PECOS, TEXAS

WILL SPEAK IN PECOS MARCH 13TH

Capt. R. P. Hobson

It is announced in connection with the great campaign that is being conducted by the Anti-Saloon League of Texas, going to the four corners of the State, carrying the story of prohibition to approximately 400 towns and cities, that we will have as one of the speakers Capt. R. P. Hobson, known as the "Hero of the Merrimac" and a man who has sacrificed his life in the interest of prohibition, who presented a resolution in Congress asking for Nationwide Prohibition. Capt. Hobson will address the citizens of Pecos, Friday April 13, at 8 p. m. at the Baptist church.

The name of Capt. Hobson is known to every school boy and girl in our country, and those of us who are older remember the thrill that was sent through the Nation when Capt. Hobson, then a lieutenant in the navy, with a few like minded comrades, sank the "Merrimac" in the face of lead vomiting guns from both the Spanish fort and fleet. Capt. Hobson is a man who dares to do things and for that reason he has become the idol of the American people. He is one of the great foes of the liquor traffic.

There will undoubtedly be a great crowd to hear Capt. Hobson on this date.

THE SCHOOL BOND ISSUE

A Few Facts That Might Be Of Interest to the Voter Who Wishes to Vote Right.

Any patron of the school who will take the trouble to examine the present school building will readily agree that the toilet should be removed from the basement. The heating plant should also be removed and put in good condition. The present arrangement of the light is injurious to the eyes of the children. This should be corrected. That we need additional room is a conceded fact.

By building a one story addition for the heating plant and toilet, and changing the interior arrangement of the present building, we can accomplish all these improvements. By such a change, five additional rooms, all large and comfortable, will be added to the present capacity; the lights changed in such manner as to be beneficial rather than injurious to the eyes of the children, and the heating plants and toilets will be removed.

An examination of the present arrangement of the building will show that there is a large amount of space wasted in cloak rooms and unused portions of the building, all of which can be made useful if the interior is rearranged. The best advice we can get to date is that when these changes are made, the present building will be equal to a new building costing \$40,000.

Some objection has been raised to spending money in the repair of the present building and suggestions made that a larger bond issue be voted in order that a new high school building be built, but it is impossible to do this at this time for the reason that we now have a \$25,000 bond issue on the District and if we vote a larger bond issue than that suggested, we would not have sufficient funds left out of the taxes to run the schools. The purpose of the Trustees is to retire \$8,000 of the present \$25,000 bond issue, leaving \$17,000 unpaid, and this, with the \$13,000 asked for, will make our total bond issue \$30,000 instead of \$25,000 as now exists. In other words, it is an additional \$5,000 to our present bonded indebtedness. With this money we can make the improvements suggested and have, as we are advised, an up-to-date school building with plenty of room for domestic science and manual training, and also room for reasonably large number of pupils for the next seven years.

As has been stated, our taxes will not be increased by this bond issue, because we will have to pay interest and sinking fund on the \$30,000 and maintain the schools out of the present rate of taxation. Our fund for maintaining the schools will be decreased by the amount sufficient to take care of the \$5,000 increase above referred to, but we believe by an economic administration there will be sufficient funds for us to keep the school running nine months, and also pay interest and provide a sinking fund for the retirement of these bonds at maturity.

Should all of the \$13,000 not be used, the school board could retire bonds to the amount of the unused portion. I believe it will be conceded that the Board of Trustees, and each member thereof, has the interests of the school at heart, and that each member is exercising his best judgment in connection with these proposed improvements.

Your attention is specially called to the fact that is the bond issue mentioned for shall be defeated, then no bonds for any amount can be issued for

twelve months, and if these improvements are needed and necessary, they will be delayed for that length of time, and you would be paying the same amount of taxes that you are now paying without securing the same benefits therefor.

Made a Run To Carlsbad Tuesday Night

Dick Wilson and Dal Hardy in the latter's car, with Dick at the wheel, made a run up to Carlsbad, N. M., Tuesday night, carrying two passengers W. L. Holman of Artesia, and Miss Gallop of Hope, N. M. They missed the Santa Fe train by a few minutes and Mr. Holman was due in Artesia by Wednesday to auction off a large herd of cattle, so was compelled to auto up. They left Pecos about six in the evening and arrived home 7:45 Wednesday morning, reporting that the road most of the way is quite rough, but the river crossing were fine, there having been cement slabs put in all of them.

