HICO, TEXAS, FRIDAY, SEPTEMBER 30, 1949.

NUMBER 20.

AMERADA STAKES NEW 6,500-FOOT TEST NEAR FAIRY

Continued activity in oil-drilling is indicated by dispatches in daily newspapers recording a new well for the vicinity of Hico. The following report appeared in last week's Hamilton Herald-Record:

Amerada Petroleum Corporation of Tulsa, Oklahoma, has staked the location for its second well in this area about three miles south of Fairy. It is the Amerada No. 1 John Birsoco, located 1980 feet from the north and 660 feet from the east lines of the Birsoco farm in the Geo. Hodge Survey, Hamilton County. Proposed depth is 6,500 feet.

Less than a month ago, Amerada commenced drilling on its No. 1 N. F. Tate about one mile east of Ireland in Coryell County, just across the Hamilton-Coryell County line. Amerada is drilling each of these wells with first class equipment in its diligent effort to secure production in this area. C. T. King of the Production Department and a Mr. Carlson of the Geological Department are making their home in Hamilton. Also L. L. Crozier and N. D. Bernard of the Land Department, with offices in the James Building at 109 1/2 N. Rice St., have been making their home here for several months. Amerada's extended activities in this area have brought about 100 families to Hamilton, directly or indirectly. Through these activities of prospecting for oil in this locality for about two years, consisting of much seismograph work; leasing, which commenced last December; perfecting titles and drilling wells. Amerada has spent well over \$1,000,000 in this area which has benefited almost every family in the Hamilton area. Other oil companies have also been active in this area, however not in a way comparable to the Amerada Corp.

These present oil activities are not to compare with the experiences of the past as can readily be seen by the extent of expenditures of money and effort in the scientific search for oil, the great extent of leasing and the modern and most advanced equipment in drilling.

Amerada was the first major oil company to enter this 5-county oil project and has been responsible for the large-scale oil play in this area, however, they have not asked anyone for anything but the cooperation of the people of the community in getting sufficient acreage under lease to warrant the vast effort to secure oil production here.

TO CELEBRATE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. E. A. Willis will celebrate their 50th wedding anniversary Sunday with a dinner and gathering of family and friends at their home here. They have lived in Hico the past nine years, having moved here from Hamilton.

Firemen Vote to Petition Council to Enforce Regulations

At a recent meeting members of the Hico Volunteer Fire Department voted that the organization petition the City Council of the City of Hico to pass and enforce a city ordinance regulating the behavior of the general public during a fire in this city.

"The firemen of the Hico Fire Department are volunteers", it was brought out, "and at the time of a fire they are either at home or at their work. If the firemen are to get to the fire trucks and to the scene of the fire in a hurry, they must have open streets to travel on. If they are to fight the fire efficiently they must have plenty of space around the scene of the fire. If life and property of Hico are to be saved, the fire department must have the complete cooperation of the general public."

"We, the Hico Volunteer Fire Department, therefore ask the City Council to pass and enforce an ordinance regarding the behavior of the general public at the time of fires or disaster in Hico."

U. S. Dept. of Agriculture's

OFFICIAL REPORT ON WEEKLY SWING OF FARM MARKETS OVER THE SOUTHWEST

Many southwest farm products sold lower during the past week, while others held steady or showed gains, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Wheat and oats advanced slightly, as milk dropped 16 cents a hundred pounds and other grains lost 1 to 3 cents a bushel. No. 2 yellow milled Monday at \$2.05 to \$2.10, basis Texas common points. No. 1 hard wheat brought \$2.33 to \$2.35.

Rice markets held barely steady last week, as large amounts moved into storage. Demand for mixed feeds improved, and some feedstuffs strengthened as others declined. Prairie hay prices moved upward on limited supplies, while alfalfa showed little change. Peanuts held steady, but peanut oil and meal sold lower.

Pork loins dropped \$1 to \$12 for the week, and most other meats \$1 to \$4.

Livestock marketings continued about as heavy last week as the week before.

Monday's prices on cattle and calves were steady to \$1 higher than a week earlier at Texas and Oklahoma markets, except that all calves lost 50 cents to \$1 at San Antonio and stocker calves dropped that amount at Oklahoma City. Cattle and calves registered losses ranging from 50 cents to \$1.50 at Denver.

Butcher hogs and sows lost around \$1, more or less, at all southwest markets during the past week. Pigs shared the loss at Oklahoma City but held steady at Texas markets. Top butchers closed Monday at \$20 at Fort Worth and Oklahoma City.

Texas and Oklahoma sheep markets saw little change during the week. Ewes sold a little higher at Denver. Mature goats held about unchanged at San Antonio. Kids gained \$1 or more per head, to sell mostly at \$4 to \$5, a few Spanish to \$7.50.

Wool markets were unsettled as a result of foreign currency devaluation. Wool buying stopped in Texas and the territory states. Mohair prices held unchanged.

Season's first cranberries and Northwestern apples brightened southwest produce markets this week. Continued light diggings of sweet potatoes dropped to lower values in light demand in Texas and Louisiana. Good trading at New Orleans moved liberal receipts of most products at unchanged prices. Many prices declined in light trading at Denver. Colorado potatoes, onions and cauliflower found weak markets.

Southwest egg and poultry markets strengthened slightly last week, and have held firm since. Best candied white eggs sold mostly around 60 cents a dozen, and mixed colors 50 to 55 cents. New Orleans paid 57 to 60. Heavy hens brought 24 to 26 cents in North Texas, and 30 to 33 at New Orleans. North Texas markets quoted No. 1 young turkeys from 30 to 35 cents a pound.

Most southwest cotton markets closed Monday 50 cents to \$1 a bale lower than a week earlier. Spot middling 15-16 inch sold at 28.95 cents a pound at Dallas, 29.20 at Houston, and 29.75 at New Orleans.

GARDENING SUGGESTION

October marks the start of the fall season. During this month there is a great deal of work to be done before the first frost. Now is a good time to take geranium cuttings. This is also the month to put out all kinds of bulbs for spring blooming.

From time to time we will mention well-kept yards in our city. This week we make mention of the Hico Hospital's well-kept lawn. The landscaping is neat, shrubbery well chosen and beds of red verberna are an inspiration to any patient or passerby.

HICO GARDEN CLUB CIVIC COMMITTEE

Hico Vs. Cranfills Gap Game Tonight Promises Interest for All Fans

The Hico Tigers journey to Cranfills Gap this Friday night to play the Lions. Everyone that saw the game last year (Hico 12, Gap 7) really saw a thrilling game, and this coming game promises to be a bitterly fought contest. Feelings are still strong against opposing team for both sides, with the fans and players.

It seems that most of Hico will be on hand for the kickoff at 8 p. m. at the Gap.

The new road has been opened from Hamilton to Cranfills Gap, and there is a hard-surfaced road from Fairy to the Gap if you will be interested in going that route.

Probable starting lineup for Hico:

Left End, Gray or Loden
Left Tackle, Gray or Collins
Left Guard, Norrod
Center, Chaney
Right Guard, Terry
Right Tackle, Lane or Petry
Right End (not submitted)
Quarterback, Burden
Halfback, Ables
Halfback, Ross or Lane
B. B. Lively

Last week's district scores:
Hico 14, Walnut Springs 0
Valley Mills 34, Ireddell 0
Cranfills Gap 27, Whitney 6
Meridian 0, Cleburne B 19
Granbury, idle

Games this week:
Hico at Gap
Meridian at Cleburne B (Thurs.)
Granbury at Ireddell
Valley Mills at Walnut Springs
Whitney, bye

CONTRIBUTED.

Band Teacher Tells About Instruction and Buying Instruments

All parents interested either in buying or renting a musical instrument for their child are invited to drop by the school this coming Monday and receive full information on the subject. A man will be at the school all day to take care of your inquiries. He will have a display of instruments to facilitate selection. Some instruments will rent for as low as \$3.50 a month and the rental may be applied on the purchase price of the instrument later if so desired. For those desiring to buy outright there will be a good selection for this purpose.

Parents are also notified that the band training given this year is free. All a pupil has to furnish is his instrument, uniform, and perhaps a few pieces of music.

Dig in the attic. You may have an instrument your child can use.

W. D. BRADLEY, Instructor.

S. E. Blair Jr. Named Local Registrar for Selective Service

S. E. Blair Jr. has been appointed as registrar for Selective Service at Hico, according to announcement this week by Pauline V. Lawrence, Clerk of Local Board No. 23 with offices at Gatesville. Mr. Blair can now take registrations and registrants will not have to make a trip to Gatesville for that purpose unless it is their desire to do so.

Mrs. Alma B. Corrigan has been appointed to serve in the same capacity at Hamilton.

Effective October 3, the Selective Service office at Gatesville will be open on Tuesdays from 8:00 a. m. to 5:00 p. m., and Wednesdays from 8:00 a. m. to 12:00 noon. The office will be closed other days of the week.

PROMOTED TO CAPTAIN IN T. S. C. CADET CORPS

Stephenville, Sept. 27.—John McCoy, son of Mrs. D. McCoy of Hico, was promoted to captain in the Tarleton State College Cadet Corps last week by Burton O. Morrison, PMS&T.

John will be commander of Company A. He is a senior majoring in Agriculture Engineering.

LIONS' ATTENDANCE CONTEST CLOSES ON NOTE OF SURPRISE

"We wuz robbed!"

Cries to that effect were echoed in turn by both sides in an attendance contest staged for the past several weeks by the Hico Lions Club, which was brought to a close Wednesday by a double surprise.

Lion Morgan Moon and his teammates brought in 29 members of the Hico football squad to ring up a jillion or so points for guests.

Lion Hitt, head of the opposing team, didn't do badly for himself and his teammates, either. Eleven guests were registered for his side. Each team had 15 members present.

