HICO, TEXAS, FRIDAY, MARCH 9, 1951

NUMBER 43

WITH THE COLORS

FROM HICO TO MARCH 15

Two boys from Hico are included in a list of 19 from Erath and other counties who will leave for March 15 for induction into the armed forces, according to a report in the Stephenville Daily Express.

Those from Hico are Odie L. Shelton and Boyce A. Knight. Others are Gerald D. Wyatt, Wayne George, J. D. Sharp, Ray Parham and Billy R. V. Tackott, and Sammie Jones, all of Dublin; Donald Meridian; H. C. Philbrick; James H. Pool, Des Moines; Roy W. Gosdin, Iredell; and Ray Erickson, Meridian; Carroll Finstad, Clifton, and Byron Moody, Bluff Dale.

WINES IN TRAINING

Pat Fred E. Duncan and Pvt. J. Clark Jr., who enlisted in the United States Marine Corps February 12, are now stationed in San Diego, Calif., for training. Though not in the same platoon, they get to see each other almost every day, stated Mrs. Duncan.

Pat is the son of Mr. and Mrs. J. Duncan of Fairy, and O. J.'s wife lives between Hico and on Route 3.

to the Editor

BRING REMINDERS OF DEBT TO WOUNDED VETERANS

Hico, Tex. Route 7
March 5, 1951

We have had belated but welcome rain. Tractors are humming, trees are budding, nature under our spring sun (to us in the open) seems coming to life.

But all persons don't share our fortune. You have been to hospitals and noted that as a rule are not pleasure spots. You remember when Mother, Daddy, Little Sister, Big Brother, or neighbor was in the hospital, visited and cheered them all could, and he or she usually more to your ministrations than he or she did to the nurses' medicines. It is a fact worthy of remembering.

Yesterday we visited the Veterans' Hospital in Temple. After seeing its seeming miles of corridors, we think that this is one of the biggest and best of its kind. I found it quite different from ordinary hospital where almost all patients are local persons. We think that the patients in this hospital are from all over the United States. It seems that their treatment from the staff is the best, but many of the men seem to feel they are forgotten by many very people for whom many of them gave their all—their health. Of course, these men don't think much in so many outspoken ways, but a careful observer can tell between the lines and on their faces. Many of them are and they are starved for due recognition and for plain, everyday human sympathy. If you or I were in a hospital, hundreds of people from the place that we once called home, among strangers, and in a room where mail would be as scarce as the proverbial teeth, could we respond to their needs and condescendence? We think that this very real situation does exist for many of these hospitalized inmates.

ORAL: If you have an acquaintance among these hospitalized men, show him or her by a letter a personal visit that you do appreciate what he tried to do for our country. He once was a flower of American manhood; a faded flower now; he gave his life; it's not too late to give us—we are in the red. Let's get it in black. Let's help bring Spring's sunshine spirit to forgotten hospitalized inmates.

ROY DERRICK

NO FILE FOR MANY SEATS CITY COUNCIL

Five candidates have filed for office of aldermen, according to an announcement from the City Clerk's office.

W. C. Sellman, incumbent, and French have entered their names on the ballot. Final filing was Saturday, March 3.

By election is to be held Tuesday, April 3, with two offices to be on the city council. No officers are to be elected at that time.

City council judges announced by city council at their Monday meeting will be Joe Guyton, Mrs. W. Marshall and Mrs. L. J. Berry.

Members who are to continue on the council are Henry Ernest Jacobs and H. W. Ward. The other member term expires is Max Hoff-

VOL. LXV

It Would Be Cheap At Half the Price

Old Issue of Home Paper Indicates We Are Robbed

John Leach renewed his subscription this week and brought along a copy of the News Review dated September 11, 1914, which carried an account of the death of his father, A. J. Leach, at the age of 66. Five children were named as survivors in that article: Mrs. A. A. Fewell, Mrs. A. D. Pierson, H. J. Leach, John and Miss Maggie.

The late Mr. Leach had moved to Hamilton County in 1882, the paper read, "where he has since resided until his home-going September 3, 1914, living such an earnest, humble life that everyone admired it."

In another part of that same paper, signs of the times were reflected. "Twenty pounds of sugar for \$1.00 cash to each customer buying \$10 worth of groceries Saturday" was offered by a leading grocery store.

Closing seasonal sales on dry goods advertised gingham at 10 cents per yard, and the highest price on poplins was 50 cents per yard, while 72-inch satin damask sold for 75 cents per yard.

In contrast the subscription price for the NR, published then by W. Straley, editor and manager of the Hico Printing Co., was \$1.00 per year (as compared with \$1.50 per year charged now for people in this territory). Pardon our obvious plug, but we couldn't help commenting that inflation certainly has affected every expense item connected with newspaper publishing, but that it sure is slow showing up in the customer's price for this weekly palladium of publicity, in comparison with other N E C E S S I T I E S.

Mrs. Tyrus King—who called us last week to tell us to be sure and continue her subscription because she would be in to pay up as soon as she could get to town—missed her paper Friday! But she got it the next day, and it turned out that it had merely been caused by a delay in mail delivery. Tyrus came in this week to tell us about the discussion that went on between the time his wife missed her paper and the time she phoned the editor to inquire about it.

"Maybe he forgot to send it on," she said.

"No, the editor—our old neighbor—wouldn't forget," said Tyrus. "Oh, he might; he's as old as I am, and I almost forgot," Mrs. King retorted. And so she decided to phone again and find out.

We're sorry your paper didn't arrive on time, Mrs. K., but we're also glad you realized something was missing that Friday.

Mrs. J. C. Blackburn was in the office Tuesday to renew her subscription and gave us a report on her husband, who has been ill with the flu for some time. We hope he will soon be well, and in the meantime, that he enjoys keeping up with his friends through the home paper he's read so long.

Something to think about is what Tom Griffin, Route 1, gave us along with his subscription renewal Tuesday. He began by telling us that he took the paper for five years at one time during the war, and thought that time would never be up—but it was before he knew it.

It's just like someone else told him once, that "when you're 20, over half your life is gone, live to take you just as long as you can to 21 as it does to reach 85."

A subscription for another year for Mrs. Dea Massingill, Alameda, was entered Saturday by her sister, Mrs. J. C. Malone of Waco.

"We have taken this paper for many a year and plan to keep on taking it," said Mrs. Myri Norrod, Route 4, in renewing Saturday. Our records show that the Norrod family has subscribed continuously each of the 21 years during the NR's present ownership, and perhaps before that.

N. N. (Shakem) Akin came by the office Saturday to renew his subscription. "I think my time is out, but you didn't send me a statement," he said. The only reason he didn't receive one is that the statements have not yet been mailed to subscribers with February expiration date.

W. C. Sellman, Route 5, more of an old-timer in these parts than his looks and bearing would indicate, cast a few aspersions on the editor's appearance last Friday. Thinking Willard meant we looked disheveled on account of having sat up all night with an ailing newspaper, the editor tried to explain there wasn't anything wrong that a good bath, a shave, and a change of clothes couldn't remedy. But that wasn't what he was talking about. He said he meant the editor wasn't photogenic, judging from a couple of photographs he had glimpsed not long ago. Now we'll have to get out our high school annual and convince him

what a manly physique (in basketball and football uniforms) and a properly photographed profile look like. The intervening years have made no change—maybe. Thanks, anyhow, Mr. Sellman, for the subscription renewal. And you can move to town just as soon as you want to, for we know you're getting tired of answering questions about when that house down in the southwest part of town is going to be ready for occupancy.

Elmo White, perennial county clerk of Erath County through the fact that he's considerate, thoughtful, efficient and a number of other nice things, came down from Stephenville Saturday on one of his too-seldom visits to Hico and dropped by the NR office to renew his subscription while he had the matter on his mind. He said he always remembered when his time was out, because June 26 was also his wife's birthday. He may be in a tight spot now, though, for what if he fails to remember her when her birthday arrives come summer?

L. C. Cook, Hico, Route 3, said he knew his subscription did not expire until some time in April, but while he was in town Thursday, he dropped by the NR office to attend to it, in case he forgot to renew in April.

Pvt. Fred E. Duncan, who is now stationed at San Diego, Calif., with the Marines, will be keeping up with Hico and the surrounding territory, since his mother, Mrs. Olga Duncan of Fairy, came in last Saturday to add his name to the list of NR subscribers.

Mrs. G. R. Ables, who has been a constant subscriber since 1935, was in the NR office last Thursday to have her paper extended another year.

M. E. Parks of Fairy, another faithful subscriber, mailed his annual check this week. We believe that he is one subscriber who notes the expiration date on the label of his paper, because he always renews promptly around that date.

State School on City Well Water Systems Completed Here Friday

Six men, who attended the State Water School in Hico ending last Friday, completed requirements and took examinations for C-grade certificates as well as operators. Chester Lowery of Stephenville qualified for a B-grade certificate. The examination was given the men in their respective towns, following the close of the school, by representatives of the State Health Department.

Instructed by J. G. Lynch of the Texas A. & M. College System, the water school was attended by 23 men from surrounding towns. W. R. Hampton and W. C. Watkins attended from the Hico city waterworks department. Hampton reported a very successful school covering information on sanitation of water, purification, filtering, distribution and pumping systems, with respect to well water systems.

Those who were to receive C-grade certificates are Ed Moss, Billy Gene Britton, Wayne Rodman and Clarence Lowery, all of Stephenville; Joe Kimbrough, Valley Mills, and C. B. Berna, Dublin. Hampton and Watkins both received C-grade certificates at a similar school held in Brownwood last year. Five years' experience and 120 hours' credit are required before the next examination (for B-grade) may be taken.

Mayor W. H. Greenalt talked to the men at the closing meeting, and welcomed them back to Hico at any time they wished to hold a school or association meeting here.

Going In Business and Going Out of Business At a Magnolia Station

Vernon Chew is the new manager of the service station formerly operated by D. R. Proffitt for a number of years. "Or, as Ras put it, 'should we use the word, decades?'"

