

Spearman Man Is Elected To Head New Water Group

By BILL GARLAND
Spearman Staff Writer

PERRYTON — Robert Perryton was elected to head the new Palo Duro River Authority here Friday night as directors organized to set in motion plans for construction of a dam across Palo Duro Creek.

The new Palo Duro Authority was created last Friday when Gov. Dolph signed into law a bill creating the authority. Directors heard contract proposals from Freese and Ni-

At that time it was estimated that the dam across Palo Duro Creek in Hansford County would cost approximately \$3 million. Costs were expected to be more than doubled in 1973.

The dam is expected to be located about 11 miles north and two miles east of Spearman, with two sites under consideration.

Directors chosen here Tuesday night were sworn into office by Ochiltree County Judge Spencer Whippo.

Named vice president was R. D. Lemon of Perryton, and other directors were Dee Jackson and Gus Renner, both of Spearman; Bob Logsdon of Gruver; and Bob Urban, Delbert Timmons and Jerry Garrison, all of Perryton.

Craig Dvaidson of Spearman, Hansford County expeditor hired to handle the project, predicted that "with a little more work, we should see the dam under construction in 14 months."

The authority is designed to secure a dam and reservoir for a possible supply of water for the two-county area in future years.

Financing would probably come through a maintenance tax election in Hansford and Ochiltree counties, but directors Tuesday night had not set an election date.

The maintenance tax election would ask voters in both counties to approve such a tax, said likely not to exceed 6 cents per \$100 valuation of the county tax rolls.

Davidson said he hopes that the cost of construction on the dam could be financed almost entirely by federal funds. He said an early estimate of cost would run around \$7 million, but a closer estimate should be found before application could be made for federal funds.

Edward Dear To Coach 'Stars'

Big Daddy Edward Dear will coach the Little League all stars from Spearman this year, and will probably pick his assistants for the game this week. The Spearman team will play Sunray at Dumas, July 16 at 6 p.m.

Spearman League president Charlene Bulls announced Monday of this week that the Little League tournament would be held in Dumas July 16, 17 and 18. Dumas has excellent facilities, and this will be an ideal location for the tournament, as most teams will not have to drive too far to the games.

Members of the Spearman All-Star team are as follows: Joey Avila, Indians; Sam Boone, Astros; Scott Martin, Astros; Kirby Hartis, Jets;

Robin Keetch, Jets; Billy Sellers, Jets; Danny Dear, Dodgers; Kyle Beedy, Dodgers; Randy Pool, Indians; Pat McKay, Yankees; John Mark Pearson, Yankees; Rex Freeman, Indians; Billy Snider, Dodgers; Chuck Eaton, Yankees. Alternates are Johnny Kenney, Astros and Joel Jackson, Dodgers.

NOTICE: We need custom combine cutters in the Hansford area;

Rites Held For Michael Batenhorst

Funeral Mass for Michael Joseph Batenhorst, 24, or Canadian, who was killed early Saturday when struck by a hit-and-run driver while changing a flat tire four miles south of Fritch on Texas 136, were held at 10 a.m. Tuesday at Sacred Heart Catholic Church here. The Rev. Donald Rusch, pastor, officiated. Burial was in Llano Cemetery in Amarillo at 3 p.m. Tuesday, under the direction of Boxwell Brox. Funeral Home. Rosaries were said Sunday and Monday evening at the chapel here.

Casket bearers were Ralph Batenhorst, Joe T. Venneman, Burt McMillan, Charles Cappel, Jackie Rutlage and Bud Kennedy.

Batenhorst was a farmer in the Canadian area and was a 1969 graduate of Gruver High School.

He is survived by his parents, Mr. and Mrs. Joseph H. Batenhorst, of Canadian, two brothers, Larry of Spearman and Henry of Vega; two sisters, Jeanette of Spearman and Polly of Vega and his grandparents, Mr. and Mrs. Henry Batenhorst of Vega.

Bring your custom combine crew to Hansford County...

Thrips Seen In Grain Sorghum

In recent days, thrips have infested many grain sorghum fields in the area. The thrips are very small, slender, agile bugs rarely as long as one-eighth inch. They are rasping, sucking insects that feed on plant sap and cause irregular yellowing areas and possibly drying and shriveling of the leaves. It is hard to differentiate between shriveling caused by wind and that caused by the thrip. Thrips do not secrete any poisons into the leaves where they feed.

In previous years thrips have not caused any economic damage to grain sorghum. However, after inspecting some fields recently, I encourage farmers to inspect each grain sorghum field you have. Each field needs to be evaluated on its individual merits for thrip damage.

Once grain sorghum is up 5 to 8 inches tall and growing good, I believe that the thrips will not be causing any economic damage to sorghum. However, while the sorghum is real small and tender some fields appear to have heavy thrip populations that need some chemical control measures applied. But here again this is not a blanket recommendation that all fields need spraying. Each field needs to be evaluated every 2 or 3 days by the farmer. There are no real guidelines to use in knowing when to spray—each farmer will need to evaluate each field on its own stage of growth and level of damage being observed.

Where chemicals, such as parathion, are applied most all insects in the field will be killed. This may lead to additional sprayings later in the season for greenbugs since the beneficial insects are killed off now. No one knows now how this problem may develop later in the summer.

"We do not have any real solid information to base chemical control recommendations for thrips on grain sorghum. The chemical used must be cleared for use on grain sorghum and this would include a large number of chemicals. However, if I were going to suggest a chemical, parathion, should be one of the most economical chemicals and give good control. I encourage farmers to consult with their aerial applicators on the choice of chemical to use. Other chemicals might be available that would do the job just as good and as cheap."

Berner & Jones Elected Officers At Girl's State

CYNTHIA BERNER

Welcome, custom combine cutters to Hansford County.

Services Held For R. C. (Man) Womble

Services were held Monday, June 18, 1973 for R. C. (Man) Womble, in the Morse School Auditorium under the direction of Minton Mortuary of Borger. Interment was in Lieb Cemetery.

Mr. Womble, 66, farmer stockman and civic leader and longtime resident of the Morse Area, was dead on arrival Saturday afternoon at North Plains Hospital in Borger after suffering a heart attack about 5:20 p.m.

Mr. Womble, born in Eulogy, moved to Wheeler County with his parents, pioneer residents, Mr. and Mrs. Carson Womble, in 1913 and came to the Morse area two years later. He owned extensive farm and ranch interests near Morse.

He was a charter member and past president of the Morse Lions Club and was a director of the Hi-Plains Eye Bank which is sponsored by District 271 of the Lions Club.

He had been a member of the Morse School Board for 30 years when he retired in March of this year.

In addition to being active in the Farm Bureau, he was a director of the Morse Community Center and was an organizer and scoutmaster of the local Boy Scout troop.

Survivors include his wife, Dora; a daughter, Mrs. Jeanie West of Bloomfield, N.M., three sons, Ronnie, Bobby, and Jerry, all of Morse; four sisters, Mrs. Lex Board of Morse, Mrs. Betty Lackey of Borger, Mrs. Ralph Forrester of Dalhart, and Mrs. Irene Foster of Stinnett and five grandchildren.

Cynthia A. Berner of Spearman High School a citizen of the American Legion Auxiliary Bluebonnet Girls State, now in progress in Seguin, at Texas Lutheran College, was elected City Treasurer, City of "What" in tonight's election. She is the daughter of Mr. and Mrs. Wallace Berner.

Rhonda Jones of Spearman High School a citizen of the American Legion Auxiliary Bluebonnet Girls State, now in progress in Seguin, Texas, at Texas Lutheran College, was elected City Attorney, City of Knock, in tonight's election. She is the daughter of Mr. and Mrs. Hershel Jones.

Both of these girls were sponsored to Girls State by the local American Legion Auxiliary Unit No. 154.

Girls State was organized as a national Americanism activity in 1937 by the American Legion Auxiliary. Non-partisan and non-political, the purposes of the Girls State program are to provide citizenship training for girls of high school age, to afford them an opportunity to live together as a self-governing group and to inform them of the duties, privileges, rights and responsibilities which they will assume when they become adults. They learn the problems of government by simulating the duties of city, county, and state officials. Each year citizens are selected at local levels from students who have just completed their junior year in high school. The selection is based principally on character, leadership and scholarship.

