THURSDAY, OCTOBER 16, 1969

THESE CHEERLEADERS began this week taking orders for Homecoming mums. Above, Hazel Lesly, left, and Karen Baggerly take a flower order from Troy Sloan. Corset mums sell for \$3.50 and \$4.50, boutonnieres \$1.25. Place your order now with the cheerleaders for the homecoming game here Oct. 24 with Stinnett.

A big week-end of football is scheduled for Spearman this week. The 7th grade will journey to Boys Ranch Thursday for a 7 p. m. game.

The 8th grade will play Boys Ranch here at 5 p. m. Thursday.

Thursday afternoon at 5 p. m., the 9th grade will entertain the Phillips 9th grade at Lynx stadium.

The B team will play Boys Ranch at Lynx stadium, Thursday 7 p. m.

The Spearman Varsity Lynx will open their conference games schedule at the Boys Ranch home field Friday night, at 7:30 p. m. Coach Larry Anthony stated this week that all conference games will be played at 7:30 p. m., instead of 8:00 p. m. this year.

Fans are urged to leave early for the Boys Ranch varsity game, as the drive is extra long, and starts 30 minutes earlier this Friday.

Royd Manry To Speak At Waka PTA Workshop

Royd Manry, superintendent of schools in Odessa, will be the theme, "Education: Who's Responsibility?" at the Annual Workshop of the Fifteenth District of the Congress of Parents and Teachers, to be held in Waka, Oct. 20.

Manry, a state vice-president of the Texas PTA, is also school superintendent in Odessa and Corrigan before coming to Odessa. He is a member of the PTA and has held many offices in the organization, having served on numerous

programs for groups. Registration for the workshop will begin at 9:00 A.M. at the Church of the Brethren, Rogers Street, Waka. The meeting will be called to order at 10:00 A.M. in the church sanctuary by Mrs. J. B. McCray, Panhandle, president of District Nineteen.

The eighth grade boys of Waka school will conduct the presentation of the colors. The Reverend Herb Root, minister of the Church of the Brethren, will give the invocation. Welcomes will be given by Jim Jackson, Waka school superintendent, and Mrs. Sandra Ladd, president of the Waka PTA.

Mrs. E. J. Callaway, Jr., Spearman, aide to the district president and chairman of the workshop committee, will introduce the committee. Members are Jack Nichols and Mrs. Alvie French, Pampa; Leo Steinkoenig and Mrs. Frank Crowley, Borger; Mrs. Gale Miller, Spearman; Freeman Melton, Jr., superintendent of schools in Panhandle, will introduce Mr. Manry.

A panel discussion, "How Involved?" will also be moderated by Mr. Manry. Others taking part in the discussion will be Mrs. Ben F. Malone, Borger, supervisor of grades 1 through 8; Stanley Jagers, superintendent of schools, Wheeler; Mrs. Charles Lanehart, Pampa; Mrs. H. L. Wendel, Phillips; Miss Sherry Bergin, a Gruver High School senior, and Thomas Collard, a senior at Spearman High School.

Following lunch in the school cafeteria, served by the Waka PTA, a simulated flight to the moon, and exercise in the utilization of group resources in decision making, will be conducted by Mrs. Miller. The meeting will adjourn at 2:30 P.M.

PTA Will Take Trip To Moon

A very interesting program is planned for the Parent-Teachers Association meeting scheduled for Monday night, October 20. The meeting will be held in the junior high cafeteria at 7:30 P.M.

The program will be a simulated moon trip and parents and teachers will be divided into groups and asked to decide the priority of items on a given list which would be needed if the group were stranded on the moon.

President of the local PTA Mrs. Gale Miller said "come take this moon trip with us. It is both informative and fun!" Refreshments will be served.

Funeral Services For Jess Wagon Held Here Tuesday

Funeral services for Jess LaFayette Wagon, 82, a Spearman resident for 7 years, were held at 10:30 a. m. Tuesday in the First Baptist Church.

The Rev. B. T. Shoemaker, pastor, officiated. Burial was in Ochiltree Cemetery at Perryton by Boxwell Brothers Funeral Directors of Spearman.

Mr. Wagon, born at Harold, died early Sunday in Hansford Hospital. He came to Perryton in 1916 and to Waka, near Spearman in 1940. He was a farmer. A member of the First Baptist Church, he was a Mason and a member of the Tyrone Lodge 361 AF & AM.

Pallbearers were Lewis Frantz, Ted Widener, Orville Latham, Andy Rhodes, Don Allen and Albert Latham.

Survivors include his wife, Delphia of the Spearman home; one son, Jess L. Wagon of Amarillo; three daughters, Mrs. Doris Chase of Perryton, Mrs. Hope Anderson of Amarillo and Miss Margaret Wagon of Topeka, Kansas; two sisters, Mrs. Bertha Radford of Monrovia, Calif., Mrs. Ruth Zentmyre of Van Nuys, Calif.; three brothers, Wyatt of Elk City, Okla., Othmer and Oscar, both of Hammond, Okla.

Following lunch in the school cafeteria, served by the Waka PTA, a simulated flight to the moon, and exercise in the utilization of group resources in decision making, will be conducted by Mrs. Miller. The meeting will adjourn at 2:30 P.M.

OSLO LUTHERAN TO DEDICATE PIPE ORGAN

Members of Oslo Lutheran Church, sometimes referred to as "Country Cathedral", invite all interested friends and neighbors of the area to rejoice with them in praise and thanksgiving to Almighty God in the dedication of their new pipe organ. The dedication will be held at the beginning of the worship service at 11:00 Sunday morning, October 19. This is the culmination of a project involving long and faithful study, planning and design. The motivation of the project has been the underlying desire to inspire the most moving personal expression and participation on the part of the worshiper.

Oslo Lutheran, a small country congregation, is rather unique in many ways. It is a friendly, progressive and growing church which includes members not only from the local country area but also from the three surrounding towns, who agree that a twenty minute drive to the little country cathedral on Sunday mornings is a relaxing time of family togetherness in preparation for worship. Oslo Lutheran is well known in the American Lutheran Church for benevolence stewardship in pioneering the total sponsorship of mission churches by one congregation. Churches in Odessa and Lubbock, Texas were sponsored by Oslo.

Preliminary research over the past ten years leading to plans for their organ included visits to churches in many parts of the United States, Germany, Holland, Switzerland, England and the Scandinavian countries to study and compare church acoustics and church organs both historic and modern.

The firm selected for design, building and installing the Oslo organ was Robert L. Sipe, Inc. of Dallas. The president of this firm, Mr. Sipe, has gained national recognition for his instruments which combine some of the finest historic and modern principles of pipe organ building. The rediscovery of some of these principles was pioneered by Dr. Albert Schweitzer who recognized that many of the historic organs built 150 to 200 years ago and still being used today are more dependable, more efficient and more inspiring for congregational worship than most of the pipe organs built during the last 100 years.

