## Soaking Rains Cheer Many Areas

### Prospects Of Good Winter Grazing Seen

By The Associated Press  
Slow, soaking rains over much of the state Monday brought increased optimism for good winter grazing and abundant winter grain crops.

It was dry, dreary weather for city people but farmers and ranchers loved the drizzle and slush.

The U. S. Weather bureau predicted continued light rains, mist and fog through Tuesday morning, at least.

A wet front which moved slowly downstate over the weekend was stationary just above Brownsville early Monday. Rain fell in the early hours in Corpus Christi, Mineral Wells, Wichita Falls, San Angelo, Texarkana, San Antonio and Alice.

Sunday, heavy rains ranging up to six inches at Brackettville fell over the ranching country of southwest Texas. The rainfall belt extended from the Sweetwater-Ablene area to Del Rio.

At Carter Valley, between Rocksprings and Uvalde, a total of four inches was reported. Cisco had 2.23 inches; Spofford, Kinney County, two inches; Sweetwater-1.80; Maryneal, Nolan County, 1.50; Del Rio 1.64; Colorado City 1.23; Clyde 1.50; Winters and Roby, one inch.

**Other Rainfall Totals**  
Other rainfall totals for the 24-hour period ended early Monday included:

Ablene .84, Big Spring .50, Dallas .13, Waco .38, Corpus Christi .12, Del Rio 1.35, Fort Worth 2.1, College Station .26, Mineral Wells .29, Junction 2.2, Dalhart .09, Palacios .08, San Angelo .09, Lubbock .06, Wichita Falls .08, and Austin .01. Traces of rain were reported at many other points in the state.

No major change in temperatures was expected through Tuesday in the state. The high Sunday was 87 at Laredo while the coolest spots Sunday afternoon were Lubbock and Big Spring with 53. The overnight low was 38 degrees at Dalhart.

### New Killing Stirs Suez Canal Area

CAIRO, EGYPT—(AP)—A British military spokesman Monday said an Egyptian woman was killed and her male companion wounded by British troops who fired on their automobile as they tried to crash through a British roadblock in the embattled Suez Canal Zone.

The spokesman said an Egyptian officer immediately made an official protest against the shooting, which occurred Sunday night after a weekend lull in the canal zone.

Egypt meanwhile moved toward a war footing.

The Egyptian State Council, which has the status of a supreme court, Sunday approved general mobilization of manpower and drafting of all Egyptians between 18 and 50 "in case of war or threat of war."

**High Council Of War**  
It also provided for setting up a high council of war headed by Prime Minister Mustapha El Nahas Pasha.

This latest move in the British-Egyptian squabble over the Suez and the Sudan needs only formal cabinet approval to become law.

The council acted as Egypt's parliament and met two weeks ago junking the two treaties providing for British sharing in the defense of the Suez Canal and in the rule of the vast cotton-growing Sudan.

Britain has refused to recognize the one-sided act and has poured thousands of troop reinforcements into the canal zone. She holds military control of the canal, despite Egyptian labor, food and water supply boycotts.

Badawi Khalifa Pasha, undersecretary of the Interior, said Sunday night 1,308 new British reinforcements for the canal zone had arrived Sunday in several ships at Port Said.

Egypt's mobilization bill provides that the war council under the prime minister would include the ministers of War, Interior, Commerce, Communications and National Economy and the Army chief of staff.

### Scattered Rainfall In Area Too Light To End Long Drought

A "wet" weekend with cloudy skies gave Midland and parts of its trade territory measurable moisture.

Sunday was the wettest day with the following precipitation reports: at the City Shops, 17 inch; at the CAA station, Midland Air Terminal, 29; and at the Gulf Pipe Line Station, 12 inch.

For all of its welcome, the rainfall was not enough to aid greatly winter grass of the ranches. However, it was expected to help seasoning for next year.

County Agent Charlie Green said Monday that in South sectors of the county the rainfall was not enough "to make moisture meet." This meant the current precipitation did not soak into the ground enough to meet the old moisture point.

There was a brighter picture in the northwest area of the county. One rancher told Green he had received the most moisture "since September a year ago."

A look at the rainfall chart showed the moisture drop, then, was spotted in the Midland territory. Odessa reported a shower. Big (Continued On Page 12)

### Gloria Gives Hubby Courtroom Dunking

HOUSTON—(AP)—Mrs. Gloria King gave her annulment hearing an explosive finish Monday drenching her husband (Abdullah) King III with water.

"Don't you think you've done enough of your darned yapping all over this town?" she cried tearfully after tossing a tumbler of water in her husband's face.

There was no annulment and not much of a hearing as attorneys for Gloria argued with Robert L. Sonfield, who had intervened as a "friend of the court."

When it was over, the hearing had been postponed until December 10.

Sheppard, the wealthy, red-haired Texas whose romance with an Egyptian belly dancer has intrigued millions of newspaper readers, snapped he wasn't going to be here then.

**Back To The Desert**  
"I'm going to be back on the desert with the Arabs," he said.

The romance of Sheppard and Samia Gamal started like a story book tale but assumed confusing aspects when it was revealed he and Gloria had been remarried June 2 in Dallas after their divorce in 1950.

Gloria, in her annulment petition, claimed she did not remember the marriage; that she had consumed too many "fancy drinks."

Sonfield, Houston attorney, filed an intervention petition, asking the court to refuse an annulment. He said the annulment petition mocked the integrity of Texas courts and particularly District Judge Robert A. Hall of Dallas, who married the couple.

Judge Ewing Boyd of 55th District Court set the hearing after Gloria's attorney, Seymour Lieberman, and Sonfield agreed on a date.

Rusty red-haired Gloria, her petulant face impassive, sat quietly throughout the proceedings. Sheppard sat in the rear of the courtroom and chatted with reporters.

He was standing at the rail separating the spectators section of the courtroom from the inner square when the hearing ended. As she passed by Sheppard, she threw the water in his face. It splattered a group of reporters.

Sheppard said that action was "just like her."

Sheppard said the new turn of events didn't make any difference in his plans. "I'm leaving here about December 10 for Cairo—not later than December 14," he said.

His sister, Pat, appeared in court with Gloria Monday.

"I'm just down here for the feather pulling," Sheppard said. "I just came so they can tear me apart."

### Legal Battle Over Martin Water Starts

AUSTIN—(AP)—Need for a planned water conservation project in the dry Big Spring-Odessa area was testified to in 126th District Court Monday in a legal battle over ground water control in Martin County.

Robert T. Piner, Big Spring banker and president of the Board of Directors of the Colorado River Municipal Water District, told the court the area is faced with a serious shortage of water and a rising population curve.

The water district's efforts to pipe water temporarily from Martin County water wells to the watershed area were blocked recently by spacing regulations set up by Martin County's Water Conservation District No. 1.

**Contracts Presented**  
The Colorado District was granted a temporary restraining order pending Monday's hearing on its application for a temporary injunction to invalidate Martin County control of the ground water in the well area.

The Colorado District presented the court signed contracts with landowners granting the Colorado District water well drilling authority in the Martin County area.

Eventually, the district plans construction of a dam on the Colorado River to serve the water needs of the well area.

Rowland, superintendent of the Colorado River water drilling concern, said he had drilled three water wells and 10 test holes in the Martin well area.

"The Colorado District is planning other wells," he said, indicating that other witnesses were scheduled to be called during the day.

The Martin County district was being represented by Martin County Judge James McMorris. The Colorado River District counsel is Houston attorney Victor Bouldin.

### Truce Negotiations Remain In Deadlock

MUNSAI, KOREA—(AP)—Allied and Communist negotiators again Monday failed to make any progress toward agreement on location of an armistice buffer zone in Korea.

"Today's discussions were completely inconclusive," the official UN spokesman announced.

Subcommittees of the main armistice delegations met three and one-half hours in Panmunjon. They scheduled their sixth meeting at 11 a.m. Tuesday (8 p.m. CST).

Each side has proposed a demarcation line. The UN wants it generally to follow the current battle line, mostly in North Korea.

The Reds want the Allies to pull back as much as 15 miles, giving up such hard-won positions as the Iron Triangle, the Punchbowl and Heartbreak Ridge. In exchange, they offered the Ongjin Peninsula in the west. The UN says that has little military value.

### CAA Authorizes Start On Control Tower At Terminal

WASHINGTON—(AP)—The Civil Aeronautics Administration Monday authorized construction of a new building and facilities at four Texas airports.

The City of Midland was authorized to begin work on a \$58,000 traffic control tower. Jefferson County was authorized to start work on a \$208,138 building to serve federal agencies and commercial airlines.

The Dallas Aviation School was authorized to start construction of a \$103,000 hangar at Love Field. The Harrison County Airport was authorized to install gas and water lines to cost \$30,000.

### Gift Thermometer

### Chest Drive Total Short By \$40,000

Midland's Community Chest lacked approximately \$40,000 Monday as the drive entered its second week with a total of \$15,000 raised.

John E. Reid, campaign coordinator, said chairmen and co-chairmen of the 1951 campaign would meet at noon Tuesday to formulate plans to speed-up the drive. Chest leaders had hoped the total of \$40,000 could be raised within the next 100 days.

Residential volunteers were being ringed door-to-door. Contributions were being accepted at homes and business establishments.

Rowland, superintendent of the Colorado River water drilling concern, said he had drilled three water wells and 10 test holes in the Martin well area.

"The Colorado District is planning other wells," he said, indicating that other witnesses were scheduled to be called during the day.

The Martin County district was being represented by Martin County Judge James McMorris. The Colorado River District counsel is Houston attorney Victor Bouldin.

### British Navy Lay Bare Outlines Of Five-Year Plan

LONDON—(AP)—Britain's new five-year plan for the years 1952-56 was laid bare Monday in a speech by Prime Minister Winston Churchill.

The plan, which is the first since the war, calls for a 20 per cent increase in national production and a 50 per cent increase in the number of British troops in the world.

Churchill said the plan was based on the assumption that the world would be at peace and that the United States would continue to be a major ally.

The plan calls for a 20 per cent increase in national production and a 50 per cent increase in the number of British troops in the world.

### November Grand Jurors Summoned

Twenty men were summoned Monday to report November 5 before Judge R. W. (Bob) Hamilton in 70th District Court for possible grand jury service.

The grand jury will be empaneled at 10 a.m. preceding the opening of the November jury term of the court.

Those summoned include F. G. Abbott, John A. Matthews, John Mason, Charles R. Hall, John L. Daniel, Frank P. Hawk, O. B. Hallman, C. J. Kelly, W. A. Yeager, J. M. Cox, John Dublin, Jr., S. M. Erskine, Hugh West, Allen Whitley, O. H. Jones, John H. Biggs, C. E. Nelson, A. H. Vineyard, Roy Minear and Gene Brewer.

### Rites Set Tuesday For Midland's First Korean War Victim

By COPE ROUTH  
The bitter tide of the Korean War washed back home Monday the body of its first Midland victim.

And Midland prepared to pay homage Tuesday to the memory of 19-year-old Delmas G. Decker, the Army private who was felled in combat on the afternoon of last March 16.

Flags will be flown Tuesday at halfmast and the city's veterans organizations will participate in funeral services to be held at 3 p.m. in the Newell W. Ellis Chapel.

Mayor Perry Pickett called on Midland residents to pause for a moment of silent prayer at that time.

"Let us not only honor the memory of Delmas Decker," said the mayor, "but let us pray for the safekeeping of the many other Midland boys who are fighting the battle and for the millions of Americans in uniform as they face an uncertain future."

**Former MHS Student**  
The body of the former Midland High School student arrived Monday in a flag draped coffin, escorted from San Francisco by Sgt. John Seay.

His grief-stricken mother, Mrs. B. W. Harmon of Midland, and other members of the family stood by quietly as the coffin was taken from the eastbound Texas & Pacific train and borne to the waiting hearse.

After leaving school, Decker had worked in a grocery store and a bowling alley in Midland and on March 7, 1948, he enlisted in the Army at Neosho, Mo.

He completed his basic training at Fort Knox, Ky., and was sent overseas.

As the war swept across Korea Decker twice was wounded and twice he returned to action.

He was wounded fatally on March 16 to become Midland's first victim of the Korean action.

**Military Rites**  
His body was returned to the United States last week aboard the USS Maiden Victory, which sailed from San Francisco, Calif., Sunday.

(Continued On Page 12)

Pvt. Delmas G. Decker

### Seven Die, 22 Hurt In Bus Mishap

OAKLAND, CALIF.—(AP)—A crowded Greyhound bus hit a loose block of concrete on a bridge approach early Sunday and plunged down 40 feet, killing seven and injuring the other 22 persons aboard.

The slab of concrete was torn from an abutment on the San Francisco Bay Bridge approach by another automobile accident three minutes earlier.

The bus blew a tire when it hit, careened across the roadway and smashed through a concrete and steel safety railing with a flash of sparks. It teetered a moment, then toppled down to railway tracks 40 feet below.

**Load Crunching Noise**  
"It made a loud, crunching noise when it hit below," said John Shepard, Oakland Tribune truck driver.

A 16-year-old bus passenger set his stop watch as the bus went over. It was 5:22 a.m.

Like everyone else, he was knocked unconscious by the crash.

"Then," said Charles B. Taylor, who lived nearby:

"People were screaming 'Get me out... for God's sake get me out.'"

"One woman kept shouting: 'Turn off the ignition before we all blow up.'"

The crumpled bus lay upside down, flattened so badly some of its morning injured were trapped almost two hours.

Some of the injured—once they gathered their consciousness—were able to climb out afterward through windows, but it was necessary to use hammers, crowbars and other rescue equipment to get the others out.

### James Aiken, 71, Dies In Fort Worth

James Aiken, 71, widely-known building contractor and the first employer to be retired by The Western Company of Midland, died Sunday in Fort Worth of a heart ailment.

He resided at 2001 North Big Spring Street here until a few months ago, when he returned to San Antonio, his former home.

He was superintendent of construction for The Western Company at the time of his retirement.

"Aiken was construction superintendent for the Builders Exchange Building, one of the larger structures in San Antonio. He was born in Scotland May 25, 1880, and migrated to San Antonio in 1907.

