HICO, TEXAS, FRIDAY, AUGUST 12, 1949

NUMBER 18

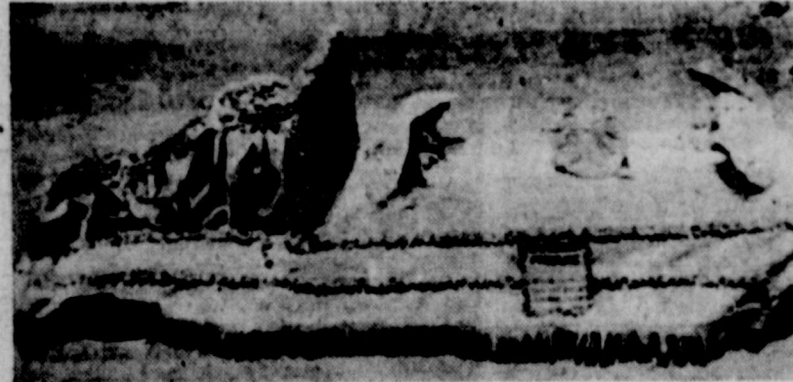

WINNING PARADE FLOAT—The Hico Garden Club, whose members had worked long and hard on their entry for the elaborate parade on opening day of the 63rd Annual Reunion last Wednesday, was judged first prize winner and brought \$25.00 into the club's treasury to help repay the ladies in part for their time and expense. Adorning the float under the parasols were Betty Gollightly and Patsy Tooley. Most of the club members "pitched in and helped."

STEPHENSVILLE BAND AND BURRUS SOUND TRUCK—Three bands participated in the Reunion parade, the Stephensville aggregation (pictured above) winning marching honors over Dublin and Hico. At lower left appears the elaborate Texo Sound Truck loaned for the occasion by Burrus Fred Mills, along with T. W. Patrick, salesman in this territory, as technician and operator. The truck, painted in Texo colors of orange and green, is a Chrysler station wagon, and was put to good use during the parade and at the park.

JUDGED BEST COMIC ENTRY—The above rig, a World War I machine gun carrier, won a prize for Bea Mingus Dress Shop and the Hico Confectionery, who cooperated in fitting it out. "All dressed up" occupants are Betty Lou Davis, Betty Sue Segrist, Betty Land, Jo Suits, Wilma Jean Sherrard, of Hico, and Glenda Stevens, granddaughter of Mrs. Mingus. The steed went formal.

HONORABLE MENTION—Another decorated float which gained a lot of compliments was that of J. B. Woodard Produce, driven by John Trammell. Prettily posed under the parasols were Jean and Joyce Ables, Ann Hutton, Bonnie Johnson, and Kay Jameson.

OPERATIONS STILL UNDER WAY AT CHRISTIAN WELL

R. C. Christian, on whose place south of Clairette a well being drilled by McClung, Wilkinson & McClung last week encountered water which failed to dampen the enthusiasm of operators, reported this week that operations were continuing.

Casing was being set about four hundred feet, he said, with intentions of moving off the cable-tool rig and moving in a rotary. Plans call for deepening through the Ellenburger to the Hickory sand. Ellenburger lime was reported entered at 4785 feet, and was penetrated to a total depth of 4786 feet. A meeting held at the school house in Clairette last week showed considerable interest in the new project, Christian said.

The McPherson well, rotary test four miles toward Carlton from the Christian well, was reported drilling below 4300 feet Wednesday, with orders from the contractor, Patterson Drilling Co. of De Leon, to continue. The original contract was for 4200 feet. Progress was reported slower than usual as a hard formation had been encountered.

Leroy Bobo of Wichita Falls spent the week end here with his parents, Mr. and Mrs. J. R. Bobo.

Hearing Thursday On Kat's Application to Cut Passenger Trains

Mayor H. V. Hedges, Odus Petrick and W. W. Carson Jr. were among the nearly 100 representatives of towns along the Texas Central division of the MKT Railroad present at De Leon Thursday morning for opening of the Railroad Commission hearing on the discontinuance of passenger train service on the branch.

Representatives came from Waco, at the eastern end, and a half dozen towns along the line to the western end at Stamford.

Another group of about 90 citizens of Whitney and vicinity also was expected to participate in the hearing.

The railroad line is 268 miles long and serves approximately 200,000 citizens between Waco and Stamford.

No action had been taken at the time the Hico representatives returned home at mid-afternoon.

City officials, leading club and organization members, and principal shippers of the towns on this line had been requested to appear to protest the discontinuance of this train service, as it was feared this will lead to total abandonment of all rail service. It is also feared mail service will be seriously crippled.

Mr. and Mrs. Jess Askey and Ann returned to La Grange Sunday after a two weeks' visit in the home of her parents, Mr. and Mrs. Roy French. Mrs. Curtis Keeney and son Butch, who had visited her mother for the past three weeks, returned to Odessa Tuesday.

BAND DIRECTOR ELECTED, SCHOOL TO OPEN SEPT. 5

W. D. Bradley of Fort Worth has been elected as band director in the Hico Public Schools for the coming school year, according to an announcement this week by the board of Hico County Line Independent School District.

Mr. Bradley comes to Hico highly recommended as a director of public school music, both band and group singing. He has a Bachelor of Music Degree from North Texas State College and is now working on his Master of Music Degree at T. C. U., Fort Worth. He had two years' experience in directing public school bands in Texas.

Mr. Bradley and his wife, who also majored in public school music, expect to move to Hico around the latter part of August, when the summer classes at T. C. U. end.

With the election of the band director, the faculty is now complete.

School will open Sept. 5 instead of Sept. 15 as previously announced. There will be a more detailed announcement covering school opening a little later.

Americanism Upheld By Senator Harris In Address At Reunion

Speaking before an audience at the Old Settlers Reunion at Hico City Park Saturday night, Senator Fred (Red) Harris of Dallas upheld the democratic form of government and deplored the infiltration into this country of those types of people seeking to destroy our government. Americanism is the only "ism," he said, and the fortunate American people should realize that the government belongs to them and that it is the only free government left. If there is anything wrong with our government, it is the fault of the people.

Introduced by W. W. Carson, Jr., of Hico, the Senator also spoke of the long, trying session of the Legislature just ended and of the huge appropriations voted.

"As long as the people demand, it becomes necessary for the legislators to meet those demands," he stated. "I have never seen the people so demanding as they are today. When the government spends, it is going to cost someone—that is, you and me—dearly. The citizenship should think things out."

A graduate of Baylor University Law School, Senator Harris owns a ranch five miles west of Hico on the Carlton road. He is a Navy veteran, who served in both Atlantic and Pacific areas during the war. He was wounded in action twice, and received two Purple Hearts, the Bronze Star, Commendation Ribbon, and the Navy Cross.

The speech was preceded by a band concert by the Hico Band, under the direction of A. G. Macy.

THANKS LOCAL PEOPLE FOR THEIR COURTESIES

In a letter addressed to W. W. Carson Jr., Senator Fred Red Harris this week wrote:

"May I take this opportunity to thank you for the many courtesies extended to me by you and the other members of the Hico Chamber of Commerce last Saturday night at your Reunion."

"I apologize for being so very tired upon my arrival and for my quick exit to the ranch for a much needed night of sleep, but that speech was the sixth one of the week, extending over 1,000 miles of Texas."

"I want to tell the Mayor and other members of the Council to feel free to call upon me at any time if I can be of service to them either as senator or as citizen."