Continuing, and introducing his successor, the retiring operator said: "Mr. Chew is very capable of giving the kind of service that the general public expects to receive at any service station. He is willing, honest, quick, and is young and strong. He has a desire to get ahead in life and will make every effort possible to keep you coming back for good, courteous service."

Mr. Proffitt will continue as agent for Central Freight Lines, Inc. He will have more time to give much better service as agent than the past, he explains, as much of his time previously was devoted to the service station.

J. E. (Shorty) Warren, Veteran Bus Operator, Reaches End of Line

John Elda Warren, affectionately known as "Shorty," who had been driver of a bus on its trips through Stephenville, Hico and Hamilton for a little over 30 years, departed this life Saturday, March 3, following a heart attack, in the bus station in Stephenville. Having just completed one bus run, he was resting in preparation for another he was to have started in 15 minutes.

Funeral services were conducted in Hico Methodist Church Tuesday at 3 p. m. by Rev. J. Fred Patterson, the pastor, and Rev. L. H. Davis, pastor of the First Baptist Church. Interment was in Hico Cemetery, with Barrow-Rutledge Funeral Home in charge of arrangements.

Seven drivers from Continental Bus System, Inc., attended the services and served as pallbearers: Lawrence Crutsinger, W. A. Chapman, Harry Hardee, all of Dallas; W. H. Barney, E. D. Mobley, Charles F. Skelton, all of Fort Worth, and T. P. Jack, Wichita Falls.

Other company officials who came to pay tribute were J. D. Walsh, superintendent, and W. A. Ratliff, safety department, both of Dallas, and A. T. Barrett, public relations, Fort Worth. John and Billy Kemp of Kemp Bus Lines, Mineral Wells, and Harry Laue, insurance official, Fort Worth, also attended.

Scriptures read by Brother Davis included John 3:16 and the 23rd Psalm.

Brother Patterson delivered a consoling message to the family and reminded them that "even though the spirit has departed from this clay figure, it has gone to its eternal resting place." He chose the verse from Isaiah 26:3 for the theme of his message: "Thou wilt keep in perfect peace whose heart is fixed on Thee, because he trusteth in Thee."

Having begun driving a bus for Roberson Brothers in 1920, Shorty was well known to patrons along this route, and his death came as a shock to many people, some of whom did not know him very well, but remembered the smiling, amiable little man who took such good care of their safety and comfort while getting them to their various destinations.

Born September 22, 1888 in Erath County, Mr. Warren had spent most of his life in Hico, having also lived in Stephenville and Hamilton. On June 30, 1912, he was married to Miss Maudie Lynch of Erath County. To this union were born 11 children. Two little boys died in infancy.

Previous to operating the bus, he had worked for Pitt Barnes and Walter Stewart here at the Dodge Motor Company. In 1914 he moved to Stephenville to work as an automobile mechanic.

On November 6, 1920, he began operating for Roberson Brothers bus line, later working for Bowen, until the route was taken over by Continental. Last fall he received awards at a company dinner, where he annexed the title of Master Operator, and was commended especially for 10 years of safe driving for this company. His safety record actually extended farther than that, as he had never had a chargeable accident during his 30 years in the business.

He is survived by his wife; six sons, J. R. of Dublin, James and Ben of Wink, Emmett of San Angelo, Cecil and Donald Ray of the home; three daughters, Mrs. T. J. Roberson of Pleasanton, Calif.; Mrs. D. C. Swisher of London, Panna, Mrs. Ethel Gilley of the home; his father, F. E. Warren, also of the home; five sisters, Mrs. Rosie Sumrall of Alexander, Mrs. Jim McCleery of San Angelo, Mrs. George Patrick of Iredell, Mrs. Will McCleery of Chalk Mountain, and Mrs. Ola Smiley of Wichita Falls; also 11 grandchildren.

Out-of-town relatives who attended the funeral were Mr. and Mrs. J. R. Warren and children, Bobby Jo, Ronnie and Barbara, Dublin; Mr. and Mrs. James Warren, Glenda Dale and Johnny, Mr. and Mrs. Ben Warren and Judith Ann, all of Wink; Mr. and Mrs. Emmett Warren and Joan of San Angelo; Mr. and Mrs. T. J. Roberson and Robbie, Pleasanton, London, Penna.; Also Mrs. Rosie Sumrall and daughter, Alexander; Mr. and Mrs. Jim McCleery and family, San Angelo; Mr. and Mrs. George Patrick and family, Iredell; Mr. and Mrs. Will McCleery and family, Chalk Mountain; Mrs. Ola Smiley and daughters, Wichita Falls; O. W. Rushing, Nacogdoches, and Mrs. J. A. Kelly of Hico.

WEATHER REPORT

The following weather report is submitted by L. L. Hudson, local observer:

Date	Max.	Min.	Prec.
Feb. 28	79	54	0.00
March 1	73	43	0.00
March 2	83	63	0.00
March 3	82	45	0.05
March 4	72	51	0.00
March 5	72	33	0.00
March 6	89	64	0.00

Total precipitation so far this year, 2.37 inches.

They Leave With Excellent Record

Girls' Basketball Team to Lose Five Major Players

Basketball fever is just about over, as the stronger teams battle it out in state meet this week, but the memory lingers on. Hico fans will long remember our girls' team which has made such a good three-year record, and might have won regional title, if it just hadn't been for . . . (various reasons have been heard here; perhaps bad luck is the most frequent explanation).

Yes, Hico girls had their share of good luck, which is a necessary requirement for any winner, but they just didn't seem to have it at the right times. Statistics in total scores, as reported below by Coach Willie Sirman, show that they have made enough points throughout the season to merit high regard in both leagues. Honorable mention, then, and congratulations to the seven lettered players who are not returning, and to their loyal coach whose hard work and interest have taken the Hico basketball team a long way.

Girls who lettered in basketball this year were announced by the coach, as follows:

Jo Jaggars, co-captain; Pat Salmon, co-captain; Jean Sutt, Mary Sherrard, Stella Behrens, Billie Jean Kennedy, Betty Bolton, Betty Jane Goughly, Mary Nell Keller, Nelta Johnson, Jean Sherrard, and Margaret Hampton, manager.

Four of these girls will return next year: Behrens, Bolton, Johnson and Jean Sherrard.

Lettermen in boys' basketball, Sirman said, are these ten: Jim Kennedy, co-captain; Billy Loden, co-captain; Virgil Grey, Steve Garrison, Jim Tooley, Jimmie Ables, Don Ross, Royce Knight, Buck Terry, and Roline Chaney, manager.

All these players expect to be back next year except Kennedy and Grey.

Regional Games

Four of the girls finished their fourth year of basketball for Hico last Saturday night. The Hico team won second place in Regional tournament at Dallas, University Interscholastic League, as they had won second the week before in district in the old league, playing against Meridian.

Duncanville defeated Hico Saturday by a score of 39-30 in the finals, and won a chance to represent Region III-B in the Girls' U. I. L. Basketball tournament at Austin this week.

Four games were played by Hico at the tournament in Dallas.

FAIRY P.-T. A. MEETS MONDAY NIGHT

The Fairy Parent-Teachers Association will meet Monday, March 12, at 7:00 p. m. in the Fairy Gymnasium, according to an announcement from Mrs. B. T. Slater, reporter.

Series of Community Meetings Scheduled For Cotton Growers

There will be a series of Community Cotton Insect Control meetings this month throughout this county, as announced this week by E. R. Lawrence, Hamilton county agent. Below is a schedule of meetings for this section of the county.

A similar meeting, held in the county seat last month, was well attended by farmers in the Hico community, Mr. Lawrence said, and he is encouraged by the interest they have taken in this program.

"Cotton growers of the nation are being asked to produce a crop of 16,000,000 bales this year, he stressed. "However, the department does not want the farmers to sacrifice the good farming methods and practices they have developed on their farms to reach the above goal. One way this production can be reached is through the use of insecticides to control cotton insects, thus planning for greater quality on less acreage."

This year there are some new materials available and new recommendations, Mr. Lawrence stated. These will be discussed in the meetings as listed on the schedule:

Fairy—March 16, 8:00 p. m.
Carlton—March 19, 8:00 p. m.
Hico—March 21, 8:00 p. m.
Lanham—March 22, 8:00 p. m.

(These meetings are to be held at the school building in the respective communities.)

Slides and films will be used to illustrate the talks. Local farm machinery dealers of the county will have a display of sprayers and other equipment for applying the insecticides, and they will also be demonstrated.

Currency Exhibit At Bank to Reveal Interesting History

"Memorable events of history and drama in the lives of our predecessors in America are recalled as we view the display of currency used in various periods," says an advertisement on another page of this issue, inviting patrons of the First National Bank, and the general public, to visit the display there all next week.

The paper currency exhibit will include every type of note, bill and certificate which has been circulated as money in the United States from the early Colonial period to the present day.

Do you know the origin of the expression, not worth a Continental? This explanation, given below, and many other phases of history will be represented at the exhibit.

Colonial notes were issued as early as 1690 by the Massachusetts Bay Colony as a matter of necessity, and all other Colonies eventually issued similar currency. Crudely printed, these notes were easily counterfeited and became almost worthless through depreciation and inflationary printing. To finance the Revolutionary War, the Continental Congress issued Continental currency, several pieces of which are also on display.

The first emission of Continental money, of \$3,000,000, ordered in May, was made in June and July 1775. In 1785, the Continental Congress adopted the dollar as the monetary unit, and in 1786 fixed its value at 375 1/4 grains of pure silver. This unit was derived from the Spanish milled dollar which circulated generally in the colonies. King George III of England, himself, was charged with counterfeiting this Continental currency. It, to, became almost worthless through depreciation—so that to this day "not worth a Continental" means next to worthless.

