Wildcat In NE Andrews Has Big Flow

Phillips Petroleum Company has a flowing discovery from the Devonian in Northeast Andrews County at its No. 1-CC Texas University.

That prospector flowed 69 barrels of oil in one hour, naturally, through a five-eighth inch bottom hole choke.

It is to drill 50 feet deeper and take another drillstem test.

Top Of Devonian

The 69-barrel per hour oil flow came during a two hour and eight minute drillstem test at 12,513-541 feet in the top of the Devonian.

Gas surfaced in five minutes and the water blanket started flowing out in eight minutes. Drilling mud came to the surface in 30 minutes and clean oil started flowing out at top in one hour and three minutes.

The oil was flowed to pits for five minutes and it then turned to tanks.

No Signs Of Water

During the next 60 minutes it made the 69 barrel flow of oil. There were no signs of formation water. Gravity of the oil was 43 degrees. Gas-oil ratio was 642-1. The tool was being pulled at last report. No pressures have yet been reported.

Top of the Devonian is at 12,510 feet. That is 29 feet high to the top of the Devonian in Magnolia Petroleum Company No. 1 University, two and one-half miles to the southeast, the discovery well of the Magueta (Ellenburger) field.

The Magnolia well found flowing oil in the Devonian. It drilled on down and also found flowing oil in the Ellenburger.

Devonian Cased Off

It completed from the Ellenburger and left the Devonian pay cased off for the present.

The new Phillips discovery is 660 feet from south and 667 feet from west lines of section 42, block 5, Unit-1 survey. It is 11 miles north-west of the town of Andrews.

Phillips No. 1-CC University is projected to 14,000 feet or a test of the Ellenburger at a lesser depth. It probably will continue drilling until it reaches the objective.

Another Discovery Flows

Six miles to the northeast, The Texas Company No. 1-Z State, another Devonian discovery, flowed 80 barrels of oil in six hours through a 20/64-inch tubing choke.

That production was from perforations in five and one-half-inch casing from 12,530 to 12,590 feet. That set had been treated with 1,000 gallons of mud acid.

It was still flowing to test.

Location is 660 feet from west and 1,980 feet from south lines of section 22, block 6, pal survey and 17 miles northeast of Andrews.

Magnolia Upton Wildcat Slated For Potential

Magnolia Petroleum Company No. 1-P TXL, wildcat in Northwest Upton County four miles southwest of production in the Pegasus (multi-layers) field and one and one-quarter miles north and slightly east of the one-well Davis (Ellenburger) field, was preparing to take potential.

After acidizing the section from 13,144 to 13,187 feet with 3,000 gallons of acid, the well flowed 90 barrels of new oil the first eight hours and at last report it was making 14 barrels hourly through a 16/64-inch tubing choke.

No. 1-P TXL previously had been acidified with 1,500 gallons of acid in 500 and 1,000-gallon stages.

Casing, five and one-half-inch, is cemented at 12,127 feet. Total depth is 13,187 feet in the Ellenburger.

Potential test will be reported Sunday.

Location is 660 feet from south and 1,980 feet from west lines of section 9, block 41, T-5-S, T&P survey.

Official Potential Filed For Austral Sterling Discovery

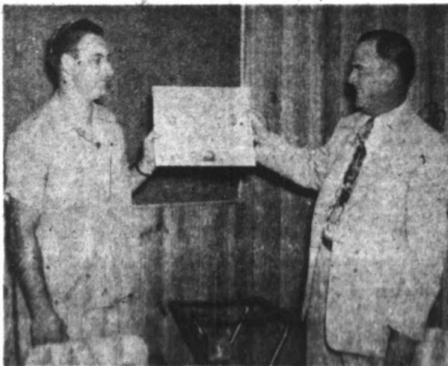

Austral Oil Exploration Company, Inc., has filed official potential test with the Railroad Commission of Texas for No. 1 Ellwood Estate, Mississippi discovery in North-Central Severy County.

It was finalized for a daily flowing potential of 92.12 barrels of 42-gravity oil through a 24/64-inch tubing choke and from perforations at 8,070-8,094 feet.

It made two-tenths of one per cent water in addition to the oil.

Pay was topped at 8,070 feet, etc. (Continued On Page 12)

Bandits Rob Midland Meat Plant

'BEYOND THE CALL OF DUTY'—Robert Lee Napier, left, PBX installer for the Midland office of the Southwestern Bell Telephone Company and formerly of Little Rock, Ark., is shown receiving the Vail Heroism Award for 1951 from W. H. Melbern of Fort Worth, division plant superintendent for the company. Melbern, in making the presentation, said "Napier displayed heroism beyond the call of duty in saving at least four victims of an automobile accident near Little Rock in September, 1951."

Winner Of AT&T Award Disclaims Personal Heroism

Modestly disclaiming any personal heroism, Robert Lee Napier, PBX installer for the Midland office of the Southwestern Bell Telephone Company, accepted the 1951 American Telephone and Telegraph Company heroism award for a five-state area at a banquet Thursday night in the Blue Star Inn.

"I didn't do anything that anyone else wouldn't have done under the same circumstances," the young World War II veteran said. "Something needed to be done."

W. H. Melbern of Fort Worth, division plant superintendent for the company, who presented the award, pointed out that Napier was responsible for saving at least four victims of an automobile accident near Little Rock, Ark., in September, 1951.

Rescue Cited

Melbern, in an address to the approximately 75 persons attending, cited Napier for the underwater rescue of victims of a midnight accident which sent an automobile with eight negro occupants into Rock Creek near the Boyle Park entrance on the Hot Springs Highway.

Napier, returning from Hot Springs with his family, was immediately behind the car, and despite the total darkness under the bridge, dove into the submerged from two directions.

State Vector Control Chief Urges All-Out C-Day Effort

As a prelude for Midland's Clean-Up Day Monday, a citizens meeting was held at 8 p.m. Thursday in the Cowden Junior High School Auditorium to discuss the polio and diarrhea situation.

A small group heard P. J. Von Zuben, Jr., chief of operations of insect vector control in the Bureau of Sanitary Engineering of the State Health Department, say he was pleased with progress in cleaning up the city, but urged an all-out effort on C-Day.

Dr. C. A. Pigford, director of the City-County Health Unit, introduced the speaker.

While Von Zuben did not identify flies as carriers of polio germs, he said they were a contributing factor. Cockroaches and mites also may be carriers of the polio virus, he said.

The speaker said there is a direct relationship between the prevalence of flies and cases of diarrhea and dysentery in a community.

Removal Urged

Since flies breed in exposed organic material, the most effective control means is to remove rubbish and sewage waste, he said.

Other sanitation tips included recommending use of all-metal garbage containers, with lids to be kept tightly closed to prevent flies from using them for breeding places. The

Murray Raps Ike's Stand On 'Security'

WASHINGTON — (AP) — CIO President Philip Murray, attacking Dwight D. Eisenhower's expressions on social security, said Friday he doubts "the average citizen can find any comfort or grace in his candidacy."

Murray addressed a "get-behind-Stevenson" rally (PAC). The CIO Executive Board endorsed Democratic nominee Adlai Stevenson Thursday.

Murray quoted from what he said were past speeches and letters by Eisenhower and declared the GOP candidate's views run "counter to the expressed purposes of the American people throughout the last 30-year period."

'Hot Dogs And Beer'

Heavy sarcasm in his voice, Murray said Eisenhower's 1948 and 1949 speeches on social security introduced a "fine, statesmanlike, broad vision of what America should be." He quoted Eisenhower as saying this:

"We seek the illusion called security. We want to wear fine shirts and have caviar and champagne when we should be eating hot dogs and drinking beer."

Smiling broadly, Murray commented: "Now there's a philosophy to be introduced into the American political scene."

In a statement at Denver August 9, Eisenhower called for expansion of the social security program to cover an additional 14,000,000 persons and for increased old-age assistance grants.

Murray made a general attack, too, on the Republican Party. He said it has "stood against any legislation to control inflation."

Accident Kills Two Near Colorado City

COLORADO CITY — (AP) — Two persons were killed Friday when their car left the highway and smashed into a utility pole near here.

One of the dead was identified as George Burkhardt, 50, Globe, Ariz. The other, a woman, was not identified immediately.

Midlander Joins In Hunt For Daughter

Mrs. Lorain (Tony) Phillips, 29, of Midland, estranged wife of G. H. Phillips of Odessa, joined a search at 9 p.m. Thursday, after she was informed that her nine-year-old daughter had been missing since early Wednesday.

The blonde child disappeared from her trailerhouse in the Rio Courts on East Second Street in Odessa, where she and a brother and sister had been living with her father. Mr. and Mrs. Phillips have been separated since May 10.

Mrs. Phillips was found babysitting in a Midland home at 9 p.m. Thursday by Midland Police Officer J. C. Myrick and his brother, Odessa Policeman Bill Myrick.

Upon being advised of her daughter's mysterious disappearance, Mrs. Phillips voluntarily accompanied the officers to Odessa to join in the desperate search.

The Ector County Sheriff's posse

FISH STORIES—GOP presidential candidate Dwight D. Eisenhower, left, chats with Congressman Charles J. Kersten of Wisconsin about the relative size of fish. Kersten, visiting the general's Denver headquarters, told Eisenhower the Wisconsin musky run "much larger than the Colorado trout."

City Hikes Water, Sewer Tap Prices

Increases ranging from \$5 to \$15 in the city's charge for making new water and sewer connections were approved Thursday afternoon by the City Council.

The changes become effective September 1. The increases were authorized on the recommendation of City Manager W. H. Oswalt, who pointed out that present charges are not paying the full cost involved in making the connections.

The action by the council came as it began a study of the proposed water department budget for the 1953-54 fiscal year.

Oswalt pointed out that during the period from Oct. 1, 1951, to June 30, 1952, the city had spent \$129,921 in making new water and sewer connections.

Revenue from connection charges amounted to only \$61,967. Included in the total cost was \$31,630 for water meters and \$9,434 for meter boxes.

"The city," said Oswalt, "should rightfully be expected to bear the cost of a 'house-size' meter but, in my opinion, the cost of the plumbing work should be borne by the consumer."

Under the new schedule, three-fourth-inch taps will increase from \$25 to \$35, one-inch taps from \$35 to \$50, one and one-half-inch taps from \$50 to \$75, four-inch sewer taps from \$75 to \$100 and six-inch sewer taps from \$100 to \$125.

When tap is made in a paved street, the additional charge is increased from \$12.50 to \$25.

The 1953-54 budget for the water and sewer department calls for the expenditure of \$672,745, compared to an estimate expenditure of \$743,340 during the current fiscal year and \$479,263 last year.

Oswalt estimated that revenues, including \$640,000 for sale of water, will amount to \$672,850, compared to \$718,000 during the current year and \$663,268 last year.

He estimated the departments will wind up the current year with a surplus of \$53,000.

Texans Swelter In Fourteenth Day Of Heat Barrage

By The Associated Press

Texans sweltered in the fourteenth day of a deadly heat wave Friday as the months-old drought continued.

Temperatures again spurted toward the 100-plus mark. Weather Bureau observers could see no end to the extremely hot weather and no rain of significant amount ahead.

Dallas looked toward its fourteenth consecutive day of temperatures of more than 100 degrees and counted its second heat stroke fatality in four days with the death Thursday of Lewis L. Davis, 58.

Labor Day Is Play Day. See Page 3, Sec. 2—(Adv.)

Night Watchman Bound, Gagged As Trio Cracks Safe

An armed bandit and two companions Thursday night robbed a Midland meat-packing company of between \$400 and \$500 after trussing up the night watchman and blowing open the safe.

Working in the old Wild West style of the movies, the trio apparently carried out its plan without a hitch as they robbed the C. J. M. Packing Company office on East Highway 80.

Officials of the company said they were not able to determine immediately how much cash was taken from the big, seven-foot safe.

Some currency and small change was scattered throughout the office by the force of the blast and left behind as the trio quickly left.

For more than seven hours, Clem Daughtry, the 66-year-old night-watchman, who lives at 410 South Fort Worth Street, sat bound in his chair until he was released by another employe shortly before 7 a.m. Friday.

Auto Drives Up

Daughtry told Texas Ranger John Wood, Deputy Sheriff Guy Fletcher and other officers he was sitting in the office Thursday night when he saw an automobile drive up outside.

"A lot of people come out here at night to get meat out of their lockers," he said, "and I didn't think much about it."

He said a man, described as about 25 years old and wearing a Western style hat came in the door and asked if he could leave some beef there.

Before Daughtry could answer, the man pulled out a gun.

"Now, just turn around and keep looking the other way," the gunman said. "The other fellows will be here in a minute."

Daughtry said he turned around and the others came in the door. Adhesive tape was placed across his eyes and his hands were bound behind him. He then was placed in a chair and bound to it with two-inch adhesive tape.

"Just don't get excited," one of the men told him. "You won't get hurt if you behave yourself."

U. S. Snubs Paper Pledge Against Atom

UNITED NATIONS, N. Y. — (AP) — The U. S. warned Friday that it reserved the right to use the A-bomb and germ warfare to suppress aggression until such weapons are eliminated by an iron-clad system of international safeguards.

The warning was made by U. S. Delegate Benjamin V. Cohen before the UN Disarmament Commission where Russia repeatedly has demanded that the UN ban atomic weapons and germ warfare.

No Ultimatums

Cohen told Soviet Delegate Jacob A. Malik the U. S. never would accept a mere paper declaring prohibition on the use of these weapons.

Cohen said: "We are issuing no ultimatums. We are making no threats."

He went on to say that, until there is an effective international system of inspection to make sure agreements are not being violated, the U. S. does not intend to invite aggression by informing, or committing ourselves to, weakly-aggressors and charter-breakers that we will not use certain weapons to suppress aggression.

"To do so in exchange for mere paper promises would be to give would-be aggressors their own choice of weapons," he said. "For certainly there is no assurance that aggressors, which break their charter obligations not to go to war, will keep their paper promises: not to fight with certain weapons if they have them and need them to achieve their evil designs."

Aly Visits Rita; Outcome Unknown

HOLLYWOOD — (AP) — Prince Aly Khan lost little time seeing his estranged film actress wife Rita Hayworth after his arrival here, but the big question of possible reconciliation remained Friday.

Aly arrived by plane Thursday night and a few hours later, shortly before midnight, went to visit Rita in her Beverly Hills home.

The prince had parried questions of when he was going to meet the shapely actress, apparently to throw newsmen and photographers off the trail.

Rescue Team Rests In Cave After Death Of Injured Man

LIQO-ATHERY, FRANCE — (AP) — Four cave explorers huddled in exhaustion Friday 1,155 feet underground beside the broken body of their comrade, Marcel Loubens, killed when he fell into the abyss.

Loubens, 33, an industrialist, died Thursday night as a death-defying rescue team was about to try hoisting him by cable from a ledge where he had lain in a coma almost 36 hours.

A doctor, Andre Mairay, had gone down in the earth with blood plasma and medicines but it was too late.

Mairay and three other members of the expedition probing the Pierre Saint Martin Cave here near the Spanish border told comrades at the top they were so exhausted they had decided to sleep before beginning the task of removing Loubens' body.

With Mairay are Haroud Tanflet, a photographer; Jacques Labeyrie, son of a former governor of the Bank of France; and Bernard Occhialini.

