FOOTBALL EVENT

Graham-Peace Tie In Contest

DON'T LOOK NOW, but all of a sudden the Panhandle area is getting help from Houston and Dallas in its efforts to fight the U.S. Department of Energy's plan to dump the nation's high-level nuclear waste in Texas.

In his weekly news release, Agriculture Commissioner Jim Hightower gives quotes from his testimony at a public hearing last week in Houston.

Hightower's comments were at a Texas Department of Agriculture and the House Subcommittee on Hazardous Materials Transportation co-sponsored public hearing on the federal government's proposal to ship nuclear waste through the Port of Houston.

This proposal to ship the high-level wastes through Houston was what got the attention of Houston leaders.

Under the federal proposal, the nuclear waste would then be transported by rail or truck from the Port, through the city of Houston, up through Central Texas and on to the nuclear waste dump proposed for near Hereford. "DOE figures that few Texans would really be active in opposition, because the dump site is way out in our backyard--out in the Texas Panhandle. Never mind that we grow a big percentage of our food out in that backyard. DOE hoped the urban centers of Texas wouldn't notice, or care," Hightower said.

"Now we learn, however, that we're all tied to this dump more directly than we first realized. DOE is suggesting that the nuclear trash will be delivered to our backyard by bringing it in through our front door--the Port of Houston. And who knows what's going to fall out of this delivery between the Port and the Panhandle? We are all in this together--dock workers and dirt farmers, Houston and Hereford, and six million Texans in between," Hightower said.

"TDA has opposed the Panhandle dump proposal because it's insane to risk an area of Texas that produces 51 per cent of our wheat, 58 per cent of our corn, and supplies much of the world's planting seed. Over 3.5 million head of livestock are also raised in the Panhandle.

"Frito-Lay, Holly Sugar and Arrowhead Mills, the largest suppliers for much of the world's naturally-grown grains and other organic food items, also depend upon Panhandle farmers to supply them with fresh, quality products, Hightower said.

The Ag Commissioner said it was almost as if DOE took a map and pencil and tried to route the waste by as many other Texans as possible. One of the possible routes would have the trains and/or trucks passing through counties in which over six million Texans reside--every day.

Also testifying at the hearing was Houston's state representative Al Luna. "We just can't afford to let them contaminate two of our most important economic sectors at once: transportation in Houston and agriculture in the Panhandle," Luna said.

Others testifying at the hearing were corn, wheat and sugar beet farmers from the Panhandle, as well as officials from two of the major anti-dump organizations (STAND and POWER) in the Panhandle. Testifying from the Houston area were witnesses for the Sierra Club, Concerned Citizens for Rate Relief, the Municipal Organization, the Nuclear Safety League, as well as representatives from the Port of Houston, concerned unions, railroads, fire departments, emergency response teams and other public officials. Officials from DOE declined an invitation to testify at the hearing.

UNCLE AUSTIN SAYS: He who wants to do a great deal of good at once will never do anything.

Ky Graham and Roger Peace tied for first place in the sixth weekly contest in the Friona Star's annual fall contest.

Three of the contestants correctly picked 18 games, and they claimed the weekly cash prizes.

Wayne Jackson was the other contestant scoring an "18," and he took third place for the week. Graham and Peace divided first and second place money, \$8.75 each.

Graham and Peace both missed the Friona-Muleshoe tie-breaker score by 19 points, and Jackson's prediction was 26 points away from the actual score of 39-6.

Eight contestants correctly picked 17 games, just missing one of the cash prizes. They were Roddy Berend, Shy Burney, Mike Chaney, Robert Escalante, Daniel Hernandez, Glendel Jones, Ricky Saiz and John White.

Six more contestants had scores of 16 in a week when the scores weren't too high. They were Leo Escalante, Annette Frye, David Gowens, Joe Jackson, Mike Mariscal and Craig Trimm. The average score for the week was 13 or 14.

Graham missed Notre Dame-

Pittsburgh, Baylor-SMU, TCU-Rice, New England-N.Y. Jets, San Francisco-Minnesota and Seattle-L.A. Raiders.

Peace's misses were Clarendon-Canadian, Lockney-Springlake-Earth; Astros-Mets, Baylor-SMU, TCU-Rice, New England-Jets and 49ers-Vikings.

Jackson missed Hale Center-Olton, Astros-Mets, TCU-Rice, Rams-Falcons, Redskins-Cowboys and 49ers-Vikings.

Berend's score of 17 enabled him to pull into a tie with Phillip Johnson and Vicky Moss for the overall lead in the contest. All have scores of 99, averaging 16.5 points per week.

