**McDermott Stakes
Wildcat, Outposts
in NE Upton Area**

R. Thomas McDermott of Houston will drill a 8,900-foot Spraberry wildcat in Northeast Upton County, and two long outposts to the North Pembroke field in the same region.

The operator's No. 1-27-D Tippett will be drilled as the wildcat 680 feet from south and west lines of section 27, block 38, T-5-S, T&P survey.

That puts it three and one-half miles southwest of the closest completed Spraberry producer in the Weimer-Floyd field and two and one-half miles north of the closest production in the North Pembroke field.

McDermott No. 1-40-C V. P. Tippett will be drilled one mile north-west of production in the North Pembroke pool and 660 feet from south and west lines of the northeast quarter of section 40, block 38, T-5-S, T&P survey.

One and one-quarter miles north-west of the same field, McDermott will dig No. 2-40-C Tippett. Drill-site in 660 feet from north and west lines of the northeast quarter of section 40, block 38, T-5-S, T&P survey.

**Shallow Project
Is To Be Drilled
In North Reeves**

Louis Crouch of Lockhart filed application with the Railroad Commission of Texas requesting permit to start drilling immediately on a 2,900-foot wildcat in extreme North Reeves County.

It will be No. 1 Mrs. Olive McCamey and will be dug 330 feet from north and east lines of section 16, block 56, T&P survey and three and one-half miles northeast of Oria.

**Sinclair Stakes
7,000-Foot Test
In Pecos Sector**

Sinclair Oil & Gas Company No. 1-136 University-Pecos is to be drilled as a 7,000-foot rotary wildcat in North-Central Pecos County.

Drill-site has been set 680 feet from north and west lines of section 33, block 24, University lands survey and 12 miles northeast of Fort Stockton.

Work will start by July 24.

**Duncan Will Try To
Produce From New
Pay In Herrell Area**

Duncan Drilling Company of Big Spring has filed an application with the Railroad Commission of Texas requesting a permit to drill its No. 2 TXL as a twin well to the same concern's No. 1 TXL on the east side of the Herrell field in Central-West Sterling County.

Duncan No. 1 TXL was recently completed as a pumper from pay above 2,445 feet in the Clear Fork zone to extend the proven limits of the Herrell field one location to the east.

Had Good Shows

The San Andres section above 1,900 feet showed good possibilities of producing in the No. 1 TXL. However it was not feasible to try to dually complete that well from both the shallow pays.

Duncan proposes to drill No. 2 TXL at a site 720 feet from north and 1,650 feet from west lines of section 1, block 31, T-5-S, T&P survey to a depth of 1,900 feet to try for production in the San Andres.

That makes No. 2 TXL 60 feet south of the No. 1 TXL, the Clear Fork producer. Duncan plans to use combination tools on the new project and will start operations immediately.

**No Shows in Top Of
Devonian in DST Of
C-N Yoakum Test**

Continental Oil Company No. 1 M. S. Pierson, Central-North Yoakum County wildcat, two and three-quarters miles west of the London multipay field—which is in Central-South Cochran County—failed to develop any shows of oil or gas in a drillstem test in the top of the Devonian.

The test was at 12,104-204 feet. The tool was open one hour. There was a light blow of air at the surface for a part of the period.

To Go Deeper

Recovery was the 3,000-foot water blanket and 10 feet of drilling fluid. There were no shows of oil, gas or water. The prospector is to go deeper.

Assassin Shoots Down Arab King

New, Severe Crisis Grips Middle East

CAIRO—(AP)—An assassin sprang out of the shadows at a Jerusalem mosque Friday and killed King Abdullah of Jordan. The shooting brought the turbulent, oil-rich Middle East to the brink of a new and dangerous crisis.

The assassin, emerging from hiding behind a door brought down the five-foot-four, bearded monarch on the Moslem sabbath. Abdullah was entering the Aqsa Mosque (Mosque of Omar) to pray.

The king's bodyguards killed the assassin. The border line between the Old City of Jerusalem, held by Jordan, and the New City, held by Israel, was sealed off and a state of emergency was proclaimed in Amman, capital of Jordan.

Abdullah, 69, was one of the principal stabilizing influences in a Middle East torn by Nationalist agitation, international jealousies and competition over oil riches. His second son, Prince Naif, immediately named regent. The crown prince and his apparent, Emir Talal, has been under treatment in Beirut for a nervous breakdown. He was reported sharply at odds with his father. Talal's young son may be in line for the throne.

The assassin was identified by British sources as Mustafa Shakir, 35, a known terrorist who had contacts with Haj Amin El Husseini, former mufti of Jerusalem who now is living in Cairo. The mufti, who has ambitions to govern Arab Palestine, has differed violently with King Abdullah's policies, particularly after the armistice with Israel.

The news of the killing was received with deep shock in Israel, where Abdullah was looked upon as one of the more moderate of Arab leaders. Shock greeted the news in Britain, too. The British subsidized and sponsored Abdullah, whom they placed on the throne after giving up their League of Nations mandate over his country. The death of the ruler of a land strategically located on the British Commonwealth lifeline added danger to an already perilous Middle East situation, brought to a boil by the British dispute with Iran over nationalization of Britain's oil holdings there. Jealousies among Arab states, suspicion between Israel and the Arabs, and the ever-present contest for oil riches in lands under the shadow of Communist Russia keeps the Middle East in turmoil.

United Nations officials did not hide their concern. The tension between the Arab states and Israel, engendered by the Palestine war, still is greatly in evidence in that Middle East and could flare out at any time. There is yet to be a peace settlement formally ending the war, in which the UN brought about armistice in 1949.

In bringing about that truce, Swedish Count Folke Bernadotte, the United Nations mediator, was assassinated not far from the spot where Abdullah met his death.

Red Newsman Says Many Of Missing British Unit Alive

KAESEONG, KOREA—(AP)—A North Korean newsman attending the Korean war cease-fire talks Friday told Allied correspondents: "Hundreds of survivors of Britain's Royal Gloucestershire Regiment are alive in North Korean prison camps."

The Communist correspondent could give no additional information, except that the troops were prisoners of war in barbed wire enclosures.

The fate of almost all of the Gloucestershire men has been a mystery. They were trapped, surrounded and overrun by overwhelming numbers of Chinese Reds in the battle of the Imjin River in Western Korea, April 23-25.

Drift Physical Won't Block Enrollment

Men who have passed their pre-induction physicals now may enlist voluntarily and choose their branch of service until July 31, Sgt. Shelby Wheeler said Friday.

Wheeler, Army and Air Force recruiting sergeant, said the original directive listed July 15 as the deadline, but it has been extended by the Army and Air Force top brass.

Truce Talks Washed Out By Weather

MUNSAN, KOREA—(AP)—The Korean armistice talks, focus of world hopes for peace, took a back seat Friday to the weather.

A flash flood turned a creek 10 miles south of the Kaesong conference site into a raging torrent and barred jeeps carrying United Nations delegates to the truce city.

Twenty newsmen and service personnel crossed the stream earlier and reached Kaesong. They returned by late afternoon.

Bad weather also grounded the helicopters in which UN delegates usually travel the 14 airline miles to Kaesong.

The eighth session between UN and Communist teams—generally regarded as crucial in this first phase of the peace talks—was postponed until 10 a. m. Saturday (6 p. m., CST, Friday).

A single major issue bars agreement on an agenda which would permit the armistice talks to move into the second phase.

While there has been official silence at the UN advance camp here, both Communist and high United States sources have made clear the knot was tied by Red demands for withdrawal of all foreign troops from Korea.

Communist radios in Pyongyang, the Red Korean capital, Peiping and Moscow dinned this theme.

Acheson Declares UN Troops Will Not Pull Out Of Korea

WASHINGTON—(AP)—The United States intends to see that United Nations troops remain in Korea indefinitely after an armistice, Secretary of State Acheson in a statement Thursday night setting forth the reasons UN negotiators at Kaesong oppose a Communist proposal for an agreement now on withdrawal of all "foreign forces" from Korea.

The statement bluntly linked the question of withdrawal of forces on the UN side to ultimate proof of Communist good faith in maintaining a Korean peace.

Empathic Notice

It had the effect, furthermore, of serving emphatic notice on the Reds at a critical point in the Kaesong talks that the issue of troop withdrawal, which already had deadlocked the conference, was one upon which the United States government was not prepared to back down nor to compromise.

"If there is an effective armistice," Acheson said, "United Nations force must remain in Korea until a genuine peace has been firmly established and the Korean people have assurance that they can work out their future free from the fear of aggression."

The size of the United Nations force remaining in Korea will depend upon circumstances and, particularly, upon the faithfulness with which an armistice is carried out."

