HICO, TEXAS, FRIDAY, AUGUST 6, 1948.

NUMBER 12.

## NEW BURRUS MILL IS DEDICATED

Four thousand persons, including visitors from many Southern states and from Latin American countries, cheered at colorful dedicatory ceremonies when Gov. Beauford Jester of Texas (left) pressed the button which set in motion the automatic machinery of the huge \$2,000,000 plant of the Burrus Feed Mills at Fort Worth. Looking on as they see their dream of the great mill become a reality are Jack P. Burrus (center), president of Tex-O-Kan Flour Mills Co., parent organization, and Wiley Akins, manager of Burrus Feed Mills.

Bank played, banners fluttered, orator's rambled, and plates were piled with barbecue as 4,000 persons attended the colorful ceremonies marking the dedication of the Burrus Feed Mills' \$2,000,000 plant Thursday just north of Fort Worth, Texas.

Motion picture cameras turned, newspaper photographers' flash bulbs flared every few seconds and an airplane flew over to get aerial pictures of the historic occasion.

Even before the scheduled opening hour of 10 a. m., there were four lines moving forward to sign the ornate register and not till after noon did the lines disappear as the last arrivals were welcomed.

The throngs went through the new mill and were amazed at its magnitude and at the many automatic features. They gazed at the sight of 3,000,000 bushels of golden grain in a tremendous pile under the roof of a huge warehouse and they thrilled as they saw a mechanism seize a boxcar, lean it sideways and tilt it up and down to empty its cargo of wheat and whisk the grain to the tenth floor by suction—all in four minutes!

Then thousands packed the big tent and looked all around outside. Canvas was set up for the program on flower-decked platform. They cheered as Governor and Mrs. Jester and President Jack P. Burrus of Tex-O-Kan Flour Mills Co. (the parent organization) and Mrs. Burrus stepped to the platform.

Wiley Akins, manager of Burrus Feed Mills, extended a sincere welcome. Then Burrus spoke of what a new mill means—the fulfillment of a dream of greater service to mankind—and then he presented Governor Jester and the Light Crust Doughboys played "The Eyes of Texas." The Governor declared that the new mill was the latest chapter in a wonderful industrial develop-

ment of the South and Southwest, that the plant means more employment for labor, an enlarged market for farm and ranch products and an output which will help the livestock, poultry and dairy industries feed in the world.

Then the moment arrived for which all had been waiting. Governor Jester pressed a button and there came a whirring sound as the belts and wheels and a thousand other intricate parts of the mill began to turn.

Previously, Vice President D. W. Williams of Texas A. & M. College, had spoken of the marvelous achievements of farmers and stock raisers in doing more with less manpower and of how the new mill would aid them in doing this.

President M. E. Sadler of Texas Christian University then closed the 30-minute program, which was carried over 22 stations, with a highly-moving prayer.

Interspersed were tunes by Red Foley and his Cumberland Valley Boys and the Light Crust Doughboys, flavored with characteristic comments from Jack Perry, renowned "emcee," and Texo Ted Gouddy, both favorites of radio audiences. William G. Troutt and J. E. McNair, sales managers of the Southwest and Southeast respectively, were recognized. The distinguished visitors from Latin America were presented: Manuel Duran, Jaime Salierup, Jaime A. Vicens and G. J. Kearney, all of whom are from San Juan, Puerto Rico; Amadeo Fernandez, Cosme de la Torre, and Jorge de la Torre, from Havana.

Kearney brought an eloquent greeting on behalf of Latin America. Mrs. Burrus and Mrs. Jester, each introduced as the inspiration of an illustrious husband, bowed and smiled graciously to the assembly.

In the audience were Texo deal-

ers and Texo customers and friends from 12 states. Many magazines in the milling, livestock, agricultural and poultry fields were represented by editors and staff writers and there were representatives of press associations and many newspapers and radio stations.

Those seasoned observers declared that the opening of the mill was the largest in attendance, the greatest in enthusiasm, the most elaborate and impressive in program and arrangements of any such occasion they had ever attended. They bestowed unstinted praise on the lavishness of the hospitality.

No detail had been overlooked. There were souvenir pencils, packets of matches and post cards of the new mill. If a visitor had a question, it seemed there was someone right at his elbow to answer it. Uniformed attendants directed traffic and parking. Big buses shuttled between the mill and the city to transport those who did not come in their own autos.

John H. Hicks Jr., advertising manager of Tex-O-Kan—maybe it was Rowland Broiles, whose agency handles the Burrus Feed Mills' advertising—had even arranged for a nurse to be on hand—a right pretty nurse, too.

But not the slightest indisposition or mishap marred the day's pleasure for anyone—not even after barbecue and sauce, potato salad, pickles, onions, and other viands and coffee, iced tea and various bottled drinks and ice cream had been consumed by the truckload.

The entire occasion was a masterpiece of planning and the tremendous attendance was a spontaneous tribute to a great industry and its newest enterprise, perhaps the largest, and certainly the most modern, feed mill in the world.

