Jet Incident Spreads War Alarm

U. S. Officers Deny Shooting Back At Reds

WIESBADEN, GERMANY—(AP)—Two U. S. fighter pilots who were fired at by two Communist MIG-15 jets over the U. S. zone of Germany said Wednesday they were attacked without warning, but did not fire back.

Asked at a news conference why they did not shoot back in self-defense, one replied: "We'd rather not answer that question."

The two pilots gave a personal account of the shooting down Tuesday of one American jet by two Soviet-made jets from the Czech Air Force. It was the first time Red aircraft had shot down an American plane over U. S. held territory. The grave incident in the East-West cold war spread alarm over Western Europe.

Lt. Warren Brown of Henderson, Colo., parachuted to safety from his bullet-riddled Thunderbolt.

His companion, Lt. Donald G. Smith, of Marysville, Ohio, fell from the attack plane, 10 miles inside the U. S. zone near the Czechoslovak frontier, without being hit.

Well Inside U. S. Lines
Both said Brown's F-86 was hit without warning.

"We were circling back and forth about seven to 10 miles inside our line when these two planes jumped us," Smith said.

Brown, picking up the narrative, added: "The planes crossed in front of us. We started to circle to the left toward the west. One of these planes fell in behind me. He followed me for three or four circuits. I was a little bit confused as to his intentions and I tried some evasive action. The Red opened fire and hit my plane."

"It flipped over on its back and" (Continued On Page 14)

Plane Attack Draws Stern Protest Note

WASHINGTON—(AP)—The State Department announced Wednesday that Ambassador George Wadsworth has protested "in strongest terms" to the Czech government the shooting down of an American fighter plane over West Germany Tuesday.

Wadsworth, U. S. ambassador to the Communist government in Prague, sent the protest to the Czech foreign office Tuesday night. The text was dispatched here and the department made it public Wednesday.

"Under instructions of my government," Wadsworth's note said, "I have the honor to protest, in strongest terms, the action of Czechoslovak military aircraft in violating the U. S. zone of Germany and attacking U. S. military aircraft at 10:08, GMT, March 10, 1953, at 49 degrees, 25 minutes east longitude, 15 degrees, 15 minutes north latitude."

Rev. Luther Kirk

Kirk To Get D. D. Degree

The Rev. Luther Kirk, First Methodist pastor, is one of eight ministers to be awarded honorary Doctor of Divinity degrees Thursday by McMurry College, Abilene.

Mr. Kirk has served as pastor of the Midland church since January, 1951. Immediately preceding his Midland assignment, he served as superintendent of the Methodist Church's Perryton District.

Mr. Kirk was graduated from McMurry College. He was the organizing pastor of the St. John's Methodist Church, Lubbock, and also has held pastorates in Slaton and Munday.

Other ministers who will receive degrees are the Rev. F. Lee Wilshire, Albuquerque, N. M.; the Rev. Martin L. Boyd, Plainview; the Rev. Edwin Parker, Odessa; the Rev. J. Howard Crawford, Lamesa; the Rev. Orin Turner, El Paso; the Rev. L. B. Trone, Pecos, and the Rev. Tom M. Johnson, Pampa.

Fog Halts Air Traffic; More Showers Fall

A dense fog, shrouding most of East and South Texas, virtually halted state-wide air traffic Wednesday and brought almost 100 air travelers on an unexpected visit to Midland.

They were passengers on two DC-6 airliners which had to pass up scheduled landings in Dallas because of weather conditions and land at Midland Air Terminal. Their planes took off again at 9:30 a. m. when the fog lifted in the Dallas-Fort Worth area.

Most of West Texas still had partly cloudy skies Wednesday morning with Midland receiving late morning showers. Weather observers at Midland Air Terminal expected more light showers Wednesday afternoon.

While showers fell principally in South Midland shortly before noon, they also dotted the Permian Basin to prolong the effects of the early week precipitation.

Light Rain Forecast

Other parts of the state reported rain Wednesday. Light rain fell in Travis County around Austin and drizzle made nasty driving conditions over much of East Texas. Temperatures were mild. Drizzle added its annoyance at Dallas, Wichita Falls, Mineral Wells, Fort Worth, Texarkana and Ennis.

Late forecasts indicated more showers were on the way for East Texas, North Central Texas, and east portions of the Panhandle and South Plains Wednesday night.

Lufkin, with 54 inch, reported the heaviest rainfall in the state for the 24 hours ended at 6:30 a. m. Wednesday. Tyler had 48 and Waco 39.

Points reporting rainfall ranging from a trace up to a tenth of an inch included Austin, Houston, Fort Worth, Victoria, Prestidio, Childress, College Station, Mineral Wells, Junction, Marfa, Dallas, Wichita Falls and Dalhart.

Nine Missing After Tanker Blast At Sea

NEW YORK—(AP)—The Coast Guard reported Wednesday that 28 crew members of the broken Liberian tanker Angy had been rescued but that eight ship officers and the captain's wife are missing.

Three Coast Guard cutters and a plane were speeding to the storm-tossed area some 400 miles southeast of St. John's, Newfoundland, in the hope of finding the forward half of the vessel aloft with the missing persons clinging to it.

According to crew members picked off the stern section of the tanker, the vessel caught fire and exploded three days ago. The cause of the fire was not explained immediately.

The men were rescued by the tugboat *St. Lawrence*, 6,422-ton freighter *Clairborne*, bound for Cherbourg, France. Among the missing are the captain, his wife, all the mates, the radio operator and three seamen.

The tanker was under charter to the Gulf Oil Corporation. She is registered out of Monrovia, Liberia, and operated by a Greek firm, S. Lavanos & Company. She carried a crew of varied nationalities. Lavanos said the Angy was bound for Philadelphia with oil from the Persian Gulf.

Brinkerhoff Stakes Pennsylvania Test In SW Borden Area

Brinkerhoff Drilling Company has staked location for a Pennsylvania wildcat in Southwest Borden County as its No. 1 A, M. Clayton and others.

Drill site is 600 feet from south and east lines of section 42, block 22, T-4-N, R-2-E survey and eight miles northeast of the town of Vealmoor.

Rotary tools will be used to drill to projected depth of 8,000 feet, beginning at once. It is three miles northeast of the nearest production which is in the Vealmoor field.

Forest Will Drill NE Ector Wildcat

Forest Oil Corporation spotted location for a 5,500-foot wildcat in Northeast Ector County, 24 miles northwest of the city of Midland.

The well will be drilled as No. 1 Easton, 950 feet from north and east lines of section 20, block 42, T-1-N, R-2-E, G&SB survey.

Operations are to start at once. Site is 17 miles southeast of the town of Andrews and near the south line of Andrews County.

Craig Of Midland And Associates Get Colorado Gasser

Earle M. Craig, Jr., of Midland and Don Johnston Drilling Company of Oklahoma City had a commercial gas discovery at their No. 1 Paul F. Budin, Long County, Colorado County wildcat.

The prospector has shown some oil, but operator representatives do not think the oil is of any considerable quantity. It is planned to complete No. 1 Budin as a gas producer.

It has tested for a daily gas volume of 8,000,000 cubic feet from pay in the J sand topped at 5,358 feet. The gas blow was accompanied by a slight oil spray. No water has been reported.

Details Are Lacking

Total depth and other details of the strike had not been received in Midland at last report.

The wildcat is 15 miles northwest of Sterling, Colo., and two miles west of the Yenter field.

Location is 330 feet from south and west lines of lot 6, section 13, township 8 north, range 54 west.

Shell Will Drill NE Outpost To Deep Crockett Opener

Shell Oil Company has staked location for a one and one-half-mile northeast outpost to its No. 1 Kincaid, an Ellenburger gas discovery in Central-East Crockett County.

The new tester is No. 1 Friend and is located 1,980 feet from south and 980 feet from west lines of section 9B, block GH, G&SB survey.

Rotary tools will be used to drill to 8,500 feet. Operations will begin at once.

Drill site is two and one-quarter miles southeast of Ozona.

Elkhorn Extension Is In Prospect At NE Crockett Test

Texas Gulf Producing Company No. 1-K University, project in Northeast Crockett County, has indicated a one-half-mile north extension to the Elkhorn (Ellenburger) field.

Drill site was taken in the (Continued On Page Nine)

Annual Midland Livestock Show To Open Here Monday

Encouraged by this week's rainfall and pleased at the record number of entries, officials of the Midland County Livestock Association said Wednesday plans practically are complete for the staging of the annual Midland Livestock Show here Monday and Tuesday.

Robert H. Coffey, general superintendent of the show, said 104 steers, fat lambs and hogs have been entered by scores of 4-H and FFA members of the county.

The animals must be in their pens at the show grounds Sunday.

Judging of the animals will get underway at 9 a. m. Monday and will continue through the day at Midland Fair Park on East Highway 80. The animals will be on display through Monday evening, with the public invited to view them. There is no admission fee.

Sale Set Tuesday

Tuesday the scene will shift across the highway to the Midland Livestock Auction arena, where the calves, lambs and hogs will be auctioned at 1:30 p. m. Everyone is invited to attend.

Hundreds of dollars in cash prizes will be awarded the winners. Three showmanship trophies also will be presented this year for the first time.

Burvin Hines, secretary of the livestock association, said the success of the show practically has been assured by the recent rains. He predicts the most outstanding club show ever staged here.

A. O. Bohannon is president of the Midland County Livestock Association, sponsor of the show.

Copy Deadline Advanced For Oil Progress Edition

The Reporter-Telegram now is putting the final touches on its giant Petroleum Progress Edition which will be published Sunday.

It will be the most complete edition of its kind ever published in West Texas, reflecting the progress, growth and development of Midland and the Permian Basin Empire.

All of the newspaper's deadlines have been moved up for this Sunday in order to assure prompt delivery of the massive edition throughout the territory.

The society section deadline has been moved up to Friday noon; the oil section deadline to Friday night, and the classified section deadline to Saturday noon.

The Circulation Department now is accepting orders for "mail-away" copies of the Progress Edition. The orders will be filled on a "first come, first served" basis as long as the supply lasts. No telephone orders will be accepted and no extra copies will be charged to subscription accounts.

Navy Cameraman Records Wild Bomb's Flight On Film, Then Dies In Explosion

TOKYO—(AP)—A young Navy cameraman captured on film the last seconds of a wild bomb which skidded toward him down a carrier flight deck. Then he was killed as the bomb exploded.

The Navy released the story Wednesday.

Hot fragments and flames killed another man and wounded 15 more when the bomb blew up on the deck of the fast U. S. carrier *Oriskany* off Korea's east coast last Friday.

The Navy said six of the wounded still are in serious condition, but all are showing definite improvement.

The tragedy occurred when a Navy Corsair warplane returned from an air strike with one bomb still dangling from the wing. As the plane touched the flight deck, the bomb tore loose, bounced twice on the deck and exploded.

Ammunition went off. Fragments pierced the gas tanks of a jet fighter, pouring gasoline into the hangar deck.

The pilot, knocked unconscious, was rescued by an airman who dashed through the flames and explosions, cut loose the parachute harness and hoisted the flyer to safety.

The two killed were Thomas Leo McGraw, 22, photographer airman, of Theresa, N. Y., and Thomas M. Yeager, 19, aviation electrician airman, of Columbus, Ohio.

The photographer was at his station to take motion pictures of the carrier landings. When the bomb came loose, he started his camera. The camera was shattered by the explosion and McGraw was killed instantly.

The Navy said the film escaped destruction and would be released Wednesday night.

Yeager was killed by fragmentation while repairing electrical circuits of an aircraft on the deck.

The Navy Department announced that Langford William (Buddy) Henshaw, Jr., 24, of Odessa was in a "serious condition" as a result of injuries received in the explosion. Though badly wounded, Henshaw

SEEKS REMEDY—Mrs. LeRoy Hary of Monahans, Texas, watches as her nine-year-old daughter, Carla Mosley, polishes her cowgirl boots on the eve of a major operation at Boston's Children's Hospital. Carla is suffering from a serious heart ailment that could result in death unless remedied by surgery.

LATE NEWS FLASHES

AUSTIN—(AP)—Charges that Texas' auto inspection law has encouraged racketeering by garagemen was flung Wednesday as the House began debate of a bill to amend the controversial statute.

UNITED NATIONS, N. Y.—(AP)—Chief U. S. Delegate Henry Cabot Lodge, Jr., charged Wednesday that Russia's bosses have embarked on a policy of imperialism, not because of fear of aggression by any other country, but because of fear of their own people.

AUSTIN—(AP)—A House-passed Communist-control bill setting up a new loyalty oath for state employees won Senate approval Wednesday by a 28-0 vote and was sent to the governor.

Hint Of Korean Offensive Sidetracks Ammo Inquiry

WASHINGTON—(AP)—The bigger issue of whether a new United Nations offensive is planned in Korea Wednesday overshadowed a Senate investigation into reported shortages of ammunition.

The Senate Armed Services Committee called a recess in what had been billed as a showdown inquiry into the assertion by Gen. James A. Van Fleet that there had been serious shortages of some kinds of ammunition during the 22 months he commanded the Eighth Army in Korea.

The action was taken after the committee Tuesday heard Secretary of Defense Wilson say ammunition supplies have been built up sufficiently to enable the field command to embark on a "more active type of operations" if such a step should be decided upon.