Survivors include the widow of the home in San Antonio; a son, Bill Aiken of Midland, and four other children.

The body has been sent to San Antonio for funeral services and interment. Arrangements are pending.

### 11 Men Injured As B-29 Crashes

SACRAMENTO, CALIF.—(AP)—A B-29 crashed at McClellan Air Force Base Sunday night, spun around, ground looped, broke in two and caught fire.

The 11 men aboard escaped with injuries. But a civilian fireman dropped dead of a heart ailment while helping put out the flames.

Names of all 12 were withheld.

Two crewmen were reported in serious condition. Injuries of the other nine were described as minor.

The Superfort was returning to McClellan for an emergency landing after a faulty takeoff for Honolulu.

### LATE NEWS FLASHES

**QUITO, ECUADOR—(P)—**Seventy thousand Ecuadorean workers went on a 24-hour strike throughout the country Monday in a protest against Congress.

**NEW YORK—(P)—**Additional bail of \$15,000 for three convicted Communist leaders, who failed to show up to start prison terms last July and who now are fugitives, was ordered forfeited Monday by a federal judge here.

**YOKOSUKA, JAPAN—(P)—**The U. S. Navy Monday turned over to the Royal Thailand Navy two American frigates, the Glendale (PF-36) and the Gallup (PF-47).

**THE HAGUE, THE NETHERLANDS—(P)—**The Netherlands government Monday announced it would send a full delegation of military experts to the current Paris talks on formation of a European Army.

### Green Flare Spurs Search For Missing Coast Guardsmen

WAUKEGAN, ILL.—(AP)—A green flare sighted by an airplane over Southern Lake Michigan Monday rekindled search efforts for two missing Coast Guardsmen.

They vanished while searching for three duck hunters believed to have drowned in the lake Saturday.

Capt. Charles O'Connor, flying an American Airlines ship, reported sighting the flare at 4:10 a.m. five miles east of the breakwater at 87th Street in Chicago.

The search was carried on by three 200-foot cutters equipped with radar, by planes, and a number of small surface craft.

**Missing Since Sunday**  
The Coast Guardsmen, Robert Sawyer, 20, boatswain's mate, of Detroit, and Max Wage, 26, engineer, of Milwaukee, last were heard from Sunday while searching near Waukegan for the missing sportsmen.

An air-sea combing of almost 100 miles of the southwestern tip of Lake Michigan Sunday failed to uncover any sign of Sawyer and Wage, who were manning a 30-foot crash boat.

The 16-foot outboard motor boat used by the hunters was found at dawn Sunday, partially submerged and drifting off the Waukegan harbor, some 30 miles north of Chicago.

The three men, Walter E. Immanuel, 31, and Ralph Savakko, 21, both of Waukegan, and William Brown, 21, of Zion, Ill., last were seen Saturday.

### Pickets Again Halt Atom Project Work

OAK RIDGE TENN.—(AP)—Construction of a vital atomic plant phase project was halted Monday by an AFL plumbers' strike.

The plumbers posted picket defiance of orders of their international union president. And for the third straight day, hundreds of AFL workers honored the picket line.

The Atomic Energy Commission announced the project was being put down because of lack of workers to man the job.

### Grid Tickets To Go On Sale Wednesday

Tickets for the Midland-Vernon 1-AAA football game at Vernon Friday are scheduled to go on sale here Wednesday.

Vernon is sending an allotment of reserved seat tickets. The sale will continue through Thursday, but none can be sold here Friday.

Tickets may be purchased at the superintendent's office at the high school by adult Midlanders. Student tickets will be sold at the principal's office.

### NW Midland Tester May Open New Pool From Devonian Pay

Prospects for the opening of a new oil field in Northeast Midland County at Greenbrier Oil Company and Mendota Oil Company No. 1 O. H. McAllister have brightened.

This prospector developed a good show of gas and some distillate in a drillstem test in the Devonian at 11,287-288 feet.

The tool was open one hour. Gas surfaced in five minutes. Gas volume during the rest of the test was at the rate of 1,000,000 cubic feet per day.

Recovery was 280 feet of distillate and 270 feet of slightly mud cut distillate. There were no signs of formation water.

**Cleaning Out Hole**  
No open flowing bottom hole pressure was reported. Shut-in bottom hole pressure after 15 minutes was 4,235 pounds.

At last report operators were cleaning junk out of the hole. After that activity had been finished the project was to core deeper.

Top of the Devonian is at 11,227 feet. Elevation is 2,722 feet. A drillstem test in the top of the Devonian at 11,232-258 feet had some shows of gas, but no signs of oil.

The Strawn line of the Pennsylvania at 10,335-373 feet showed some free oil and some gas.

Location is 600 feet from north and east lines of section 40, block 37, T-1-S, R-1-P survey. That makes it nine miles east of the city of Midland.

### Lower Spraberry Opener Completed In Reagan Sector

A new lower Spraberry producing area has been opened in Northwest Reagan County by Sohio Petroleum Company.

The firm reported potential test for its No. 1 Leonard Proctor, at the center of the northwest quarter of the northeast quarter of section 32, block 36, T-5-S, R-1-P survey.

It was completed through perforations at 7,563-7,596 feet, opposite the lower Spraberry, for a calculated daily flowing potential of 645.04 barrels of 40-gravity oil. The flow was gauged on a 25 64-inch tubing choke. No water was made.

The potential was based on an actual six-hour gauge of 136.26 barrels. Gas-oil ratio was 512-1 and tubing pressure was 225 pounds.

Operator used 1,500 gallons of Hydratrac to complete the discovery.

The closest other lower Spraberry production is 13 miles to the south in the Weddell-Spraberry field.

### Sinclair Project Seen As Extender To Driver Field

A two-mile east extension to Spraberry production in the central portion of the Driver field of Southwest Glasscock County, has been indicated at Sinclair Oil & Gas Company No. 1 Norma Calverley.

Operator took a swabbing gauge when total depth was 6,856 feet.

In two hours, 18 barrels of clean oil were recovered. There are 1,356 feet of clean oil in the hole. Estimated top of the Spraberry is at 6,835 feet. Five and one-half-inch casing cemented at 6,822 feet.

At last report, operator was preparing to drill deeper. The Spraberry section is being dug with cable tools.

Location is 600 feet from south and 1,980 feet from east lines of section 31, block 36, T-4-S, R-2-P survey.

### Wolfcamp Opener Is Indicated In W-C Lea Region

Interesting shows for a possible Wolfcamp discovery in West-Central Lea County, N.M., were found on a drillstem test in Humble Oil & Refining Company No. 1 Federal-Elliott.

Operator took a two-hour and 45-minute drillstem test from 11,285 to 11,353 feet. Gas surfaced in nine minutes at the estimated rate of 100,000 cubic feet per day. Recovery was 940 feet of heavily oil and gas-cut mud. Gravity of the oil tested 40 degrees.

No water was recovered.

The last top reported in the wildcat was the Abo at 8,020 feet.

A previous drillstem test from 10,800 to 10,725 feet developed 75 feet of gas-cut mud on the recovery.

No. 1 Federal-Elliott is nine miles (Continued On Page Seven)

### Jacoby On Bridge

By OSWALD JACOBY  
Written for NEA Service

"I've been playing bridge ever since my hands were big enough to hold a deck of cards," writes my good friend Maury Bryan, of Brooklyn, "and in all that time I had always heard that the correct card to lead from a doubleton was the higher card of the two. I was brought up on that advice, and I have always given it to my own pupils.

"You can therefore understand why I felt that the world was coming to an end when this hand came along in my regular duplicate

since otherwise South would develop the clubs and get rid of two spades on dummy's extra clubs. If East returned the jack of spades, South's nine would be high; and if East returned his low spade, South could put up the nine to win the trick.

"The contract would be beaten if West led the eight of spades instead of the ten. Dummy would play the queen, and East would take the ace. East would then return the low spade, and West's ten would force out dummy's king. Then East would have the jack of spades to cash when he got in with the king of clubs.

"Isn't this a disturbing hand?" I agree that it's a very unusual hand. It doesn't disturb me, however, because I have always thought that there is no such thing as an unbreakable rule. Nevertheless, I think that only one bridge player in a thousand would be thoughtful enough to lead the eight of spades rather than the ten.

### CARD Sense

Q—With North-South vulnerable the bidding has been East South West North 1 Heart 1 Spade Pass 2-7-3-2 Heart 4 Diamonds J-9-4 Clubs A-J-5. What do you do?  
—A—Bid one spade. Your suit is a bit thin, but it is six cards in length. There is little point in making a takeout double since you are not especially well equipped for the minor suits and can afford to play the hand at spades even if North has poor support for your suit.

TODAY'S QUESTION  
With North-South vulnerable, the bidding has been West North East South 1 Heart 1 Spade Pass 2-7-3-2 Heart 4 Diamonds J-9-4 Clubs A-J-5. What do you do?  
Answer Tomorrow

## Violence Takes 14 Lives In Weekend

By The Associated Press  
Traffic mishaps killed at least 11 persons in Texas during the weekend.

Other violent deaths reported included one shooting, one electrocution and one person dead from breathing poisonous fumes.

The latest reported deaths include:

Amon Terrell Gordon, 39, of Fort Worth was killed Sunday when the car in which he was riding slipped off the road and smashed into a telephone pole.

Mrs. E. E. Zimmerman, about 70, was struck by a car and killed instantly at a street intersection in Coleman Sunday night. Her death was the first traffic fatality in Coleman since 1946.

Three members of a pioneer Waco family were killed Sunday in an automobile collision 13 miles west of Waco. They were Henry Sears Earle, 82; Mrs. Earle, 78, and her cousin, Kate Nelson, 67, of Walnut Springs. Two others were injured critically.

Shooting Victim  
Clifton W. Purdie, 43, of San Antonio was shot to death early Sunday near his residence. A man who lived in front of the Purdie residence told officers he fired one pistol shot after he heard someone walking in his back yard.

Henry Ernest Werneking of Sanderson was killed Sunday when his car left Highway 90, six miles west of Comstock.

John S. Shook, of Chilton, Texas, was killed Sunday night in an automobile collision about 10 miles south of Waco.

James A. Fitzhugh, 27, of Lancaster, Texas, was killed Saturday when his car overturned near Dallas.

Mrs. Hazel Linder, 54, of McAllen was killed when a car overturned twice near Dallas Saturday. Her husband, Jesse, was thrown clear of the car and suffered a fractured right wrist.

Head-On Collision  
Mrs. Walter Marshall, 68, of Teague died in a head-on automobile collision Saturday near Hutchins, Texas. Her husband remained in a critical condition Sunday. The other car was driven by Edward M. Pluto of Dallas, according to Sheriff Bill Decker.

A Latin American girl entertainer, Delia Romero, 19, was killed in the crash of a chartered bus into a bridge near Kaufman Saturday.

Perez Prado, Cuban orchestra leader, was cut and bruised. Nine other members of his troupe were hospitalized at Kaufman.

Jack Pierce, 18, was electrocuted Saturday and Sid Fuller, 17, was injured slightly when a well drilling rod with which they were working at Irving, Texas, touched a power line.

A Brazilian seaman, John Fernandez Demoras, died at Houston, apparently from breathing poisonous fumes while working in the hold of his ship Saturday.

MISSING IN ACTION, Army Sgt. Douglas E. Stephens, Amarillo  
MISSING IN ACTION, Marine Corps: Second Lt. Carl R. Lundquist, Georgetown.

Most of those jailed were released on bond.

The Liquor Board agents, aided by city police, rounded up 59 persons at one tavern and 33 at another.

### Modern Godiva Makes Tax Protest Ride In Pink Tights

SACRAMENTO, CALIF.—(AP)—Now we have "Lady Godiva" doing her stuff—in pink tights—at a horse show.

The stunt, with the traditional knee-length blonde wig and spid against high taxes, featured Mrs. Thelma "Shug" Coburn, riding side-saddle at the show staged here Sunday by the Sacramento County Horsemen's Association.

After her ride the blue-eyed blonde made her way to the microphone and started urging people to "write your congressman." But the racket from a low-flying plane drowned out the rest. The crowd never found out what she wanted them to write.

"Lady Godiva's appearance followed her husband's comment last week that it would bring people out to the horse show. Jerry Coburn is a member of the association.

While she was in the arena, Coburn busily snapped pictures.

and, afterward, she was made an honorary member of the Horsemen's Association.

RETIRED MANUFACTURER DIES IN SAN ANGELO  
SAN ANGELO—(AP)—Truman H. Sims, 68, former truck body manufacturer of Dallas, died here Sunday.

Funeral services were scheduled here Monday.

Sims retired from business in 1934 and moved here.

Quick, Neb. is in Frontier County, vatory and Mount Wilson are examining photographic plates of sections of sky for new and distant celestial objects.

### Liberal Party Chief Snubs Bid To Post In Churchill Cabinet

LONDON—(AP)—The liberals Sunday night conditionally promised their six House of Commons votes to bolster the narrow Conservative majority, but Liberal Leader Clement Davies said "No" to a cabinet bid from Prime Minister Winston Churchill.

The liberals said their six members would swell the Tories' 18-seat majority on "measures" clearly conceived in the interest of the country as a whole.

Davies, however, after a second weekend conference with Churchill announced he "felt unable to accept" the Conservative leader's offer of a post in the cabinet, the new prime minister still was forming.

Churchill named eight key members to his government and hoped to complete the lineup before Parliament reconvenes Wednesday.

The offer to Davies was designed to give the government the "broad base" promised by Churchill during the campaign, as well as to meet their House of Commons majority, the Tories drew 200,172 fewer votes than Laborites in Thursday's general election.

### Texas Air Force Chaplain Drowns

PATRICK AIR FORCE BASE, COCOA, FLA.—(AP)—An Air Force chaplain from Texas lost his life Sunday while trying to rescue two men from drowning.

He was Maj. John R. Stephens, 40, Patrick Air Force Base chaplain, of Spearman, Texas.

Major Stephens helped form a human chain to reach two men caught in a dangerous undertow at the beach. The chain broke up in the rough surf and Stephens was caught in the undertow. The two men were rescued.

The widow, Mrs. Alla Mae Gam-mill Stephens, formerly of Sulphur Springs, Texas, was with him at the base.

