalt surface treatment applied by about Thanksgiving. The hot mix asphalt concrete pavement will be placed on State Highway 15 next spring.

COMPLETES LAW SCHOOL

J.E. Blackburn graduated in ceremonies held May 26 from St Mary's University School of Law. He received his Doctor of Juris Prudence degree.

"Chunky", well known Spearman man, is the son of Mr. and Mrs. C.E. Blackburn. He makes his home with his wife and daughter in San Antonio.

He will take his bar exam in Austin beginning June 24, and plans to practice law in San Antonio.

Mr. and Mrs. Blackburn, Mrs. Craig Hutchison and family of Spearman, Mr. and Mrs. Bill Cessman and family and Eddie Blackburn of Amarillo were present for the ceremony.

HISTORICAL SOCIETY PLANS SPECIAL ACTIVITIES JUNE 8

WHEREAS, the series of events which have led to the development of Hansford County have been of immeasurable historical significance, it is the inherent responsibility of every citizen to recognize and appreciate this heritage. It is of paramount importance that our County History be appreciated and preserved in a manner befitting the dignity and respect due our forefathers whose toils and labors have resulted in a heritage worthy of recording, marking and preserving.

The Hansford County Historical Survey Committee, in cooperation with the State committee, has worked diligently in this endeavor through its program of Recording, appreciation, marking of county historical

sites, and honoring county pioneers.

The committee is planning some special activities to highlight the week of observance.

These activities will take place on June 8, which is Hansford County Celebration day.

The first event will be the Old-Timer's reunion which begins with registration in the Trayler Ford Company at 8:30 a.m. All citizens living here since before 1900 will be specially honored.

The next event will be a guided bus tour of various historical sites and markers throughout the county. The tour will begin at 2 p.m.

Mr. and Mrs. Don E. Smith and Marilyn and Jerry Pat Davis spent Saturday fishing at Lake Meredith.

Barbecue, Beauty Contest Highlight County Affair

This has been a busy week for the Spearman Jaycees who have been working out last-minute plans for the various activities scheduled this week end for Hansford County Celebration.

A carnival came to town Monday. Located on the lot north of the court house, the carnival will be here through Saturday night.

Celebration activities begin Friday night at 8 o'clock when Miss Hansford County beauty pageant will take place in the high school auditorium. From a slate of eight candidates, judges will select Miss Hansford County and a first and second runner-up. The winner will receive a \$50 gift certificate. First runner-up will receive a \$30 certificate and the second place runner-up \$20.00. Beauties will be judged first in swim suits, then in evening dress. Points will be earned for poise, beauty, personality and figure. The public is urged to attend this ceremony.

Chapter of Beta Sigma Phi sorority, Town and Country Home Demonstration Club, Explorer Scouts. These are being sponsored by Spearman Rexall Drug, Gates Men & Boys, A & W Root Beer, and KBMF Radio station.

Clowns (from the Volunteer Fire Department) will be marching in the parade tossing candy and gum to the crowd.

All bicycle riders are invited to decorate their bike and join this section of the parade. Western Auto will present a transistor radio for a bicycle to the first-place winner.

The Rolling Plains Mule Train will be featured in the parade. At least eight mule-drawn wagons will be on hand. These sponsoring this portion of the parade include Spearman service stations: Snider & Pearson, Alton's Gulf, 66 Service, Consumers, Fina station, Simmons Chevron, Mobil Station and Bill's Shamrock.

11:30 a.m. Barbecue. The meal will be served next to the court house square so diners may eat under the shade trees. A ton of pit-cooked beef will be prepared by Virgil Floyd and his experienced crew of cooks.

Recreation Program In Financial Trouble

The Summer Recreation Program is in for some financial trouble unless parents cough up money over and above the \$2.00 required registration fee.

Registration for the summer program will be Friday June 7 from 9:30 to 11:30 a.m. and from 1:30 to 3:30 p.m. in the high school cafeteria.

A committee spokesman said today the program would need between \$2,000 and \$2,300 to carry out the two month project. Contributions from the P-TA and proceeds from the volleyball tournament held last weekend gives a total of \$675.00 now in the fund. Some 350 youngsters have indicated they would participate in the program and at \$2.00 per head this would add \$700.00 more. At least a thousand dollars is yet needed if the program is to be carried out as planned.

Most of this will go to pay salaries for instructor Larry Wilson and his crew of seven assistants.

The registration fee will be \$2.00 per child. For this amount he will be entitled to participate in all activities for the entire 7-week program. Besides instruction in sports and games, the program will include a movie, two swims, supervised library time each week for each child.

BUT, contributions from parents are necessary, over and above the fee of \$2.00, according to committee heads who met this week to finalize plans for the summer program.

With the announcement of the summer recreation program, the \$2.00 fee was set by the committee in lieu of making enough money from the volleyball tournament to help finance it. However, because the tourney was scheduled over Memorial day weekend, proceeds fell way short of the anticipated goal.

Personnel working with Coach Larry Wilson include Byron Henderson, Bobby Smith, Robert Archer, Linn Ann Robinson, Lynda Hall, Janie Kirkland and Janie Beck.

Spearman Soldiers Wounded In Action

A 20-year old Spearman has been wounded both Vietnam. Both men served the service in September both have been in Vietnam since March; both had Spearman girls just shipping overseas.

Andy Rhodes was wounded May 26 and Pfc. Tom Cochran was wounded during the recent 27-up of VC around Dak To. Rhodes was stationed, Calu where Cochran has a radio maintenance man, was hit by shrapnel when his Fire Base was attacked by VC. He received no broken bones, but injuries to his right leg arm which will keep him hospitalized for some two weeks. In a letter this week to his wife Kathy, and to his parents Mr. and Mrs. Sam

Rhodes, he said his wounds were not serious and that he would return to duty soon.

Pfc. Cochran is aboard the Hospital Ship REPOSE which is stationed just off the coast of Vietnam. Twice this week he has called his wife, Cece, who is in nurses training in Amarillo. He is able to walk around the ship, but is awaiting surgery for wounds of the left thigh caused by mortar fragments received while helping defend his base against VC. This is the second time he has been injured.

Two months ago to the day (March 27th) he received the same type wound, and on the same left thigh.

His parents, Mr. and Mrs. Bill Cochran of Spearman were notified of their son's injury this week by a Marine Major from Amarillo.

NO WORD YET FROM MR. HARRY SHIEDECK

Mr. Harry Shiedeck, who has been in Houston for over two weeks undergoing tests at M.D. Anderson Clinic entered the hospital Wednesday May 29. Physicians performed a biopsy on May 30 but no reports had been made as this newspaper went to press.

His wife and daughter, Mrs. Jack McWhirter are in Houston with him.

Mr. and Mrs. Pope Gibner treated their two grandsons, Van Pope and Dan Earl Steed of Perryton to a fishing trip to Lake Meredith Tuesday. This was a long promised trip for the boys.

Smith, Joy Win Here

391 voters in Hansford County took the trouble to cast their ballots in Saturday's 2nd democratic primary.

Lt. Gov. Preston Smith, seeking to move up to governor, won the Democratic nomination throughout the state. Hansford voters gave him 286 votes against his opponents (Don Yarbrough) 105. This was the third defeat for Yarbrough in his race for governor.

In a contest for the Democratic nomination for judge of the 7th Court of Civil Appeals, Amarillo attorney Jack Hazlewood was defeated by Judge James A. Joy of Plainview.

In Hansford county, citizens gave Joy 213 votes to Hazlewood's 152.

In the November general election Smith will face Republican nominee Paul Eggers. Texas has not elected a GOP governor since 1869.

Miss Hansford County Beauty Contest Scheduled June 7th

Rainfall For Year Now 8.40

Eight contestants will be competing for the "Miss Hansford County" title Friday night at 8 o'clock when the annual beauty pageant is staged here. Calvin Hornsby of Dumas will be the master of ceremonies for the event which will be held in the Spearman school auditorium.