Then, just before midnight, the daring doctor told anxious watchers on the surface by telephone that the young explorer had died.

"Loubens died as he was tied to the stretcher and we were ready to bring him to the surface," he reported. Dr. Mairay previously had been hopeful of saving the injured man.

Loubens, a Paris industrialist, shared with Mairay and others an amateur enthusiasm for spelunking (cave exploration). On their current expedition, members of the party had penetrated a record 1,656 feet into the earth's crust.

Dr. Mairay was the only survivor of seven explorers trapped in a nearby cave two years ago. Their escape route cut off by a flood of water, six drowned as they struggled to find a way out of the cavern, but the 38-year-old Mairay held his head above the top water for 24 hours until it ebbed.

Bloodhounds Prowl For Man Clothed Only In His Beard

SILSBEE—(P)—Folks in these parts are on the alert for "the nude man of the Big Thicket." Sheriff A. D. (Red) Lindsey says he's going after the elusive character with bloodhounds. Will Kelley, who lives in Honey Island, got the first glimpse of the nude man.

Boy Saves Woman As Fire Destroys San Marcos Home

SAN MARCOS—(P)—A 16-year-old boy dragged an elderly woman to safety Thursday when fire destroyed an historic home near here. Mrs. Daisy Brown, 48, aunt of San Marcos Mayor Norman Jackson, was burned seriously. The blast destroyed the home of Mr. and Mrs. Wallace Gary, who lived in the "Marcos Jackson" place three miles south of here. Built in 1914, the house was known as one of the most attractive in this area. When the fire started Mrs. Brown rushed upstairs to save her belongings. Flaming trapped her on the second floor but Wallace Gary, Jr. ran upstairs and pulled her out of an upstairs window. Gary was overcome by smoke but was not in serious danger.

Shell Blast Kills San Angelo Child

SAN ANGELO—(P)—A 13-year-old San Angelo boy was killed and his younger brother was injured critically when a 20-mm shell with which they were playing exploded Thursday. Robert (Bobby) Bownds died instantly and his five-year-old brother, Harvey, was in a critical condition. They are the sons of Mr. and Mrs. Ross A. Bownds. Where the boys got the shell was not known.

Peterman Embarks On New York Trek

B. B. Peterman, employed by the L. W. Hynd Company, will leave the Midland Terminal Airport at 7 a. m. Sunday on a Pioneer plane for New York City for a week's visit. Peterman won the all-expense paid trip in a sales contest sponsored by General Electric.

HIGH WINDS, HIGH SPIRITS

TALMAGE, NEB.—(P)—Talmage kids are skeptical about the old saying, "It's an ill wind that blows nobody good." A 100-mile-an-hour wind, which did an estimated \$250,000 damage here Wednesday night, knocked out the city's power and left food merchants without refrigeration. Thursday the town's entire supply of ice cream went to the kids, all for free.

Reyna Rites Held Friday

Funeral services for Mrs. Jimmie-nee Reyna, 46, who died Thursday, were to be held at 2:30 p. m. Friday in the Newie W. Ellis Chapel with the Rev. Luther Kirk, pastor of the First Methodist Church, officiating. The body will be forwarded to Glendale, Calif. for interment.

Two Youths Drown As Parents Attend Rites For Another

ATLANTA, TEXAS—(P)—Two boys drowned in a lake near here Thursday while the parents of one attended the funeral of another drowning victim. The bodies of Charles Alan Rutland, 12, son of Mr. and Mrs. W. L. Rutland, and Jimmie Allen Thomas, 11, son of Mr. and Mrs. James E. Thomas, were taken from six feet of water by a neighbor. The Thomas boy's parents left him and a brother, nine-year-old J. W. Thomas, with the Rutlands while they attended services for Donald Golden, four, who drowned Tuesday. The two Thomas boys and the Rutland had slipped away to a nearby lake for a "swim." Actually none could swim. And a short time later, the younger Thomas boy ran to the Rutland home screaming that he thought the other two boys were drowning. The Golden child drowned in the Cypress River near Jefferson. He was a grand-nephew of the Thomases.

Police Step In As Actress Steps Out On Wealthy Heir

DETROIT—(P)—The reported romance between automobile heir Horace E. Dodge and Showgirl Gregg Sherwood ended abruptly Thursday after Dodge had police pick up the attractive movie and television actress as she departed to visit her parents in Beloit, Wis. Miss Sherwood, who has been rumored engaged to the 25-year-old Dodge ever since he staged a fabu-

lous party for her in Cannes, France, said she was "all through" with the auto heir. The 25-year-old actress admitted to police that she was keeping a \$100,000 "friendship ring" Dodge gave her at the Cannes party. Dodge called police from his home Thursday night saying that a woman giving a cab to the bus station had stolen his jewels. Police traced the cab and picked up Miss Sherwood as she arrived at the station to board a bus for the airport. She was taken to headquarters where police again called Dodge. He said that no jewels were gone but that Miss Sherwood had taken a box of candy, two bottles of perfume, and five table cigarette lighters. The attractive showgirl produced the missing items from her luggage, claiming that all were gifts. "I have been in his house for several days as a guest," Miss Sherwood said, "with two ladies as chaperones. The ladies left so I decided to leave, too." "Last week, he was my houseguest at my parents' home in Beloit, but my father did not approve of his drinking and ordered him out." "This is the end of a beautiful romance. He's too temperamental," Miss Sherwood said. Police released the showgirl after retaining the candy and one of the perfume bottles — called "Happy Landings."

Mayor Of Orange Returns To U. S.

SAN DIEGO, CALIF.—(P)—The mayor of Orange, Texas, got back from Korea today aboard the U. S. Destroyer Tender Digie. S. J. Callaway took the oath as mayor in a two-way radio setup with his home city when the Digie was between Hawaii and California Tuesday night. The tender has been in Korean War service.

Sally Forrest Will Follow Tide In Swim Back To Dance Career

By ERSKINE JOHNSON
NEA Staff Correspondent
HOLLYWOOD — The Women: The tide's turning to musicals in Hollywood and Sally Forrest has made the big decision to swim along. No more mousey, wide-eyed tragic roles for Sally, who hit stardom as a junior Bette Davis in Ida Lupino's "Not Wanted" and "Never Fear." Not until she proves to Hollywood that she's just what exhibitors are crying for as a dancing and singing star. "Nobody's making pictures about unwed mothers and unhappy factory girls any more," Sally told me. "I never had ambitions to be a great dramatic star, anyhow." "Ida Lupino poured a lot of herself into me and changed me from a dancer into an emotional actress. I'm grateful to Ida. But now I've got to make producers forget that I was the wet-handkerchief queen and go back to my dancing. "Maybe I'm making a mistake, but I have to dance if I'm going to be happy in my career."

YUMMIE!—Gov. Adlai Stevenson of Illinois evidently gets eye-popping pleasure out of the milk shake he's sipping through a straw. He's pictured taking time out for refreshment at the Illinois Centennial State Fair.

Loss Of Appetite By Gloria Grahame Enough For Divorce

LOS ANGELES—(P)—Gloria Grahame, 25, won a divorce Thursday because her husband was sullen and morose. But there was little evidence of any change to her figure. T. shapely actress came to court in a black dress as low cut as court attaches could recall. Over it she wore an unbuttoned white sweater, which concealed none of her charms. Miss Grahame said movie director Nick Ray's attitude "hurt my eating." Superior Judge Samuel Blake granted the divorce from Ray, 40, on cruelty grounds. Miss Grahame was awarded \$370 monthly for their three-year-old son, Timothy.

Ginger Takes Spin With French Actor

NICE — (P) — American Actress Ginger Rogers stepped off a plane from Paris Friday into the arms of a French movie actor, Jacques Bergerac. Ginger enroute to a vacation in Monaco, ignored an official Monaco dignitary, Hettler Loubise, who had come to meet her in a big limousine. She finally let him have her baggage, but she drove off with Bergerac in his small car.

COW ATTACKS MAN

WHARTON — (P) — An enraged cow attacked E. L. LeRoux Thursday. He received a broken neck and was in serious condition in a hospital.

checked" line when a vixen rolls comes up. "Every day the papers carry pictures of sex murderers and gun molls and they're all round-faced," Nancy yelled. "The other night I went to a party where they showed an old Theda Bara vamp movie. Know what? Theda was as round-faced as I am." They Had Their Chances Ida Lupino is directing three movie tough guys in "The Difference," but she's confessing that she gave them the chance to veto her before the film started. "I sent word to them," says Ida of her three stars — Edmund O'Brien, Frank Lovejoy and Bill Tallman. "That my feelings wouldn't be hurt in the least if they didn't want to work with a female director in a rugged, outdoor picture like this. They had the right to turn me down. But, thank heavens, they didn't." Delicate, feminine Ida's working in desert heat and swamps with her hard-boiled stars and getting an earful of masculine language. "I don't blush," she smiled. "I think men have a right to cuss."

Spanish Designers Bid For Part Of American Fashion Market

MADRID —(AP)— Spain wants a piece of the American fashion market. First gun in the battle with the designers of France, Italy and other nations will be fired August 18.

Five Spanish modistes, participating in a four-day Spanish Festival of Fashion, will present to an expected 100 fashion buyers and writers from the United States and Canada, Fall and Winter fashions valued at \$250,000.

Simultaneously, a Spanish fair

will show accessories, fabrics, houseware and handiercraft from handkerchiefs to botijos earthenware water-jugs.

Organizers of the festival, a Spanish import-export house, are afraid, however, that the Spanish showings which follow those of Italy and France, will be at a disadvantage.

"We're very much afraid the buyers won't have any more money left to spend when they get to Madrid," one said.

Five Houses Participate

The five houses are Pedro Rodriguez, Asuncion Bastida, Manuel Pertergas, Santa Eulalia whose chief designer is Pedro Formosa, and El Dique Fontante (the floating dock) whose designer is Francisco Beleta.

Emphasis in the collections is on Spanish fabrics. The central motif of each house is a closely guarded secret, so much so that the five designers did all their work in their private homes so there would be no chance of leaks.

Prices range from \$75 to \$100 for day, afternoon and cocktail gowns; \$100 and up for coats and from \$150 for evening gowns.

The five houses intend the festival to be more than just a flyer. They plan semi-annual shows from now on. In the future they will be held in Barcelona, center of Spain's textile industry and fashion headquarters.

Jo Ann Fisher Honored At Crane

CRANE—Jo Ann Fisher, bride-elect of Howard D. Christian, was honored with a "gift tea Monday night in the Community Hall.

Hostesses were Mrs. Jack White, Mrs. T. N. White, Mrs. R. G. Taylor, Mrs. W. S. Johnston, Mrs. W. V. Steil, Mrs. L. L. Bragg, Mrs. K. H. Gray, Mrs. A. C. Shavor, Mrs. J. M. Alexander, Mrs. Max Leaman, Mrs. C. W. Arnold, Mrs. Claude LeClaire, Mrs. Tom Hogan, Mrs. Theo Price, and Mrs. D. H. Oulp.

Receiving guests with the hostesses were the honoree and her mother, Mrs. Joe Fisher, and Mrs. H. D. Christian, mother of the prospective bridegroom. Mary Lou Fisher, sister of the honoree, presided at the guest register.

Keynoting table decorations was the crystal punch bowl, surrounded with pom-pom chrysanthemums floated in a water-filled tray. The table was covered with a lace cloth.

Presiding at the refreshment table were Kay Culp and Jean Shavor.

Luncheon Held By La Merienda

Mrs. Harry C. Trimble and Mrs. L. F. Peterson were hostesses for the luncheon and bridge party of the La Merienda Club Thursday in the Ranch House.

Prizes were won by Mrs. K. E. McFarland, Mrs. S. L. Farham, Mrs. J. L. Knowles, Mrs. F. A. Nelson, and Mrs. Louise Bartha.

Guests for the afternoon were Mrs. Alan C. Roberts, Mrs. R. E. Williams, Mrs. Willard Land, Mrs. W. L. Crothers, Mrs. W. G. Mosey, Mrs. Joe Huff, and Mrs. G. H. Dunagan.

Members present included Mrs. J. R. Cantrell, Mrs. Knowles, Mrs. Edgar Covey, Mrs. Trimble, Mrs. Farham, Mrs. Burt Self, Mrs. McFarland, Mrs. C. H. Atchinson, Mrs. E. L. Zihman, Mrs. John Younger, Mrs. Bartha, Mrs. Frank W. Reeves, Mrs. John Norman, Jr., Mrs. Nelson, Mrs. Jesse V. Lindsey, Mrs. R. D. Fitting, and Mrs. Charles L. Lake.

Eula Hildreth

Couple Slates August Vows

Mr. and Mrs. W. P. Hildreth of Lenora announce the engagement and approaching marriage of their daughter, Eula, to Edward H. Kartes, son of Mr. and Mrs. Charles F. Kartes of Brackettville.

The wedding will take place August 22. Miss Hildreth, a graduate of Stanton High School, is employed by the Stanton Reporter.

Kartes is a graduate of Brackettville High School and later attended the University of Texas. He is a veteran of World War II and the Korean War.

Kappa Alpha Alumni Set Weekend Parties

J. R. Martin, president of the Midland Chapter of Kappa Alpha Alumni, will entertain KA rushees with a party at 3 p.m. Saturday in the Midland Country Club.

Saturday night the rushees will be honored with a dinner at 7:30 p.m. in the Petroleum Club. All KA alumni as well as members of the Midland Alumni Chapter, are invited to attend.

Alumni should contact W. B. Newkirk, Jr., of Hendrick, Newkirk and Whiteley.

Aiken Sees GOP Win In Midwest Farm Belt States

WASHINGTON —(AP)— Senator George D. Aiken, who criticizes some members of his own party as freely as he does the Democrats, predicted Friday the GOP would carry five Midwest farm states it lost in 1948.

"With these five states and a coordinated campaign effort," the Vermont Republican said, "there is better than a good chance to win the presidency."

Aiken told a reporter the five Midwest farm belt states, which went Democrat four years ago but which he believes will vote Republican this year, are:

Illinois with 27 electoral votes; Iowa 10; Minnesota 11; Ohio 25, and Wisconsin 12.

"I think the farmers resent the hoodwinking that President Truman and Secretary Brannan gave them four years ago about grain storage," Aiken said.

Ewing Heads Cotton Insect Study Group

WACO —(AP)—The U. S. Bureau of Entomology and Plant Quarantine has appointed K. P. Ewing, three-state director of cotton insect control research, it was announced Thursday.

Ewing, in charge of cotton insect control in the Waco area since 1939, will oversee research in Texas, Oklahoma and New Mexico.

Wives Quote Survey To Shirking Spouses

By DOROTHY ROE
Associated Press Women's Editor

The next time your husband shies off from the dish towel, you can hit him down with a statistic.

"Just a minute, Buster," you can say, fixing him with a calm but steely eye. "A recent survey shows that 91 per cent of American husbands help with the housework."

"What's more, these people at the Tide Washing Clinic, who conducted this survey, report that these husbands are not hepped into wiping the dishes and emptying the ashtrays. They do it because they love it. So there!"

If your husband continues to be one of the submerged nine per cent, you can make bright dinner table conversation with other little excerpts from the report, wherein the paragon husbands are quoted as saying cheerfully, "Sure, housework is partly my job, too!"

