Mr. Levin, of the Crystal Ranch was in town Wednesday and informed us that he had made a contract with Mr. Minens, an oil expert of the great oil fields of Texas, to drill for oil in the Crystal Water. The gentleman is very favorably impressed with the oil conditions in this neighborhood.

The drilling machinery is at the site and actual drilling will be commenced at once.

Pilfered From Registered Letter, Clerk is Caught.

For some time past small amounts have been missing from registered letters coming down the Santa Fe from points north, and the postal detectives have been working on the case. Last Thursday they "loaded" a registered letter which was sent to a fictitious person in Pecos, with a \$10 bill and a half dollar in silver, and other coins marking them for identification. There were three detectives on the train that day. The letter arrived, but had been rifled, so they arrested O. J. Cudd, the mail clerk, and upon searching him found the marked pieces of money. They took him up to Carlsbad, N. M., he having told them that he took the money while in that state.

He escaped from the officers during the night but was apprehended at Roswell the next day. "Verily, verily, the way of the transgressor is hard." It is seldom that a person takes things from Uncle Sam that they are not caught sooner or later.

The clerk had been on this run for the past several years and was well thought of by all who knew him, and the people were shocked to hear of his downfall.

New Grocery Clerk.

The new grocery clerk in the Pecos Mercantile Co's. store is Heard Reynolds, one of the youngest in Pecos, but judging from the way he goes at it, he will soon be a dandy good one. Heard is one of Pecos' very best boys and we bespeak for him success should he choose to make this his calling.

"Shorty" and Mrs. Renfro left the first of the week for Ft. Worth where Mr. Renfro has secured work in a garage. Mrs. Renfro's mother accompanied them, she having been here visiting them. "Shorty" will be greatly missed from the Eclipse part of the U ranch, where he has been employed for some time.

Miss Sue Alley, who is at Carlsbad, assisting in the care of her sister, Mrs. Shannon, who has been very low, reports that she is improving, which is good news to their many friends in this section. They trust that she may soon fully recover.

Mrs. B. R. Stine and children returned home first of the week from their extended visit at Henrietta and other points in that part of Texas, where they have been for the past two months visiting relatives and friends.

Miss Verona Herndon, of Monroe, La., left Thursday for her home after visiting here with Miss Florence Johnson for a couple of weeks. Miss Herndon leaves many friends in Pecos who trust that she will soon

Off to New York to Purchase New Line of Dry Goods.

H. W. Hinkle, the popular buyer for the dry goods and clothing departments of the Pecos Mercantile Company, left Sunday for New York City, where he will select their large fall and winter stock for their retail and wholesale trade. He will be gone about a month.

Mrs. Hinkle accompanied him as far as Dallas where she will visit with relatives and friends while H. W. is in the North.

Miss Blane Anderson, who went to Wichita Falls, visiting relatives, returned yesterday, in company with Mrs. A. O. Anderson, and is quite ill, being troubled with rheumatism. Her many friends trust that she may soon be well again.

Have Moved to Their Claim in New Mexico.

Mrs. J. M. Frame, daughter, Miss Thelma, and sons, Paul and Eugene, left last Saturday via covered hack, for their new claim near Corona, N. M., at their home in the future. Mr. Frame accompanied them as far as Malaga. They have taken up 320 acres and say it is certainly a fine piece of land.

This splendid christian will be greatly missed from among us, as Mrs. Frame has been very prominent in work in the Methodist church and the young people were very popular with their set. May God's richest blessings be ever with them is the wish of their hosts of friends in Pecos and vicinity.

Mr. Frame expects to remain here until next summer at least, but it all depends upon circumstances.

Purchased Part of The Alfalfa Mill Machinery.

F. T. Cook of Loving, N. M., was in Pecos Monday and Tuesday on a business trip in connection with a flouring mill which he is erecting at that place.

He was here looking over machinery in the alfalfa mill and purchased quite a little of it for his mill. He will also grind feed as well as make the flour.

Mr. Cook made The Times office a pleasant call and he informed us that he expected to have his mill in operation about the first of August, this year. He was also looking after the purchase of milling wheat.

Another Fire Alarm Sounded.

Sunday morning about 3 o'clock, when Mrs. W. H. Drummond and daughter, Vida were on their way to the depot to take the Sunshine Special for El Paso, they discovered a fire in the Hubbs & Gardner tailoring and cleaning shop and gave the alarm, which was very promptly answered.

Messrs. Dr. Moore, H. F. Woods, and Jerome R. Dolezal soon had the chemical at the rear of the building, broke the glass in the door and in a jiffy had the fire out.

The loss will foot up to near \$250, which was on a desk and other fixtures, but the heaviest loss was upon clothes which they had there to be cleaned. The loss is fully covered by insurance, and the boys are paying their customers for the clothing destroyed.

It is supposed that the origin of the fire was the careless placing of a cigarette upon the desk where papers and other things were by some one who was in there late changing their suits.

The quick work with the chemical saved Pecos from a bad fire it is believed. A line of hose was strung in short order but no water was thrown from it.

James A. Doll Passes Away.

James Alexander Doll was born on August 10, 1835, in Pennsylvania and passed away in Pecos, Texas Sunday, July 23, 1916, at the ripe old age of 80 years, 11 months and 13 days. He leaves a wife, son, and daughter to mourn his loss.

The remains were prepared for shipment by J. E. Wells, the Pecos Mercantile Company's efficient embalmer and they left Monday for Earleton, Kans. their former home for interment, accompanied by the wife and children.

Mr. Doll has lived in the Western part of Texas for the past six years and has made a good many friends, and The Times joins with them in extending sympathy in this hour of affliction.

Rice-Poitervient.

Mr. Luman Rice and Mrs. Poitervient were married Saturday, at the home of the latter in West Pecos. Homer L. Magee performed the ceremony.

The couple will remain here and expect to start housekeeping on a ranch near Pecos. The Times joins with their friends in wishing them happiness, long life and prosperity.

Clarence Lannom was in Pecos Tuesday from the Flowing Wells farm and kept busy visiting among his many friends. He made this office a pleasant call, and reports that things in general on the creek were in fine shape.

A. J. Adcock, civil engineer for the Consolidated Big Valley & Grandfalls proposition, is in Pecos today and gives favorable reports of existing conditions in that section.

Miss Gladys Prewit is the accommodating cash girl at the Pecos Mercantile Co., while Mrs. Reynolds is filling Miss Sue Alley's place in the Hubbs' department.

Enthusiastic Crowd Watch The Election Returns.