The Army chief of staff, Gen. J. Lawton Collins, said "There has never been a shortage of ammunition either to repel an attack that actually developed or to conduct our own operations."

Chairman Saltonstall (R-Mass.) told newsmen: "Regardless of what has taken place, I believe we can say that the situation in Korea is good—no perfect—because it never will be."

Reserve Stocks Growing

"But the stocks of ammunition available in Korea today are adequate for the operations contemplated and are rapidly improving."

"Furthermore, the testimony is clear that the ammunition reserve stocks in this country, and in the back areas in the Far East, are rapidly growing better."

A reporter asked: "Was there any relation between the stalemated truce talks in Korea and the supplies of ammunition needed?"

"I'm sorry, I can't comment on that," Saltonstall replied after a pause.

Senator Byrd (D-Va.) said Van Fleet had not retreated on his testimony that ammunition shortages "interfered with the successful prosecution of the war in Korea and it added to the perils and fatalities of our troops."

Calling this a "national scandal," Byrd said the causes "should be cleared up immediately and those responsible reprimanded and dismissed."

Saltonstall said his committee would meet in closed session Thursday "to determine what, if any, next step it is going to take."

"Meanwhile, he said, the complete testimony would be accredited to remove military secrets and then released publicly, probably about Monday."

Red Cross Drive Total Hits \$5,289

Red Cross Fund Drive leaders Wednesday reported returns totaling \$5,289.77 at the campaign continued in all sections of the city.

W. Dave Henderson, general campaign chairman, explained that only a very few workers have made final reports to the Red Cross office. He urged the solicitors to complete their assignments and file reports as promptly as possible.

Scores of women workers, under the direction of Mrs. John Younger, were combing the residential areas for Red Cross contributions.

This phase of the drive is expected to be completed by the end of the week.

Midland County's goal this year is \$14,500, which is \$1,900 under the 1952 quota.

Request To Annex 80-Acre Area Laid Before City Council

A request for the annexation of another 80 acres to the City of Midland was laid before the City Council Tuesday night.

But the council deferred action on that as well as a request received last week to annex a 515-acre tract for Section 2 of the Permian Estates.

The 80-acre request was submitted by Attorney Richard Brooks and involves a tract lying west of the southwest corner of the present Permian Estates.

Brooks was directed to submit the request first to the city plan and zoning commission for its recommendation.

Annexation of the 515-acre tract was delayed pending a determination of new pro-rata charges for the extension of water and sewer lines by the city.

City Manager W. H. Oswald said it had been determined that the new pro-rata should be fixed at \$250 a running foot for water and \$175 for sewer lines.

No formal action was taken pending the appearance of Raymond Thompson, Sr., developer of Permian Estates.

New Water, Sewer Contracts Approved

Contracts for almost \$50,000 worth of new water and sewer lines were authorized Tuesday night by the City Council.

A major portion of the work—\$50,000 worth—was for lines in the Permian Estates addition, and the contract was awarded to Contractor Clyde Yarbrough, who submitted the lowest bid.

A contract for \$24,750 worth of water in the East Midland addition went to B. B. Hodgson of his low bid.

A smaller project, to cost an estimated \$2,400, will be undertaken by city forces.

Martin Sees Boost In Scholastics Here

The Midland school census stood at 7,229 Wednesday with Director Wesley Martin expecting the total to reach 4,750 when final statistics are compiled.

Martin made the estimate at the Board of Education meeting Tuesday night. It is 890 above last year's count of 6,000 scholastics. Ages run from six to 17 years, inclusive.

Midlanders were urged by Martin to dial Tommie Smith at 8-6589 if their children have been missed by the current tabulation. Miss Smith is census statistician.

Hamilton Declines New Bid To Board Of Education Job

District Judge R. W. Hamilton will not be a candidate for reelection to the Midland Board of Education. His decision was revealed at the monthly meeting of the board Tuesday night in the Midland High School.

Hamilton has served two terms or six years on the board. He is a former president.

John Cornwall, board president now, is not expected to ask for a second term. The district land man for the Amerasia Petroleum Corporation has indicated the decision to close friends. He remained out of the city on business Wednesday after missing Tuesday night's board meeting.

The board decided on March 14 as the final day for filing in the April 4 election. This is 20 days previous to voting time. Absentee balloting will close March 31.

Applications for places on the ballot must be filed before midnight next Saturday with Thornton Hardie, Jr., Board of Education secretary. Dr. Dorothy Wyvell and James L. Daugherty have announced as candidates.

J. Holt Jovell presided at the Tuesday night session in the absence of Cornwall.

Judge R. W. Hamilton

Tidal Waves Strike Tiny Japanese Island

TOKYO—(AP)—Twenty-foot tidal waves early Wednesday struck the tiny island of Hachijo, 150 miles south of Tokyo, the Maritime Safety Board reported.

Yomiuri newspaper reported the waves may have been caused by another eruption from the underwater Myojin volcano.

Gourmet's Feast To Start Truman Off On World Tour

BEVERLY HILLS, CALIF.—(AP)—Harry S. Truman will be able to start his world cruise on a full stomach.

The Beverly Hills Wine and Food Society will see to that on March 23, aboard the liner President Cleveland, with its stag Spring banquet. The society announced the details Wednesday.

The former president and 72 other guests will wined their appetites at the reception with a fine French champagne (Duch Perignon 34) and such rich tidbits as caviar, shrimp and pate de foie gras.

The dinner menu, with its six accompanying wines, is something for any gourmet to behold:

Missing Men May Have To Be Sealed In Abandoned Mine

EMERY, UTAH—(AP)—Two men missing in an abandoned and burning coal mine may have to be sealed inside.

Emery County Sheriff Joseph Holman said Tuesday night as weary rescue crews temporarily suspended their search.

The rescuers resumed efforts Wednesday to reach Albert Ricci, Jr., 24, Helper, Utah, and Wright M. Scott, 35, St. George, Utah, who entered the smoldering mine Monday.

The rescue crews fought cave-ins, smoke and gas, throughout Tuesday.

The mine was sealed off three years ago, following a fire. When Ricci and Scott opened the mine, circulation of air apparently caused the fire to flare up and trap them.

Sheriff Holman said if rescue operations became too dangerous the workers may have to seal the missing men inside. They had entered the diggings to look for a coal cutting machine, abandoned when the mine was sealed.

Bob Hope quipped at his testimonial dinner in New York: "I just found out why Italian

films look as realistic. They shoot 'em with a dirty camera lens."

Montgomery Clift will burst into song in "From Here to Eternity." He'll sing "The Reckless Blues." That ought to burn Frank Sinatra, who doesn't get to sing a note in the same film.

Although Cara Williams, bride of John Barrymore, Jr., claims the Barrymore tribe loves her the way she is, she says that the royal ones refer to her as "The I Don't Care Girl."

Katharine Cornell, who's always spurned movie offers, is willing to listen to reason if a studio will star her in "Florence Nightingale."

At a press conference, for "From Main Street To Broadway," the great Katharine, representing the Council of the Living Theater, sponsors of the film, told me:

"I would want another actress to play Florence as a young girl and I would want to step in as the mature woman. Let's face it, one grows older."

David O. Selznick hasn't okayed it, but there's a bustier-than-Russell picture of Jennifer Jones on the sheet-music cover of "Ruby Gentry," the new biopic song with music from the movie by Heinz Roemheld and lyrics by Mitchell Parish.

Hollywood's gone back to its quicke days when the economy slogan was: "A tree is a tree, a rock is a rock, shoot it in Griffith Park" (LA's municipal park).

"Steel Bayonets," a Korean war story starring John Ireland and Lon McCallister, has an eight-day shooting schedule. One day in the studio and seven days in Griffith Park.

Benjamin Franklin was the first U. S. postmaster general.

'ROARING' LION—Jack Y. Smith of Big Springs is being pushed by the Big Spring Lions Club as a candidate for governor of District 2-2-2, Lions International. He has held most of the offices in his club and now is serving as deputy district governor.

HIS SHINER'S GETTING BETTER

SILVER CITY, N. M.—Clinton Jencks, international representative of the Union of Mine, Mill and Smelter Workers, has dropped charges against druggist Earl Lett, who slugged him in the eye last week.

The one-blow bout occurred during a demonstration against production of the controversial movie "Salt of the Earth." Jencks said he was withdrawing assault and battery charges "to keep down trouble."

Slinky Sheath Is Newest For Evening

By GAIL DUGAS
NEA Woman's Editor

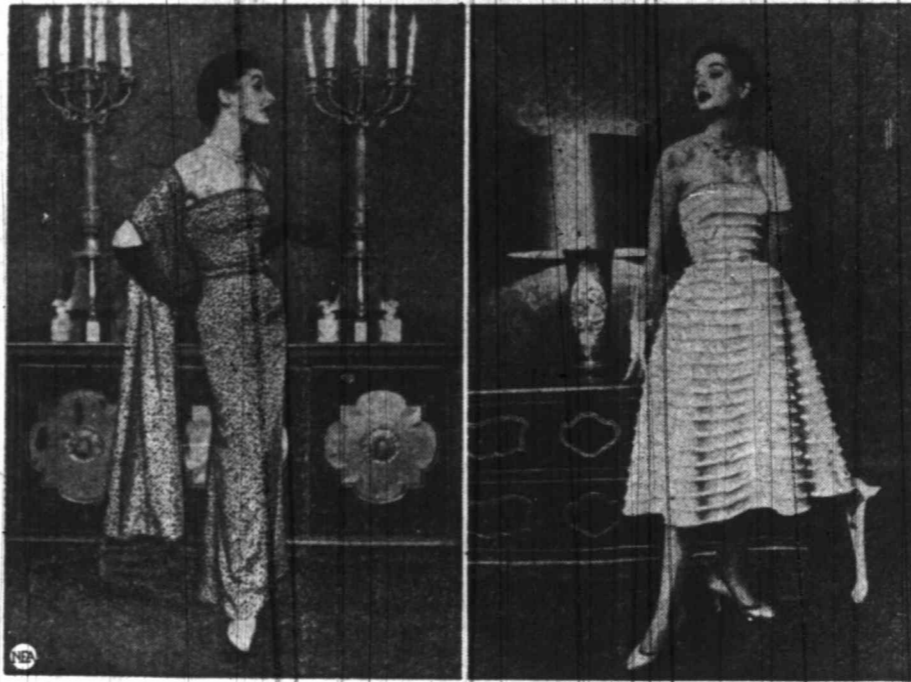

NEW YORK—For all but the most formal occasions, the choice of an evening dress is almost entirely a matter of personal taste. Those who like separates may indulge their liking. Those who prefer the wait-length evening dress may wear it, or may have nothing else for evening wear if they prefer.

Added to the separates, the formal, full-length gown and the wait-length dress is the long, slinky sheath that clings to the figure. Because it's new, it has fashion impact. It looks very different to eyes which have become accustomed to full and floating skirts. But it does demand near-perfection from the figure that wears it.

This figure should be slim, though not necessarily pencil-skinny. It should be a figure inclined to willowy tallness. Otherwise, this sheath loses its impact and becomes just something else to put on.

We show here two new dresses for a Spring evening. The slinky sheath, left, is by Adele Simpson. It's a real siren. A black-and-white abstract print zigzags over pure silk surah that's studded with rhinestones. These catch and reflect winking candle flames or the brilliance of steady light.

The skirt has a modified trumpet flare for easier movement. There's a stole with a loop at one end to slip

over an arm. The other end of the stole is banded in black fox. Altogether, this is a dress exacting to wear but high in its rewards for the slim figure.

The wait-length dress for late day into evening, right, is white straw braid lace over pink taffeta, and over erinoline. This is strapless, simple of cut, taking its pretty look from its delicate coloring. Designed by Harvey Berin, it has a fairly full skirt and therefore, is not so demanding of the figure.

SOCIETY

THE MIDLAND REPORTER-TELEGRAM, WEDNESDAY, MARCH 11, 1953-3

Bellview WMU Circles Meet For Programs

Circles of the Bellview Baptist Women's Missionary Union met Monday for mission programs.

"Women Missionaries" was the topic when the Oleta Snell Circle met in the home of Mrs. Joy James, 1117 East Hickory Street. Opening and closing prayers were given by Mrs. J. H. Goins and Mrs. C. R. Mote.

Others present were Mrs. Hershel Murff, Mrs. C. D. Robertson, Mrs. Ar Dee Morgan, Mrs. B. G. Patterson, Mrs. Tom Hale, Mrs. H. B. Taylor, Mrs. Nora Lauderdale, Mrs. L. P. Presley and a guest, Mrs. Emma Guinn.

The Mary Nell Patterson Circle met in the home of Mrs. Frank Hutchison, 408 East Ecan Street, for a round-table discussion on Baptist doctrines. Mrs. R. O. Walker gave the scripture.

Others present were Mrs. J. D. Conner, Mrs. N. L. Carter, Mrs. Ada Morgan, Mrs. Mary Breed, Mrs. C. D. Wilson, Mrs. Harrel Hipps and Mrs. Amel Jones.

BAND AIDES TO MEET

The Band Aides will meet at 7:30 p.m. Thursday in the band hall. The band will play some of the numbers it is preparing for the Highlander Festival in Dallas.

Organization Divides Into Two Circles

The Morning Circle of the St. Andrews Presbyterian Church divided into two circles Tuesday for future meetings.

