Magnolia Schedules Midland Wildcat To Test Pennsylvanian

Two and one-half miles southwest of Pennsylvanian production, and in West-Central Midland County, Magnolia Petroleum Company is to drill its No. 1-J TXL as a 10,800-foot wildcat.

The drillsite, 600 feet from north and east lines of section 5, block 40, T-3-S, T&P survey, is 13 miles south of the City of Midland.

The prospector will be drilled three miles west of the Parks-Pennsylvanian field, which was opened by Magnolia No. 1 Timmerman.

Two and one-half miles northeast of the new project is Magnolia No. 2 Parks, discovery well of the Parks-Ellenburger field. The No. 2 Parks is now producing from the Pennsylvanian, after salt water developed in the Ellenburger.

Martin Prospector Swabbing New Oil

Plymouth Oil Company No. 1 Jefferson Davis, Southeast Martin County wildcat was swabbing 1.6 barrels of oil per hour, with a shakeout of nine per cent basic sediment and drilling water.

The production was coming from perforated section in the Spraberry at 7,120-90 feet. That interval had been hydraulized with 1,500 gallons.

All of the load oil used in connection with the treating of the pay section has been recovered and the oil now being swabbed out is of a lighter and livelier nature and is showing a little gas.

The section now being tested is about 175 feet in the Spraberry. The zone in that formation above 7,120 feet logged oil shows and the top of the formation has some fair gas.

Interested observers think the wildcat has a fair chance of being completed soon as a flowing producer of some sort.

Location is at the center of the northeast quarter of the northeast quarter of section 17, block 35, T-1-S, T&P survey.

It is two and one-half miles east of Stanton.

Application Filed For Martin Tester

Union Sulphur & Oil Corporation has filed an application with the Railroad Commission of Texas requesting permission to start operations soon at its No. 1 Snyder and Arnette, which is scheduled to be an 8,000-foot wildcat in Central-South Martin County.

The project is five miles southwest of Stanton and almost on the north line of Midland County. It is to undertake to get production in the Spraberry sand pay.

Location for this exploration was reported early in February. Starting of operations on it were held up by the filing of a vacancy claim on some of the adjacent lands.

It is understood that legal difficulties which arose in connection with the vacancy matter have been adjusted to where the operator considers it appropriate to start drilling on the No. 1 Snyder and Arnette.

The drillsite is to be 600 feet from north and west lines of the southwest quarter of section 30, block 36, T-1-S, T&P survey.

Dual Completion Is Slated In Midland

General American Oil Company has filed application with the Railroad Commission of Texas asking permission to complete its No. 4 Peck as a dual producer from the Pennsylvanian, with the Ellenburger, in the Sweetie Peck field of Southwest Midland County.

The Ellenburger potential was filed with the RRC Thursday.

It made a daily flowing potential of 820 barrels of 54.2-gravity oil, gauged through a 16/64-inch choke.

Location is at the center of the southeast quarter of the northwest quarter of section 21, block 41, T-4-S, T&P survey.

Sweetie Peck Gets Another Producer

Sinclair Oil & Gas Company has completed its No. 3-A Sanders as a dual producer in the Sweetie Peck field of Southwest Midland County.

The oiler, which previously had been completed from the Ellenburger for a daily flow of 488.57 barrels of 51.2-gravity oil, was completed from the Pennsylvanian for a daily-flowing potential of 1,013 barrels of 43.9-gravity oil.

The potential was gauged through a 24/64-inch choke.

Gas-oil ratio was 1,116-1 and tubing pressure was 800 pounds. Casing production was 425 pounds.

Production is coming from perforated section opposite the Pennsylvanian at 10,288-10,215 feet. They had been washed with 1,000 gallons of mud acid.

Location is 600 feet from south and east lines of the southwest quarter of section 16, block 41, T&P survey, T-4-S.

Devout Christians Tour Holy City In Good Friday Rites

JERUSALEM—(P)—Thousands of devout Christians made a Good Friday pilgrimage through the crooked streets of old walled Jerusalem Friday.

Pilgrims—hundreds from abroad—followed the storied route taken by Christ as he carried his cross to Calvary.

Some groups, retracing Christ's steps, carried with them large wooden crosses through the winding and narrow cobblestoned streets.

The fourteenth and last station of the "Via Dolorosa" is the tomb inside the Holy Sepulchre, where Christ's body was believed taken after his death on nearby Calvary.

Friday night, in a medieval Roman Catholic service at the Basilica of the Holy Sepulchre, a symbolic figure will be taken from a cross, bathed, anointed and laid in a tomb.

Archbishop Albert Gori, Roman Catholic patriarch of Jerusalem and the Holy Land, Thursday night washed the feet of junior priests in a biblical re-enactment in front of the Basilica.

A solemn resurrection service Easter morn, heralded by the ringing of the Basilica's many bells, will be attended by a large number of foreign diplomats in the Holy Land.

Shadows Of War

It was announced that Jaffa Gate in the old city walls will be opened Sunday to permit the Jerusalem Consular Corps to enter the old city along the traditional route. The old city is in the hands of Jordan while the new city is controlled by Israel.

Permits were issued to allow other pilgrims safe passage across the Israel-Jordan armistice lines to enter the ancient city through the Mandelbaum Gate and to visit Bethlehem.

Diplomats from the Jewish side of the guarded barbed-wire frontier line will come along streets still surrounded by rubble and destruction of the 1948 fighting.

Official Jordan sources said the Jews are not permitting Arab Christians living in Israel to cross the lines for the ceremonies.

An air of uneasiness over the world's peace is evident in Jerusalem this Easter season. Both Christian and Moslem residents constantly ask visitors from abroad "Will there be war?"

Big Air Force Plane Missing Over Atlantic

WASHINGTON—(P)—A big Air Force transport plane with 53 aboard is missing on a flight over the Atlantic from the United States to England, the Air Force reported Friday.

One of those aboard was identified by the Air Force as Brig. Gen. Paul T. Cullen, deputy commander at Barksdale Field, near Shreveport, La., who was enroute to an undisclosed European destination.

Reports earlier from London said the transport, a C-124 known as Globemaster II, vanished in the rain and fog over the ocean after making a routine radio report Thursday night that it was 800 miles southwest of Ireland.

American, British and Irish search and rescue planes combed the area where the plane was last reported without sighting any trace of wreckage or life rafts.

The Air Force said in mid-morning however, it still held hope for the plane because it could have reached Iceland or the Azores. Communications with those areas have been had for hours.

Radio Reception Difficult

An Air Force spokesman said the giant transport had about eight hours of fuel left when it reported last. It then was within six hours flight of Ireland, Iceland or the Azores.

The Air Force said weather conditions have made radio communication very difficult in the North Atlantic and that messages have not gone through to several places where the missing plane could have landed.

Another big plane, a military air transport, was reported temporarily overdue on a flight from Iceland to this country. It later landed safely at Argentea, Newfoundland.

The missing plane was enroute from Limestone, Maine, Air Base to the American base at Mildenhall in Suffolk, England.

The C-124, larger, more modern version of the C-74 troop and cargo plane, is capable of transporting more than 200 troops with full field equipment. When fully loaded, it can fly about 2,000 miles without refueling.

Hill Billy Musician Sentenced To Die In Officer's Slaying

DALLAS—(P)—Robert Johnson, described as a tough, trigger-happy leader of a hill billy band, Thursday night was given the death penalty in the slaying of a rookie policeman.

Johnson, 33, was one of four Lammont, Calif., hill billy musicians charged in the murder of Johnnie Sides here January 22 and in the slaying of Patrolman H. L. Dawson.

Johnson quipped, "Well, more than I expected," after the criminal court jury returned its verdict. "Didn't take them very damn long, did it?"

The jury was out just ten minutes.

Testimony in the trial ended a half-hour after Johnson testified it was he, not his nephew, Marvin, who shot Sides.

Sides, before he died, identified Marvin as the man who shot him. Johnson testified that he shot Sides, then Dawson, Sides' companion. He said Sides fired first. Dawson recovered from his wounds.

Johnson, his two nephews—Marvin, 21, and J. W. Johnson, 23, and Bill Maxfield Pomeroy, 17, were indicted for murder in the death of Sides and with assault to murder in the slaying of Dawson.

Tough, Trigger-Happy

Testimony in Robert Johnson's trial ended a half-hour after he left the witness stand.

Pomeroy had described Johnson as the tough, trigger-happy leader of the quartet of musicians.

He said they arrived in Dallas with J. W. driving and ran a red light. The two policemen stopped the car.

After the shooting, he continued, the car sped away, leaving the two wounded policemen sprawled on the ground.

Pomeroy said Johnson held a German Luger to his lips, kissed it, and said: "We can't be stopped as long as I got my baby along."

The four men were arrested in Hardy, Ark., three days later.

Cool Front Stirs North Texas Dust

By The Associated Press

A dry cool front was moving through Texas Friday. It swept into the Panhandle in the early morning hours, was as far south as Wichita Falls by mid-morning and was in the Dallas and Fort Worth areas around noon.

The front brought no rain, although scattered showers may fall in far East Texas Friday night.

A light freeze was predicted for the South Plains and Panhandle Saturday morning.

The Weather Bureau continued to predict moderate temperatures and dry weather for Easter Sunday.

At sunup Friday, temperatures were in the low 40's in West Texas and in the 60's elsewhere. Highest temperature Thursday was 92, reported at Mineral Wells and Wichita Falls.

High winds accompanied the cool front. Weather Bureau officials said winds up to 40 miles an hour were kicking up dust throughout Western Oklahoma and Northwestern Texas.

Visibility was one and one-half miles at Amarillo, three miles at Childress, seven at Wichita Falls and one and one-half at Hobart, Okla.

The New Orleans Weather Bureau ordered small craft warnings on the Gulf Coast from Brownsville, Texas, to Morgan City, La. Winds up to 35 miles per hour were forecast.

House Money Bill Approves Pay Hike For State Workers

AUSTIN—(P)—State employees earning \$3,000 a year or less will get a pay raise if the House of Representatives has its way.

It voted a 10 per cent salary increase for those employees Thursday, tacking it onto a multi-million-dollar bill to run the state for the next two years.

The financing measure, boosted to \$163,000,000 by the pay raises, then passed 94-35.

The House quit for a long Easter weekend. It will come back Tuesday. The Senate quit until Monday.

The Senate had passed its proposal for state spending Tuesday. That version carried a \$169,000,000 outlay—but \$4,000,000 of it was for vocational education, a service not included in the House bill. The House had left that item to be worked out later.

B. B. Holmes, 62, Dies In Hospital

Bowie B. Holmes, 62-year-old retired Midland grocer, died Thursday afternoon in a Midland hospital.

A resident of the Worsh Hotel, he had lived in Midland the last 18 years.

Surviving are two sisters, Mrs. L. G. Robbins, Lubbock and Miss Frances Holmes of Hawkins, and a brother, Travis Holmes of Hawkins. Funeral arrangements had not been completed by the Wernie W. Ellis Chapel.

Allied Armor Rushes In To Aid Jumpers

TOYKO—(P)—American paratroopers, bolstered by tough rangers, Friday jumped behind Communist lines north of Seoul and shocked some 20,000 Red troops into hasty flight.

The paratroopers filled the sky with their brightly-hued parachutes like a massive Easter bouquet.

But the Communists rallied later and were fighting desperately to surround and wipe out the 3,300 outnumbered American jumpers.

An armored column spearheading a fresh Allied drive by three divisions linked up with the paratroopers near the drop area south of Munsan.

Lines of infantrymen trudged up the road for miles behind, moving to the aid of the hard-fighting "chutists."

A second column rolled through the road center of Uijongbu and fanned out to the east, north and west.

But the Reds won back a commanding peak four miles northwest of Uijongbu and late Friday were pouring heavy artillery and mortar fire into the Allied positions.