Superforts Plaster Red Supply Centers

U. S. EIGHTH ARMY HEADQUARTERS, KOREA—(AP)—Allied B-29 Superforts roared through heavy clouds and rain Friday and bombed the Communist's east coast rail and supply centers.

The crews dropped their bombs by radar. The overcast prevented observation of results. The big planes met neither enemy planes nor flak.

On the ground, action was limited to patrol clashes at scattered points along the battlefield.

HEAD WORK — These members of the USS Boxer's crew want the world to know their ship is "tops" with them and use their shaven heads to prove it by spelling out the carrier's name.

Stanton Meel Sheds No Light On Water Drilling Regulations

STANTON—The world in general and the Colorado River Municipal Water District, in particular, still were in the dark Friday about possible Martin County water conservation rules.

The board of directors of the Martin County Underground Water Conservation District wasn't ready to disclose its plans Thursday night.

A joint meeting of the two boards of directors fizzled out here after it was learned both groups had come "just to listen."

The Colorado River group had requested the special meeting under the impression the Stanton group was ready to discuss the rules and regulations which will govern water drillings.

They had contracted for extensive water rights in the 75-square-mile area covered by the underground water conservation district and wanted to hear how their plans for using the Martin County water might be affected.

Large Delegation Attends

A large CROWD delegation made the trip to Stanton, headed by General Manager E. V. Spence and President Robert Finner of Big Spring.

They learned as soon as the meeting was opened by President A. E. Pittman of the Martin County group that the regulations were not ready to be announced.

"We will be glad to listen to any" (Continued On Page Eight)

Council Requests Talks About Buses

A final decision on a proposal to establish "almost immediately" a bus transportation system in Midland is expected next week.

The City Council Tuesday afternoon invited two bus operators, Leroy Spinks of Monahans and C. C. Spinks of Brownsville, to meet here next week. They have proposed to establish a transportation system in Midland, using six buses over five routes.

City Manager W. H. Oswald told the councilmen the two men would be available for a meeting next week and would bring one of their buses here for inspection.

The city has been without a public transportation system since last November.

Eastern Missouri Braces For Worst Flood In Century

ST. LOUIS—(AP)—The untamable Missouri River headed toward a crest near its juncture with the swollen Mississippi Friday, crumbling protecting levees in its drive toward St. Louis.

Army Engineers predicted all dikes at the confluence of the two great rivers would be swept away within the next 48 hours.

The Mississippi, carrying the muddy Missouri waters which created the nation's first billion-dollar flood, is expected to crest at 40.5 feet Monday at St. Louis. That would be the highest mark recorded here since 1844.

Most of the 300 persons living at West Alton, at the crossroads of the Rivers, remained skeptical, however, even as the waters poured over the last remaining barrier protecting the community. West Alton is east of St. Charles and about 15 miles north of St. Louis.

Coast Guard Stands By

The Coast Guard was standing by with boats to evacuate the die-hards who through the years have become accustomed to floods. Some merely moved groceries and other possessions to second floors of their homes.

Friday morning the St. Charles reading of the Missouri was 37.3 feet, a rise of five-tenths of a foot in 24 hours. A record crest of 38.3 feet is predicted at St. Charles Saturday.

A swift and treacherous current developed Friday east of the St. Charles bridge on U. S. Highway 40. It washed out a transmission pole of the Union Electric Company and St. Charles—a city of 11,000—was threatened with a power shortage.

Workers in boats were trying to get the power line back up but officials feared they may have to cut the line, which would knock out electricity to the town for several hours.

In St. Louis, officials said damage would be confined mainly to the riverfront section as it was in the 1947 flood, which cost industries an estimated \$9,000,000.

The city proper, including the (Continued On Page Eight)

50 Nations Invited To Sign Treaty

WASHINGTON—(AP)—The United States Friday invited 50 nations to meet in San Francisco, September 4, to complete and sign a peace treaty with Japan.

The invitations were accompanied by copies of a treaty draft jointly sponsored by the United States and Great Britain. The invitations specified the conferences would be held "on the terms of" that draft.

Russia was among the countries invited but officials here regarded it as virtually certain Moscow would reject the bid. The Soviet Union has criticized not only some parts of the proposed treaty, but also the way it was drawn up.

Russia's Claims Ignored

Russia had wanted a drafting system which would give it a veto over treaty provisions.

The treaty, as presently drafted, does not recognize Russia's possession of the Kurile Islands or the south half of Sakhalin, taken from Japan after World War II.

The official announcement reminded each country that the peace treaty text had been circulated to all previous to issuance of the conference bids and added: "It is believed that the enclosed draft treaty and declarations combine and reconcile, as far as is practicable, the point of view of all the Allied powers which were at war with Japan and will establish, with Japan, a just and durable peace."

Masonic Hilltop Meet Set August 18

CRANE—The annual Masonic Hilltop Meeting will be held Saturday, August 18, when the Masons of Crane and 13 neighboring lodges will convene at Hilltop, south of here on Caliche Loop.

W. J. Burris of McAllen, most worshipful grand master of the Grand Lodge of Texas, will give the principal address.

A record attendance of 2,000 persons is expected for the meeting and barbecue. The annual meetings usually are attended by representatives of lodges from every state and from Canada, Bermuda, Hawaii, and other foreign countries.

Lodges of Pecos, Iran, Odessa, Rankin, Big Lake, Goldsmith, McCamey, Midland, Kermit, Imperial, Grandfalia, Monahans and Crane will be hosts at the event.

Prince Wilhelm, Son Of Germanys' Last Kaiser, Dies Friday

HECHINGEN, GERMANY—(AP)—Imperial Germany's last crown prince—Friedrich Wilhelm of Hohenzollern—died at his little villa here early Friday after a long illness. He was 69.

Elderest son of Germany's last kaiser, Wilhelm II, Prince Wilhelm since World War II had lived in near-seclusion here within sight of a hilltop Hohenzollern castle which he could not afford to run.

In World War I he was in nominal charge—with general staff experts constantly at his elbow—of the German Army in the bloody carnage of Verdun. After the heroic French stand had stemmed the German offensive, he was kicked upstairs to command of an army group.

He followed his abdicating father into exile in Holland, remaining there five years. Allowed back in Germany in 1923, he settled down to managing the vast Hohenzollern estates. Russian occupation after World War II took most of them from him.

The crown prince had been in frail health. He suffered a severe heart ailment several weeks ago and at first made a promising recovery, but took a turn for the worse during the last few days.

A heart specialist gave the cause of death as arterial sclerosis.

As head of his ex-imperial household, Wilhelm made his last formal public appearance at the marriage of his daughter, Princess Cecilie, to interior decorator Clyde Harris of Amarillo, Texas.

Comprehensive Plan For Midland Parks, Playgrounds Aired

A comprehensive plan for the development of parks and playgrounds in Midland was submitted to the City Council Thursday afternoon by the Planning and Zoning Commission.

The plan, outlined by John Hillis, a member of the commission, would provide:

- 1. Five playground parks of five or six acres each.
- 2. Four playfield Parks of 10 to 15 acres each.
- 3. Three community parks of approximately 50 acres each.

The plans includes those parks already in existence and would require the acquisition of two additional tracts for playground parks and three additional tracts for the playfield parks.

One Of Greatest Needs

"It is the opinion of the planning commission," said the recommendation, "that the need for recreation facilities for the citizens is one of our greatest needs and, therefore, it is imperative that the Council take appropriate steps to acquire the sites which must be bought."

The commission suggested that the playground parks, designed for children from five to 15, be located in the Haley Heights addition, in the north section of the city, east of the Memorial Stadium, north of Crockett School, and north of Crestview Addition school site.

The playfields were recommended for the South Park Addition, the Latin American area, in the area near the old pump station in East Midland, and in the Northwest area of the City.

Recommended as community parks were Cole Park, the Wadley tract, north of the city, and the old college campus, west of the city.

House, Pasture Fires Keep Firemen On Run

City firemen were kept busy Thursday with two pasture fires and a residence blaze.

A house owned by Mrs. T. N. Wilson at 904 East Kentucky suffered little damage when a fire broke out Thursday morning.

During the afternoon the firemen extinguished grass fires in the Tex-Harvey oil field and at the Schaubauer Ranch No. 1.

'INSIDE JOB'—Perhaps the first man ever to work inside a jet engine is Harold Kirkendakkm, 31, who is employed at GE's Lockland, Ohio, plant. Only 47 inches tall, his small size enables him to crawl inside the jets' elongated tail pipes. Here he discusses an inspection problem with Jerry Mefford, an engineering supervisor.

Confidence Man Admits Collecting Cash From Victims

WASHINGTON—(AP)—Sam Mason, described by senators as a highly successful con man, Friday testified he collected money from his victims by saying he needed the cash to bribe government officials.