## Funeral Services for J. M. Williams Held Here Last Thursday

Funeral services were held for John Millard Williams at the First Baptist Church in Hico last Thursday, July 29, at 4 p. m., with Rev. Jackson Sparkman of De Leon and the local pastor, Rev. O. J. Robinson, officiating. Burial was in Hico Cemetery.

Born in Fayette County, Texas, March 19, 1875, he was the youngest of six children born to Mr. and Mrs. E. F. Williams. All preceded him in death.

He passed away in the Hico hospital at 6:00 p. m. July 28, at the age of 73. He had been ill for several months preceding death.

Mr. Williams became a member of the First Baptist Church at Pleasant Valley, Texas, in early manhood. On July 16, 1899 he was married to Cora Rhoades, who survives him. There were seven children born to them, all of whom survive except Ernest Jackson who died in infancy. The others are M. Eddie and T. Alton Williams of Hamilton Route 2; Mrs. Ada Woodard and Mrs. Vera Bullock of Hico; Mrs. Lucille Newton of Plainview, and Mrs. Zella Poff of Gainesville. There are fourteen grandchildren and one great-grandchild.

Out-of-town relatives attending the funeral were Leonard Williams and Mrs. Jewell Sloan, Ardmore, Okla.; Mr. and Mrs. J. N. Rhoades Sr., J. N. Rhoades Jr., Mrs. Gladys Saxton, and Mrs. Claud Turner, Gatesville; Mr. and Mrs. Sid Moore, Purves, and Mr. and Mrs. Walter Wendland, Evans.

Prebearers were Marion Barnett of Hico; Hubert Harris, Omri Newton, Armon Wright, and Wesley Woodard of Hamilton, and J. N. Rhoades Jr. of Gatesville.

Flower bearers were Wilma Woodard, Shirley Prater, Wanda Nell Johnson, Betty Lou Davis, Louise Barnett, Marjorie Derrick, Mildred Trammell and Joan Johnson of Hico; Velda Williams of Hamilton, Jo Sumerford of Evans, and Betty Beard of Star.

Several from Hico attended the funeral held for Bob Johnson at Lankin July 22. He passed away in the Gorman Hospital July 21. He was a brother of Tom Johnson of Hico, and was loved and respected by all who knew him.

## Veterans' News

Veterans attending colleges and universities under the GI Bill must obtain supplemental certificates of eligibility from the Veterans Administration if they plan to enroll in a new school this fall.

The certificates should be requested from the VA regional office at least 30 days before the date the term opens at the new school. Advance requests will help speed prompt payment of subsistence allowances after the start of the new term.

Supplemental certificates to the original certificates of eligibility issued by VA are necessary only when a veteran changes from one school or training establishment to another.

The veterans' full name, correct address, VA claim number and present training establishment should be included in any request for new certificates.

Colleges and universities attract, on nearly 60 percent of the World War 2 veterans who enrolled in educational institutions under the GI Bill and Public Law 16 on June 1, VA reports.

The remaining 40 percent were taking courses in high schools, trade schools and other education, at institutions below the college level.

On June 1, a total of 1,632,780 veterans were training in educational institutions under the GI Bill. Of these, 962,297, or 59 percent, were in colleges and universities.

At the same time, 121,971 disabled veterans were in school under Public Law 16 trainees.

## SINGING AT CARLTON

Regular second Sunday singing will be held at Carlton Sunday, August 8, at the Carlton Baptist Church, starting at 2:00 p. m., according to announcement from J. W. Jordan, president of the class.

Mr. Jordan said they were expecting some real good singers, and added that everyone was invited to attend.

## Street Signs and House Numbers for All Streets in Hico

Did you ever try to tell anyone how to get to somebody's house here in Hico? Some job, wasn't it? The Chamber of Commerce had the same thing up for decision some time ago and decided to do something about it, with the full cooperation of all our citizens.

Your Chamber of Commerce has pushed ahead and ordered the street signs and house numbers. The street signs are made of aluminum and will be mounted on the street corners at eye's height so they will be easy to see. They are large letters and easy to read. The house numbers are also of aluminum and will be easy to see. Samples of each can be seen on display at the First National Bank.

Now here is the way it works. The correct number will be figured out for your house at the City Hall and the numbers will cost only \$1.50 per house. This is a small amount and the sale of the house numbers will finance the street signs. By doing it this way every citizen will have had a part in this much needed improvement for our city, and each of us can feel proud that we have had a part in making Hico a better and more attractive place to live. Let's get behind this thing and make it 100 percent. Work your street and make it the best looking one in town.

The house numbers will be here about the 10th of August and the street signs are due for delivery in 60 days, so as soon as the Reunion is over the street sign program will get under way.

Yep, you bet, some one is going to say: "Better fix some streets before we put up any signs." Brother, you are right. And did you know that the streets are going to be fixed up? The City of Hico has just purchased a machine to pave streets with and delivery will be made in a few days. As soon as it arrives work will begin on our streets and with this machine we will be able to maintain the street as the days roll along and also add new pavement from time to time. Now is a good time to start thinking about paving your street and time to get your street's name on the list for paving when the time comes.

