WITCHER RETIRES AFTER 48 YEARS WITH SANTA FE

A. R. WITCHER, Santa Fe Depot Agent here for the past 16 years retires on September 30. Railroad employees are honoring him with an open house reception Sunday, and the public is invited. Max L. Murrow of Waynoka, Okla. will replace Mr. Witcher as Spearman Agent on October 1.

A. R. Witcher, a veteran of some forty eight years with the Santa Fe railroad has retired.

An open house reception in his honor will be held in the hospitality room of First State Bank Sunday afternoon from one to four p.m. The general public is cordially invited to attend this affair.

Witcher has many memories of his days and years with the railroad and one of the outstanding events in his memory occurred at Quinlan, Okla. The occasion was his prevention of a serious train wreck.

According to Witcher, he was looking out the window of the station when he saw a train moving in his direction. He also noticed clouds of dust flying through the air. The cause of the dust, he determined, was several wheels

of cars having jumped the track. He ran out, flagged down the engineer thereby averting a serious wreck.

Witcher started with the Santa Fe in September 1920 at Higgins, Texas. He later moved to Canadian then to Quinlan, Okla. and later to Skellytown. He transferred to Spearman on February 1, 1953.

He reflects that his busiest year with the railroad was between 1953 and 1954. That was the period of the oil boom in the Spearman area.

Mrs. Witcher, the librarian for Spearman Junior High will join A. C. in his retirement with some pretty definite plans. Those plans include a pick-up camper and a lot of travel.

Be on hand Sunday to honor the man who went all the way with Santa Fe.

Mr. and Mrs. Lynn Cook left Wednesday for Okmulgee, Oklahoma where Lynn will attend the Tech school there.

Mrs. Loren Huff of Tyler, Texas has returned home after visiting for two weeks in the home of her sister, Mrs. Claude Crossland.

CHESTER JONES HOSPITALIZED IN CALIFORNIA

Chester L. Jones, son of Mr. and Mrs. Dennis Jones of Spearman and well known in this community, has been ill for some time and last week underwent lung surgery at a hospital in Long Beach, Calif.

Jones is doing as well as can be expected for such a serious surgery, and would appreciate hearing from his many Spearman friends.

His address is: Chester L. Jones, Long Beach Community Hospital, 1720 Termino Hospital, Long Beach, Calif.

HOSPITAL NOTES

Patients in Hansford Hospital are Wayne Johnson, Lucie Fisher, Ella Cypert, Lucian Gates, John Thompson, Jim Thompson, Lois Henderson, Jane Ownbey, Jan Rinker, Cora Babbs, Carol McBride, Hattie Booker, Birtie McNabb, Frances Biles, Harry Lash, Elizabeth Beck and Joanna Smith.

Dismissed were Darrel Holzar, Tommy Loveday, Deta Blodgett, Kevin Townsend, Mary E. Jones, Cresceno Lopez, Verlin Behne, Jack Reed, Mary TeBeest, David Swink.

LYNX READY

More heavy rains throughout the past week continue to keep farmers out of the fields. Wheat sowing is predicted to be going on clear through October.

Rain showers Sunday evening dumped heavy amounts over in the Morse vicinity and caused Palo Duro Creek to run bank full most of the week.

Showers were lighter in the Spearman area and measured only .17 in the official weather gauge. On top of the .91 inches which fell here Wednesday September 17, the week's total measurement read 1.08 inches.

THOMAS DOZIER RITES FRIDAY

Funeral services were held Friday, September 19 at 2:30 p.m. in the First United Methodist Church of Gruver for Thomas Edgar Dozier.

Mr. Dozier died Tuesday at 10:20 a.m. in the Scott & White Hospital in Temple. He was 66 years and had been a resident of Hansford County since 1916. He was a farmer-stockman.

Officiating were Rev. James Price, pastor, and Clyde Sloan, minister of the Gruver Church of Christ. Interment was in Gruver Cemetery directed by Boxwell Brothers Funeral Home.

He is survived by his wife Nayoma, a daughter, Mrs. Jack Henson of Gruver; a stepdaughter, Mrs. LaDora Mc Peters, Upton, Wyoming; stepson, Billy Ed Hoff, Salida, Colo.; two sisters, Mrs. Buster Schott of Gruver and Mrs. Fanny Golsby of Lubbock, one brother, St. Dozier of Gruver and eight grandchildren.

Pallbearers were Leon Hobbs, Ken Jones, Bob Crawford, Bob Sutton, John Mars, Jack Dempsey, Honorary pallbearers were Lyle Blanton, Fred Cooper, John Bonney, Sr., J.W. Ayres, Lawrence Gruver, Duane Fulfer, Curt Lowe, Dave McClellan, Clay Gibner, T. C. Harvey and Jim Eddleman.

College Students Subscriptions At Reduced Rate

Subscriptions for college students may be purchased at the newspaper office at the reduced price of \$4.00 for the 9-month term of school. Students will receive two papers per week, both the Spearman Reporter and the Sunday Hansford Plainsman.

The high flying Canyon Eagles will invade Lynx stadium Friday night, with their fine undefeated team. Canyon has already defeated Phillips, the kingpin of the district in their opening game this year. But the Harris rating system, picks this as one of the upset games of the week in AA football. Harris says the Lynx will defeat the Eagles by 2 points, and that Hughes Springs, will upset Jefferson by 2. However, the Lynx are nursing some pretty bruised boys, and definitely will not be at top strength for the Friday night game. This will be the largest crowd of the year at Lynx stadium and if you want to get a good seat, get out to the game early. Kickoff is at 8 p.m.

