

Permian Basin OIL & GAS LOG

James C. Watson
Oil Editor

Shallow Explorer Staked In Sterling

Tri-Service Drilling Company of Midland No. 1 T. H. Humble is to be drilled as a 2,000-foot cable tool wildcat in Central-East Sterling County.

Drillsite is 800 feet from north and west lines of section 16, block 11, SP survey and seven and three-quarters miles southeast of Sterling City.

That makes it one mile due north of a dry hole abandoned on total depth of 3,292 feet.

The drillsite is also five miles north of the Clark field which gets production above 1,093 feet.

The 2,000-foot contract depth is calculated to take the No. 1 Humble into the middle Permian.

24-Hour Gauge Is Taken In C-E Crane

Humble Oil & Refining Company No. 1 Hallie C. Day, Central-East Crane County wildcat flowed 148 barrels of fluid in 24 hours through open two inch tubing from perforated section at 8,606-16 feet in the Devonian.

Shakeout was 2.9 per cent salt water and three-tenths of one per cent basic sediment. Testing on the 8,606-16 foot interval is continuing.

That zone had been treated with 1,000 gallons and with 2,000 gallons of acid.

A lower zone in the Devonian, at 8,336-46 feet had flowed an average of five and one-half barrels of oil per hour, with a shakeout of eight per cent basic sediment and two per cent water.

After the full producing possibilities of the 8,606-16 foot section is determined operator plans to perforate and test at 8,580-96 feet, also in the Devonian.

Following that test the well will be completed and put on production. It is 1,900 feet from north and west lines of section 15, block X, CCS&R&NG survey. That makes it five miles southwest of the town of Crane.

Phillips Petroleum Company No. 1 Adobe, (J. E.) Parker, West-Central Ector County wildcat to 12,000 feet to test the Ellenburger developed some shows of oil and gas in a drillstem test of the Fusselman line at 9,390-10,042 feet.

The tool was open two hours. Gas surfaced in 60 minutes. Recovery was the 1,410-foot water blanket which was heavily gas cut and slightly oil cut and 900 feet of heavily gas and slightly oil cut drilling mud.

There were no signs of water. Open flowing bottom hole pressure was 100 pounds. Shutin bottom hole pressure after 15 minutes was 250 pounds.

Top of the Fusselman is at 9,225 feet. Elevation is 3,236 feet.

This prospector had previously indicated a discovery from the Wolfcamp lime of the Permian at 7,880-8,080 feet.

Location is at the center of the southwest quarter of the northwest quarter of section 38, block 45, T&P survey, T-1-S.

It is one mile east of the southeast side of the TXL field, and two miles east of the nearest producer from the Fusselman line.

The prospector is to make more hole.

Fusselman Shows Found In Ector

Phillips Petroleum Company No. 1 Adobe, (J. E.) Parker, West-Central Ector County wildcat to 12,000 feet to test the Ellenburger developed some shows of oil and gas in a drillstem test of the Fusselman line at 9,390-10,042 feet.

The tool was open two hours. Gas surfaced in 60 minutes. Recovery was the 1,410-foot water blanket which was heavily gas cut and slightly oil cut and 900 feet of heavily gas and slightly oil cut drilling mud.

There were no signs of water. Open flowing bottom hole pressure was 100 pounds. Shutin bottom hole pressure after 15 minutes was 250 pounds.

Top of the Fusselman is at 9,225 feet. Elevation is 3,236 feet.

This prospector had previously indicated a discovery from the Wolfcamp lime of the Permian at 7,880-8,080 feet.

Location is at the center of the southwest quarter of the northwest quarter of section 38, block 45, T&P survey, T-1-S.

It is one mile east of the southeast side of the TXL field, and two miles east of the nearest producer from the Fusselman line.

The prospector is to make more hole.

Germania Area Gets Location, Producer

James H. Snowden and others have completed one Spraberry project in the Germania field of North-east Midland County, and staked location for another.

Snowden No. 2-7 Faskan, located 683.5 feet from north and 662.5 feet from east lines of section 7, block 36, T&P survey, T-2-S, was completed for a flowing potential of 235.20 barrels of 37.5-gravity oil daily.

The new well did not make any water on the final test. Shakeout was five-tenths of one per cent basic sediment.

The Spraberry sand was topped at 7,138 feet, elevation 2,674 feet. Seven-inch casing was cemented at 7,129 feet. On a preliminary test from open hole, the No. 2-7 Faskan flowed 100 barrels of oil in seven and one-half hours through two-inch tubing.

The sections at 7,164-84 feet and at 7,140-60 feet were hydrofractured. Flowing tubing pressure on the test ranged from 250 pounds down to 115 pounds. Gas-oil ratio was 608-1. 13-Hour Flow

The potential was based on an actual 12-hour flow through a 20/64-inch choke.

The new well is 14 miles east of Midland, and one location northeast of the discovery well of the field.

Snowden staked location for the No. 1-5 Faskan, which is to be drilled as a one-location northeast offset to the recently completed No. 2-7 Faskan.

Exact location for the No. 1-5 Faskan is at the center of the southwest quarter of section 5, block 36, T&P survey, T-2-S. Contract depth is 7,200 feet.

The same operator's No. 1-5 Mc-

Completion Near On Surveys For Grade, Widening Projects

Survey work on the proposed Front Street widening and the Big Spring Street grade separation projects is nearing completion. S. C. Dougherty, senior resident engineer for the State Highway Department, said Friday.

"This survey work is just about completed," he said, "and right-of-way deeds are being prepared."

The Front Street and Big Spring Street projects will provide Midland with an additional artery for cross-country travel to ease the congested condition on Wall Street.

While still in the initial planning stages, Dougherty said, the projects probably will advance to the construction stage by early Fall.

Highway Department officials, he said, still are studying the problem of whether to make the grade separation an overpass or underpass and no final decision has been announced.

Dougherty said the Highway Department needed only to complete the route, mapping its tie-in with Highway 80 on the west side of the city, before the survey is completed.

When the survey is completed the right-of-way deeds will be turned over to the county.

County Judge Clifford C. Keith said the commissioners court is ready to begin work on negotiating for the necessary right-of-way as soon as these deeds are transferred.

Mild, Dry Norther Advances On Texas

A mild norther was due to move in on the northern sections of Texas Friday night or early Saturday.

But the U. S. Weather Bureau said it would be a dry front, with prospects nil for badly needed precipitation.

Readings of 22-28 degrees were forecast for the Texas Panhandle, which would be only a few degrees under Thursday night's minimum.

The lowest overnight reading was 23 degrees at Salt Flat. Other minimums below the freezing mark included 26 at Oona and Wink, 27 at Dalhart, 28 at Presidio and Junction and 31 at Lubbock.

The highest minimum was 56 at the coastal resort city of Galveston.

Special Gifts Committee For Drive Selected

An early start has been made in the March of Dimes campaign here by an Advance Special Gifts Committee, it was announced Friday by Ray Lynch, county campaign chairman. The committee, headed by Reese Cleveland, now is soliciting special gifts in advance of the annual appeal for polio funds January 15-31.

"Through the early organization of this committee," Lynch said, "we have made a good start toward meeting the need for funds this year, which is greater than ever before. This special gifts committee is doing a splendid job in a worthy cause—the fight against infantile paralysis—and the response is very encouraging. Several substantial donations have been received by the March of Dimes headquarters this week."

Other members of the Special Gifts Committee are: R. S. Brennan, Jr., H. Eddie Chiles, Jr., Lynn D. Durham, W. H. Gilmore, Jr., Dave Henderson, Maurice Kennedy, J. E. Marsh, II, John Parker, W. Y. Fenn, John Perkins and Allen J. Watta.

Bank Deposits Tell Permian Basin Growth

The fast-growing Permian Basin Empire is booming as never before, if record-breaking bank deposits of cities within the area may be used as a barometer.

Year-end reports by 15 state and national banks in a nine-county area in and surrounding Midland show combined deposits are up \$18,004,731.11 over Dec. 31, 1949, figures, hurdling the one-hundred million mark for the first time in history. The Dec. 30, 1950, total was \$103,373,238.40, as compared with \$85,368,507.29 a year earlier.

Only three banks within the area reported declines in deposits, and these were negligible.

A tabulation of bank deposits of cities within the area is as follows:

City and Bank	1950 Deposits	1949 Deposits
Midland, First National	\$ 31,881,528.43	\$25,428,936.61
Midland, Midland National	16,491,592.10	10,810,436.51
Odesa, First National	14,290,079.91	12,079,401.48
Odesa, First State	8,347,829.85	7,572,205.18
Pecos, Security State	5,137,768.76	4,469,511.94

Totals	\$103,373,238.40	\$85,368,507.29

Traffic Light Changes Set For Illinois Street

Illinois Street motorists soon will have amber lights to warn them of traffic light changes at downtown intersections.

City Manager W. H. Oswald said Friday the two-light signals will be changed to three-light signals during the weekend.

Under the present system, the lights on this street change abruptly from green to red without the customary amber warning signal, as on other traffic lights.

"This change will become effective by Monday," said Oswald.

"However, the Illinois Street lights will not be co-ordinated with the other signal lights downtown at the present time.

"This requires additional equipment and this already has been ordered. As soon as it arrives and is installed, the Illinois Street lights will be co-ordinated with the others."

PO Cancellations Hit 5,597,605 For All-Time Record

Cancellations in the Midland Post Office increased almost a million in 1950, Postmaster N. G. Oates announced Friday, and receipts from postal meters jumped more than 50 per cent.

The number of cancellations last year was 5,597,605, which is 975,760 more than the 1949 figure. This increase came despite the addition of several postal meters during the year.

In 1949, receipts from meters totaled \$44,457.10. The 1950 total was \$68,504.18, which is an increase of more than \$24,000.

Oates said the amount of incoming mail probably increased even more in 1950 than the cancellations. No record is kept on incoming mail, but the postmaster said the sharp rise in circular mail that comes into Midland would indicate a much heavier incoming load.

"The number of magazines mailed to Midland homes has risen steadily," Oates said, "and the mails are being used more than ever for advertising purposes."

Calendars, in particular, are being used more extensively these days, Oates pointed out.

To meet the heavier burden on the Midland office, five permanent employees were added during 1950. The increase in personnel, however, was not proportionate to the increased mail load, Oates added.

SAN ANTONIO DAIRY INCREASES MILK PRICE

SAN ANTONIO —(AP)—One large San Antonio dairy Friday announced a one-cent-a-quart increase in the retail price of milk.

Indications were that other creameries would follow suit.

This increase is the third in less than a year.

★ LATE NEWS FLASHES ★

TOKYO—(AP)—Army censors Saturday banned mention of the location of the Allied defense line in war dispatches from Korea. They forbade reference to units by number, nationality or position in any action.

WASHINGTON—(AP)—Senator Taft (R-Ohio) declared in the Senate Friday that President Truman has no power to commit American troops to a European defense force without approval first from Congress and that he "without authority x x x involved us in the Korean war."

WASHINGTON—(AP)—The government was reported about ready Friday to slap a 30-day "freeze" on prices by requiring all businesses to give a month's advance notice before putting price raises into effect.

WASHINGTON—(AP)—A high Army officer Friday asserted emphatically that the withdrawal of United Nations forces in Korea is a well-planned and executed withdrawal and "is not any rout or any Dunkerque."