### 13 Soldiers Hurt As Truce Balloon Explodes, Burns

PANMONJOM, KOREA—(AP)—One of four big, yellow balloons marking this new armistice conference site exploded Sunday and burned 13 American soldiers.

The men had lowered the balloon for refilling with hydrogen.

"It exploded all at once, flames and all," said Pvt. Donald Ryan, Los Angeles. He was unhurt.

Some soldiers jumped into a nearby stream to extinguish their flaming clothing.

Helicopters evacuated 11 men who suffered the worst burns. An ambulance took the other two back to UN lines.

The balloons are used to warn aircraft away from the conference neutral zone.

IT'S ANOTHER GIRL FOR BOB CROSBY'S HOLLYWOOD—(AP)—It's another girl for the Bob Crosbys. A daughter was born to the band-leader's wife Saturday. They now have two girls and three boys. Brother Bing has four, all boys.

### Defense Assistant Maps Point System For Troop Rotation

SOMEWHERE IN KOREA—(AP)—Gen. J. Lawton Collins, U.S. Army chief of staff, Monday said Allied forces "will have to stay in Korea for some time if a cease-fire is arranged."

Collins told newsmen it would "not be practical" to pull Allied troops out of Korea immediately if agreement on an armistice is reached at the Panmunjom negotiations.

He said the South Korean Army "needs our help for some time to come."

"We want to get our men home as soon as possible, but it would not be done immediately."

In Tokyo, Mrs. Anna Rosenberg, assistant secretary of Defense in charge of manpower, told a news conference 12,000 to 15,000 U.S. combat troops will be brought out of Korea by the end of next month under a new point-rotation formula.

She said Army, Navy, Marine Corps and Air Force men can go home if they have accumulated 37 points and if their replacements are on hand. She emphasized that the policy applied to combat troops, not rear echelon men.

How Points Are Figured  
"This is how points are figured:

1. Four points monthly to men in the combat zone and at division headquarters.

2. Four points monthly to men on behind-the-lines duty and at corps headquarters.

3. One and one-half points monthly to single men in Japan since July, 1950, and to all men, single or married, on Okinawa, Guam and in the Philippines.

4. One point monthly to married men in Japan whose dependents are in Japan.

Point credit is given wounded men during hospitalization and others for time spent in confirmed prisoner-of-war or missing-in-action status.

Mrs. Rosenberg said National guardsmen promised discharge within 16 or 17 months duty as individuals, not as units.

### Mady Christians Of Stage, Screen Fame, Dies At 49

SOUTH NORWALK, CONN.—(AP)—Actress Mady Christians, best known for her portrayal of mama in the Broadway hit, "I Remember Mama," died Sunday night.

Death came three hours after she was admitted to Norwalk Hospital following a cerebral hemorrhage suffered at New Canaan, Conn., where she had been staying recently.

Miss Christians, 49 and a native of Vienna, Austria, appeared in 15 Broadway shows and also in motion picture.

Miss Christians' nearest surviving relative is a cousin, Mrs. Max Beckman of New York City.

She had to leave George Brant's touring company of "Black Chiffon" a month ago when she became ill. She was replaced by Sylvia Sidney.

### Monahans Plans Yuletide Program

MONAHANS—November 30 has been set as the date for Monahans' first all-day Christmas program sponsored by the merchants committee of the Monahans Chamber of Commerce, according to H. J. Asher, chairman.

Highlights of the day's program will be free all-cartoon movies, big Santa reception, mammoth Christmas parade, special musical attractions and a treasure hunt for free merchandise prizes.

High school bands will compete for trophies in the parade and will be featured in other phases of program.

Six thousand persons, including 2,500 children, are expected to jam Monahans for the event, he said.

Grated cucumber is delicious added to sour cream and served with cold boiled salmon for a hot-weather main course.

### IN HOLLYWOOD

### Duff May Star For Wife Ida In Independent Production

By ERSKINE JOHNSON  
NEA Staff Correspondent  
HOLLYWOOD—Behind the Screen: Howard Duff's marriage to Ida Lupino has the fan magazines yelling for an article titled, "I'm In Love With My Producer," by Howard Duff.

"Could be," winked Howard when I asked him if he would star in a movie for Ida's independent movie-making company now that he's received a release from his UI contract. Duff's explanation for his sudden exit from UI:

"It's something I've wanted to do for a long time. I'd like to get different parts—parts I don't get at UI."

Marriage plans of actress Janis Paige, now starring in "Remains to Be Seen" on Broadway, and orchestra leader Dick Stabile have been called off. Stabile, who is at Ciro's with his band, has reconciled with his wife, the former Trudy Ewan, and says:

"Janis was being blamed for the break-up of my marriage. Actually, she had nothing to do with it. I was the heavy in the case all the way through."

Director George Sidney sent Red Skelton one of those gnarled, aged, expensive sections of driftwood so popular in contemporary decor.

Red, always the prankster, couldn't resist sending Sidney a thank-you wire which read:

"Fireplace log beautiful. Had to saw it up to get it on the andrains. Thought of you while toasting marshmallows over the coals."

Pat Neal and Gary Cooper are still closer than a mosquito's eyes. Maybe it's the tension of Cooper's property settlement talks with his Rocky that prompts Pat to pretend she hardly knows the lanky star.

Canned TV  
The Ritz Brothers, who have vetoed all TV ideas proposed to them, now have decided on a filmed show from Hollywood—patterned after the techniques introduced by Lucille Ball and Desi Arnaz in their "I Love Lucy" package. They play it live to an audience but it's on film when it hits the TV screen.

The property settlement papers have been signed by Francesca de Scaffa and Bruce Cabot. Gorgeous Francesca will collect \$350 a month for 18 months.

Coming soon—Claire Trevor's debut on TV.

"I want to do it, if only to show Hollywood that I can do something other than gun-molls with hearts of gold," she told me. "But so far there's been nothing submitted to me that wasn't real second rate."

Comic Lew Parker is warbling new lyrics to "Old Smokey." First two lines:

"On top of smoked salmon.  
"Cream cheese is real fine."

Pat Medina, who took over the role when Barbara Payton took over the newspaper headlines, plays the dual part of twin sisters in "The Lady in the Iron Mask." A new scene now will also have her impersonating a boy. "At this point," whispered gorgeous Pat, "I'm a little confused."

Lillian Roth, singing her talented heart out, sent the arrow on the applause meter up to the million mark at her Mocambo opening. An entertainment bull's-eye from the lark who hit screen stardom in the late 30's in Paramount musicals.

Good Reaction  
A sneak preview of "Love Is Better Than Ever," Larry Parks' costarring MGM picture with Liz Taylor, was held in a town just outside of Hollywood recently and

Larry reports that public reaction to his appearance on the screen was "good."

"At least that's what I've heard

from some fans who were there," Larry told me. "I've had no official word about it."

Betty Garrett, who has elected to stay away from the Hollywood sound stages until her husband resumes his career, smiled happily while Larry continued:

"I've received a lot of wonderful letters from people. Out of 485 letters, there were only nine bad ones. The encouraging letters were nice to get, believe me."

UI is paging Diana Lynn for two more pictures. . . . The word from New York is that Judy Garland won't take that TV plunge until after her Palace stint is out of the way. . . . "Farewell to Love," a new song destined for the Hit Parade, was authored by Henry Hack, the maitre d'hotel at the Beverly Wilshire.

Joey McCrea will head for England to star for producer Raymond Stross in "Roughshoot," from the Geoffrey Household novel. A suspense film, not a hay-burner.

For many centuries, the Chinese kept the secret of silk. They made the outside world believe it was crumbed from trees.

## Officers Club Sponsors Party

The Midland Officers' Club sponsored a children's Halloween party Sunday in the clubhouse, with Mrs. Joe Kennedy in charge.

First, second and third costume prizes were awarded in the following age groups: Four years of age and under—Eric Fitting, first; Prissy Grice, second, and Randy Hardy, third; five, six and seven-year-olds—Mary Ellen Wright, first; Marilyn McCullough, second, and Gregg McCullough, third; eight-year-olds and over—Joel Kellough, first; Bob Bruton, second, and Diana Owen, third.

A color scheme of black and orange was carried out in the decorations. Replicas of black cats were hung on the walls and pumpkins were placed on the tables. A spooky house, fashioned of sheets, was set up in one corner. Inside, Mrs. William Owen, in witch's costume, acted as fortune-teller, presiding over a tripod holding a kettle.

Other entertainment features were movies, a fish pond, a dart game, apple bobbing and the pumpkin walk game. Approximately 125 children attended.

## Miss Holman, Hobson Marry In Andrews

**ANDREWS**—Velma Lee Holman, daughter of Mr. and Mrs. N. A. Arnold of Burlington, Kan., and James D. Hobson, son of Mr. and Mrs. H. Hobson of Andrews, were married recently.

The double-ring ceremony was read by the Rev. Harvel James, pastor of the Emanuel Baptist Church, in the First Baptist Church in Andrews.

Mrs. Erwin Cordes, Jr., sister of the groom, was the matron of honor and J. H. Hobson, the bridegroom's father, was best man.

Sonny Oswald played the traditional organ music and "Because" during the ceremony.

Hobson is a graduate of Andrews High School. He received his L.L.B. from Washburn University.

The couple is at home in San Angelo.

## Scout Troop 34 Has Halloween Party

Intermediate Girl Scout Troop 34 held a Halloween party Thursday in the home of Mrs. Tom Potter.

The group played games, bobbed for apples and toured the spooky house. Halloween decorations were used in the entertaining rooms.

Those attending were Mary Jane Potter, Randa Horn, Ann Mackey, Shirley Bailey, Mary Helen Metcalfe, Jo Nell Booker, Mariel Cates, Suzanne Hall, Linda Smith, Pat Aday, Annabelle Floyd, Diane Hoover, Ginger Lee Cooper, Sue Mills, Linda Mills, Eloise Schuikie, Nancy Estes, Ainslee Estes, Mary Helen Crooks and Mrs. Walton Cates, Mrs. Tom Potter and Mrs. Clifford Hall, sponsors.

## Exhibit Features Midlander's Art

Mrs. N. A. Lancaster, Midland artist, is being presented in a one-woman exhibit of 36 paintings, sponsored by the art department of Hardin-Simmons College in Abilene.

The three-week exhibit opened Friday with a tea given by the faculty in the college library. Mrs. Lancaster, who formerly lived in Abilene, is one of the persons responsible for the growth of the Palette Club in Midland.

**LACERATED LIP**  
Beatrice Landrum, 205 North Lee Street, received emergency treatment at Western Clinic-Hospital during the weekend for a lacerated lip.

## Minstrel Opens Fifth Year With Student Matinee Show

A matinee for students, the opening performance of the Kiwanis Minstrel Show, was held Sunday. Evening performances start at 8:30 p.m. Monday through Saturday.

Opening to a children's audience, the cast succeeded in holding the attention of the crowd. They enjoyed the pantomimes and the skits more than some of the acts which lacked gun play and open humor.

## Nu Phi Mu Will Visit Girlstown

Unit II of Nu Phi Mu Sorority made plans Thursday to visit Girlstown, U.S.A., December 2.

The meeting was held in the home of Ann Klebold. Plans also were made for a project to raise club funds and the following standing committees were appointed:

Ways and means, Ina Miles, Patsy Pyle, Ruth Eckert, Joan Hunada and Doris Thomas, chairman; membership committee, Miss Eckert, Marie Oliff and Ramona Clark, chairman; social committee, Miss Pyle, Miss Hunada, Joan Himmell and Miss Klebold, chairman; activities and program committee, Miss Clark, Miss Klebold, Norma Gentry and Elizabeth Houston, chairman; service committee, Miss Gentry, Miss Oliff and Wilma Gidley, chairman; and telephone committee, Miss Gidley, Phila Hines, and Miss Miles, chairman.

Pictures taken at the recent Founder's Day Banquet were shown and orders for prints were taken.

Those attending were Barbara Roberts, Miss Eckert, Miss Hunada, Miss Gidley, Miss Houston, Miss Miles, Miss Hines, Miss Oliff and Vi Rubin and Fran Hillin, advisors.

## Rev. Blandy To Teach Training School Course

The Rev. Gray M. Blandy, acting dean of the Episcopal Seminary in Austin and Canterbury Bible Chair professor at the University of Texas, will teach one of the courses at the Community Leadership Training School to open Thursday.

The school will be held in the First Presbyterian Church and will be open to anyone interested.

Mr. Blandy will teach "How the Bible Came to Be." He is a graduate of the University of Texas.

Mr. Blandy is a graduate of the University of Texas. He received his L.L.B. from Washburn University.

The couple is at home in San Angelo.

## Modern Study Club Gives Rummage Sale

The Modern Study Club held a rummage sale Friday and Saturday, with proceeds going to the Woman's Club Building Fund.

Mrs. C. H. Shepard was in charge. She was assisted by Mrs. Bryan Denson, Mrs. R. E. Morgan, Mrs. Lee B. Park, Mrs. Harrie A. Smith, Mrs. Ed Shakely, and Mrs. K. C. Slough.

Following the sale, the woollen garments which were left were packaged and sent to Girlstown in Whiteface, as a gift from the club.

**YOUNG ARTISTS TO MEET**  
The Young Artists Music Club will meet at 7 p.m. Monday in the home of Lois Nell West, 711 West Storey Street. Jack Fowler will be co-hostess.

**PLANS GAME NIGHT**  
The Midland Officers' Club will sponsor a game night at 8:30 p.m. Saturday in the clubhouse.

**Modern Study Club Plans Art Program**  
"Modern American Art" will be the program topic at the November 7 meeting of the Modern Study Club. It was announced recently.

The lecture, planned in observance of American Art Week, is scheduled for 3 p.m. in the Palette Club. Mrs. L. J. Epperson will be the speaker. Roll call will be answered with an item on the topic, "Art in My Home."

