THURSDAY, JULY 9, 1970

Eight New Teachers Named To Join Spearman Schools

Hot Weather Comes To Spearman

Whew!! Folks in Spearman were perspiring, seeking shelter. For Tuesday was the hottest day yet reported this year, according to Mrs. H. P. Cates, U. S. Weather Bureau official in Spearman. The high temperature that day reached 104, she reported. And no one could doubt it as they went about their outside chores Tuesday.

Farm Bureau Seeks Queen

The Hansford County Farm Bureau Queen contest will be held early in August, officials announced this week. Any single girl between the ages of 16 and 22, who is the daughter or sister of a member of the Farm Bureau and actively engaged in agricultural production, is eligible to enter the Queen contest. The Talent Find Contest, to be held in conjunction with the Queen contest, is open to anyone between the ages of 17 and 30. Details on both contests may be obtained by calling the FB office. Contestants are asked to please register by July 20 at the Bureau office in Spearman, 659-3133. The district contest will be held August 14 in Amarillo.

Invited To Borger

Artists and craftsmen of Spearman have been cordially invited to enter their works in Borger's Third Annual Magic Plains Arts and Crafts Festival Aug. 12-15. Reservations for exhibit space may be made before Aug. 1 by writing the Borger Chamber of Commerce, Borger, 79007. There will be no registration fee.

Employment of eight new instructing personnel and acceptance of two resignations highlighted a recent meeting of the Spearman School Board. Named to teach during the upcoming year are: Mrs. and Mrs. Harley Lewis, of Lefors; she will work with the school's homebound program and he will serve as varsity tennis coach and assistant coach. Mr. and Mrs. Dan Truelove; she will serve as language arts instructor; he will be an assistant coach. Barbara Behrens of Morse; she will teach high school commercial courses in typing, shorthand and business practice. Mrs. Joe Trayler of Spearman; she will serve as a teachers aid in the elementary school. Mrs. Albert Clark of Spearman; she will work with the elementary and junior high school reading center.

Shufeldt To Play In All-Star Game

The 1970 girls North-South all-star basketball game, sponsored annually by the Texas High School Girls Basketball Coaches Association, is scheduled for 8 p. m. August 18 in Brownwood, Texas Coliseum. Playing on the North team as forward will be Spearman's Sandra Shufeldt. Coach Dean Weese said of Sandra, who graduated in May from Spearman High School, "she is one of the best all-around defensive, offensive players I have ever seen." The ball game August 18 will climax a 3 day coaching school which will be held in Brownwood. The summer clinic begins July 16 with girls basketball coaches from all over the state attending. Coach Dean Weese will appear on the program at 10:30 a. m. Friday to speak before attending coaches on "Spearman's Offense." His team won 2nd place in the State this year in Class AA competition. Other forwards on the North team include Judy Mathews, Petrolia; Vicki Gregory of Springlake; Marilyn Davis, Slaton; Cindy Ward, Floydada; Marilyn Glover, Depert; Jackie Cheatham, Quitaque; Karen Pruitt, Roby; along with Miss Shufeldt. Guards for this team will include: Carol Brown, Brownsboro; Joyce Brown, Rivercrest; Roxanne Minter, Klondike; Cheryl Davis, Canyon; Pam Tackel, Bridgeport; Brenda Brazowski, Wylie; Marsha Mahaffey, Bowie; Rhonda Garth, Friona. There has been only 2 years since 1961 that a Spearman girl has not been chosen to play in the North-South all star game. Spearman players have included Ann Harbour, Polly McLain, Phyllis Patterson, Karen Gibson, Susan Hutchison, Robbie Ownbey, Barbara Wilde, Marsha Schumann, Marcia Shieldknight and now Miss Shufeldt, who was selected to participate back in the early spring.

Church Softball Teams Start Play July 14

Spearman teams in the Church Softball League will begin play July 14, with the Methodist boys pitted against the First Christian Church footballers. All teams now are practicing at the Little League ball park. The schedule, to run through Aug. 14 in local action, is as follows, behind the initial game: July 16: Baptist vs Church of Christ. July 17: College vs Assembly of God. July 21: Methodist vs Baptist. July 23: First Christian vs College. July 24: Assembly of God vs Church of Christ. July 28: Methodist vs Church of Christ. July 30: Baptist vs College. July 31: First Christian vs Assembly of God. Aug. 4: Methodist vs College. Julie Sedberry of Houston is visiting in the home of her aunt Mrs. Wesley Garnett, Sr., this summer.

And Mrs. Zetha Blackburn of Spearman; she will teach the second grade. Resignations have been accepted from Perry Coursey, who went from Spearman to Monahans; and Ellen Graham, who recently married. School Supt. James Cunningham said at the moment officials are closing out last year's budget and preparing a new one. No budgetary figures are as yet available, he said. The school board has also purchased a new Ford station wagon from Joe Trayler for general school use. Also, Hershel Jones has been named as Spearman's delegate to a meeting of the Texas Association of School Boards slated next September at Austin. Next meeting of the school board is set for 7:30 p. m. next Monday at the school.

TOUGH SCRAMBLE FOR SPEARMAN LITTLE LEAGUERS

NEW ARRIVALS

Mr. and Mrs. David Knox announce the arrival of a baby girl born in Amarillo July 1st. Cindy Delynn Knox weighed 6 pounds 8 ounces at birth. She is the granddaughter of Mr. and Mrs. Don Knox of Spearman and Mr. and Mrs. R. G. Henderson of Hart, Texas.

Mr. and Mrs. Terry Schneider announce the birth of a baby daughter, Karoline Louise, June 30, 1970, at Newman Memorial Hospital, Shattuck, Oklahoma. She will be welcomed home by her parents, a sister, Sheila Leighann; grandparents, Mr. and Mrs. Richard Schneider, Darrouzett, Texas, and Alta Faye Harrelson, Follett, Tex.

It's going to be a tough scramble for Spearman Little Leaguers Thursday and Friday, as the games determining the season's outcome are set for 7:30 p. m. each evening at the Jaycee Ball Park. On Thursday night, the Dodgers will play the Jets for first place, with Roger Brown pitching for the Dodgers, and Roger Jones for the Jets. The Jets are now tied for first place with the Astros, and coaches say the outcome of the week's play will determine what playoff activity will follow next week. As Coach Hershel Jones explained, if the Dodgers beat the Jets, and if the Astros beat the Indians, the Astros will be declared winners, with a three-game playoff to follow. And, if the Jets win Thursday, then the Astros must win Friday night to tie up seasonal play. "We don't know just yet what to expect," said Jones. "Anything can happen. The Jets have a make-up game left with the Yankees, and we're not sure just how we'll work that out yet." In the second half of Little League play so far, the Jets have beat the Astros five times, Jones said, in a row--"but the Astros may well win out." And in the playoffs, the Astros must win three out of four games--and that's going to be tough to do. Little Leaguers and coaching staff members were adopting a wait-and-see attitude toward the outcome of the season activity, to be determined by the two games Thursday and Friday.