Some of these principles include placement of the instrument within the sanctuary rather than buried in a wall recessed or chamber. (This permits low wind pressure to be used for gentle unforced tone and fewer pipes are necessary.) An acoustically designed cabinet or case is used to blend and project the tone. Slider type wind chests and mechanical key action are together employed, rather than electric valves and key controls, to provide more precise control and blend of the pipe's tonal speech as well as greater simplicity and dependability.

These principles are applied using the most modern materials. The action of the organ stops and automatic stop combination action is electric. The organ was custom designed for the building. Planning for a most successful installation included minor renovation of the sanctuary entrance for ideal placement of the instrument. The congregation also recently replaced carpeting and composition tile floor with an all stone floor. This has resulted in not only a bright and cheerful appearance but also clear and live acoustics. Preaching is now naturally amplified without a public address system and the worshiper is acoustically encouraged to participate heartily in singing and responses as his voice is automatically blended and joined with the grand chorus of fellow worshipers.

Mr. Sipe, the organ builder, spent many months with

OSLO LUTHERAN CHURCH

his associates in designing and building the many intricate hand made parts of the instrument. The pipes were made to his specifications in Germany and Holland. They are arranged very compactly within the cabinet work of the organ case and range in size from smaller than a pencil for the high pitch tones to eight feet in length for deep bass tones. Some of the larger pipes are made of mahogany wood, and others of zinc, copper, or highly polished pure tin. Each pipe must be carefully voiced at the final installation site for tonal quality and balance. The console is made of oak to match the church pews and

also contrasting rosewood, with ebony keys and stop knobs.

A recent recognition of Mr. Sipe's artistic ability is the announcement of the merging of his firm with the AEolian Skinner Organ Co. of Boston, Mass. AEolian Skinner is perhaps the best known pipe organ company in the United States. They have built many famous instruments in this country including the organ at the Mormon Tabernacle in Salt Lake City and also the organ of the Cathedral of St. John the Divine in New York City which is the largest cathedral in North America.

F-B Convention

The annual Hansford County Farm Bureau Convention is scheduled for Tuesday, October 21 at Morse.

The convention is slated to begin at 7:30 p.m. with a meal served in the Morse School cafeteria. Luncheon personnel will prepare a barbecue beef and German sausage dinner which will cost \$1.50 per plate.

On the agenda for the convention is the passage of various resolutions to be presented at the State convention in November.

Other business will include presenting the county's outstanding 4-H, FHA and FFA awards. Everyone is welcome to attend.

Last Rites For Ike A. Richeson Held Here Sunday

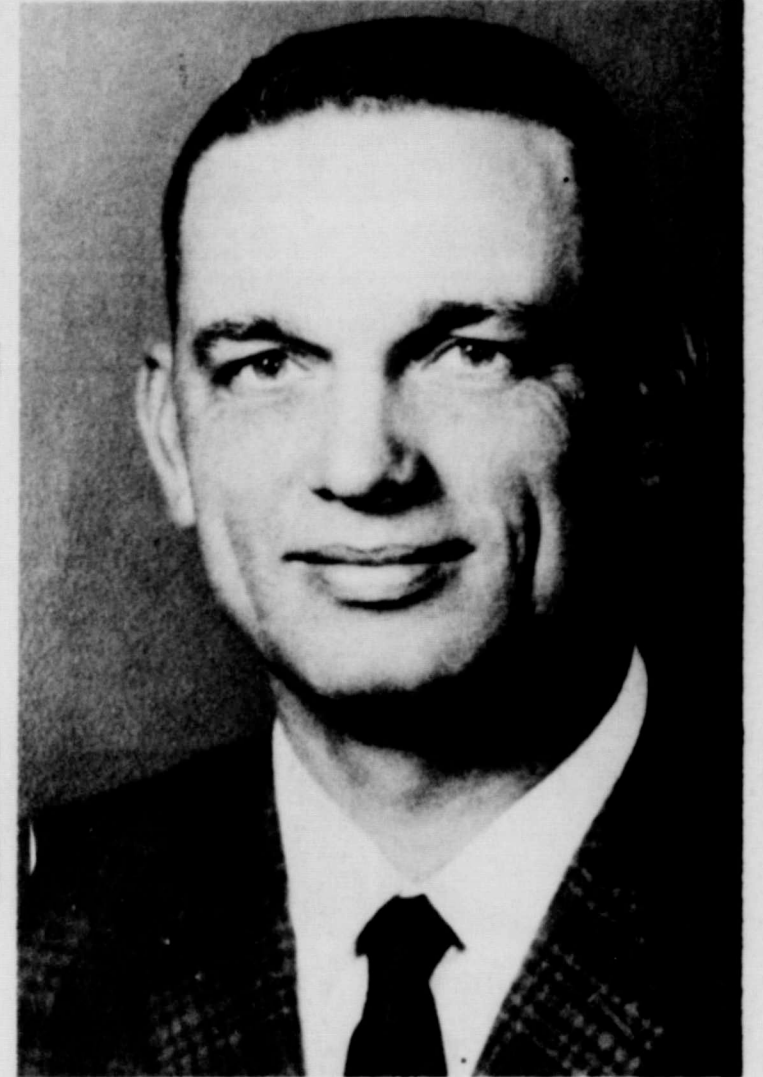

Funeral services were conducted here Sunday October 12 at 2 p.m. for Ike Aaron Richeson, Jr., who was killed Friday in an accident at a drilling rig near Beaver, Okla.

Memorial services were held in the First Assembly of God Church and were conducted by Rev. Elmer Ward and Rev. Kenneth Johnson, interment, by Boxwell Brothers Funeral Home, was in Hansford Cemetery.

Richeson, who was born July 13, 1946 was employed by Lubar, Inc. The young Spearman man was killed when several drilling collars tumbled off a rack crushing him.

He is survived by his wife, Carolyn, his parents, Mr. and Mrs. Ike Richeson of Spearman, 4 sisters, one brother and grandparents who live in Newcastle, Texas.

Pallbearers included Don Boxford, Frank Shields, Ernest Vanderburg, David Collins, Jimmy McLeod and William Wilkerson.

Sloan Resigns Tax Job

Troy Sloan, Tax Evaluation Engineer for the Spearman Independent School District for the past 15 years, resigned this position at a special meeting of the school board this past week.