He also said he has filed no income tax returns since about 1929.

On the basis of Mason's story, Chairman Hoey (D-NC) of the Senate Investigating Committee announced he was sending a record of the witness' testimony to the Justice Department and the Internal Revenue Bureau for possible prosecution.

Committee Counsel Francis Flanagan asked Mason whether he had told his clients he would use the thousands of dollars he collected from them "as sewer money" to bribe government officials" to obtain leases on "surplus" government buildings.

Mason replied he had told them it would be used as "sewer money." He said he "did not want to use the word bribe."

Flanagan: "But you entered into a scheme to bribe government officials?"

Mason: "Yes, what's wrong with that?"

That touched off a roar of laughter in the crowded hearing room.

Five witnesses told the inquiry panel Thursday Mason had fleeced them out of more than \$200,000. Committee members have said his total take was in the neighborhood of \$350,000.

No Effort To Deliver

Mason told the committee he never had made any effort to fulfill his rosy promises. And he said he gave all the money he took in to a mysterious figure he identified as "Mr. Eungart."

Asked where Eungart is now, Mason said he understands Eungart has gone to Australia, but he will be back, perhaps in August.

Eungart lived in Washington and (Continued On Page Eight)

Maceo Plea For Venue Change On Injunction Denied

AUSTIN—(AP)—District Judge Jack Roberts Friday rejected the Maceo's plea for change of venue from Travis to Galveston County.

Louis Dibrell of Galveston, attorney for Maceo and Company, gave notice of appeal.

Dibrell said the Maceos had a right to trial in their home county on the state's request for a permanent injunction against their receiving horse race gambling information by telephone.

Attorney General Price Daniel said since the case involved two telephone companies over whom the state has jurisdiction, it would be proper to hold the injunction hearing in Travis County.

An appeal from Judge Roberts' ruling probably will delay hearing on the permanent injunction several weeks.

Texas Heat Wave Due To Continue Through Saturday

By The Associated Press

Temperatures were 100 degrees or higher over most of Texas Thursday. Of the 30 weather stations in the state, 22 of them reported readings at or above 100. Junction, Presidio and Del Rio were warmest with 107 degrees.

No relief from the heat was forecast through Saturday.

Thursday's temperatures were like this:

Waco had 106; Austin, San Antonio, Bryan, Wink and Cotulla, 105; Laredo 104; Mineral Wells, Abilene and San Angelo, 103; Big Spring, Fort Worth, Dallas, Childress, Lufkin and Midland, 102; Sherman, 101; Wichita Falls, Houston, Palestine and Victoria, 100; Tyler and Lubbock, 99; Amarillo, 98; Texarkana, Palacios and Brownsville, 97; Dalhart, Galveston and Corpus Christi, 95; Marfa (the lowest maximum reported to the bureau), 91.

WEATHER

Clear to partly cloudy and continue warm Friday night and Saturday. Maximum temperature Thursday 102 degrees; minimum Friday 79 degrees.

EGS ARE BURNED
Stanley Price, four-year-old son of Mr. and Mrs. W. R. Price of 934 Edwards Street, was given emergency treatment at Midland Memorial Hospital Thursday for first and second degree burns on both legs caused by a gasoline fire.

EMERGENCY PATIENT
Jimmy Brown, seven-year-old son of Mr. and Mrs. Jake Brown of 308 outh Terrell Street, received emergency treatment at Midland Memorial Hospital Thursday for head lacerations suffered when he ran into falling as a hamburger stand.

Scout Day Camp To Open July 30

Final preparations are being made for the Girl Scout Day Camp which will open July 30. All Scouts will meet at 8 a.m. each day in the Little House and then go to Cole Park where the camp will be held. International Friendship will be the theme for the day camp with each unit representing a country and learning its respective countries traditional songs, dances, foods, etc. Day camp will be held from 8:30 a.m. to 1:30 p.m. each day. The program for the camp includes nature study, conservation safety and outdoor life. Mrs. W. P. Crosby, day camp chairman, has urged all unit leaders and assistants to attend the training course Monday in the Little House. This course will be continued Wednesday in Cole Park.

REVENUE COLLECTOR SUFFERS HEART ATTACK

John R. Robinson, 52, senior deputy collector for the Internal Revenue Department here, is resting at home after a light heart attack last Friday. Robinson suffered the attack while on an assignment in Lubbock and returned to Midland for treatment at Midland Memorial Hospital. He was discharged from the hospital after three days.

HOSPITALIZED THURSDAY

Mrs. Harry Etta Westerman of 1801 West Illinois Street was admitted to Midland Memorial Hospital Thursday as a medical patient.

Ex-Profile King Has Decided To Turn Into A Character

By **ERSKINE JOHNSON**
NEA Staff Correspondent

HOLLYWOOD—Guys and Dolls: I haven't had a clue as to what some of the profile kings his age are going to do, but Lyle Talbot has thrown in the towel as a heart-flutterer.
Lyle, who was bussing Loretta Young and Barbara Stanwyck not too many years ago, now is listing himself: Character actor.
"You can't go on forever doing leads," he told us. "Being a character man is better. You don't have to watch your waistline. You don't have to worry about whether you're a handsome guy or not. What a relief."
What does Lyle think of his movie brothers who still insist on being dashing and irresistible around the 30-year mark?
"They're foolish," he grinned. "Audiences aren't going to continue to accept them."
Marie Windsor's got a word for glamour pee-wees who keep hoping that they'll grow an extra inch or two.
The word is "Don't," and Marie uttered it on the set of her new film, "East Is East."
The top of Marie's head hits the 5 foot, 7 1/2 inch mark on the measuring stick and she wants it known that her height "has been a handicap to my career all along."
Profile boys built up with elevator heels take one look at Marie's long frame and yell for somebody the size of Mary Jane Saunders—"and that," says Marie, "eliminates 25 per cent of my chance for good roles."
But what puzzles her most is that her first two picture breaks were with John Garfield and George Raft, who aren't Paul Bunyans by any stretch of the camera lens.
"I didn't have a bit of trouble," sniffed Marie. "My woe started after that. The whole thing is very frustrating."
Fighting Gal
Audrey Totter's holding up her own hand and shouting, "The WINNAH!"
And the producers and casting directors who stuck Audrey in gun moll parts are taking the count.
"It took me a year to fight it out," Audrey smiled happily. "Once you get that gun put in your hand, it stays there."
She's on the side of J. Edgar Hoover in Lippert's "FBI Girl" now and she returns to MGM for a whack at a heroine without homicide in her heart in "Country Line." And she'll be a wise-cracking secretary in a comedy radio series, "Meet Millie," this Summer.

"They're cream-puffs compared to Denise. You should see her on the punching bag. She's as strong as a man. You should feel her arms."
Fox may bill Michael O'Shea, who's usually listed over the title, under Thelma Ritter and Jeanne Crain in his big comeback stint in "The Marriage Broker," but he's not worried about it.
"Who reads billing outside of Hollywood?" he shrugged. "The thing to do is to get in and do a good job and forget about billing. Some actors I know have let themselves be billed above Ethel Barrymore. If anybody ever billed me over Ethel Barrymore I'd be ashamed."

Pilot Wins Acclaim For Safe Landing Of Airliner With 53 Aboard During Storm

RICHMOND, VA.—(AP)—Everybody agreed the veteran pilot had done a terrific job—even the top brass.
One of the bosses just happened to be aboard Thursday when a storm-whipped airliner carrying 48 passengers and a crew of five was set down in a pasture near Richmond during a violent storm.
There were no injuries—thanks to skilful maneuvering of the four-engine New York-to-Miami Constellation during its belly landing by Capt. J. B. Brook, a vice president of Eastern Air Lines.
"I don't think any of the passengers knew we were going to make an emergency landing. And it was only after we had bumped into the field and had come to a stop that any of them knew anything was wrong."
Brook might have exaggerated a little. Many persons were aware of the turbulent weather and the trouble the plane was having after it passed Philadelphia. Most of them were airmail.

But there was no panic and little confusion as the big craft skimmed across the grass, ripped through a small fence and finally stopped near a wooded area on a large estate, 18 miles southeast of here.
As flames licked up over a wing tip, the 53 persons aboard trooped out into the rain-drenched field. They shivered in a farm home as they waited for buses sent to the farm by the airline.

OUTDOOR MOVIE OPENS THURSDAY
McCAMEY—Announcement was made this week that the Circus Drive-In Theater will be opened Thursday by officials of Theater Enterprises, Inc. The new drive-in is located about one mile north of McCamey on the Crane Highway.
Doug Spieckerman, manager of the Grand Theater in McCamey, also will be manager of the Circus Drive-In.

