

Reminiscing seems to be the order of the day, especially since the Hico Reunion which brought forth memories from several of our readers which have been put into print from time to time.

And perhaps it's just as well in this atomic age, when nobody seems to know where we're going, to look back and see where we have been.

Many present-day citizens, including the editor, do not share memories of olden times in and around Hico such as have been expressed heretofore, but perhaps they will understand the pleasure received by natives in talking over the past.

The following letter is from an early-day citizen, son of a pioneer, and was graciously submitted for publication by the recipients.

Many subscribers will recall the names and events mentioned by the writer, who incidentally was the organizer of the class reunions held by early-day students of Hico High School.

Loving, New Mexico  
Sept. 19, 1950  
Mr. and Mrs. R. L. Autrey  
Hico, Texas  
Dear Lee and Wife,

In the Hico paper which I received last week was the report of a meeting of some of the old-timers in that vicinity, one of the names being that of Lee Autrey. I recall that J. J. Smith is able to recall events which occurred there before I was old enough to remember any of the happenings, as does George Crist who is now 96 years of age, and I believe I have heard that he went to that country when he was twelve, so that would be about 84 years ago, and some twenty years before any of the events of interest there were impressed upon my mind with sufficient force for me to have any distinct recollection of them.

About six weeks past, some man who lives in Claiborne and whose name I cannot now recall, had a bit to say about events of the Long Ago there in Hico, and he mentioned the fact that the general interest to that community was held there in the west part of town, on what was the property of Colonel Grubbs. I well remember that gathering, and this man from Claiborne stated that during a ball game in the afternoon, some child was killed, so I am wondering if you remember that event.

This man from Claiborne also stated that at that time we did not have the "merry-go-rounds" and that I cannot be sure, but I will remember one of the devices which was powered by a horse, which was on the inside of the circle traversed by the seats and the ponies, and I have a feeling that it was at the picnic which was held there on the Grubbs land, but of that I cannot be positive, so I am asking you to remember about that.

My early impressions of many of the events of that day are that some of the people there were pretty tough customers, and as where we lived there in town was just beside the road to Duffau, I can remember that many times on a Saturday night, people who lived north of town would go past our place firing their six-shooters, and otherwise creating disturbances which would almost freeze the blood in my veins.

Many of the old timers there, as I now recall, were not mean men in the sense that they wanted to do any harm to anyone, but when they came to town they would take several drinks of whiskey, just being friendly with their neighbors, so some of them surplus energy had to find outlet in some manner and running their horses and firing their six-shooters gave them that outlet.

I'm sure that you remember Pole Chumbley, John Evans, Jim Craig and many others of that time who have long since gone to their reward, but who at the time got a lot of pleasure from playing jokes of every kind on their neighbors and friends.

Perhaps you also remember one Jim Caudle who enjoyed a little fun, and I well remember one year when I was just a lad we had a spell of dry weather in the country. In late summer a big rain came and on Saturday Jim came to town.

When my dad saw him he said: "Jim, did you get any rain?" To which Jim replied: "Doc, there was a barrel in my yard with both ends out, and the bung-hole up, and it rained in at that bung-hole faster than it could run out at both ends."

Of course you remember, too, that the barber shop was the place where most of us spent any idle time we might have, so one day in the shop where Chris Nash and your brother, Will, worked, Chris had finished shaving some fellow who was drunk, and was being wello to sleep while he was being shaved, so when Chris had finished his job and awakened the fellow, he slid out of the chair, stretched himself, yawned, looked around and said:

"I feel like I had been rammed down a gun barrel and blowed out the tube."

People who never saw a muzzle-loading gun won't understand. Guess I had better quit for this time. Please continue those meetings of old-timers in Hico.

Best wishes for you and your wife, Lee, and my other friends there of the long ago.

Sincerely,  
ALLEY ALFORD.

**Post Office On Wheels Considered**

By ELIZABETH CARPENTER  
Correspondent

The Abilene Reporter-News WASHINGTON, Sept. 25.—Efforts to put the first modern "post-office-on-wheels" in Texas in operation running from Waco west to Eastland and eastward to Milam county are underway here and Rep. Omar Burleson of Anson who is working on the project reports that chances of getting the highway post office are good.

Both Burleson and Rep. W. R. Poage of Waco have written Postmaster General Jesse Donaldson pointing out the inferior mail service which rural Texans have been getting since the branch of the Katy railroad from Waco to Stamford was discontinued.

Since then, at the request of the Texas congressman, an emergency star delivery has been placed on the route, but Burleson said "service is still far from good."

Postmaster General Donaldson has 60 applications for highway post offices but he will be able to grant only nine at this time because only 27 mechanized trucks are ready for service. Three trucks are required to cover each route.

**Junior Football Teams Compete Tuesday Night, Hico Wins Over Iredell**

Hico Grammar School Badgers, 1950, defeated Iredell Grammar School football team in a thrilling game with a score of 18-12 at Iredell Tuesday night.

The Hico boys showed considerable ability for beginners. The outstanding player of the game was Ronald McKenzie, who scored Hico's three touchdowns. Iredell's outstanding player was Jimmy McCroskey. The pep squad and their sponsor, Mrs. W. D. Bradley Jr., accompanied the boys.

The public is invited to see their next game on Tuesday, Oct. 3, at 7:30 at the Hico Tiger Stadium when they will meet Cranfills Gap's Junior team. Admission prices will be nominal.

**Cranfills Gap Game Promises Interest for Tiger Field Visitors**

Hico High School football boys opened district play last Friday night with a 33-6 victory over Walnut Springs. The Hico line, though outweighed 12 pounds per man, proved much superior on offense and defense play. Walnut Springs proved pretty tough the first half, and Hico led only 13-0 at the half time period, but Hico had a couple of nice touchdowns runs nullified due to penalties. All the Tigers saw action and all played a good game, according to Coach Willie Sirman.

Lively proved hard to stop on power plays, and often it took three or four men to get him down. Ables also turned in a good broken field running game.

The Tigers will entertain Cranfills Gap here Friday night, September 29, at 8:00 p. m. in what promises to be as much of a thriller as the past two years. Last year the Gap defeated Hico 13-12 in a real thriller.

Cranfills Gap and Hico both lost several men from last year's teams, but the replacements for both teams have been looking good. Hico will be playing without the services of two first-stringers. Ross is still out with a pulled ligament in his knee, and Loden has a bad sprained ankle from last Friday night.

The two teams will average about the same weight (155 pounds per man) and will tend to make a better game.

Probable starting line-ups are given below:

**Local Boys Honored by Burrus Mills**

(Fort Worth Star-Telegram)

Approximately 40 Burrus Feed Mills salesmen from the South and Southwest gathered at the Blackstone Hotel Friday for a sales meeting.

One of the two highlights of the day's program was the presentation of awards to the Hico FFA Club and the Immanuel Lutheran 4-H Club of Giddings in the Texo Community Opportunity Program.

The second highlight was emphasis upon expanding dealerships. Joe C. Mitchell, executive vice president of Burrus parent company, Tex-O-Kan Flour Mills Company, outlined an action program for the salesmen to follow in opening new accounts. Wiley Akins, Burrus Feed Mills manager, announced a contest among salesmen for adding new dealers to the company's list.

C. F. Wenzel, sales manager, presided.

Bruce Slaughter, FFA president received a show cattle clipper as the award for Hico, and Myron Schneider, member of Immanuel Lutheran 4-H Club, received a show cattle grooming kit, the award for Giddings.

**Lions Entertained By Quintet from Hico Music Department**

W. D. Bradley Jr., public school music teacher at Hico, presented four of his pupils in a program at the weekly meeting of Hico Lions Club Wednesday noon at Firemen's Hall.