Ladies Swim Classes Offered

All ladies who are interested in learning to swim are asked to meet at the Spearman Swimming Pool Monday, July 13 at 5:00 p. m. to register. The cost of the ten lessons is \$7.50. For further information contact Marsha Schumann or Cathrine Lyons, instructors for the course.

HOSPITAL NEWS

Patients in Hansford Hospital are: Marie Crawford, Maxine Cook, Mike Dudley, Roy Stanton, Betty Redwine and Cora Babbs. Dismissals were: Cecil Slater, Minna Martin, Ethel Hester, Ervin Hester, Cruz Garcia and son, Sherry Partridge, Larry Sexton, Mozelle Mixon, Wilson McClellan, Richard Nava and Cathy Cantrell. Mrs. J. B. Hynal of Brownsville, Texas recently visited in the home of her daughter, and family, Mr. and Mrs. Jack Moran for the weekend. Also visiting in the home the same weekend were Mr. and Mrs. Elmer Wilson, a sister of Jack's, and 2 daughters of Tulsa, Okla. Saturday evening they all were in Borger for dinner.

Sales Tax Provides Funds For Street Improvements

Robert Ragsdale, assistant city manager, reported this week that a total of \$53,962.45 has poured into city coffers from sales tax collections since they began April 1, 1969. Much of those funds already have been expended in needed street improvements, Ragsdale noted. This week, city workers were beginning a street sealing operation that will cover some 50 blocks. Funds from the sales tax, too, made that project possible.

Funds also are available for this year's summer beautification program, and for the community building project improvement plan. Some 1,000 of sales tax funds was set aside for the park fund, Ragsdale added. The community building, in "bad shape", said the assistant manager, will eventually be repaired an spruced up, and members of the Board of City Development are "trying to get things going on planning" for the improvement project.

Ragsdale said Spearman streets actually see what sales tax funds have done for the city by looking over the "bad intersections" corrected by street maintenance crews already. Other street improvements will continue, he added. Mr. and Mrs. Aaron Love and Frankie and Mr. and Mrs. Jim Hall spent Thursday thru Sunday camping and fishing in the New Mexico mountains up near Red River.

SHS CHEERLEADERS WIN TOP HONORS

Pictured is one of the outstanding cheerleading teams that was selected at the National Cheerleaders Clinic held at Panhandle State College. Spearman High School won one of the top awards, a "Spirit Stick" to be placed in their high school trophy case. Cheerleaders pictured left to right, bottom, are: Sharon Lambert, Suellen Womble, Lisa Hutchison, Camille Baggetty, Kathy Brown and Linda Schaefer. Robbins won during the week by them were for excellent and superior ratings. Forty-four high schools and 213 cheerleaders attended the week long clinic at Panhandle State College.

Goal Of Lions Everywhere

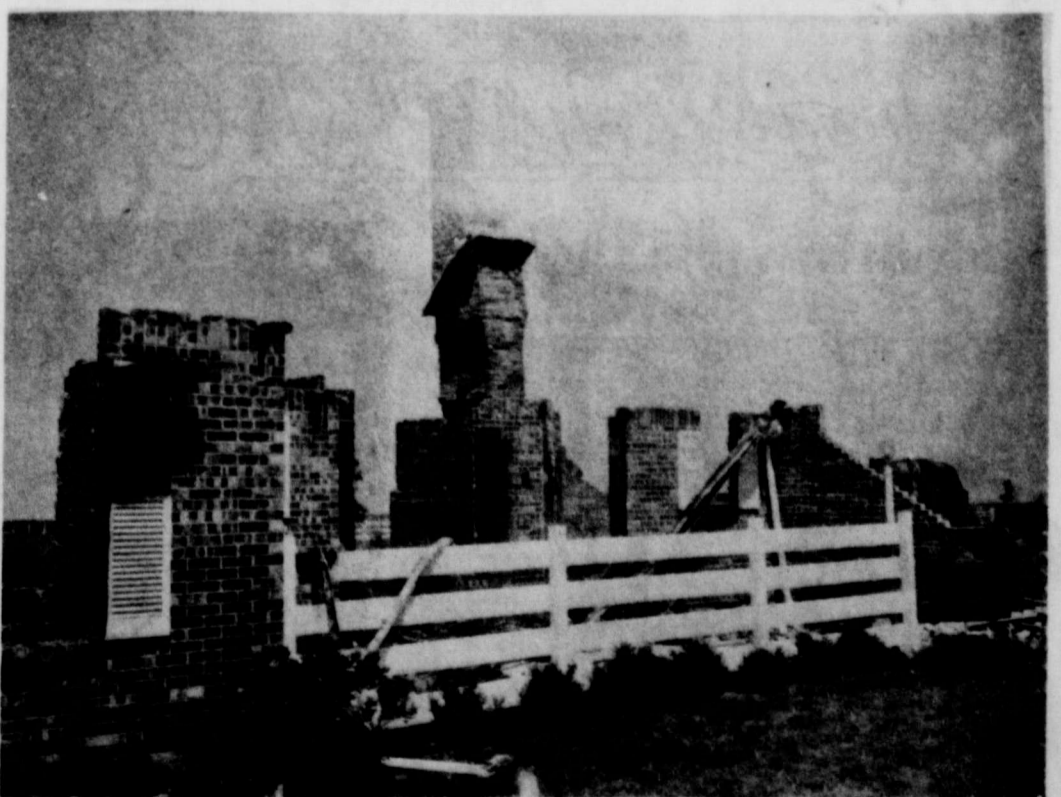

"To render unselfish service..." Such is the goal of Lions everywhere, local civic leader Jesse Davis told members of the Spearman club Tuesday during a regular noon luncheon at the Steakhouse. He told the group that Lions around the world stand ready to serve humanity, and "Many are grateful for the hope our emblem has given them." He pointed out that the Lion symbol--the letter, L, with two Lions on each side of it, no matter where they may be. The Lions' official symbol was adopted, he added, in 1921. Also, he told the group that Lions are active today in some 145 nations, ready to sustain a "bridge of good will between nations" and people. "Lions take pride in wearing their emblem," he concluded. After his short talk, personable Jyniece Callaway, sweetheart, told of her recent July 4 trip to Muleshoe. She indicated she had a great time and "met the Lion bosses" there plus visiting dignitaries from Sweden. She said she presented her special talent skit and patriotic speech Saturday afternoon at the Old Settlers Reunion, then proceeded to downtown Muleshoe for the parade. But said, "everybody had to head for their car" at the Muleshoe football stadium when it rained before her performance again that night. Highlighting her trip was an Indian Dance presentation offered by an Amarillo group, the Kwahadi's, and splashy fireworks displays. Lions directors were asked to attend a board meeting set for 6:30 a. m. next Tuesday at the Steakhouse, where topics of discussion will be an upcoming chicken fry and broom sale. Also, directors are to look over their finances at the early-morning session next week. Lions turned out in strong attendance at the Tuesday meeting.