Preliminary announcement at the luncheon held at Fireman's Hall, indicated that Moon's Lions and the guest clubs were victorious in the contest, in which a barbecue for Lions and their wives is at stake.

But shortly after the meeting an official rereck of points showed that the Hitt Lions were ahead by 45 points, 1290 to 1245. Announcement of the details and date for the barbecue awaits clearing up of the smoke from the battle scene.

Little business was transacted aside from the contest decision. Lack of time prevented staging the customary program which had been prepared.

Among the forty guests, including the football boys, were four visiting Lions from the Hamilton Club, Ira Moore, Dr. C. C. Baker, Geo. B. Golightly, and Ralph Lawrence; Jess Reeves of Carlton, Robert J. Stafford of Dallas, Geo. M. Stringer, Alvin Casey, Leonard Mc-Lendon, Glen Higginbotham, and Pete Keller.

Lions attending included: M. I. Knudson, Morgan Moon, Weldon Pierce, Paul Noel, Dr. W. F. Hafer, M. T. Neenan, W. W. Carson Jr., S. E. Blair Jr., Arthur Burden, W. D. Bradley, W. B. Coats, Aubrey Duzan, Rev. J. L. Ray, J. R. Bobo, Ollie Davis, Max Hoffman, Dr. H. V. Hedges, Ellis Randale, H. N. Wolfe, J. T. Hitt, M. S. Norton, W. R. Hampton, C. L. Lynch, Willard Leach, L. F. Knox, Pete Turner, Odie Patsick, Willie Sirman, L. J. Chaney, and R. L. Holford.

Conda Salmon and J. E. Lincoln were voted in as new members of the club, which meets every Wednesday at noon.

WEATHER REPORT

The following weather report is submitted by L. L. Hudson, local observer:

Date	Max.	Min.	Prec.
Sept. 21	91	58	0.00
Sept. 22	92	54	0.00
Sept. 23	88	64	0.00
Sept. 24	83	50	0.00
Sept. 25	84	52	0.00
Sept. 26	89	47	0.00
Sept. 27	95	61	0.00

Total precipitation so far this year, 25.16 inches.

Maybe It Ain't Their Fault

BETTER MERCHANDISING IS ONLY WAY TO KEEP FOLKS TRADING AT HOME

Periodically the complaint is heard in Hico as well as in other towns that people do not trade at home like they should. Store owners might well look around and see if they are partly to blame for this condition.

The following report from Hereford, Texas was recently carried in The Hereford Brand, and it applies so well to the general situation that we hope it will be of interest and value to some of our readers:

Hereford merchants can take a bow at least, such was indicated recently in answers reported through the Brand's "Question of the Week" to the query: "Do you think that the local merchants are doing their part in keeping local trade at home?" As usual, the people questioned were selected at random and of the five who answered, four said outright, or indicated that their answer was "Yes."

It was also interesting to note that several of the answers specified a belief that merchandising in Hereford had greatly improved within the past three years; others specifically noted improvement in store fronts and in window displays over the town, along with addition of new lines not previously found here. While the weekly question is not a survey in any respect, it does indicate a trend of opinion generally reflected over the community. Merchants, therefore, could profitably study the points of praise, along with those of criticism.

While some merchants are complaining about business leaving

ONE AMONG TWENTY-ONE—Above is shown one of the 21 fine animals recently purchased for dairy herd improvement in this community by Damon Weaver, Geo. E. Holladay, and V. H. Jenkins. The one shown above is owned by Weaver, and details of the project are contained in the accompanying article submitted for publication.

LOCAL DAIRYMEN DUE TO PROFIT BY IMPROVING HERDS

by J. DOYLE LOVE
Vocational Agriculture Teacher

Is she a high producing cow or is she a low producing cow? Is she a cow that should be raised and bred in Texas? Will she make me any money? Is she the cow that I want?

These and thousands of other questions have confronted every dairymen in the state of Texas and especially here in the Hico community.

Do you think you can answer these questions and others that you thought best?

With his nine cows, Weaver intends to improve his herd by line breeding with Holstein-Friesian dams and sires and by crossbreeding his Holstein sires and Jersey dams. By this cross-breeding he believes that he can increase the quantity of milk of the Jersey, yet keep the butter-fat content up to around 4 per cent, the base at which milk price revolves.

Holladay intends to follow about the same breeding plan with his eight dams, but has in mind to build up a full-blood Holstein-Friesian herd eventually.

With only four, Jenkins plans to line breed his Holsteins by artificial insemination and later cross breed his Jersey dams with Holstein sires. He believes that with this added quantity of milk, it will pay him to have both Jerseys and Holsteins.

All of the purchased cows gave about 50 pounds of milk daily during their last milking season.

Are you wondering about the price of these cows? Well, it scared me when I heard it and I know it would scare you, so we will say they have 10 calves now and are all hoping all the rest are heifers. If you are interested in looking at any of these milk cows or their off-spring, the public is cordially invited to go out and look all you want to and as often as you like.

LOCAL DAIRYMEN DUE TO PROFIT BY IMPROVING HERDS

may be produced, but so they might get more of it.

During the first six days of this month these three men made a tour of the Middle Western states looking for good Holstein-Friesian cows to buy and bring back here to improve their herds and milk production. They observed herds in Oklahoma, Kansas, Missouri, Nebraska, Iowa and Wisconsin. Not finding what they really wanted until they got in Wisconsin, these three men bought 21 head of 3, 4, 5, and 6 year Holstein-Friesian milk cows. All 21 head were bred so that they should bring calves before the first of October. They were T. B. and Bangs bred.

Could you go in a herd of some one hundred and fifty cows and pick out the best cows? These men did, but with the lack of experience with dairy cows, knowledge that they had received in short courses, vocational courses and by studying books, and bulletins, and with the confidence that they could do a job well, went in these herds and picked the ones they thought best.

With his nine cows, Weaver intends to improve his herd by line breeding with Holstein-Friesian dams and sires and by crossbreeding his Holstein sires and Jersey dams. By this cross-breeding he believes that he can increase the quantity of milk of the Jersey, yet keep the butter-fat content up to around 4 per cent, the base at which milk price revolves.

Holladay intends to follow about the same breeding plan with his eight dams, but has in mind to build up a full-blood Holstein-Friesian herd eventually.

With only four, Jenkins plans to line breed his Holsteins by artificial insemination and later cross breed his Jersey dams with Holstein sires. He believes that with this added quantity of milk, it will pay him to have both Jerseys and Holsteins.

All of the purchased cows gave about 50 pounds of milk daily during their last milking season.

Are you wondering about the price of these cows? Well, it scared me when I heard it and I know it would scare you, so we will say they have 10 calves now and are all hoping all the rest are heifers. If you are interested in looking at any of these milk cows or their off-spring, the public is cordially invited to go out and look all you want to and as often as you like.

Baptists Will Hold Workers Conference Here Next Monday

The Hamilton Baptist Association will hold an all-day workers conference at the First Baptist Church in Hico Monday, Oct. 3. The meeting will be opened under the direction of John Jolly and the devotional by Jack Hull. Various phases of the subject, "Missions Our Missions" will be discussed during the morning by Rev. E. E. Dawson, Rev. James L. Smart, Rev. J. D. Coleman, and Mrs. Neal Gerresid.

A sermon will be delivered by Rev. H. P. Ashby. Lunch will be served at 12:30 p. m. and will be followed by board and W. M. U. meetings. A talk on "District Missions," by Rev. J. R. Richardson is scheduled for 2:30 p. m. The program committee consists of Rev. J. C. McKemie and Rev. L. H. Davis. Special music will be furnished during the day.

HERE IN HICO

Comments on this column which has been conducted for the past few weeks by the editor's daughter, Carolyn Holford, now on the staff of the Ochiltree County Herald at Perryton, indicate that it should appear more regularly.

While getting back into this particular set of harness, it might be appropriate to use the space this week for reproduction of a tribute to a departed citizen. The tribute was written by a contributor who had known the departed for a longer period of time than the editor, and who brings out some points that are impressive.

The contribution follows:

One morning last January a family in Hico, Texas, was due in Stephenville (20 miles away) at 9 o'clock a. m.

The family consisted of Papa, Mama, Brother, Little Sister, and Baby. Said Papa: "You know, Mama, this morning has the coldest, nastiest weather for many a day in Hico. We are taking off ten minutes early; the pavement is covered with ice and it is still snowing."

They all climbed into a closed, heated car at 8:30 and were off. At three minutes to nine, they parked at the curb in Stephenville and within one minute all were inside a well-heated room joking and laughing as if nothing had happened. Within an hour they were back in Hico, looking out the window at the falling snow.

It is immaterial as to the persons' names. It could have been you or almost anybody else. The point is, no hardships were incurred.

(Incident No. 1).

One cold afternoon last winter an old dilapidated "jalopy" with a license tag indicating an Eastern state, parked at the curb in front of the Mayor's office in a small town in Central Texas. A pale, sickly, oldish-looking young man crossed the sidewalk and entered the Mayor's office.

"You all air the Mayor of this burg?"

"Yes," was the response. "And what can I do for you?"

The story was a short one: "My old woman's sick and I want sumthin' done," stated this intruder.

