VOLUME LXIII

HICO, TEXAS, FRIDAY, FEBRUARY 6, 1948.

NUMBER 38.

● Loose litter on the floor of the poultry house provides better insulation than packed material; therefore frequent stirring is advisable.

● Cows exposed to cold weather and winter winds use up much of their feed to keep warm.

● Camp Fire Girls are a big factor among rural communities and are doing much to conserve our natural resources and build a better nation.

● Cornell scientists report successful tests with ammonium thiocyanate in the control of quack grass and other perennial weeds in nurseries.

● Nutritional values of meat and milk from animals fed on plants from properly limed soils are superior to those fed on plants from soils very low in available calcium.

● We have depleted our soil at a faster rate than any other nation in the history of the world.

● Once established, Western wheat grass withstands constant grazing by livestock.

● Dr. L. E. Carpenter of Hormel Institute at the University of Minnesota has found that the addition of a trace of copper in the diet of a pregnant sow increases the number of pigs farrowed.

● Ruffed Grouse, by John Alden Knight, published by Alfred A. Knopf, New York City, \$4.50, is first of all a practical guide, including full information on hunting methods, cover, distribution, seasonal fluctuations, clothing, dogs, guns, loads and leads. It also deals with breeding, history and habits of the grouse.

● It is advisable to feed hay to workstock at night so that animals will have ample time for mastication and digestion of the roughage.

● Heavy producing hens consume relatively large amounts of oyster shell. One pound of shell contains only enough calcium for about eight dozen eggs.

● Silage made from poor corn has almost equal feeding value as silage made from a normal corn crop.

● It takes nature from 200 to 1,000 years, or longer, to build one inch of topsoil. Therefore, a seven-inch layer washed or blown away through erosion means at least 1,400 to 7,000 years of nature's work lost forever.

PEEK AT THE STARS

By LYN CONNELLY
NWNS Radio-Screen Editor

FOLLOWING her annual ice show tour, Sonja Henie will head back to the west coast where she will make another movie. . . . Her revue this season was one of her best. . . .

Despite derogatory remarks concerning the skater's unpleasant disposition, two important factors remain in her favor. She is undoubtedly one of the most skilled artists the ice has ever produced and she always gives her all in putting on the most elaborate show possible. . . . Her skating partner, Michael Kirby, Canadian skating champion who has a contract with MGM, should do for skates what Esther Williams did for the bathing suit. . . . He has everything.

Apologies to ABC for sounding off on their apparent indifference toward Henry Morgan. . . . They didn't let their ace comedian down after all, but found another sponsor for him and gave him a better time to boot. . . . He's on Thursdays now (beginning January 29) at 7:30 in all time zones.

Cary's An Angel
You can always depend on a Samuel Goldwyn production if you want to see an especially good movie and Sam has another winner in "The Bishop's Wife," as light and frothy a comedy as you'd hope to see. . . . Because too many people were staying away due to the title, which seemed to indicate heavy drama, the studio lengthened it to "Cary and the Bishop's Wife" . . . Cary Grant, as the angel who straightens out all the bishop's problems, is delightfully capricious in his best role to date. . . . If its entertainment with plenty of hearty laughs you're seeking, by all means look up "The Bishop's Wife."

Harold (Gildersleeve) Peary estimates that Giddy has used his famous chuckle 5,000 times since the character was born ten years ago. . . . Judy Canova invited a crowd in to watch the Rose Bowl game on her television set, charged a fee for seats and refreshments and turned the proceeds over to the United Nations' children's charity. Nice going!

Navy airfield crash and fire-fighting crews are being trained in tactics designed to complete the rescue of all passengers and crew from a crashed or burning airplane within two minutes after the accident.

PAGING MR. MARSHALL . . . Maria Balazova, 79, is shown at LaGuardia field, New York, on her arrival from her native Prague, Czechoslovakia. She had a card attached to her chest which read: "I look for Mr. Marshall." She was enroute to join her daughter in Chicago.

Hamilton-Coryell Soil Conservation District News

Vernon Jenkins, whose farm is 1 1/2 miles southeast of Hico in the South Hico Conservation group on the Bosque River, has recently released the figures on the financial benefit from grazing 15 dairy cows for 3 1/2 months during the late fall and early winter of 1946-1947, on 29 acres of Abruzzi rye and hairy vetch which had been inoculated and fertilized with 200 pounds of superphosphate per acre. Before starting the grazing of this crop he was feeding the 15 dairy cows 120 pounds of ground feed per day at a cost of \$3.50 and 500 pounds of alfalfa and grain sorghum hay at a cost of \$4.25 per day making a total daily feed bill of \$8.15. After turning the cattle on the vetch and rye he reduced the daily ground feed from 120 pounds to 75 pounds per day at a cost of \$2.62, and reduced the hay from 300 pounds to 120 pounds per day at a cost of \$1.70 per day. Thus the daily feed bill was reduced from \$8.15 to \$4.32 and in addition the daily milk production was increased 17%.

Mrs. Ray Wickman, whose farm is 3 miles southeast of Fairy in the Live Oak group, has 40 acres of hairy vetch with small grain to which 200 pounds of superphosphate per acre has been applied. The farmstead type of Water Facilities is the most popular and because of the nominal expense of installation, has enabled many family-type farmers to have modern water systems available to meet the average needs of the farm.

Both tenant and landowner may qualify for the loans, provided funds cannot be obtained otherwise. Interested farmers may consult with Mr. Wells at his office in the Courthouse in Hamilton on any Tuesday.

Testing carrier aircraft and V-bombs together, the Navy hopes to adapt rocket warfare for surface vessels. First firing was with a captured German V-2 from the deck of the USS Midway at sea.

WAA still has some heavy industrial equipment, including locomotives, to sell in Texas and elsewhere. A new listing of this equipment, also including a dynamometer, is being released through the Customer Service Centers. The locomotives and other items are being offered at fixed prices according to the standard priority sequence. Closing date for the sale is February 6.

Over half of our fires have been in homes. The condition is especially grave in the face of the housing shortage.

Matches and cigarettes were the number one cause of fires in 1947. Electricity was the next greatest cause with trash and rubbish third. The fourth most frequent cause of fire was kerosene stoves and fifth, gas stoves.

Hall said gasoline and kerosene fires are on the increase as well as heating equipment fires, such as gas, oil and kerosene stoves and heaters; chimneys; and water heaters.

Dentist to Occupy Annex At Hico Hospital & Clinic

Completion of a dental annex at the Hico Hospital & Clinic awaits only more favorable weather for early completion, according to information received this week.

The new unit will house dental quarters, and will be occupied as soon as completed by Dr. Fred R. Chastain, who expects to open his local office February 14.

Dr. Chastain, who is 27 years of age, finished Texas University School of Dentistry last Spring and entered in a partnership for the general practice of dentistry at Aransas Pass, where he has been located for the past year.

A desire to live in this portion of the State actuated the young dentist in his decision to come to Hico. The local Chamber of Commerce has been interested in securing for the town a resident dentist and took the matter up with the Texas Dental Association, who in turn publicized the opening through their monthly magazine.