Out of town judges from Dallas and Perryton will be bringing beauties who will appear first in swim suits, then in formal attire. Points will be earned according to poise, beauty, personality and figure.

The winner will be crowned by the now reigning queen, Kay Huse, and will also receive a \$30.00 gift certificate. A first and second place runner-up will also be selected and presented with gifts.

Robert Adamson is chairman for this event which is held annually in conjunction with the Hansford County Celebration.

Entries and their sponsors include: Sue Sloan, Spearman Reporter; Vicki Shiedeck, Cut Grocers; Myrna Crum, Spearman Drug; Roberta Carroll, Golden Spread Sales; Debbie Bengé, A & W Beer; Jyniece Callaway, Chevrolet-Olds; Debbie Hazlewood, Spearman Cable and Miss Diana Stejde of Perryton (not pictured).

The public is cordially invited to attend the beauty contest here Friday night at 8

During May, there were very few clear days and many cloudy ones as rainfall for the month totalled 3.74. Seventeen days in the month produced showers, according to a monthly summary issued by U.S. weather observer Mrs. H.P. Cates.

Average temperature for the month was around 64 degrees with the highest temperatures of 92 falling on May 2, 22 and 29.

The lowest temperature was 40 degrees on May 17. May's rainfall of 3.74 is the largest amount recorded for that month since 1965

when 6.93 inches fell. Last year we received 1.26 inches and in 1966, only .15.

This, added to the 1.40 recorded here June 1 brings the year's total moisture reading to 8.40 inches.

Mr. and Mrs. Delbert Caldwell of Rangely, Colorado are visiting in the home of the Dub Hanners. Mrs. Caldwell is the sister of Mrs. Hanners.

Produced showers, according to a monthly summary issued by U.S. weather observer Mrs. H.P. Cates.

Andy Burleson Will Preach Here Sunday

In the absence of the Rev. B. T. Shoemaker, a well known area layman will bring the Sunday morning worship sermon in the Spearman First Baptist Church.

Andy Burleson, Gruber farmer and rancher, will be preaching at the 11 a. m. hour. Mr. Burleson, a native of Spearman, is very active in the Gruber Baptist Church and has preached before to the Spearman congregation. He is the son of the late Mr. and Mrs. Dan Burleson.

Sunday evening's service time will be taken up with the commencement exercises for children who have been attending Vacation Bible School. Everyone is invited to attend both these services.

Miss Julie Ann Gregg of Woodward, Okla., was in Spearman last week visiting her cousins, the children of Dr. and Mrs. Damon Gregg.

Mrs. Mabel Edwards returned home Wednesday from Bell, Calif. where she visited her daughter, Mr. and Mrs. Sam Cleave, and her granddaughter, Mr. and Mrs. John Morgan and Brenda. The four generations, Mrs. Edwards, her daughter, her granddaughter, and her great granddaughter, were recognized in church on Mother's Day at Bell.

Leroy Hughes of Wilmington, Calif. is in Spearman visiting his parents the Carl Hughes. He came to pick up his son Terry who has been attending school in Spearman this past year. Leroy has also been visiting with relatives in Borger while he is in the area.

Mr. and Mrs. Larry Stokes and Chris of Amarillo visited over the weekend with her parents Mr. and Mrs. John Pipkin. Mrs. Bart Clifford who is visiting here from Ingersoll, Ontario went home with them for a couple of days.

Mr. and Mrs. Lawton Guthrie and children had Sunday dinner in the home of her mother, Mrs. Edna Hays in Gruber.

Values to Hold

Worlds to Explore

Ten girl scouts left Sunday morning, June 2nd, for Boiling Springs, near Woodward, Okla. for a campout. While there they will hike, swim, camp and have cook-outs.

The girls will stay for one full week coming home Saturday, June 8th.

Scouts making the trip are: Darleta Pierce, Janyth Lackey, Christy Sparks, Carol Bentley, Kayleen Cooper, Rajan Martin, Denise Benton, Jamie Pierce, Linda Reed, and Justize Frost. Mrs. Harold Frost is the leader of the group and will take a carload of girls and spent part time there with them. Other mothers taking cars were Mrs. Harry Stumpf and I. V. Pierce.

Girl Scout Troop No. 136 and their leader, Mrs. Harold Frost, enjoyed a cookout at the Girl Scout Club House, Wednesday, May 29.

The menu included Mexican foods. The girls cooked all the food and according to their leader, the girls are fine cooks.

Attending were Darleta Pierce, Janyth Lackey, Christy Sparks, Carol Bentley, Kayleen Cooper, Jamie Pierce, Linda Reed, Rajan Martin, Denise Benton, Justize Frost and Brenda Davis, and the leader, Mrs. Frost.

Kirk home, members filled out their symposium of 25 of their favorite iris seen this season in bloom. This will be sent to the American Iris Society.

Attending were Mmes. Claude Smith, John Bishop, P. A. Lyon, Melvin Patterson, Raymond Kirk, the hostess and guests.

Mr. and Mrs. Verlin Hagerman and children, Mr. and Mrs. Doyle Jackson and children and the Sonny Patterson family had a cookout in the Canadian River breaks Sunday afternoon.

Mrs. J. J. Higgins of Wynnewood, Okla., mother of J. B. Higgins, is visiting in his home here. They plan to return here to her home over the weekend.

PFC Billy Womble of the Marine Corp at Camp Pendleton, Calif. is home on leave. After his 20 day leave he will be sent to Vietnam.

Mr. and Mrs. Bill Martin have had two of their grandchildren visiting them for the past two weeks, Sonny and Vernice George of Vinson, Okla.

Mr. and Mrs. Garland Head, Ronnie and Delinda were in Clovis May 29 visiting Garlands brother and sister, Mr. and Mrs. Hubert Ellison and Mr. and Mrs. Allen Head. They were in Dumas Sunday for a visit with the Floyd Phillips family.

Mrs. J. E. Blackburn and daughter are in Spearman visiting her husband's parents, Mr. and Mrs. C. E. Blackburn.

Mrs. Jim Evans and children, David and Linda were in Ponca City, Okla. last week visiting her parents, Mr. and Mrs. Earl Shuss.

PFC Ronald Gray of the Marines, who has recently been in Spearman on leave, notified his parents of his orders sending him to Vietnam. He is to leave June 11.

Joe Mack Hill of Dumas has been visiting with his parents Mr. and Mrs. Vester Hill for several days. He returned to Dumas Wednesday to conduct summer band practice. Joe Mack is a band instructor in the Dumas school system.

Mrs. R. E. Martin is visiting this week with relatives in Colorado Springs.

Mrs. John Pipkin will return to Ingersoll, Ontario, Canada with her daughter, Bart Clifford on Friday for a visit. She will also visit her Rochester, N. Y. with her daughter, Mr. and Mrs. Tom Mayes and Tracy.

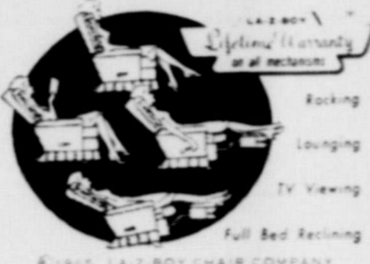

Mr. and Mrs. Homer Hester, oldest grandson, Jim Adair, who is a radioman in the Marines, left a week ago for Vietnam. He is the son of their daughter, Mr. and Mrs. Adair of Auburn, Wash.

The James Hargis family were in Henrietta the past weekend visiting relatives. Their niece, Debbie Hargis came home with them for a two week stay.

to visit his mother, Mary. She had been in the hospital, but was released and is back at the Manor.