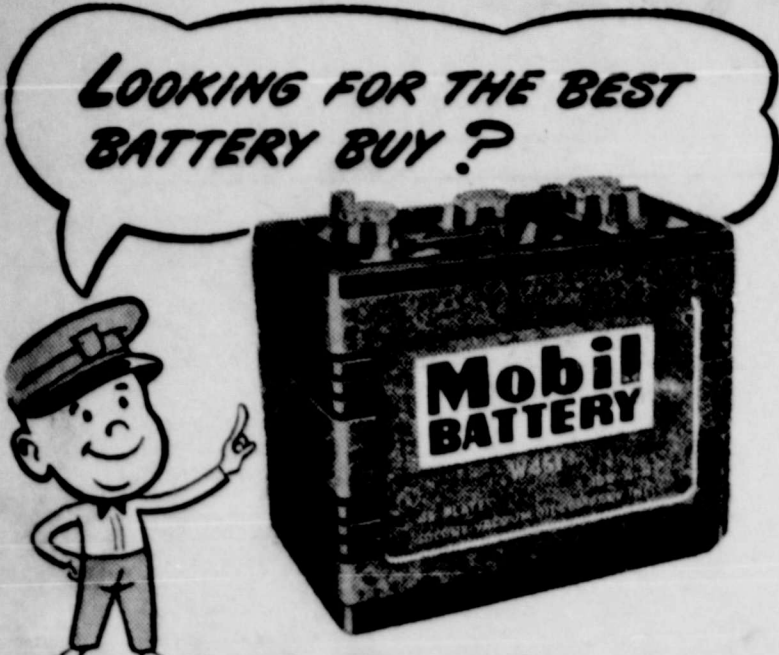

Questioning proved that the people, who consisted of a half-starved and sick woman, the before-mentioned man, and two shabbily dressed but clean children, were on-shareroppers trying to make their way to California. The woman was sent to a hospital after a telephone call to the Mayor of a small town many miles away proved that these people were honest but broke. The basis of the trouble was long-continued malnutrition, complicated by some acute allergy. Doctors could do little.

Eventually these people passed

SENIOR
 We, the senior class, are proud of the football boys. They played a very good game Friday night. We all want to see them win Friday night at Cranfills Gap. By the way, the pep squad and band looked nice at the half.

All of the seniors seem very busy this morning. Betty A. is getting history. Myrna is giving information. Paul and Wanda Neil are talking very serious about something. Glen is busy just being quiet and Mrs. Angell is keeping a firm hand on all seniors.

JUNIOR
 We are proud of the football boys for winning the game Friday night against Walnut Springs.

The boys that are coming out for football in the junior room are: Rollie Chaney, Jimmy Kennedy, Virgil Gray, Norman Petrey, Harold Prater, Kenneth Nix, and Dean Barnett.

I think every one has decided that they will have to study hard to pass this year.

SOPHOMORE
 Here we are in our fourth week of school. Looking around the room I see nearly every one either talking, getting Algebra or some other subject.

We are proud of the football boys that played in the game Friday night. We are especially proud of the Sophomore boys that played.

FRESHMAN
 We are really glad the scores turned out the way they did Friday night. We want all the scores to turn out that way with Hico having the largest score. The boys played a very good ball game and we hope they continue to play good. The boys always need people to

FOR GOODNESS SAKE!

 Randals Brothers

back them. Mr. Sirman and Mr. Mauk are doing a very fine job coaching the boys. They can't do it all so lets everyone do his part. The Freshman girls are going to have their formal initiation Tuesday night, September 27. The girls have already had the informal initiation.

H H S — BAND
 Last Friday the Band played during the football game at Walnut Springs. At the half the band and Pep Squad marched on the field.

We have about 30 members in the Band who play instruments and several twirlers. We need many more players. If anyone is interested, please see Mr. Bradley.

H H S — HOMEMAKING
 The Future Homemakers of Hico elected the officers for 1940-50.

President, Mary Jo Carpenter
 Vice President, Mona Ruth Wadlington
 Secretary, Wilma Haley
 Treasurer, Betty Bolton
 Reporter, Shirley Prater
 Parliamentarian, Wilma Woodard
 Historian, Betty Rae Shook
 Song Leader, Dorothy Randolph.

On Friday of last week the Freshmen were informally initiated. The initiation included queer hair-do's, out-of-style clothes, and misplaced make-up, among other things almost everyone had additional things such as potatoes, onion, dolls, biscuits. I'm sure that all the teachers enjoyed the nursery songs sung to them as the group entered their classes. Everyone was glad, particularly the Freshmen girls, when four o'clock came.

Next week's report will consist partly of the happenings of our formal initiation.

The Homemaking girls elected four girls to attend the District 3 F. H. A. meeting, held at Lake Merritt, Goldthwaite, Saturday, September 24. Bobbie Roberson, Mona Wadlington, Mary Carpenter, Betty Bolton, and Shirley Prater gave a brief account of what happened there to their classes on Monday.

The main purpose of this meeting was to install new District Officers and to get acquainted.

The Homemaking I girls have begun their breakfast menus and the Homemaking II girls have started making tailored dresses.

WORM'S EYE VIEW
 Hello kids. Well here I am again and quiet lucky that I am. 'Cause when I was crawling down the hall I saw a shiny object coming toward me. I ducked just in time and then I saw what it was. It was a baton and the person who was slinging it around was a cute chick named Paula Decker.

Say, she's an interesting subject so I will follow her around for a while and see what I can find out. I guess she is about 5 feet 2 or 3 inches tall, blond hair, and green eyes. She has a very cute bluish which I find can be brought on very easy. Paula has a very attractive figure especially when she has on her hand suit. I see I'm not the only one that has a crush on her though as a matter of fact I have too much competition, one especially, namely Benny Terry.

H H S — SPOTLIGHT
 Well another week has passed and as I dust off the spotlight the first thing I see is Louise B. and Earl S. at the show. Tuesday night there didn't seem to be many out. Those on the prowl Wednesday night were Rollie C. and Myrna S., Jo M. and O. J. C., Barbara M. and Garand A. Thursday night I see Louise B. and Earl S. After the ball game Friday night all the football boys shaved and looked like humans again. Saturday (the night) in the beam of the spotlight I see Paula D. and Benny Terry, Betty A. and James L. Mary Moore and Odell Terry, Patsy T. and Buck F., Margaret H. and Charles J., Billie F. and Jim K., Wanda Jo and Ralph J. Patsy S. and Glenn Ross, Lois and Donald, Wynell T. and Jack K. It must have been a good show (Glen and Patsy Jo stayed until it was over.) Sunday afternoon Barbara Rodgers seemed to attract a lot of attention and a lot of spectators. Sunday night I see Wanda C. and Don W., Mary Carpenter and Royce M., Norman C. and Mona W., Jo M. and O. J. C.

Oh yes girls, if you ever need a lift up the hill, Lester (the presser) will be most happy to bring you. And if you ask him real nice he might even play his piccolo for you. It seems that he learned to play it this summer at the Reunion.

Fairy
 — By —
 Correspondent

We received a good rain last week which was badly needed.

Our hearts were made sad in the passing of Mr. Will Kilgo on Tuesday of last week, who resided near Fairy, but he and his family had been temporarily residing in Hico since his illness. We extend deepest sympathy to those bereaved in his passing.

We were sorry to learn of the death of A. M. (Andy) Brown of Austin, who passed away on Wednesday of last week at the home of his sister, Mr. and Mrs. Robert Lindsey of Austin. He had been ill of heart ailment for the past year and had been in a critical condition since last June. Funeral services were held in Austin on Friday morning at 10 a. m., at the North Side Church of Christ with Rev. Jess Hall officiating who also accompanied the remains to

the Carlton Cemetery where he concluded the services at the grave side. Mr. Brown was born in Burnett County on October 22, 1881. He is survived by one daughter, Mrs. Madeline Schiffman, New Bern, N. C., and 5 sisters, Mrs. Nellie Scrivally, Dallas; Mrs. O. T. Jones, Austin; Mrs. J. F. Jones, Brady, Mrs. C. H. Turner, Mesa, Arizona; and Mrs. Robert Lindsey, Austin. His body was tenderly laid to rest by the grave of his wife who preceded him in death some thirteen years ago. The Browns were former residents of Fairy.

Mr. and Mrs. J. A. Edwards are the proud parents of a little son, born at the Hico Hospital, Mrs. Edwards is the former Willie Francis Smith of Lanham.

Cotton Parker was in Hamilton last week collecting a bounty for a bob cat he had trapped.

Mr. and Mrs. Carl Ray Sellers, Carolyn and Jimmie Don visited last Sunday in the home of his parents, Mr. and Mrs. N. S. Sellers and Joy Marie of Hamilton.

Cotton picking is well under way although there is not too much of the fleecy staple raised in this section.

The Humble Oil Co. employees have been repairing the Humble telephone line through this section.

An oil company is drilling a water well on the Brice farm preparatory to drilling an oil well. The place is the former Blacklock place about three and a half miles south of Fairy.

The fiftieth wedding anniversary of Mr. and Mrs. J. L. McCoy last Sunday was a great success. All of their children and families were present and all of each of the couples brothers and sisters were present except one brother and one sister. There were also many friends who called during the day. They received many nice and useful gifts. The children of the couple presented their mother with a wrist watch and Mr. McCoy with a gold Parker pen and pencil set. Punch and cake, nuts and candies and other good eats were served to the guests.

The human heart rests about eight-tenths of a second between each contraction.

On March 21 and September 23, day and night are of equal duration in every part of the world.

NOTICE TO THE PUBLIC
 On certain nights of the week when necessary, water will be cut off at 5 o'clock for a few hours, until current repairs and improvements are completed.

EASIER ON YOU... EASIER ON YOUR TRACTOR—

JOHN DEERE ROLL-O-MATIC "Knee Action" FRONT WHEELS

Working on beds... in deep water furrows... along the contour... over rough fields—there's hardly a condition you can name where John Deere Roll-O-Matic "Knee-Action" Front Wheels won't make tractor operation easier, smoother, safer than ever before.

Steering is much easier because the load is always balanced between both front wheels... riding is greatly improved because up-and-down movement of the front end is cut exactly in half. There's less wear on front tires, less strain on wheels because each tire and wheel takes its full share of the load.

Roll-O-Matic is just one of many exclusive and advanced features that make John Deere tractors today's leaders in modern design, just as two-cylinder economy, dependability, and long life have made John Deere tractors leaders in proved performance for the past 25 years. Come in and see us soon.