Munsan is 21 miles northwest of Seoul and only nine miles south of Red Korea. Uijongbu is 11 miles north of Seoul.

Ridgway Visits Area

Lt. Gen. Matthew B. Ridgway landed in his light plane on a dirt road near Munsan only 29 minutes after the first paratrooper jumped.

Field dispatches said the Eighth Army commander at one time was in the thick of a heavy firefight.

The parachute operation was carried out on a fast schedule. C-119 Flying Boxcars roared over the one-mile drop area on express train schedule. The paratroopers had only 20 seconds from signal to "hit the silk."

Ammunition cases, jeeps and artillery billowed down after them.

"It would be beautiful—really beautiful—if it weren't so terrible," said a lieutenant colonel, describing the drop.

Purposes—To Kill

Ridgway, tight-lipped, told correspondents: "The purpose of this operation is to kill the enemy."

Earlier, some 60,000 Reds had (Continued On Page 11)

O'Dwyer To Face Twin U. S. Probes

NEW YORK—(P)—Former Mayor William O'Dwyer faces income tax and perjury probes stemming from disputed testimony by a City Firemen's Union boss that he gave O'Dwyer \$10,000 as "evidence of the support" of the firemen.

The firemen's union official, who is under grand jury investigation on other scores, gave the testimony before the U. S. Senate Crime Investigating Committee.

Income tax and perjury investigations also are in store for James J. Moran, long-time friend of O'Dwyer who now is U. S. ambassador to Mexico.

The investigations, ordered Thursday by the crime committee now meeting in Washington, resulted from the New York hearing testimony by John P. Crane, president of the AFL Uniformed Firemen's Association.

"One Man Is Lying"

Crane swore he gave \$10,000 in cash to O'Dwyer and \$55,000 to Moran, the former in a political campaign and the latter as goodwill offerings.

Both O'Dwyer and Moran told the committee they never took money from Crane.

After the O'Dwyer-Crane testimony before the senators about the purported \$10,000 contribution, Committee Counsel Rudolph Hall commented, "One man is lying."

Moran, appointed to the \$15,000-a-year lifetime job of city water commissioner by O'Dwyer just before the latter left office last year, resigned his post Thursday under threat of ouster by Mayor Vincent R. Impellitteri.

Senator Estes Kefauver (D-Tenn.), probe committee chairman, said he asked the Justice Department and U. S. Attorney Irving H. Saypol in New York to go over the entire record of the hearing in New York for possible perjury prosecutions against O'Dwyer, Moran and others.

A House subcommittee referred the alleged payments by Crane to the Bureau of Internal Revenue. The New York State Tax Department is making a routine check of all crime hearing evidence.

"Unless they send me money for a roundtrip plane ticket, I can't go," Cohen said after conferring with attorneys. "That's a long trip and I don't have that kind of dough."

He awaited a call from Rep. Fred Merdith, head of the committee, who said Cohen was expected at the hearing. Cohen talked on the phone with Reuben Senterfitt, speaker of the Texas House, and assured him he would like to cooperate.

A Texas House rule grants payment of traveling expenses for witnesses, plus \$2 a day on the road and \$3 for each day in attendance. Appraised of this, Cohen laughed.

"I'll waive the two and three bucks, just so I get the plane fare," he said.

Asked his had to travel by plane, he sounded indignant.

"That's the way I always travel."

Mickey, Anxious To Come To Texas, Just Ain't Got The Money

LOS ANGELES—(P)—All that stood between Mickey Cohen and a Texas crime probing committee Friday was the price of a round trip plane ticket to Austin.

"I just ain't got the money," said the Los Angeles gambling figure, who definitely has the subpoena to appear next Tuesday before the Texas House Crime Investigating Committee. It was served on him in El Paso Wednesday when he dropped in to pay his last respects to a deceased policeman friend.

"Unless they send me money for a roundtrip plane ticket, I can't go," Cohen said after conferring with attorneys. "That's a long trip and I don't have that kind of dough."

Sylvia Sidney Seeks Divorce Number Three

LOS ANGELES—(AP)—Actress Sylvia Sidney has sued her third husband for divorce, alleging extreme cruelty.

She said Actor's Agent Carleton Alsop berated her in the presence of others, caused her mental anguish and embarrassment and that she had to go under a physician's care.

She did not ask for alimony but requested restoration of her maiden name. She is the former wife of publisher Bennett Cerf and actor Luther Adler. At one time her name was linked romantically with that of movie Producer B. P. Schulberg.

All to the tune of the "Tennessee Waltz" Changeover

CAREER SWITCH: Tom Conway, brother of George Sanders, is playing his first comedy role in "Painting the Clouds With Sunshine" and shudders at the mention of his long screen career as a suave detective.

"I saw the handwriting on the wall and quit the 'Falcon' series," Conway explains. "RKO offered me a nice piece of change to continue, but I couldn't see it. I didn't have to know the lines. I knew what they were going to be by the situation. All we did was do the same story over and over. The title was all that was new."

MEMORIES: Joel McCrea tells some hair-raising tales of his 20-year career as a flicker hero. He remembers a handsome extra who went to work at another lot for \$1,000 a week.

Just before Joel started "Bird of Paradise," opposite Dolores Del Rio, John Gilbert came to him and pleaded:

"Look, Joel, they say I'm washed up in talkies because of my voice. But I don't believe it. I get \$250,000 a picture. You're getting \$200 a week. If you can talk the studio into letting me do 'Bird of Paradise' instead of you, I'll take the \$200 a week and give you \$250,000."

Joel took Gilbert to the studio boss and suggested him for the role. The brass hat dismissed Gilbert with:

"It's no use, Gilbert. You've got a voice that sounds like a woman." Three weeks later Gilbert died—of a broken heart.

Here And There

SHORT TAKES: MAUREEN O'HARA, pleading exhaustion, has asked RKO to find another co-star for George Dolenz in "The Return of Zorro." . . . MGM's now wooing Jeff Chandler to take over the swashbuckling star role in "Ivanhoe."

Bob Hope's favorite radio comedienne, Irene Ryan, will collect \$3,000 a week for a Las Vegas nitery appearance . . . There's talk of Don Taylor as Gary Cooper's buddy in "Distant Drums." . . . There's another movie cooking for Marie Toren and Humphrey Bogart, who click as a team in "Sirocco."

FAME: J. C. Penney's new Help Wanted ad reads: "Where Movie Scouts Look for new Faces! Debbie Reynolds worked here!"

\$50,000 Bail Set On Mail Fraud Charges

TULSA, OKLA.—(AP)—Seymour E. J. Cox, arrested recently in El Paso on mail fraud charges, was held in \$50,000 bail Friday, to await trial.

U. S. Commissioner E. L. Bragg Thursday denied freedom to the 67-year-old man, accused of defrauding Penner Oil and Gas, Inc. His attorneys pleaded Cox was ill.

Largest TV Audience In History To Watch Easter Story Of Hill In Korea And Calvary

HOLLYWOOD—(AP)—The largest television audience yet—40,000,000 persons—is expected to watch a movie this weekend about a hill in Korea and another hill—Calvary.

All 107 television stations in the country and the four networks (ABC, CBS, NBC and Dumont) will carry the movie "Hill Number One" at least once. Most stations will carry it two or three times and some five.

A Family Theater radio version of the crucifixion and resurrection story will be heard by millions more throughout the world Sunday night over MBS and the Armed Forces Radio Service.

The story of "Hill Number One" will depict the resurrection and crucifixion of Christ as told by flashbacks from Hill 46 on a Korean battleground.

Million-Dollar Epic

The movie, by ordinary Hollywood methods, would be a million-dollar epic but it cost only \$50,000 to make. The low figure was possible because of the movie's producer—The Rev. Patrick Peyton of the Roman Catholic Congregation of Holy Cross.

Irish-born Father Peyton, a 41-year-old priest from the University of Notre Dame, long has been known as a miracle radio and television producer in Hollywood. He also is a successsleman.

Every big star in town has helped him sell family prayer. Jack Benny, a Jew; James Stewart, a Presbyterian; and Bing Crosby, a Catholic are typical of the many who work gratis.

Prayer is all Father Peyton sells. But he sells it like General Motors sells cars—through high-powered advertising. There's even a slogan: "The family that prays together, stays together."

Although the stations donate the time and the stars their talents, the radio shows cost \$1,500 a week and the television movies \$50,000. That's because Father Peyton pays union scale to workers and bit players who must work to eat.

He never knows where the money for next week's show is coming from but he hasn't missed yet. No public appeal for money is made. It comes in anyway, mostly in nickels and dimes from listeners.

Only six weeks ago, Father Peyton told this reporter his friends then urged him to skip a television movie this Easter. Family Theater had just spent some \$50,000 to put on a Christmas movie that was seen by an estimated 35,000,000 watchers. No more funds were in sight.

But the quiet, humble priest believes in the product he sells: "I can't believe God will let us pass up such an opportunity to reach so many people."

MILK STRIKE ENDS

TORONTO—(AP)—Union leaders announced Thursday night a settlement has been reached between Toronto's milkmen and dairy company officials, ending a day-old strike. The agreement went before the union membership for ratification Friday.

Altrusans Have International Relations Theme

International relations was the theme of the Altrusa Club's dinner meeting Thursday night in Mrs. Atwood's Dining Room. Mrs. Ernest Sidwell, the speaker, gave her impressions of the relationship now existing between the United States and England, France, Germany, Italy and other foreign countries which Mrs. Sidwell has visited.

The International Relations Committee was in charge of the program. Ada Phillips, chairman, introduced the speaker. During the business meeting, Mrs. Phillips launched a program of correspondence between Altrusans and women of other nations to promote better world understanding. Addresses were distributed to the members.

She announced also that the Seventh District of Altrusa, which embraces Midland, has located a Korean nurse who wishes to do post-graduate work in the United States. The candidate was recommended by a former student, In-Al Yang, and probably will be brought to this country soon under an Altrusa scholarship, Mrs. Phillips said.

To Aid Nursery

The club voted to donate \$120 in monthly payments to the Day Nursery for negroes. Bertie Boone was named delegate to the International Convention to be held in July in White Sulphur Springs, Virginia.

The international theme also was carried out in the table decorations. A world globe flanked by United States flags formed the centerpiece. Place cards and streamers on the table were in the form of small flags of all nations.

Hella Mae Williams was welcomed as a new member. Special guests were Mrs. W. H. Collyns, Mrs. H. E. Nunn, Mrs. Sidwell, Mrs. W. G. Epley and Sue Coleman, a former Altrusa. Other members present were DeAlva Brewer, Lucile Carroll, Iva Mae Cox, Annie Ford, Virginia Hoffman, Laura Jesse, Nettie Johnson, Lucy Mashburn, Agnes Park, Nettie Romer, Mary Sheppard, Katherine Shriver, Adell Vosatko, Grace Wallace and Kay Williams.

Pruning Trees Is Program Subject

A demonstration on "Pruning Shrubs and Trees" was given by Pauline McWilliams, county home demonstration agent, at the Wednesday meeting of the Prairie Lee Home Demonstration Club. Mrs. J. C. Brooks was the hostess.

The report from the Home Demonstration Council was given by Mrs. Sherman Norris. It was voted to contribute rags, crochet thread and old magazines to the state hospital in Big Spring.

Others present were Mrs. Grady Roberts, Mrs. Vern Dawkins, Mrs. Neal Stator, Mrs. Bertie Hector, Mrs. J. L. Langston, Mrs. L. C. Jones and Mrs. J. M. Franks.

Band Expert Aids Midland Musicians

Eighty-two Midland students participated in an all-day band clinic conducted for the high school band by Dr. W. E. Carey, noted college band director from Phillips University, Enid, Okla.