Early-Day Hico Citizen Buried Monday After Services At Dublin

Funeral services for R. L. Connolly, 83, were held at 4 o'clock Monday afternoon at Harrell Funeral Home in Dublin, and burial was in Hico Cemetery. Rev. George Sullivan, pastor of the Hamilton Presbyterian Church, conducted the services. Mr. Connolly died at his home in Dublin at 10 o'clock Sunday night.

Born in North Carolina, he was the son of the late Mr. and Mrs. William C. Connolly, prominent early day residents of Hico. He came to Texas at an early age and grew to young manhood in Hico. He had made his home in Dublin for many years.

He is survived by his wife, Mrs. Emma Connolly; two daughters, Mrs. Bill Mayfield of Dublin and Mrs. Bob Easley of San Angelo; five grandchildren; and five sisters, Mrs. P. L. Maxwell of Hamilton, Mrs. A. G. Gilliam of Clifton, Mrs. Emma Barnes of Gordon, and Mrs. J. H. Hill and Mrs. J. F. Hails, both of Brady.

CHESTER L. MAY
Lone Star Vice-President in Charge of Distribution Properties

Local Employees of Lone Star Gas Co. to Meet In Fort Worth

Lone Star Gas Company employees from this area will be among the 640 men and women in the company's Fort Worth division who will assemble in Fort Worth Tuesday night, August 16, to launch a merchandising campaign on modern gas appliances for the home, according to F. L. Carmichael, division general manager.

This group is in charge of gas distribution operations here and in more than thirty other communities comprising the Fort Worth division.

Chief speaker at the sales promotion conference will be Chester L. May of Dallas, Lone Star vice-president in charge of distribution properties. Mr. May will point out methods the company will pursue to accelerate general employee interest in the sale of gas appliances; outline steps for the further development of Lone Star's sales assistance program for home appliance dealers handling approved equipment; and discuss the company's position on gas appliances as related to the economic stabilization.

Based on the theme, "Every Employee A Salesman," the Lone Star gathering is designed to stimulate activity among general employees in the sale of gas equipment. Mr. Carmichael pointed out the meeting will mark the resumption of employee conferences held before the war at which officials brought first-hand information on company policies and projects. Similar meetings have been held at Waco, Greenville, Abilene, Wichita Falls, and Sherman.

"With improvements constantly being made in gas appliances for the home," Mr. Carmichael said, "Lone Star Gas Company is conducting a systematic sales campaign to create a still greater public acceptance of these appliances designed for comfort, convenience, cleanliness and economy of operation. We are calling on all employees to join in this move to bring a better standard of living to the home."

The dinner meeting will get under way at 6:30 p. m. in Lone Star's new garage and automotive equipment building, adjoining enlarged and remodeled shop and warehouse quarters. The employees will be accompanied by 260 wives and husbands and the entire group will make a tour of the new garage, shop and warehouse facilities.

Hatchery Reopening Under Ownership of Knox and Tulloh

Good news for poultry raisers of this section is contained in the announcement this week by Knox & Tulloh that they had purchased the hatchery equipment and building formerly operated as Keepey's and would reopen it soon.

The property was acquired from T. A. Randsall, who has owned it since active operation stopped last year. The large capacity of the incubators and the excellent layout of the conveniently located establishment promise added business for the town, and accommodation of a growing industry in this community.

Luther Knox, local manager, said that extensive remodeling and rearrangement should be completed in time to allow for reopening by the first of September.

"We are going to give the folks of Hico and this territory an efficient, up-to-date hatchery with a capacity in line with their needs," he said Thursday. Orders for baby chicks are being booked for late September delivery.

Leonard McLendon, who has managed the hatchery business in this area for many years, is being assisted by Knox & Tulloh in connection with their produce business, and who recently completed special courses at Texas A. & M. College, will be in charge of the new enterprise. He will be assisted by his wife, who also has had considerable experience in this line.

HOMEFOLKS AND GUESTS HAPPY AS 63RD REUNION ENDS

Hico's 63rd Annual Reunion came to a close last Saturday night, after four days of celebration. A mass of people, estimated by officials of Schaffer's Show's, carnival operators, at between 8,500 and 9,000 mingled on the midway on closing night.

Attendance was fair throughout the picnic, although some thought it was not up to standard. No elaborate program had been planned this year, but citizens and visitors seemed to enjoy renewing acquaintances as is the annual custom.

Bill Norton, manager of this year's Reunion, had not completed his detailed report Thursday but stated that from all angles the affairs seemed to be in good shape. No attempt is made to make a lot of money, and breaking even is considered good in a year that saw adverse weather, lack of interest in concessions and rides, and dispersal of a large sum in prize money.

No accidents were reported during the celebration, and in many ways it was the most enjoyable yet through the fact that nothing came up to mar the enjoyment provided for young and old.

Goff Out-Fiddles 'Em All

R. E. Goff of Hico won the old fiddlers' contest Wednesday night, with R. T. Ford placing second, and Gene Cox third. Considerable interest was shown in this traditional event.

The Hico Band, under the direction of A. G. Macy, provided a concert under the pavilion Thursday night, and played each night thereafter as well as in the parade. Short musical programs also were rendered preceding the speeches of Senators Shofner and Harris, on Friday and Saturday nights, respectively.

Senator Shofner Urges Study of Amendments In Speech At Reunion

The passage of an omnibus tax bill at the next session of the Legislature was predicted by W. A. (Son) Shofner of Temple, senator from the 21st district, when he spoke at the pavilion in Hico City Park, where Hico's 63rd annual Old Settlers Reunion was being held Friday night. The tax bill will be designed to touch as lightly as possible upon the every day citizen, he forecast.

Study of the ten amendments to be voted on Nov. 8 was urged by the Senator. He especially recommended passage of the amendment calling for annual sessions of the Legislature, pointing out that any amendment concerning old-age pensions would be out of the question next year unless the voters authorize annual sessions. Amendments can be proposed only at regular sessions.

Shofner, who was introduced by W. W. Carson, Jr., outlined the accomplishments of the last Legislature and termed it one of the most controversial sessions ever held, although many of the controversial measures had accumulated over a period of years. He also listed three issues the Legislature failed to meet: additional taxation, lifting the ceiling on old age pensions, and a building program for eleemosynary institutions. Texas is fortunate not to have a sales tax or a state income tax, he said, and he will oppose either to the last ditch.

The 51st Legislature, the Senator said, was the most fearless and the frankest with which he had ever had any experience, and also the hardest working.

He served on 11 major committees last year. He was reared in Killen, where he attended the public schools. Later he attended the University of Texas, Southwestern and Cumberland Universities. He has served as President of the 27th Judicial District Bar Association.

Pre-Madison Square Garden Rodeo At Dublin Less Than Month Off

The World's Championship Rodeo will again be shown in Dublin, Texas this year. The dates for this big show will be August 31, September 1-2-3, and all performances will be shown at night.

The nationally famous Hardin-Simmons Cowboy Band will again be here to play for all four performances. There will be many other specialty acts, which will be equally famous.

This rodeo is becoming more famous as the years pass. The very best of contestants are available because they are here to catch the big special train for Madison Square Garden in New York City; therefore, we call this the Pre-Madison Square Garden World's Championship Rodeo. It is the biggest and best of them all.