The four young ladies were Misses Wilma Woodard, Venetta Patton, Betty Shook, and Shirley Prater. Together with Mr. Bradley they gave several clarinet renditions in a professional manner which delighted their audience.

In the business program which followed a delicious meal and preceded the entertainment, Lion M. I. Knudson reported that a preliminary survey on the proposed conversion of the cannery into a community house showed that the cost would be prohibitive, and that the building was in such bad repair that it would take about \$2,000 to start fixing it up.

Lion President M. S. Norton reported receipt of a letter about the crippled children's camp near Kerville, stating that the campaign would get under way with a radio program over an Austin station and the Lone Star Chain Thursday of this week. He said only preliminary information had been received on this project, but more was expected by next week.

**Giles Driver, 62, Succumbs After Four Years' Illness**

Funeral services were held at the First Baptist Church, Thursday afternoon, September 21, at 3:00 o'clock for Giles C. Driver, with Rev. J. L. Ray, Methodist pastor, and Rev. E. E. Dawson, Baptist minister, officiating. Pallbearers were brother Masons and flower girls were sister Eastern Stars.

Interment was in the Hico Cemetery, Masons having charge of the graveside services.

Giles C. Driver was born in Erath county, August 10, 1888 to Mr. and Mrs. H. G. Driver, who have preceded him in death.

He was married August 12, 1906, to Miss Emma E. Columbus. To this union, four children were born. He was converted and joined the Missionary Baptist Church at the age of 21 years. He was a member of the Masonic Lodge at Fair and a member of the Order of the Eastern Star Chapter at Hico.

Mr. Driver was well known here, being a prominent farmer of this vicinity for forty odd years. He worked for the H. L. Kight gin here in Hico for seventeen years, becoming manager of the gin. He was a successful business man for the government for a number of years.

Mr. Driver had been in ill health for about four years. After becoming ill with virus, he was confined to the Hico Hospital for about five months. Even though he was very ill and was paralyzed, he always tried to be jolly and had a smile for everyone. When over anyone would ask him how he was feeling he always answered, "I feel very well."

A brave soldier, and with the help of God, was able to bear his cross as Jesus would have him do. He left this earthly home to go home to Heaven on Wednesday night, September 20, at 10:35 o'clock.

He is survived by his wife and four children, Herman Driver of Fair, Mrs. Johnny Crawford of Hamilton, Mrs. Daphna Ables and Mrs. Opal Adams of Hico, nine grandchildren, two brothers and one sister, and a host of other relatives and friends.

**TEXAS LIONS LEAGUE FOR CRIPPLED CHILDREN LAUNCHING CAMPAIGN**

Austin—A membership development campaign for the Texas Lions League for Crippled Children will be launched here Thursday, September 28, at 4:30 p. m. with a state-wide broadcast over the Lone Star Chain.

Governor Allan Shivers and International Lions President Herb Petry of Carizzo Springs will be the principal speakers. There will be other Lions club dignitaries on hand for the occasion, including Jack Wiech, Brownsville attorney, who is President of the League.

The 30-minute program will be broadcast from the studios of KTRC here.

Lions club presidents in Texas have been urged to notify their club members to hear this official launching of a program which is being sponsored by the state's 35,000 Lions. Goal for the campaign is \$500,000.

The Texas Lions League for Crippled Children is a state-wide non-profit organization, representing the state's 621 Lions clubs. It was created for the purpose of establishing and maintaining a rehabilitation camp at Legion, near Kerville, for the state's crippled children. It will be open to crippled children from the ages of 7 to 16. There will be no admission fee, all costs and expenses to be borne by the League.

This will be the first camp of its kind in the state of Texas, and present plans call for its opening during the summer of 1951.

**TEXAS LIONS LEAGUE FOR CRIPPLED CHILDREN LAUNCHING CAMPAIGN**

The offices of Barnes & McCullough Lumber Company were burglarized Wednesday night, with a negligible loss of \$26.32 plus a few personal belongings from the desks.

The money was taken from the cash drawer, but the safe was not disturbed, said H. E. McCullough, owner of the lumber yard. Constable B. F. Williams was called in to investigate, and he secured the assistance of Texas Ranger Roach from Stephenville.

The burglar entered the office through an aluminum door in the back, in which he had cut a hole large enough to reach inside and open the lock. Investigating officers believe the thief was someone familiar with the layout of the office. McCullough reported that the loss was not covered by insurance.

**Barnes & McCullough Victims of Burglary Wednesday Night**

Graduation exercises were held last Saturday, September 16, in the office of Major General Arthur R. Gaines, Commanding General, Brooke Army Hospital, Brooke Army Medical Center at Fort Sam Houston, Texas, for the nurses who successfully completed the 13 months course in anesthesiology conducted at Brooke.

Among those receiving diplomas which entitles them to become a registered anesthetist was 1st Lt. Virginia Ramage Vickers, daughter of Mr. and Mrs. H. H. Ramage of Ramage Farms, Iredell.

Lt. Vickers served from November 1943 until February 1947 with the Army Nurses Corps. Reentering the service in June 1948, she became a member of the Air Force Nurse Corps. After attending John Tarleton College, Stephenville, Texas, she received her nursing training at Harris School of Nursing in Fort Worth.

Before entering the course in anesthesiology at Brooke, Lt. Vickers completed the Flight Nurses School at Randolph Air Force Base, Texas. She has been assigned to Lackland Air Force Base, Texas.

**Program On Loyalty Presented Thursday At O. E. S. Meeting**

Twenty-one members were present at the regular stated meeting of the Eastern Star at 7:30 o'clock Thursday night at Masonic Hall. A program on Loyalty, featuring the Obligation, was presented, and participants were the Worthy Matron, Mrs. L. J. Chaney; the Worthy Patron, Marvin Marshall; the secretary, Mrs. Afton Aycock; and the five Star points.

Initiation ceremonies will be held by the local chapter Thursday night, September 28, for Mrs. Lam W. Weeks and Mrs. George Griffin.

**Funeral Services In Hico Tuesday For Mrs. Sanders**

Funeral services for Mrs. Annie Jane Sanders were held Tuesday afternoon at the First Baptist Church, with Rev. Bob Crosswell of Hermleigh officiating. Burial was in Hico Cemetery.

Mrs. Sanders, the former Annie Jane Shipley, died at 5 a. m. Monday at her home in Snyder, where she had moved about a year ago. She had lived in or near Hico most of the time for the past 13 years. Born June 6, 1890, at Union Hill, Johnson county, she moved to Breckenridge as a child, with her family. She was converted and joined the church at Eolian, Texas at the age of 16 and has been a faithful member ever since. She was a member of the First Baptist Church at Hermleigh at the time of her death.

In Breckenridge she was married to Elisha Sanders on June 15, 1913. Her survivors include her husband and four children: Estes Sanders of Abilene, Mrs. Iona Williams of Hico, Elton Sanders of Iredell and Glenn Ira Sanders of Snyder; two sisters, Mrs. Ben F. Lynch of Eastland and Mrs. H. R. Clemmer of Elmdale; two brothers, A. D. Shipley of Hico and Albert E. Shipley of Vernon, and five grandchildren.

Pallbearers were Jimmie Harris, H. Rucker, Sam Price, Jack Malone, Earl Shaffer and Bud Cranfill.

**CUB SCOUTS MEET TO MAKE TABLE LAMPS**

The Cub Scouts met in the Girl Scout Hall, Thursday, September 21, at 8 o'clock to make table lamps. Candy was served as refreshments.

**Wisconsin Dairy Cows Arrive Here**

Arrival here of four carloads of fine dairy cattle from Wisconsin is another indication that local people are doing something to replace King Cotton with other sources of revenue.