Dr. Carey, head of the university's instrumental department, helped the band members with their problems, according to Jerry Hoffman, band instructor. He organized and still sponsors the Tri-state Band Festival held each year.

Midland Churches Schedule Variety Of Easter Services

Midland will observe the Easter season quietly with a variety of religious services sponsored by the city's churches.

A Good Friday and holy communion service will be held by the Grace Lutheran Church at 8 p.m. "The Supreme Sacrifice" will be the sermon topic.

Walter Synatschak, a student at the Concordia Theological Seminary in St. Louis, will preach the Easter sermon, "The Risen Christ." Synatschak is the son of Mr. and Mrs. Gerhard Synatschak of Midland. The service will begin at 11 a.m.

The Lutheran Church in Midland, along with other Lutheran groups, will sponsor an Easter sunrise broadcast originating in Mercury, the geographical center of Texas. The broadcast will begin at 8 a.m. Sunday over the Mutual Broadcasting System.

The First Baptist Church will hold its Easter service at 10:30 a.m. in the high school auditorium. Buses will be available after Sunday School to take persons from the church to the auditorium and back.

"Resurrection" will be the topic of the sermon to be given by the Rev. Vernon Yearby, pastor.

Will Present 'The Crucifixion'

In observance of Good Friday, the Chancel Choir of the First Methodist Church will present "The Crucifixion" by John Stainer at 7:30 p.m. The Vesper Choir will assist. George L. DeHart, minister of music, will conduct and play the organ and Lynnadell Moore will be the pianist.

Soloists, all members of the Chancel Choir, include Mrs. Wilson Blanton, Paul Bowman, Wayne Campbell, John Knox, Lamar Kopecky, Mrs. K. E. McFarland and Joe Willis.

Easter morning services in the Methodist Church will be held at 9 and 11 a.m. "He Is Alive" will be the sermon topic. George DeHart, organist, and the Chancel Choir will furnish a program of Easter music.

The Rev. A. L. Teaff, pastor of the Calvary Baptist Church, will deliver the Easter morning sermon on "The Significance of the Resurrection of Jesus." His topic for the evening service will be "Another Memorial To the Resurrection."

At the Asbury Methodist Church the Easter morning sermon will have for its theme, "A New Day Dawns." "Power For God" will be the evening topic. Both messages will be brought by the Rev. J. B. Stewart, pastor.

Catholic Church Announces Services

Holy week services will be held in the St. George's Catholic Church at 3 p.m. and 7 p.m. Friday and 7 a.m. Saturday. Easter morning services will be at 8 and 9:30 a.m.

The First Presbyterian Church plans to hold Easter services Sunday at 9:30 and 11 a.m. A fellowship supper is scheduled for 5:50 p.m. The concluding meeting in a series of pre-Easter services will be held Friday. The services, which have been held each day this week, feature a coffee at 7 a.m. for the men of the church, followed at 10

Weak Link In Freedom Chain

By now one fact must be abundantly clear to the Kremlin. For Russia to attempt aggression against Germany or Yugoslavia, its top targets, means a general war with the United States and all the West.

Since it's the conviction of most qualified observers that the Soviet Union does not want such a war at this time, informed opinion today is that Germany and Yugoslavia for the moment are safe from actual military assault.

The West's prime task naturally is to gird itself with sufficient arms so that Moscow will continue indefinitely to shrink from assault upon its major European targets.

Yet doing this will not guarantee that new aggressions will not occur in the next year or more. There are weak spots in the free world's dikes built against the Red tide. One of these is Indo-China and another is Iran.

The naming of General De Tassigny as top French commander in Indo-China seems to have galvanized anti-Communist forces there and raised new hopes that this key Southeast Asia outpost can be kept out of Red hands.

In Iran, however, the outlook is not so cheerful. Signs are numerous that both Britain and the United States have bungled opportunities there to win a firm friend for the West.

Britain's Anglo-Iranian Oil Company has been slow to grant concessions to the Iranian government which match those given by U. S. oil companies to foreign governments elsewhere, including nearby Saudi Arabia.

U. S. officials have dealt ineptly with Iran. At the close of World War II, our prestige there was remarkably high. But we failed to capitalize on it.

Lack of money and poor cooperation from Iranian businessmen were the chief handicaps. But the departure of our hopeful mission dealt a heavy psychological blow.

Experts don't look for the Kremlin to try military aggression in Iran. The real fear is that the Tudeh, Iran's Communist Party, will move into the void left by our inaction and Britain's.

There still is time to forestall this outcome. With all the Near East's prized oil at stake, reason enough exists for America and Britain to get together and devise a positive program for Iran.

Misleading Muster

The labor unions, especially the CIO, are fond of publishing the votes of U. S. lawmakers as firm proof of their attitudes on basic issues. But actually the practice is superficial, foolish and often dangerously misleading.

Notes on specific questions frequently are governed by parliamentary, party and other special considerations having little to do with the substance of the issue.

They voted for it because they knew the alternative—a lower 3,500,000 man limit—was sure to pass if the higher ceiling failed.

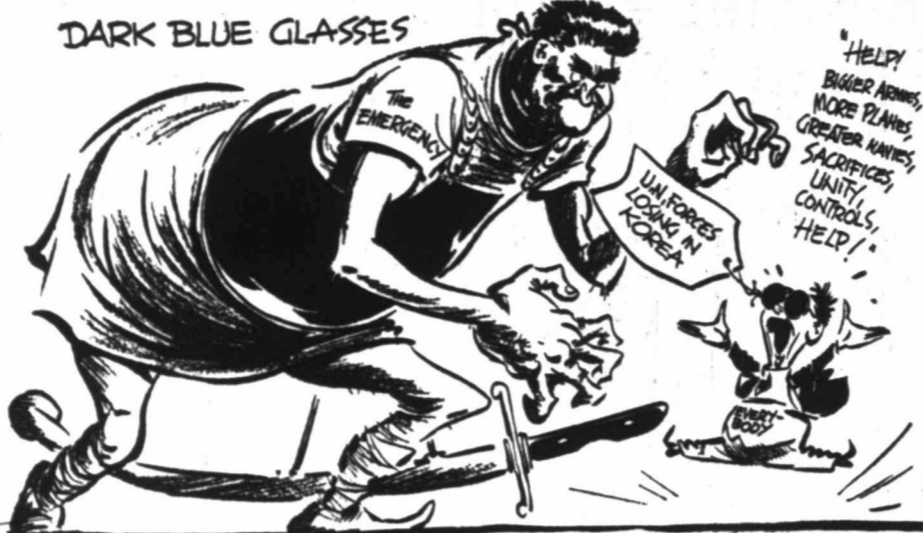

Recipe for traffic tragedy: Mix alcohol and gasoline—and steer!

What the fellow who spends all his time knocking needs is a good boost—and you can guess where.

You never know whether to take some politicians at their face or two-faced value.

Maybe people with money make other people sick because sour grapes have that effect.

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

(Copyright, 1951, By The Bell Syndicate, Inc.) Drew Pearson says: Eisenhower has made European preparedness a partial reality in three months since taking over Atlantic Pact Defense Organization; Allied troops should have indoctrination program on why we oppose communism.

PARIS — It now is more than two years since the foreign ministers of 12 nations met in solemn conclave in Washington and, accompanied by klieg lights and overseas broadcasts, signed the North Atlantic Pact.

The purpose of that pact was to protect the liberty-loving democracies from Soviet aggression. In the two years that have passed, however, not one single division has been raised to block that aggression, and there has been no agreement on pooling of raw materials, no schedule for production, no program for propaganda and political warfare, and no coordination of intelligence reports.

It was this emaciated skeleton of a defense organization that General Dwight Eisenhower took over less than three months ago. Actually, he didn't exactly take it over, for Eisenhower, as supreme commander, reports back to "the standing group" in Washington, where Gen. Omar Bradley is his boss, and the standing group, in turn, takes orders from NATO, or the North Atlantic Pact Organization, in London.

Out of this tangled skein of red tape, however, Eisenhower has emerged as a contagious and forceful catalyst. Already his influence is being felt; already he has made European preparedness a partial reality. He doesn't talk in terms of so many troops here or so many troops there but in terms of goals, teamwork and cooperation.

The biggest thing Eisenhower has done, however, is to inspire confidence. There is a sort of contagious, almost spiritual, driving force about Eisenhower when he talks with his allied colleagues. His job is partly one of public relations between governments, to get them to stop bickering over who will manufacture a three-inch fuse and how much they will be paid for it or who will make a 90-millimeter gun and what price they will charge for it.

Some of Eisenhower's staff, realizing that several thousands of troops would be on their hands in Germany with relatively nothing to do, proposed a troop indoctrination program similar to the historic "Why We Fight" films produced by Hollywood's Frank Capra during the war.

JACOBY ON BRIDGE

By OSWALD JACOBY Written for NEA Service

"Please discuss the play of this hand," requests a Sarasota correspondent. "When it was actually played in our game here, South ruffed the trump round of spades and led a trump. West held off, but took the second trump with his ace and returned his last trump.

"South then tried out the diamonds, discovering that the suit did not break. By this time he knew that East had started with only two spades, two hearts, and four diamonds—hence with five clubs. East still had three clubs, so South cashed the king of clubs and then finessed the jack. That lost to the queen, of course, so the contract was set.

"South said the odds were five to two that the queen of clubs was in the East hand. Was there any way for him to know that the queen was doubtless in the other hand?"

Yes—and South didn't have to peek to find it out. When West led a third trump, South should have won in his own hand in order to lead out his last trump. On this, dummy could discard a low club. This trick would force East to part with one additional club, since he could not afford to discard a diamond.

South tries out three rounds of diamonds, discovering that East stops the suit. This leaves only three cards in each hand, and one of East's cards is known to be a diamond. The king of clubs is then cashed, followed by a low club.

East plays his two remaining clubs on these tricks, but the difference is that there is then only one card in his hand and South knows that it is not the queen of clubs. Hence South puts up the ace of clubs, dropping West's queen.

Working Up New Ideas Two of these commissions already have reported. First is the Water Resources Policy Group under Morris L. Cooke. Its three-volume report could lead to a tremendous program for river valley developments.

Second is the International Development Advisory Board under Nelson Rockefeller. It has recommended a \$2,000,000,000 program for Point Four Aid to underdeveloped countries.

Other commissions still to report are: Commission on Migratory Labor, Communications Policy Board, Minerals Policy Committee and the Commission on Internal Security and Civil Rights. This last is headed by Adm. Chester L. Nimitz. No matter what it recommends, there will be a lovely fight. For Congress has Nevada Senator Pat McCarran's Judiciary Committee investigating the same field. And the House Un-American Activities Committee has ideas on this subject, too.

As for the President's program already before Congress, it may be broken down into a dozen major headings. These are the principal items that have been mentioned briefly or spelled out in detail in presidential messages to the 82nd Congress since January. It makes a convenient check list on what's in the Washington mill.

1. Military Affairs—New Selective Service act with UMT. (Passed Senate, now before House) Naval construction act. (Passed) Authorization \$10,000,000,000 increase in all in the armed services.

2. Foreign Relations—Military and economic aid to build up free world. (Program still to come) Increase Export-Import Bank lending authority by \$1,000,000,000. Extend Reciprocal Trade Act. Emergency famine relief to India.

3. Business—Revise Defense Production Act. Extend rent controls.

4. Labor—New manpower law to provide for training of defense workers. Revision of Taft-Hartley Act. There are 58 All Total.

5. Communications—Increase postal rates. Separate airline subsidies from mail pay.

6. Natural Resources—Authorize St. Lawrence Seaway. Build Hell's Canyon power project.

7. Agriculture—Improve farm laws to get greater production for defense. (This means the Brannan plan.) Regulate commodity exchanges. Authorize payment of transportation cost on distribution of surplus commodities for public welfare.