BILL NORTON, Sec. Hico Chamber of Commerce.

## GOOD PARADE AND LARGE ATTENDANCE FEATURE FIRST DAY

A large crowd lined the streets of Hico's business section Wednesday afternoon to witness the colorful parade which started the 62nd Annual Hico Reunion off with a bang.

J. C. Barrow, former mayor of Hico, delivered the address of welcome and gave interesting sidelights on the affair.

Tyrus King, perennial standard bearer, mounted his spirited steed and headed the parade, bearing a large U. S. flag. One of the outstanding features of the lineup was the large number of horses and riders. There were also many colorful floats and decorated cars, into which had been put a lot of time and effort.

Ogle Bros. won first prize for the best decorated car or float, and second prize went to the Hico F. F. A. Chapter.

Norma Gean Howerton got first prize for the best decorated bicycle; Simpson Johnson first in the man and horse division; and Mrs. J. B. Ratliff first in the women's division for best horse and rider.

Herman Steele, advertising Ken-

ny's Variety Store, won first prize for his comical entry.

The best out-of-town entry was judged to be the Clairette Melody Boys, composed of Jim Kennedy, Ken Harvey and Harold Parrish.

Prizes for the best square dance team and for the out-of-town guest coming the longest distance to the Reunion will be awarded later.

Mayors present in the parade lineup and attending ceremonies were: Dr. H. V. Hedges, Hico; R. N. Pittman, Stephenville; F. T. Daniell, De Leon, and D. R. Francis, Dublin.

Queens present included Willa Dean Hancock, Hico; Nanelle Harris, Stephenville; Billy Faye Bauer, De Leon, who was also the queen of the recent De Leon Peach and Watermelon Festival; Patsy McCarty, Walnut Springs; Mary Ann Mayfield, Dublin; and Anna Shaw, Carlton. Miss Shaw was designated Queen of the Reunion.

## City Order Case of Asphalt Macle

The City Council in regular session Monday night August 2, in a full attendance, present were: L. Davis, Billton, Paul Ogle, Dr. H. V. Hedges, Mayor.

Minutes of the previous meeting and officers' reports were read. Neel moved and Norton seconded that they be approved a filed for record. Motion carried.

Bills and accounts were read. Norton moved and Neel seconded that they be allowed and ordered paid as read. Motion carried.

Ratliff moved and Neel seconded that the City of Hico purchase an asphalt machine. Motion carried. There being no further business, the council adjourned subject to call.

MRS. J. R. McMILLAN, City Secretary.

## IMPORTANT MEETING FOR MASONS NEXT THURSDAY

Tom Morgan, secretary of Hico Lodge No. 47, Ancient Free and Accepted Masons, is anxious for a full attendance at the regular meeting to be held Thursday night of next week, August 12, opening at 7:30 p. m.

Plans are on foot to have an out-of-town instructor here for a special school of instruction in Masonic work, and those who have been working on the project want to have as many members present as possible for the discussion.

Miss Ann Gollightly, guest of the week in Fort Worth, and Miss Janette and Nanelle Dowdy.

## GATESVILLE GIRL AWARDED DAVIDSON SCHOLARSHIP TO UNIVERSITY OF TEXAS

Miss Colleen Higgins, daughter of Mr. and Mrs. John D. Higgins of Gatesville, was among the 39 Texas High School graduates to receive the Wilbur S. Davidson Scholarship to the University of Texas.

Miss Higgins was a 1948 graduate of Gatesville High School, an honor student in English. She was also cheer leader and literary editor of the Annual Staff.

Twenty-one boys and nine girls from various parts of Texas were selected for this award.

## State Renews 4-H Wear-Care Clothing Demonstrations

Rural girls in Texas between 14 and 21 again have the opportunity to take part in a special 4-H "wear care" clothing demonstrations a new program, which is being renewed this year.

The demonstrations may apply to what the participants have learned regarding good methods of selecting, wearing and caring for a clothing wardrobe. The care may include washing, drying, ironing, removal of spots or stains, and handling of garments when not in use.

State champions—either two individual demonstrators or two members of a demonstration team—named by the state club office, will each receive a \$25.00 cash award provided by American Viscose Corp. The winners must have completed at least three years of 4-H Club work, including the current year.

County extension agents will furnish complete information regarding the demonstrations.

## AAA News Notes From Hamilton

The A.A.A. office is still paying for the eradication of underbrush, bushes and shrubs, mesquite, cedar and pears. If you wish to carry out any of these practices you should make application to this office in person, by mail or telephone. This office must make a preliminary inspection before any work on these practices is started. The practices must be completed before Dec. 31, 1948.

This office still has some funds for tanks and stock ponds. We still have some terrace funds. These funds are all limited. You should make application for these practices while our funds are available.

Farmers who have not signed their Prior Approvals for vetch, clover or peas should do so at once, and mail them to the AAA office. This information is necessary. Please check, and get these approvals back to the AAA office.