Other games this week are: Gruver Greyhounds travel to Wellington, after their win over Memphis last Friday night. The Spearman 7th grade will go to Stinnett for a 5:00 p.m. game Thursday after their tie with Boys Ranch last week. The Lynx 8th grade will play Stinnett at 6:00 p.m. Thursday after their loss to Boys Ranch 16-0 last week. One of the big games of the year, will be the 9th grade game in Spearman Thursday afternoon when the Perryton Rangers come to town for a 4:30 Thursday game. The 9th graders lost to Boys Ranch 21-7 last Thursday.

Band Director Mickey Owens, will have another big half time performance of the Spearman high school band, and the fine Canyon AAA prize winning band will also be on hand to give the local fans a big musical treat.

Don't miss this game, as it is the only AAA team to journey to Spearman this year.

Visitors in the W. R. Shaul home Saturday were his daughter Nell Odell and daughters, Kim, Sheri, Connie and Sandy from Perryton. Sunday guests were Mr. and Mrs. E. E. Sample from Borgert; Mr. and Mrs. Harold Lynn Coates and daughter from Perryton; Kenneth Coates of Spearman; Mr. and Mrs. K. E. Coates from Fairview, Okla.

BOARD HIRES NEW CHAMBER MANAGER

The Board of Directors of the Spearman Chamber of Commerce met in executive session Tuesday evening, Sept. 23 in the Chamber offices for the purpose of interviewing and electing a Chamber manager.

After very careful consideration and discussion they voted unanimously to bring W. G. (Bill) Walker, former District Scout Executive of the

Cub Scout Round-up Sept. 29

An open-house round-up for new Cub Scouts will be held September 29 at 7:30 p.m. in the Methodist Church Fellowship hall.

The program of Cub Scouting is for boys 8, 9 and 10 years of age. If the boy is in the 3rd grade, he may join at the age of 7.

Parents and sons are cordially invited to attend this Parents' and Sons' Cub Scout Roundup and learn more about the Cubbing program. Boys must be accompanied by his parents.

Monday evening in the Methodist Church.

DARREL ADKISON RECEIVES VIETNAM PROMOTION

DARREL ADKISON Spec/4 Darrel Adkison was recently awarded the rank of Sgt. at Dian, Vietnam. Darrel has been in Vietnam since November 2, 1968 and is due for shipment back to U. S. in about 45 days.

Darrel is a graduate of Spearman High School and the son of Mr. and Mrs. Arthur Adkison of Spearman.

Adobe Walls Council, from Pampa to serve as manager. Walker, who has fifteen years experience in promotional work through volunteers, moved to Pampa in November 1966 from the Scout council in Houston. His training and experience, the board feels, qualifies him for the job ahead. Walker will take over his Chamber duties here the first of the week.

Bishops To Retire

By Chet Wise

On this issue of the Reporter, John and Sammie announce the beginning of their going-out-of-business.

There was more than just reason for this decision to close out the entire stock of business that has become a landmark on the Spearman.

The reasons included rising prices, increased taxes, scarcity of help and a shrinking market for quality merchandise.

They felt they were living in a business environment which finds constant expansion the only means of survival.

John says, "We're really retiring" and anyone knows the pair of them to be certain they're not kidding. They are two people who really love life.

John says, "After forty years on the inside, I'd like to spend some time on the outside."

For a number of years John lived himself in just about every civic activity a man could take part in. When I met him he had shed himself of these community duties except for his work at the Methodist Church and local Lions Club. He slows down, so to speak on advice from his doctor. His doctor told him he was in good local shape at the time but wouldn't be for long if he kept stop wearing too many

The first time I entered Spearman Hardware was seven years ago. I had previously met John when I was at a Lions Club luncheon. I entered the store, I asked

John if he had any gummed tape. He told me that he didn't stock "sticky tape" but I could probably get it at the Spearman Reporter office. I told him that I had already tried there and they didn't have any either.

There was a salesman sitting in the store at the time and he said "John we carry gummed tape. Would you like me to send you a few rolls?"

John answered "No, there will not be another customer in here for that stuff in the next two years."

He had hardly gotten the words out of his mouth when a man walked in the store and said "Mister, you got any sticky tape in stock?"

John swears to this day that I put that fellow up to asking for that tape and I swear I had never seen the man before or since.

A few months ago, I was visiting the hardware when a man came in and asked if he could supply hobbles for a milk cow. John reached under the counter and supplied the request.

A great portion of the stock in the store was bought before the days of rising prices. I looked, for instance, at an electric grill that was priced at \$8.95. I checked the present list price on the same grill and it was \$16.95. This same situation is true on stock throughout the store. It all adds up to the fact that ten percent off yesterday's prices adds up to a whole of a saving today.

When the store closes, they both have plans to do many things they've wanted to do but could never find time for.

John plans to do some tinkering around in woodworking and both of them like to raise flowers and plants.

They'll probably throw the alarm clock in the trash can and take things easy for a while.

7 Escape Serious Injury

Mr. and Mrs. Roy Lee Uptergrove and children escaped serious injury in a two-car accident Saturday evening which occurred about 7 p.m. near Fritch, Texas at the intersections of Fritch Fortess and Eagle Road.

Seven persons were involved in the crash, according to investigating officers.

Eastbound on Eagle Road was Roy Lee Uptergrove, 46, his wife Betty, 38 and children Valorie, LeAnn and Roy Allen. Traveling south on the Fritch Fortess Road was Leland W. Abbott, 71, of Amarillo and his 10 year old grandson Jimmy Rudd. The Rudd boy was taken to North-west Texas Hospital in Amarillo where he was treated for small lacerations and released.

A witness at the scene said the vehicles slammed together at right angles. The Uptergrove vehicle came to rest in the south ditch and the Abbott car was on the north side of the roadway. Both vehicles were demolished.

Highway Patrolman Tom Wicher investigated the accident.