TEXAS ELECTRIC SERVICE COMPANY

Anna Bines, director of home service for the Texas Electric Service Company, and nationally known home economist, cooking school lecturer and authority on the use of home electric appliances, will conduct the Reddy Kilowatt Cooking School of 1951. Miss Bines heads a new activity of the company that consists of demonstrations to groups in the use of major electric appliances, including home economics classes and cooking schools for homemakers.

Coming Events

SATURDAY

The Order of the Rainbow for Girls will meet at 3 p.m. in the Masonic Hall.

The Children's Story Hour will be held at 10:30 a.m. in the Children's Room of the Midland County Library and in the library's Dunbar Branch. At Terminal the time will be 10 a.m.

The Midland Officers Club will have a dance at 9 a.m. in the club house for members and guests. Lee Powers and his orchestra will furnish the music.

Caruso was 25 when he sang his first big operatic role.

St. Marks Circle Hears Dallas Pastor

The Rev. Ray Johnson, pastor of the Munger Place Methodist Church of Dallas, was the guest speaker at the meeting of the Miriam Circle of the St. Marks Methodist Church. The group met Thursday morning in the home of Mrs. C. M. Kile.

Mrs. Brandon Rea gave the opening and closing prayer.

Other guests were the Rev. J. B. Sharp, Mrs. W. N. Johnson, Mrs. Ralph McCleskey, Mrs. G. L. Dawkins, Mrs. Loyd Campbell, Mrs. J. P. Merriman, Mrs. M. S. Withers and Mrs. S. T. Crews.

Members present were Mrs. Leonard Storey, Mrs. Ted Heath, Mrs. Eugene Nearburg, Mrs. Elwood Kinney, Mrs. N. S. Terry and Mrs. Dale McReynolds.

SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JULY 20, 1951-3

Gift Tea Honors Bride

Mrs. Harold E. Woolcock, the former Hollye Friberg, was honored Thursday with a gift tea in the home of Mrs. R. C. Maxson.

Other hostesses were Mrs. J. E. Simms, Mrs. R. T. Kelley, Mrs. Roy Gardner, Mrs. H. F. Kelley and Ernestine Hough. More than 60 guests attended.

The refreshment table was covered with a white linen cutwork cloth over yellow. An arrangement of yellow and white flowers surrounded the punch bowl. Other flowers throughout the house ranged from shades of yellow to brown.

In Charge Of Register

Mrs. R. T. Kelly was in charge of the guest register. An arrangement of yellow and gold flowers in a copper container was placed on the guest table.

Mrs. Hough and Mrs. Simms alternately presided over the punch bowl. Billy Noyes of McCamey also was a member of the house party. Mrs. S. R. Bradley of McCamey was a guest.

The honoree wore a corsage of yellow rosebuds. The hostesses' corsages were of white flowers.

Grace Wallace Reports On Trip And Convention

Mrs. Grace Wallace, recently elected second vice president of the White Sulphur Springs convention at a meeting Thursday of the Altrusa Club. Mrs. Wallace also told of the two-week trip through the Eastern states made by the four Midland delegates to the convention.

The group met in the backyard of Mrs. Linnie Davidson for a fried chicken supper. Other hostesses to the club were Mrs. Virginia Johnson, Pauline McWilliams and Mrs. Nettie Romer.

Mrs. Maurine Mims, president, who also attended the convention, announced the theme for the club this year would be "There Is a Way." She then introduced Mrs. Wallace.

Guests of the club were Mrs. Marie Lomes, Eddie Stevenson, Johnnie Mae Campbell and Judy Randolph.

Members of the Odessa club attending were Hattie Owen, Velma Barrett, Ann Fox, May Barrow, Hazel Costin and Rosa Lee Cooley.

Others present were Agnes Park, Bertie Boone, Annie Ford, Nettie Johnson, Heila May Williams, Iva Mae Cox, Virginia Hoffman and Kay Williams.

There will be a business meeting of the club August 23.

TESCO's Cooking School Of 1951 Will Open Monday

Midland homemakers will have a chance to see demonstrations of the ease, convenience and accuracy of automatic electric cooking at the Reddy Kilowatt Cooking School of 1951, to be held Monday and Tuesday in the John M. Cowden Junior High School. Sponsored by the Texas Electric Service Company and conducted by Anna Bines, the company's home service director, the school will open each day at 7:30 p.m.

The recipes prepared each day will be different and are contained in a recipe book, a copy of which will be presented each homemaker attending the school.

Miss Bines is a nationally known home economist cooking school conductor authority on the use of electric appliances. She will be assisted by Mary Joyce Chambers, the company's assistant home service director.

Each day, prizes will be awarded and all the food prepared during the school will be given away. The meals which will be prepared include complete oven meals, surface meals and broiler meals, together with suggestions on how best to use the electric refrigerator and home freezer.

"Whether one uses an electric range or not, they will find the Reddy Kilowatt Cooking School of 1951 most interesting," R. L. Miller, district manager for Texas Electric Service Company, said.

Mrs. Henderson Is Club Speaker

Mrs. Charles F. Henderson of the Midland Garden Club was the guest speaker at the Thursday meeting of the Welcome Wagon Garden Club. The group met in the home of Mrs. Troy McCarty.

Mrs. Henderson spoke on "Flower Shows." She especially talked about the "Home and Garden Flower Show" which will be held here in October.

Mrs. J. W. Benn brought a flower arrangement of California daisies in pastel colors. Club membership still is open to newcomers who belong to the Welcome Wagon Club.

Others attending were Mrs. M. F. Barber, Mrs. E. F. Blake, Mrs. R. B. Cornell, Mrs. W. O. Ham, Mrs. W. E. Hollis, Mrs. R. M. Nugent, Mrs. C. H. Pearson, Mrs. A. E. Puller, Mrs. O. E. Vaudell, Mrs. L. L. Worden, Mrs. R. A. Wright, Mrs. J. W. Hackney, Mrs. L. W. Randerson, Mrs. Othel Griffiths, Mrs. Howard Rothrock, Mrs. James W. Terry and Mrs. R. W. Wall.

French Heels Club Works On Decoration

Members of the French Heels Club worked on decorations for the club's forthcoming charity dance at a meeting Tuesday night in the home of Mrs. Phillip R. Jonsson.

The club has chosen a South Sea island theme for the dance. It was announced Jack Free's orchestra would furnish the music.

Those attending the meeting were Tinker Hempell, Jan Kniekerbocker, Lis Williams, Pat Butcher, Jo Winders, Frances Eubank, Betty Kimbrough, Nancy Marshall, Julene Smith, Eve Smith, Rosemary Bohls, Eleanor Simpson, Ludy Whitley and Betty Perry.

But if a man be just, and do that which is lawful and right.—Ezekiel 18:5.

Never Trust A Communist

The crisis which interrupted the Korean truce talks indicates that we Americans still are slow to grasp the workings of the Communist mind.

When the first United Nations helicopter set down at Kaesong, it instantly was apparent the area was occupied by armed Communist troops moved in from the north.

Without prompt satisfaction on this point, they should have piled into their helicopter and spun back to their UN base at Munsan.

Some analysts blame the press for the ensuing breakdown of negotiations. They say the reporters' uprising over being barred was an unwise and unfair intrusion into a situation otherwise proceeding hopefully.

What was most important was not that they were stopped—though we had every reason to want them in Kaesong.

We never should have allowed matters to reach that stage. But since they did, General Ridgway's firm corrective demands were wholly in order.

An Illinois town voted for a new school and then defeated the bond issue to pay for it.

JACOBY ON BRIDGE

By OSWALD JACOBY Written for NEA Service

Players from all over the country will be assembling in Washington, D. C., in a week or so to take part in the annual Summer championships.

Last year Dr. Steinberg earned himself a new victory by teaching and making a touch-and-go slam.

The bidding was short and very much to the point. South's distribution and general strength

Bridge hand diagram showing North, South, East, and West cards and suits.

West opened the four of spades, and dummy won with the queen.

The king of spades followed and the bad news was revealed. Only four spades could be won because of the unfortunate 4-1 break.

Dr. Steinberg turned his attention next to the clubs, leading low from the dummy toward his king.

West won with the ace of clubs and returned the suit. Declarer won with dummy's jack of clubs and hopefully laid down the queen of clubs.

The slam now depended on guessing which opponent had the queen of diamonds.

Dr. Steinberg cashed his three top hearts first, to count the hands.

When West followed to all three, it became clear that he had started with exactly five spades and two clubs, and with either three or four hearts.

This made it apparent that West had started with either two or three of the missing seven diamonds.

On this reasoning Dr. Steinberg crossed to dummy's king of diamonds and then finessed the jack of that suit.