FAMILY AFFAIR IN POLIO WARD—The polio isolation ward in Fort Worth's City-County Hospital couldn't separate this father and son, Jackie Odell, 2, was diagnosed as a positive polio case Sunday, and his dad, A. C. Odell Jr., Hico-reared former athlete, now of 3921 Lisbon Street, Fort Worth, was in the same ward Tuesday, Fort Worth's 114th infantile paralysis victim this year.

Reunion Brings Cousins Together After 36 Years

When Aubrey (Buck) Ashe met his cousin, Mrs. Harvey Trahan, at the home of their uncle, Aubrey Smith, Saturday he recognized her immediately from a picture he had taken twenty years ago, although he had not seen her since 1913 when they visited their grandmother in Conroe, Texas.

Mr. and Mrs. Ashe now live in Rotan, and Mrs. Trahan is from Beaumont. They came to attend the Hico Reunion, and it turned out to be a reunion indeed for them. Also visiting Mr. and Mrs. Smith were Mr. and Mrs. A. L. Whitfield of Dallas.

FOOTBALL PRACTICE TO START MONDAY, AUG. 15

Football practice will start for Hico on Monday, August 15, according to announcement this week by Coach Willie Sirman.

Equipment will be issued starting on the 15th at 3:00 p. m.

"It is important for all boys to be at the gym at the above mentioned time," the coach declared, "if you are interested in coming out for football."

U. S. Dept. of Agriculture's

OFFICIAL REPORT ON WEEKLY SWING OF FARM MARKETS OVER THE SOUTHWEST

Southwest farm products brought unevenly higher to lower prices compared to a week ago, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Eggs held unchanged for the week at north Texas markets, but advanced a cent or two at Denver and New Orleans. Prices of spring chickens increased one or two cents at most southwest markets, and other poultry remained firm.

Potatoes and cauliflower weakened slightly at Colorado shipping points, but peas recovered from last week's slump as demand improved. At Denver, cantaloupes, cherries, peaches, spinach, and tomatoes sold lower than a week ago. Also lower were Texas watermelons and potatoes and Texas and Louisiana sweet potatoes.

Barley rose 4 to 5 cents a bushel for the week, milo 3 cents a hundred, and wheat a cent a bushel. Yellow corn lost 5 1/2 cents, as other grains showed little change. No. 1 hard wheat closed Monday at \$2.18 1/2 to \$2.25 per bushel in bulk carlots at Texas common points. No. 2 yellow milo ranged from \$2.15 to \$2.22 a hundred.

First sales of new crop rice this season ranged from \$3.50 to \$4.75 a barrel lower than opening prices last year. Feed markets showed strong trends last week, except for weakness on wheat millfeeds. Alfalfa hay markets displayed a firm tone, but prairie hay weakened. Light peanut harvesting continued in south Texas, as support price of around \$204 a ton was announced.

Former Hico Grid Star

RED ODELL JOINS SON IN FT. WORTH WARD WITH POLIO

A. C. Odell Jr., husky 27-year-old Convoir electrician at Fort Worth, Tuesday joined his 2-year-old son, Jackie, in the polio isolation ward at City-County Hospital. Known locally as "Red," the patient is remembered here as a Hico High School football star who later played with T. C. U. His parents reside between Olin and Carlton.

Both father and son were reported Wednesday in "fairly good condition" by hospital authorities. The loneliness that Jackie has exhibited since he was stricken and admitted to the hospital Sunday disappeared entirely with the admission of his father—the 114th infantile paralysis victim to be treated in Fort Worth this year.

Mrs. Odell is expecting a baby in September, and Odell hopes he and Jackie will be back home, 3921 Lisbon, in time for the new-corn's arrival.

Two new physiotherapists—Miss Betty Steele of Grand River, Iowa, and Mrs. Jack Hubbard of 3408 Brady—were making the rounds of polio wards Tuesday, giving patients special treatments. They arrived in Fort Worth this week, recruited by the national foundation through the American Physical Therapists Association.

Texas Polio Patients Get Best Medical Care, Visiting Official Says

Dallas—Every polio patient in Texas is getting the best available medical care, Joe W. Savage, Executive Director of The National Foundation For Infantile Paralysis, announced here following a 20 day survey of conditions in the major epidemic areas of the state. Savage, who directs the nationwide fight against infantile paralysis from headquarters in New York, came to Texas to inspect polio conditions at first hand and to make sure that everything possible was being done to aid victims of the disease.

On his trip he visited San Angelo, Dallas, Fort Worth, Houston and San Antonio. In each city he discussed the situation with local chapter officials, physicians and hospital administrators and inspected treatment centers.

"The Texas chapters of The National Foundation are doing an outstanding and heart-winning job," Savage reported after surveying all areas in Texas where serious outbreaks of polio have occurred.

"In one or two places I found there was a shortage of trained personnel but steps were taken on the spot to supply this need. Texas

is adequately equipped with hospital facilities, physicians, nurses and special equipment to meet the threat of polio."

Savage disclosed that \$315,000 in additional funds have already been furnished to local chapters in Texas so far this year by the National Foundation.

In addition to money, the Foundation has dispatched 62 nurses, 16 physical therapists, 5 physicians and 1 epidemic aid team to sections of Texas needing help. Also furnished were 23 respirators, 28 hot pack machines and a considerable amount of hospital equipment.

Savage disclosed that in 1948 Texas had a total of 1,765 polio cases. As of July 30 this year some 1,203 cases have been reported.

When asked whether sufficient funds were available to continue the battle against infantile paralysis, Savage stated that the Foundation, despite the heavy demands made on it this year, will meet all requests for assistance.

"However if these serious and widespread epidemics continue," Savage pointed out, "it may be necessary to procure additional funds through a national epidemic fund drive. These funds would be used only to fight epidemics and not for research or other long range objectives.

"Such an emergency fund appeal would be successful only if carried out on a national scale. In that way funds would be available to fight polio in all areas where epidemics are raging."

Savage stated that reports from all sections of the state showed a slight drop in the number of new polio cases and expressed the hope that the peak of the epidemic in Texas had been passed.

HOUSE JOINT RESOLUTION NO. 15

Proposing an amendment to the Constitution of the State of Texas by adding a new Section to be known as Section 48-b, authorizing the Legislature to provide for the establishment of health units, and authorizing a tax in support thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be and the same is hereby amended, by adding a new Section to Article III of said Constitution to be designated Section 48-b, reading as follows: "Section 48-b. The Legislature shall have the authority to provide for the organization of county-city health units and the operation thereof and to authorize counties and cities to provide a tax of not to exceed twenty cents (20c) on the One Hundred Dollar (\$100) valuation of taxable property in counties and cities for the purpose of financing the said county-city health units; provided that no such tax shall be authorized except by a vote of the people residing in the city or county in which said tax shall apply. The foregoing tax shall be levied only on county valuations."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the State on the second Tuesday in November, 1949, at which election all ballots shall have written or printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of city-county health units and to authorize cities and counties to vote a tax in support thereof;" and

"AGAINST the Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of city-county health units and to authorize cities and counties to vote a tax in support thereof."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

Duffau

By Elmer Glesche

We have enjoyed some nice heavy showers of rain the last few days with about two inches of precipitation since last Friday. Farmers are jubilant.

Mrs. Ervin Lee King Jr. and two children of Waco spent Thursday and Friday visiting relatives here.

Cleo Elkins of Fort Worth and Dallas was down one day last week visiting his parents, Mr. and Mrs. W. D. Elkins and other relatives. Cleo has been in very bad health for the last few years, but is looking much better now.