Probated Terms To Two Men

Danny Perkins and George Allen were placed on three years' probation after they pleaded guilty Monday in 8th District Court.

Perkins was accused of burglarizing the White Auto Store in Spearman from which stereo sets were stolen. George Allen was accused of theft of Drill bits from the Jack Grace Drilling Company.

Danny Ray Perkins' home is Hollis Oklahoma. Allen is a Perryton resident.

NOTICE: There will be a Holt Cemetery clean-up day, Wednesday, October 1st.

PTA School of Information Is Scheduled

There will be a Parent-Teacher Association School of Information held Tuesday, September 30 at 2 p.m. in the Spearman Elementary building.

All local PTA officers and units from surrounding towns are urged to attend this special school.

The meeting will take place in the all purpose room.

U. S. AIR FORCE ACADEMY, Colo. -- James L. Lemons, son of Mr. and Mrs. Louis Lemons of 1121 S. Haney, Spearman, Tex., is one of 1400 freshman cadets who have entered the U. S. Air Force Academy class of 1973.

Cadet Lemons was accepted into the cadet wing after completing seven weeks of basic training, including field training at a simulated front-line combat base near the Academy, strenuous physical conditioning and survival instruction.

This is the largest class ever to enter the 15-year-old Academy and brings the current enrollment to more than 3800. The cadet now begins a four-year course of study leading to an Air Force commission and a bachelor of science degree with an academic major in one of 27 fields of interest provided in the curriculum.

Cadet Lemons is a 1969 graduate of Spearman High School where he was a member of the National Honor Society and lettered in football.

Husband & Wife Best Guessers

Interest is picking up in football guessing contests scattered weekly in this paper. This week, 93 guesses were received.

John Smith, 308 South Main, is first place winner this week. He missed only three games and guessed the tie-breaker score to be Spearman 20, Canadian 0.

The tie-breaker score is only to decide between Alita Smith, Eldon's second place winner. She missed 5 games, as did Mrs. Evans and Kenneth Smith. Smith won by a tie-breaker score of 27-0. Jim Evans' tie-breaker score was Spearman 14, Canadian 0. Kenneth Smith guessed the score to be Spearman 14, Canadian 0.

CLUB WORKS FOR SAFETY---Mrs. T.H. Howe, standing right, Safety Chairman for Hansford County Home Demonstration Club Council, spoke at the meeting Tuesday and pointed out many reasons why Spearman needs a traffic light at the intersecting highways next to the railroad tracks. The council discussed how its members could work for such a traffic signal.

screen idol drove unannounced and unexpected into Huntsville. He had heard of the rodeo and wanted to see it. He rode a horse named Tony into the arena that day and called himself Tom Mix. The 38th edition of the rodeo will feature Wanda Jackson October 5; Merle Haggard October 12; Buck Owens on the 19 and Hand Snow on the 26th.

Recent visitors in the home of Mrs. W. S. Chambers was her sister, Stella Breeze of Sayre, Okla. Also visiting along with Mrs. Breeze was her niece and husband and 2 children.

Visitors in the home of Mr. and Mrs. Tommie Jack Bruce Friday evening were Mr. and Mrs. Lee Henderson and children of Canadian. The two families enjoyed dinner and the Canadian-Spearman football game together.

Mr. and Mrs. Larry Carr of Spearman visited Sunday in Amarillo with Billy Hunt who was injured in an auto accident near Stinnett, Mr. Hunt is in St. Anthony's Hospital.

Mr. and Mrs. W.R. Hill of Amarillo are house guests here this week in the home of his sister Mrs. Lena Stephenson.

Inmates find the rodeo a chance to escape the confining life in prison. Only two have ever found it a chance to escape to the outside. They smuggled in civilian clothes and crawled beneath the grandstand to change. As they were sneaking out from under the bleachers, a guard stopped them. He thought the pair was trying to slip in to watch the performance without paying. The guard lectured them sternly on the benefits derived from rodeo monies---then he threw them out!

began 37 years ago as a recreational feature for inmates at the State Department of Corrections. There was no stadium, just a few wild horses and reckless prisoners. Some townspeople dropped by to check on the sudden flurry of dust in the vacant East Texas sandlot. And those townspeople liked what they saw.

The stadium today is an oval-shaped arena which seats approximately 27,000. Last year more than 100,000 came to watch the rodeo in an arena carpeted with wall to wall action. All the profits derived from the rodeo are placed in the Department of Correction's Educational and Recreational Fund. This fund provides educational, vocational, religious, recreational and welfare programs for the inmates. It furnishes dentures, glasses, artificial limbs, hearing aids, etc.

As in any sport, the Texas Prison Rodeo has its pre-season favorite. He was top money winner last year, pocketing \$300. It was the sixth time he had been named champion cowboy. And he's in prison serving a life sentence. He may hold the championship for a long time.

The Rodeo has worked hard to attain its billing as fast and wild. Its events are unique. In the Mad Scramble, 10 inmates come charging out of the chutes at the same time, all riding twisting Brahma bulls. In the Wild Horse Race, 10 prisoners gallop simultaneously into the arena astride bucking broncos. They hold on for 8 seconds. But most hear the buzzer from the ground level.

The hard money event is most appropriately named. A tobacco sack is crammed with \$50, then tied between the horns of a Brahma bull. The bull is turned loose and kicking. If an inmate can wrestle the sack away from the horns, the money is his. It's a hard way to make money. Top-notch professional entertainment has always been a trademark with the prison rodeo. Tradition began on a sunny October Sunday in 1934 when a

Let Me See ... by Sybil

It's that time of year again. Football, Thursday, Friday, Saturday and Sunday. Friday & Saturday I can take. But Sunday is a dark day around our house. Billy rushes home after church and pulls all the shades, stops up all the cracks where the sun shines through, gets into comfortable TV clothes and then goes to yelling. Sometimes he yells over the game, but mostly he yells "bring me this, bring me that, answer the phone, etc, etc." I don't go in for dark Sundays, so I try my best to stay out of the house as much as possible.