WASHINGTON COLUMN

Air Force Must Be Enlarged For Safety At Home, Abroad

By PETER EDSON NEA Washington Correspondent

WASHINGTON—How big an Air Force the United States should have for security is one of the most challenging subjects in Washington.

No statement set America back on its heels more than the recent testimony of Gen. Hoyt S. Vandenberg.

The "fact is," he said then, "that the United States is operating a shoestring Air Force in view of its global responsibilities."

All the Air Force publicity build-up previously has been to the effect that the United States had the best Air Force and the best planes in the world.

What was overlooked in General Vandenberg's statement was his qualifying clause, "in view of its global responsibilities."

This qualifier since has been emphasized and clarified. What General Vandenberg wanted to make clear was that if the United States was to be required to fight a Pacific war, a European war, a Mediterranean or Middle-East war and also launch a devastating strategic air attack on Russia, then its Air Force was a shoestring operation.

For the defense of the United States alone, the present 87-group Air Force might be sufficient.

The Air Force still sticks to the story that if Russia should attack the United States, American strategic bombers could retaliate with such force as to devastate Russian cities and industrial potential.

This boast can be made, however, only on one big assumption. It is that Russia has no guided missiles which will be effective in shooting down high level strategic bombers.

There is one other important factor which enters into this calculation. It is simply that the B-36 bomber rapidly is becoming obsolete.

It is obsolete in the sense that jet interceptor planes have been improved to such a degree they can overtake the slower B-36 and destroy it.

Russian MIG 15 jet, which General Vandenberg declared has superior speed and climb to American and British jets.

U. S. jets have greater fire power and better fire control. Also, American pilots are better trained.

WILD WEST CHARITY STANDISH BY CHARLES JUDAH

KEN MONTIJO looked at Charity out of level eyes. "I couldn't understand about Doug losing \$5000 till I got to inquiring. Everyone on the Plaza was talking about it. Seems he was crazy in love with some girl from the East. He had to get \$5000 or lose her."

But if everyone knows he was cheated, they surely can't make Doug pay.

But if everyone knows he was cheated, they surely can't make Doug pay.

But if everyone knows he was cheated, they surely can't make Doug pay.

But if everyone knows he was cheated, they surely can't make Doug pay.

But if everyone knows he was cheated, they surely can't make Doug pay.

But if everyone knows he was cheated, they surely can't make Doug pay.

But if everyone knows he was cheated, they surely can't make Doug pay.

So They Say

One of the worst things I find (in Europe) is that young singers are pushed into heavy work far too early because they need money.

However Russia misrepresents American aims and ideas, it has to swallow the vodka of our production figures straight.

What's wrong with spies? They are as good as Americans.

What's wrong with spies? They are as good as Americans.

What's wrong with spies? They are as good as Americans.

What's wrong with spies? They are as good as Americans.

What's wrong with spies? They are as good as Americans.

What's wrong with spies? They are as good as Americans.

What's wrong with spies? They are as good as Americans.

What's wrong with spies? They are as good as Americans.

What's wrong with spies? They are as good as Americans.

What's wrong with spies? They are as good as Americans.

What's wrong with spies? They are as good as Americans.

What's RIGHT?

Guests drop in during the evening and you are thinking of serving something to eat.

WRONG: Say, "I can get something to eat, if you'd like it."

RIGHT: Excuse yourself and bring something in. The guests will feel they must say, "Don't bother if you make the suggestion in a half-hearted fashion."

That kind of woman? she said stormily. "I might be any kind of woman for all you know. But I'll tell you this, Kenneth Montijo: Whatever kind of woman I am, I loved Doug and I didn't care whether he had \$5000 or five cents."

They looked at one another out of angry hostile eyes.

Charity surrendered. "Yet you did," she said softly.

He could be indifferent to her anger, even use it as a flint to spark his own; he was afraid of her gratitude.

"I did suspect Duke," he explained hastily.

"And caught him changing the dice."

"No, he's too smart. But when you threw crabs I knew they had been changed: the ones I'd given you turn up sevens."

"I see. Still it was taking a big chance to bet a thousand you could throw crabs. The new dice might not have been crooked."

"If he had suspected a trick and wanted to be sure of honest dice he'd have made the change openly. Besides, to be real sure, I did wait till you threw the second pair of aces."

He had finished. Charity con-

Have a Laugh

A philosopher gives these definitions: High-brow: One who says, "Please possess your soul in patience."

Medium-brow: One who says, "Hold your horses."

Low-brow: One who says, "Just keep your shirt on."

27 DUCKS WITH ONE SHOT DARWIN—An aborigine claims 27 wild ducks killed with one shot from a shot gun.

George Morgan, about 27, of Camden, N. J., put the head of a deadly diamond-back rattler in his mouth Thursday night and was bitten on the tongue, police said.

Police Chief Clifford Sitts said it was "an attempted suicide."

"The boy was despondent over his brother's death in Korea," Sitts added.

Morgan is a World War II veteran, and was wounded in action.

What may have been the world's first fashion books were written in the 16th Century, one by a Spaniard, Juan di Alcega.

Permian Basin Oil And Gas Log-Oilers, Drillsites Given Tex-Harvey

Two oilers and two new locations have been added to the Tex-Harvey field of Central-East Midland County.

Frank and George Frankel No. 1-O L. E. and J. H. Floyd, 663 feet from south and 1,948 feet from east lines of the lease in section 23, block 37, T-3-S, T&P survey, was completed for a 24-hour flowing potential of 243.38 barrels of pipeline oil through a 24/64-inch tubing choke and from open hole at 6,977-7,176 feet.

Gas-oil ratio was 415-1 and tubing pressure was 100 pounds. Gravity of the petroleum is 38.4 degrees.

El Capitan Oil Company No. 3 P. K. Jones, 660 feet from south and 1,980 feet from east lines of the lease in section 31, block 36, T-3-S, T&P survey, was completed for a daily flowing potential of 124.20 barrels of 36.2-gravity oil and no water.

Open hole from 6,935 to 6,988 feet was treated with 2,000 gallons of acid and 2,000 gallons of Hydrac.

Gas-oil ratio was 580-1 and tubing pressure was 100 pounds. Completion was on a 22 64-inch tubing choke.

Phillips Petroleum Company will dig No. 4 Hutchison 664 feet from north and 660 feet from west lines of the southeast quarter of section 36, block 37, T-3-S, T&P survey.

Magnolia Petroleum Company staked location for No. 2 Arthur Jenkins, 660 feet from south and west lines of section 39, block 37, T-3-S, T&P survey.

Wildcat Is Spotted In E-C Tom Green

G. W. Strake of Houston has filed application for a permit to drill an East-Central Tom Green wildcat eight miles east of San Angelo.

No. 1 C. J. Urban will be 330 feet from south and 3,036 feet from east lines of section 109, block 11, SPRR survey.

Contract depth is 5,500 feet with rotary tools.

It is two and one-quarter miles north-northeast of Sun No. 1 Frank J. Holik, which was abandoned in March of this year at 4,858 feet in the Strawn.

Weiner-Floyd Pool Gets Another Well

Rowan Oil Company No. 1 Walter Braden has been completed as a one-location north extension to the Weiner-Floyd field on Northeast Upton County.

The oiler was completed for a daily flowing potential of 349 barrels of 35.4-gravity oil and no water. Final was made on a one-half-inch tubing choke and from open hole at 6,948-7,056 feet.

Gas-oil ratio was 730-1. Open hole was given a Hydrac treatment.

Location is 2,007 feet from south and 660 feet from west lines of section 16, block 37, T-3-S, T&P survey.

Munger & Hickey Is To Drill Prospector

One and one-half miles north of the Aspermont Lake Canyon sand area Munger & Hickey of Dallas will drill the No. 1 American Legion.

The wildcat will be 94 feet from east and west lines and 120 feet from north lines of block 29, subdivision A, Aspermont townsite.

It will be projected to 6,400 feet to test the Ellenburger.

Dry Hole Reported In SW Mitchell Area

Ray A. Albaugh has plugged and abandoned his No. 1-90 Mary Chalk Estate as a wildcat failure in South-west Mitchell County.

The project was quit on total depth of 3,305 feet.

Drillsite was 330 feet from south and east lines of section 90, block 29, W&NW survey and less than one-quarter of a mile east of the Howard County line and 15 miles south of Iatan.

American Liberty Plugs King Venture

American Liberty Oil Company No. 1 E. V. Hardwick, wildcat in the extreme southeast corner of King County has been plugged at 5,960 feet.

The failure is one half mile north of the Katz-Strawn pool of Northeast Stonewall County and 330 feet from southwest and 880 feet from southwest lines of section 89, block 13, H&TC survey.