With his score of 16, Mariscal pulled into a five-way tie for second place, along with R.L. Blakely, Jack Clark, Patches Fleming and Joe Tongate.

Next, at 97, are Jo Blackwell, Mike Field of Dalhart, Jayn Looper, Donita Martin, Kent Patterson, Danny Stevens and Bobby Wied.

Scores of all the leading contestants can be found elsewhere. Contestants are shooting for a grand prize of \$100, to be awarded at the conclusion of the 13-week event.

Team Hosts Tulia In Big Game Friday

It's "out of the frying pan and into the fire" for the Friona Chieftain football team.

The Chiefs were visiting Littlefield on Friday, and will follow that up by hosting the tough Tulia Hornets next Friday, October 24.

Customers To Get One-Time SPS Rebate

Southwestern Public Service Company today filed with the Public Utility Commission of Texas (PUCT) this week to lower its fuel-cost factors on electric bills and to credit \$12 million in past fuel savings and interest to its Texas retail customers.

If approved, the fuel-cost factor on residential bills will be reduced from 2.7555¢ per kilowatt-hour (KWH) to 2.6096¢, beginning with December bills. The change will reduce overall rates by 2.5 per cent.

The one-time credit will lower December's bill by \$13 for a "typical" residential customer who uses 600 kilowatt-hours of electricity monthly, said Sam Hunter, SPS vice president of rates and economic research. The lower fuel rate will result in an ongoing savings of 88¢ a month for the same "typical" customer.

The Chieftains have been hit hard by injuries, and were playing at Littlefield without the services of linebackers Peter Malouf and Albert Trevino.

After their tough battle against Littlefield, it would have been good to have played a lesser team the next time out, but that's the break of the schedule. At least the Chiefs get to host the Hornets.

CO-WINNER...Ky Graham tied for first in the Friona Star's football contest. The other winner, Roger Peace, was not available for a picture. Making the presentation is Erma Brown of Sis-Son's, one of the contest sponsors.

NEW MOTEL... Construction is well underway on the new motel being built on West Highway 60 by Sutter's. The new motel will have 25 units. This is the same company that recently built a new motel in Hereford.

Economic Seminar Is Slated Thursday

The economic health of a community depends on the planning and initiative of its citizens. That means staying abreast of tax laws, learning how to maximize assets, and developing strategies to meet individual needs.

That is what "TaxWise Update and New Investment Tools" is all about. The financial seminar scheduled for Thursday, October 23, is sponsored by the Friona State Bank and the Don and Sybil Harrington Cancer Center.

All area residents are invited to enact with regional experts on finance and investments. The seminar begins at 7 p.m. at the Friona State Bank.

"These seminars are an excellent opportunity for the Harrington Cancer Center to provide financial information on charitable giving and to encourage participants to make more intelligent giving plans that will benefit them and their families and the community," says Charlotte Rodes, director of development at the Cancer Center.

During the program Don Rowe of Amarillo will review the major tax law changes and their impact. John F. Saucier of Amarillo will explore investment tools such as

Court OKs Fee Hike

The county commissioners met with Sheriff Bill Morgan on Monday, as the sheriff discussed a proposed change in fees his office collects, as opposed to the costs involved in some of the situations.

Sheriff Morgan presented his recommendations for new fees, and a motion was unanimously approved to accept this list of new changes for services by the Sheriff's Department effective November 1.

A motion was passed to pay the boarding care bills for the county's foster children, in the amount of \$3,570. This amount will be reimbursed to the county.

The court approved payment of \$284 to District Attorney Johnny Atkinson for expenses involved in attending a training conference.

The quarterly County Treasurer's report was approved, with the notation that the report be published in the county's three newspapers.

A bill from Shot's Tree Trimming of Clovis was approved for work on the trees on the courthouse lawn, in the amount of \$1,440.

Soil work for three locations in Precinct 1 and four in Precinct 3 were approved. The work will be performed by county machinery when it is not otherwise needed. The cost of such work is paid for by those requesting the work.

trusts, wills, and estate planning, to manage assets. Bennett G. Cook of Lubbock will discuss new strategies to maximize giving through insurance investments. The panel will also address developing a personal strategy to meet financial needs effectually in the future.

The prospect of major tax law changes has kept American investors in suspense for months. Because those changes take effect in January, 1987, investors must now work quickly to take

School Announces Tax Rate For '86-87

The tax rate for 1986-87 was set by the Friona School Board at its regular meeting Monday night. The rate will be 77 cents per \$100 evaluation. Due to the increase in valuations, this is down from the 85-cent rate of last year.