All you Baptists who have missed church the past four Sundays because our pastor has been away, can start coming again Sunday--he'll be back. Rev. Shoemaker has been on a preaching mission in India and will return to Spearman tomorrow.

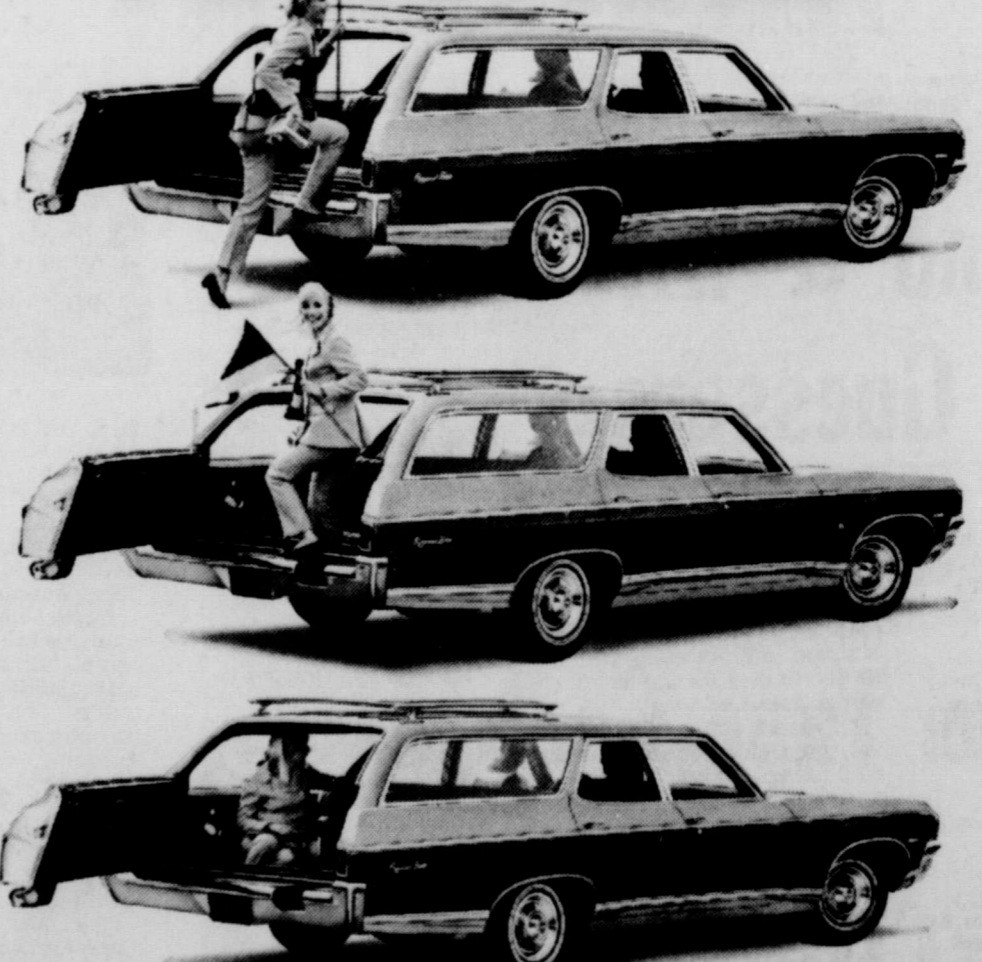

Ran across some information which will prove very interesting to "outsiders" and especially to Rodeo fans. It's about the Texas Prison Rodeo which is held each Sunday afternoon during October at Huntsville. This event has been billed as the world's fastest and wildest rodeo. Its performers are amateurs. But they have a reputation of being rough and tough. They're convicts. Only once a year they become cowboys and trade a prison cell for a date with a Brahma Bull. The Texas Prison Rodeo

Carl Lightner, representative of Small Business Administration, spoke at a luncheon here Monday and explained how the SBA can benefit a community such as Spearman.

SBA Representative Speaks To Clubs

The Lions and Rotary Clubs of Spearman met in joint session Monday for a noon luncheon in the Home Extension Clubroom. The purpose of the meeting was to hear a talk by Carl Lightner, who represents the Small Business Administration. Lightner explained the SBA could not consider applications for loans to news media such as radio, TV or newspapers. He went on to say that the administration could not enter into negotiations for loans to build apartment houses however loans for the building of motels are available. He went on to explain how an Industrial Development Board such as Spearman's would go about obtaining a loan for an industry. Our interpretation of the procedure is as follows: The local board decides upon a need for the building of a modern motel and established the cost at three hundred thousand dollars. The community would then need to raise ten per cent of the three hundred thousand dollars in cash or a total of thirty thousand dollars. This money is raised in most cases by the sale of stock. The SBA is favorable to a loan where many stockholders are involved because they feel, when a large number of local people become a part of the undertaking, it is more likely to succeed. In a nutshell the SBA believes the town spirit makes the town. When the required ten per cent of the loan is raised and the application to SBA

has been accepted, the bank, or lending institution makes the loan to the board and the SBA guarantees ninety per cent of the face value of the loan. As security, the bank holds a first mortgage on the property.

Apparently the only way open, at the present time, for Spearman to have a modern motel is through an SBA loan and the application for this loan must be made by the Spearman planning board.

There is one bridge to be crossed before the application is made and that is the raising of the ten percent on the part of the people of Spearman.

The planning board has been selling stock to meet this goal, and up to now, the stock has been issued in blocks of four shares for one hundred dollars with a minimum purchase of four shares to a buyer.