## Now The Hard-Of-Hearing Can Help Themselves To Hearing

Here is good news for the hard of hearing of Midland and surrounding community. First showing of "The Hearing Aid without cords" . . . now at last it is a reality . . . it is new and revolutionary . . . good HEARING again, instantly without being wired for sound. You've wanted to hear . . . without wearing a box in your clothing . . . without a cord running up your neck, and without a cord in sight. This is it, no cords, no box, nothing to wear or hide in your clothes . . . wear anything you want, low cut evening gowns . . . negligee . . . even a swim suit. Enjoy perfect freedom of action under all conditions. Men who work outdoors and sportsmen will particularly like it for that reason. Acousticon, "the world's first and oldest manufacturer of electrical hearing aids," positively guarantees that you will hear better with this new invention than any hearing aid known . . . See it, try it, there is no obligation or cost. A free hearing aid clinic will be held at The Crawford Hotel, Wednesday, Oct. 31, 10 a.m. to 6 p.m. by J. C. Hammer (Acousticon Public Education department hearing specialist) to demonstrate this and other exclusive Acousticon inventions for first time in Midland. Here may be the answer to your hearing problem that you have wanted, so come in and see this hearing aid with no cords . . . or phone the Hotel for home appointment . . . also see and try the new DR-1 skin receiver worn with nothing at all in your ear or without a head band or pressure . . . Jewelry that hear beautifully . . . also a new one piece and guaranteed Acousticon for only \$69.50. If you cannot come in, phone Mr. Hammer for home appointment.

**ACOUSTICON HAMMER CO.**  
San Angelo, Texas (Adv.)

## 1,000 Midland Girl Scouts Observe National Scout Week

More than 1,000 Midland Girl Scouts will observe National Girl Scout Week this week.

Activities began Sunday when all Scouts wore their uniforms and attended the church of their choice.

Mrs. Cecil Snodgrass is general chairman for window displays in downtown stores. The displays will feature various activities of Girl Scouting. Chairmen in charge of the individual windows are Mrs. Ray Rhodes, Sallie Secor and Betty Jo Greene, Mrs. Vernon Bottoms, Mrs. Stanley Erskine, Mrs. M. W. Collier, Jr., Mrs. Fred Speers and Mrs. J. C. Rinker.

## Foreign Missionary To Speak Here

Neva Flood, missionary to Nicaragua, will speak at 7:45 p.m. Monday in the Church of the Nazarene, 301 South Big Spring Street.

Miss Flood recently returned to the States under the auspices of the Department of Foreign Missions of the Church of the Nazarene. This is her first furlough since beginning her mission work in 1947 in Nicaragua. She was an instructor in a Nazarene Bible School in Nicaragua and also served as dean of women. She has assisted in Sunday School and Vacation Bible School work, and served as secretary to the executive committee of the mission council.

The guest speaker is a graduate of Pasadena College in Pasadena, Calif., with a Master of Arts degree in religion. She also has been an instructor at the California Nazarene school.

She plans to tour the United States and Canada during her year's furlough and speak in the interest of the missionary program.

## Jo Ann Frank And Rev. Klawitter Wed

**PECOS**—Jo Ann Frank and the Rev. Harold J. Klawitter, pastor of the Lutheran Church of Pecos, were married Tuesday in the Trinity Lutheran Church in Houston.

The Rev. A. Harms, pastor, read the double-ring ceremony.

Lavinia Hannahuss was the maid of honor and bridesmaids were Hilda Jardine, Neida Harris and LeNelle Neger. Maris Sue Frank and Vera Jo Doerre were flower girls.

Bill Frey was the best man. Groomsmen were Robert Steuber, Ross Banano, Jr., and Richard Wafner.

The bride, given in marriage by her father, M. Frank, wore a gown of candlelight satin and French illusion lace. The fingertip length veil was held by satin and lace Juliet cap. She carried a small white Bible topped with a white orchid.

A reception was held in the parish hall.

For the wedding trip to Black Hills, S.D., the bride chose a grey suit with black accessories.

Mr. and Mrs. Klawitter will be at home in Pecos.

## Webster, Averyt Exchange Vows

In a candlelight ceremony, held recently in the First Methodist Church in San Angelo, Lynn Webster became the bride of Dee Averyt. The Rev. Ennis Hill, pastor, assisted by the Rev. C. E. Bludworth, officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Clayton Edgar Webster of San Angelo and the bridegroom is the son of Mr. and Mrs. Milton Wren Averyt of Andrews.

Jean Barney was maid of honor and bridesmaids were Pat Hagan and Betsy Bell. Charles Bludworth was the best man. Ushers were Ronnie Ewert, Jim Webster, Kenneth Parsons, A. J. Deans and Keene Williams.

Traditional wedding music was played by Mrs. A. W. McMillan, organist. She accompanied Billy White, who sang "Because" and "The Lord's Prayer."

A reception was held in the bride's home. The couple will reside in Phoenix, Ariz.

## Palette Club Slates School Of Instruction

A five-week school of instruction in drawing and painting will be conducted in the Palette Club Art Center, 604 North Colorado Street, beginning November 5. Clayton Henri Staples of Wichita, Kan., will be the instructor.

Staples, a graduate of the Art Institute of Chicago, was director of art at the University of Wichita for 20 years. In the Summers he maintained a private studio at Cuchara Camp, Colo., where he conducted the Cuchara School of Art. He has taught in Europe as well as in the United States and has painted in several countries, including England, France and Italy.

John W. Koenig, Palette Club president, has asked prospective students to enroll in the classes as promptly as possible. Those interested may telephone him at 4-8974 after 5 p.m. or may telephone Mrs. R. M. Barron at 1-2323.

## Missionaries Are Parents Of Son

Mr. and Mrs. William Elder of Fukuoka, Japan, recently announced the birth of a son, Timothy Clyde, weighing eight and one-half pounds.

Mrs. Elder, the former Irene Nix, is the missionary for whom the Irene Nix Circle of the First Methodist Church was named.

## Moment Musical Club Meets, Has Program

Newly-elected officers presided at the Saturday meeting of the Moment Musical Junior Music Club. The club met in the Watson School of Music.

Walter John Miller and James Doss presided at the attendance card.

The program included the following piano solos: "Moths," Sara Pickett; "Music Land," Zack Howard; "A Little Dance," Carol Dawson. Sonja Bunt gave the biography of Offenbach and Patsy Hickey played "Barcarolle" from "Tales of Hoffman" by Offenbach.

"Trip on the Rocking Horse" was played by Judy Dawson and Patsy Wilkerson played "Arkansas Traveler," "Schubert Serenade," an accordion solo, was played by Connie Scott.

The meeting closed with the critic's report and the club motto.

Carol Covington was a guest. Other members present were Sue Akers, Patsy Breith, Ginger Culp, Hazel Kay Long, Jean Hawkins, Bob and Ray Smith, Frayzee Hardgrave, Nancy Prout, Hazel McGee, Gary Brown, Sandra Jordan, Jerry Martin, Marjorie Martin, Eugene and Raymond-Billings, Joy Glenn Denning and Virginia Harrell.

**Pains, distress of "those days" stopped or amazingly relieved in 3 out of 4 cases - in doctors' tests!**

Here's wonderful news for women and girls who — each month — suffer the tortures of "bad days" of functionally-caused, menstrual cramps and pain — headaches, backaches, and those "no-good," dragged-out feelings.

It's news about a medicine famous for relieving such suffering!

Here is the exciting news. Lydia E. Pinkham's Vegetable Compound — gave complete or striking relief of such distress in an average of 3 out of 4 of the cases in doctors' tests!

Yes! Lydia Pinkham's has been proved to be scientifically modern in action!

This news will not surprise the thousands of women and girls who take Lydia Pinkham's regularly and know the relief it can bring.

And it should encourage you (if you're not taking Lydia Pinkham's) to see if your experience doesn't match theirs . . . to see if you, too, don't avoid the nervousness and tension, weakness, irritability—and

Remember Lydia Pinkham's, too — if you're suffering the "hot flashes" and other functionally-caused distress of "change of life." Get Lydia Pinkham's Compound or, see, improved Tablets with added iron (trial size only 50¢). Start taking Lydia Pinkham's today!

## Welcome, Lawyers!

Midland will be the host city Tuesday to officials of the State Bar of Texas, members of the Texas Supreme Court, other state and federal officials, and to scores of West Texas attorneys—all here to attend the West Texas Legal Institute sponsored by the State Bar.

The Midland County Bar Association will be the host organization for the gathering, and all residents of this headquarters city of the Permian Basin Empire join with the Midland legal profession in welcoming the distinguished visitors.

This city signally is honored at having been selected as one of six Texas cities in which the regional institutes are being held, and Midlanders generally will go all-out in an effort to make the Midland conference the best and most beneficial of the six scheduled institutes.

Tuesday has been designated as "Lawyers Day" in Midland, by proclamation of Mayor Perry D. Pickett, and the visiting attorneys will find a royal and typically West Texas welcome awaiting them here. The visitors perhaps on occasion have had "their day" in the courts of the state and nation, but Tuesday will be "their day" in Midland.

The meeting is termed a post-graduate clinic, its stated purpose being to bring up-to-the-minute legal information as close as possible to the door of the West Texas lawyers in order that they may be abreast of current developments in the legal field, thereby enabling them to provide the public with the best service possible.

The state tour is a project of the State Bar's Committee on Legal Education and Institutes, and doubtless will be worthwhile and highly beneficial to all concerned.

Meetings, conferences, a luncheon and a banquet are slated during the day, but it is hoped the visitors will take time off from their busy schedule to see Midland's business and residential districts and to visit with Midland residents.

Midland counts its own attorneys among its finest citizens, and Midland is proud to be host to the visiting lawyers on this special occasion.

Welcome to Midland, Lawyers!

## It Might Help

It's happened before, and it probably will happen again, unless measures are taken to answer the problem. President Truman made a statement at his press conference about force being the only thing the Russians understand. Later on a White House official had to explain that Truman didn't mean to suggest there was no point in ever sitting down at the council table with the Reds.

One way this recurring dilemma might be conquered: each time Truman holds a news conference, move the reporters into an adjoining room immediately at its conclusion and have White House press attaches explain what he really meant to say.

With that safeguard, the department of correction would get in its useful work before the erroneous stuff ever hit the presses. And a lot of embarrassment would be saved on all sides.

## The Washington Merry-Go-Round

By Drew Pearson

(Copyright, 1951, by The Bell Syndicate, Inc.)  
Drew Pearson says: Vacation-minded congressmen find "business" in far-away places; South America is more popular than Alaska this winter; Not one congressman has asked to go to Korea.

WASHINGTON — With Congress taking the rest of the year off, vacation-minded congressmen suddenly have discovered "official business" in South America, the Pacific Islands, the Mediterranean and other far-away places. With winter approaching, the greatest congressional interest seems to be in South America, as compared with Alaska in the summer. More than two dozen congressmen have signed up for "surveys" of sunny South America in November and December. However, other tours are planned through Europe, the Middle East and around the world.

While some of these trips are pure junkets, this columnist is of the opinion some make worth-while additions to a congressman's store of knowledge at a time when the American defense line extends from Korea to the Rhine. However, since the taxpayer pays for the air travel, the public is entitled to know the travel program and judge for itself. Here are the chief itineraries:

First to light out for a foreign vacation were Congressmen Monroe Redden, North Carolina Democrat, and Fred Crawford, Michigan Republican. They represent the House Interior Committee, chiefly concerned with domestic matters. However, the congressman explained solemnly to the Air Force they had to inspect the Pacific territories entrusted to us under the trust treaty and they then headed for the Pacific by way of Paris, Geneva, Cairo and Bangkok. This is quite a long way round. Crawford left word he hoped to be back in time to make another trip to the Virgin Islands in December.

Another expedition to the Pacific "trust" territories is scheduled in November by Congressmen Ben Jeter, senator of Iowa, Carl Anderson of Minnesota, Lowell Stockman of Oregon, George Schwabe of Oklahoma and William Van Pelt of Wisconsin, all Republicans, of the House Appropriations Committee.

**Popular Latins**  
The first junket to South America has been scheduled November 7 by Congressman Abraham Miller, New York Democrat, who is lining up a 45-day tour for House Banking Committee members. Presumably, they will take a long-distance view of U. S. banking problem, as seen from South America.

House Commerce Chairman Robert Cresser of Ohio also has made reservations with the Air Force for 18 of his committee members to make a 30-day tour of South America, November 10 to December 10. They will be followed four days later by a delegation from the House Foreign Affairs Committee, headed by Chairman James Richards of South Carolina. South America is very popular.

Those who have signed up for this South American trip are Congressmen Tom Morgan of Pennsylvania, Tom Gordon of Illinois and Omar Burleson of Texas Democrats, with Robert Chipperfield of Illinois and Don Jackson of California, Republicans.

Another House Foreign Affairs group will leave for Europe at the same time. They will include Representatives Clement Zablocki of Wisconsin, A. S. Carnahan of Missouri and Edna Kelly of Brooklyn, N. Y. Democrats, and Jacob Javits of New York, Republican.

Congressman Porter Hardy, Jr., Virginia Democrat, has scheduled a trip to Europe for the House Armed Services Committee November 7. A joint Senate-House group also is planning to tour Europe, North Africa and the Middle East, beginning November 6. This group includes Senators Theodore Green of Rhode Island, Brian McMahon of Connecticut, William Benton of Connecticut and Hubert Humphrey of Minnesota, Democrats, and Alexander Wiley of Wisconsin and Bourke Hickenlooper of Iowa, Republicans. Most of the above are members of the Senate Foreign Relations Committee, so have a legitimate reason for taking the trip.

With them also will go Congressmen Gene Cox of Georgia, Howard Smith of Virginia, Frazier Reams of Ohio and Donald O'Toole of New York, Democrats; and Walter Judd of Minnesota, Harris Ellsworth of Oregon and Kenneth Keating of New York, Republicans.

## WASHINGTON COLUMN

### Red Tape Makes European Aid Program A 'Barrel Of Worms'

By PETER EDSON  
NEA Washington Correspondent

PARIS—JAMAG advised MAAG to prepare a program of military aid for country X after getting a directive from JCSRE. It previously had been approved by MILREP and SHAPE, MAPAG in London having had its PLANAT carefully worked out all the details. They also were screened by SUSREP and coordinated with Washington through ISAC, although this organization soon is to be replaced by MSA after it takes over the ECA functions.