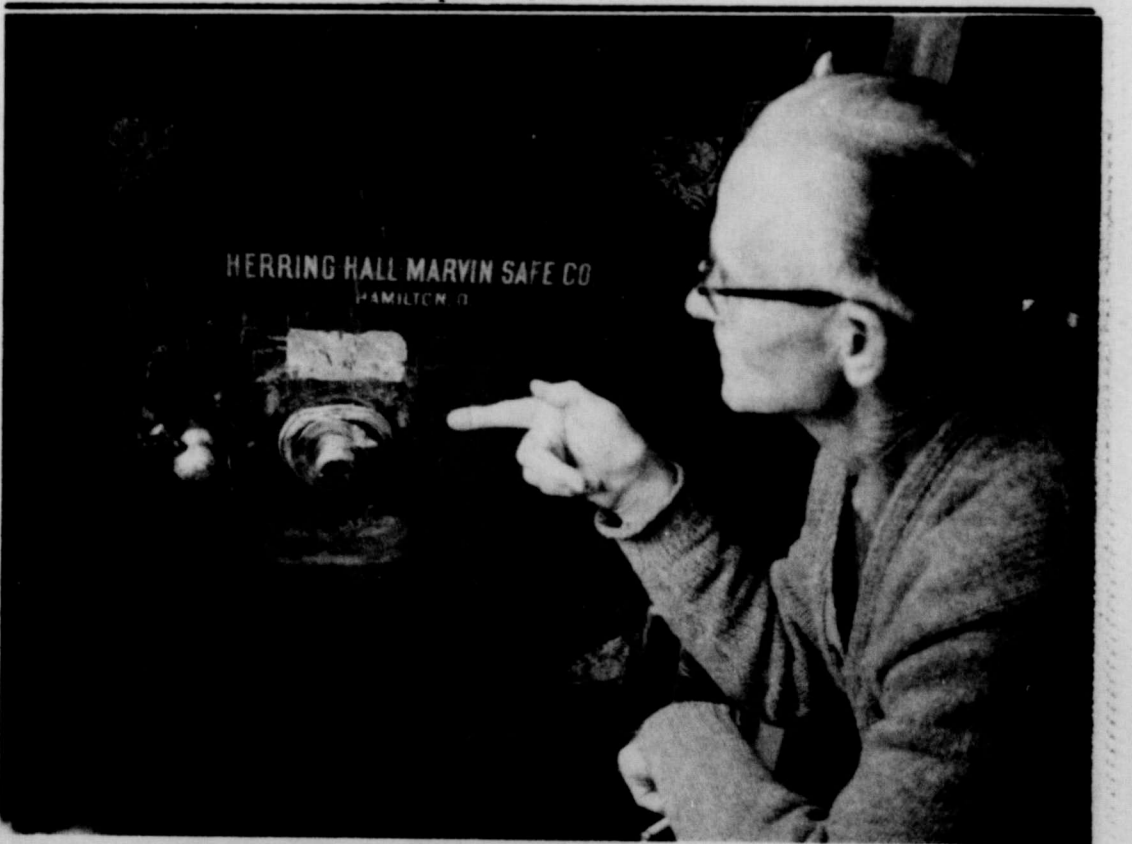

Sloan informed the board he would no longer be able to serve in this capacity due to other pressing business matters. He expressed his appreciation to the board for its consideration and confidence while he was employed as tax evaluator for this school district.

Sloan has accepted a position with the firm of Mizell, Carruth & Bradford, Tax Consultants.

The board expressed its desire to continue to employ a local person to handle this phase of the tax work

and instructed Superintendent James Cunningham to look into this matter. Applications are being taken for the job and any one interested may contact Mr. Cunningham. If the job cannot be filled by local personnel, the board will be forced to turn the evaluation job over to some Company. No firm decision has been made thus far.

At a board meeting held this week, the School board disposed of routine business matters and also employed Mrs. Zetha Blackburn as part time instructor to work with the home-bound students who, because of some disability or injury, are not able to attend classes regularly.

AB ABSTON, Mgr. of the White House Lumber Co. points to the jimmied safe which burglars attempted to enter some time over the weekend. He discovered the burglary when he reported for work Monday morning.

Burglars At Work In Area

Sheriff J. B. Cooke and his deputies have been busy the past two weeks investigating burglaries and break-ins. The sheriff said there had been a wave of thefts in the community and he warned the people to be more alert to protect their property.

Sometime the past weekend, burglars broke into the White House Lumber Company where they tried their hand at opening the safe and made off with at least \$89.00 worth of tools. At the same time, the thieves attempted to break in the back door at Ideal Food Store, but were unsuccessful.

Several days ago Wilson

McClellan, a Spearman farmer, reported thieves had stripped his combine which was parked in a field some 5 miles north of Gruver. Several belts were missing plus the two rear wheels and the air conditioner from the cab which resulted in a \$400.00 loss.

Last Friday night, thieves stole two Sterea tape players and spare tire and wheel from vehicles parked at the Excel Chevrolet-Olds used car lot.

Bob Stewart reported this week the theft of several tools from his front yard which included some electric drills.

Ditty Bags

The Hansford County Red Cross Chapter needs someone to sew up some more Ditty Bags for shipment to Vietnam. Some 100 "filled" bags are now ready for shipment, but these empty cloth bags are needed for US service men who are in hospitals and in need of something to keep their bedside articles in.

If some lady has some scraps of material and would volunteer to sew up some of these ditty bags, call Leona King or Edith Smith for patterns and dimensions. At least 50 bags are needed.

CONTEST WINNERS---84 posters were entered in the Fire Prevention Week contest sponsored by Spearman Study Club for students in grades 2-4. Prizes of \$2.50, \$1.50 and \$1.00 were presented to the first 3 places won by Phyllis Crawford, 3rd grader, Allen Hull, 4th grader, and Beth Sheppard, 3rd grader. They are pictured L to R front row. Back row, honorable mention, left, Carrie Clark, Greg Taylor, Bryan Crawford and Greg Hazelwood.

As part of Fire Prevention Week in Spearman, Fire Department personnel took the big red firetruck down to the Elementary school where boys and girls were allowed to climb all over it and see "how it works." Charles Gilliam and Bob Ragsdale passed out fire helmets and Junior Fire Marshall badges to all the children.

Bertha Salinas Thomas Collard Study Club Names October Students

The Spearman Study Club announced this week its selection for outstanding boy and girl for the month of October. These Spearman

High School students are Bertha Salinas and Thomas Collard. To honor exceptional students in SHS has been the project of the Study Club for the past several years. Students are selected by a secret panel of teachers on the basis of scholastic achievements and leadership. Bertha Salinas, daughter of Mr. and Mrs. Servando Salinas, moved here from Canyon at the beginning of her Sophomore year. She is a Senior. Her high school activities have included FHA 2, 4; Spanish club 3 (Secretary); Choir 4; Deca Club 4. She is a member of the Sacred Heart Catholic Church and sings in the choir. Bertha plans to attend West Texas State University and major in secretarial studies. Thomas Collard, Senior, son of Mr. and Mrs. John R. Collard Jr, has many interests. He is a student pilot, is a member of the

United First Methodist Church where he is active in the MYF, and has been an active Boy Scout for many years. He is a member of the Order of the Arrow and belongs to the Chief Lone Wolf Lodge No. 341 of the Adobe Walls Council, Boy Scouts of America. He is also a member of the Borger Chapter of De Molay. Thomas, who has been a member of the Lynx Football squad four years, received the Fighting Heart award when he was a Jr. He played basketball his freshman year and also participates in golf and track. In 1969, he was a representative to Boys State where he was elected to the State Board of Insurance. Other high school activities include F.T.A. This year he was named Mr. Future Teacher of America for this organization. He has played with the SHS band since he was a freshman. Thomas plans to attend the University of Houston,

Kathy Pattison In "Who's Who"

ENID, OKLA. ---Twenty-four seniors at Phillips University have been named for inclusion in the 1970 edition of "Who's Who Among Students in American Universities and Colleges," according to John L. Andrae, dean of students. "The students were selected by the faculty and Student Senate on the basis of campus leadership and scholastic ability," Dean Andrae explained. Among those selected was Miss Kathy Pattison, political science major, a Spearman High School graduate. Miss Pattison, the daughter of Mr. and Mrs. Clyde C. Yeary of Waka, has been active on the Phillips campus as secretary of the Student Senate and a member of the executive committee of the Miss Phillips University Pageant.