Three carloads of the animals arrived by Katy freight last Saturday morning and caused a great deal of interest while they were being unloaded into trucks for transportation to the farms of their new owners. Another carload arrived Wednesday of this week.

George E. Holladay, Damon Weaver, and Sam Trimmer are the parties who received animals in this shipment. They had just returned from Waukesha, Wisconsin, where they had been for two weeks selecting the animals from herds with the assistance of commission dealers. All registered, the animals are Holsteins and Guernseys.

George Dredow of Wisconsin accompanied the animals as tender, and said they made the trip fine as there was a warm spell of weather when he left Wisconsin the previous Tuesday, coming down through Kansas City, Fort Worth and Waco. This was Trip No. 108 of this character for this veteran dairy farmer, who had a lot to say about the quality of the dairy cows he accompanied here.

J. Doyle Love, vocational agriculture teacher at Hico High School, has been highly interested in this project, and expects to keep up with their progress, promising reports from time to time.

**Burnett Relatives Meet for Reunion In Carl Burns Home**

Again after three years the home of Mr. and Mrs. Carl Burns in Okra, Texas was the scene of a very happy reunion recently between brothers, sisters, nieces, nephews, cousins and friends of Mrs. Burns, who was the youngest daughter of the late Mr. and Mrs. J. A. Burnett, formerly of Claiborne.

Mrs. Rutha Page, a sister of San Diego, Calif., and Mrs. Zora Melton, a friend from Fort Worth arrived Thursday to visit and to help prepare for the occasion. Saturday cars began to arrive loaded with relatives and baskets of good things to eat. By Sunday at noon, 56 had registered.

The tables were placed under the pretty shade trees and loaded with a wonderful dinner. In the center of the table was a beautiful cake decorated for the occasion and brought by a sister of San Angelo.

Ernie Burnett of Carlton and Mrs. Lee Havens of Claiborne were among the guests present. They are cousins of Oliver Burnett of this city.

All present had a very enjoyable time.

**COMMISSIONER PRAISED FOR CONDITIONS OF ROADS**

Fern Jordan, commissioner of Precinct 3, Hamilton county, was host to two visitors Thursday who after a trip of inspection over the roads in the local precinct complimented their condition.

W. D. Grigsby of St. Jo and B. P. Woody of Wichita Falls were the commissioner's guests, and they were in position to know what they were talking about when they discussed roads. The former is commissioner of Precinct 6 in Montague county, having just been re-elected for sixth term without a run-off, and the latter is a representative of the S. B. George Equipment Co.

**Better Buy Buick!**

**Y**ou've probably heard a lot of talk about comfort in 1950 cars.

But we'd like to offer one suggestion, which is—*let a Buick speak for itself.*

We'd like to have you settle yourself (your family too, if you

have one) on a Buick's soft, deep, comfort-angled cushions, and see how restful they are.

More than this, we'd like you to sample that comfort in motion. Slip your fingers around that slender steering wheel, touch toe to treadle and take off in the smooth, unbroken surge of power that Dynaflo Drive\* delivers.

We'd like to have you hunt out some of the less-smooth streets or back roads that never seem to get fixed—and put Buick's soft coil springing and solid underpinning to tough and practical test.

\*Standard on Roadmaster, optional at extra cost on Super and Special models.

All the while, be thinking about what such riding and driving ease can mean on long, all-day trips, and compare it with what you've been used to.

This whole experience is bound to make you want a Buick—and when you ask "how much" you'll get a second pleasant surprise in the low delivered prices your dealer is quoting—prices that start at a level that is actually lower than you'd pay for some sixes.

Your Buick dealer is the man to see and this is the best of all times to see him. Drop in, won't you, to see about getting an order signed?

**SENIOR NEWS**

Our boys have won again. This time they beat Walnut Springs. We are hoping for the same results when they play Cranfills Gap at the Tiger Stadium this week.

In addition to ribbons and popcorn, we are now selling candy at the ball games. Everyone is sure and buy some of each.

We ordered our class rings this week. We can hardly wait to get them. When you hear a loud noise and see something bright and shining on the school hill, you will know they have arrived.

**SOPHOMORE NEWS**

Two of our sophomore boys went to Fort Worth Friday. They were on the radio at 12:30 to be presented a sheep clipper. The boys are Bruce Slaughter and Roy McWilliams.

The boys played a good game Friday night. We are going to have a tough game next week but I am sure we will win.

Theresa Holley has been absent the last week. We hope to have her back in the coming week.

**FUTURE HOMEOWNERS**

The Executive Council met last Friday. The following committees were appointed: Social, Financial, Year Book, and 1935 Scrapbook.

The Homemaking III class sanded and varnished the tops of the tables last week.

**JUNIOR NEWS**

We are very proud of the football boys for winning the ball game with Walnut Springs Friday night. The score was 33 to 6. They play Cranfills Gap here Friday night. We are sure our boys will win.

**F. F. A. NEWS**

The Agriculture teacher and J. B. Woodard and three boys, Roline Chaney, Roy McWilliams and Bruce Slaughter, went to Fort Worth Friday to get the clippers which we got for saving feed tags.

They visited the Texo Feed program at 12:30 on the radio.

The boys have been getting their supervised practice jobs and projects this last week.

This year there are 26 V. A. II boys and 9 V. A. I boys. Some of the boys taking V. A. II are the ones who could not take the subject last year and some are taking it that were V. A. III boys last year and others are the ones who took V. A. I last year.

**THE HAPPIEST MAN ON EARTH**

In Albert Maltz's story, "The Happiest Man on Earth," there is a suspended ending. Jesse Fulton has been out of work for six years during the depression. In sheer desperation he insists upon his brother-in-law, Tom Brackett hiring him to drive a nitroglycerin truck at six hundred dollars a month. He had to have money for his wife and sick child. In spite of the danger Jesse declared the job makes him "the happiest man on earth." The following story is Joy Ann Griffin's conclusion.

At six o'clock Jesse was back at Brackett's office, there was no changing his mind about taking the job. He was determined to drive that truck. He had to have the money. He couldn't get started too soon.

"I knew I'd make it. I drove careful all the way. I wasn't even nervous. Didn't have a bit of trouble," Jesse said as he greeted Brackett after that first drive.

He didn't have any trouble the first month, or the second, and so on until he had but one more run in his sixth month. People kept telling him stories about like Egbert that didn't come back off one of those runs. Their last one! He was getting nervous and tense now. He was always afraid of what was over the hill or around the next curve.

He couldn't stand it any longer. "I'll quit after tonight. We have nearly three thousand dollars saved. That will last quite awhile if we spend it sparingly. Maybe I can find a safer job. I'm quitting after tonight," he thought as he walked slowly down to the garage where they were checking his truck for that night's run. His last run!

He didn't quit though. No one knew he intended to. He didn't quit because he never came back. Did he run over a stone his headlight didn't pick out? Did he brush the side of a bridge with his fender? No one knows. There's no Jesse to tell them!

Mrs. Henry Mayfield

The Busy Bee Sewing Club met last Thursday with Mrs. Frank Johnson. Besides the members, one visitor, Mrs. John Golightly was present.

Several attended the football game Friday night in Hico.

The Girl Scouts and leaders of Comanche visited Saturday afternoon at the Burks Bird Farm.

Mr. and Mrs. F. D. Hicks of De Leon visited Thursday evening at the Henry Mayfield place.

Mr. and Mrs. Willie Landis and family and Bruce Lee of Denver City spent the week end in the home of Mr. and Mrs. Homer Lee.

Mr. and Mrs. Wesley Roberson and Buster Roberson of Fort Worth spent the week end with home folks.