8. Housing—Provide aid for housing at defense plant sites.

9. Education—Provide for grants in aid to the states.

10. Social Security—Aid for medical education to increase supply of doctors. Aid for local public health centers. Increase public assistance benefits. Increase unemployment insurance. Establish system of disability insurance. Provide for medical care insurance. (This is the so-called "socialized medicine plan.")

11. General Government—Increase taxes. Authorize government reorganization by President for national defense. (Passed Senate, killed in House) Disperse government offices around Washington. Redistrict the states for next congressional election. Reorganize RFC.

12. Civil Rights—Statehood for Alaska and Hawaii. Home rule for District of Columbia. Establish a permanent FEPC. Pass a federal anti-lynch law, and an anti-poll tax law.

WASHINGTON COLUMN

Rested President Brushing Off His 'Must' List For Congress

By PETER EDSON NEA Washington Correspondent

WASHINGTON—President Truman probably came bouncing back from his Key West vacation, brimful of health and new ideas of things he would like to have Congress do. As matters stand today, his program before Congress is shorter than it has been at any time in his six years in the White House. The proposed cost is far greater, due to the defense effort, but the number of proposals is fewer.

A year ago, there were almost 150 legislative proposals on the President's "must" list. Today there are fewer than 50. The difference is not entirely accounted for by measures passed in the last session of the 81st Congress. A number of projects have been set aside temporarily, or reduced in urgency, because of the defense effort.

Lines of communication have been left open, however, for the President to hand Congress a lot more special requests. Most important of these will be the President's proposals for revision of the National Defense Production Act of 1950. Changes to give price and wage controls more teeth are almost certain to start a long and bitter controversy in Congress, as special interests like the cotton bloc, the real estate and building industries, landlords and other groups try to gain exemptions for their businesses.

Also, the President has had six advisory boards and commissions at work on special problems. The reports of each group undoubtedly will lead to new requests to Congress.

Working Up New Ideas Two of these commissions already have reported. First is the Water Resources Policy Group under Morris L. Cooke. Its three-volume report could lead to a tremendous program for river valley developments.

Second is the International Development Advisory Board under Nelson Rockefeller. It has recommended a \$2,000,000,000 program for Point Four Aid to underdeveloped countries.

THE STORY: Tim Reese, a crippled veteran, who has kept "Jean Paul" an exclusive gown shop, in love with his designs, has fallen in love with the ex-model Jean Roland, one of the owners of the firm. Leading Tim on as a way to make his own beautiful gown, Jean actually cared nothing for Tim and her partner Paul Paniera is happy. Then a surgical operation makes Tim able to walk again and he goes to New York to surprise Jean. He sees Jean in the window of "The Dress of the Day" at a store where she bears Mr. Paniera take the credit for designing it. Later Jean sees Tim's troubled mind with visions and presently Tim is planning a shop of his own in partnership with Jean. This idea pleases Jean. When she returns to her apartment she finds Mr. Paniera and Jean's partner Paul Paniera who are not being nice to her. Jean tells the problem, and Jean replies: "I'm not sure I want it solved."

He shrugged, went to a closet immediately inside of the passageway. In a moment he was back with his hat, coat and gloves. "Nobody will notice an artificial and comely poor creature like me at this hour of the night," he went to the door. "And if anyone should notice, it will be said that you threw me out. That will be considered amusing." He opened the door. "I shall be over for coffee in the morning. I am sure there will be much less heat and much more light then."

"I will be leaving in the morning." "I shall try to be here in time to bid you adieu. Good night, my wonderful one." He closed the door softly and was gone.

OVER Manhattan, the morning broke gray and cold, but not for Tim Reese. His expectancy of the day awakened him early and his bright memories of the night before kept him awake. The drab day and the plain hotel room were for him golden-hazed with pleasure.

Those dreams he had had in the hospital, the play of many scenes and many curtains, which had stretched so far into the distance, were beginning to be too real now for Tim to be anything but happy.

It was with an exuberance he had not known for years that he climbed out of bed and went to the window to shut it. He turned away from the window and then stepped abruptly. Astounded, he stared at his canes standing against the wall near the bed where he had placed them the night before. He started at the canes a long moment, finding it difficult to believe their testimony. Then, suddenly, he gave out with a whoop of joy.

He had in his exuberance walked without the canes. He had walked without help for the first time since 1944.

Midland Weather Is Break For Students

Midland school kids can thank the weather for their Easter holidays.

Some schools over the state will be in session on one or both of the holidays, Friday and Monday, when Midland schools are closed, to make up time lost to ice and snow. Weather this winter in Midland was not severe enough to require the schools to close.

Midland schools also will be dismissed for the summer vacation on May 31, as originally planned.

Bugs Bunny Easter Coloring Contest Has Many Entries

The judges in The Reporter-Telegram's Bugs Bunny Easter Coloring Contest will have a busy time Saturday.

More than 125 entries from Midland, McCamey, Terminal, Kermit, Pecos, Rankin, Stanton, Monahans and Crane had been received early Friday and the number was expected to more than double during the day. Entries received in Saturday morning's mail also will be judged. Entries may be brought to The Reporter-Telegram any time Friday or Friday night.

Little Miss Jo Ann Rustamier, six years old, was the first youngster to bring her colored Bugs Bunny sketches to The Reporter-Telegram.

Three sketches furnished by NEA Service, Inc., were published in this newspaper. Youngsters up to 12 years of age were invited to enter the contest by coloring the sketches and forwarding them to the newspaper's Bugs Bunny Easter Coloring Contest Editor.

Winners in the contest will be announced in Sunday's issue of The Reporter-Telegram. Four cash prizes—First, \$10; Second, \$5; Third, \$3; and Fourth, \$2—will be awarded.

HUBBY WANTS TO LOSE SOME WEIGHT—WIFE BUYS TREAT HELL APPRECIATE... WRIGLEY'S SPEARMINT!

Daddy Ringtail And Golden Days

A cold wet rain was falling on the Great Forest. The day was dark and damp outside. Daddy Ringtail had turned on the lights in the monkey house. He was sitting in front of the fire in the fireplace, thinking of the golden days of many adventures.

en day?" Daddy Ringtail laughed and moved over in his chair for Mugwump to climb up with him. "Well," said Daddy Ringtail, "a golden day is a fine day in the Spring when the ice and snow of Winter are gone. Why, on a golden day in the Spring, the hills are covered with wildflowers."

they could have a golden day right then and there, and how could they do it? Why, they listen to the happy crackle and pop of the fire in the fireplace. They would smell the happy smell of woodsmoke. They would pop some popcorn, too, and both be happy with talk of gold days of Spring which wasn't too far away. And they did these things, and the day was happy and golden indeed. Happy day to you at your house!

Farmer Finds Chore Miles Add Up Fast

DES MOINES, IOWA — (AP) — How many miles does a farmer walk doing chores? Ross Childs, farming north of Manchester, found that he traveled 491 miles a year while taking care of 13 cows plus young stock. The study was made by Herb Howell, extension farm management specialist.

Since then, Childs has remodeled his barn which was a conventional stanchion-type. Now he has a loafing area-milking parlor structure. With the new setup he is walking 319 miles annually and taking care of 20 cows and additional calves.

There are more than 73 million acres of grazing land in New Mexico.

know if maybe there weren't some golden days in the Summer.

"Oh, and of course there are," Daddy Ringtail agreed. He told of Summer when the warm sun and gentle rains had ripened the peaches on the trees, turned the strawberries red in the fields. How good to walk in the shade by the creek! What fun to swim and splash until the shadows are long across the water of the river.

Said Mugwump: "It sure is fun to think about." And then Mugwump turned to look out the window at the cold wet rain that was falling now on the Great Forest. Said he: "I guess you can't have a golden day in the Month of March like it is right now, especially when the cold wet rain is falling outside."

Daddy Ringtail laughed to hear these words, but Daddy Ringtail said yes, and yes indeed. Of course

Two Men Injured In Compressor Blast

EDINBURG, TEXAS (AP)—An exploding air compressor tank on painting equipment injured two men here Thursday, one seriously. The blast blew both men out of their shoes.

J. G. Croxton of Edinburg still was unconscious in a hospital while J. C. Aron, also of Edinburg, escaped with only minor injuries.

The two men were engaged in a painting job at the Golden Jersey Creamery when the explosion occurred. The tank was blown through the side of the creamery and landed 75 feet away.

THE WAY TO CALVARY

On the cross above the head of Jesus was written an inscription written by Pilate: "Jesus of Nazareth, King of the Jews." Calvary demanded it be changed to "He said I am king," but Pilate stubbornly refused.

Suffering for three hours upon the cross, Christ spoke seven times. First He pleaded, "Father, forgive them, for they know not what they do." Then, to one of the thieves, Dismas, who expressed faith in Him, He promised Paradise. To His disciple John, He commended the care of His mother. Closing His eyes to the women, He cried out: "My God, my God, why hast Thou forsaken me?" Near the end, He said, "I thirst." The sixth utterance was, "It is consummated." Finally He cried out in a loud voice, "Father, into Thy hands I commend my spirit."

Texan Drowns In Lake Texoma

MADILL, OKLA. (AP)—Searchers hunted Lake Texoma Friday for the body of John David Dodson of Fort Worth, who drowned Thursday as his wife watched.

Dodson, 26, a University of Oklahoma student, went into deep water while swimming from a bank for a minnow bucket. Mr. and Mrs. Irving W. Gilmore, also students, saw the accident.

Accused Garage Holdup Slayers Held Without Bail

SAN ANTONIO (AP)—Leroy Johnson, 24, was held in Bexar County jail Friday without bond after a preliminary hearing on a charge of murder.

Lynda Mason, 21, testified Thursday at the hearing before Justice of the Peace John Ogden that Johnson was the driver of the getaway car used in the March 8 slaying of A. J. Senderm in a \$6 garage robbery.

The girl, Johnson, Richard Thorbus of Corpus Christi and Robert Miers are charged in the slaying. Johnson is the only one who asked an examining hearing.

Miss Mason testified the holdup was Johnson's idea. She testified the garage was chosen "because Leroy said he knew there was money there... that they had money and it was just two old people."

WATER BONDS APPROVED

STAMFORD, TEXAS (AP)—Stamford voters Thursday approved \$20 to seven—a \$1,500,000 bond issue to finance a proposed lake on Paint Creek near Scott's Crossing for a new city water supply.

★ THE DOCTOR ANSWERS ★

Blood Is Classified In Groups Only; Can't Be Used To Establish Parentage

By EDWIN P. JORDAN, M. D.
Written for NEA Service

Every once in a while the question comes up as to whether a blood test can be made to determine the parentage of a child. The first question today is typical.

Q—Please tell me if there is any way of establishing the parentage of a child. Would a blood test prove that a certain man is the father of a child or not?

A—The blood of human beings can be classified in various "groups." It is known that these groups are inherited in certain definite ways. Consequently by typing (that is testing for groups) the blood of child, mother, and father it is sometimes possible to report that one of the two grown-ups could not have been a parent of that particular child. Testing the blood, however, never can show that a certain man was the father, it can only demonstrate in some cases that he was not.

Q—For the last year I have trouble with my eyes watering a good deal. The eye specialist found nothing wrong. Can you explain what causes this tearing?

A—This is a common condition. Apparently it does not have anything to do with the visual functions of the eye. One possible explanation is that it is a sort of allergy or sensitiveness to cold.

Q—What is the cause of being grouchy all the time? My husband is wonderful but he has been cranky in most of the six years of our married life.

A—It can't be much fun to have a grouchy husband no matter how wonderful he is in other ways. Why not have a good talk with him and tell him how unhappy it makes you? If he has been that way for six years it is probably his state of mind and not the reflection of any physical condition.

Q—Is there any connection between arthritis and severe coronary occlusion? My mother suffered a heart attack a few months ago and recently has had arthritis in her left arm.