Dr. Chastain is well recommended as proficient in his profession and reliable in business, and as a private citizen. He will be welcomed by the Hico people who join in wishing him success here.

Water facilities loans of the Farmers Home Administration are available to farmers of Hamilton County for the purpose of constructing, installing, or repairing water systems, according to Robert A. Wells, County Supervisor of the Farmers Home Administration.

Six families of this county have already obtained FHA Water Facilities loans and have benefited thereby. In addition to improving the supply and promoting water conservation, these farmers have been able to irrigate small gardens and what is more important, have provided a safe drinking water supply for the home and been able to increase livestock and food production—important steps in our peacetime economy.

The Water Facilities program of the Farmers Home Administration is an attempt to cure one of the ills of American agriculture. Adequate water supplies, convenient to the points where water is needed, are essential to the success of any well-balanced farm enterprise.

According to Mr. Wells, an adequate water supply on the farm is the difference between success and failure in many instances.

The farmstead type of Water Facilities is the most popular and because of the nominal expense of installation, has enabled many family-type farmers to have modern water systems available to meet the average needs of the farm.

Both tenant and landowner may qualify for the loans, provided funds cannot be obtained otherwise. Interested farmers may consult with Mr. Wells at his office in the Courthouse in Hamilton on any Tuesday.

WAA still has some heavy industrial equipment, including locomotives, to sell in Texas and elsewhere. A new listing of this equipment, also including a dynamometer, is being released through the Customer Service Centers. The locomotives and other items are being offered at fixed prices according to the standard priority sequence. Closing date for the sale is February 6.

Over half of our fires have been in homes. The condition is especially grave in the face of the housing shortage.

Matches and cigarettes were the number one cause of fires in 1947. Electricity was the next greatest cause with trash and rubbish third. The fourth most frequent cause of fire was kerosene stoves and fifth, gas stoves.

Hall said gasoline and kerosene fires are on the increase as well as heating equipment fires, such as gas, oil and kerosene stoves and heaters; chimneys; and water heaters.

Weekly SURPLUS NEWS WAA

War Assets Administration will assume a new role in the nationwide fuel shortage by consigning surplus supplies of fuel oil, gasoline and diesel oil on hand throughout the country directly to the Armed Forces. This move will decrease military requirements from current production, enabling the industry to channel more petroleum products to civilians. WAA estimates it now has in inventory approximately 1,000,000 gallons of gasoline and diesel oil.

A few petroleum products such as lubricating and preserving oils will remain on the war surplus market.

For the first time in the Southwest, WAA is planning to sell surplus war housing at fixed prices instead of through competitive bidding as formerly. On February 18, 149 Camp Gruber buildings will be offered to the assembled purchasers without priority and at fixed prices. Buyers will get from one to five buildings, and "on the spot" drawings will determine the order of purchase. Inspection of buildings at the camp, located near Muskogee, Okla., will be held between February 9 and February 17.

Churches are eligible to make application for two surplus chapel buildings located at Laredo Army Airfield in Texas. War Assets will dispose of the chapels at standard fixed prices on condition they be removed for use as places of religious worship or as a shrine or memorial to World War II dead. Letters of application should be mailed to WAA's San Antonio office, located at 610 S. Flores St., San Antonio.

A windup sale of the nation's surplus aircraft is to include three planes located at installation within the Southwest. At the Walnut Ridge, Arkansas, depot are two P-38 twin engine fighter planes, and at the Altus, Okla., Air Base there is a B-24 four-engine bomber available for the sealed bid sale. Veterans may receive preference by submitting a WAA purchase certificate along with their bids. Certification may be completed at WAA Customer Service Centers. This national clearance sale will close February 23.

Basketball Finals Saturday Night At Hico Gymnasium

The All-Star Basketball Tournament, sponsored by Troop 99, Boy Scouts of America, has been interesting large crowds this week, and promises to pack the Hico gym for the semi-finals and finals.

Opening night Wednesday, Clair-ette eased out Hamilton by a score of 41 to 28. That same night Iredell defeated Fairy on their perfected long passes, by a score of 49 to 26.

These two teams meet Friday night in the semi-finals; also the winners of the second bracket, being played Thursday night with Hico facing Selden and Chalk Mountain opposing Duffau.

The finals between the winners of Friday night's semi-finals will be an interesting exhibition, and is expected to draw a capacity crowd. The gym is heated, and regardless of weather the fans are in for a good time for the nominal admission prices.

All proceeds from the tournament go to the Scouts' athletic fund.

541 Burned Fatally, \$20 Million Lost by Texas Fires in 1947

Austin, Feb. 2.—Fire burned to death 541 people and destroyed nearly 21 million dollars in Texas in 1947, today reported Marvin Hall, State Fire Insurance Commissioner.

"Even these unbelievably high figures are not complete," Hall declared. "The monetary loss is already three million dollars higher than losses for any one year in the history of our state."

Deaths from fire also threaten to break all records, he believes. A few death reports are still coming in. Loss of life in the Texas City disaster is not included in the above figure.

Insured fire losses for 1947 total \$20,903,000. This does not include uninsured losses, the Commissioner advised.

"These deplorable losses are growing more alarming every day," he said. "The only way to combat this useless loss of life, property, resources, manhours and resultant higher cost of living is for each Texan to assume an individual responsibility in seeing that fire hazards are removed. At least 90 per cent of our fires are due to carelessness."

Over half of our fires have been in homes. The condition is especially grave in the face of the housing shortage.

Matches and cigarettes were the number one cause of fires in 1947. Electricity was the next greatest cause with trash and rubbish third. The fourth most frequent cause of fire was kerosene stoves and fifth, gas stoves.

Hall said gasoline and kerosene fires are on the increase as well as heating equipment fires, such as gas, oil and kerosene stoves and heaters; chimneys; and water heaters.

Testing carrier aircraft and V-bombs together, the Navy hopes to adapt rocket warfare for surface vessels. First firing was with a captured German V-2 from the deck of the USS Midway at sea.

Twenty-Eighth Anniversary
BOY SCOUT WEEK
FEBRUARY 6TH TO 12TH

More than 2,000,000 members of the Boy Scouts of America will observe Boy Scout Week, Feb. 6th to 12th, marking the 28th anniversary of the organization. This year Boy Scouts are emphasizing conservation of food and natural resources, planting gardens, safety and fire prevention, home repairs and personal health check-up. Scouting promotes world peace through World Jamborees and practical help among 42 nations with 4,409,789 members. Through its World Friendship Fund of voluntary gifts the Boy Scouts of America helps Scouts overseas to rebuild their units. So far, more than 3,000 tons of equipment have been shipped. Above is the official poster marking the Scout birthday.

Nationwide "Learn And Obey Traffic Laws" Program On

Austin, Feb. 3.—What is your T. L. Q.?

Your traffic law quotient, that is. Do you know the laws that help protect you from an automobile accident?

To familiarize the public with traffic laws and the necessity for obeying them, the Texas Safety Association is cooperating in a nationwide "Learn and Obey Traffic Laws" program during February.

"In almost every accident, one or more drivers were violating some traffic law," said George Clarke, managing director. "Better voluntary observance of traffic laws would save a lot of lives."