MRS MADDEN'S FATHER DIED

Mrs. Billy Madden received word early this week of the sudden death of her father, Mr. W. A. Barnett of Visalia, California. Funeral services for Mr. Barnett will be held Friday July 10 at 10:00 a. m. in the Brooks Funeral Home in Visalia. Survivors include his wife, 4 sons and 3 daughters. The Barnetts are former residents of Spearman. Mr. and Mrs. Madden and her sister Mrs. Jay Gitgood of Lyons, Kansas left Spearman Tuesday morning for Calif. Ron Clark, an intern Chaplain in an Amarillo Hospital, was guest speaker at the First Christian Church in Spearman Sunday. He is a graduate of TCU and is working on his Masters Degree as Chaplain. Mr. Clark will work next year in Austin as Chaplain of a psychiatric ward in the hospital.

Fire Destroys Dr. Novak's Home

Fire of "unknown" origin totally demolished the home of Dr. and Mrs. Earl E. Novak, prominent Spearman physician, during predawn hours of Sunday. The home, valued at \$65,000 and which contained antiques and a gun collection "worth a fortune", was destroyed virtually before Spearman firefighters had a chance to act. And when they arrived on the scene--some five miles southwest of town--"it was completely gone," said Tommie Jack Bruce, fireman. "We poured 800 gallons on the flames... but it was gone." Firemen said they had had no way of knowing how long the once-elegant home had been burning before they got there. The Novaks were not at home at the time of the blaze. They were visiting in Amarillo and did not learn of their tragedy until later Sunday morning. Bruce, president of Spearman's fire department, said of the fire scene, "all we could see left was a part of a garage." Two fire pumper units made the scene, he said. He said the fire department got the initial call about 3:50 a. m. Sunday. The fire was reported by Fred Groves, who told investigators he was out checking a well when he spotted the big fire. He sped to the scene immediately and banged on the door in an attempt to arouse anyone who might be inside. When he was sure nobody was inside, he told officers, he began trying to save what he could. He is credited by fire officials with saving two pickup trucks by removing them from a garage and a few other small items outside the home. He said he couldn't get inside to save a thing, as flames already were gulping the roof. He also managed to get a horse trailer away from the flaming brick structure. Groves told officers after doing all he could, he hurried to a neighboring residence and futilely tried to awaken somebody to use the telephone. Getting no response, he then went to another nearby home--but there was no phone. Sheriff J. B. Cooke said he had "no idea" as to what caused the disastrous blaze. He pressed an investigation early this week, and called cause of the blaze: "mysterious". Mr. and Mrs. Jerry Ford and daughters vacationed last week at the Grand Canyon.

FIRE TRAGEDY--The once-elegant home of Dr. and Mrs. Earl E. Novak south of Spearman this week lay in ruins following a fire of as-yet-undetermined origin. Damage estimates were expected to run high, as antiques and a special gun collection of stunningly high value were destroyed before firemen could smother the flames. Dr. and Mrs. Novak were out of town when the fire consumed their home--and came home to find in flames the scenes shown here.

This group of 1st-year Brownies were among the many Girl Scouts enjoying Day Camp activities just concluded.

SCOUT DAY CAMP IS WELL ATTENDED

Girl Scout Day Camp began Monday June 29 for Spearman and Gruber Girl Scouts. In attendance each day were approximately 85, including Girl Scouts, leaders and papooses. Day Camp was held at the Rinker farm this year due to too much rain at Old Hansford.

Day Camp Director was Gloria Hardesty of Gruber and her assistant was Bea Ellsworth of Spearman. Valeta Bowen was the business manager for this year's camp activities.

Larry Bowen, son of Mr. and Mrs. Don Bowen, took care of the leaders papooses during the week's activities in a special tent set up for that purpose on the farm. Leaders were especially grateful to

Larry for his much needed assistance.

Camp was set up on Monday of this week, tents pitched, latrines set up and the Junior Girl Scouts lashed one table.

On Tuesday, 1st and 2nd Year Juniors went to Gibner ranch and enjoyed hiking, wading in the creek and playing in the sand. 1st and 2nd Year Brownies hiked around the camp at the Rinker farm. 2nd Year Brownies made cork dolls and 1st Year Brownies collected things for their nature study.

Wednesday all the Scouts went to Gibner ranch for the morning and ate lunch there. The Juniors had a weiner roast and Brownies took sack lunches. They spent the day on the creek enjoying the outdoors.

Thursday, the final day of the camp, all Scouts and leaders met at 4 p.m. instead of the 8:30 to 1:30 schedule

followed the first three days, for special "last day" activities. Parents of the Scouts arrived at 8 p.m. and were treated to supper and a program given by the girls. Each troop was responsible for entertainment on the program. Except for 1st Year Brownies and the parents, all Scouts and leaders remained to spend the night at the camp. Following breakfast, and the breaking of camp on Friday, the scouts and leaders returned to their homes to eagerly await another Day Camp next year.

5 Men Drafted

To fill the July draft call for five men, Selective Service Board No. 99 reached the number 146, National limit for the July draft call was 190, with numbers important in light of the new draft "lottery" for 1971 which was held last week.

Calls for physicals are now at 215, a number which has remained stationary. The board headquartered in Perryton has called men for physicals up to that number.

Reporting for July induction on the 15th are: Max Stabel, Russell Mitchell, Lonnie Hiller, David Douthit and Willie Wilkerson.

Donald McDonald will go as a transfer from another board.

Going at the same time for pre-induction physical exams will be Samuel Judice, Robert Queener, Timothy Casey, Jack Barnes, William Hobdy and Bennett Love.

Rep. Abraham To Study Texas Laws Of Election Code

Rep. Malouf Abraham of Canadian left for Houston today to attend a public hearing Friday of the Texas Election Code Committee. He is one of 5 members appointed by House Speaker Mutschers to study election laws and submit needed changes to the next Sessions of the Legislature. This interim committee will hold a series of meetings over the State to hear suggestions for changes in the present law.

Abraham is a strong advocate for moving the primary elections back to August with run-offs in September prior to the General Election in November. He stated that people get tired of hearing politicians all year long. Presently it is necessary to file the first part of February which is 9 months before the general election. A shorter election period would also cut down on campaign expenses. Anyone having suggestions for changes is urged to inform Rep. Abraham.

GILL FAMILY REUNION, 4TH

The home of Mr. and Mrs. Lowell Denman in Spearman was the scene of the Gill family reunion the weekend of July 4th. The family includes the families of Cleo Gill Denman, of Spearman, Aaron Gill of Glendale, Calif., Paul Gill of Phoenix, Ariz., and Mrs. Carroll Cones of Cortez, Colo. Paul was unable to attend due to the recent illness of his wife.