The 1973 session of the American Legion Auxiliary Bluebonnet Girls State has grown from an experimental conference of ninety-four girls, held at Baylor University in 1941, to become the largest single extracurricular educational program for high school girls in Texas. This year 516 girls are in attendance, plus two girls from Mexico, making a total of more than 10,250 girls in Texas who have participated in this top-level citizenship program.

Former citizens of Girls State and members of the Texas American Legion Auxiliary comprise the sixth members of the staff and counselors who volunteer their services to direct and lead this program. The director, Miss Frances Goff, Houston, is Director of Special Projects for The University of Texas M.D. Anderson Hospital and Tumor Institute, Houston. The Associate Director is Mrs. T. J. Manning, Houston, Assistant Principal at Clear Creek High School, League City. Miss Gretchen Killinger, government teacher at Clear Lake High School, is Education Coordinator. Chairman of the Auxiliary Girls State Committee is Sam A. Idmore of Hearne.

Chief Justice Joe Greenhill of the Texas Supreme Court has administered the oath of office to the elected state officials of Bluebonnet Girls State, Monday, June 18, in the rotunda of the State Capitol.

One of the highlights of the session which began June 12, and ends June 22, will be the selection of two outstanding citizens of 1973 who will be sent to Girls Nation in Washington, D.C. by the American Legion Auxiliary. There the two young representatives will continue their study in responsibilities of the Republic.

Twelve citizens of the 1973 session will be selected to participate in an intership program sponsored by United States Senator Lloyd Bentsen. The program which will be held in Washington, D.C. begins July 8 and ends July 13. The twelve participants will be accompanied by three members of the Girls State staff.

RHONDA JONES

Twelve citizens of the 1973 session will be selected to participate in an intership program sponsored by United States Senator Lloyd Bentsen. The program which will be held in Washington, D.C. begins July 8 and ends July 13. The twelve participants will be accompanied by three members of the Girls State staff.

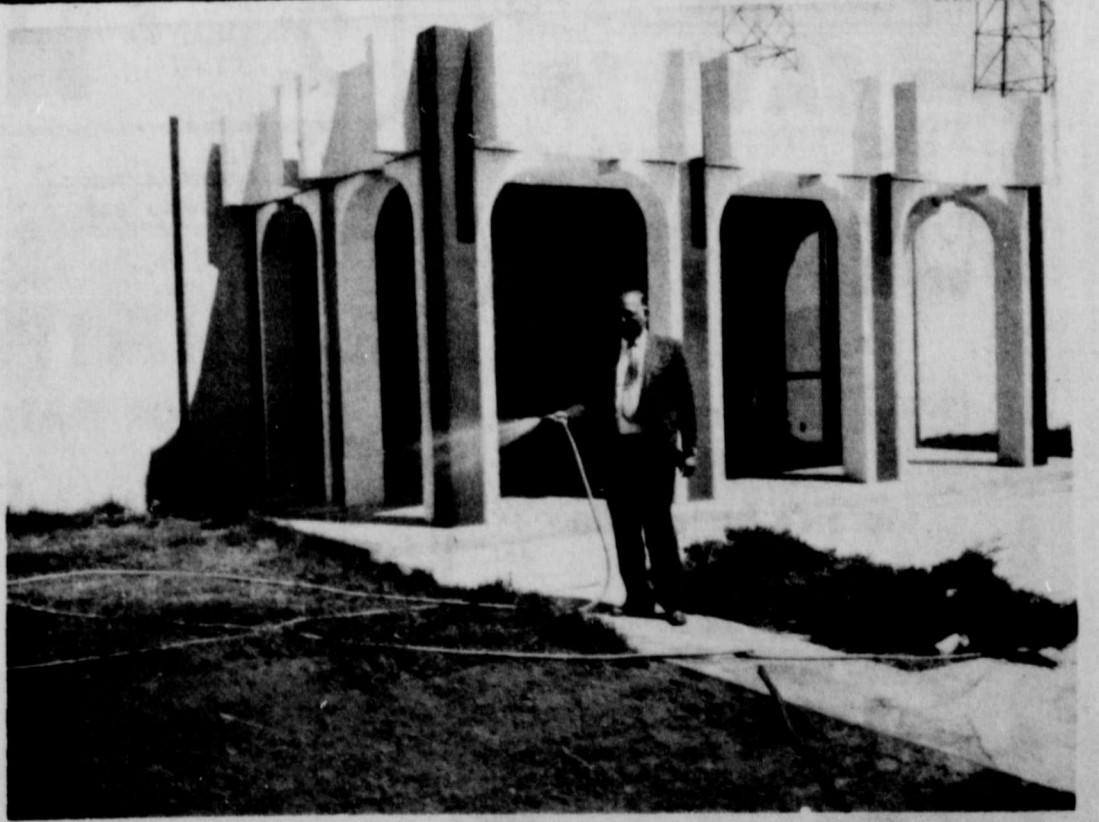

CAPTAIN SAM CORNELIUS

Word was received the past week that Sam Cornelius, son of Mr. and Mrs. Harry Cornelius of Spearman, has been reported as missing in action in Cambodia.

Sam was a 1961 graduate of Spearman High School and was the first athlete

from Spearman to make the regular starting line up at Texas Tech in Lubbock. After his college career, Sam attended the Air Force Academy at Colorado and was graduated from this academy. Cornelius is a career air pilot and a Captain in the Air Force.

G.K. Rupprecht is trying to break the drought. Not really, as G.K. is merely trying to start some grass in front of his new office in Spearman. He reminded us here at the Reporter that he was "watering down his assets!" We think G.K. has finally got the grass started at the new Interstate Savings & Loan location in Spearman.

Jane Ownbey, Gordon Grubbs Married In June 15 Ceremony

Mrs. Gordon Hal Grubbs, nee Martha Jane Ownbey

The First United Methodist Church, Graham, Texas was the scene of the wedding of Miss Martha Jane Ownbey and Gordon Hal Grubbs on Friday night, June 15. The sanctuary was decorated with aisle candles and swirled candelabras banked with greenery and flowers. The bride, daughter of Mrs. Robert J. Ownbey of Amarillo, Texas, was given in marriage by her brother James Ownbey, of San Antonio, Texas. The groom is the son of Mr. and Mrs. Hugh G. Grubbs of Graham. Rev. Hubert Foust performed

the ceremony. The bride was attired in a formal gown of silk organza with hand clipped chantilly lace over taffeta. The Empire bodice featured a jeweled scalloped neckline and a lace panel extended down the front of the organza skirt. A fabric bow held the detachable chapel train. The bridal veil was created of an orandy bandeau with alencon lace and pearl accents with English illusion border of lace which fell into a three tier fingertip veil. Her bridal bouquet, a gift from the groom, was an arrangement

of spring flowers which topped a white Bible.

Cecil Porter provided organ music. Norman Hemphill sang "The Wedding Song," and "I Won't Last A Day Without You."

Mrs. Donna Reese, sister of the bride, was Matron of Honor, and wore a gown of floral organza over blue satin with a white hat. She carried a nosegay of spring flowers. Miss Susan Saxon, Houston, Texas, Miss Kathy White, Spearman, Texas and Mrs. Susan Blevins, Arlington, Texas were bridesmaids and wore dresses of matching floral prints. Best man was Mr. Pete Bennett of Wichita Falls, and groomsmen were Andrew Miller of Dallas, Randy Hearne of Austin and Mike Blevins of Arlington. Ushers were John Knox of Charleston, South Carolina, Bill Ownbey, brother of the bride of San Antonio, Tommy Grubbs and Gary McClanahan, both of Graham. Candle-lighters were Mark Grubbs, brother of the groom and Harold Shelley of Electra. The flowergirl was Jennifer Joyer, daughter of Mr. and Mrs. Joe Joyer and the ringbearer was Mel Mobley, son of Mr. and Mrs. Kenneth Mobley.