Mr. and Mrs. Herman Talley spent Sunday at Sipe Springs enjoying a big home coming. Mrs. Talley grew up in that vicinity.

A. L. McAnally and wife had the following for dinner Sunday: Frankie McAnally and wife and children all of Brownwood; Johnnie McAnally of Wichita Falls, and Tommie McAnally of Brownwood, all sons of Mr. McAnally.

The baseball game between Iredell and Duffau was rained out Sunday afternoon. Duffau plays Clairette next Sunday at Clairette.

NOTICE TO THE PUBLIC

On certain nights of the week when necessary, water will be cut off at 5 o'clock for a few hours, until current repairs and improvements are completed.

Telephone expansion doesn't just "HAPPEN"

Money for telephone expansion can come only from investors... every-day people who put their money into telephone stocks and bonds.

The money you pay for telephone service must be used only to meet expenses and pay a fair return to these investors for their confidence in your telephone company's business ability.

Thus, the wave of telephone expansion programs throughout the country means more than just better telephone service. It is a thrilling example of continuing faith in the American free system in all forms of business.

From where I sit... by Joe Marsh

Specs And I See Eye To Eye

Asked Specs Allen to go hunting last week. Knew him all my life, so I wasn't surprised when he showed up with no gun. Specs doesn't like to kill anything.

Couldn't ask for a better hunting companion, though. We tramp around the woods, and whenever the dogs flush a bird, I blaze away while Specs just watches.

Told him once I was surprised he went along... feeling the way he does about shooting anything. "Well, Joe," he says, "you do what you think is right and I'll stick

to what I think is right. I've no call to dislike you for not seeing everything the way I see it."

From where I sit, open-mindedness is a wonderful quality. There are plenty of things Specs admires that I don't care for. Like his fondness for buttermilk. I'd rather have a glass of beer anytime... but Specs Allen and I don't let little differences get in the way of something big like friendship.

How to Get Help from National Foundation Should Polio Strike

1. At the first sign of illness, call your own doctor. If he suspects polio he will report the case to the local Health Department and arrange for hospitalization or home care, as indicated. The National Foundation does not select physicians or hospitals. This is a family matter. If you have no family physician, call your City or County Medical Society, your Board of Health or the nearest hospital.

2. If your doctor says it is polio, and requires hospitalization, the local Chapter of the National Foundation will help arrange for transportation to a treatment center. As soon as the patient goes to the hospital—or if your doctor advises the patient can be treated at home—get in touch with your Chapter of the National Foundation to arrange for any needed assistance.

(A) Most Chapters are listed in the telephone book and under N for National Foundation, I for Infantile Paralysis and the letter starting the name of the county you live in, i. e., Washington County Chapter of the National Foundation for Infantile Paralysis. If you can't find it, check with your doctor, hospital or Health Department.

(B) Your Chapter will get in touch with you as soon as it learns of the case through your physician, the hospital or the Health Department. However, late reporting or a heavy household load may delay this Chapter contact. If you do not hear promptly, telephone or visit your chapter representative. You can ease your own worries sooner by making the approach yourself.

3. The Chapter representative will notify the hospital that it is arranging with you for full or partial payment of expenses for medical care. Adults are as eligible for help as are children. Discuss with your Chapter how much of the full bill the Chapter will pay.

(A) March of Dimes funds are used to help the medically indigent, but this is not the same as "indigent"; it includes families of moderate income, who cannot meet the high costs of modern care of this expensive disease. The help is a gift—not a loan. While families that can pay are expected to do so, no family is expected to impoverish itself to meet medical expenses for polio.

(B) Even if you can assume full costs for initial hospitalization, it is a good idea to see your Chapter. If yours should be a patient who is severely affected, and this cannot be determined in the first few days, you may need help later on. Bills incurred in the weeks before your Chapter assumes financial responsibility cannot be paid months afterward, but the Chapter will step in at whatever time you really need help. Have a frank, friendly talk with your Chapter representative at the beginning.

4. Chapters pay for hospitalization, professional services including nursing and physical therapy, transportation to and from hospitals, convalescent centers and clinics, treatment after hospitalization and appliances such as wheelchairs, braces, etc., as needed. There are no hard and fast rules. Each case is decided upon individual medical and financial needs. Assistance is given regardless of age, race, creed or color. More than 110,000 polio patients were directly assisted in full or in part up to the end of 1948.

5. In addition, your Chapter can put you in touch with proper sources for nursing and physical therapy at home, can refer you to rehabilitation and vocational training agencies, will provide literature designed to foster better understanding of infantile paralysis, so you will know what to expect and how to help your polio patient back to useful life.

These services are made possible by The March of Dimes each January.

THE MIDDLES By Bob Cary

WHY DON'T THEY TAKE DOWN THESE SIGNS FOR THE SUMMER?

'Show Boat' Promises Fitting Finale for 1949 Starlight Operettas

As a fitting climax to a superb season of musical presentations, the Starlight Operettas will present for its final offering of the 1949 season a two-week engagement of "Show Boat," beginning Monday evening August 15, in the State Fair Casino, Dallas.

"Show Boat" is one of the proudest achievements of the American theater. Originally produced a score of years ago, the combination of Edna Ferber's story, the book and lyrics of Oscar Hammerstein, 2nd, and the music of Jerome Kern have provided "Show Boat" with an appeal that transcends the years.

Carol Bruce, who played Julie in the most recent Broadway revival, will repeat her performance in the Casino—her first appearance in Dallas since her success in "Blower Girl" last summer. Hal LeRoy, the amazing dancer, will be Frank Larry Brooks, of Broadway's "Song of Norway" fame, will be the Ravenal of the production and Beverly Tyler, star of the film, "The Green Years," will be seen as Magnolia, Captain Andy's skipper of the "Show Boat," stage and radio actor known to millions for his participation in the "Show Boat" radio program.

Of a recent Broadway production, Brooks Atkinson, drama critic for the New York Times, wrote: "Show Boat" is a classical musical drama that has become part of our cultural heritage." Of Jerome Kern's music, he said: "Some of it has become immortal and keeps on humming through the mind of the world, awakening dreams of love and beauty."

Among the cargo of songs in "Show Boat" are "Make Believe," "O! Man River," "Why Do I Love You," "Can't Help Lovin' That Man"—songs everyone will want to hear in a show none will want to miss.

SENATE JOINT RESOLUTION NO. 5

Proposing an amendment to Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be, and the same is hereby amended, by adding to said Article a new section, to be known and designated as Section 48-d, reading as follows:

"Sec. 48-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed Three (3%) Cents on the One Hundred (\$100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the state at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following:

"FOR THE Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts;" and

"AGAINST The Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts;"

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the state not otherwise appropriated, to pay the expenses of such publication and election.

18 Million Dollars to Be Spent by Humble On New Pipe Line to Coast

Houston, Aug. 8.—An \$18 million pipe line from West Texas to the Gulf Coast will be started by Humble Pipe Line Company toward the end of 1949 and completed around the middle of 1950. The new line will be of 18-inch pipe, extending 375 miles in a direct route from Kemper to Reagan County to Satsuma, 20 miles north of Houston, where it will connect with Humble's existing lines to Baytown. It is being built to provide a more economical transportation system for Humble from West Texas. Upon completion of the new line, Humble plans to take up a part of its old system from West Texas to Baytown by way of West Central Texas which has a capacity of 50,000 barrels per day. No changes are contemplated in Humble's other lines from West Texas with a capacity of 70,000 barrels per day to Corpus Christi.