Those attending from out of town were: Aaron Gill of Glendale, Calif., his daughter Mary Henderson and children of Pittsburgh, Calif., Mr. and Mrs. Carol Cones of Cortez, Colo., Mr. and Mrs. Lovell Lee and family of Denver, Colo., Mr. and Mrs. Tom Taylor and family of Longmont, Colo., Mr. and Mrs. Jack Mathews and family of Mesa, Ariz., Mr. and Mrs. Hobart Waters and Mr. and Mrs. Alfred Davis of Sayre, Okla. Attending from Spearman were: Mrs. Willene Hughes and Mr. and Mrs. Lowell Denman, friends of the family visited in the home on Sunday afternoon.

Mrs. Denman is enjoying the company of her grandsons, Kevin and Kyle Lee of Denver and Glen and Mark Taylor of Longmont, Colo., this week.

Spearman Youth Now May Enroll In New Program

The Amarillo College School of Vocational Arts this week began enrollment for special trade courses in air conditioning and refrigeration, auto mechanics, diesel mechanics, commercial electronics (radio-TV) and welding.

Spearman young people interested in the program should immediately contact Everett L. Williams, Dean of the Amarillo College School of Vocational Arts.

The school gives complete trade or skilled training courses to be found in the United States. Graduates are able to do the work of a "journeyman" mechanic upon graduation with a minimum amount of orientation from industry.

Most courses are 21 months in length. This is what is called an innovative school. Students if capable may accelerate their courses or adjust their time to the learning program. Some can finish in less than 21 months, school officials said.

Two students recently finished courses in 16 months! Night classes or part-time classes are available in all areas. And the school is attempting to put students on shift work in local industries.

Prospective students may visit the school to inspect the program, or they may call or write for further information. The school is fully approved for Veterans Training by the Veterans' Administration, Texas Education Agency, and Southern Association of Colleges and Universities.

Mr. and Mrs. J.L. Brock and Todd visited with the Brock's daughter and husband, Mr. and Mrs. Jimmy Brown in Austin recently.

'Texas' Show Draws 7,5000

The first week of the "TEXAS" production of 1970 drew 7500 people to the Pioneer Amphitheater in the Palo Duro Canyon State Park. Paul Green's musical drama of early Texas life attracted many members of the families of the cast during its first days. On Friday alone, July third, relatives came from Colorado and New Mexico, from Irving, Texas and El Paso to visit various cast members and see the performance. Steve Garms of Plainview had the largest number of relatives - twenty two. His brother Bradley and a friend, Kelly Baker, made it a special occasion by riding their bicycles to the theatre from Plainview, sixty-four miles. They arrived in good time for the production. This is the most unusual way of reaching a show noted so far.

Most of the performances moved smoothly, though a sudden small gust of wind sent the ranch house rolling toward the stage one night long before it was due. It was held back only by three cast members who happened to be standing near and grabbed it.

The box office crew is wondering whether the man who bought tickets to the "skit" was surprised when he saw the show.

For further information, write Box 268, Canyon, Texas or call 806-655-21. The box office in Canyon closes at 5:00 and then re-opens in the Canyon at 6:00. The telephone in the theater in the Palo Duro Canyon is 806-Hu8-3100. Barbecue is served from 6:30 p.m. until 8:15 p.m.

Tax Law Change Important To All

The 1969 Tax Reform Act contained a change that can be important to many taxpayers. Under the old law you could decrease your withholding tax for the following year if your itemized deductions for the past year ran high enough to create a very large refund. However, under the new law you can now decrease your withholding during the year before you pay a lot of withholding tax that you don't owe. A good example of what can happen was brought out by the tornado and storm victims in West Texas. Many of these taxpayers are eligible to immediately reduce the amount of tax withheld from their pay, since their itemized deductions for the 1970 tax year will include a casualty loss amounting to several thousand dollars. Of course the itemized deduction provision of the law is not limited to casualty losses, but also applies to all types of itemized deductions. If your itemized deductions have increased by a very large amount you can obtain a new Form W-4 and a Form W-4 Schedule A from your payroll office to get an immediate increase in pay instead of a refund check next April.

SELECTIVE SERVICE QUESTIONS

Q--I'm an alien who has been admitted to the U. S., but not for permanent residence. I've been in this country more than a year. I understand this makes me liable for armed forces service under the draft law. Is that right?

A--It is.

Q--Is there some way I can apply to be relieved from this liability?

A--There is, provided you take action before your induction into the armed services.

Q--How?

A--You can file with your draft board a form called "Application by Alien for Relief from Training and Service in the Armed Forces."

Q--Is this a right, or can the application be denied?

A--It is a right, provided you have not been admitted for permanent residence.

An alien admitted for permanent residence is not eligible to file this application.

Q--I'm thinking of applying for citizenship. Would signing the application have any effect on this?

A--It would. If you are relieved from liability for training and service on these grounds, you will become permanently ineligible to become a citizen of the United States, ineligible to receive an immigrant visa, and will be

excluded from entry into the U. S. for permanent residence, which includes Puerto Rico, Guam, and the Virgin Islands.

Mr. and Mrs. Jerry Miller and son Courtney of Greensburg, Kansas visited over the 4th of July weekend in the home of Mr. and Mrs. Johnny Miller in Spearman. Monday evening guests in the home were Mr. and Mrs. LoIn Miller, Johnny's brother, from Sunnyvale, California.

Spearman Marine Receives Vietnam Promotion

(FHTNC)VIETNAM-Marine Staff Sergeant Raymond O. Tindell, son of Mr. and Mrs. Ira L. Tindell of 814 S. Dessen, Spearman, Texas, was promoted to his present rank while serving with the First Marine Division in Vietnam.

Plans To Fight Greenbug

County Agent Robert Adamson is currently laying battle plans to combat a small enemy of Hansford County grains called the greenbug.

He said he is waiting for infestations to occur, with spraying operations in the offing when they do occur. The greenbug has been called "the most destructive pest of small grains in the central and southwestern states ... greenbugs in one year can cause loss of more than 50 million bushels of small grain."

Texas recorded the first outbreak on small grains in 1891. Damaging infestations have since occurred in 1901, 1906, 1916 and 1942. In 1942 some 61 bushels of grain were lost, according to Adamson's information. "But possibly the most damaging infestation was in 1949 through 1951 in the Panhandle.

Plants directly threatened by infestation of this pesky creature included: wheat, oats, barley and rye.

Agriculturists have said, "Greenbugs have over-summered on western wheat grass, as well as other grasses in the Panhandle, for at least 10 years. Within the past few years, light populations of greenbugs have been observed on Johnson grass."

The greenbug is an aphid approximately 1/16 inch long, lightgreen in color. Farmers are busy watching for them to show up in unusual or high numbers in Hansford County, and are coordinating their surveillance with Adamson.