If the new military assistance program in Europe bows down, the above paragraph may explain one reason why. For a maze of international bureaucracy now has been imposed on the European rearmament program by the no-doubt well-meaning, but red-tape-bound officials who have been assigned the job of making Western Europe safe against Communist aggression.

Every visitor who comes to Europe to see what's going on in MDAEP, the Mutual Defense Assistance Program—has to spend most of one morning being "briefed" on organization. Until he learns what all the international alphabetical designations mean, he can't find his way around.

The story is told that Gen. Thomas T. Handy, commander of U. S. forces in Europe—(Oh, all right, call him EUCOM, and get into the spirit of the thing). Any way, General Handy was being briefed one day by one of his own officers on staff organization. After it was all over General Handy rose. "I compliment you on your presentation," said the general, "because I didn't see how you could ever straighten out that barrel of worms." Barrel of worms is right, and that nickname has stuck.

**Full Names Preferred**  
Gen. Dwight D. Eisenhower—on whom they have tried to hang the abbreviation SAUCER (Supreme Allied Commander Europe) will have no more of this business around his headquarters and in his paperwork than is absolutely necessary. He does stick to SHAPE—Supreme Headquarters, Allied Powers in Europe. Otherwise he has told his staff officers that if some organization isn't important enough to have its full name written out in reports to him, never mind mentioning it.

Attending the Marlboro, Md. fair the other day, he stopped to admire some Devon beef cattle and couldn't help remembering his days back on his father's farm at Verona, Wis., when the Morse family raised the prize Devon cattle of U. S. A. and when his father took the international prize in 1899.

Unfortunately for Senator Morse, the Devon prize cattle at the Maryland show were auctioned off at a price far beyond a senator's slim pocketbook. But, as the show was about to conclude, he noticed one heifer, which the owner explained had a broken leg. Morse felt the heifer, noticed it had no temperature, and proposed: "You sell it to me at the same price you would get at the slaughterhouse, and throw in the pedigree papers."

The owner remonstrated, told Morse he was foolish, that he could never mend the heifer's broken leg. But the senator insisted and came home with one heifer whose leg he was certain was not broken.

As a result, the senator from Oregon now finds himself in the cattle business. He has rented a 24-acre farm near Poolesville, Md., has acquired a second Devon heifer, this one bred, and is leaving for Mississippi with his horse-trailer next week to pick up one polled heifer and one polled bull calf.

"My mother always complained that she kept the family broke bringing Devon bulls from England," Senator Morse says.

## So They Say

The doctor exists for the patient.  
—Dean Stafford Warren, of U. C. L. A.

The fearful ones who hate and condemn the liberalism in our colleges want us to leave out a great current social issue, the great controversies in terms of government, systems of finance and policies of ethics . . . such a course would not mean free minds.  
—Dean W. Malott, president Cornell U.

When one coloratura says something nice to another, you can be sure she means it.  
—Herva Nell, opera soprano.

Glaciers write autobiographies and were just beginning to read them.  
—Maynard Malcolm Miller, glaciologist.

## LITTLE LIZ

Adolescence is that period during which children begin to question the answers.

IT was almost nine. Dusk had settled swiftly over the heavily forested countryside. Occasionally the yellow lights of a farmhouse kitchen cleaved the darkness but it was a thinly populated area and Elizabeth saw mostly the dark tips of tall pines against a moonless sky or the faint murky glimmer of woodland marshes.

Q—What is aerial farming?  
A—It is farming processes using airplanes. It is about 20 years old but was minor business until after World War II. Now some 5,000 airplanes are employed and many millions of acres are treated annually.

Q—Does the present King of England have a court jester?  
A—No. The custom was abandoned years ago. Muckle John, attached to the court of Charles I, was the last of the royal jesters.

Q—How does iron rank in magnetic properties?  
A—Iron is the most magnetic substance known.

Q—Where was the island known as "Ireland No. 10"?  
A—It was formerly in the Mississippi River near the northwest corner of Tennessee. Since the Civil War, when it was fortified by the Confederates, it has been washed away.

Q—What is a widow's watch?  
A—A small piazza enclosed by a railing at the top of many homes on the New England coast. It faces the sea and there wives of sailors waited and scanned the horizon for returning ships.

## What's Right?

You go up to speak to someone you have not seen in years and think he may not recognize you.

WRONG: Ask "Do you remember me?"  
RIGHT: Introduce yourself immediately, so that if the person doesn't remember you he won't be embarrassed by having to admit it.

## LOCATION ODDITY

Although it is several hundred miles farther south than Rio de Janeiro, Valparaiso, Chile, is closer to New York City than is the former city.

## PLANAT—Planning Committee for North Atlantic Treaty Organization.

MILREP—Chief U. S. Military Representative. (General Handy)

JCSRE—Joint Committee, Special Representative, Europe (General Handy, Air Force General Norstad and Admiral Carney)

ISAC—Interdepartmental Security Advisory Committee (Washington)

## Kitten in the Woods

By Kathleen Briggs

Perhaps the person meant to meet her was just delayed.

THE train hit a particularly rough stretch of track and the mirrored dressing room door swung violently. The girl who had been studying herself in the glass gave a soft gasp and reached out a steady hand. Then the dizziness passed and she moved into place again to examine herself critically. Her young face was set in lines of disapproval.

"Why couldn't you have been an amazon, Elizabeth Brownell!" she demanded of the reflection. "Why couldn't you have been tall and striking instead of short and insignificant?"

Dark eyes, shadowed by a recent illness, stared back at her. "I can't even depend on three-inch spikes to help me," she continued. "Flat heels are a nurse's lot. All my days I'll be five-foot-two until I'm old enough to shrink to a mere five-one."

Suddenly she laughed. Humor altered her features astonishingly. The serious mouth turned up and the eyes sparkled with amusement. "What a field day Dr. Alexi could have with your psyche now!" she said. "Talking to yourself! And only 23. What would he say? Schizophrenia or simple retrogression probably?"

Still smiling she adjusted her brushed beaver bere, orange silk scarf and gloves. Then she pranced over her hips in a mock bustle and backed into a gay little can-can step.

"There for you, Dr. Alexi! It will be quite a while before I have to put up with your psychiatric non-sense again."

BENEATH her joking there was a seriousness, an unadmitted feeling of relief. Lassitude, the aftermath of pneumonia, had made her dread the return to the daily routine of Aker's General Hospital. When the call had come from the Nurses Registry asking her to accept a not too strenuous private case in the city, she had been glad to comply. Even though the information furnished her had been very scant, almost unreasonably so.

She frowned now, recalling how little the nurse who had phoned her had seemed to know about it. Or had she purposely parried the young girl's questions? All she had volunteered was that it was a paralytic case at Black Firs Junction north in the state. A Dr. Appleby had phoned in requesting a registered nurse.

"Didn't he mention the patient's name?" Elizabeth had asked.

"Ye-ess," the other woman hesitated. "A Mrs. Lucien Steinhart."

Another pause, then "Does the name sound familiar?"

"Should it?" Elizabeth said curiously.

"We-ell," again the hesitation. "Perhaps not." And she had gone on with directions about what train to take, where Elizabeth would meet and the probable length of the case.

Now, reviewing the one-sided conversation, it seemed to her that a determined vagueness had permeated the other woman's words. She had been so eager to avoid a return to routine that she had unconsciously glossed over her first impression.

She returned to her chair car, empty except for a group of sweet-faced nuns and a dwindling number. He had smoked a pipe during the entire trip in apparent unawareness or sheer defiance of the "NO SMOKING" sign above the porter's chair. The nuns had commented on it several times in their soft French-Canadian conversational voices, laughing to get a better like school girls at the frank masculinity of it. Elizabeth, too, was amused but because he wasted a dozen matches lighting it only to have it go out five minutes later though he sucked upon it for another half hour before discovering it was unlit.

He had turned on his reading light and was absorbed in a thick forestry journal. Still he must have watched Elizabeth leave the car and consciously or unconsciously awaited her return. As she drew opposite him he looked up. His deep blue eyes were steady and keenly appraising, gently quizzical. A fine network of lines webbed them as though he had spent his life outdoors gazing into far distances. He was older than she had at first thought, she realized as she passed on and wondered why his penetrating gaze bothered her.

It was almost nine. Dusk had settled swiftly over the heavily forested countryside. Occasionally the yellow lights of a farmhouse kitchen cleaved the darkness but it was a thinly populated area and Elizabeth saw mostly the dark tips of tall pines against a moonless sky or the faint murky glimmer of woodland marshes.

The porter called the station: "BLACK FIRS JUNCTION."

**Pannell Firm Keeps Pace With Growth Of City, Section**

Pannell Brothers, located at Pecos and West North Front Streets, is a Midland firm which specializes in transit concrete, sand and gravel. A new office has been installed by the firm, which is another achievement in the concern's policy of keeping up with the rapid growth of Midland. The Pannell Brothers firm claims a big role in the city's growth, since it has supplied concrete for numerous business houses, office structures and residences. Courteous attention is given to small jobs as well as large ones and any job, regardless of size, will be given thorough consideration. Free Estimates Given For free estimates on concrete work, you are requested by the management to dial 4-4952. Every effort is made to give the most rapid service possible. And you can be assured of the results, since all members of the firm are skilled in their line of business and have years of experience. If you are a builder, just let Pannell Brothers explain to you the advantage and economy of concrete. Pannell Brothers invites you to call or drop in and discuss your building needs today.

**Yugoslavia Reports New Border Shooting**

**BELGRADE, YUGOSLAVIA**—The Belgrade radio Sunday night reported Bulgarian troops, shooting across the border near Dimitrovgrad, killed a Yugoslav border guard Saturday. The report said Yugoslav troops returned the Bulgarian fire. It added that the Yugoslav Foreign Office would protest formally to the Bulgarians. It was the latest in a series of hundreds of frontier incidents during the last three years involving Yugoslavia and her Russian-led Cominform neighbors.

**FOR WINTER DESSERTS**—Manufactured ice is a "must" for winter desserts and other iced delicacies, and the Southern Ice Company, 310 South Main Street, is equipped for the most rapid and convenient servicing of your ice needs. The dock is especially constructed for the convenience of customers.

**Williams Feed And Supply Serves Farmers, Ranchers**

Williams Feed and Supply, located at 1403 East Highway 80, can take care of any needs, large or small, in the way of range feed. Purina Breeders Checkers, ideal range feed for cattle and sheep and which insures plenty of milk for calves and lambs, is available at the store. Highly fortified with vitamin A, Purina Breeders Checkers comes in cube form. It contains all the necessary proteins, carbohydrates, fats and minerals which are necessary for animal health. Also available at Williams Feed and Supply store is Purina Poultry Booster Checkers. The Poultry Checkers react on chickens like a shot in the arm. It increases the egg production and promotes growth in young pullets. Livestock remedies, power spray-

**Woman's Body Found Stuffed Into Trunk**

**LOS ANGELES**—(AP)—The decaying remains of a woman, about 40 years old, apparently had been murdered. The body was cut in two at the waist and jammed in a trunk bearing the initials "KTK." Victor D. Keesey, partner in a trucking firm near the vacant lot, found the body Sunday while tracing an odor coming from the lot. The President of the United States receives his salary in semi-monthly installments.

**West Texas Reproduction Offers Variety Of Services**

The West Texas Reproduction Company, located at 209 North Colorado Street, believes the papers and records of a business or industrial organization are as vital to its proper functioning as its building, its offices, or its equipment. Legal documents, engineering drawings, business reports, contracts, correspondence — it must depend on these and countless other documents in order to maintain itself as a going concern, says WTRC. And just as essential as the originals, according to West Texas Reproduction Company, are the copies made from them for distribution, reference, filing and mailing. Their legibility, durability, the speed with which they can be produced and the cost of making them are matters of major importance, company officials say. To give business and industry the advantages of highly legible, long-lasting reproductions of invaluable original documents, drawings and papers—to provide faster, more economical copying processes with maximum utilization of existing equipment and techniques, are purposes toward which WTRC strive. Partnership Formed In 1935 The firm partnership of M. Crowley and Charlene Koonce was formed in 1935. Since that time they have made quality photostats, blueprints, maps and drafting supplies available to their customers. The firm also is a dealer for Post reproduction supplies, Haloid photographic supplies and Peck and Harvey reproduction equipment. Principal services offered by the concern include photocopying, blueprinting and all other types of commercial reproduction. A pickup and delivery service also is provided by the firm. Started here in 1935, the concern remodeled its office in 1950 and added a second floor to the front 50 feet of its building. A new No. 4 Hi-Speed photostat machine also was installed at the time. Crowley and Koonce invite you to stop in and ask for free estimates on reproduction work or to dial No. 4-8281 for information.

**Suggestion Offered To Dairy Farmers**

**DES MOINES, IOWA**—(AP)—Lesler Abbott, manager of the John Nie farm near Anamosa, has a suggestion for dairy farmers who want to take advantage of today's good beef prices. "Breeding Holstein cows to a good Angus bull is one way to be sure of having some 'feeding cattle,'" he says. He and Nie did that last year and now have 15 cross-bred calves on the farm.

# DADDY RINGTAIL

## Daddy Ringtail and Well Enough Alone

"Let well enough alone," people say, but not many people can tell you why they ever started to say it.

Anyway, long ago in the Great Forest, there was once a dog whose name was Well-Enough. Well-Enough was a flop-eared dog of white all over except for black around his eye. Well-Enough liked

be kind to Well-Enough. They wanted to let him sleep, and that is why the folks all said: "Let Well-Enough alone."

Well, Mugwump Monkey, the monkey boy, was always careful to be very sure to let Well-Enough alone. Mugwump always let him sleep, but one day—one fine day, Mugwump remembered a something he had read in a book about dogs. The book said: "Busy people are happy people, and so a dog should always be busy."

Well now, and how can a dog stay busy? He can stay busy with scratching fleas. If he has any fleas to scratch. Ah me, because Well-Enough had not a single flea. And how can a dog ever scratch a flea if he has no fleas to scratch? He

By WESLEY DAVIS

can't. Nossir, he can't.