The notes in English measure are Colonial, issued by the Colonies—those in dollars are Continental currency. On the back of each is printed in bold type "To Counterfeit is Death," but there is no record of any counterfeiter having received this extreme penalty.

The notes are signed by three "trustees," generally men of standing in the community.

Council Condemns Cafe Building that Fire Had Destroyed

Meeting in regular session Monday night at City Hall, the City Council members voted to allow a special rate for water used at Hico Public Schools for sodding the football field, appointed three citizens in charge of the city election scheduled for April 3, and authorized condemnation of the building formerly housing Malone's Cafe for all purposes of rebuilding, in accordance with fire insurance regulations. Located in the fire zone, the frame building as such has been considered unsafe.

Minutes of Mrs. J. R. McMillan, city secretary, gave the following report:

"The council met in regular session March 5. Henry Davis, Ernest Jacobs and H. W. Sherrard were present, with Mayor W. H. Greenalt presiding. Minutes of the last meeting were read and approved. Bills and accounts were ordered read.

"Davis moved, Sherrard seconded that they be allowed and ordered paid as read. Motion carried.

"Coach Willie Sirman came before the council in regard to water for sodding the football field. Davis moved, Sherrard seconded that the school be allowed water from March through October at a minimum of \$1.00. Motion carried.

"Sherrard moved, Davis seconded that Joe Guyton, Mrs. L. J. Chaney and Mrs. Marvin Marshall be appointed election judges. Motion carried.

"Davis moved, Jacobs seconded that the Rodgers Building, formerly occupied by Malone's Cafe, be condemned and any repairs forbidden. Motion carried.

"Sherrard moved, Jacobs seconded that the council adjourn subject to call. Motion carried."

BOB AMEEN IS GUEST AT CUB PACK MEETING

March 1, 1951.—We had our Scout meeting at the Girl Scout Hall. Then we went to the workshop up at the school.

Bob Ameen came up that night.

DOUG MOON, Scout Scribe.

REMINDER ABOUT AN IMPORTANT EVENT

We wish to remind you of the lecture and school, on flower arrangements, conducted by Mrs. Earl White, nationally accredited instructor and flower judge. She attended New York Flower Show School for Advanced Arranging during January, 1951.

Date—Monday, March 12.
Place—The Hico Theater.
Time—4:00 o'clock p. m.
—Garden Club Committee.

Fairy

By Mrs. Eunice Massengale

Fairy Girl Cagers Enter Regional Play At Brownwood

The Fairy High School basketball team, accompanied by Irvin Jones, coach, and Mrs. Irvy Petrick, sponsor, went to Brownwood last week and participated in Regional play Friday and Saturday, March 2 and 3.

Friday morning in a rather one-sided game in which Fairy won by a score of 54 to 23. Friday night they tangled with Priddy in a hard-fought game, which ended in a 27 to 21 victory for Fairy.

Saturday morning, in the semifinals, the spirited Fairy lassies played a very fast, clean game with Denton Valley and lost to them by a score of 26 to 38.

Denton Valley won the final game Saturday night from Hawley by a score of 36 to 31.

All the Fairy girls rendered good accounts of themselves, in spite of the fact that five of the starting line-up were only partially over the flu.

In the three games played, Fairy made a total of 107 points, as compared with 82 points by opponents. Louise Jackson, star sophomore forward of Fairy, hit the basket for 76 points.

We have had unsettled weather for the past week, with some light showers. Farmers have been busy reworking oats and planting corn.

Some of the oats were killed by the recent freezing weather, and some that were sown before we received any moisture are now up and looking pretty.

We were very sorry to learn of the untimely death of Mr. J. E. (Shorty) Warren of Hico, who was a former resident of Fairy.

We extend deepest sympathy to his bereaved family.

Miss Nora Abel was brought home from the Hico Hospital last Saturday and is still confined to her bed. We hope she will soon be able to be up again.

E. M. Hoover received a telephone call from his sister-in-law, Mrs. Clyde Hoover of Dallas, last week, stating that her husband had suffered a heart attack and was in a Dallas hospital.

He has suffered several previous attacks. At last report he was thought to be slightly improved.

Mrs. Margaret Jones of Los Angeles, California, who had been visiting with friends here and at Hico for the past week, returned to Dallas Sunday afternoon.

Mrs. Gladys Cox carried her to Hico, from where she accompanied Mr. and Mrs. Roswell Wright to Dallas. The Wrights were in Hico for a week-end visit with their parents, Mr. and Mrs. Ben Wright.

Mrs. Jones will visit a sister in Dallas before returning home.

Mr. and Mrs. Milford Miller and little son of Fort Worth spent the week end with their parents, Mr. and Mrs. A. J. Miller and Mr. and Mrs. M. E. Parks and family.

Mr. and Mrs. Gonzales Rivers and little son of near Hamlet, North Carolina, surprised her parents, Mr. and Mrs. Walter Abel, by dropping in Saturday night for several days' visit, and to be with her brother, James, before he leaves to enter military service March 14.

She is also visiting her aunt, Miss Nora Abel, who is ill. Mrs. Rivers is the former Miss Joylette Abel.

Several from this and surround.

ing communities attended opening ceremonies for the new Whitney Dam last Sunday.

Mrs. Grady Anderson is visiting in the home of her daughter, Mr. and Mrs. Harlon Guinn of below Houston, at this writing.

Dinner guests of this writer Sunday were our daughters and families, Mr. and Mrs. D. E. Allison, Ruby Jean and Darrel, of Dublin; Mr. and Mrs. Carl Ray Sellers, Carolyn and Jimmie Don, and Mrs. Margaret Jones. In the afternoon all attended the opening at Whitney Dam, with the exception of Mrs. Jones who had accompanied Mrs. Gladys Cox to Hico.

During a recent visit with our friends, Mrs. Emma Lackey and Mrs. Maude Whitson, each showed us some art work drawn by Jan Grisham, young son of Mr. and Mrs. Lester Grisham of Fort Worth, who were former residents of Fairy. Jan was quite small when the family left here, and it seemed almost unbelievable to learn that he is now 13 years of age.

Since Lester's father, Mr. Jim Grisham, resides near Fairy and Mrs. Grisham's father, H. M. Allison, resides at Hico, we feel sure local people will be interested in this accomplishment. The Lester Grishams visit here frequently, but we never seem to learn of their visits in time to put their names in our news. Jan has surely executed some nice pieces of art, for a lad of his age.

Mrs. Lackey stated he has been taking lessons in art, but that he was naturally talented for this type of work. Good luck, Jan.

Walter Porterfield has returned home after several days' visit with his son, Mr. and Mrs. Marvin Porterfield of Fort Worth. Glad to report he is able to be out again.

Mr. and Mrs. Carl Ray Sellers and little son, Jimmie Don, were in Waco Monday for a physical check-up for Jimmie Don and to have his brace exchanged for a new pair of special shoes. He is under the care of Dr. Hipps, who gave his parents a very encouraging report upon this visit, stating that the child might be able to discontinue the use of the brace within a few months. It will be remembered by many that Jimmie Don suffered an attack of polio in November, 1949.

We have just received a call from one of our brothers-in-law, E. M. Hoover, stating he had received word from Lubbock that he had a new grandson, born to his daughter and husband, Mr. and Mrs. Ralph Spencer. Mrs. Spencer is the former Miss Patsy Ann Hoover. Mrs. Hoover went to Lubbock Sunday for a visit with her daughter and husband, and also another daughter, Miss Daphne, who is employed at Texas Tech College.

We have also just received word that Mrs. Josephine E. Miller, formerly of Hico, had passed away. She is the mother of Mrs. Lois McCoy, now of Fort Worth but formerly of Fairy. We extend our heartfelt sympathy.

Altman

By Mrs. J. H. McAnelly

H. E. Jones and son, Truett, accompanied Martin Bingham to the Veterans Hospital in Temple Wednesday, where he remained for treatment.

Mr. and Mrs. Harry Yocham and daughter, Kay, of Carlton visited Mr. and Mrs. Harve Yocham Sunday afternoon.

Mr. and Mrs. O. W. McPherson and daughter, Miss Creola, visited Mr. and Mrs. Guy McPherson and son, Travis, in Purves, and Mr.

and Mrs. Lavell McPherson and sons, James and Kenneth, in Dublin Sunday afternoon. Kenneth happened to the misfortune of breaking his left arm Friday night while playing football.

Mr. and Mrs. John Moore were in Dublin Thursday and visited her sister, Mrs. O. V. Graves, who is home from the Dublin Hospital recuperating from an operation.

Mrs. W. S. Morris of Dublin visited Mr. and Mrs. J. H. McAnelly Thursday afternoon.

Willard Young of Palm Rose visited Mr. and Mrs. J. H. McAnelly Sunday afternoon.

Hal Sowell of Tyler came after his uncle Will Everett, Friday and he accompanied him home for a visit with them and his sister, Mrs. Hattie Sowell.

Mr. and Mrs. Truett Jones were Dublin visitors Saturday afternoon. Mr. and Mrs. Emmett Lemley and daughter, June, of Fort Worth were guests of Mr. and Mrs. H. G. Land and family Saturday afternoon.

Henry McAnelly has been ill with the flu since Thursday, but is feeling better at this writing.

Plans Made for 12 Hico Lads to Attend Summer Scout Camp

Boy Scout Troop 99, sponsored by the Hico Lions Club, has made reservations for 12 Scouts at Camp Tahuaya, Heart O' Texas Scout camp near Belton. Ralph Boone, local Scoutmaster, made the reservations. So far it has not been decided which boys will attend camp.

Summer season at this camp will open June 10, as announced by the Heart O' Texas Council.

Members of the troop committee, whose duties are to supervise the activities of the Scouts locally, are Arthur Burden, J. Doyle Love, R. B. Jackson and Truman Roberts.

SHIP BY CENTRAL FREIGHT LINES

PLEASE NOTICE WHEN ORDERING—

On each of your order blanks there is a place to fill in, "How to Be Shipped." For fast, convenient and safe delivery, mark this

"CENTRAL FREIGHT LINES, INC."