COMMUNISTS TAKE SEOUL—As Chinese Reds poured into abandoned Seoul, the Allied fleet (ship symbols) stood off Inchon (1) ready to "redeploy" United Nations forces by sea if necessary. The big two-headed broken arrow shows the threat to some 150,000 UN 8th Army troops below Seoul. By striking toward the south or east coast, enemy forces now bearing down on Wonju (2) may force another "Dunkerque" evacuation. If Reds successfully exploit the main route from Seoul to Taegu (3) and Pusan (4), the Allies' last hope may be another desperate stand in the old Pusan perimeter.

Eating Costs Soar Near All-Time High

NEW YORK—(AP)—The cost of eating has gone on another spree. Food price records are falling—with the worst yet to come.

The housewife already knows records may be falling but prices certainly aren't. And the government is beginning to suspect it.

Washington finds retail food prices were pretty high a month ago, but that most farm prices still are below their previous peaks. The consumer, however, knows a lot has happened since Washington checked December 15.

New York housewives now are asked to pay \$1.25 a pound for porterhouse steak—an all-time high price. If they turn to beef liver—once upon a time considered an economy meat—they must pay 85 cents a pound, also a record high. These figures come from the New York City Department of Markets, which also lists price advances this week in rib roast, short ribs and pork loin roast.

Set For New Sprint

Wholesale prices are climbing fast—forecasting still higher prices at the grocery. This tendency isn't confined to food by any means. In fact, until lately food prices were lagging behind the climbing prices of other commodities. Now food appears set for another sprint—carrying ever more of cost of living up with it.

The Associated Press' index of the wholesale price of 35 commodities Thursday hit an all-time peak—topping the previous record set just three years ago.

The Bureau of Labor Statistics' comprehensive index of wholesale commodity prices also is at an all-time high as Washington asks for a voluntary hold-the-line at that point.

Dun & Bradstreet's wholesale price index of 31 foodstuffs hasn't (Continued On Page 10)

Pentagon To Ask Draft Of 18-Year-Olds

WASHINGTON—(AP)—The Defense Department plans to ask Congress to let it draft 18-year-olds and tighten deferments and exemptions for currently draft eligible men from 19 through 26.

Felix Larkin, the Defense Department's general counsel, told reporters Friday of the plans. He said a manpower bill would be submitted to Congress within two weeks designed to meet additional needs for men for the armed services.

Larkin said the plan is to extend the present 21-month service period for draftees to 27 or 30 months. He added, however, that this term was not firm and might be changed before the manpower bill reaches Congress.

No Draft For Women

Approximately 1,200,000 boys will reach 18 during the next fiscal year beginning July 1 and about 800,000 of these could be expected to meet physical requirements for military service, he estimated.

He said the Defense Department's manpower proposals do not envisage the drafting of any women.

The Defense Department proposal, he said, would permit 17-year-olds to enlist with their parents' permission; 18-year-olds would be eligible for the draft as soon as they had completed high school. He added that those who reached 19 and still were in high school would "probably have to be yanked out."

Larkin said 18-year-old draftees would not be sent overseas until after they had completed their full basic military training.

El Paso Trial Looms For Alleged Kidnapers

EL PASO—(AP)—U. S. Attorney Holvy Williams said he will start proceedings immediately to bring a couple under arrest in Louisiana here for trial on kidnaping charges.

Held in jail at Lafayette, La., are Mary and Robert Stanley. They were indicted Tuesday on charges of kidnaping Elmer Yvers, two months old, from her mother, Mrs. Beatrice Yvers of Odesa.

The child has been returned.

CRMWD Asks Bids February 7 On Dam, Water Pipe Lines

BIG SPRING—(AP)—The Colorado River Municipal Water District has asked bids by February 7 on some six and one-half million dollars worth of construction.

The bids will be for construction of a dam on the Colorado River in Scurry County, and for laying connecting pipe lines to Big Spring and Odesa.

Provisions were made for adding another section of pipe line from the lake to Snyder, subject to approval by Snyder voters late this month.

Withdrawal From Seoul-Inchon Area Is Desperate Race

TOKYO—(AP)—Swarms of Chinese Red troops pushed on southward Friday night and menaced Wonju, important Allied escape highway center 55 miles east of Seoul.

General MacArthur's headquarters said seven Communist armies—perhaps 210,000 men—are moving from the Chunchon area toward Wonju.

They apparently aim to destroy United Nations forces there and then wheel west in an attempt to cut off Eighth Army units retreating down from ruined Seoul.

Allied pilots said they saw the heaviest traffic yet observed in Korea behind the enemy lines. They reported 1,200 vehicles clogging North Korean roads.

The Allies in a skillful retreat had yielded Seoul, its airfield at Kimp'o and the port of Inchon.

At Inchon UN units blasted docks and the tidal basin, then left by sea. The main body of UN troops moved on southward by land.

Four cut-off South Korean divisions broke through Communist road blocks and reached UN lines north of Wonju Thursday after a four-day battle. With the Koreans safely back, UN lines were drawn closer around Wonju.

Desperate Race

Chinese troops pouring down secondary roads and through valleys could turn left or right at Wonju and possibly cut off parts of the Allied forces.

It was a desperate race.

Lt. Gen. Matthew B. Ridgway, U. S. Eighth Army Commander, returned to his headquarters late in the day after visiting two of his Army corps defending the retreat.

"Everything is going fine," he said.

But the tough Army general said the retreat from Seoul was dwarfed by the tragedy of hundreds of thousands of Koreans unable to get out ahead of the oncoming Communists.

The last UN elements, port and service personnel at burning Inchon, blew up the harbor at 2 a.m. Friday and rode out on the morning tide.

UN planes already were bombing Seoul and Kimp'o, its main airfield.

F-80 Shooting Star jets attacked a Chinese battalion at the demolition site.

(Continued On Page Nine)

Korean War At A Glance

By The Associated Press

Fighting front—Communist army of possibly 210,000 men reported moving toward Wonju, vital Central Korean communications hub. Enemy aims at smashing UN defenses at Wonju and then spearheading westward to trap U. S. Eighth Army retreating southward from burning Seoul.

Armen report greatest buildup by enemy yet seen north of Wonju. Field intelligence officers say Reds already are almost parallel to Wonju on one flank.

Diplomatic front—U. S. delegation continues efforts to obtain condemnation of Red China as aggressor. Asian and Arab bloc favor making another plea to Chinese before discussing stronger measures.

British Commonwealth—Indian Prime Minister Jawaharlal Nehru reported ready to urge commonwealth to back Red China's entry into United Nations as key to settling Korean war. London conference surveys Asian situation.

Korean Casualties Increase To 40,176

WASHINGTON—(AP)—Announced American casualties in Korea reached 40,176 Friday, an increase of 1,851 in a week.

The total, reported by the Defense Department, represents the number of notifications to next of kin through last Friday. It includes 6,031 killed in action, 27,997 wounded and 6,148 missing in action.

The wounded figure includes 716 who died of wounds. The missing includes 14 known dead, making total deaths 6,761.

Of those reported missing since the beginning of the Korean war, 730 have since returned to U. S. control, 107 are known prisoners of war, 14 have died, leaving 5,307 currently in the missing category.

Total Army casualties were 33,184. The cumulative total for the Navy was 458, the Marine Corps 6,212 and the Air Force 322.

Second Registration Of Doctors Slated

The second registration of doctors here is scheduled January 15, Dr. J. O. Shannon, chairman of Draft Board 137, announced Friday.

Medical doctors, dentists and veterinarians who did not register in the first group and who do not belong to a reserve unit must register if they have not reached their fiftieth birthday.

The first registration was held October 16, when doctors in the first and second priorities registered.

In a bulletin from the national Selective Service headquarters, it was estimated the number of doctors to register January 15 will be 10 times as great as the first group.

The doctors who already have registered include those who received medical training under Army or Navy programs, received deferments for medical studies, and who have spent less than 21 months on active duty in the Army, Navy, Air Force or Coast Guard.

European Reds Step Up Campaign Of Hate On Eve Of Eisenhower's Arrival

PARIS—(AP)—The Communists have opened up a savage hate campaign against General Eisenhower, who is due here Sunday to take command of Atlantic Pact defense forces.

Communist papers in Paris, in Eastern Europe and in Moscow are assailing him in the bitterest terms. French Communists are circulating petitions against him in trying to work up protest strikes.

The first blast at Eisenhower were printed just before Christmas, when the Soviet Youth Newspaper in Moscow and the Literary Gazette there assailed him as "a true serf of Wall Street" and "a sergeant major of Wall Street." The Communist weekly, printed in Bucharest called him a "notorious warmonger." None of them mentioned that during the war he was decorated by the Russians and praised for his brave leadership.

Now, papers in Prague and Paris have taken up the cudgels.

The French Communist organ l'Humanite early this week began its campaign by saying workers at the Hotchkiss factory in suburban St. Denis have decided on a "patriotic strike against the installing of Eisenhower in Paris."

The news was presented in the form of a letter from a cell leader, asserting Eisenhower's main plan is to set up a new German Wehrmacht and Luftwaffe and "to demand the creation of 20 French divisions to unleash a war of aggression against the peoples of Europe and against the Soviet Union."

Next day, l'Humanite printed a page on cartoon showing Eisenhower driving up in a horse-drawn coach before the Hotel Astoria, which is to be his temporary headquarters as supreme commander of the Western Allies.

Standing by him are two German officers, one holding a brief case lettered "Revenge Plans." Says one German: "No longer any need to hide. Thank the coachman."

Friday, the paper hit with both fists.

First, a black headline: "No Eisenhower, say the workers of numerous factories in the Paris region." The paper said, the "patriotic strikes" were to be aimed against the "MacArthur of Europe." To the Communists, MacArthur is a "cannibal."

There also was a page on editorial accusing the "American aggressors" of "raising everything behind them" in Korea, "applying with an almost unexampled cruelty the scorched earth policy of burned houses, burned cradles."

Eisenhower, the paper said, would do the same thing to Paris.

WEATHER

Fair Friday night and Saturday; colder in Panhandle and South Plains. Lowest temperatures Friday night 22-28. Maximum temperature Thursday 66 degrees—minimum Friday 33 degrees.

Dollar Volume In Appliances Reached Record High In '50

NEW YORK—Dollar volume in the appliance, radio and television industry reached an all-time high in 1950, according to figures in the January issue of Electrical Merchandising, McGraw-Hill publication.

Q—What is the "Dutch Elm" disease? We read about it in the newspapers yet no one ever says what it is or what the symptoms are.

A—This is a disease of trees not of people. You will have to ask a tree specialist about this.

Q—When you speak of the change of life, does that refer to after the cessation of the menses or before?

A—The change of life or menopause is generally considered to extend over a period of several years during which the activity of the feminine hormones is gradually lessening. The stopping of the menses is only one sign of the change of life.

The Prosecutor Is 'Prosecuted'

The prosecutor became the prosecuted Thursday.

The assistant city attorney, whose usual job is to represent the city in corporation court, came before Judge J. M. DeArmond on a different mission.

He showed the judge a traffic violation ticket and entered a guilty plea.

"Two dollars fine," intoned the judge.