Carlton

By Mrs. Fred Geye

Funeral services were held in the Methodist Church, Wednesday afternoon at 2 o'clock for G. C. Stockham, who passed away Tuesday morning about 6 o'clock in the home of his daughter and husband Mr. and Mrs. Charlie Bain, after several months illness. The last two weeks, he was confined to his bed. Rev. Jack Shelton of Weatherford, a close friend of the family and a former pastor of the Carlton Methodist Church, conducted the services. George C. Stockham was born in the state of Ohio in 1865, son of Mr. and Mrs. Samuel Stockham and came to Texas with his parents at the age of 14. They settled at Ennis in Ellis Co., later coming to the Sunshine community where they made their home on a farm. He was married to Miss Myrtle Nettie Foster in 1885. To this union was born four children, one daughter, Mrs. Charlie Bain and three sons, J. R. Stockham of

Spurlin and Emmett Stockham of Sweetwater and Everett Stockham who died in infancy. Mr. and Mrs. Stockham moved to Carlton in 1920. His wife passed away Dec. 6, 1922. Other survivors are one sister and one brother, Mrs. Fannie Cantrell and Sam Stockham of Hamilton, five grandchildren and eight great-grandchildren, a host of other relatives and many friends to mourn his passing. At the age of 21 he united with the Methodist Church and remained a faithful member until his health failed. At the request of the family, special music and precious memories were rendered by Lee Turney, Hobby Thompson, Mrs. Fred Geye and Walker Curry. Burial was made in the local cemetery by his companions, Barrow-Rutledge Funeral directors of Hico had charge of all the funeral arrangements. Pallbearers were Dewey Williams Culmer Jordan, George Driver, Enos Fine, Purley Sharp and Walker Curry.

The body of Andy M. Brown was conveyed by the Weed-Corley Funeral car from Austin to the Carlton Cemetery Friday afternoon, Sept. 23 for burial to be made by the side of his companion, Pearl Brown, who preceded her husband about 13 years ago. He made his home with his oldest sister in Austin and passed away there Sept. 21. The body was followed to Carlton by several cars of relatives and friends from Austin and other places. The funeral services were held in the Weed-Corley funeral home Friday at 10 o'clock with Minister Jess Hall of the North Side Church of Christ in Austin conducting the service. Mr. Hall accompanied the body to Carlton speaking a few words of comfort at the grave side. Mr. and Mrs. Brown and daughter, Madilene, resided in the Carlton community for several years, moving from Purves to Dallas and then to Austin. He is survived by his daughter, Mrs. E. R. Schiffman of New Bern, N. C.; five sisters, Mrs. Robert Lindsey and Mrs. O. T. Jones of Austin; Mrs. J. T. Jones, Brady; Mrs. C. H. Turner, Mesa, Ariz.; and Mrs. Nellie Scriverally of Dallas. All were present for the funeral except Mrs. C. H. Turner of Ariz.

Mr. and Mrs. E. L. Fine, her father, J. S. Minter and their daughter, Mrs. Daymond Weaver and son, Barry of Hico left Sunday for a visit at Cotton Center with the former's daughter and husband, Mr. and Mrs. Bobby Moring and daughters, Deborah and Belinda.

Mr. and Mrs. S. H. Gilbert of Dublin visited Sunday afternoon with her brother and wife, Mr. and Mrs. Lee Turney.

Mr. and Mrs. Dave Farrar of Newburg spent Sunday with her sisters, Mrs. Fred Geye, Miss Willie Johnson and her brother, Arthur Johnson and her niece, Mrs. Dow Self and family.

Mrs. Elmer Bunnell, her son and daughter of Jackboro visited Friday with Misses Mattie and Alice Rodgers.

Mr. and Mrs. Toye Shaddy and son arrived Sunday from Gallup, N. M., for a visit with her mother, Mrs. Lilla Byrd and other relatives. Other Sunday visitors with their mother were her son, Cecil Byrd and wife and son, Eugene and her daughter, Mrs. Beryl Cozby, her husband and children, Beryl and Jimmy of Stephenville.

Mrs. Byrd and sister, Miss Nora Abel of Fairy and Mr. and Mrs. Shaddy and son, accompanied them to Stephenville Sunday afternoon for a visit.

Mr. and Mrs. Cecil Hall and twin daughters, Oleta and Oneta of Dublin were visitors Sunday with her brother, Lewis Cox and family.

Mr. and Mrs. J. F. Hollis and son of Electra visited during the week end with her aunts, Misses Alice and Mattie Rodgers.

Mr. and Mrs. Watt Sharp Jr. and son, Terry and her parents, Mr. and Mrs. J. W. Short spent Sunday at Baird with their brother and son, Roodolph Short and family. Mr. and Mrs. Short remained with their son for a longer visit.

Mr. and Mrs. Nolan Geye of Stephenville visited Sunday with his sister, Mrs. Dow Self and family and their parents, Mr. and Mrs. Fred Geye.

Mr. and Mrs. Ernest Salmon and daughters, Gladys Lee of Dallas and Lou returned home Tuesday from their vacation spent in Colo., and New Mexico.

Mr. and Mrs. Dub Mitchell and sons, Wendell Rex and Dondy Joe of Bay City spent Sunday with his parents, Mr. and Mrs. W. W. Mitchell.

Mr. and Mrs. Leo Finley and Jean of Walnut Springs and Mr. and Mrs. J. G. Finley of Fort Worth were visitors Sunday afternoon with their mother, Mrs. Jessie Finley.

Mrs. Sid Clark is spending this week in Hico with her daughter, Mrs. Luther Burden and family. Mr. and Mrs. Will Barnett and daughter, Mrs. Agatha Prater of Dublin and Mrs. Ferris Kornegay of Hamilton attended the funeral of uncle Clem Stockham, Friday afternoon.

Mrs. Fannie Green and daughters, Mrs. Agatha Prater and daughter, Mrs. Paul Cullin, Mrs. Pearl Thrash and Mrs. R. D. C. Ratliff and Miss Mildred Fifer, a friend of Mrs. Cullin, all of Fort Worth spent Sunday with Mrs. Green's brother, W. W. Mitchell and wife.

Mrs. Walker Curry attended the State Home Demonstration convention from Wednesday to Friday held in Mineral Wells and visited with Mr. and Mrs. Kenneth Evans and children.

Mrs. Jesse Massengale visited Sunday afternoon at Olin with Mr. and Mrs. Arthur Odell and at Sunshine with Mr. and Mrs. Forest Kavanaugh and daughter, Mrs. Fritz Campbell and husband.

Visitors Sunday with Mr. and Mrs. Columbus Treford were Mrs. T. N. Edwards of McGregor; Mr. and Mrs. Tapley Edwards and

daughter of Lometa and Mr. and Mrs. Willie Everett and son of Moody.

MRS. BUSH HONORED ON HER 66TH BIRTHDAY

Mrs. Rosa Bush, a lifetime resident of Carlton, was honored Sunday, Sept. 25, on her 66th birthday. Jerry Bush, son of Mr. and Mrs. J. F. Bush of near Comanche, drove to Carlton Sunday morning and got Mr. and Mrs. J. Z. Bush and carried them to Comanche for a birthday dinner for Mrs. Rosa Bush, Mr. and Mrs. R. L. Loudermilk, and Mrs. L. B. Metcalf. When they arrived at the home of Mr. and Mrs. J. F. Bush a table was spread under some large shade trees. A wonderful dinner was enjoyed by 30 people.

The birthday cake was a heart-shaped coconut cake. Those present were Mr. and Mrs. J. Z. Bush, Carlton; Mr. and Mrs. J. F. Bush, Comanche; Mr. and Mrs. R. I. Loudermilk, Comanche; Mrs. J. B. Lane and children, Meridian; Mrs. L. W. Metcalf and Larry, Mrs. Ralph Hoover and Glenda, Fort Worth; Mr. and Mrs. J. B. Mears and family and Mr. and Mrs. J. L. Ladd, Arlington; Mr. and Mrs. A. Loudermilk, De Leon.

A wonderful time was had by all. Mr. and Mrs. J. Z. Bush remained at Comanche until Wednesday for a visit with his son.

From where I sit... by Joe Marsh

A Big Boost For Smitty!

Stepped into Smith's Department Store the other noon and saw the strangest thing. "Sis" Davis was coming up the stairs from the basement with a bundle of wash.

"Is Smitty taking in washing these days?" I asked. "Not quite," she says. "He's just put in a new automatic washing machine, so the girls who work here can get their laundry done while they're eating lunch. Means more time to relax at night and on weekends."

I thought what a swell boss Smitty must be. Human relations between the boss and employees

have certainly taken a big step forward during my lifetime.

From where I sit, people seem to be doing a better job of seeing our neighbor's viewpoint these days. Though his ideas and tastes may not be ours, we can understand his preference for a certain breakfast cereal, a favorite movie star, or for a temperate glass of beer or ale. That's the way it should be in a free country.

TRADE NOW for this money-saving difference in tires!

B.F. Goodrich "Rythm Ride"

MORE MILEAGE, SAFETY, COMFORT!

Most tires have cords that work out of rythm. Because cross threads tie cords together, they bunch or gap. Result: Weak spots invite trouble. Overstrained cords wear out too soon.

BFG tires have cords that work together in perfect unison. There are no cross threads. Each cord is perfectly spaced, under uniform tension. Result: More comfort, safety, and mileage.

LIBERAL TRADE-IN ALLOWANCE FOR YOUR PRESENT TIRES MAKES NET COST SURPRISINGLY LOW

Get more mileage, safety, and comfort from stronger "rythm-flexing cords." See this great difference in tires yourself. Ask about our liberal trade-in allowance for your present tires on new B. F. Goodrich Silvertowns.

HERE IN HICO

They are still sending back installations on the hospital bill. (Incident No. 2).

One morning about 4 o'clock in January about 58 years ago, a tall, handsome young man climbed into a topless buggy and headed out of Hico toward Stephenville...