The new line will have an initial capacity of 95,000 barrels per day with one intermediate station between Kemper and Satsuma. The capacity can be increased to 120,000 barrels per day by the addition of a second intermediate station.

The direct route to be followed by the new line from Kemper to Satsuma will pass through sixteen counties: Reagan, Crockett, Schleicher, Menard, Kimble, Gillespie, Mason, Blanco, Hayes, Travis, Bastrop, Lee, Fayette, Austin, Waller and Harris. Kemper is a central point on Humble's extensive pipe line system serving West Texas and New Mexico.

Helping Hand Class Met Last Week At Methodist Church

The Helping Hand Class of the Hico Methodist Church met at the church August 9 at 7:30 p. m. for their monthly class meeting. Mrs. J. L. Ray and Mrs. Wade Greenstreet were hostesses, and Mrs. Annie Waggoner presided.

Songs were sung and each member was called upon to repeat a short prayer. Several items of business came up and were discussed by the class.

The class is sponsoring purchase of new runners for the church. It was voted that the class give \$50.00 from the treasury on this project, and also that each member give more if needed. This donation also includes all members of the church who will help. Mrs. J. W. Richbourg and Mrs. Tom Strey are the committee who will take care of this.

After repeating the class motto, the class business session was adjourned.

Several games were played, after which delicious refreshments of punch and cookies were served to the following members: Misses, Watt Ross, Annie Waggoner, J. W. Richbourg, John Haines, J. C. Barrow, Roy Frinch, Tyrus King, Roy Stephens, and Barto Gamble.

HOUSE JOINT RESOLUTION NO. 5

Proposing an Amendment to Section 5 of Article III of the Constitution relating to sessions of the Legislature and what may be considered thereat and an Amendment to Section 24 of Article III relating to compensation of Members of the Legislature; specifying the time when the Amendment shall take effect if ratified; and providing for the submission of the proposed Amendment to a vote of the people.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the State Constitution be amended to read as follows:

"Sec. 24. Members of the State Senate and House of Representatives shall receive from the State Treasury an annual salary of Three Thousand Six Hundred Dollars (\$3600), to be paid in monthly installments on the first of each month.

"They shall also be entitled to mileage in going to the seat of government for each session of the Legislature and returning therefrom, which mileage shall not exceed Two Dollars and Fifty Cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel from a table of distances to each county seat prepared by the State Comptroller."

Sec. 2. That Section 5 of Article III of the Constitution be amended to read as follows:

"Sec. 5. Two (2) regular sessions of each Legislature shall be held, and until otherwise provided by law, the time of the convening of the first regular session shall be at noon on the second Tuesday in January of each odd-numbered year, and of the second regular session, at noon on the second Tuesday in January of each even-numbered year.

"At other times, when called by the Governor, the Legislature shall convene in special session.

"Appropriations for monthly recurring expenses and salaries paid by the State shall be made for a period of not more than twelve (12) months.

"At the second regular session of each Legislature, only proposals to amend the Constitution and to make appropriations to pay monthly recurring expenses and salaries and such other measures only as four-fifths (4-5) of the Membership of each House may determine shall be considered.

Sec. 3. The Amendments proposed herein, if ratified by the people, shall become effective January first, A. D. 1950.

Sec. 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members;" and

"AGAINST The Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."

Each voter shall express his vote on the proposed Amendment in the manner provided by law.

Sec. 5. The Governor of this State shall issue the necessary proclamation for said election and shall have same published as required by the Constitution and laws of this state.

Two Persons Injured In Car Crash Near Here Late Saturday Night

John J. Ridgeway of Waco, and Miss Frances Scott, daughter of Mr. and Mrs. L. M. Scott of Dallas, received slight injuries in a collision of two cars one mile east of Hico on the Waco highway shortly before midnight Saturday night.

Miss Scott was returning to Walnut Springs from the Hico Reunion with her sister, Mrs. Tammie Caddell of Dallas in the car with Mr. and Mrs. Jessie Jones and baby of Walnut Springs. Ridgeway was alone in the other car. No one else was injured.

Miss Scott and Ridgeway were brought to the Hico Hospital by a Barrow-Rutledge ambulance. Miss Scott was discharged Sunday morning after x-ray pictures showed no serious injuries, and Ridgeway returned home later Sunday after receiving treatment for head cuts and bruises.

The accident was investigated by Sheriff N. Y. Terral and a deputy from Hamilton.

THERE'S MORE ROOM FOR THE MONEY in this Model 43 4-door Sedan.

NEW in looks-NEW in room-NEW in handling- and priced right down your alley!

FEASt your eyes, folks—and reach for your checkbook.

For here, in one stunning, swift-lined bundle, is everything—yes, everything—you've been hoping for.

New style note? Well, just look at that brand-new idea in front-end styling. Grille, bumper, bumper-guards and even parking lights all combined in a single, sturdy assembly that means you can't "lock horns" with other cars!

New over-all size? We've trimmed inches from its over-all length for handiness in traffic—yet here's still the generous wheelbase that spells a level-going ride.

New roominess? Swing open the doors—a thumb-touch does it!—and gaze on the biggest interiors you can buy for the money, with sofa-wide front seats and no less than 12 more inches in rear-seat hiproom.

Slip behind the wheel. Finger-easy Synchro-Mesh transmission if you choose—the satiny smoothness of Dynaflo Drive* as optional equipment if you want the very latest thing.

And if power is your meat—just lift the bonnet and look on a husky Fireball power plant of 110 horsepower

*Optional at extra cost.

with conventional transmission, 120 with Dynaflo Drive.

Surely here's a car big as your fondest ambition—yet price-wise it's right down your alley! Fits modest family budgets as it fits modest-size garages, puts Buick in reach of still more people!

So here's really a "must see" item! On display now, in three trim-'n'-tidy body types, it won't stay long on dealers' floors. Go now—see it and get that order in!

YOUR KEY TO GREATER VALUE

THIS TRIM TWO-DOOR SEDANET will delight the whole family. Children are safe in its full-size, even-side rear seat.

IREDELL ITEMS

by Miss Stella Jones, Local Correspondent

Mr. and Mrs. Ratliff who lived in Rotan have moved back here and have rooms with Miss Clara Hughes.

The Baptist meeting closed Sunday night, July 31. The pastor did some fine preaching. His sermons were enough to have turned anyone from the ways of sin. Perhaps good seed were sown that will spring up in the near future. The crowds were very good, especially at night services.

Mr. and Mrs. R. G. Oakley and children left Tuesday for their home in Trenton, New Jersey, after a visit with her parents, Mr. and Mrs. Carter.

Miss Maggie Harris returned Thursday from Hico where she visited her sister, Mrs. John Appleby.

Iredell was well represented at the Hico Reunion held last week. All report having had a fine time. Mrs. Mattie Green and two children of Plainview visited her sister, Mrs. Elvis Lott, the past week end.

Mrs. Fred Ashton and children of Wichita Falls spent the week with her mother, Mrs. Houston, and daughter, Miss Vada.

Mrs. Lora Jenkins of Hico is visiting her son, Rev. Bob Jenkins, and family.

Mrs. H. G. Mitchell was in Meridian Friday.

Mr. and Mrs. Coleman Newman and sons of Florida came in last Thursday to visit her parents, Mr. and Mrs. C. L. Tidwell. He returned in a few days, but Anna Belle and the boys remained for a longer visit.