S. M. Erskines Attend Auto Dealer Meeting

Mr. and Mrs. Stanley M. Erskine are in Miami Beach, Fla., to attend the annual convention and equipment show of the National Automobile Dealers Association. En route to Florida, they attended the Cotton Bowl football game in Dallas.

Erskine, owner of Erskine Motors here, has served as West Texas chairman for the national association the last year. The convention opens Saturday and extends through Tuesday. Mr. and Mrs. Erskine expect to return to Midland late next week.

Suicide Ruled In Death Of Lamesa

LAMESA—Oliver Jackson Duff, 52, a familiar figure in the Lamesa business section, was found shot to death Thursday in what Justice of the Peace D. M. Campbell said was suicide.

Sheriff Roy King said Duff still clutched a .38 pistol in his hand when he was found in his room at 600 South Roosevelt Street.

Rites had been scheduled Friday morning but were postponed and will be held here.

Survivors include two brothers, a sister, a son and a daughter.

Livestock

PORT WORTH—(P)—Cattle 400; calves 100; steady; good feed yearlings and heifers 29.00-31.00; utility and common 23.00-29.00; beef cows 21.50-23.00; canners and cutters 17.00-21.50; bulls 20.00-26.00; good slaughter calves 30.00-31.00; common and medium calves 22.00-29.00; culls 19.00-22.00; medium and good stocker steer yearlings 25.00-30.00; medium and good stocker calves 28.00-31.00.

Hogs 600; butcher hogs 25c lower; sows 25-50c down; good and choice 190-200-pound butchers 28.75; good and choice 180-185-pound hogs 19.00-20.50; sows 17.50-18.50.

Sheep 1,000; shorn slaughter lambs steady to strong; others scarce; medium to choice shorn slaughter lambs with No. 1 or No. 2 pelts 28.50-29.00.

Cotton

NEW YORK—(P)—Friday noon cotton prices were 65 to 85 cents a bale lower than the previous close. March 43.41, May 43.00 and July 42.55.

CHILD IN HOSPITAL

Cheryl Griffin, seven-year-old daughter of Mr. and Mrs. R. M. Griffin, 2204 West College Street, was admitted to Midland Memorial Hospital Thursday for surgery.

No need to stretch an arm outside the window to clean the outer surface, thanks to a new invention. Just rub a special cleaning pad over the inside of the pane and a similar pad on the outside moves along with it. Magnetism is the secret; both pads have permanent magnets within them.

Men Do Not Know How Much Energy Housework Takes

Housework to anyone but a housewife is just another necessary chore that takes just a short time with a minimum of effort. Most menfolk don't realize what a hard job housework really is and what a great amount of energy it takes.

Mrs. O. E. Moncus, 66-year-old great-grandmother, didn't feel up to doing her housework, but now, since she is taking HADACOL, she is able to do her housework without a mite of trouble. Mrs. Moncus found that HADACOL supplied Vitamins B1, B2, Niacin and Iron, which her system lacked.

Mrs. Moncus says: "I was weak, run-down, nervous and food didn't agree with me like it should. It gave me indigestion. And I had no appetite. I heard about HADACOL on the radio and how it had helped people who felt like I did. I had aches and pains, too, and these, plus the other things that bothered me, made me feel mighty bad. I just didn't feel up to doing my housework. I started taking HADACOL and after the third bottle I could tell I was a whole lot better. I have taken 18 bottles of HADACOL and I feel so good. I am no longer weak or run-down or nervous. I feel stronger and have pep and energy. My appetite is fine and I no longer have indigestion. And the aches and pains—why, they have been relieved so much. My weight went back to normal and I do my housework without a mite of trouble—mop the floors and clean the blinds and feel fine afterwards. I think HADACOL is wonderful. My husband takes it, too, as does my daughter. We make sure that there is always plenty of HADACOL in the house."

Marlin County Vote On \$300,000 Road Program Scheduled

STANTON—Marlin County voters will ballot January 20 on a proposed \$300,000 road construction program.

The commissioners court fixed this date in response to a petition, according to an announcement by County Judge Sam McMorris. The issue will be 30-year bonds in the amount of \$300,000 and at a rate not to exceed 3 1/2 per cent; and the authorization of a tax levy sufficient for interest and sinking fund purposes.

Proceeds from the sale of such bonds will be expended equally in each commissioner's precinct, according to terms of the election call.

Approximately 10 miles of road in each precinct will be provided.

Projects Listed

Projected work is designated approximately as follows:

No. 1—From U. S. 80 at the northeast corner of section 22-31-15, T&P, south to the Martin county line; from the southeast corner of section 37-37-1n, T&P, north to the northeast corner of section 1-32-2n, T&P.

No. 2—From U. S. 80 at the corner of the southwest quarter of the southeast quarter of section 11-35-1a, T&P, north and east to intersection with FM 87; also roadwork in southeast Stanton.

No. 3—From the southeast corner of section 40-37-2n, T&P, to intersection with FM 87, thence north to county line.

No. 4—From the northeast corner of section 14-34-3n, T&P, west and north the full distance of the road.

Voting will be accomplished at the 12 precincts of the county. Qualified voters who have duly rendered property for taxes are eligible to participate.

Long-Time Del Rio C. Of C. Manager Dies

DEL RIO—James C. Netta, who retired last year as manager of the Del Rio Chamber of Commerce after 18 years of service, died Thursday night at Legion Hospital near Kerrville, of a heart ailment. He had been in ill health the last two years.

He had held offices in Texas Chamber of Commerce Managers, the Chamber of Commerce Managers Association of West Texas, and the West Texas Chamber of Commerce. He was a long-time leader in Boy Scout, Lions Club and Masonic affairs.

Congratulations To:

Mr. and Mrs. R. L. Chapman, 704 South Fort Worth Street, on the birth Thursday of a daughter, Cynthia Elizabeth, weighing six pounds, 14 ounces.

Mr. and Mrs. Arthur Woodby, 602 South Colorado Street, on the birth Wednesday of a son, Timothy Garland, weighing six pounds, 12 ounces.

CHILD IS ADMITTED

Brenda Gail Wilkerson, daughter of Mr. and Mrs. J. P. Wilkerson, 711 East Highway 80, was admitted to Midland Memorial Hospital Thursday as a medical patient.

ADMITTED FOR SURGERY

William Grant Ray, Crane, was admitted to Midland Memorial Hospital Thursday for surgery.

ADMITTED FOR SURGERY

Mrs. F. E. Mason, 206 West Washington Street, was admitted to Midland Memorial Hospital Thursday for surgery.

Stanton News

STANTON—The Martin County officials were recently sworn into office. Those taking oaths were James McMorris, county judge and ex-officio county superintendent; Tom Adams, county attorney; Noble Hamilton, county-district clerk; Kyle Shoemaker, sheriff and tax assessor-collector; John Paul Cook, county treasurer; and Commissioners Ed Bloomer, Irvin Welch, Joe Froman, and Oliver Vaughn.

The Stanton Parent-Teacher Association will meet January 8. Mr. and Mrs. Tip Jones and family recently visited in El Paso.

The Dee Carters had visitors from Lubbock recently.

New officers of the Stanton Rebekah Lodge will be installed Monday in the I.O.O.F. Hall.

Second In Area

Martin County placed second with 40,572 bales of cotton ginned prior to December 1 among 19 West Texas counties.

Dee Carter will report for active Army duty January 17 at Fort Sill, Okla.

The Bill Clements family of Franklin recently visited relatives here.

Sgt. John Connell, who is stationed in San Antonio, visited with his wife here recently.

Mrs. Sam Wilkerson recently underwent major surgery in a San Angelo hospital.

Dr. W. L. Lindley of the Stanton Memorial Hospital staff recently visited in South Carolina.

Red Press Blasts General Ike For Texas Ideology

PRAGUE—(P)—Gen. Dwight D. Eisenhower has a touch of Texas in his ideology, the trade union newspaper Prace said Friday.

The paper said the new supreme commander of Atlantic Pact forces had the "Texan spirit—anti-progressive, anti-Democratic, as naughtily as a cattle breeder," and racist.

Recognizing Eisenhower's war career, Prace said he had an "ideological love for Churchill" and postponed the opening of a second front to bleed the Soviet Union.

Later in Northern France, it said, "only Eisenhower's subordinate, General Patton, exceeded him in lack of ability."

15-Year-Old Mother Released In Shotgun Slaying Of Father

HOUSTON—(P)—Probation authorities Thursday night released a 15-year-old mother who admitted shooting her 44-year-old father to death.

They said they would consult with District Attorney A. C. Winborn before taking further action against Mrs. Starline Breland.

Mrs. Breland told police she killed her father, Ernest Edward Hollingsworth, Mobile, Ala., because she "had to do it."

Her mother, Mrs. Anna Mae Hollingsworth, 42, who was seeking a divorce from Hollingsworth, told police she was not sorry her husband had been killed.

Mrs. Breland said her father had threatened and beaten her mother many times. Mrs. Hollingsworth agreed.

Hollingsworth was shot early Thursday while he slept on the floor of his daughter's garage apartment.

Hollingsworth was under a grand jury indictment on Mobile on a charge of having carnal knowledge of two of his daughters.

MRS. OPP IN HOSPITAL

Mrs. Willard Opp, 903 South Minnieola Street, was admitted to Midland Memorial Hospital Thursday for surgery.

SOCIETY

Mrs. I. E. Hood Speaks At Yucca Garden Club Meeting

Mrs. I. E. Hood spoke to the Yucca Garden Club when it met Thursday morning in the home of Mrs. Guy McMillan. Mrs. Hood spoke on "Planting and Caring For Trees."

Mrs. Bert Cole, Jr., led a discussion on "Current Planting."

Meeting Held By Beauceants

Newly-elected officers of the Social Order of Beauceants took over their duties at the Thursday meeting in the Masonic Hall. Plans were discussed for assisting with an installation of officers to be held in Rowell, N. M., January 22 under the supervision of the supreme president.

Those present were Mrs. L. C. Stephenson, Mrs. Henry Spangler, Mrs. Floyd Boies, Mrs. W. B. Hunter, Mrs. Lester Short, Mrs. John Hughes, Mrs. Bert Goodman, Mrs. J. B. McCoy, Mrs. Phillip King, Mrs. James Mims, Mrs. G. G. Hazel, Mrs. Dewey Pope and Mrs. H. B. McNeil.

Postal Clerks Auxiliary Meets

Mrs. Ed Zantow, president, presided over the meeting of the Women's Auxiliary of Postal Clerks Thursday in the home of Mrs. B. B. Seawright, 808 West Kansas Street.

Mrs. Charles Campanelle addressed the group. Plans for the new year were discussed by Mrs. Seawright. It was decided to have a game party for prospective members.

Mrs. Roy Hall will be the hostess at the auxiliary's next meeting.

Dan Cupid Stays Ahead Of Divorce Court In 1950

Danny Cupid managed to stay ahead of the divorce court judge in Midland County last year.

County Clerk Lucille Johnson reported Friday she issued 355 marriage licenses from her office during the 12-month period.

At the same time Mrs. Nettie Romer clerk of the district court, reported 234 divorce suits were filed during the same period and 159 divorce decrees were granted.