Before daybreak a blizzard met him headed south. The snow was wet and cold. The ground was wet and soggy. His buggy mired and had to be pried out several times...

At one-thirty o'clock the horse was tied to a hitching post on the town square (about 23 miles from Hico). This man—wet, cold, hungry and haggard-faced, made a bee-line for the commissioners' court room...

Then without formalities this Hico man asked for a hearing. "You were warned to be here at nine o'clock with your fool road scheme," he was told.

"I am at fault, Mr. Chairman."

answered the Hico man. "I should have been here with the people's petition, but I just wasn't and for their sakes you should consider it." He wasn't an eloquent man; he was an honest, sincere one.

Late one January afternoon, about fifty-five years ago, a ramshackle covered wagon pulled by two lean ponies passed the stores of Hico and proceeded on down to the river where it struck camp for the night.

The wagon remained there all the next day. Late in the afternoon this same Hico man called at the camp. All was not well. The family consisted of a man in his thirties, an oldish-looking young woman, and four children.

This all was done without cost to these people who eventually passed on westward. The man later became a big rancher in the West. He and his wife as long as they lived never tired of telling what a fine town Hico was.

You guessed it. The hero of this story is J. C. Rodgers.

His first road was a forerunner of our highway now. He did much to solve our road problems. The family who motored to Stephenville that bitter, cold morning last January now owes him a debt of gratitude.

Remember—we like J. C. Rodgers, must act in terms of our community's and our country's future; destiny is in our hands; let's make it as good one as J. C. Rodgers tried to, and to a great extent, succeeded in doing.

ROY DERRICK, Hico, Tex.

Cecil Aycock Opens Shoe Department In Large Midland Store

Mr. and Mrs. Guy Aycock have received a copy of the Midland Reporter-Telegram issued Wednesday of last week, carrying announcement of the opening day for a new shoe department owned and operated by Cecil S. Aycock in the Fashion Salon in that city.

Aycock, who was reared in Hico, has been connected with the shoe business in Midland for 12 years. A member of the Optimist Club, former member of the Chamber of Commerce and a member of the First Baptist Church, Aycock has been active in civic affairs in Midland and West Texas.

He has a wife and three children and resides at 2308 West Holloway Street. His many friends here will be interested in his progress and the success of his new enterprise.

Jack Dempsey held the heavyweight boxing crown for seven years.

WALNUT SPRINGS VICTORY REVIEWED FROM SIDELINES

By BILL NORTON

Last Friday night the Hico Tigers sang with the pep squad and the school band and a contingent of some 200 loyal fans journeyed over to Walnut Springs to view their first conference game by a score of 14-0.

Buck Lively made the first touchdown in the first quarter and Wendell Burden went through the line for the extra point. Early in the fourth quarter Burden made the second touchdown and Lively went through the line for the extra point.

As the game got underway the Tigers received and Lively fumbled the kick-off but was able to recover. Then on the first play of the series Lively again fumbled but again the Tigers recovered and from then on they had a relative easy football game.

Last week we saw the Tigers playing headups football and eleven men out there working together. There were no sensational plays by any one individual, but there was always a hole for the ball carrier to take off through.

The Tigers played a jam-up game on offensive blocking and again they stood out with the help of the line backers on the defense. The secondary defense had little to do as the forward wall did all the stopping necessary, holding the opponent to one lone first down.

By way of personal mention Roline Chaney did a swell job on passing the ball back from the center position and was there on his part of the blocking as well. Terry and Norrod at guards, with the help of Collins and Petry at tackle, made possible some big openings in the line for our Tiger backfield.

Gray and Ratliff at end had little to do on the offense but did a good job on the defense in turning the Walnut boys into the center of the line and rushing the backfield. Burden replaced Gray at end on the defense and Gray took over Petry's tackle position.

Sirman also made other defensive chores that worked good. Jones replaced Burden who went to end. Loden replaced Ables; and Kennedy replaced Lane who replaced Collins at the other tackle position.

All games have their oddities and this was no exception. The officials failed to have a stop watch, so by agreement between the coaches from both schools, straight 12-minute quarters were played.

As a result the game was completed in one hour which is about one half the time normally required for a game. Toward the last of the game Coach Sirman sent his second string into the game replacing all first string boys except Terry. Ross, who was out of the game with a sprained ankle, was down field getting it limbered up so he could go in with the boys, and wasn't on the spot when the second string went in, so there were only ten men on the field.

The pep squad and the school band were on hand 100 per cent strong and gave the boys the old cheers from the first whistle until the last. At the half time the band and pep squad went on the field in parade with a very impressive half time show.

Tonight (Friday, Sept. 30) the Tigers go to Cranfills Gap for their second conference game. This promises to be a close game and a hard one. Cranfills has several very good boys. They have speed and weight. Coach Sirman advises that he has a lot of work to do this week in getting ready for this game.

Hico Game Statistics: First Downs 1, Yards by scrimmage 46, Yards by passes 8, Yards by punts 180, No. of punts 5, No. of passes tried 3, Passes completed 1, Passes intercepted 0, No. of penalties 2, Yards lost by penalty 10, Score 0.

Protection from Whooping Cough Recommended Now

Austin, Sept. 26—Now is the time to have your baby protected from whooping cough, says Dr. Geo. W. Cox, State Health Officer. The Texas State Department of Health recommends that vaccination against this disease be administered at three months of age with a booster dose of vaccine when the baby is two years old.

There is many a child whose life could have been saved if he had been immunized in infancy, said Dr. Cox.

"Whooping cough," said Dr. Cox, "first masquerades as an ordinary cold, with running nose and eyes, followed by a slight cough. These symptoms develop about 1 to 14 days after exposure. Then in about another week the cough develops into a series of continued attacks, in an effort to expel the troublesome mucus. An attempt to breathe during the choking spell produces the characteristic whooping sound. In mild cases it may be absent. The whooping stage lasts 4 to 6 weeks and may then take another two or three weeks to decline gradually."

Clairette

By Mrs. Henry Mayfield

Mrs. Maud Dunbar, Mrs. John Goughly and Mrs. Ervin Holt attended a H. D. Club Convention in Mineral Wells last Wednesday.

Mrs. Mary Koonsman, Mrs. Mattie Walsworth and little Tony Koonsman of Pleasant Hill visited Mrs. Henry Mayfield Wednesday afternoon.

Mr. and Mrs. Studebaker Trammel and Mrs. Lillie Bishop attended the funeral service of George Stockham in Carlton last Wednesday afternoon.

Mrs. L. E. Roberson and Mrs. Dorothy Erick spent Wednesday night in the home of Mr. and Mrs. Eunice Salmon in Carlton.

Truman Noland, Melvin Self, Wendell Scott of Stephenville and Von Scott are on a week's vacation in the state of Colorado.

Mrs. Andy Duncan and Shirley of Fort Worth spent last week with her parents, Mr. and Mrs. Henry Mayfield and Mitchell.

Austin Harvey was brought home from the Hico Hospital and is improving.

Mrs. Bud Partain and children and Mrs. Ethel Self of Stephenville visited in the homes of Mr. and Mrs. Austin Harvey and Mr. and Mrs. Henry Mayfield Saturday evening.

We are sorry to report that Mr. Bob Clark has been ill several days. The members of the Methodist School elected teachers and Superintendent of the Sunday school for the coming year. Everyone is cordially invited to come to Sunday school each Sunday.

Members of the Baptist Church have called a new pastor for the coming year but this writer has not learned his name or where the preacher is from at present.

Mr. and Mrs. Den Lane have purchased a lot in Hico and a house out of Hico that they plan to move on the lot and be residents of Hico in the near future.

T. B. Roberson of Haskell visited his mother, Mrs. L. E. Roberson Sunday night and Monday. Mr. Roberson states that the cotton crop is very good there and he thinks he will harvest 100 bales from his farm.

W. E. Haety of De Leon was a Clairette visitor Sunday. Mr. and Mrs. Haety are teaching in the Conv High School this year. The Haety's taught a couple of years in Clairette.

The little daughter of Mr. and Mrs. T. B. Thompson of Fort Worth is visiting her grandparents, Mr. and Mrs. Artie Thompson.

Mr. and Mrs. Chas. Dowdy had a letter from his World War I buddy, Mr. Clarence Durst of Redfield, N. Y. stating they had already had frost there. (No wonder, it is so cold here.) Mr. Durst says that the growing season is very short in New York.

Those visiting in the Henry Mayfield home Sunday evening were: Arch Mayfield and Mrs. R. W. Kueneke of Stephenville; T. B. Roberson of Haskell; Mr. and Mrs. Artie Thompson, Mr. and Mrs. Frank Johnson, Mr. and Mrs. Chas. Dowdy, Mrs. Dorothy Erick and sons, Mrs. L. E. Roberson and Mrs. Herman Roberson.

Hamilton Co. G. I. Vocational School Fair Plans Shaping Up

The 1949 Fair of the trainees of the Hamilton County Vocational Schools will be like Ringling Brothers Circus, bigger and better than ever, according to a statement this week by O. C. Chapman, instructor of the local school where classes are held each Monday and Wednesday evening.

On Monday, September 26, representatives of each of the classes met and made definite preliminary plans for the fair which will be held October 28-29 this year. The principal purpose of this meeting was to determine what classes were to be shown. It was decided that no livestock class would be designated except those in which four or more similar entries were indicated.

According to this decision, beef type cattle, divided into beef and dual purpose, had thirteen classes with a total of eighty five entries. Sheep and goats will have six classes with sixty nine entries. There will be five classes of hogs with eighty eight entries.

Jersey and Holstein cattle will have seven classes with a total of thirty-seven entries. Fifty-two pens of poultry and turkeys have been entered.

Crops, because of the large number of entries, will be limited to two varieties for each class. An interesting show exhibit of Agricultural trainees will include examples of workmanship in ordinary building and repair of farm equipment. In addition, some of the ingenious devices made by the boys will be exhibited.

