

SPOOKS TO WALK HALLOWE'EN FOR SCHOOL CARNIVAL

There are a number of students in the race for Carnival honors. Among the students running for the crown are Wanda Johnson and Raymond Lane, Paula Decker and Roline Chaney, Margaret Hampton and Benny Terry. In addition to the King and Queen race various other concessions will be offered at the carnival midway to be held in the high school gymnasium, Monday night, October 31.

There will be cake-walks, throwing contests and a shooting gallery, and too, there will be "BIG BINGO GAMES" where valuable prizes will be awarded, plus sandwiches and cold drinks. The proceeds will be used to pay for the school's new 16 m.m. Projector machine.

Churches Not Just Buildings

PASTOR WRITES ON "THE PLACE OF THE CHURCH IN THE COMMUNITY"

In approaching this important thought, we do it with no sense of satisfaction that we do it justice to so great a subject, but praying that in some little way we may remind all our hearts of the great and important place the Church holds in the community.

There are many institutions in the community that are very important essentials to the community life. Our schools are most important and no other institution can take its place. Our hospitals in meeting the demands of the community are very efficient, and we are truly grateful for these and all other worth-while institutions.

But the place of the church in the community. The church is not just a building we call the church, it is far more than that. It has a greater meaning. When we turn to the word of God and find that one of the first acts of God (after he created the heavens and the earth) was the institution of the home (Gen. 2:21-24). Home a most dear and precious word upon the lips of men. Some one has said, "As the home goes, so goes the nation."

"The Church is God's divine institution. It is the bride of Christ, (Ephesians 5:23-29). Christ is the head of the church, the very fact of the truth of these words.

Take the church out of the realm of materialism, lift its standards high above that of any other institution known to man. When the truth of this statement becomes a reality to man he can no longer look upon the church, as just another organization, but a part of God's divine plan for mankind.

A member of the church is one unit, all the members make up the church. A member may be a credit, an asset, his faithfulness and loyalty may reflect the very life of Christ, another member may (by his life) bring reproach, and disgrace upon the church.

Yes the place of the church in the community should be held high, by both the saved and the un-

Elephants, Clowns and Red Circus Wagons Are Coming to Hico

The above announcement is being hailed with delight by the juvenile elements, while some of the "older boys" are already looking about for some neighbors, nephews or nieces to take to the circus, but deep in their hearts they know they would not miss the circus if there were not a child within a hundred miles of Hico when the Stevens Brothers circus and menagerie pitch their tents for two performances at 3 and 8 p. m. on next Saturday, Oct. 29th.

Many new and novel features will be seen in this seasons program, foremost of these will be Dolly Jacobs performing elephants, 5 heard of the largest elephants traveling with any motorized circus; Sanchez Family, a recent importation from Mexico, in acrobatic and wire numbers; Neilson Sisters, aerialists; Riggs Duo, comedy bar act; Ruth Johnson, sensational equilibrist; Tessie Valdez, on the high trapeze; Craig Duo, European jugglers; Paul Benjamo and his gang of funny fellows; "Oklahoma Shorty" Sherry and his troupe of trick riders and ropers; Bob Grubbs' famous liberty horses; Stevens Bros. prancing ponies, riding dogs and monkeys, always a treat for the children; all combined with the big double menagerie, presenting what is said to be the largest collection of wild animals ever carried by any motorized show.

Popular low prices will prevail for this engagement. Animal cages will be on display on the show grounds at 10 a. m.

Texaco Dealer to Stage Big New Farm Show At Iredell and Carlton

S. B. Starnes, local dealer for Texaco products, has announced two free farm shows for this community the first of next week. On Tuesday, Nov. 1 the public is invited to Iredell High School, and on Wednesday, Nov. 2, to Carlton High School, where the performances will start at 7 o'clock each evening.

"It's New Because It's New" is the title of a brand new RKO Kodachrome film to be screened at each show. New money-saving devices for farming—developed by farmers; new labor-saving machinery and interesting home-craft features for ladies and children will be portrayed, all in color.

There will be entertaining movies, attractive door prizes and a free gift for everyone to take home. Mr. Starnes announced in urging everyone in the community to come out and spend a pleasant and exciting evening.

saved) above every other organization. Do you appreciate the church in your community? Do you attend its services? Do you give your support to the church? Do you hold high by life and practice its standards? Do you give of your money to carry on the work? Do you pray for the church? Are you a booster for the church or a knocker? The church is a place where men come together to worship God, a place where men may come to find God, and in finding him have peace that passeth all understanding. The church is the place where burdened hearts may be made to forget the cares of life, and have faith in God to trust in His eternal promises that never fail. A place where men are equal, with each in his own way and his own words, seeking to know the will of God. The church is God's house, and when men come in the spirit of reverence, praying to be guided by the divine hand of God, they shall find love, fellowship, peace and assurance, for the task of life from day to day. The church is a place where lives are transformed, feet set upon solid rock. Doubt and fear give way to faith and courage, where storms of hate and dispelled by the warm sunlight of God's love. Let us pray, love, serve and give, that God will make the door of His house we have raised to Thee, wide enough to receive all who need human love, and narrow enough to shut out all envy, strife, pride, and hate; make the threshold smooth to be no stumbling block to childhood, but rugged and strong enough to turn back the tempters power. God, make the door of Thy church to many souls the gateway to Thy eternal kingdom, is our prayer in Jesus' name. L. H. DAVIS, Pastor, First Baptist Church, Hico Texas.