But Mugwump Monkey knew what to do. He did it. He found a flea who hadn't been scratched in a long, long time. The flea was really a flea-people, play-like, of the kind that can talk. Flea-people was a very old gentleman flea who once had belonged to a flea circus, but the circus had gone out of business, and somehow—some way—flea people had not had his back scratched in such a long time, he said, he hardly remembered how very good a "back-scratching felt."

"Don't you fret yourself," said Mugwump, and he dropped flea-people on the sleeping dog whose name was Well-Enough. But did the dog give flea-people a fine job of back scratching? No sir, he didn't. Well-Enough turned around of a sudden and bit at the place where flea-people was. The old gentleman barely escaped with his life, because he couldn't jump as fast as he used to, but to this very day, people say: "Let Well-Enough Alone," which is something for all to remember. I guess. Happy day!

### ADOPTED ACT

The Gold Standard Act was adopted in the United States during the first session of the 58th Congress. President McKinley signed the bill on March 14, 1900.

Few people have penetrated the wilds of Labrador to see North America's second largest waterfall, the Grand Falls of the Hamilton River.

**Permian Basin Oil And Gas Log-**

(Continued From Page One)  
southeast of the Saunders field of Central-West Lea County.  
Exact location is 860 feet from north and east lines of lot 1, section 1-118-34e. That makes it nine miles west of Lovington. Operator was coring below 11,353 feet at last report.

**Midlander's Wildcat In SW Gaines Area Reports Oil Flow**

A 15-minute flowing gauge of 30 barrels of oil through a one-quarter-inch choke, after 1,000-gallon acid treatment in the San Andres, was reported at E. C. Hitchcock & Son and J. H. Elder, both of Midland, No. 1 P. S. Dunbar, indicated discovery in Southwest Gaines County.  
The section treated was from 4-396 to 4,318 feet. The new oil was recovered after the acid load had been flowed out.  
Operator was preparing to re-acidize the same section with 2,000 gallons.

This wildcat is 2,310 feet from south and 330 feet from west lines of section 25, block A-12, oil survey.

**Panhandle Will Dig 5,600-Foot Wildcat In NW King Sector**

Panhandle Producing & Refining Company staked location for a 5,600-foot rotary wildcat in Northwest King County, five miles northwest of Guthrie.

It is to be dug 660 feet from south and east lines of section 136, John Wilson survey, Abstract 834.

That puts it four miles southwest of Lawson. Drilling Company No. 1 Pops a dry hole in the Pennsylvania on total depth of 6,350 feet.

The Panhandle operation will be drilled as the No. 1 Pitchfork Land & Cattle Company.

**APOC And Skelly Are To Drill Reef Wildcat In Terry**

Anderson-Prichard Oil Corporation and Skelly Oil Company are to start drilling at once at their No. 1 Mary N. Royer, which is scheduled to be a 10,500-foot wildcat in Central-South Terry County to try for production in the reef lime.

The exploration is to be 660 feet from south and west lines of section 148, block T, D&W survey.

The wildcat is to be on a 40-acre lease secured by Anderson-Prichard in a farmout deal with Honolulu Oil Corporation.

Anderson-Prichard had owned the lease on the northwest quarter of section 147, block T, D&W survey. A farmout was taken on the northeast quarter of section 172, block T, D&W survey from Bay Petroleum Corporation and Skelly contributed the lease on the southeast quarter of the southeast quarter.

**SW Scurry Tester Makes Oil, Water In Wolfcamp Zone**

The Wolfcamp flowed oil and some drilling water in a drillstem test at Humble Oil & Refining Company No. 3-B Sorrells, Southwest Scurry County exploration.

This venture is on the south side of the Sharon Ridge-Canyon field, and it is one location east of a producer from the Canyon reef lime from pay at 6,874-6,725 feet.

The latest show in the Wolfcamp came in drillstem test at 5,466-86 feet and at 5,486-5,506 feet.

The flow of oil and water came in the 5,466-86 foot test. The tool was open three hours and 12 minutes. Gas surfaced in 18 minutes, mud started flowing out at the top in 50 minutes and oil flowed out in one hour.

**Flowed One Hour**  
During one hour of flowing the well gauged 44.5 barrels of oil plus 22 per cent basic sediment and drilling water. Gas-oil ratio was 380-1. Open flowing bottom hole pressure was 1,900 pounds. Shutin bottom hole pressure after 15 minutes was 2,000 pounds.

Operator then deepened to 5,506 feet and ran a 45-minute drillstem test with the packer at 5,486 feet. Recovery was 200 feet of oil and gas cut mud. The project is now bottomed at 5,526 feet and is preparing to run a drillstem test at 5,506-26 feet.

This prospective opener of a new pay had previously developed some gas and some free oil in a drillstem test at 5,410-66 feet. There was a little water in that test.

**No Water In Wolfcamp**  
However, informed observers say that none of the water so far recovered by No. 3-B Sorrells was from the Wolfcamp formation.

Those sources say that it is drilling water.

Location is 1,980 feet from west and 660 feet from south lines of section 97, block 25, H&TC survey.

**Kerr Will Address Landmen's Meeting At 7 P.M. Monday**

An attendance of more than 100 persons is expected for the monthly meeting Monday night of the Permian Basin Landmen's Association.

The affair will be held at the Blue Star Inn in Midland. It will start at 7 p.m. with a dinner.

**Will Speak On Titles**  
A program will follow. William L. Kerr, Midland attorney will be the speaker. His subject will be, "Titles in the Courthouse."

Jess W. Lindsey, recently elected president of the PBLA for the 1951-52 year will preside.

Persons who expect to attend are requested to make reservations in advance with Frank E. Curtis, secretary at the Gulf Oil Corporation office.

**Pennsylvanian Test Spotted In Runnels**

W. S. Day No 1 A. S. Dickenson is a new wildcat location in South-Central Runnels County.

Location is 6,915 feet from north and 660 feet from east lines of section 364, C. Osgood survey, abstract 393.

It is one mile west of Ballinger and 1,500 feet southwest of a dry hole abandoned in 1948 at total depth of 4,491 feet after having topped a detrital at 4,285 feet.

Projected depth of No. 1 Dickenson is 4,200 feet to test the Pennsylvanian. Rotary tools will be moved in and drilling will begin immediately.

It is also one mile southeast of the Howse Company No. 1 Currie, dry hole abandoned in June, 1951, at total depth of 4,215 feet and slightly more than one mile east southeast of the Ballinger field.

**THE FIRST THANKSGIVING**

Thanksgiving is one of the great traditional American holidays and its origin is a fascinating story. To trace it to its beginning, we must go back to Scrooby, a village in northern England.

At Scrooby, in the autumn of 1606, a small group of fervently religious people began to hold services in an abandoned chapel.

They were mostly farm laborers. Their religion was a simple one. From their travels in search of freedom, they later on became known as "The Pilgrims." They were NOT Puritans.

**Oil money helps**

In 1950, the value of the crude oil produced in West Texas\* was approximately a billion dollars.

That is a lot of money. It pays taxes, salaries and wages; it goes to landowners for royalties and lease payments; a sizable portion of it will be reinvested in West Texas in the further development of its rich petroleum resources.

Furthermore, it is productive money. Some part of it finds its way into the pocket of practically every West Texan. There is a portion of West Texas' oil income

in the dollar your wife spends for groceries, in the check your husband writes for rent. Oil money helps to meet payrolls, pay doctors' fees and hospital bills, buy new farm equipment, send sons and daughters off to school.

Oil money helps on every hand. It is a resource from which all West Texas benefits.

\* The shaded area is the region called West Texas by the West Texas Chamber of Commerce.

Baylor's Isbell Is SWC Total Offense Leader

DALLAS —(AP)—Uneasy lies the head of a couple of Southwest Conference football leaders.

Glenn Lippman of Texas A&M watches his margin in ball-carrying dwindle to six yards. Fred Benners of Southern Methodist now is only 35 yards in front in passing.

Gib Dawson of Texas and Larry Isbell of Baylor are the fellows breathing on the necks of Lippman and Benners respectively.

Lippman has gained 416 yards on 67 carries. Dawson has rolled up 410 on 51 and has a better average—showing eight yards per carry compared to 6.2 for gliding Glenn.

Benners was idle last week but his 68 completions in 132 attempts for 790 yards kept him in first place. Isbell was making 194 yards against A&M and now has 755 yards on 54 completions in 113 throws for the season.

Isbell did replace Benners as the total offense leader. Laughing Larry has gained 68 yards net rushing to make his total yardage 823 on 133 plays. Benners has last 22 yards carrying the ball and his total is 758 on 151 plays.

Stans Williams of Baylor has caught the most passes, with 19, but Bill Howton of Rice leads in yardage. He has snared 15 throws for 428 yards while Williams has gained 280 yards on his 19.

The most rapid rise of any player in a single week is that of Johnny Cole of Arkansas in punt returns. Cole wasn't even in the top seven until last week when he brought his total for the season to 163 yards on eight runs and thus moved into first place with an average of 20.4 yards. Yale Lary of A&M fell to second place. He has gained 132 yards on 13 returns for an average of 17.8.

Jerry Norton of Southern Methodist lead the punters with 41.4 yards

average on 12 books. McKown is second with 40.8 on 12. Southern Methodist leads the teams in passing with 177.6 yards per game. A&M tops in running with 248.8. A&M is the total offense leader with 372.1 per game. Baylor is second with 338.2.

Defensively, Arkansas leads, having given up 196.0 yards per game. Texas is second with 228.5.

Stranahan Defeats Billy Maxwell For Mexican Golf Title

MEXICO CITY —(AP)— Frank Stranahan, Toledo, Ohio, never trailed in his 36-hole match with Billy Maxwell, Odessa, for his third Mexican Amateur golf title.

Stranahan downed Maxwell, 3 and 2, here Sunday, over the 6,615-yard Mexico City Country Club course.

Maxwell's putting was off and the breaks failed to come his way. Stranahan's play was powerful, even and careful. His approach consistently left him in one-putt positions.

Lesbia Lobo, 17, San Antonio high school girl, won the Women's title downing Berta Nocarra, Guadalupe, Mexico, 1 up.

Carswell Bombers Bomb Brooke Army

PORT WORTH —(AP)— Carswell Air Force Base took over the No. 1 spot in Southwest service football with a 27-13 win Sunday over Brooke Army Medical Center. Both were undefeated previously.

Louis Schauffele scored the second Bomber touchdown on a rare, intercepted pitchout.

1-AAA Should Have Leader After Loop Tilts This Weekend

A leader should emerge from the 1-AAA pack Friday night, after all-teams see action. Midland and Vernon get together in the top battle of the loop, with the winner due to take the inside track in the championship race.

Sweetwater goes to Plainview in another tilt, in which both teams definitely will be scrapping hard to stay in the running. Sweetwater lost to Vernon last weekend, 14-7, and Plainview fell in a 21-20 upset to Big Spring. A loss for either team will mean elimination from the title race.

Big Spring, riding high on its amazing victory, tries Lamesa at Lamesa. The Steers should find Lamesa in a rough way, since the Tornados also will be fighting elimination. They lost to Midland, 34-7, last weekend.

Over in District 1-AAAA, it's Pampa at Lubbock in the top schoolboy game of the week. Both teams are unbeaten, and the winner will be favored to cop the loop crown. Other games in the league find Odessa at Abilene and Amarillo at San Angelo.

In District 8-AA, it's loop-leading Kermit playing host to dangerous Pecos. Seminole, co-favorite with Kermit in the district, entertains Andrews in the other loop game.

Wink's Wildcats take on Big Lake at Wink Saturday night. Other 3-A games find Crane at Alpine and McCamey at Fort Stockton.

Stanton plays little Highland Friday night in Stanton. Midland B gets the Grandfalls varsity in Grandfalls and Midland C takes on Bowie (Odessa) here Saturday.

Other Games — Other games around the state. Ysleta at Auison (El Paso), El Paso High at Roswell (N. M.), Poly (FW) vs. Paschal (FW), Riverside (FW) vs. Arlington Heights (Saturday), Woodrow Wilson (D) vs. Forest (D) (Thursday), Sunset (D) vs. North Dallas, Wichita Falls at Sherman, Texarkana at Tyler, Denison at Waco, Beaumont at Port Arthur, Galveston at Baytown, Pasadena at Orange.

Graham at Cleburne, Weatherford at Brownwood, Stephenville at Breckenridge, Grand Prairie at Denton, Paris at McKinney, Irving at Gainesville, Kikore at Longview, Henderson at Marshall, Palestine at Bryan, Lubbock at Corsicana, Narcocheches at Temple, Port Neches at South Park (B), Galena Park at Freeport, Texas City at Conroe.

Alabama ranked sixth nationally in total offense during 1950. The Crimson Tide gained 4,576 yards on 773 plays, an average of 416 yards per game.

Lion Team Has Tugboat Pacing Floor

"They're probably the roughest defensive team in our district, their backs are good runners and they have the scrappiest team I've seen in a long time."

Thus Coach Tugboat Jones Monday forewarned his Midland High School Bulldogs of the Vernon Lions, who will oppose the MHS' team in a District 1-AAA tilt Friday night in Vernon.

Vernon has allowed only 40 points to be scored against it in six ball games—an average of slightly more than one touchdown per contest. The Lions have captured five of six, losing only to powerful Pampa by a 26-0 margin.

Two 6-0 victories have been posted by the Lions—over Wichita Falls and Quanah. The Lions hold a 32-0 win over Altus, Okla., and a 12-7 verdict over North Side (Fort Worth) in addition to the 14-7 Sweetwater game win.

Jones Monday said he didn't know the extent of the Midland injuries, but expects to hold Larry Friday out of the majority of the contact work. The Midland full-back, already suffering from a bruised shoulder, burst a blood vessel in his right hand Friday night in the 34-7 win over Lamesa.

Vernon's going to be laying for us," the Midland mentor commented. "Their coach, Buster Dixon, is an old teammate of mine and he's already indicated they'll throw everything in the book at us."

"They're rather beat us than anyone on the schedule."

"I'd sure like for my kids to win this one myself," Jones mused.

BACK TO SMU — George Glass, Jr., a student at Southern Methodist University, returned to Dallas by plane Sunday night after a weekend visit with his parents, Mr. and Mrs. George W. Glass, here.