Mrs. Hal Sehnert was named leader of Circle 1 and Mrs. William Caldwell, Circle 2 leader. Mrs. Francis Carroll gave the Bible lesson and Mrs. Charles Gaylord presented the survey article, "How Do You Witness for Christ?"

Others attending were Mrs. James Grimes, Mrs. Edward Jehni, Mrs. Donald Crookham, Mrs. Ward Howser, Mrs. James Warren, Mrs. Lewis Watersiret, Mrs. John Kerschner, Mrs. Harry McClintock, Mrs. C. N. Spivey and Mrs. William Witt.

CRISCO'S FANCY FRIDAY FARE

Fish as below	Crisco for frying
Flour	Eggs
Milk	Fine bread crumbs

BUTTERFLY SHRIMP—1 lb. shrimp
Remove shell, except on tail. Remove vein, cut half through each shrimp. Beat 1 egg, add 1/4 cup milk, 3 tbsp. melted Crisco. Mix 1/2 cup sifted flour with 1/4 tsp. salt, 3 tsp. sugar. Add to liquid ingredients, beat smooth. Dip shrimp in mixture, drain. Fry 2 to 3 mins. in deep Crisco heated to 365°F. (1" square of bread browns in 60 secs.)

FRENCH FRIED OYSTERS—1 lb. oysters
Drain oysters. Dip first in catsup, then in salted flour, then in egg beaten with 2-tbsp. water, and finally in fine bread crumbs. Deep fry for 2 to 3 mins. in Crisco heated to 365°F.

FISH FILLET STRIPS—1 lb. fillets
Cut fish in narrow strips. Dip in flour, then in egg beaten with 2-tbsp. water, then in fine bread crumbs. Melt 6-tbsp. Crisco in 9" skillet. Pan fry over low heat till golden brown. (May also be deep fried.)

SAUTEED SCALLOPS—1 lb. scallops
Heavily coat scallops with salted flour. Melt 6-tbsp. Crisco in 9" frying pan. Fry over low heat till delicately browned. (May also be deep fried.)

WHEN FOLKS RAVE about the delicate, sweet flavor of fried fish—are they talking about the kind you fry? Probably not, if you're using an ordinary frying fat that has an odor and flavor of its own. Such fat tends to drown out delicate flavor—may even give food a greasy flavor.

But oh, what a delicious difference when you change to new Crisco for frying! All-vegetable Crisco is so pure, so fresh, it lets the good, natural flavor of foods come

through while it browns them to perfection. For new Crisco is different! It looks whiter, it's creamier than any other leading vegetable shortening. Smells fresh and sweet—keeps fresh without refrigeration.

Yes, when you start to fry foods crisp and tender in new Crisco, they'll be lighter, better tasting, better for you. Crisco itself is digestible. And 9 out of 10 doctors say Crisco-fried foods are easy to digest. Start now to fry with new Crisco!

Fry with new **Crisco** it's digestible

All The Li'l Orphan Needs Is Someone To Love Her

Crucible Of Public Opinion

The problem of secrecy in the framing of high government policy has been posed once again, in acute form, by the Eisenhower Administration.

The President himself is responsible for this development. He has declared in deadly earnest that there shall be no leaks of information from top level conferences at the White House or in key agencies.

Despite his edict, leaks have occurred. But for the most part the lid has been clamped down with surprising effectiveness.

The question is: Is this good? Is it genuinely in the public interest that no inkling shall be had of important new policies when they are in the formative stage?

A good many responsible members of the press think it is not. They believe that in many matters it is too late for sensible debate when a policy formally is announced and ready for carrying out.

For instance, many observers thought that we plunged into the making of the H-bomb with shockingly insufficient public discussion of both the moral and the military aspects.

Of course, this being a free country, there is nothing to prevent debate subsequent to policy announcements. But often it is not in time to forestall action that might in the broad view be ill-considered.

It is much better, say the advocates of less secrecy in the early phases, to weigh the pros and cons before policy formally is fixed.

The argument on the other side is, for one thing, that security frequently makes wide public discussion of major issues utterly impractical.

The defenders of secrecy say further that public attention on plans in their formative stage sorely handicaps the whole task of policy-making.

Undoubtedly there is solid merit in this contention. But is a point that plainly can be carried too far.

By this means the Administration would be able to test its chief ideas quickly in the crucible of public opinion, minimizing the prospect of serious error and of damage to the American leadership which is so vital to the free world.

The Washington Merry-Go-Round

By Drew Pearson

Drew Pearson says: Eric Johnston found Malenkov a silent luncheon companion; Stalin told Johnston that he alone made decisions; Ike confesses poor golf game to congressmen.

WASHINGTON — Probably the only American who ever lunched with Georgi Malenkov, new dictator of Russia, is Eric Johnston, head of the motion picture industry.

Johnston found the new dictator a man with a handshake like a sponge, who disliked the West, and sat through the entire meal almost without saying a word.

Johnston sat beside Malenkov at a luncheon given in his honor by the Soviet Council of Trade.

Johnston found the new dictator a man with a handshake like a sponge, who disliked the West, and sat through the entire meal almost without saying a word.

JACOBY ON BRIDGE

By OSWALD JACOBY

Written for NEA Service

Today's hand is taken from the Intercollegiate Bridge Tournament...

The bidding is reasonable enough. South cannot quite venture a free bid over East's heart overall, but...

Bridge bidding chart showing North, South, East, and West cards and bids.

when North reopens the bidding with a takeout double, South must jump to two spades to show that his hand is far from worthless.

North needs no further encouragement. From his point of view there should be a good play for game if South has as little as a five-card spade suit to something like the queen, with a king on the side.

West makes the perfectly normal opening of the fourth best heart, and East wins the first trick with the queen of hearts. It is now up to East to be a hero.

If East pussyfoots by returning his singleton trump or another heart, declarer will easily make the contract. If East returns the ace of hearts, for example, dummy ruff and declarer draws two rounds of trumps with the king and the ace.

At this point there is nothing that East can do to defeat the contract. South will surely be able to discard on dummy's long clubs, and the defenders will get only one heart, one trump, and one club trick.

There is a different story to tell if East is a hero at the second trick. He must lead a diamond up to dummy's ace-queen.

Now South cannot make the contract. Declarer draws two rounds of trumps with the king and ace, after which he takes the club finesse to East's king. East promptly returns another diamond, thus forcing a re-evaluation.

Before declarer can obtain a discard on dummy's club, West will get in with his queen of trumps in time to cash a diamond trick. The diamond trick, thus quickly established and cashed, is the setting trick.

Opposition is clear. It is in his speeches on the floor of the House, however, that Representative Cole made clear his position to public housing. In June, 1949, he made this statement:

Before declarer can obtain a discard on dummy's club, West will get in with his queen of trumps in time to cash a diamond trick.

Of a Texas county official, a stump speaker declared, "His books may not balance but his heart beats warmly for his native State."

A politician entering an elevator in Austin as another "statesman" was getting out, asked, "How are you doing—and who?"

Man's need for better knowledge of himself has never been more urgently demonstrated than by the demands of today's social problems.

I will stay here (in Mexico) until all this is settled. Then I want to go and live in Spain for a while. That's as far as my plans go.

We can't count on expansion of production without stability of income to farmers.

Man's need for better knowledge of himself has never been more urgently demonstrated than by the demands of today's social problems.

WASHINGTON COLUMN

Cole Turns Cold Eye Toward Democrats' Housing Programs

By PETER EDSON

WASHINGTON—An extremely cold and fishy eye on the multi-million-dollar federal housing programs of the Democratic Administration is expected if former Republican Congressman Albert M. Cole of Kansas is confirmed as administrator of the Housing and Home Finance Agency.

This is indicated by Cole's voting record in Congress on housing legislation, and by excerpts from many of his speeches on the floor of the House of Representatives.

While some of the public housing lobbies and the labor organizations are preparing to oppose the Cole appointment by President Eisenhower, there is little doubt about confirmation by the Senate.

Furthermore, Representative Cole has the backing of Kansas Senator Frank Carlson, who is close to the President. Cole's appointment also was urged by the real estate, home builders and mortgage bankers organizations, because of his record on housing legislation.

Cole's voting record on housing bills is as follows: June, 1949—Voted for the Rees amendment to kill public housing in the Housing Act of 1949.

June, 1949—Voted against the Housing Act as a whole. (It passed the House, 238 to 185.)

May, 1951—Voted for the Gossett amendment to reduce public housing starts to 5,000 units a year. (It passed, 181 to 113.)

August, 1951—Voted to recommit Independent Offices Appropriation bill with instructions to reduce public housing starts to 5,000 units. (Bill defeated, 206 to 169.)

March, 1952—Voted for the Fisher amendment to reduce public housing starts to 5,000 units in fiscal 1953. (Passed, 192 to 158.)

June, 1952—Voted to recommit Independent Offices Appropriation bill with instructions to reduce public housing starts to 5,000 units in fiscal 1953. (Passed, 192 to 158.)

On a second vote to recommit this bill in July, Representative Cole was recorded as not voting. (The bill was defeated, 193 to 160.)

It is in his speeches on the floor of the House, however, that Representative Cole made clear his position to public housing. In June, 1949, he made this statement:

Before declarer can obtain a discard on dummy's club, West will get in with his queen of trumps in time to cash a diamond trick.

Of a Texas county official, a stump speaker declared, "His books may not balance but his heart beats warmly for his native State."

A politician entering an elevator in Austin as another "statesman" was getting out, asked, "How are you doing—and who?"

Man's need for better knowledge of himself has never been more urgently demonstrated than by the demands of today's social problems.

I will stay here (in Mexico) until all this is settled. Then I want to go and live in Spain for a while. That's as far as my plans go.

We can't count on expansion of production without stability of income to farmers.

Spiritual Diary for Lent

Is not this the carpenter's son?—Matthew 13:55.

Today's Message

A man is best known by his occupation. It is equally true that while a man is making his occupation he is making a man. It is good when we are able to say, "He was a good man," but it is far better to be able to say, "He was a good carpenter."

The first essential for a good carpenter is a constructive imagination, which is, in turn, the first essential for constructive morals. The man who is able to draw up a plan and interpret a blueprint is in position to plan a life in harmony with God's blueprint for man's future. The man who knows his framework square is in position to recognize principles of right conduct. The man who is known as a finished workman is in position to know the stages of life's completeness and how and when to begin again.

Today is a time of destruction. The world is calling up the sons of her soldiers. To whom shall we look for a future? Who will be able to assemble and build a new order out of the vestiges of a broken civilization? Once a decaying world learned a way of preservation from "the carpenter's son."

Today's Prayer

O, God, direct our minds to the plan and our hands to the works of "the carpenter's son." Amen.

(From "The Spiritual Diary," published by Austin-Phelps, Inc., Copyright 1961, by Bennie Caroline Hall, Editor. Distributed by NEA Service.)

First Baptist WMU Discusses Study, 'Adventuring With God'

"Adventuring With God" was the mission topic when the First Baptist Woman's Missionary Union met in circles Monday and Tuesday.

The Lottie Moon Circle met in the home of Mrs. Ann Graham. Mrs. Sam Wood gave the opening prayer and Mrs. Guy Russell, the devotion.

Concordia Chorus Concert Is Set Wednesday Night

Time for the Concordia Seminary Chorus concert, Wednesday night has been set for 7 p.m. It was announced by the Rev. G. C. Becker, pastor of the Grace Lutheran Church.

The concert is to be held in the Midland High School Auditorium and is sponsored by Lutheran laymen of Midland, Big Spring, Odessa, Monahan and Peecos.

Well-known throughout the United States and sections of Canada, the chorus is composed of 40 theological students of the Concordia Seminary in Spangfield, Ill. It has become familiar to many persons through the International Lutheran Hour broadcast.

Director is Fred L. Precht, a professor in the seminary.

Tickets for the concert will be available at the door Wednesday night. They are 60 cents for children through the age of 12 and \$1.20 for adults.

Girl Scouts Plan For P-TA Program

A program and work sessions were highlights of two Girl Scout meetings.

Intermediate Troop 22 met Monday in the Little House to work on a nature project and discuss badges. Mrs. J. W. Dorman is the leader and Mrs. L. Ingram the assistant leader.

Plans for a program to be given for the Lamar Parent-Teacher Association were made when Brownie Troop 75 met. Plans also were discussed for the Girl Scout Cookie Sale and refreshments were served by Nancy Beshear. Mrs. Frank Paup is the troop leader.

Radio Group Names Herndon On Panel

W. H. Herndon of the Western Company was named recently as a member of the engineering committee in the newly-formed Special Industrial Radio Service Association.

The group has a membership of industrial radio users. It was created to prevent encroachment upon the frequencies assigned to members, to expand these frequencies for future needs, and to coordinate the assignment of frequencies among the group. It will advise also the Federal Communications Commission on rules governing the service.

Lumbering Resumed In Malayan Forest

KUALA LUMPUR (AP)—Malaya's lumber industry, suspended shortly after the Communists rebelled in June, 1948, is to be resumed shortly.

The Malayan government has ordered four large tractors from the United States in the first move to mechanize the industry.

Thinking About New Draperies? We have just received samples of the very newest patterns and designs in a varied selection of fine fabrics from America's outstanding mills. "We can save you money on your yardage" or if you prefer us, do the job to the finished stage. Our work is delicately and carefully hand done, and guaranteed by Mrs. Louise Baskerville, who is highly experienced in this profession and does our work exclusively. JOY KING. Antiques and Interiors 3610 West Wall Dial 2-7729

Mrs. Neill Elected President

Mrs. Ernest Neill was elected president of the West Elementary Parent-Teacher Association Tuesday at a meeting in the school auditorium.