Members of the house party assisting at the reception which followed the ceremony in the fellowship hall of the church, were: Miss Brown Webb, Mmes. Ellen Morris, Darlene Bennett, Glenda Woodridge, Carolyn Taylor, Kay Bennett Sammie Knox, Mrs. Diane Cody, Mrs. Nancy Connell and Mrs. Joyce Forehand. Serving at the registration table were Misses Julie Woodridge and Lisa Woodridge, cousins of the groom.

The newlyweds will live in Wichita Falls where he is presently stationed in the Air Force. The groom is a graduate of the University of Texas, Austin and the bride is a junior at the University, majoring in Deaf

Education.

The groom's parents were hosts for a rehearsal dinner on Thursday evening at the Fellowship Hall with all members of the wedding party being honored. Miss Ownbey was honored with a party in Austin by several of her classmates with a party

in Spearman, where she previously attended school. She was honored with a gift tea at the Graham Federal Community Room on Saturday, June 2. Mrs. Jenna V. Ownbey and Mrs. Lena Stephenson were hostesses for a wedding party and family luncheon at the Gateway Inn on Friday at 2:00 p.m.

Federal Aid To County \$933,000

To what extent has Hansford County been sharing in funds distributed by Washington under the Federal grants-in-aid programs?

What portion of the allotments made in the past year to communities across the country, a total of \$35 billion, went to the local area?

On the basis of a state-by-state breakdown made by the Tax Foundation, a non-profit research organization here that keeps watch over government spending and taxation, the allotment to Hansford County was relatively small.

An estimated \$933,000 was awarded in the fiscal year for local purposes under a number of aid programs.

Throughout the State of Texas, the grants totaled \$1,647,000,000, according to an analysis by the Tax Foundation of figures released by the Treasury Department.

The purposes of the grants is to assist the states and their communities with such needs as child welfare, public housing, health facilities, urban renewal, job training and the like.

Also considered in the study was the cost of these benefits. The findings are that the overall cost is much greater, in many localities, than the aid received. In other areas, it is considerably less. In no state do they come out evenly.

It is pointed out that there is no attempt, in awarding them, to achieve a balance and return dollar for dollar but rather to allot them in accordance with each area's needs.

Hansford County's cost in the past fiscal year, via Federal income and excise taxes collected from local residents and allocated to the aid programs, was approximately

\$980,000, as against the \$933,000 received.

The state as a whole was also behind on that basis. Its payments for the \$1,647,000,000 received, came to \$1,728,000,000.

Thus, for every \$1 of aid, the cost was \$1.05, exclusive of matching funds.

Just how much money will be forthcoming from Washington in grants-in-aid from now on is uncertain. The new budget proposes eliminating about 70 specific programs and replacing them with "special revenue sharing," notes The Conference Board.

Mrs. Sloan Is Bridge Club Host

The Ladies Dinner Bridge met Monday, June 11 in the home of Mrs. Troy Sloan.

High was won by Mrs. Sloan. Second high and the traveling prize was won by Mrs. Jim Evans.

Those present were Mesdames: Allen Simpson, Bill K. Jackson, Troy Sloan, Don DeArmond, Cid Evans, Glenn Mackie, Jim Evans and Guest player was Mrs. G. W. Robinson.

To celebrate Father's Day in the home of Mr. and Mrs. Aaron Love home-made ice cream was enjoyed by their son, Mr. and Mrs. Jack Love and daughters, their daughter, Mr. and Mrs. Eugene Yarbrough and children, all of Spearman and their daughter, Mr. and Mrs. Jimmy Hall and daughters from Borger.

BAKER & TAYLOR DRILLING COMPANY

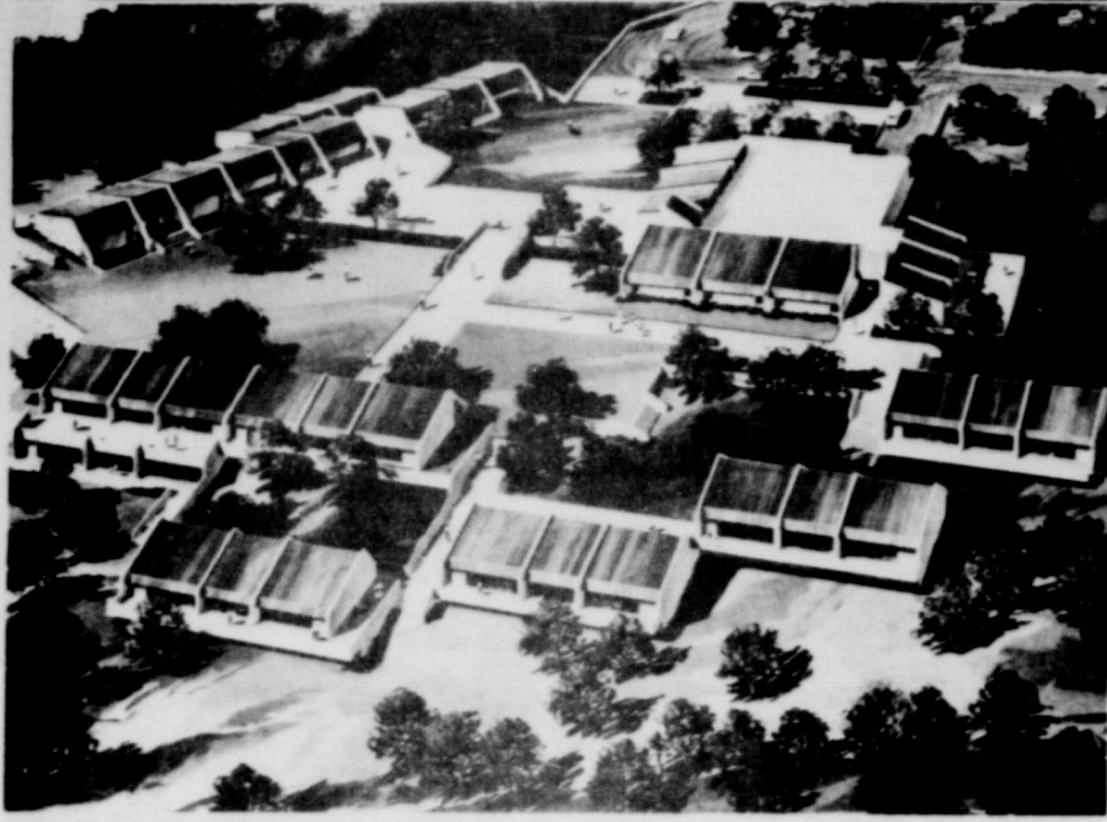

Rates its employees No. 1

JAMES OWENS

CONGRATULATIONS TO THE SPEARMAN LITTLE LEAGUE ALL-STARS, AND THEIR COACH EDWARD DEAR... Congratulations to each and every player, and coach who made this years little league program such a big success...

Your Baker and Taylor Employee of the week, is JAMES OWENS. James has been with Baker and Taylor for 23 years. James, his wife Lynda, and son Michael Wayne, love Spearman, and love to work for Baker and Taylor. Lynda is the former Lynda Batson, a local Spearman girl. James was born in Clyde, Texas, near Abilene. Both James and Lynda enjoy fishing and hunting, as their hobbies. James Owens is a mechanic for Baker and Taylor and one of his hobbies is working on any old automobile; however, James says that he likes to work on any kind of car or truck. James is a former rancher, and was working on a ranch at Big Springs, Texas, some 23 years ago, when he started working for Baker and Taylor. He drove a truck for Baker and Taylor 17 years before he began his mechanics work with Baker and Taylor.

This architect's drawing shows the proposed State 4-H Center to be built at Lake Brownwood. The Educational Training Center includes a central plaza, amphitheater, administrative building, living units and seminar rooms, manager's residence and other facilities. The Center will be able to accommodate 200 people.