The board, after consulting with Lightner, has decided every citizen of Spearman having an interest in getting this motel built should be allowed to purchase single shares of stock for the sum of twenty five dollars.

Persons interested in purchasing stock may contact the Spearman Chamber of Commerce, Lawrence Anthony, Orvil Brummett or J. L. Brock.

Dinner Guests

Dinner guests in the home of Mrs. Helen Fisher Sunday included the following: Monroe Buchanan of Frederick, Md.; Mr. and Mrs. J. W. Buchanan, Mrs. Mitchell Clements and daughter of Dumas; Zack B. Fisher of Memphis; Mr. and Mrs. Clarence Vaught of Amarillo; Mr. and Mrs. John Allen; Mr. and Mrs. Pat Cates and Charles; Mrs. Lucy Cates of Ada, Okla.; Mr. and Mrs. David Wilson and family of Waka; Mr. and Mrs. Willis Priezen of Hardesty; Burl Buchanan, and Tom Jarvis of Stinnett.

Mrs. Ruth Baker and daughter Donna visited in the home of Mrs. Baker's son and family, Mr. and Mrs. Gordon Cummings over the last weekend. Mrs. Baker is from Guymon, Okla.

Armyworms Attacking Area Crops

During the past several days armyworms have been reported on lawns and certain crops on the High Plains, reports Dr. Bill Clymer, Extension area entomologist headquartered at Lubbock.

Most of these reports have involved the fall armyworm or the true armyworm. These insects are similar in appearance and habits and attack small grains, grain sorghum, corn, grasses and other such crops.

There may be several generations each year with the larval stage lasting 10-25 days during which time the larvae reach a length of 1-1 1/2 inches, explains Clymer. When the larvae are full grown, they burrow into the soil and go through a pupal stage or rest period.

The adult female emerges usually within two weeks but this is dependent upon the temperature. The adult generally flies some distance before laying the eggs. Each adult female lays about a thousand eggs.

Full grown fall armyworm larvae vary in color from light tan or green to nearly black, adds the entomologist. They have three yellowish-white hair lines down the back from head to tail. On the side next to the yellow lines is a wider dark stripe spotted with red. A prominent white inverted Y is on the front of the head.

Large numbers of fall armyworms can destroy entire fields or lawns and then often invade adjoining areas. Buildups are heaviest after cool, wet weather, points out Clymer. However, when host plants are limited by dry weather, fall armyworms may be found in large numbers in grain sorghum or small grain fields. Areas that have been irrigated or that are in a lush green growing condition are especially vulnerable to infestation.

Armyworms receive their common name by their habit of moving in large numbers in search of more favorable feeding conditions. These larvae can often be

seen crawling across turnrows and irrigation ditches.

A generation is possible this time of the year, but oncoming cool weather, especially in the northern counties, will reduce the chance for future adult development. Armyworm problems will disappear almost completely as we get into the late fall season, contends the entomologist.

Cultural control by shallow cultivation is effective when the larvae have become full grown and have entered the soil a few inches to pupate.

Insecticidal control of fall armyworms is accomplished most effectively when larvae are small, points out Clymer. Several applications of insecticide may be required to control larger larvae.

Producers should observe small grains closely since armyworm damage may occur in a short time. Producers should use care in the selection of insecticides for use on small grains that are to be grazed. Materials recommended for use on small grains are listed below.

Carbaryl (Sevin) 80% WP 1-2 lbs/acre. No time limitation on grain forage for use as pasture or feed for livestock.

Methyl Parathion (4 lb/gal) 3/4-1 lbs/acre. Parathion (4 lb/gal) 3/4-1 lbs/acre. Allow 15 days before grazing when using either Parathion or Methyl Parathion.

Toxaphene (6 lb/gal) 2-2 1/3 qt/acre. Do not feed treated forage to dairy animals or animals being finished for slaughter.

Mr. and Mrs. Delon Kirk, well known Spearman citizens, will celebrate their Golden Wedding Anniversary Saturday, the 27th of September.

Mr. and Mrs. Bobby Calaway of Spearman attended the Tri-State Saturday and visited in Canyon with Bobby's brother and family, Mr. and Mrs. James Lee Calaway.

Lion Clay Gibner presents his son Rotary Peyton Gibner with the team golf trophy that the Rotarians won in their recent golf match with the Lions Club. This will be an annual affair, and Lion Gibner warned his son that the Lions expected to win it back next year!

Two Local Farmers Are Candidates For Grain Sorghum Board

The Grain Sorghum Producers Association revealed today that 24 nominations have been received for the Grain Sorghum Producers Board. The grain farmers within a 29 county area, of the High Plains and the Panhandle of Texas, will elect 12 men from this list to serve as the governing board for their research and promotion activities, provided the Grain Sorghum Referendum carries by a 2/3 majority. The election will be held on October 6, 1969. It will be on the same ballot with the referendum proposition. On this ballot the farmers decide whether or not they favor an expanding research and grain sorghum promotion campaign, which will be aimed at improving the net profit in grain sorghum production by assessing themselves an amount not to exceed 5

cents per ton to carry out this important program. The names will appear on the ballot in the order of receipt by the Grain Sorghum Producers Association. This 12 man board will receive no pay for their services and will be charged with the responsibility of seeing that the 5 cents per ton is spent on the projects yielding the best returns for the farmers.

Eibert Harp, executive director of GSPA, said, "We appreciate each of these men agreeing to serve on this board if elected. They will have a great responsibility, as well as a great challenge. One which we feel will be very profitable to the grain farmers in the High Plains and Panhandle."