WET WEATHER AND VALLEY MILLS TOO MUCH FOR TIGERS

By BILL NORTON

Last Friday night on a muddy and rain soaked field the Hico Tigers went down before the Valley Mills eleven by a score of 13-6. Although the Tigers were defeated they played by far the best game of the season and the outlook for the rest of the games for this season should be in favor of the Tigers. We saw a Tiger line that was blocking and opening holes, as well as the blocking backs. Ross sparked the attack all through the game turning in his best game of the year.

At the beginning of the game V. M. received and brought the ball to the fifty yard line, then pushed on down to the Tiger 28 before the Tigers got possession. The Tigers fumbled on the first play and V. M. again took over on the Hico 13 yard line and scored on the third down and converted for the extra point. For the rest of the quarter the Tigers played the offense most of the time. Late in the second quarter V. M. scored again and failed to convert, making the score 13-0.

With the beginning of the second half the rains came and the playing field was more like a lake than a gridiron. The third quarter went to Cuero, even though no scores were made. Early in the fourth quarter the Tigers scored and failed to convert, leaving the score 13-6 favoring V. M. For the rest of the game it was football all the way for both teams. Both playing heads up and trying to score, but neither was able to push over. The Tigers, playing their best game of the year, were at a disadvantage in strength that Burden, Norrod, and Loden were all on the injured list and were not suited out. Despite this and the score they were able to run up 9 first downs to V. M. 6. Ross also took a lead on punting by taking a 35 yard average to V. M. 25 yard average.

So to the Tigers from the personal side, we say well done. You played a great game, and you were playing another great team. Along with the Tigers of whom we are so proud, we must mention also that we are just as proud of the cheer section and band. They were on hand again as always and doing just a little better than before. We heard many compliments from the side lines from home folks and Valley Mills folks as well. Keep it up, guys and gals. We are with you.

RECENT RAINS GIVE YARDS 'SPRING' LOOK

The fine rains make our yards look like Spring. November is the best time of the year to put out all kind of Shrubs. Let's add a few to our gardens this fall.

We note with interest several yards over town being filled in and given a coat of new soil. The J. W. Richbours, Will Parkers, and Marvin Marshalls have had loads and loads of rich soil scattered over their lawns. It will be a joy to see the improvements next Spring as a result of this effort.

Public Invited to McLendon Hatchery Opening Saturday

Leonard and Lois McLendon, who recently announced that they were reactivating the large hatchery equipment and store operated for so many years as Keeney's, have made plans for a party Saturday celebrating their formal opening as headquarters for Purina Chows and Services.

Refreshments will be served throughout the day, and the public is cordially invited to visit the store with the Checkerboard sign and see just how they are equipped to take care of all farm needs of this community.

Members of the Texas Poultry Improvement Association and International Baby Chick Association, the McLendons are especially anxious to show their up-to-the-minute equipment and demonstrate how they are ready to live up to their aim of giving the best chicks possible.

Mr. McLendon recently completed a course of instruction on Ralston Purina Company's 738-acre farm located at Gray Summit, Mo., where every product—feed, sanitation and farm supply—are all thoroughly tested under average practical farm conditions. "All the benefits of this research farm," Leonard pointed out, "are brought to you in the Purina Chows, Sanitation Products, and Farm Supplies now available at our store."

The store is located in the Petty Building on the corner of Petry and Pecan Streets. A cordial welcome awaits visitors on opening day, and at all times thereafter.

Iredell Dragons to Meet Walnut Springs Hornets This Week

The Iredell Dragons meet the Walnut Springs Hornets in a conference game on the Iredell field on Saturday night of this week. Iredell was defeated last Friday night by an alert Whitney club, while Walnut Springs had an open date. The Saturday night date will enable fans of nearby towns to enjoy a good game after their home teams have played. Both teams are hard fighting clubs and are fairly evenly matched and fans are assured a good game. Game time is 7:45.

Hicoans Attend Funeral In Granbury for Two Car-Train Crash Victims

Mrs. D. R. Proffitt and Mrs. Lucille Snyder received word early Wednesday morning that their brother-in-law and sister, Mr. and Mrs. I. D. Brand, had been killed instantly at a street crossing in Granbury when their light truck was demolished by a freight train.