4-H Clubs Have Share To Raise For Center

The 4-H Clubs of Hansford County have a goal to raise \$3,000 for their share in helping build a \$1.5 million State 4-H Educational Center on Lake Brownwood near Brownwood, Texas. The committee decided to solicit funds for this building by asking farmers to donate several bushels of wheat. This can be handled by your local elevator when you settle up with them at the end of harvest. By donating the grain to the Hansford County 4-H Council, you will not have to report that amount of income for income tax purposes. The elevator will pay the 4-H Council for the amount of

grain you donate. Any amount of grain donated will be appreciated by the 4-H youth. As a guideline the committee is suggesting 25 to 50 bushels of wheat be donated by each wheat producer. The Hansford County State 4-H Center Fund Raising Committee is as follows: Chairman, T.J. "Doc" Bergin; Troy Sloan, Lynn Davis, Mrs. Pat Holt, Mrs. Dwight Hutchison, Mrs. Elmo Dahl, Albert Clark and John Hardesty. If you have any questions about this activity, feel free to discuss this with any committee member or call the county extension agents Joe VanZandt or Mrs. Nelle Evans.

4-H Clothing Workshop Held

Catharine Lusby and Marsha Pipkin held an all day 4-H clothing workshop June 18 in the Home Ec lab at Spearman High School for first year sewing girls. Gina Hutchison, junior leader, assisted. The girls made smock tops for their County 4-H Dress Revue project.

CONGRESSMAN BOB PRICE 18TH DISTRICT—TEXAS

As I indicated in my last Weekly News Report, I intended to continue with my discussion this week of the provisions of the Senate version of the new farm legislation under study by the House Agriculture Committee. However, in passing their farm legislation June 8, the senate amended their bill to such an extent that the whole complexion of this legislation has been changed. The changes made by the Senate are of such magnitude that they have caused great alarm among members of the agricultural community. Those of us who are on the House Agriculture Committee have continued to meet in our respective sub-committees in order to save this

legislation. After extensive discussion and research, we began to meet in full committee Thursday with the intention of writing up our version of the new farm legislation and with the hope of reporting a bill to the Congress which will meet with the approval of the farmers and ranchers, the Administration and the Congress. As a member of both the Cotton and Livestock and Grains Sub-committees, I would like to point out the crucial recommendations these sub-committees are bringing to the attention of the full Agriculture Committee. While these recommendations may be altered by the full Committee, they were reached through many hours of debate, study and consideration of the interests of the farmer and rancher.

HOSPITAL NEWS

Patients are Maynard Phillips, Charley Coleman, Joe Chavez, Channa Rome, Marsha Immell and daughter, L. C. Owens, Doris Brogdon, Jewel Thomas, Joe Day, Carrie Russell, Russell Townsend, Sue Maben, Marietta Huse, Billy Kelly Jr., Kelli McFarlin, Justin Coley, Monte Dixon, Faye Fittler, Christine Vela and son. Dismissed were Dennis Herderson, Regina Bontke, Joyce Edwards, Margie Seider and daughter, Anthony Sturgeon, Marguerite Salazar, Anson Ward, Gerald Reeves, Perrin Lyon, Jr.

HAVE YOU HEARD MUSIC PLAYING AND SEEN A LITTLE YELLOW TRUCK LATELY? Ronald Gibson and his sister, Sheryl have been driving this ice cream truck all around town during the afternoon and evening to treat young and old alike to their choice of ice cream treats. The Gibsons report they have been having a ball with their ice cream truck and hope everyone else is enjoying it as much as they are.

Mrs. Jack Peddy and children went to Midland last week to visit with her parents, Mr. and Mrs. Jack Merritt. Jack Peddy visited in Abilene with his brother, O.B. Peddy, who recently underwent surgery.

Father's Day Dinner guests in the home of Mr. and Mrs. Glen Hiller were Mr. and Mrs. Harley Hiller and Mr. and Mrs. Lonnie Hiller and Mandy.

Visiting in the home of Mr. and Mrs. Aaron Love over the weekend was their daughter, Mr. and Mrs. Jimmy Hall and daughters of Berger.

Schickedanz Is New Ag. Dept. Head

Mr. Larry Schickedanz, who has been vocational agriculture teacher at Burger High School for the past thirteen years, heads the new agriculture department at Frank Phillips College in Borger. Mr. Schickedanz will begin work on July 1st. Mr. Schickedanz earned a B. S. degree in Animal Science in 1959, at Panhan-

del State College, Goodwell, Okla., and a M. S. degree from Okla. State U., Stillwater, in 1964, where he was a member of the Collegiate FFA Chapter. While at OSU, he was an active member of the "O" Letterman's Club, Charter member of the Block and Bridle Club and was also vice-pres., and a member of the Aggie Club. While at Panhandle State College, he was a junior and senior member of the Livestock Judging teams. He earned a State Farmer degree in the Oklahoma Future Farmers of America in 1955, while attending high school in Fargo, Okla., where he graduated in 1955. Mr. Schickedanz will be counseling students in Regular Agriculture courses, Range Management, and Feedlot Management. He can be reached at his office in the adm. bldg. on the FFA Campus. Pre-registration will begin in early July for the fall semester.

Among those attending the funeral of E. C. (Mam) Womble Monday at home were Mrs. Corrie Archer, Louise Archer, Mabel Edwards, Mildred Chamberlain and Miss Alta Womble.

Linda Pat Barkley is our "Gal Friday" in Gruver and she will be joined by Bobby Brown and Burl Buchanan of Spearman in servicing your insurance needs.

We look forward to the opportunity of working with the people of Hansford County and hope you will allow us the pleasure of your business.

Crop Hail Insurance

CROP HAIL INSURANCE is an important item during this time of year. Our Agency offers the best in crop insurance. Please consider the following before you purchase your milo or corn crop hail coverage.

1. We offer the 5 SEASON ENDORSEMENT with a 5% rate credit (the ORIGINAL YEAR - Five by Five).
 2. We will attach the EXTRA HARVEST EXPENSE endorsement (at no cost) to all policies.
- As a matter of explanation, we list the following examples applying the "Extra Harvest Expense" endorsement on an excess over 10% policy:
- | | |
|---------------------------------------|-----------------------------------|
| 1. 75% Loss + 2 1/2% Extra Har. Exp., | Less 10% Deductible-Pays 67 1/2%. |
| 2. 90% Loss + 10% " " " | Less 10% Deductible-Pays 90%. |
| 3. 95% Loss + 10% " " " | Less 10% Deductible-Pays 95%. |
| 4. 100% Loss + 10% " " " | Less 10% Deductible-Pays 100%. |

In other words, if you have a \$10,000 policy with 100% hail loss, the policy will pay the full \$10,000 even with the "Excess Over 10%" loss clause. This is an extra "Expense" would pay.

3. We will attach the NCH-1 endorsement (at no cost) on each milo and corn policy-this is the WIND AND TORNADO and double fire coverage when accompanied with 5% or more hail damage.
4. We offer the NCH-2 endorsement on irrigated milo and corn for only \$1.00 per hundred additional rate. This NCH-2 endorsement covers wind and/or ice storm damage regardless of any hail damage.

Swim Team Places 5th In Kansas Meet

Swimming time during the City Summer Recreation Program is proving popular with Spearman youth. This picture was taken Monday morning at the local swimming pool. Rev. Don Wirsdorfer is the swimming coach. The first four weeks will be learning competitive strokes and the last two weeks will be devoted to water polo, games and just plain old swimming. Youth in grades 1-4 and 5-8 are encouraged to join the fun if they have not already done so.

GARY THOMAS WINS FIRST in 8 year and under 25 yd. freestyle at the Garden City, Kansas swim competition June 16. He is shown here with swimming coach, Rev. Don Wirsdorfer.

Breaststroke, Donna Wirsdorfer, 1st place; 13 and 14 boys 50 yd. Freestyle, Jed Miesner

Mr. and Mrs. Greg Sherwood, Mr. and Mrs. Jimmy Greene, Mr. and Mrs. Kenneth Friemel. This trip was a part of the track program of the Summer Recreation Program under the direction of Kenneth Friemel. This was a very enjoyable day for all who attended. The next track meet will be an AAU Meet in Hereford June 30.