John Huss' Church To Be Czech Shrine

PRAGUE—(P)—John Huss' old church here is about to become a national shrine of Czechoslovakia. Bethlehem Chapel, where Huss preached church reform in the early 15th century, is being restored with government money.

Archaeologists have been at the job more than two years. They are almost finished. The chapel is believed to have been consecrated in 1394. It was torn down at the end of the 18th century.

Huss, a Catholic priest, was condemned for heresy in Constance, Switzerland, and burned at the stake.

To shampoo small rugs, add a few drops of ammonia to soap jelly. After whipping this mixture into a stiff lather with an electric mixer, apply it to the rug with a stiff brush. Cover only a small area at a time. Rinse twice with a damp sponge, then rub the spot dry with a clean cloth.

RECENT WEDDING

Mr. and Mrs. Howard Duane Stallcup are at home in Brownfield after their recent wedding in the First Baptist Church in Nocona. The bride is the former Linda Lou Lindsay, daughter of Mr. and Mrs. John Lindsay of Nocona. She has been teaching mathematics in the John M. Cowden Junior High School in Midland this semester. Stallcup is the son of Mr. and Mrs. S. B. Stallcup of Nocona. He is an employee of the Hughes Tool Company in Brownfield.

Eisenhower's Task In Europe

Better than almost any man alive, Gen. Dwight D. Eisenhower has come to symbolize the hopes of free men. There will be supreme faith in him as he begins building a unified European defense force.

Accepting this crucial responsibility undoubtedly represents a real sacrifice for the general. He likes his job as president of Columbia University. Recently he bought a farm near Gettysburg, Pa., and he was planning to spend a lot of time there. Moreover, he's past 60, and he's troubled by high blood pressure.

But he was the unanimous choice of the 12 Atlantic Pact countries and he has responded to the call of duty as one would expect him to do. Said President Truman in announcing his selection: "His experience and talents make him uniquely qualified."

Some military men believe Eisenhower will have more authority in his new post than he did as Allied commander in Europe during World War II. He probably will need it, for he faces a task of extreme difficulty.

In World War II, the general's enemy already was declared when he took over. He knew what he was up against. He knew, too, that Germany was being engaged heavily by Russia in the East, and that he wouldn't have to combat the Nazis' full power.

This time that same Russia is the potential, though not the declared enemy. But Soviet forces are not now actively engaged anywhere, nor is anyone likely to divert their attention seriously from the West. China, the only big nation at Russia's back door, is a friend.

Furthermore, the Soviet Union, although her soldiers are doing no shooting, is waging a strange, unorthodox kind of warfare against the West. She prods her satellites and other friends to embroil western armies in combat that fritters away their strength. Meantime, she indulges in an endless campaign of harassment in the United Nations and on the political, diplomatic and psychological fronts generally.

Only Moscow knows, of course, when this weird struggle may enter a decisive shooting phase. It is for that that Eisenhower must make his army ready.

Under present plans he will command a force of 55 to 60 divisions, backed up by Atlantic and Mediterranean fleets and large air elements. But only a small part of the ground forces, estimated at 1,000,000 men, is now in being. The remainder will not be ready until late 1953, according to existing schedules.

One of the first things Eisenhower will need to determine is whether this force and the timetable for its establishment are adequate to meet the possible perils of the days ahead.

Eisenhower is a genuine leader, with the qualities of both general and statesman. High among those attributes is a hard-headed sense of realism. Free men here and in Europe are counting upon him to give it to them straight—to tell them exactly how big their armies must be and how fast they must be built up to be reasonably safe against Russian attack.

Good Job Well Done

A record volume of business handled in record time and in a very efficient manner—that is the enviable record of Midland's Post Office during the recent holiday season.

It was a postal rush such as never has been seen here, and the fine manner in which the gigantic task of handling the incoming and outgoing mail was accomplished indeed was remarkable.

Long hours, hard work and unwavering patience were required to get the job done, but the post office personnel did almost the impossible in getting the tens of thousands of letters, cards and packages in and out of the post office on schedule.

Midlanders are proud of and grateful to Postmaster Noel Oates and his efficient staff for the marvelous manner in which they accomplished their record-breaking task. Hats off to the Midland Post Office personnel.

Lewis' Behavior-Pattern

John L. Lewis, the professional non-conformist, already is acting like a man who has no intention of cooperating with the government in the current emergency.

He has signified refusal to recognize the authority of the Wage Stabilization Board, and he sent an underling to a meeting of top labor and government people in Washington.

Lewis, who ordered four coal strikes in 1943, a critical war year, clearly would not hesitate to interrupt defense activity in another crisis.

The United Mine Workers' contract does not expire until April 1, 1951. That gives President Truman and his key labor advisers about three months in which to prepare to deal with Lewis this time. They should be ready for any eventuality and should be equipped to cope swiftly with any serious interference with the flow of vital fuel to defense industries.

What The State Of The Union Should Be

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

Copyright, 1951, By The Bell Syndicate, Inc.
Drew Pearson says: Anna Rosenberg's confirmation was an important victory; Conspiracy against her a complete fizzle; Committee testimony reads like fiction.

WASHINGTON — In capitol cloakrooms, conservative and liberal alike are alarmed at the sinister forces which conspired against Anna Rosenberg, who after a venomous smear campaign now has been confirmed unanimously as assistant secretary of Defense. When analyzed, these forces take on the semblance of "the great conspiracy" of Hitler's terrorist regime.

The fact that such Southern Democrats as Byrd of Virginia and Russell of Georgia, plus such conservative Republicans as Cain of Washington, helped expose the conspiracy, is a wholesome sign that the U. S. Senate will not stand for religious prejudice—even when one of its own members appeared to be involved.

The story of the great conspiracy would read more like fiction if it were not officially documented. Mrs. Rosenberg, whose annual income as a labor adviser to the Rockefeller, the Macy Department Store and others averaged around \$250,000, gave up this income for a salary of \$10,000 as assistant secretary in charge of the Defense Department's labor and manpower problems.

Up for confirmation by the Senate, she was accused of being a former Communist member of the John Reed Club and for days her name with its alleged Communist connection was featured in the headlines. Those who played a part in this conspiracy, directly or indirectly, were: rabble-rouser Gerald L. K. Smith; Benjamin Freedman, an ex-Jew and would-be Catholic who has been barred from the church; Ralph De Sola, an ex-Communist; Senator McCarthy, who sent his investigator to New York to gather evidence regarding Mrs. Rosenberg; and radio commentator Fulton Lewis who also sent his legman to New York on the same errand.

Arms Peddler
Freedman, it developed, is employed by the Arab League to obtain arms for Moslem countries, and Senator Kefauver of Tennessee read two interesting cablegrams into page 187 into the Senate Record. One cable, addressed to Ahmad Housseini, head of the Young Egypt Party, stated:

"Dearest Brother. Letter received. Attending everything requested, very busy United Nations situation. Writing fully this week. Extend immense wishes for continued vision, courage, strength, struggle on behalf justice his people. Giving him fullest cooperation. Family send love to all.

His "eminnence" was identified as the Mufti of Jerusalem, subsidized by Hitler during the war to stir up anti-Jewish hatred. Another cable addressed to Tri-Ocean in Bombay, read: "Have negotiated immediate establishment Pakistan Thompson submachine gun factory."

Senate Agents?
It was this same Freedman who put Fulton Lewis's legman and Senator McCarthy's investigator in touch with ex-Communist Ralph De Sola, the chief witness against Mrs. Rosenberg. Apparently they posed as representatives of the Senate Armed Services Committee. For page 49 of the Senate committee testimony reads:

Senator Russell: Who were the members of this committee that you discussed it with? Mrs. Rosenberg's confirmation with...

Have a Laugh

By BOYCE HOUSE

A little boy had been given a new bat and a baseball and while his father watched, the boy said, "Watch me hit it!" and he tossed the ball into the air, swung and missed. "I'll hit it this time," he said—tossed the ball again, swung and again missed. "I'll knock a home run this time," he said—and missed the third time. He said, "Boy, am I some pitcher!"

Questions and Answers

Q—What is the most popular color for automobiles?
A—Coast-to-coast survey shows that black is the most popular color for automobiles.

Q—In modern history have any slave revolutions been successful?
A—History records one successful slave revolution. By it, Haiti won its independence from France in 1804.

Q—What major league team has won the greatest number of pennants in its league?
A—The New York Yankees have won 17 American League championships; the Chicago Cubs have won 16 National League pennants.

Q—What proportion of tin is used in making bronze?
A—The proportion differs. Usually a bronze bell has about one-fourth tin and three-fourths copper. There are times, however, when bronze is made with only 10 per cent of tin. In other cases the proportion of tin is as high as 40 per cent.

Q—What was the membership of the first Congress to meet in Washington?
A—It had only 32 Senators and 106 Representatives; now there are 96 Senators and 435 Representatives.

This Last Night
By Ferd Neuhelm
Copyright 1951, by NEA Service, Inc.

THE STORY: The entire nation is aroused over the "kidnapping" of Judy Tving by her uncle Paul. The story is one of deception by the mother, who realized the father's attempt to obtain the custody of his daughter would be frustrated by Paul. Then Paul, in disguise, visits a tavern in a coal mining town and becomes acquainted with May Jenkins, a waitress. He tells May what he has in mind, and she agrees to help him. After May says that with Judy disguised as a boy and with a woman accompanying him, Paul Tving could escape the officers who pursue him, she agrees to help him. She tells May what he has in mind, and she agrees to help him. After May says that with Judy disguised as a boy and with a woman accompanying him, Paul Tving could escape the officers who pursue him, she agrees to help him.

What's RIGHT?

You intend to telephone your physician to ask him a question or discuss a medical matter with him. WRONG: Wait until evening and call him at home; say you didn't want to bother him at his office. RIGHT: Make your business and professional telephone calls during office hours if possible.

FLAREUP NOT SERIOUS
WASHINGTON — (AP)—Representative Poage of Texas says the recent flareup of hoof and mouth disease in Vera Cruz, Mexico, is "merely local." He said the U. S. Mexican campaign against the cattle disease of Texas has been successful. Every step will be taken to continue the fight, he added.

any Communist connections. She was unanimously confirmed by the Senate.

Note—The Don Surine involved in the Rosenberg case is the same investigator for Senator McCarthy who took William Fedder, the Baltimore printer for an all-night ride in an effort to bulldoze him into surrendering a letter from John Butler, who, in defeating Senator Tydings of Maryland, had made Fedder a financial pledge which violated the Corrupt Practices Act.

JACOBY ON BRIDGE

By OSWALD JACOBY
Written for NEA Service
"We hate to put you on the spot," writes a Pittsburgh correspondent, "but somebody has to decide this sort of point, and you're elected. The East and West players in this hand are both good players and have been good friends for years, but they're a bit cool right now. Maybe you can straighten them out."

"West led the seven of clubs, and East won the king. East then returned the three of clubs, South played the queen, and West won with the ace. West laid down the jack of clubs, expecting his partner to drop the ten—but East played low."

"The result was that East had to win the fourth round of clubs with the ten. He returned the jack of

hears, but South took the ace of hearts at once and ran nine tricks before anybody could say Jack Robinson.

"You can imagine what followed. West said his play of the jack of clubs was a command to drop the ten. East said it meant that West wanted his partner to win the fourth club so as to lead a heart through."