Green bugs can reproduce at temperatures of 55-95 degrees. Under optimum conditions, newly born greenbugs begin reproduction in about 7 days. One female can produce about 80 offspring during a 25-day reproduction period. Thus, greenbugs develop enormous populations in a short time.

Hence the area-wide concern over possible infestations this summer, or next summer, and the current watchfulness of authorities.

A PROUD ARTIST--HER CAPTIVATING WORK--Gwenfred Jones Lackey stands beside the five-by-eight-foot portrait of the Battle of Adobe Walls, now on loan to Hansford Library. She's 75 and still plans to do more work. And there are many who hope she'll continue a fine and rare talent that reflects the Texas past.

Texas History Comes Alive In Portrait Of Adobe

Texas history is captivating --and so are the artists who recreate it.

On the central wall of the Hansford County Library, a citizen finds history alive in vivid color, captured forever by the brush of Panhandle Artist Gwenfred Jones Lackey.

Her handiwork, in splashy browns, yellows and deep hues of green, and excellent in presentation, proportion and artistic design--the painting portrays the fabulous Battle of Adobe Walls, fought June 26, 1874 some 25 miles south of Spearman.

This painting, her latest, is not the original one she brought out a long time ago. The original hangs now in the museum at Panhandle State College, Goodwell, Okla.

She said the Spearman painting is on loan to the library, although she supposes "it'll stay there."

High talent is reflected here. And as she said, "Took lots of hours and hard work" to bring it out.

"I painted on it all of the time during the past two years." She values her work at \$7,000.

With sharp brown eyes and clear purpose, she told of learning her craft in a school

in Guymon in her early years.

Why did she choose the Battle of Adobe Walls to paint?

"Because of my dad," she explained, noting that the famed Indian Scout Billy Dixon was her father's friend. That friendship inspired her to dedicate the long hours through the years to paintings of that single battle.

"And I knew Billy Dixon," she said, "But I was just a small girl, then."

The 75-year old pioneer ranchwoman who was in 1969 named "Pioneer Queen" is not only an outstanding local artist. She also is a well-known cowgirl. And not boastfully, she said, "I've fed more cattle than most men!"

She still owns the ranch she was born on six miles south of Gruver on the Palo Duro Creek.

What's amazing is that she's not ever had any professional art instruction. She took it up on her own and pursued her talent vigorously.

When young, Gwenfred's father drove her in a buggy to Adobe Walls. There she sketched the outline of the battle terrain for her canvas. "Dad always said, if you're going to paint something, paint somethin' worth-

while."

And that's what she's done. In the past of an artist, there is always someone who at a critical time in that artist's life came along and encouraged, directed the natural gift.

Gwenfred remembers a certain teacher back in Guymon. That teacher was Mrs. Claudia Moore.

She is dead now, but not forgotten.

What she apparently once did for Gwenfred Jones Lackey is evident in the portrait of the Battle of Adobe Walls in Hansford Library.

Mr. and Mrs. J.W. Brown and Dave Edward Hand Jr. and son spent the 4th of July weekend in Raton with Mr. and Mrs. Dave Hand Sr.

Tables Turn Once Again For Cates

For Phillip R. Cates, the tables have turned--in his favor.

Following election recounts, he has been named the winner of the Democratic nomination for the 79th Texas Legislative district.

The election was held June 6; but Cates lost the race to opponent Ray Troper of Higgins in a June 18 recount.

Monday--after a recount shuffle once again, Cates was victorious. Final tally for Cates was 2,709 votes--a scant three more than his opponent's 2,706.

At first Cates appeared the winner by a vote of 2,735 to 2,688. But a 40-vote mistake was then uncovered in Hemphill County. That prompted Cates to ask the Democratic Executive Committee in Austin, which brought the final tally.

In Hansford County Cates, a recount recently showed 66 for Cates and 90 for Troper.

Cooler blazes; House Fills Up With Smoke

It was one of the darkest hours of the night Thursday at 28 S. Haney St., when Mrs. R.L. Garrard awakened suddenly smelling smoke.

Friday morning she was sure glad she had awakened. "Or we'd be looking for another house this morning, or worse... could've been burned up," she said.

The motor on the air conditioner caught fire, causing the smoke, and Mr. Garrard, alarmed, jumped out of bed, quickly unplugged the conditioner, then using cloth smothered the blaze.

Firefighters were not called. "The house was filled with smoke after the fire," Mrs. Garrard said, as she searched for someone to fix the air conditioner in advance of a probably hot Fourth of July.

Mr. and Mrs. Narrel Wilson and children, of Lubbock, visited over the 4th of July weekend in Spearman in the home of her parents Mr. and Mrs. Sam Graves.

Employment Picture Bleak

The employment picture in Spearman--currently--is rather bleak, officials of the Texas Employment Commission reported this week.

Mrs. Jo Ann Hawkins said one reason for a "slow" summer may be that there are fewer farmers or other persons hiring tractor drivers.

"It could be that the farmers are out doing it themselves she noted.

The situation elsewhere in the Panhandle is much the same, she said. "We have people coming here from Borger and Fritch looking for jobs."

She said as usual Spearman has a "lot of high school kids wanting jobs but unable to get them."

She also said there are many Spearman housewives who would like to work but can't find jobs. And women who have them in the city now are "holding onto them."

So far this summer, some 40 young men and women have applied for jobs at the local office. And she reported a total of 84 new applicants during the past month.

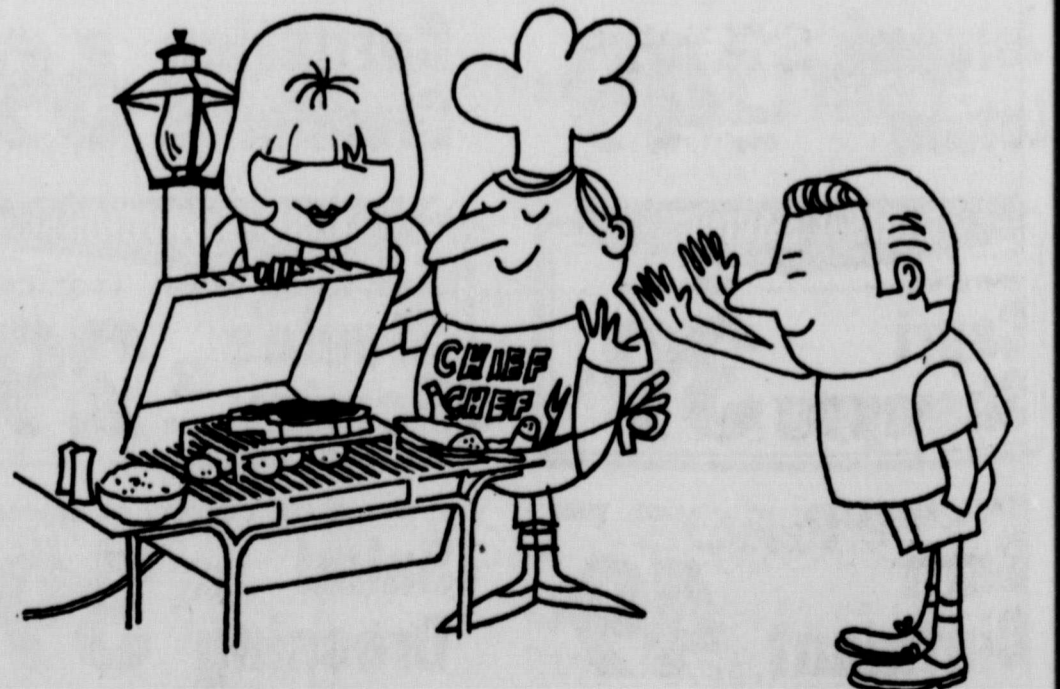

"Of course," she concluded "business here (at the commission office) comes in spurts. You never know what to expect. One day there are jobs and no applicants; other days there are applicants and no jobs."