One of the most common causes of accident is driving in the wrong lane, according to Clarke. He pointed out that National Safety Council statistics show driving on the wrong side of the road to be the second most frequent violation reported in traffic mishaps.

Keep right and you'll be left—to drive another day, he said, and listed these rules:

1. Drive to the right of the centerline. On three-lane roads, never drive in the far left lane, and on four-lane roads, never drive to the left of the center.

2. Drive to the left on a two-lane road, in the center lane on a three-lane road, or in the lane next to the center on a four-lane road only to overtake and pass a slower moving vehicle, and then only when you are sure everything is clear.

3. On multiple lane roads, drive in one lane. Don't change from one lane to another without looking back and on both sides. Be sure a car is not overtaking you at the side and to the rear—a blind spot in many automobiles.

4. It is legal to overtake and pass on the right when the vehicle overtaken is making or about to make a left-hand turn, on a four-lane street or road, or on a one-way street of two or more lanes of moving traffic. Even where it is legal, however, it should be done with care because many drivers are not expecting it.

Car Licenses to Be Available Locally for Owners' Convenience

Cecil Nix of Hamilton county tax assessor-collector, was in Hico the first of the week making arrangements with J. C. Barrow for the local sale of automobile and truck license plates again this year. Mr. Nix said he had found this a great convenience to owners, and that he was glad to cooperate in this way.

The new license plates are now on hand, he said, but distribution will not begin until the middle of this month. He added, however, that the plates may be put on vehicles as soon as purchased. They must be on by April 1 to avoid penalty, if the vehicle is driven on the highways.

Members of the Olin Baptist Church this week gratefully acknowledged receipt of a deed to land adjoining the plot where the church now stands.

This gift of land to the community church was made by Ray Ridenhower for the Ridenhower family. James Sparks, Hood Howerton and Coy Lobstein, church trustees at Olin, passed this information along to the News Review.

B&PW Club Ladies Talk Business After Eating Fried Chicken

The Business and Professional Women's Club met at the Texan Cafe Tuesday evening for a delicious fried chicken dinner, with Mrs. Odie Petsick and Mrs. J. L. Goodman as hostesses for the February meeting.

After the dinner the members drove to the home of Mrs. Odie Petsick for a business meeting and an evening of fun.

Material was furnished for each person to make a Valentine, and Miss Louise Blair was awarded the prize, a lovely box of Valentine candy, for her creation.

The members were served fudge and divinity candy by the hostesses before they departed.

IREDELL ITEMS

by Miss Stella Jones, Local Correspondent

Mr. and Mrs. J. D. McElroy of Fort Worth spent the past week end with his parents. Their son returned home after spending a week here with his grandparents.

Mrs. Ed Koonsman is reported to be a little better. She is in the Clifton hospital.

Mrs. Addie Plummer has returned from Glen Rosa. She was with Mrs. Ada Bateman, who took treatments.

Mr. and Mrs. Finis Davis and Mrs. Noble McPeck and children, all of Sanatorium, are visiting their parents, Mr. and Mrs. Tom Davis and Mr. and Mrs. Ed Dunlap.

Mr. Stephens came in Saturday from Clifton, where he works.

Mrs. Helen McDonel spent the week end here with her brother, Mr. and Mrs. Emmett Joe Harris.

Miss Mary Johnson, who is teaching in Talco, Texas, spent the week end with her parents.

Miss Sammie Potter, who is in College at Denton, spent the week end at home.

Mr. and Mrs. Robert Sawyer and son of Fort Worth spent the week end with his mother, Mrs. Lou Sawyer.

Ronald Mitchell and Lamoine Fuller, who are in John Tarleton College, spent the week end at home.

Mr. and Mrs. Tommy White and sons of Waco spent the week end here.

Recently I received a beautiful calendar from my niece, Mrs. Bowen, of Reno, Nevada. It is on a beautiful river. The picture of it was made in the fall after the leaves began to turn. In a letter she wrote she said they had sat under the tree there and fished many a time. It is a beautiful place. The weather, she said, was like summer. I received a card from her Tuesday when everything was frozen over here. She said it was still like summer there. The nights are cool.

TO RELIEVE SORE THROAT
Due to a cold, try DURHAM'S ANAETHESIA-MOP and see how pleasant and effective a mop can be. Generous bottle with applicators only 50¢ at your Druggist.

CORSEB DRUG CO., HICO

Mrs. J. L. Goodman and daughter Gay of Hico spent the week end with her parents, Dr. and Mrs. Pike.

A. C. McAden of Waco spent the week end at home.

Mrs. Fuller is up and around after being sick for a week.

Mr. and Mrs. J. L. Everett and daughter of Dallas spent the week end here and also at Hico.

Mr. and Mrs. Eber McDowell of Duffau spent Sunday with her father, Mr. Everett, and her sister, Marte.

Mr. and Mrs. Billy Echols of San Antonio came in Saturday night to visit his parents and also her parents, Mr. and Mrs. Hugh Harris. Billy is on his vacation.

Hudson Johnson, who has been with his parents for some time, left Sunday for A. & M. at College Station. His parents took him.

Mr. Lum Gandy of Meridian visited in the home of Mr. and Mrs. Will Robertson Sunday.

Mr. and Mrs. Alvin Jones and Mrs. Tom Sison of Houston visited Mr. and Mrs. T. M. Tidwell Sunday.

Rev. and Mrs. D. D. Tidwell and son of Brownwood visited his parents Sunday.

Sgt. Bobby J. Montgomery of Lackland Air Base, San Antonio, spent the week end with his parents, Mr. and Mrs. O. D. Montgomery, and friends.

All the past week was so bad it kept most everyone in the house. They stayed in, only when they had to get out for groceries and tend to the chickens and such like and some went after their mail. Some fell on the ice, but none was hurt. I had to stay in all the time. I enjoy being outside. It is better to be safe than sorry. Today (this is Monday) it is rainy. It is hoped we don't have any more freezing weather like it was last week.

There were no schools last week after Tuesday.

Mr. and Mrs. Wes Newton were guests of Mr. and Mrs. T. M. Tidwell Saturday night.

Friday dawned clear and bright and it wasn't so cold. All enjoyed the sunshine.

Mr. and Mrs. Grady Adkison and children of Fort Worth spent Saturday and Sunday night with his mother, Mrs. T. M. Tidwell, and Mr. Tidwell.

Master Cara Von Tidwell of Me-

ridian visited his grandfather, T. M. Tidwell, and wife on Saturday.

Mrs. McCoy was operated on at the Meridian hospital Monday. Some have gone from here and given some of their blood. Mrs. W. B. Worrell of Waco was also operated on. They lived here for some time and it is hoped the operations for both ladies will be successful.

Mrs. Tension was confined to her bed a few days with the flu.

Jiggs Plummer, who has been here for some time, left Monday for Crane, Texas.

Mrs. Lelan Nabors and son of De Leon and Roy (Sonny Boy) Lawrence of Duffau visited their parents, Mr. and Mrs. J. E. Lawrence this week end.