Other officers named were Mrs. Max Hendricks, first vice president; Mrs. Clifton L. Braswell, second vice president; Mrs. A. W. Wood, secretary, and Mrs. Farnell Hearin, treasurer.

The following program was presented by the Girl Scouts: Flag ceremony and devotional. Troop 24 led by Mrs. Walton Cates; Brownie promise and Smile Song by all Brownsies; The Duck Song, Troop 65 led by Mrs. W. A. Dunin; Skit on the cookie sale, Troop 49 led by Mrs. W. G. Moxey; The Kokoa Bird Song, Troop 49 led by Mrs. Tom Sealy and Mrs. H. Y. McClure, and several songs and dances, Troop 64 led by Mrs. James Windham.

Patti Peck, of Troop 43 led by Mrs. Hal Peck, was the announcer. During the business session Mrs. R. N. Hillin spoke on the need for a YMCA and a YWCA in Midland.

MCT Play To Open On Thursday Night

Thursday has been set as the time for the opening performance of the Midland Community Theater's production of John Van Drieten's fantasy, "Bell Book and Candle."

Coming Events

THURSDAY

The La Merienda Bridge Club will meet at 1:30 p.m. in the Ranch House. Mrs. Louis A. Bartha and Mrs. W. G. McCampbell will be hostesses.

The Midland Camera Club will meet at 7:30 p.m. in the Palette Club Studio, 604 North Colorado Street.

The Welcome Wagon Garden Club will meet at 9:30 a.m. in the home of Mrs. Jim Mundy, 606 West Cowden Street.

The Ranchland Hill Country Club will have a buffet supper and games for members and their guests.

The St. Ann's Mothers Club will meet at 8 p.m. in the school hall.

The Midland Country Club will have family night. Dinner will start at 6:15 p.m.; movies will be shown at 7, and games will start at 8:15 p.m.

The 400 Club will meet at 2 p.m. in the home of Mrs. Joseph Turpin, 415 East Maple Street.

The Nydia Club will meet at 7:30 p.m. in the home of Mrs. J. B. McCoy, 1405 West Illinois Street.

The Girls' Choir of the First Methodist Church will practice at 4:15 p.m. Intermediate Fun Night will be held at 7:30 p.m.

The Ruth Class of the First Baptist Church will hold a covered dish luncheon at 12 noon in the home of Mrs. Charles Mathews, 2510 Country Club Drive, with Mrs. Wesley Martin as co-hostess.

The Altrusa Club will meet at 12 noon in the private dining room of Hotel Scharbauer.

The Band Aides will meet at 7:30 p.m. in the band hall. The band will play some of the numbers it is preparing for the Highlander Festival in Dallas.

The Ladies Golf Association of the Midland Country Club will have a luncheon at 1 p.m. in the clubhouse. Following the meal Mrs. McGrew will give point-count bridge lessons. All club members are invited to attend. Those who have not been contacted should telephone Mrs. Roger Cummings at 2-1949 or Mrs. Dell Taylor at 3-3443. Hostesses will be Mrs. John Redfern and Mrs. Edmund Borya.

The Terminal Library's Children's Story Hour will meet at 4 p.m. in the library.

The Midland County Home Demonstration Council will meet at 2 p.m. in the county courthouse.

Fun Night for Junior High School students of the First Baptist Church will be held at 7 p.m. in the recreation hall.

FRIDAY The Alpha Chi Omega Alumnae Association will meet at 2 p.m. in the home of Mrs. Robert Zinke, 115 East Cowden Street. Officers will be elected.

The League of Women Voters will meet at 1 p.m. in the Blue Star Inn. A skit will be presented on the local budget. Mrs. Clyde Sharzer will be in charge.

The Children's Story Hour will be held at 10:30 a.m. in the children's room of the Midland County Library. The Story Hour at the Dunbar Branch will be held at 11 a.m.

Beta Sigma Phi Exemplar Group Honors Rushes With Dinner

A St. Patrick's Day motif was featured when the Xi Alpha Mu Chapter, Beta Sigma Phi Sorority, held a progressive dinner Monday.

The dinner opened the chapters' rush parties for Midland Beta Sigma Phi who have been members of the sorority for four or more years and are eligible for an exemplar chapter.

Chapter members and guests met in the home of Billie Walker, 406 East Cedar Street, where cocktails were served. They had salad in the home of Mrs. R. L. Maddox, 423 East Pine Street, and the main course in the home of Mrs. Charles Reeder, 507 North San Angelo Street.

A game period followed the dinner, served in the home of the sponsor, Mrs. Sam Preston, 1404 Princeton Street. Sarah Johnson, chapter president, welcomed the guests.

White flowers, green and white candles and green cloths were featured in table settings in the various homes. St. Patrick name tags and placecards also were used.

Plate favors were miniature "memory books" reminding the rushes of the chapter's model meeting to be held March 17-18 in Reeder's home.

Guests named: Mrs. W. B. Z. German, Jr., Mrs. Tom Campbell and Mrs. E. A. Pierce. Mrs. Clyde McHargue left the opening meditation.

Mrs. David Smith of Paducah, Tex., was a guest. Other members present were Mrs. E. D. Riddle, Mrs. S. P. Hall, Mrs. C. W. Sloan, Mrs. Jerry Sides, Mrs. Ella Ragdsdale, Mrs. R. E. Dupuy, Mrs. Wade Heath, Mrs. Howard King, Mrs. R. H. Massey, Mrs. Wayne Moore, Mrs. Harry Douglas and Mrs. E. A. Jordan.

Mrs. Morris E. Donaldson, a member at large, also was a guest. Other members of the hostess chapter present were Mrs. A. R. Aytes, Dee Ann Barlow, Reta Beights, Mrs. Don DeBerry, Mrs. W. S. Ketch, Jr., Mrs. Jim Tidmore and Mrs. N. R. Hudgins.

619 Parents Visit San Jacinto School

A total of 619 parents visited the San Jacinto School when it observed Texas School week in cooperation with the Parent-Teacher Association. Mrs. J. B. Elder, P-TA president, said.

Rooms with the largest per cent of parents visiting the school were Mrs. L. J. Epperson's eighth grade, first; Betty Bollman's seventh grade, second; and Helen Arnold's eighth grade, third.

The prize is to be a movie arranged by the P-TA. Room mothers assisted as hostesses in the school and in providing transportation. Several civic clubs held luncheons in the school cafeteria during the observance.

Mrs. Wells Gives Program For GA

Mrs. H. A. Wells was the guest speaker when the Intermediate Girls Auxiliary of the Calvary Baptist Church met in the home of the sponsor, Mrs. W. A. Lumpkin, 1401 West Holloway Street.

The speaker, who is president of the church's Women's Missionary Union, discussed home mission fields. Mrs. E. A. Bowman, WMU community missions chairman, spoke on projects in which the girls will participate.

Members attending were Wanda Jean Woods, Shirley Martin, Janet Williams, Betty Bond, May Fern Sorge, Betty Sue Bowman, Diane Burnside, Betty Lumpkin, Jane C-imes, Sylvia Grimes, Carolyn Beatty and Barbara Wells.

Naguib Belittles Truman Policies

CAIRO, EGYPT (AP)—Expressing hope that President Eisenhower will seek Arab friendship, Premier Maj. Gen. Mohammed Naguib told an interviewer Tuesday night America's Middle East policy under President Truman was misguided.

Naguib in an interview with the Egyptian news agency described the Truman policy in the Middle East as one of "naked support to Israel and imperialism," of "doing the bidding of Britain, Israel or France."

The mercury column in fever thermometers is about one-tenth the breadth of a human hair.

CWF Members Discuss Plans For Projects

Project plans and reports were a highlight of the meeting of the Christian Women's Fellowship Monday afternoon in the First Christian Church.

Mrs. B. H. Spaw, social service chairman, reported that 140 pounds of used clothing have been sent to Hazel Green, Ky. A report on the current visitation campaign was made by Mrs. E. R. Woolfolk, Mrs. C. R. Webb and Mrs. John Coulter.

It was announced that Mrs. C. F. Webb will review the study book, "African Heritage," by Dr. Emory Ross at a luncheon meeting at 1 p.m. Monday in the church. Members will bring Easter clothing to be sent to the Juliette Fowles home and towels and wash cloths for Harwell Hall.

Plans were discussed for the Texas State Convention of the Christian Church to be held April 20-23 in Hubcock. The women's session and banquet are to be held on the afternoon and night of April 23.

A report was heard on the group's project of selling the Standard Revised Version of the Bible. It was announced that persons wishing to purchase a copy can call the church office.

A lesson continuing the CWF study on Africa was led by Mrs. W. B. Z. German, Jr., Mrs. Tom Campbell and Mrs. E. A. Pierce. Mrs. Clyde McHargue left the opening meditation.

Mrs. David Smith of Paducah, Tex., was a guest. Other members present were Mrs. E. D. Riddle, Mrs. S. P. Hall, Mrs. C. W. Sloan, Mrs. Jerry Sides, Mrs. Ella Ragdsdale, Mrs. R. E. Dupuy, Mrs. Wade Heath, Mrs. Howard King, Mrs. R. H. Massey, Mrs. Wayne Moore, Mrs. Harry Douglas and Mrs. E. A. Jordan.

Mrs. Faulkner Gives Program

Mrs. Ford Faulkner led the Bible study when the Calvary Baptist Women's Missionary Union met Monday in the church.

Others present were Mrs. C. R. Watson, Mrs. J. T. Meeks, Mrs. E. L. Mason, Mrs. W. R. Mason, Mrs. J. B. Littrell, Mrs. J. H. Beatty, Mrs. C. M. Edwards, Mrs. Frank Hardie, Mrs. W. G. Flogroney.

Mrs. Chester McPeak, Mrs. Preston Vest, Mrs. Vern Watkins, Mrs. I. E. Collins, Mrs. Methyl Martin, Mrs. Gail Hudson, Mrs. Claude St. John, Mrs. Hayden Conine, Mrs. Glynis Stewart, Mrs. Jerry Drinkard, Mrs. G. D. Johnson and Mrs. H. A. Wells.

ALTRUSA TO MEET

The Altrusa Club will meet at 12 noon Thursday in the private dining room of Hotel Scharbauer.

"Hot Flashes" Stopped or strikingly relieved

In 63-80% of cases in doctors' tests... If you're miserable from the "hot flashes" and accompanying irritability, restlessness, "change of life" — you may be suffering unnecessarily!

"For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functional symptoms as nervousness, irritability, and headache. The women tested... Complete relief of hot flashes!

Yes! Research has proved these medicine thoroughly modern in action... has shown how to look for relief from such distressing, nervous, "out of sorts" feelings as "hot flashes" — you actually wash it off with water! And so dry, drawn feeling after "cream-wash" is now smooth and fresh! It's now smooth on base.

Evening: 2. "Cream-wash" again with medicated Noxzema. See how it washes away make-up, dirt. 4. Apply Noxzema as night cream to help soften, smooth. Put a bit extra over any blemishes to help heal them — fast! It's medicated!

LOOK LOVELIER OFFER 40¢ NOXZEMA for only 29¢! Try doctor's home facial! Look lovelier in 10 days—or your money back!

Have you been longing for a complexion that wins compliments—that looks softer, smoother? Then try this Noxzema Home Beauty Routine. It was developed by a great skin doctor with graceless, medicated Noxzema. And in clinical tests, it helped 4 out of 5 women with skin problems to have lovelier-looking skin. Noxzema works or money back! No matter how many other creams you have used, try Noxzema. This graceless beauty cream is a medicated formula. That's one secret of Noxzema's amazing effectiveness. Try it for 10 days. If you are not delighted with results, return jar to Noxzema, Baltimore, Md. Your money back! This advantage of Look Lovelier Offer below—limited time only!—is irrevocably secured.

look lovelier offer! 40¢ NOXZEMA only 29¢! 1. use trial jar—see how much lovelier it helps skin look. 2. then save money by getting 4oz. jar 10¢ less than 49¢ plus tax! (Drug or cosmetic counters.)

Daddy Ringtail

Daddy Ringtail and My Name Is Hornblower

Daddy Ringtail, your monkey friend, and the Huffen Puffen, the friendly wolf, live far away in the Great Forest. One day as they walked along the Elephant Path, they met a strange monkey who said his name was Hornblower.

Daddy Ringtail looked at the stovepipe hat the stranger was wearing. I mean the stranger who said his name was Hornblower. The Huffen, too, looked at the stranger's stovepipe hat.

"Why, your name can't be Hornblower," said Daddy Ringtail to the stranger.

"No!" asked the stranger.

"No indeed," said the Huffen. "Your name just can't be Hornblower."

"Because you don't have a horn," Daddy Ringtail explained to the stranger.

"But you do have a stovepipe hat," said the Huffen, "and so your name must be Mr. Stovepipe."

"That's it!" said Daddy Ringtail. "His name is Stovepipe."

"Mercy me!" said the stranger who had always thought his name was

Stovepipe. His name wasn't really Stovepipe, they both told him.