They left immediately for the Brand home, one and one-half miles north of Granbury, accompanied by D. R. Proffitt and Mr. and Mrs. James Lee Proffitt.

Funeral services were set for 3 p. m. Thursday at the Granbury Church of Christ, with Eld. J. P. Williams, formerly of Hico, in charge. Burial was in Granbury cemetery. Among others from here attending the services were Mr. and Mrs. H. N. Wolfe, Mrs. S. W. Everett, Mrs. L. J. Chaney, Mrs. Arthur Burden, Mrs. W. M. Horsley and Mrs. Andy Hutton.

According to a Star-Telegram report, the crash occurred at a time when automobile windshields and windows were obscured by fog, and Ira Carr, who was driving his car just behind the Brand's truck, said they apparently did not see or hear the train.

The crossing, about 100 feet west of the Santa Fe Railway station here, has no traffic signal.

Peace Justice Ed Larned returned an inquest verdict of death by unavoidable accident.

Mr. and Mrs. Brand had no children. His mother, Mrs. M. D. Brand, resides in Fort Worth. He is survived also by seven sisters and two brothers. Brand, 59, was a well known stock farmer.

Mrs. Brand was 56. She is survived by two brothers, D. L. of Arlington, and John L. Wilson of Dublin, and five sisters. Mrs. D. R. Proffitt and Lucille Snyder of Hico, Misses Rispy Newton and Kyde Estiff of Plainview, and Mrs. Ira Johnson of Waco.

The Brands had lived virtually all their lives in Hamilton, Erath and Hood counties.

Hico Theatre Offers Halloween Show for Next Monday Night

To help the Halloween crowd celebrate with some innocent fun, the management of the Hico Theatre offers for next Monday evening a special Halloween Preview.

A film appropriate to the occasion has been selected, along with other features to round out a good program, and Mr. and Mrs. J. T. Hitt and Mrs. Gladys Hardin are issuing a special invitation to patrons over this community to celebrate with them. Even young Travis Hitt is curious to know just what will happen, even though the starting time of 11 P. M. is a little past his normal bedtime.

U. S. Dept. of Agriculture's

OFFICIAL REPORT ON WEEKLY SWING OF FARM MARKETS OVER THE SOUTHWEST

Southwest farm products moved largely in steady, stronger market during the past week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Less cattle and sheep arrived at southwest and midwest markets last week than the week before, and more hogs and calves. Most changed were not large.

Cattle and calves sold unchanged to \$1 higher for the week at Texas markets, and unchanged to 50 cents higher at Oklahoma City and Denton. Sheep and lambs sold steady to \$1 higher compared to a week earlier in Texas, Oklahoma and Colorado. Top lambs ranged from \$23 to \$24. Goats advanced 50 cents to \$1 at San Antonio. Medium mixed nannies and wethers closed at \$8.25.

Average-to-good French combing 12-months Texas wools sold in Boston at an estimated \$1.40 per pound, clean basis. Mohair sold in Texas at 45 cents a pound for adult and 65 cents for kid.

Dressed beef advanced \$2 to \$6 at Eastern wholesale markets, but veal and calf sold weak to \$2 lower. Other meats were steady to strong except Boston butts.

Spring chickens sold a little higher than a week earlier, but other eggs and poultry held about unchanged. Northwest Arkansas growers received mostly 28 cents a pound at the farm for 2 1/2 to 3 pound broilers. Best fryers brought 28 to 30 cents at Dallas, 27 to 30 at Fort Worth, 31 to 33 at New Orleans, and 22 to 25 at Denver.

Wheat, yellow corn and oats advanced 2 to 4 cents, as barley lost 5 to 7 cents a bushel, and sorghums declined 3 cents a hundred pounds. No. 1 hard wheat closed Monday at \$2.35 1/2 to \$2.41 1/2 at Texas common points. No. 2 milo brought \$2.17 to \$2.22.

LIONS AND LADIES ENJOY BARBECUE TUESDAY EVENING

The long-awaited barbecue, penalty of losing an attendance contest recently ended by the Hico Lions Club, was presented Tuesday evening at Fireman's Hall by Lion Morgan Moon's gracious losers, with Lion J. T. Hitt's victorious team and several others as guests. A delicious barbecue plate with all the necessary items to fill out a sumptuous meal attended to satisfy every attendant.

With Vice-President M. S. Norton serving as master of ceremonies in the absence of the president, Jacques Nonce, Lion Moon was introduced to give the address of welcome. The address was a surprise to everyone present, having every semblance of having been recorded in a contralto voice, but the speaker's bearing and gestures belied that.