"This will create about a \$26,000 budget deficit for the year, but there are surplus funds available, and the board elected to use these funds in order to keep the rate as low as possible," said Superintendent Tom Jarboe.

The overall budget expenditures for 1986-87 for Friona Independent School District is \$4,565,700. This compares to that of \$4,581,687 for the previous year.

P-TA Begins Fund Drive

The Friona P-TA began a money-making project this week to provide equipment for the elementary school. The money will be used to set up a fund for new playground equipment, and to buy a projection screen for the cafeteria.

The elementary children have begun selling gift items from a brochure. They are taking orders at the present time, and will collect the money when the products are delivered. The products are to be delivered in three to four weeks.

The kindergarten and first grade children were not given brochures, so if your child is in either of these grades and would like to participate, you may contact Sharen Black at 301 East 11th for a brochure.

The children will also earn prizes for their sales work. Four items wins a Garfield pencil; eight items wins a pencil and a poster; 15 items wins a pencil, poster and a duffel bag with "Friona Chieftains" on it.

"Help support your local P-TA and your school," Mrs. Black said.

advantage of this new situation. For example, Rodes says, in some cases, it may be more beneficial for citizens to give their 1987 charitable dollars during 1986.

"It's a strong educational program for the short and long term," Rodes says. "For the short term, it gives the public more insight to make that initial gift for the 1986 deduction. Because of the economy, the long term planning will benefit the individual as well as the organization he or she supports."

Twenty-two per cent of the taxes collected will be designated for bonded indebtedness.

The tax rate was adopted after the school received a certificate of its 1986 property values from the appraisal district's office.

It was reported that 96 per cent of the 1985-86 tax roll had been collected.

In other business, the board reviewed the Texas Teachers' appraisal system, and adopted a policy that the second observation by the supervisor would be scheduled in advance for the 1986-87 year only.

Final adoption of procedures for the drug deterrent program through use of drug dogs in school was approved.

The board approved the junior class' request to hold the Junior-Senior Banquet at the Hereford Country Club.

Jarboe gave his monthly reports on the school funds, and September bills were approved for payment.

Area Gets Freeze On October 12

After experiencing a weekend of rain and the season's first freeze, the weather in the Friona area has been good during the past week.

But the area suffered its first freeze a bit early--on Sunday, October 12. The temperature stayed below freezing virtually all morning on Sunday, before getting above the 32-degree mark.

The cotton crop probably suffered the most damage from the freeze, although the late milo may also somewhat on its yield.

Corn farmers were boosted by the week of dry weather, and at week's end some were hoping to get back to the corn harvest, and pulling for the nice weather to hold out awhile longer.

Friona Flashbacks

55 YEARS AGO--OCT. 2, 1931

For the past several weeks, the city water well has been losing interest in its job of supplying water to people of the city, until an inspection of the pump by water works superintendent L.G. Symphon revealed that the bearings in the rotary pump were so badly worn that it was necessary to send it to Amarillo for repairs.

50 YEARS AGO--OCT. 2, 1936

Mr. and Mrs. A.D. Smith announce that they will move to Farwell on or about the first of October for permanent residence. Mr. Smith will be elected as County Attorney on November 3. The duties of his office will require him to live at Farwell, so they have found a suitable place to live in the county seat.

45 YEARS AGO--OCT. 2, 1941

Announcement was made this week that the Lions Club will sponsor a Boy Scout and troop and a Cub Scout pack in Friona. An organizing committee, composed of Tiny Magness, Pete Buske, R.J. McReynolds, Glenn Reeve and Frank Spring is making plans for getting scout work started. The organizing group have named Frank Trout as scoutmaster, with Ed Williams assistant. Joe Wilson is leader of the Cub pack and Virgil Elms is his assistant.

40 YEARS AGO--OCT. 4, 1946

The Friona Chieftains won their first game of the season at Lockney last Friday, when they beat the Lockney Longhorns by the score of 12-6. The Chiefs showed much improvement over their previous games. Miller did the scoring for Friona.

35 YEARS AGO--SEPT. 27, 1951

Bids for construction of a fire station in Friona will be let quite soon, according to announcement this week by Mayor Mack Bainum. Plans are for construction to begin before cold weather of the two-truck station. Location will be on the city-owned lots just north of the park on Main Street.

Who is going to win the World Series: Ed White, "I guess it's

going to be the Brooklyn Dodgers and the New York Yankees. My favorite team is the St. Louis Cardinals, but don't think they have a chance."

30 YEARS AGO--SEPT. 20, 1956

Friona's gala 50th Anniversary celebration will be held this weekend, with a parade, watermelon feed, basket dinner, post office dedication, entertainment by the Serenaders of Lubbock, a free barbecue, pancake breakfast, and a pony express race highlights the event. A special program for guests and pioneers will be conducted at 4:30 p.m. on Friday.