Jim F. Gilbreath, Adm. Officer, Hamilton Co. ACA

HICO, TEXAS

DEAR FRIENDS:

It is customary at Christmas Time, or Hico Reunion Time, to offer you our best wishes. But we are writing you this letter at this time to just plain thank you for the nice business that you have given us in the past.

It is through the cooperation of customers like you that we have been able to buy additional equipment for our service department which enables us to render all our customers better service.

We have the latest ANALYZERS. . . . These are the only machines in town of this kind.

We invite you to bring your car into our service department while at the Reunion, for a complete check-up With these machines. You will be pleasantly surprised with the results.

If we have done a good job for you, tell your friends about us and if we haven't, tell us.

Sincerely,

George Jones.

Fairy

By Mrs. J. O. Richardson

The weather is hot and dry in this section and it seems all indications of rain pass us by with little or no added moisture.

We are very sorry to report that the small son of Mr. and Mrs. Leslie Arrant is very ill. Blood transfusions have been given in an effort to restore his strength. He is suffering of leukemia. We sincerely hope that he can be restored to health again.

Miss Mary Ona Whitson of Stephenville is spending her vacation period here with her parents, Mr. and Mrs. O. E. Whitson.

E. M. Hoover attended funeral services for his aunt, Mrs. Hallie Hoover, at Hamilton last Friday morning. Interment was in the Carlton cemetery.

Mr. and Mrs. Carl King and Lynn returned home Tuesday of last week from a visit with relatives and friends at Ballinger. Mrs. Mickleby returned with them for a visit with Mr. and Mrs. King and Mr. and Mrs. Chester Wood and family. She is the mother of Mrs. King and Mrs. Wood.

The writer was a business visitor in Stephenville, Dublin, and Hico Thursday of last week. While in Dublin we visited in the home of our daughter, Mr. and Mrs. D. E. Allison, and family.

A little son, Jimmie Don, was born to Mr. and Mrs. Carl Ray Sellers at the Hico Hospital last Saturday afternoon. The writer happens to be the maternal grandmother (and they're hollering "Grandma" like it was our first grandchild). The paternal grandparents are Mr. and Mrs. N. S. Sellers of Hamilton. The baby weighed seven pounds and fifteen ounces. Mrs. Sellers is the former Miss Charlene Richardson. Both mother and babe are doing nicely and expected to return home the first of the week.

Mrs. T. L. Betts and son, Joe, came in Saturday from San Francisco, Calif., where Joe received his discharge from the Navy recently. His mother had gone out there recently to visit him and accompanied him home. We are glad to have Joe back with us; however, he states he will only be here about six weeks as he plans to enter college.

The writer and mother, Mrs. A. L. Newman, visited our daughter and granddaughter, Mrs. Carl Ray Sellers, and also our niece and granddaughter, Mrs. Charles Price, at the Hico Hospital last Sunday afternoon and attended singing at the Methodist church and visited with friends.

Mrs. Gladys Cox is slowly recovering from injuries received in a recent car collision. The shock of the incident sent her daughter, Mrs. Charles Price of Austin, who

had come up to be with her mother, to the hospital, but at this writing Tuesday, she has improved sufficiently to be returned to her parents' home.

E. M. Hoover states that he has received a letter from his wife, who with their daughter Daphne is visiting their son and brother, Mr. and Mrs. Darwin Hoover of San Francisco, stating that she expected to start home Monday of this week. They had expected to stay two weeks, but stated it was too cold there, and they'd been freezing ever since they arrived.

Mr. and Mrs. John Betts and family of Jonesboro visited Sunday in the home of his uncle, Mr. and Mrs. T. L. Betts, and Joe.

Surprise Birthday Party

Mrs. Louis Abel was hostess to a surprise birthday party, given in her home Thursday, July 29, honoring Mr. C. C. Parks and Mr. Louis Abel.

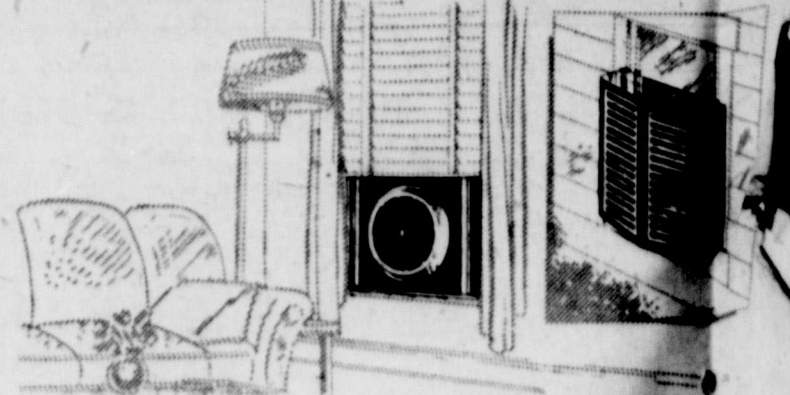

After the guests had arrived, they were ushered into the dining room where the table was set, centered with large zinnias. Both honorees had a birthday cake of his own. Mr. Parks' cake was pink with white candles, and the name "Pete" written in white, and Mr. Abel's cake was white with pink candles and the name "Louis" written in pink. After they had made their wishes and blown out the candles, "Happy Birthday" was sung by all the guests. Then ice cream, cakes, and cookies were served.