There was considerable excitement on Second street on last Saturday night. The City Pharmacy had erected a large blackboard and had it all chalked off for receiving the returns of the election from this and Loving counties. They also had the band hired for the occasion to entertain between times and things were sure lively. The Elite Confectionery also had a large board and chalked the returns as they were received.

There was lots of cheering as the returns showed up good for certain candidates, and then more when the other one's favorite received the big end. There was very little interest showed outside of the county ticket.

Many were disappointed, but the majority were well satisfied as to how the returns showed up. A large portion of the crowd stayed until the very last box from Toyah was in, which was close to midnight.

Board of Equalization For Pecos City at Work.

Messrs. E. L. Collings, F. P. Richburg, Sully Vaughan and B. G. Warner, comprising the Board, commenced their work Tuesday and have been hard at it up to this writing, Thursday p. m.

We feel sure that the City Dads could not find a better set of citizens to do this work than these gentlemen, for whatever they decide upon will be after close comparison of values of other like properties.

Texas Pioneer Here On A Visit

Col. P. R. Kyle, of Sylvester, Fisher county, arrived in Pecos Wednesday for a short visit to his nephew, Sid Kyle and family.

Col. Kyle landed at Galveston, March 4th, 1845, the year that Texas became a state and has lived here ever since, did good service for the state way back in '55 under Burleson and others.

We had the pleasure of becoming acquainted with him, and found him a most jovial, pleasant gentleman, one whom it is a pleasure to meet and to converse with. He expects to take a trip up to Albert Kyle's ranch, also to Sid's before he returns to his home.

Postpones Land Forfeitures.

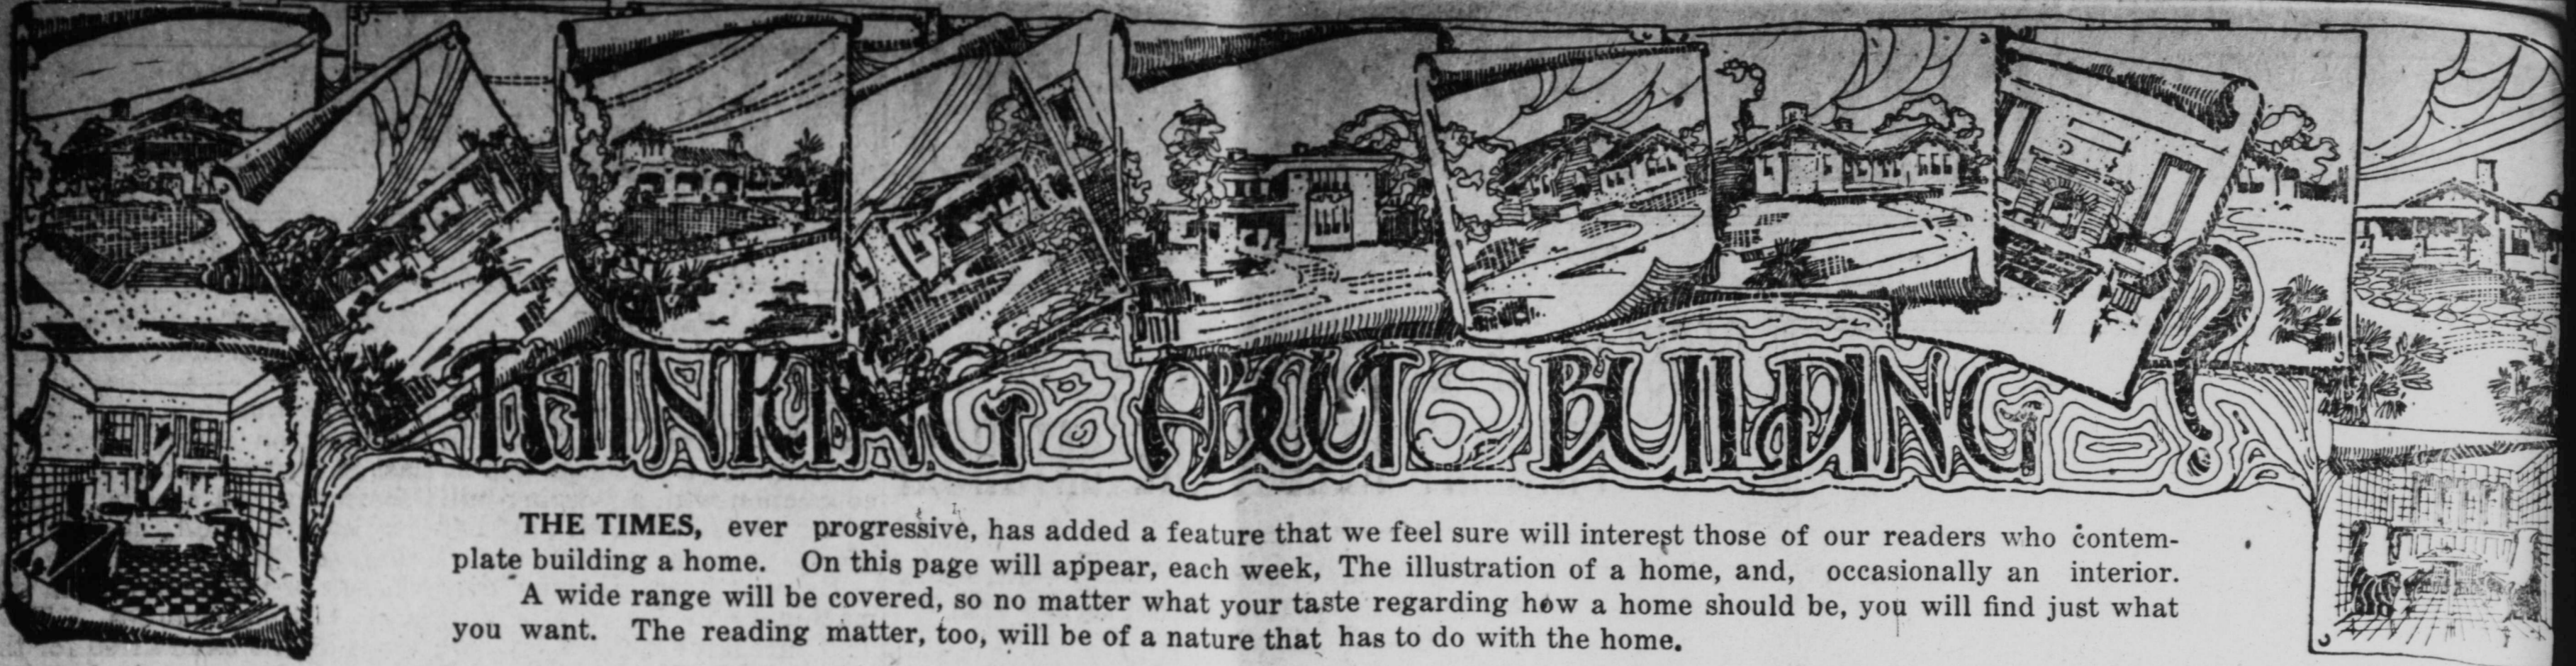

Austin, Texas, July 21. Willie-de Woods, County Clerk, Pecos, Texas. Dear Madam:

On account of the extraordinary bad conditions in the counties of Reeves and Loving by reason of the drouth which has resulted in the loss of a great deal of stock, I have concluded not to forfeit lands in those counties for non-payment of interest to November 1, 1915 as I have heretofore advertised I would do on August 15th.