The nominees are: A. W. Anthony, Jr., Friona (Parmer County); Don Marble, South

Plains (Floyd County), K. B. Parish, Springlake (Lamb County), Jack F. Jackson, Abernathy (Hale County), Pat. L. Northcutt, Silverton (Briscoe County), Melvin Barton, Dimmitt (Castro County), H. L. "Hub" King, Brownfield (Terry County), Coy Grant, Levelland (Hockley County), Troy Sloan, Spearman (Hansford County), E. C. Witten, Kress (Hale County), A. R. Dillard, Hereford (Deaf Smith County), Vernon Tiley, Texline (Dallam County), Gene Smith, Lazbudie (Parmer County), Delbert Watson, Muleshoe (Bailey County), Glendon H. Ebling, Gruver (Hansford County), D. N. Gamblin, Sunray (Moore County), John Gilbreath, Hart (Castro County), Ralph B. Mabry, Petersburg (Lubbock County), C. C. "Pap" Reed, Kress (Swisher County), C. P. Smith, Hale Center (Hale County), Charles Heck, Jr., Nazareth, (Dumas County), Gaston Wells, Dumas (Moore County), Larry Witten, Olton (Lamb County).

WANDA GREENE, left, sold her teacher, Mrs. Frances Hudson, one chance on the saddle which the Golden Spread Youth Association Riding Club was giving away at the Tri-State Fair. Mrs. Hudson won the \$350.00 saddle and Wanda was glad to present it to her Monday.

SPEARMAN TEACHER WINS SADDLE WITH PURCHASE OF ONE TICKET

Wanda Greene, 16-year old Spearman High School Junior, brought home more trophies for her horsemanship talents by taking first place honors in Western Pleasure at the Junior Quarter Horse Show at the Tri-State Fair held last week in Amarillo.

Secretary-Treasurer for the group which sold tickets on the saddle won by Wanda's homemaking teacher, Mrs. Hudson.

Wanda plans to enter the Horse Show at the State Fair of Texas which will be held October 4-19 in Dallas.

She is the daughter of Mr. and Mrs. Everett Greene.

The Boots and Slippers Square Dance Club of Gruver will be square dancing Thursday night September 25 at 8:30 at the American Legion Hall. All square dancers are invited. Robert Adamson will be calling for the dance.

JACK GLOVER heads state directors

Spearmanites remember Mr. and Mrs. Marion Glover and their son Billy Jack Glover as natives of this area. They lived in Spearman many years and Billy Jack graduated from Spearman High School in 1946. Several years ago the Glovers sold their home to Ralph Blodgett and then moved to a ranch near Evant, Texas.

Jack has been going places with his music career and the following story will bring local citizens up to date on him: Early newspaper file photos show Jack Glover, 39, wearing a good deal more necktie and hair than he does today.

But the pictures prove that the Cooper High choir director has been an important figure in Abilene music circles since his Hardin-Simmons undergraduate days 20 years ago.

It was really no surprise for those familiar with the music scene when Glover was elected president of the Texas Choral Directors Assn. last weekend.

Just what does the president of such an organization do? From Jack's description, he and the board will spend much of the year perusing more than 2,500 new choral works and whittling them down to maybe 200.

These chosen few--if 200 is few--will then be scanned at the rate of 16 to 20 per session during next summer's convention.

"It is really a singing convention for choral directors," Jack explains.

Glover and his fellow officers must also make the other arrangements for the new con-

vention, including the recruitment of directors from various colleges or even out-of-state clinicians.

"Is there a lot of good music written these days?" "Yes," says Jack, "but there is also a lot of waste paper. You must go through a tremendous sifting process."

He adds, however, that about 60 per cent of the music his Cooper youngsters sing was first made known to him through these TCDA annual sessions.

The reason so many composers are creating choral music is that the field is so profitable.

"People don't realize how many students in schools alone are involved in choral work. There must be a quarter million in the state contests in Texas alone. And there are probably many more involved in some of the individual Midwestern states."

Glover, who now has his master's degree, is a broad shouldered 5-8 160-pounder whose quiet manner in conversation gives little hint of the big bass-baritone voice he enjoys using on choral occasions.

He likes to read and has kept trim in recent years fencing at the YMCA. He has a luxuriant mustache, which he now and then shaves off for a brief period.

His family too is musical. Wife Betty teaches piano and sings. Of the children, Mike, 17, plays viola; Nancy, 14, piano and guitar; Mary, 13, violin and guitar; Pat, 5, "sings lustily."

You might say that Jack himself is totally committed to music. Not only does he tutor young voices at CHS, but he also:

-is choir director at the Episcopal Church of the Heavenly Rest.

-is active SPEBSQSA barber shopper and has been since 1950.

-has been conductor of the Abilene Summer Orchestra for the past three years.

One of Jack's side projects as TCDA president is to try to find a way of interesting more church music directors in the organization which welcomes them.

He himself enjoys his Heavenly Rest post. "We have access to so much fine music which has traditionally been good in the Anglican-Episcopal communion."

A church choir presents pro-

blems, of course. "One is consistency in attendance. It is always disturbing to see choir members sitting in the congregation-imagine the reaction of a football coach who looked out and saw his star quarterback in the stands."

With all his other activities, Glover has been giving some thought to the organization of a community chorus in Abilene.

"We've had it before, but generally it was just a one shot deal with the symphony."

"It would be better to have two or three performances a season. Of course, we wouldn't want to rule out singing with the symphony as one of them if the opportunity were there."

He says programming could include everything--sacred, secular, show music.

Mrs Taylor Is Dahlia Hostess

The Dahlia Flower Club met Monday September 23 at 3:00 in the home of Mrs. Earl Taylor.

President, Mrs. Erwin De called the meeting to order and the minutes were read and approved. Various committee reports were given and a letter was read from the American Field Service asking for the club help in the expenses of the exchange student.

Members of the club who have been, or are still ill, were reported on. Deta Blodgett is home from Hansford Hospital and a report from Frankie Walker who is in St. Anthony's in Amarillo for eye surgery, was given.