Two New Families For Pecos

There have been two more new families added to Pecos, Mr. and Mrs. J. Kinsbrough and daughter from Fort Worth who are living in a part of C. C. Colwell's house, and are working at the Johnson Cafe.

The other is Fred Baxa and family from Post, Texas. He is working with F. M. Bratton at his shoe shop. His family expect to arrive in a week or two.

The Times joins with our people in giving these new arrivals a hearty welcome among us.

At the Pecos Theatre April 5

Synopsis—Eve Leslie is a poor country girl, who wishes she could have fine clothes, motors and wealthy friends. The person she envies most is Betty Howard, a famous actress.

Eve does not know that Betty's life has been full of sorrow, that for years she has been seeking a certain man and has found him, only to learn that he is a desperate criminal who misunderstanding her kindnesses, attempts to blackmail her. Her hard work, also, has affected her health and her physician has ordered her to give up the stage and take a long rest. Betty Howard, the great actress longs for just the sort of a life that Eve Leslie, a country girl is leading. From this point the story takes many exciting, thrilling and surprising turns which are calculated to hold the spectators in breathless suspense.

McClure's Seven Deadly Sins are seven five-reel features each complete in itself, and each one representing one of the seven deadly sins. Every will be followed by Pride, Greed, Passion, Wrath, Sloth, and finally, the mysterious 7th Deadly Sin. The first one, "Envy" will be shown at the Pecos Music Hall Thursday, April 5th, and will be followed by the others every week on the same day. Complete stories of these pictures are now running in the Ladies' World.

Mrs. W. T. H. Baker left Sunday for an extended visit with the family of her son, Mort Baker, at Pratt, Kans. Wishing to become acquainted with her new grandson that recently arrived, is her reason for the trip. "Dad" says he now has all the time he wants to go in quest of the finny tribe but to date no report of heavy catches has reached us.

Mr. and Mrs. J. G. Love accompanied by their younger daughter, Miss Margaret, left Tuesday afternoon on a few weeks stay at Corpus Christi, New Orleans and other points on the coast. Jack has not fully recovered from his recent severe attack of pneumonia, and The Times joins with his many friends in wishing that he may be fully recovered by this outing.

Special Easter Services.

The Sunday school of the Methodist church of Pecos, is making arrangements to have a special Easter service, this year. The superintendent, Mr. A. J. Curtis, has appointed special committees to arrange a program, decorate, issue invitations, "round up", etc. It is the purpose of the school to observe this glad season with all the joy and enthusiasm of those who know the real meaning of the resurrection of the "man of Galilee." There will be a special effort to secure a large attendance of the pupils of the school and as many more as can come. This will include only the Sunday school hour. Passed Physical Examination for West Point

Judge Jas. F. Ross and son, William, returned to Pecos, Saturday last from their trip to El Paso, where the latter underwent and passed a physical examination for entrance to the U. S. Military Academy at West Point.

William will leave about the first of June to take up his work, and we bespeak for him success, for he is an untiring student and by his earnest efforts and close study in the Pecos High School made such a splendid showing in his studies that he did not have to take the regular examination. His many friends are pleased that he has done so well.

C. H. Tauli Sells His Ranch

Last week while C. H. Tauli was in Pecos he closed a deal whereby Tom Duncan, of Toyah, purchased his ranch and cattle.

The ranch consisted of sixteen and one-half sections, and there were 568 head of cattle taken in the deal by Mr. Duncan. The price was private.

This is one of the best ranches in that part of the Davis mountains and Mr. Duncan is to be congratulated upon securing it.

Mr. and Mrs. Tauli are for some time going to rest up and visit around among relatives and friends, but have not fully decided where they will locate. It is to be hoped that they will not leave this part of the state.

The Times and their many friends wish them the best of success wherever they may decide to live.

Deputy H. K. Jones Arrests German Suspect at Toyah

Deputy sheriff, H. K. Jones, of Toyah arrived on No. 6 yesterday afternoon with a German suspect, whom he had arrested at Toyah.

He had been at Toyah about a week and was getting mail under two names, A. W. Liner and A. W. Linemburg. Mr. Jones had been watching him, and took him just in time, as he had intended to go on to El Paso on No. 5 today.

Numerous papers were in his possession, containing the names and location of all the towns in West Texas on the T. & P., and most of them on the Southern Pacific road; a list and description with location of all the bridges, whether all iron or steel, part steel and wood, or all wood, also the number of soldiers stationed at the different points.