As to what time forfeitures will be declared I cannot now even suggest, but rest assured ample notice will be given the owners in advance of such forfeiture for them to have plenty of time to pay their interest. I have not heretofore communicated this to your country for the reason some people might have been unkind enough to think I was postponing forfeitures in order to induce people in the counties affected to vote for me. As the election will be held tomorrow, I am sending this at the earliest date I could without your having received it before election.

You are at liberty to have this letter published in your county papers, and I would also ask you to kindly inform your local banks so that they may inform such customers as would call upon them for loans with which to pay their interest. Yours very truly, J. T. ROBINSON, Commissioner.

Messrs. H. R. Wilson and W. C. Wofford were up from Balmoreha Thursday on a business trip in the Hub City.

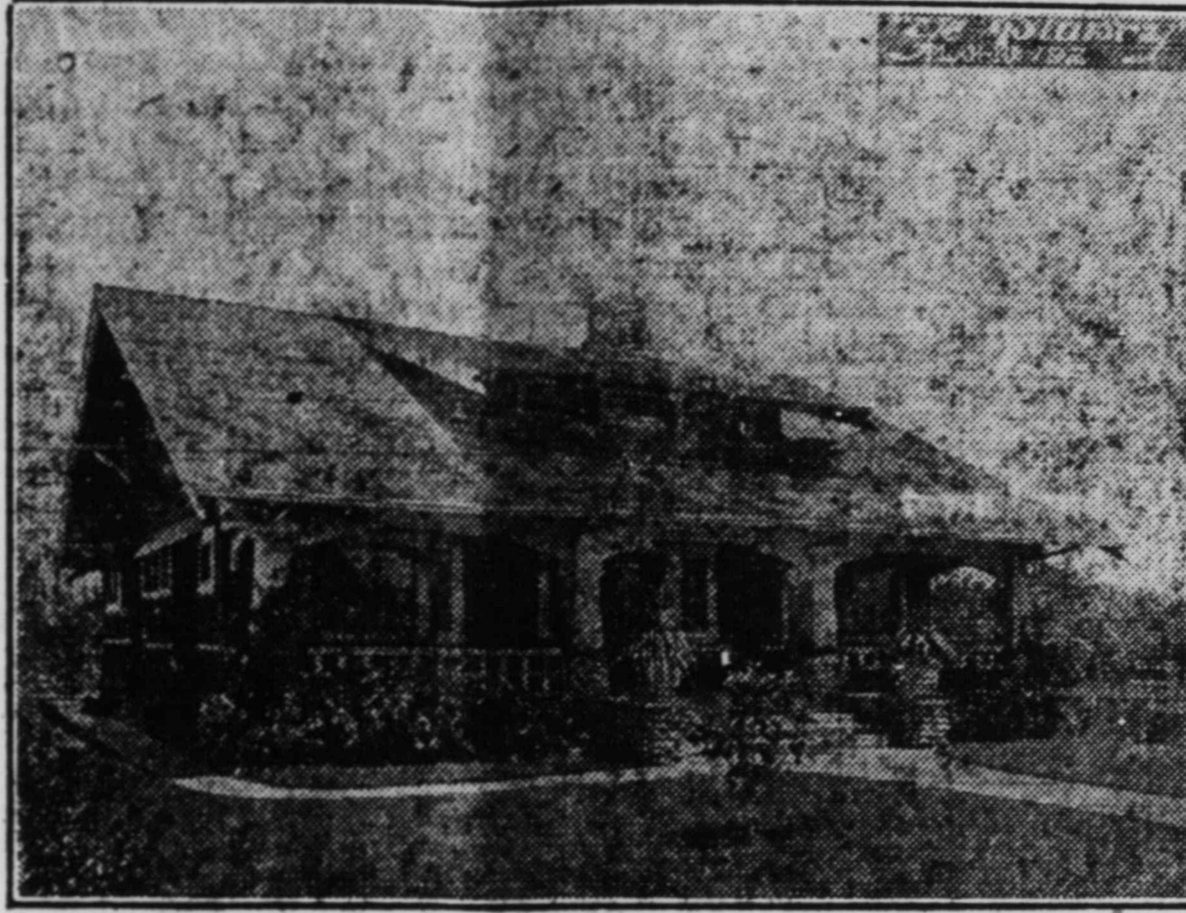

THE TIMES, ever progressive, has added a feature that we feel sure will interest those of our readers who contemplate building a home. On this page will appear, each week, The illustration of a home, and, occasionally an interior. A wide range will be covered, so no matter what your taste regarding how a home should be, you will find just what you want. The reading matter, too, will be of a nature that has to do with the home.

Make Your Home Harmonize.

Not only with itself but with the neighborhood in which you build it. Study the homes adjoining and choose one that lends itself to comparison and see that it is of a type different in architecture to its neighbors have the appearance of a tenement row.

So many streets are built up of homes of so-called stereotypical style. All alike with utter disregard to any artistic effect. Next make your home harmonize with the lot. This is important indeed and will warrant much thought and a little study. As an example: a high terraced lot should have a home of broad, low lines as an offset, etc.

Again, the home itself: harmony in the home is a subject on which much may be said, but a few of the important details should receive the first consideration. The windows are an important factor. They should always be grouped and

A Pleasing Bungalow Home.

An ideal home with five rooms and bath. The living room occupying the entire center of the building, with court in rear. This also affords three-way ventilation to kitchen and back bed-room.

On one side are the dining room and kitchen—on the other the two bed rooms, with bath between.

A feature is a cozy nook back of the living room which in turn leads to the court by means of French doors and windows.

Many built-in features lend to the pleasing attractiveness of these modern homes.

not scattered and should be size and so placed as to lend the exterior attractiveness also the proper arrangement of interior furnishing. All rooms should be so arranged and their openings such as mark them for the use which they are intended. A homely unfurnished should appear as so many box-rooms, but one should be able to discern the various rooms easily by their arrangement openings and wall spaces. Further, the interior decorations should always harmonize in adjoining rooms.