Dishes Most Popular

The report continues with the statement that doing dishes is the most popular husbandly chore, with 67 per cent of those interviewed in 300 communities admitting that they not only help with the dishes—they actually enjoy it.

About half of the husbands help tidy up the house, says the report. One-fourth are amateur chefs and one-third help with the laundry.

This is all very well, from the husband's point of view. The man who wipes the dishes for his wife gets a fine noble glow that can last all week and provide him with conversational fodder which goes something like this:

The 'Time-Saver'

"My wife has been spending an hour in the kitchen every evening for years, just doing the dishes. Well, sir, you should have seen her face when I showed her last night how to get rid of them in 15 minutes flat."

He omits the fact that in the process he broke two of the best glasses, used up six clean dish towels and spilled so much water on the kitchen floor that his wife had to mop it afterward.

His appetite whetted by one excursion into the realm of wifely chores, the husband may decide to streamline the entire system of housework—and this is where any sane wife should put up her guard.

When a man starts trying out efficiency expert methods on the home nothing but havoc can result.

So stop and think before you force that dish towel on your husband.

Terminal Organizes Square Dance Club

The Terminal Square Dance Club discussed plans for classes and activities at its organizational meeting in Terminal.

Jay Johnson of Midland will be in charge. Johnson will teach a beginners class and a class for callers beginning Thursday. The classes he said, will be open to Midlanders as well as to residents of Terminal.

Johnson previously has taught 13 classes in Midland and has been instrumental in organizing several square dance clubs. Those interested in participating may telephone Johnson at 4-6189.

The club made plans to organize both teenage and adult groups.

Dinner Is Given For Bible Class

Mrs. Emma Allen Bailey and daughter, Irene, 504 North Colorado Street, entertained the Wesley Bible Class of the First Methodist Church with a dinner party Thursday night.

Feature of the evening's program was a song. Mrs. W. C. Whitmore led the prayer.

Dinner was served by the hostesses to Mrs. M. D. Johnson, Mrs. T. A. Fanning, Mrs. Whitmore, Mrs. Nettie Crawford, Mrs. Minnie Crumley, Mrs. Lula Harlow, Mrs. F. H. Wilmoth, Mrs. Will Long, Mrs. Florence Marberry, Mrs. H. S. Merrill, Mrs. W. A. Black, Mrs. J. M. Reising, Mrs. Bob Fox, Mrs. L. O. Stephenson, and a visitor, Alta Merrill.

Graham will stage the annual Possum Kingdom Round Up and Rodeo, August 20-24.

Year's Agenda For St. Ann's Club Approved

A calendar of special events for the coming year was approved when the St. Ann's Mothers Club met Thursday night in the school hall.

Included on the calendar were a Halloween carnival, Fall and Spring rummage sales, Christmas raffle and Christmas party, and a Spring social.

The club also voted to give \$150 to the St. Ann's Cub Scout Pack for the purchase of necessary materials for the year's work.

It was announced that a sewing bee is to be held at 2:30 p.m. Wednesday at the home of Mrs. Ellison Tom, 1010 West Texas Street. The club is holding weekly sewing bees to prepare for the Family Fair scheduled September 27.

Hostesses for the evening were Mrs. J. O. Brodigan, Mrs. Pat Fletcher, and Mrs. James C. Ash.

Guests included Father F. J. DeRoche, Sister M. Von Pilla, Sister Claire Marie, Mrs. Ann L. Schmulder, Mrs. A. V. Langford, and Mrs. Robert D. Wortman. Thirty-three members attended.

Mrs. Paul Ricker Is Justamere Hostess

Mrs. Paul Ricker was hostess to the Justamere Bridge Club Wednesday at a meeting in the Ranch House.

Mrs. Jim Puckett won high score and Mrs. Ricker won second high. Mrs. Joe Huff was a guest.

Others present were Mrs. Norman Dawson, Mrs. Joe Bill Pierce, Mrs. Harold Wilson, Mrs. H. E. Bader, Mrs. Tom Cowan, Mrs. J. F. Gaines, Mrs. Charles Jones, Mrs. Charles Patterson and Mrs. Keith Diehl.

Villainous Lawyer Cribbs plots in vain as the friends of Edward Middleton foil the schemes of the old rascal. Pictured, left to right, in a scene from "The Drunkard," are R. O. Connolly as Rencelaw, Bill Adam as the policeman, Betty Jean Wilson as Agnes, Waring Bradley as a young boy, Charles Dixon as Cribbs, and Thomas Beal as William. The Summer Mummies production is showing for the last two times Friday and Saturday in the American Legion Hall. Curtain time is 8:20 p.m. Tickets will be available at the door.

Dairy Group Asks End Of Price Lids

CHICAGO —(AP)— A drive to end government price controls on dairy products has been started by the National Milk Producers Federation.

A special decontrol committee of representatives of five dairy producers associations was appointed Thursday to meet with members of dairy groups throughout the country.

The federation says it represents farmers in 46 states who produce more than one fifth of the nation's milk and cream.

Reds Give UN Maps Showing POW Sites

TOKYO —(AP)— United Nations command headquarters said Friday the Communists have yielded to Allied demands for maps showing new locations of three Red prisoner of war camps in North Korea.

Maj. Gen. William Harrison, the senior UN armistice negotiator, received the information from North Korean Gen. Nam Il, chief Red negotiator. It also included maps showing the boundaries of two other camps—holding Allied prisoners—which had been expanded.

Dallas Ford Plant Will End Shutdown

DALLAS —(AP)— Manager C. F. Jesse said Thursday Ford Motor Company's assembly plant here will resume operations Monday after a seven-day shutdown.

A steel shortage stemming from the recent nation-wide steel strike caused the shutdown which affected 1,246 plant employees, Jesse said.

Fourth Victim Dies After Auto Collision

DURANT, OKLA. —(AP)— Mrs. Minnie Monroe, 80, Talco, Texas, died in a hospital Thursday night—the fourth victim of a two-car collision six and one-half miles east of here Wednesday.

Her son and grandson were among the others injured fatally.

Hargrove Auto Firm Will Sell Used Cars

A used automobile lot has been opened by the Hargrove Motor Company at 106 North Carlazo Street, just north of their present building.

Sterling P. McGraw, well known in Midland used car circles, is in charge of sales.

"The cleanest selection of used cars in West Texas will be featured at the lot," McGraw said.

Regents Hint Wilson Leads Names For President Of UT

AUSTIN—(P)—A Texas holding down a top post at the University of North Carolina has been reported "out front" for the choice as president of the University of Texas.

He is Logan Wilson, academic vice president of the consolidated University of North Carolina.

University of Texas regents met here Thursday to pick a successor to retiring President T. S. Painter.

But a regents subcommittee screening presidential prospects announced it would postpone a report until next Thursday.

Subcommittee Chairman Tom Sealy of Midland, however, said three men were under "serious consideration," with one of the three "out front."

And a reliable source said Wilson was the man "out front."

Sealy explained the delay in a recommendation with: "We just know it's an important step, and we're going to be darn sure we're right."

Wilson was in Austin when the regents met. But he declined to answer questions.

Wilson, 45, is the son of the late Calhoun Wilson, a professor of agriculture at Sam Houston State Teachers College at Huntsville.

He attended Sam Houston State from 1923 to 1926, received a master's degree in sociology from the University of Texas in 1927 attended Southern Methodist University in 1933-34, tutored at Harvard and received another master's degree and his doctor's degree from Harvard in 1939.

Wilson, who worked briefly as a reporter for the Houston Press in 1927 and taught at East Texas State College before going to Harvard, became an associate professor of sociology at the University of Maryland from 1939 to 1941.

He was head of the sociology department at Tulane University 1941-43, held the same position at the University of Kentucky in 1943-44, and returned to Tulane as dean of Newcomb College from 1944 to 1951. He then went to the University of North Carolina as vice president.

Wilson is married and has two sons, Marshall and Reed Calhoun. The University of Texas presidency pays \$13,000 a year, plus a home and utilities. Dr. Painter is stepping down from the post after nearly eight years of return to his teaching and research as a distinguished professor of zoology.

Naked Preacher Loses Title As King Of American Nudes

MAYS LANDING, N. J.—(P)—Silver-haired Rev. Isley Boone has been skinned of his unofficial title, "King of American Nudes."

In a hotly-contested election watched over by three fully-clothed Superior Court appointees at nearby Sunshine Park, the spry, 73-year-old Baptist preacher's 20-year hold on the American Sunbathing Association was broken.

An opposition slate headed by Mervin Mounce, 43, Spokane, Wash., contractor, was swept into office by a 1,457 to 430-vote margin over Alois S. Knapp, Chicago, Boone's candidate.

In his acceptance speech, delivered in the nude, Mounce said: "Before you stands a humble man."

"The new president then promised what he called a more business-like, democratic association."

Boone, who fought for a year to retain control of the bareskin cult, took his defeat gracefully. Said the rotund, roundly-tanned preacher:

"I have given 30 years of my life to nudism and I shall welcome a brief period of retirement before I kiss old Mother Earth goodbye."

Firemen Get Five Alarms

Midland firemen had one of their busiest days in months Thursday, answering five alarms with only one of the blazes resulting in damaged property.

Considerable damage resulted to the interior of a 1952 Ford automobile, owned by W. H. Newsum, in a blaze at 7:30 p.m. in the 400 block of West Florida Street. Firemen said the blaze was believed to have originated from a cigarette.

Other alarms with no damage reported were:

Hunt's Trailer Courts, Rankin Highway, at 10:10 a.m., where rags had become ignited in a bathroom.

A residence at 311 East Pine Street, owned by Jewell Anderson, where defective wiring "shorted" a motor at 12:24 p.m.

Nick's Grocery, 701 South Masienfeld Street, where a "short" developed in an electric motor at 10:45 p.m.

At 7:07 p.m. a trash fire was extinguished at 410 West North Front Street.

Gunman On Trolley Kills Woman, Hurts Second, Gets Away

PHILADELPHIA—(P)—A gunman, who killed one woman and wounded another in a trolley car crowded with rush-hour commuters, is still being sought by police Friday.

Police said a negro man flourished the revolver in the trolley late Thursday afternoon. A woman—one of the 50 passengers—screamed. Motorman George Forker brought the car to a halt and Conductor Oscar Schable opened the side door.

As passengers scrambled for the street, four shots rang out. A negro woman, identified as Lovie Le Rigby, 25, fell dead and a companion, 24-year-old Elizabeth Suggs, suffered a neck wound. She was admitted to Episcopal Hospital in fair condition.

Motorman Forker chased the gunman for nearly a block but was outdistanced. Miss Rigby was believed to be riding with the gunman on the car.

Lubbock Men Held In Robbery of \$180

DALLAS—(P)—Two Lubbock men were held by police here Thursday in connection with the \$180 robbery of a cafe worker.

The cafe employe, C. L. Roberts, told police two men entered the restaurant and started an argument shortly after midnight. He said they struck him in the head with a rock and fled with the money.

NAIL PIERCES FOOT

Billy Lee Shipman, 208 West Washington Street, was treated at Western Clinic-Hospital Thursday after he stuck a nail in his foot while at home.

SURGICAL PATIENT

Mrs. J. B. Cappadona, 219 South Loraine Street is a surgical patient at Western Clinic-Hospital.

Wife's Sterilization Done Sans Consent, Young Husband Says

FRONT ROYAL, VA.—(P)—A young electrician went back on the witness stand Friday to plead his case for \$25,000 damages on the contention his wife was operated on without his consent.

James E. Williams told the Warren County Circuit Court that he is still "suffering pain" from the knowledge that his 23-year-old wife, Ella, underwent a sterilization operation.

The operation was performed at the time Mrs. Williams gave birth to their third child on Sept. 9, 1950.

The operating surgeon was Dr. Lyle J. Hansbrough of Front Royal. He has said he operated at the request of the Williamses, who, he said, told him they couldn't afford any more children.

Williams declared at the opening court session in this Blue Ridge Mountain town that he never agreed to the operation. He said he did not want his wife to become "barren," and insisted the operation was undertaken without his knowledge or consent.

Despite the operation, Mrs. Williams gave birth to a fourth child last month.

Williams said his wife consented to the operation under the mistaken belief that he had approved it.

Dr. Hansbrough contends the husband's permission is not required by law.

Medical Patient
Mrs. O. J. Hubbard, 809 West Storey Street is a medical patient at Western Clinic-Hospital.

Undergoes Treatment
Mrs. Grady Brown, 1509 East Highway 80, is a medical patient at Western Clinic-Hospital.

OFFICIAL SCORER—Mrs. Bob Hillin, wife of the coach of one of the Midland Little League nines, would put a lot of men to shame when it comes to knowing baseball. Her husband is a former professional ball player with Lubbock in the WT-NM League, so she has learned a lot from him. Mrs. Hillin also has to keep tab on two sons, both of whom play baseball. Don plays with the Little Leaguers and Bobby is in the Pony League now. Mrs. Hillin put her baseball knowledge to good use in the Little League Section Tournament here. She has been official scorer.

U. S. Earmarks \$11,146,000 For Construction In Texas

DALLAS—(P)—Texas will get \$11,146,000 in civil construction projects from the federal government during the present fiscal year, a division survey of the Army Engineers shows.

More than a fourth of the money, Col. Herbert D. Vogel said Thursday, will be spent on the Trinity River flood control program. Colonel Vogel is division commander of the Engineers.

The largest Trinity appropriation, Vogel said, is for \$1,118,000 for the Garza-Little Elm Dam. Work this year will finish 65 per cent of the project. The resulting reservoir will be used to increase the water supply of Dallas.

Vogel said the Dallas Floodway project will be the only new project included in recent appropriations. Congress set aside one million dollars for the project which will cost eight million when completed.

Dredging of the Houston and Galveston ship channels and other coastal installations will take \$3,500,000 of the appropriation. The engineers will spend several million dollars to maintain and repair present installations.

In other parts of the state, the Army Engineers will direct work with the following fund outlays:

- \$2,488,000 for the \$17,750,000 Belton Reservoir of the Leon River near Belton and Fort Hood.
- \$175,000 for finishing a power house for the already-completed \$42,000,000 Whitney Dam.
- \$143,000 to finish locks on the Gulf Intercoastal Canal at the crossing of the Colorado River.
- \$5,000,000 on the \$33,000,000 Texarkana Reservoir to bring the project from 42 per cent complete to 63 per cent complete.

Other Trinity appropriations include \$460,000 to complete the \$11,660,000 Lavon Dam, and \$700,000 to continue work on the Fort Worth Floodway.

Boy Scout Swimmers Slate Tourney Here

Fifty Boy Scout swimmers of the El Centro (Midland County) District will plunge into Padoga Pool at 8 a.m. on August 21 to compete for ribbon awards and a chance to enter the council tourney two days later in the same tank.

Cecil Boles of Midland, district chairman for camping activities, and P. V. Thorson, Scout executive, said that the district swimmers will compete in Boy Scout and Explorer Scout divisions in seven aquatic events.

The Council swimming contest, also at Padoga Pool, will begin at 8 a.m. on August 23.

Gear Failure Kills Deep Diving Champ

NAPLES, ITALY—(P)—Giuseppe Giuliano, who held the unofficial Italian deep sea diving championship, drowned in Naples Bay Thursday when his diving apparatus failed.

The Naples diver won his title by diving 64 meters (about 210 feet) off the shore of Ischia Island to help float an American Flying Fortress shot down during World War II.