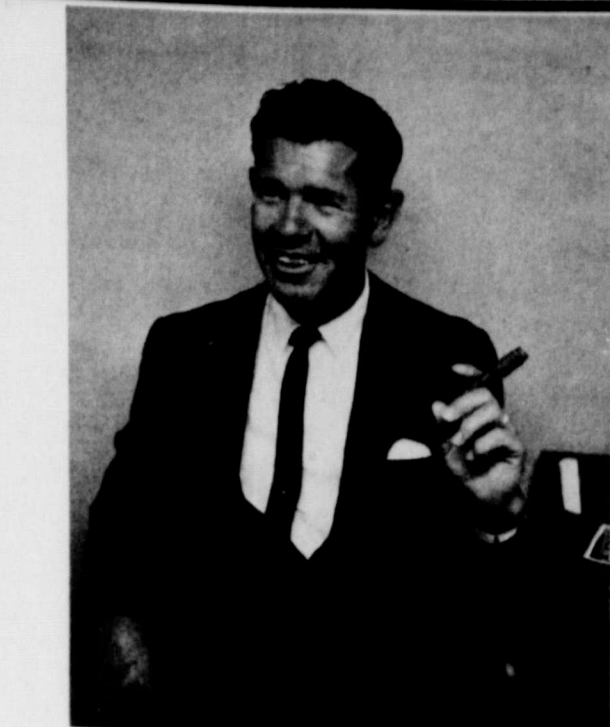

Mr. and Mrs. James Howard Hamlin, Mrs. D.D. Pierce, Carlene Pierce, all of Worland, Wyoming, and Virginia Howard of Stamford, Texas were here this week visiting Mrs. Elsie Trolinger.

Clay Wilson is no longer a patient at the home. He left Monday for Pampa. Mr. Jesse Bacon also left this week. He moved to Amarillo where he entered a nursing home where he had had his application for some time.

Mr. Lester Spires is a patient in Hansford Hospital where he is critically ill. He is 87 years old.

Mr. and Mrs. Jim Latham of Booker called Sunday to visit with Mrs. G.A. Latham. Eleanor Reed visited all the ladies at the Manor last Sunday.

Those calling throughout

VISITS HERE--Odell Washington, girl's and boy's basketball coach and head football coach in Spearman high school during the years 1939, 40 & 41, visited at the newspaper office Friday. He was in Spearman to attend funeral services for his son-in-law, Bobby R. Williams. He has made his home in Lakeland, Florida for the past 21 years where he is sales manager for a citrus harvesting equipment manufacturer.

the week to visit with Leon Bowling included Paul & Don Allison, Jerry Bowling, L.D. Pierce, Lola Mae Cator, Lillie Bowling and Hoots Martin.

The Do Si Do Club is sponsoring a celebration dance to be held at 217 Main Saturday evening. Phil Noland, well known area caller from Fritch, will be the caller. Everyone is invited to attend.

GILLIAMS' RETURN FROM VACATION
Mr. and Mrs. Charles Gilliam, Mgr. of Community Public Service, returned Monday from a vacation spent at Lake Whitney, with his father C.H. Gilliam Sr.

Lake Whitney is the southern most lake on the Brazos river, and is located just north of Waco. Gilliam said he spend the week fishing the many lakes and rivers located in that area.

Mr. and Mrs. Kiff White, Mrs. Troy Sloan, Pat and Sue, Mr. and Mrs. Garland Head, Ronnie and Delinda attended the high school graduation exercises of Cathy Hall in Pampa Monday night, May 27. Cathy is the daughter of Mr. and Mrs. Zane Hall of Pampa, and the granddaughter of the Kiff Whites. Aleta came home with them for a visit, she is the granddaughters of the Whites' also.

SPEARMAN STUDENT WINS USDA SCIENCE PRIZE: Rebecca F. Hutchison won the U.S. Department of Agriculture first prize at the 19th International Science Fair in Detroit, Mich. Her Spearman High School science project was on the effects of pesticide contact on skin to the nervous system. At the awards banquet following judging of the more than 400 exhibits, Miss Hutchison was awarded a Certificate of Merit signed by Secretary of Agriculture Orville L. Freeman, a \$75 savings bond provided by the Organization of Professional Employees of the Department of Agriculture, and the offer of a summer job with USDA's Agricultural Research Service. Science projects were exhibited at the May 14-17 Fair by 414 students from high schools throughout the United States and 10 foreign countries. Awards were made in botany, chemistry and biochemistry, earth and space, medicine and health, physics, mathematics and computers, and zoology.

Let Me See ... by Sybil

I've heard a lot of jokes told about golfers, but I've never heard one to top the true story revealed this week when the cremated remains of Edward Faber were laid to rest at Stow Acres Country Club in Stow, Mass. Officials marked his grave with a bouquet of flowers and golf balls, and later will erect a plaque to mark the grave. The golf enthusiast, who died in February, asked in his will that he be buried at the course which he had loved so well. The grave lays just off the 18th putting green. Now this, you'll have to admit, is a real tribute to the game, but I sure would hate to have this become a habit. I do hope the president of our golf course quickly calls a meeting of the planning committee. They need to make a rule against this for our links, cause I could name a few local players who would love to spend eternity on a golf course. I wonder what kind of a rule they would come up with if your golf ball lands on the grave... would it be a two stroke penalty (it would surely be out-of-bounds) or would you be allowed a free drop? Think of all the flowery obstacles you'd have to play over come Memorial Day!

Odell Washington visited here with us Friday, and I wish all his former basketball and football players could see him. I accused him of using color-back, but he swore he didn't. Doesn't have a gray hair one, weighs just 6 lbs. more than he did when he was in high school, and looks exactly as he did when he was coach here from 1939-1941. He still is very active in sports... plays basketball with a group of "youngsters" several times a week and runs them all down! He coaches a Little League baseball team, and spends much of his time with his family camping and fishing. He lives at Lakeland, Florida which is right in the middle of great fishing country. Everyone of his friends here still call him Odell, or "Coach"... but in Florida (he has lived there 21 years) he is known by nothing but "George." He works as Sales Mgr. for a citrus harvesting equipment company. Odell was here to visit his son Perry, and daughter, Monet, and to attend funeral services for Monet's husband, Bobby R. Williams who died in Vietnam.

Years do change SOME people... take Billy for instance... when he played football & basketball under Coach

W, he weighed 128 lbs.... ringing wet!

Read yesterday where Athens, Greece has made some laws against schoolboys who grow beards, let their hair grow long or wear bell-bottom trousers. The Greek education minister issued an order to all high school students warning that any such unorthodoxy in dress and appearance must stop. The order warned police will shave the heads of boys with long hair. Schoolgirls were told to comb their hair properly and use "white, blue or black ribbons to keep it in place." Otherwise, they will be in trouble with the Government! Now who would ever have dreamed that this type fad amongst students had reached as far as Greece, who knows... maybe THEY started it.

I REFUSE to talk about my LAST fishing trip to Lake Meredith. I got so scared in

the boat... and Billy got so MAD because I didn't trust his driving that he refuses to take me back again. He says since I am so scared of water he can't imagine why I even bother to drink it. Come to think of it I haven't drunk much of it since Saturday. But let me say this, when it's 11 o'clock at night, you're out in the middle of the lake, clear up to Blue West, your boat is filling with water, and the motor will NOT run, you have NO life jackets and NO oars... it's time to be scared, ...and that I was... but never again. I have restricted my fishing to the bank... or Don Rice's barge!

Dallas Haner flew to Kingsville May 24 and came back May 29 with his brother, Gary who attends Texas A & I College at Kingsville. Their parents, the Ed Haners and Tommy left Wednesday for Tulsa, Okla. for a visit with her brother and family, Mr. and Mrs. Arthur Bowsher.