Mrs. Pearl Thompson of Hamlin came in Friday night for a visit to her aunt, Mrs. Patterson.

Mr. and Mrs. Meeks of Fort Worth were here Saturday. They came to the cemetery working at Spring Creek.

Mr. and Mrs. Stroud and children of Walnut Springs spent the week end with her parents, Mr. and Mrs. Lee Hudson.

Mr. and Mrs. Lewis Sawyer and baby of Fort Worth spent the week end here.

Mr. and Mrs. Harvey West of Walnut Springs spent the past week end with Mr. and Mrs. Homer Lester.

Mrs. Johnny Brummitt of Quitaque, Texas, is visiting her cousin, Mrs. Wilson. They went to Glen Rose after her on Saturday.

Mr. and Mrs. Jim Woody of Waco were here Saturday.

Mr. H. G. Mitchell, better known as "Uncle Bud", has returned from the Meridian hospital. He was in town Saturday afternoon. His friends are glad he is back again.

Mr. and Mrs. Homer Landroop and children of Ranger visited Mr. and Mrs. Homer Lester Friday.

Mrs. Cavett and two granddaughters, who visited their daughter and aunt, Mrs. Laswell, have returned to their home in Menard.

Mr. and Mrs. Robert Sawyer and son of Fort Worth spent the week end with his mother.

Mike, the little son of Mr. and Mrs. Ciccollella, celebrated his third birthday on Saturday afternoon with a party at the home of his great-grandmother, Mrs. A. C. Smith, from 4:15 till 5.

Mr. and Mrs. Leo Johnson and sons of Fort Worth spent the week end with her parents, Mr. and Mrs. Loader.

Mrs. Betsy Phillips of Fort Worth spent the week end at home.

Mr. and Mrs. Fuller attended the Fuller family reunion at Sulphur Springs last week end.

Mrs. Neta Kaylor of Hillsboro and her son, R. D. and wife of Stephenville, were here Saturday.

Mrs. Georgia Ellis of Tahoka spent the past week end with her daughter, Mrs. Lawrence. She was accompanied by her daughter, Mrs. James.

Mr. and Mrs. William Helm and children returned Monday from a week's trip. Among some of the places of interest which they visited were Pike's Peak and the Royal Gorge in Colorado, also the Yellowstone National Park in Wyoming.

A shower of groceries and some dry goods were presented to Rev. and Mrs. Jenkins and family on Thursday night at the Baptist church. At 8 p. m. the people began to come in with different things. They were put in boxes. Rev. Jenkins announced Sunday night he would show some pictures from Arizona where they formerly lived. A very large crowd came. Some of the pictures he took himself. He showed the Baptist Orphan's home. The pictures were

beautiful, showing a good deal of scenery. After he finished he dismissed and some said, "We will stay longer." Some men brought in boxes and more boxes with all kinds of good things. He and his wife were very much surprised and thanked one and all. All enjoyed the picture show and the shower.

Mrs. Marie Hanshaw and son spent the week end in Fort Worth with her sister, Mrs. Eber McDowell. She will also visit in Dallas with her brother, J. L. Everett, and family.

Mr. and Mrs. H. A. Newsom spent from Friday till Monday in Houston with relatives.

Mr. and Mrs. B. L. Mitchell spent Sunday in Breckenridge with her parents, Mr. and Mrs. Corley. Her father is ill.

Mrs. Della Phillips and two sons, Howard and Willis, of Crystal City and her daughter, Mrs. Minnie Jurney and son, Jimmy Lee, of Carlsbad, New Mexico, spent the week end with their mother and grandmother, Mrs. Squires.

Mr. and Mrs. Raymond Cody and baby of Sweetwater, Mr. and Mrs. John Pruett and son, Alvin, wife and daughter of Mexico visited Mrs. Squires Saturday afternoon.

Miss Maurine Landis and sister visited Mrs. T. M. Tidwell Friday.

Mr. and Mrs. Quince Fouts spent the week with their daughter, Mrs. Betsy Phillips, in Fort Worth.

Mr. and Mrs. Eber McDowell of Fort Worth spent the week end with her father, Mr. Everett.

The following were guests of Mr. and Mrs. T. M. Tidwell the past week: Mr. and Mrs. Arnold Jameson and daughter of Lamesa, Mrs. Louise Adkinson and Mrs. Ella Patterson of near Iredell, accompanied by her daughter and granddaughter of Austin, and Mr. and Mrs. C. L. Adkinson and son of Corpus Christi.

The Methodist revival will start August 21.

We had some rain again this week.

The W. S. C. S. met Monday afternoon. We had a very interesting meeting. We meet every Monday. All Methodist ladies are invited to meet with us at 3 o'clock.

Sidney J. Owens

Sidney J. Owens was born in 1870 in Robinson County, Texas, and died August 1 at the home of his daughter, Mrs. C. C. Blackwell, of Houston.

He was converted at an early age and united with the Methodist church and was a faithful member of the Meadowbrook Methodist Church in Fort Worth.

He was married to Lillie Warren in 1893 and is survived by seven children: Mrs. Maude Blackwell of Houston, Mrs. Lola Wiley and Mrs. Fred Winer of Los Angeles, Calif., Mrs. Charles V. Green of Nemo, Terry Owen of Iredell, and Alie and Jack Owen of Fort Worth; two sisters, Mrs. Lon Singletary of Brownfield, Tex., and Mrs. Jessie Crawford of Arizona; two brothers, J. E. Owens of Fort Worth and Oscar Owens of New Mexico. There are nine grandchildren and five great-grandchildren.

The funeral was held Wednesday afternoon in the Methodist church in Iredell with Brister Undertakers in charge. Rev. B. Y. Wallace brought the message, assisted by Rev. Bob Jenkins. The floral offerings were beautiful. The pallbearers were Hayden Sadler, John Parks, Horace Whitley, Arthur Pylant, Wirt Simpson, and W. W. Oldham. The remains were laid to rest in the cemetery east of town by the side of his wife, who died March 19, 1925.

The relatives have the sympathy of friends in their loss.

Miller Family Reunion

The family of Mrs. John Miller had a reunion at the Walnut Springs Park on Sunday, Aug. 7.

Those present were: Mrs. John Miller, Iredell; Mr. and Mrs. C. W. Davis, Mr. and Mrs. Orval Brown and Jimmie, and Thomas Earl Davis, Meridian; Mr. and Mrs. Watson Miller and boys, Charles and Derle, Tulsa, Okla.; Mr. and Mrs. Everett Bailey and son, Larry, Dallas; Mr. and Mrs. Rex Ellis and daughter, Judy, Longview; Mr. and Mrs. Hayden Miller and son, Kenneth, San Antonio; Mr. and Mrs. Howard Myers and son, Stuart, and Mr. and Mrs. R. J. Williamson and children, Kay, Tom, and Jerry, Iredell; and Miss Ona Miller, Dallas.

SENATE JOINT RESOLUTION NO. 4

Proposing an amendment to the Constitution of the State of Texas, by amending Section 19 of Article 16, so as to provide that the qualification of no person to serve as a juror on grand juries and on petit juries shall be denied or abridged on account of sex; providing that existing provisions of the Constitution shall be construed in conformity herewith; providing for the submission of this amendment to a vote of the people of Texas; providing the time, means and manner thereof; and making an appropriation for such purpose.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 19 of Article 16 of the Constitution of Texas be amended so as to hereafter read as follows:

"Section 19. The Legislature shall prescribe by law the qualification of grand and petit jurors; provided that the qualification of no person for service on grand juries or on petit juries shall be denied or abridged on account of sex, and no person shall be exempt from service on grand juries or petit juries on account of sex."