Crockett Wildcat Scheduled By Malco

Malco Refineries, Inc. et al have spotted a 2,000-foot cable tool wildcat as their No. 1 George Bean in Northeast Crockett County and one mile west of the 1,200-foot Betty pool.

Drillsite is 330 feet from south and 1,650 feet from west lines of section 34, block UV, GC&SF survey.

Crockett Venture Quit In Ellenburger

Shell Oil Company No. 1-5 University, wildcat in Northwest Crockett County has been abandoned at 11,446 feet in the Ellenburger dolomite after recovering sulphur water on a drillstem test from 11,313-412 feet.

The failure was 12 miles east of the Crockett field and 660 feet from north and west lines of section 28, block 5, University survey.

NW Reeves Test Is Plugged As Failure

J. J. Gerhardt of Midland has plugged and abandoned his No. 1 P. B. Wilson as a wildcat failure in extreme Northwest Reeves County.

It was drilled with cable tool to a total depth of 3,003 feet.

No shows of oil were logged in any formation.

Location was 330 feet from north and east lines of section 48, block 58, T-2-S, T&P survey and five miles west of Oria.

General American Oil Company No. 1-A O. P. Anderson, edge project in the Dixieland field of North Reeves County has been plugged and abandoned as a failure on total depth of 3,898 feet.

It was dug 656 feet from south and 660 feet from east lines of the southeast quarter of section 10, block 2, H&GN survey and 15 miles southeast of Oria.

Chief Tells JayCees Of Police Problems

New Police Chief Rube Hemingway, taking the law enforcement and traffic problems of a growing city seriously and who is taking those problems to the people through service clubs and other organizations, spoke to members of the Midland Junior Chamber of Commerce at their luncheon meeting Friday in Hotel Scharbauer.

"Let me tell you our side of the story," Hemingway asked. "Perhaps you have heard the other side from a person who just got a ticket or was fined."

The chief discussed the problems facing his department and told of plans to meet them. He termed the traffic problem as especially acute.

He said Midland's great growth had brought a problem of influx of undesirable, along with the better things that growth brings. He classified undesirable as those persons who break the law and are attracted to the larger cities.

"Midland's accident rate is up alarmingly. We are endeavoring to do something about it," the chief said. "Already a survey as to the cause is underway," he said.

Chief Hemingway was introduced by Johnny Rhoden, program chairman. Frank Hawk presided at the luncheon. Chuck Harringer, sports committee leader, reported on various JayCee-sponsored events. Marc Marchioni reported on a baseball project involving a game between JayCees and the Midland Fire Department.

Floods—

(Continued From Page One) business district, is on comparatively high ground.

President Truman said in Washington flood damage in the Midwest now is estimated at well over \$1,000,000,000.

The estimate was mentioned by Truman in a letter to Defense Mobilizer Charles E. Wilson. This would include personal, industrial and agricultural damage.

Wilson was designated by the President to direct and coordinate the activities of federal agencies in restoring the general economy of the stricken area.

Dickens Prospector Plugged, Abandoned

Headwaters Oil Company No. 1 Pitchfork Land & Cattle Company, wildcat in Central-East Dickens County, has been abandoned at 6,804 feet.

The wildcat was 15 miles west of the town of Dickens and 3,578 feet from north and 660 feet from west lines of section 13, block D, T. A. Thompson survey.

Livestock

PORT WORTH —(P)—Cattle 500; calves 150; steady; good and choice steers and yearlings 30.00-34.40; common to medium slaughter yearlings and heifers 22.00-28.50; beef cows 21.50-26.00; good and choice slaughter calves 29.00-32.00; stockers scarce.

Sheep 200; slaughter ewes steady; other classes poorly tested; utility shorn slaughter ewes 12.50.

Congratulations To

Mr. and Mrs. R. D. Jennings, 1007 South Main Street, on the birth Wednesday of a son weighing seven pounds, four ounces.

Mr. and Mrs. J. R. Paden, 308 West Hart Street, on the birth Thursday of a daughter weighing seven pounds, two ounces.

Mr. and Mrs. E. E. Osborne, formerly of Baird, on the birth Thursday of a daughter, Donna Marie, weighing two pounds, 10 ounces.

HERE FOR VISIT

Mrs. Elga Wilson and children of Brownwood arrived here Friday for a visit with her sister, Mrs. Gerald Fuller, 304 South Pecos Street.

Man Admits—Water Meet—

(Continued From Page One) he lived pretty high," Mason said. "He knew the right people and that's the way things are done here."

"Did Eungart ever deliver leases for which you gave him money?" Hoey asked.

"No, but he gave me a pretty good excuse," Mason replied. "He told me he couldn't get them right now because of the scandal now going on in Washington."

Mason took the witness chair after Senator Hoey (D-NC), the committee chairman, put in the record what he termed Mason's criminal record. Hoey previously had said the record is a long one.

When Hoey asked Mason his vocation, Mason replied "I represent people." He said he lives in New York.

Under further questioning by Hoey, Mason said his correct name is Sam Mussman, and that he changed to Mason "when I was in the security business."

Mason testified that he lost a leg in World War I and that he draws about \$195 a month in compensation.

"I used to get \$633," he said.

Hoey asked whether he spends much time playing the races.

"I believe I do," Mason replied with a trace of a grin, "whenever I have the money."

Was it true, Hoey wanted to know, that Mason made \$30,000 on the races in 1948?

Mason said he had made it all right, but probably had lost it, too—and more.

"Everybody does," Mason declared, drawing a laugh from the spectators in the hearing room.

Hoey asked how he could lose more than he won and stay at it.

"That's why I'm here," Mason said morosely. "It's a very bad habit."

Medical Treatment

E. A. Shults, an employee of the Borden Company, received emergency medical treatment Thursday at Western Clinic-Hospital.

The Lazy J Ranch's 1950 Ford F-3 Express with POWER PILOT was one of more than 5,000 Fords in the nationwide, 80-million-mile Ford Truck Economy Run.

"My ranch 'workhorse' runs for only 2 2/5¢ a mile!"

George Stephens of the Lazy J Ranch says: "The low cost my Ford Truck showed in the Economy Run speaks for itself. Naturally, I got regular service checkups from my Ford Dealer."

Ranch owner George Stephens proved for himself, in the big Economy Run, just how little it costs to run his Ford Truck!

"The Lazy J's Ford Express did itself proud in the Run," says Stephens. "Daily records kept during the entire six months show that our Ford Truck ran up a total of 5,109 miles. My out-of-pocket expense for gas, oil, maintenance and repairs was exactly \$123.51 . . . about a \$20 bill each month . . . only 2 2/5 cents a mile!"

The Ford Truck POWER PILOT is one reason why Ford Trucks cost so little to run, in ranch work or any work. The POWER PILOT gives you the most power from the least gas. In the low-price field, only Ford has it!

Availability of equipment, accessories and trim as illustrated is dependent on material supply conditions.

Favorite hustler for loads near 1 1/4 tons is this new 1951 Ford F-3 Express. V-8 or 6-cylinder power. Rugged full floating rear axle. Choice of two smart new cabs, for greater driving ease! Low 27-in. loading height. Power Pilot Economy. See your Ford Dealer . . . choose from over 180 Ford Truck models to fit your job!

Daddy Ringtail And Beasty On The Moon

Old MacDonald has a farm, so I see I oh! Yes, and now he was having some visitors, too, and the visitors were Daddy Ringtail, your monkey friend, and Mugwump Monkey, the monkey boy. They had come for a little visit with Old MacDonald and to see the telescope there on the farm.

To see "what" did I say? I said

they had come to see the "telescope," and "Here it is!" said Old MacDonald.

"Imagine!" said Daddy Ringtail when he saw it.

"My, my, my!" said Mugwump. "On my year! There was the telescope, right there on the porch of Old MacDonald's farm. The telescope stood on 11 legs, but the telescope wasn't alive, oh no. The telescope really was only a pipe for people to look through. Yeast, and when a someone looks through a telescope, then he sees the things that are far away, just as though they were right up close. It is almost magic, you know, how a telescope helps you see so far."

"Old MacDonald," said Daddy Ringtail, "first tell us where you got the telescope anyway." And so

Old MacDonald explained how a friend of his named Angus, who lives in Scotland, had sent the telescope for a present.

"But now let's look at the moon," said Old MacDonald, and he put his eye up close to the end of the

Injured Donor Gets Back Own Blood
 HOUSTON —(AP)— Two days ago John T. Brown donated a pint of blood to the St. Joseph Hospital blood bank here.
 While mowing his lawn Thursday, Brown was cut on both feet by a power mower. A doctor decided he needed a blood transfusion. Brown got his own blood back.
MEDICAL PATIENT
 Chester Kimberling of Crane was admitted to Midland Memorial Hospital Thursday as a medical patient.