BEACH COMBER—The sandman has a big seashell grin—and who wouldn't?—for beach beauty Louise Graser as she combs his seaweed hair at Miami Beach, Fla.

Gambler Costello Heads For Prison

NEW YORK—(P)—Frank Costello, underworld gambling kingpin, surrendered Friday to begin serving his first prison term in 37 years.

Costello, who had been free in \$5,000 bail, was convicted of contempt of the Senate for refusing to answer questions concerning his finances before the Senate Crime Committee at a televised hearing in New York in March, 1951.

Dapper as always, the gambler, 62, wore a light blue flannel pencil-striped suit and light blue-figured tie as he stepped from an automobile and entered the Federal Court-house to begin an 18-month sentence.

Courthouse attaches said the sentence probably will be served in the Federal Correctional Institute at Danbury, Conn.

There, the fashion-plate and lavishly-tipped will be required to don drab dungarees and limit his expenditures to \$10 a month for such items as cigarettes and shaving supplies.

Costello disappointed a crowd of about 200 persons waiting at the courthouse main entrance by entering through a side doorway.

He was smiling and appeared undisturbed. He shook hands amiably with several reporters he recognized but declined to comment on how he felt about going to jail for the first time since serving a short term on a gun-carrying charge in 1915.

Dykes-Saenz Go Set Friday Night

AUSTIN—(P)—Bobby Dykes, San Antonio's high-ranking fighter, meets Cisco Saenz of Phoenix, Ariz., here Friday night in one of the most important Texas bouts of the year.

The bout, scheduled for 10 rounds, is expected to pack them in.

Dykes, who has lost split decisions to Welterweight Champion Kid Gavilan, Middleweight Champion Ray Robinson and Lightweight Champion Lauro Salas, will be making his last Texas appearance before meeting Gil Turner, Philadelphia welterweight, in Madison Square Garden September 8. The San Antonio boxer expects to scale 153 for this scrap.

Larger Negro Vote Object Of Drive

NEW YORK—(P)—A nation-wide drive was underway Friday to double the registration and voting power of the American negro.

The 10-week campaign is being directed by the National Newspaper Publishers' Association, whose members own all of the major newspapers in this country.

There are nearly nine million eligible negro voters, the association said, but less than four million are registered.

'Mercy Parole' Free After Killor Free

ALLENTOWN, PA.—(P)—Happy that his friends "stuck by me" 38-year-old Harold A. Mohr was home Friday after serving 39 months and five days for the "mercy" killing of a blind, cancer-ridden brother.

Mohr was sentenced to Lehigh County prison here in 1950 for a three-to-five year term on conviction of involuntary manslaughter. Last June his sentence was commuted by Gov. John B. Fine and he was released on parole Thursday.

JayCee Baseballers Travel To Seagraves

The Midland JayCees will play the Seagraves semipro baseball team there at 3 p.m. Sunday.

The JayCee team will meet and leave from Borden field at 12 noon.

Neely Agency Marks Seventh Anniversary

The Neely Agency, located in the Crawford Hotel, is celebrating its seventh business anniversary this week. T. E. Neely, the owner, cordially invites the public.

The firm handles insurance, real estate, and loans.

Craters of the Moon, covering 80 square miles in Idaho, is one of the largest national monuments in the United States.

TWO-PLATOON SYSTEM FAILS

LOS ANGELES—(P)—Ralph S. Healy, 25, went to sea three years ago. He came home and told his neighbors about his trip. That's when he learned they didn't know he'd been away.

Healy filed suit for divorce Thursday charging his identical twin brother, Russell, frequently had visited his wife during his absence.

No Wires Go To Telephone; Word Gets Around, Anyhow

By the Associated Press
In the Southwest Texas ranch country there is a small city named Telegraph.

And up in the Northeast Texas blacklands, there is a small city named Telephone.

Now there's nothing greatly unusual in that... so far.

Excerpts:
1. The little city of Telegraph has no telephone service. But it does have a phone.

2. Folks in Telephone, Texas, have no telephones. (Just to keep this from getting monotonous, telephones don't have any telegraph either.) There are about 23 people in Telegraph, which nestles in the southwest corner of Kimble County, well known for its sheep, goats, cattle—and a man named Coke Stevenson. Stevenson is a former Texas governor. He's talking now of running for the U. S. Senate again.

The Associated Press correspondent at nearby Junction, Mrs. Ira Dell Bannowsky, asked Stevenson if he knew how Telegraph got its name. "Mr. Coke" replied that it was named after Telegraph Creek which bubbles nearby. He didn't know how the creek got its name. Congressman O. C. Fisher of San

Angelo dropped in while Mrs. Bannowsky was visiting in Telegraph. She asked him. Why, said the congressman, Telegraph was named after Telegraph Creek, of course.

He didn't know how Telegraph Creek got its name either.

Telegraph's most popular telephone belongs to Mrs. F. A. Parker, who is postmistress. Her husband operates the country store, the filling station and the tourist lodges. That's most of the business community of Telegraph.

Mrs. Parker is an apple-cheeked young lady but her telephone is the old, crank type. Neighbors farther up the Llano River often drive to Telegraph to use Mrs. Parker's telephone when their own "boxes" fail, as they often do.

As to the town of Telephone, it's in Fannin County up next to the Oklahoma-Texas border. Telephone hasn't had a telephone since the great ice storm of January, 1950, when its last phone line toppled. Folks who want to use a telephone drive to Coffee Mill Lake, seven miles away.

"Ain't got no telegraph and no telephone here," one villager opined. "But the womenfolk don't have any trouble spreading the word."

The BIBLE - Can You Quote It?

Copyright 1952
LAVINA ROSS FOWLER

1—I will lift up mine eyes unto the hills, from whence cometh—
Psalms 121:1.

2—Whoso loveth instruction loveth knowledge: but—
Proverbs 12:1.

3—Who was the famous son of Lamech, who built the ark?—
Genesis 5:30.

4—We have drunken our water for money; our wood—
Lamentations 5:4.

5—Behold, everyone that useth proverbs shall use this proverb against thee, saying—
Ezekiel 18:4.

6—Why did Jotham's companions cast him into the sea?—
Jonah 1:12, 13.

7—With what measure ye mete, it shall be—
St. Matthew 7:1.

8—Six correct—excellent. Four correct—good.

For wisdom, courage and peace read the Bible daily.

+Crane News+

CRANE—Mrs. Frank Corbell was hostess for a business and social meeting of the Firemen's Auxiliary in her home. Attending were Mrs. Arlon Carroll, Mrs. Lewis Early, Mrs. Revia Griffith, Mrs. John Hodges, Mrs. Bud Porter, Mrs. Doug Smart, Mrs. C. C. Swift, Mrs. Leonard Taylor, Mrs. Norman Truitt, Mrs. Loyd Wimberley, Mrs. Mildred Harris and Mrs. Mildred Spurgeon.

Mr. and Mrs. C. T. Pittman of Seymour are the parents of a son born at 7:30 a.m. on August 12 and weighing six pounds. Grandparents are Mr. and Mrs. L. M. Pittman of Crane.

Mr. and Mrs. F. R. Yancey and daughter, Carolyn, who had lived in Crane previously, have returned here from Penwell and moved into their new home in Russell Heights. Mrs. Yancey is the daughter of Mr. and Mrs. A. B. Earp. Carolyn will be a third grade student this fall.

Sandy Sadler hosted a barbecue and watermelon supper at his home honoring members of the Pony League Red Sox. The Red Sox completed a successful schedule on July 25 as County League champions with 11 wins and four losses. During the barbecue, gifts of appreciation were presented to managers Joe Boyd and R. V. "Rusty" Russell. Attending were Mr. and Mrs. Boyd, Mr. and Mrs. Russell, Mr. and Mrs. R. A. Sadler and the team members, Jimmy Adams, Joe Allen Boyd, James Brunson, Jimmy Don Casadie, Melvin Delaney, Darrell Dixon, Tommy Griffin, Stanley Holcomb, Billy Don Jones, Dickie Modisett, Bobby Russell, Sandy Sadler, Billy Stites, Hawley Van Court, and Wayne Young.

Program for the Ladies Bible Study of the First Christian Church Tuesday afternoon was led by Mrs. Lee Turner. The meeting was held in the home of Mrs. Glen Jones. Next meeting will be at 2 p.m. next Tuesday in the church.

BLOYS HISTORY VOLUME READY

BARSTOW—After 18 years of research, Inez Dudley Rogers has completed a volume, "A Monument Not Made With Hands."

The author says the book is "an accurate, historic reproduction of the lives and circumstances concerning the families and persons who began the first Bloys Cowboy Camp meeting in 1890 on the Texas frontier."

At the annual meeting of the association this month, the author plans to present a copy of the book for the association's files.

Congratulations To:

Mr. and Mrs. P. K. Shultz, 706-B West Florida Street, on the birth Wednesday of a daughter weighing seven pounds, three and one-half ounces.

Mr. and Mrs. J. H. Hill, 3127 Roosevelt Street, on the birth Tuesday of a daughter weighing seven pounds, five ounces.

Mr. and Mrs. Clarence J. Kerth, 4201 West Ohio Street, on the birth Tuesday of a daughter weighing seven pounds, three ounces.

Mr. and Mrs. R. E. Wallace, 903 West Kentucky Street, on the birth Tuesday of a son weighing seven pounds, 11 1/2 ounces.

Mr. and Mrs. Joe Jones of Midland on the birth Tuesday of a son weighing eight pounds, 15 ounces.

Mr. and Mrs. William Shields, 1104 East Magnolia Street, on the birth Tuesday of a daughter weighing six pounds, four and one-half ounces.

Mr. and Mrs. Norris Hudgins, 505 North Colorado Street, on the birth Tuesday of a son weighing six pounds, four and one-half ounces.

Mr. and Mrs. A. W. Wright, Highway 80 Trailer Courts, on the birth Tuesday of a son weighing eight pounds, one and one-half ounces.

Mr. and Mrs. H. G. Tisdale, 510 North Weatherford Street, on the birth Wednesday of a daughter weighing eight pounds, six ounces.

WILL LEASE

Building well located for retail store. Must be reasonable on long time lease. Minimum space 5,000 with space for enlargement, prefer larger. Will consider leasing vacant lot, or will contract for lease to reliable person who will build to specifications. Will consider purchase of business and warehouse property. CITY SOFTBALL CHAMPIONS—The Western Plastics hold the municipal softball crown for the 1952 season. They turned back Standard of Texas for the championship in the playoff series following season play. The champions take a bow. Back row, left to right, Manager "Teet" Hensy, whose son stands in front of him; Jack Dunlap, Jess Barber, Lowell Driggers, Jimmy Allison and Tom Flournoy. Kneeling, left to right, come Lefty Martin, Bob Moysen, DeWight Flemming, Paul Haskins, Joe King and Burns McKinney. Jim Walker of the titlists is not pictured.

Indians Tag Odessa Ace Ortega For 7-3 Victory

Nicolls Set For Hurling Duty Friday

While the Odessa Oilers ace hurler, Evello Ortega, had not lost a decision to the Midland Indians in three years up to Thursday night, the reverse, in a shorter time span, holds true for Midland's ace pitcher, Keith Nicolls.

Nicolls has absorbed five defeats at the hands of the Oilers this year, this despite the fact that he has beaten every other club in the League at least once.

Friday night, the stocky blond Tribe hurler will try his luck again against the league leaders. The probable starter for Odessa is Ben Quintana, a top pitcher.

In Thursday night's action, the Indians, after a wait of three years, finally pinned a loss on Ortega. And they did it in convincing fashion, smashing out a total of 13 hits off the offerings of the Oilers lefty for a 7-3 win.

But the game didn't exactly start out that way. Odessa jumped on Midland's starting hurler, Rookie Herb Dwire, for a walk and three straight hits which were good enough for two runs before there was a single out.

Cearley Strikout At this stage, with the bases jammed, Veteran Eddie Jacome relieved Dwire and promptly struck out Bill Ceary. He then forced Robert Fabian to hit into a double play to end the inning.

For the remainder of the route, Jacome, though hit hard, held the Oilers in check to register his sixteenth triumph against eleven setbacks.

Meanwhile his mates set about their work of pinning a defeat on Ortega. In the very first inning, they gave an indication of things to come when they posted a lone run on a walk and three solid base hits.

Ortega retired the side in order in the second stanza, but in the third the Tribe combined an Odessa error, Julio de la Torre's double and Manuel Tena's homer off the scoreboard in right center field into three runs.

Then in the fourth, four consecutive singles by Carl Barbour, Eddie Jacome, Earl Bossenberg and Scooter Hughes were turned into two runs.

The Tribe's final tally came in the seventh inning when Glenn Selbo, making his debut in an Indian uniform, smacked a double, his second hit of the night, stole third and scooted home on Felix Castro's wild throw to third base.

Dieppa Triples The visitors' only run off Jacome came in the seventh when Raul Dieppa led off with a triple and scored on Charlie Weber's fly to left field. But that was all the Oilers could muster. Jacome set them down in order the last two innings.

Four Tribe double plays aided the Veteran hurler's victory bid. Oiler Manager Pepper Martin was thumped out of the game in the eighth inning by Base Umpire Valentine after a heated dispute involving a balk which was called against Ortega.

Drillers Win Fifth In Row, 10-8, With Run Barrage

SWEETWATER —(P)— Three home runs—one a first-inning grand slammer by the Longhorn batting king, Joe Bauman—guided the Artesia Drillers to a 10-8 victory over the Sweetwater Braves here Tuesday night.

Bauman's bases-loaded blast, his fortieth round-tripper of the season, put the Drillers into a lead they never relinquished although the Braves rallied to make the game a close battle.

Artesia Catcher Rudy Briner slammed his nineteenth homer with one aboard in the sixth and teammate Bill Haley followed with his third circuit clout to make it a 7-4 game after Sweetwater had slipped within one run of the Drillers in the fourth.

Lavere Herrmann, who came on in the fourth, checked the Braves thereafter on five scattered hits to record his third Longhorn victory against one loss. Sweetwater had the Braves jammed in the ninth inning when Herrmann buckled down to strike out John Miller and give the Drillers their fifth straight triumph.

Walks by Vince Sarubbi and Paul Halter, and a single by John Alonso preceded Bauman's first inning blast. A triple by Alonso, a double by Halter, a hit batsman, Briner's single, and Jim Ackers' outfield fly produced three more Artesia runs in the second. Halter doubled ahead of Briner's homer in the sixth.

Sweetwater scored three in the second on a double, a walk, and Miller's triple. Two walks and doubles by Miller and Kenny Hughes gave the Braves two more in the fourth, at which time Herrmann stopped Sweetwater's comeback until the ninth, when the Braves scored two unearned runs.

The score: R H E
Artesia 430 003 000-10 13 3
Sweetwater 130 200 000-8 11 1
Presley, Fernandez, Herrmann, and Briner; Bolla, Merritt and Pinyley.

'Double A' Stag To Fete Ninetieth Birthday Saturday
STOCKTON, CALIF.—(P)—Football's oldest coach, justly famed Amos Alonso Staggs, celebrates his ninetieth birthday Saturday.

And the silver haired patriarch, who has watched the great American sport grow from swaddling clothes to its present multi-million dollar box office business is ready for his sixty-third season.