We try hard to please you in every respect. Will do my part in making it a pleasure to have your shipping in or out of Hico.

CALL OR SEE ME for any shipment you have going out. Will pick up at your home or place of business.

SPiRiT OF '76

See actual money used through stirring phases of our country's history!

Memorable events of history and drama in the lives of our predecessors in America are recalled as we view the display of currency used in various periods, and now to be shown in this Bank's lobby all next week.

History is replete with deeds of daring, valor, intrigue, and in nearly all of these, somewhere or other, the money of those periods entered into each picture to play its vital and important part. With a little imagination, the display at this Bank might well be titled: "The Romance of Money."

This educational and interesting presentation is offered as a service to the community by First National Bank. It is hoped that among the resultant emotions produced in viewing this display will be an appreciation on YOUR part of the importance of the proper handling of YOUR funds, today! We feel that making First National YOUR Bank is an important step in the proper regulation of your financial affairs.

"EVERYTHING TO BUILD ANYTHING" HICO, TEXAS

Recent photograph of a Texas primary highway

\$115,282,344

Damaged highways, such as the Texas highway shown in this picture, are a hazard to the safe operation of automobiles, farm trucks and other motor vehicles.

It costs three times as much to build roads that will withstand the loads of big trucks now being operated over them than it does for the smaller trucks and automobiles.

Latest records show **\$115,282,344** was spent on Texas highways for the year ending August 31, 1950.

A bill sponsored by the big truck operators is before the Texas Legislature. This bill proposes . . .

- (1) to increase the load limit from the present 48,000 pounds to 72,000 pounds, and
- (2) to increase the maximum truck length from 45 feet to 50 feet.

Recent official highway tests at La Plata, Md., sponsored by the U. S. Bureau of Public Roads, the highway departments of eleven states and the District of Columbia, effectively demonstrated that as trucks increased in size and loads, roads cracked up and "died" more quickly.

We need to safeguard our highways for Civilian and Military use. "Increased heavy loading might seriously disrupt the effectiveness of essential routes in the event of an all-out war," according to T. J. Kauer, director of the Ohio Highway Department and Chairman of the La Plata road test committee.

The big truckers want the taxpayers to continue providing expensive highways for them to use as "rights-of-way" for their own, selfish, personal gain.

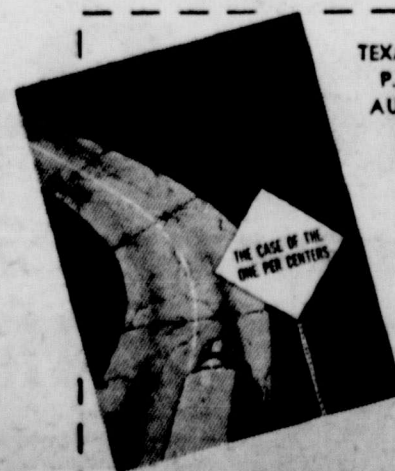

THIS IS A TUG-OF-WAR BETWEEN THE BIG TRUCKERS AND THE TAXPAYERS OF TEXAS!

Automobiles and small trucks do not require extra strong, extra costly highways. The truth is, that the big truckers are putting the "pinch" on the pocketbooks of the Texas taxpayers.

Get the facts. Mail the coupon below for your copy of "The Case of the One Per Centers," and for a reprint of the article published in TIME, January 22, 1951, about the La Plata highway tests.

Bosque Valley Baseball Games To Begin April 1

The Bosque Valley Baseball League met Thursday, March 1, at Hico to re-organize for the 1951 season. Beginning Sunday, April 1, the baseball series games are scheduled to run for 26 weeks.

Leon Lewis, Alexander, was elected president to succeed Rod Elkins. Mr. Lewis has asked that you read your local paper for the news of the entire season.

The president gave the following report of Sunday's meeting of the Alexander Baseball Club:

The Alexander Ball Club met Sunday afternoon for a light work-out, and re-elected Truett Walker as manager and Uel Boucher, assistant manager. About 18 of the boys were out together with two new recruits watching them work out. This made a fellow forget Old Man Winter and think only of the season soon to start again. The boys really looked good. Of course it's too early to make any predictions, but I tell you that these boys sure looked good and are under two capable managers who will give them every opportunity to be ball players if they have it in them.

"They will meet and practice each Sunday evening that the weather permits until the season starts in April. As far as we know now, the same teams who participated in the League last year will again be in battling each other for top place: Alexander, Duffau, Shiloh, Hico, Iredell, and Johnsville.

Early Diagnosis Is Important Step In Curbing Tuberculosis

Austin, March 5.—"It has been well said that procrastination isn't only the thief of time, but frequently the thief of health and life," Dr. Geo. W. Cox, State Health Officer, said today. "Indeed, medical records in physicians' offices and hospitals prove that many persons die because they do not receive early diagnosis and prompt treatment for their condition. An outstanding example of this fact is the great number of deaths from tuberculosis that could have been prevented.

"Tuberculosis is a powerful enemy, no matter what its stage, but the fact remains that early discovery and adequate treatment offer the best opportunity for cure. If the patient upon being told that he has tuberculosis cooperates fully with the strict regimen and discipline outlined for him, the disease can usually be overcome."

Dr. Cox said that in line with some of the other major killers, tuberculosis is insidious in its approach. Acute pain and discomfort are absent usually, and the symptoms are so comparatively mild that the patient is thrown off guard and considers them of little importance. Herein lies the real slaying ability of tuberculosis. "The symptoms which, singly or in combination, demand an immediate checkup by the doctor are easy tiring, a persistent cough, and continued loss of weight.

"While it is true that any of these symptoms can be present without the patient having tuberculosis, this is no reason to imagine that such is the case. Therefore, if one is suffering from any of these manifestations, the only sensible and safe thing to do is to seek the advice of the family physician at once," Dr. Cox warned. "If such a course is pursued, and the condition turns out to be not serious, nothing has been lost. On the other hand, if tuberculosis is discovered, the patient by doing the wisest possible thing has probably saved his life."

AMERICA'S THUNDERING HERD!

MILLIONS OF HARNESSSED HORSES

No wonder the production power of the United States is the envy of the world! Thanks to the businessmen who run America's electric industry, our country has millions of horsepower harnessed to the plants and factories of the nation.

Only last year, ELECTRIC COMPANIES ACROSS THE LAND ADDED POWER EQUAL TO THE WORK OF 150 MILLION MEN! Yes, Roddy El-

watt Power is all set NOW for our great rearmament effort.

We have 5 TIMES THE ELECTRIC POWER OF RUSSIA, and 100 TIMES THE ELECTRIC POWER OF CHINA! Private enterprise has DOUBLED THE AMOUNT OF ELECTRICITY IN THE PAST TEN YEARS... AND KEPT THE COST LOW!

Yes, the electric industry is READY!

America is Strong... It's Electrified!

COMMUNITY PUBLIC SERVICE COMPANY

Personals.

Day visitors with Mr. and Mrs. A. Hendricks were Mr. and Mrs. J. A. Taylor and daughter, Bryant.

Mrs. Mary Nell Ellington and Jo Woodman of Fort Worth spent the week end in the home of Mrs. Jesse Ellington.

Glenn Tooley visited in Hico last week end in the home of his sister and brother-in-law, Mr. and Mrs. Leland Fillingim. He returned home Sunday.

Mr. and Mrs. Wm. D. Bradley Jr. of Hico and Mr. and Mrs. Paul McKel of Dublin plan to leave for Oklahoma City, to attend Music Educators National Conference.

Major and Mrs. Jack Payne and children, Jackie, Rickie, Susan and Jack, came in Saturday from San Antonio to spend a week on the Mrs. Toe-Gen Ranch west of Hico.

Mr. A. R. Pierson of Waco and Mrs. R. A. Cole of Fort Worth were visitors last week in homes of their mother, Mrs. Tooley, their brother, Richard, and the W. E. Cunningham family in Fairy.

Mr. and Mrs. Frank Bonner and Mrs. Furman Goynne and daughter, Carolyn, all of Amarillo, were week-end visitors with relatives here and in Fairy, and also to his parents, Mr. and Mrs. P. Bonner of Dallas, who had come down to meet them.

Mr. and Mrs. Raymond Lowe and children, Joyce Rae and Michael, and Mrs. A. J. Calder, and Mrs. Lawrence Adams and family went to Fort Worth Sunday to visit Mrs. Ruth Roberts and daughter, Mrs. Roberts returned home with them.

Mr. and Mrs. Sam McCollum of Waco spent the week end with their mother, Mrs. C. E. Lester, and Mrs. Lester. They were accompanied here by little Joan Moon, who will visit in Dallas for two weeks in the home of Mr. and Mrs. Albert Worcester.

Mrs. Ila Keeney of Fort Worth spent the week end in Hico and Carlton with relatives and friends.

Mr. and Mrs. Truitt Slone and son, C. W., of Tahoka spent the week end in the home of Mr. and Mrs. J. A. Hendricks.

Mr. and Mrs. Morgan Moon and S. J. Cheek Jr. spent the week end in Dallas with Mr. and Mrs. Woodrow Runyon.

Mr. and Mrs. Max Hoffman and children, Kenny and Susie, of Mineral Wells were in Hico last Monday on business.

Jack Schrott spent last week end in Marshall, visiting his mother, Mrs. J. B. Schrott, and other relatives.

Mrs. H. H. Ramage returned home Monday from San Antonio, where she had spent the week end with her daughter, Mrs. Albert Vickers.

Week-end guests of Mr. and Mrs. S. R. Shook and daughters were Mr. and Mrs. G. C. Edwards and Mr. and Mrs. W. C. Tunnell of Dallas.