He told a number of different tales to the people on those which had been one of the means of attracting suspicion to him. We congratulate Mr. Jones upon his close attention to his duties at Toyah, for we do not know what may be brought out. It behooves all true American citizens in these times to have both eyes and ears open for suspicious characters.

Putting His Eighty-Acre Tract in Cultivation

H. A. Hodge of Dallas, who owns the eighty-acre tract that joins the Johnson-Leavell 80 acres, about a mile north of town, on the flame road, has been here for the past two weeks looking after the work of getting the land in shape for cultivation.

They have the land all cleared and grubbed and will begin next week the plowing and putting up the borders. Mr. Hodge will put the entire tract in cotton.

Mr. Breen, the well driller, has already commenced putting down the ten-inch well with which the land will be irrigated, and if the flow is not sufficient Mr. Hodge will install an engine.

He informed us that Pecos has "the largest number of knockers to the square inch" in any town he has ever been in. For the life of us we cannot see how men who own property around here can knock the country so much. But then it takes all kind of men to make a world.

Two Operations Performed

At Sanitorium Tuesday

Two operations were performed by the specialists of the Pecos Sanitorium Tuesday. One was Tom Camp who had been taken suddenly and sent to the sanitorium last Monday while attending his duties as express driver for the Wells Fargo Company.

The other was upon Mrs. Eugene Polerson. We are indeed pleased to state that both patients are getting along fine which will be good news to their scores of friends, and all trust that they will soon be up and around again.

Olive Shaffer, one of Grandfalls' foremost farmers, was a visitor in Pecos Wednesday. In conversation with a Times correspondent he said: "The outlook for a prosperous year in our valley never was brighter. During the winter our farmers gave their fields from two to three irrigations and the soil is in fine shape and will bring cotton and care for it until about June, so that a rain before that will make a crop if we should fail to get water from the river. Our people have about decided to raise wheat, potatoes and numerous other crops this year instead of relying entirely upon cotton and alfalfa."

PECOS NEWS.

This Case Has a Hint For Many Times Readers. A Pecos woman has used Doan's Kidney Pills. She has found them as represented.

She wishes her neighbors to know. She publicly recommends them.

No need to look further for a tested kidney remedy. The proof of merit is here and can be investigated.

Profit by Mrs. Miller's statement. Mrs. R. E. Miller, Second & Elm Sts., Pecos, says: "My back was weak and lame, and I had constant ache through the small part of it. My kidneys showed signs of weakness and annoyed me greatly. It did not take many boxes of Doan's Kidney Pills before I was cured and I have never found it necessary to take any since. I usually get Doan's Kidney Pills at the Pecos Drug Co."

Yes, "gets-it" is the corn discovery of the age. More "gets-it" is sold by many times than any other corn remedy in existence. Try it and you'll know the reason why it takes two seconds to apply it, and it dries at once. That's all. Don't experiment—follow the experience of thousands.

"Oh, Don't Touch It! It's So Sore! Use 'Gets-It' and It Will Never Be Sore!"

Instead of swelling up like a little white spore. Then it loosens from your toe—and, glory hallelujah! the corn comes off as though you'd take a glove off your hand!"

Yes, "gets-it" is the corn discovery of the age. More "gets-it" is sold by many times than any other corn remedy in existence. Try it and you'll know the reason why it takes two seconds to apply it, and it dries at once. That's all. Don't experiment—follow the experience of thousands.

"gets-it" is sold everywhere, 20c a bottle, or sent on receipt of price by R. Lawrence & Co., Chicago, Ill.

**Trustee Elected for
The Toyah Drug Co.**

Tuesday morning a number of the creditors of the bankrupt Toyah Drug Co., met in the office of Judge Ben Palmer to look after things and select a trustee to look after the interests of the creditors and to transact any other business that might be thought best.

Those present were Kyle Wright who had been appointed receiver. Mr. Wright had been head clerk; B. P. Van Horn, secretary of the company; O. A. Roberts, Mr. Ewing, T. Y. Casey, D. Wood Bozeman, W. A. Hudson and E. J. Moyer, of The Pecos Times.

On account of the resignation of Mr. Wright as receiver, A. G. Van Horn was unanimously selected to take charge of the business with instructions to clean up and put the stock in shape so that it could be sold. The assets of the company were placed at about \$4000 and the debts are not far below that amount.