"Who is right in this case?"
When West led the seven of clubs, East should have seen that South dropped the eight on the first trick. There was a good chance that the opening leader had the missing deuce—in which case he had led from a five-card suit. The play to the second and third tricks all led toward the same conclusion. Hence East could have and should have dropped the ten of clubs in the expectation that his partner could set the contract with five club tricks.

"When East returned the three of clubs, West knew that this was either a fourth-best club or East's highest club. If it were East's highest club, then South had started with Q-10-8-4 and had played the eight on the first trick and the queen on the second trick. This is absurd. West could be sure that his partner had the missing ten and four of clubs.

Hence West could have led the nine of clubs at the third trick to make sure that the suit did not block no matter what his partner did. East would have led the nine of clubs hold, whereupon West would lay down the jack of clubs and then cash the last club.

Technically, East was wrong. He could safely drop the ten of clubs. If West wanted his partner to win the fourth round of clubs, for some reason, he could lead the deuce of clubs at the fourth trick. In other words, the play of the ten would give West freedom of action; the play of the small club gave West no choice at all.

However, if West is a much better player than East, he should take all the blame. An expert should always keep his partner out of trouble when that is possible.

WASHINGTON COLUMN

Debates On Foreign Policy Reflect Dubious Thinking

By PETER EDSON
NEA Washington Correspondent

WASHINGTON—Debate on U. S. foreign policy unquestionably will be the number one issue before the new 82nd Congress.

The President will ask for up to \$75,000,000,000 for defense in the next fiscal year. He probably will get them. After all, they're only dollars, and the idea persists that national security can be bought.

If the President asks again for a lot of his old Fair Deal proposals, he probably will not get them. There will be a great deal of quibbling over non-defense items of federal spending, without much real economy being effected. Pork-barrel-minded congressmen have only to pin the "Necessary-for-National-Defense" label on their pet projects to get them a higher priority. That's the traditional way.

But when all these things are done or not done, the debate will return to foreign policy. The reason is simple. There is still so much uncertainty and difference of opinion over what should be done.

Speeches of congressmen, senators, ex-President Hoover and wouldbe President Dewey all reflect this uncertainty. Everyone speaks by instinct. The inspiration is confusion, hysteria, fear, prejudice, anger. There is not enough thinking things through to see what the effects would be if some of the wild proposals now being made were adopted.

But this is the American way of doing things. It is a source of strength, as well as of weakness. It is the town-meeting, democratic process in action. So out of the millions of words to be spoken and printed in the Record of the new Congress, some course of action will be charted that will make sense. That is the hope, anyway.

Both Sides Of Question
In the grasping at straws during the last session of the 81st Congress there were many utterances that were both illogical and contradictory. They amounted to arguing on all sides of every question. They would be highly amusing if the situation were less serious.

A common complaint received from around the country is that "the people are way ahead of Washington" in wanting all-out mobilization. The inference is that the Department of Defense is moving too slow in building up the armed forces and letting war contracts.

At this same time, there are frequent reports that "this sentiment for isolationism is growing." The implication is that Washington is leading the country hell-bent for a war that people will not support. The two ideas don't jibe.

Yet people will argue seriously one minute that "we ought to bomb Moscow" and the next minute, with an equally straight face, they will say that we can't possibly win a war against Russia, and that "we ought to get out of Europe and Asia."

This is how inconsistent some thinking has become. The United States has gone through two world wars, uninvaded and really strengthened. The reason is that the battles have all been fought on foreign soil. Yet now the isolationists would have the United States withdraw from foreign lands. This would invite the next war, if and when it comes, to American shores.

A main strength of America today is its superiority in atomic bomb

production. This generally is recognized. What is not recognized is that if the United States were to withdraw from the North American continent, it would lose its Belgian and British allies who control the Congo and South African source of uranium ores which now give it atomic superiority.

Similarly, if the United States walks out on Indonesia, Malaya, Ceylon and the rest of southeast Asia, this country loses valuable supplies of raw material like natural rubber and tin. Cutting this country from the North American continent would mean economic suicide.

A complaint is made that U. S. tariffs, now at their lowest point in history, are destroying American industry. The point ignored in this argument is that unless foreign countries can sell to the United States, they cannot earn the dollars needed to buy American exports. It is a case of either getting these countries back into shape where they can pay their own way, or else supporting them indefinitely.

A common criticism of aid to Europe is that the European allies are not dependable. On the other hand, there is a great build-up for further aid to Nationalist China, which has more than demonstrated its undependability. All these countries are, of course, pitifully weak. Some—like Nationalist China, Germany and Greece—have not recovered from the last war. Others like Indonesia, India and the Philippines are new and untried. But they all must be helped, because the United States is going to need every friend it can muster before it gets through this mess.

So They Say
I can't tell you what "The Thing" is.
—Bandleader Phil Harris.

My conscience is clear . . . I didn't pay any attention to what was going on in the camp (Buchenstein).
—Franz Josef Koch, on trial for prison-camp atrocities.

German warfare, combined with devastation of crops and cattle, could reduce the Russians to impotence.
—Rear Adm. Ellis M. Zacharias (ret.), head of Navy intelligence in World War II.

Badly off as I was, I had a feeling as soon as I got here that this was the place to be, poor or well fixed.
—Comedian- pianist Victor Borge, describing his arrival in U. S. from Nazi-ruled Denmark.

Freedom is a precious gift which can be snatched from the weak or careless.
—Prime Minister Jawaharlal Nehru.

This Last Night
The night was dark and quiet. The only light came from the glowing ends of their cigars. Paul told May how he had prepared for the kidnapping by buying a second-hand car under an assumed name and then cashing it in a garage in an Indiana town not far from Louisville.

He had picked Judy up at her school in his old car, driven to Indiana, changed vehicles, and gone on. The car had been prepared with a supply of food, extra gasoline in cans, blankets, and boy's clothing for Judy.

MAY learned that as a lieutenant in the Navy, Paul had been in the Armed Guard, in charge of a gun crew. He had sailed with a Merchant Marine tanker, staying with the same ship for nearly two years. The skipper was Martin Jaboe. He and Paul had become friends.

There had been some coolness between them at first, several hot clashes, but in time they had come to respect each other and that respect had developed into friendship which solidified and grew week by week. Jaboe was still skipper of the same ship. His home port was New York.

The substance of Paul's plan was to get to New York and wait for the Delta, which was Jaboe's ship, to come in. When it did Paul planned to contact Jaboe and have him take them on board.

Jaboe had made countless trips, knew hundreds of ports. Paul knew that Jaboe would spirit them out of the country and he was equally certain that he would know where to take them—some place where Judy could get proper care and schooling, where they could live in safety.

Paul was an engineer and was satisfied that no matter where they went he would find some way to get along.

(To Be Continued)

Church Calendar

ST. MARY'S CHURCH
1791 North Main Street
Rev. James R. Sharp, Pastor
9:45 a.m.: Sunday School.
11:00 a.m.: Morning worship with the pastor as the speaker.
The evening worship at the church will not be held.

PENTECOSTAL HOLINESS TABERNACLE
609 South Colorado Street
O. W. Roberts, Pastor
11:00 a.m.: Preaching.
7:45 p.m.: Preaching.
Wednesday

CHRISTIAN SCIENCE SOCIETY
407 North C Street
9:30 a.m.: Sunday School.
11:00 a.m.: Church service. "God" will be the lesson-sermon subject. The Golden Text is: "Now unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever" (I Timothy 1:17).
Among the citations which comprise the lesson-sermon is the following from the Bible: "Give unto the Lord the glory due unto his name: bring an offering, and come before him: worship the Lord in the beauty of holiness" (I Chronicles 16:29).
The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We worship spiritually, only as we cease to worship materially. Spiritual devoutness is the soul of Christianity" (page 140).

SEVENTH DAY ADVENTIST CHURCH
West Pennsylvania and Lorraine
Rev. C. A. Holt
Saturday Services
10:00 a.m.: Sabbath School.
11:00 a.m.: Morning service meeting.
3:30 p.m.: Missionary Volunteers' meeting.

BELLEVUE BAPTIST CHURCH

8:30 p.m.: Christian Youth Fellowship.
7:30 p.m.: Evening service with the sermon by the pastor.

CHURCH OF CHRIST
719 South Colorado Street
10:30 a.m.: Morning worship.
8:00 p.m.: Evening worship.
Wednesday
8:00 p.m.: Mid-week service.

ASSEMBLY OF GOD CHURCH
Corner South Baird and New York
Rev. Earl Rice, Pastor.
9:45 a.m.: Sunday School.
11:00 a.m.: Morning worship.
7:30 p.m.: Evening service.

FIRST PRESBYTERIAN CHURCH
Corner West Texas and A Streets
Dr. B. Matthew Lynn, Pastor
9:30 a.m.: Sunday School.
10:30 a.m. and 11:00 a.m.: Communion meditations. The pastor's sermon theme will be "Until He Comes," based on I Corinthians 11:26.
5:50 p.m.: Supper in the fellowship hall.
8:30 p.m.: Worship for all in the sanctuary.
7:00 p.m.: Children's Story Hour. The Junior, Pioneer and Senior Fellowships will meet. The Rev. Lewis Waterstreet, pastor of St. Andrews Presbyterian Church, will be the speaker for the adult meeting. His sermon theme will be "Our Knowledge of God."
Class fabric, bonded with a specially developed plastic resin, is used to make corrective braces that are lighter in weight and better fitting than the usual aluminum and steel devices.

St. Andrews Sunday School To Meet For First Time Sunday
Sunday School departments and classes of the new St. Andrews Presbyterian Church will meet for the first time at 9:30 a.m. Sunday in the David Crockett Elementary School, the Rev. Lewis O. Waterstreet, pastor, announced Friday.
The Sunday School has been organized under the direction of the church's Religious Education Committee, which includes R. Francis Carroll, Mrs. John Drummond and Mrs. Laverne as members.
Rue Nunnallee is superintendent of the new Sunday School, and William Waters is associate superintendent. Mrs. Don Crookham is secretary and Mrs. A. L. Barr, treasurer. Teachers of the various departments are listed as follows: Nursery (three-year olds and under)—Mrs. H. E. Hankins, Mrs. Frank Price, Mrs. Roy Watkins, Mrs. Frank Mullins and Mrs. William Alken; kindergarten (pre-school age)—Mrs. Drummond, Mrs. G. Newman Shell and Mrs. L. O. Waterstreet; primary (6, 7 and 8-year olds)—Mrs. William Waters, Mrs. James J. Trotter and Mrs. Cliff Torgeson; junior (9, 10 and 11-year olds)—Mrs. Jack Allen; Pioneer (12, 13 and 14-year olds)—Mr. and Mrs. Raymond Howard.
Members of the Adult Department will meet in small discussion classes with each group to select its teacher and unity of study.
Mrs. William Cadwell and Mrs. Ernest Barber are listed as substitute teachers.
St. Andrews Church was organized December 10, and services are being held temporarily in the David Crockett Elementary School auditorium.