THE BIG ONE—These Midlanders landed this 50-pound catfish at Elephant Lake. Truth or Consequences, N. M., recently, among a total catch of 130 pounds. Left to right, Charles Patterson, Paul Jones, Cliff DeVaney and Dick Graves. DeVaney is from New Mexico; the others are Midlanders. They reported one 22-pound catch and "several" 5 to 10 pounders during their six-day battle of wits with the big fellows.

We've thought all along—and so has Coach Tugboat Jones—that Sweetwater really will be "laying" for Midland in the November 16 conference clash here.

Now from Sweetwater comes the official confirmation. Bud Worsham, Sweetwater scribe, in upbraiding the Mustangs for their loss to Vernon last Friday night, says:

"We must now concentrate our efforts on Midland, the team to beat to share the conference title."

Bud's campaign is starting a bit early, but then, we expected it as the Mustangs recall last year's 21 to 6 win by Midland in a rugged ball game.

Our advice to the Midland players, however, is exactly the same type of thing Tugboat Jones tells 'em: Play each game as it comes along. A Midland team thinking about Sweetwater could find itself in hot water with Vernon and surprising Big Spring the next two weeks.

But we just thought the Midland boys would like to know Sweetwater is going to be tough as tongs when November 16 rolls around.

Dummy Goodie, the ex-Midland flash and now a Hardin-Simmons star, turned in another impressive performance as the Cowboys trimmed West Texas State, 27 to 6, Saturday.

Goodie scored one touchdown on a 16-yard romp and set up two others with long punts to within the shadow of the goal line.

He also did some fine punting for H-S-U.

If he isn't called into the Army, Bill Gledwell expects to field another rugged Golden Gloves team here this Winter.

Last year Bill's team won the novice championship in Odessa, scoring more points than all other West Texas teams combined.

It's time to start training for the GG too, if the boys expect to have another good year.

Interest is high, and the boys probably will begin the training grind soon.

DOTS AND DASHES. College of Pacific routed North Texas State Saturday night, 34 to 0, in a game on the West Coast. . . Previously, NTS had routed six teams and dropped only a 13-6 game to strong Carswell Air Base. . . That blocking turned in by Pete English, guard, in Midland's 34-7 win over Lamesa here Friday night was something to behold. . . So was the defensive play of Bill Leonard, who crawled six yards once to dump Lamesa passer Jerry Millsaps. . . Those Midland Indians still wanting a basketball sponsor. . . End of The Row for now!

Red Raiders Will Meet Texas Western In Key Border Tilt

PHOENIX, ARIZ. —(AP)— Texas Tech moves its explosive split-T attack to El Paso Saturday in another bid to keep its Border Conference victory record unscathed.

The Raiders, who crushed Arizona, 41-0, at Lubbock in their last outing, are highly favored to give Western's Miners another football lesson.

Two other all-conference tilts are docketed. The Arizona State Sun Devils tangle with West Texas State at Tempe, and Arizona State at Flagstaff moves to Las Cruces, N. M., to meet New Mexico A&M. Tempe and West Texas are rated about even.

West Texas, last year's loop champions, will be seeking 115 first conference win. It has lost to three conference foes.

Other games scheduled are New Mexico at Arizona and Cincinnati at Hardin-Simmons. Hardin-Simmons hit paydirt in each quarter with its strong running game to trip West Texas, 27-6, last Saturday.

Browns Defeat Giants On Kicks By Groza

NEW YORK —(AP)—A missed point after a touchdown, something seldom seen among the professionals, could prove mighty costly for the New York Giants in quest of the American Conference title in the National Football League.

The missed point came Sunday and permitted the Cleveland Browns to pass the Giants in the American Conference standings as the National League champions on 14-13 for their fourth victory in five games. It was the Giants' first setback after winning three straight following a tie.

While Ray Poole missed the try for the extra point after the Giants' second touchdown, Lou (The Toe) Groza converted twice for the Browns for the margin of victory.

The Chicago Bears took undisputed possession of first place in the National Conference, beating Detroit's Lions, 28-23. A game back of the Bears, tied for runner-up honors with 3-2-0 records, are Los Angeles, San Francisco and Green Bay.

The three-way deadlock came about when San Francisco walloped Los Angeles, 44-17, and Green Bay edged the winless New York Yanks, 29-27, on three last-quarter touchdowns and Fred Cone's field goal with only 11 seconds left to play.

The Washington Redskins edged Philadelphia, 27-23, to go into a tie with the Eagles for third place in the American Conference. Pittsburgh defeated the Chicago Cardinals, 28-14, in the other American Conference game.

OHIO DECLARES DIVIDEND

NEW YORK —(AP)— Directors of Ohio Oil Company, Findlay, Ohio, declared a year-end dividend of \$1 on common shares, payable December 10 to holders of record November 9. This will bring total payments this year to \$3; against \$2.70 in 1950.

EMERGENCY PATIENT

Paula Martin, 23-month-old daughter of Mr. and Mrs. Kenneth Martin, 1114 East Goh Course Road, was given emergency medical treatment at Western Clinic-Hospital Sunday.

EMERGENCY PATIENT

Oralla Costella, 608 North Mineola Street, was given emergency medical treatment at Western Clinic-Hospital during the weekend.

LEGAL NOTICES

NOTICE OF ROAD BOND ELECTION THE STATE OF TEXAS COUNTY OF MIDLAND TO THE RESIDENT QUALIFIED ELECTORS OF MIDLAND COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY, AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held on the 15th day of NOVEMBER, 1951, in Midland County, Texas, to determine whether or not bonds shall be issued by said County to the amount of \$500,000, for the purpose of the construction, maintenance and operation of macadamized, gravelled or paved roads and turnpikes, or in aid thereof, in Midland County, Texas, and whether or not ad valorem taxes shall be levied on all taxable property in said County, Texas, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof.

ON THIS the 10th day of October, 1951, the Commissioners' Court of Midland County, Texas, convened in special session, at the regular meeting place thereof in the Courthouse at Midland, Texas, the following members of said Court, to-wit:

CLIFFORD C. KEITH, SHERWOOD O'NEAL, ALVY BRYANT, WARREN SKAGGS, W. M. STEWART.

being present and participating, there came on to be considered the petition of Robert M. Payne and 70 other persons, for an election to be held in said Midland County, Texas, to determine whether or not bonds should be issued by said Midland County, Texas, to the amount of \$500,000, for the purpose of the construction, maintenance and operation of macadamized, gravelled or paved roads and turnpikes, or in aid thereof, in Midland County, Texas, and whether or not ad valorem taxes shall be levied on all taxable property in said County subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity; and

IT APPEARING to the said Court that said petition is signed by more than fifty (50) qualified property-taxpaying voters of said Midland County, Texas; and

IT FURTHER APPEARING that the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Midland County, Texas;

IT IS, THEREFORE, CONSIDERED AND ORDERED by the said Court that an election be held in said County on the 15th day of NOVEMBER, 1951, which is not less than thirty (30) days from the date of this order, to determine whether or not the bonds of said Midland County, Texas, shall be issued in the amount of FIVE HUNDRED THOUSAND DOLLARS (\$500,000), in conformity with the Constitution and laws of the State of Texas, for the purpose of the construction, maintenance and operation of macadamized, gravelled or paved roads and turnpikes, or in aid thereof, in Midland County, Texas, said bonds to bear interest at a rate not to exceed THREE AND ONE-HALF PER CENTUM (3 1/2%) per annum, and to mature serially over a period of years not to exceed Thirty (30) years from the date thereof; and whether or not an ad valorem tax shall be levied annually upon the property in said Midland County, Texas, subject to taxation; for the purpose of paying the annual interest on said bonds and to provide a sinking fund for the redemption of said bonds at maturity.

THE SAID ELECTION shall be held under the provisions of the Acts of the Thirty-ninth Legislature, First Called Session, Chapter 16, as amended.

ALL PERSONS who are legally qualified voters of said Midland County, Texas, who are resident property taxpayers of said County and who have duly rendered their property for taxation, shall be entitled to vote at said election.

IT IS FURTHER ORDERED that the ballots for said election shall be prepared in sufficient number and in conformity with House Bill Number 357, passed by the Fifty-first Legislature in 1949, and that printed on such ballots shall appear the following:

"FOR THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF" "AGAINST THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF"

EACH VOTER shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote.

THE POLLING PLACES and election officers of said election shall be, respectively, as follows:

Table with 3 columns: PRECINCT NUMBER, POLLING PLACE, ELECTION OFFICERS. Lists precincts 1 through 7 and their respective polling places and officers.

THE COUNTY CLERK of Midland County, Texas, is hereby authorized and directed to cause said notice of election to be published once each week for three consecutive weeks prior to said election, in a newspaper of general circulation published in Midland County, Texas, and, in addition thereto, by posting notices of said election at four public places in Midland County, Texas, one of which shall be at the courthouse door of said County, for three consecutive weeks prior to said election.

A COPY OF THE ORDER, signed by the County Judge of Midland County, Texas, and certified by the County Clerk of said County, shall serve as proper notice of said election.

The above order having been read in full, it was moved by Commissioner O'NEAL and seconded by Commissioner BRYANT that the same be passed and adopted. Thereupon, the question being called for, the following members of said Court voted "AYE": Commissioners O'Neal, Bryant, Skaggs, and Stewart; and none voted "NO". PASSED AND APPROVED this

J. M. Mims Rites Are Held At Albany

ALBANY—Funeral services for Jimmie Malcolm Mims, 48, brother of Mrs. Beth Miles of Midland, were to be held at 3 p.m. Monday in the First Methodist Church in Albany, with interment in Albany Cemetery.

Mims died in an Abilene hospital Saturday following an illness of four months.

STRUCK BY STEEL

Fred Lanolis, 311 South Fort Worth Street, an employe of the Robinson Brothers Drilling Company, was struck in the right ear by a piece of steel Monday while working. He was treated at Midland Memorial Hospital.

Midland's Store for Men and Women!

Methodists Launch Evangelistic Drive

Midland Methodists went to work Sunday. Leaders and members of three congregations of the city — St. Mark's, Asbury and First Methodist—joined the United Evangelistic Mission, a statewide and nationwide campaign "to save the present age."

The special mission continues throughout this week with daily services at the three churches here and evangelistic work between services. Even as the campaign got underway Sunday, there were 16 additions of membership at the three churches at morning worship hour services.

It is a "walking revival" of a sort. Teams of laymen will visit Midland homes during the week—seeking converts to Christ and new members for churches. Prospects for membership were listed in a recent religious canvas taken in the city.

Laymen met Sunday afternoon for instruction and then went on visitation tours all over the city. This type of campaign is scheduled daily. Visiting ministers will be present at all three churches to conduct services nightly during the special week. Side campaign meetings, in addition to the night services, are planned throughout the days.

TWO PERSONS INJURED

Two persons were injured, neither seriously, in a weekend traffic accident on U. S. Highway 90. Mrs. Calvin Antee, 20, of 434 North Elm Street, Midland, suffered head-injuries. W. D. Evans of Kermitt, a trucker, suffered a bruised jaw.

Both were given emergency treatment at Western Clinic-Hospital. John Alden sang the praises of Miles Standish to Priscilla Mullins—and then spoke for himself. There is romance, adventure and victory in a battle for freedom. In our beautifully illustrated story about one of the great traditional American holidays. Be sure to read every installment of "The First Thanksgiving" Now Appearing in The Reporter-Telegram

Odessa Injured In Highway Mishap

J. E. Skipworth, 24, of Odessa, suffered painful injuries, serious enough to require hospitalization, in a weekend accident on the Rankin highway out of Midland. Skipworth, a trucker, was crushed between a tractor and trailer and suffered injuries of the hip and pelvis. He was admitted to Western Clinic-Hospital.

The trucker was working on a trailer pin when he was caught between the two vehicles.

Odessa Rites Held Monday For Brother Of Midland Merchant

ODESSA—Funeral services were to be held at 3 p.m. Monday in the Normandy Heights Presbyterian Church here for Ira M. Pool, 61, resident of Odessa for more than 20 years. He was a brother of Claude Pool of Midland.

Pool, owner of the Trading Post Store died Saturday here. Survivors include the widow, three daughters, Mrs. Larry Tisdale and Mrs. Richard Sherrod, both of Odessa, and Mrs. Francis Moore of Fillmore, Calif.; a son, Neal of Odessa; the father, W. J. Pool of Cisco; three brothers, Roy of Azle, Texas, Oso of Odessa and Clyde of Midland, and one sister, Mrs. Ola Smith of Odessa.

Interment was to be in Odessa Cemetery.

'Scotty' Thomason Hurt In Auto Crash

H. E. (Scotty) Thomason, an employe of Phillips Electric Company here, suffered serious injuries in a weekend automobile accident near Sweetwater. He is in a hospital at Sweetwater and his condition Monday was described as "serious." He suffered head injuries. Thomason was enroute to Oklahoma when the accident occurred.

MIDLAND'S NEW FIRE STATION—The first of two sub-stations of the Midland Fire Department will begin operation Tuesday. This one is located at South Baird and East New Jersey Streets and will house pumper and booster trucks. The other sub-station will be opened in the north part of the city within two weeks and open house ceremonies are being planned at a later date. In the picture are, left to right, Fire Chief Jim Walker, Capt. J. L. Brooks, C. H. Davis, Bryan Pace and Johnny Bourke.

Medium Sized Atom Bomb Is Exploded In Yucca Flat Tests

LAS VEGAS, NEV.—(AP)—The United States now has at least three arrows to its atomic bow. Joining the select company of the large A-bomb and the baby A-bomb Sunday was a medium sized weapon which gave off a brief, brilliant flash and perhaps the most freakish cloud effect yet seen in any nuclear test by the Atomic Energy Commission.

The moderate, by comparison, bomb was dropped by a B-29 plane in a daylight demonstration Sunday. Unlike the pallid baby blast last Monday, Sunday's detonation caused a rumble heard as far as Big Bear, Calif., 225 miles away, and St. George, Utah, 135 miles off. An aviator flying at about 11,000 feet over Kaibab Forest, Utah, reported seeing the flash some 200 miles distant. It also was seen in Las Vegas and other Southern Nevada communities, but was felt by comparatively few persons. There was no damage reported.