Harmony in convenience well as in appearance is considered such as connecting halls, connecting bedrooms bath. Also kitchen cupboards, sink and space so arranged as to steps.

All of these features are important factors in planning new home and as it is some one's life long abode should be given detail attention.

Wet Territory Narrowing.

It is estimated that one-half the population living in wet territory lives in four states. One-sixth of it lives in six cities. One-half of the saloons in the United States are in 14 cities. In a list of 36 states there are fewer saloons than in New York City. There are fewer saloons south of the Mason and Dixon line than in the city of Chicago. There are in the United States about 2,900 counties, and over 1,800 are in the dry column.

Santa Fe Insurance Plan.

Every employe of the Santa Fe Railway in the service for two years or more commencing July 1st, of this year, has the advantage of safe life insurance without cost. The benefit goes directly to the family of the employe. The lowest amount to be paid is \$250 and the highest \$3,000. It is figured on the rate of pay of the employe and the number of years in the service of the company. The longer the service, the greater the benefit.

The plan is not philanthropic. The purpose of the company is to give its men safe insurance in exchange for faithful service and ability to stay on the job, as the employe as a rule becomes more valuable as he becomes older in the service. This matter has been under consideration for nearly two years and the system effective July 1st will be fairly tested.

Well Advertised "Disguise."

A certain brewery product is advertised by its manufacturers as "brewed for the wise—goes in disguise."

In the Samuel Hopkins Adams column of the New York Tribune a contributor thus aptly comments: "Goes in disguise—I wonder why. Are the breweries ashamed of their product, or is it because the users are such hypocrites that they want their neighbors to believe that they never use the stuff? This advertisement is one of the most telling anti-booze arguments before the public. It convicts any drinker of this particular brand of beer of moral cowardice."

"Kind of the brewing company, isn't it," says a prohibitionist journal, "to so thoroughly spread abroad the picture of its disguised beer crate that anybody half a block off can tell what is in the box."