CSC Lists Exams For Technicians
The U. S. Civil Service Commission announces examinations for filling vacancies in the positions of medical technician (general medical technology), medical X-ray technician, and medical and X-ray technician at \$2,450 to \$3,825 per annum for employment with various Federal agencies in the state of Texas except the Veterans Administration, and Inspector (strategic materials) at \$3,100 to \$5,400 per annum for employment with various Federal agencies in the state of Texas.
Additional information and application forms may be obtained from the Midland Post Office or from the Region Director, Fourteenth U. S. Civil Service Region, 219 South Harwood Street, Dallas 1, Texas.

BEVERLY HILLS, CALIF.—Mr. and Mrs. Carl J. Westlund, 801 North Marfield Street, Midland, Texas, were guests recently at the Beverly Wilshire Hotel here, while on a trip to the West Coast.

Four Sarahs...

The first Sarah came to America in the "nineties." She was poor, but she loved her husband, her children, and her God. That three-fold love was the heritage she gave her family.

The second Sarah married a "doughboy." She prayed for him through the long months of trench warfare. Then the Armistice, and he came home to her!

The third Sarah saw her teens against the background of Depression. She met Bill, and they fell in love. Then Pearl Harbor... Corregidor... and the Jap prison. While she worked in a war plant she prayed. She never gave up hope. Then V-J Day, and as soon as he was discharged from the hospital they were married.

The fourth Sarah... her story is still to be written. But the courageous faith of the others will be hers, too. Sarah and Bill will see to that... with the help of the Church.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship, strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

DADDY RINGTAIL

By WESLEY DAVIS

ON THE JOB—
THERE'S NO DENYIN'
—HERE'S A TREAT
—THAT'S SATISFYIN'...
WRIGLEYS SPEARMINT!

Daddy Ringtail And Break A Stick

The Huffen Puffen, the friendly wolf, was happy with a happy thought of the man who had given his sons a bundle of sticks. None of the sons could break the sticks in the bundle, except when the man had untied the bundle and given a stick to each of his sons; then they broke the sticks very easily one at a time. Yes, and the

thing to remember was that friends together are like the bundle of sticks. No one can harm them.

when he heard two voices there in the bushes. One of the voices was Mugwump, and Mugwump was saying: "Huffy Tuffy, I don't care how big and huffy and tuffy you are. Give me back my pie!"

would, like this. Quickly the Huffen tied them together. Through the bushes he jumped to show the sticks in a bundle. Yes, and when they saw they couldn't, they were supposed to remember that they should be like the bundle of sticks all tied together with friendship, never to squabble and squabble over pie.

Yes, these are the things the Huffen was going to say, but he didn't get to say them. Mugwump grabbed away the bundle of sticks and kersmacked Huffy Tuffy with them. "Crack!" said the sticks as they broke in two. "Ahooy!" cried Huffy Tuffy with a bump on his head. "Yum, yum," said Mugwump with his mouth now full of the scrambled coconut pie.

And so everything worked out fine, I guess, except it is very dangerous to kersmack someone with a bundle of sticks, and I hope that Mugwump will never do it again. Happy day!

Special Passport To Be Baptized

TEL AVIV—(AP)—Israel and Arab authorities smilingly agreed that Bernard Thomas Law, a six weeks old United Nations infant, should be provided with a special passport in order to be baptized in the "Church of All Nations" at Gethsemane which is in the Arab administered part of Jerusalem.

Bernard Thomas Law is the son of C. L. Law, UN Administrative officer in Jerusalem. While there is no difficulty for certified UN-grown ups crossing lines from the Israel to the Arab-governed part of Jerusalem UN-babies must first get a little bit of red tape stuck to their swaddling clothes.

GET IN THERE AND FIGHT—Western Kentucky State's Hill-toppers climb all over the other side when Coach Ed Diddle leads in his six-foot-two-inch son, Ed Jr. A senior guard, young Diddle is one of the Bowling Green school's all-time greats.

Purple, Andrews Cagers In Split

Teams from Andrews and Midland split a basketball double-bill Thursday afternoon in the John M. Cowden Junior High Gym, with the Midland 'C' winning a 25-24 squeaker from a similar Andrews quintet, and the Cowden eighth grade cagers absorbing a 41-16 pasting from the Mustang juniors.

The Andrews junior group had too much and too many for the Cowden boys to halt. The smooth little Ponies never were behind and it was evident they had played several games before the encounter with Midland. It was the first start for Coach Bob Cochran's eighth graders.

Andrews was off and winging to a 12-8 lead at the end of the first quarter and held a 22-6 margin at halftime, as Midland went scoreless in the second frame. The Mustang juniors used a deliberate style of play, mixed in a little fast break and hit with much accuracy on all their shots.

Ferry Greene led Midland with nine points. Jimmy Hunt tallied four, Jack Harris two and Lionel Crisp one. Carl Holloway tallied 13 for Andrews, while Max Ragdale popped in 12 points. Other Midland boys seeing action were: Carroll Hall, William Brooks, Waylon Brown, Bud Lee, Billy Jewell and Wayne Cooper.

The clash between the two 'C' teams was a corker. Andrews led at the end of the first quarter 4-1, as the Midland offense couldn't click. But Coach Pat Patterson's cagers started to hit in the second quarter and led 12-11 at the intermission. It was 18-18 at the end of the third quarter. Midland went in front 25-20 with two minutes to go, but Jim Huckabee tallied two baskets to cut the 'C' Dogs' lead to 25-24.

Spinks Unanimous Choice On Class A All-State Eleven

DALLAS—(AP)—Eight schools landed players on the all-state Class A Texas high school football team announced Friday by the Texas Sports Writers Association. Champion Wharton, runner-up Kermit and semifinalist New Braunfels each came up with two players. Brady, Dalhart, DeKalb, Arlington and Mount Vernon landed the other spots.

DuBose, Emerson To Join Coaching Staff Of Texas Longhorns

AUSTIN—(AP)—Expansion of the University of Texas football coaching staff through addition of two former Longhorn footballers was recommended Thursday by the athletic council.

Bill DuBose, Texas A&M line coach, was recommended for the end coach position, and G. C. (Ox) Emerson, athletic director and coach at Del Mar Junior College in Corpus Christi, for freshman coach.

Final approval of their nominations by the Board of Regents is required. Appointment of DuBose and Emerson will give Texas a coaching staff that includes three members of the 1930 Southwest Conference championship team. Ed Price, the new head coach, was on that eleven.

Staff Promotions
J. T. King will advance from end coach to line mentor. Price's former job, Buddy Jungmichel, will step up from the freshman post to become "B" team coach. Eck Curtis will continue as backfield coach and Howard C. (Bully) Gilstrap as assistant coach and coordinator of public relations.

DuBose was head coach and assistant at Waco, Corpus Christi and Nacogdoches High Schools before going to Texas A&M. His first coaching duty was at Texas, where he assisted in 1933, before going to Hondo High School for two years.

Emerson was all-Southwest Conference guard in 1930 and later was an all-pro guard five of eight seasons with the Detroit Lions.

Following service as a naval officer until 1947, he was football coach and athletic director at Alice High School three years before going to Del Mar.

Kermit Team, Band To Receive Banquet

KERMIT—Kermit's most successful football team in history will be honored with a banquet Thursday night, January 11, in the Kermit High School gymnasium, in conjunction with the annual Kermit Chamber of Commerce banquet.

The famous 'K' Band will also be honored at the affair. Immediately following the banquet, the Sul Ross College nine-piece band will play for dancing at the Community Center.

Kermit School Superintendent Tommy Thompson is general program chairman. Although plans are incomplete, officials are attempting to get a Southwest Conference coach as main speaker for the event.

Ticket sales begin Friday from a booth in the Kermit Post Office. The public is invited to attend.

McCamey Takes Thrilling Games From Lake View

MCCAMEY—The Badgers of McCamey staged a brilliant last period uprising to quell the visiting Lake View Chiefs in a non-conference basketball game here Thursday night 48 to 45.

McCamey went into the last quarter trailing 31-38, but whipped Lake View by a 17-7 margin in the final stanza. Billy Stokes flipped a couple of gratis tosses through to tie the game at 43-43 with but minutes remaining. Then with the count knotted at 45-45, Guard Gary Davidson dropped his only point of the night—a free toss—through to give the Badgers a 46-45 lead. Vaughn hit a set shot for the final McCamey margin.

Billy Stokes paced the Badgers with 14 points. Richardson led Lake View with 10.

And in another thriller, the Badger 'B' team edged the Lake View 'B' 31-30 as Paul Brown sank a free shot with only 15 seconds remaining in the game.

Bradley Cage Coach To Teach In Texas

BEAUMONT—(AP)—Forrest Anderson, coach at Bradley University, will instruct in basketball at the Texas Coaching School in San Antonio next summer.

Anderson's team currently is rated the No. 1 quint in the country.

Another instructor announced was Alex Hooks, baseball coach at Southern Methodist University.

Top College Stars Tangle Saturday In Senior Bowl Battle

MOBILE, ALA.—(AP)—A high-powered scoring duel was shaping up Friday for Saturday's Senior Bowl, where some of the nation's top college stars draw their first pay in the sport.

Just when the practice crowds had the game tagged for a wide open aerial battle, pro coaches Steve Owen for the South and Alvin (Bo) McMillin for the North hinted they both packed a sleeper wallop in ground attacks.

All 54 college seniors who participate will get a share of gate receipts. The winning team gets 60 per cent of the players' pool.

A turnout of at least 25,000 is expected.

Probable starting lineups (kick-off 1:30 p.m. CST):
North: Wilkinson, UCLA, and Proctor, Texas, ends; Jackson, Texas, and Dohan, Princeton, tackles; Kadie, Missouri, and Auf-farth, Wake Forest, guards; Moore, Oklahoma, center; Arnold, Oklahoma, Rote and Champion, SMU, and Heath, Oklahoma, backs.
South: Curtis, Vanderbilt, and Sherrod, Tennessee, ends; Galt, Kentucky, and Hannah, Alabama, tackles; Banks, Auburn, and Rogas, Tulane, guards; Bossons, Georgia Tech, center; Ernst, Tulane, Phillips, Mississippi Southern, Strickland, South Carolina, and Dettley, Mississippi, backs.

Bo McMillin Has Soft Answer For Critic Bobby Layne

MOBILE, ALA.—(AP)—Bo McMillin had a nice word for Bobby Layne Thursday after the former Texas U star blasted the resigned Detroit pro Lions coach.

Bo said his quarterback of last year is a good football player and if he hadn't left his Detroit job, "Layne would be my quarterback."

Layne said in Dallas he told Detroit directors he wouldn't play under McMillin. He asserted that teammates Dock Walker and Cloyce Box, both Texans with Detroit, joined him in protesting McMillin's handling of personnel.

"We don't go out on the football field to make love between coach and player," McMillin said. "I had several boys on the team who didn't thoroughly agree with my methods. x x x Every other coach has the same trouble."

DEL DUCA TO FRISCO SAN FRANCISCO

DEL DUCA TO FRISCO SAN FRANCISCO—(AP)—Art Del Duca, who won 12 and lost six for Beaumont's Texas League team last year, has signed with San Francisco.

Sonja Henle will make 17 appearances with her Hollywood Ice Revue when it opens in Madison Square Garden on Friday, January 19. It will be her 12th annual visit to the Garden ice.

WATCH THAT LEAD!—Ken Seaworth, left, at Florida's Tropical Park warned Joe Culmore to keep 'em up—horses, that is—in the Sicilian-born jockey's exciting race against Willie Shoemaker for the riding championship.