CAB Authorizes One-Plane Service On West Coast Run
 WASHINGTON —(AP)— Continental and American Airlines were authorized Thursday by the Civil Aeronautics Board to interchange equipment between Houston and the West Coast.
 At the same time, the CAB revoked a permit authorizing Braniff, Continental and American to provide similar service.
 The new order allows Continental to extend its Route 29 from San Antonio to Houston. This will set up one-plane service between Houston and San Antonio on one hand and El Paso and points on American's Route 4 west of El Paso.
 The board also announced it will further consider on September 17 to a proposal to interchange planes of Eastern between Houston and Amarillo and TWA between Amarillo and the West Coast.

Lack Of Newsprint Halts Publication Of Louisiana Daily
 LAKE CHARLES, LA.—(AP)—The Lake Charles morning newspaper, The Southwest Citizen, suspended publication, effective Friday.
 The action was attributed to lack of newsprint.
 The paper told its readers: "This is the last edition of The Southwest Citizen as a morning newspaper. "It has no more newsprint on which to be published."
 The announcement was made by Thomas B. Shearman, publisher of The Citizen and The American Press, with which it was merged approximately one month ago.
 Shearman said the newspaper contract, which was supposed to go with the merger and without which it would be impossible to publish the paper, was declared non-transferable Friday by the New York paper company which supplied the Citizen's newsprint.

Gambling Charges Fled Against 13 In Galveston Raid
 GALVESTON —(AP)—Texas Rangers have filed felony gambling charges against 13 persons arrested in the Kemah Coffee Club in Galveston County.
 Charges were filed Thursday in Kemah, and Justice of the Peace Paul F. Labatie set a hearing July 25. Rangers said they arrested ten players and three dice dealers when they raided the club Wednesday night. They also said they confiscated \$80.
 Kemah is just inside the Galveston County line, about 30 miles northeast of the City of Galveston. Gambling in the island city has been in the spotlight recently under the probe of the state House Crime Investigating Committee. The raid caused speculation on whether or not it was a test move by Rangers into Galveston County situation.
 Galveston County Attorney Raymond Magee and Assistant County Attorney Jules Damiani went to confer with Ranger Capt. Hardy Purvis of Houston and Ranger Ed Oliver. The Rangers filed charges after the conference.
 Magee said, "Of course if the men are bound over on felony gambling charges, I'll prosecute them."

\$5,000,000 Asked For Flood Relief

WASHINGTON —(AP)— President Truman has appealed to Americans to donate at least \$5,000,000 through their local Red Cross chapters for flood relief in Kansas, Missouri, Oklahoma and Illinois.
 The appeal was made Thursday in a letter to Red Cross President E. Roland Harriman. At the same time, Truman allocated \$275,000 of existing federal funds for emergency relief, in answer to a request from Missouri Gov. Forrest Smith.
 A like amount was allowed last Saturday for Kansas flood sufferers.

CHILD RECOVERING FROM POLIO ATTACK
 McCAMEY—Charles Albert Adkisson, three-year-old son of Mr. and Mrs. C. N. Adkisson of McCamey, is recuperating at his home here following an attack of polio.
 The child became ill two weeks ago. He was flown to Fort Worth by his father for medical attention. He was reported to have a mild case.

Britain's Physicians Threaten Walkout

LONDON —(AP)— The Labor government received notice Thursday night that all 20,000 doctors in Britain's socialized health service will pull out September 25 unless they get arbitration of their demands for higher pay.
 The British Medical Association delivered the ultimatum to Health Minister Hiliary A. Marquand after BMA committees from all counties had conferred seven hours in London.

SELECTIVE SERVICE NAMES NEW CLERK

McCAMEY — Mrs. Burl Williams has been named clerk of Local Selective Service Board No. 1, replacing Mrs. Edith Ash, who resigned early this month.

WILSON'S NO REFUNDS, APPROVALS PLEASE!

West 'Stars' Trounce East Outfit, 8-4

Eddie Melillo, Ed Jacome Impressive

By LARRY KING
Reporter-Telegram Sports Editor

FAIR PARK STADIUM, ROSWELL, N. M.—An overflow crowd of almost 5,000 fans cheered the brilliant performance of the Longhorn League West All-Stars as they outslugged the East nine, 8-4, here Thursday night.

Thus the East—slightly favored in this clash—took its fifth defeat without victory in the annual classic.

Midland's Eddie Melillo was effective in his two-inning mound stint. The right-handed control artist hurled the third and fourth innings, allowing but one single and striking out one man.

Eddie Melillo, the squad's utility infielder who performed at second in the Thursday contest, was a defensive star. Melillo was credited with four putouts, four assists and singled in a run in the fifth inning.

Two other Midland players—Catcher Kenny Jones and Manager Zeke Bonura—appeared in the game. Jones went hitless in two trips, while Bonura walked in his only appearance.

The East scored first off Dean Franks in the second inning, as Pat Stasey and Bob Crues drew successive walks. Stasey took third as Crues was chopped down at second on a play from Melillo to Bob Souza. Sweetwater's Ken Funk reaching first on a fielder's choice. John Pollis, Vernon, was safe on a fielder's choice as Stasey scooted across with the run.

Eastham Slams Or
A mighty lead-off home run in the fourth inning over the 345-foot left field wall tied the game up, as Odessa's Leo Eastham pounded the four-bagger off Vernon's Marshall Epperson.

In the fifth, the West broke the game open as it scored seven runs on five hits and a pair of East miscues. Pitcher Evelio Ortega, Odessa, led off with an out, but Abe Fleitas, Artesia, reached base by error. Bob Souza walked, as did Leo Eastham, to fill the sacks. Bob Cearley—Roswell outfielder who last year drove in all three runs as the West won 3-1—came through again with a double off Loser Indio Beltran, to score two runs.

Bob Martin walked, then Melillo slashed a single down the third base line, scoring Cearley. Ken Cluley singled, and Martin scored when Ken Jones reached base by error. Ortega then singled, scoring Melillo, and Cluley and Jones came across on a hit by Abe Fleitas.

That ended the West scoring, and the East picked up three runs off Ortega in the sixth, although he was the winning pitcher.

Tayoan of San Angelo led off the sixth with a home run, with Funk of Sweetwater getting one in the same frame with a man on base.

That ended the scoring, although the fans enjoyed the performance of Israel Ten, Artesia pitcher, who was the best looking hurler of the night.

West All-Stars 8, East All-Stars 4
WT-NM League
South All-Stars 18, North All-Stars 11

By The Associated Press

They even hit the ball like legends in the West Texas-New Mexico League all-star game. The Class C league long has been pointed to as a hitters' league. Thursday night they staged their eleventh annual all-star game in Borger and 29 runs were scored.

The South outlasted the North, 18-11, to cop the decision as the highest score in the history of the classic was posted.

Five northern pitchers worked against the aroused Rebels but only Jesse Priest and Don Cantrell, both of Albuquerque, were effective. They held the Southerners scoreless the last four innings.

Mackey Ties With Choate For Medal

SAN ANGELO—Graham Mackey of Midland and Walter Choate of Baytown—two 18-year-olds—fired identical two-over-par 73's over the San Angelo Country Club course Thursday to tie for the lead at the halfway mark in the sixth annual JayCee Junior Golf Tournament here.

Mackey, who has been attending Summer school at TCU, was an outstanding Midland High School golfer last year.

At the end of the 36-hole play, the four top men will be sent to the National Junior Tournament at Durham, N. C., August 13-18.

Marceline Moreno of Midland posted a 79 score, Roane Puett had an 82, Raymond Leggett an 84, and Doyle Patton an 87. Moreno's score was good enough to put him in a three-way tie for the No. 12 spot at the halfway mark.

Major Leagues—Tribe Sinks Bosox

By The Associated Press

Roberto Avila, fleet-footed Cleveland second baseman, is the principle reason the Tribe has the "Indian sign" on Boston and is only a game and a half behind the American League-leading Red Sox.

It was Avila's batting and fielding Thursday that gave the Indians a 5-4 victory over Boston in 11 innings, their ninth in 15 meetings this season. That left the Tribe still in fourth place, but only two percentage points behind the Yankees.

The Yanks bowed to Chicago, 2-1, as the White Sox bounced back to within three points of the top. Only 17 points and a game and a half separate the top four clubs.

Both the feature games were day-light affairs. The St. Louis Browns beat Washington, 9-7, under the lights: Philadelphia and Detroit split a doubleheader. The Athletics took the first game, 5-0, but lost the second, 4-3.

Rain played havoc with the National League schedule, wiping out every game.

Citation, Winner Of Million, Is Through

INGLEWOOD—P—The Big Horse is through.