After refreshments, the men enjoyed playing dominoes while the ladies were entertained with songs by the young people.

Those attending the party were: Mr. and Mrs. J. T. Jackson and daughters, Louise and Gwen; Mr. and Mrs. J. T. Abel, Mr. and Mrs. C. C. Parks and son, Alton; Mr. and Mrs. O. J. Clark and children, O. J. Jr., Milton and Norma; Miss Ione Arrant and Mr. and Mrs. Louis Abel, all of Fairy; Mr. and Mrs. Vertice Keller and Miss Mary Nell Keller of Hico.

Golden Wedding Celebration  
Mr. and Mrs. George W. Chaffin of Iredell celebrated their golden wedding anniversary Saturday, July 24.

They were married in Alabama July 24, 1898 and came to Texas in 1903, first settling near Waco, they later moving to Iredell where they have lived for the past 40 years.

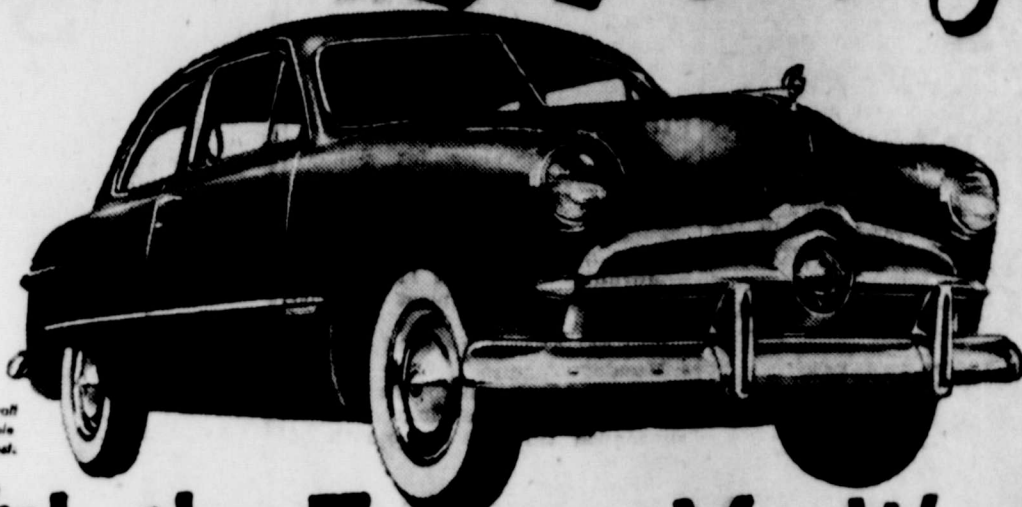

They celebrated the occasion on Sunday, July 25, so their children could be at home. They have three daughters and one son. Their son, W. J. (Bill) Chaffin, who lives in Chicago, could not be with them. Their three daughters, Myrtle, May Belle, and Eva, all of Dallas, were with them. Several of their relatives and good friends called on them during the day.

Mrs. Chaffin's health has been very poorly for the last few years, and a big celebration could not be carried out as they wished it could have been. They enjoyed all the many friends and relatives paying them congratulations on this half century mark and the many nice gifts and all the nice cards and messages they received. They enjoyed very much the visit paid them from their pastor and wife, Rev. and Mrs. Tension, the pastor of the Iredell Baptist Church, and they enjoyed the nice prayer offered by their pastor.

May Mr. and Mrs. Chaffin live and enjoy many more happy years together is the wish of their many friends.

Mr. and Mrs. Chaffin were born in Alabama. Mr. Chaffin was born August 18, 1878. Mrs. Chaffin was born January 2, 1874.

**HELP YOUR REFRIGERATOR SERVE YOU BETTER**

## DEFROST

whenever it reaches thickness one-quarter inch

Thick frost retards coldmaking, makes your refrigerator run longer, increases operating cost. It should be removed whenever it becomes one-quarter of an inch thick. It is necessary to defrost more often in summer than in winter because of more moisture in the air and greater use of your refrigerator.

### A Quick Method of Defrosting

Empty defrosting tray and turn control to "off." Remove ice trays and frozen foods from freezer. (If latter are wrapped in several thicknesses of paper and placed on refrigerator shelf, they won't thaw out in short time it takes to defrost.) Fill proper-sized pans with very hot water and place on shelves of freezer. Use fresh hot water as needed.

When frost has melted wash freezer with weak solution of baking soda and lukewarm water. Clean food compartment, wash thoroughly with baking soda solution and wipe dry. Empty drip pan, replace ice trays and frozen foods and start freezing. The entire operation should take only 20 to 30 minutes.