Section 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1949, at which all ballots shall have printed thereon:

"FOR the amendment to the State Constitution qualifying women as grand and petit jurors."

"AGAINST the amendment to the State Constitution qualifying women as grand and petit jurors."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Section 3. The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this Resolution and the Constitutional Laws of this State, and return shall be made and the votes canvassed and counted as provided by Law; and if said amendment is adopted by the vote of the qualified electors of this State, the Governor shall issue his proclamation as required by law.

The biggest parade ever staged in the Midwest for a cowboy star took place in Tulsa, Oklahoma, in honor of that city's "adopted" son Bob Wills, coming with his Texas Playboys to Keeney's Gardens on August 16, when the picture, "Take Me Back to Oklahoma" had its world premiere there. More than 1,100 expert horsemen voluntarily assembled, donned their most colorful riding outfits and literally took the city as they paraded to the theatre. The initial audience that jammed the place to see Bob Wills as a movie star broke all house records. 13-1tc.

We have had threatening weather over the week end, with showers, which has brought cooler weather.

Mr. and Mrs. V. H. Heyroth of Gatesville visited a while Thursday night in the home of her sister, Mr. and Mrs. E. M. Hoover.

Mrs. J. C. Sills has moved to what is known as the Dr. Young residence. Mr. and Mrs. Bush Adams also occupy a part of the residence.

We are glad to report Mr. and Mrs. McCoy able to return home from the Temple hospital. We wish for both a speedy recovery.

Mrs. Ovie Clark underwent an operation at the Hico Hospital on Wednesday of last week and last reports, she was recovering nicely. She is the former Beatrice Abel. We are sorry to report Mrs. Emma Ogle III and under the care of a physician. We hope she will soon be much improved.

Mr. and Mrs. Carl Ray Sellers, Carolyn and Jimmie Don attended the annual Sellers' reunion Saturday night and Sunday, held at the Leon river bridge below Jonesboro.

Mrs. Jesse Massengale of Carlton spent Friday and Saturday here.

When Mrs. Gladys Cox went to investigate the barking of their dog last week, she found a grass fire raging near the garage. With the help of Mr. Cox, the blaze was soon under control. It was thought to have been set by a carelessly thrown cigarette stub or match. The grass is very dry and need only to be touched off to do considerable damage. We hope by the time this is in print we have had a good rain which will prevent a lot of the damage of grass fires.

Mr. and Mrs. Jud Massengale and Mr. and Mrs. B. J. Parks visited awhile Sunday night with Mrs. Jesse Massengale of Carlton.

Frank Simons and son of Hico have just completed a job of rock work at the Scott Blakely home.

The cobble stone fence corners at the entrance adds much to the appearance of the home.

Mrs. Carl Ray Sellers and children and her mother, Mrs. Jesse Massengale of Carlton spent Thursday of last week in the home of their sister and daughter, Mr. and Mrs. D. E. Allison and family of Dublin.

Paul Wolfe spent the week end in Austin with his former roommate, John Lovell, and other friends.

Bosque County Road Work Expected Soon On Route to Meridian

Meridian, Aug. 6.—The Bosque County Commissioners Court is awaiting receipt of right-of-way deeds from the State Highway Department, which will be ready within the next 10 days.

When the deeds are received by the court, action will be taken to close the Highway 6 gap from Pikeville, about eight miles west of Meridian, to the Hamilton County line.

Due to the great need for closing this gap the Highway Department has indicated that the project will be given priority in rushing it to completion.

No change in the routing of the highway from that laid out by the department's engineers will be made, Engineer D. C. Greer stated in a letter received by citizens this week.

The State Highway Department will furnish Fredell with two roads leading to Highway 6, since the main highway will not pass through the town of Fredell. These roads will be maintained and operated by the State Department.

A. AUVERMANN HAS 5 RIBS BROKEN WHEN THROWN FROM HORSE

Arthur Auvermann received five broken ribs when he was thrown from a horse Thursday afternoon at his ranch near Clairette. He was hospitalized in Hico.

Auvermann is a refinery engineer and works in various parts of the country. He formerly lived in Hico.

He was mounted on the horse, talking to friends, when the horse reared and threw him to the ground.

Twenty Tumor Clinics Throughout Texas Aid Cancer Control Work

Dallas, August 8.—Where would your doctor send you for a diagnosis if he suspected that you had cancer?

"That is a question that few Texans can answer," Dr. William F. Mengert of Dallas, Chairman of the Committee on Projects and Allocation of Funds of the American Cancer Society, Texas Division, pointed out today, while discussing cancer control facilities in the state.

"Few Texans realize the great strides toward a control of cancer which have been achieved in Texas in just a few short years," Dr. Mengert continued. "Four organizations are devoting almost constant effort to improve cancer diagnostic and treatment facilities in the state, and their results have been very noteworthy. They have sponsored and assisted the establishment of 20 tumor clinics. It is to these tumor clinics that your doctor would send you for a diagnosis and treatment. These four organizations are also conducting a cancer educational program to warn Texans that cancer can be cured, if caught in time."

Dr. Mengert listed the four organizations as the American Cancer Society, Texas Division; the Cancer Committee of the State Medical Association of Texas; the State Board of Health; and M. D. Anderson Hospital for Cancer Research.

The 20 Texas tumor clinics which are doing so much to combat the nation's second major cause of death are as follows: The Potter County Medical Society Tumor Clinic, Amarillo; The Wichita County Medical Society Tumor Clinic, Wichita Falls; The El Paso County Medical Society Tumor Clinic, El Paso; Tarrant County Cancer Clinic at City-County Hospital, Fort Worth; Harris Hospital Tumor Clinic, Fort Worth; Baylor University Hospital Tumor Clinic, Dallas; Parkland Hospital Tumor Clinic, Dallas; St. Paul's Hospital Tumor Clinic, Dallas; Bowie-Miller County Medical Society Tumor Clinic, Texarkana; three in Temple, located at King's Daughter's Hospital, Scott and White Hospital, and the Veterans Administration Hospital; five in San Antonio, at Baptist Memorial Hospital, Nix Hospital, Santa Rosa Hospital, Brooke Memorial Hospital, and Robert B. Green Memorial Hospital; Nueces County Medical Society Clinic, Memorial Hospital, Corpus Christi; the clinic at M. D. Anderson Hospital for Cancer Research in Houston; Jefferson Davis Hospital Tumor Clinic, Houston; and the tumor clinic at the University of Texas Medical Branch, John Sealy Hospital, Galveston.

'Constitution', Navy's Giant Airplane, to Visit Dallas Aug. 27

Texans will have a chance to see the Navy's giant Constitution, the world's largest commercial-type airplane, when the mammoth ship visits the Naval Air Station in Dallas Saturday, August 27.

It will be on display from 9 a. m. to 5 p. m. on that date and civilian visitors will be admitted to the naval base during those hours to see and be escorted through the big ship.

More than 28,000 Texans were taken on a tour through the Constitution when it visited Dallas unannounced in May. Twice that number are expected to see it on its August visit.

Aboard the big plane will be 97 midshipmen from the Naval Academy at Annapolis, Md., who are making an air cruise of the nation. They will be given a formal greeting by the Dallas Invites You civic hospitality committee on arrival at the Texas air field.