25 YEARS AGO--SEPT. 21, 1965

Albert Field, Friona City Manager, officially submitted his resignation to the City Council Tuesday at 8 p.m. during a called meeting. Field will assume similar duties at Muleshoe.

Kay Burleson was crowned Maize Days Queen as a highlight of Maize Days in Friona last weekend. Miss Burleson was sponsored by the Friona Star. First runnerup was Janet Buckley and second runnerup was Sharon Reeve.

15 YEARS AGO--SEPT. 30, 1971

The Friona Police Department was instrumental in stopping and apprehending a man Monday who allegedly took \$89 in cash and three tapes from a Clovis store, and then tried to outrun officers in a high-speed chase between Farwell and Friona. Frederick Lee Talbot, 33, who gave officers several addresses but is believed to be from Akron, Ohio, was stopped in Friona by a road block set up by Chief of Police Bill Denney and patrolman Billy Lucas.

10 YEARS AGO--OCT. 3, 1976

Open House for Prairie Acres, Friona's nursing home facility that opened August 3, was held at the facility with a flag-raising ceremony beginning the activities. Next will come a recognition of special guests, a history of the project, a dedication ceremony and a graduation ceremony for the

home's Nurse Aides.

Sharla Bengé was crowned Friona's Maize Queen for 1976-77 in the annual Maize Queen Pageant Thursday night at Friona High School. The 16-year-old daughter of Mr. and Mrs. W.S. Bengé, Sharla is a junior at Friona High School. First runnerup in the contest was Diane Westbrook, daughter of Mr. and Mrs. Dale Westbrook. Second runnerup was Faith Mays, daughter of Mr. and Mrs. Harrell Mays.

5 YEARS AGO--OCT. 18, 1981

Area farmers, already beset by too much moisture during harvest-time, were hit a double lick this past week, as an additional two inches of rainfall was received in the local area.

Parmer County Farm Bureau was in the process of moving its office this week, and planned to be in its new location on East Highway 60, the former Adams Drilling location, as of Monday, October 19.

OCTOBER IS CO-OP MONTH

From sunrise to sunset all across the nation...

40,000 cooperatives work hard for their member-owners and their communities.

In big cities, small towns and rural areas, cooperatives owned and operated by 60,000,000 people provide a tremendous variety of goods and services—electric and telephone service, farm credit, credit unions, farm marketing and farm supply, food, health and day care, and insurance.

Cooperatives work because they meet people's needs efficiently and economically. That's why co-ops have scored high marks for quality goods and services for more than half a century all across America.

Co-op people point with pride at what their cooperatives have achieved for their friends, neighbors and communities. Co-ops are true American success stories.

When cooperatives work, all America benefits.

Freshmen Romp Over Muleshoe

The Friona High School freshman team downed Muleshoe in a game at Muleshoe last Thursday by a score of 38-6.

Brian Brogden passed to Andre Duran on a 50-yard touchdown play for Friona's first score, and Benny Vasquez ran for two points.

Duran ran it in from five yards out, and Brogden ran for two

points as Friona took a 16-0 lead.

Duran scored two more touchdowns, on runs of two and six yards, and Clint Deaton had a five-yard touchdown run spliced between the two runs.

Duran added another two-point conversion, and Brogden passed to Vasquez for a two-pointer. The team's last PAT try failed.

Duran ended up with 119 yards on 20 carries. Deaton gained 63 yards on 11 carries, and Vasquez gained 35 yards on six tries. Brogden passed for 65 yards.

The win left the team's season record at 4-1.

MARK MONTOYA, a 1983 graduate of Friona High School, is currently punting for the Eastern New Mexico University Greyhound football team. A one-year letterman for the Greyhounds, Montoya is currently averaging 40.0 yards per punt. The 5-9, 175-pound junior transferred to ENMU from the University of Texas at El Paso. He made all-district four years in football at Friona High School, and also lettered in basketball and track. A business administration major, he is the son of Mr. and Mrs. Mark Montoya of Friona. ENMU is a member of the NCAA II Lone Star Conference.

JV Falls To Mules

The Chieftain junior varsity continued its bad luck, dropping a 56-22 decision at Muleshoe last Thursday night. The game was played on a cold, rainy night.

The Chieftains scored in the first quarter on a 41-yard keeper play by Cody Burney. Burney passed to Chuck Sutter for the two-pointer.

Friona scored twice in the fourth. Burney passed to Cody Bracken for one TD, and Bracken ran in from five yards out. Burney passed to Jerry Lafuente for a two-pointer after Bracken's second TD.