"Oh yes my name is too Stovepipe," the stranger insisted. He explained that Daddy Ringtail had said a while ago. He did have a stovepipe hat, and he didn't have a horn, and so his name couldn't be Mr. Hornblower. It had to be Mr. Stovepipe, and the man started to hurry away again to tell his wife their name was really Stovepipe.

"Stop!" said Daddy Ringtail. "We were only teasing."

"That we were, we were," said the Huffen. "Only teasing."

But the man insisted they had been right all along. His name couldn't be Hornblower, the man said, because he didn't have a horn. The man was quite, quite sure, now, that his name was really Stovepipe.

The man started again to hurry away to tell his wife, and again Daddy Ringtail stopped him. The Huffen stopped him too. They begged him please, please to understand how his name was really Hornblower, and so the man said he would. He said he had only been teasing himself when he said his name was not Hornblower. Happy day.

The Amish, who have several fairly large centers in the United States, are believed to have split away from the Mennonites, a related religious sect in Europe between 1693 and 1697.

Indignant General Denies Artillery 'Show' Charges

WIFE 7th DIVISION, KOREA
The commanding general of the U. S. 7th Division Wednesday termed "ridiculous" a statement that his division had put on artillery "shows" for visitors.

"I don't put on shows. The suggestion itself is ridiculous," said Maj. Gen. Wayne G. Smith. It was his only comment on a Louisville (Ky.) Times story which quoted a former artillery officer with the Seventh as saying hundreds of artillery shells had been fired in "shows" for visiting congressmen, generals and correspondents.

There was no comment on the story from Eighth Army headquarters at Seoul. The Louisville Times story identified the ex-Army officer as Garnett Dick of Louisville, a former lieutenant colonel who commanded the 57th Artillery Battalion with the 7th Division on the Central Front from April 6 to November 13 last year.

Training Missions
A 7th Division spokesman, Maj. Stanley R. Brookley, Jr., Wednesday said the Army "from time to time fires artillery test and training missions to train artillery officers and men. Such training missions are called for by Army directives. These training missions would be fired regardless of whether there were visiting dignitaries in the area."

Dick said the targets for the shows were on forward slopes of Chinese-held hills where any enemy troops on that side in daylight would be in bunkers. He said shell fragments would have little effect on such bunkers. He said concentrations of artillery were fired at such targets.

The division spokesman said Wednesday: "Where we can select remunerative targets, we naturally do so, thus killing two birds with one stone. Where such a situation does not exist, however, we select targets that lend themselves to the

training missions. "Such targets must be in the open and clearly visible so that the results and effectiveness of the test fire can be properly evaluated. Without careful observation and evaluation, the mission would not be effective in training artillerymen and officers."

Italian Court Rejects AOIC Claim To Iranian Oil Cargo

VENICE, ITALY—An Italian court ruled Wednesday against Britain's Anglo-Iranian Oil Company in its fight to gain possession of 4,000 tons of Iranian oil brought here by the tanker Miriella.

The court found that the Supor Company of Rome, charterers of the Miriella, had purchased the oil legally from the Iranian National Oil Company. The tribunal ordered the immediate release of the oil to Supor.

The court rejected the AOIC's request that the oil be sequestered. It had been impounded pending the tribunal's decision.

Claiming ownership of the Miriella's cargo, the British company contended Iran's government illegally had expropriated and nationalized the company's fleet holdings in Southern Iran.

The decision presumably opens the way for continued Italian imports of Iranian oil from the rich Persian fields.

In Rome, a spokesman for Anglo-Iranian indicated his company considers Wednesday's decision as only the loss of one round in what promises to be a long legal battle. He said the company had not yet decided its next step.

The tanker's cargo had been impounded here almost immediately after its arrival, when the AOIC filed suit demanding possession of it.

The Venice decision presumably will be viewed in Iran as new support for Premier Mohammed Mossadegh in his long-dockered negotiations with Britain and the United States over AOIC's claims to compensation for its nationalized holdings.

be effective in training artillerymen and officers. "These training missions in Korea are the same kind of training missions that are fired regularly in the U. S. to train artillery officers and gunners."

They Get 'E' For 'Effort'

TULSA, OKLA.—Eleven members of a Red Cross first aid training class, busily wrapping each other in bandages, Tuesday, had a rare opportunity.

Four automobiles collided in front of the church where the class was in progress. The ladies grabbed their equipment and began searching for victims.

"They found one—a member of the class who was serving lemonade and diagnosed her injured leg as a compound fracture. Slits were applied and the women stood proudly by as an ambulance arrived.

Doctors later said the leg was only bruised, but praised the splinting job.

Ennis TSCW Co-ed Named Cotton Queen

DENTON—(P)—Martha Jane McBrierty of Ennis, junior at Texas State College for Women, will reign a cotton queen at Texas A&M College April 21.

Her election was announced Tuesday.

Man's Death Traced To Fight At Tavern

DALLAS—(P)—An autopsy report Tuesday revealed Paul Beverly Cairnes, 37, Arlington garage service manager, died from a blow on the head following a tavern fight at Arlington early Sunday.

His body was found in a car in a Dallas tourist court.

Food Cheaper Than Vitamin Pills, Says Medical Expert

LOS ANGELES—(P)—High-potency vitamins and "shotgun" doses of such food supplements as iron, molybdenum and other minerals may be a waste of money in some cases, says a leading blood specialist.

"People would do better to buy meat and vegetables in the grocery store," said Dr. Maxwell M. Wintrobe, hematologist from Salt Lake City, Utah. "Persons of normal appetite or even slightly sub-normal appetite will get all of these substances they need in the foods they eat."

"Nowadays a person has to be pretty hard up or a fastid to develop a nutritional deficiency," Wintrobe addressed the convention of the Alumni Association, College of Medical Evangelists. He also served Tuesday as moderator of a convention panel on common errors in diagnosis. The college, a large medical school west of Chicago, is operated by the Seventh Day Adventist church.

There is no justification, said Wintrobe, for the general use of such substances as vitamin B-12, ascorbic acid and copper, found in the all-inclusive or "shotgun" type of supplement tablets. The popular acceptance of super-vitamin and food supplement pills, he added, "has led to the manufacture of capsules so large they are actually hard to swallow."

Menard Services Set For Daughter Of Midland Woman

MENARD—Mrs. Mattie Ellis Scott, 52, daughter of Mrs. Easter Ellis, Midland, died Tuesday in a Fort Stockton hospital after an illness of more than three months. She was a resident of Marathon.

Mrs. Scott was born April 1, 1893, in Menard. She lived here until 1946, when she moved to Marathon.

Funeral services were scheduled at 2:30 p.m. Wednesday in the Mission Funeral Home here. The Rev. J. C. Wade, pastor of the First Methodist, and Estes Ellis of Immaculate.

Other survivors besides the mother include two sisters, Mrs. F. M. Chriesman of Fort Stockton and Mrs. W. O. Deaton of Ozona; three brothers, Ben of Alpine, Resman of Midland, and Estes Ellis of Imperial, Calif.

Palbearers selected were Jim Wyatt, Andy Wyatt, Wyatt Byer, Ray Durgan, Amour Harney and Bennie Bradford, all of Menard.

Think You're Eatin' Well? Then Thank American Hens

ST. LOUIS—(P)—Scientists pointed Wednesday to the chicken as the heroine of the barnyard. They said if all farm creatures would become as efficient as the hen Americans never need worry about eating well.

Forty years ago the average hen produced about 87 eggs a year's work. Today each hen turns out about 194 eggs in a year.

Her efficiency increased in still another way. She used to require 9.25 pounds of feed for a dozen eggs—now she gets the same results on only 6.9 pounds.

These figures came out Wednesday at the National Farm Chemurgic Council meeting, a conference of farm leaders, industrialists and scientists on how to make farming more profitable and efficient.

In an interview Dr. R. M. Reiske, director of research for the Ralston Purina Company, feed producers, said the chicken also has increased in meat-producing

efficiency about one-fourth. Broilers now are turned out in about three-fourths of the time it formerly required, he said.

The hen's efficiency has been increased by breeding; by development of new feeding methods; by eliminating disease and by creating new feed elements, the feed experts said.

Casualties In Korea

WASHINGTON—The Department of Defense Tuesday night announced a single Texas casualty in the Korean area: Army Pvt. Gabriel V. Esquada of San Antonio, killed in action.

Talk Of Red-Hunt In Clergy Stirs Up Storm Of Protests

WASHINGTON—(AP)—Republican Keady (R-NY) said Wednesday he is "absolutely opposed" by any search by the House Un-American Activities Committee for Reds among clergy-men and will demand a quick showdown on the suggestion.

Word from Chairman Velde (R-IL) that the group sometime might undertake such an investigation stirred up protests from a number of church figures, including Velde's own pastor, and approval from others.

Velde said during a radio interview Monday night that "it is entirely possible" the committee would get into the church field, possibly looking into the records of clergymen "who seem to have devoted more time to politics than they have to the ministry."

He issued a statement late Tuesday saying such an investigation had not been considered by the committee and "is not contemplated at this time by me . . ."

His statement "does not preclude the possibility of such investigations in the future," Velde said, but he added, "there is no need as I see it to consider this matter further now."

Five Colleagues Dissent

Five of Velde's eight committee colleagues promptly made clear the chairman was not speaking for them in suggesting any such inquiry, Keady said in an interview.

"I am demanding that Chairman

Velde call a committee meeting immediately."

Senator McCarthy (R-Wis), perhaps Congress' best-known Red hunter, left no doubt that Velde would have the field to himself if he does try to go through with a hunt for Reds in the clergy.

"He has my complete, whole-hearted assurance there is not the remotest possibility of our overlapping," McCarthy told interviewers.

The Rev. Joseph H. Albrecht, pastor of the Pekin (Ill.) First Methodist Church, which Velde attends, said at Pekin he thought the congressman believed in freedom of religion and speech.

"If anything is done to impair these two freedoms, the basis of American freedom is jeopardized," the pastor said in a statement.

"I consider it a tragic thing to have Representative Velde even suggest such activity for his committee, if he has done so," he added.

Church Leader Approves

In New York, Dr. W. H. Bordeaux, general secretary of the American Council of Christian Churches, with which 16 small separatist groups are affiliated, said, "The searchlight on religious leaders has long been focused."

Representative Keady said he will throw his support behind a promised early move by Representative Walter (D-Pa) to bind committee investigations to the will of the full group and not individual committee members.

The situation indicated that a first-class rhubarb might develop within the committee.

(NEA Telephone)

ATTEND FUNERAL—A host of Communist Party chiefs from all over Europe and Asia gathered in Moscow to attend the funeral of former Premier Joseph Stalin. Among them were Jacques Duclos of France, upper left, and Red China's Premier Chou En-Lai, upper right; bottom left is Italy's party boss, Palmiro Togliatti, and Britain's Harry Pollitt, lower right.

Rotary Anniversary Banquet To Honor Past Officials

Past presidents and past secretaries of the Midland Rotary Club will be recognized at the club's twenty-fifth anniversary banquet scheduled Thursday night in the Hotel Scharbauer Ballroom.

Thirteen of the past presidents still are active in the club. They are: W. Ily Pratt, 1928-29; T. Paul Barron, 1930-31; Fred Wemple, 1934-35; W. R. Upham, 1936-37; P. F. Bridgewater, 1942-43; Roy McKee, 1943-44; G. H. Shepard, 1944-45; Guy Brenneman, 1945-46; R. L. Miller, 1946-47; James T. Smith, 1948-49; Hilton Kaderli, 1949-50; James N. Allison, 1950-51; Dr. J. O. Shannon, 1951-52.

Others who have served as presidents are: M. M. Meek, 1929-30, resigned; Dr. W. E. Ryan, 1931-32, deceased; P. J. Mims, 1932-33, deceased; John P. Howe, 1933-34, resigned; E. H. Barron, 1935-36, deceased; Fred Middleton, 1937-38, deceased; Clint Lackey, 1938-39, resigned; Steve Debnam, 1939-40, resigned; W. B. Simpson, 1940-41, deceased; Tom Sealy, 1941-42, resigned; R. L. Prather, 1946, resigned; the Rev. Howard Hollowell, 1947-48, resigned.

Past Secretaries

The past secretaries are listed as follows: E. H. Barron, C. Y. Barron, Dr. L. B. Pemberton, W. R. Upham, Daniel H. Griffith, Herbert S. Collins, Lawrence Evans and W. I. Pratt.

Richard S. Brooks now heads the club as president, and the Rev. W. E. Mann is secretary-treasurer. Carroll L. Thomas is the president-elect.

Charter members of the club, which was chartered March 9, 1928, also will be honored at the banquet.

A capacity crowd from Midland and other cities of Rotary District 183, is expected to be present to hear Dr. Philip Lovejoy of Evanston, Ill., immediate past secretary of Rotary International, deliver the principal address.

'Twas A Gem Of A Contest

LIBERTY, MO., (AP)—William Jewell won an election at William Jewell College Tuesday — and he defeated a William Jewell to do it.

The new president of the William Jewell chapter of the Phi Gamma Delta fraternity is William Jewell, 19, son of Mr. and Mrs. Hugh N. Jewell, Rose, N. Y. His rival was William Jewell Wilson, 20, son of Mr. and Mrs. T. J. Wilson, St. Joseph, Mo.

Court Decision To Speed Action Against Gamblers

WASHINGTON—(AP)—Commissioner of Internal Revenue T. Coleman Andrews indicated Wednesday prosecution of gamblers for failure to register and buy an occupational stamp will be stepped up.