### The Best Time of Day to Defrost

During the hot summer months it's best to defrost in the late evening just before bedtime, when the refrigerator has less work to do. If defrost during the middle of the day, the refrigerator may run noisily when started up, because of the heat, frequent door openings and warm foods being placed in food compartment.

### Starlight Operetta At Dallas Is Ending Season In 2 Weeks

The Starlight Operetta of the State Fair of Texas soon begins the last two weeks of its seventh and most successful season of musical presentations in the State Fair Casino, Dallas.

On Monday evening, August 3, "Hit the Deck," an uproarious, sea-going musical comedy, will begin a week's engagement, and on Monday, August 16, "The Vagabond King," a rousing musical romance of France in the days of Francois Villon, will begin the final week of the Starlight season, which will end on Sunday evening, August 16.

"Hit the Deck" was written by Herbert Fields, co-author of "Annie Get Your Gun," which served as the annual presentation of the State Fair last fall. The music is by Vincent Youmans, and includes such hit songs as "Sometimes I'm Happy" and "Hallelujah." Larry Brooks, star of the Broadway production of "Song of Norway," will play the leading masculine role in "Hit the Deck," the part of "Bilge" Smith, the most notorious sailor in the United States Navy whose "love 'em leave 'em" technique works perfectly.

He meets Louloy Martin, Louisiana, who is played by Gloria Hamilton. She follows the fleet from New Orleans to the China seas to meet her man. The production is eminent in the cast will feature, an expert comedian, Red Marshall and a woman, two actors who are among their excellent comedy acts. A special feature will be David Nillo dancers, who are Hindu and South American, dancers to modern rhythms.

When a worker starts on a job, he should get a social security card to file. The employer will then give his exact name and account number in the company's pay record to aid in the payment of social security benefits.

Charles Pinckney, ambassador to France, said, "Millions of dollars are spent for arms but not one cent for education."

### A VERY IMPORTANT STATEMENT

# SOIL CONSERVATION

*... a Necessity!*

Condensed from paper presented by PAUL H. WALSER, State Conservationist of the U. S. Soil Conservation Service, Temple, Texas, at a joint meeting of the Dallas Chamber of Commerce and the Citizens Council, Dallas, March 25, 1948.

**A**GRICULTURAL land is not only our major source of food, clothing and shelter; it is also the base for taxes and the source of new wealth, raw materials for industry, and income that is used to purchase the products of business and industry. Productive land is the foundation of stable people, communities, counties, cities, states and our whole country of the U. S. A., and of government.

We would be short-sighted indeed if we ignored our land problems because we thought they were too remote from our own immediate interests to merit our attention. Even though a business man in a city may not own a square foot of agricultural land, his welfare financially, socially and from the standpoint of health is tied inseparably to the soil.

Texas land covers about 169 million acres. Agriculturally, Texas land is young. Most of it has been used for less than a century, much of it for less than 50 years. Yet in that short period, erosion has taken a terrific toll. The people of Texas have paid a tremendous price for not treating the land according to its needs, for not using it for what it was best suited to produce. In the short time the land of Texas has been in use, 46 million acres,

more than a quarter of the state's total area, have lost more than three-fourths of the topsoil through erosion. An additional 40 million acres have lost from one-quarter to three-quarters of the topsoil. Eleven million acres, the equivalent of 22 average-sized Texas counties, have been virtually destroyed by erosion.

Surely no business or government could look to the future with a feeling of security or certainty with resources being destroyed at such a suicidal rate!

**A**GOOD START has been made in the conservation of soil and water resources in Texas. There is a long way to go, however, before all the land is properly protected against erosion and Texas agriculture, with all that is dependent on it, is reasonably stable and secure.

All of the people of Texas can help, and especially business men can help in this big soil and water conservation job. They should know what the problem of soil erosion is and how it is a drain on their business. They should understand what soil conservation means and how it benefits their business. Then they should actively support the soil conservation district program.

### Funeral Services Held Last Friday for Mrs. W. N. Hathcock

Annie Mary Dellinger was born on December 30, 1875 in South Carolina, and departed this life shortly before midnight July 29, 1948.

She came to Texas with her parents and three sisters, when a small child, and had made her home here since that time.

At the age of twelve she was converted and became a member of the Methodist church, and later changed her membership to the Nazarene church where she attended services regularly as long as possible. She enjoyed going to church and the association of her friends and neighbors, loved the beauty of the outside, but due to her illness, which struck her years ago, she had been denied these pleasures, and had been confined to her sick room for many months. Surely, few people have been called upon to bear more sorrow and suffering, but she bore it all without complaining, and when death came she went, as she had lived, quietly, peacefully, like a tired child who has sought and found a haven of rest.

She was married to William Neely Hathcock on May 30, 1914 and to this union one child was born, Lee Roy Hathcock, who survives. Other survivors are her husband, William Hathcock; two grandsons, Ronnie and Harold Wayne; two sisters and many other relatives and friends.