Mr. and Mrs. George Lee of Stephenville and Mrs. Willie Wolfe of Dublin visited Saturday night with Misses Eunice and Nola Lee.

News came of the death of George Martin of San Angelo recently. George lived here several years ago. After his folks moved away he made his home with the late J. Mat and Mrs. Roberson. He was depot agent here for some time. During his stay here, he was married to Miss Inous McCarty.

Her father, the late G. H. McCarty ran the drug store and was druggist several years here. Survivors are Mrs. Martin, 4 daughters, and 2 sons.

Misses Eunice and Nola Lee and Mr. and Mrs. George Lee of Stephenville attended the wedding of Sam Wolfe Jr. of Dublin and Miss Irene Pipe of Lubbock Saturday evening in Comanche.

The son and daughter of Mr. and Mrs. John Noland were married here Friday night in a double ceremony in Stephenville. Truman, the son, was married to Miss Barbara Jo Lowe of Huckaby. Laverne was married to Jim Trammell of Stephenville. Both couples

left the wedding for Aztec, New Mexico, where they will live.

Mr. and Mrs. Truman Loden of Waco spent Saturday night with Mr. and Mrs. Chas. Dowdy.

Mr. and Mrs. A. L. Thompson and Mr. and Mrs. Cliff Little and son spent the week end in Fort Worth with their relatives.

Mr. and Mrs. L. E. Roberson and son of Stephenville visited relatives here Sunday evening.

Mr. and Mrs. Morgan Martin have returned home from a 3-weeks visit with their children at Houston, Sinton, El Campo and Corpus Christi.

Mr. and Mrs. Roy Harvey and son spent Sunday at Mineral Wells with Mr. and Mrs. H. Roe and Randy. Randy came home with them for a weeks' visit.

**FARM  
AND  
RANCH  
CHATTER**  
By LAYNE BEATY

Not many people who have been  
in competitive bidding at live-  
stock auctions have experienced  
having the bidding suddenly stop-  
ped and the animal become their  
property as a gift with no strings  
attached.

Harold Brackett, Future Farmer  
of America member from Garland  
last week at the T. J. Harrell  
Hampshire sale at Fort Worth.

After Harold and other buyers  
had bid the bred gilt up to \$175,  
Mr. Harrell noticed that the auc-  
tioner had bid and asked the auc-  
tioner to stop the sale and award  
the animal to the FFA boy.

It is a generous gift given in  
a spirit of encouragement for the  
lads who are making such progress  
as the FFA and 4-H Club boys  
and girls studying agriculture and  
livestock. But it is also an excel-  
lent way to build good will for a  
breed and a herd.

You'd be surprised at some of  
the plantings of Kentucky Fescue  
31 rounds here now. Two years  
ago this grass was practically  
unknown here, but some folks in  
Kentucky had discovered it in  
1931, hence the name and had been  
developing it and studying it since  
then. It seems to do fine in the  
blackland and in the winter time.

KR Yellow Bluestem is making  
fine pasture hereabouts, too.

It is good to see people with  
the financial means to do it, buy  
worn out farm land and bring  
them back to fertility by putting  
them in the right grasses, etc.,  
and giving them the proper soil  
conserving face lifting that they  
need.

Especially do we like to see this  
happen when the business or pro-  
fessional man who's doing it  
doesn't rely altogether on his own  
store of agricultural knowledge,  
often out of date or meager or  
both, but gets counsel from men  
who know the proved methods.

Of course, when a man means  
buys into a neighborhood, he often  
finds himself paying higher wages  
for hired labor than his neighbors,  
which upsets the labor situation  
there and makes him grossly un-  
popular with said neighbors, and  
that is not good.

We like the approach Dr. A.  
Keller Doss, a Fort Worth phy-  
sician took when he aspired to be-  
come a farmer. As soon as he had  
acquired a worn-out dairy farm  
and moved a good family onto it,  
he got in touch with the right man  
who knew what to do about soil  
conservation.

That man happened to be Arthur  
Courtside, a work unit conserva-  
tionist for this soil conservation  
district.

After two years, gullies are dis-  
appearing, and good pasture is  
on the way back. Dr. Doss does  
much of the labor himself, on  
weekends and his afternoons off.  
It's his hobby. He'd rather drop  
a grass seedling into a hole than  
make a hole in one on the golf  
course.

**One-Day Conference  
On Youth Safety to Be  
Held in Houston**

The safety and well being of our  
school children will be the topic  
of the day Saturday, Oct. 7, when  
a one-day Youth Safety Confer-  
ence will be held highlighting the  
School Safety Educational Move-  
ment in Texas. A giant safety  
parade in the downtown area of  
Houston will be held at 10:00 a. m.  
and will be followed by a meeting  
at the San Jacinto High School  
Auditorium in the afternoon, be-  
ginning at 1:15 p. m.

Mr. W. Stewart Boyle, prominent  
Houston Independent Oil Oper-  
ator, will act as General Conference  
Chairman. The meeting is spon-  
sored by the Houston Chamber  
of Commerce, and the Texas Safety  
Association, in cooperation with  
the Houston Independent School  
District, the Texas Highway De-  
partment, the Houston Parent-  
Teachers Association, the Texas  
Department of Public Safety, the  
Texas Education Agency, Houston  
City Clubs, the American Society  
of Safety Engineers and the Hous-  
ton Junior Chamber of Commerce.

Over a thousand teachers, school  
executives and civic leaders and  
others interested in school safety  
will be present.

The meeting is open to the pub-  
lic; there will be no charge and  
everyone is invited and urged to  
attend.

Speakers on the program will be  
Colonel Homer Garrison, Jr.,  
Director of the Texas Department  
of Public Safety; Dr. Pat H. Nor-  
wood, Director of Public Relations,  
Southwest Texas State Teachers  
College; Mr. P. P. Butler, Presi-  
dent, Houston Chamber of Com-  
merce; Mrs. Olon Rogers, Mem-  
ber of the Houston School Board,  
and Governor W. P. Hobby, Presi-  
dent of the Houston Post.

**Driver's License  
Division Needs  
Job Applicants**

Austin, Sept. 23.—The Driver's  
License Division of the Texas De-  
partment of Public Safety has  
openings for a number of Texas  
young men as Driver's License Ex-  
aminers.

Homer Garrison, Jr., Director of  
the State Safety Department, an-  
nounced today that his organiza-  
tion is accepting applications from  
qualified men to fill existing and  
potential vacancies caused by a  
number of the License Examiners  
being called into the armed ser-  
vices. He urged that men who meet  
the requirements and who are in-  
terested contact their nearest  
Driver's License District Office or  
write directly to Chief A. F.  
Temple of the Driver's License  
Division at Austin for application  
blanks, immediately.

Garrison listed the following  
qualifications as necessary for ap-  
pointment to the positions: 21 to  
35 years of age, inclusive; a min-  
imum height of 5 feet 8 inches;  
weighing not less than 2 pounds  
or more than 3 pounds per inch  
of height; good physical condition;  
a citizen of the United States and  
a resident of the State of Texas  
for at least one year immediately  
prior to appointment; and sub-  
ject to an extensive moral and  
character investigation.

Applicants will be notified  
later of the dates and places where  
written and oral examinations  
will be conducted, according to  
Garrison. Base pay for Driver's  
License Examiners, the Director  
stated, is \$240.00 monthly, with the  
added advantages of two weeks an-  
nual leave; low cost Departmental  
life insurance and group accident  
and sickness insurance for mem-  
bers and dependents; and bene-  
fits of the State Employees Reti-  
rement Plan.