The Supreme Court on Monday ruled the stamp tax law constitutional.

Andrews said Wednesday: "The action of the Supreme Court will facilitate enforcement of the occupational tax on wagering, since a number of cases involving prosecution under the act have been delayed while the issue of its constitutionality was pending."

GM Sets All-Time Gross Sales Mark

NEW YORK—(AP)—Record sales of \$7,549,000,000 were made by the giant General Motors Corporation in 1952, according to its annual statement to stockholders.

The total surpassed the 1950 record of \$7,531,000,000 and compared with \$7,465,500,000 in 1951.

The company, world's largest industrial firm, had a net income during the year of \$658,721,179, equivalent to \$6.25 a common share after payment of \$12,928,313 in preferred dividends. This compared with net income of \$506,189,560 or \$5.63 a share in 1951, but was below the record of \$684,044,039 in 1950.

NICE SYSTEM, IF IT WORKS

MONTREAL—(AP)—A calm robber who didn't say a word or display a gun walked out of a branch of the Royal Bank of Canada Tuesday with \$5,000.

Mabel Jean Summerison, 17-year-old teller, said that when the man shoved across a note to her demanding money she was so scared she pushed back two bundles.

The man walked casually from the bank and "seemed to disappear into thin air," said Saving Manager Charles Henderson.

Monahans Girl, Nine, Enters Medical Center

BOSTON—(AP)—Daria Mosley, nine, Monahans, Texas, Tuesday entered Children's Medical Center for a serious heart operation.

With her were her mother, Mrs. Le Roy Harty, and Mr. and Mrs. Davis Leaper, Quincy relatives.

The girl was born with a faulty heart valve. Texas specialists recommended an operation.

If driving makes you tired don't blame the road -it's your car's fault!

HERE'S HOW THE NEW '53 PLYMOUTH KEEPS YOU FEELING FRESH—ALL DAY LONG!

SMOOTH HERE ROUGH HERE

The new Plymouth fights the road for you, not with you! True balance designing "irons out" rough roads to give you a boulevard-smooth ride. Also, it takes the struggle out of steering, reduces the fatigue and nervous tension of long hours at the wheel. In the new Plymouth you know you've got complete control of the car and the road—and it's a mighty comforting feeling!

COMFORT LEVEL

You can't relax, even on a short drive, if you're cramped or crowded in an unnatural seating position. The new Plymouth gives you the lasting comfort and posture protection of Comfort Level seats. Full-depth, full-width coil springs—not the common platform type—always give you correct, cushioned support.

PLYMOUTH

Nothing builds up nervous tension like brakes that give an uncertain, uneven response to the pressure of your foot on the pedal. But with Plymouth's Safe-Guard hydraulic brakes you drive relaxed, confident of smooth, even braking response at every stop. There are two hydraulic brake cylinders in each Plymouth front wheel,

where competitive cars have only one, plus greater areas of Cyclebond brake lining that assure longer, more dependable braking.

PLYMOUTH

How can you relax when you have to worry about blowouts? Plymouth's famous Safety-Rim Wheels protect you with special retaining ridges that hold a deflated tire safely on the rim in case of a blowout. These and many other thoughtful Plymouth features add up to the most carefree, as well as the most comfortable, ride ever built into a low-priced car!

Plymouth offers two great lines of cars: the CAMBRIDGE the CRANBROOK

Illustrated below is the 4-door Sedan in the thrifty Plymouth Cambridge line—great value leader of the lowest-priced field. Same great value in the Plymouth Cranbrook 4-door Sedan, with luxury and refinements offered by no other low-priced car.

NEW '53 PLYMOUTH

THERE'S MORE QUALITY IN IT—YOU GET MORE VALUE OUT OF IT

The 1953 Cambridge 4-door Sedan. A demonstration drive of this big value awaits you at your nearby Plymouth dealer's.

Ad No. 4772

House Panel Okays No-Increase Policy On State Spending

AUSTIN—(P)—A \$181,000,000 appropriation bill, tightly holding general state spending to its present level, was tossed out for House inspection Wednesday.

The Appropriations Committee approved the big money bill Tuesday night over sharp protests of a minority who said the action was too hasty.

Committee endorsement of the bill providing money for essential state services—courts, colleges, departments and hospitals and special schools—came without advance notice. The vote was 13-4, with two committeemen refusing to vote for or against.

Chairman Max Smith of San Marcos said he would let House members study the bill until next week before seeking House approval.

The \$181,000,000 measure, with the exception of two minor amendments, duplicates the recommendations of the Legislative Budget Board. It grants no general increases.

Governor Shivers had called for severe economy, but his budget recommendation provided a number of increases for state employes and college teachers.

Changes On Way
Rep. F. S. Seelingson of San Antonio indicated the strategy of the committee majority in voting out the bill practices the recommendations of the Legislative Budget Board. It grants no general increases.

The conference committee, made up of House and Senate members, generally works out the major spending measure, compromising on differences between House and Senate.

Seelingson said he saw no point in the House committee now trying to make changes that would only provoke dispute and still have to be thrashed out later in conference committee.

Rep. Jack Bryan of Buffalo, backing Seelingson, said he also wanted the "must" appropriation bill held to a minimum to gain certification by State Comptroller R. S. Calvert that there will be enough revenue to cover it.

"I don't think the comptroller will certify any more than we've got here. If we're going to have a tax fight, now is no time for it; a special session would be better," declared Bryan.

Reps. George Hinson of Mineola and Pearce Johnson of Austin bitterly opposed the action. They said the committee had failed to perform its duty.

Judge Denies Dallas Water Injunction
DALLAS—(P)—Dallas went ahead Wednesday with plans to tap sewage-laden West Fork of the Trinity River for part of its municipal water supply.

District Judge Mac Taylor Tuesday refused to issue an injunction which would have banned further work on the project.

"It is fundamental," the judge said, "that the courts cannot substitute their judgment for that of the governing body of a city. The court is not the council. It was not elected as such and cannot act in that capacity."

Judge Taylor also said he found no evidence of corruption, bad faith, fraud or abuse of power. Those were the four grounds on which Attorney Tom Howard, plaintiff, had suggested the court could intervene on a contention that public money was being expended improperly.

FROM ODESSA
Mrs. Ota Marcus and children were in the city Tuesday from Odessa.

Permian Basin Oil And Gas Log—

(Continued From Page One)
Hall & Stewart No. 1 Huff is to be drilled on a lease secured by Brennan in a farmout deal with Humble.

The farmout covered the southeast quarter of section 31, block 3, 12-10-T, survey, Brennan made a deal with Hall & Stewart to drill the well in return for an interest.

Location is 467 feet from north-south and southwest lines of section 2, J. P. Smith survey and 20 miles south and east of Colorado.

El Capitan, Et Al Find Shows Of Oil In Mitchell Tester
El Capitan Oil Company, Fred Chambers and W. W. Meeker, all of Midland, No. 1 Ross Dixon, wildcat in Southeast Mitchell County, three miles southwest of Sun Oil Company No. 1 McCabe, recently completed Pennsylvania discovery, found shows of oil in drilling samples from the Strawn.

The project was to be drilled in the interval from 5,033 to 4,091 feet.

Location is 467 feet from north-south and southwest lines of section 2, J. P. Smith survey and 20 miles south and east of Colorado.

Another Producer Is Completed In Schleicher Area
Humble Oil & Refining Company has completed No. 1 Annie May Brooks as a new oiler in the Huldale (Pennsylvanian) field of North-Central Schleicher County.

The new well was finished for a daily flow of 190.83 barrels of 39.8-gravity oil and no water through a 16 1/4-inch choke and perforations at 5,660-704 feet. Gas-oil ratio was 796-1. Tubing pressure was 390 pounds. The flow was natural.

Location is in section 33, block 11, TC survey.

SE Nolan Wildcat Flows Oil On DST Of Basal King Sand
Stanolind Oil & Gas Company No. 1-E TXL, wildcat in Southeast Nolan County, flowed oil on a drillstem test of the basal King sand from 4,077 to 4,102 feet.

Tool was open 40 minutes. Gas came to the surface in seven minutes, mud in 31 and oil in 36, with no estimate of flow. Reversed out of the drillpipe was 180 feet of 41-gravity oil and 90 feet of heavy oil and gas cut mud.

A 2-minute test from 4,096 to 4,112 feet showed gas at the top in five minutes and oil in 44, with no estimate of the flow. Reversed out was 80 feet of oil and gas cut mud.

Flowing pressure was between 825 and 1,050 pounds and shut-in pressure after 20 minutes was 1,250 pounds.

Operator took a one-hour drillstem test at 4,112-4,132 feet. Recovery was 70 feet of slightly gas cut mud with a rainbow show of oil.

At last report, it was bottomed at 4,255 feet in lime and was shut down for repairs.

Location is 660 feet from south and west lines of section 15, block 2, T&P survey and eight miles north of Blackwell. That makes it two miles northwest of the Hyton, Northwest field.

Ellenburger Wildcat Set For C-E Scurry
Robert S. Brennan, Jr., and Hall & Stewart Drilling Company, both of Midland, are to start drilling at the Ellenburger in Central-East Scurry County.

It is four miles northeast of Hernalsh and 10 miles southeast of Snyder. The driller is 660 feet from south and west lines of the southeast quarter of section 31, block 3, H&TC survey.

That makes it three-quarters of a mile northeast of Humble Oil & Refining Company No. 1 McMillan, an Ellenburger producer on the northeast side of the two-well Buffalo Creek (Ellenburger) field.

The discovery well and first producer in that field was Humble No. 1 Davidson, a considerable distance to the southwest of the No. 1 McMillan.

The long stepout, Brennan and

Toastmasters Divide Sharply On Effects Of Stalin's Death

Toastmasters divided sharply on the vital question of how Joseph Stalin's death might effect world communism in their regular meeting Tuesday night at the Cactus Restaurant.

Some Toastmasters expressed a belief and hope that the passing of the iron-handed dictator might cause a split among the Russian leaders, with a possible internal revolution.

Other Toastmasters expressed a change from the present "cold" war to a "tepid" war, or even a wide-open, full-scale "hot" war.

Several Toastmasters believed the sudden death of Stalin will have a "zero" effect on world communism, with communist policies continuing unchanged.

Jack Blake presided at the session in the absence of President Benton Howell. Nibs Walker was topic master for the Stalin question. He also gave a talk on the "Dog Situation in Midland."

Toastmaster of the evening, Dr. Henry Schlichting, introduced two debaters, Laney McMath, affirmative, and Tim Dinn, negative, on the issue of whether capital punishment should be used.

Hal Chandler served as general critic, assisted by specific critics Bruce Shade and Bob Conway. Lloyd De Armon was timekeeper.

Reed Sets April 15 Deadline For Tax Reduction Test Vote

WASHINGTON—(P)—A bill to cut personal income taxes 10 per cent starting July 1 appeared likely Wednesday to face a test vote in the House in mid-April.

Whether it will be confined solely to reducing the tax rate or be opened to all sorts of amendments—including one to increase the personal exemption from \$600 to \$1,000—may depend on the attitude of the Republican leadership of the House.

That leadership—in line with President Eisenhower's position—is opposed to the bill in any form until the federal budget is balanced or close to being balanced.

Tired of waiting for the leadership-controlled Rules Committee to send the bill to the floor, Rep. Daniel A. Reed (R-NY) announced Tuesday he will force a vote if the Rules Committee doesn't act by April 15.

Reed, sponsor of the bill and chairman of the House Ways and Means Committee, which approved it February 16, can demand a vote on the bill at any time. But if he does so, it would be open to all sorts of changes dealing with per-

sonal income taxes.

Rather than risk opening the measure to amendments, Reed has requested the Rules Committee to protect it with a special rule. His request twice has been rejected, and Chairman Leo Allen (R-III) has said he doesn't intend to alter his position until he is certain the Federal Treasury can stand it.

Amendments Threatened
"I am not going to wait any longer than April 15," Reed told newsmen. "If the bill gets out of hand on the floor because I can't get a rule barring amendments, it will be the responsibility of the leadership for not granting me that rule. I have my own responsibility to get action on the bill in time for new withholding tax forms to be ready by July 1."

Reed reportedly was seeking an informal agreement from Democrats and Republicans to vote against any changes in the bill. Such an agreement, however, would not be binding.

Allen said the responsibility will be Reed's if the bill gets out of hand on the House floor.

"He has the right to bring it up at any time," Allen said. "He also has the responsibility for what might happen to it."

HOUSEWORK Easy Without Nagging Backache
Nagging backache, loss of pep and energy, headache and dizziness may be due to slow-down of kidney function. Doctor says good kidney function is very important to good health. Boxing Roster Grows

The Midland Optimist Club, wrapping up final plans for their Invitational Boxing Tournament, Wednesday was assured of a more representative West Texas roster of fighters.

Andrews, which expects to have eight or 10 fighters here, told the tournament chairman Ed Stitt that three, for sure, were working out and will be here. They include Spid Green, an open welterweight who won the San Angelo regional Golden Gloves tournament and entered the state meet in Fort Worth.

Midland's second annual Invitational, put on by the Midland boxing team's sponsors, the Optimist, will run Thursday and Friday nights at the VFW hall at the Air Terminal. The bouts, probably including about 12 a session, will begin at 8:15 p.m. both nights.