THIS WEEK'S USED MACHINERY SPECIAL
Used John Deere 4010 LP, RC Tractor, with cab \$3000.00
Used John Deere 1958 #95 Combine, with cab \$1800.00

NEW MACHINERY NEWS
We have always said that in order to know what machinery is the best buy, you should ask the men who use the Long Green Line-John Deere. This week we suggest you ask the boys who attended the Tractor and Safety Program, supervised by Robert Adamson and taught by our shop foreman, Louis Miesner. The John Deere 4020 tractor, equipped with power shift was a favorite with the boys. Boys like to drive the power shift 4020-owners like them because it eliminates clutch problems. Come by and drive one yourself.

Guided Tour To Include County Historical Sites

Something new has been
added to the Hansford County
celebration schedule this
year; an event which will
prove to be very interesting
to county citizens.

This will be the guided tour
which will take you to some
eight County historical mark-
ers plus the old Ft. Zulu
Stockade.

Marking historical sites in
Hansford County has been the
job of the County Historical
Survey Committee. This
committee was appointed by
the state to mark and pre-
serve for posterity various
sites throughout the commu-
nity--each of which has played
an important role in the de-
velopment and early settling
of Hansford County. A guide
will be present to explain
each marker.

The Jaycees organization
hopes to be able provide buses
for the tour; if not, there
will be plenty of cars.

The tour is scheduled for 2
p.m. Saturday June 8, with
stops to be made at the fol-
lowing marker sites:
DODGE CITY-TASCOSA
TRAIL (Marker at Old Hans-
ford) This road was surveyed
during Civil War to haul mili-
tary supplies to Ft. Bascom,
New Mexico territory. Then
came the buffalo hunters using
the trail to haul hides and buy
supplies. Tascosa became a
town in early 1880. Ox teams
and mule teams hauled freight
for the Cowboy Capital of the
Panhandle and ranches that ran
to hundreds of thousands of
dollars annually. Herds from
all over the Panhandle trailed
into Dodge over this route for
a number of years. Stage
coaches ran weekly, carrying
mail and passengers over the
242 mile stretch. Brick for
the courthouse at nearby ghost
town of Hansford was hauled
from Dodge along this route.

Later freight came over this
trail from Liberal. Ranchers
continued to use portions of
this trail until 1920 when the
railroad built across the county
and Spearman was establish-
ed. Thus, another old historic
trail was fenced and plowed
under. The trail is still visible
at the marker site however.

OLD HANSFORD HOTEL (still
in use, its now the Spearman
Hotel owned by Mrs. Beck at
502 Davis St., Spearman)
The hotel was built in the old
town of Hansford. Construction
was started in 1908 on lots 27
& 28, Blk 53 old town of Hans-
ford. Built by a company
known as the Hansford Hotel
Company, trustees were Bert
O. Cator, J. H. Wright and S.
B. Hale. The building was
completed in the spring of
1909. First manager was C. R.
Thomas, moving to Hansford
with his family from Indiana
in May 1909.

At this time there was a
railroad boom in the county
known as the BO&W. Many
people were moving into the
area. The Hotel filled a real
need for the little town of
Hansford.

The Hotel had many differ-
ent managers: C. R. Thomas
(the first) Mrs. Bessie White,
Dave Foley, Patty Doyle, W.
H. Morney, and was finally
sold to Ira F. Davus. He was
the owner at the time the ho-
tel was moved to Spearman in
1920.

Mr. Dacus managed the ho-
tel until it was sold to H. M.
Wiley in 1924. Mr. Wiley
sold it to J. C. Lee Feb. 22,
1930-Lee sold to R. H. Cooke
Feb. 21, 1933 and R. H. Cooke
et al sold to Sid Beck,
deceased, husband of the pre-
sent owner Mrs. Sid Beck.

ROBERT E. (BOB) MARTIN
1868-1911
First sheriff of Hansford to
be killed in the line of duty,
Mr. Martin was killed while
assisting a US Marshall mak-
ing an arrest in a boundary-
line dispute in the northwest
part of the County. He was a
cowboy-farmer, chosen for
office out of regard for his
standing as a good citizen.
Mr. Martin came to Hansford

in 1876 and organized in

County in 1906, bought a
section of land. Eager to see
the area develop, he ran a
livery stable at old Hansford,
which provided transportation
for prospective land buyers.
Married Sophia Snowden,
father of 10 children. Sheriff
from 1908 until his death in
1911.

OLD HANSFORD COURTHOUSE
This Courthouse was built
in 1891 constructed from red
brick brought overland by wa-
gons from Dodge City, Kansas.
It was the first courthouse in
the County.

Hansford County, surveyed
in 1876 and organized in 1889,
was named for John M. Hans-
ford, a Texas Congressman
and Judge.

FARWELL

The town of Farwell, lo-
cated some 3 miles east of the
present town of Gruber, was
the first town in the County.
Originally it was intended to
be the first County Seat of
Hansford County but by a ma-
jority vote the town of Hans-
ford was designated as the
county seat. Farwell was es-
tablished in 1886 and named
for John V. Farwell, a sur-
veyor. The rocks at the mark-
er site are the original ones
used to case a 200 foot hand-
dug well to supply water for
the town.

HANSFORD CEMETERY

Site on east side of Palo
Duro Creek. First burial plot
in county. Mrs. Alfie P. Mc-
Gee wife of Hansford County's
first sheriff marks the first
grave, January 7, 1890.
Two brick masons--Pete
Winsell and a Mr. William-
son, working on the new cou-
thouse, were killed in a torn-
ado. They were the next to
be buried here, in 1891.

SPEARMAN

(marker erected 6-15-67 on
highway 207 in SW Spear-
man.)
Founded 1917, Incorporated
in 1921. Named for Thomas
G. Spearman, a vice-presi-
dent and head of the land de-
partment of Santa Fe RR. The
Santa Fe line was completed
to Spearman in 1920, making
this the first railroad shipping
point in the county.

Hansford County, created
in 1876 and organized in

1889, relocated its county
seat here in 1929. The court
house was built in 1931.
Streets paved with brick make
city distinctive.

ZULU STOCKADE

In 1872, Jim & Bob Cator,
coming from Hull, England
to the United States and tak-
ing up buffalo hunting as a
means of livelihood establish-
ed themselves in a dugout be-
side the Palo Duro Creek in
Hansford County, Texas where
there was protection from the
weather and plenty of wood
and water. They were but
forty miles from Adobe Walls.

In 1875 the Cators erected
a building of cottonwood tim-
bers and logs hauled from
Moore's Creek--in what is
now Hutchinson County. They
put in a stock of merchandise
and called the place "Zulu
Stockade." The purpose of
the Zulu Stockade was a trad-
ing post for the buffalo hunt-
ers. It was the first building
constructed north of the Can-
adian River. The next year
the Fort Dodge and Fort Bas-
com road opened and for ten
years Zulu Stockade continued
to be the only trading center
north of the Canadian River.

The first Post Office on the
North Plains was at Zulu in
Hansford County. Robert (Bob)
Cator was appointed Postmas-
ter December 20, 1880. It was
the only post office establish-
ed in the forty-four county
area that year. The office at
Zulu was discontinued Feb.
28, 1895; but it was re-es-
tablished with Mary E. Tyler as
Postmistress. The office was
finally discontinued on Janu-
ary 31, 1918 with the mail
going to Hansford. Mrs. Clara
L. McCrea took the position
of Postmistress in December,
1901.

The name "Zulu" was used
because of an English War
which was in progress at the
time the building was under
construction.

Zulu also served as the last
stage stop in the County for
the Dodge City-Tascosa Trail.
The stage stop had stables for
the teams to change.

The beaten, trodden path
of this famed trail remains
along the Palo Duro creek.

The marker location is
placed on the original site of
the stockade on the P. F.
Hawkins property--Sec. 4,
Blk. 5T, T&NO RR, located
7 miles south of Gruber on
State Highway 136 and inter-
section of FM road 526,
thence west 1 mile, one quar-

ter mile north from P. F.
Hawkins cattle guard, .7
mile on caliche road.