Bracken gained 80 yards on 17 carries, Burney added 45 yards on four carries, and Ben Osborn had 28 yards on ten carries.

Burney completed ten of 20 passes for 190 yards, and had no interceptions.

OFF TO RACES...Chieftain quarterback Daniel Echols scored two touchdowns and gained 178 yards in just over two quarters of play last Friday, to pace the Chieftains to a 39-6 win over Muleshoe in the district opening football game. (Photo by Nita Clark)

Chiefs' Offense Hits Peak Over Muleshoe, 39-6

The visiting Mules started the game with a bang, but after Friona learned to handle the ball in the rain, the Chieftains prevailed to win a 39-6 District 2-3A game at Chieftain Field last Friday.

The first quarter was played in a driving rainstorm, as Muleshoe deferred the choice of receiving. The wind was blowing from the south at a high velocity, and the Mules took the wind to begin with.

It proved to be a good choice, as the wind whipped the rain into the Chieftains' faces throughout the first quarter.

After forcing a punt, Muleshoe took over on their own 41. On their first offensive play, Armando Del Toro sprinted 59 yards up the middle to stun the Chieftains with a score. A try for two points failed, but Muleshoe had grabbed a 6-0 lead with only 2:09 elapsed in the first quarter.

It really looked like the "Twilight Zone" a minute later, after the Muleshoe kickoff. Quarterback Daniel Echols made a nice 11-yard run, but as he was tackled the ball popped loose, and Muleshoe had it at the Friona 32.

The Chieftain defense dug in, however, and took over at the 30 four plays later.

It was third and five from the 35-yard line, when the Chieftains were needing a good play to keep from having to punt into the stiff wind once again. Echols provided the play.

The Chieftain quarterback took the ball on a bootleg play, and swept to the right. He passed the middle field stripe, and evaded a defender at about the Muleshoe 40 on the near sideline, then cut back upfield and sprinted into the end zone.

Echols' nifty 65-yard run not only avoided a Friona punt, but tied the game at 6-all. The snap on the PAT was a little off, and Shy Burney elected to try for two points, which didn't work.

Muleshoe recovered another Friona fumble late in the first quarter, but the defense again returned, taking over on their own 32.

Jimmy Williams burst up the middle on a 19-yard gain to the Mules' 35 as the quarter ended. Lonnie Phillips' running advanced the ball to the Muleshoe 13. Echols tried to hit Rod Britting with a TD pass, but Britting couldn't hold it.

Sam Montoya came on to kick a 25-yard field goal and give Friona its first lead at 9-6 with 8:07 left in the second quarter.

Now, the Mules were heading into the south wind, although the rain at least had quit. Friona took over the ball at their own 46 after forcing Muleshoe to punt into the wind.

Williams gained 12 for a first down, then Phillips had a nice 17-yard run to the Muleshoe five. Three plays later, Phillips cracked over from the one. He was hit at the goal-line, but bounced off and squirmed into the end-zone. Montoya's kick made the score 16-6 with 2:44 left in the half.

But the Chieftains, remembering their Pampa win, knew that they still had plenty of time to score again. Friona again held, and took over after a short Muleshoe punt into the wind, at the Mules' 45-yard line.

Friona was hit with a holding penalty to start the series, moving the ball into their own territory. This eventually brought up third and 17, and again set the stage for Echols.

He took the ball and dropped back as if to pass, but quickly turned it into a quarterback draw play. The Muleshoe defense had reacted perfectly, and was spread out expecting a pass. Daniel zig-zagged his way 52 yards for his second touchdown. Montoya's kick made the score 23-6 at the half.

On Muleshoe's first series of the second half, Britting ended a brief Mule flurry by intercepting a Muleshoe pass. He made a nice return, although a clipping call moved the ball back to the Mules' 48.

Echols picked up where he had left off in the second quarter, dashing 29 yards on the keeper

play to the Muleshoe 16. Six plays later, Phillips cracked over from the one, and Friona's lead was 30-6 after Montoya's kick at the 4:57 mark.

Friona was rolling again after a bad Muleshoe punt. Phillips got a pair of first downs to the visitors' 30 and then the ten, but Williams fumbled and Friona had its third turnover of the night.

It happened again the next time Friona had the ball, as the slippery pigskin popped away from Phillips at the Muleshoe 14. This time, the Mules returned the favor.

Friona still couldn't drive it in, finding themselves on the Muleshoe 24 with fourth and five. Montoya came in to boot a 41-yard field goal that hiked the Chieftains' lead to 33-6 with 7:20 left in the game.