Mrs. Edd Wilbanks, Mr. and Mrs. Jeff Hawkins, Joe Edd and Vickie all of Spearman, Mr. and Mrs. Don Shockley and Chuck of Perryton and Mrs. Loreta of Amarillo enjoyed a fishing trip to Moreland, Oklahoma as a visit with Mrs. Wilbanks' son Carl Edd and his wife, who live Moreland.

Debbie Graves of Raleigh, North Carolina is visiting in the home of her grandparents Mr. and Mrs. Sam Graves in Spearman. Debbie has been visiting her other grandparents in Wichita, Kansas the early part of the summer and will spend the remaining part of it visiting in Spearman, Pampa and Lubbock.

Don't be a patio pooper.

Buy an ELECTRIC GRILL and keep your patio pals happy

There's no better way to win friends and influence patio guests than with a clean-cooking electric grill that provides true charcoal flavor without getting all smoked up about it. With a flameless electric grill, you can barbecue foods to perfection without charcoal smoke and smudge. And while you're at it, do your patio up bright. You'll enjoy summer cook-outs even more with an electric yard light. See your electric appliance dealer soon. Or call us for information.

Club Members Enjoyed Social

Mr. and Mrs. Gordon Cummings were hosts for the local Pinochle Clubs' regular meeting the evening of July 4th. The Cummings served a delicious dinner to those attending with meat balls as the main course. Attending were: guests Mr. and Mrs. Dan Desimone and members, Mr. and Mrs. Earl Goodheart, Mr. and Mrs. James Cummings, Mr. and Mrs. Fendorf Schubert, Mr. and Mrs. Jim Nicholson and the hosts.

Arts & Crafts Guild Meeting

Mrs. Fred Daily was hostess to members of the Arts and Crafts Guild in her home Friday afternoon July 3rd. Attending the afternoon session of china painting and visiting were Mrs. Clay Gibner, Mrs. Bill Russell, Mrs. Deta Blodgett, Mrs. Bill Gandy, Mrs. Garrett Allen, Mrs. P. A. Lyon, Sr., Mrs. Ned Turner, Mrs. Bruce Sheets, Mrs. Fred Hoskins, Mrs. Guy Fuller and Mrs. Fred Daily. Mrs. Guy Fuller will be hostess for the July 10th meeting of the Guild in her home.

Burglars Strike At Station Here

Burglars hit the Chevron Service Station on Highway 207 last week and got away with four times, Sheriff J. B. Cooke reported. No money was missing, he said. The intruder--or intruders entered the station by breaking a glass pane on the side of the station. The sheriff's department launched an investigation and continued their investigation into three other burglaries of local business establishments recently.

Yankees Forfeit Monday Game

In Monday's Little League baseball play, the Yankees forfeited their game to the Jets, "because there were not enough players on the team," reported Hershel Jones of the LL coaching staff. However the young players squared off switching some teammates and played a practice session anyway, and "everyone had a good time." Officially, the Monday game was chalked up as a 1-0 loss of the Yankees to the Jets.

Mrs Healer Is Luncheon Host

The Thursday Luncheon Bridge Club met July 2 in the home of Mrs. Eddie Healer, for a day of bridge and a delicious luncheon meal. High scorer for the day of bridge play was Mrs. Healer. Second high score was held by Mrs. Tom Latta and Mrs. Steve Mathews held third high score. Prizes were awarded. Attending were Toni Archer, Glenda Guthrie, Verna Strawn, Zetha Blackburn, Linda McLain, Linda Latta, Jackie Mathews and Betty Healer.

Rev. and Mrs. Don Wirmsdorfer and children, Don, Donna, Nick and Jane Anne of Los N Animas, Colo., visited Sunday evening and Monday in the home of Mr. and Mrs. J. L. Brock. Several people of the city visited with them throughout the day Monday.

Gregg and Kelye Kaye McFarlin recently visited with their grandmother Mrs. Fannie McFarlin in Dumas. Mrs. McFarlin visited in Spearman with the R. L. McFarlin family and Gregg and Kelye Kaye returned home with her for a visit.

Visitors for the 4th of July weekend in the home of Mr. and Mrs. Bill B. Elreath were: Mrs. McElreath's sister and family, Mr. and Mrs. Lowell Bonds and 3 daughters and son of Garland, Texas, the McElreath's daughters and families, Mr. and Mrs. Mike Cox and son and Mr. and Mrs. Randy Hawthorne of Amarillo, and their son and wife Mr. and Mrs. James McElreath of Canyon.

Mr. and Mrs. A. V. Mayfield and children spent the 4th of July weekend at Durango, Colorado.

Mr. and Mrs. Irvin Davis and family vacationed last weekend in the mountains of New Mexico and attended the races at Raton.

Mr. and Mrs. Lester Mundy and children of Kim, Colorado have been in Spearman several times recently visiting with her parents Mr. and Mrs. Aubie Sparks. Mrs. Mundy and the children are still in Spearman, due to her father's illness.

Mrs. Clay Gibner recently attended water color painting classes in Vail, Colorado, along with a group of painters from the Panhandle area. Mr. Gibner joined her, for a visit of several days, at the ranch of Mr. and Mrs. R. E. Lee near Colorado Springs.

Kenneth Razor and grandson Tommy Razor of Las Angeles, Calif., are visiting in Spearman with the families of Lester McLain, Gus McLain, Billy Jarvis and Don McLain, all relatives of the Razors.

Visitors this week in the home of Mrs. Lorene McGuire were: her daughter Joyce Davidson and daughter Karisa of Temple, Texas, and Mr. and Mrs. Jim Bellows and children Jimmy and Linda of Bonham. The Bellows are former residents of Spearman.

Mr. and Mrs. Guy McLain, missionaries to South America who are based at Sao Paulo, have been visiting recently in the home of his cousin Lester McLain, and with other relatives in Spearman.