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

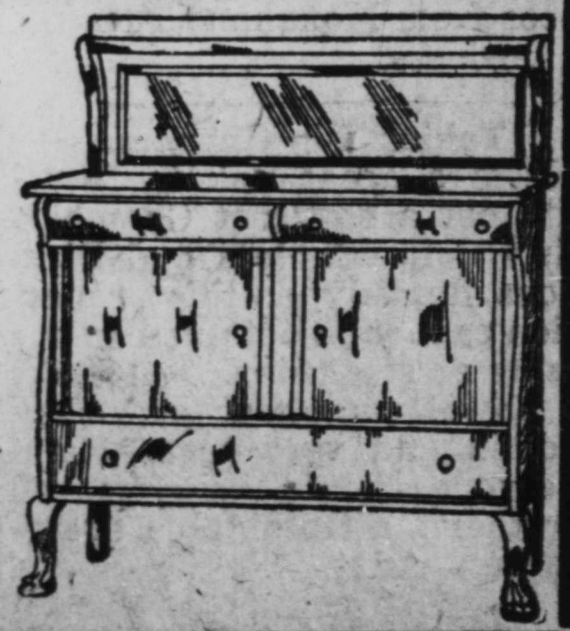

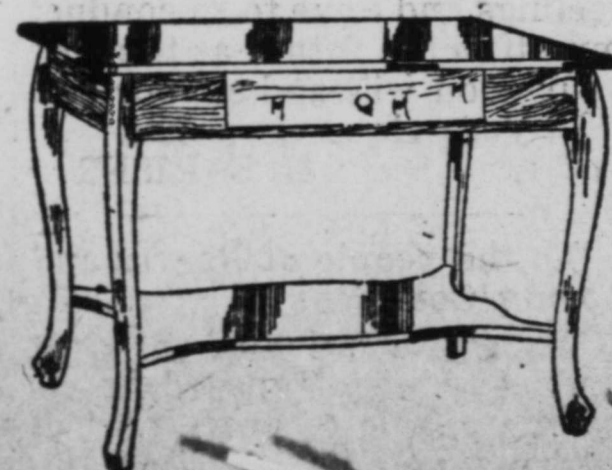

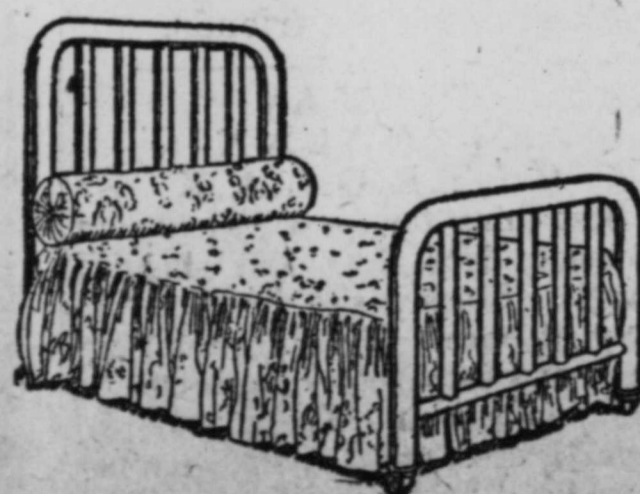

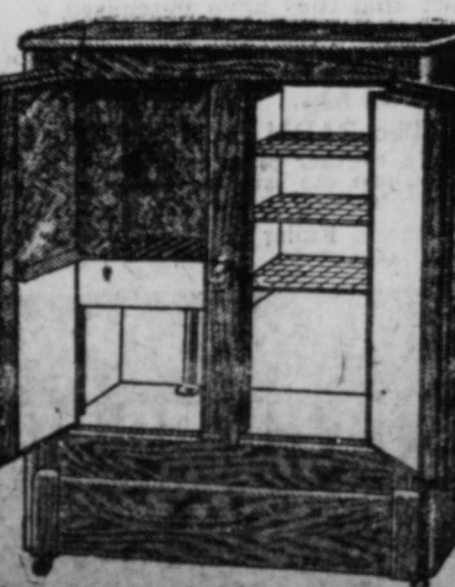

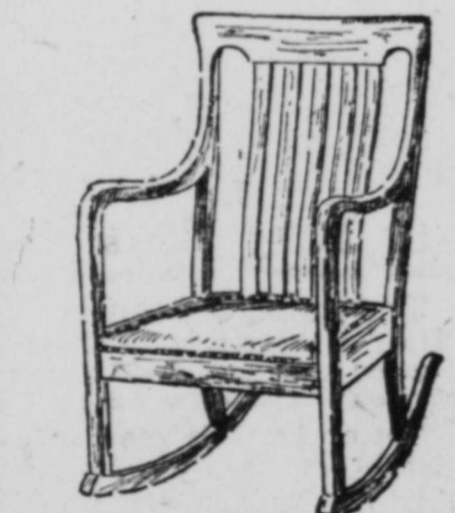

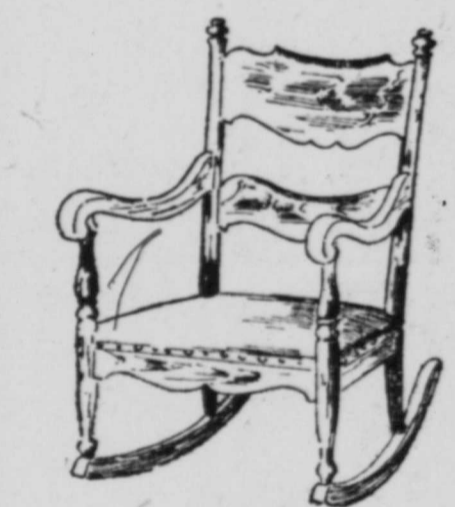

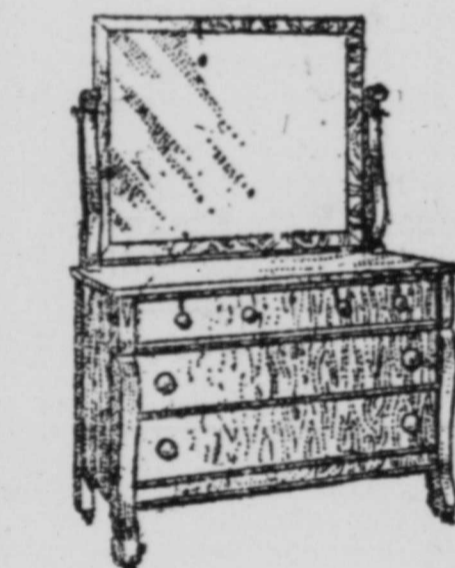

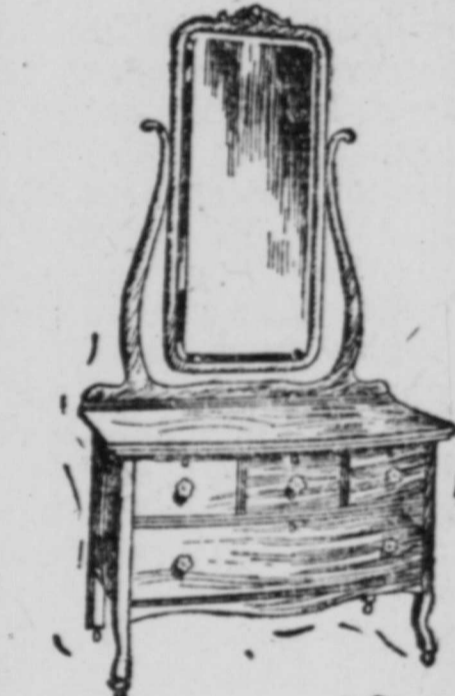

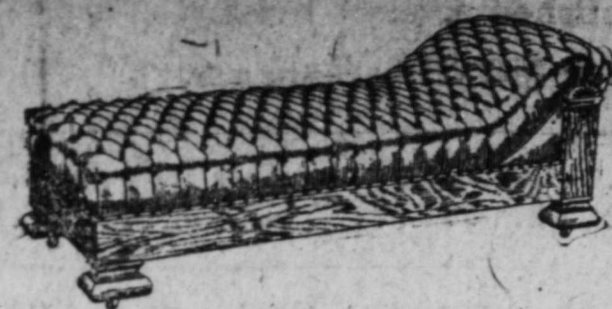

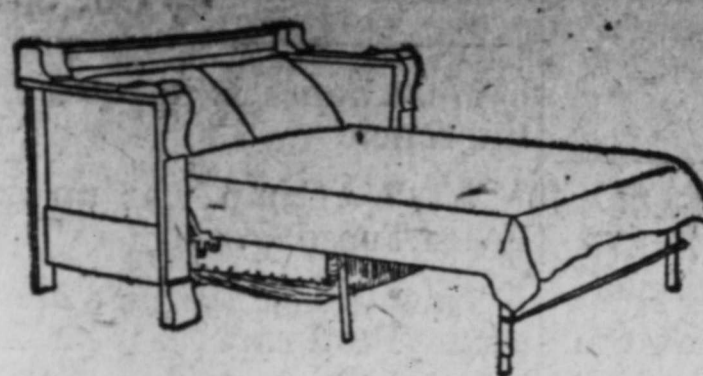

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

ANNOUNCEMENTS

Second primary, to be held Saturday, August 12, 1916.

For Tax Assessor:
W. W. Camp (Re-election).
A. B. Cooksey.

The general results of nearly every election proves to the satisfaction of all that there is still extant some pretty bum prophets.

The election is over, so far as the county is materially concerned. Remember that the next great item is our big annual Fair. Let's be a unit in making it the greatest ever.

All arrangements have been made for the printing of the catalogues for the Fair. They will be printed at this office, and will be ready for distribution about the middle of August.

All anxiety has been lifted from the minds of our county candidates with the exception of the Assessor. This will be run over on August 12th, and both candidates are busily at work.

The submission question and the nominee from the 16th congressional district is still in doubt, and will be until El Paso is heard from. The recorded lead of both can easily be offset by the vote in that city.

We are neither for nor are we against "Cyclone" Davis. Judging from the enormous vote that gentleman rolled up at the recent primaries, we are willing to concede that it is vindication enough of any charges that has been made against him. Had the word "Cyclone" been printed on the ballot the result would have put him further in front of the race.

Barstow peaches are showing up in quantities, and the good ladies are getting ready to put up their supply of fruits for the winter. In our columns you will find the advertisement of Leffingwell & Son of Barstow quoting prices on his fine Elbertas. In another column you will find Vickers & Collins singing the praises of their Mason Jars. Now hunt the sugar and get busy.

All eyes are on the German submarine, which leaves on the return trip to Germany loaded with American products sorely needed in Germany. Those who have contended that the United States was unneutral in selling wares to the Allies now have not a leg to stand on, for this German ship had no trouble in securing a cargo and is being escorted to the high seas by your Uncle Samuel. Fair enough. Our markets are open to the world, selling to all alike, f.o. b., U. S. A.

Mr. and Mrs. Fiske Emery were Pecos visitors Monday on their way to Sedgwick, Kans., for an extended visit with relatives and will return by Sabinal and stop there for a visit with Mrs. Emery's people.