The wives of veterans will have an exhibit of things which are of interest to women. The classes in Distributive Education, Automobile Mechanics, and Cabinet Making will have entries. All in all, three hundred and sixty head of all livestock, fifty-two pens of poultry, and eighty-four crop exhibits will be shown. This, in addition to other features of the fair, promises to make the event a worthwhile affair.

Saccharin is derived from coal-tar.

Mr. and Mrs. Geo. Tabor and Lois of Dallas spent the week end at their farm near Hico.

Doyle Nix of Brownwood spent the week end with his parents, Mr. and Mrs. Henry Nix.

Mr. and Mrs. Hester Bruner have purchased the Dunlap Cafe in Iredell and they moved there Monday to make their new home.

Mrs. Nell Hardwick of Baird spent last week here in the home of her son-in-law and daughter, Mr. and Mrs. Dean Spaulding.

Mrs. D. D. Rackley was called down from Dallas last Friday by the illness of her father, Ira Tabor. She returned home Sunday.

Mr. and Mrs. Earl H. Elkins of Dallas were here Saturday afternoon on their way home from a business trip to South Texas.

Mr. and Mrs. A. W. Rutledge of Dallas were week-end guests of their son and family, Mr. and Mrs. Wayne Rutledge and children, Bill and Linda.

W. P. McDowell returned home recently from a two-months visit in Lubbock with his daughter, Mrs. Herschel Wren and family, and with his brother-in-law and wife, Dr. and Mrs. L. C. Gosdin.

Jack Hollis, local boy now power-amping around out at Midland, as built a new home for his family and requested a change of his address to 307 E. Cottonwood in that thriving city.

Dr. and Mrs. H. V. Hedges returned home Tuesday night from Houston where he attended the Southwest Surgical Congress held at the Shamrock Hotel in that city. They also visited in Ganado with Dr. and Mrs. James M. Baugh.

Mr. and Mrs. J. H. Priest are for their dinner guests Wednesday at their country home Mrs. Sallie Purdon, Mrs. J. O. Davis, and Mrs. V. L. Spaulding of Hico.

"How-dee" starts off a note in Minnie Pearl style from Mrs. Winnie Crockett, enclosing check for subscription. "Bert has me in the dog house," she continued, "and I think he has lost the key so I want your little old paper to keep me posted on the news."

Dr. and Mrs. James M. Baughnight of Ganado visited last Thursday night with her father, Frank Mingo and Mrs. Mingo and with her aunt, Mrs. Josie Duckworth, and daughter, Miss Irene Frank. They were returning home after taking their daughter, Barbara, to St. Louis, Mo., where she enrolled as a freshman student at Monticello College.

Officials of Corsicana Chain Store Fined for Wage Law Violations

Dallas, Sept. 22.—K. Wolens, Incorporated, Corsicana, a Texas corporation, operators of a retail chain of mercantile establishments, today was fined \$1,000 by Federal Judge T. Whitfield Davidson for violations of the minimum wage, overtime, and record-keeping provisions of the Fair Labor Standards Act (Federal wage and hour law).

Louis Wolens, treasurer of the firm, was fined an additional \$500. The court suspended another \$500 fine, provided all back wages due employees since March 1, 1947, be paid. Underpayments will amount to some \$2,000.

Wolens entered a plea of nolo contendere to the Government's allegations set forth in 21 counts of a criminal information filed here in Federal Court. These counts charged payments of less than 40 cents an hour, underpayments for overtime, and failure to maintain an accurate record of hours worked. The case for the Government was handled by Assistant U. S. Attorney William Cantrell.

Evidence was gathered by investigators of the Wage and Hour and Public Contracts Divisions of the U. S. Department of Labor, under the supervision of William J. Rogers, regional director in the five southwestern states. During previous investigations of this concern, similar violations were found.

Mrs. Hafer Hostess To Review Club Last Thursday

The Hico Review Club met last Thursday, Sept. 22, with Mrs. W. F. Hafer for the second meeting of the year. All members of the club were present except Mrs. S. E. Blair Sr. Mrs. L. N. Lane, who is an associate member, was present.

During the business session Mrs. C. H. Boyd and Mrs. Burnell Jernigan were voted in as new members.

The club accepted with regret the resignation of Mrs. W. J. Moore, who has moved to Denton.

The following report of the club's past work was read by the president, Mrs. Marshall:

January, Penny Art Fund and Music, \$2.00.

February, School Library, \$20.00.

February, European Relief (Seed), \$3.95.

October, School Library, \$35.00.

December, CARE, \$10.00.

February, Music and Penny Art Fund, \$2.00.

Total \$72.95.

We sent a box of clothing to Europe which was valued at \$50.00. The past summer we have been helping on the school grounds. Last year we sponsored a health program at the school with eye-and-ear tests. In August the club sponsored a "Children's Hour" on the lawn of the Methodist church. Stories and handcraft were presented.

Mrs. Wayne Rutledge gave a most interesting and instructive report on "Japan Since the War and What the Japanese Think of Us."

Mrs. Bradley also gave a splendid discussion on "What the Europeans Think of Us."

The club enjoyed a lovely plate of sandwiches, mints, nuts, candy and coffee. Especially did we enjoy eating from Mrs. Hafer's lovely chinaware that came from Europe. (Dr. Hafer, we wonder how long it took you to gather those prickly pears and thistles for decorating).

Hico-Reared Lad Now In Texas City Making Success Teaching Art

Clippings from a Texas City daily newspaper have been received in Hico showing a picture of an art studio headed by Richard Little, son of Mrs. T. U. Little, both formerly of Hico and Stephenville, who now reside at 1114 14th Avenue North in that Crystal city.

An article by Clara Slough accompanying the picture disclosed the progress Richard has made in the following way:

"Not to be outdone by the attic studios of Greenwich Village, art teacher Richard Little uses his garage as a workshop for the training of some 26 art students here.

"In classes begun here this summer, Mr. Little, who is known to all his students simply as Richard, taught sketching, oil painting and pastel work to a variety of students including elementary school children, teen-agers, and housewives.

"The culmination of the summer's work will be an art exhibit planned for Sunday, October 2, at First Methodist Church's education building. During the afternoon hours from 2 to 5 p. m., the work of 18 students will be exhibited for the public. The 48 pictures will include oils done with brushes and with knives, pastels and sketches.

"Richard, who is 27 years of age, majored in applied art at the University of Texas. He taught art in the junior high school here last year, and will teach in both the junior and high school this year.

"His modern art painting won first place in a contest for Texas University students and another of his entries won third place. He plans to enter two pastels in a contest of Texas Artists on October 19. The contest will be for artists from Houston, San Antonio and Dallas.

"Richard's training has been under several well-known artists, including Charles Umlauf, noted sculptor, and Rasmussen, Lyons Gonzales and White.

"In addition to his work in the schools this winter, he will continue his private classes for eighteen students."

Mr. and Mrs. E. V. Meador and little daughter, Denna, spent the week end in Lawn with her parents, Mr. and Mrs. Raymond Dodd, and her sister, Marcelyn Dodd.

'Doodle Bug' Ordered To Keep Running by Railroad Commission

The Katy passenger trains Nos. 25 and 36 between Waco and Stamford, usually referred to as the "Doodle Bug" have been ordered to keep running by the State Railway Commission of Texas. This is the train that runs one each way each day through this city. This ruling was released on September 19th.

Considerable controversy has existed all along the route since the Katy first announced that they were discontinuing these trains. A number of meetings of representatives of the towns along the route have been held in De Leon. Rick Harbin was retained as special attorney representing all the towns and assisted by the city attorneys of other towns, to handle this question before the State Railway Commission. The case was determined in favor of Mr. Harbin and the towns along the route.

Following is the statement as released by the Railway Commission:

Docket No. 1953-RO, Railroad Commission of Texas, Passenger Trains: Nos. 35 and 36, between Waco and Stamford, Austin, Texas, September 19 1949.

After due notice the above numbered and entitled cause was called for a hearing at De Leon, Texas, on August 11, 1949, at which time evidence and statements were presented in favor of and in opposition to the granting of the application; based upon such evidence and statements the commission is of opinion and find that:

1. The revenue produced by trains Nos. 35 and 36 showed a consistent increase for the years 1941 over 1940 and from 1946 to 1948.

2. That the last six months of 1947 showed an increase of \$668.65 over the first six months of that year, and the last six months of 1948 showed an increase of \$6,164.94 over the first six months.

3. That there is a potential possibility that the last six months of 1949 might produce revenue great enough to over come any loss shown for the first six months of that year in Exhibit No. 1.

4. That all of the above indicates that the first six months of 1949 is not representative of the entire year and is not a clear picture of what trains here at issue might produce if the revenue for the 12 month period was shown.

And based upon the above findings the Commission is of the opinion and finds that the application should be denied without prejudice to further hearing upon a new application after sufficient time has elapsed to compile statistics covering the entire year of 1949.

It is, therefore, ordered by the Railroad Commission of Texas that the application of the Missouri-Kansas-Texas Railroad Company of Texas for authority to discontinue operation of its passenger trains Nos. 35 and 36, between the cities of Waco and Stamford, Texas, be and the same is hereby denied without prejudice to further hearing and consideration upon a new application filed with it, and which hearing revenue and expenses figures can be presented covering the operation of these trains for the calendar year 1949. Railroad Commission of Texas.

Lovely Country Home Site of Wednesday Bridge Club Meeting

Mrs. Raymond B. Armstrong was hostess to members of the Wednesday Bridge Club this week at her home on the Stephenville Highway.

Mrs. W. B. Coats was winner of high score prize. Mrs. H. V. Hedges of second high.