**Instruments Now  
Available for Use If  
Atomic Bomb Hits**

Austin, Sept. 26.—At least four  
different types of radioactive de-  
tection instruments and computers  
are available for measuring radia-  
tion particles if and when an  
atomic bomb is ever exploded over  
a Texas community.

This encouraging bit of informa-  
tion was revealed by the state's  
chief health official, Dr. Geo. W.  
Cox. He's state director of health  
and emergency medical services,  
part of the Texas civil defense  
setup.

Radiation is one of three principal  
harmful effects of atomic ex-  
plosions. Others are blast damage  
and burns. Using RADIAC instru-  
ments, it is possible to know what  
areas are safe from the tasteless,  
odorless, colorless radioactive par-  
ticles.

All RADIAC instruments are de-  
signed for use by radiation moni-  
toring squads. Squad members  
might be soldiers, or they could be  
civilians trained by the State  
Health Department's radiological  
division, either when they would  
be trained for immediate action  
in atomic disasters.

"Planning emergency medical  
and health services in an atomic  
disaster has been one big mess of  
confusion," Dr. Cox admitted. "But  
we're beginning to see light now.  
Our radiology division is going  
to go right to work, now that we  
have it set up."

Radiac instruments got this of-  
ficial explanation:  
Film badges can be pinned onto  
the lapel, strapped onto the wrist,  
worn in a ring, etc. They consist of  
a piece of photographic film, and  
are used to show the amount of  
radiation to which the monitor has  
been exposed. Radiation particles  
affect the film like light. Dozens  
of "tracks" are visible when the  
film comes in contact with heavy  
concentrations of radiation.

Film badges are a permanent  
record of the exposure to which  
the monitors have been subjected.  
Dr. Cox says they show whether  
or not the wearer has received the  
"maximum allowable lifetime do-  
sage."

Pocket dosimeters, like the film  
badges are for the protection of  
the monitors. They look like foun-  
tain pens, and gauge on-the-spot  
amounts of radiation.

Geiger counters and ionization  
chambers actually count the num-  
ber of radiation particles—gamma  
rays, and alpha and beta particles  
present in an area. So sensitive is  
the Geiger counter that if it could  
be wired to a fly his footsteps  
could be heard distinctly.

**Bosque Valley League  
To Continue Baseball  
Playoff At Iredell**

Bordner Anderson regained  
form after a shaky first inning  
in which Iredell scored three runs  
and held Iredell scoreless for the  
rest of the game to win a well  
pitched victory.

Duffau had 11 runs on 13 hits,  
with Iredell getting 3 runs on 3  
hits. Winning pitcher was Anderson  
and losing pitcher was Knudson.  
Duffau had their largest  
crowd of the season for this first  
playoff game for the League  
championship.

The series will be resumed next  
Sunday, October 1 at Iredell. We  
expect the largest crowd to attend  
a baseball game this season, to  
be on hand for this second game  
next Sunday at Iredell, said Rod  
Elkins, president of the League.

**Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation,

**When due to lack of Vitamins B1, B2, Iron and Niacin in your system!**

**Mr. Anthamatten, 4731 South  
32nd West Ave., Tulsa 7, Okla-  
homa,** suffered from stomach  
distress for quite some time.  
He had spent much money  
trying everything possible for  
relief and was in bad health  
when he started taking HADA-  
COL. He says, "After taking  
three bottles of the \$3.50 size,  
I've gained 27 pounds and now  
eat anything I desire and posi-  
tively have no trouble." (HADA-  
COL gives such wonderful  
results because it actually re-  
lieves the REAL CAUSE of  
stomach distress [gas pains,  
heartburn, indigestion after  
eating] due to such deficien-  
cies. And continued use of this  
great HADACOL helps prevent  
such distress from returning.)

**Mrs. Mabel Kitchen, 1650 Am-  
sterdam, Cincinnati, Ohio.** "Be-  
fore I started taking HADA-  
COL I had aches and pains of  
neuritis in my shoulders, my  
back and arms. I could hardly  
move without having those  
terrible pains. Then I heard  
about HADACOL. After the  
second bottle the pains and  
aches were about gone. I'm  
now starting my fourth bottle  
and am on top of the world. I  
eat well and, best of all, the  
aches and pains are complete-  
ly gone." (Mrs. Kitchen is a  
very smart woman because she  
relieves the REAL CAUSE of her  
neuritis pains due to such def-  
iciencies. HADACOL often  
brings a wonderful improve-  
ment within a few days' time.)

**Mrs. J. Sleszynski, 514 Kruger,  
Ottawa, Iowa,** writes: "My  
daughter, Marilyn Sue, is 5  
years old and for some time  
lacked pep, had a poor appetite,  
was generally run-down. Since  
giving her HADACOL, we have  
noticed wonderful results . . .  
she has a much better appe-  
tite, eats everything on the  
table and doesn't seem tired  
like she used to. Incidentally,  
she likes to take HADACOL,  
too." (HADACOL is a great  
"builder-upper" for sick, nerv-  
ous, puny kids whose systems  
lack precious Vitamins B1, B2,  
Iron and Niacin. A big im-  
provement in their well-being  
is often noticed within a few  
days' time after taking the  
great new HADACOL.)

**Mr. Henry Angel, RD No. 1,  
Springfield, Ohio.** "I used to  
suffer great pain from neu-  
ritis aches in all parts of my  
body, especially in my legs,  
arms and shoulders. I never  
got any real relief until I tried  
HADACOL. After taking sev-  
eral bottles, my pain is all  
gone, and I'm working every  
day." (Now there's a smart  
man! Mr. Angel took HADA-  
COL and relieved the REAL  
cause of his neuritis pains  
because they were due to  
such deficiencies. HADACOL  
is helping thousands upon  
thousands of grateful men  
and women troubled this way.  
Why don't you give HADA-  
COL a chance to help you?  
Start taking it today!)

**IMPORTANT!** Why don't you get that wonderful  
HADACOL feeling everyone is talking  
about? In this modern age, wise folks  
are no longer satisfied with sympto-  
matic relief — because now it's possible to relieve the CAUSE of such  
deficiency sickness with that wonderful new HADACOL.  
HADACOL not only supplies deficient systems with extra quantities of

Vitamins B1, B2, Iron and Niacin but also helpful amounts of predom-  
inant Calcium, Phosphorus and Manganese—vital elements every human being  
must have to maintain good health. You owe it to yourself to give  
HADACOL a fair trial. Many doctors recommend this great new  
HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.25.

MRS. ROYCE LA TAYNE MCCLURE

Mrs. Royce McClure, Nee La Verne Golden, To Live In Delaware

'The Individual' Is Program Topic For Review Club

Mrs. and Mrs. Royce LaTayne McClure are at home in Wilmington, Delaware, following their marriage September 15 at the Lovers Lane Methodist Church in Dallas. They left immediately after the ceremony for their new home.

Mrs. McClure is the former Miss La Verne Golden, daughter of Mr. and Mrs. Lyle Golden, Dallas. Parents of the bridegroom are Mr. and Mrs. C. N. McClure, also of Dallas. The Goldenes are former residents of Hico, and the bride is a niece of Mr. and Mrs. W. G. Phillips, Mr. and Mrs. Will Hardy and Mr. and Mrs. Tom Johnson of Hico.

The Rev. Thomas J. Shipp read the marriage vows and music was presented by Mrs. Ann Latta. Attendants for the couple were Mrs. Sidney Gail Hawkins and Donald N. McClure, brother of the bridegroom. Given in marriage by her father, the bride wore a suit of white gabardine with navy blue accessories and a pearl necklace and earrings. She carried a bouquet of orchids.

Mr. and Mrs. McClure are graduates of Adamson High School. The bride attended Southern Methodist University and the bridegroom received his bachelor of science degree in chemical engineering from Texas A & M College. —Dallas Times Herald.