Mr. and Mrs. Fred Red Harris and daughters, Diane and Prissy, had as guests at their Circle-H Ranch last week end, Mrs. Glenn Myers, Miss Lurleen Sanders and Joe V. Hughes, all of Dallas.

Miss Gail Milligan of Granbury, accompanied by Miss Carolyn Holford of Hico, spent last week end in Austin, where they attended Founders Day services for Phi Mu sorority on its 96th anniversary.

Theron Eakins and Miss Winnie Eakins of Dallas spent the week end here with their sister, Mrs. Hord Randals, and family and with their brother and wife, Mr. and Mrs. Guy O. Eakins.

Mrs. Charles Shelton and children, Sue, Roger and Margaret Carol, of Fort Worth are visiting in the home of her parents, Mr. and Mrs. Hord Randals and to be with her father, who is ill in the Hico Hospital.

Mr. and Mrs. Sidney Darden of Waco are the parents of a baby girl born Tuesday night, March 6. Maternal grandparents are Mr. and Mrs. H. N. Wolfe of Hico. Mrs. Wolfe, who has been visiting there all week, reported that both mother and daughter are doing well.

Miss Frances McCullough, daughter of Mr. and Mrs. H. McCullough, was initiated into active membership in Chi Omega sorority at the University of Texas last week end. She is a freshman student, and was pledged to the sorority last semester.

Visitors during the week end with Mr. and Mrs. Ben Wright were Mr. and Mrs. Ross Wright, Dallas; Mr. and Mrs. Curtis Wright and little son, Curtis Glen, Fort Worth; Mrs. Gladys Cox, Fairy, and Mrs. Marguerite Jones, Sacramento, Calif.

Miss Wanda Jean Carpenter, student at Providence School of Nursing, Waco, spent Saturday in the home of her parents, Mr. and Mrs. Tullio Carpenter. Other visitors in the Carpenter home and with Mrs. Mollie Harvey Saturday were Mrs. Ted Jones and sons, Vicki and Mark, of Dublin.

Steve Ogle, Tommy Leeth and Frankie McCook, accompanied by their scoutmaster, Ralph Boone, and son Dan Frazier went to Camp Tahuaya near Belton Sunday to inspect the camp, where several of the Scouts plan to attend summer camp. They were met there by I. J. Teague and son, Buddy, who with Mrs. Teague, had been visiting in Moody. Buddy accompanied them home.

Texas Day Program Observed Thursday By Hico Review Club

The Homemaking Cottage was the scene for a Texas Day program Thursday at the regular meeting of the Hico Review Club. Mrs. L. J. Wood was hostess and Mrs. Arch Corbett was co-hostess, assisting in the place of Mrs. E. Bradley, who was unable to attend.

Refreshments were served from plates decorated with Texas maps and bordered in cattle brands. They were part of a collection of plates belonging to Mrs. Wood. Pecan pie, coffee and Cheesecake were served to those present. Napkins also carried out the Texas theme, printed with cowboys, and bordered with cattle brands.

Members answered roll call with "likes and dislikes about Texas." Appearing on the program were Mrs. Bryan Angell and Mrs. J. E. Lincoln. Mrs. Angell told about "Texas from the Viewpoint of a Native Texan." She gave facts on the state's area, climate, products and its historical background. Describing Texans as full of initiative, self-possessed, and well-mannered, she also criticized them for being a bit boastful. Then she illustrated her speech with well-known tall tales about our state.

"Texas from the Viewpoint of an Outsider" was Mrs. Lincoln's subject. "Most tales on Texas are gaudy but not quite true," she emphasized, and further explained that the vastness of the state is largely responsible for this condition. To gather information and opinions on her subject, Mrs. Lincoln had written to different people in other states. Among these letters was one from the state of Washington and one from New Jersey.

The woman in Washington expressed a friendly attitude toward Texas, which was her native state, although she had not lived here recently. She also told about her milkman, a Texan, who had greatly impressed her husband (who was originally from another state) by his extreme friendliness.

The man in New Jersey was impressed by the wide open spaces and long length of straight highways in Texas, as well as the excessive speed on these roads. Above all, he mentioned the friendliness of people, especially of the waitresses in cafes. He said that a number of men working for his company had requested transfers to Texas.

In the club business meeting, the gathering heard an announcement of Public Schools Week and of the assembly program to be held Friday at 12:40 p. m. in high school auditorium. They agreed to cooperate with the observance of this week, sponsored by the Grand Lodge of Texas, Ancient Free and Accepted Masons.

Those in attendance were Mrs. J. T. Appleby, Mrs. S. E. Blair Sr., Mrs. C. H. Boyd, Mrs. W. F. Hafer, Mrs. W. M. Horsley, Mrs. R. B. Jackson, Mrs. Bernell Jernigan, Mrs. Marvin Marshall, Mrs. Lusk Randals, Mrs. Wayne Rutledge, Mrs. Angell, Mrs. Lincoln, Mrs. Wood, and a guest, Mrs. Corbett.

W. S. C. S. Social and Business Meeting Held Wednesday

The Woman's Society of Christian Service met Wednesday afternoon in the home of Mrs. J. Fred Patterson for the regular monthly social and business program.

Mrs. B. E. Gamble was leader of "Colorful Promise in Heaven," a worship program built around beautiful poems written by students of the Cook Christian Training School in Phoenix, Arizona, an interdenominational school for Indians. As a call to worship, Mrs. Gamble read "Thanksgiving," an original poem by an Indian student. Talks were given on the Indian hardships and deprivations due to inadequate budget, and how we of the W. S. C. S. can help.

The business session was presided over by Mrs. S. E. Blair Sr., society president. Refreshments of sandwiches, potato chips, olives, cookies and iced tea were served to the following: Mrs. Bob Duncan, Mrs. J. W. Richbourg, Mrs. J. C. Barrow, Mrs. Lusk Randals, Mrs. W. H. Greenalt, Mrs. Annie Waggoner, Mrs. Roy Stephens, Mrs. J. H. Baldridge, Mrs. W. R. Hampton, Mrs. W. L. Malone, Mrs. John Haines, Mrs. Blair, Mrs. Gamble, and the hostess. REPORTER.

Arthur Auvermann Jr. And Dorothy Snelling To Wed on March 16

Mr. and Mrs. Charles G. Snelling of Gainesville have announced the engagement and approaching marriage of their daughter, Dorothy Louise, Johnson County home demonstration agent, of Cleburne, to Arthur Auvermann Jr., U. S. Navy.

Mr. Auvermann is the son of Mr. and Mrs. Arthur Auvermann of Hico. The wedding vows will be exchanged March 16 in Norfolk, Va.

CARD OF THANKS
We take this means of expressing our appreciation to everyone who sent flowers, brought food to the house, and to the many who showed kindness in any way, following the death of our loved one. May God bless you all.
MRS. J. E. WARREN AND FAMILY.

HOME DEMONSTRATION CLUBS MEET IN FAIRY AND SOUTH HICO

"Due to rising food prices, it pays to know your foods," said Miss Ethel Hander at a home demonstration club meeting in the home of Mrs. Fred Payne Friday afternoon at 2:00 p. m.

The president, Mrs. Carl King, presided over the business meeting. Roll call was answered with "a leader and why he or she is a leader." Mrs. A. M. Corbett gave the council report.

The club voted that each member make one pair of pajamas, size 6, for the Crippled Children's Hospital in Waco. Each club in the county is responsible for two pairs of pajamas, sizes 14 and 16. Mrs. King and Mrs. C. J. Lackey volunteered to make these, with Mrs. J. J. Jones Jr. donating the material.

Mrs. Payne gave an interesting talk on "Developing Leadership and its Responsibilities." Miss Hander gave a worthwhile discussion on comparing different prices of food with the same food values. She also discussed different types of grasses for the lawn, and what effect a grassy lawn has on the home.

A new member, Mrs. G. K. Lewallen, was added to the club. The meeting adjourned to meet in the home of Mrs. C. J. Lackey on March 23.

Refreshments were served to Mrs. Jasper Jenkins, Mrs. J. F. Harris, Mrs. C. J. Lackey, Mrs. Chester Wood, Mrs. Bill Lackey, Mrs. O. R. Willford, Mrs. Jones, Mrs. Lewallen, Mrs. King, Mrs. Corbett, Miss Hander and the hostess, Mrs. Payne. REPORTER.

Varied Program For New Club Year Adopted by B. & P. W.

The Business and Professional Women's Club held their regular meeting Tuesday night, and went in a group to the high school auditorium to attend the band and choir concert. Mrs. J. Fred Patterson was hostess to the club at the Methodist Parsonage for a business meeting, following the program at school.

Yearbooks for the coming club year, to begin in July, were discussed, and members voted on a year's program entitled "Our World," a varied program to include topics of current events, the Bible, health and safety, decoration of homes, a book review, vacations and other seasonal events. Mrs. L. N. Lane offered several suggestions, and the club voted to accept this program as being more flexible.

Mrs. L. S. Chandler was appointed to serve on the yearbook committee with Mrs. Lane. Mrs. W. E. East, Miss Louise Blair and Mrs. Lane were elected to serve on the nominating committee for election of officers to be held at a later meeting.

Mrs. W. H. Greenalt, president, requested that the ladies help with the civil defense program being inaugurated here, if they should be called upon to do so. Other business included a vote to meet 12 months of the year, rather than to adjourn during the summer months.

A motion carried to the effect that fines be enforced, with money collected in this manner to be contributed to the local Girl Scouts. Refreshments of peach and vanilla ice cream were served by the hostess to the following members: Mrs. Wm. D. Bradley Jr., Miss Carolyn Holford, Mrs. East, Mrs. Lane, Mrs. Greenalt, Mrs. Chandler and Miss Blair. REPORTER.

TWO HICO STUDENTS AT HARDIN-SIMMONS

Abilene—Two students from Hico are among the 1400 students who are enrolled this spring at Hardin-Simmons University. They are Charles Clifford Herrington, son of Mr. and Mrs. R. A. Herrington Sr., and William Robert Jackson, son of Mr. and Mrs. R. F. Jackson.