Those present were Mrs. Milburn I. Knudson, Mrs. R. B. Goodloe, Mrs. Harry Hudson, Mrs. Fred B. Jones, Mrs. W. F. Hafer, Mrs. Odie Petsick, Mrs. Coats and Mrs. Hedges.

Refreshments consisted of sandwiches, cold drinks, pickles, candy and stuffed dates.

One horsepower is the power required to lift 33,000 pounds one foot in one minute.

Ramage-Scarborough Nuptials Solemnized At Stephenville Sept. 17

A beautiful wedding was solemnized at the First Methodist Church Saturday evening, September 17, at 7:30 o'clock when Miss Marjorie Elizabeth Scarborough became the bride of Jewel Calvin Ramage. The bride is the daughter of Mr. and Mrs. E. B. Scarborough of Stephenville and Mr. and Mrs. H. H. Ramage of Iredell are parents of the groom.

Miss Lucy King played an organ prelude including the "Prelude" to Lohengrin, "Evening Hymn", Chopin's "Nocturne in E Flat", Schubert's "Serenade" and "Invocation." She also played traditional wedding marches and during the ceremony played softly "O Perfect Love." Miss Patricia Price sang as pre-nuptial solos, "I Love Thee" by Greig and "A Wedding Prayer," Misses Virginia Ramage, sister of the groom, and Evelyn Stone lighted the candles. The Rev. Frank Turner performed the double ring ceremony before an altar arrangement of white double Chinese mums, woodwanda fern and candelabra.

The bride, who was given in marriage by her father, wore a winter white wool jersey dress trimmed in rhinestones and matching hat. Her accessories were black and she carried a white Bible topped by a white orchid.

Matron of honor was Mrs. A. H. Johnson of Fort Dodge, Iowa, a sister of the bride, who wore a forest green crepe frock with accessories to match.

Jimmie Ramage of Houston, served his brother as best man and ushers were Joe Ida, Magnolia, Ark. Charles McCarty, Granbury, A. H. Johnson, Fort Dodge, Iowa and C. B. Williams Jr., of Stephenville.

The bride is a graduate of Rochelle high school and Tarleton State College. She has been employed here in the office of the State Welfare Board. Mr. Ramage is a graduate of Texas A&M and was an infantry captain during World War II.

A reception was held in the annex immediately following the ceremony. The bridal party and parents of the couple, as well as Mr. and Mrs. G. O. Ferguson, aunt and uncle of the groom, were in the receiving line.

The bride's table was covered with a white satin damask cloth and centered with an arrangement of tube roses, silver wedding bells, tied with white satin ribbons and flanked on either side by white tapers.

Mrs. W. B. Sansing and Mrs. Raymond Armstrong presided at the punch bowl and Mrs. C. B. Williams served the cake. Others assisting in serving were Meses Wm. Johnson, H. L. Self, Meses Leona Bryant and Mary Ona Whitson.

Mrs. J. D. Killough, at the piano furnished appropriate music and Mrs. Ben. B. McCollum Jr. and Miss Octavia Hunt were in charge of the bride's book.

After a short wedding trip, Mr. and Mrs. Ramage will be at home on their ranch near Iredell.

Out-of-town guests included Mr. and Mrs. Lee Scarborough, San Angelo; Mr. and Mrs. J. B. Scarborough, Weatherford; Mr. and Mrs. E. O. Martin, former teachers of the bride, and Mr. and Mrs. O. D. Pence, all of Brady; J. S. Scarborough, sheriff of Kleberg county, and Dan Scarborough, both of Kingsville, cousins of the bride; Mr. and Mrs. A. H. Johnson, Fort Dodge, Ia.; Mr. and Mrs. Jimmie Ramage, Houston, Miss Virginia Ramage, San Antonio; Mrs. Ludie Hudson and son, Bobby, Mr. and Mrs. Palmer and Dr. and Mrs. W. C. Sellman, all of Dallas, and Mrs. Audrey Elkins of El Paso.—Stephenville Empire-Tribune.

IREDELL ITEMS

by Miss Stella Jones, Local Correspondent

Mrs. and Mrs. John Tidwell are visiting in Kansas.

Mrs. Quince Fouts, Mrs. Billy Joe Fouts, Mrs. Homer Woody Jr. and Mrs. Roy Moore were in Waco Thursday.

Mr. and Mrs. Eber McDowell of Fort Worth visited her brother, Elvis Lott and family and other relatives over the week end.

Mr. and Mrs. R. S. Echols and Mrs. Ralph Echols were in Waco Thursday.

Thursday, Sept. 23 was Jimmie Elnashew's 11th birthday. His mother fixed him a birthday supper. The following boys enjoyed the supper with him and his mother: Darwell and Michael Howard, Larry Burns, Rodene Gray, and Don Appleby. They enjoyed the supper very much. Mrs. Vada Howard made the birthday cake. They played some games. He received a gift from all of them.

Mr. and Mrs. Albert Pike and son have moved to their new home. Mrs. Rilla Tidwell moved to the garage apartment vacated by them.

Mr. E. H. Dunlap was in town Saturday for the first time in quite a while, as he has been sick.

Norman Shirley Ince, who is in S. M. U. in Dallas, spent the past week end at home.

Rufus Williamson of Houston was a recent guest of his parents. One of his buddies and his wife accompanied him.

Mr. and Mrs. Newell Ince and children of Waco spent the past Sunday with his mother.

Mr. and Mrs. Billy Jack Blakley of Kennedale spent the week end here.

Mr. and Mrs. Latham Howell and baby of Stephenville spent the past Sunday with her parents, Mr. and Mrs. Albert Hensley.

Mrs. Sanders has returned from San Angelo where she has been for two months.

Miss Lanele Ensminger is in the university at Houston.

Mrs. Ida Mathison and daughter of Tryunga, Calif. Mrs. Bill Dennis of Lubbock, and Mrs. Walter Blue and Alma Tucker and Mr. and Mrs. Bob Blue, all of Gordon, Texas, were recent guests of Mrs. Ince.

Mrs. Patsy Jones and children of Anton are visiting her parents, Mr. and Mrs. Fred Flannery.

Mr. and Mrs. T. M. Tidwell spent from Thursday till Saturday in Fort Worth with her son, Grady Addison, and family.

Mrs. Carl Jaehne and her son, Carl Jr. and wife of Houston spent the week end here.

Mary Lee Dunlap of Fort Worth spent the week end with her parents.

Donald McCoy is going to a business college in Dallas.

E. L. Mitchell Jr. spent the week end at home.

Mrs. L. J. Simpson visited in Clifton Wednesday.

Miss Eleanor Helm spent the week end at home.

Mr. and Mrs. Boyce spent Sunday at Buchanan Lake.

Mr. and Mrs. Bud Miller and little son of Cross Plains visited Mrs. Miller Sunday. He is a cousin of the late Mr. J. S. Miller.

Mr. and Mrs. B. L. Mitchell spent Sunday with her parents, Mr. and Mrs. Croley of Breckenridge.

Mr. and Mrs. T. O. Gregory and children of Smithville and Mr. and Mrs. Dick Stegall of Hico spent the week end with Mr. and Mrs. Willard Hudson. Mrs. Gregory and Dick are sister and brother of Mrs. Hudson.

A room has been fixed up at the drug store where Mr. Clanton will fit glasses. It is nice and light.

Mr. and Mrs. John Gordon spent the week end at Austin with their daughter, Katie and family.

Miss Lu Lockner returned from Clifton Sunday.

Mr. Sherman Deatherage of New Mexico was here this week, the guest of Dr. and Mrs. Pike.

MAKES HOME STUDY EASIER AND FASTER!

THE NEW Better Sight STUDY LAMP

Here's a table lamp that's especially designed for home study. It provides both the right amount of light and the right kind of light for safe, easy seeing. As beautiful as it is efficient, it's made of heavy cast metal finished in bronze and its harmonizing shade is of heavy leatherette parchment trimmed in gold. Comes complete with rubber-covered cord and three-light 50-100-150-watt bulb.

WHY THIS LAMP GIVES BETTER LIGHT

White glass diffusing bowl (1) eliminates glare, provides both upward and downward light. Wide angle shade (2) and extra-tall standard (3) spread soft diffused light evenly over a broad area.

Specially priced **\$6.95** Only 95c down at only **\$1.00 monthly**

Iredell P.-T. A. Met Tuesday of Last Week In Regular Session

The Iredell Parent-Teacher Association met in regular meeting on Tuesday night, Sept. 20. The following officers and committees were officially recognized:

Mrs. Hayden Sadler, president; Mrs. B. J. Fouts, vice-president; Mrs. T. B. Whitlock, secretary-treasurer.

Program committee, Mrs. Zona Hooper, Mrs. Edith Sowell, Mrs. Cora Little, Mrs. Bob Jenkins.

Finance committee, Mrs. James Wyche, Mrs. Frank Cunningham, Mrs. Horace Whitley, Mrs. W. J. Cunningham, Mrs. Thompson.

Membership committee, Mrs. Roy Gosdin, Mrs. Jerry Matthews, Mrs. Wilson Phillips, Mrs. O. W. McCoy, Mrs. Musick.

Publicity committee, Mrs. Roy Moore, Mrs. Otis Oldham, Mrs. Bill Helm, Mrs. Jack Blakley.

Recreation committee, Mr. and Mrs. Jack Barton, Mr. and Mrs. Boyce.

Hospitality and entertainment committee, Mrs. Howell McAden, Mrs. Tom Strange, Mrs. Dick Burns.

Following a song by the audience, a piano solo by Mrs. Whitlock, and a talk by Mrs. Jenkins, a business session was held. A committee was appointed to study the major needs of the school, to be sponsored by the P.-T. A., and a report will be given at the next meeting, Oct. 18, at which time a decision probably will be made.

You are cordially invited to attend each of these meetings and help make this P.-T. A. year one of the best yet.

FAIRY SCHOOL NEWS

Freshman News

Monday has slipped back upon us again. Lot's of the kids are out because of cotton picking. Absent are: Barbara Lewis, Shirley Cole and Dan Brooks.