## IREDELL ITEMS

by Miss Stella Jones, Local Correspondent

Mrs. Quince Fouts was in Stephenville a few days this week.

Mrs. Welch and son are visiting her parents, Mr. and Mrs. Jap Fallis.

Mr. and Mrs. R. S. Echols spent from Thursday till Sunday in San Antonio with their son, Billy, and wife.

Mrs. Jake Ratliff, Misses Mary and Lela Odum, and their brother, Tom, were in Glen Rose the past Sunday.

Mr. and Mrs. Kenneth Hughes of Fort Worth spent the week end with his parents and with her parents, Mr. and Mrs. Owens.

Mrs. John Miller spent the week end in San Antonio with her son, Hayden, and family. Last week when I wrote about the visit that Mrs. Patterson and I made to Dallas I failed to mention that we were invited to Mrs. Irvin Tidwell's on Saturday for lunch and it sure was nice. Nola and Michael Wayne also went. I was enjoyed very much. Louise gave some piano music. We all enjoyed this and our visit in their home.

Mrs. Maness has gone to Abilene to work. Donald Ray Walker of Fort Worth is visiting his grandparents, Mr. and Mrs. Raymond Davis.

Mrs. Russell has returned from the Meridian hospital and is doing nicely. Mr. and Mrs. Albert Mize have bought the cafe on the North Side and are fixing it up for a residence.

Mr. A. J. Olsen, whose home is in Oregon, visited in the Patterson home this week. Mr. and Mrs. M. M. Sadler of Corpus Christi, Mr. and Mrs. Edgar Sadler and son, and Mr. and Mrs. Bill Elkins and children of Dallas and Mr. and Mrs. Hayden Sadler and Ann spent the past week end with Mr. and Mrs. Walter Sadler.

Mr. and Mrs. Forest Dean of Fort Worth visited his mother the past Sunday. Lester, Charles and Gerald Mize spent the week end in Grand Prairie with their brother, R. V., and family. Mr. Arthur Trotter of Fort Worth is visiting his cousin, Mrs. Roy Thompson, and other relatives.

Mr. and Mrs. E. W. Stephens of Raymondville, Misses Lola and Hattie Stephens and L. D. Lehmans of Corpus Christi, brother and sister-in-law of Mrs. George Chaffin, spent the past week end with her and Mr. Chaffin.

Mr. and Mrs. R. E. Wyche of Ringland, Okla., and Mr. and Mrs. Albert Wyche of Welsh, Colorado, spent the past week end with their brother, Mr. John Wyche, who is confined to his bed.

Mrs. Ratliff, Misses Sue Tuggle, Mary and Lela Odum, were in Hico Wednesday. Mr. and Mrs. John Tidwell and Rev. R. T. Wallace went to the Stephenville hospital Saturday to see Ralph Tidwell who was operated on.

Mrs. Betay Phillips, who works in the Stephenville hospital, is visiting her parents, Mr. and Mrs. Fouts. She is on her vacation. October 8th at the Methodist church at the evening hour a different kind of service will be held. All the members come and see what kind it is, and take part in it.

Archie Whitley, the little son of Mr. and Mrs. Horace Whitley, was honored on Saturday, Sept. 23, with a birthday party at his home by his mother. It was his third birthday. Twenty-one children were there. Several games were played. He got some nice gifts. Refreshments of ice cream and cake were served.

Mr. and Mrs. Virgil Byerley and baby of Monahans spent the week end with her brother, Mr. Landis, and family.

Miss Eleanor Helm, who is attending college in Denton, spent the week end at home.

Mr. and Mrs. Russ of Dallas spent the week end with his sister, Miss Ila Locker.

Mr. and Mrs. Loughlin are looking after the place for Mr. and Mrs. Johnson, who are visiting some place. Mr. and Mrs. C. J. Olson and his brother, Joe, both of Arizona, came in Sunday and visited in the Patterson home this week.

Mr. Tom Cook of Dallas is here painting the residence of Mrs. Burson.

Mr. Elbert Locker of Fort Worth spent the week end here.

Rev. R. L. Jenkins and family left Monday for South Texas where he will be pastor of a church.

Sonny Mitchell of Fort Worth spent the week end with his parents.

Rev. R. T. Wallace visited his daughter, Mrs. Byrum, and family in Dallas this week.

**A Story—  
KINDNESS OPENS THE  
WAY TO LOVE**

By STELLA JONES

"Oh Mother, isn't she the sweetest little thing," exclaimed a young mother as she gazed on her little daughter, who was only a few hours old. Will call them Mr. and Mrs. Jim Bryan. The baby was given the name of Nina. The couple lived in a prosperous city in Texas.

One of the chums of Mrs. Bryan had a baby daughter two months old. Their names were Mr. and Mrs. Albert Warren. Their daughter's name is Mary.

After Mrs. Bryan and baby returned from the hospital Mrs. Warren visited them. "Edna, your baby is sure sweet, isn't she?" "Oh, yes, and we are all proud of her and she is a good baby."

Nina was born in the month of October, which is a beautiful month. These two babies grew up and developed into fine, healthy babies.

Mr. and Mrs. Bryan were Methodists and when their daughter got old enough they took her to Sunday school and church. Mr. and Mrs. Warren were Baptists and they were regular attendants at their church.

These two ladies were good friends and had many other good friends. They had great times together. There was a large crowd of them and they went different places and would entertain at some of their homes quite often.

Mr. Bryan and Mr. Warren were in business in the city and were very prosperous.

When Mary was old enough she started to school. She was a very smart little girl, was fine in music. The next fall Nina started to school. She was a beautiful child, had dark hair and eyes, and also was very smart. Everything went smooth for these two little ladies. They were loved and admired by all. They were kind to one and all, and that opened the way to love. They were friends to one and all and all were their friends.

One little girl, a perfect blonde, was a sweet little girl and would speak to one and all and to the older ones especially. This is sure fine in any child. Her name was Agnes Moore. By her kindness she opened the way to love and she was loved by all. She was a year older than Mary and Nina. She had a brother who was several years older.

One day in the summer these three girls were in town one Saturday afternoon, were in a drug store eating ice cream, when a poor-looking girl about their age—perhaps older than they were—looked very hot and looked as if she would like to have some ice cream. The three girls were enjoying their refreshments. A large crowd was there eating and drinking cold drinks and having a great time. No one noticed Anne Smith as she came in. She came up to the table where the girls were and looked very wishful. Agnes asked her if she would like some cream. Right there kindness opened the way to love.

"Yes, I would like some, but I don't have any money."

"We will treat you," the girls said, and they put in so much money and got her some cream and cold drinks and some other things and she sure enjoyed it all. Her dress and shoes weren't any too good. Guess it was the best she had.

All the people looked at these three little dainty maidens as they were getting the cream and other things for Anne. One woman shrugged her shoulders and flatly walked out, as much as to say, "I would not give her anything—would not let my child play with her for her family isn't much."

Another woman came up to the girls and said, "You children are doing a great deed for kindness is opening the way to love for Anne Smith."

Mrs. Henderson was a banker's wife and very wealthy, and was a society woman. They had servants and the couple had a baby girl who was a few months old.

"Anne, would you like to come and be a nursemaid for my baby?" the wealthy woman asked. "I believe you would be fine. I will pay you well."

"I sure will if Mama will let me," Anne replied.

The woman and the three girls went home with Anne in the rich lady's car. She had a driver. Anne was in need of a good bath and a general clean-up. The woman consented for her to go and Monday morning she found her there—all cleaned up. She had a few good dresses so this Monday she looked nice and she was very happy, for kindness had opened the way to love. The lady was so sweet and beautiful and wonderful.