Gary McGee of Amarillo visited Sunday visiting in the home of his parents Mr. and Mrs. Blant McGee in Spearman.

Katherine Schmidt Winning High Honors

Many high honors are being bestowed at North Texas State University on Katherine Schmidt, a 1969 graduate of Dalhart High School. The daughter of Mr. and Mrs. Merton Schmidt, she is majoring in drama and television and minoring in voice. She is the grand daughter of Ms. Luana Pearson of Spearman. Katherine has been chosen for Outstanding Freshman and nominated Character Actress in the role of "Olga" in "You Can't Take It With You." She has had roles in seven other productions this year. She worked as designer of costumes for "110 In the Shade" and as publicity director for several other plays. She has acting roles in the TV show "Herald Of Truth" seen Sundays on Channel 4. A coming event in which she is cast, is a theatrical reading "Four Crosses On Golgotha." It has been selected for production as a television documentary and will be made in late 1970. Especially noteworthy in her achievements since beginning college is that she is the only student in the history of North Texas State University to earn enough points to qualify for membership in Alpha Psi Omega, honorary speech organization as a freshman. Another recognition was being chosen to be hostess to the One Act Play contest held this spring. Katherine is attending NTS this summer on a scholarship and is working as an undergraduate assistant in the drama department. In Dalhart high school she was in National Honor Society, named Outstanding Thespian during both her Junior and Senior years and serving during her Senior year as president of Masque and Gavel, speech organization.

CARD OF THANKS
My family and I wish to thank all of our many friends and relatives for the cards, calls, and flowers sent during my illness. I especially want to thank those who helped with the farm work. Special thanks to Dr. Gregg and the hospital staff.
Aubie Sparks

Mr. and Mrs. S. W. McAdams and family recently attended a McAdams family reunion at Colorado City, Texas. They also visited with Mrs. McAdams' family at Loraine, Texas. The men of the family did some fishing at the new lake near Robert Lee, Texas.

MRS. EMMA BRUCE CELEBRATED 88TH BIRTHDAY ON JULY 4TH

"It's always good to have somebody from the outside to talk to," said the little lady in a wheelchair at Roneer Manor Nursing Home. This a reporter was greeted warmly, yet modestly, by 88-year old Emma Bruce, pioneer resident who celebrated her birthday on Independence Day last Saturday--as she's been doing all of her life. "It's always a great day for a birthday, she said. "I was just 88," she said with understatement. And she plans on a few more Independence Day birthdays, too. "I'm just getting started," she quipped. Mrs. Bruce first came to Spearman when it didn't exist, 50 years ago, she said. She traveled westward via wagon from East Texas.

"There was no town at all when I came here," she said. These days, the little lady spends most of her time "sleeping and reading." "But my eyes are not as good as they used to be, I can only read so long at a time--then I've got to rest the eyes." About the weekend family celebration of her birthday, the pioneer woman said she'd had a great time. She and her son, Tommie Jack Bruce, owner of Bruce Motor Co. here, and other family members all got together Sunday night to celebrate and reminisce. She told of a huge meal of beef, chicken and "lots of everything you could think of." Such events make life worth living for her. And weekly, she said she gets to go home--the original

home the family built 50 years ago. "I miss it," she said, speaking of the home at 502 Kenneth. "You might go in it and think it's not much--but to me it's worth a whole lot." In conclusion, she said, "The years have been kind to me." And she expects the same outlook for the future.

holt news

Mr. and Mrs. Major Lackey's Friday night guests were their son, Mr. and Mrs. Bill Lackey and family of Albuquerque. Then, the Lackey's spent July 4, week-end in Lubbock, visiting Mr. and Mrs. A. L. Wilson and boys, and Mr. and Mrs. Westley Lackey and family.

Mrs. Myrtle Stephen of Borger was honored with a birthday party Wednesday afternoon July 1 in the home of Mrs. Edna Cluck of Gruver. Gifts were given to the honoree and refreshments were served to Mrs. Owen Pendergraft, Edna Cluck, Myrtle Stephen, Bertha Jenkins, Phil Jenkins and Maude Rosson.

Mrs. Mildred Maulton of Panhandle was Tuesday afternoon caller of Mrs. Owen Pendergraft. Then, Mr. and Mrs. Art Axelson of Boulder, Colo. were Wednesday callers of Mr. and Mrs. Richard Gaines and the Pendergrafts.

Mr. and Mrs. Chuck Martin and boys of Wichita, Kansas were July 4 week-end guests of Mr. and Mrs. Richard Gaines and Peggy.

Mrs. Bertha Jenkins Sunday dinner guests were: Mr. and Mrs. Jim Cook and family of Andrews Air Base, Maryland, Mr. and Mrs. Bob Tevebaugh of Claude, Mr. and Mrs. Steve Jenkins and Andrea and Kathy Jenkins of Amarillo, Mr. and Mrs. Phil Jenkins.

Mr. and Mrs. Bill Frederick and son of Houston were week-end guests of their daughter Mr. and Mrs. Mike Holt. Mr. and Mrs. Travis Reger's

Saturday luncheon guests were Mrs. Trula Drake of Houston and Mrs. Frank Reger of Stinnett. Sunday night dinner guests of the Regers were Mr. and Mrs. Ed Allison and family of Stinnett, Tamra and Bob Williams of Stinnett are visiting the Regers.

Mr. and Mrs. Jack Kidder of Amarillo and Mr. and Mrs. Ray Slyter and family of Peabody, Kansas were July 4, week-end guests of Mr. and Mrs. Fred Holt.

Mr. and Mrs. C. W. Kirk recently visited relatives in Edmond and Okla. City.

Mr. and Mrs. O. L. Patterson of Benjamin, Texas July 4 week-end guests were, Mrs. Ruth Kenner of Crawell, Texas, Mr. and Mrs. Earl Albright of Dumas, and Mr. and Mrs. Medlin Patterson.

Larry Scogg's of Spearman was week-end guest of his grand parents Mr. and Mrs. John Campbell.

Gladiola Club Enjoys Annual Family Picnic

The annual Gladiola Flower Club family picnic was held in the swimming pool park the evening of July 2, with Mrs. Marcus Larson as hostess.

Children of members enjoyed swimming at the pool prior to the meal. The menu was made up of fried chicken, baked beans, cole slaw, home made ice cream, cakes, ice tea and pop. Enjoying the picnic, and visiting were: the Robert Adamson family, the Max Baggerly family, the John Brown family, the Irvin Davis family, the Bill K. Jackson family, the Marcus Larson family, the Ray Robertsons, the Don Smith family, the Walter Spoonemore family, the Leland Wood family, the Tony Rubano family and Mrs. Dickie Robinson.

Mr. and Mrs. Ed Mundy vacationed the last of May and the first of June in South Dakota, visiting relatives in Parkston and later touring the Black Hills. Their granddaughter Tammy Mundy accompanied them on the trip.