Miss Adelle White left Monday to keep house for Mr. and Mrs. H. E. Moore who live between Center Grove and Meridian. Mrs. Moore is paralyzed.

The Texas Safety Association asks motorists to watch their following distance to avoid tragic accidents. Ask yourself while you are driving, "Can I stop in time?"

ANNOUNCING

● Dr. H. Q. MURDOCH announces the opening of an office in Hamilton for the practice of Chiropractic and extends a welcome to all to call at his office.

The office is the one formerly occupied by Dr. Merle Brown and is located on the South side of the square in the David Harelik building.

Dr. Murdoch is a graduate of the Texas Chiropractic College of San Antonio and is a veteran of World War II.

OFFICE HOURS

Week Days—8:30 to 12 Noon - 1 to 5 P. M.
Saturdays—8:30 A. M. to 12 Noon

Fairy

By
Mrs. J. O. Richardson

After a week of icy weather, most of us were able to get out over the week end, but it seems the weather man has rain in store for us this week.

Mr. and Mrs. George Martel Stringer of Hico were here Sunday to visit their parents, Mr. and Mrs. Edd Allison and Texte, but were called home due to the serious illness of his father, George Stringer, who was conveyed to the Hico Hospital and was thought to be bordering on pneumonia. We wish for him a speedy recovery.

Our sister, Mrs. V. H. Heyroth of Gatesville, called up on Tuesday of last week to inform relatives of the death of our aunt, Mrs. Sallie Beavers of Gatesville, who passed away on Sunday, Jan. 25. But to our sad regret, none of the relatives here were able to attend funeral services held Friday morning due to icy roads and pavements. Mrs. Beavers is survived by her sister, Mrs. Bettie Jones of Gatesville, with whom she made her home; two half-sisters, one of whom is Mrs. Fannie Powell of Levita; and two half-brothers, Dock Newman of Brady and Jeff Newman whose address is unknown to the writer. She is also survived by a daughter-in-law, Mrs. Todd, and two children of California, who were unable to attend the funeral. Her son and three husbands preceded her in death. She would have been 87 years old February 23. Interment was in the Pidocke cemetery. She was the eldest sister of our deceased father and had visited here on various occasions.

Mr. and Mrs. Carl Ray Sellers and Carolyn visited Sunday afternoon in the home of his parents, Mr. and Mrs. N. S. Sellers and Joy Marie of Hamilton.

Mr. and Mrs. E. M. Hoover and the writer were business visitors in Hamilton Monday.

Mr. and Mrs. Bill Lackey and Mr. and Mrs. Louis Abel attended the wedding of Miss Patsy Ann Hoover and Mr. Ralph Spencer in Stephenville Saturday.

Mr. and Mrs. V. H. Heyroth of Gatesville visited here Sunday with relatives. They stated that their daughter and husband, Mr. and Mrs. Guy Lockhart are making arrangements to build them a new home in Pidocke, where he is engaged in ranching.

We would guess that Mr. and

Mrs. Ernest McCoy, who last year sold their business in Fort Worth and purchased a farm near Fairy, feel that they are getting off to a bad start, since learning that they recently lost a cow or two from over eating of shelled maize; and the report now comes that they lost fifty lambs during last week's icy weather. Well, this farming is not all gain by no means, but we would have them remember the old adage: "A bad beginning often makes a good ending." So here's hoping them better luck in the future.

The writer spent Sunday afternoon in Hico and attended singing and visited in the Burnett home with Mrs. M. E. Burnett and her son, Oliver, and Mrs. Martha Crow who has been employed there for some time as nurse and housekeeper. Seeing an ad recently where the Burnetts wanted a housekeeper and nurse made us wonder where our old classmate and good friend had gone, but we are glad to say we found her at the same old job and she states that she has reconsidered and has decided to stay on with the Burnetts and they were pleased with her decision and we are, too, for we know her place would be hard to fill.

MISS HOOVER, MR. SPENCER ARE WED AT STEPHENVILLE

Miss Patsy Ann Hoover, youngest daughter of Mr. and Mrs. E. M. Hoover of Fairy, and Mr. Ralph Spencer, son of Mr. and Mrs. F. W. Spencer of Breckenridge, were united in marriage Saturday, January 31, at 7:00 p. m. at the First Baptist Church in Stephenville. Rev. Smith, pastor of the church, read the double-ring ceremony before an arch of greenery centered by a huge white basket of snow-white snapdragons. Marked on each side of the arch and at the

rear were pedestals bearing 25 large white candles, which were lighted by Mr. Alvin Young of Stephenville, completing the lighting for the impressive candlelight service.

The wedding music, "Simple Confession" by Francis Thorne, was rendered by Mr. Robert Hutcherson of John Tarleton College, a former instructor of Miss Hoover in music.

Mr. Dan Taylor of Breckenridge served the groom as best man, and Miss Daphne Hoover, sister of the bride, served as bridesmaid. Miss Hoover wore a caramel gabardine suit and corsage of white gardenias and white satin ribbon.

The bride wore an all-wool beige gabardine two-piece suit with matching blouse. Her shoes and bag were of towne brown kid, with ice blue hat and gloves. Her corsage consisted of a cluster of faly orchids with a shower of satin ribbon in catching tint.

Miss Hoover was graduated from Paschal High School in Fort Worth and attended John Tarleton College in Stephenville. Mr. Spencer is a graduate of Breckenridge High School, attended John Tarleton College, and served 19 months in the Navy.

Relatives attending the wedding ceremony were parents of the couple, Mr. and Mrs. E. M. Hoover of Fairy, and Mr. and Mrs. F. W. Spencer of Breckenridge, the mothers each wearing a corsage of white gardenias; Mr. and Mrs. Allison, aunt and uncle of the groom, and also of Breckenridge; Mr. and Mrs. Fields of Huckabay, grandparents of the groom; Mrs. Gladys Cox and Mrs. J. O. Richardson of Fairy, aunts of the bride; Mr. and Mrs. Clyde Hoover of Dallas, uncle and aunt of the bride; Mrs. A. R. Hoover of Dublin, her grandmother, and a number of close friends.

After receiving congratulations from their many friends and relatives and posing for pictures, the couple hurriedly departed amid a heavy shower of rice. They will make their home in Lubbock where the groom will attend Texas Tech.

Six-Inch Sermon
REV. ROBERT H. HARPER

Jesus the Giver of Life.
Lesson for February 2: John 4: 46-51; 5:2-9; 11:11-13.
Memory Selection: John 11:25.

In the healing of the nobleman's son, we have a fine example of a father's faith. Not deterred by the statement of Jesus concerning signs and wonders, the nobleman said, "Sir, come down ere my child die." And as he was returning home, his servants met him with the blessed news that his son lived.

The impotent man at the pool of Bethesda was healed, after he had long persevered in his faith in the Higher Power. Though his condition precluded his getting into the pool before others, he continued coming there. Jesus said unto him, "Arise, take up thy bed, and walk."

Jesus allowed four days to pass, after telling the disciples that he would awaken Lazarus out of his sleep. They did not know that Jesus spoke of the sleep of death. But they were soon to learn that Lazarus was dead and that Jesus could call the dead to life. At the words of the voice that could still the waves of Galilee, Lazarus came forth, still wrapped in the habiliments of the grave.