Unusual Smoke Cloud Sunday's bomb—officially the nineteenth major nuclear explosion by the U. S.—flashed white, then glowed red for perhaps two seconds before sending up a column of smoke and the familiar atomic mushroom.

Changing through various colors from grey to purple to brown to pink, the nuclear cloud assumed a "Z" shape, which stretched widely across the sky before finally dissipating three hours after the blast. At its peak, the cloud rose probably to 10,000 feet and attained a width of almost 50 miles.

The bomb exploded at an altitude estimated at about 1,500 feet above Yucca Flat. It was released by a B-29, one of three planes dispatched from Kirtland Air Force Base, Albuquerque, N. M. The planes are attached to the Special Weapons Command of the Air Force.

With no nuclear test slated Monday, conjecture centered on when the atomic war games designed to test 5,000 troops will get under way. It was indicated that the G's probably will swing into Exercise Desert Rock with nuclear weapons Sunday. Thursday, after undergoing one more dry-run test with standard explosives Tuesday.

Britain Calls In Envoy From Tehran

LONDON—(AP)—Foreign Secretary Anthony Eden Monday directed Britain's ambassador in Tehran to return to London immediately for consultations on the Anglo-Iranian oil row. Eden's action was his first public announcement of his new policy since taking over as foreign secretary in the new Conservative government of Winston Churchill.

Churchill and his cabinet are expected to review the Iranian oil situation at their first formal meeting, probably within the next few days.

Rain—

(Continued From Page One) Spring had 49 inch. But Colorado City got as much as 1.15. Rain, enough to make unpaired streets in the city slippery, was a long-awaited sight. Runoff water was slight, however.

Looking south from Midland, the rainfall chart showed 17 inch at San Angelo, and 25 at Sterling City.

Many had contended the Midland country would get rain as cold weather set in but all agreed the weekend fall was not enough to help.

Ranchers hoped the rains, if coming, would not hold off until mid-Winter, when the benefit of moisture would be offset by ice and sleet, harmful to cattle.

A "good rain" was reported at Stanton but it was not measured officially. Rain fell throughout Sunday morning there.

CHILD TREATED

Betty Joe Dennis, six-year-old daughter of Mr. and Mrs. Joe Dennis, was given emergency medical treatment at Western Clinic-Hospital during the weekend.

OBJECT IN EYE

Ray Miles of Terminus was given emergency treatment during the weekend at Western Clinic-Hospital his eye.

CHEST CHAIRMAN—Tom Frick is one of the divisional chairmen for the 1951 Midland Community Chest campaign now being waged. Frick heads the general solicitations committee.

Strike Showdown Fails To Develop

NEW YORK—(AP)—A threatened showdown in New York's waterfront strike failed to develop Monday and miles and miles of docks remained closed tight after morning work whistles blew.

Reinforced lines of pickets marched in front of many piers. Announced plans of AFL Longshore Boss Joseph Ryan to send men "through or over" pickets didn't materialize.

Police, anticipating a possible violent climax to the 15-day dock strike, increased waterfront patrols to about 400 men along the Manhattan docks.

But as the morning advanced, the docks remained quiet while pickets, plodded to and fro. There was no sign of the non-strikers Ryan had threatened to send out.

Decker Rites—

(Continued From Page One) bodies of 60 other Americans. The Rev. F. W. Rodgers, pastor of the Nazarene Church, will officiate at the funeral services and military rites will be conducted at Resthaven Memorial Park by the American Legion post.

Representatives of the Veterans of Foreign Wars and the Disabled American Veterans also will participate.

Surviving Decker are his mother and stepfather; two brothers, George W. Decker, stationed at Lackland Air Force Base, and Ken Autry Decker of Midland; two sisters, Betty Decker and Linda Harmon, both of Midland; the father, A. A. Decker of Tulsa, and grandparents, Mr. and Mrs. M. P. Friday of Midland.

Livestock

FORT WORTH—(AP)—Cattle 4,600; calves 2,100; market fully steady to stronger here Monday with trade rather slow due to sharply higher asking prices. Good and choice slaughter steers and yearlings 32.00-36.00; common and medium kinds 20.00-30.00; beef cows 21.00-28.00; good and choice slaughter calves 30.00-34.00; common and medium calves 22.00-29.00; good and choice stocker calves 30.00-38.00; medium and good stocker steers and yearlings 27.00-33.00.

Hogs 900; market slow; butchers opening steady to 25c higher than last Friday's; sows and pigs unchanged; choice 180-280-pound butchers 18.75-19.25; sows and feeder pigs 15.00-17.00.

Sheep 4,600; all classes fully steady; good and choice shorn slaughter steers 29.00-50, latter price buying lambs with No. 3 pelts; utility and good slaughter yearlings 25.00; feeder lambs 20.00-25.00.

POSTPONE MEET

The Play Readers Club, originally scheduled to meet Wednesday, has postponed its meeting until November 7. It will meet at 3 p.m. in the home of Mrs. J. E. Beakey, Andrews Highway. Mrs. A. W. Schneider will be the reader.

Smallest bird in the world, the Princess Helen's hummingbird of Cuba, is two inches long, according to the Encyclopedia Britannica.

Three Men Charged In White Slave Case Of 14-Year-Old Girl

HOUSTON—(AP)—Three men held here for leading a 14-year-old girl into white slavery Monday were indicted on charges of criminal attack. District Attorney Sam Davis indicated he would seek the death penalty for the trio.

Named in two indictments alleging assault on August 6 and 7 was Edward Lynn Glasgow, 19. Named on separate indictments were Thomas Earl Colburn, 25, and Travis Worthington, 19.

The bills allege Colburn assaulted the 14-year-old girl on August 7 and that Worthington assaulted the same girl on August 6.

The girl was located in a house of prostitution in Port Arthur on October 12. She now is in a Houston institution run by the County Probation Department. Committee To Investigate Rep. Charles Murphy of Houston, a member of the House Crime Investigating Committee, said he understood the committee planned to look into the case. He said the committee's chief interest would be not so much in the prosecution of the present case but in the system of police laxity which would tolerate the "licensing" of women and girls in a red light district.

Glasgow was arrested September 14 after the girl's parents complained.

At that time, Glasgow was found guilty of contributing to the delinquency of a minor and was sentenced to four months in jail.

In Austin Monday, the chairman of the Crime Investigating Committee, Fred Merdith of Terrell, said a committee meeting had been set November 9 in Austin.

He said the emphasis would be on narcotics, but that the committee would welcome any evidence relating to white slave activities.

Arraignment Of Five Louisiana Newsmen Again Is Postponed

LAKE CHARLES, LA.—(AP)—Arraignment of five newsmen on charges that they defamed 16 public officials and three admitted gamblers during an anti-gambling crusade was postponed a second time in District Court here Monday.

The arraignment was delayed because the newsmen appealed to the Louisiana Supreme Court from a decision by Special Judge Bernard Coker of New Orleans that he was qualified to try the case and assistant Attorney General M. E. (Mike) Culligan was qualified to prosecute it.

The defendants claimed the case should be tried before one of the judges assigned to this district. Judge Coker was sent here by the Supreme Court to replace Judge Mark Pickrel, who is undergoing medical treatment.

Manipulation Charged Culligan was selected by Attorney General Bolivar Kemp to prosecute the case when District Attorney Griffin Hawkins withdrew because Hawkins was one of the men allegedly defamed. The defendants contended Hawkins should have selected a Lake Charles attorney as prosecutor.

In appealing to the Supreme Court, the defendants contended Hawkins had manipulated the appointment of an outside judge "for his own purpose and design."

Defendants in the case are Thomas Shearman, publisher of the Lake Charles American Press; his son and co-publisher, William Hugh Shearman; Managing Editor Kenneth L. Dixon; City Editor James Norton; and Reporter Carter George. They are free on bond.

Ike To Be Asked To Give Intentions Before January 1

WASHINGTON—(AP)—General Dwight D. Eisenhower probably will be asked soon that if he is willing to become a candidate for the Republican presidential nomination, he should say so by January.

Paul G. Hoffman, former head of the Economic Cooperation Administration, has indicated in conferences with Republican officials here he plans to carry such word to the general shortly.

Senator Duff, (R-Pa.), scheduled for a visit to Eisenhower's Paris headquarters in the next few weeks, said in a weekend radio broadcast that the general's plans "will have to be very unqualifiedly known very early in the year."

Few think Eisenhower will be ready by January to turn over the NATO command to anyone else, but Hoffman and others evidently believe a way can be found for the general to make it known he would be responsive to a draft movement.

Spy Judy Coplon To Become Mother

NEW YORK—(AP)—Judith Coplon, former Justice Department employe found guilty of spying for Russia, is expecting a baby in February.

The 29-year-old woman, who now is Mrs. Albert H. Socolov, was reported "feeling fine" Saturday by her husband, who also is one of her attorneys.

She is appealing a conviction by a federal court in Washington for removing secret government documents with the intent of giving them to Russia.

Guatemala Mourns Death Of 26 Persons In Transport Crash

GUATEMALA, GUATEMALA—(AP)—The government proclaimed nationwide mourning Sunday for a Guatemalan acting troupe virtually wiped out in the crash of a Guatemalan Air Force transport plane. Only two of the 28 persons aboard survived.

The plane, bringing the performers back from a theater performance at Flores, crashed Saturday shortly after taking off near the tropic.

The two survivors, both entertainers, were thrown clear of the plane when it struck. One of them, 20-year-old radio songstress Ziola Luz Estrada, was found in the branches of a nearby tree.

Five of the dead were military men. The other 21 were performers.

Get Ready For Knocking Engines, Says PAD Official

CHICAGO—(AP)—C. E. Davis, director of the refining division of the Petroleum Administration for Defense, had this advice for motorists Monday:

"Get ready to clean up your engines, retard the spark setting, and prepare for knocking on the hills."

In an address prepared for the National Lubricating Grease Institute, Davis said the anti-knock octane rating of automobile gasolines has been reduced in an effort to make more of the anti-knock ingredient, tetraethyl lead, available for the manufacturer of aviation gasoline.

Davis said the Office of Price Stabilization this month issued regulations which both helped and harmed the tetraethyl lead position. He noted that OPS had:

- 1. Raised the ceiling price for primary domestic lead from 17 cents to 19 cents a pound, thus helping to increase production.
2. Delivered "what may be a gnockout to the foreign supply" by imposing a ceiling of 19 cents a pound where no ceiling price had existed before. Foreign purchases had been averaging about 22 cents a pound.
3. Raised the ceiling price on scrap lead from 17 cents to 19 cents a pound, "which should smoke more scrap out of the junkyards."

Iran Uncovers Communist Plot To Overthrow Shah

TEHRAN, IRAN—(AP)—Iran's government says it has uncovered a Communist plot to unseat Shah Mohammed Reza Pahlavi.

Police said a raid on an underground headquarters of the outlawed Red Tudeh Party produced thousands of leaflets calling for ouster of the 32-year-old shah and formation of a "national government."

The police said they also found "very important documents which may lead to further discoveries." An undisclosed number of arrests was made in the raid.

The Tudeh Party was outlawed after the shah was wounded in an assassination attempt in February, 1949. Since then it has operated covertly, in recent months taking a major part in anti-British demonstrations staged by militant Nationalists in connection with the oil nationalization program.

Western observers fear the Tudeh may stage a revolution to seize the government if continued absence of revenues from the now-silent nationalized oil industry results in an economic breakdown in Iran.

Kiwanians Talk Minstrel Show

Members of the Midland Kiwanis Club spent all the time at their weekly luncheon Monday talking about their minstrel show which opened Sunday afternoon.

With Herschel Ezell in charge of the program in Hotel Scharbauer, the Kiwanians discussed the various details connected with the annual show which will be presented nightly this week at the City-County Auditorium.

Among the guests at the luncheon were Mr. and Mrs. Paul Rutledge of Santa Fe, N. M., who brought their old-fashioned callopie to Midland to participate in activities connected with the show.

The funny bone is not a bone. It is a nerve which, when pressed, causes pain.

Liquor Poisoning Deaths Reach 38; 345 Cases Treated

ATLANTA—(AP)—With the biggest part of a poisonous, 98-gallon residue of moonshine still unrecovered by police, most Atlantans turned to legal liquor for their weekend drinking.

Drinkers were not scared off, however, by the 38 deaths caused last week by imbibing a methyl (wood) alcohol and water mixture. Police declared weekend drunkenness arrests were no lighter than usual.

Detective J. E. Helms said only about 40 gallons of the deadly stuff had been recovered and warned that deaths from drinking the brew might occur for the next two years. One of five negroes brought to Grady Hospital Saturday night with symptoms of methyl alcohol poisoning died early Sunday to raise Atlanta's death toll to 38. Two others died last week in nearby Windsor.

Since the first deaths October 21, 345 persons were treated, Grady attaches said, and 17 still are being attended. Two negroes are reportedly blinded for life. Two white men and 12 negroes have been arrested in connection with the poisonings.

FRAGMENT IN EYE

C. R. Wolfe, 802 North Baird Street, received emergency treatment at Western Clinic-Hospital during the weekend for removal of a steel fragment from his eye.

WORKMAN INJURED

Carlos L. Chavez, construction workman, suffered a hand injury in a weekend accident. He was given emergency treatment at Western Clinic-Hospital.

Greenwald Rites Held Here Sunday

Funeral services for R. E. Greenwald, 74, longtime Midland resident who died Friday, were held at 2 p.m. Sunday in the Newline W Ellis Chapel.

Greenwald had been a resident of Midland the last 25 years. The Rev. Clyde Lindsay, pastor of the First Christian Church, officiated at the services. Interment was in Fairview Cemetery. Survivors include a son, W. A. Greenwald of Eloy, Ariz.; a daughter, Mrs. Jack Vantrave of Wichita Falls; a step-daughter, Mrs. Owen Cochran of Midland, and seven grandchildren.

MIDLAND MERCHANDISE FIRM GETS CHARTER

Secretary of State John Ben Shepperd Monday had issued a charter to John Boatright, Inc., a Midland merchandise firm with John W. Boatright, Jr., Dick Rayburn and P. H. Walker listed as incorporators. The 50-year charter reported the capital stock as \$20,000.