Tom Clumm was up from his ranch near Carmel circulating among his numerous Pecos friends Monday.

Messrs. Arthur Fennehill and Pigge Hogg were over in Pecos from Monahans Tuesday on business.

Taking Big Chances.
It is a great risk to travel with out a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as this preparation cannot be obtained on the trains or steamships. Attacks of bowel complaint are often sudden and very severe, and everyone should go prepared for them. Obtainable everywhere.—Advt.

WORDS FROM THE CANDIDATES

All Thank You Whether or Not They Received Your Support Last Saturday.

Pecos, Tex., July 27.
To the voters of Reeves and Loving counties:

Please accept my thanks and appreciation for your hearty support in my recent candidacy for county attorney. I trust that my acts will merit your confidence.

J. A. DRANE.

To the voters of Reeves and Loving counties:

I take this method of thanking the voters of these counties for the support given me in the race for Assessor, both for the votes cast and the assistance given me in any way, and I greatly appreciate it. I ask that who will to support me in the second primary which is to be held on August 12, 1916, both by your vote and support.

As the time is short I may not have time to see all of you but I trust that you will not hold this against me for I will see you if possible and ask that you consider my candidacy when you vote.
Respectfully,
A. B. COOKSEY.

To the voters of Reeves and Loving counties:

I desire to thank the voters of the county for my nomination in the primary last Saturday. Especially do I wish to thank the voters of Loving county and Toyah for their generous support.

TOM HARRISON.

Pecos, Texas, July 24th, 1916
To The Voters of Reeves County:

I wish to thank you for the courtesies shown me in the campaign closed. I want to thank those especially who expressed their confidence in me by giving me their vote, and to assure them that throughout I conducted a clean and honorable campaign, mentioning no acts of my opponent that could in anywise be considered as reflecting upon his integrity. I did not drag his friends, who supported him, into the campaign.
I am satisfied with the outcome, and I want to also thank those who voted against me, as in the long run, they probably did me the greatest favor.
Sincerely yours,
CLAY COOKE.

To the voters of each voting precinct of Reeves and Loving counties:

I take this method of expressing to you my gratitude for the generous support you gave me in last Saturday's primary.
Your friend,
SULLY VAUGHAN

Pecos, Texas, July 25th, 1916
To the Democracy of Reeves and Loving Counties.

I take this method of thanking my supporters; most heartily for their help and assistance in my recent race for Sheriff. To those of you who voted for me I feel and am under lasting obligations, and to those who supported my opponent I have only the kindest feelings and hope to so conduct myself in the future as to merit your good will and support.
Very sincerely yours,
E. B. KISER

To the people of Reeves and Loving Counties:

My appreciation of the trust and confidence reposed in me by the people of every part of Reeves and Loving counties cannot be measured by words.

Let Your Boys Run It

The Fuller & Johnson FARM PUMP ENGINE is so simple in design and easily understood that a boy can operate it with perfect ease and safety.

Not only is this good educational work for the boy, but it keeps him contented and he takes more interest in the work about the farm. Many farmers owe the keeping of their boy on the farm to the fact that they have purchased a Fuller & Johnson FARM PUMP ENGINE which relieves him of the disagreeable jobs of pumping water, turning grindstone and other despised jobs.

The FARM PUMP ENGINE is finding a regular place in modern farm equipment just the same as the plow, the harrow, cultivator, etc.

Put a Fuller & Johnson PUMPER on your farm.

FULLER & JOHNSON Farm Pump Engine

Come In and See One

WILL make good use of a Fuller & Johnson FARM PUMP ENGINE. The women folks can use it in doing their washing, to run the separator, the grindstone or any light power machine they may want to operate.

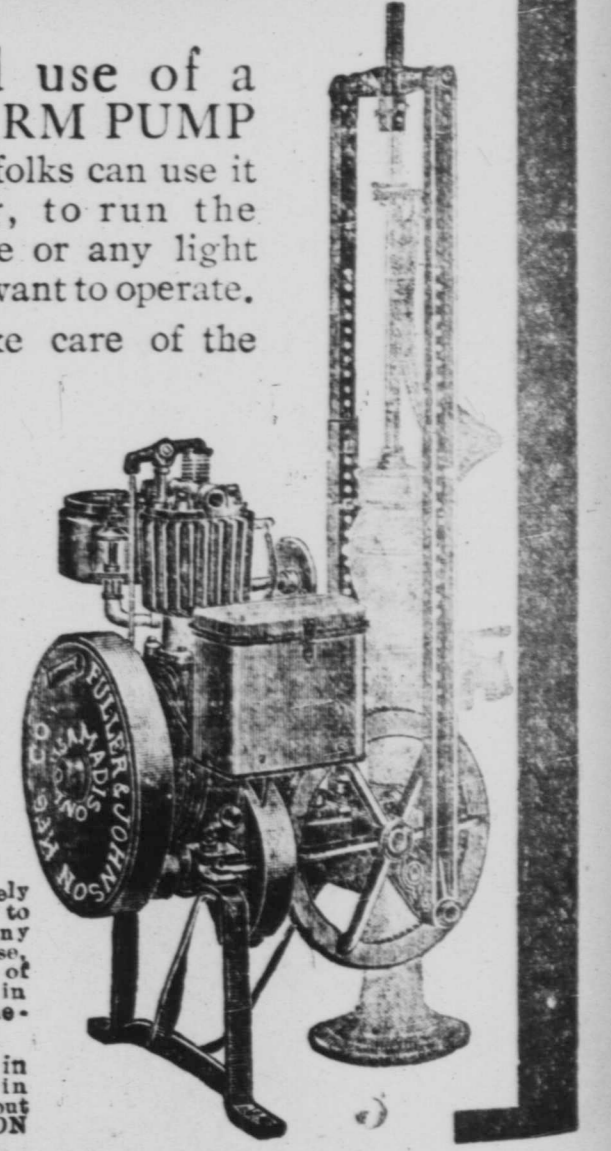

Your children can take care of the pumping and see that your cattle and live stock have plenty of fresh cool water.

Your hired man and even yourself will find it comes in mighty handy many times during the day. It's the best little Labor Saver you can put on your farm.

The cost is very low and the fuel expenses hardly worth mentioning. It comes all complete in one crate with everything necessary to operate except the gasoline. It does not require belts, braces, special platforms or extras of any kind whatever. It is absolutely frost-proof and will not overheat.

Farmers everywhere are buying these engines, putting them on their farms and letting the women folks take care of them. They are simply easily understood and entirely safe to operate, and in addition to relieving the farmer's wife of many disagreeable jobs about the house, will take off from the shoulders of the farmer himself the lost time in bothering with the many round-the-house jobs.