Opening classes began Jan. 31 and will continue through May 28. University officials report a decrease of approximately 200 from the fall semester, largely due to men being called into the armed services.

MOVIE ENJOYED BY GUESTS AT BIRTHDAY PARTY MAR. 3

Mrs. C. H. Massey entertained Saturday with a birthday party honoring her daughter, Patricia, on her eleventh birthday. Friends who attended were Ann Hutton, Wanda Griffiths, Valetta Holley, Kendall Hamrick, Ginger Jones, Buddy Ables, Butch Eubank, Billy Booth and Benny Gilley.

Cake and ice cream were served after the gifts were opened. Later all the children were treated to the movie at Hico Theatre.

SINCLAIR STATION CLOSES, GANOE MOVING TO PYOTE

Mr. and Mrs. Norman Gano, who have operated the Sinclair service station and cafe on the highway toward Stephenville since last May, have announced their intention of ceasing operation this week, previous to moving to Pyote Sunday. The station is owned by Paul Marr of Stephenville.

Norman was employed at Pyote Air Force Base before they came to Hico last spring, and will resume his job there in the maintenance department. Their parents have lived in Hico formerly, and her parents, Mr. and Mrs. John Trammell are still residing here. His mother, Mrs. Marie Gano, is living in Stephenville.

NOTICE TO LOCKER BOX CUSTOMERS—

EFFECTIVE APRIL 1, WE WILL BE ON A SLAUGHTERING QUOTA BASED ON 1950 PERIOD

All slaughterers must be registered with the Office of Price Stabilization by March 15, and have a license by April 1. This includes Beef, Sheep, and Swine.

ANY EXCESS OF QUOTA WILL BE SUBJECT TO HEAVY PENALTY. See us without delay before the March 31st deadline.

AS WE UNDERSTAND IT— It does not mean that you as an individual will be affected by the number you have slaughtered and processed. But we at the Locker Plant will only be able to slaughter and process as many as the O. P. S. quota allows us.

When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP

If Your System Lacks Vitamins B₁, B₂, Niacin and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B₁, B₂, Niacin and iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jimenez, 141 East 13th St., Fort Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B₁, B₂, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jimenez says she is always going to have HADACOL on hand for Floyd.

recovering from a siege of a bad cold.

He was very run-down, lacked an appetite, and I started giving him HADACOL. After about a bottle and a half I could not recover from a siege of a bad cold. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd.

Floyd Jimenez

Men, women and children of all ages are praising HADACOL for supplying Vitamins B₁, B₂, Niacin and iron which their systems lack. Don't let that "After-Cold Run-down Feeling" drag you down—HADACOL can help you, too, if you suffer such deficiencies. Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take of your money back. Trial size, \$1.50; 30-day economy size, \$3.50.

IREDELL ITEMS

by Miss Stella Jones, Local Correspondent

Mr. and Mrs. Lester Owens of Fort Worth spent the week end with his parents.

Mrs. Peavy of El Paso died Monday of last week and was buried Wednesday. She was Mr. Fuller's niece.

Junior McDonel of Dallas spent the past week end with his parents.

Mr. and Mrs. Andy McDonald and children of Dallas spent the past week end here.

Miss Ila Locker visited her brother, Rayford, and wife in Meridian Monday.

Mrs. Estelle Whitley was co-hostess in the shower for Mrs. Bond. I overlooked it.

Mr. and Mrs. Leo Johnson of Fort Worth spent the week end with her parents, Mr. and Mrs. Loader.

Mr. and Mrs. Vawter of Fort Worth spent the week end with her parents, Mr. and Mrs. Obie Dunlap, and other relatives.

Mrs. Long has returned from the Clifton Hospital and is at the home of her daughter, Mrs. Bradley. Her sister from Bluff Dale is with her.

Mrs. John Miller is visiting her children in Dallas.

Tom Simpson, who is in A. & M. College, spent the week end at home.

Mrs. Moore of Glen Rose is visiting her sister, Mrs. R. D. Ford.

Mr. and Mrs. Stanley Whitley of Dallas spent the week end with his parents.

Mr. and Mrs. James Porter and children spent the week end with his parents. They live in Fort Worth.

Mr. and Mrs. G. W. Wilson of Waco spent the week end with his parents.

Mr. Peavy of El Paso spent the week end with his uncle, Mr. Fuller, and wife.

Miss Joyce Faye Whitley of Dallas spent the week end with her parents.

Born to Mr. and Mrs. R. V. Mize, a son on March 3, in the Holt Hospital at Meridian. The young man weighed six and a half pounds upon arrival. The parents live in Grand Prairie.

Mr. and Mrs. Lloyd Adams of McGregor spent Sunday with her parents, Mr. and Mrs. Landis.

Mrs. Jake Ratliff visited her mother, Mrs. Million, who is in the Stephenville Hospital.

Mrs. G. C. Rhoades of Hico, who was at the bedside of her mother, Mrs. Hudson, had a heart attack on Tuesday and was taken home Wednesday night.

Mrs. Tom Phillips has returned to her home near Mexico after a visit with her brother, Mr. Echols, and wife.

Edward Dunlap of San Angelo visited his parents a few days this week.

Mr. and Mrs. Robert Wiley and children of Fort Worth visited her uncle and aunt, John and Sue Tuggle, on Monday.

Mr. and Mrs. Musick and her son of Fort Worth spent the week end with her mother, Mrs. Maness.

Mrs. A. N. Pike and Mrs. R. Y. Patterson visited in Meridian Thursday.

Mrs. Vella Harris of Fort Worth spent the week end with her brother, Q. A. Fouts, and wife.

The out-of-town relatives and friends who attended Mr. Hughes' funeral were: Mr. and Mrs. W. H. Hughes, Mr. and Mrs. Dale Hughes and family, Mr. and Mrs. Vernon Hughes and son, Mr. and Mrs. Fred Hughes, Mrs. Jerry Green, and Mrs. Earl Bates, all of Fort Worth; Mrs. Stinnie Brown of Mineral Wells; Mrs. Hyde Hamilton and daughter, Miss Ruth Hamilton, of Dallas; Mrs. Lola Goodin, Mrs. Clarence Moore and daughter of Glen Rose; Mr. Bob

Moore of Kopperl; Miss Ida Moore of Hico, and Mr. and Mrs. Oscar Blackwell and family of Cleburne. There were some more, but I failed to get their names.

The W. S. C. S. was entertained Monday afternoon, Feb. 26, at 2:00 p. m. in the beautiful ranch home of Mrs. B. N. Strong. She was assisted by Mrs. J. L. Tidwell. Mrs. Blakley had charge of the program and it was on "The Health of the Indians." Mrs. Pike, Mrs. Wallace, Mrs. Alex Pruet, and Mrs. L. J. Simpson were on the program. After the program, we had some games and contests. A surprise box was fixed up by Miss Stella Jones. Mrs. R. O. Burns guessed it and it was a vanity set. Refreshments of punch, cookies, sandwiches and candy were served to a good crowd. Mrs. Rachel Harris and Mrs. Mayme Barrow of Waco were our guests. All enjoyed the program and social.

Mrs. Barrow returned Friday to her home in Waco after a visit with her niece, Mrs. Pike.

Mr. and Mrs. Lynn Sawyer of Waco spent the week end with his mother.

Mr. and Mrs. Grady Adkinson and children of Fort Worth visited his mother, Mrs. T. M. Tidwell, and Madden on Sunday.

Mrs. Burns has a new Plymouth car. All the family went to Cleburne Sunday to try it out.

Mrs. C. A. Mitchell returned Wednesday evening from the Stephenville Hospital and is doing fine.

Mrs. Squires, who celebrated her 93rd birthday recently, got 30 cards from here and she thanks all for them. She is doing nicely.

Mr. and Mrs. Virgil Early of Fort Worth spent the week end with her parents, Mr. and Mrs. Webb.

Mrs. W. B. Worrell of Waco was here Monday. She is with her mother of Hico who is in the hospital there with a broken hip.

Mr. and Mrs. B. L. Mitchell spent Sunday in Fort Worth with their son. They heard Evangelist Billy Graham preach. There were twenty-two thousand there. Some had to be turned away.

Mrs. Long's sister is Miss Mae Holden. Mr. Holden, her father, and Mr. and Mrs. Glen Long and son of Bluff Dale spent Sunday in the Bradley home.

Mr. and Mrs. Billy Echols of San Antonio spent the week end with his parents and with her parents, Mr. and Mrs. Hugh Harris. Mr. Echols is confined to his bed.

Sweetwater Birthday Dinner for Grandmother Mary Squires

Grandmother Squires celebrated her 93rd birthday Sunday, Feb. 25, 1951. She has been very ill, but now she is improving. She can sit up some every day. Those who attended her birthday dinner were Mr. and Mrs. G. P. Squires of Sweetwater, Mrs. Della Phillips of Crystal City, R. Y. Squires and family, Gladys Oliver and daughter, Lorraine Sellers, Opal Smith and son and daughters, Imogene Brown, and her daughter, and son, Mr. and Mrs. Eugene Murray, Eva Nell Cassidy, Faye Cassidy, J. C. Tefertiller, all of Sweetwater. Grandmother Squires had two of her great-grandchildren with her for her birthday. She had a pretty birthday cake with 93 candles. Her great-granddaughters, Miss Patricia Ann Squires, age 4, and Miss Edna Irene Brown, age 6, helped to blow the candles out.

Mrs. Squires had a nice birthday and received some nice gifts. Her friends hope she will enjoy some more birthdays.

Duffau

By Elmer Glenecke

We are enjoying this Spring weather and farmers are making preparations for planting corn and other small grains.

J. R. Stringer and wife spent Sunday afternoon with the C. C. Nachtigall family.

O. A. Dickey of the Alexander vicinity visited some old friends, Mr. and Mrs. Milton Decker, and two daughters during the week end.