Muleshoe continued to suffer on its punting game, getting a kick partially blocked that Friona recovered at the Muleshoe eight.

Patches Fleming, who had come on in the second half to relieve Echols, directed the short scoring drive. Williams covered the distance in three tries, going in from the one with four minutes left in the game. Burney decided to try for two points on the PAT, but it again didn't work, and the score remained 39-6. That turned out to be the final score.

Echols' running spurred the team to its biggest offensive night of the season—410 yards rushing. The Chieftain quarterback led the way with 178 yards on eleven carries, a whopping 16.2 yards-per-carry.

Jimmy Williams added 126 yards, and Lonnie Phillips 90 yards.

Defensively, the Chieftains held Muleshoe to 109 yards. The Chiefs rank second in the South Plains region on defense, allowing an average of just 145 yards per game after six games.

Coach Tommy Moss was able to let a lot of players see action in the game. "We played everyone who wasn't already starting on the other side of the line. We could have made it a lot worse, but we

didn't want to get anyone else hurt," the Chieftain coach said.

Moss said he felt that on defense, the team's front four played an outstanding game, especially Jeff Chaney and Shane Hand. John Cass has shown great improvement at defensive end, Moss said.

On offense, Coach Moss singled out Reese Hand, Tracy Carthel and Jerry McDowell for good performances, and Rusty Rainey for continued improvement.

Letter To The Editor

Dear Editor:

The guest editorial by Lawrence D. Pratt was distressing to me.

"Making English the official language of the U.S. is an idea whose time has come." How ridiculous! English is and has always been our official language. Who can graduate from high school without English? In Texas, for example, one may take two of the three required English courses in English as a Second Language (E.S.L.) The third year must be taken in the regular English program. The course, by the way, is entitled English as a Second Language for the painfully obvious (but apparently not to all) reason that some unfortunate souls actually are born into this world into non-English speaking families; therefore, making English their second language even when they speak English very well.

Texas' students must pass the T.E.A.M.S. test in order to graduate. It is not a difficult exam, but it is entirely in English.

Who can advance in a job or go to college without speaking English? Colleges require foreign students to pass the T.O.E.F.L. exam before they are admitted. It is a very sophisticated, difficult exam that many native speakers would be unable to pass.

Mr. Pratt then states that the "rhetoric that we hear about bilingualism from some of the Hispanic groups especially sounds too much like the rhetoric that was heard in Canada that resulted in the divisiveness that so damaged that nation." The Canadians didn't attempt two (bilingual) languages. They attempted to impose one language. Secondly, I have never in all my years of dealing with bilingual education ever heard an Anglo, an Asiatic, or a Hispanic group contend that everyone should speak English, Chinese, Korean, or whatever.

There are many ideas about how best to teach children or adults to speak English; however, I've never seen an approach that avoided teaching English!

I have a tremendous need to reassure the citizens of Friona-Anglo or Hispanic-that the F.I.S.D. I know has the goal of success for all of our students. We know that we must help them understand, speak, read, and write English. All of us are under a great deal of pressure because we do care about our students. We desperately want them to know that their home language-whatever that might be-is beautiful and worthwhile.

We also know that we have to try the best methods we know to teach English. We want them to be able to go to the grocery store,

attend church, belong to civic groups, find good jobs, and live happily in an English-speaking nation.

Mr. Pratt advocates "an intense period of instruction, perhaps as much as a semester" in order to prepare the student for the regular curriculum. Before seriously considering Mr. Pratt as an expert, please consider an intense semester of Korean or Spanish or whatever foreign language for yourself, and then really expect yourself to pass high school subjects in that language. Mr. Pratt is no doubt a brilliant linguist. Few of us would survive.

Peggy Hamil

Dear Editor:

Your article on "English First" reminded me of a clipping I've had for some time, and wanted to share excerpts with you:

"Frank Trejo had an article alleging that bilingual programs are hurting students of today. Since he is an American of Spanish descent, I commend him on bravely asserting what many of us in the educational field know.

"Having taught school for nearly 20 years, I sincerely believe children are being de-educated, and bilingual education contributes much to this condition, along with the over-abundance of extra-curricular activities.

"My maternal grandparents came from Germany, and not only did they learn to speak English, but they also saw to it that their children-one of whom was my mother-learned to speak English.

"My father and his brother came to America from Czechoslovakia, leaving all of their kindred behind, because they wanted to become Americans. It was a choice they made and they had no desire to "ride the fence." They learned English and also saw to it that their children learned English.