A "Truth or Consequences" program following provided entertainment for the group, with the possible exception of the participants, all of whom, needless to say, were adjudged to have missed the question and had to pay the penalty.

Mrs. Truman Roberts, failing on a football question, made a 60-second speech concerning what she liked about Hico where she and her lawyer husband have recently taken up their abode.

Mrs. Paul Neel didn't know how many miles of water lines were in Hico and had to re-enact with her husband the scene for his proposal.

Mrs. W. D. Bradley paid her penalty, after missing a far-fetched question, by pantomiming a trombone player.

Willie Sirman football coach, wasn't well enough acquainted with Alonzo A. Stagg, and had to give a short talk about the football coach who had impressed him most during his football playing days.

Aubrey Duzan couldn't tell the exact depth of the deepest gas well in the world, and had to go through the routine he uses in servicing a car at his Magnolia Station, with the master of ceremonies as a stooge.

Luther Knox hadn't solved the age-old problem of which came first, the egg or the chicken, and wound up that part of the program with a very realistic Hula-Hula dance, with electric lights in his lei, a grass skirt and all the accoutrements of a professional.

The program ended with the showing of a travel film by J. E. Lincoln.

Wives of Lions present with their husbands included: Mesdames Weldon Pierce, D. E. Bullock, J. R. Bobo, H. V. Hedges, M. T. Neenan, W. F. Hafer, R. B. Jackson, Ellis Randalis, J. E. Lincoln, Paul Neel, Doyle Love, M. I. Knudson, W. B. Coats, S. E. Blair Jr., Wayne Rutledge, J. T. Hitt, Morgan Moon, Aubrey Duzan, L. J. Chaney, W. R. Hampton, W. D. Bradley, M. S. Norton, J. E. ### SENIOR

The Senior class wish to thank everyone who came out to see Bob Shelton last Monday night.

Last week the seniors elected their candidate for King and Queen of the Halloween carnival. They are Raymond Lane and Wanda Nell Johnson. We think they would make a very good King and Queen, so come on everyone and vote for them.

Those who went to Valley Mills Friday night all agree that "Hico is Tops." Even if we didn't win, we saw the boys play a ball game that they can be proud of. The only bad thing about it, the boys and girls didn't ride back together. Some of the girls seemed awfully disappointed.

### JUNIOR

Well everyone has got their report cards and handed them back in by now. I can not tell whether everybody is happy or not after seeing theirs.

We elected our candidate for Halloween King and Queen last week. Roline Chaney is the candidate for King and Paula Decker is the candidate for Queen. Everybody vote for these two.

That was a very good game Friday night between Valley Mills and Hico although we didn't win.

### SOPHOMORE

Everyone is studying this morning like they didn't have all their lessons. Seems like the most are trying to catch up in Biology.

The Sophomore class elected their candidates for the King and Queen of the Halloween carnival. They are Benny Terry and Margaret Hampton.

We are all very proud of our football boys, even though Valley Mills did win. They all played a very good game.

### FRESHMAN

The school is going to have a Halloween Carnival this year. Each grade in high school elected a girl and a boy to run for King and Queen. In the freshman class we elected Jo Ann Johnson and Roy McWilliams to run for king and queen. Of course we hope that they will get it.

Different grades and classes are going to have booths and help in different ways that they can.

Everyone from Hico were unhappy at how the scores turned out Friday night. We all were counting on winning the game. Some of our boys weren't able to play, but those that did play, really played a good game and we are very proud of them.

### HOMEMAKING

The F. H. A. girls had a meeting Thursday, October 20, in the Home-making building. The meeting was called to order by the president, Mary Jo Carpenter. The results of this meeting were:

1. The F. H. A. girls will have a cake and a Chinese cake auction at the Halloween Carnival.
2. The F. H. A. girls are going to send Christmas packages to foreign countries.
3. Two Chapter mothers were selected. Mrs. Salmon and Mrs. Sparks.
4. The F. H. A. president appointed girls for different club committees.

### F. H. A.

The Hico F. H. A. boys have a pretty successful way of making money. Everytime they boy leaves his chair out from under the table at the close of class, he is fined five cents. In the first six weeks the Chapter collected about two dollars.

### WORM'S EYE VIEW

Boy am I tired of knowing on green apples so I will come out and give you the highlights on some of my aches and pains.

I rarely ever go to football games for fear of being trampled but this time I ventured forth and by good management I located me a nice felt hat but low and behold it rained and as result of not bringing my raincoat I now have a worm cold. Will I never learn?

The other day I overheard two teachers talking and the one I admired most was the mathematic teacher I decided to check up on her. Everyone I ask had something very nice to say about her. So on the week end I drove out to her country home. I crawled through the front door and noticed her guest book so I immediately put my John Henry on it. I went around over her home and found it very interesting and beautiful. I found her just as charming in her home as she is in school. As I crawled out the door I spied a beautiful new car and so I rode back to town in it.