Rites Held For Lloyd Frier

Memorial services were held at the First English Lutheran Church at Centerville, South Dakota, Monday, June 11 for former Gruver resident Lloyd Ronald Frier who died Friday, June 8. Pastor Roger Stuenkel of the Centerville Church officiated at the 2 p.m. service with Mrs. Leonora Frey offering organ music and accompanying Vernon Andersen as he sang "Jesus, Savior, Pilot Me", and "The Lord's My Shepherd".

Serving as casket bearers were Robert Rist, Fred Knudsen, Donald Rist, Vernon Larsen, Lloyd Sorensen and Wilson Graff. Interment was in the Riverview Cemetery under the direction of the Wess Funeral Home of Centerville. Mr. Frier, who was born Sept. 10, 1909 at Wakonda, S.D., spent much time as a young man in Texas working

as a mechanic. He married Helga Brandvik of Gruver, August 14, 1938 and the young couple made their home in Gruver until 1944 when they moved to Borger. In 1955 they moved to Viborg, S.D., where they farmed until his death.

He was baptized and confirmed in the Lutheran Faith at Grace Lutheran Church at Centerville and at the time of his passing, was a member of the First English Lutheran Church. He served his church in many capacities both in Centerville and in Borger.

Survivors include his wife, Helga; one daughter, Mrs. Harold (Helen) Mikkelson of Omaha; one granddaughter, two brothers, Arnold and Everett, both of Wakonda; two sisters, Mrs. Chester Olsen and Mrs. Clifford Howland, both of Wakonda. He was preceded in death by his parents and two brothers.

Attending the services from Gruver was Mrs. Myrtle Bernstein, sister-in-law of Mr. Frier.

Visiting in the home of Mrs. Margaret Harnish this week is her daughter, Mr. and Mrs. Richard Littleton and children, Dick, Rolanda and Rhonda of Island Falls, Maine.

Basic Aircraft Course Set

The Liberal Area Vocational Technical School will offer an intensive 36 hour course in basic aircraft sheet metal fabrication, July 16 through August 2, 7 to 10 p.m. Mondays through Thursdays.

Immediate employment is available in the Liberal area to those who successfully complete the program. The jobs are suitable for men and women 18 to 65. Additional information is available from the Liberal Area Vocational Technical School phone 316 624 2551.

BIRTHS

Mr. and Mrs. Charles Seider of Gruver are the parents of a daughter born June 13 at Hanford Hospital. She has been named Kristi Diane and weighed 7 lbs. 10 1/2 oz. at birth.

Planned Parenthood Clinic In Operation

A Planned Parenthood Clinic has been established in Spearman to assist interested Hansford County residents. Family planning services are available to any who need or want them. These services include education, counseling, all methods of birth control and physical examinations for women.

The Hansford County Planned Parenthood Clinic is a part of the Amarillo-based Panhandle Planned Parenthood Association. Planned Parenthood, a non-profit voluntary health agency, provides better health for families by helping them space their children correctly.

The Planned Parenthood Clinic for Hansford County is supported by contributions from local residents and by funds from the Department of Health, Education and Welfare, and other governmental bodies. Mrs. Eleanor P. Sanders is in charge of local services.

Information may be obtained from Mrs. Sanders at her office at 26 S. Haney, Spearman, or by calling 659-2483. Office hours for the summer are Mon. - Fri. 9-11 a.m.

and 1-3 p.m. Any individual unable to visit or call may address inquiries to Hansford County Planned Parenthood Clinic, P.O. Box 224, Spearman, Texas 79081. Mrs. Sanders will be available to speak to any club, church, school, or civic organization interested in more information.

Mrs. Sanders holds a B.A. degree in social studies and English on the secondary level from Panhandle State College, Goodwell, Okla., and has completed 12 hours on an M.A. degree at West Texas State University, Canyon, Texas.

James D. Martin Enrolled In NSF Summer Institute

Mr. James D. Martin of 714 Steele Drive, Spearman, will participate in Beaver College's NSF Summer Institute in Chemistry for Secondary School Teachers. The eight-week session, directed by Dr. Arthur C. Breyer, chairman of the chemistry and physics department at Beaver College, will begin June 25 and con-

tinue through August 17. The Institute, open to both men and women, has an enrollment of 47 high school teachers representing 18 states, Puerto Rico and three foreign countries. Candidates were chosen on the basis of their ability to benefit from the program of the Institute and their capacity to develop as teachers of science.

The Institute will begin with a two-week workshop on audio-visual aids. During this period each participant will construct a set of molecular, atomic orbitals, molecular orbitals, and crystal models from styrofoam.

The four credit courses offered in the six-week session following the workshop are "Modern Chemical Concepts" and "Teaching the High School Chemistry Course."

Mr. Martin is a faculty member of Spearman High School.

Mrs. Travis Reger was hostess for a Friday party Tuesday afternoon June 12 honoring her daughter Debra on her sixteenth birthday. Gifts were received by the honoree and refreshments served to Mmes. Owen Pendergraft, Richard Gaines and Freddie, C.W. Kirk and Maude Rosson.

Mr. and Mrs. Lex Board of Morse were Wednesday afternoon callers of Mr. and Mrs. C.W. Kirk.

Mr. and Mrs. Richard Gaines were weekend guests of her brother, Mr. and Mrs. James Beck of Enid.

Mr. and Mrs. Dean L. Rogers and Tammy Jo were Saturday night guests of friends, Mr. and Mrs. Randall Patterson of Canyon.

Mr. and Mrs. Robert Janzen, Randy and Scott enjoyed a Sunday Father's Day outing at Lake Shultz.

Mrs. L.M. Patterson, Jr. and Bailey Lee spent a week at

the State Rodeo at Hallsville, Texas. Mrs. Patterson's daughter Mindy spent the week with her grandmother, Mrs. Marie Close at Coleman, Texas. The Pattersons spent Sunday night with Mrs. Close and returned home Monday.

Mr. and Mrs. Frank Rogers of Waka and Mrs. Fronye Close of Spearman enjoyed home made ice cream and cake Sunday evening Father's Day with Mr. and Mrs. Joe Mac Close of Spearman.

Mr. and Mrs. Terry Neal of Plainview were Saturday night guests of her parents Mr. and Mrs. Marvin Jones. Saturday was Mrs. Neal's birthday and it is always an honor to celebrate Father's Day. Marty Jones of Baylor U. of Waco is going to spend the summer at home with his parents, the Marvin Jones.

Alta Morse and Fronye Close of Spearman were Saturday shoppers in Borger.

Mr. and Mrs. Carter Crawford Father's Day weekend guests were their children, Mrs. Mary Louise Thompson and Ginger of Madill, Okla. Mr. and Mrs. Roger Odegaard, Greg and Jo Anne. The family enjoyed Saturday evening dinner at Suthers in Borger. Ginger is spending a week with her grandparents, the Carter Crawfords, also with the Odegaards.

Mrs. Lance Walker of Esteline, Texas recently spent a weekend with friends Mr. and

Mrs. Herbert Kirk and family. Mr. and Mrs. Billy Lackey and family of Albuquerque, N.M. were Saturday night guests of his parents, Mr. and Mrs. Major Lackey of Spearman. They were enroute to Montreal, Canada on vacation. Then, Sunday Father's Day guests of the Lackeys were their daughter, Mr. and Mrs. A.L. Wilson and Todd of Lubbock.

Lynn Leverton of Dallas has been visiting his parents, Mr. and Mrs. Oliver Leverton in Odessa. Then, he went to Amarillo and visited his sisters and other relatives. Saturday Sheila Bergner of Amarillo and Lynn were luncheon guests of their grandparents, Mr. and Mrs. Dan Jackson.

Gwyn Langford of McAllen, Texas was a weekend guest of friends, Mr. and Mrs. Richard Gaines and Peggy, Kathy Lett of Stinnett spent Monday night with the Gaines.

Mr. and Mrs. Jerry Bolander and family of Borger were Sunday afternoon callers of her grandparents, Mr. and Mrs. Bob Stewart of Spearman.