It will be well worth your while in making a special trip to town to come in to our store and let us show you all about the celebrated FULLER & JOHNSON FARM PUMP ENGINE.

PECOS RIFLE CLUB

First Shipment of Supplies Is Received. Trouble In Locating Rifle Range.

Below we give some of the data in regard to the Pecos City Rifle Club which was organized recently:

Rifles purchased	26
Carbines purchased	3
Rifles received	26
Cartridges received	2000
Numbr distributed	1200
Members paid up	54
Applications in	15

New applications are being received daily and will continue until the club numbers 100.

Difficulty is being encountered in securing a site for a rifle range, and it may be necessary to build one in the open as there are very few elevations in walking distance of Pecos that is high enough to stop some of the bullets that might go wild. The rifle used is the 1898 model Krag-Jorgenson, and they are beauties.

In addition to the 26 rifles purchased, a requisition was made for 10 rifles and 6000 ball cartridges of the free issue, but either the requisition was lost in the mail, or is being held up at the office of the Chief or Ordnance at Washington.

Citizens who desire to join the club pay \$2 down and \$1 per year and are entitled to use one of the requested rifles and 120 ball cartridges per year at the range only, and all of the 6000 cartridges must be recorded and accounted for.

If a member desires to purchase a rifle it will cost \$6.10 delivered in Pecos. Ball cartridges will cost 2 cents each at the present quotation. Rifles must not be disposed of to anybody outside the club and are at all times subject to inspection by the secretary of the club.

The executive committee of the club consists of O. H. Beauchamp, president; W. F. Stephen, vice-president; R. E. L. Kite secretary, and Earl Collings, treasurer. Any of these will take your name and money at any and all times if you desire to join the club.

This is a splendid move and we trust that the club can secure a desirable site for their range, and we predict that the Pecos club will soon produce some crack shots.

Her Left Side Hurt.

Mrs. Laura Beall, Plattsburg Miss., writes: "Last April I got in bad health; my right side hurt all the time. I had symptoms of Bright's Disease. I took Foley Kidney Pills and I feel all right now." They will quickly relieve backache and rheumatism, aches and pains. Bladder troubles, too, are corrected by this remedy. For sale at Pecos Drug Co.—Adv.

Picnic Party.

Friday evening some of the "Smart Set" met at the home of Miss Rosa Thomason and heavily laden with buckets filled to overflowing, motored over to Barstow, where, under the beautiful trees a bounteous repast was spread.

After supper this jolly party returned to Pecos and enjoyed dancing at the home of Mrs. Looby. Mrs. Looby and Mrs. Sid Floyd chaperoned the party and assisted in making the evening a most enjoyable one. Those present were: Misses Rosa Thomason, Mildred Obitz, Gladys Prewitt, Warren Collings, Jane Looby, Florence Johnson, Edna Johnson, Lota Robbins, Minnie E. Jordan, of Lampasas, and Miss Herndon of Monroe, La. Mr. David Tudor, Hilliard Hudson, Earl Easterbrook, King Key, Roy Wilcox, Charlie Hefner, and Willie Hudson.

Honoring Mrs. McGlassen.

Mrs. O. J. Bryan charmingly entertained Friday afternoon at her home in honor of her house guest, Mrs. McGlassen, of Bonham.

This attractive home was lovely decorated with summer flowers of Zinnias, sunflowers and nasturtiums.

Six tables for 42 were filled, and little hand-painted bonnet girls in a variety of colors, were used as tally cards.

The Bryan home is famed for its hospitality, and together with its attractive guest, an afternoon to be spent there was looked forward to with pleasure.

Mrs. Bryan was assisted in entertaining by Mrs. C. J. Magee and Mrs. Earl Collings.

After a most pleasant game this delightful affair was then brought to a close by the serving of delicious lemon ice cream garnished with a luscious half of a fresh Elberta peach. Also wonderful silver and gold leaf cakes.

Those present were: Mrs. McGlassen of Bonham, Mrs. Cook of Chicago, Miss Eva Eberstadt of Jefferson, Mrs. S. E. Eberstadt, Howard, Buck, Hankins, Drane, W. A. Hudson, Ward, Simpson, Johnson, Charles, Magee, Pruett, Sid Cowan, Earl Collings, Adams, Prunty, Woody Browning, Brooks, Sam Means, Sisk, Douglas, Kirksey, Hubbard and Doty.

Club Luncheon as Farewell to Mrs. Douglas.

The Merry Wives club gave a beautifully planned luncheon on Friday morning, at nine o'clock, at the home of Mrs. John Howard, as a farewell to Mrs. S. G. Douglas, as she will leave in a few days for her future home in Clint.

The house was attractively decorated in the club colors of pink and green, and with sunflowers.

The club, with nimble fingers hemmed a dozen lovely linen napkins as a parting gift for Mrs. Douglas, which, when finished, were presented to the honoree in a most pleasant manner by the president, Mrs. Seth Lewis, and Mrs. Douglas, long known as the "Club Orator" gave a touching response.

The doors of the dining room were then opened disclosing an elaborately decorated luncheon table, laid in handsome linen, cut-glass, the club colors, of pink and green. A beautiful cut-glass, the club colors, of sunflowers adorned the center, while scattered over the table in a most artistic manner were yellow flowers. The places were marked by dainty pink and green bon bon baskets, the handles being tied with bows of pink and green, and sunflowers.

Two delightful courses were served consisting of spring chicken, fried, tomatoes, potato chips, chicken paddies, hot rolls, olives, tea. Fruit salad, and angel food cakes.

Mrs. Douglas, the past president of the club, has for many years been a most active member of the Merry Wives. She is admired and loved by all and we are loathe to see her go. Our very best wishes go with her and her family to their new home. Sickness and being out

of town prevented several from attending this delightful luncheon. Covers were laid for Mrs. Douglas, Rowden, E. L. Collings, Means, Casey, Tudor, W. A. Hudson, Howard, Lewis and Sisk.

House Party.

"Kenton," the country home of Mr. and Mrs. C. J. Charske, was a scene of much merry-making last week, from Tuesday to Thursday, when the daughter of the household, Helen Duncan, entertained with a house party in honor of her cousin, Virginia Holt, of Waco.

The opening party on Tuesday caused a ripple of pleasurable excitement among the guests it being an elaborately appointed, formal 1 o'clock luncheon. When the doors of the dining room were thrown open it would have been a treat for the fairies, so beautiful and artistic were the decorations in yellow, white and green. The luncheon table was laid in an elaborate yellow luncheon set, the center being graced with a beautiful brown stained basket filled with handsome double sunflowers, the handle was tied with a large bow of yellow tulle which hung with streamers of yellow, white and green ribbons, to be caught in place again by the dearest little yellow birds, perched on the rims of the crystal glasses, holding in their mouths tiny cards, marking the places of the guests. On either side of this lovely center-piece were bowls of sweet peas and yellow daisies, while hovering over them were lovely butterflies in shimmering gold and silver.