### DON'TS FOR SENIORS

Jo, don't expect to get your way at once. The teachers will come across after a while.

Benny, don't bother to learn manners. Be like the rest of the folks now-a-days.

Barbara, don't leave your books

lying around. See that Mrs. Angell puts them away for you.

Lester, don't let your teacher boss you. After all, it isn't your fault you got them for teachers.

Raymond, don't ever slap a teacher. A kick on the shin is just as effective.

Myrna, don't cry and scream only when it is necessary to get what you want.

Lois Grey, for heaven's sake, don't throw waste paper in the aisle. Throw it under your desk.

Bud, don't fall to sleep late in the mornings. Mrs. Angell will excuse you from English class.

Paul, don't mark up the walls with lead pencils. Use common school crayons.

Mary, don't go to classes if you don't want to. We'll tell Mr. Mauk you're absent.

To whom it may concern—don't ask who wrote this. I'm expecting to pass this year.

### SPOTLIGHT

The sands of time keep drifting, drifting and I'm almost run ragged trying to keep up.

Guess what? Another week has gone by, and I shall now relate to you dear readers the happenings of the preceding week.

Monday night I see none other Buck F. and Patsy T. watching Bob Shelton showing out and acting ignorant.

Tuesday night I see the bright faces of Buck F. and Patsy T., Roline C. and Myrna S., Margaret H. and Charles J., Norman C. and Mona R., and Buck L. and Charlotte T.

Friday night although the football boys didn't get to ride back with the girls on the bus there were Shirley P. and Kenneth N., Harold P. and Dorothy R. There was one girl that was really drastic. I don't know her name, but her initials are Helen Nachtigall. She seemed to be having a good time with Eugene Smith. Also P. A. came back with Frances M.

Saturday night at Stephenville I see Roline C. and Myrna S., Betty A. and James L., Patsy T. and Buck F. Back at Hico at the show were Lois R. and Fred D., Billie F. and Jim K., Louise L. and Billy M., Wanda C. and Don W., Mary C. and Royce M., Patsy J. and Glen R., Wanda S. and Ralph J., Benny T. and Paula D., Margaret H. and Charles J., Mary M. and Odell T.

Expansion Program Consolidates Two Old Southern Publications

Dallas, Texas (Sp.)—An old Texas institution and farmer's standby Farm and Ranch magazine, has completed an expansion program which gives it 300,000 circulation in Texas, according to an announcement this week by Frank A. Briggs, long-time Editor of the publication.

Published since 1881, Farm and Ranch, beginning with the January 1950 issue, will unite with Southern Agriculturist, a farm publication printed in Nashville, Tenn., since 1869. The combination of subscribers to Southern Agriculturist with those of Farm and Ranch will give this new publication more circulation than any magazine going to Texas readers, and almost as much as any two magazines.

Editorial offices will be maintained in Dallas as usual. Editor Briggs reported. The new name of the publication will be Farm and Ranch with Southern Agriculturist. A special Western Edition will be published each month for Texas and Oklahoma readers. Over 75,000 readers in Oklahoma will receive the magazine and 900,000 in the other Southern States. Mr. Briggs said. The new united publication will go to the 15 Southern States all told and to over one and one-quarter million subscribers.

In the past Farm and Ranch went only to the Southwestern states, Briggs pointed out.

The Editors of Farm and Ranch are Briggs, A. B. Kennerly, H. L. Gantz and Mary L. Smith. Other native Texans who will now help edit the magazine are Malcolm Orchard and Charles E. Ball.

## Report On Recent Rummage Sale Heard At Club Meeting

The Review Club met in the home of Mrs. Morse Ross, Thursday, October 20. Lovely refreshments of sandwiches, tea, olives, cookies and gum drops were served to fifteen members and Mrs. L. N. Lane, an associate member.

Reports were made on the "rummage and sandwich-canby sales." A profit of about \$152.00 was realized from the sales. The Club is grateful to all who helped with this work.

The Club voted to send packages to the two Polish women who were asking aid, and a committee of three—Mmes. Boyd, Rutledge, and Fairry—was appointed to do this.

A second committee was appointed to dispose of the "rummage left-overs."

Members answered roll call by naming unusual products from the South.

Mrs. W. M. Horsley gave a good report on the natural resources of the South, revealing that the million bales of surplus cotton is still a "headache" of the South, and remains to be dealt with.

A very interesting story of politics and economics that illustrated the old, old struggle of the poverty-stricken cotton tenant and the land owner showed plainly the political controversy between the whites and colored races which of course is a national problem that remains to be solved.

The Club adjourned to meet with Mrs. R. B. Jackson on November 3.