Eld. Stanley Giesecke, minister of the Church of Christ, conducted the funeral service, and the body was laid to rest in the Hico Cemetery, with Barrow Rutledge Funeral Directors in charge.

Palbearers were Lawrence Tolliver, John Hathcock, Jim Duncan, Joe Crow, Colquitt Harris, and Roy Adkison.

Out-of-town relatives who attended the funeral were Mr. and Mrs. John Hathcock and Mrs. Frank Hathcock of Comanche, Mr. and Mrs. Jim Duncan and Mrs. Elmer Duncan of Dublin.

CONTRIBUTED.  
Mrs. Billy Thomason and daughter, Billy Sue of Brownwood are visiting this week with her mother, Mrs. Mollie Harvey.

Mrs. Baxter Lively and daughter, Vickie Sue, of San Saba, are visiting this week in the home of Mr. and Mrs. Raymond Dodd.

Mr. and Mrs. J. D. Jordan of Abilene returned to their home Monday after an extended visit in the home of his father, A. J. Jordan.

Mr. and Mrs. Bailey McQuinn of Electra have been visiting Mr. and Mrs. Will Parker and Mr. and Mrs. Monroe Latham and family, and other relatives at Hico.

Mr. and Mrs. Carl Stroud and children of Sweetwater have been visiting her parents, Mr. and Mrs. H. W. Hanshaw, who accompanied them home for a visit with their other children, Jake Hanshaw and son and Ray Hanshaw and family, all of Sweetwater, Mr. and Mrs. Jake Hanshaw and son brought Mr. and Mrs. H. W. Hanshaw home and visited friends over the week end here and also at Iredell and Chalk Mountain.

Mr. and Mrs. George Griffiths and daughter, Judy, of Midland came in Friday for a visit here with their parents, Mr. and Mrs. J. R. Griffiths and Mr. and Mrs. S. L. Trimmer. Their son, Don Griffiths, who is stationed at Castle Field, Merced, California, has been promoted to the rank of sergeant. Don wrote his parents that on his second anniversary in the service, he flew a mission over Tokyo on a training flight from Okinawa where he is spending two months.

Reburial for Pfc. Damon King, World War II Veteran

Funeral services were held at the Methodist Church Friday afternoon at 2:30 for Pfc. Damon King, who remains arrived in the States July 2, 1948 aboard the USS Ogishope Victory. He was killed in action near Serrig, Germany, March 16, 1945.

Rev. Jimmie Smart, chaplain of Hamilton, delivered the eulogies and the Cunningham Post of the American Legion of Hamilton officiated at the military services. Services at the church were conducted by his pastor, Rev. A. J. Helms of Grapeland, formerly of Carlton. He was assisted by the local Methodist pastor, Rev. Frank Stone, and the Baptist pastor, Rev. Chester Sylvester. Music was furnished by the Hamilton quartet, composed of Luther McGlothlin, John Jordan, Dr. Jack Koen, and Bradford Corigan, with Mrs. John Jordan at the piano.

Reburial was in the Carlton cemetery, with the Williams-Riley funeral directors of Hamilton in charge, following the military service at the graveside. Pallbearers were schoolmates and friends of Damon's, all ex-GI boys: Vernon Pruitt, Brownwood; James Youngblood and James Fine, Carlton; Dock Lackey, Fairy; Dock Sharp, Crane; Cecil Ferguson, Waco; Daymond Weaver, Hico, and Edwin Kneppstein, Ewart.

Carrying the many lovely flowers were friends and schoolmates: Dora Mae Smith, Goldthwaite; Imogene Burnett Anderson, Carlton; Pansy Bolton Parlin, Waco; Kylene Alford McDonald, Hamilton; Maxine Fine Weaver, Hico; Willadean Lee Lackey, Fairy; Catherine Lackey, Waco; Frances Turner Hoppson, Little Rock, Ark.; Ramona Ellsberg Sharp, Crane; and Frances Guest Gardner, Hamilton.

Damon Lovelle King was born to Mr. and Mrs. Cyrus King on April 29, 1921, near Carlton. He attended school here, graduating with his class of 1940. He was a member of the Carlton Methodist church and made a contribution to his church while in service.

Damon entered the service May 17, 1944 and trained at Camp Panola for six weeks. When he came home on a 21-day furlough before going overseas. He was placed in the Third Army, serving with the Yankee Division and the 101st Infantry in the relief of Bastogne. He served in Germany and the Battle of the Bulge, and was awarded the Purple Heart, Bronze Star, EAM Ribbon with two battle stars, and the Combat Infantry Badge. He was buried in the Memorial Cemetery at Hamm, Luxembourg, Germany. He was the last of three Carlton boys who gave their lives for their country, brought home, draped with Old Glory, to be buried under the Texas skies and near their homes they loved so dearly. The other two were Toby Byrd and Page Barnett.

Damon is survived by his parents, one sister, Mrs. Shirleen Sowell of Marshall, one brother, Travis of Carlton, one niece, Nancy Sowell of Marshall, and a host of other relatives and many, many friends.