Meanwhile, Stitt announced that Billy (Pat) Patterson, an ex-professional boxer and currently a Midland policeman, would referee at the tournament.

Stitt also set the weigh-in times for boxers at 6 p.m. Thursday. With the large list expected here, Stitt urged the fighters to come early so that first round pairings will not be delayed until the last moment.

Boxers from Monahans, Andrews, Midland, Odessa and Pecos will make up the program, expected to be 40 strong by the first gong.

Four Bulldog Cindermen To Olympics

A Midland High track team, trimmed to an efficient foursome, takes off from here Thursday morning to compete in the two-day Laredo Border Olympics.

Coach Edwin Nixon announced the quartet of Bulldogs Wednesday. As for Midland, the four being sent form a speedy mile-relay team as well as complete individuals.

These runners put Midland off to a dual track meet victory over perennial state champion Odessa last Saturday.

Their mile-relay performance at Odessa was tops; Nixon's unit ran the mile in 3:34.1, with each of the four runners clocked in better than 54 seconds over their lap.

Individually the Bulldogs will enter these events at Laredo: Braun in the 100 and 220-yard dashes, Jobe in the 220, Kimsey in the 400-yard dash and Keisling in the 400 and low hurdles.

Kimsey is a top favorite at Laredo, after posting a fine 5:17 in his first competition last week at Odessa.

Midland's first trials at the Olympics will come at the 1 p.m. preliminaries Friday afternoon, Nixon said.

The Laredo field overall has drawn 44 entries from Texas high schools with Sinton and Alpine the latest two joining.

Texas A&M, Houston, Baylor and TCU head the university division.

SAFE—Carl Furillo, Dodger outfielder, slides into third base as Boston's Warren Spahn attempts to tag him with the ball. Umpire Larry Goetz called Furillo safe. The Dodgers defeated the Braves in exhibition game at Miami, 4-1.

SPORTS PARLEY

Cuban Manny Temes, Midland's man of the hour in the final playoff round last season, apparently is on time in arriving at the Oklahoma City Indian camp this year.

It so happens that the versatile Temes looms big in the Sooner plans, for there the Indians are having first base problems, if the rest of the team does look great.

Oklahoma City's Frank Shofner is planning to retire and Temes stands to gain by it. He gets first shot at the second base job when Joe Damato moves from second to first.

The Indians know well enough of Temes' .362 batting from the 1952 Midland campaign.

The big moment in Temes' career in the Longhorn League turned out to be his last. It was in the finale against Odessa when Temes doubled, tripled and homered to the plate three of the seven Midland runs, clinching a 7-5 verdict that won the series for the Indians in the sixth playoff game.

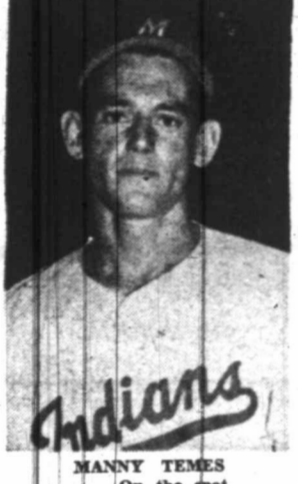

A few important sports dates have been set recently. And one is the rescheduling of the once-again Midland County Club Women's Invitational Golf Tournament. Now, the event again has been slated May 13-17, instead of two weeks earlier, as had been announced.

Louis Greville of the Midland High School baseball team announced the Bulldogs' first non-district games this week. Both are with Odessa—the first one March 19, there, the second one March 26, here. The teams begin play at 3:45 p.m. in Odessa, 4 p.m. here.

Dandy Danny McKown, the ding-dong daddy from Dumas, has a reputation for throwing straight for the TCU football team, but he's being groomed for curve now. McKown is going to be a first line pitcher, Frog Baseball Coach Walter Roach has indicated after watching the All-Southwest Conference football star in early drills.

Ray Taylor of Lamesa also is among the standout baseballers trying out for the Frog squad.

And while on prospects, Iraan's Billy Pete Huddleston is a good bet to emerge as a starting halfback for the Texas Aggies. He's proving one of the top four in the rain-hammered Ag Spring drills. . . . Competition for him is coming from Ronald Robbins, son of the new Odessa Broncho coach, and Bob Easley, the Houston schoolboy star who was chastised when he went to Baylor after eating a Baylor-bought hotdog one day in Dallas.

Barbers, Kiwanis Club Seek Third Spot In Pin Loop

A battle over third place is featured in Civic Bowling League action Wednesday night when the loop's hottest team at present, the Central Barbers, go against the Kiwanis Club.

The Barbers won two of three games from Schlitz Beer last week to move within a game of the third-running Kiwanis. In a match last week, Kiwanis fell to the leaders, the JayCees, 2-1, then again in a scheduled duel with VFW, 2-1.

Other results saw VFW trip the Lions in two of three, and Ralph Lowe beat the Eagles by the same count.

Tuesday also finds these matches: the Eagles vs. the Lions, VFW vs. Schlitz Beer and Ralph Lowe vs. the JayCees.

The standings to date:

Team	W	L
JayCees	41	28
Eagles	39	30
Kiwanis	38	31
Central Barbers	37	32
Lions	35	33
Schlitz	32	37
VFW	27	42
Ralph Lowe	26	42

TRAINING BRIEFS—

McMillan Sparks Cincinnati Fielding

TAMPA, FLA.—(AP)—Slender Roy McMillan, one of the sweetest fielding shortstops to flash on the horizon in many a year, showed the Cincinnati Reds he was primed for another good season as he started off a triple play in Tuesday's exhibition against Washington.

Coach Edwin Nixon announced the quartet of Bulldogs Wednesday. As for Midland, the four being sent form a speedy mile-relay team as well as complete individuals.

These runners put Midland off to a dual track meet victory over perennial state champion Odessa last Saturday.

Their mile-relay performance at Odessa was tops; Nixon's unit ran the mile in 3:34.1, with each of the four runners clocked in better than 54 seconds over their lap.

Individually the Bulldogs will enter these events at Laredo: Braun in the 100 and 220-yard dashes, Jobe in the 220, Kimsey in the 400-yard dash and Keisling in the 400 and low hurdles.

Kimsey is a top favorite at Laredo, after posting a fine 5:17 in his first competition last week at Odessa.

Midland's first trials at the Olympics will come at the 1 p.m. preliminaries Friday afternoon, Nixon said.

The Laredo field overall has drawn 44 entries from Texas high schools with Sinton and Alpine the latest two joining.

Texas A&M, Houston, Baylor and TCU head the university division.

Howard Five Gains JC Tourney Finals

AMARILLO—(AP)—Eastern Oklahoma A&M of Wilburton plays Howard County of Big Spring Wednesday night with the winner going to the National Junior College Basketball Tournament in Hutchinson, Kan.

Eastern Oklahoma A&M won its Region 5 semi-final game Tuesday night by defeating Arlington State, 78-67. Howard County stopped Governor State of Warner, Okla., 63-55. Consolation game opponents Wednesday night will be Clarendon and Oklahoma A&M Tech. Each advanced in the losers bracket Tuesday after losing opening round games.

Clarendon defeated Sayre, Okla., 64-52. Oklahoma A&M Tech downed Amarillo College, 56-52.

Western Gets New Basketball Coach

EL PASO—(AP)—The new basketball coach at Texas Western is George McCarthy, former director of athletics at New Mexico A&M College.

He replaces Dale B. Water, who returns to line coach in football. McCarthy won the Border Conference basketball championship at New Mexico A&M last year. He is from McLean, Texas.

NCAA Tourney Completes Field With Playoff Champs

NEW YORK—(AP)—The 16 teams that will fight it out for the NCAA basketball championship were decided Wednesday with only one "outsider" in the select group.

Six teams—Notre Dame, De Paul, Holy Cross, Seattle, Santa Clara and Lebanon Valley—made the regional finals, scheduled for this weekend, Tuesday night.

The big surprise was little Lebanon Valley which defeated mighty Fordham, 80-67, in Philadelphia. In the other half of the twin bill there, Holy Cross humbled Navy, 87-74.

In another doubleheader at Ft. Wayne, Ind., Notre Dame advanced at the expense of Eastern Kentucky, 72-67, and De Paul barely nipped Miami of Ohio, 74-72.

Seattle gained its spot by whipping Idaho State, 88-77, at Whippoorwill and Santa Clara topped Hardin-Simmons, 81-56, at Palo Alto.

So the regional lineup for Friday and Saturday looks like this and take your pick:

At Chicago—Penn vs. Notre Dame and De Paul vs. Indiana.

At Raleigh, N. C.—Wake Forest vs. Holy Cross and Lebanon Valley vs. Louisiana State.

At Manhattan, Kan.—Kansas vs. Oklahoma City and Texas Christian vs. Oklahoma A&M.

At Corvallis, Ore.—Seattle vs. Washington and Santa Clara vs. Wyoming.

The winners will go to Kansas City for the finals the following weekend.

Meanwhile, in New York, topseeded Seton Hall moved on to the semifinals of the National Invitation Tournament by slapping down Niagara, 79-74, and will meet Manhattan Thursday night. Duquesne topped Western Kentucky, 69-61, and moved on to the other semifinal against St. John's.

Although he fouled out, big Walter Dukes of Seton Hall found the range for 26 points. However, it was Richie Regan who saved the day for the Pirates with a late-scoring spur when Niagara was creeping up. He finished with 22 markers.

Jim Tucker was the big sun for Duquesne with 20 points. He also contributed a great deal defensively by grabbing the rebounds.

Bears Sweep Series With Houston Cougars

HOUSTON—(AP)—Baylor slugged out 13 hits to take the second of a two-game baseball series with the University of Houston, 11-6.

The Bears battered four Cougar pitchers Tuesday.

Reverse Striptease Has Sox Filling Out

PHOENIX, ARIZ.—(AP)—The outside world was scheduled to get its first real look at the mysterious Chicago White Sox, complete with their deep-thinking manager, Paul Richards, in a game against the New York Giants here Wednesday.

Of course, all the Sox were not due to be in town at once. Richards isn't doing anything that simple this Spring. But a few more of the team's glamor boys were to be placed on exhibition than Richards had originally planned, before President Horace Stoneham of the Giants got on the phone to General Manager Frank Lane.

Baked by the heat of the Sox primary training base at El Centro, Calif., Richards is employing a sort of three-plateau system and water-testing his forces all over the castus circuit. In Tuesday's opener with the Giants he permitted Chico Carrasquel and Minnie Miñoso to entertain the fans Wednesday they were to be joined by a couple more, Ferris Fain and Nellie Fox. It seems that resembles a striptease in reverse.

Richards, himself, apparently had planned to spend Wednesday brooding in the desert, as his original hotel reservation was for Thursday, but Lane was able to announce dramatically that his manager positively would be in the dugout thinking hard against the Giants. Whether this was the offshoot of an additional Stoneham phone call was not disclosed.

"The way those guys are acting you would think they already had the pennant instead of just talking about it," commented one Giant official.

Of the prospective starters in Chicago's new infield, only one, Third Baseman Vern Stephens, was among the missing, taking additional work at El Centro before continuing on to Pasadena, where laughingly is referred to as the team's home training base.

McMillan Sparks Cincinnati Fielding

TAMPA, FLA.—(AP)—Slender Roy McMillan, one of the sweetest fielding shortstops to flash on the horizon in many a year, showed the Cincinnati Reds he was primed for another good season as he started off a triple play in Tuesday's exhibition against Washington.

Coach Edwin Nixon announced the quartet of Bulldogs Wednesday. As for Midland, the four being sent form a speedy mile-relay team as well as complete individuals.

These runners put Midland off to a dual track meet victory over perennial state champion Odessa last Saturday.

Their mile-relay performance at Odessa was tops; Nixon's unit ran the mile in 3:34.1, with each of the four runners clocked in better than 54 seconds over their lap.

Individually the Bulldogs will enter these events at Laredo: Braun in the 100 and 220-yard dashes, Jobe in the 220, Kimsey in the 400-yard dash and Keisling in the 400 and low hurdles.

Kimsey is a top favorite at Laredo, after posting a fine 5:17 in his first competition last week at Odessa.

Midland's first trials at the Olympics will come at the 1 p.m. preliminaries Friday afternoon, Nixon said.

The Laredo field overall has drawn 44 entries from Texas high schools with Sinton and Alpine the latest two joining.

Texas A&M, Houston, Baylor and TCU head the university division.

Howard Five Gains JC Tourney Finals

AMARILLO—(AP)—Eastern Oklahoma A&M of Wilburton plays Howard County of Big Spring Wednesday night with the winner going to the National Junior College Basketball Tournament in Hutchinson, Kan.

Eastern Oklahoma A&M won its Region 5 semi-final game Tuesday night by defeating Arlington State, 78-67. Howard County stopped Governor State of Warner, Okla., 63-55. Consolation game opponents Wednesday night will be Clarendon and Oklahoma A&M Tech. Each advanced in the losers bracket Tuesday after losing opening round games.

Clarendon defeated Sayre, Okla., 64-52. Oklahoma A&M Tech downed Amarillo College, 56-52.

Hoyt Wilhelm Forgets Jinx, Keeps Touch

By The Associated Press

Apparently Hoyt Wilhelm never has heard of the second-year jinx. Wilhelm, last season's National League freshman pitching sensation, still is going about the business of saving games for the New York Giants. The 28-year-old knuck-baller has nailed down two of the three Giant exhibition victories so far.