Baseball is nearly over in the Major League, and I still say that my Dodgers are going to beat Mr. Newton's Cardinals. But in football, there is no doubt, Fairy will beat.

Cleon seems to be studying. Let's hope she is for a change.

We had a test in Literature and all of us seemed to make good grades. We are expecting one Thursday in Science. We can hardly wait till the football game Thursday night.

Sophomore News
We are proud to report that our football boys defeated Carlton last Thursday night.

We see that one of our star football players is sitting in the study hall this evening. Wonder why Mr. Newton would do such a thing.

We are sorry to say that one of our pep leaders will be unable to help with the cheering for a few weeks.

Wonder what Norma Ruth is doing with that comic book inside her Literature book. She has the teachers fooled or does she?

Junior News
The "Big Four" are planning on ordering their class rings this week, if possible. We think they are pretty but some object.

We defeated Carlton last Thursday night at the Hico Stadium and we certainly felt sorry for it. We shall be minus a pep leader for a few weeks but we hope to have her back soon.

The pep squad and leaders have chosen their mascots. They are Little Doran Guinn Willeford and Mary Jo Clark.

The "Big Two" has been minus one for about two weeks off and on. Mr. Delbert Brooks has been gathering corn and what we hear it will be the "Big Two" before long as James Arrant will be working also. Jo Ann's late hours seem to have a bad effect on Virginia as she has been tardy for the last week. Those cars are so popular.

Virginia? She has been to school in a different car every morning. All of the Juniors and one-eleventh of the Sophomores are going to be in Meridian tomorrow night we hope.

Jo Ann? Whose black '40 Ford do we see in front of your house each Friday, Saturday and Sunday nights? I don't know his name but his initials are Clynton Loyd Roberson.

So long until next week.

Senior News
We had an added attraction to the class this week, a pillow. Since Bobbie D. came back from the hospital over the week end, she has to have it to her back. Wonder why?

Seems as if all of the boys have gone from playing football to pitching washers. A little easier on them I guess. We are all looking forward

Texas Motorists

Asked to 'Spare the Gas and Save the Child'

Austin, Sept. 26.—Texans were urged to "spare the gas and save the child" in a statewide September campaign launched by the Texas Safety Association against traffic accidents to school-age children.

"No matter how much safety education a child has had drilled into him," said George Clarke, Managing Director, "the fact remains that it's largely up to the motorist whether the child lives or dies."

The Association points out that home training and school safety lessons are extremely valuable in impressing youngsters with the dangers of playing in the street and crossing between intersections. But on the other hand, the Association warns, a child in the heat of play forgets quickly and easily the lessons that he has learned.

So the bulk of the responsibility falls upon the driver.

Clarke told motorists that they can save child life by following these rules:

1. Regard every child on the street as a flashing 'caution' sign.

2. In school zones, residential districts and near playgrounds, be especially watchful for children and expect the unexpected at all times.

3. Give bicycles a wide berth. Inexperience, a poor sense of balance, holes in the road, or just sheer childish absent-mindedness can place the rider directly in your path without warning.

4. In residential districts, particularly, be on the alert at driveways and intersections for tricycle riders, skaters, scooter riders.

The Texas Safety Association is sponsoring the school safety campaign as part of a continuing traffic safety program in cooperation with the Texas Congress of Parent-Teachers and other groups.

Snakes have as many as 300 pairs of ribs.

"Very good, comrade professor—now if we could only duplicate the State Fair of Texas!"

Mrs. W. T. Rodgers Passes to Reward After Long Illness

Funeral services were held at the First Baptist Church in Hico Thursday morning at 10:30 o'clock for Mrs. W. T. Rodgers, who passed away Tuesday. Rev. E. E. Dawson officiated. He was assisted by Rev. L. H. Davis and Rev. J. L. Ray.

Burial was in Hico Cemetery, with Barrow-Rutledge in charge of arrangements.

Pallbearers were C. W. Polk, Derwood Polk, Ben Wright, Ollie Hughes, Leonard Howard, and H. N. Wolfe.

Mattie Virginia Campbell was born September 28, 1883, at Lytton Springs, Caldwell County, Texas. She was the daughter of Jarrett M. Campbell and Florence Fry Campbell. She grew to womanhood in Caldwell County. In her early womanhood she removed with her parents to the Olin community in this county.

On December 25, 1906, she was married to W. T. Rodgers at Olin, in her father's home. She was the mother of two daughters, Ruby Vinita, who survives her and little Clara Mae who died soon after her fourth birthday. Others who survive are her husband, W. T. Rodgers; three brothers, Ollie and Bill Campbell of Dallas and V. T. Campbell of Carlton; two sisters, Mrs. W. O. Wright of Sudan and Mrs. Jim Hardin of Fort Worth. Many other relatives attended the funeral, including two brothers of Mr. Rodgers from Fort Worth and Clovis, N. M.

As a girl Mrs. Rodgers was converted and became a member of the Baptist church at Mendosa, in Caldwell County. For the past twenty years she had been a member of the Baptist church here. Her spiritual life seems to express itself in her favorite song, "Will There Be Any Stars In My Crown?"

She had been a sufferer for years with an incurable blood disorder, during which time everything possible was done for her by family and friends. Death came to relieve her late Tuesday afternoon.

The family has the sympathy of a host of friends throughout this community.

W. E. Sumrow Called Suddenly by Death Friday of Last Week

W. E. Sumrow, a beloved citizen of Hico since 1943, passed away suddenly Friday morning, Sept. 23 at the Hico Hospital shortly after he was stricken while assisting in removing an air conditioner from his home.

Funeral services were held at 3:30 Sunday afternoon at the Barrow-Rutledge Funeral Chapel, with Rev. John H. Vance of Mineral Wells, Rev. A. B. Newell of San Antonio, and Rev. J. Windelts of Dallas officiating.

Pallbearers were Walter Stokes, Garland Ables, J. C. Prater, Robert Jackson, Will Horsley, and John Appleby. Interment was in Hico Cemetery, beside the grave of a son, Weldon Sumrow, who died here in June, 1946. One other child also preceded him in death, as well as his brothers and sisters.

He is survived by his wife, five sons and two daughters: M. B. Sumrow of Lyford, Texas; J. O. Sumrow of Corpus Christi, Mrs. Vera Scarborough of Houston, Mrs. A. H. Nicodemus of Lakeland, Fla., William F. Sumrow of Shawnee, Okla., T. E. Sumrow of Roswell, New Mexico, and Royce Sumrow of Artesia, New Mexico; ten grandchildren, one great-grandchild, and numerous nieces and nephews and other relatives.

William Eugene Sumrow was born July 4, 1869 in Tennessee. His mother, a widow, brought him and his brothers to Texas and settled near Denton, where he lived until grown. During the Spanish-American War he joined the infantry and saw service in the Philippine Islands. He was in the Battle of Manila, among many others. He served his country in every way he could. He was a devoted Christian, was well versed in the Scriptures, and God came first with him.

On May 2, 1903, he was married to Miss Ida Gully at Marlow, Oklahoma, in what was then Indian Territory. He was a devoted and loving husband and father. The subject he loved best was God's love and plans for mankind.

The community grieves with the bereaved in their loss.

CARD OF THANKS
The family of Mrs. D. A. McDougal wishes to express our deepest appreciation for the floral offering and kind words and deeds that were done. May God's richest blessings be on each one.—Mr. and Mrs. M. A. McDougal and Family; Mr. and Mrs. J. W. McDougal and Family; Mrs. W. D. McDougal; Mr. and Mrs. Ed Marable and Family; Mr. and Mrs. Raymond Gaston and Family; Mr. and Mrs. Melvin McDougal and Family.

Funeral Services for Mrs. D. A. McDougal Held At Spring Creek

Mrs. D. A. McDougal, who for many years made her home near Cranfills Gap, died on Monday, September 26, in Richmond, Texas.

Funeral services were held in the Spring Creek community Wednesday, September 28, with interment at the cemetery there beside her husband who preceded her in death some years ago. Barrow-Rutledge funeral directors of Hico had charge of arrangements.

Mrs. McDougal is survived by three sons: M. A. McDougal of Clifton, Walter McDougal of Hale Center, and Melvin McDougal of Lubbock; and one daughter, Mrs. Ed Marable of Mabank. She is the grandmother of Mrs. O. C. Anderson, Chester McDougal, Nealy McDougal, and Homer McDougal, of Clifton.—The Clifton Record.

Girl Scouts Elect Officers At Meeting Held Monday Night

The Hico Girl Scouts met Monday night of this week and elected officers.

On the Eagle Patrol, the leader is Bonnie Johnson, with Julia Ann Hodges as assistant.

On the Pioneer Patrol the leader is Frances Latham, and Mary Helen Phillips is assistant.

Neida Calder remains secretary and Bonnie Evelyn Pierce was elected local scribe, with Julia Ann Hodges as Waco scribe. It was decided that we have a course in first aid, starting Monday, Oct. 3, at 7 p. m. All Girl Scouts and girls that are not Scouts may take this course.

Thanks to those who were visited by the Girl Scout treasure hunters. We are using the things to equip the Scout hall.

LOCAL SCRIBE.

CARD OF THANKS
We cannot find words to express our thanks to the good people of Hico for their kindness shown us at this time of our bereavement in the loss of our dear husband and father, Mr. W. E. Sumrow. We especially wish to thank Dr. Hafer and the nurses who worked so faithfully with him; those at the funeral home; for the flowers, the food, and for every deed and word of sympathy. We are grateful for and thank those who sat with the body, the pallbearers, and Bro. Ray for comforting words and for directing the song service. May God bless each and every one in our prayer.

MRS. W. E. SUMROW, THEIR CHILDREN AND FAMILIES.

AT THE CHURCHES

First Baptist Church