Bruce and Zura Burgan visited their son, Pete Burgan, and wife in Stephenville Sunday afternoon.

Billie Joe Roberson and wife visited their parents, the Crinity Robersons and Ben Herrins, over the week end.

Shirley Witt and family were dinner guests of Mrs. Witt's parents, the McNells, Sunday.

Mrs. Vella Harris of Fort Worth spent Sunday night with her brother, Will Fouts, and wife.

Mr. and Mrs. J. Harding, who bought the Jernigan place, were visiting his sister in Ballinger this week.

Leland Nabors, wife and son of Eastland County visited Booty Lawrence, wife and family last Sunday afternoon.

Miss Annel Guthrie of Gustine spent the week end with Miss Pat Session.

Louis Hutson is in the Hico Hospital this week, suffering from a stomach ailment.

Jim D. Land and wife motored to Marlin Sunday and visited Mrs. Land's brother, Jess Cox.

Bud Stringer, wife and son, Jerry, and Carrol McLendon were at Rogers Memorial Stadium in Fort Worth Monday night to hear the highly publicized evangelist, Billy Graham.

Remember, Friends, the basketball tournament at the gym here March 16 through 17. There will be some thrillers, so don't miss any of the games.

Millions of Flies Cause Illness and Death Each Year

Austin, March 5.—Millions of flies help to cause illness and death of thousands of children and adults each year in the United States. Hundreds of these casualties may be in Texas this year if residents fail in their responsibility for developing the best possible sanitation measures in the area where they reside. Typhoid fever, summer complaint and other intestinal diseases can be traced to the common housefly as the carrier of the infection.

Dr. Geo. W. Cox, State Health Officer, speaking in this connection, recently said, "Be sure that windows and doors are tightly screened so that stray flies from a careless neighbor will not endanger your family. Be sure that flies are kept away from food, drink and utensils used in the preparation of food. Make sure, if you live in the rural districts, that outside privy vaults are tightly covered so as not to permit the entrance of flies."

"Infections from this source can be picked up and spread to human beings through contact with food, drink and utensils. Keep all garbage covered until collected or buried. Eliminate all breeding places for flies and you will be helping your community in its work of controlling communicable diseases and preventing unnecessary illness."

Now is the time to do away with the winter's accumulation of trash. Clean up and stay clean is a good slogan for communities and individual citizens.

"Let's Talk Live Stock"

By TED GOULDY

Fort Worth, Feb. 28.—Unless all signs fail, there will be considerable fireworks in the livestock news within a very short time.

Price ceilings for livestock, long threatened by the Office of Price Stabilization, appeared to be in the cards within two weeks on some species of livestock at least.

The livestock trade in general feels that the Black Marketeers' dreams will be one step nearer fulfillment when this happens.

Some question as to the timeliness of the discussion is cast on the matter by the fact that all during the week, pressure was applied at all points and most classes of livestock have lost ground in the past week or two.

After last week's dizzy runaway market at Fort Worth, cattle and calf prices slumped from the outset of the week, and one of the sharpest breaks in years was suffered by calves and yearlings.

Most classes of cattle and calves suffered \$1 to \$2 per hundred losses, and in the case of some calves and yearlings which last week found buyers in the stocker ranks, and this week sold for slaughter, the reduction was \$1 to \$5 per hundred pounds.

This was about the same amount these flashy calves had climbed the week before, at which time packers were virtually sent to the sidelines as stocker buyers bid in the bulk of the receipts.

Reports from over the Southwest indicate that this last week's drop in prices resulted in severe financial reverses for cattle speculators. Many of these livestock traders, caught with "high" cattle and calves, unloaded them for heavy losses.

During the week, butcher hogs dipped lower each day until near the close when Cornbelt receipts slackened off and some ground was regained, but hogs on the whole were off \$1 or more at Fort Worth and most other cattle markets. Sows shared the decline.

Feeder pigs, however, sold steady.

Clipped lambs were weaker, some sales 50 cents to \$1 off at Fort Worth this week, but the woolled varieties sold steady to strong. Old sheep brought strong prices also. Feeder lambs in the wool equalled the all time record of \$37.50.

Clairette

By Mrs. Henry Mayfield

The Home Demonstration Club met Friday afternoon with Mrs. Zeph Carter.

Carlton McCage and daughter, Mrs. Baird, of Stephenville, B. L. Smith and Mrs. Dock Finley of Carlton visited recently with Mr. and Mrs. C. D. Richbourg.

We are sorry to report Mrs. B. J. Pruitt is on the sick list at this writing.

Mr. and Mrs. Andy Duncan and Shirley of Fort Worth spent the week end with Mr. and Mrs. Henry Mayfield and son.

Mr. and Mrs. A. L. Thompson and Misses Eunice and Nola Lee spent Sunday in Fort Worth.

A girl was born Saturday at the Hico Hospital to Mr. and Mrs. Harris Haskins.

Mr. and Mrs. Homer Lee returned home from a five-week visit with their children in West Texas this week end.

Work is progressing nicely on the huge ranch home of Mr. and Mrs. Cotton Anderson, south of Clairette.

Mr. and Mrs. Make Johnson of Hamilton were guests Wednesday night of Mr. and Mrs. C. D. Richbourg.

Mr. and Mrs. Wesley Roberson and Buster Roberson of Fort Worth spent the week end with Mr. and Mrs. Herman Roberson.

Royce Lee Mackey has been ill the past few days in the Hico Hospital.

Some of the farmers were busy last week replanting grain.

Guests Sunday in the H. K. Self home were Mr. and Mrs. Dow Self and family of Carlton, Melvin Self and Dalton McIntire of Shawnee, Okla.

"OLE SARGE"

FLIGHT ENGINEERS URGENTLY NEEDED. — The Air Force issued an SOS this week for volunteers for flight engineering training, successful completion of which leads to the job of Flight Engineering Technician, with accompanying flight status and top airman rank. The position has become one of the Air Force's most critical. Further details will be found at your local US Army and US Air Force Recruiting Office.

AIR FORCE TO GET LADY DOCTORS.—A few female physicians are expected to get Air Force commissions and active duty soon. It was announced this past week. The number of women MDs in the U. S. military services has been almost negligible. The Air Force having commissioned none since it became a separate service in 1947. A few are on duty with the Army.

HOLLYWOOD CANTEENS TO REOPEN.—The world-famous Canteen for service men will stage a glittering return to active duty in early April—and after previewing its newest attraction, a magnificent symphony orchestra, servicemen are convinced that the new Canteen will be greater than ever.

"OLD STRIPES" RETURN.—Non-commissioned officers of the Army will once more wear the traditional large chevrons which were in use at the end of World War II, the Army has announced. The large olive-drab chevrons were in use for many years when the Army adopted the use of smaller insignia. For the past five years the Army adopted the use of two types of chevrons, which were worn by individuals in accordance with their assignments. Reversion to the traditional large chevron will eliminate the necessity for individuals to change chevrons upon being transferred from one type of unit to another during current expansion of the Army.

WOMEN IN THE SERVICE.—Young women are greatly needed in all branches of the service. The nation's top ranking officers have nothing but praise for the wonderful job the women performed in World War II. An applicant for the WACs or WAFs will justify her future while serving her country. There is a large field of trades and instructional courses for her to choose from. She may simply apply at the nearest U. S. Army and U. S. Air Force Recruiting Station.

See you in the papers, SARGE.

SINGING TO BE SUNDAY AT PENTECOSTAL CHURCH

Sunday singing at the Pentecostal Church has been announced to be March 11. Several good singers have been invited and there will likely be plenty of song books for all, said A. A. Fewell, in making the announcement.

"Singing will begin at 1:30, but we want people to come early and get a good seat," he said.

WHEN Drug Service IS NEEDED . . .

YOU'LL ALWAYS FIND US ON THE JOB AND READY WITH COMPLETE DRUG SERVICE IN EVERY WAY.

Is Antibiotic Power in Livium The Secret of New Brooder House Magic?

By DR. J. WESLEY NELSON Nutritionist

Did you lose too many chicks last year? Did your flock feather out poorly? Were they slow in maturing, slow in getting into high egg production? Then here is new brooder house magic that can help you make more poultry money than ever before!

Even more chicks should live, grow even faster with amazing new help from wonder drugs like Aureomycin, Streptomycin and Terramycin. Scores of tests at many agricultural experiment stations have shown how these antibiotics help get miraculous results. At Washington State—21% Faster Growth. At Wisconsin Experiment Station—32% Faster Growth.

NOW PRACTICAL FOR ALL

Antibiotics are out of the test-tube stage . . . they're ready to go to work in your brooder house. Nutrena Mills has perfected a highly effective combination of antibiotics, B₁₂ (APF) and other essential vitamins in New Miracle Livium. And only Crumblized Nutrena Chick Starter gives you New Miracle Livium with guaranteed effective levels of antibiotics and B₁₂. You'll be thrilled over the way it helps baby chicks simply surge into dandy broilers and pert, thrifty pullets.

LESS FEED WASTE

The Crumblized form of feed is a fast growing favorite. Folks particularly like Nutrena Crumblized Chick Feed because all fine materials are screened out. Chicks like it too because the uniform beak-size pieces make it easy to find, easy to eat . . . with much less waste.

PROFITS WITH POULTRY

Why take chances? What you want is better poultry profits. And when more birds live, grow faster, mature earlier and get right into high egg production, you're bound to make more money. So there's just one thing to do. Get Crumblized Nutrena Chick Starter, stepped-up with New Miracle Livium. See your Nutrena Dealer now and Be Sure, Be Safe, Be Thrifty.

FHA NEWS

The House of Delegates will have a meeting for Area II at John Tarleton College on March 17. Shirley Prater is our nominee for an area officer.

On March 31, John Tarleton College will be host to the Area II spring meeting of the FHA.