The lesson shows that Jesus is indeed the Giver of Life, but also that he asks for helping hands in bringing life to men. The nobleman came to Jesus in behalf of his son, and those who were present rolled away the stone from the sepulchre of Lazarus. Only at the pool of Bethesda did Jesus dispense with human aid. Only Jesus can speak life to the soul, but let us hear his call to be his helpers in bringing men to him who came that men might have life and that they might have it more abundantly.

The Texas Safety Association reminds the pedestrian not to be an umbrella ostrich on rainy days. Keep the umbrella out of your vision of oncoming traffic—you'll keep walking longer!

This Is the Season When Influenza Is More Prevalent

Austin, Tex., Feb. 3.—This is the season of the year when influenza or "Flu" is most prevalent, according to Dr. Geo. W. Cox, State Health Officer. Colds, grippe, influenza or whatever we may call them, are believed to spread from person to person through discharges from the nose and throat. To protect yourself and others from such diseases here are some of the things to remember: Influenza is highly infectious. Practically everybody is susceptible to it. No matter how many times you have had the disease you may contract it again. Therefore, keep away from people who are coughing, sneezing, or who are actively ill with colds, influenza, or pneumonia. Keep away from crowded places. Have your own towel; always wash your hands before eating; and sneeze or cough into your handkerchief. Keep fit by drinking plenty of water, eating simple nourishing food, and taking some exercise each day out of doors. Dress according to the weather; get plenty of sleep in a well-ventilated room; and keep the bowels regulated. Disastrous results may ensue from this disease if influenza cases are allowed to get about too soon. Persons convalescing from this disease are particularly susceptible to other infections; so, if you are just getting over some illness, return to your normal routine of life gradually.

GIRLS INTERESTED IN SCOUTING ASKED TO MEET. All girls, 10 years of age or older, who are interested in becoming a Girl Scout, are requested to meet at the Boy Scout Hall, located above the City Hall, on Monday Night, February 9, at 7:30. LOUISE BLAIR.

THE WISEMAN STUDIO

Mr. and Mrs. R. E. Bass of Brownwood were in Hico Sunday visiting relatives and friends.

Cliff Tulloh of Fort Worth was in Hico Wednesday on business with his partner, Luther Knox.

Mr. and Mrs. J. B. Ratliff and son, Bob, were in Fort Worth Sunday to attend the Southwestern Exposition and Fat Stock Show.

Carolyn Holford left Sunday for Austin to re-enter the University of Texas, after remaining at home the past semester.

Miss Dale Randals, student at TSCW, Denton, spent the week end here with her parents, Mr. and Mrs. T. A. Randals.

Miss Annie Coleman, former theatre owner at Hico, now of Waco, visited here a short while Tuesday afternoon.

Mrs. R. J. Farmer is visiting in the home of Mrs. Ed Connally while her daughter, Mrs. Julius Jones, is visiting relatives in Austin.

Misses Helen Spotts and Wynne Slaughter of Fort Worth were week-end guests of their parents, Mr. and Mrs. J. W. Spotts and Mr. and Mrs. J. E. Slaughter.

David Battershell and Baylor Parsons, students at the University of Texas, visited here between semesters with their parents, Mrs. S. F. Battershell and Mr. and Mrs. J. W. Parsons.

Miss Joree Seal, student at Abilene Christian College, and her father, Roy Seal, who is employed at Galveston, spent the week end with Mrs. Seal at their ranch home between Hico and Iredell.

Miss Frances Angell, student at TSCW, Denton, and Lloyd Angell, student at Tarleton College, Stephenville, have been guests of their mother, Mrs. Louise Angell, during the holiday between semesters.

Mrs. G. R. Fayer of Los Alamos, New Mexico, is spending the week here with her sister, Mrs. N. H. Connally and with her mother, Mrs. L. V. Knight.

Mrs. Curtis Keeney and son, Butch, returned to their home in Odessa Saturday after a visit here with her parents, Mr. and Mrs. Roy French, and with her husband's parents, Mr. and Mrs. G. C. Keeney.

Mr. and Mrs. Henry A. Wieser of Hamilton were in Hico Tuesday morning on business. They were accompanied by Mrs. Sidney Wieser and daughter, Jean, who spent the day in the home of her parents, Mr. and Mrs. H. N. Wolfe.

Louis Chaney is convalescing in the Hico Hospital after an operation he underwent Monday.

Mrs. Douglass Helvey of Fort Worth spent the week end here with her parents, Mr. and Mrs. John Ellington.

John L. Gorman of Brownwood, representative of the Southwestern Paper Co., was in Hico this week on business.

O. H. Dunn, salesman for the Lone Star Gas Co. out of the Cleburne office, was in Hico Thursday checking with Pete Turner on company business.

Forest O. Harper, county school superintendent, and C. A. Nix, tax-assessor-collector, were over from Hamilton Monday on business connected with their offices.

Mr. and Mrs. Roy French were in Fort Worth Sunday to visit his brother, R. B. French, who was ill. They also visited with Mrs. C. L. Woodward, who is a patient at St. Joseph's Hospital in Fort Worth.

Mr. and Mrs. Sylvester Mingus of Hamilton were here Sunday visiting in the home of Mr. and Mrs. J. H. Stone and children who recently moved back to Hico from Whitney where they had made their home for the past three years.

Mrs. Tyrus King received a telephone message Tuesday from Mrs. C. R. Higginbotham of Midland, notifying their former neighbors that Clarence had undergone an operation Sunday at a Midland hospital. He was reported to be recovering satisfactorily.

Miss Nettie Wieser received word this week of the death of a former Hicoan, Mrs. Newt Conger, who died January 12 at Totango, Calif. She was the daughter of Dr. Daniel Pingree, formerly of this city, and he was one of the earliest mayors of Hico.

Mr. and Mrs. George Lingo and son, Jack, of Corpus Christi and daughter, Miss Helen Lingo, student at Hockaday in Dallas, visited here Saturday with Mrs. Lingo's cousin, Mrs. Roland L. Holford and family. They were en route to Hamilton to visit her sister, Mrs. Woodson Farmer, and family.

Jefferson F. Isbell, former pastor of the Hico Methodist Church, was here Monday for a short visit with friends before going to Marlin for a few days. Brother Isbell, whose wife recently passed away, has received his discharge from the army as a chaplain, and from the Walter Reed Hospital at Washington, D. C. He reports his health as being greatly improved, and expects to make his home in Fort Worth in the future.

Mrs. E. R. Hefner left Friday of last week for Waco for a visit with her son, Warren Hefner, and family. She had been visiting here with her son, Jesse B. Hefner, and family and other relatives and friends but couldn't get around very much on account of the bad weather. After the Waco visit she will return to Houston, where she makes her home with her husband and their daughter, Ruth.

Moody Ross came home last week with two degrees from Notre Dame University, South Bend, Indiana. The former Hico High School student majored in Naval Science and Commerce, and made a very creditable record in his school work which was begun under the Navy's wartime schedule. He has been visiting here with his parents, Mr. and Mrs. Watt Ross and family and with relatives in Dallas while considering several offers of positions.