SHS Home Ec Lab Is Busy Place

During the last six weeks much has been accomplished in the home economics department, one of the busiest places at the high school. Mrs. Joy Barkowsky and Mrs. Frances Hudson are the teachers. Mrs. Barkowsky's Home Ec. I classes have studied foods and nutrition. At present they are getting acquainted with the school's kitchen and kitchen utensils so they can be prepared to learn practical cooking. Mrs. Barkowsky's III year sewing class is constructing garment of their choice using patterns and materials to give them new sewing experience. Her home economic III class is studying flower arrangements. They recently planned and gave three different types of parties under the supervision of Mrs. Bergin, student teacher. This class also visited the Gift Box to observe china and tableware after studying table service in class. Mrs. Hudson's sewing I class constructed aprons and are learning necessary skills needed to construct their first garment. The Home & Family Living class are studying about teen and parent relations and they have had panel discussion with parents from the community.

MRS. CHARLOTTE BERGIN above right, is getting ready to do 3 weeks of practice teaching under the supervision of Mrs. Thelma Vaughn. Mrs. Bergin has been doing practice teaching in Home Ec the past 6 weeks at SHS. She is teaching out of P, S, C, at Goodwell, Okla. This is the first time since 1958 the Elementary School has had a practice teacher.

COMPLETES PRACTICE TEACHING

Friday, October 10, was the last day for Mrs. Charlotte Bergin to do her practice teaching in the SHS Home Economics Department. She went to school at Panhandle State College in Goodwell. She observed and taught food, clothing, and Home & Family Living and is now observing Mrs. Vaughn's second grade class. She lives in Gruver where her husband, Mr. T. J. Bergin is District Manager of Dekald Agricultural Re-

search. She has two girls 17 and 15, and a boy 11 who attends school in Gruver. She is a favorite with all the Homemaking girls and everyone enjoyed her.

Card of Thanks

CARD OF THANKS
I would like to take this opportunity to express my sincere "thanks" to the nurses at Hansford Hospital and Dr. Gregg for their fine care during my stay there. I also want to thank all my friends for the cards, flowers and visits while I was hospitalized. The many kindnesses shown to me will never be forgotten.
Deta Blodgett

We take this means of expressing our heartfelt thanks to all our friends who remembered us with such kindness and deeds of sympathy during our recent bereavement.

Lose 10 Lbs. In 10 Days On New Grapefruit Diet

This is the revolutionary new grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. and Canada. Word of its success has spread like wildfire, because this is the one diet that really seems to work for most overweight people. A well known Toronto columnist recently praised it to the skies. He reported losing 20 pounds quickly and easily long after he despaired of ever getting down to his wartime weight of 165 pounds. All this without cutting out the occasional beer or rye. If it is followed exactly the average overweight person should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop 5 pounds on the 5th day. There after you will lose one pound a day until the 10th day. Then you will lose 1 1/2 pounds every two days until you get down to your proper weight. Best of all there should be no hunger pangs. Now revised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly forbidden. Such as big steaks trimmed with fat, Southern fried chicken, rich gravies, mayonnaise, lobsters swimming in butter, bacon, fats, sausages and scrambled eggs. You can eat until you are full, until you can't possibly eat any more. And still you should lose 10 pounds in the first 10 days, plus 1 1/2 pounds every two days thereafter until your weight is there to normal. The secret behind this new "Quick weight loss" is not generally known. Fat, it has been theorized does not form fat. Perhaps fat fights fat. And the grapefruit juice in this new diet might act as a catalyst (the "trigger") to start the fat burning process. You stuff yourself on the permitted foods listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and bloat are gone you will cease to lose weight, and your weight will remain controlled. A copy of the new and startling successful diet plan can be obtained by sending \$3 to THE NAPCO CO., BOX 1388 GRAND ISLAND, NEBR. 68801 (Please print address) Unconditional money-back

guarantee. If after trying the diet plan you have not lost 7 pounds in the first 7 days, another 6 pounds in the next 7 days, and 1 1/2 pounds every two days thereafter, simply return the diet plan and your \$3 will be refunded promptly and without argument. Tear out this message as a reminder. Decide now to regain the trim attractive figure of your youth, while still enjoying hearty breakfasts, lunches and dinners. Order now before others snap up the limited supply. -Adv. 47T-ltp

Let Me See ... by Sybil

I didn't have my usual "hate Monday" day this week--I was too busy reminiscing over such a wonderful weekend; a weekend which promised to be so hectic but finally worked out to be just right! We had our cousins from near Dallas planning to fly to Lubbock where we could meet and take in the big game between the A&M Aggies and the Red Raiders. From this point on, everything seemed to go awry. We could not get 5 tickets to the game---we could not find motel rooms in Lubbock---the weather turned cold and rainy and they couldn't fly! We finally found motel rooms in Floydada. The nicest people live in Floydada. We spent Saturday afternoon being royally entertained in the home of Dr. and Mrs. Charles Craig. After viewing the Texas-Oklahoma football game on TV, and enjoying cup after cup of Mrs. Craig's hot spiced tea, we sat down to a scrumptious meal prepared by Dr. Craig. Not only is he an excellent host, he is a great cook. He is one of these men I had always HEARD about, but never met. He spends most of his spare time fishing and always brings home plenty of "proof". He catches them, brings them home cleaned, and THEN cooks them. You can't beat a deal like that. Nor could you beat the meal he served us Saturday. For appetizers he served chicken livers boiled in a spicy sea-food liquid,

then chilled and covered with a tomato-pepper sauce. The main dish was his favorite fish recipe. I don't know how he prepared it exactly, but it was what I would call a fish gumbo. He baked it all afternoon in one of those large cast iron dutch ovens. The dish itself had capers, olives, onions, small new potatoes, tomatoes, and large chunks of various kinds of fish. He seemed to enjoy serving it as much as we enjoyed eating it.