Built at a cost of \$15,000,000, the Constitution's size and facilities make it comparable to a "flying city." A Pullman car, two box cars and a city bus could be stored in its fuselage. Twenty-five homes could operate at a peak load off its electrical system. Its rudder towers five full stories high.

Three decks of cabins on the big craft allows a passenger capacity of 180, plus a crew of twelve. In the ship's galley, 300 meals can be prepared on each flight.

The Constitution cruises at 300 miles an hour, carries a gasoline load of 18,000 gallons and could fly non-stop from Dallas to Paris, France.

State Fair Promises Bigger, Brighter, Gay Original Spectacle

A bigger, brighter, gayer, more fantastic and original spectacle is the promise which the world's largest state fair holds to the two million visitors expected for the gigantic 16-day exposition starting Oct. 8 in Dallas. W. H. Hitzelberger, vice president and general manager of the State Fair of Texas, has announced.

"The 1949 Fair will be the best-balanced show in the history of the exposition," Hitzelberger said. "This year we will see to it that sprawled over the 187 acres of fair grounds will be more of everything which fairgoers like, and that quality-wise all phases of the giant show will be at least two cuts above anything ever before seen at the Fair."

Commercial exhibits such as food, agriculture, automotive, home show, and farm implements, will feature more interesting displays than at any time since the war. This is attributable, Hitzelberger said, to new market conditions and increased competition for public interest.

Two new foreign exhibitors—the British and Belgium governments—will add a new international flavor to the Fair by presenting the best of their export articles in a serious bid for Southwestern favor.

More money for livestock premiums has resulted in a heavier flow of entries than for any previous Fair. Headlining the 1949 livestock exhibits will be the National Aberdeen Angus show, Oct. 8-12. Herds from all representative Angus-producing states and from Canada are expected. Other breeds in the Beef Cattle show include Herefords, Shorthorns, and Brahman. Breeds in the Dairy Cattle show are Holstein-Friesians, Jerseys, Milking Shorthorns, and Guernseys.

Other major shows of the livestock division will be swine, sheep, Angora goats, Quarter and Palomino horses, and an outstanding junior livestock show. Premiums total \$65,235. An entirely new type of Agriculture Show is being built to provide "a harvest of ideas for farmers who wish to increase crop yields and incomes. Featured will be flax, grain sorghum, grass, corn, cotton, peanuts, wheat, roses, pecans, oats and barley. Living, growing specimens of each crop will be presented in a dramatic setting "showscaped" by nationally-famous Lambert Landscape Co. of Dallas.

A revolutionary poultry exhibit will discard competitive classes and instead show how to raise better poultry under typical farm and backyard conditions.

Three major football tilts—Texas vs. Oklahoma, SMU vs. Rice, and SMU vs. Kentucky—top an impressive nine-game gridiron schedule in the Cotton Bowl which is being increased in capacity from 67,431 to 75,347 by addition of a second deck on the east side. The Fair's parking lot is also being enlarged at a cost of \$25,000 to accommodate 1,000 additional cars under all weather conditions.

Also in the Cotton Bowl will be six nights of free 30-minute fireworks shows and the spectacular "Marchiesta" climaxing Music Festival Day, Oct. 19.

Entertainment features being signed for the Ice Arena, Grandstand and Auditorium, will round out the best-balanced entertainment program in the Fair's history Hitzelberger said.

Free outdoor acts on the Midway will include the Stratosphere Man, highest sway pole performer in the world; and the Waldorfs, daredevil motorcycle act 100 feet in the air.

The women's division will feature two new classifications, potted plants and ceramics, and the world's largest cake baking contest.

Most breath-taking event of all, however, is expected to be Rural Youth Day, Oct. 15, when 75,000 4-H Club boys and girls, Future Farmers and Future Homemakers will be the honored guests of the Fair. "Interest in this day alone is a good indication that the 1949 Fair will be the most successful ever staged," Hitzelberger said.

Symptom Hunting As Hobby Is Dangerous, Health Officer Says

Austin, Texas, Aug. 8.—Among a certain and rather extensive group of self-centered persons symptom hunting unfortunately is rather popular. Because of a too detailed study of so-called health literature of the alarmist type or on account of a recent death in the family, introspection develops to a morbid degree. The result is an entirely unfounded fear for all sorts of disease possibilities. Many becoming victims of this warped psychology develop brain and nerve exhaustion and in extreme cases even become affected mentally, stated Dr. Geo. W. Cox, State Health Officer.

Of course, it is entirely proper to have a normal regard for personal well-being. To maintain vitality and to prevent disease is a logical pursuit for every one. But it must decidedly be kept within bounds. When one becomes obsessed with the subject, concern for health has overstepped the limits.

For all practical purposes, after giving reasonable attention to diet, personal sanitation, sleep and exercise, and assuming that one's bodily limitations as defined by the family physician are appreciated, the average person can dismiss the subject of health. This, plus the annual physical examinations should adequately cover the situation.

On the other hand, conditions are bound to arise where actual disease symptoms manifest themselves. It will then be up to the doctor to decide what the trouble, if any, is and for the patient to abide by his judgement.

In short, symptom hunting as a hobby is a dangerous matter. One should stay away from it. It is neither safe nor healthy to do otherwise.

\$380,000 In Awards For 4-H'ers Who Have Outstanding Records

Forty-five business concerns and private citizens are offering \$380 thousand in 4-H incentives this year through the National Committee on Boys and Girls Club Work, according to G. L. Noble, director.

This amount will be presented to 4-H boys and girls who have outstanding records of accomplishment in the 28 agricultural and home economics programs arranged by the National Committee and supervised by the Cooperative Extension Service. Awards range from county medals to college scholarships. Some 1,800,000 members in 80,000 4-H Clubs from 46 states—plus Alaska, Hawaii and Puerto Rico—may take part in the activities.

Climaxing the year's events is the National 4-H Club Congress to be held in Chicago, November 27 to December 1. An estimated 1,500 members, accompanied by leaders and other 4-H workers, will attend and receive well-earned recognition.

Nearly 150,000 county medals valued at \$100,000 are offered to the ambitious 4-H'ers. State and sectional awards, which include trips to Chicago Congress, U. S. Savings bonds and gold watches, amount to over \$180,000. National winners announced at the Congress are eligible to receive scholarships totaling \$40,000. In addition, there are cash prizes and other benefits amounting to nearly \$50,000.

STILL HER HERO—Although she shot him, Ruth Steinbogen, 19, faces her baseball "hero," Philly star Eddie Waitkus, in a Chicago courtroom for the first time since she wounded him in a hotel room without ever having met him. Appearing before the grand jury (L. to R.) are: Miss Steinbogen, an unidentified police matron and Eddie Waitkus. Miss Steinbogen says she thinks "more than ever" of Waitkus now. She was committed to the mental hospital at Kankakee, Ill.

New Plymouth Two-Door Sedan

PRODUCTION has started on the beautiful new Plymouth DeLuxe Two-door Sedan, which adds a new low priced five passenger sedan to the other eight models announced in the new Plymouth line. R. C. Somerville, general sales manager of Plymouth Motor Corporation, said first shipments of the cars to dealers are scheduled for this month. The Two-door Sedan has the same 97 horsepower engine with a 7 to 1 compression ratio as all other Plymouth models. Somerville described the vehicle as a "smart, dependable family car designed for general all-around use."