A little son, John Walter, was born to Mr. and Mrs. Walter E. Kruse of Valley Mills Tuesday night, February 3, according to news received here by friends of the former Hicoans. The young lad, weighing 6 pounds and 14 ounces, made his arrival at the Clifton Clinic. Mr. Kruse was instructor at the veterans' vocational school when they made their home here, and Mrs. Kruse helped out as a nurse at the Hico Hospital.

TO MY NEVER-FAILING FRIENDS:

I want to say thank you from the bottom of my heart for the many get-well, Xmas cards, letters and telegrams I have received. Also the sweet little prayers said for me. I hope I may live to prove myself worthy of them.

GRACE ROBERTS WOODWARD.

W. C. SELLMAN JR. WED TO MISS ROSE OF INDIANA IN SOUTH TEXAS CEREMONY

Miss Beverly Rose, daughter of Mr. and Mrs. Floyd A. Rose of Muncie, Indiana, and Dr. Willard C. Sellman Jr., son of Mr. and Mrs. W. C. Sellman of Hico, Texas, were married January 23, 1948, at 4:30 p. m. in a candlelight, single-ring ceremony, at the Holy Trinity Episcopal Church at Dickinson. Fred L. Nolting, curate of the Trinity Episcopal Church, Galveston, officiated. Organ music and traditional marches were played by the Rev. Fred Buchanan, rector of the Dickinson church.

The bride wore a brown gabardine two-piece suit with brown and chartreuse accessories, a corsage of yellow rosebuds, Acacia and auropra. Mrs. Carl John Lutkenhaus Jr., of Columbus, Ohio, who was the maid of honor, wore a peccan brown two-piece suit, with brown accessories, and a corsage of yellow chrysanthemums with acacia.

Dr. Truman G. Blocker Jr. of Galveston, Texas, was the best man.

The bride is a graduate of Milwaukee Downer College, Milwaukee, Wisconsin, with a B. S. degree, and is a registered occupational therapist. She served twenty months with the army as an occupational therapist at the Wakeman General Hospital, Camp Atterbury, Indiana.

The groom is a graduate of Stephenville High School and John Tarleton College; a graduate of the University of Texas, with B. A. degree; holds an M. D. degree from

Baylor Medical College; is a member of the Phi Chi medical fraternity. He served two years with the Army Medical Corps as a plastic surgeon at Wakeman General Hospital, Camp Atterbury, Indiana, and at Valley Forge Hospital, Phoenixville, Pennsylvania.

After a wedding trip to Houston and San Antonio, the couple visited the groom's parents at their home near Hico, and in Dallas as house guests of Mr. and Mrs. Willard Chamberlain, who attended their wedding.

They will make their home in Galveston, Texas, where the groom has a residency in plastic surgery at the U. of T. Medical School.

FORMER HICOAN IN ARMY WED TO SMITHVILLE GIRL

Smithville, Tex., Jan. 31.—Mr. and Mrs. J. W. Skinner have announced the marriage of their daughter, Hope, to Roy E. Burleson of San Antonio on Saturday, January 24, at 8 p. m. in their home.

The Rev. Leonard Rea, Methodist pastor, officiated. The bride was formerly a WAVE and the groom, son of Mr. and Mrs. J. E. Burleson of Coleman, formerly of Hico, is a master sergeant in the US Army and a radio technician in the Air Corps, stationed at Brooks Field.

He has been in the Army for the past 12 years. The bride, since her release from service, has been employed in Houston. After a short honeymoon trip to Hico and Cisco they will reside in San Antonio.—Austin American-Statesman.

Teach good telephone manners

Children who are taught the correct way to use the telephone are a joy to everyone. Their good telephone manners save other callers' time and tempers. Telephone-wise children do not tie up the lines with needless talking. They know the telephone is not a plaything. We are grateful to the many parents in our community who are teaching their children such good telephone manners. This cooperation helps us improve our service to everyone.

Dale Carnegie

Author of "HOW TO WIN FRIENDS and INFLUENCE PEOPLE"

HE NEVER GAVE UP HIS IDEA

THIS is the story of a man who got hold of an idea and didn't let loose. But some of the time it looked as if he had a bear by the tail and that, any minute, the bear would turn and give him a swipe. Our hero is Gordon R. Green, and his address is Medford, Oregon.

D. Carnegie

The idea he arrived at was this: that people would jump at the chance to get something unusual in the way of a gift for their friends. He decided that extra fine fruit should be that gift. A simple way would be to send it by express, or by mail. A simple idea, seemingly, and one that could easily be put over. But it is amazing how much putting over even simple ideas will demand. Medford is the center of a fruit growing business, and it is proud of the so-called Du Comice pears. So Mr. Green selected and shipped the first year 50 packages of this fine fruit.

In the evenings, after a day's work at the office, he would go to a little cubbyhole over the packing plant, which he used for his private office for this particular business of his, and he would write letters to prospects trying to build up the sales. The business didn't build; instead, it seemed to get more peaked. Mr. Green was connected with the American Fruit Growers, Inc., and the other men said the thing couldn't be done. People wouldn't have any confidence in buying a pig in a poke, in other words, fruit they hadn't seen. They pounded on their desks and shouted, "Give it up, Green, give it up!" But Mr. Green believed in the idea, so he kept writing letters trying to build up the gift package idea.

For seven years this went on, day after day and night after night.

Meantime, Mr. Green learned how to write letters that pulled. The very bottom of this was to be utterly sincere and honest. The few people who bought began to believe in him, and they came back again for more gift packages of fruit.

He himself became discouraged, but still there was the "Idea" beckoning him on; the Idea he believed in. Steadily the business lost money; yes, for seven years. Some of those gift packages were really gifts from Mr. Green.

Word began to get around about these wonderful gift packages of fruit coming from Oregon—and all this was from the efforts of one man. Suddenly business boomed. Mr. Green's business color changed from red to black, a very lovely business color.

In one year he sent out half a million pieces of advertising literature and did over a million dollars' worth of business. People in California wrote to Oregon to send gift packages to New York; people in New England ordered them from Medford to be sent to Louisiana.

Yes, one should cling to an idea he believes in. Faith, that's the bedrock of accomplishment. Get an idea you believe in, keep at it until you put it over.

SENIOR NEWS

Everybody enjoyed the holidays. At last it seems as though we may get our pictures made for the annual. We are very anxious to get started on this project.

We have been discussing plays for this year, but haven't decided on one yet.

This week we will see what is happening in the Senior room on Monday morning. There is Don Eakins and Billy Ray Able discussing basketball, Dorothy Adkison and Janelle Dowdy studying Geometry. Royce Grimes is exactly studying a little; Mrs. Angell is grieving over report cards; Marlene Adams seems a little unhappy because she can't seem to find a reporter with any news, again; and what is this—Mary Nell Battershell and Lucy Talley fussing over a great big nice piece of bubble gum found under a seat and finally to settle the argument Margie Derrick takes it.

SOPHOMORE NEWS

After a whole week of vacation, everyone came back to school in good spirits.