"Think what would happen if, along with Mexicans, the Germans, Czechs, Polish, French, Italians, Finns, Swedes, etc., would demand that we become multilingual to accommodate a whim of each nationality. That's right-it would produce utter confusion.

"That is exactly what happened at the Tower of Babel (Gen. 11: 1-9). The people were all of one speech and God confounded their language so they could not understand one another. That was a punishment from God, but man is responsible for this bilingual confusion."

Thank you for letting me share this with your readers.

Rushing Total Is Most In 18 Years

The 410 yards gained rushing against Muleshoe here last Friday were the most rushing yards by a Friona Chieftain team in the past 18 years, a check of the records revealed.

This was the biggest total since the 1968 Chieftains, paced by Tony Perea, gained 434 yards against Farwell, and 426 yards against Hale Center.

The 1963 Chieftains amassed 412 yards against Bovina, and the 410 yards against the Mules is the fourth highest total in FHS history, as far as records are available.

Other big rushing games have been posted by the Chiefs against Morton in 1977 (405); Morton again in 1971 (403); Farwell in 1983 (401) and Crosbyton in 1968

Following are the top 15 offensive games on record:

Vs. Team, Year	Tot. Off.
Springlake-Earth, 1973	567
Farwell, 1968	500
Bovina, 1984	481
Morton, 1971	455
Bovina, 1963	451
Farwell, 1983	448
Dalhart, 1972	445
Hale Center, 1968	443
Lockney, 1972	426
Morton, 1977	413
River Road, 1983	411
Tucumcari, 1968	410
Muleshoe, 1986	410
Happy, 1963	408
Crosbyton, 1968	396

(396). The Chiefs had no passing yardage against the Mules, so did not challenge the all-time total

offense mark of 567 yards gained against Springlake-Earth in 1973. In that game, Friona gained 343 yards rushing and 224 passing.

Prairie Acres Party Line

By DONNA ECHOLS

This week has been fairly active since we have had quite a bit of company. Alice Allen has not been feeling well and some of her family and friends have been here every day. Mr. Echols' son and wife from Denver were here along with his daughters from Amarillo and O'Fallon, Missouri. Olive Lawrence had company on Wednesday and Jessie McSpadden's daughter from El Paso was here.

Hallie Briscoe, Ruth Edelman and Earl Drake are still in the hospital.

We want to thank Baker Duggins for bringing some large print Reader's Digest Magazines for us to enjoy. We also appreciate Connie Neelley for her continued visits to the home and Elizabeth McLellan for coming by frequently. Seeing familiar faces often helps us keep in touch with the outside community.

Thanks to Gertie Murphree for sharing a Bible study with us each month and for the watermelon she brought Wednesday for us to

enjoy. Mr. Holley brought us some fresh cut flowers this week and Mr. and Mrs. Alan Clark gave us several beautiful pot plants to enjoy.

Jinx Snead and Eloise Cosca brought us some Christmas cards to use and we thank them. Jeanette Thorn and Susan Renner brought some fabric scraps to use for quilting and we are excited to be busy this winter making quilts. Wana Brewer gave us a foam bed pad to use and others have helped in various ways. We thank all of you who remember the home throughout the month.

Employee Diana Perez will celebrate a birthday on October 20.

The Sixth Street Church of Christ held our services Sunday and the Pentecostal Church will be here this Sunday at 4 p.m.

The Sixth Street Church of Christ women did nail and hair care on Tuesday and the First Baptist will be here this Tuesday.

Thank you to the Bank for birthday flowers to the residents who have birthdays this month.

CHRISTOPHER CARRILLO

Carrillos Have Boy

Chris and Faustina Carrillo of Friona are the parents of a baby boy born Friday, October 3, at 1:30 p.m. in Northwest Texas Hospital in Amarillo.

Named Christopher M. Carrillo, Jr., the new arrival weighed four pounds, twelve ounces and was twenty-two inches long.

Chris is the first child for the couple.

Grandparents are Andrew Carrillo of Burns, Oregon and Rimalda Mendoza of Friona.

Happy Birthday

WEEK OF OCTOBER 18-24
Friona residents having birthdays next week are:

October 18--Shirley Smith, Rhea Foster, Rondee Clark.

October 19--Sarah Osborn, Kenny Sifford, Trip Horton, Sherri Shelton, Danny Kendrick, Nellie Shelton, Edward White, Myrtle Melton.

October 20--Monty Ray Schueler, Mrs. Leila Penn, Brian Edelman, Travis Stone, Naomi Stephens, Gena Wright.

October 23--Leslie Cargile, Pam Spring, Randy Lewis, Wendi Rena Barbaree.