LEWIS-RITCHIE
UNITED IN
MARRIAGE
Miss Linda Lockhart Lewis
and Carol Ritchie were mar-
ried Wednesday, June 5 at
the courthouse. Justice of the
Peace Johnny Vernon conduct-
ed the ceremony.

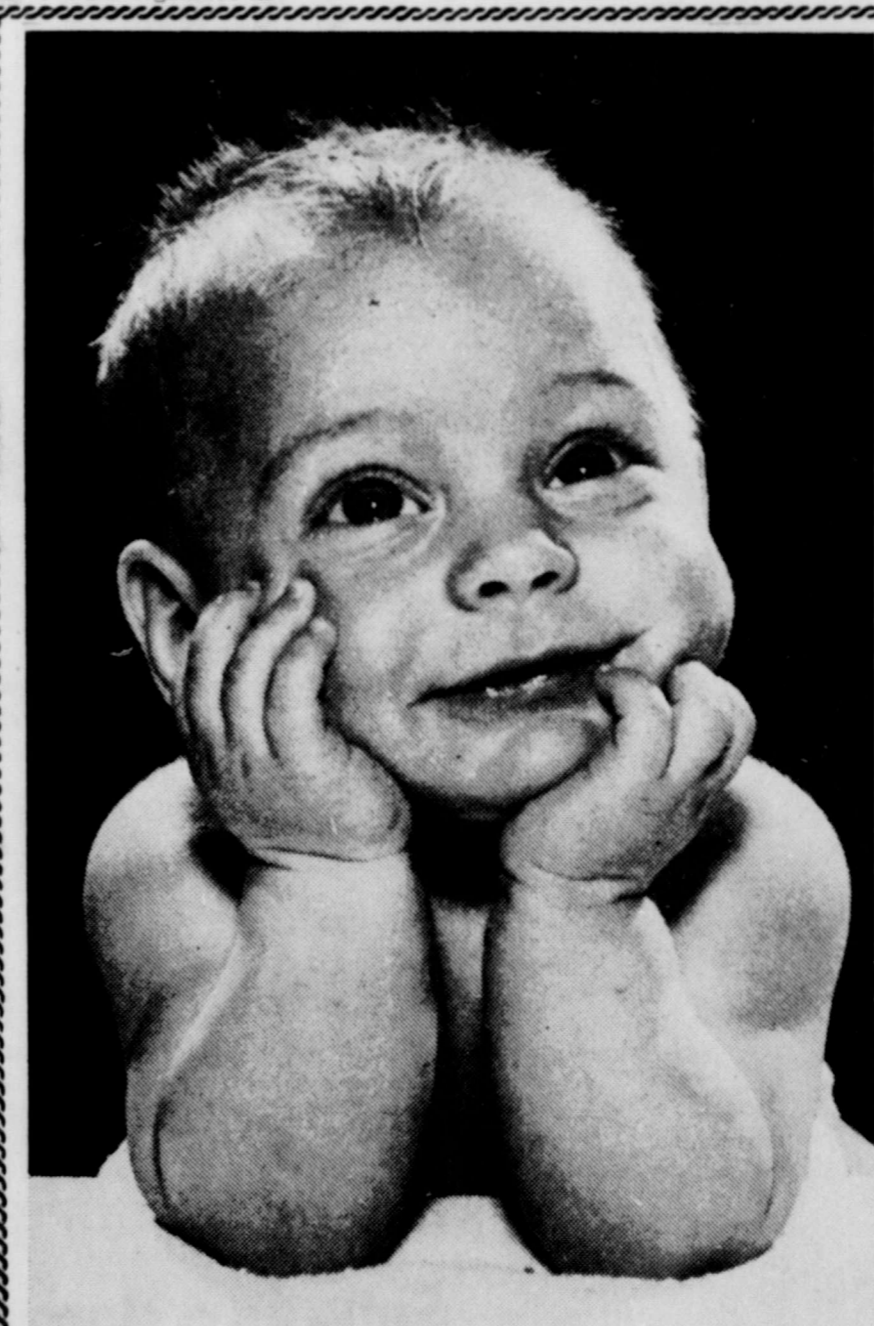

The couple will be living
in Gruber where he is employ-
ed by Fred Meyer.
Parents of the bride are Mr.
and Mrs. David C. Lewis of
Floydada and the groom's
parents are Mr. and Mrs. Orel
B. Ritchie of Mineral Wells.

SCS Technicians Aid Farmers

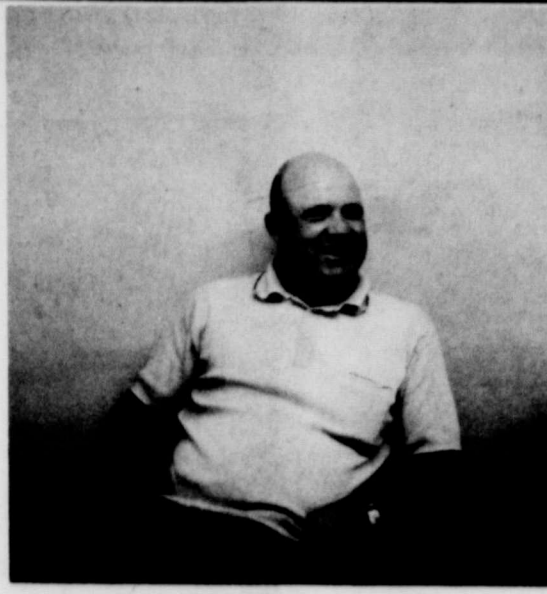

New irrigation systems have been recently installed by the Harley Alexander, Don Cain and Lawton Guthrie.

The primary purpose of irrigation is to supply crops with the needed amount of water at the right time. Irrigated agriculture is an intensive form of agriculture and requires a considerable amount of planning and investment. The productivity of the soil must be such that increased returns will more than off-set the added expense. Some of the soil characteristics that need to be considered are: depth, texture, permeability, available moisture capacity, fertilizer and organic matter. Relative elevations of the water source and the various portions of the field to be irrigated are important in determining feasibility of irrigation, type of system and location of control structures. These can be run by the Soil Conservation Service.

The surface irrigation system generally is well suited to the fine textured soils. The slope of the land should be considered to determine rate of application, length and direction of runs. This method is not recommended on slopes which cause excess erosion. Drilled crops such as alfalfa or grass may be irrigated on steeper slopes than row crops. Our underground water can be exhausted and the best possible use should be made of it. A well designed and operated irrigation system will eliminate excessive water loss. An irrigation system must be designed to fit the specific condition under which it is to be used. Soil Conservation Service Technicians are available to help any district cooperators in the planning, design and operation of any type of irrigation system.

Two ways to prevent home burglaries while the family is away on vacation, according to Liberty Mutual Insurance Companies, are to tell the newsboy or milkman to stop deliveries and to ask the next-door neighbor to keep an eye on the house.

PERSONALITY OF THE WEEK

Show our personality of the week an ant hill and he'll probably top it off with a golf tee. If there's one thing Charles Patton likes better than playing golf, it's talking about golf. Any time you catch him on a coffee break, you can expect him to bring up the subject of his latest round. Of course, Pat talks about other things too and he's always in a happy mood. He likes a good story and can spill a few yarns himself. When things go wrong, most of us are apt to be a little on the gloomy side but our personality of the week will greet you with a smile even when the Patton Motel is without a single guest. The motel business, like many other businesses is a seasonal one and Charles has learned to roll with the punches when the fruitless season rolls around. On the other hand, when harvest time and other busy seasons roll around, you'll find him strictly on the job attending to the needs of his guests, many of whom patronize his motel season after season. A regular guest once told me: "It's not that Charley has a plush motel. I pass up so called luxury motels just to stay in his place because he's such a darn good host." The fellow, who happens to be a salesman, told me that he looks upon Charles as a good friend and when he stops off at the motel, he spends a while before going to bed by sitting in the lobby and chatting with Pat. You may or may not be a golfer, be that as it may, we think you'll like our personality of the week—Charles Patton.