A—There is a severe form of shoulder pain which sometimes comes on after a coronary thrombosis. It is somewhat different from the usual forms of arthritis and requires different treatment, but it can be most painful and distressing.

Q—When I wake from sleep I notice a crackling in the nose. Is this a sinus condition of some kind?

A—This is a new one to me. If this is your only symptom it doesn't sound serious.

Q—If the heart skips beats will it eventually lead to a more serious condition or is there a cure for it?

A—An irregularly beating heart calls for examination including the test known as the electrocardiogram. There is a condition, however, in which extra beats occur called extra systoles which is not a real heart disease and this may be what you have.

Q—I have a few sores in my nose usually during the hay fever season. When they get well they leave a small white spot. Could this be a sign of cancer of the nose?

A—It is almost certainly not cancer, though just what these curious spots really are is impossible to tell without examining them.

Return this carton

It's worth 3¢ on your next supply of Coca-Cola

The cardboard cartons that help you carry home bottles of Coca-Cola so effortlessly, now cost us more than ever before. Also, they are becoming increasingly hard to get.

For this reason, a 3¢ deposit on paper cartons will go into effect March 22. You will receive 3¢ each for any extra paper cartons that you return to your dealer after this date. And, of course, your dealer will require a 3¢ deposit if you don't turn in a carton when you buy Coke.

The deposit on Coca-Cola Bottles remains 4¢ each. Thus, the total deposit on a carton of Coke is 27¢—3¢ for the paper carton, and 24¢ for the six bottles. If you keep the cartons and bottles you have now and turn them in on a new supply of Coke, no additional deposit will be necessary.

Personality Stays Behind, Says Expert

NEW YORK —(AP)— "You leave your personality behind you when you leave a room," says Frank Allen, arson expert for the National Board of Fire Underwriters. It may be invisible to the average person, but not to detectives. "It consists of things like fingerprints that cannot be seen," Allen explains, "but that can be induced by a special powder; footprints on a linoleum floor; a fallen hair which can be magnified 500 times to show its color, thickness and other characteristics; a cigarette smoked in a certain way or stained by a certain type of lipstick; book matches torn out in a peculiar sequence or from a particular side."

Fair blue skies that were lately bleak and gray arch over our heads. Under our feet the new grass is growing. The first flowers of spring are bursting into bloom. Tender green leaves now cover the branches that a month ago were bare. All around us is the balmy air of spring.

In each of us dwells the hope of a life that is everlasting, and the resurrection of nature in the spring serves to strengthen this hope.

But there is yet another greater evidence of life hereafter. This greater hope lies in the story of Easter, when the resurrection of Jesus Christ revealed an empty tomb.

From this miraculous event came forth the Christian religion which has brought joy, hope, and courage to men for generations. Through faithful church attendance, you too can find a more meaningful, happier life on earth, and the hope of a greater life yet to follow

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
 The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Permian Basin Oil And Gas Log-

Wildcat Spotted In NW Andrews

An 8,300-foot wildcat has been spotted in Northwest Andrews County as Stanolind Oil & Gas Company No. 1 H. E. Chesley. It is 660 feet from south and 1,978 feet from west lines of north half of section 6, block A-37, pd survey. That makes it three and one-quarter miles southwest of the Union-Clear Fork pool and four miles south of the Biles-Wichita Albany area. Rotary tools will be moved in and drilling will start at once.

SW Reeves Venture Drilling Devonian

Miami Operating Company No. 1 Balmorhea Ranches, Inc., South-west Reeves County wildcat three miles south of the town of Balmorhea, is drilling below 10,315 feet in the Devonian lime and chert which was topped at 10,210 feet. A drillstem test for one hour was taken over the interval 10,266 to 10,280 feet. Recovery was 300 feet of salt water and 90 feet of mud-cut salt water. Some shows of oil were logged in the Wildcamp when that section was drilled. Drillsite is 330 feet from south and west lines of section 84, block 13, H&GN survey.

Midland Pegasus Gets New Drillsite

Magnolia Petroleum Company has set drillsite for its No. 6 Dr. Roy Glass in the north side of the Pegasus field in Southwest Midland County. It is to be drilled 1,980 feet from north and 660 feet from east lines of section 30, block 40, T-4-S, T&P survey and 21 miles southwest of Midland. It is contracted to 13,300 feet to test the regular Ellenburger pay of the field.

Deep Prospector Staked In Coke

Sun Oil Company has staked location for a 7,200-foot wildcat in Northwest Coke County. It is located No. 2 R. H. Harris estate and is located 860 feet from north and west lines of section 10, Winfield Scott survey. That puts it 13 miles northwest of Robert Lee. It is 5,900 feet northwest of Sun No. 1 Harris estate, a 7,206-foot failure in the southeast corner of the same section. No. 2 Harris estate is one mile southwest of the Lygay field and two and three-quarters miles northwest of the Millcan field.

Production Offset Spotted In Pecos

Stanolind Oil & Gas Company has staked location for its No. 1

Air Force Sergeant, Recalled As Officer Commits Suicide

SAN ANTONIO —(P)—The body of Lt. Col. Leon R. McMullin, 32, was discovered late Thursday lying in a pasture off the Callaghan road near here by Deputy Sheriff Bob Beckman.

According to Beckman, a .45 caliber automatic pistol was found close by the body. McMullin recently was assigned to Lackland Air Force Base here from Reese Air Force Base, Lubbock.

Search for McMullin was begun shortly after noon, following a call by the man's wife to the sheriff's office.

Beckman said Mrs. McMullin stated her husband left home in his car early Friday after leaving a will and taking his pistol from beneath a pillow.

McMullin was discovered, shot through the right temple, by Beckman, who found the car parked on the roadway.

Justice of the Peace M. D. (Buck) Jones returned a coroner's verdict of suicide.

Lackland Air Force Base authorities said McMullin recently was recalled to active duty as an officer here from Reese AFB, where he had been a master sergeant.

McMullin served as an officer in World War II, and then retained a reserve commission while serving as an enlisted man. Officers said they found an Army prayer book beneath the body.

Table Manners In 1480 Are Revealed

NEW YORK —(P)—Jean Sulpice, who probably was a Frenchman, had this to say about table manners in 1480:

"It is wrong to grab your food with both hands at once; meat should be taken with three fingers, and too much should not be put in the mouth at the same time."

The quotation comes from a pamphlet prepared by Dan S. Defenbacher, director of the Walker Art Center, for use with an exhibition showing the evolution of the knife, fork and spoon. The display is open here at the American Museum of Natural History.

Early forks are traced to the Greeks and Romans, and the three-tined fork to a seventeenth century Italian whose wife nagged him about using all five fingers. The knife is pre-historic, and the first spoons were sea shells and gourds, the booklet said.

Crockett Project To Plug Back And Test

Delta Gulf Drilling Company No. 1 Lee, Southwest Crockett County wildcat, 18 miles southwest of Ozona drilled to 10,987 feet in barren Ellenburger. That section made only water.

Operator is to plug back to 1,200 feet and will make a test of a section in the San Andres lime above that point. That horizon logged some possibilities of production when it was drilled through.

None of the formations between the San Andres and the Ellenburger had any signs of petroleum in commercial quantities. Location was 330 feet from south and 1,650 feet from west lines of section 14, John H. Gibson survey.

HAVEN FROM WAR—The flag of the Red Cross flies over a harbor aid station as weary refugees from the Korean war pour ashore at the island of Cheju. Inset map shows location of the mountainous little island 75 miles off the south coast of Korea, where some 70,000 war-displaced Koreans have sought refuge. Over 1000 Korean orphans have been airlifted here where they are under United Nations care.

With Solid Rink 'Rhythm On Ice' Set For Final Run

"Rhythm On Ice" a sparkling musical frolic on blades, made its first appearance at 8 p.m. Thursday in the Midland High School auditorium. The performance was hampered somewhat by the ice freezing plant, which failed to freeze the ice solidly due to recent mechanical failures. The show was postponed Wednesday night when the ice failed to harden.

The show is to play its final performance here at 8 p.m. Friday, and Midland Shrine Club officials, who are sponsoring the show here, said the Friday night performance should be tops. The mechanical difficulties have been corrected and the portable skating rink was covered with solid ice Friday afternoon.

Tickets to the final performance will be available at the door Friday night.

Mexican Alien Dies In Elevator Mishap

SAN ANTONIO —(P)—Gabino Delgado, 26, a Mexican alien, was crushed to death by an elevator in the Bexar County Jail Thursday night while being taken to a cell. Delgado was arrested recently by Border Patrolmen for illegal entry into this country.

Jail Guard George Ozuna said that as the elevator started its ascent the prisoner stepped back toward the open door, his head striking a protruding ledge in the shaft wall.

+Wink News+

WINK—The Women's Missionary Union of the First Baptist Church sent a box of clothing to the Round Rock Childrens Home to provide a new Easter outfit for each child.

Mrs. R. A. Leck of Wink is visiting her daughter, Mrs. Otha Pold, in Abilene during the Easter holidays. A son was born Monday to Mr. and Mrs. Bill Anderson of Wink. The baby was named Larry Wayne Anderson. The father is employed at the GAA communications station.

New dial telephones were put into service here Wednesday.

The Wink Lions Club is planning a citywide Easter egg hunt for the children of Wink.

The Rev. R. L. Wittner, district missionary will preach at the First Baptist Church of Wink during both services Easter Sunday in the absence of the Rev. Clifford Spencer, church pastor.

Capt. and Mrs. Cecil Spencer visited two days this week in the Clifford Spencer home while enroute to El Paso, where Captain Spencer will report for duty at Fort Bliss.

Senator Vandenberg Observes Birthday

GRAND RAPIDS, MICH. —(P)—After his modest sixty-seventh birthday observance, the condition of Senator Vandenberg (R-Mich) was reported unchanged.

Vandenberg was able to read scores of greetings from all parts of the world which came to him on his birthday Thursday. Previously, there had been "slight improvement" in the senator's condition, according to his personal physician, Dr. A. B. Smith.

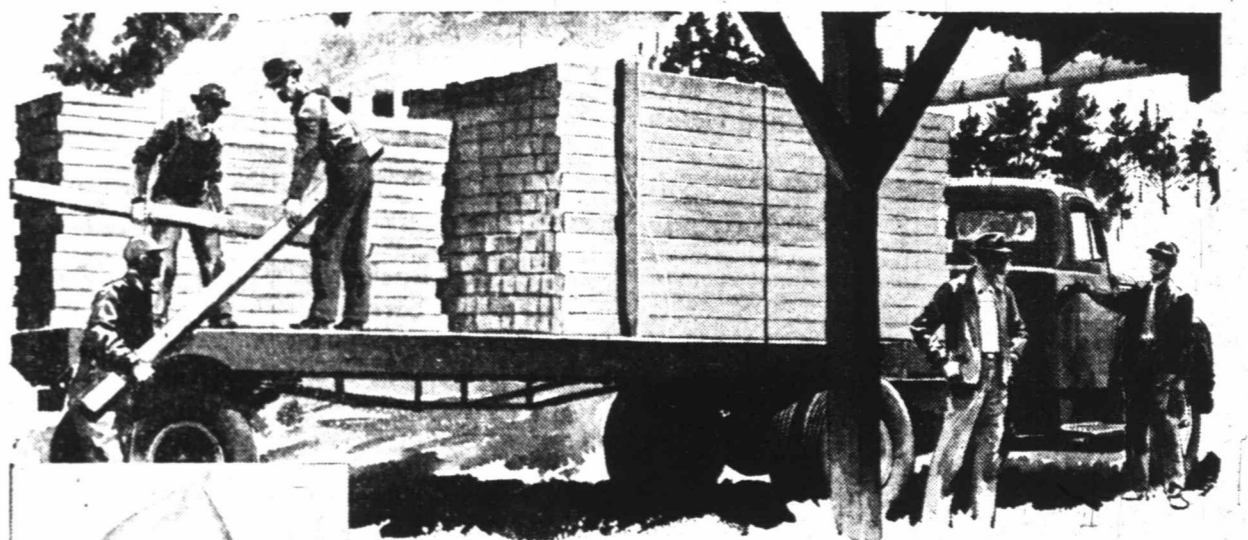

No adequate explanation has been found for the annual migrations of birds and animals.