SEPTEMBER WEDDING PLANNED

Mr. and Mrs. Boyd Morgan of Plainville, Kansas wish to announce the engagement of their daughter, Twila, to Michael D. Buchman, son of Rev. and Mrs. Dale Buchman, also of Plainville, Twila, a 1973 graduate of Plainville High School, is the maternal granddaughter of Mr. and Mrs. C.A. Nickles, Spearman.

Mike is a 1971 graduate of Augusta High School and attended school at Bethany College. He is now presently employed with the Kansas Nebraska Gas Company.

The wedding date has been set for September 8 at the First Baptist Church, Plainville.

Mrs. E.N. Wilbanks and her daughter, Mr. and Mrs. B.J. Hawkins and baby and Vicki Crawford visited in Amarillo last week with Mrs. Loreta Boyd and Mrs. Joyce Shockley. Vicki remained in Amarillo to visit with Sandra Huling for a few days.

news from your HOME DEMONSTRATION AGENT

by Nette Evans

We'd like to remind all of you that the Hansford County 4-H dress revue will be held Tuesday, June 26 at the Gruber School Auditorium at 3 p.m. Do plan to attend and see the fashions created by the girls. Favors and refreshments will again be provided by the home demonstration council of Hansford County.

We are constantly hearing about the energy crisis, pollution, etc. There are steps we can take as individuals to help though only in a small way. Many of these are simple steps to take. Walk when you can, or ride a bicycle or form a car pool. Don't leave the motor running when you are in a store. Many people do this to leave the air conditioner or heater running.

At home turn off lights not in use. Keeping shades drawn or shades pulled reduces entrance of sun and thus requires less air conditioning needs. Set the thermostat a little warmer-75 degrees or so to use less fuel. It will still be cooler than outdoors.

In the garbage disposal line there are also several things you can do. Feed scraps to a dog if you have one or a friend does. Use vegetable waste in a compost pile. Cut the tops and bottoms out of cans and mash them flat. Avoid using foil, plastics and other products that will not decay naturally.

There are many other ways that you can help conserve water, clean air, etc. Just use some common sense.

This is the time of year to pinch and disbud flowers for more beauty. This will result in more abundant as well as larger blooms.

To encourage bushy growth of annuals such as asters, calceolarias, dahlias, larkspurs, marigolds, snapdragons and zinnias, pink back the main stem. Pinch off an inch of the stem's top when young plants are 4 or 5 inches tall. Pinching will make annuals produce a compact plant with many blooms.

Disbudding involves remov-

ing all buds from the stem as they develop except the terminal one at the top. This allows all the food from the leaves to go to the bud and produces a fine flower. Flower show specimens are produced in this way.

Pinching and disbudding will produce fine large chrysanthemums. Disbudding also produces large beautiful rose blossoms.

Cindy Hansen Is Birthday Honoree

A birthday party was given Monday, June 11 for Cindy Hansen, 7 year old daughter of Mr. and Mrs. Junior Hansen in their home. She received many pretty gifts.

Cake, coke, and party favors were served to: Brett Fittler, Julie Kell, Sheila and Billy Bob Tucker, Earl Spencer, Yvonda Scroggs, Michael Owens and Tim Rauscher.

Also present were: Joy Hanson, Lucille Crossland, Linda Owens, Debbie Tucker, and the Birthday Girl, Cindy.

Mrs. Deta Blodgett Is Guild Hostess

Mrs. Deta Blodgett was hostess for the June 15th meeting of the Arts and Crafts.

Members present were: Madames: Nolan Holt, Ince Sheets, Joe Traylor, Ned Turner, C. A. Gibner, Pope Gibner, Guy Fuller, and P. A. Lyon, Sr.

Mrs. Nolan Holt will be hostess for the meeting June 22.

Visiting in the home of Mr. and Mrs. L. S. McLain is their daughter, Polly Harlan and daughter, Cheri Lynn from Cooper, Texas. They will be visiting here for about a week.

DOUBLE RING CEREMONY HELD HERE IN FIRST CHRISTIAN CHURCH, JUNE 9

In a double ring ceremony at 3:30 p.m. June 9, 1973 in the First Christian Church here, Miss Linda Jeanette Smith became the bride of Mr. Raymond Kent Green of Plainview. Rev. Don Windsor, pastor, performed the ceremony before an arch of candelabras, flanked by spiral candelabras holding yellow candles, entwined with smilax and yellow bows. Two baskets of white and yellow daisies and tropicana roses completed the setting. Aisles were also marked with yellow bows.

Parents of the couple are Mr. and Mrs. Don E. Smith of Spearman and Mr. and Mrs. Raymond Green of Plainview.

Traditional wedding music was played by Mrs. Tom Sutton who also accompanied Mr. Don Knox as she sang "More" and "The Lord's Prayer".

The bride, given in marriage by her father, selected a formal gown of sate-peau organza over bridal taffeta designed with a fitted Empire bodice, Juliet sleeves tapering to the wrists and a Victorian neckline. Venice lace was applied over the bodice and around the waist. French pleating with val lace edges cascaded over her hands. Her softly gathered skirt fell to Venice lace hemline which swept to back fullness and cascaded into a full chapel train. A self fabric bow with long streamers cascaded over her gown. She wore a brief shoulder veil of bridal illusion with fresh flowers to complete her ensemble. Her bridal bouquet was of white daisies and Zorina roses.

The matron of honor, Mrs. Kenneth Lee, sister of the bride, of Canyon, wore a formal length yellow floral chiffon gown with a yellow straw hat and carried a yellow basket of tropicana roses.

Bob Green, brother of the groom, served as best man. Ushers were Bobby Smith, brother of the bride, and Kenneth Lee, brother-in-law of the bride.

Mrs. Smith chose a yellow voile dress for her daughter's wedding and the mother of the groom, Mrs. Green, wore a dress of pink knit. Both wore corsages of white roses.

At the reception held immediately following the ceremony in Fellowship Hall, the serving table was laid with a

white cloth with a yellow overlay and centered with tropicana roses and white daisies in a spiral candelabra. The wedding cake was a three tiered confection trimmed in tropicana roses. A silver punch bowl set and crystal appointments completed the table setting.

Mrs. Larry Smith of Perryton and Mrs. Les Weis of Muleshoe, cousins of the bride, served guests. Miss Frances Whitson registered the guests.

For a wedding trip to Champaign Urbana, Illinois the bride chose an aqua and white pant suit with a corsage lifted from her bridal bouquet.

After July 15, the couple will be at home at 1301 Smythe St. in Plainview where the groom is employed as an accountant.

The bride is a graduate of Spearman High School, holds a BS degree in Elementary Education from Oklahoma State University. She now teaches first grade in Plainview, while attending OSU, she was a member of Kappa Delta Pi, honorary organization in education.

The groom received his BBA in marketing from West Texas State University where he was a member of Sigma Nu Fraternity.

Out of town guests for the wedding included Mr. and Mrs. Raymond Green, Richard Green of Lubbock; Mr. and Mrs. Kenneth Lee of Canyon; Mrs. Bill Lee and Brenda, Pampa; Mr. and Mrs. Les Weis of Muleshoe; Mr. Fred Smith, Mr. and Mrs. Leroy Smith, Mr. and Mrs. Larry Smith and Miss Frances Whitson, all of Perryton.

Women's Division C of C Has Meeting

The Women's Division of the Spearman Chamber of Commerce met for their monthly meeting in the home of Mrs. L. F. Hand. The meeting was opened with Mrs. Pete Fisher leading in prayer before the group repeated the pledge to the American flag.

During the noon luncheon, the business session was presided over by the president, Mrs. L. F. Hand. The treasurer's report was given by the Chamber secretary, Mrs. Sam Wyson, who also gave a financial report on the "Welcome Banners" and the float which the group participated in during the Hansford County Round-up Days.

Members present then discussed plans to buy "Trash Containers" to be distributed in the business districts and other locations throughout Spearman. The Women's Division voted to purchase several containers and invite any club or civic organization, any business or church that would like to purchase one, to help beautify Spearman, to contact the Chamber office. Each one purchasing one will be given credit by having their name painted on the container. Committee members working on this project are Mrs. Coy Palmer, Mrs. Pete Fisher and Mrs. Huberton Plain. Anyone wishing further information may contact any of these members or the Chamber office.