Old "Double A" was born at West Orange, N. J., in tense Civil war times, Aug. 16, 1862. The first college football game was played in 1869, between Princeton and Rutgers.

Later this month, Staggs will leave for Susquehanna University, Selinsgrove, Pa., to begin his sixth coaching year there.

Broncs Skip Past Colts For 3-2 Win

BIG SPRING —(P)— Bert Estrada pitched and batted the Big Spring Broncs to a 3-2 win over the San Angelo Colts in the first of a three-game series here Friday night.

The Broncs staked the tall right-hander to a two-run lead in the first inning and Estrada drove in what proved to be the winning run in the fifth with a booming double into right center field. The drive plated Al Costa, who had singled and gone to second on a wild throw at first by J. B. Mey.

May went all the way on the mound for San Angelo, giving up only seven safeties. The Colts had Estrada in a bad way several times but could not deliver the knock-out punch.

Tribe visitors tagged his offerings for nine hits but he struck out 13 batters.

The Colts trying desperately to pull into contention for a first division berth, got to Estrada for their two runs in the fifth when Glenn Burns singled, Johnny Tayan walked, Cotton Russell singled to drive home Burns and Parks Thomas hit a one-baser to plate Tayan.

Big Spring got its first inning tallies when Bert Baes walked, Cecil Alvarez doubled to send Baes to third, Witty Quintans hit a fly ball to deep center and Pat Stacey rolled out to the infield.

The score: R H E
San Angelo 002 002 000-3 9 1
Big Spring 300 010 000-3 7 0
May and Decko; Estrada and Valdes.

Rockets Beat Vernon, 8-2

VERNON —(P)— The Roswell Rockets took four full innings to solve the hurling slants of Jimmy Fox here Thursday night, then came to life in the fifth for four runs to spark an 8-2 victory over the Vernon Dusters.

The Rockets added more runs in the seventh off Stubby Green's home run and one in the ninth.

Roswell's first hit of the game came in the fifth, when Manager Al Mouthak hit an infield single. Frank Calo got a Texas League to lead center, pushing Mouthak to second. Van Ruppert hit into a double play with Calo in the middle, but Pitcher Andy Alonso kept the show on the road with another hit, an infield single. Bob Lemmel singled through the box to score Mouthak with the first run of the game. Bobby West tripled to score Alonso, and Greer tripled in Lemmel and West.

In the ninth inning Mouthak doubled and scored on West's single. The Duster pushed across their lone two runs in the lower end of the fifth. Art Neal led off with a single, went to second on Bob Brown's one-base knock and scored on Fox's double to right center.

Alonso took his nineteenth victory of the year against eight losses. For Fox, it was his first loss against one win.

The score: R H E
Roswell 000 040 301-8 10 2
Vernon 000 020 000-2 9 1
Alonso and Calo; Fox and Niedson.

FOUNTAIN OF YOUTH FLOWS AGAIN—

Newcomer Johnny Schmitz Comes Through For Yankees

By RALPH RODEN
Associated Press Sports Writer

Looking for the Fountain of youth? If you don't find it at St. Augustine, Fla., try the Yankee Stadium.

A number of former National Leaguers have found the stadium to be just what the doctor ordered. Supposedly washed up, the Yankee colony of ex-National Leaguers not only have prolonged their days in the House that Ruth built but have

also jacked up their bank accounts. Johnny Schmitz is the latest senior circuit discard to find life with Casey Stengel extremely pleasant.

Stengel, who grew old before his time while managing weak teams in the National League, gave Schmitz his first start in the "new land" Thursday. The one-time Chicago and Brooklyn left-hander responded with a 7-3 victory over Washington.

The victory boosted the Yanks' margin over the second-place Cleveland Indians to three games. The Indians and St. Louis Browns were

Regulars Saved Schmitz got his chance as Stengel was serving his regulars for the important four-game series against the third-place Red Sox which opened in Boston Friday.

The Red Sox pulled to within four and one-half games of the Yanks by sweeping a doubleheader from the Philadelphia Athletics, 5-4 in 15 innings and 4-2. The Chicago White Sox downed Detroit, 3-0, in 10 innings in the remaining American League game.

Meanwhile, in the National League, the second-place New York Giants cut Brooklyn's lead to eight games by nipping the Dodgers, 4-3, in other games. The Philadelphia Phils defeated the Boston Braves, 5-3; Cincinnati whipped Chicago, 4-1, and Pittsburgh conquered the St. Louis Cardinals, 3-2, in 10 innings in the major's only night game.

Effective relief pitching by Maury McDermott and Ellis Kinder helped the Red Sox take two from the A's. McDermott allowed only four hits in 9 2/3 innings in winning the opener. Johnny Lipon scored the winning run in the thirteenth from third base on Billy Goodman's high bouncer to Second Baseman Cass Michaels.

Nightcap Salvaged Kinder, making his first appearance since June 7, saved the nightcap for Willard Nixon. Kinder halted a rally in the eighth that threatened to wipe out a 2-1 Boston lead. George Kell then clouted a two-run homer in the Red Sox eighth to seal the verdict.

Mary Grissom shaded Art Houtteman in a brilliant hurling duel at Detroit. Grissom also doubled in the tenth to launch the White Sox' winning rally that was climaxed by Nelly Fox' two-run triple. The triumph was Grissom's eighth and the loss Houtteman's sixteenth.

Hard-working Al Corwin turned in a fine relief job to enable the Giants to shade the Dodgers. Corwin allowed only two hits in the last four innings to protect Sal Maglie's twelfth victory.

Maglie, making his first appearance since July 16, when he injured his back in a game against St. Louis, blanked the Dodgers until the sixth when he aggravated the injury. The Dodgers' clipped Maglie and Hoyt Wilhelm for three runs in the sixth and had two on and none out when Corwin entered and slammed the door. Corwin has pitched in eight of the Giants' 12 games since his recall from Minneapolis.

Westrum Delivers Wes Westrum provided the Giants with their margin of victory in the

top of the sixth with a three-run double off Johnny Rutherford. Westrum was banished from the game in the Dodger sixth by Umpire Tom Gorman, a former pitcher in the Giant chain, for disputing a play at the plate.

Ralph Kiner blasted his twenty-third and twenty-fourth homers to lead the Pirates to victory over the Cards. Kiner tied the score with a two-run, two-out belt in the eighth and won the game with a similar clout in the tenth off Joe Preako.

Little Murry Dickson went the distance to gain his eleventh victory for Pittsburgh.

Veteran Ken Raffensberger boosted his lifetime record over Chicago to 24-10 in beating the Cubs. The Cincinnati left-hander held his former mates to five hits including a homer by Ransom Jackson. Ted Kluszewski homered in the third to break a 1-1 tie and the Reds never were headed.

San Angelo, Crane, Pyote, Big Spring, Breckenridge, El Paso and Clovis, N. M.

John Crowley, Doug Muir, Gail Black, Jan Turner, Enid Little, Joe Jones and Bill Mims head the Midlanders who should stack up points sufficient to make a top bid.

Brooks Eakins, Pat Voss, Judy Voss and Jean Cleghorn are among the best lets out of Odessa.

McCamey lists Bob Johnson and Ronald Baron as leaders from the Upton county seat.

Abilene will pin high hopes on Owen Cook, David Dean, Joan Young, and Rose Ann Casey.

The swimming extravaganza is open to the public. Preliminaries will open at 9:30 a.m. with finals ticketed at 3 p.m. Trophies, medals and ribbons go to the winners.

100 Entries Due For Swim Meet
More than 100 cities are expected to enter at least 100 in the fourth annual West Texas Invitational Swimming Meet Saturday at Pagoda pool.

READY FOR BIG SPLASH—Gail Black and Ann Ensign, both swimmers in the senior division for the Midland tank team, are caught here discussing the West Texas Invitational Swimming Meet which will be held Saturday at the Pagoda Park Pool. Both are expected to pick up quite a few points for Midland in the meet.

Located at Hollywood, New Mexico, on Highway 70, approximately 70 miles west of Roswell.

SPORTS NOTES

from the
BENCH JOCKEY
By BOB ADAMS

Tickets finally have been brought here for the professional football game in Odessa August 29 which pits the Philadelphia Eagles against the Dallas Texans in an exhibition.

We had tried for some time to get some of the tickets placed on sale here since numerous persons have called The Reporter-Telegram seeking to buy them.

The Odessa Shrine Club, sponsors of the game, brought 400 tickets this week and placed them on sale in the Midland Chamber of Commerce office.

There's plenty of good seats left but you'll have to hurry if you want a choice spot. The Shrine said if more were needed in Midland they would be glad to supply them.

Ed Santa and Herb Dwire, both hurlers for the Midland Indians, were out Thursday to watch the Little League game in action. Santa said his dad manages a team back in Pittsburgh, Pa. Ed said he did not play Little League ball but has played on an American Legion club.

The Midland relief artist said he did not pitch any until last year. He was playing first base at the time but a member of the Pirate organization which owned his contract converted him from an infielder into a pitcher.

Dwire, in recalling his days of playing midget ball in Shreveport, La., remembered that he once pitched in seven games in two days to help his team win a tournament.

Manuel Times, the plucky little second baseman of the Indians who wields a surprisingly strong bat for such a small fellow, pocketed \$12 for his home run blast against the scoreboard Thursday night.

Two more Sweetwater players have been transferred from the roster of the sagging Braves. Gil Grajeda, hurler, has been sent to Decatur, Ill., of the Mississippi-Ohio Valley League.

Also sent out was Tony Traspuesto, the temperamental Cuban catcher who threw the fans a curve here when he cursed them in loud-mouthed, obscene phrases.

Tresqueto was sent to Chickasha in the Sooner State League. Earl Finley, recently returned from military service, now is the Braves' regular receiver.

Prior to the Midland-Big Spring game last Tuesday, Al Costa, regular Bronco shortstop, and Albert Larras, reserve catcher, staged a brief sit-down strike but both suited out during the first game.

The two claimed they were the victims of a practical joke on the part of the other players and they couldn't see the humor in it. Other news from the Bronco camp is that Aramis Arenchiba, star hurler, has come up with a sore arm, and may be lost to the club for some time.

U. S. Golfers Hold Slender Edge In Americas Cup Play

SEATTLE (AP)—The United States had a fingernail grip on the lead in Americas Cup Friday and was banking on the steady play of its champion-studded team to pull it through the second and final day of action against the cream of Canadian and Mexican golf.

Harvie Ward of Toronto, N. C., teamed with Ken Venturi of San Francisco, and Sam Urestia of East Rochester, N. Y., with Joe Cagliari of Larchmont, N. Y., to stack up four points Thursday. Canada collected three points and Mexico two as a pair from each nation opposed two others in three "sixsome" matches.

And, each duo played a single ball, alternating on shots. Friday the teams were matched in singles, each man playing two others over the 36-hole route on the Seattle Golf Club's 6,633 up and down yards.

All the kudos didn't go to the U. S. players Thursday. Little Roberto Morris of Mexico, a feather with spectacles, won the heart of the crowd from the start with his great recovery shots and deadly putting. Teamed with Percy Clifford, he kept fighting back against the Frank Stranahan-Charlie Coe combination and the Canadian pair of Nick K. Weslock and Phil Farley.

Finally it was his birdie putt on the thirty-sixth that closed out the match and gave Mexico its two points for the day.

Softball All-Stars To Tangle Friday In Challenge Game

All-star teams selected in the Jay-Cee Softball League will meet at Wadley Park Friday night as a result of a challenge.

Managers of league members recently announced three all-star clubs. All-Star Team No. 2 immediately challenged Team No. 1 and Friday's game was ticketed for 8 p.m.

Pete Henay, manager of the league champions, Western Plastic, will pilot the No. 1 All-Star. Directing the challengers is Art Dimmey, who was manager of Standard of Texas, runner-up in the circuit.

Any substitutes will come from the roster of the third all-star squad named by the managers.

The league's top pitchers are expected to start in Friday night's game. Mill Montgomery, Standard star, is due to take the mound for the No. 1 All-Stars. Dan Green, American Legion ace, probably will get the call for the No. 2 mythical nine.

Regular softball game charges will be collected at the gate.

Midland, Portales Square Off In Little League Finals Here Friday

The Midland Little League, defending champs in the Sectional Tournament now being held here, had a real scare thrown into them Thursday by a fine Abilene nine but managed to squeak out a 3-4 decision.

The win pushed Midland into the finals at 4:30 p.m. Friday against Portales, N.M., a club which defeated El Paso Highland, 7-3, Thursday afternoon.

Able to muster only two hits off a pair of Abilene hurlers, the Midlanders took advantage of every Abilene misno to score the deciding runs.

The visitors punched out a 2-0 lead over the defending champs in the fifth frame on a hit and a Midland error. But in their half of

the frame, the Midlanders came back with a four-run spurge off only one base hit, plus three Abilene errors.

However the scrappy Abilene outfit came back strong when Randy Hurst led off the top of the sixth with a home run. The succeeding batters then blasted hard to tie the score at 4-4 and leave the bases jammed.

But Midland's Elton Howard buckled down to retire the next three batters in order to struggle through the uprising.

Then in the bottom half of the last frame, with one away, Midland's Tom Johnson reached first on an error, went to second on a fielder's choice and scored on an

error by the Abilene right fielder, who dropped a hard-hit fly ball off the bat of Calvin McKenzie.

The Abilene outfielder got under the ball all right but it bounced off his glove and with it went the ball game.

In the opening game Thursday, Portales, N.M., advanced to the finals with a 7-3 decision over the El Paso Highland Little League.

The key man in the Portales win was stocky right-hander Jack Dallas who pitched a one-hitter, striking out 14 El Paso batters in the process.

In constant hot water, Dallas managed to cool things off simply by having the batters fan the air. El Paso scored its only two runs in the second frame by com-

bing a single by Tom Jones, its only hit, with a hit batsman and two wild pitches for the markers.

The opening game Friday will be an exhibition affair between a Midland South Little League club and a Monahans team. The contest was set at 2:30 p.m.

Monahans was not able to enter the tournament this year because it has not yet received the sanction of the Little League national headquarters.

SPORTS MIRROR

By The Associated Press
A YEAR AGO — Joe Louis, 202 1/2, fighting up the comeback trail defeated Jimmy Brins, 180 1/4, in a 10-round bout at Baltimore.

FIVE YEARS AGO — Brooklyn maintained a four and one-half game lead over the Cards by defeating Philadelphia, 8-1.

TEN YEARS AGO — Whirlaway won the Massachusetts Handicap and \$43,850, becoming the turf's leading all-time money winner with \$454,366.

TWENTY YEARS AGO — Jimmy Foxx and Babe Ruth were running away with the home run honors for the season. — Foxx had 43 and the Babe had 32.

LITTLE LEAGUE ACTION—Gerald Galbraith, Abilene first baseman, stabs a high throw from Shortstop Jerry Dillinger as Midland's Jack Wilkinson charges for the base in the Little League semi-final game here Thursday afternoon. Wilkinson was safe on the play. Midland edged Abilene, 5 and 4, to gain the finals.

Cappy Wells, Little League Mouthpiece, Cites Amazing Growth Of Small Fry Clan

By GAYLE TALBOT

NEW YORK (AP)—At infrequent intervals, Cpl. Walter (Cappy) Wells, publicity director for the Little League, takes a head count of his rabbit preserve, and the resulting statistics never fail to bring his large and expressive eyebrows into violent animation.