Three delightful courses were served, the color scheme being carried out, the little guests being pictures in their dainty white frocks, and with their graceful manners at this, their first formal luncheon.

The little hostess planned and painted all the table and tally cards, which were beautifully done in gold and silver. The afternoon was spent in games of 42.

Tuesday night, the spacious living room was cleared, and to the music of the handsome Victrola a lovely dance was enjoyed.

The dance programmes were hand-painted in white and gold.

Wednesday was the "Outing Party," and a picnic at the Harrison Hall ranch, under the trees, with everything good to eat, began the day. Then followed dips and dives and swims in the pool, joy rides, and all kinds of fun and frolic held sway until Thursday afternoon, when this delightful party was brought to a close. Mr. and Mrs. Woody Johnson assisted Mr. and Mrs. Charske with the entertaining.

Those who composed this merry party were: Virginia Holt of Waco, Francis Hubbard, Evelyn Slack, Zara Sims, Ruby Mae Beauchamp, Eleanor and Elise Roberson, and Helen Duncan.

Dinner Party.

Mr. and Mrs. Earl Collings entertained with a high noon dinner party Thursday.

Beautiful cut flowers formed the centerpiece and delicate china, silver and cut-glass made the festive board a thing of beauty. Covers were laid for Dr. and Mrs. O. J. Bryan, and house guest, Mrs. McGlassen, of Bonham, Mozelle Bryan and Mr. and Mrs. Collings.

"The Lodge" Dedicated.

Probably the most elaborate affair in the history of the many great hunting parties of the Means-Evans ranch holders, in the Davis Mountains, was the dedication of their new club house "The Lodge," last Tuesday, July 18, 1916, on the old camping grounds used by these pioneer ranchmen for the past 35 years. The distinguished Rev. Geo. Truett, of Dallas, so long a favorite of these people, with a most impressive service, dedicated "The Lodge."

The site is one of the most beautiful, in the very heart of the Davis Mountains. The building is a most artistic one, being built of the logs hewn

from the pines that surrounds it. It is one large, immense room with deep, and spacious porches, both having cement floors. The interior is a thing of beauty, with large, old fashioned fireplaces at either end. The decoration are unique, and in every detail are typical of the ranch.

150 guests were present at this feast and frolic, so characteristic of these "who" have made the Davis Mountains famous.

Those present from Pecos were Mr. and Mrs. Woody Johnson, Sam Means, D. W. Evans of the W ranch, W. E. Evans of the Rainbow ranch, Mrs. Woody Browning, and Mrs. Ed Vickers.

Bunk Party.

Honoring her sister, Ruby Mae Beauchamp, Mrs. Ora Beauchamp gave a most pleasant bunk party at her home on Monday evening.

These parties are fast growing in popularity as well as the young Misses who attend them.

A lovely supper began this affair, the remaining hours being spent in various games and frolic. It was late when the bunks were spread and very little time was left for "beauty sleep" that night. The serving of a most appetizing breakfast ended the all too short social courtesy of these sweet and gracious hostesses. The out of town guests were: Virginia Holt, of Waco, Dora Tucker of Arizona, Helen Duncan, Louise Wadley, Mozelle Bryan, Daisy Lauchner, Callie DeRacey, and Ruby Mae Beauchamp.

As a Farewell to Mrs. Cook, of Chicago, Ill.

Mrs. W. W. Hubbard invited in Sunday evening, for an after supper chit-chat, Dr. and Mrs. C. J. Magee and guest Mrs. Joe Cook, and Mr. Lyons.

The evening was delightfully spent with music, Mrs. Cook being an artist at "whistling," charmingly entertained the party with a number of choice selections.

Though a small affair, it was perfect in detail and greatly enjoyed by those present. A cream course was served.

Miss Nell Kerr is in from the ranch the guest of the Misses Collings.

D. W. Bozeman has joined a jolly party on Devil's River for a week or ten days outing.

Mrs. Joe Cook, the pleasant guest of Dr. and Mrs. C. J. Magee, returned to her home in Chicago, Tuesday.

Mrs. S. M. McGlassen of Bonham, who has been the pleasant house guest of Mrs. O. J. Bryan, returned to her home Tuesday afternoon. She made a host of friends while in Pecos, who look forward to her coming again soon.

The many friends of Howell Houston Johnson, Jr., will be glad to know that he is rapidly recovering from his recent illness.

Mrs. J. W. Brooks was called Monday to the bedside of her sister, Mrs. H. B. Link, at a hospital in El Paso, where she is to undergo an operation. Her many friends here hope for her a speedy recovery.

Mrs. Col Prewitt was in from the ranch Friday to attend social affairs.

His Backache Gone.

Just how dangerous a backache, sore muscles, aching joints or rheumatic pains may be is sometimes realized only when life insurance is refused on account of kidney trouble. Joseph G. Wolf of Green Bay, Wis., writes: "Foley Kidney Pills relieved me of a severe backache that had bothered me for several months." Take Foley Kidney Pills for weak, lame back and weary sleepless nights. For sale at the Pecos Drug Co.—Adv.

UGH! CALOMEL MAKES YOU DEATHLY SICK.

Stop using dangerous drug before it salivates you! It's horrible!

You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels.

Here's my guarantee! Ask your druggist for a 50 cent bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards.

YOU GET STRONG, if you're a tired-out or "run-down" woman, with Dr. Pierce's Favorite Prescription.

And, if you suffer from any "female complaint" or disorder, you get well. For these two things—to build up women's strength, and to cure women's ailments—this is the best medicine to benefit or cure.

The "Prescription" regulates and promotes all the natural functions, never conflicts with them, and is perfectly harmless in any condition of the female system. It brings refreshing sleep, and restores health and vigor. Mrs. KATE WADE, Route 2, Box 2, Waxahachie, Texas, says: "I was in very bad health, could not get any relief. Through the advice of a friend I tried Dr. Pierce's Favorite Prescription and began to mend. Can say I am now sound and well, and will always praise your medicines. I advise young mothers and women who are in bad health to use 'Favorite Prescription.'" Dr. Pierce's Pellets cure biliousness.

THE HURRY CALL
for a fire strikes terror into the hearts, but it also strikes the uninsured with remorse. The thought that the devouring element may eat up one's possessions—even though no lives may be lost—is in itself a terrifying one when one remembers that he has no insurance.