Thursday, Wilhelm relieved rookie Allan Worthington in the ninth inning with four runs in, the bases loaded and only one Chicago White Sox batter out. He promptly retired the next two hitters and the Giants emerged off with a 16-14 win.

In his first Grapefruit League appearance last Monday, against the Cleveland Indians, the six-foot 190-pound hurler also showed he had lost none of his magic touch. That, with the tying runs on the bases in the ninth, he came in to thwart two Tribe batsmen, giving New York a 4-3 victory.

Wilhelm compiled quite an enviable record in 1952. He won 15 games and dropped only three for the senior league's best win-and-loss percentage of .833. Too, his .443 earned run average gave him the distinction of being the only relief pitcher in National League history to lead in that department.

This Charlotte, N. C., kid wasn't included in Manager Leo Durocher's plans when he joined the Giants in Spring training last year. He had only an 11-14 record with Minneapolis of the American Association, but by mid-season he had established himself as the club's No. 1 fireman.

The Giants-White Sox homered-filled encounter was one for the books. New York trailed, 10-8, until they came up with eight runs in the eighth frame. Then the Chisox got to Worthington for their fourth tally before Wilhelm snuffed out the rally.

MANSANTO FIVE FACES PHILLIPS

SAN ANTONIO—The Midland Phillips 66 basketball team Wednesday drew Montano Chemical Company of Texas City as first opponent in the four-day Texas Amateur Athletic Union tournament.

Monsanto whipped Kingsville Naval Air Station, 81-65, in opening round play Tuesday. Other results were Big Chief Super Market of Texas City over Corpus Christi Navy, 49-37, and Midland Field Service School of San Antonio over Brooks AFB, 65-54.

The Phillips-Monsanto game starts at 7 p.m.

Green's 27 Points Futile As H-SU Five Trips In Regionals

PALO ALTO, CALIF.—(AP)—Santa Clara's Broncos were a course for Corvallis, Ore., Wednesday night and a Friday encounter with the University of Wyoming Cowboys.

It sounds like a rope—especially after the Broncos busted the Cowboys from Harbin-Simmons Tuesday night, 81-69. But it's basketball, the National College Athletic Association Western Regional playoffs.

Whether the Santa Clamans, who won the regional last year, can duplicate is questionable. But Wyoming Coach Ev Schellhaas, who outcoached the game, was quick to impress.

The Bronco jumped off to a quick lead and led periodically, 18-7, 39-19 and 57-54. As Santa Clara lengthened its margin, Coach Bob Feerick substituted freely.

The only consolation for Harbin-Simmons' Border Conference champions was a 27-point effort by Center Hank Green.

VISITORS FROM QUANAH

Mr. and Mrs. R. A. Kelly of Quanah are visiting in Midland with their son-in-law and daughter, Mr. and Mrs. Bill Prude, and with Mrs. Kelly's sister, Mrs. Alice Logsdon.

MHS Netters Rack Andrews, Eye Pyote

ANDREWS—Midland High's tennis team returned home to play Frodo Wednesday afternoon, but hardly anything the teams do can match the tenacious of the Bulldogs duel with Andrews here Tuesday.

Midland won, 6-5, with the outcome relying on a tense final match—Shut one taken by Midland in its only boys victory.

Midland High's girls won all five of their matches:

Ellen DeChicchio blanked Gerry Ford, 6-0, 6-0; Janna Murray put down Shirley Latham, 6-3, 6-6, and Dot Black bested Carolyn Reed, 6-0, 6-1, in girls singles.

Carolyn Paris and Wanda Murray then combined to take a 6-4, 6-2 verdict from Andrews' doubles team of Jane Dyer-Charlene McNeil. The same Mustang duo next faced Miss DeChicchio and Dona Inghen only to lose, 6-1, 6-2.

Andrews' boys team is laden with members from the District 8-AA championship basketball team and they do just as well with this net game, too. Bob Perry beat Jim Waite in the 30-1 singles match, 6-3, 6-3; Max Radcliffe tripped John Galle, 6-2, 6-3; Sumner Hucklebee stopped John McHughen, 6-4, 6-2, and Randy Pendleton whitewashed Charles Bleiken 6-0, 6-0, in Andrews' singles triumph.

The team of Hucklebee-Pendleton then nudged Johnny Dodwin and Jimmy Garvin, 6-7, 4-6, 6-2, setting the stage for the final—and deciding match.

The duel tied at 5-3 up to them, Midland's Clayton Tatum and Bill Vandeventer struggled through to a 7-5 first set triumph that broke the resistance of Radcliffe and his partner, Joe Thomas. The Bulldogs sailed on then, 7-1, to clinch the doubles and the team match.

WHISK! DANDRUFF AWAY!

Whisk is not an old-fashioned dandruff remover. Whisk is new! Effective as a "rub" or "soak." The Actual treatments show Whisk brought severe dandruff under control in 4 weeks. Whisk tangles as it works. On sale at leading druggists.

Reverse Striptease Has Sox Filling Out

By GAYLE TALBOT

PHOENIX, ARIZ.—(AP)—The outside world was scheduled to get its first real look at the mysterious Chicago White Sox, complete with their deep-thinking manager, Paul Richards, in a game against the New York Giants here Wednesday.

Of course, all the Sox were not due to be in town at once. Richards isn't doing anything that simple this Spring. But a few more of the team's glamor boys were to be placed on exhibition than Richards had originally planned, before President Horace Stoneham of the Giants got on the phone to General Manager Frank Lane.

Baked by the heat of the Sox primary training base at El Centro, Calif., Richards is employing a sort of three-plateau system and water-testing his forces all over the castus circuit. In Tuesday's opener with the Giants he permitted Chico Carrasquel and Minnie Miñoso to entertain the fans Wednesday they were to be joined by a couple more, Ferris Fain and Nellie Fox. It seems that resembles a striptease in reverse.

Richards, himself, apparently had planned to spend Wednesday brooding in the desert, as his original hotel reservation was for Thursday, but Lane was able to announce dramatically that his manager positively would be in the dugout thinking hard against the Giants. Whether this was the offshoot of an additional Stoneham phone call was not disclosed.

"The way those guys are acting you would think they already had the pennant instead of just talking about it," commented one Giant official.

IN THE CHIPS—Spotted as a big money man, Leroy Dayton, 14, of Wheeling W. Va., finally returned \$3600 to authorities after a man saw the boy with a fist-full of cash and informed the police. The money was lost by a Bridgeport, Ohio, storekeeper. It was O.K. with Leroy, but he was angry because no one thanked him for returning the full amount of money.

Six Dallas Gooftball Gangers, Including One Girl, Indicted

FORT WORTH (AP)—Six members of Dallas "gooftball gang"—an 18-year-old girl included—were under indictment Wednesday in connection with teenage orgies. Charged with forging or conspiring to forge prescriptions to obtain dexedrine were Juanita Fay, Holland, 18; James Phillip Youngblood, 19; Otis E. White, Jr., 20; Albert Rosmelias Grimes, 18; Walter Murray Ramsden, 18; and Dwayne Lee Stoker, 18. Young Ramsden, a polo cripple, was named as the gooftball gang's ringleader when he was arrested by Dallas officers. He uses a crutch to walk. Other members of the gang call him "Curly". Also named in the indictments, but not charged, were eight juveniles—five girls and three boys—including the brother and sister in whose home the parties allegedly were held. The grand jury findings were returned after four girls, all 14 or 15 years old, told details of their part in the parties.

Sundown Teacher Indicted On Murder With Malice Charge

LEVELLAND (AP)—A murder with malice indictment has been returned in the "dance of death" killing of a Sundown high school teacher. The grand jury Tuesday night returned the indictment against Jack Killingsworth, 29, who told police he killed Richard McCarroll, 37, because the older man forced his love on Mrs. Killingsworth. While a high school faculty group rehearsed "Dance of Death" music for a play named "Meet the Body," Killingsworth called McCarroll outside and riddled him with rifle slugs. Killingsworth's bond, originally set at \$2,500, was increased to \$5,000 following the grand jury action.

Senate Gets Hawaii Statehood Measure

WASHINGTON (AP)—The fight to make Hawaii the forty-ninth state shifted to the Senate Wednesday after the House passed a statehood bill for the third time Tuesday. Senate leaders have predicted committee approval within a few days to clear the way for Senate action about April 1. The House amended the bill, writing in among other things provision for another Congressional vote—to ratify the new state's constitution—before Hawaii actually could be admitted. Then it passed the amended bill on a 274-138 roll-call vote.

Lee of Martin Bradshaw, 82, Of Big Spring Dies

BIG SPRING—Lee Martin Bradshaw, 82, died here Wednesday after an illness of three weeks. Funeral services will be at 10 a.m. Thursday in the Eberly-River Funeral Chapel here. Bradshaw is survived by the widow, two sons, M. C. Bradshaw of Philadelphia and W. B. Bradshaw of Texas City; five daughters; Mrs. Al Stone of Lovington, N. M.; Mrs. Willard Sullivan of Big Spring; Mrs. C. T. Bond of Unity, N. M.; Mrs. H. T. Iron of Hobbs, N. M.; and Mrs. Pyrie Bradshaw of Big Spring. Also surviving are 12 grandchildren and five great-grandchildren.

GUESTS HERE Mrs. and Mrs. J. H. Scroggs of Roscoe are visiting Mr. and Mrs. George Thompson, Gulf Camp.

VISIT IN MIDLAND Mrs. R. C. Middleton and Mrs. Charles Anderson of Big Spring visited here Wednesday.

VISIT IN CITY Mr. and Mrs. L. B. Price of Seymour are in Midland on business this week.

Bulletin Board

REPORTING THE TOP NEWS IN REAL ESTATE

CONTEMPORARY STYLING is exemplified in this home which was designed by its owner. Behind the modernity of the exterior are two large bedrooms, arched-wood paneled den, pullman kitchen with all the features of your dream home, and attached garage. You'll love the huge living room with its gigantic brick fireplace, the interior decorating, and the 9-foot ceilings. Central heating and cooling systems, carpeting, and TOUCH-PLATE lighting. The two baths are tile and Marolite. Sweeping patio, overly-anxious water well, tile fence. It is strikingly different, brick, and only a year old! ONLY \$24,000.

POCKET-BOOK APPEAL because it offers so much for so little. Construction of Johns-Manville asbestos siding (never needs painting), it has two lovely bedrooms, delightfully fresh kitchen, one bath, living room, and attached carport. Nice lawn and young trees, and the rear yard is fenced. Central heating, oak floors, and washer connection. Assume FHA loan and make payments of \$54. Priced at \$8,420.

A STORY-BOOK HOME on Storey Street. The natural wood finish starts as a divider between the living room and the dining room. It is carried into the kitchen and the paneled breakfast room. Next, into the huge paneled den, the two bedrooms, and then back into the smartly decorated living room. Wood-burning fireplace, two tile baths, huge closets, distributed heating. It's brick, 6 months old, tile fenced, and in Grafeland. \$22,500.

CHILDREN ARE A BLESSING; but to a wife, so is a home that is easy to keep clean. You'll thank us for telling you about this two-bedroom home on West Nobles. Brick veneer, and with attached garage, it has a nice living room, magnificently spacious kitchen (24 feet long), and attractive bath. Huge closets are scattered all over. Draperies and fully carpeted, 6 months old. \$10,500.

IN THE MAGNIFICENTLY shaded Ridglea area, we have an exceptionally attractive 3-bedroom home, illness of owner demands immediate sale. Carpeting in the living room, dining area and hallway. Furnishings heating, air-conditioning unit, and immaculate thru-out. Paved street, tile fence, rear patio, detached garage, storage house. \$2,000 loss to that you could buy it for \$13,500.

CONGRATULATIONS AND ORCHIDS to the Midland National Bank upon their new home, to our new traffic manager, Mr. Jack Keese, for his splendid work.

IS YOUR PRESENT HOME tailored impeccably to the needs of your family? Try this one on for family size. Located 2 blocks from San Jacinto Jr. High, it has three lovely bedrooms, spacious living room with dining area, two ceramic baths, and double attached garage. Central heating and air-conditioning, lots of closets, professionally decorated, and it's scintillatingly new. Your outside relaxation is assured by the wide lot, the concrete patio. Your privacy is guaranteed by the tile fence. Unlike tailors, however, we'll accept your smaller home in trade. \$26,500.

THERE'S A BABY A'COMIN, so they must sell their cute (almost) easy two-bedroom home at 209 West Estes. Of superior construction, it has a nice living room, dining area, a walk-less type kitchen, and an attached garage. Twin wall heaters, evaporator unit, and recently re-decorated. The nicely landscaped yard is completely fenced. Nice neighborhood. \$10,900.

1403 WEST MICHIGAN is only one block west of Grafeland. It will pay you to stop for a quick glance. We'll arrange all the rest (except the down-payment) so that you could move in immediately. A good location always maintains its high value. 305 JAX HAS IT. And I mean PERSONALITY. Even the lot size is different! Altho it is locked tighter than a secret, I'll let you know that it has 3 bedrooms, lovely living room with Roman brick fireplace, separate dining room, ceramic tile bath, and nice kitchen. Central heating and air-conditioning—and, well, you'll just have to see the rest. Go take a see for yourself.