King's Row

By LARRY KING

While rummaging and leafing through past editions of The Reporter-Telegram, we ran across an interesting little item in an issue dated Sept. 22, 1940.

The headline said: "Christians Upset Teachers, 19-13." And the sub-head ran: "Tugboat Jones Big Noise For ACC."

That's right, Midland's own head football mentor—Thurmon L. (Tugboat) Jones.

The ACC team that year defeated North Texas State 19-13 here. "Tug" had a pretty good day. He scored from the three-yard line in the first quarter, kicked a 24-yard field goal around end for another counter and then plunged five yards for a third touchdown. In short, he tallied all 19 points for the winning ACC team.

Which isn't too surprising when you consider the fact that Jones earned a Little All-America rating that year. And oh yes—the Wildcat right guard was a kid named Garvin Beauchamp; Jones made his "short" touchdown plunge through Beauchamp's position.

Seems that these fellows Jones and Beauchamp were quite a pair of ball players.

Western Plastic Falls At Crane, Rotary Plays Friday

CRANE—The Crane Sheriffs Posse and the Imperial cagers won games in the opening round of the Crane Independent Basketball Tournament here Thursday night.

The Sheriff's Posse ousted Western Plastic of Midland 34-22. Imperial outscored Ozona 58-43.

Bill Teague tallied 12 points to lead the Crane five to victory over the Midland quint. Toots Mathis grabbed nine tallies. Frank McCormick scored six, and Jack Dunlap five, to lead the Western Plastic cagers.

Pelto and Cook, with 20 and 10 points, respectively, teamed to lead Imperial past Ozona. Jay Daugherty scored 15 points and Riley 12 for the losers.

Play will continue Friday night and Saturday, with the championship finals to be played Saturday night. Rotary Engineers of Midland will vie with Phillips 66 of Crane at 7:45 p.m. Friday. Holder Grocery of Ozona and Bill Hale Motors of Ozona will play at 9 p.m. Friday.

Consolation play will begin Saturday morning. Western Plastic of Midland will face the Ozona cagers in first round consolation. The time has not yet been determined.

Aggies Down Owls In SWC Cage Opener

By The Associated Press
Texas A&M crowded into first place in the Southwest Conference basketball standings with the University of Texas and Texas Christian University.

The agile Aggies Thursday night opened play for keeps with a handy 51-39 victory over the Rice Owls.

Arkansas now is the only team that hasn't started conference competition, but the Razorbacks get their chance Saturday night against Texas Christian at Fort Worth.

Two other games Saturday match Southern Methodist and Baylor and Rice and Texas.

Coast Loop To Air Rose Bowl Problems
RIVERSIDE, CALIF.—(AP)—The fate of Pacific Coast Conference participation in the annual Rose Bowl football classic will be decided at a special meeting in San Francisco.

Faculty representatives and athletic directors, and possibly the school presidents, will meet in the bay area at a date to be set later. Presumably it will be shortly after the NCAA convention in Dallas next week.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JAN. 5, 1951-7

3-AA Tilts Start; Lamesa Plays Here

The play-for-keeps round starts in 3-AA basketball Friday night, as Midland and Lamesa get together in the MHS gym for a conference opener. The two 'B' teams will tangle at 6:30 p.m. Varsity teams will collide at 8 p.m.

Lamesa is the defending champion. The Golden Tornados won the district title for two consecutive years and reports from Dawson County say Coach Orville Fells has another crack quintet. The Lamesa five has an 8-5 worst record for the season—and the Tornados have captured five of their last six games.

Sports Scribes Pick New York Yankees As Team Of The Year

NEW YORK—(AP)—The New York Yankees Baseball Club was voted team of the year for 1950 in the annual year-end poll of sports writers and sportscasters by The Associated Press.

Casey Stengel's Yanks, four straight winners over the Philadelphia Phils in the World Series, had close competition for the honor. Oklahoma's football team, upset in the Sugar Bowl after 31 straight victories, was a close second. City College's basketball "grand slam" champs were very much in the running.

It was strictly a three-team race, with the Phils a distant fourth.

Teams receiving at least 16 points with first place votes in parenthesis (points figure on 3-2-1 basis):

1. New York Yankees, baseball (70), 361.
2. Oklahoma, football (56), 319.
3. City College, basketball (43), 251.
4. Philadelphia Phils, baseball (17), 94.
5. Minneapolis Lakers (basketball) (5), 42.
6. Cleveland Browns, football (4), 27.
7. Detroit Red Wings, hockey (2), 23.
8. Princeton, football (3), 21.
9. Harlem Globetrotters, basketball (5), 17.
10. Tennessee, football, 10.

Sned Favored As Pros Tee Off In Los Angeles Open

LOS ANGELES—(AP)—The Los Angeles Open started Friday and most of the experts are ready to hand the silver anniversary event to Sammy Snead on the familiar silver platter.

Back in 1926, Lighthorse Harry Cooper shot a 279 to inaugurate what has now become a \$15,000 figure on the Winter chase for golf gold and glory.

Cooper still is around, and teed off Friday in a threesome with Jimmy Hines of Chicago, who won the event in 1936, and Fred Hawkins of El Paso, Texas.

Top than, of course, is Snead, who won more than \$37,000 in prize money last year. That was a \$10,000 better than the second place Jim Ferrier of San Francisco, a \$15,000 tip on Lloyd Mangrum, a though Mangrum was out much of the year with a shoulder injury.

He and Ferrier, along with fashionable Jimmy Demaret, are expected to give Snead what tussle there is for \$2,600 top money.

Six Top Women Golfers To Visit France, England

PONTE VEDRA BEACH, FLA.—(AP)—Six of America's top women golfers will make a trip to Europe this summer as a highlight of their 1951 campaign.

Fred Corcoran, tournament chairman of the Women's Professional Golfers Association, revealed the plan Friday as the girls began their first tournament of the year—the Ponte Vedra Club Open.

Selection of the women to make up the American team to visit England and France will be determined in the second annual 144-hole Weatheravans Cross Country Tournament this Spring.

Corcoran also revealed that the Weatheravans event will be played in Texas (site to be determined) April 14-15, in California (site to be determined) May 5-6, in Indianapolis May 19-20 and New York City May 26-27.

Midlander's Mother Dies At Colorado City

COLORADO CITY—Mrs. J. M. Terry, 76, died at her home here Thursday after a brief illness.

She had operated various restaurants here and had lived in Colorado City for 47 years. She was married to J. M. Terry in 1894 in Caldwell County.

Survivors include: the husband; two daughters, Mrs. Warren Waddill of Midland and Mable Rutherford of Lubbock; four sons; two sisters, 10 grandchildren and three great grandchildren.

Funeral services are pending the arrival of a son from California. Interment will be in the Colorado City cemetery under direction of Kiker Funeral Home.

Mrs. Waddill of Midland resides at 903 West Kansas Street. Mrs. Terry formerly had lived in Midland.

Clue To Missing Family Is Studied At Wichita Falls

WICHITA FALLS—The Wichita Falls sheriff's office said it was "working" on a clue to a missing Atwood, Ill. farmer, his wife and three children.

The family of Carl Mosser was last seen Sunday at Claremore, Okla., 30 miles east of Tulsa.

Police fear the family of five may have been victims of a hitchhiker playing.

Deputy Sheriff Dick Mann said he could "not give any details" of the hunt here.

Mann did say this report jibed with information received by the sheriff's office:

Steps For Food And Gas

That a car stopped at a store outside Wichita Falls Saturday night, for food and gas.

That two men scuffled and one yelled for help.

That the car sped away owing for goods bought.

That a bill bearing a Decatur, Ill. label was left behind.

Decatur is 24 miles from Atwood.

Another report said a car stopped at Iowa Park, just west of Wichita Falls, and that its occupants asked directions back to Wichita Falls without traveling the highway.

The blood-stained, bullet-punctured automobile of the Mosser family was found at noon Wednesday north of Tulsa.

VFW Units Will Visit Hospital

Members of Veterans of Foreign Wars Post 4149, its Auxiliary and Cooties will visit the veterans hospital in Big Spring Sunday, VFW Commander John Henderson announced.

Presentations will be given to the patients, and an entertainment program also will be provided by the Midland group.

The Midlanders will leave at 12:30 p.m. and will visit in the hospital about three hours, according to Henderson.

Two Bus Schedule Changes Effective Here January 10

Two Greyhound Bus Lines schedule changes affecting Midland will go into effect January 10, A. T. Wheeler, manager of the Midland station, announced Friday.

The eastbound coach which leaves at 2:32 p.m. will be taken off the schedule for the remainder of the winter months, according to Wheeler. This bus goes only as far as Abilene.

A westbound express direct to Los Angeles with passengers having to make no bus changes will be added. The coach will leave Midland at 2:50 a.m.

FIRST AID FOR THE BOMBED—Mrs. Edward Chapin, Jr., left, aided by Helen Permut, demonstrates a new type of first aid pad for use on burns or other injury resulting from bomb attack. Developed by the armed forces and recommended by Civilian Defense agencies, it consists of a cover of fine gauze padded with cotton lint and cellulose sheeting. Its purpose is to keep air from a wound until doctors can apply medication. The dressing was unveiled in Washington.

COMPLETE COMFORT AT THE RIGHT PRICE

A short hike ride to elementary if your child is in school, and you won't have to worry about busy street crossings. Should you have two children, perhaps you'd like to use the den for a third bedroom. Of course, you could extend the living room by removing part of a partition. Anyway, it is a versatile property, with storage room galore. On Outhbert Street. Full price, \$14,100.

GOOD TASTE ELEGANT

Would you like to have servants quarters? Two spacious bedrooms, and a kitchen you'll love to work in—dish washer and disposal unit. Living room and dining room are carpeted. Twin coat closets on each side of entrance hall. Well located in West End addition. You should see the shrubbery, surrounding trees and beautiful fenced-in lawn. Price, \$18,900.

Investment
 Brick duplex, less than 2 years old, with excellent Hills rental unit in rear. If you would like \$240 per month income, this one is the right one for you. Not far from downtown. \$5,000 will handle, balance in long-term loan.

Immediate Possession
 Two bedroom home, with paneled den. Completed in August. Large kitchen, with lots of cabinet space. Utility room behind attached garage. Corner lot. Out-of-town owner has other investments requiring quick sale of this property.

Where Home-Shopping Is A Pleasure

Here's your chance to really enjoy living! A well-planned, comfortable, extra - large 2-bedroom home just out of town on the Andrews highway. Two acres of land, and facilities to care for a big flock of chickens. Plenty of room for an orchard, a big garden or a swimming pool—and still leave all the lawn you'll want to mow! Reasonably priced, too—let us show it to you!

If you need only two bedrooms, but want them large, and if you like a large living room and plenty of closet and storage space, then here's the home for you! Some very nice features, including venetian blinds, electric range wiring and automatic washer plumbing. It's well located in the West part of town, and on a corner lot. Already financed—no closing costs.

G. I. loans are still available, as well as F. H. A. financing, on the homes now being built in Midland's most popular residential section. Solid construction, good materials and quality workmanship make these home outstanding values. Selections of sites and floor plans are still good—come out today and let us show them to you!