BAND NEWS

The Hico Band went to Brady Saturday, March 3. They participated in the playing and marching there. They received a very nice trophy for the good music and marching that was furnished. The different sections attended the clinics in the afternoon. Everyone had a very nice time and learned a great deal about the different musical instruments.

CHOIR NEWS

The choir, directed by Wm. D. Bradley Jr., has been practicing songs this week to be presented at the concert here in the Hico Auditorium, Tuesday night.

It is hoped that the people in the town of Hico and surrounding communities will cooperate in the building of the band and the choir, so that they may be taught to know more about the music world and its surroundings.

WORM'S EYE VIEW

Here the kids are back for another week of school. The basketball girls were gone to a basketball tournament at Dallas last Thursday and Friday and I really missed them, and the boys that went with them.

I was crawling around in the senior room this morning—which incidentally is a very dangerous place for little worms, or anyone else, in my opinion—and do you realize that they were actually fussing with Mrs. Angell? I never heard such a commotion in all my life. Everyone was talking and no one was listening. One person in particular kept repeating himself finally hear him. This boy was Roline Chaney. I'll just tell you about Roline since you'd never believe all the things I could tell you about these seniors.

Roline is six feet plus, has brown wavy hair, blue-grey eyes, a nice physique, and a simply wonderful smile. He is president of the senior class, or in this case you might call him a referee for the senior arguments—I mean discussions. I have also heard that he's going to be in the senior play. I guess I'll have to go to play practice and by all means go to the play.

There's a Phi Beta Worm meeting today so I must be going. I'll see you next week, kids!

DRIVERS EDUCATION—COURTESY MAKES MOTORING PLEASANT

Day or night, courtesy to other drivers means staying on your side of the road, except when passing, and then only if the road is clear.

Three-fourths of all auto deaths occur in clear weather, and on dry roads; however, they are preventable. To be a safe and courteous driver, you should obey the following rules of the road:

1. Never pass a car on a hill or other places of restricted vision.
2. Drive off the pavement to park your car. Leave parking lights on at night.
3. Never drive when you are tired or sleepy.
4. Keep to the right on curves—even though no other car is visible.
5. Drive carefully on unfamiliar roads.
6. Turn left only from the left-turn lane and right from the right-turn lane. Always give the proper signals before turning.
7. Never pull out into traffic without first looking to see if the way is clear.
8. Come to a complete stop when entering a "Stop" street, or when emerging from an alley or private drive.

Accidents increase when the sun sets. This makes it all the more important to be courteous when driving at night.

If Beyond Control Coughing May Be Signal of Distress

When you get nervous or tired from worry or overactivity, you are frequently aware of the pitter-pat of your heart, the depth of your breathing, and the little occasional coughs you indulge in. As automatic actions of the body, those things are going on all the time whether you are conscious of them or not; in fact, you can work up a cough, change your breathing rhythm and detect your heartbeat any time you might feel inclined to take over conscious control of these operations.

It's when the cough becomes a compulsion, the breathing demanding your attention, and the heartbeat thumping for recognition that you are inclined to consider them as possible signals of distress from your body.

A cough may be considered as a broad hint from the respiratory tract that it thinks it's got something it should get rid of; the respiratory tract can be wrong, of course. But the cough means that air is being forced from the lungs, bronchial tubes and all the way up the tract to the mouth, in order to push along something that doesn't belong where it is. If anything is coughed up, it should be spit out; if nothing is produced by the cough, it is called a dry cough.

Dust, smoke, gas fumes, foreign objects, infections or inflammation along those wet mucous linings of the respiratory tract may all lead to a cough. Growths along that lining may be responsible and parasites in the lungs will cause coughing. Bronchial asthma, an allergic condition, usually starts off as a tight and dry cough, later becoming loose and wet, bringing up lots of sputum with each cough.

Or a cough may be produced by "something" outside of the respiratory tract, such as the swelling or protruding of some vessel or organ adjoining the tract that might push into the apparatus with which you breathe and make it think it's got something to get rid of.

Bronchial asthma illustrates consciousness of breathing as well as the compulsion to cough. Dyspnea is the medical term for difficult or conscious breathing, the kind that means you go off your automatic control of inhaling and exhaling. After a strenuous session of pitching hay, you expect to breathe heavier, and if the day is very hot, whether you pitch hay or not, you know that you breathe more consciously than in a comfortable environment.

But when the weather or the activity neither can be held accountable for difficult breathing, you are likely to seek medical advice for the cause. Any obstruction or blockage of the wet tubes or organs that make up the respiratory tract will make you conscious of your breathing; just to start at the top, when your nose gets stopped up you don't breathe the same as normal. Fever frequently makes you breathe differently and anemia may lead to body demands for more oxygen.

Emotions may play an important role in breathing, coughing, and consciousness of heart action. That consciousness of heart action, especially, can become an emotional circle that spirals, for some reason you feel the throb of an excessively fast beating of your heart, you decide something must be wrong, you get more worried and pay closer attention to your heart, the anxiety and emotion increases the awareness of the throb, and that goes on and on.

That conscious throbbing of the heart is known as palpitation and that rapid beating of the heart is known as tachycardia. There is an old saying that the worse palpitations generally stem from the least serious causes whereas a moderate palpitation may be of much more significance. A sudden step-up in the rate of the heartbeat, which makes you conscious of the rapidity, may mean nothing more than excitement or nervousness, but if persistent or frequent it may be wise—or at least a relief—to have medical attention to rule out the possibility of something wrong, not only with the heart, but some place else in the body.

Aches and pains and chills and fevers are not conditions that you can normally arouse of your own volition; they are considered broader signals of distress, perhaps, than coughs, breathlessness, or consciousness or heartbeat because the latter group can be called up at the drop of a hat. It is when this latter group gets beyond your control that they fit into signals of distress, signifying medical attention is advisable. And whether they stem from physical or nervous disorders, they come under that heading that any persistent discomfort requires medical attention.

Twenty Parents Met With Cub Scouts to Hear Leaders Speak

The Hico Cub Scouts, Pack 97, met at the Scout Hall Thursday night, March 1, for their regular pack meeting with 20 parents present. There were two other guests, Bob Ameen, Field Scout Executive, and Le Roy Chandler.

Opening with a song, "America," led by Arthur Burden, the program featured a skit by the Cubs of Den 2.

Five of the sponsors and leaders of the boys each made speeches offering cooperation with the Cub Scout program.

Robert B. Jackson, president of the Bremen Sunday School Class of the First Baptist Church, which sponsors the Cub Scouts, spoke to the group and encouraged each Scout in his work. He offered every possible aid from this class.

Speaking in behalf of the City of Hico, Mayor W. H. Greenstill also offered to help the Scouts in "every available way."

Monty Ogle was recognized as a new Scout in a speech made by James Hampton, Cubmaster, who presented the badge to Mrs. Bob Ogle, and she in turn pinned the badge on her son. Monty was then officially recognized as a Cub Scout, and the audience responded with joyous applause.

Next was a speech from the vocational agriculture teacher, Doyle Love, who is instructor of the Scouts in the workshop.

Last speaker of the evening was Mr. Ameen from Heart O' Texas Council office in Waco.

After all discussions were completed and approvals met, the pack journeyed to the school to visit the new workshop. This proved to be a very interesting visit for all who went. REPORTER.

Several Boy Scouts Show Advancement At Monday Meeting

Four Boy Scouts accompanied their Scoutmaster, Ralph Boone, to see the new campsite near Belton where reservations for 12 members of the local Troop 99 have been made. A model of this Boy Scout, Heart O' Texas Council camp, Camp Tahuaya, was begun by the troop at their regular meeting Monday of last week.

Meeting at Scout House again Monday night, March 5, the boys worked on advancement. Scoutmaster Boone has decreed that no boy who has been in the troop six months without passing a rank may go to camp, until he passes one. Several boys completed their requirements this week.

Tommy Leeth qualified for second class rank, and three boys began work on first class rank. They were Buddy Teague, Donald Warren and Don Ables. Stalking test was passed by Donald Hughes.

After the Scout work was done, the boys hiked to the river to cook supper and then returned to Scout House to close the meeting with the Scout Oath.

The model of the campsite being made by the boys is of sand and cement. Located on a bend in the Lampasas River, three and a half miles from Belton toward Austin, Camp Tahuaya includes a natural swimming pool, fed by two springs, a rifle range, one large building housing the kitchen, trading post and canteen, and two smaller buildings, a medical building and handicraft shelter. Work is now being done on the swimming pool to equip it with a concrete bottom. Near the camp is part of the old Chisbolen Trail.

Boys who attend from here expect to go to the session, June 10-15.

Public Enjoys Music By Band, Choir and Ensembles Tuesday

Scheduled as an event during Public Schools Week in Texas, a musical program was presented in high school auditorium Tuesday night by the members of the Hico School Band, Choir and ensembles. An appreciative audience of parents, teachers and other interested persons enjoyed the concert, and noted considerable improvement in the groups since the last program had been presented.

O. C. Cook, high school principal, introduced each member of the faculty to the audience, and served as master of ceremonies for the evening. Guest speaker was Truman E. Roberts, county attorney, who spoke on the significance of Public Schools Week.

"Communism or any other kind of 'ism' cannot prevail among intelligent, informed people," he said, emphasizing the fact that schools are the foundation of our democracy. "It is a responsibility of every citizen to be familiar with the operation of our school system," he said, "so that they will continue to serve the purposes that we expect of them."

Wm. D. Bradley Jr., local band director, announced each number played by the band and choir. A variety of marches, overtures and a few light numbers were included. The choir sang three songs, and a special quartet of high school boys, Jim Kennedy, Billy Loden, Ray McWilliams and Kenneth Harvey, entertained with several selections. Novelty numbers were rendered by four young singers, Morris Risenhoover, Sanford Grey and Geoffrey Holladay, playing trumpets, and Karl Calhoun, playing a clarinet. Morris Risenhoover ended the program with a selection at the piano.