To Cappy, the growth of his small fry baseball circuit during the last few years is, in all truth, a source of genuine wonder. Sometimes the retired warrior, who gained renown as West Point's prewar dispenser of hospitality, wears the faintly troubled look of a man who has just

won an elephant in a raffle. On the occasion of our most recent meeting with Cappy, he was extending a personal invitation to attend the annual four-day "Little World Series" at Williamsport, Pa., August 26-29, when the cream of the capsule campaigners will gather from all over to fight it out tooth and claw. Did he, we inquired, intend to charter an airplane for the trip?

"An airplane?" Cappy snorted. "Look," he said, "this isn't any two-bit operation. We're chartering three planes from here. That's what I've been trying to tell you, my friend. This thing is big."

Pausing only to give us a reproving glare and to draw a folded sheet from an inner pocket, the advance man for a million kiddies, more or less, asked impatiently:

"Did you know that something like 150,000 kids 12 years old and under played ball this Summer in Little League in 44 states, and that they probably played to more than 20,000,000 spectators?"

Admitting that we might have fallen behind in our Little League figures, what with the heat wave and other distractions, we encouraged Cappy to give us the works.

"Almost without a doubt," he said, "this has been the fastest growing sports program in the history of the country. Let us look at the figures. In 1946 there were only 94 Little Leagues. In 1949 there were 197; in 1950 there were 306; in 1951 the figure was 776. And right now, as of this moment, there are 1,208 Little Leagues and a total of 7,548 teams."

According to Cappy's latest figures, Pennsylvania, home of the locust-like movement, still leads all other states with 313 Little Leagues. Following in order are New York, 175; New Jersey, 141; Massachusetts, 133; and Texas, 116. If a state doesn't have at least 100 Little Leagues, Cappy implied, they throw it back to get its full growth.

Texans Slide Down In Money Winnings Among Golfing Pros

CHICAGO, ILL. (AP)—Texans are sliding down in the ratings but there still are five of them among the top 25 money-winners of golf.

Jack Burke of Houston is third with \$16,408.33. Lloyd Mangrum of Dallas fifth with \$13,422.74. Tommy Bolt of Houston tenth with \$9,065. Ben Hogan of Fort Worth twentieth with \$5,625 and Henry Ransom of Bryan twenty-second with \$5,495.65.

Julius Boros of Mid. Plains, N. C., who won the \$25,000 first money in the Chicago world's championship, is No. 1 with \$9,532.97. Cary Middlecoff of Memphis, Tenn., is second with \$7,799.88.

Burke leads the contenders for the Ryder Cup team with 309 7/12 points. Mangrum is third with 314 1/8 and Hogan tenth with 121 1/4. In the fight for the Vardon Trophy, Sam Snead of White Sulphur Springs, W. Va., leads with a stroke average of 70.22. Mangrum is third with 70.81 and Burke is fourth with 70.84.

Dukes Gain Notch On Top-Limb Clovis

By The Associated Press
Clovis' superman ball club is human after all and puts its shoes on one at a time like the rest of the West Texas-New Mexico League members.

Clovis kicked five chances Thursday night to lose to Lubbock, 5-4. Second-place Albuquerque took advantage to move up closer to the Pioneers—within 17 games — by whipping Lamesa, 6-4.

In the other games, Big Jim Cain hurled Berger to 3-2 and 8-4 victories over Pampa and Amarillo overcame Abilene, 13-5.

Tigers Get Garver In Swap For Wertz

ST. LOUIS (AP)—Bill Veeck's housecleaning of his St. Louis Browns finally reached Hurier Ned Garver, sending the 20-game winner of last year to the Detroit Tigers for Outfielder Vic Wertz in an eight-man waiver shift.

Veeck had a difficult decision to make in the deal which was completed Friday.

Garver was the only Brownie bright spot with his 20-13 record as the club finished last in the American League last year. He was the first pitcher in the last 26 years of major league ball to turn such a trick with a tallener.

But the right-hander hasn't shown any fire with just seven triumphs and 16 losses this year, and the Browns desperately need power at the plate which Wertz may supply.

Although hitting only .244 now, he has 17 home runs and has batted across 80 runs—more than any Brownie can claim. His homers have won many of the Tigers' few victories.

Others transferred in the deal were Outfielder Jim Delsing and relief hurler Dave Madison from St. Louis to Detroit. Earlier in the week, but part of the same package, Pitchers Marlin Stuart and Dick Littlefield and Outfielder Don Lenhardt moved to St. Louis from Detroit, and Detroit picked up Pitcher Bud Black from the Browns' farm in San Antonio.

The shifts had to be for the \$10,000 waiver price as trading between teams ended by league rule June 15. Since the clubs involved are at the bottom of the standings — St. Louis seventh, Detroit eighth — they have first crack at anyone offered on waivers.

Garver, who reportedly could have been sold for \$100,000 up at the start of the season, expressed disappointment over his move.

"That's the first time this has come to me," he said in Cleveland. "I don't know just how I feel yet. It kind of knocks you out."

Wertz, on the other hand, seemed pleased. "I gained 11 games just like that and jumped out of the cellar," he laughed, referring to St. Louis' higher standing. "From what I hear I will be working for Veeck. I think I'll hit better in St. Louis. I always liked that ball park—that right center field fence is a good target."

Montoya Fails In Stanolind Tester In Cochran Area

Stanolind Oil & Gas Company No. 1-C Reed, wildcat in South-Central Cochran County, was to be plugged back and tested in the Devonian, after swabbing tests through perforations, opposite the Montoya, failed to develop production.

Interval tested was from 12,390 to 12,416 feet. That section was treated with 2,500 gallons of acid. Recovery after 21 hours of swabbing was 315 barrels of load oil. Rest of the recovery, 100 per cent salt water, was not measured.

The section in the Devonian to be tested has not been announced.

No. 1-C Reed also failed in the Ellenburger.

Location is 660 feet from north and east lines of section 19, Harrison & Brown survey and 18 miles southwest of Whiteface.

El Capitan Plugs NW Kent Failure

El Capitan Oil Company No. 1 Daugherty, Northwest Kent County wildcat failure has been plugged and abandoned on a total depth of 8,810 feet in dry Pennsylvanian lime.

It found no shows of oil or gas in any zone it drilled through. The Pennsylvanian lime between 6,575 feet and the total depth showed only a small amount of drilling mud in a drillstem test.

The Pennsylvanian lime top was at 6,575 feet. Elevation is 2,048 feet.

Location was 660 feet from north and 1,980 feet from west lines of section 13, block 1, H&ON survey. It was 12 miles northwest of Claremont.

Culberson Wildcat Plugged, Abandoned

Orisham-Hunter Corporation has plugged and abandoned its No. 1-B M. A. Orisham, wildcat in East-Central Culberson County, at total depth of 3,128 feet.

Location was 990 feet from south and 2,476 feet from east lines of section 8, block 60, T-3, T&P survey, 31 miles northwest of Toyah, and one and one-quarter mile west of the same company's recent Siluro-Devonian gas discovery.

NW Concho Tester Plugged, Abandoned

Saxon Exploration Company of Abilene has plugged and abandoned No. 1 Edwin Glass, wildcat in North-east Concho County. It was drilled to 3,128 feet.

Location was 2,280 feet from north and 2,233 feet from west lines of section 98, T. F. Bengue survey and two miles southwest of Millersview.

COTTON
NEW YORK—(AP)—Friday noon cotton prices were 90 to 90 cents a bale higher than the previous close. October 38.82, December 38.72 and March 38.67.

UNDERGOES SURGERY
Hugh Dilley, 1605 West College Street, is a surgical patient at Midland Memorial Hospital.

Permian Basin Oil And Gas Log

(Continued from Page 1)
old dry hole which was originally drilled to 8,600 feet. Operator re-entered the hole and drilled to total depth of 10,960 feet and plugged back to 10,960 feet. Casing is set at plugged back depth.

Tide Water Finals Strawn Discovery In C-E Lea Sector

Tide Water Associated Oil Company has completed its No. 1 H. T. Montieth as a Strawn discovery in Central-East Lea County, N. M.

It gauged 754 barrels of 42.3-gravity oil per day, based on an actual 21-hour flow of 660 barrels. Flow was through a five-eighths-inch choke and perforations from 11,256 to 11,280 feet and 11,300 to 11,316 feet.

Perforations were acidized with 6,000 gallons. Gas-oil ratio was 1,302-1. Top of the Strawn was called at 11,207 feet.

Location is at the center of the southwest quarter of the southwest quarter of section 10-166-37e and two miles northwest of the East Lovington (Strawn) field.

Stanton Wildcat Pumping To Clean Out And Complete

Plymouth Oil Company No. 1 W. R. Morris, Southeast Martin County wildcat, one and three-quarter miles northeast of Stanton is pumping to clean out, test and complete as some sort of an oil well from the Spraberry.

This project is testing perforated section in the lower Spraberry at 7,873-97 feet. That zone had been fractured and acidized.

During the first 24 hours of pumping all of the load oil and a little new oil was recovered.

During the next 24-hour period pumping was suspended for 19 hours while repairs on the pump engine were being made.

During the other 11 hours of that 24 hours the well pumped 30 barrels of new oil.

Operator expects to have a 24-hour pumping gauge on the wildcat by the first of next week which should show its true petroleum producing ability.

Location is 660 feet from west and 1,980 feet from south lines of section 7, block 35, T-1-S, T&P survey.

Two Dry Holes Are Abandoned In NW Dawson

Blanco Oil Company and A. A. Buchanan, and El Tee Oil Company each plugged a failure in the Mungerville (Pennsylvanian) area of Northwest Dawson County.

Blanco and Buchanan No. 1 Halliday-State was drilled to total depth of 8,849 feet in lime and shale. It developed no shows for possible production and was plugged and abandoned.

Gas To Surface On Reef DST In C-S Borden Area

V. A. Brill No. 1 T. J. Good, Central-South Borden County wildcat, four miles east of Vealmoor topped the Pennsylvanian reef lime at 7,974 feet.

The prospector drilled to a total depth of 7,980 feet. It took a two and one-half hour drillstem test at 7,971-80 feet.

Gas surfaced in one hour and 33 minutes. No fluid came to the top while the tester was open. Operator was pulling the test tool at last report.

Location is 660 feet from south and west lines of section 14, block 22, T-3-N, T&P survey. It is one and one-half miles northeast of the nearest production from the Pennsylvanian lime on the northeast side of the Vealmoor field.

No shows of possible production have been reported from any of the upper formations.

Gas To Surface On Reef DST In C-S Borden Area

V. A. Brill No. 1 T. J. Good, Central-South Borden County wildcat, four miles east of Vealmoor topped the Pennsylvanian reef lime at 7,974 feet.

The prospector drilled to a total depth of 7,980 feet. It took a two and one-half hour drillstem test at 7,971-80 feet.

Gas surfaced in one hour and 33 minutes. No fluid came to the top while the tester was open. Operator was pulling the test tool at last report.

Location is 660 feet from south and west lines of section 14, block 22, T-3-N, T&P survey. It is one and one-half miles northeast of the nearest production from the Pennsylvanian lime on the northeast side of the Vealmoor field.

No shows of possible production have been reported from any of the upper formations.

West Stepout To Ellenburger Opener In Andrews Finaled

Phillips Petroleum Company has completed its No. 3-EE Texas University as a one-location west stepout to the Ellenburger discovery of the Block 12 field of South-Central Andrews County.

The well flowed six hours through a one-half inch choke to make a calculated 24-hour potential of 1-150.3 barrels of 42.7-gravity oil plus three-tenths of one per cent basic sediment. Gas-oil ratio was 435-1.

From Perforations
Production is coming from perforations between 10,890 feet and 10,950 feet. That section was treated with 500 gallons of mud acid.

Delaware Opener Completed In Eddy

Allen Hargrave No. 1 State-Humble has been completed as a Delaware discovery in South-Central Eddy County.

It was completed to pump 11 barrels of 43-gravity oil in 24 hours after acidizing the lime with 2,000

gallons from 2,300 feet to 2,800 feet, the plugged back depth.

Location is 660 feet from north and east lines of section 31-24e-37e and seven miles west of Malaga.

Zephyr, Rycade To Drill San Andres Wildcat In Martin

Zephyr Drilling Company of Midland and Rycade Oil Corporation of Houston are planning to drill a 4-900-foot San Andres wildcat in Central-South Martin County.

Tentative location, on a farmout from Tide Water Associated Oil Company, is in the Stimson & Burley lands, 660 feet from west and 1,980 feet from south lines of section 26, block 38, T-1-N, T&P survey.

It is 14 miles northwest of Stanton and one and one-half miles south of a recently completed San Andres discovery.

Callery Abandons C-W Kent Failure In Mississippian

F. A. Callery, Inc., of Houston, No. 1 E. E. Wallace estate, Central-West Kent County wildcat, 13 miles west of Clairmont, has been abandoned and plugged.

The failure drilled to a bottom of 7,841 feet in barren Mississippian lime and chert. It found no shows for production in any zone it penetrated.

Top Reported
Top of the Pennsylvanian lime was called at 6,947 feet. Top of the Mississippian was picked at 7,334 feet. No elevation has been reported.

Location was 660 feet from south and east lines of section 60, block G, W&NW survey.

Northeast Of Polar
It was six and one-half miles northeast of the Polar (Ellenburger) field.

This prospector was originally started out to drill to 8,000 feet to test the Ellenburger. Possibly the reason it did not go to that formation is that it correlated lower geologically than had been hoped for.

Stanolind To Plug Back For Tests In SW Martin Wildcat

Stanolind Oil & Gas Company No. 1 Gladys Cowden, wildcat in Southwest Martin County, was preparing to plug back to 9,300 feet and test the Spraberry above that point after failing to find production in the Ellenburger.

Last drillstem test was taken in the interval from 13,210 to 13,308 feet. Tool was open two hours. Recovery was 4,950-foot water blanket, 90 feet of salt water-cut mud and 2,520 feet of salt water.

Location is 660 feet from south and east lines of the southwest quarter of section 30, block 40, T-1-N, T&P survey and six miles southwest of the Glass (multipay) field.

Spraberry Outoot To 6,750 Feet Is Slated In Reagan

Tide Water Associated Oil Company No. 2 C. W. Merchant Heirs will be drilled as a 6,750-foot Spraberry project one and one-quarter miles southwest of production in the Wetner-Floyd field.

Location is 660 feet from south and 1,980 feet from west lines of section 12, block B, L&SV survey.

First Ellenburger DST In Tom Green Test Finds No Oil

Humble Oil & Refining Company No. 1 George T. McEwen, Central Tom Green County wildcat, less than one mile north of the north side of the city of San Angelo had no shows of oil, gas or water in the top of the Ellenburger.

That formation was drillstem tested at 6,035-53 feet. The tool was open 60 minutes. There was a weak blow of air for a part of the period. No fluid came to the surface while the tool was open. Recovery was 20 feet of drilling mud. There were no signs of oil, gas or water. All pressures were zero.

The project is coring deeper looking for a porous section.

Unofficial Top
Tentative, unofficial top of the Ellenburger is at 6,037 feet. Elevation is 1,909 feet.

Location is 2,500 feet from east and 1,000 feet from south lines of section 178, WCRW survey.

This exploration indicates a possible discovery from the Palo Pinto-Pennsylvanian in the zone at 4,810-30 feet.