Mrs. Craig served the same delicious hot spiced tea that we have been enjoying so much lately. It is an instant drink. Several of you readers already have the recipe, but for those who are not familiar with it, here it is: 1 cup instant lemon flavored Ice tea; 2 cups Tang; 3 cups sugar; 1 tsp. cinnamon, 1 tsp. cloves. Mix well and store in an air tight container. Use 2 tsp. per cup of hot water. This is a delicious drink these cold evenings, and I guarantee you will not stop with just one cup.

I came away from Floydada with a new cookbook the Floyd county women have just put out. The recipes are all new to me and I'm dying to quit counting calories and get to cooking. We also brought home three of the largest pumpkins I ever saw. Floyd county fields were covered with them and road side stands were bulging with these colorful garden fruits plus bell peppers, tomatoes and squash. Made a pretty picture. We always travel to Lubbock via the Claude road and enjoy so much the beautiful drive through the Palo Duro Canyon. It never ceases to amaze me, the way you drop right off a flat plane into this deep, deep canyon. Down and down you go, using the car brakes plus low gear. Once you are on the bottom, you look up and all around you are these beautiful towering, blue and red mountains. The climb out makes your ears pop. We crossed this canyon three times from Spearman to Lubbock, via this route. We never tire of it.

Ran into the Major Laekeys at the ball game Saturday night and the first thing they asked was how "did the Spearman & Gruver game come out?" I was glad to read the other day that your trash-can is as sacred as your home--and may not be searched without a warrant! I wish some of those dogs in our neighborhood could read that! If I thought Judge Max Boyer would hear such a case, I would bring about half those critters to court for breaking and entering. I wouldn't mind them rummaging in the receptacle if they would put all that evidence back where they found it!

Billy and I have enjoyed so much the diet drinks of late...until we read where the Food & Drug Administration is taking steps to restrict this artificial sweetener widely being used in diet foods and drinks. It seems the substance has been linked to birth defects in chickens and genetic damage in rats. Now I don't know exactly what that has to do with humans, but we are restricting our use of cyclamates. Disappoints me more than 'some' I'll tell you, for I could just see myself turning

into one of those good looking 'chickens' who can wear a size 12! Am about to give up anyway, since the only thing that fits me any different is my scarf. My skirts don't seem to be any looser, but I am sure developing a long skinny neck.

Chamber Of Commerce Has Board Meeting

The Spearman Chamber of Commerce held their annual board meeting Monday night with President Orville Bennett, Mrs. Lloyd Buzzard, Troy Sloan, Doug Conroy, Coy Palmer, Bob Phillips, Billy Miller and the new manager Bill Walker present.

This enthusiastic group spent over 2 hours discussing the future of Spearman and especially the boosting of the tourist industry. Packing plants, and killing plants were discussed, and the chamber manager is now working these projects along with the backing of the entire board.

The Chamber agreed to make a booth at the Halloween Carnival, Thursday night, October 30. Mrs. Buzzard will

be the chairman of this project and homemade ice cream will be sold at the Chamber booth.

The following names were submitted as possible board members for the coming year: Kenneth Evans, Kent Guthrie, Dan Desimone, Carl Reed, Everett Tracy, Kate Massie, A. L. Dedmon, James Cunningham, Mack Mauldin, Dorcas Collard, Dr. Latta, and Dolly McWhirter. These people will be contacted and asked about having their names placed on the ballot and if elected would they make every possible effort to attend each board meeting.

This was the new chamber managers first meeting. His name is Bill Walker and everyone is urged to give Bill a real good "Spearman" welcome.

Spearman Ladies Win Golf Tourney

Vivian Sims, Anne Sanders and Cricket Giles attended the Hugoton, Kansas Invitational Golf Tournament Friday, October 10. There were 45 entries from the Colorado, Oklahoma, Kansas and Texas area.

Cricket Giles won 1st in C Flight with a score of 108. Vivian Sims tied for 2nd in B Flight and won the play off with a score of 107. Anne Sanders tied for 1st place in Championship and Medalist against defending champion Marilyn Schmelka of Garden City. Anne won the play off with a score of 88, receiving a silver covered vegetable dish as prize.

OLD BOOK SALE

Time is drawing near for the Old Book Sale to benefit the Hansford County Library. It will be held October 24 & 25 at the Ford building, 321 Main Street in Spearman and will be sponsored by the Twentieth Century Club. Already, a nice selection of interesting books has been collected from which one may choose. Several Collector books are to be found in the wide assortment.

If anyone has additional books that he would like to donate to the sale, he should take them to the Thrift Shop located at the rear of the Library building on Saturday afternoon or call some member of the Twentieth Century Club.

Jan and Connie Trindle visited over the past weekend in their home with their parents, Mr. and Mrs. John Trindle. The girls both attend WT in Canyon. Also visiting in the home was Connie's room mate Miss Diane Winn of Casper, Wyoming.

Autograph Party To Honor Book Publisher

An autograph tea will be held in the First State Bank hospitality room October 18 from 3 to 4:30 p.m. hosted by the Spearman Art Class in honor of Dorothy Mae Groves. "Heirloom Treasure from Antique Trunks" is the title of a 24 page full color booklet on restoring trunks, written by Mrs. Groves. The author is the wife of Harold Groves of Spearman, who also enjoys restoring old trunks. They have four children. Harold is a farmer in this community.

The book just recently published, is quite interesting and informative. Not only does it deal completely with restoration, but gives a good history of trunks and carries 3 advertisements reproduced from the 1897 issue of Sears Roebuck catalogue. It also contains a thumbnail sketch

of the famous Jenny Lind and how her trunks became world famous in the 1850's. The book also includes many pictures of trunks done by other local artists, all creative women of the Spearman area. One trunk, restored by Dorothy Mae, was sold at the local art auction for \$230.00 last fall.

Next week Mrs. Groves will lecture and demonstrate for the Exposure Arts and Crafts show and Creative Leisure in the New Jersey and New York area. In the past month she was the guest artist in Salt Lake City, Utah and Denver, Colorado.

Many of Dorothy Mae's trunks will be on display at the autograph tea. All are invited to come have a cup of tea and get a personalized autographed book.

ASCS Committee Elected

Ballots were submitted late in September when eligible Hansford County voters chose community committeemen for the Agricultural Stabilization & Conservation program for the upcoming year.

County committeemen who took office the first of October were John Trindle, Ray Martin and Howard Barkley. Martin was elected to take the place of Jewel Ward who has served in this position faithfully for the past 12 years. Tom Etter and Clifford Stedje were elected as first and second alternate.

The following community committeemen took office October 1; to serve for one year:

Community A-Gene Fletcher, chairman; Elmo Dahl, vice chairman; B.J. Renner, regular member; Oliver Wallin, first alternate; Aubrey Rasor, second alternate.

Community B-John C. Venneman, chairman, Donnie Thoreson, vice-chairman; Bill Logsdon, regular member; Max Clawson, first alternate, C.J. Renner, second alternate.

Community C-Marcus Larson, chairman; Don Allen, vice chairman; Ray Phelps, regular member, Richard Shedeck, first alternate, W. D. Berner, second alternate.