Huskies Plaster Texas Aggies In First NCAA Tilt

NEW YORK—(AP)—Spirited, hard-driving Illinois is next in line to try to waylay heavily-favored Kentucky in the NCAA basketball championships, and already Adolph Rupp is losing sleep over it.

"I'm worried," the veteran Kentucky coach said Friday. "Illinois looks mighty good and my boys are tired. This big Bob Peterson of theirs is liable to give our Spivey a lot of trouble."

Illinois and Kentucky clash Saturday at Madison Square Garden in the Eastern finals, the winner qualifying to meet the Western victor for the championship at Minneapolis next Tuesday. The Western finalists will be determined Friday night at Kansas City.

Both Eastern finalists produced a lot of late "kick" Thursday night to subdue stubborn adversaries before 14,214 at the garden.

The Wildcats from Lexington, Ky., held to even terms for 35 minutes, staged a devastating drive in the last five minutes to stun St. John's of Brooklyn 59-43.

Illinois underrated Big 10 champions also unworked a stirring finish to repel North Carolina State, the Southern Conference champion playing without three of its veteran stars, 84-70. The Illinois looked as if they could run all night.

Ibas Crew Extended
Rupp let it be known that his greatest concern was how Kentucky's seven-foot Bill Spivey would fare with Peterson, the husky who holds down the pivot job for the Illinois.

At six-eight, Peterson is four inches shorter than Spivey but he's heavier, 235 pounds to 215, and he's very agile for a big man.

At Kansas City, Oklahoma A&M, second ranked nationally, had more trouble than anticipated with little Montana State 50-46, and Washington's Pacific Coast champions had less than expected with Texas A&M, beating the Southwest titlists 62-40.

Friday night, the Aggies and Washington play in one of the semi-final western games. Kansas State, the high-scoring tournament favorite, meets Brigham Young, National Invitation Tournament winner, in the other game, opening the program at 8 p.m. The Western finals also are Saturday.

Lamesa Gets New Backfield Tutor
LAMESA—Wayne Bean, former Little All-America football player, has been named backfield coach at Lamesa High School, head coach O. W. Polls announced Friday.

Bean currently is working toward his masters degree at East Texas State. He played two years of football at Cameron Junior College and two seasons at East Central College. Both are Oklahoma schools.

Tyler Apaches Gain Semi-Final Round In National JC Tourney

HUTCHINSON, Kan.—(AP)—Two favorites — Northeast Mississippi and Ventura, Calif.—clash Friday night in the semi-finals of the National Junior College Basketball Tournament.

Ventura became a favorite early in the tournament by running up 50 points in the first 15 minutes of its opening round game against Weber College of Ogden, Utah. It beat Weber 98-69. Then the Californians breezed past Amarillo, Texas, 76-46 in the quarter-finals.

Northeast Mississippi trounced Tiffin, Ohio, 78-61 in the first round and beat a good Wyoming, N. C., team 84-44 in the quarter-finals.

Friday night's other semi-final game in the championship bracket pits Tyler, Texas, against Moberly, Mo.

Moberly beat York, Pa., 65-57 in Thursday night's quarter-final game. Tyler edged Dodge City, Kan., 68-65 in an overtime contest that was tied 60-all at the end of regulation play.

The tournament is a double elimination affair. Four teams were eliminated Thursday. Stockton, Calif., ousted South Georgia 56-49. Wingsate eliminated Amarillo 65-55. Weber knocked out Norfolk, Neb., 87-74, and Olympic College of Bremerton, Wash., defeated Binghamton, N. Y., 73-59.

Wayland's Upset Misses Gain Finals In AAU Tourney
DALLAS—(AP)—Hanes Hosier of Winston-Salem, N. C., and the upset kids from Wayland College of Plainville, Texas, tangled Friday night in the finals of the annual AAU Women's Basketball Tournament.

The North Carolina team reached the championship round Thursday night with a 41-38 victory over Cook's Goldblumes of Nashville, Tenn.

The Texans pulled their second upset in as many days, defeating American Institute of Business, Des Moines, Iowa, on a last-second field goal by Cleo Brooks. Wednesday night, they had knocked off defending champion Nashville Business College.

Sisters End Cage Year With Victory
Midland's Flying Sisters closed their cage season successfully Thursday night in the John M. Cowden gym, trouncing the Odessa Independent team 25-18.

Dottie Colbert again paced the winning Sisters, flipping 15 points through the net. Rosie Hart and Bobby DeLap tallied five each for the Midland maids.

The Sisters thus ended the year with a record of 10 wins and seven defeats.

Coach Ruthie Lee Woods announced Friday the Sisters will have a barbecue Saturday night at Cole Park and discuss plans for forming a softball team.

Owls Down Buckeyes 3-2 To Split Series
HOUSTON—(AP)—The Rice Owls came from behind here Thursday to beat the Ohio State Buckeyes 3-2 and gain a split in the two-game series. Danny Wagner doubled in the ninth inning with two away to score the winning run after the Buckeyes had won the first game of the series Wednesday 15-6.

David Bechtel of the Buckeyes and Roger Edwards of the Owls tied up in a tight pitching duel with the Ohioans holding, the Owls scoreless until the eighth frame.

Each gave up seven hits, with the visitors bunching hits in the fifth frame for their two runs.

Allie Reynolds Has Elbow Nerve Troubles
SACRAMENTO, CALIF.—(AP)—A Tech ex-student organization.

The Tech coaches are to be special guests at a dinner meeting to be held at 8 p.m. in the Blue Star Inn.

Also present will be Dr. Bill Davis, Texas Tech Athletic Council head, Midland High School Coach Tugboat Jones, and Assistants F. D. (Red) Rutledge and Audrey Gill also are to be guests.

Two of Tech's assistants are remembered as Oklahoma U. greats—Wade Walker and Jack Mitchell.

NEWHOUSE FAN MAKES BIG DISCOVERY
LAKELAND, FLA.—(AP)—Hal Newhouse tells this one on himself.

An elderly feminine fan button-holed him in the hotel lobby for his autograph. She gushed about how Hal was her "favorite pitcher" and she'd come a long way to see him.

So the star Detroit Tiger south-paw obliged immediately and wrote his name in her book.

"My goodness, Mr. Newhouse," she said, "I never knew you were left-handed."

SORE ARM SIDELINES ATHLETIC'S MOUND ACE
BRADENTON, FLA.—(AP)—The Philadelphia Athletics have lost the services of Bob Hooper, their only 1950 winning pitcher, at least for the three-game series with the Boston Braves this weekend.

A West Palm Beach doctor reported Hooper is suffering from a pinched nerve in the right arm. He said, however, that Hooper probably will be out of action only a short time.

LUKE EASTER AGAIN SWINGS HEAVY HICKORY
LOS ANGELES—(AP)—Luke Easter, the Cleveland Indians' big first baseman, is swinging a bat again.

Sidelined two weeks with an elbow injury, Easter took a few whacks Thursday at batting practice. He socked one pitch over the right field fence.

"Felt pretty good," said Luke of his sore elbow. "A little tender, but there was no pain."

MR. SHORTSTOP HAS SHORTSTOP WORRIES
ST. PETERSBURG, FLA.—(AP)—Mr. Shortstop is having trouble in the replacement department. He can't find anyone to fill his shoes.

Mr. Shortstop, of course, is Marty Marion, new manager of the St. Louis Cardinals. He has tried several men at his old spot.

Solly Hemus will be next to take a crack at shortstop. He's been playing second base in the absence of late-starting Red Schoendienst. Hemus, if he makes good, may fill in at third base, too.

NEW GIANT INFIELDER IS MISSING FROM FOLD
ST. PETERSBURG, FLA.—(AP)—The New York Giants have a missing player mystery on their hands.

They can't find Spider Jorgensen, the bench-strength infielder-outfielder they bought from Minneapolis. Spider, formerly with Brooklyn, hasn't signed with nor reported to the Millers. Messages sent to him at El Paso, Texas, have been returned, saying the player has moved and his address is unknown.

Texas Tech Mentors To Be Guests Here

Midland Texas Tech ex-students will get their first look at the new Tech coaches March 31, when Head Mentor DeWitt Weaver and his aides appear before the Texas Tech ex-student organization.

The Tech coaches are to be special guests at a dinner meeting to be held at 8 p.m. in the Blue Star Inn.

Also present will be Dr. Bill Davis, Texas Tech Athletic Council head, Midland High School Coach Tugboat Jones, and Assistants F. D. (Red) Rutledge and Audrey Gill also are to be guests.

Two of Tech's assistants are remembered as Oklahoma U. greats—Wade Walker and Jack Mitchell.

Texas Wesleyan Cage Coach Joins Resignation Parade

FORT WORTH—(AP)—Johnny O. Edwards, head basketball coach and athletic director at Texas Wesleyan College, joined the resignation parade Thursday night. Edwards unexpectedly resigned after six years at the Fort Worth school.

Edwards joined Jack Gray, Texas basketball coach, to become the second Texas basketball mentor to step down within the week.

Uncertain world conditions and the possibility of losing his top performers through the draft in June were the reasons given by Edwards for the move. He said he had no definite plans for the future but indicated he might consider another coaching job if the "offer was inviting enough."

While serving as head basketball mentor of the Texas Wesleyans, Edwards' team won 104 games while losing 58.

Officials of the school Thursday night said no successor had been named to replace Edwards, although it was rumored Assistant Coach Dan Hart was the number one candidate.

Permian Rifle And Pistol Club Elects New Officials
Officers of the Permian Basin Rifle and Pistol Club, Inc., recently elected officers at a meeting here.

The officials named were: Robert S. Aldridge, Midland, president; E. L. Phillips, Jr., Odessa, vice president; P. D. Moore, Midland, executive officer, and George A. Darden, Odessa, secretary.

Membership cards for the year ending February 28, 1952, have been issued.

BAYLOR BEARS OUTSCORE OKLAHOMA SOONERS 10-8
WACO—(AP)—The Baylor Bears used a triple by Larry Isbell in the eighth inning to beat the Oklahoma Sooners 10-8 here Thursday in an early season baseball game.

The three-base hit broke an 8-8 tie after the Sooners had overcome an early Bear lead.

Prince still maintains he isn't interested in playing with Oklahoma City and hasn't reported to the camp.

Kenny Jones, according to Webb, is the most impressive hitter of the lot thus far. Kenny went 2 for 4 in the last game, and 3 for 4 previously.

If he continues that clip he'll be hard to bump off the Oklahoma City roster.

In case you are wondering why Midland High School dropped baseball, Tugboat Jones tells us it's because the boys miss two afternoon classes each week to play during the season. That's bad for scholastic reasons.

Add to that the fact that Midland has no high school diamond and isn't set up for the sport.

Plus the fact—and Jones says this is strictly a minor item—the sport doesn't pay its way.

The sport certainly is hard on uniforms. Those the team used last year are completely "shot" now, according to the Midland mentor.

That oughta clear up a few points.

Tanner Laine tells us the Rev. Jim Sharp, who is preaching an old-fashioned revival at St. Mark's Methodist Church here, is an old-time baseball player, too. Not big league stuff, but just good old-time Saturday afternoon baseball.

It seems that once in the deep woods he pitched a game, one inning righthanded and one inning lefthanded.

A freckle-faced kid, watching the game, said: "Preacher, if I could pitch like you, I wouldn't be preaching, I'd be pitching."