With those five words, fins was written to the racing career of Citation, the first million dollar winner in turf history and a thoroughbred many call the greatest of all time. Jimmy坎, trainer, spoke the words.

Retirement of Citation at the nice old age of six was the wish of Mrs. Warren Wright. She is the widow of the master of the Calumet Farm in the Bluegrass country, and it was her husband who set the final goal for Citation.

Sam Snead, Two Others Lead Open

MILWAUKEE—P—A field of 171 golfers headed for the half-way point of the \$20,000 Blue Ribbon Open tournament Friday with only 14 boasting sub-par figures.

Sam Snead shared top billing with three other "play for pay" performers as the second day of the 72-hole medal play meet opened.

Snead and his three cohorts—Ed "Porky" Oliver, Wilmington, Del.; Glenn Teal, Memphis, Tenn.; and Fred Hawkins, El Paso, Texas—had four under par 67's on the 35-36-71 links.

The 10 other sub-par posters were Henry Ransom, St. Andrews, Ill.; George Fazio, Pine Valley, N. J.; and Jimmy Demaret, Ojai, Calif., all one off the pace with 68's; Herman Coelho, Honolulu, and Julius Boros, Mid-Pines, N. C. with 69's; and a quintet of 70 shooters—Jim Ferrier, San Francisco; Kei Nagie, Australia; Chuck Klein, San Antonio, Texas; Jimmy Clark, LaGuna Beach, Calif.; and Bob Toski, North Hampton, Mass.

Crane Evens Score With McCamey Team

CRANE—The Crane Golf Oilers, behind the two-hit pitching of Boyd Reece, won a 2-0 game from the McCamey All-Stars here Thursday night to even the Permian Basin Softball playoff series at one game each.

The winning run came when Reynolds scored from second on a single by Guy Weeks. Red Denham was the loser.

A third game will be played here at 8 p.m. Saturday.

OUT FOR MONTH—Farris Fain will be sidelined for a month. The Athletics' slugging first baseman suffered four bone chips behind his left big toe stomping on first base after popping up in Chicago.

Texas League—Eagles Win On Perry's Run; Buffs Lose To Indians

By The Associated Press

The Oklahoma City Indians out-slugged the Houston Buffs in a wild ninth inning to hang a 7-5 licking on the league leaders Thursday night and put a stop to the run-away race being set by the little Cardinals.

The Dallas Eagles, who snapped their dizzy skid and at the same time stopped the Houston surge Wednesday night, made it two in a row with a ten inning, 5-2, decision over the Shreveport Sports.

Shortstop Bobby Wilkins made three errors on one man, Clyde Perry, to let him walk around the sacks with the winning run.

The San Antonio Missions' rapped the Tulsa Oilers, 3-2, while Fort Worth was trouncing Beaumont, 7-4, to move into a third-place tie with the Roughnecks.

Hong Kong has been a British possession since 1842.

Standard, Plastics In Final Game

The battle for the City Major softball title in the JayCee League will go the limit.

Standard of Texas out-slugged Western Plastic for a 13-11 win Thursday night, to send the series into the fifth game.

The fifth contest will be played at 8:15 p.m. Friday at Wadley Field.

Home runs featured the contest, as Bob Sherrod homered for Standard in the fifth with a man on base, and Sellen got a four-bagger to lead off the third inning.

Western Plastic clouted a pair, both in the fifth. Joe King's game with one man on, while Phil Brock's also found a man on base.

Chester Campbell, the winner, allowed 11 hits. Loser Jack Dunlap gave up five hits in two innings, while reliever Phil Brock allowed nine.

Dunlap will try again Friday for the Plastics—who won the regular-season title—with Campbell going for Standard of Texas.

King's Row

by Larry King

Some of the Longhorn League scorekeepers discussed the matter of impartial scoring at the loop's all-star game in Roswell Thursday. Players had complained that on the road, home teams always were favored in the matter of determining whether a play was a hit or an error.

All scorekeepers who took part in the discussion agreed to score as "impartially as possible" at all times.

Rusty Ayres of Artesia said he always scored the games as he thought a player on the team, and Odessa's Ben Feiler said the same practice was followed in Older Park.

Other scorers taking part in the discussion were Dick Venator of Midland and Don Pinkston of Roswell.

—KR—

ALL-STAR HIGHLIGHTS: Eddie Melillo made one particularly difficult play, grabbing a well-tagged ball that was deflected by Eddie Jacome, and throwing the runner out. . . . League Prexy Hal Bayles received a baseball with gold stitches, presented by the Spaulding Athletic Supply Company, before the contest. . . . Leo Eastham turned in the outfield fielding gem with a running catch of John Hardin's long fly to right field—the sixth frame. . . . Only sports writers from Odessa, Roswell, Artesia and Midland were present at the contest. . . . Vernon, San Angelo, Sweetwater and Big Spring scribes were absent. . . . Several Midlanders attended the game. . . . End of the Row for now!

Washington Irving, the writer, was once an American diplomat.

Cards Blitz Lions, 16-5, As Patton Wins

Dennis Patton was the winning pitcher Thursday as the Cards blitzed the Lions, 16-5, in a Little League baseball game.

Patton also hit a tripe.

The score:

Cards	125	260	-16	12	4
Lions	000	023	-5	5	7

Patton, Vann and Hillin; Vann, Hernandez and Stout.

SON OF LATE PRESIDENT JAMES A. GARFIELD DIES
BOSTON — Funeral services will be held Saturday for Irvin M. Garfield, 80, son of the late President James A. Garfield. Garfield, a prominent Boston attorney, died Thursday in Peter Bent Brigham Hospital. He was 11 years old when his father, the twentieth president, was shot fatally in 1881.

Texas Soldier Given 10 Years In Slaying

ANCHORAGE, ALASKA — A Texas soldier was sentenced to 10 years Thursday for shooting to death another soldier who failed to stop his truck and give the Texan some assistance with his stalled auto. An eight-man military court found Pfc. Chester W. Pitts, 27, of Terrell

OPS MAN TO CONFER

CRANE—Lee R. Gamble, price specialist from the Lubbock district Office of Price Stabilization, will be in Crane Tuesday afternoon to assist merchants with their price compliance problems. Gamble will confer with merchants at their places of business upon request.

Hockley Land Suit Transferred To 70th District Court Here

A three-year-old suit brought by a Hockley County attorney against two Midland men to recover a one-third interest in oil and gas mineral leases claimed to be worth \$250,000 has been transferred to the 70th District Court here.

The suit first was filed in Hockley County District Court in March, 1948, by Alvin R. Allison against L. G. Yarborough, Sr., and his son, L. G. Yarborough, Jr., of Midland. Allison's suit alleges he represented the defendants as their attorney in acquiring and perfecting titles to the leases on seven tracts of land in Hockley County and is due a one-third interest because of his services. The suit claims the one-third interest is worth \$250,000.

Three of the seven leases are on Rains County school lands and four are on Hardeman County school lands, the suit says.

The case was transferred to 70th District Court here by an order of the Hockley County District Court, which was upheld by the Court of Civil Appeals in Amarillo.

The Yarboroughs filed a plea of privilege to be sued in Midland County, which was sustained by the district court in Hockley County on Sept. 10, 1949.

Allison appealed the court's order to the Court of Civil Appeals, which, however, upheld the lower court's decision on March 1, 1951.

The suit was filed Thursday with the clerk of 70th District Court.

Old Stanton First National Bank Plans Opening Of New \$125,000 Home Saturday

STANTON — The First National Bank of Stanton, which opened its doors for business 45 years ago in a tiny frame building here, will move Saturday into its new \$125,000 home of brick and glass.

Open-house ceremonies will be held from 3 p.m. to 7 p.m. Saturday and the bank will open for business in its new building for the first time Monday morning.

"We are proud of our new home," said President Jim Tom, in inviting the public to inspect the new building, "and we think the rest of Stanton will be, too."

The new bank building is located directly across the street from the old two-story red stone building into which the bank moved a short time after its opening in 1906.

Designed and built by Christensen and Christensen, it is air-conditioned, newly-furnished throughout, and one of the most modern bank buildings in West Texas.

The exterior is of native West Texas stone and brick with huge plate glass doors.

The new building boasts a modern safety deposit vault as well as modern fixtures in the office and the main banking room.

Serving with Tom as officers are W. H. Houston, vice president; Edwin Garland, cashier, and Mrs. Mamie Tom, assistant cashier.

Members of the board of directors are Tom, Houston, Garland, Guy A. Eiland, E. Price, H. S. Blocker and Gordon Stone.

The new building also will house the Production Marketing Administration office and the Woodard Insurance Agency.

The old building will be remodeled into a store and office building.

In the 13th Century, a French master-tailor made patterns of thin wood, but was rebuked by his guild which feared women would steal them.