Festival At Lake Meredith

BORGER--The fourth annual Lake Meredith Festival, an event that has grown by leaps and bounds since it began as a community fish fry in 1964, will unfold here June 6-9. This Panhandle community that bills itself as "The Gateway to the Lake Meredith Resort Area" will once again host thousands of visitors from throughout the Panhandle who recognize Lake Meredith, nine miles west of here, as the recreational oasis of the area.

The fifth annual fish fry scheduled at the Aluminum Dome Coliseum here Saturday, June 8, is the highlight of the festival and its oldest event. It was the only event in 1964, when local civic leaders, aware of the lake's recreational and business potential, sponsored the first fish fry. Over 5,000 turned out for all the Alaskan codfish they could eat for \$1--and the city knew it had an annual event on its hands.

The next year, the Borger Chamber of Commerce, in cooperation with the Borger Jaycees, added a Miss Lake Meredith Pageant, an all-civic carnival, boat and outdoor sports show, fishing rodeo and a water carnival at the lake, a dog show, and a Miss Minnow pageant, and the Lake Meredith Festival was born.

The Miss Minnow Pageant is the pre-schoolers; counterpart of the Miss Lake Meredith Pageant. Miss Minnow is a young lady 4-7 years of age chosen for poise and beauty from among 50 diminutive contestants. This year's contest is scheduled Thursday, June 6, at the Borger High School auditorium at 7:30 p. m.

Preceding the Miss Minnow Pageant on the first day of the festival are a downtown boat show and the opening of the all-civic carnival, to be set up in a block-long closed area downtown.

Friday's events, June 7, include continuation of the carnival and an outdoor sports show at the Aluminum Dome Coliseum.

Saturday is the festival's big day--a fishing rodeo for tagged fish worth hundreds of dollars at the stilling basin below Sanford Dam, a dog show at the high school football stadium, the festival fish fry at the dome with 6000

expected to attend, and the crowning of Miss Lake Meredith from among 13 contestants that evening at the high school auditorium.

The new Miss Lake Meredith will compete in the Miss Texas Pageant later this year.

A water carnival at Lake Meredith Sunday afternoon by the Borger Boat and Ski Club will conclude the festivities. Club members will perform aquatic and aerial acrobatics on water skis with kite soaring equipment.

Local merchants donate thousands of dollars in prizes for the Miss Lake Meredith and Miss Minnow Pageants and the fishing rodeo, and feature special sales during festival week.

Last year, the festival fish fry alone attracted hungry visitors from 60 Texas communities and 13 other states. The attraction of Lake Meredith, 9700 surface acres contained behind Sanford Dam, is evidenced by the fact that over 3 million persons have visited it since its opening in 1965.

Water from the lake is also supplied by aqueduct to 11 cities as far south as Lubbock which are members of the Canadian River Municipal Water Authority.

Panhandle people have always appreciated the value of water, and the Lake Meredith Festival has become the biggest water-oriented event in the area.

In addition to all the other lake attractions, a 27 1/2 pound catfish dubbed Meredith Mike is worth \$1000 until June 31 to any fisherman lucky enough to catch him and present him alive. A large "M" is tattooed in his mouth for identification.

The folks today who have no car, no television and no stereo are sure to have a big bank account, not to mention plenty of time to talk.

HOSPITAL NEWS

Patients in Hansford Hospital are Ethel Davis, Jeffie Jackson, Doyle Allgood, Joy Rex and son, Robert Nelson, James Couch, Billy Jean Kloss, Ray Converse, Sr., Ada Chambers, J.L. Trollinger, Leo Frazier, Emma Lopez, Lester Spires, Cleffie Pemberton, Betty Langston.

Dismissed were Darrell Hollar, James Cain, Margaret Evans and daughter, Joy Rex, Thelma Gilbert, Linda Crawford, Cliff Townes, Randall Seibert, Rock McLeod, Opal Jones, Beulah Redwine, W.W. Cypert and Margaret Womble.

Fashion Facts For Men and Boys

If you think you see spots before your eyes the next time you visit Cates Mens and Boys Wear don't become alarmed because you'll probably be looking at the popular polka dot caps that are so much in demand.

You'll see lots of color too in the bright new swim suits and terry cloth beach jackets. You'll have no trouble in selecting just the right gift for that Father's Day present to Dad.

Just as a tip: consider the style crafted ties or perhaps a new belt. Of course, we could go on and on because Cates offers a selection from shoes to a large selection of summer straw hats.

CATES MENS & BOYS WEAR

MR. FARMER BEEN PLANTING A FULL SEASON MILO? NORMALLY JUNE 1 IS ABOUT THE CUT-OFF DATE FOR FULL SEASON MILO...

Don't give up for high yield possibilities. Plant a Medium Season MILO - with as good yield potential as a full season variety. Can be planted as late as MIDDLE OF JUNE. A 73 acre field in Hutchison county yielded 8096 lbs. planted June 14 and 15, 1967. Put your Milo seed money on the nose of a winner...

WARNER W-85 is NEW... But not so new that it has not proven yield potential. In a number of instances in HANSFORD and HUTCHINSON CO. it exceeded 8000 lbs. per acre in 1967.

LOOK at its record at the Bushland experiment station in 1967 - LOOK at its record in Sherman County Grain Sorghum Performance tests, in 1967. In both tests of all short season, medium, and full season, only one variety out-yielded it!

COME BY AND RESERVE YOUR SEED NEEDS NOW! STRAWN FARM AND RANCH - SPEARMAN

A red seeded grain hybrid adapted to locations with adequate fertility and moisture or under irrigation. Full season enough to assure excellent yielding potential, and yet with maturity positive enough to avoid the hazards sometimes encountered with the very late maturing varieties. W 85 has a desirable combine height, good standability, head smut resistance, and is easy to thresh.

Field Day Set For June 18

According to Charles Beedy, Hutchinson County Agricultural Agent, the High Plains Junior Angus Association will sponsor an Educational Field Day on Tues. June 18 at 2 p.m. This event will be in cooperation with the American Aberdeen Angus Association. Lee Gibson, Hutchinson County Angus breeder, has offered his facilities for the Field Day and will furnish cattle to be used for the judging contest which will be open to both youngsters and adults as separate events.

Wayman Ashley and Dean Hurlbut will represent the American Angus Association on the program. Richard Stotts, Angus Breeder from Memphis will present a very timely topic from the breed-

er's view point and Don Beerwinkle, Associate Professor, Panhandle State College, will make the official placing in the judging contest.

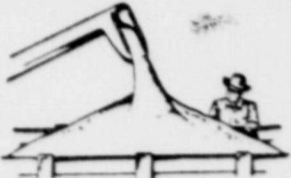

Mr. and Mrs. Darrell Pierce of Worland, Wyo. are in Spearman visiting with her parents, Mr. and Mrs. Carl Hughes. Mrs. Pierce is the former Carlene Hughes. Their three children, David, Debra and Cynthia Nell are with them. Mrs. Pierce's brother, James Howard of Stamford is visiting here with them. The Percies are also visiting with his family, the Tot Percies of Graver.

Mr. and Mrs. Jimmy Hester were in Enid attending the graduation of their daughter and son-in-law Mr. and Mrs. Larry Plank. They also visited friends in Pratt, Kans. and last weekend Jimmy visited his mother in Snyder.

THE YEAR IS 1959---first year Little League was affiliated here---the team is the John Deere Bucks, coached by Woody Beck & Ray Robertson. David Hester was the first LL player to hit a home run ball out of the park. Back row L to R: David Hester, Frank Shields, Steve Simpson, Dewayne Heaton, Johnnie Crawford, middle row: Danny Robertson, David Satson, Mickey Simpson, Jerry Holton, front row: Jerald Ray Scribner, Monty Lusby, Doug Lackey.