## Compton to Be Speaker At Youth Rally After Hico-Granbury Game

Charlie Compton, "The Killer" or "Superman" of Alabama University of last season, will be the speaker at the Youth Rally to be held at the Hico Baptist Church immediately after the Granbury-Hico football game Friday evening. His subject will be "Carrying the Ball for Christ."

Rev. Compton is a student at Southwestern Baptist Theological Seminary, Fort Worth. He says: "I don't believe in that whoopin' and hollerin' and stompin' about God. I just talk practical like. I just take the Gospel and bring it right down to right now to a feller's own problem. That's what I call bringin' God to them."

Compton is six feet two and weighs around 200 pounds. During his football days he kept in training by taking plenty of exercise—a number of laps on the track a day—and naturally neither drinks, smokes, nor chews.

Charlie has a Biblical text that explains his football playing. "This one thing I do. Forgetting those things which are behind, and reaching unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." Philippians 3:13, 14. "Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us." Hebrews 12:1.

### Fairy

By Correspondent

We received fine slow rains the first of the week, which will be very beneficial to early sown grain and help to bring up that which has been recently put in.

A few farmers still have some corn and cotton to gather yet and some also have late maize and hogari to harvest.

Mr. and Mrs. D. E. Allison and family of Dublin visited Sunday with his parents, Mr. and Mrs. Edd Allison and Texie, Sunday being his mother's birthday, other visitors were a daughter and family, Mr. and Mrs. Edwin Seilheimer and little sons of near Hamilton.

Mrs. Charles Price and little daughter, Cheryl of Austin visited from Friday until Sunday in the home of her parents, Mr. and Mrs. P. L. Cox, while Mr. Price attended the State Fair at Dallas in the interest of chinchilla breeders. Mr. Price is a new beginner with the rodent animals and has a start of six head.

V. H. Heyroth was a business visitor in Gatesville Monday.

Little Jimmie Don Sellers was painfully burned on Friday afternoon of last week when he pulled an electric iron from his mother's ironing board. He received minor burns on the face, left hand and arm. He is recovering nicely.

Mrs. W. E. Goynne, who is teaching in the Purves Schools, and daughters, Lynda and Wilma Grace spent the week end here with Mr. Goynne.

Mrs. Guy Lockhart of Pidcocke visited with her parents, Mr. and Mrs. V. H. Heyroth last Thursday.

Mrs. Carl Ray Sellers and children and her mother, Mrs. Jesse Massengale of Carlton were business visitors in Gatesville on Thursday of last week.

Mrs. Pat Patterson and children have returned to their home in Dallas after spending several months here with her parents, Mr. and Mrs. Edd Allison. She had been employed at the school lunch room here during her husband's illness, but upon learning their home had been vacated recently she decided to return home. Mr. Patterson came down for them last week. We have not learned who will fill the vacancy at the lunch room.

Mr. and Mrs. Sam Turner of Carlton and their daughter, Frances of Little Rock, Ark., were injured last Sunday week in a car wreck at Maude, near Texarkana, Ark.

Mr. and Mrs. Turner had left for Little Rock on last Friday week for a visit with their daughter and family. They were driving in the Plymouth coupe of the Turners which was being driven by Francis. Mr. Turner and Francis were rendered unconscious by the impact, she receiving six broken ribs. Mr. Turner was bruised and cut on his head. Mrs. Turner was also bruised, but was able to secure aid for her husband and daughter. The Turners are relatives of Mrs. Brittle Little of Fairy. We hope they will soon be able to return home.

## FAIRY SCHOOL NEWS

### Freshmen

Some one with dark eyes and dark hair shouted it was Monday. So Shirly, wake up and lets get the news.

Shirley Cole is absent again today. Hurry, Shirley, and get back to good old FHS.

Well did you see what our boys did. They won!

We had a party at Mrs. Willford's house Thursday evening. We all enjoyed it very much.

Barbara Lewis is back with us today. We are glad to have her. She has been pulling cotton.

O. J. and Denson are visiting here today.

### Sophomore

Well! Well! I see Audine is present this morning after having been absent a week with the strep throat. We are glad to have you back Audine.

We are planning to have a weiner roast as soon as the weather is permittable.

Girls, what is wrong with your white saddle oxfords this morning? Muddy or something?

Leon appears to be busy with the dictionary today. Wonder what big word could possibly stump him.

We won the game Thursday night against Pottsville and boys, we are sure proud of you.

### Senior

Well, it is raining here today so the Seniors are staying inside for a change.

Don is having to write a five page theme for talking. That boy must have been vaccinated with a phonograph needle.

The speech class has started practicing on a side-cracking comedy, "Look Out Lizzie." Watch for the date of presentation.

We all had a swell time last Monday night at the "Texas Wrangler" show here at Fairy.

Well, I'm just the assistant reporter so I'll close.