It is believed that the word "lumber" for sawed timber was first used in Boston about 1663.

King's Row

By LARRY KING

Midland probably will have a Summer softball loop this year—at least that's the way it appears now.

A meeting held earlier in the week indicated that at least six teams would enter in the league. Three others are possibilities.

American Legion, Lutheran Church, Shell Oil, Standard Oil, Western Plastic and St. Mark's Methodist Church all say they'll play.

Presbyterian Church, Church of Christ and Rendezvous may come in. Last year the City loop and the Church League were separate, but teams this year favor a 10-team loop. That means another team will have to come into the fold to make it, plus the three doubtfuls.

More dope will be available on the proposed league after next Wednesday night.

Interested parties are to convene in the American Legion Hall to discuss the program further.

The meeting starts at 7 p.m. Midland JayCees are thinking of being sponsors of the loop, according to Chuck Harringer, athletic director.

Comes a note from Ralph Blair, who twirled for the Midland Indians baseball club last season.

Blair writes from Fort Riley, Kan., where he now is employed by Uncle Sam and not Uncle Harold. He wanted us to say "Hello" to his Midland friends, and asked for The Reporter-Telegram to be sent to him, saying: "I kinda like to read about your baseball teams down there. And I sure wish I could be back."

Ralph also asked that his friends write him, so here's the address: Pfc. Ralph Blair, US 54002187, Co. I, 86th Inf. Regmt., 10th Infantry Division, Fort Riley, Kansas.

More clippings from the Midland-Bore Oklahoma City Indians' baseball training camp show Stan (Scooter) Hughes has reported and seems to have conquered the strep throat.

Eddie Jacome and Leon Hayes hurled in a game pitting Web's forces against Tatum's team. The Midland manager's team won 6-1, by Oklahoma City Manager Tatum used the Midland pitchers. Hayes was tagged with the defeat, giving up five runs and seven hits in three frames. Jacome did some better, allowing one run and two hits in three innings.

The reason why Oklahoma City wants Jim Prince so badly shows in the box scores coming out of Monroe.

First sackers inserted into the contests aren't hitting the ball at all. In fact, Webb and Tatum performed on their outst first sack during the last two contests. Webb, by the way, hit one for three and was credited with 10 put outs.

Prince still maintains he isn't interested in playing with Oklahoma City and hasn't reported to the camp.

Kenny Jones, according to Webb, is the most impressive hitter of the lot thus far. Kenny went 2 for 4 in the last game, and 3 for 4 previously.

If he continues that clip he'll be hard to bump off the Oklahoma City roster.

In case you are wondering why Midland High School dropped baseball, Tugboat Jones tells us it's because the boys miss two afternoon classes each week to play during the season. That's bad for scholastic reasons.

Add to that the fact that Midland has no high school diamond and isn't set up for the sport.

Plus the fact—and Jones says this is strictly a minor item—the sport doesn't pay its way.

The sport certainly is hard on uniforms. Those the team used last year are completely "shot" now, according to the Midland mentor.

That oughta clear up a few points.

Tanner Laine tells us the Rev. Jim Sharp, who is preaching an old-fashioned revival at St. Mark's Methodist Church here, is an old-time baseball player, too. Not big league stuff, but just good old-time Saturday afternoon baseball.

It seems that once in the deep woods he pitched a game, one inning righthanded and one inning lefthanded.

A freckle-faced kid, watching the game, said: "Preacher, if I could pitch like you, I wouldn't be preaching, I'd be pitching."

It is believed that the word "lumber" for sawed timber was first used in Boston about 1663.

McCamey Athletes Receive Awards

McCAMEY—Letter jackets were awarded to 20 football lettermen, 11 reserve lettermen and eight basketball lettermen at a special assembly Wednesday in the McCamey High School auditorium.

The 20 boys receiving football jackets were: Thad Putnam, Joe Robins, Gordon Carlson, Lloyd Lee Hayes, Bobby Carter, Phil Gregory, Johnny Boggs, Teddy Vaughn, Jerry Lambeth, Billy Stokes, George Livesey, Jimmy Carroll, Raymond Garrison, Maurice Colloom, Paul Brown, Gary Davidson, Walker Acuff, Eddies Halameck and Bobby Joyce.

Reserve letters went to C. A. Nowlin, Duane Sharp, Jerry Rape, Charles Turner, Billy Sheppard, Edward Hass, Charles Dixon, Howard Wolf, Carroll Bolen, Bobby Jones and Rand Spicer.

Basketball lettermen named were Gary Davidson, Mack Patterson, Ronald Baron, Joe Hunt, Billy Stokes, Johnny Boggs, Teddy Vaughn and Thad Putnam.

George Odum and John Edward Frierson received jackets as team managers.

Head Coach W. E. McCook, Assistant Coach Morris and Pat Pauly, junior high coach, also received jackets.

Odessa Oilers Sign Youthful Catcher
HONDO—Richard Todar, a 17-year-old rookie catcher from Waco, wandered into the Odessa Oilers Spring baseball camp here Tuesday and asked for a tryout.

Thursday the youth signed a contract, after Manager Jackie Sullivan was impressed with his fine throwing arm.

Todar worked behind the plate for Waco High School two years and was graduated there last June.

Cost-Of-Living Index Due To Heap Trouble On Mobilization Setup

WASHINGTON —P—The mobilization program, still buffeted by labor's blasts at its wage-stabilization section, headed into new waters Friday.

The government's latest cost-of-living index will be announced Friday night. It is expected to show a two and one-half point rise between January 15 and February 15.

The price control office relaxed slightly its freeze on gasoline prices.

Economic Stabilizer Eric Johnston said Thursday night "too much complacency" over inflation is undermining the mobilization effort.

And Chairman Maybank (D-SC) of a Senate-House "Watchdog" committee ordered a broad investigation of the whole program with emphasis on wage-price controls and charges of favoritism.

The new living cost index appears certain to add fuel to labor's claims of unfair treatment.

On the basis of the index, one million employees of non-operating branches of the railroad industry would be in line for salary raises of five or six cents an hour. But because of the 10 per cent ceiling in the wage stabilization formula they have to content themselves with two and one-half cents.

The index is expected to be around 84 per cent of the 1935-39 average.

"ROOM" WITH A VIEW—"Close that window," says John Muldowney, Tufts College student, as he arises in his cross-ventilated "bedroom" on the front lawn of a fraternity house on Professor Row, Medford, Mass. Muldowney, president of the college's inter-fraternity council, returned home late at night to find that pranksters had moved the entire contents of his room out onto the lawn. So he zipped himself into a sleeping bag and turned in.

McClellan Asserts Shakeup In RFC Won't Cure Evil

WASHINGTON —P—Senator McClellan (D-Ark) declared Friday Truman's plan to shake up the Reconstruction Finance Corporation's top command "won't cure the evil in RFC." And he is telling the White House so, McClellan added.

The huge government lending agency is under fire in the Senate. A banking subcommittee has said an influence ring with White House contacts swayed its judgment on multi-million dollar loans.

Truman called the charges untrue, but later sent to Congress an organization plan to abolish the seven-man RFC Board of Directors and place the agency under a single administrator.

McClellan heads the Senate Expenditures Committee holding hearings on the hotly disputed plan. Many senators are demanding reformation of the plan and abolition of RFC as a result of the charges against it.

JayCees Nominates Office Candidates

Irby Dyer, Chairman of the Junior Chamber of Commerce Nominating Committee, Friday reported the names of candidates chosen by the committee for Jay-Cee offices in the election, to be held April 8, at their luncheon in Hotel Schubarber.

Named as candidates for president were Frank Hawk, Charlie Post and Thornton Hardie. Others listed: first vice president, Mark Marchioni, Horace Burton, Clarence Brady; second vice president, Lee Woods, Goodrich Hejl, Jack Huff; secretary, Edwin Hill, Clarence Cardwell; treasurer, Andy Gump, M. A. Murphree.

Thirteen JayCees were nominated for the Board of Directors. Six will be elected. Those nominated included: Ed Stitt, Chuck Harringer, Perry Pickett, Bob Boone, Emil Rasmussen, E. W. McCullough, Luke Browning, Bob Conkling, Johnny Roden, Rocky Ford, Richard Harrell, R. M. Minton, Jr., and Larry King.

Emil Rasmussen presided at the meeting in the absence of President Art Joseph, who is out of town.

JayCees viewed a film, "Southwest Conference Football Highlights of 1949," after the business session.

Truman Pouring Taxpayers' Money Down Ratholes, Declares Retired Railroader

WASHINGTON —P—William M. Jeffers, World War II boss of the federal rubber program, says President Truman is pouring the taxpayers' money "down a hundred rat holes" and has lost the people's confidence.

"Any thinking man knows we cannot look to the President for constructive leadership," Jeffers declared in a letter to Vice President Barkley.

"He is still operating on the old principle of 'Tax and tax, spend and spend, elect and elect'! That policy was dead enough before this country was debt-ridden, but this country now is in serious financial condition."

"On top of that, the people have lost confidence in the President, which is not going to help."

Jeffers, retired president of the Union Pacific Railroad, wrote Barkley to urge that the Senate do something to "get better principles in American government than taxing, spending and electing."

The vice president's office said Jeffers' letter had been received, but that Barkley had not seen it yet. It was dated March 18 and was mailed from Jeffers' home in Pasadena, Calif. Copies went to each member of the Senate.

New England's Tobey Would Oust O'Dwyer

WASHINGTON —P—Senator Tobey (R-NH) Friday said the Senate Foreign Relations Committee ought to look into the position of Ambassador William O'Dwyer in the light of Senate Crime Committee hearings.

Asked if he thought O'Dwyer should resign as ambassador to Mexico, Tobey told a news conference: "That is in the hands of the President. You know what I would do if I were President."

Korean Outbreak Postpones World Tour For Young Midland Navy Man

The outbreak of the war in Korea has postponed other things, "pretty inconvenient."

This was the feeling of Radioman Third Class Royce N. Higgs of Midland, who now is home on leave after spending more than seven months in the zone of combat near Korea.

"My ship, the destroyer Taussig, was slated to sail to Hong Kong and a lot of places we wanted to see," Higgs relates, "and the day before our scheduled time of departure the Korean war started."

"We then sailed for Korea, and we haven't been able to see the world yet."

Higgs, a former Midland High School football star, is the son of Mr. and Mrs. Roy Higgs, 905 South Marfield Street. He has been in the Navy the last two and one-half years.

The Taussig escorted carriers into Korea, Higgs and his mates were on three invasions. In his own words "it wasn't too rough on the ship—but the poor guys hitting the beach caught hell."

The 21-year-old Midlander said the destroyer escorted the carriers in and the carriers then bombed the beach. When a carrier was hit, or ran out of ammunition, the destroyer then moved in and blazed away with five-inch guns.

"One time we were so close a T-44 tank took some pot shots at us," But the Taussig didn't suffer a single casualty during its entire period of operation in the Korean war zone.

Higgs said his ship would stay out for 30 to 40 days at a time, then go back to refill supply stocks.

"Food on the ship was plentiful," he said, "and we didn't want for anything. The only thing we missed was home and American girls."

The Taussig was in Japan briefly and in Formosa for "a few days" before returning to the states a few weeks ago. After arriving in San Diego, Higgs ran into another Midland boy, Howard Mickey, who had just completed his boot training. Higgs and Mickey played side by side as guard and tackle on the Midland High School football team in 1945 and 1946.

Both boys were graduated in 1947. Higgs entered the Navy after he and Mickey attended Hardin-Simmons University for a year.

"I'm glad to be home and I hope after my 30 day leave is over we'll get to take our postponed trip to see the world."

"But the war is still on," he added.

Caucers Really Fly, Says Aircraft Firm

DALLAS —P—Chance Vought Aircraft Company near here is making guided missiles and these are being on an experimental basis.