The members present then voted to furnish the Christmas Scene for the Court House lawn with plans to discuss in detail at the next meeting which will be held in the home of Dorothy Roden.

Members present for the June 18th meeting were: Mrs. B. J. Callaway, Pete Fisher, Huberton Plain, Albert Mackie, Dorothy Roden, Coy Palmer, E. L. Collins, Sam Wyson, C. D. Riggins and the hostess, L. F. Hand.

Mr. and Mrs. Douglas Box and Derek went to Red River, New Mexico over the week end. They spent the night in Taos, New Mexico and visited the Pueblo Indian Village and the Kit Carson Museum.

Fishers Attend Montana Wedding

Mr. and Mrs. Pete Fisher returned home on Father's Day from attending the wedding of Lynn Brainard and Cheryl Kurz in Bozeman, Montana. The Fisher's left June 14th by plane to attend the ceremony in which Pete Fisher was a groomsman. The groom, Lynn Brainard was best man for the wedding of Tim Fisher last May.

The 10:00 A. M. ceremony was performed in the Sacred Heart Catholic Church with a reception following. Later that evening, the Fisher's attended a joint buffet luncheon and dance held at the Eagle Lodge which was in honor of Lynn and Cheryl Brainard and Cheryl's sister and her husband who married in an afternoon ceremony the same day.

Ten Church Youth Attend Camp Recently

The First Assembly of God Church sponsored ten children to church camp June 11-15 at Roaring Springs, Texas. Free trips were won by the top candy salesmen during the campaign in the month of January. Top salesman was Billy

County Agent Report

by Joe Van Zandt

According to a recent USDA release based on June 1 conditions the U. S. wheat production for this year is estimated at 1,315,672,000 bushels as compared to 1,185,890,000 bushels last year, an increase of 11 percent. Texas wheat production is forecast at 86,400,000 bushels this year with the yield per acre estimated at 27 bushels. I certainly hope our weather will cooperate and let us get the wheat harvested without anymore severe weather damage this year.

Feed Cattle Statistics-I recently received the statistics on the fed cattle marketings in Texas by counties from the Statistical Reporting Service, Hansford County ranked as the number 3 county in Texas for fed cattle marketed during 1972 with a total of 251,000 head. Deaf Smith County was first with 518,000 head, fol-

lowed by Parmer County with 330,000 head. Following Hansford in fourth place was Castro County with 248,000 head and Randall County was fifth with 216,000 head. They counted our feedlot capacity for Hansford County at 168,000 head in 7 feedlots with 1,000 head or more capacity.

The number of cattle and calves on feed June 1 in 7 states--Texas, Arizona, California, Colorado, Iowa, Nebraska and Kansas--totalled 9,455,000 head. This is a 1 percent increase from the 9,391,000 head on feed a month ago and 4 percent more than the 9,075,000 head on feed last year at this time. Placements for these 7 States for May were 1,754,000 head, which is 47 percent above the 1,197,000 head less than a year ago. Marketings for these 7 States were 1,690,000 head

for May compared with 1,443,000 head marketed the preceding month and 1,758,000 head marketed a year ago.

There were 2,252,000 head of cattle and calves on feed for slaughter market in Texas on June 1. This is 10 percent above a year ago and 4 percent above the 2,163,000 on feed a month ago.

There were 2,252,000 head of cattle and calves on feed for slaughter market in Texas on June 1. This is 10 percent above a year ago and 4 percent above the 2,163,000 on feed a month ago.

Placements into Texas feedlots during May totaled 492,000 head. These placements are 12 percent below May 1972 but 91 percent above the previous month. Marketings of fat cattle during May totaled 403,000 head, which is 12 percent above a year ago and 14 percent above marketings for April.

Elm Leaf Beetle-I have noticed a lot of elm leaf beetle feeding on elm trees in the area. Now is the time to start control measures before they defoliate the leaves on elm trees. Also the younger larvae are easier to control. In residential areas where elm trees are located on surrounding areas it will help if everyone in the area will control the beetles at the same time.

Chemicals recommended include Sevin, chlordane, Dieldrin, toxaphene and lead arsenate. Another chemical, Di-Syston is on the market and labeled for Elm Leaf Beetle control by the use of commercial operators only. The Di-Syston can give season long control by applying 2.5 oz. of material per 1 inch diameter of tree in holes punched evenly around the edge of the tree drip line. The rate of 2.5 oz. per inch of tree is with the 15% granular form of Di-Syston. It is labeled for use by commercial operators only because it is a dangerous chemical and ca. must be exercised in handling the material. The other chemicals listed above will probably require repeated sprayings at approximately monthly intervals as compared to the one-time application of Di-Syston. Di-Syston should be watered in well after application.

Wheat Harvest Grain Loss-Dr. Frank Petr, Area Extension Agronomist, sent us the following information. In estimating yield loss if you counted 88 seeds in an area 1

ft. by 4 ft. this would equal an average loss of 1 bushel per acre. If however the combine header swath was 16 feet and the 1 ft. x 4 ft. area was behind the straw rack then you would only have a yield loss of 1/4 bushel per acre.

If you counted 22 grains in a square foot your yield loss would also be estimated at 1 bushel per acre.

Dr. Petr says the average number of grains per bushel is about 16,000 seeds, but the actual count varies from 12,000 to 20,000 seeds per bushel.

FB President Says Freeze Carried Dangers For All

The President's 60-day freeze on retail food prices is a "stop-gap measure that carries with it some real dangers for consumers as well as farmers," J.T. Woodson, president of the Texas Farm

Bureau, said today.

"There is a real possibility that we may soon see shortages of milk, eggs, and meat if prices are too low for farmers to make a profit," the head of the state's largest farm organization said.

"Although farmers appreciate the President's exemption of prices of raw agricultural products, the freezing of prices at the retail level does affect prices all the way back to the farm," Woodson said.

Commenting on the cost-price squeeze, Woodson said that some producers have absorbed all the increased production costs they can handle.

"Farmers will not produce for very long when their prices are at or below the cost of production," he said. "When producers feel the pinch badly enough, it won't be long before the consumers will, too, in the form of empty grocery shelves and meat counters."

The farm leader said the only way that consumers can be assured of a bountiful supply of food at reasonable prices is to have adequate production and that this can only come from price incentives

in the marketplace.

Woodson said that food prices are not out of line. "The American consumer spends only about 16 percent of his take home pay on food," he said. "This is lower than any other nation on earth and lowest of any time in our history."

The Farm Bureau leader said that the "real culprit behind inflation is still wasteful and deficit spending by government."

"Until we cut out spending beyond our means, we will continue to have our pocket-book robbed by inflation," he said.

Sunday dinner guests in the home of Mr. and Mrs. C. D. Riggins, Resa and Roger were Mr. and Mrs. Carl Criswell and Teresa, Mr. and Mrs. Rick Riggins, Mr. and Mrs. Howard Riggins, Carol and Rhonda all from Perryton.

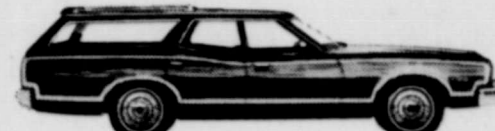

Your Ford Team's 1¢ Wagon Sale is back!

You get a great deal on any new Ford wagon.

The kids get a great deal on this one...1¢.

Ford LTD Country Squire. The top-of-the-line in wagon comfort, luxury and Ford's quiet quality. A leading choice of American families.

Dere Vanse:

Me and Mag has got plum concerned about our whete crop. Sense we have got a acre of dry land and a acre of irritated whete we have bin expectin to come up with a good crop but we hav found out that there ain't no thrashin machines around to bring in the harvest.

I went over to the Snider Pearson Conoco stahshun in Spearman and ast Merl if he knowed sumbody that wood lend me and Mag a thrashin machine. He said they wuz plenty of custom combinders around but he wuz affeard of a fool shortage.

I figgered if he never knowed the difference between a corn binder and a whete cutter, there shore wuzn't no fool shortage around there.