### The Spy

Well here I am again. Did you expect me? I am here anyway.

We'll start our little game on Monday night at Fairy. There seemed to be a couple sitting on the front seat listening to the "Texas Wranglers." I am getting a clearer view now. They are Jimmie and Milton and Fred and Lois and wandering around alone I see Norma Ruth, Virginia, Bobbie Dell, Delbert and Weldon. Now I see Helen and Alton, like to missed them didn't I.

Tuesday night while I was drinking a coke at the Fairy cafe in walked Bobbie Dell and Weldon, Norma Ruth and Delbert and later at the Hico Theater, they were also seen.

I think everyone slept tonight on account of the ball game except Jimmie H. and T. C. who were seen at a farewell party. I forgot to mention as I was sleepy, tonight is Wednesday night.

Thursday night, the scene was Hico Stadium. Fairy and Pottsville are playing and just listen at that

pep squad yell for those boys. Well its the end now and Fairy has succeeded in winning. The couples together afterwards are Bobbie D. and Weldon, Norma and Delbert, Bobbie L. and Jo Ann, Jimmie and Milton, Lois and Fred and Audine and James.

Friday night I floated in the rain down to Valley Mills to watch the football game between Hico and Valley Mills. The rain just about had me down and as I was racing for the car I spied Jimmie and Milton and Norma and Delbert also hunting the car.

On the way home I looked back to see Jo Ann and Clinton Lloyd headed for Hico.

Saturday night I went to Hico which seems to be Fairy's bright spots. As I was driving down the street I looked in at the Corner Drug Store to see Milton hanging around.

Delbert and James T. were spied at the first show while later on at the midnight show, I see Audine and James and Maxine and Melvin.

Norma R., why don't you go to the show instead of spending my nickel on the marble machine.

I heard Virginia A. went to Star this week end but I didn't get to spy around to see what she was doing.

Over at Hamilton at the show I see Weldon.

Fred and Lois kept themselves hid for a while but later I spied them.

Sunday evening at a wedding there were a few Fairy kids present. They were Audine and James, Jimmie and Milton, Norma, Tom, Alton and of course, myself

From where I sit... by Joe Marsh

Now They're Sitting Pretty

Squint Miller, who's working as a telephone lineman, was telling me about some birds that got into a fight with his company.

Seems a couple of woodpeckers set up housekeeping in a telephone pole. Nobody minded them living there, but they kept pecking at the wires—causing one short circuit after another.

Finally, the telephone people—who had nothing personal against the birds—just stopped up the hole where they lived. But they kept coming back. At last, the company

denated that pole to the woodpeckers and set up a brand-new one for their own use!

From where I sit, we'd all be better off if we were as tolerant with our own kind as that telephone outfit was with the woodpeckers. Let's consider the other fellow's point of view—whether, it's his right to live where he wants, or to enjoy a friendly glass of temperate beer or ale when and if he pleases.

Joe Marsh

Should a necessity carry a high federal tax?

Telephone service is generally considered to be a necessity. Yet the Federal tax on long distance and other telephone service goes as high as 25%!

And that is only part of the telephone tax picture. Federal tax increases your local service bill by 15%.

These excise taxes are in addition to the corporation income taxes and other taxes which the company pays to the federal government either directly or indirectly.

We are sure your Senators and Representatives in Congress would welcome your views as a taxpayer and citizen in helping them to guide future action on this peacetime tax of a necessity.

Burrus Manager Pays \$1,775 for Champion Steer At State Fair

Wiley Akins, manager of Burrus Feed Mills Saturday paid \$1,775 for the grand champion steer of the Texas State Fair's junior show, according to information received here by J. B. Woodard, Texa dealer in Hico.

The Hereford champion was raised by Bob Watlington of Colorado City, FFA member and college freshman.

It was the second consecutive year that Akins had paid a premium price for the junior show champion.

He paid a record price of \$2,480 last year for Texo, a steer raised by Sim Reeves Jr., Pecos County 4-H Club boy. Then he gave back the steer to the 4-H Club to show at the Chicago International show, where it was named junior champion.

Millionaire Glenn McCarthy bought Texo to provide choice steaks at the opening of the Shamrock Hotel in Houston.

Possibility of Lockjaw Should Be Considered After Every Accident

Austin, Texas, Oct. 24.—Lockjaw, or tetanus, is a very serious disease caused by a tiny germ that looks like a stick with a ball on one end, something like a microscopic lollipop, says Dr. Geo. W. Cox, State Health Officer. This ball is called a spore and it is the seed of the germ. Lockjaw germs are found in the soil, especially in manured soil of the barnyard or garden; in blank cartons, etc.—in fact, just about everywhere. These germs grow best in wounds where there is considerable tissue destruction and in which chips of glass, wood splinters, or grains of dirt have been embedded.