Community D-Willard McCloy-chairman, Doyle Barkley, vice chairman; O.V. Walker, Jr., regular member; Gene Reynolds, first alternate; Dorsey Schad, second alternate.

Mr. and Mrs. Marvin Kunkle and son spent the past weekend at their mountain cabin near Eagle Nest, N.M. Saturday night it snowed 12 inches which is very unusual for this time of year & made for some beautiful scenery.

Sgt Ross McClure Now In Thailand

U.S. AIR FORCES, Thailand--U.S. Air Force Staff Sergeant Ross B. McClure, son of Mr. and Mrs. Howard E. Hartsell, Rt. 1, Spearman, Texas, is on temporary duty with the 4258th Strategic Wing at U-Tapao Airfield, Thailand.

Sergeant McClure, a Strategic Air Command aircraft maintenance crew chief, supports B-52 Stratofortress bombers which daily attack Viet Cong targets and KC-135 Stratotankers which provide refueling to fighter, bomber and reconnaissance aircraft conducting the air war over Vietnam.

The sergeant, a 1957 graduate of Hugoton, Kan. Rural High School, is permanently assigned at Carswell AFB, Texas.

His wife, Barbara, is the daughter of Mr. and Mrs. D. L. Gibbons, Yuba City, California.

Showing Animals At State Fair

Spearman High School Ag boys are at the State Fair in Dallas this week showing livestock.

James Kunselman, Ronnie Sasser, Seth Ralston, Ronnie Head, Richard Sasser and Robert Beck are exhibiting some 17 head of swine.

Swine were exhibited at 1:30 Wednesday with this division scheduled for complete showing Thursday (today) at 5 p.m. Some 700 head of barrows were expected at the State Fair.

Joe Ed Crawford is exhibiting a Junior Beef Steer. He exhibited his animal at 8 a.m. Wednesday. About 450 head of steers were exhibited at the fair.

Ag Instructors Bert Williams and Herman Boone, who are at Dallas with their students, said they expected some real good competition, but expressed opinions that Spearman boys could pick up some good places with their animals.

Some of the boys are expected home tonight, others will return late Saturday evening. Steers will sell Friday at 9 a.m. October 17, Barrows will sell Saturday morning.

Mrs. W.R. Underwood of Albuquerque, N.M., visited last week in the home of her mother Mrs. Bob Baley. They also visited friends and relatives in McLean, Wheeler and Mobeetie.

Mrs. Verlin Hagerman and children recently visited with Mrs. Hagerman's father, Aubrey Caudell in Briscoe, Tex. over the weekend.

Collins - Davis Win Contest

One hundred and fifty-one football entries were graded this week and for a change, a couple of adults out-guessed the youngsters!

For the second week in a row, the winners had to be decided by virtue of the tie-breaker score.

E.L. Collins, 208 Lonita St., and Irvin Davis, Box 70, both missed only one game. Collins is first place winner because he was off on 14 points on his tie-breaker score guess which was Spearman 7, Gruver 20.

Davis wins second place by missing the tie-breaker score 11 points. He said the score would be Spearman 13, Gruver 17. The football game between Spearman and Gruver played at Greyhound stadium on Friday night, ended in a tie when the Lynx scored 14 points and the Greyhounds scored 14.

Three people came within the point of the tie-breaker, but missed too many games.

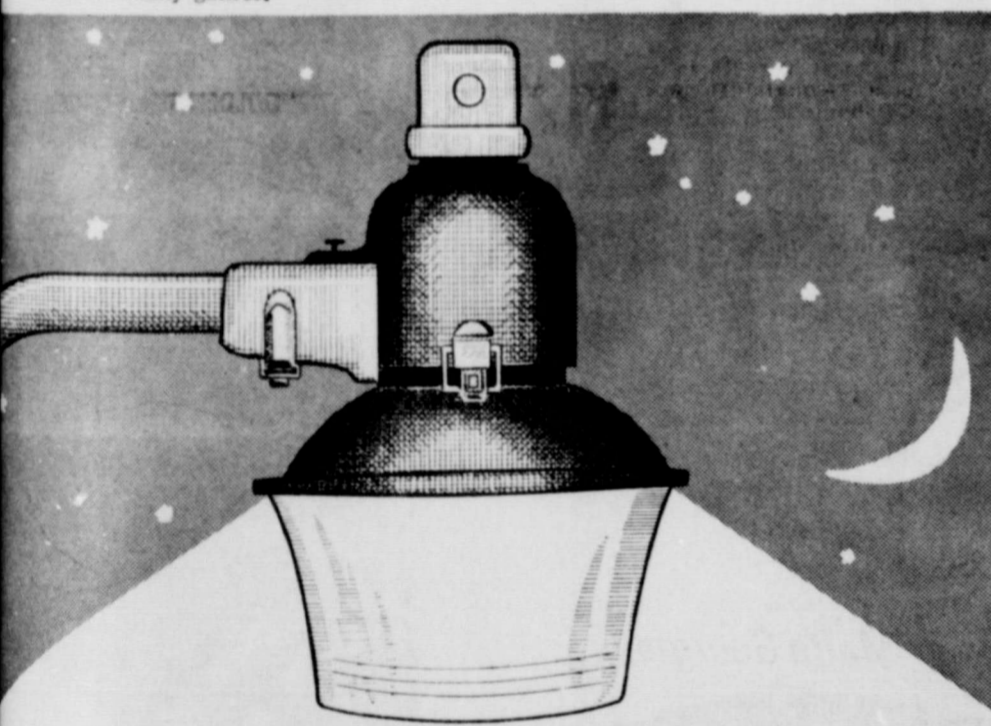

The most missed games were Texas A&M vs Tech, Houston vs Kansas City, Boys Ranch vs Sanford-Fritch and Panhandle vs Canyon.

One person submitted an entry with nothing marked except the tie-breaker score. Remember, you must guess on the games.

Only two persons missed one game. Sixteen missed 2 games, 47 missed three, 36 missed four, 22 missed five games, 10 guessed wrong on six, 8 missed as many as 7, three missed 8 games, one missed 9 games and five missed ten.

Entries must be placed in boxes before 1 p.m. Friday. You may use the entry from the football page in this newspaper, or pick up one from any of the sponsoring firms.

Winners collect their prize money at the newspaper office.

HALLOWEEN

When the ghosts walk by and you count thirteen,
And the big black cats are long and lean,
And the witches go for a nightly ride,
Astride their broomsticks side by side,
When you see the friendly pumpkin man,
Who always laughs as hard as he can,
And the owls in the trees and the owlets, too,

Begin their wailing, "Who, who, who-o-o";
When the goblins stalk and the doorbells peal
And the grownups shudder and children squeal;
When the moon rides high and the winds are keen,
Then everyone knows it's Halloween!

