FOR TAX COLLECTOR.

In our announcement column this week will be found the name of A. L. Goolsby (better known to our people as Gus) who aspires to the office of Tax Collector of Houston county, subject to the action of the democratic party. Mr. Goolsby is a Houston county boy, and for a year or more he lived in Grapeland and was employed as salesman by the firm of Faris & Spence, during which time he made hundreds of friends. After severing his connection with this firm, he has been engaged in school teaching in different parts of the county. He is a sober, upright young man, energetic and thoroughly competent to attend to the duties of the office. These qualities should be among the important things to consider in the selection of officers this year, and if the people see fit to elect, we believe he will fill the office satisfactorily.

There is such a thing as too much newspaper publicity. The merchants of Grapeland are not near the danger line yet.

The vast amount of money that has been spent on the Panama canal and the small amount of work that has been done reminds us very forcibly of the Cascade advertisement—"it's all going out and nothing coming in."

Candidates aspiring to be governor of Texas should remember the fate of silent Judge Alton B. Parker, and it's time they were making known their views upon issues of vital importance to the people. We read much about certain candidates "getting very close to the common people," but it is yet to be heard what they will do for the common people.

Mr. and Mrs. Hamilton of Ft. Worth passed through the city Sunday en route to Percilla to visit the family of John Sewal.

FOR COUNTY JUDGE.

John Spence comes before the people in this issue asking for the office of county judge of Houston county, subject to the action of the democratic party.

Mr. Spence is a good lawyer and is our present county attorney. He has served faithfully in this capacity nearly four years and during the entire time his work has been marked with efficiency. Inasmuch as he has made a splendid county attorney, this should specially qualify him to fill the office of county judge to the entire satisfaction of all.

In the mean time give his candidacy due consideration.

Honor Roll.

The following have remembered the Messenger since last issue:
J. W. Jones (new) Grapeland
W. T. Taylor " "
Peter Bridges " "
E. E. Clark " "
J. D. Grounds " "
W. T. McQueen " "
W. A. Shaver (renewal) "
Dr. McCarty " "

Shedrick Herod, colored, (new) Grapeland.

Stell Sharp (renewal) La Texo.
M. E. Bean (new) Forreton, paid by Edgar Bean.

Dave L. Langham (renewal) McCauley.

Dr. J. B. Smith (new) Crockett.

It is indeed gratifying to us to continually add new names to our already large list, and the best part of it is they are coming to us without any great effort on our part, except the effort we are putting forth to make the Messenger a clean and newsy paper. We are prone to think the Messenger has some good friends who are speaking a good word for it. Keep it up, friends, we appreciate it very much.

Ten Nights in a Bar Room.

Cook Brothers' celebrated show "Ten Nights in Bar Room," gave their entertainment in Kingsville two nights this week to an appreciative crowd each night. Each and every one seemed to get the worth of their money. There wasn't the least disturbance, but perfect quietness prevailed during the entire performance. The characters in the play, all of them, did their parts well. The specialties were also exceptionally good, and for the first time we remember of seeing an after concert to a show that was really better than the show itself, it was fine. Little Mary, only four years old, played the part of Joe Morgan's little girl, was as fine as could be found anywhere, and she did not fail to receive the admiration of every one there.—Kingsville (Tex.) Times.

The best way to rid the system of a cold is to evacuate the bowels. Kennedy's Laxative Honey and Tar acts as a pleasant, yet effectual cathartic on the bowels. It clears the head, cuts the phlegm out of the throat, strengthens the bronchial tubes, relieves coughs, colds, croup, whooping cough, etc.—Carleton & Porter.

THE EVILS OF CONSTIPATION.

Everyone Knows When He is Constipated and Everyone Should Know the Risk He is Running When He Fails to Promptly Correct it.

Any Disease Epidemic or Otherwise to Which He or She May be Exposed is Sure to Result Seriously.

There are two ways to remove constipation; the wrong way is to drench the bowels with a powerful, griping, drastic cathartic that injures the coating of the bowel channels and produces an early return of the trouble in a more chronic form. The right way is to use a natural, easy and mild laxative that tones up and strengthens the bowels and leaves a healthful influence behind it. Prickly Ash Bitters will empty the bowels just as thoroughly as the harsher cathartics, and combines all the tonic and strengthening properties necessary to permanently cure the habit.

Accept no substitute. Insist on having the genuine Prickly Ash Bitters with the large figure 8 in red on the front label.

One would think the Laxative idea in a cough syrup should have been advanced long before it was. It seems the only rational remedy for coughs and colds would be to move the bowels and clean the mucous membranes of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the Original Laxative Cough Syrup, the best known cough remedy for coughs, colds, croup, whooping cough, etc. Tastes good and harmless. Carleton & Porter.