This was revealed Thursday in an annual report of United Aircraft Corporation, of which Chance Vought is a major division.

"Chance Vought has for some years been working under a Navy contract for guided missiles," the report said. "While this work is highly classified, we are permitted to say that the missiles are in limited production for experimental use, and that they are flying."

Texas Traffic Deaths Set All-Time Record

AUSTIN —P—The official count of Texas 1950 traffic deaths was announced Friday as 2,410—an all-time record.

Col. Homer Garrison, Jr., director of the Department of Public Safety, said the figure was 351 more than the previous record set in 1948, and 69 more than the 1949 count.

CIO Unionists Await Strike Call Against Packers

CHICAGO —P—More than 100,000 CIO packinghouse workers Friday awaited a strike call against the nation's meat packers.

But AFL meat handlers planned no walkout on Monday, the deadline in the threatened strike by the two big meat packing unions.

The CIO union said it was "ready to strike" when a date is set. The unions' Strike Strategy Committee met Friday to set a date and complete strike details.

A walkout by the CIO workers, and not by the AFL, could cut sharply the nation's meat supply, much as did a similar walkout three years ago by the CIO union. The last work stoppage, stemming from a wage dispute, lasted from March 16 to May 22, 1948.

The AFL Amalgamated Meat Cutters and Butcher Workers said its 100,000 members would not strike on Monday, when the present wage agreement with packers expires.

Both unions had threatened walkouts on Monday in protest against government refusal to approve an 11-cent hourly wage increase. The wage hike had been agreed upon by the unions and the major packers.

Probers—

(Continued From Page One)

Abner Zwillman of Newark, N. J., as a witness on Saturday, Zwillman, prohibition era figure, has been linked to Murder, Inc., in testimony before the committee. In New York, Zwillman called that ridiculous.

The pudgy, balding Guzik met most inquiries of senators and counsel with the monotonous repetition: "I refuse to answer because it might incriminate me or tend to incriminate me or lead in some devious way to incriminate me."

When Senator Wiley (R-Wis) asked Guzik if he had consulted a lawyer, the witness replied with one of his few direct answers: "No."

"Where did you get this phrase you have been using?" asked Wiley, a lawyer.

"I heard it on television," Guzik replied. Spectators jammed into the ornate, high-ceilinged Senate Caucus Room roared with laughter.

Guzik even declined to say whether he had a brother Harry. Chicago sources familiar with the old Capone gang say Harry Guzik was known as "Greasy Thumb" and that Jacob Guzik inherited the nickname after his brother died in 1949. Both evidently got the name from their habit of licking a thumb while counting out money.

DOES MILADY HAVE A GREEN THUMB? If so, maybe she has a desire to get out of the city limits, where she can have a garden with plenty of space and plenty of water. It just happens that this particular acreage has a lovely 3-bedroom brick home on it, with 2 tile baths, attached garage, restricted neighborhood, immediate possession, pavement, Northwest, and all for \$28,500.00.

TO THE DISCRIMINATING FAMILY— Bedford Addition, 3 bedrooms, 2 tile baths, closets galore, and so very large, central heating, fireplace, new home, double garage attached... \$29,000.00.

READY TO MOVE INTO— brick veneer, 1 1/2 stories, close to all schools, pavement, 2 baths, all upstairs finished in waffled pine, living room carpeted, fenced yard, lovely trees, could not be duplicated at \$21,000.00.

WEST WASHINGTON— for the small family, full 5 rooms, detached garage, pavement, hardwood floors. Only \$8,000.00.

SOUTH SIDE— Corner lot, can be used for home and business, paved on both sides, 3 bedrooms... shown by appointment only.

Home Loans

We have just returned from a 2-day mortgage loan school. We believe we have the answer to some of Regulation "X". While in Dallas, we worked out arrangements with one of Texas' leading life insurance companies, whereby we can make loans on your home for as little as \$2,500 and up, to buy, build, remodel or repair. To our knowledge, this is the first time a life insurance company has offered to make loans this small in Midland. We have several advantages to offer you in placing your loan with us for this company. We will make FHA, GI, Conventional, Commercial Farm and Ranch loans. You'll be surprised how simple it is to make these loans when you ask.

We have a number of buyers waiting for older 2 and 3 bedroom homes. If you're thinking of selling, call us today for an appraisal and inspection at no charge to you.

We still have a few miracle homes available—to be placed on your lot for only \$3,750. They will carry a good loan.

HADACOL Is Requested By Nurses

HADACOL Helps Folks Suffering Deficiencies of Vitamins B1, B2, Niacin and Iron.

Registered nurses, in increasing numbers, are showing a keen interest in HADACOL and in the results that are being secured with this great modern formula.

Mrs. L. D. Lovett, a registered nurse who lives at 2205 Walnut St., Philadelphia 3, Pennsylvania, says this about HADACOL: "I was down in Florida for the past month. I had no energy so several members of my family told me to try a bottle of HADACOL. My sister, who is a nurse, was taking a bottle so I tried a bottle. I feel fine since taking HADACOL. I do private duty here. I am 50 years old." HADACOL can help you if you suffer such deficiencies. Ask your druggist for HADACOL today. Only HADACOL gives you that "Wonderful HADACOL feeling."

Once-Famed Dutch Maestro Dies In Exile

CHUR, SWITZERLAND —(P)— The death of Willem Mengelberg, for 50 years conductor of the famous Amsterdam Concertgebouw Orchestra, was announced here Thursday night.

He had been banished from Holland in 1945 by the Dutch Central Council of Honor for the Arts, which found him guilty of collaborating with the Nazis during World War II. The aged musician, who would have been 80 next week, suffered a stroke 10 days ago and died Wednesday night at his villa near here.

Davenport Brothers Take Hacksaw Blades On Oklahoma Junkie

OKLAHOMA CITY —(P)— The Davenport brothers—Norman and Chester—were to be moved to the Oklahoma State Penitentiary Friday, minus the five lengths of hacksaw blade Norman carried in his right shoe.

Jailers found the hacksaw when they frisked the brothers after they were brought here from Wichita Falls, Texas, to be held overnight. "This might be embarrassing to Texas," wisecracked Norman. "I could have used those anytime I was down there, I guess."

Sheriff Bob Turner didn't agree. He figured another prisoner in the Wichita Falls jail gave the blades to Davenport. Chester, 28, and Norman, 23, face armed robbery charges at Pryor, Okla. They also face federal charges of kidnaping an Oklahoma youth and forcing him to drive them to Wichita Falls March 9. The brothers broke out of the Pryor jail March 6.

Great Religious Painting Emerges From Obscurity

GLENDALE, CALIF. —(P)— One of the world's great religious paintings, Jan Styka's "Crucifixion," goes on display Friday night after half a century of obscurity. The mammoth oil—45 feet high and 195 feet long—is believed to be the world's largest on a Biblical subject. The unveiling at Forest Lawn Memorial Park, a Glendale cemetery, will be the highlights of dedication ceremonies for a \$1,500,000 building erected to house the work. Styka's canvas is a panoramic view of the ancient walled city of Jerusalem. In the foreground is the hill of Golgotha, where the citizenry has gathered to watch the executions. Its more than 1,000 life-sized figures are dominated by the praying Christ, pictured moments before he is placed on the cross. Its creation and the reasons for its obscurity are quite a story. Jan Styka, who died in 1925, was a Polish artist internationally renowned for religious scenes. He was best known for 15 paintings and 100 sketches which illustrated the novel, "Quo Vadis," a tale of Christian martyrdom in Nero's Rome. At Paderewski's Bidding He did the "Crucifixion" at the behest of Ignace Jan Paderewski, late Polish premier and pianist, who envisioned a painting which would be an inspiration to the Christian world and reflect glory on Poland. Styka journeyed to the Holy Land and spent eight years doing research and sketching ruins. Then he knelt before Pope Leo XIII, who blessed his palette and brushes. The vast canvas, made to order in Belgium, was brought to Lwow, Poland, where Styka was given the city art gallery for a studio. He painted furiously, 10 and 12 hours a day, for years. That his research paid off is evidenced by the painstaking detail. Identifiable in the background are Herod's Palace, the Tomb of David, the Palace of Pontius Pilate, the Roman Amphitheater, the market place and the Gardens of Gethsemane and Gabbatha. Uplifted To Heaven Scores of New Testament figures are shown including Mary, mother of Jesus, the disciple John, Lazarus, Mary Magdalene and the Centurion Longinus. Jesus stands alone at the center, his head uplifted to Heaven. Completed in 1885, the canvas was unveiled in Warsaw. It was exhibited in Moscow in 1898, and in 1900 Styka brought it to America for the St. Louis exhibition. But when a fire destroyed his "Quo Vadis" paintings, he decided to store the "Crucifixion" instead of showing it. It has been in storage ever since, except for a brief display in Chicago's opera house 40 years ago. The problem: it was too huge to be displayed conveniently. Forest Lawn acquired it in 1944. Now mounted on a curving wall in a hall with 3,000 seats, it will be shown to the public daily. Viewers will hear its story in a recorded lecture. A spotlight synchronized with sound track, will point out the object being discussed.

New Ford Victoria Goes On Display

The new Ford Victoria is on display in the show room of Murray-Young Motors, Ltd., 223 East Wall Street. Acclaimed as being "smart as a convertible—snug as a sedan," the Victoria has luxurious, smart styling. Both side and rear-quarter windows roll completely down to permit a clear sweep of breeze and view. Yet the Victoria has an all-steel top and with the windows rolled up has the snugness inside of a sedan or coupe. Other features presented in the Victoria include the large sweep-around rear window with bright metal trim, for a clear view to the rear. This also adds to the luxurious appearance of the automobile. The luxury lounge interior is "color-keyed" in rich colored Crawford fabric and leather and vinyl blend with the exterior of each car. It is powered with a 100-horsepower V-8 engine and purchasers will have a choice of the conventional drive, overdrive or new Fordomatic Drive.

No Gas Shortage In Offing, Declares El Paso Executive

AMARILLO — Defense fuel requirements of the nation can consume all the natural gas they need without fear of sending us begging for some other less satisfactory fuel when peace comes, in the opinion of Paul Kayser, president of El Paso Natural Gas Company. The El Paso and Houston gas executive was a principal speaker at the Thursday session of the American Petroleum Institute Division of Production, which closes a three-day Mid-Continent district meeting here Friday.

Labor Market Tight In Permian Basin; TEC Lists Openings

The labor market in the Permian Basin area is tightening, J. D. Bechtol, director of the Midland office of the Texas Employment Commission, said Friday. Geophysical workers are needed urgently, Bechtol said. These must be male and at least 18 years of age. They do not have to be experienced. Also needed are drillers, drilling helpers, rodmen, observers, junior observers and helpers. Openings exist for inside sales trainees, stock clerks, mechanics, general office workers, map draftsmen, and all kinds of building and construction laborers. For women, there are openings for stenographers, clerks, clerk typists and file clerks. Experienced surveyors, computers and draftsmen are needed. "We can place immediately a number of couples to work on farms," Bechtol said.

Ohioan Describes Troops Resolution As Fraud, Hoax

WASHINGTON —(P)— Senator Bricker (R-Ohio) called Friday for enactment of "a definite law" governing the dispatch of American troops to Europe. He has described pending Senate resolutions on the issue as "a fraud and a hoax." "I will move to send both pending resolutions x x x back to committees with instructions to convert them into actual legislation," Bricker told a reporter. The resolutions would approve President Truman's decision to send four American divisions to the International Defense Army in Western Europe, but would call on him to confer with Congress before making any additional commitments. But they are only expressions of congressional sentiment without force of law. The Senate resumes debate on the measures next Tuesday following a three-day Easter recess. Voting has been set for April 2. Advertise or be forgotten.