October 24--Jack Moseley, Ann Graves, Patsy Bandy, Winfield Davenport.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

Olga Vega Is Hon. Mention In Art Show

Olga Vega of Friona received an honorable mention in the painting category in the recent Texas State Technical Institute Sesquicentennial Amateur Art Show.

Her watercolor of a white bird was entered in the TSTI Student Division.

Vega, daughter of Jose N. and Ursula Vega of Friona, is a 1985 graduate of Friona High School. She is a commercial art in advertising student at TSTI.

It's A Boy For Schuelers

Clint and Rhonda Schueler of Arlington became the parents of a baby boy, named David Lynn, on October 12 at 9:30 p.m. in Arlington, Texas.

The new arrival weighed six pounds, nine ounces. David has an older brother, Phillip, age seven.

Grandparents are A.L. Nuttall of Bovina, Lou Nuttall of Amarillo, and Mr. and Mrs. Norbert Schueler of Bovina.

Great-grandparents are Zona Jerrell of Clovis, N.M., Al Berry of Littlefield, and Nolan and Lucille Nuttall of Sturgis, South Dakota.

Sr. Citizens To Meet Here

The Friona Senior Citizens will meet Tuesday, October 21 for their regular covered dish luncheon.

A representative from Bellone, as well as a nurse to take blood pressures will be on hand.

A game session will be held in the morning, beginning about 10 a.m., and also in the afternoon, following the program.

All Senior Citizens are invited to attend, bring a guest, and a covered dish.

J. Pierce To Give Program At Lazbuddie

Janette Pierce, county Extension agent on home economics, will present a program on "Fajitas" Tuesday, October 21.

The program will be held in the Lazbuddie High School Cafeteria beginning at 7 p.m.

The public is invited to attend.

COMBEST COMMENTS

by Congressman Larry Combest

The United States Congress recently voted to overhaul the nation's federal tax code. This so-called "tax reform" legislation will ultimately impact each and every taxpaying citizen.

I voted against the bill and I would like to tell you why:

Tax reform was born with three basic goals in mind -- fairness, simplicity and economic growth. These are goals I share and have worked for since I was elected to Congress. Unfortunately in the 22 months that followed, this tax bill became the focus of too much political rhetoric and too little careful review.

Let me say from the beginning that there are portions of this legislation that I like. There is obvious good in tax law changes that reduce marginal tax rates and eliminate tax loopholes and special preferences. For us in West Texas, however, the good just doesn't outweigh bad.

I visited with and heard from thousands of people in the 19th District in an attempt to have their input and thoughts about this bill. It became evident that Washington, D.C. was caught up in "tax reform euphoria" -- West Texas was not. From Dimmitt to Denver City, main-street merchants, farmers, oil producers and people from all walks of life expressed their fears and opposition to the bill.

I share this concern and believe the tax bill will unfairly penalize us in West Texas. We will lose our state and local sales tax deduction. Farmers lose their income averaging deduction, investment tax credits, and much of their farm equipment depreciation. Those planning for the future lose a sizable portion of their IRA deduction. And as consumers, we ultimately lose by paying higher prices when our shop keepers and store owners are forced to pass along their higher taxes.

Another frightening aspect of this tax reform legislation is that there are predictions and rumblings in Congress of raising the individual rates again in an effort to meet deficit reduction targets. Just one week before the House voted on the tax bill, House Ways and Means Committee Chairman Dan Rostenkowski (D-Ill) said, "We all know that we're going to raise taxes." Mr. Rostenkowski did stop there, saying, "I have long been a strong proponent of tax increases to shrink the deficit" and "everyone knows we will eventually need a tax increase...the increase in revenue should come through higher, progressive rates on income."

Increasing individual tax rates on the heels of repealing individual deductions would result in individuals paying more taxes than ever before. I fear that this tax bill will make it easier to force even higher taxes on the American people. It echoes the old Democrat philosophy of tax and spend, tax and spend.

I do not believe that this tax legislation is the best that Congress can do. If we are ever going to truly reform our tax code we should do the job right. The American people expect more and we in West Texas deserve more from the United States Congress.

They kept down the cost of electricity.

In the past three years, while national electric costs went up more than 12%, most SPS residential customers paid about the same... some even less! For this you can thank SPS people and their conscientious, efficient efforts.

SPS people are doing all they can to keep the cost of electricity as low as possible.

Athletes Do Well On Grades

All members of the varsity football team had passing grades at the six-week report period, according to Coach Tommy Moss. The JV team lost one player, and the freshmen lost two to grades on the "no pass, no play" rule. In addition, the JV has had three serious injuries, including a knee injury to quarterback Cody Burney, and the status of the team was in question with three weeks remaining.