A nominating committee of Mrs. Harry Shedeck, Mrs. A. F. Loftin and Mrs. Frank Davis was named to choose the new officers for the coming year.

Program leader, Mrs. Major Lackey introduced Mrs. Nolan Holt who gave a very interesting and informative demonstration of making a zinnia arrangement from tin cans.

The meeting was closed with the reading of the club collect and refreshments were served to Mrs. Bob Bailey, Frank Davis, Erwin Delk, Major Lackey, A. F. Loftin, Guy Remy, Earl Riley, Harold Shaver, Harry Shedeck, Olin Shaver and Jesse Womble, by the hostess.

One arrangement of mixed roses in a milk glass bowl was displayed by Mrs. Loftin and Mrs. Remy displayed a floral specimen of roses.

Mrs. Mabel Edwards will be hostess for the October 6 meeting with Mrs. Earl Taylor in charge of the program.

Mrs. Lena Stephenson and her daughter Jenna V. Ownbey attended a reunion in Dalhart Sunday of Mrs. Ownbey's high school classmates. Prior to the reunion, Mrs. Ownbey was honored with an exhibit of her art work and with an autograph party for her latest book of poems.

As United States leaders continue their efforts to appease Communists, Pueblo crew member Lee R. Hayes recalls his imprisonment and torture by Communist North Korea. In hopes that Americans will recognize the threats this country faces, he invites his countrymen to

REMEMBER THE PUEBLO!

No man wins when freedom fails.
The best men rot in filthy jails,
And those who cry "Appease! Appease!"
Are hanged by those they tried to please.

For Lee R. Hayes, the year 1968 could have been just a horrible memory. During eleven months of that year, he and his fellow crew members of the U.S.S. Pueblo suffered privation, beatings, and mental anguish at the hands of the Communists of North Korea. But Lee Hayes doesn't consider 1968 a loss, for it taught him the blessings of living in freedom.

He describes himself as a former average American who didn't appreciate his marvelous heritage until he temporarily lost it. Now, he wants all Americans to remember that the price of liberty is eternal vigilance. Much of this vigilance, he insists, must be directed at our leaders here at home.

Lee Hayes is convinced that the steady decline of America's world position is the result of a deliberate plan - a conspiracy by men who pretend to oppose Communism but whose policies and programs give "aid and comfort" to our enemies. He has dedicated his life "to a campaign to bring this truth to the attention of millions of good Americans."

Lee Hayes believes "my year of captivity will have been worth every minute, if it can help restore Americanism in America, for then, there would be no more Pueblos, no more 'no-win' wars, no more betrayal of our friends." Lee Hayes wants to talk to you, Mr. and Mrs. America. Won't you take time to listen?

Armyworm Horde Eating Area Crops

A corps of armyworms has invaded wheat fields and seeded late grain sorghum and literally pockmarked the Texas Panhandle.

The pattern of infestation, the number of insects and the extent of damage are unknown but agricultural agents have expressed concern about worms that have been stripping wheat and nibbling at the tops of seeded wheat.

Dr. Bill Clymer, area entomologist with the A&M Agricultural Extension Service, said reports have been about both the true and false armyworms. The insects are similar in appearance and habits and attack

rain sorghum, corn, sorghum, and other crops. The first detected on the Plains and have since moved to a dark cloud, especially in the Panhandle region.

Reports have been from "light" seeded wheat in the county, but the situation is not to the alarming stage yet. He said forage sorghum was heavily infested and fields were either infested and turning livid or as the sorghum devoured.

LETTERS OF PROTEST BEING RECEIVED

Approximately 200 letters from Hansford County citizens have been mailed or brought by the Spearman Reporter protesting the action being taken by atheist Madalyn Murray O'Hair who is fighting against "Prayer In Space". She is also working for a law against having any Bible scripture read by astronauts who make space flights.
If you have not as yet joined the thousands of Christians who wish to see that atheist O'Hair does not win her court suits, write your personal letter today, or sign the simple one below and mail or bring by the Spearman Reporter, Box 458, Spearman, Texas, 79081. These letters will be gathered and sent to the Texas Jaycees in Austin by October 6. This organization will see that all letters are in the hands of N. A. S. A. officials by October 8.

Spearman, Texas 79081

Dear Sirs:

This short note is written to you to express the fact that I have no objection to the astronauts of the future being granted the right to read aloud from the Holy Bible while in the midst of a space mission.

In my opinion this is in keeping with our American heritage which found direction and comfort in the faith contained within this holy Book. It is also my opinion that to deny this privilege would be in direct conflict with our democratic way of life. Rather than continue to negate a means of spiritual inspiration in areas of public life, we would hope for the basic freedom of each individual to worship when and if he chooses.

Thank you for considering this letter.

Sincerely,

**GSPA REPRESENTED IN WASHINGTON
MEETING WITH SECTY. OF AGRICULTURE**

Melvin Barton, Dimmitt farmer and vice president of Grain Sorghum Producers Association, is in Washington, D. C. this week to attend a farm policy session with Secretary of Agriculture, Clifford Hardin. Mr. Barton will attend the session as part of a farm coalition group showing the unity of farmers and farm organizations in asking Congress to extend the basic provisions of the 1965 Agriculture Act.

The farm coalition group is composed of 18 farm organizations. It includes representatives of 3 of the 4 major farm organizations, and the organizations representing the commodity covered by the 1965 Farm Act. This is the fourth meeting of this group that GSPA has attended and the second one for Mr. Barton.

The group met with Secretary Hardin Monday afternoon. The purpose was to show the secretary that most farmers

and their organizations are in agreement on extending the basic objectives of the present farm programs.