Mrs. Segrest is happy, she always seems pleasant.

Wanda Nell and Barbara are laughing over something—wonder what.

Glen and Lester are trying to correct their examination papers.

Donald and Benny are worrying over Algebra.

Jack is very quiet.

Maxine and Marie are worried over something.

Everyone will get back to their studies now that our unexpected vacation is over.

We are very happy to have Jerry Dickens join our class.

FRESHMAN NEWS

We are back in school again after a week's holiday.

About eight of the Freshmen braved the weather last Monday morning and came back to school.

BAND NOTES

The band is going to play for the all-star tournament the 4th, 5th and 6th of February.

We have a lot of new music, so if you come by the band hall and hear a lot of noises, don't be surprised.

POEM OF THE WEEK

It's easy to wear a smile
 When life is a piece of cake,
 But the boy worth while
 Is the boy who can smile
 When he feels his suspenders
 break.

— HHS —

HOMEMAKING III

The third year Homemaking girls met for the first time Monday. We elected our class officers. They are:

President—Bette Meador
 Vice-president—Jeane Gilbert
 Secretary—Imogene Elder
 Chairman—Lucy Talley
 Reporter—Patsy Roberts

We are studying foods this semester.

— HHS —

HOMEMAKING II

I'm sorry to let the Homemaking girls down, but I'll try to do better this semester.

We are starting on our cooking for this semester, rather we are going to start after we learn our food books.

We lost a few at mid-term, but we are happy to have two new ones, Ellen Grey and Paula Decker, join us.

— HHS —

WORM'S EYE VIEW

Nilly didn't enjoy the slick ice and all the bad weather. Nilly has been so cold so long that he has decided to find someone who will put him in his pocket and get him warm.

Say, here comes a bright looking lad with a friendly smile. The trouble is that Walter Latham is always in such a hurry that I never can catch him.

Walter has red hair, but so far as I know he has never shown a trace of it in his personality. Right now I'm going to approach him about a vacant pocket.

— HHS —

CRYSTAL BALL

After a week of rest and quiet, the kids are back with smiling faces and clean minds—well, at least with clean minds, since they didn't study any. But I don't believe they had too much fun, unless it was Patsy Roberts and Mary Nell Battershell who seem to be quite popular with the boys.

Saturday night I see Mary Nell Battershell and Harold Norrod; Joan Gollightly and Ray Keller; Marlene Adams and Garland Latham; Jo Nell Caughey and Max Burzans; Joan Caughey and Marshall Rogers; Betty Gollightly and Paul Allen; Mary Sherrard and Joe McGlothlin; Jeanette Dowdy and Truman Loden; Janelle Dowdy and Ralph Loden; "Bulldog" Hill and Loretta Funk; Miss Rohne with someone, but I couldn't see his face; Patsy Meador and Dub French; Mary Nell Keller and Kenneth Graves; Myrna Sparks and Delbert Brooks; Mary Moore and Odell Terry; and Mildred Ellis and James Hainwater.

From where I sit... by Joe Marsh

Do You Have Noisy Neighbors?

A lot of the neighbors were suddenly annoyed by Jeb Crowell's hammering at night. Jeb was building himself a new front porch—and the only time that he could give to it was after sundown.

Finally we decided the best thing to do was all pitch in and help—and get the carpentry over with as soon as possible. We did. Finished the porch next evening—and Jeb gratefully treated us to ice cold beer and cider.

From where I sit, that's what being a good neighbor means. In-

stead of complaining about the other fellow's habits, try to understand and share his interests.

So if my practising on the flute annoys you, come on over, neighbor, with your fiddle or guitar and join me! Maybe it will end up in our knowing and appreciating one another better... in an evening of good fellowship. And I'll promise to provide the beer that goes with evenings of good fellowship!

Joe Marsh

By —
Mrs. Fred Geye

J. S. Minter received a telegram Friday night notifying him of the death of his 82-year-old sister, Mrs. G. W. Mynatt, at her home in Hartselle, Ala., on January 30. Death was due to complications from a broken thigh she received in a fall some six weeks ago. Her brother was unable to attend the funeral.

Word was received here the past week of the death of Mrs. Allie Moore at her home in Floydada on December 21. She suffered a heart attack and lived only a few minutes. She was dead when the doctor arrived. Mr. and Mrs. Moore lived in Carlton for several years before moving to Floydada. She was the mother of the Drs. Billy and Milton Moore, well known physicians. Mrs. Moore was buried at Vernon, where her son, Dr. Milton Moore, is buried.

Mr. and Mrs. Leonard Caldwell and children, Joyce and Raymond, of Loraine and her twin brother, Odell Nowlin of Sweetwater, spent the week with their brother and wife, Mr. and Mrs. R. B. Nowlin.

Mr. and Mrs. Henry Ellison and daughters, Sandra and Kathy, of Purvis visited Sunday afternoon with his parents, Mr. and Mrs. Mack Ellison.

Mr. and Mrs. John Fullbright returned home Saturday afternoon from Hamilton where they visited with their children and families.

Nolan Geye of Stephenville spent Sunday with his parents, Mr. and Mrs. Fred Geye.

Mr. and Mrs. Jim Ray Anderson and children of Duffau visited Sunday with her parents, Mr. and Mrs. Milton Whitehead, and children.

Rev. and Mrs. Chester Sylvester visited several days the past week with his parents, Mr. and Mrs. A. H. Sylvester of Lampasas.

School was resumed Monday after turning out last week because of the cold weather.

Dow Self, employed at Big Spring, spent the week end with his wife and children.

Henry Reich, who has been seriously ill, is reported some better. Purley Sharp visited over the week end in Dallas with his daughter and husband, Mr. and Mrs. Doyle Beene and baby son. Mrs. Sharp, who has been with her daughter and baby the past two weeks, returned home with her husband.

Roedolph Short was a business visitor in Fort Worth Sunday.

Clyde Maddox of Hamilton was a Carlton visitor Tuesday.

Mr. and Mrs. Jess Reeves were in Stephenville Friday on business.

Mr. and Mrs. J. T. Hitt of Hico were visitors in Carlton Tuesday.

Edgar Thompson of Fort Worth; his mother, Mrs. Clyde Thompson, who is visiting in Fort Worth with her son and daughter, Mr. and Mrs. J. J. Souder, spent the week end here in her home, returning to Fort Worth Sunday afternoon.

Travis King and Reginald Thetford, students at John Tarleton College, Stephenville, spent the week end with their parents, Mr. and Mrs. Fay Thetford, and Mr. and Mrs. Cyrus King.

Mr. and Mrs. Luther Burden of Hico and daughter, Mary Louise, a teacher at Ireddell, visited Sunday with his sister, Mrs. Charley Proffitt, and family, and with her mother, Mrs. Sid Clark, who accompanied them home for a visit.

C. C. Dyer and J. W. Jordan Jr. were Stephenville visitors Saturday.

Mr. and Mrs. Hobby Thompson and children, Don and Sherie, spent the week end in Abilene with his parents, Mr. and Mrs. O. C. Thompson.

Roy Williams was a visitor in Hico Saturday.

Harry Yocham, who has been confined to his bed for several days with scarlet fever, is able to be up.