Some of the rich lady's friends thought it was awful because she took her. Anne would go home of a night. Her daddy would have loved to get some of the money she got, but he could not get it. After Anne had worked a few weeks she got her some new clothes. Mrs. Henderson had a woman there that did her sewing and she let her sew some for Anne. One Sunday Nina and Agnes took her to Sunday school with them at the Methodist church and she enjoyed it very much.

Mr. and Mrs. Henderson belonged to a Christian church and went regularly. Anne went to a Methodist church. They didn't want to hinder her. A nursery was in the church and their baby was taken care of.

Be sure and read the concluding chapter and see what happens to the girls.

### CARD OF THANKS

It is impossible for us to express in words, our sincere thanks to each and everyone, who were so kind and thoughtful to us during the long illness and the recent death of our darling husband and father. The doctors and nurses of the Hico Hospital were so faithful to us in their trying to help our loved one. Friends were thoughtful and kind in their offerings of money, food and flowers. Also to the Order of the Eastern Star Chapter at Hico and the Masonic Lodge at Fairy, both of which our loved one was a member; to the members of the Hico Baptist Church for their help; to Bro. Ray and Bro. Dawson for their consoling words; and to all, who made our burdens lighter in any way, we give our deepest thanks. May God's richest blessings be upon each of you is our prayer.  
MRS. GILES C. DRIVER  
& FAMILY.

### CARD OF THANKS

We would like to take this means of expressing our thanks to all our old friends and neighbors who have been so helpful at the death of my wife and our mother. We would like to be able to thank each one personally, but if there are any we have missed, please accept this thanks. May God bless you all.

### Fairy

We stated in last weeks news that we had received one inch of rain. We based our statement on the rain gauge at the C. R. Sellers home two miles south of Fairy. However several in and near Fairy, who have a gauge reported better than two inches, and some four inches or more has been received in the past ten days.

Farmers would like to see some fair weather. Tonight (Monday) tractor lights may be seen in most all directions, as farmers are trying to take advantage of all available time possible between rains. Some have maize yet to combine.

We were very sorry to learn of the passing of Mr. Giles C. Driver of the Dry Fork Community, father of Herman Driver of Fairy. Our school was dismissed Thursday afternoon in order that Prof. Irvin Jones might assist in the burial services. Those from here attending, whose names we secured were Mr. and Mrs. W. E. Cunningham and daughter, Sherry, Mr. and Mrs. Bill Lackey, Mrs. Emma Lackey, Mr. and Mrs. Henry Davis and daughter, Vera Lee, Mr. and Mrs. Frank Driver, Mr. and Mrs. H. H. Wolfe, Mrs. J. C. Sills and the writer. Mr. Driver had many friends in this section, his untended deepest sympathy to his bereaved family and other relatives.

An item of news which will be of interest to many in this section contained in a clipping from the Temple Daily Telegraph, and sent to us by our cousin, Mrs. C. H. May of near Moody, announces the marriage of Miss Anne Boudin, daughter of Mr. and Mrs. Eugene Boudin of McGregor and Mr. Charles Ray Roberts, son of Mr. and Mrs. Ben H. Roberts Sr. of Gatesville, who were married recently at the First Baptist Church in McGregor, with Rev. Edward Laug reading the ceremony.

**WORKING ON THE RAILROAD**  
... Asst. Secretary of the Army Karl Bendetson is operating the nation's railroads for the government.

The mother of the bride is the former Miss Edna Bridges of Fairy. The young couple plan to make their home in Bay City.

We are sorry to report Mrs. Leslie New a patient at the Hico Hospital at this writing who is ill of a virus infection.

The writer visited in the Sam Turner home at Carlton last Thursday afternoon. While there they told of a visit to Carlton recently by Mrs. Emma Dairs of Leveland and her daughter, Mrs. Ruth Little of Littlefield. We were very sorry to learn that her husband and son A. C. had passed away. They are former residents of Carlton and Fairy.

The V. H. Heyroth's and T. L. Betts are now driving new Dodge pick-up trucks, while the Grady Anderson's have a new Chevrolet car.

Mr. and Mrs. J. L. McCoy enjoyed a pleasant visit Sunday from most of their children and their families, honoring their fifty-first wedding anniversary. Those present were Mr. and Mrs. J. D. McCoy and little son of Burleson, Mrs. W. E. McCoy and two sons, Mrs. Lura Licett, Loice McCoy and two children, all of Fort Worth, Mr. and Mrs. Johnnie McCoy and

baby of Dallas, Mr. and Mrs. Ernest McCoy, Mr. and Mrs. Scott Blakley and daughter, Lera Jane of Fairy. All brought a basket lunch which was spread at the noon hour. We wish for them many more such happy occasions. One son, Charlie and family of Jackboro were unable to be there, also one son-in-law and one daughter-in-law and several grandchildren.

Mrs. Milford Miller and little son of Fort Worth visited last week in the home of her parents, Mr. and Mrs. M. E. Parks and family.

The writer and mother, Mrs. A. L. Newman attended singing at Littleville last Sunday and visited in the Willis Oglesby home after singing. Others attending the singing from here were H. S. Pitts and John Abel.

Mrs. Gladys Cox and little granddaughter, Cheryl Kay Price went to Austin Monday where Mrs. Cox will spend several days in the home of her daughter, Mr. and Mrs. Charles Price and to assist in the care of the new grandson, Ronald Charles.

Mr. and Mrs. V. H. Heyroth accompanied his sister, Mrs. Beatrice Oglesby and brother, Louis Heyroth of Lanham and his son, Mr. and Mrs. Billy Heyroth and little son, who were visiting their father and aunt, to Pidcock Saturday where they visited in the home of their daughter and niece and cousin, Mr. and Mrs. Guy Lockhart and Barbara.

Mr. and Mrs. Frank Sellers, Barbara and Bobbie visited a while Sunday afternoon in the home of his brother Mr. and Mrs. Carl Ray Sellers and family.

Quite a few have been ill of colds the past week.

Due to a little misunderstanding, our phone number is 1102 instead of 1002 as given last week.

We have just received a letter today (Monday) from Mrs. Margret Jones of 4353 McConnell Ave., Venice, Calif., stating she had been very poorly due to a severe fall she received recently, as she attempted to board a bus, going to and from the hospital during the illness of her deceased daughter, Mrs. Hilma Herby. She stated she received no broken bones, but was very much crippled and bruised from the fall. She formerly resided here.

During our visit in the Willis Oglesby home last Sunday, Mrs. Oglesby announced the arrival of a new granddaughter, Penny Lee, born last Monday week to Mr. and Mrs. J. H. Oglesby of Killeen. The maternal grandparents are Mr. and Mrs. J. E. Blakley of near Fairy. Mrs. Oglesby is the former Ada May Blakley.

From where I sit... by Joe Marsh

**New Use For Old Windmills**

I drove past Larson's farm last week and saw him perched on top of his 75-year-old windmill. "Still planning on tearing it down?" I shouted up to him.

"Not on your life," says Curly as he climbs down. "I'm getting myself a television set from Buzz Ellis' and he says this windmill is going to come in mighty handy."

"You see," Curly went on, "I'm going to put my TV antenna right on top of it. Since the windmill is higher than the house, I'll get the best reception around here—but

if it wasn't for Buzz and his advice, I'd have scrapped it."

From where I sit, Curly's success as a farmer and his popularity in town is due, in a large part, to his open-mindedness and his willingness to listen to people and their opinions. He'll listen to Buzz Ellis over a malted milk or he and I can talk politics—each with a glass of temperate beer. Yes, Curly's as modern as television itself!