Let Me See ... by Sydell

If you think its not here, go down to Wise County for a few days and you will be quick to decide this is the North Pole. We made a trip to Pilot Point and Bridgeport over the 4th of July weekend, and found everything red, white and blue. It's 99 degrees at midnight, but by 6:30 it has cooled off to at least 85. It is a nice place to steam off a few lbs. though.

We took off for four whole days and enjoyed a slow, leisurely tour through our favorite haunts--Oklahoma. We came back on Saturday the 4th in order not to meet all the vacationers coming home on Sunday. We didn't meet very many travelers, so had a nice trip, and didn't see one highway accident. This is unusual for that part of the country down around Fort Worth. So, we didn't hang around there long, but took the backroads home and stopped in all the small towns through Oklahoma. Each and every little hamlet was spruced out in red, white and blue. And in most places a big 4th of July Celebration was going on. Watermelon feasts, ice cream socials in parks, and fire works stands were everywhere. One little town in Oklahoma, decided to throw a big watermelon feast and ordered something like 4 tons of melons. When the huge mountain of melons arrived, they saw right away

they had no way of cooling off so many. So the Railroad agent simply ordered a refrigerated car to be sidetracked there, and the entire county's population had ice-cold watermelon.

I do believe the entire Nation went all out for the fourth which was Honor America Day. I've never seen so many flags flying. We kept our eye on the gas gauge because most every little town was closed down, from gas stations, to restaurants. Along about supper time, (we stopped so often we figured we averaged 40 miles per hour) we found a little grocery store open in Kingfisher. There we purchased ham, cheese, rye bread. There stood a 55 gallon wooden barrel of the biggest dill pickles you ever saw. We fished a couple of these with some long tongs used for this purpose, and took off for a nice shady spot. Next we stopped at one of the hundreds of fruit stands along the road and picked up a sack of vine ripened tomatoes as big as two of your fists and a basket of tree ripened peaches. In an hours time we were seated under a towering Oak tree, enjoying our vittals. So, I got to have a picnic after all.

The best part of the trip was when we found some old whittled fruit jars in a quaint little country store a million miles from nowhere. If you want to locate it on your map, you'll have to take a long time. Retroll is its name. The population is 2 people. The man and wife who run the store. They surely do have visitors from time to time though for the domino-laden card table and four chairs gave this evidence.

Someone told me this week that Lloyd Buzzard had joined the ranks of antique collectors. Lloyd and his wife accompanied Woodie and Doris Beck on a trek back East just last week. The Becks were looking for fruit jars, the Buzzards just looked. But Lloyd ran across something he termed as "useful" in the way of old oil flares. So he proceeded to purchase some. The night of the 4th he threw a big yard party and invited several friends out. Now, I don't know if Lloyd just likes to have parties, or if he was so proud of his antique flares that he wanted to

show them off. What ever the reason, the flares were all lighted and on display. He claimed they helped to keep bugs away and perhaps this is so. I understand the smoke and soot ran a few adults inside too. But, what the heck, if you find something old that still works, the urge to buy it is something you can't overcome very easily.

Speaking of something old that still works, the next time you run into Richard Shedeck, (and you have about an hour to visit) ask him about his antique tractor. It's an old cross-motor case which has been restored and is in good running condition.

Richard and his wife motored all the way up to Tangier, Okla. Saturday to an old fashioned Harvest Bee. Up in that part of the country they have these from time to time, just to show the "now" generation how things used to be done. J. D. Wilbanks is another one who appreciates old, restored tractors and cars. He went to the Bee too. A Mr. John Adams, who lives five miles out of Tangier, staged the old fashioned thrashing B. About 300 to 500 people turned out to watch this 1900 model, 10 HP Rumley steam engine hook up to a 1922 model thrasher, and thrash 15 acres of wheat. Now the wheat had been shocked earlier and these bundles were fed into the thrasher. Richard & J.D. fed about 2 loads of the bundles thru the machine. The 70-year old steam engine used 50 lbs. of coal and about 400 gallons of water in the 5 hours it took to thrash the 15 acres. The engineer, a Mr. T. F. Rose, was himself 70 years of age. He owns the steam engine.

The field hands worked about an hour before lunch and at noon were fed dinner on the ground. Fried chicken and etc. Then back to the field. After a couple of hours in the hot sun, lemon ade refreshments were transported to the field in old earthen crocks via a Model A pickup. Wooden wheeled wagons hauled the wheat off. When the thrashing bee was over, the only remaining evidence of all this hard work was a huge straw stack about 50 feet long and 25 ft. high.

Often times at these thrashing bees, they also demonstrate churning butter, spinning thread from cotton, and making home made rope. You would be surprised at the people who have never seen butter churned! J. D. plans to restore and old 1928 McCormick Deering tractor. Just for the fun of it. This was the machine his dad sat him on and told him to "plow" when he was just a lad. Recently he re-purchased his W-30 International tractor

which he traded to J. C. and Slim Cates in 1946 when they then had the Implement Co. here. J. C. used the tractor for awhile and then auctioned it off when he sold his farm. This past week J. D. found the machine and bought it back from Homer Sanders. There should be some kind of a lesson in this but I can't think just what it is.

Old relics of by-gone years interest most everyone... some buy them just to own... others buy them to use. Either way, it is a pleasure to have something just to ponder about.

Many Spearmanites enjoyed unusual weekends, Mr. and Mrs. E. J. Callaway and daughter Jyniece motored down to Muleshoe to the annual old settlers reunion. Mrs. Callaway's mother lives there. This is an occasion when everyone dresses for the role. E. J. pulled out of his closet an old wide-lapel, double breasted, blue pin stripe. What is amazing to me is that a person can hold the same weight through the years and still get into their old clothes. He did. We heard he looked pretty slick too, but he was mighty uncomfortable. The suit was made of heavy wool. And the day was plenty hot. All the ladies wore long, sweeping skirts, big flowered hats, and those who still had them, carried their fans. Mrs. Roy Hogan had hers, and along with her daughter, Byrnic, they cut quite a style. Even got their pictures in the Lubbock newspaper.

Since this hot weather we have had the past 2 weeks, I decided to apply for a job at Hansford County Library where its quiet, cool and peaceful. But when I talked with Celestine and she told me she had checked out 2,028 books in June, I changed my mind. Even that's too much work for me. So, I plan to just move my typewriter over there until cooler weather. Stop by the Library and see the painting of the Battle of Adobe Walls. Gwenfred Lackey is the artist, and you can stand for an hour in front of the picture and never see it at all. Notice the old black crow circling over the battle field. The story goes that this old crow actually did circle very low and deliberate all the time the raging, and never lost a feather. Its quite a picture, and all Hansford county citizens should tell Gwenfred how generous she is to paint this historical masterpiece and let it hang in our own Library. I'm proud of it. You will be too. Go by and see it.

The Louis Meisner family were in Sayre, Oklahoma Saturday for a visit with relatives there.