ON THE SEASHORE OF A REMOTE ISLAND IN THE PACIFIC THERE LIVED A COLONY OF TERNS. THEY WERE A HAPPY, CONTENTED FLOCK, MINDED THEIR BUSINESS AND IN THEIR OWN WORDS, THEY THOUGHT "HAPPINESS IS FOR THE BIRDS".

KINGS KORNER

THIS HAPPY CONTENTED FLOCK SPENT CAREFREE HOURS SOARING IN THE SKIES, CATCHING FISHES AND TURNING THEIR EGGS EVERY TWO OR THREE HOURS - IT WAS ONE OF MOTHER NATURE'S LAWS.

HOWEVER, THINGS CHANGED AS THEY SO OFTEN DO, A FAMILY MOVED INTO THEIR LITTLE ISLE AND BUILT THEMSELVES A COTTAGE BESIDE THE DEEP BLUE WATER.

THEY HAD A SON AND A DAUGHTER. THE DAUGHTER WAS NICE BUT THE LITTLE BOY WAS A PEST. HE LOVED TO THROW STONES AT THE BIRDS WHICH WAS UPSETTING, BUT PERHAPS HIS LITTLE MISDEMEANORS CAN BE CONDONED, BECAUSE THE OLD ADAGE SAYS,

"NEVER LEAVE A TERN UNSTONED."

MR. AND MRS. JAMES W. WALKER will be honored on the occasion of their fiftieth wedding anniversary at a reception to be held in the fellowship hall of the Methodist Church from 2 to 5 p.m. Sunday, November 2. The Walkers have lived in Spearman seven years. He is an employee of Furr Oil Co. Before moving to Spearman they lived at Sublette, Kansas some 15 years. He retired from City Service Oil Co. before moving to Spearman. Children of Mr. and Mrs. Walker who will host the reception include Mr. and Mrs. Jimmie Walker of Odessa; Mr. and Mrs. R. Wilson of Elkhart, Kansas; Mr. and Mrs. R.W. Elsaesser of Sublette and Mr. Robert Cole of Wakita, Okla. Friends are invited to the celebration.

PAT DAIL --- FEEDLOT EMPLOYEE

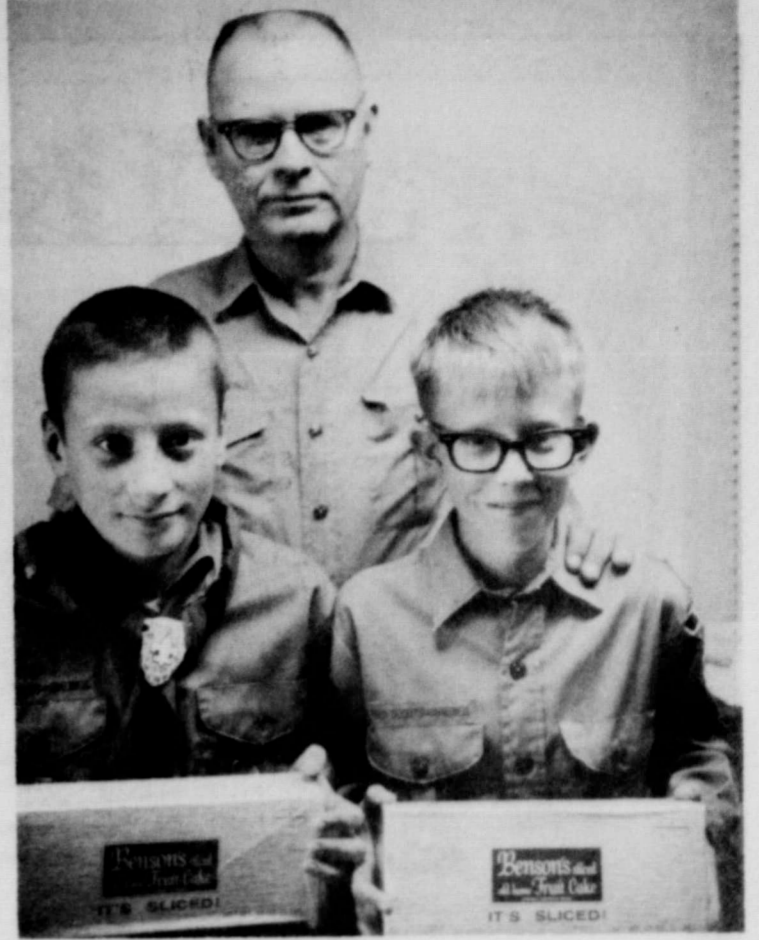

Pat Dail, 23, son of Mr. and Mrs. R.D. Dail of Eden, has been employed by Caprock Industries, owner of two 34,000 cattle feedlots near Gruver and Spearman in Hansford County.

Dail, a graduate of Eden High School and a May, 1969 graduate of Sul Ross State University, Alpine, joined Caprock Industries in August. He earned his Bachelor of Science Degree in animal science.

Dail, single, had worked in the public relations department of Union Stockyards, San Antonio, prior to his employment with Caprock Industries.

His father is manager of the Federal Land Bank of Houston in Eden.

Caprock Industries is building one feedlot southwest of Gruver and another west of Spearman. Both will have the most up-to-date facilities of any feedlots on the Great Plains. The Gruver lot opened October 1.

BOY SCOUTS OF TROOP 51 are selling fruit cakes to help buy the troop some new camping tents. The ones they are now using are close to 20 years old. The delicious confections are Benson's Old Home fruit cakes. They weigh 3 lbs. and sell for \$3.50. Scout Master Harry Stumpf and Scouts Scott Owens, left and Doug Cummings are anxious to make a few sales.

CLUB DISBANDS--Of the three original flower clubs organized in 1932, the Dahlia Club is now the only active organization. Tuesday was the last meeting for Delphinium club members. The club federated in 1948 and for many years sponsored annual flower shows. Mrs. Hazel Morton was hostess for the first meeting in 1932. The last meeting was held in her home with Mrs. Raymond Kirk as hostess. The three charter members present Tuesday included Mrs. Claude Smith, left, Mrs. P.A. Lyon Sr. and Mrs. Hazel Morton.

VOLUNTEER RED CROSS workers here prepared over 100 Ditty Bags Monday for shipment to Vietnam where they will be distributed as Christmas gifts. From L to R above are: Mrs. Bud King, Mrs. Hershel Ooley, Mrs. R.B. Archer, Mrs. George Buzzard, Mrs. C.A. Kleeberger and Mrs. Preston Smith.

LETTERS TO THE EDITOR

Dear Billy Miller, I want to tell you that I am sure your paper must be on the mailing list of everyone who moves away from Spearman, after living here for any period of time. The reason I feel sure they must be is because of the many cards we received from people who live as far away as Washington and Kentucky, who knew about Susan's death. These cards meant so much to us in our great loss and our deep sorrow. I received a poem from California that has meant so much to me, that I read it over and over again. I know that only the Lord gives us strength to bear the loss of a loved one like Susan, but as I read this poem I thought of all the parents who do not realize that their children have been given to them by the Lord, for a period of time and how are they training them. I hope you will share this poem with your readers and maybe they can share it with someone who needs the comforting message it has. Sincerely, Mrs. R.L. Uptergrove

TO ALL PARENTS by Edgar A Guest "I'll lend you for a little time, a child of Mine", He said For you to love the while she lives and mourn for when she's dead.