Glen Cox and George Crowley of Fort Worth visited in Carlton Saturday.

Mr. and Mrs. James Fine and sons were visitors in Gorman Sunday.

The USS North Carolina, first of the new battleships to get into action in World War II and veteran of many victories in the Pacific, has been put in the reserve fleet to be kept against future emergencies.

Altman

By —
Mrs. J. H. McAnelly

Mr. and Mrs. John Moore and daughter Janice had as their guests Sunday afternoon Mr. and Mrs. Carl Turnbow and Mr. Allen of Stephenville, Mr. and Mrs. O. V. Graves and sons Lewis Wade and Harold Dean of Dublin.

Mr. and Mrs. Cole Jackson of Moran spent the week end visiting Mr. and Mrs. Truett Jones.

Mr. and Mrs. Jim Parish of Clairette spent the day Sunday with Mr. and Mrs. Harve Yocham.

Mrs. Claude Gibson and daughter Ouida Sue and Mrs. Rudd visited Mr. and Mrs. Ed Stringer in Dublin Friday.

Mr. and Mrs. B. M. Moore of Dallas visited Mr. and Mrs. John Moore and Janice Saturday night.

Mr. and Mrs. Vernon Jones and little daughter Delores, of Fort Worth, spent Saturday night and Sunday visiting Mr. and Mrs. J. H. McAnelly.

Guy McPherson and son Travis Dean of Purvis visited Mr. and Mrs. O. W. McPherson and daughter Miss Creola, Sunday.

Mr. and Mrs. Harve Yocham visited Mr. and Mrs. Harry Yocham and children at Carlton Saturday.

Rev. Sylvester and Stanley McPherson of Carlton visited O. W. McPherson, who is suffering with a knee injury due to a fall on the ice Tuesday afternoon.

Mr. Rudd and Claude Gibson were Stephenville visitors Friday.

Regular second Sunday singing will be held at Carlton Sunday, February 8, at the Carlton Baptist Church, starting at 2:00 p. m., according to announcement from J. W. Jordan, president of the class.

Mr. Jordan said they were expecting some good singers, having a promise of attendance from the Kuykendall Quartette from Hamilton, and added that everyone was invited to attend.

POLITICAL ANNOUNCEMENTS

The News Review will accept announcements for district and county offices in the order they are received, each to be carried through the first and second primaries unless otherwise eliminated. Rates for the various offices are listed below:

District offices \$17.50
County offices \$12.50
Commissioners \$12.50
Justice offices \$7.50

All political advertising is payable cash in advance. A free news notice, of reasonable length, goes with each announcement placed, to be written and signed by the candidate.

The News Review is authorized to publish the following announcements, subject to the action of the Democratic Primaries:

Hamilton County

For Representative, 94th District: **SID GREGORY** (Re-Election)

For District Clerk: **C. E. EDMISTON** (Re-Election)

For County Judge: **W. EUGENE TATE** (Re-Election)

For County Clerk: **IRA MOORE** (Re-Election)

For Tax Assessor-Collector: **CECIL A. NIX** (Re-Election)

For Sheriff: **N. Y. TERRAL** (Re-Election)

GRANDDAUGHTER OF LOCAL CITIZENS WED IN ARKANSAS
 Miss Louise Van Patten, daughter of Mrs. Edith Brown Van Patten of Pangburn, Arkansas, and the late Bennett A. Van Patten, and granddaughter of Mr. and Mrs.

W. H. Brown of Hico, Texas, and Clyde Gipson, son of Mrs. Hattie Gipson of Searcy, Arkansas, were married in a quiet ceremony Sunday, January 4 at 2 p. m. in the home of Mr. and Mrs. John Q. Adams of Searcy. The Rev. W. R. Vestal, pastor of the First Baptist Church, performed the ceremony before members of the families of the bride and groom.

The bride wore a dusty blue suit with black accessories and pink carnation corsage. The bride's maid, Sarah Grace Whitten of Pangburn, wore pale green with brown accessories and both hers and the bride's mother's corsages were white carnations. Ronald Gipson of Searcy, brother of the groom, was the only other attendant.

An informal reception was held immediately following the ceremony. The room and table were decorated with tall-stemmed white flowers. A three-tier wedding cake was served with punch. Mrs. C. D. Van Patten of Bald Knob, Arkansas, cut the cake and Mrs. I. B. Van Patten of Searcy served at the punch bowl.

At the present Clyde and Louise are making their home with her mother at Pangburn. He has employment in Searcy.

The Texas Safety Association says that to drive safely, approach every intersection expecting that you will have to stop quickly to avoid an accident.

NOBEL PRIZE WINNER . . .
 Award of the Nobel prize in medicine to Dr. Bernardo Alberto Houssay, Argentine scientist, was ridiculed by attack in government organ, which claimed the awarded had been decided on political grounds. Dr. Houssay had been "purged" from the University of Buenos Aires medical faculty.

District Meeting of Farm Bureau At Temple On Feb. 12

J. Walter Hammond, president of the Texas Farm Bureau Federation, has announced that a District Farm Bureau meeting will be held in the Kyle Hotel at Temple on Thursday, February 12. Frank Taylor of Waco, District Director, will preside. The State Farm Bureau president will be in attendance to report on agricultural trends in Washington.

As a member of the Board of Directors of the American Farm Bureau Federation, representing the Southern Region, Hammond spent the latter part of January in the Nation's capitol attending an American Farm Bureau Board meeting, and contacting members of the Texas Congressional delegation in Washington on issues vital to agriculture in Texas and the Nation.

Guided by resolutions adopted by voting delegates at the 29th annual convention, the Farm Bureau Board charted the organization's action on such important issues as a long range farm program, parity, support price levels, a program to control the spread of Foot and Mouth Disease, and many other matters important to agriculture.

According to Director Taylor other featured speakers at the district meeting will include R. G. Arnold Auburn, Ala. director of organization for the Southern Region, who will discuss "Prices, Soil Conservation, and Cooperatives," also D. C. Meher, Jackson, Miss., executive vice-president of the Southern Farm Bureau Life Insurance Company, whose subject will be "Farm Bureau, A Service Organization."

All farmers of the district are invited to attend.

Automotive equipment and general merchandise valued at two million dollars will be marketed at a War Assets location sale at Tinker Field, Oklahoma City. Veterans, priority buyers and non-priority purchasers will inspect the war surplus goods on successive days from February 10 through February 12. The bid opening and awarding will take place according to priority sequence February 12.

An estimated \$6,095,696 was saved by the Navy during the fiscal year 1947 as a result of its employee beneficial suggestion program.

Custodians of Tomorrow's World

Whether it will be one world or many small ones . . . a world of plenty or privation . . . and whether it will be led by wise men, humane and principled, depends upon the guidance . . . the education . . . the ideals instilled in our youth today. On their young shoulders will fall the mantle of leadership. This week we pay tribute to the Boy Scouts of America — citizens at work — and pledge our continued support to an organization which has produced and will continue to give us men who are leaders . . . IN THE HOME . . . THE COMMUNITY . . . THE NATION . . . THE WORLD.