If it fails to make a well in the Ellenburger it will be plugged back and tested in the Palo Pinto pay.

Magnolia Stakes Two New Sites In Pegasus Field

Magnolia Petroleum Company has staked two new locations in the Pegasus field of Northwest Upton County.

Both tests will be drilled with rotary tools to 10,600 feet to test the Pennsylvanian, beginning in the near future.

Location for Magnolia No. 10 T. R. Wilson is 660 feet from south and 1,980 feet from east lines of section 42, block 40, T-4-S, T&P survey.

No. 3-G TXL is 2,659 feet from north and 660 feet from west lines of section 43, block 40, T-4-S, T&P survey.

Drillsites are 25 miles northwest of Midland.

Killam To Re-Enter Jeff Davis Failure

O. W. Killam of Laredo is planning to re-enter and deepen his No. 1 Cole A. Means, an 6,370-foot failure on the outskirts of Valentine in Jeff Davis County.

Location is 660 feet from north and 330 feet from west lines of section 199, block 4, H&TC survey.

Pegasus In Midland Gets North Offset

Magnolia Petroleum Company has spotted its No. 1-S TXL one-location north of production in the northeast side of the Pegasus (Ellenburger) field of Southwest Midland County.

Location is 660 feet from south and west lines of section 9, block 40, T-4-S, T&P survey.

Rotary tools will be used to drill to projected depth of 13,500 feet, beginning at once.

Two Wildcats In New Mexico Are Quit As Failures

Two wildcat explorations in Southeast New Mexico have been reported plugged and abandoned.

In West-Central Roosevelt County, Austral Oil Exploration Company plugged No. 1 Badler on total depth of 8,154 feet in granite. No signs of commercial production were found in any formation drilled.

Location was 660 feet from north and 1,980 feet from east lines of section 29-4e-32e. It was dug three miles east of Elida.

Magnolia Petroleum Company No. 1 Burt-Federal, wildcat one mile east of production in the Lightcap (Devonian) field in the extreme east Panhandle of Chavez County, was plugged and abandoned on total depth of 8,615 feet in the Devonian.

Location was 660 feet from south and east lines of section 5-6e-30e.

Oil Shows, Water Found In Testing S-C Kent Project

Chapman & McFarlin Producing Company reported three drillstem tests in No. 2 D. M. Cogdell, Jr., south offset to a recently completed wildcat in Central-South Kent County.

Initial test was from 4,506 to 4,536 feet. Recovery was 260 feet of drilling mud. Tool was open 30 minutes.

A second drillstem test was from 4,536 to 4,556 feet. Toll was open 30 minutes. Recovery was 85 feet of drilling mud, 85 feet of slightly oil and gas-cut mud and 85 feet of heavily oil and gas-cut mud.

Another 30-minute test was taken in the interval from 4,556 to 4,566 feet. Recovery was 10 feet of salt water and 113 feet of heavily oil and gas-cut mud.

Operator was coring ahead.

Location is 633 feet from west and 1,980 feet from north lines of section 776, block 97, H&TC survey. It is 25 miles northeast of Snyder and one location south of Chapman & McFarlin No. 1 D. M. Cogdell, Jr.

Heir In High Social Strata Taken As White Slave Boss

NEW YORK—(AP)—A socially-registered young heir to an oleomargarine fortune was arrested Friday for allegedly allowing his fashionable apartment to be used by prostitutes and accepting earnings from them.

Minor F. (Mickey) Jelke, 22, was charged with compulsory prostitution and conspiracy. He also was charged with illegally possessing two guns.

He was picked up, along with an array of seven blonde, brunettes and red-haired beauties and two other men, in a city-wide campaign to stamp out a prostitution system whereby some girls reputedly charged as much as \$500 a night.

Jelke, whose name is included in the 1952 edition of the New York Social Register, has been a frequent escort of debutantes in swank night spots on the Upper East Side.

His name appeared in society and gossip columns but never before in police records.

Assistant District Attorney Anthony J. Liebler said Jelke was due to come into an inheritance in three years at the age of 25 and meanwhile he had been receiving \$200 a month from a trust fund.

He said police arrested Jelke in his \$147.50-a-month apartment, Sylvia Elder, 24, also was taken into custody there, he added.

Also seized in the apartment were a collection of photographs of nude women and a long list of men's and women's names, Liebler said.

He declared Jelke admitted ownership of the weapons and he had no permit for them.

Jelke denied all the charges in connection with prostitution.

Only Jelke, another man and a

blonde were arrested on prostitution charges. The others seized were expected to be held as material witnesses.

Later Friday, a "mystery girl" entered the case. The girl, less than 20 years old, attractive with reddish-brown hair, was taken into custody at her parents' Manhattan home.

Liebler said she was a material witness and she would not "be identified in open court."

The assistant district attorney said a loaded gun was found in Jelke's apartment and another one in his pale blue Cadillac convertible, parked outside.

Founded Bachelors Club
Jelke's father, oleo king John F. Jelke, Chicago, sold his 25 million dollar a year business to Lever Brothers Company in 1948. Officially said his mother was Mrs. Ray Teal, Dunbar, Conn., divorced from the elder Jelke.

Young Jelke was one of the founders of the Bachelors Club of America, whose membership includes a number of New York playboys. He was considered one of society's most eligible bachelors.

Taken to a police station, Jelke described himself to the desk sergeant as single, said he had attended college two years, and in reply to a question whether he used narcotics, replied, "No, sir."

The tousle-haired, slightly-built youth wore a gray tweed sports jacket, blue gabardine slacks, a white shirt and black knitted tie.

Arrested also in the roundup, at another address, was Erica Steel, 28, a red-haired television actress. Police took her into custody at her \$200-a-month apartment.

Blonde's Husband Held
Miss Steel was charged with keeping and maintaining premises for the purpose of prostitution, procuring women for that purpose, possessing marijuana and conspiracy to commit the charged crimes.

Raymond Russell Davison, 34, husband of a blonde settled in the roundup, was arrested on charges of compulsory prostitution, living off the proceeds and conspiracy.

The others taken in the dragnet were undergoing questioning a were not placed under arrest immediately.

Others seized were Nancy Hawkins, 33, blonde model and occupant of a \$150-a-month penthouse apartment; Joan Douglas, 20, a model and roommate of Miss Hawkins; Gloria Sinclair, 24; Ray Russell, 34, husband of Miss Sinclair.

Liebler said the raids were the culmination of seven months work. The group seized, he said, was not a part of any ring.

Midlander Injured In Drilling Mishap

Otis J. Martin, 1303 North Marlenfeld Street, employed by Fryer & Hanson Drilling Company, suffered multiple injuries when an elevator fell in an oil field accident Thursday.

Martin was treated at Midland Memorial Hospital for lacerations of the right cheek and neck, abrasions of the right index finger and left thumb, and contusions and abrasions of both knees.

Progress Scoreboard On Clean-Up Plans

- A total of 85 Midland concerns have volunteered to provide laborers, or to pay the wages of a laborer, for Clean-up Day Monday. This number is only 15 short of the goal of 100 set by the Manpower Committee.
- The following concerns have volunteered additional laborers or wages:
- National Supply Company—one laborer.
 - Bethlehem Supply Company—one laborer.
 - I. W. Hynes—one laborer.
 - Iverson Supply Company—one laborer.
 - American Iron & Machine Works—one laborer.
 - Parkersburg Big & Reed Company—one laborer.
 - Civitan Club—two laborers.
 - Pat H. Stanford, Inc.—two laborers.
 - Brewers Hardware—one laborer.
 - Barold—one laborer.
 - Apex Engineering Company—one laborer.
 - West Texas Engineering Service, Inc.—one laborer.
 - Dowell, Inc.—two laborers.
 - Bayless & Barnhart Drilling Company—two laborers.
 - Five-Star Oil Reports—one laborer.
 - Christensen Diamond Products Company—one laborer.
 - Reed Heller Bit Company—one laborer.
 - Diamond Oil Well Drilling Company—one laborer.
 - Southwestern Bell Telephone Company—one laborer.
 - Southern Minerals Corporation—one laborer.
 - Midland Savings and Loan Association—two laborers.
 - Willig Engineering & Machine Company—one laborer.
 - Lacey Oil & Tool Company—one laborer.

Con Builds Video Set In Cell To See Life Outside Walls

WETHERSFIELD, CONN.—(AP)—A convict named Joe has pierced the walls that do his prison make, and officials are proud of him.

Joe—otherwise unidentified—has built a television set, mainly from salvaged parts and scrap metal from the machine shop at Connecticut State Prison. Some parts he bought—from his frustrating prison pay of \$4.85 a month.

Prison officials are pleased with how Joe has rehabilitated himself by working on his window on the world.

From a "Kansas tough guy" three years ago, he has become a model prisoner.

Joe will be up for a parol shortly. He plans for the outside?

"I'm getting into television," he says. "There's a great future in it."

TWICE THANKSGIVING
When November has five Thursdays, two Thanksgivings days are celebrated in the United States, unless some states change statutory provisions fixing the date of observance. The last Thursday is marked for the celebration by most states, but a few name the fourth Thursday for the event.

KREMLIN, BOASTS OF DOWNING U. S. PLANES—During the recent celebration of Red Air Force Day in Moscow, the poster above was plastered all over the city. Panel illustrations show Russian planes on the offensive against U. S. planes, in each case forcing down the American craft. Texts below sketches give the Soviet version of the incidents. U. S. Ambassador George W. Kennan boycotted Red Air Force Day and lodged an official protest with the Kremlin.

Internal Revenue Bureau Puts Light On Operation Secrets

WASHINGTON — (AP) — The Internal Revenue Bureau is sometimes charged with favoring certain taxpayers when it is only trying to collect all the taxes it can, says Commissioner John B. Dunlap.

Dunlap also said in an interview that with the backing of his boss, Secretary of the Treasury Snyder, he is trying to let more light in on long secret aspects of the bureau's business.

But there are legal restrictions, Dunlap said, adding:

"I am not going to make decisions no matter who pushes, unless they are right, honest and it is for the best interest of the government, which includes its citizens."

This followed the release of Dunlap's reply to a critical telegram from James S. Pope of the Louisville Courier-Journal. Pope heads the Freedom of Information Committee of the American Society of Newspaper Editors.

"When the revenue bureau settles a tax case for a few cents on the dollar, the people who pay in full are entitled to know of it," Pope said. "Yet under your new policy these transactions would remain secret if the bureau can keep them secret. The people have no FBI of their own to ferret out the names of favored tax evaders."

Dunlap promised, in his reply, to make public all applications from organizations asking tax-free status. But he declined, for the time being at least, to go beyond his previously announced policy for publicizing tax cases settled by compromise.

Dunlap said, will be made available during the bureau's reorganization, scheduled for conclusion by the end of the year.

A week ago Dunlap announced full details of tax compromises would be disclosed whenever a case was challenged in Congress. Other compromise settlements, he said, would remain where they were, locked in the bureau's secret files.

Senator Williams (R-De) a frequent critic of the revenue bureau, contended it settles some delinquent accounts for a few cents on the dollar. Williams questioned whether any citizen could pay his taxes that way.

About compromise settlements, Dunlap said:

1. "The government never accepts a compromise for less than a person can pay and never compromises at all on how much a person should pay."

2. "The compromise settlement is a method, established by Congress, of taking what you can get. It offers relief to widows whose chief legacy is a tax debt, to sick and unemployed persons, to the bankrupt and other unfortunate. It is entirely different from the negotiated settlement."

3. "To protect the government's interest, we slap on lien to the full amount of the taxpayer's debt to the government. But there is no way to collect what a person does not have. For instance, if a person has holdings of a million dollars, and owes the government a

Hobbyist Constructs Own 'Flying Saucers'

BINGHAMTON, N. Y. — (AP) — While most people are just talking about flying saucers, Vincent Georgeff is building 'em — at least in model form.

His models are disc-shaped with fins protruding from the top of the disc and landing gear on the bottom. Only he calls them flying planets.

Whether there are any flying saucers at present Georgeff doesn't know but he says he believes they are possible.

AIRBORNE BABE WASN'T JOKING

NEW YORK — (AP) — A Pan American World Airways plane landed here Thursday with an unexpected passenger — a newborn baby girl.

The baby was born to Mrs. Lidia Serpa, about 23 years old, of Manhattan. She gave birth unassisted in the washroom of the plane en route from Puerto Rico to Idlewild Airport.

The plane's captain, Jack Harvey, said he thought Stewardess Barbara Jirou was joking when she told him a passenger was having a baby.

Pecos Rain Bests 1951

PECOS—Pecos already has received more rain this year than it recorded during the entire year of 1951.

Figures compiled at Southern Union Gas Company show this city has registered a rainfall total of 7.39 inches this year, compared to the 3.55 inches which fell here last year. Total rain in 1950 was set at 8.77 inches.

Wettest month so far was May with 3.70 inches, followed by July and its 3.3 inches. Past records prove July to be ordinarily the wettest month. In 1951, rainfall was 1.43 inches in July, amounting to about 40 per cent of the year's total.

Last sizeable rain seen here was a 1.45-inch precipitation on July 7. Since then, there was .40 on July 8; .15 on July 12 and .52 on July 17, with bare traces interspersed.

By months, total rainfall this year is recorded as follows: January—.11; February—.52; March—.09; April—.17; May—2.70; June—.18; July—2.52.

City Water Superintendent John Ogleby reported that average daily water consumption for Pecos now stands at over 2,700,000 gallons.

Recent Legislation Provides New Benefits For Veterans

Legislation recently passed by the 82nd Congress provides certain benefits to veterans not heretofore granted, as well as increased compensation rates.

Identified as Public Law 427, a specific monetary amount is provided for eligible veterans who have arrested tuberculosis. Those veterans not receiving statutory awards for arrested tuberculosis and those veterans who are not receiving compensation for arrested tuberculosis must file a claim to receive this benefit.

The effective date of the increase in rates for those veterans receiving statutory awards or compensation was August 1, 1952, and such increase will be reflected in checks received September 1st.

For those veterans who must file a claim, and are proved eligible to receive compensation for arrested tuberculosis, the effective date of this new veterans' benefit will be the date the claim is received by the Veterans Administration.

Public Law 427 also authorizes to eligible veterans a specific amount of compensation for the anatomical loss or loss of use of a creative organ.

Claims for either of these veterans' benefits may be filed by the veteran or his authorized representative and should be submitted to the Veterans Administration Regional Office, Lubbock.

British Auto Firm Patents Gas Turbine

LONDON — (AP) — One of Britain's biggest automobile makers, the Austin Motor Company, took out patents Thursday on a gas turbine engine for cars and trucks.

The engine, the company, said, is still in the experimental stage.

DISEASE BREEDING PLACE—Garbage cans without lids are fertile breeding spots for flies and disease. This unsanitary condition exists within a half block of the Midland Courthouse. It is the aim of the city-wide clean-up campaign Monday to eradicate all such breeding places in Midland.

American Airlines To Add Round Trip Dallas Flight

A new round trip flight from Dallas to the Midland Terminal Airport will be inaugurated Sunday by American Airlines as part of an expansion program, it was announced Wednesday by William J. Patton, Fort Worth, sales representative.

Patton said the addition of the new flight will make a total of three daily flights connecting Terminal and Dallas by American Airlines.