Jets & Sox Are Ahead

Monday June 3 marked the beginning of the second half which ends July 2. The winner of the first half will meet the winner of the 2nd half, to play the best 2 out of 3 games, the 3rd game to be played July 8th if necessary. If one half ends in a tie a ONE game play off will be held on July 2. The play offs will then be on July 5, 8 and 12.

Standing after the first half of Little League play, finds the major teams stacked up this way:

The Jets are ahead, having won 6 games and lost 1 with one game rained out.

The Indians have 4 wins, two losses, 2 games rained.

Astros, won 3, lost 3, 2 games rained out.

Yankees, won 2, lost 4, 2 games rained out.

Dodgers, won one, lost 4, 3 games rained out.

In minor league play, the Sox are ahead with 6 wins and no losses. The Braves are in second place with 4 wins, 2 losses; Yankees have won 2, lost 4 and the Pirates have lost 6.

Mr. Jack McWhirter, Maria & Lloyd and Geir Overland spent last week visiting one day at the Alamo, then on to Houston to visit with Mrs. McWhirter and Mr. and Mrs. H. H. Shedeck. They returned home Saturday.

Mr. and Mrs. Jim Hall visited his parents, Mr. and Mrs. George Lee Hall in Dumas Monday.

Local Woman's Father Buried

Funeral services were conducted at 10 a.m. in the Perryton Key Heights Baptist Church for Mr. Charley Pyles, well known Perryton business man. Mr. Pyles, 56, died Friday at his home in Perryton after suffering a heart attack.

Mr. and Mrs. Pyles came to Perryton in 1935 when he went to work as a pharmacist for the Sanford Drug. In 1949 he became associated with the Corner Drug and at his death was a principal stockholder in that business.

Survivors include his wife, Grace; two daughters, Mrs. Dan (Charlotte) Pearson of Spearman and Mrs. Gene Good of New York; two brothers, two sisters and one grandson Mark Pearson.

Miss Linda Hand is home from college in Hutchinson, Kans. Barbara Hand was home for several days over the Memorial Day holidays. She was accompanied by her fiancé, Mr. Jim Bengston of Hutchinson. Both girls will be leaving July 14 for a trip to Europe. They will be traveling with the International Cultural Educational Exchange, and will be gone approximately six weeks. The girls are daughters of Mr. and Mrs. L. F. Hand, Barbara teaches in the Hutchinson, Kansas school.

The B. J. Grayson family spent the past week in Allison and Briscoe visiting their parents, Mrs. R. P. Grayson and Mr. and Mrs. L. S. Aderholt. Their daughter Pam had been down there for several days and they went to visit and bring her home.

Helpful Hints From Me To Thee

By Vivian Warmink
Hansford Co. Home Demonstration Agent

A FASHION TIP for sewers and buyers.

Skirt lengths for spring offer choice and variety in the still-popular short skirt, the three-quarter skirt, asymmetric skirt and the full-length skirt. There is one for every mood, leg type and occasion.

The short skirt is everybody's length. It is modern, young, sharp, easy to get around in and flattering to the legs, says rheba Boyles, Extension Specialist in clothing. This length reveals their line and strength. It adds coolness in summer, too.

The new three-quarter skirt came in with the Russian look and return of the thirties look. It is especially popular for evening wear, according to the specialist from Texas A & M University.

Up to the knee in front, down in back swings the asymmetric skirt. The dress falls in uneven lengths and is shown primarily in evening wear.

Any legs can wear the full-length skirts which, this year, are wide, gathered and even all around. This type is mostly for evening wear too according to Miss Boyles.

ice cream is high on the favorite eating list.

Here is a sauce with many variations. Use it with ice cream, on a brownie or cake, mode, hot or cold.

PEPPERMINT FUDGE SAUCE

Yield: 1 1/2 cups

One pkg. (6 oz.) semi-sweet chocolate pieces

3/4 cup evaporated milk

1/2 teaspoon peppermint extract

In a small saucepan melt chocolate in evaporated milk over low heat, stirring constantly, until smoothly blended. Stir in extract.

For variations omit peppermint extract for plain Fudge Sauce, add about 2 tablespoons grated orange rind to Fudge Sauce for an orange flavored sauce. 1 1/2-2 tablespoons instant coffee powder for Fudge-Coffee Sauce.

June is Dairy Month. -A recent survey showed calcium consumption decreased 10 percent. With summer coming-

Will Preach Here Sunday

The First Methodist Church will have as their guest speaker this weekend Rev. Ken McIntosh from Hong Kong. He has served there five years along with his wife and two children, Mark age 13, and Mary age 11.

Rev. McIntosh has received several honors; was named to Who's Who in the South and Southwest in The U. S. A. 1964, to Who's Who in the Methodist Church in 1966; elected delegate to the General Conference in Dallas in 1968 from the Hong Kong Conference.

Rev. McIntosh will speak at the 11 a. m. service, and will show slides and explain more about his work at the 7 p. m. service Sunday, June 9.

The McIntosh family will leave in a few weeks to return to mission work in Hong Kong. They have been in the states on a year's furlough.

Mr. and Mrs. Ronald Henry of 315 S. Dessen are newcomers, coming here from Dumas. He is employed by Gifford-Hill Western and they have one child.

Mr. and Mrs. Billy Britt Jarvis of 105 S. Dessen have moved to Spearman from Dallas. He is self employed and they have one child.

NURSING GRADUATE---Mrs. Don Archer, formerly Doris Ann Slaughter of Spearman, is among 31 graduates who will receive diplomas from the Northwest Texas Hospital School of Nursing on June 10. She is the daughter of the late Mr. and Mrs. Stanley Slaughter. Her husband, Don, of Spearman, is serving now with the U. S. Navy.

Mr. and Mrs. Larry Love of Amarillo visited his parents, Mr. and Mrs. Aaron Love over the weekend.

Mr. and Mrs. Charles R. Spearman, are parents of baby daughter, Wendy, who was born May 30 in Ochs Hospital and weighed 13 oz.

Geir Overland Is Speaker At Club Meeting

Mrs. Deta Blodgett was hostess for the Dahlia Flower Club meeting of June 3. The club met at 9:30 in her home. Mrs. Harold Shaver, president, presided over the business session. Geir Overland presented the program on his trip back home and his trip to the HemisFair in San Antonio. Geir is here from his home in Norway visiting the Jack McWhirters and other friends he made while a student in the Spearman schools.

Attending the meeting were Mrs. Harold Shaver, Jimmie Davis, Frank Davis, Guy Remy, Ervin Hester, Carrie Clement, Mabel Edwards, Olin Sheets, Frankie Walker, Lula Womble, Sam Nitschke, Ethel Bailey, guests, Mrs. Batson, sister of Mrs. Frank Davis, and Geir Overland and the hostess.

The next meeting will be with Mrs. Frankie Walker on June 17.

Mrs. Thelma Gilbert returned home from the hospital last weekend where she is recuperating from surgery. Cindy Henderson is taking her place at the City Hall until she is able to return to work.

Spearman Girl In "Texas"

Cloetta Fullbright of Spearman, a freshman at West Texas State University has been selected as a member of the cast of the "TEXAS" musical-drama to be presented for its third season this summer in the Palo Duro Canyon State Park. Cloetta reported for rehearsals on June 1, and will be working from 1 to 3 and 6 to 10 PM each day throughout the month of June. The presentation begins June 29 and will continue through Labor Day, with performances every night except Tuesdays.