Every accident seen by the physician must be considered from the lockjaw angle; and whenever there is any question, tetanus antitoxin should be given, for it is the antitoxin that has helped to keep the incidence of lockjaw at its low level. Your physician will advise you as to its use. Its disadvantages are that it gives only temporary protection; it does not get rid of the lockjaw germs in the wound; and it does sometimes cause hives and other disagreeable symptoms for a few days, particularly if the subject has had previous injections. Should lockjaw develop, it requires much antitoxin and entails great expense; and even then, not all cases can be saved.

Six-Inch Sermon

REV. ROBERT H. HARPER

THE PRESENT LESSON begins with God's assurances to Ahaz, the king of Judah, that the designs of Syria and Israel against Judah would come to naught. They would not overrun the kingdom, and they would not set a puppet king on the throne. The House of David would be saved.

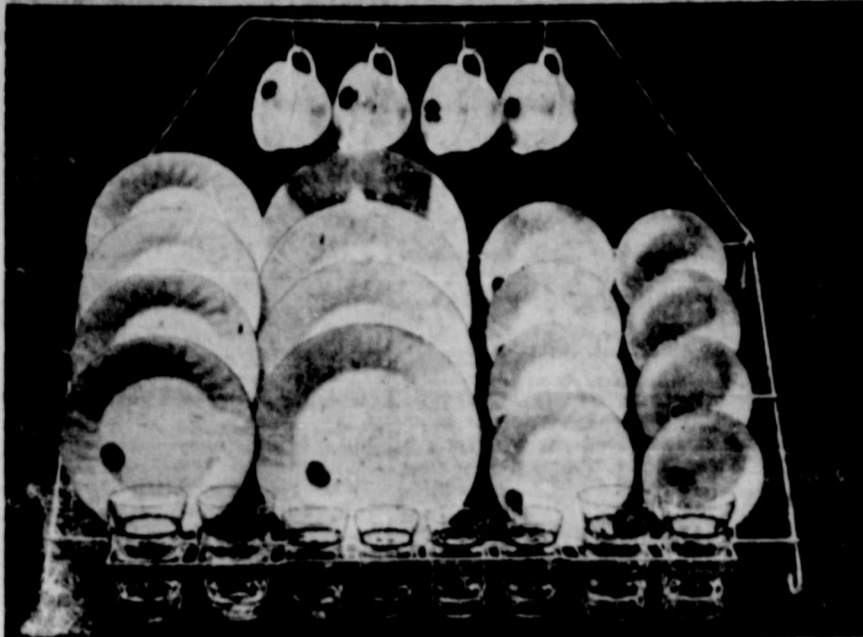

The Thanksgiving expressed in Isaiah 12:2 was evidently for the destruction of Sennacherib's host—a miraculous occurrence strikingly described by Lord Byron in his Hebrew Melodies. This deliverance came during the reign of Hezekiah, son of Ahaz. After a plague that fell in the night upon the Assyrian host, Sennacherib fled back to Nineveh, where he was slain by assassins.

The next passage is a song which the prophet declared would be sung in Judah. He evidently had in mind a distant time when Judah should be delivered from all enemies. The might of the Lord would do this. The trust which is taught in God should be learned now. A great revival of trust in God is sorely needed, not only by individuals, but also by the rulers of nations.

The last passage—against an alliance with Egypt, could well be considered by the nations that face the working out of peace for the world. Whatever may be the value of the international policies of the present, and of this pact or that, and the hope of security through them, the great lesson that should be learned by the nations is that of trust in God to bring all the threatened evils of the time to naught.

Attention Peanut Growers

Because of changes made by the Commodity Credit Corporation in the method of grading and buying peanuts, it will pay you, this year more than ever before, to do a good job of harvesting and threshing your peanuts.

FOUR IMPORTANT THINGS TO REMEMBER:

- 1. The maximum amount of foreign material allowed in farmers' stock without penalty is 3%. For each 1% in excess of 3%, you are penalized .50 per ton up to 15%. Above 15% you are penalized \$1.00 per ton for each 1%.
2. The maximum damage allowed without penalty is 1%. For each point above 1%, you are penalized \$3.00 per ton.
3. The maximum moisture allowed without penalty is 7%. For each point above 7%, you are penalized 1% for each full 1%; however, for each point below 7%, you will receive a premium of 1%.
4. With the slotted screen now being used, all kernels split or damaged in threshing and handling go into shrivels. CAREFUL HANDLING WILL REDUCE THE NUMBER OF SPLITS AND SECURE FOR YOU A HIGHER GRADE.

We are set up at the corner of Barnes & McCullough's for receiving grade certificates and weight certificates, and writing cash drafts for peanuts handled by us. Please call on us any time we can be of assistance to you in the marketing of your peanut crop. We welcome the opportunity to serve you.