Permian Basin Oil And Gas Log—

(Continued From Page One)
Clinic, wildcat three and one-half miles southwest of the discovery well of the Germania field, is at total depth of 7,167 feet in shale and lime, trying to regain lost circulation.

Fusselman DST Fails In Midland Wildcat

The first attempt to find production in the Fusselman failed at Ralph Lowe No. 1 J. E. Hill indicated Dean sand and Wolfcamp discovery in Northwest-Central Midland County.

B&N Take Over Ochiltree Test

The Blackwood and Nichols Company of Oklahoma City and Midland, has taken over the Walter Duncan and associates No. 1 W. E. Brunstetter, Southwest Ochiltree County wildcat in the northeast part of the Texas Panhandle and is to deepen it approximately 700 feet from the bottom of 9,016 feet in the Mississippian to a lower section of the same formation.

This prospector is 660 feet from north and west lines of section 22, block R, B&B survey, Abstract 724. After drilling to total depth of 9,016 feet and recovering some slight shows of oil and gas in the St. Louis section of the Mississippian, operators decided to plug and abandon the wildcat.

However, before that was done a deal was made for Blackwood & Nichols to take the project over and deepen it.

Four Locations Are Spotted In Scurry

Scurry County has reported four new locations for immediate drilling. Cosden Petroleum Corporation has staked location for its No. 1 J. Wright Moor estate in the Kelley-Snyder field.

Rotary tools will be used to drill to 7,100 feet. Location is 467 feet from south and east lines of southeast quarter of section 335, block 97, H&TC survey and eight miles northwest of Snyder.

About three miles northwest of Snyder, Phillips Petroleum Company spotted its No. 4 Caudle 467 feet from east and north lines of the southwest quarter of section 291, block 97, H&TC survey. That puts it in the Kelley-Snyder field.

Projected depth is 6,950 feet and rotary tools will be used in drilling. In the Cogdell field of Central-North Scurry County, The Texas Company is scheduled to drill two new projects on P. L. Fuller land.

Both these tests are projected to 7,150 feet with rotary tools. Texas Co. No. 121 P. L. Fuller is 1,985 feet from north and 2,000 feet from west lines of section 563, block 97, H&TC survey and 14 miles north of Snyder.

Drill site for No. 119 P. L. Fuller is 667 feet from east and 662 feet from south lines of section 564, block 97, H&TC survey.

Midland Discovery Gets Two Flankers

Magnolia Petroleum Company has staked locations for a one-location diagonal northeast and a one-location diagonal southeast offset to its recently completed No. 1 H. F. Timmerman, Pennsylvania discovery in West-Central Midland County.

The No. 1 Arch Bengo will be drilled 660 feet from west and 1,980 feet from north lines of the northwest quarter of section 9, block 40, T-3-S, T&P survey, and southeast of the No. 1 Timmerman.

Magnolia will drill its No. 1-A Roy Parks, 660 feet from south and west lines of section 15, Charles F. O'Neil survey, A-876, as the northeast offset.

Both prospectors are contracted to explore the Pennsylvania.

Two Offsets Staked To Pegasus Extender

C. W. Murchison and others of Dallas staked two offsets to their No. 1 Joe Canon, which is being dually completed from the Pennsylvania and the Ellenburger, as a one and three-quarters miles north extension to the Pegasus field of Southwest Midland County.

One, the No. 2 Joe Canon, will be drilled as a one-location due north offset and the No. 3 Canon will be dug as a one-location west offset. Location for No. 2 Joe Canon is 660 feet from north and east lines of the southeast quarter of section 13, block 40, T-4-S, T&P survey.

Howard Wildcat Gets Mississippi Shows

Norman & Roche No. 1 H. E. Martin, wildcat in Northeast-Central Howard County, was drilling below 9,063 feet in Mississippian lime and chert, which was topped at 8,945 feet, minus datum point of 6,388 feet.

A drillem test was made of the section from 8,940 to 8,966 feet. Tool was open two and one-quarter hours. Recovery was 1,260 feet of oil and gas-cut mud.

Shallow Explorer Spotted In Runnels

Thomas D. Humphrey of Dallas is to drill a 4,100-foot Gardner sand wildcat in Central Runnels County seven miles southeast of the town of Winters.

Operations are to start at once, 1,263 feet from west and 330 feet from south lines of an 800-acre lease in the J. H. Parramore survey.

Ellenburger Tests Staked In Stonewall

Two Ellenburger wildcats have been reported set for drilling in Stonewall County.

F. Kirk Johnson and others of Fort Worth will drill a 6,500-foot test in the west-central portion of the county and six miles west of Asperment. It will be dug as the No. 1 B. B. Clark, 660 feet from north and east lines of section 232, block D, H&TC survey.

That makes it six miles northwest of DeSoto's No. 1 Guest and nine miles northeast of Seaboard Oil Company's Canyon reef lime discovery in the Double Mountain pool.

Southern Minerals Corporation and Seaboard will drill the other 6,500-foot wildcat four miles north of Old Glory and in East-Central Stonewall County. Exact drillsite location is 2,970 feet from east and 2,310 feet from north lines of the Thomas J. Jordan survey. It is the No. 1 Yakey.

That makes it three and one-half miles south of the Old Glory Bend conglomerate pool.

SW Lubbock Tester Plugged, Abandoned

George P. Livermore Inc., and M. A. Sanders No. 1 Landsey, wildcat in Southwest Lubbock County has been plugged and abandoned as a failure.

Operator stopped operations at the prospector at 11,515 feet in granite wash.

Location of the dry hole is 660 feet from south and east lines of section 13, block D-6.

Rites To Be Held For W. T. Griffith

Friends in Midland were advised Friday of the death of W. T. Griffith at his home at Cocksleyville, Md. He was the father of W. M. (Mike) Griffith of Sinton, vice president and general manager of Plymouth Oil Company.

The elder Griffith was 84. His wife, died early in December 1950, and he had been in failing health since that time.

Funeral and burial will be Monday at Cocksleyville.

Eating Costs—

(Continued From Page One)
hit a peak yet. July, 1948, still holds the record. But the index has been climbing steadily since October and is 21 per cent above a year ago.

The BLS retail food index by December 15 had climbed to within a hair's breadth of its all-time peak, the bureau tells us Friday.

The food industry thinks a check now would put the index easily into the record area. In December it stood almost 10 per cent above a year ago, and almost six per cent above its pre-Korea mark.

The attempt to control food prices—which President Truman Thursday promised would be made—runs into legal trouble at the start because farm prices are tied to parity. And no matter what the processed food may be costing you at the grocery, the farmer is getting parity prices or better on only a handful of his products—chiefly some meats, cotton and wool.

He Had A Story All Right, But It Ended Sadly

DUESSELDORF, GERMANY — "I've a good story for you," shouted the shabby young man as he rushed into a Duesseldorf newspaper office. Then he reported that a burglar had smashed a store window before dawn, snatched some liquor bottles, and returned later to pose as a witness to unsuspecting police.

Awards Given By JayCees Friday

Presentation of awards to winners of the JayCee - sponsored Christmas home lighting contest featured the weekly JayCee luncheon held Friday in Hotel Scharbauer.

Chuck Harringer presented a \$50 war bond to John E. Mills as the grand prize winner. Prizes of \$25 war bonds went to Carl Wyatt, Don Jerome and W. T. Douglas.

A business session followed, with discussion of the JayCee sports program for 1951. Harringer is the newly elected JayCee director of athletics.

Dr. Henry Schlichting spoke to the group concerning programs for future JayCee meetings and urged that noted lecturers be contacted for appearances, as they have timely messages to bring to the public.

Indictment Against Would-Be Assassin Upheld By Jurist

WASHINGTON — (AP) — Federal Judge T. Alan Goldsborough Friday refused to dismiss the murder charge against Oscar Collazo in the attempted assassination of President Truman November 1.

Collazo, 37-year-old Puerto Rican nationalist, is scheduled to go on trial for his life February 19 for his part in the effort to storm into Blair House, Truman's temporary residence.

Judge Goldsborough quickly dismissed a defense request for dismissal of the murder charge after listening to arguments by Collazo's court-appointed lawyers and prosecuting attorneys.

Civil War Veteran, 102 Years Old, Dies

ROCKY MOUNT, N. C. — (AP) — Ruffin Van Buren Collier, 106-year-old Civil War veteran, died Friday with his family at his side.

His death left Sam E. Bennett, 102, of Yadon County, as the sole survivor of the hundreds of thousands of soldiers North Carolina sent into the Confederate Army.

Shift Foreman Burns To Death At Borger

BORGER — (AP) — Kenneth W. Powell, 36-year-old shift foreman, burned to death Thursday night at the Rice plant operated by Phillips Petroleum Company here.

Phillips officials declined to discuss the accident, but said a report would be forthcoming from the home office in Bartlesville, Okla., following an investigation.

Israel Code To Be American Modeled

TEL AVIV — (AP) — Modern legislation for youth delinquency will serve as the model for a new juvenile code now being drafted in Israel. The completion of the code will take several years.

The drafts will be discussed by law. The first, to be dealt with shortly, foresees abolishing the appearance in court of children who have been victims or witnesses of sexual offenses. The draft law proposes that such testimony should be given to psychologists only, who in their turn would forward it to the police or judges.

Sowing grass seed by hand is a wasteful procedure. Mixing it with sand is a good method where the hand-sowing method must be used on lawns.

Russia Agrees To Resume Talks On Lend-Lease Debt

WASHINGTON — (AP) — Russia has agreed to resume negotiations January 15 for settlement of the \$11 billion Soviet account for lend-lease the United States supplied her in World War II.

The State Department told of the new meeting Friday. It said the conference was arranged after the U. S. began pressing last June 15 for a resumption of talks. Previous negotiations were broken off more than two years ago.

Angelo Dies In Crash Near Merton

SAN ANGELO — (AP) — Lee Roy (Jack) Terry of San Angelo, representative for a Houston food firm, was killed Friday when his car hit a bridge west of Merton.

He was enroute here from Fort Stockton to pick up his family to go to Colorado City to attend funeral services for his mother, Mrs. J. M. Terry. She died late Thursday.

132 Dead Counted In Man-Made Avalanche

LIMA, PERU — (AP) — A total of 132 bodies had been recovered early Friday from the rocky debris of a man-made avalanche Wednesday in the Andes near the coastal town of Chimbote.

Latest reports listed 71 injured. The search for more bodies continued.

The workers, clearing an area covered by a natural avalanche last October, were trapped by the explosion of a dynamite charge they thought was a dud.

The old-fashioned magic lantern has been converted into a sharp-eyed criminal detector. Called the "identical," the device actually is a mechanical portrait painter and can "paint" a picture of a face from a verbal description with amazing speed and accuracy.

Texas Senators Get High Party Positions

WASHINGTON — (AP) — Both Texas senators had high Democratic Party assignments Friday.

Senator Connally was named on the Steering Committee which makes assignments to other committees.

Senator Johnson, the majority whip, became an ex-officio member of the Policy Committee. It decides which laws Democrats will back.

Better Cough Relief

When new drugs or old fail to stop your cold don't delay. Safe, dependable Creomulsion goes quickly to the seat of the trouble to relieve acute bronchitis or chest colds.