Much has been said lately that agriculture must be unified before very much can be expected from Congress in the way of farm legislation. It is hoped that these meetings will demonstrate the unity of the majority of the farmers toward extending the present law. There will be recommendations to improve it.

**FB Objects
To Pay TV**

WACO--The state's largest farm organization has asked Texas Congressmen to oppose efforts to institute a nationwide system of pay television.

Texas Farm Bureau President Sidney Dean of Victoria, in a letter to members of the Texas delegation to

WIN HONORS AT FAIR---Rural Youth Day at the Amarillo Tri-State Fair drew a crowd to the coliseum Saturday to watch as officials crowned 4-H FFA Wheat Kings and 4-H Bake Show Queen, Cynthia Hutchison of Spearman won a \$100 bond with her crown as bake queen. The top wheat grower of the 4-H contest was Jay Spearman of Gray County, left, who scored 91 points with a Sturdy variety sample, Jimmy Christie of Hereford was the F. F. A. winner with a Tascosa variety. The kings each won \$50 and a trophy.

Congress, said, "We are greatly concerned about recent news which indicates that the Federal Communication Commission is going ahead with plans for taking applications from prospective pay television station operators with the intention of licensing such stations to begin pay television operations in the near future."

Dean asked the Congressmen to vote for proposed legislation which would amend the Communications Act of 1934 to provide that the FCC would not have the power to institute a nationwide system of pay television unless specifically authorized by Congress.

"Our Farm Bureau members in Texas have consistently been highly vocal in their objections to pay TV," Dean wrote. "Frankly, we didn't really believe that it would ever happen--or that Congress would let it happen. Unless Congress intervenes, Dean said, the FCC's actions may well mean the end of the kind of television programming our rural viewers now enjoy."

"There is no question in our minds that pay TV stations will outbid commercial stations for major sports shows, the best general entertainment programs, and movies which we now enjoy free of charge," the agricultural leader said. "This is the old foot-in-the-door approach with a very predictable and distasteful conclusion for most of us."

**FARMERS SEEK
GRAIN SORGHUM
MARKET IN KOREA**

Grain sorghum promotion in Korea is one of the goals of the West Texas Grain Farmers and the Grain Sorghum Producers Association upon passage of the grain sorghum referendum early in October. Elbert Harp, executive director, of GSPA reported, "We are promoting the use of our grain in our own area through an expand-

ing cattle and pork industry. We feel our local markets are the best markets and this is where we must devote most of our attention, however, we must continue to push sales in areas of the world where there are markets developing for our grain. Korea seems to be one of the bright prospects in the near future for expanding our overseas sales."

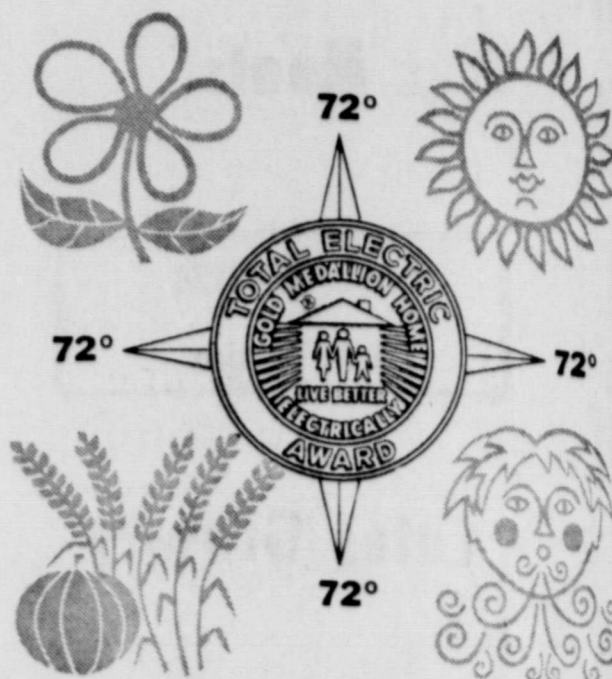

Animal agriculture and the feed industry of Korea are growing rapidly and should provide a new market for U. S. grain sorghum. This prediction was made by Richard L. Kathe, president, U. S. Feed Grains Council, in a statement addressed to Texas farmers this week.

Kathe continued, "The principal buyer of feed grains from this country and shipped overseas is the feed manufacturer. In Korea, the feed industry has grown from 100,000 tons in 1967 to 250,000 tons last year, and they expect to make and sell 400,000 tons this year. Many in the Orient compare Korea's feed and livestock industry of to-

day with Japan's of 15 years ago. While Japan grew from a few hundred thousand tons 15 years ago to the world's second largest feed industry today of 11 million tons, we don't expect that much from Korea. After all, there are 100 million people to feed in Japan and only 30 million in Korea. Nevertheless, there will be some fast growth in Korea and much of this will depend on imported grains.

The U. S. Feed Grains Council is an international trade promotion organization financed by farmers, business, industry and the government. The Grain Sorghum Producers Association, Lubbock, is a member. This promotion program for U. S. Feed Grain is carried out in 18 countries through eight foreign offices in Europe and the Far East.

Kathe noted that Korean President Park has given a very high national priority to expanding animal agriculture. He said, "There are over one million head of cattle in Korea and President Park would like to see this number multiplied several times, all within the next few years. It has been a fact that what President Park wants, is usually done one way or another. We expect to see substantial increases in cattle, swine, broilers and layers in the next few years. To help in this effort, and to assist in consumer promotion of the end product, the U. S. Feed Grains Council will open a new office in Seoul, Korea this month. It will be a part of our effort to expand existing markets for U. S. Feed Grains, and to develop new markets. We believe this is important to Texas producers of grain sorghum since approximately one-fourth of their production is exported to foreign countries, and additional foreign demand would help the Texas farmers from the increased sales."