The new flight will originate in Dallas at 1:20 p.m. and arrive at Terminal at 3 p.m. The return trip will be made at 3:20, arriving in Dallas at 4:50 p.m., Patton said.

To give the new flight an official send-off, M. D. Miller, vice president of the Southern Region of American Airlines, will be aboard. He will be accompanied by J. B. Marryat, public relations director, and M. A. Atkinson, Jr., sales manager for the West Texas area.

A group of Midland's prominent citizens will form an official welcoming committee to greet the American Airlines officials when they arrive at Terminal.

Sunday night, the airline officials will be guests of the Scharbauer Hotel.

The aviation committee of the chamber of commerce, headed by Stanley Erskine, will be hosts of the officials for a Monday noon luncheon. The luncheon has been tentatively set for the Petroleum Club.

Patton, who was in Midland Wednesday making arrangements for the initial flights, praised the efforts of the chamber's aviation committee for their diligent efforts over a period of time to make the additional flight a reality.

"We are glad that past patronage has made another Dallas flight necessary, we are sure that it will meet with success," Patton said.

RIPLEY IN HOSPITAL
Ray Ripley, 605 North Weatherford Street, is a surgical patient at Midland Memorial Hospital.

'FREE' RIDES COST 15 BUCKS

FITCHBURG, MASS. — (AP) — Paul J. Fluet, 17, was out \$15 Thursday for playing dangerously at Whalom Park.

Fluet was fined in District Court on police testimony that he and two younger companions jumped into a roller coaster car as it neared the top of a big rise and then leaped out before it plunged downward on the other side.

Police said the trio repeated the stunt several times while ignoring pleas of park officials that they come down.

Newman Award Set For Marvin Coyle

WASHINGTON — (AP) — Marvin E. Coyle, retired executive vice president and director of General Motors has been chosen for the annual Cardinal Newman Award.

The honor was instituted in 1950 by the Newman Club Federation of 520 clubs of Catholic students in secular colleges and universities.

Seminole Studies Phone Rate Hike

SEMINOLE—Figures were cited to the Seminole board of aldermen by the telephone company to show why a heavy rate increase is needed.

Company officials said that on a \$944,000 investment for equipment, it netted a clear profit of only \$252 last year.

The aldermen took the request under advisement.

Satisfy Their Summer Thirst with a Healthful Drink

Children Love it . . .
Mothers Recommend it

Children are always ready for a drink in hot weather. Give them the drink that's cooling, healthful and nourishing. Give them Borden's Chocolate, the wholesome beverage that children love so much. Keep a supply chilly-good in the refrigerator, ready to satisfy their thirst and to give them new pep . . . healthfully. You know "If it's Borden's it's got to be good!"

Borden's CHOCOLATE

2-THE MIDLAND REPORTER-TELEGRAM, FRIDAY, AUGUST 15, 1952
Published by Reporter-Telegram Publishing Company, Inc. (except Saturday) and Sunday morning, 321 North Main Street, Midland, Texas.
JAMES H. ALLISON Publisher
Entered as second-class matter at the postoffice at Midland, Texas under the Act of March 3, 1879.

And moreover I saw under the sun the place of judgment, that wickedness was there; and the place of righteousness, that iniquity was there.—Ecc. 1:16.

Hear All Facts Out

The Truman landslide which completely buried Dewey in 1948 also covered to the chin the country's top pollsters, the fellows who find out what everyone is going to do before he does it.

Some of them lost a lot of business as a result of having picked Dewey as a shoo-in. But they had company, and with so many people having been so wrong it was a case of forgive and forget.

Since the poll-taking business depends, for its very existence, on being right a good bit of the time, the pollsters have admitted their mistakes, overhauled their methods, and are all set to have another go at it this fall.

Some of the principal pollsters, notably Gallup and Roper, have admitted one of their big errors was not continuing to sample voting sentiment right up to the time of election.

As a result they badly misjudged which way people would go who made up their minds at the last minute (a lot more went for Truman than was expected), and they didn't take into proper account that a lot of people would change their minds at the last minute.

As it turned out, some things came up on the national scene at the last minute which changed a lot of people's minds. To take care of that possibility this year the poll takers are understood to be extending their probing right up to voting time.

Which is all very good and in the best scientific tradition. However, there remains with us a hopeful if ill-defined feeling that the American people somehow forever will defeat attempts to peg them down to the last decimal point.

Those voters who in 1948 refused to make up their minds until the last speech had been made, the last newspaper read, the last fact examined, always will dodge becoming somebody's reliable statistic. Here's to them.

Never Ride On Arab Bus

An item from Africa reports the Royal Air Force had to fly food to 27 Arabs in a bus which had broken down in the Sahara desert. The bus had been out of kilter only eight days, so it's hard to figure what the RAF was in such a hurry about. Maybe they don't know Arabs.

No right-thinking Arab would board a bus without a goat or two, a couple of chickens, water, some makings for cous-cous, and a bunch of dates. They go prepared for anything.

They're not like us, who can fly from here to Honolulu with nothing but a toothbrush and a pair of clean socks. The age of science is upon us, travel is broadening, and he who travels fast travels far. But he'd better keep out of Arab buses or he's liable to starve to death.

A South American custom requires a man to stand at a distance when addressing his mother-in-law. Sounds like good, common sense.

"De you ink that's wise? He'll meet such horrid boys there."

Daddy Ringtail

Daddy Ringtail And Desperate Measure

The night had come to the Great Forest, and Mugwump Monkey, the monkey boy, was safe and warm and snug in his bed. Oh yes, he was!

He was going to stay all safe and warm. But he wouldn't stay warm. Little Mister Cover-puller-off came along to pull the cover from him. Little Mister Cover-puller-off you know, is a friendly fellow except he likes to pull off cover when people are asleep. Now it's quite all right for a Cover-puller-off to pull off cover, but he shouldn't do it except in the Summer when nights are warm.

"Yes," said Daddy Ringtail, "and if we have more trouble from little Mister Cover-puller-off, we will have to take a desperate measure."

"Take what?" asked Mugwump. "Take a desperate measure," said Daddy Ringtail, and then he closed the door for Mugwump now to go to sleep.

Mugwump went to sleep, all right, and then he dreamed. He dreamed of the half-pint measuring cup

that belonged to Mother Ringtail in the kitchen. Somehow, however, the half-pint measuring cup was now alive. A smiling face was on the side of the cup, and it had tiny arms and legs. "My name is Half-Pint," said the half-pint measuring cup to Mugwump. "Make yourself at home, Half-pint," said Mugwump and so Half-pint sat down on Mugwump's pillow and made himself at home.

Yes, and Mugwump then remembered Daddy Ringtail's words of how they should take a desperate measure.

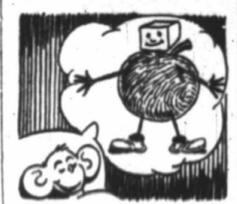

"Sure," said the half-pint cup

with a half-pint smile. "Don't go away, Mister Half-pint," said Mugwump, "and tomorrow we'll take you somewhere." "I'll be right here on your pillow," said Half-pint with his friendly smile. But when morning came, he wasn't. He was gone away back to the kitchen, and never again did he talk or smile or show he was alive at all, even though Mugwump begged him to do it. He simply wouldn't, and I guess he wouldn't because Little Mister Cover-puller-off did not come back all winter, and a desperate measure was not needed. Happy day!

7:30 p.m.: Training service.
8:15 p.m.: Evening worship. Mr. Cook will speak.
(Continued On Page Five)

THE KEYS OF TOMORROW

Boys and girls like the two in this picture are the raw materials from which good citizens are made. They hold the keys of tomorrow and are the hope of America and the world.

As they grow older, they will acquire knowledge and receive training designed to fit them for the duties and responsibilities of life. They will realize that they have an important stake in government and in human society as a whole.

But they must be trained—and must train themselves—to meet these responsibilities as they develop. They must be taught that obedience to law and respect for the rights of others is essential to the common good.

There is no better training in the elements of good citizenship than is embodied in the teachings of the Church and the great principles of the Bible. They are the touchstone of good citizenship and the spiritual basis of our inherited faith.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

| Day | Book | Chapter | Verses |
|-----------|------------|---------|--------|
| Sunday | Acts | 1 | 1-17 |

LOVE OF COUNTESS INVOLVED

Winston Churchill's Father's Duel Challenge Is Revealed

LONDON—(AP)—Winston Churchill's father, Lord Randolph Churchill, was once challenged to a duel by the Prince of Wales who later became King Edward VII.

periodical The Month, Leslie says Lord Randolph's reply to the challenge was "superb—that of a Christian and, chivalrous gentleman."

that nothing would induce him to lift a hand against his future sovereign."

Primer On Ko-War GI Bill Of Rights Q. When do unemployment benefits become available to Korean veterans?

Q. For the week of unemployment which comes after October 14. Q. What's the rule about mustering-out and unemployment compensation?

Q. Veterans who were discharged prior to July 16, 1952, are not affected by mustering-out payments, since no benefits are payable under the act for 90 days after that date.

Q. Under what special conditions are otherwise-qualified vets not eligible for unemployment money? A. Vets are not eligible for unemployment compensation pay (1) while in training under either the new or old GI bill; (2) while drawing additional compensation for maintenance under the Federal Employees Compensation Act, or (3) while eligible for any other form of Federal or State unemployment compensation payments of at least \$26 a week.

It Says Here Cobras May Not Bite If You Don't Scare Easily

By BELMAN MORIN NEW YORK—(AP)—How would you feel if you were in a crowded bus with some loose cobras?

That happened to some people in India the other day. The Bombay office of The Associated Press reported that a snake-charmer came aboard carrying the cobras in baskets.

In a way, this is the other half of a Klugeesque story. One night in India, a British officer and his wife gave a small dinner party.

"This war has proved one thing," she said, "women are just as brave as men in an emergency, and perhaps braver."

The argument was swirling and nobody noticed when the hostess quietly signalled one of the Indian servants.

the milk. There were screams, quick exits and the confusion was immense when the other guests saw it.

Later, they asked the hostess how she knew the cobra was in the room. Did she see it? When? Where?

"I didn't see it," she replied, "but I felt it. . . It was coiled around my ankle."

This tended to chill the argument about men and women and what they do in the presence of danger.

But about the cobras . . . there are almost as many tales of their strange ways as there are snakes.

The king cobra is aggressive and presumably always will attack; the other types only defend themselves.

And they think this is an acquired feeling, something you have to learn. Since a baby does not know enough to be afraid, and he may be perfectly safe—even with a cobra.

Preston Grover, who headed the AP office in India for a number of years, was a witness to one of these incidents.

He was visiting an Indian family. Their child, in a high chair on the lawn, was eating a bowl of bread and milk.

Grover, horrified, saw the snake, just as it was crawling up the side of the chair. It crossed the baby's lap, and came onto the apron of the high chair.

With a clumsy gesture, the baby banged it over the head with the spoon.

"We expected the cobra to strike," he said, "but the baby upset the bowl, and the snake simply dropped onto the grass and went on looking for milk down there."

BUICK'S POWER STEERING? It's the big NEWS of the year

THERE is a host of things that tendear a ROADMASTER to anyone who loves to drive.

There's the might of its Fireball 8 Engine—most powerful ever put in a Buick.

There's the thrift of its Airpower carburetor—a four-barrel automatic that literally brings increased power right out of thin air.

There's its hushed and luxurious silence—its poised and level ride that cost a million dollars to develop—and the infinite smoothness of its Dynaflo Drive.

But the thing that's won the most cheers for this big and obedient

beauty is Buick's version of Power Steering.*

Gone is the tug of turning, parking, maneuvering in small space.

Power Steering takes over the effort of turning the front wheels—makes it a one-hand operation.

Do you have to learn to drive all over again if you have this new Buick feature?

You definitely do not. On the open road, you have that same sure sense of command that you've always had.

suddenly hit loose dirt or sand—or a stretch of rough road—Power Steering smoothly goes into action

—helps take up the jerk—makes control of the wheel easier and driving safer.

Wouldn't you like to try out this newest wonder—on a ROADMASTER or a SUPER? You say the word, and we'll do the rest.

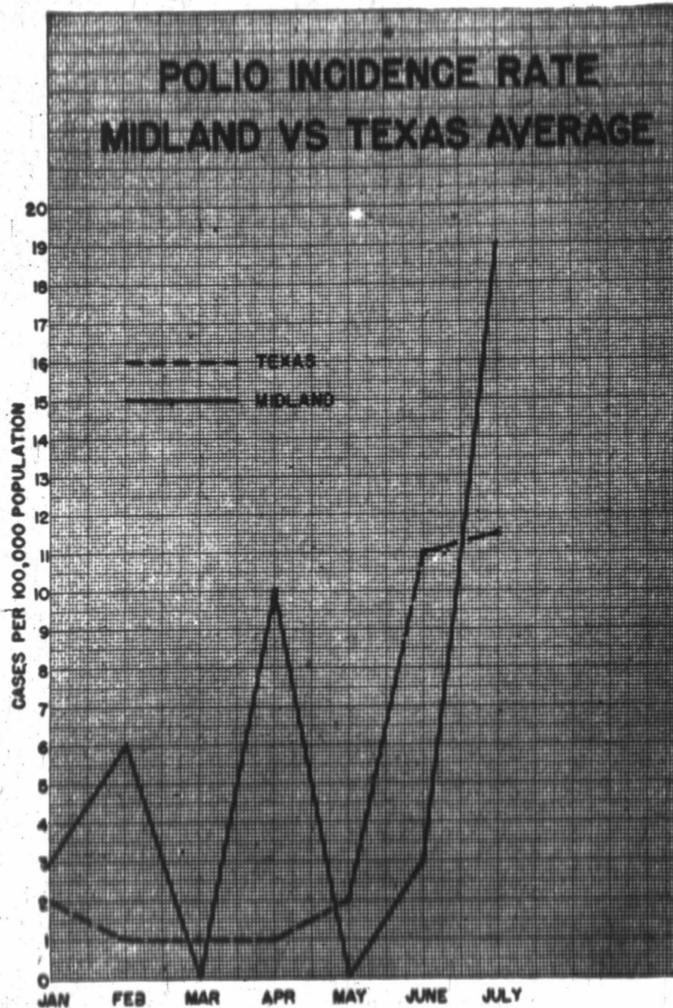

Equipment, accessories, trim and models are subject to change without notice.*Optional at extra cost on Roadmaster and Super only.

But you'll notice this: When you

Midland Citizens, HERE ARE THE FACTS!

1951—Midland had one death resulting from polio.
1952—Midland has already had one death from polio, and fourteen other cases reported.

Polio and Diarrhea Are Taking A Heavy Toll... YOU Can Be a Victim!

Are YOU Contributing To These Statistics

1951—Midland had eleven deaths from diarrhea.
1952—During the period August 3-9 alone, 248 cases of diarrhea were reported in Midland. Many were unreported.

What Can YOU Do To Help? The Citizens Clean-up Committee Asks That YOU Do The Following:

- Clean up all trash, bottles, scrap lumber, etc. in your house, yard, alleys and vacant lots in your neighborhood.

- Place all trash in containers and have neatly stacked in your alley on **MONDAY, AUG. 18th ONLY**. Keep separate from wet garbage which will be picked up by regular City garbage trucks.

C-DAY is MONDAY, AUG. 18 — Free Pick-up MONDAY ONLY!