It may be six or seven years, or twenty-two or three, But will you 'til I call her back, take care of her for me? She'll bring her charms to gladden you, and should her stay be brief, You'll have her lively memories as solace for your grief. I cannot promise she will stay since all from earth return, but there are lessons taught down there I want this child to learn. I've looked the wide world over in my search for teachers true, And from the throngs that crowd life's lane, I have selected you. Now will you give her all your love nor think the labor vain, Nor hate Me when I come to call, to take her back again? I fancied that I heard them say: "Dear Lord, Thy will be done" For all the joy Thy child shall bring, the risk of grief we'll run. I'll shelter her with tenderness, and love her while I may And for happiness we've known forever grateful stay, But shall the Angels call for her much sooner than we've planned, I'll brave the bitter grief that comes and try to understand.

Speech Class Taking Holiday Baking Orders

In a rush? Not enough hours in one day? Too many holiday activities? You can enjoy yourself and still get your Christmas baking done. Just let the Spearman High School Speech Department do it for you. Students are taking orders for delivery during the Holiday season. Turn in your order between today and until December 15. Your order will be filled and delivered to you. Just about anything will be available (except fruit cakes because another organization in town is selling these). If you want one for your freezer now you may also choose this. If you don't have a choice think of these--cherry cream pies, Swedish Tea rings, Carrot cake, German chocolate cake, Fudge, Fresh Peach cake, Chiffon cake (any flavor), date-nut loaf filled with whole dates and pecans. That is just a beginning. The average cost for a cake will be \$5.00 and the average cost of pies will be \$2.00 and candy (with nuts) at 90 cents per pound. Everything will be guaranteed fresh and homemade. To place your order call Mrs. H. L. Sanders at 3077 or Mrs. Gale Miller at 3517. Or you may bring your order to room 107 at the high school before 9:00 A.M. or between 3:30 and 4:00 P.M.

Musician Attends Cliburn Contest

Mrs. John Berry attended the third Van Cliburn international piano competition in Fort Worth Sunday, October 12. Mrs. Berry remarked that the competition this year was truly outstanding, more so than in previous years. Miss Cristina Ortiz of Rio de Janeiro, Brazil was named the winner of the competition and also named best performer of the Shumann "Symphonic Etudes" in the competition preliminaries. Tentative plans were made for her to appear with the Amarillo Symphony possibly in September or October of 1970. Minoru Nojima of Japan won the \$6,000 second prize. Mrs. Berry told us that Russia has never sponsored an entry to the Van Cliburn competition, but it is ironic that the second place winner received a part of his musical education in Russia, as did a previous winner of the competition.

Mrs Nicholson Circle Hostess

The Rachel Circle of the First Christian Church CWF met in the home of Mrs. Jim Nicholson Thursday October 9. Arlene Boxwell presided over the business session and discussions, also presenting the worship entitled "Commitment of Resources". Jean West gave the program entitled "Necessity of Decision". Refreshments were served to Arlene Boxwell, Jean West and Nan Nicholson.

Dr. Gregg Is Guest Speaker

Dr. Damon Gregg, guest speaker for the Business and Professional Club meeting, spoke to the group on "Mental Health". The B&P women met in the home of Susie Hand Monday night at 7 p.m. Following the program, members discussed fund raising projects and decided to have a bake sale November 22. The club will also sell American flags again as a community project. They would like to see a flag flying at all homes on Veteran's Day November 11. The November meeting will be "bosses night" and will be held in the HD clubroom November 10. Guests present included: Virginia Fowler, Bingham, Mary Cole and Dr. Gregg. Members included Rhoda Overton, Nell Cummings, Evelyn Mackie, Hazel Jackson, Leona King, Rose Cummings, Emma Lou Collins and Susie Hand.

GIRLS TOWN RESIDENT ADOPTED

Members of the Xi Zeta Upsilon Sorority met Thursday October 9 in the home of Mrs. Roy Bulls for coffee before a trip to Berger to visit Girls Town. Girls Town is a state project of the sorority. The group from Spearman had a short visit with the parents of Girls Town and then went on a tour of the houses where they live. Following the visit to the home members enjoyed lunch at the Huber Country Club. During the business session, which was presided over by President Dodie Beedy, members voted to adopt a girl at Girl's Town, furnishing her allowance, money for lunches and gifts for various occasions throughout the year. Members also voted to buy the Senior ring for the foreign exchange student of Spearman High School. Those attending the meeting and going on the trip were Dodie Beedy, Charlene Bulls, Linda Davis, Pat Dear, Elaine Floyd, Deloris Guthrie, Ruby Lair, Barbara McClellan, Altha Townsend, and Mona Beth Windom.

Presbyterian Women Host Dist. Meeting

Ladies of the Presbyterian congregations of Canadian, Perryton and Spearman met for a Cluster meeting in the home of Mrs. Ben McIntyre with the Spearman church ladies as hostesses, October 9. Presiding over the meeting for the Spearman church was Mrs. Tom Eter. Forty five ladies attended the all day meeting for fellowship, with luncheon served by the hostesses. The first of the Cluster meetings was held at Canadian, and Perryton will host the next meeting. Guest speakers for the October 9th meeting were Mrs. Horace Wilson and Mrs. George Morris of Amarillo. The topic of Mrs. Wilson's speech was "The Mission Field", and Mrs. Morris spoke on "The Joy of Christianity".

Class Welcomes New Members

The Esther Sunday School Class of the First Baptist Church met Tuesday in the home of Mrs. Carl Archer. Evelyn Hiller gave the opening prayer followed by a devotional by Magda Garnett. June Day presided over the business session which included a welcome to new class members. The meeting was closed with group prayer and refreshments were served to Mesdames: Norma Holland, Kitty Bowers, Billie Carrell, Kate Massie, Alta Fisher, Marguerite Nelson, Evelyn Hiller, Pearlina Taylor, June Day and hostess Peggy Archer.

NO TEXAS COWBOY saddled this mount you can bet! The unidentified photographer who snapped the above picture wondered if the "belly saddle" was something new, or if this steed was a little too much of a bronc for the rider. (It is said this horse belongs to Lawton Guthrie.) Maybe the horse just had cold underides and the saddle was meant for protection against Monday's 36 degree temperature.

Will It Happen Again Next Spring?

Buy "Wet Field" Insurance . . . PLOWDOWN NITROMITE THIS FALL

If the big rains come again next Spring, you're safe -- with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last-minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE. Shamrock's fine brand of anhydrous ammonia -- 82% nitrogen for bigger, high-protein yields.

Fight back. Fight for your share of the big profits next year. PLOWDOWN NITROMITE THIS FALL.