I next went over to Owens Sales Company to see if I could get sum help over their but all they done wuz to try and sell me sum spark plugs and a fan belt.

Don wanted to sell me a self compelled lawn more which he sed wood cut the whete as good as anything else but I never went for that.

Our irritated whete is lookin plum nervous ever sense the well run dry and it nedes to be cut. Wll you pleze see if sumbody son't lend me and Mag a whete reeper to get our crops in.

4-H Horse Show Results

The Hansford County 4-H Horse Show was held Saturday, June 16 in the Gruver Rodeo Arena. There were twenty 4-H members entered that were competing for the top awards; and to be selected as a delegate to the District Show.

The judge for the show was James Smith, County Extension Agent, Texas County, Guymon, Okla.

In the halter classes the following winners were named: Class 1, mares, first place, Quentin Hart; 2nd, Brad Hardesty; 3rd, Scott Henderson. Class 2, geldings, first place, Halee Reed; 2nd, James Stewart; 3rd, David Armes; 4th, Sally Brainard; 5th, Darla Armes; 6th, Richard Lesley. Class 3, yearlings 2 year old fillies, first place, Quentin Hart; 2nd, James Stewart; 3rd, Halee Reed; 4th, Kelly Stewart. Named as champion mare was Miss Della exhibited by Quentin Hart; Reserve Champion Mare was Shilo shown by Brad Hardesty. Selected as Champion Gelding was Charlie shown by Halee Reed and Reserve Champion Gelding was Badger Dee exhibited by James Stewart.

In the Showmanship class first place winner was Quentin Hart; 2nd, Halee Reed; 3rd, David Armes; 4th, Brad Hardesty; 5th, Todd Williams; 6th, James Stewart.

For the Performance events, winners in the Western Pleasure class was: 1st, Halee Reed; 2nd, James Stewart; 3rd, Quentin Hart; 4th, Sally Brainard; 5th, Brad Hardesty; 6th, David Lesly. The Reining class was won by Halee Reed; 2nd, Quentin Hart; 3rd, James Stewart; 4th, Richard Lesly; 5th, Chris Cooper; 6th, David Lesly.

In the Barrel Racing event the winner was David Armes; Ty Williams; 3rd, Darla Armes; 4th, Kelly Stewart; 5th, Andy Francis; 6th, Todd Williams. The final event was Pole Bend-

ing which was won by Davin Winger; 2nd, Ty Williams; 3rd, Kelly Stewart; 4th, Darla Armes; 5th, Scott Henderson; 6th, Cherral Washburn.

The following 4-H members were selected as delegates to the District 4-H Horse Show to be held in Amarillo on June 29, 30. Halee Reed, Quentin Hart, James Stewart, David Armes, Ty Williams, Darla Armes, Brad Hardesty, Kelly Stewart, Davin Winger, Sally Brainard, Richard Lesly and Todd Williams.

Other 4-H members who entered the show included: Bob Stewart, Roy Washburn and James Red.

Trophies and ribbons were furnished by the following: R. E. Sanders, Jr., Spearman; H & H Cattle Co., Gruver; T. C. Harvey, Jr. Feedlot, Gruver; A. D. Reed, Jr., Sunburst Cattle Co., Eddie Stewart, Equity, R. L. McClellan Grain Co., Livestock Specialties, Martin Trucks, Spearman; Caprock Industries Feedlot, Gruver.

Mrs. Blant McGee of Spearman and her mother, Mrs. Mary Davis from Hollis, Oklahoma recently returned from Huntington Beach, California, where they visited with Mrs. McGee's daughter, Mr. and Mrs. Mac Moore and family.

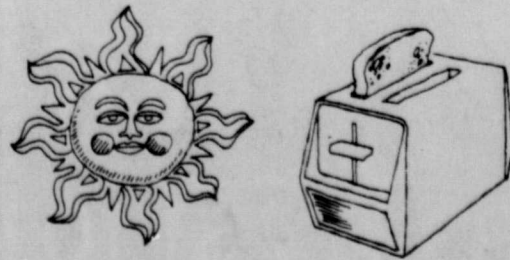

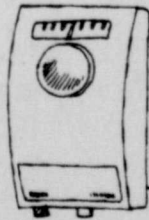

The Moore's children, Sandi and Robert returned home with Mrs. McGee to spend a week or ten days here in Spearman.

Visiting in the home of Mr. and Mrs. Harvey Whitefield this weekend was his parents, Mr. and Mrs. J. P. Whitefield from Lakeview, Texas.

MONEY SAVING SUGGESTIONS

Here are tips on how to keep cool and comfortable this summer while you give your budget a break.

1. Set the thermostat for the temperature you want ... then leave it.
2. Thermostats should be located away from warm appliances and direct sunlight.

3. Clean or replace filters at least once a month.

4. Close blinds, shades or drapes to keep the hot sun out.

5. Have your entire cooling system cleaned and checked at the beginning of the season.

This is one of a series of money saving suggestions from Community Public Service Company to help you get the most efficient and economical use from electricity.

Pre-Registration Set At Frank Phillips

In an effort to assist fall registration at Frank Phillips College, a Pre-registration program is scheduled to begin in early July and continue through the first week of August.

Students wishing to take advantage of this counseling and pre-registration, may apply by sending their name, address, and housing needs on a postcard or in a letter to Mr. Wm. D. Gasaway, Dean of Admission, Box 111, Borger, Texas, 79007. Applications for pre-registration should be made as soon as possible and no later than August 1.

Official transcripts, physical examination forms and entrance tests results (ACT or SAT) must be on file before an application can be processed.

Non-high school graduates, twenty-one years of age or older, can be admitted on personal merit at Frank Phillips College. GED certificates are also acceptable for entrance at FPC.

Frank Phillips College has two beautiful dormitories with accommodations for 120 men and 80 women. Frank Phillips College offers a full complement of academic courses necessary to fulfill the requirements of almost any academic degree. In Sept., 1973, an academic program in Agriculture will be offered as well as thirteen new Technical-Vocational Programs of one or two years in length.

Gov. Briscoe Signs Signs PDR Bill

Governor Dolph Briscoe today signed into law House Bill 1531 creating the Palo Duro River Authority in Hansford and Ochiltree counties. The legislation was authored by State Representative Dean Cobb of Dumas.

The bill creating the Palo Duro River Authority is the first step in the establishment and construction of a dam to be located on the Palo Duro River. The legislation was supported by the Spearman Industrial Foundation, the cities of Perryton, Spearman and Gruver as well as the Commissioner's Courts of both Hansford and Ochiltree counties.

Ferrell's Vacation Ends In Accident

Recently Mr. and Mrs. Eldon Ferrell went to Lakin, Kansas and spent the night with his sister-in-law, Mrs. Yvonne Ferrell.

They then went to Cheyenne Wells, Colorado and spent a few days with Mr. and Mrs. Elmer Ferrell. While there, the four motored to Goodland, Kansas, did some shopping and toured the Goodland museum.

Mr. and Mrs. Ferrell then went on to Colorado Springs and visited her sister, Mr. and Mrs. Robert Martin and boys, Joe and Garland Ray. Returning home late in the evening, about 15 miles outside of Spearman, a frightened colt jumped out of the darkness, onto their hood. The colt broke the windshield and did some damage to the car but was not badly hurt. Mrs. Ferrell received some cuts and a hurt finger from the accident.

4-H Camp To Be Held July 16-19

Hansford County 4-H Camp will be held July 16-19 at El Porvenir Camp in the mountains near Las Vegas, N.M. This is a family camp so parents are encouraged to accompany 4-H members on the camp.

Cost will be \$15 per person. For family members age 3 to 8 the cost will be \$10 each. Cost includes transportation, insurance, meals and lodging (bring sheets and blankets or sleeping bag). Camp activities include volleyball, hiking, softball, horseshoes, folk games, crafts, singing and other recreation.

Transportation will be by cars volunteered by adult leaders and parents of campers. If you are willing to provide transportation notify the extension office by June 29. Those taking a car will receive \$15 towards car expenses.

Registration is due in the County Extension office by Friday, June 29 for everyone planning to attend the county 4-H camp.