Mr. and Mrs. Cecil Norris of Lubbock and H. F. Elms of Gustine visited the past week end with their parents and daughter, Mr. and Mrs. Tull Thompson and children.

When illness strikes, a telephone can be a mighty instrument of mercy. A local or long distance call quickly brings peace of mind and cheering comfort to the person who has called an instrument of endless service. Small wonder then that the telephone is called an instrument of endless service. Small wonder, too, that telephone people are proud of the industry's greatest tradition — bringing so much for so little.

### First Aid Practices Outlined At Recent Girl Scout Meeting

We had twenty girls present at our meeting Monday night. Miss Blair, our leader, talked to us about first aid. She showed us how to fix a bandage on someone if they had a sprained ankle, and also what to do for burns and blisters. She also talked about several other things.

There are going to be four Girl Scouts to march in the Reunion parade. They are Kay Jernigan, Frances Latham, Kay Parker and Bonnie Pierce.

We were very glad to have Imogene Elder to visit us. She was one of our members before she moved to Grandfalls, Texas. We repeated our Scout Promise after Kay Parker.

"A Girl Scout is clean in thought, word, and deed."

## Weekly SURPLUS NEWS WAA

After several months with nothing but a few military transports to dispose of, War Assets finds itself back in the airplane business. A number of commercial and personal type planes formerly used by the Civil Aeronautics Administration have been added to the surplus list. In Texas and the south, west, 18 airplanes are on sale at Meacham Field, Fort Worth, and Oklahoma City, Oklahoma. It is a sealed bid offering, with World War 2 veterans getting next to top preference in the awards. Catalogs and other information are available at the Grand Prairie regional office. Bids must be sent prior to August 9. The sale will start at August 9 to WAA's Washington Office, Accounting Division.

Biggest regional disposal of general products to be held next week by WAA will occur north of the Texas line at Camden, Arkansas, Naval Ammunition Depot. Bidders will be offered a selection of 125,000 dollars worth of miscellaneous surplus, including chain hooks, water main fittings, gate valves, air pres. sure hose, pipe hooks and tongs, urnals, heaters and attachments for construction equipment. Veterans and the general public are invited to make inspection on August 9. The sale will start at 10 a. m. August 10.

Carrying on its step by step consolidation of government property at surplus army camps, the regional War Assets office announced it has about a mile of railroad track, age and other accessories to sell at Camp Maxey, near Paris. Priorities expire August 17, after which bidding will be open to the general public. Purchasers will have to complete removal of the trackage, but there are no restrictions as to resale of the materials.

A variety of surplus materials will be up for spot bidding next week at the Altus, Oklahoma, Army Air Field. In the War Assets assortment will be six lots of fire extinguishers, three drafting tables, chairs, filing cabinets, desks and office machines, a number of tons of scrap metal and scrap rubber, a quantity of lumber, some surplus landing mat, and assembly equipment for gas engines, tractors and derricks. Inspection will be held on August 10 and 11, with bidding to commence at 10 a. m. August 12.

Bargains in surplus vehicles are available to veterans this week at the Amarillo Air Base and the central War Assets Administration warehouse in Houston. Bidding at both sales commence on August 5, and about 23 passenger cars, trucks and other machines will be sold. Commercial buyers and the public will also have an opportunity to purchase a considerable range of consumer goods at these two sales.

A plot of government owned land on the auxiliary to Moore Army Air Field near Edinburg, Texas, is now available for transfer to federal agencies, state and local governments and tax supported institutions. The plot consists of 113.96 acres of the airport property. Applicants from these priority claimants must be sent to WAA's Grand Prairie office of real property disposal not later than August 16.

# *The New Burrus* **TEXO FEED MILL**

**ONE OF THE WORLD'S LARGEST... AND THE MOST MODERN**

THE opening of the big, new Burrus TEXO Feed Mill, with a daily production capacity of 2,400 tons, assures a constant supply of famous Burrus TEXO Feeds for the livestock and poultry raisers of the South.

large trucks are being loaded at the dock. The grain elevators have a total storage capacity of 6,500,000 bushels, assuring ample supplies of grain at all times.

In this great new mill, the possibility of human error is practically eliminated. The famous Burrus TEXO Feeds are produced by the latest and best manufacturing methods. Weighing, mixing and packaging are done automatically. There is no guesswork, no chance of inaccurate measurement or inadequate mixing. Now, more than ever, you're assured of the finest Burrus TEXO Feeds ever produced.

Everything about this new Burrus TEXO Feed Mill is as efficient and as fully automatic as human engineering skill can make it. Every operation of feed manufacture is performed better and quicker than ever before.

If you're a livestock or poultry raiser, this means better feeding results and more profits for you. Because TEXO Feeds now offer you all the uniform quality and other advantages it is possible to put into livestock and poultry feeds. Remember too, the good name of BURRUS stands behind every bag of TEXO Feeds... "It's in the Bag!"