"TEXAS" is the story of the settling of the area. With a cast of 65, it is drama intertwined with native folk songs and dances going back to the Panhandle country of the 1880's. The story is challenge, humor, pathos, and excitement-reliving an unforgettable era in the American history. Cowboys, Indians, horses, wagons, and western characters are in authentic settings. People marvel at the perfect acoustics, stereo sound and dramatic lighting in the amphitheatre with a 600 foot canyon wall for a backdrop in this spectacular setting for the stars.

The amphitheatre was built as a memorial by the people of the Panhandle in cooperation with the State of Texas. The drama was listed in the top twenty travel attractions over the United States by the National Association of Travel Organizations for the years 1966 and 1967. It has also been honored by the FREEDOMS FOUNDATION at Valley Forge and is being recommended to overseas visitors by the publication, FESTIVALS USA, a publication of the United States Travel Service.

The Palo Duro was once the sheltered passageway to the Southwest and was inhabited by the dinosaurs, mammoths, buffaloes, Indians, comancheros, smuzzlers, and pion-

cers. The canyon is a tremendous abyss 120 miles long covering over 15,000 acres.

Paul Green, author of "TEXAS" has four other such productions currently operating in the United States. THE LOST COLONY at Manteo, North Carolina opened in 1937 and the play still draws thousands to that historic spot each summer. Other dramas are the COMMON GLORY at Williamsburg, Virginia; the STEPHEN FOSTER STORY at Bardstown, Kentucky; and CROSS AND SWORD, at St. Augustine, Florida. Mr. Green is currently working on historic dramas for Ohio and Georgia.

Cloetta has been active in band, choir, Madrigals, The Wayward Winds trio, ULL one-act play contest, ULL poetry interpretation, National Forensic League, National Thespian Society, FTA, National Honor Society and was recently awarded the Alpha Psi Omega scholarship at WT. Cloetta will be enrolled in a two hour course in theatre at West Texas State University and will be paid for her summer's work. For a student so interested in drama, music, acting, continuing his/her education summer work, this is indeed a wonderful opportunity. Cloetta is the daughter of Mr. and Mrs. Orville Fullbright of Spearman.

HIGH SCHOOL HONOR ROLL

Students in Spearman High School named on the honor roll and honorable mention for the last six weeks are: HONOR ROLL Toni Hudson Dalynn Brunnett Karen Baggerly Randy Weston Jim Jenkins Mark Massie Kelly Rosenbaum Kandy Vaughn Mike Cox Paula Higgins Susan Brillhart Danny Garroll Wanda Greene Steve Baggerly Nancy Long Jenny Close Debbie Hazelwood Reba McMillin Steve Sheets

SWIMMING CLASSES TO START MONDAY

Swimming lessons for children and/or adults are scheduled to begin here Monday June 10. Classes will be in session from 12 noon to 2 o'clock each day for the 10-lesson course.

Charge for the Red Cross approved instruction will be 50¢ per lesson, or \$5.00 for the complete course.

Julie King, Hedy Gibner and Patty Sheppard will be instructors. Age limits range from children 6 years through adults.

Everyone interested in learning to swim, will be present at the pool next Monday, June 10.

College Finds

Auburn University scientists have issued some test results which support what DeKalb has long been saying about the virtues of Sudax Brand. When considered on all-around performance — digestibility, crude protein and yield — it's an excellent forage.

In tests at Tallahassee, Alabama, the Auburn researchers compared various quantities of Sudax Brand SX-11 with alfalfa, coastal bermudagrass and gah-1 pearl millet. Here are some results:

Sudax Brand vs. alfalfa

Dry matter digestibility of Sudax Brand is high at all stages of maturity. It is over 80 per cent digestible when cut early, as compared with about a 64 per cent digestibility for good alfalfa hay. Even when harvested at the seed dough stage, Sudax Brand was similar to alfalfa in dry matter digestibility. Although this testing was done on lambs previous tests indicate steers react in a similar manner.

On Sudax Brand

Besides surpassing alfalfa on digestibility, the protein count of Sudax Brand, cut in the pre-boot stage, is nearly equal to that of alfalfa.

Sudax Brand vs. millet

Sudax Brand outyielded millet (a cereal grass) at both early and late season cuttings and also had a higher crude protein content than millet when both were cut at pre-boot. Dry matter digestibility was similar for the two when harvested at pre-boot.

Sudax Brand vs. coastal bermuda In comparing SX-11 with coastal bermuda, the 80 per cent digestibility of the Sudax Brand was markedly superior to a digestibility range of only 45 to 55 per cent for the bermuda.

To realize the tremendous potential of Sudax Brand, it is extremely important to cut it at the proper stage of maturity. The Auburn tests, as well as DeKalb recommendations, have emphasized this.

Artist's Workshop To Open

An artist's workshop center will be available here all summer, beginning Saturday June 8, at 303 Main Street. This will be primarily a meeting place where artists can work at table painting, decoupage, etc. with tables and chair set-ups and plenty of room.

Saturday June 8 will be open-house and people are invited to stop by and register for door prizes and see various art exhibits on display. Workshop hours are scheduled for Tuesday & Friday mornings from 8:30 to 11:30; Monday & Friday nights from 7:30 to 10:30.

For more information call Mrs. Harold Groves or Mrs. Dave Hand.

Lt. Malcolm Kirkland visited his parents, the W. E. Kirklands over the weekend. He attended the graduation exercises at Tech in Lubbock. He is stationed in San Antonio.

Class Concludes Cooking Lessons

Cynthia Hutchison, Junior 4-H Leader, concluded the series of cooking lessons for the Spanish-American women at the First Baptist Church May 27. The last lesson was on the preparation of casseroles using vegetables and meat as requested by the group. Cynthia demonstrated making chicken casserole, meat balls and vegetable dinner-in-a-dish, and mixed vegetable pie with biscuit topping. The nutrition and daily requirements of meat and vegetables were

discussed. Those enrolled in the class were Olivia Salinas, Helen Sandavol, Helen Blau, Maria Avila and Paula Gaba-lon.

Jodie Wallin of Gruver and Danny Robertson returned Saturday from a weeks vacation in Louisiana and South Texas. They visited relatives in Many and Crowley, La. and in Dallas. On their trip they say the sights of New Orleans and the Astrodome and many other points of interest. They said they really enjoyed the lush green of the country down south.

Arts & Craft Guild Meets

Mrs. Joe Dan Bryan was hostess to the Arts and Crafts Guild Friday, May 31. The ladies painted and visited through the afternoon and refreshments were served to the following members: Mmes. Guy Fuller, C. A. Gibner, Bruce Sheets, Ray Phelps and the hostess. The next meeting will be Friday with Mrs. Nolan Holt.

OWNBEY'S ENJOY VACATION TRIP

Mrs. Lena Stephenson, Mrs. Jenna V. Ownbey and children Bill, Donna and Jane have returned from a weeks' tour of Texas and New Mexico. They first went to Bryan where Jim Steve and his wife Susan and baby reside and where Jim Steve is in college at Texas A & M. They visited with them and then went on to Austin to visit James who is a student at the University. They visited San Antonio and the HemisFair, Houston and Galveston Bay. The children

swam in the Galveston Bay. Traveling on west they visited the ruins where Judge Roy Bean was the only law west of the Pecos. El Paso came next with a short visit with Nancy and Jim Archer and baby where Donna stayed to visit for awhile, then on into New Mexico where they crossed the mountains at Cloudcroft and on to Carlsbad to go through the Caverns. They reported a most enjoyable trip.

Mr. and Mrs. Troy Sloan of Spearman and Mr. and Mrs. Don McLain of Gruver were in Amarillo Sunday and spent the night there.

Bargaining Resumes

Bargaining sessions between General Telephone Company of the Southwest and the Communication Workers of America will resume Tuesday, June 4 at 4 p.m. with Commissioner Koenig, Jr., of the Federal Mediation and Conciliation Service present. Commissioner Koenig called at the request of the Company in a further effort to reach an early settlement. Owen N. Rabourn, Director of Personnel said,