**"I REMEMBER" BY THE OLD TIMERS**

From Charles C. Underwood at Metolton, Ark. to E. E. Meredith: "I remember some of those old song titles, too. I was teaching around Terre Haute, Ind. when 'On the Banks of the Wabash' caught the crowds that were singing 'My Sweetheart Went Down with the Maine.' Just as the Sun Went Down, 'Just One Girl,' 'A Bird in a Gilded Cage,' 'A Man Was the Cause of It All,' 'She Is More to Be Pitied Than Censored,' 'The Pearl Bryan Warning,' 'Chippy Get Your Get Cut,' 'Oh Uncle John,' 'Sweet Marie,' 'Casey Jones' and 'In the Baggage Coach Ahead.'"

From Mrs. Wallace Pinkley of Costa Mesa, Calif.: "I remember when these songs were first popular: 'When You and I Were Young Maggie,' 'The Old Oaken Bucket,' 'In the Shade of the Old Apple Tree,' 'My Little Rubber Dollie' and 'O Bury Me Beneath the Willow Tree.'"

**South Hico HD Club Honors Mrs. Battles At Going-Away Shower**

The South Hico Home Demonstration Club met with Mrs. Leonard Weaver on Tuesday, September 19. Roll call was answered with what each member considers most important in the success of life.

Mrs. Ethel Hander, county agent, gave an interesting discussion on children's clothing and make-overs, also the effect of color on children's personality.

A parting shower was given Mrs. E. O. Battles. She received many nice gifts.

Mrs. Dittmore and Mrs. Tackett of Purves gave a demonstration on textile painting. They displayed a number of hand-painted articles, which were beautiful. Mrs. Tackett painted a cup towel, showing how easily, quickly and inexpensively things can be made beautiful by this method. Explaining each step as she went along, she showed a lampshade she had made.

Refreshments of cake and ice cream were served by the hostess to the following members and visitors: Mrs. D. F. Dunn, Mrs. E. F. Rainey, Mrs. W. A. Metcalf, Mrs. A. D. Simons, Mrs. F. E. Stone, Mrs. V. D. Dittmore, Mrs. W. R. Churchill, Mrs. Cyrus King, Mmes. Tackett, Dittmore, McGuire, Driver, Shook, Battles, and the agent, Miss Hander.

The next meeting will be on October 10 with Mrs. A. D. Simons. Officers for the next year will be elected at this meeting, and all members are urged to be present.

**Parents Urged to Attend Cub Scout Pack Meet Oct. 5**

A program of interest to the whole community is scheduled by the Cub Scouts at their pack meeting Thursday night, October 5, at 7 o'clock in the Girl Scout Hall over the City Hall.

Parents of Cub Scouts are especially invited and a moving picture will be shown to try to create interest among the parents. Three movies will be shown: "Cub Scouts at Home," "Cub Scouts in the Den," and "Cub Scouts in the Pack." The length of all three films will be about one hour.

Cubmaster James Hampton stated that unless denmothers are secured by October 5 at the pack meeting, the pack will be disbanded. He issued the following statement concerning scout work:

"It is a proven fact that in a community the size of Hico, if a Cub Scout pack, like any other organization, ceases to function, it is hard for it to be revived. If you want a Cub pack in Hico, it is your place to make the decision, because the boys are yours, not the leaders of the pack."

"Everyone is cordially invited to attend this pack meeting, whether you have a boy in the Cub Scouts or not. We hope that someone will see the need of a Cub pack in Hico badly enough to give some time and work to help the boys."

"Don't forget, October 5 at 7:00 p. m. is Cub Scout pack meeting. Don't let it be the last one. Come dressed in something Western or you might land in jail. You would then have to pay a forfeit to get out."

**"Let's Talk Live Stock"**

By TED GOULDY

Fort Worth, Sept. 25.—The heaviest cattle and calf runs of the season and the year were recorded around the marketing circle Monday. The more liberal movement of cattle and calves gave the buying side of the market their first chance in some time to press for lower prices on the grassers and shortfeds or d on calves. The result was a lower set of prices. The reaction was a more or less normal market development since set-backs usually follow a series of rising markets in livestock, commodities or stocks.

It is possible that the better war news helped dull the edge of the market temporarily, but despite the vast improvement in the Korean situation, most observers feel that the rearmament program and the resultant expansion of the nation's economy will continue.

Reductions of cattle prices ranged around 50 cents to \$1 per hundred at Fort Worth Monday, with the exception that thin and high quality stockers sold firmly. Bulls late last week were topping at \$26 set a new all-time record for this market and grass steers of the plain and medium varieties were also at all time high peaks, the kinds considered.

Some sales of stockers at Fort Worth Monday that were noteworthy included 50 yearling steers from A. M. Woods, Gladewater, that brought \$30. Scaling V Ranch, Clay County, sold some around 900-pound cutback steers as feeders for \$27.50. W. T. Green of Graford had a load of 335-pound Hereford calves at \$32, and T. J. Green, Graford, had a load of 400-pound calves at \$32.75. C. J. Holloway, Athens, sold a load of plain steers at \$25.50. Odd lots of light calves reached \$33.

There was a definite slow-up in the stocker trade going to wheat pastures. It appears that prices had gotten so high that the buyers became shaky about the money-making possibilities off wheat pasture considering the high cost. Prices 50c to \$1 lower on old cows were the order of the day. Bulls tumbled a like amount, the practical top \$25.

Feeder lambs and yearlings reached new record high marks, however. Some fleshy feeder yearlings reached \$22.50 and fat sold up to \$23, the high water mark for both classes this year. Feeder lambs continued to climb to new highs with a top of \$28.50. Those \$22.50 feeder yearlings weighed 89 pounds and came from J. W. Evans of Fort Davis. The feeder lambs at \$28.50 came from Boss Taylor of Aspermont and averaged 77 pounds and were good Rambouillet.

The Senate is reported to have passed a bill which permits cattlemen to sell breeding stock and count it capital gains under certain circumstances. There have been some lawsuits stem from the desire of cattlemen to take the same advantage of selling wornout livestock as the manufacturers take when they sell old machinery. This way the tax load is lightened. It's a step in the right direction but the resolution should have included other breeders such as hog men, sheep men, etc. and probably will be revised toward that end. There is no sound reason the tax law should deal differently with a livestock producer as compared with a manufacturer.

Fort Worth will be the scene of the Texas Livestock Roundup on Nov. 2 and 3 this fall. The roster of specialists that will appear on this program is a regular Who's Who of people with know-how on livestock matters. Make your plans to visit in Fort Worth on those dates. The livestock industry from A to Izzard will be covered and you will probably learn something useful. Bring the little woman along, she'll enjoy the visit, too!

Bill Pier of the Stockyards, Bill Durham of the Star-Telegram and Layne Beatty of WBAP have been working up the program which we'll tell you more about later.

**FORMER HICO RESIDENT BURIED IN SAN ANGELO**

Funeral services for Robert Newman Shirey, 52, were held at 4 o'clock Monday at the Robert Massie Funeral Chapel in San Angelo. Dr. B. O. Wood officiated, and burial was in Fairmount Cemetery.

Mr. Shirey is a former resident of Hico and was married to the former Myrtle Higgins, who survives him. Other survivors include a father and a sister.

Mr. Shirey, who died Friday in El Paso, had lived in San Angelo for the past 20 years and was a representative for the Stanley Manufacturing Company.

Mr. and Mrs. Jud Massengale and sisters, Nettie Parks and Mrs. Dora Houston, visited their sister and husband and children. Mr. and Mrs. Osford Profit at Rochester recently. They also visited their uncle and wife, Mr. and Mrs. Chink Mullins, and other relatives at Haskell.