**"ENVY" FIRST OF 7
DEADLY SINS**

McClure's National Advertised Pictures to Be Shown At Music Hall Thursday

"Envy," the first of the famous McClure series of "Seven Deadly Sins," which have had nation-wide publicity all over the country, will be presented at the Pecos Music Hall next Thursday, April 5th.

Ann Murdock is the star in "Envy" and plays the part of a Broadway actress who is envied by "Eve," a sweet, simple little maid, portrayed by Shirley Mason. Miss Murdock is possessed of a sweet, natural charm that will make her liked at once by those who see her. Her dainty beauty is not unlike that of Billie Burke, in fact she resembles that famous actress very much.

Shirley Mason is the younger sister of Viola Dana. It is a great compliment to her ability and beauty that she was chosen to portray the part of Eve Leslie in all seven of this famous series of pictures. To her falls the lot of being tempted by every sin known, and George Le Guere, the handsome hero of the series is consigned to the difficult task of rescuing her from all these evils. "Envy" is the first of the series and will be shown next Thursday at the Music Hall to be followed each week on the same day by "Pride," "Greed," "Passion," "Wrath," "Sloth," and "The Mysterious Seventh Deadly Sin." A different star of national note will be featured in each picture and all the stars will appear in the last picture. Each story is complete in itself, you can see one or all and enjoy each.

Much Extra Work in March:

It's between seasons, when few persons perspire as health demands. The result is double work for the kidneys, to throw out waste eliminated through pores when persons perspire. New Curtain at the Music Hall

Harry Dixon, owner of the local theatre, has contracted with Edward L. Conroy of the Thompson Studios of Los Angeles to erect and paint a new drop curtain at the music hall. The design looks mighty good and is a replica of the famous "Tower of Jewels" which was the center of attraction at the recent exposition at San Francisco. The picture will be studded with vari-colored and brilliant gems in order that the full effect may be brought out.

It will be appreciated by the patrons, breaking the monotony of the inartistic one which Harry inherited when he assumed charge of the theatre.

Despondency Due to Constipation.

Women often become nervous and despondent. When this is due to constipation it is easily corrected by taking an occasional dose of Chamberlain's Tablets. These tablets are easy to take and pleasant in effect.—Avt.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL.

Starts Your Liver Without Making You Sick and Can Not Salivate

Every druggist in town—your druggist and everybody's druggist has noticed the great falling-off sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, an if it fails to give easy relief in every case of liver sluggishness or constipation, you have only to ask for your money back.

Dodson's Liver Tone is pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor

Putting in Street Curbing Having Other Work Done

Mrs. W. L. Ross is having her beautiful home place further beautified by putting in street curbing and parking along the south and west sides of the property. She is also having the cement driveway widened, and in many ways is fixing things up.

Hugh Roberson, the cement man, is doing the work, which insures that it will be done properly and in a substantial manner. When finished this will be among the very nicest homes in Pecos.

A Bilious Attack.

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments on your stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter.—Ad.

The Merry Wives Entertained.

The Merry Wives Club was pleasantly entertained Wednesday of last week by Mrs. H. N. Lusk at her home at three o'clock.

A very interesting club lesson on Eugene Fields and J. Whitcomb Riley was much enjoyed. Roll call was answered with selections from these two popular writers. Mrs. Lusk led the lesson and gave a pretty reading from Fields. A very enjoyable feature of the afternoon was the installation of the new club president, and one which, as a rule, calls for "speaking." Mrs. J. W. Moore vice-president, acting in the absence of the past president, Mrs. Seth Lewis, welcomed the new president, Mrs. H. H. Johnson, to the chair. Mrs. Johnson responded with the following bit of wit, so characteristic of her:

"They stood me up here and more's the pity.

In selecting the president, you should choose a bright one.

They picked the wrong one, and wronged the right one.

As I glimps this grand and noble assembly

My feet are some cold, and my voice a bit trembly.

But we'll put this by without a bobble,

Tho' my heart's a-flutter and my knees a-wobble.

When told of the honors the club would confer

It tickled me so you could hear me purr;

It's an excellent chance says I to myself

Of ruling the others as I've been myself.

I'll slip up my sleeve the historical knife

And enter this thing for the time of my life.

And now that all is said and

done, From each of you, our club, praise has been won.

Colonial dames and Southern beauties

You have all fulfilled your club duties,

And all have served with heart and hand

Our own beloved club band.

Merry Wives: May our colors still wave

O'er hearts as loyal, true and brave;

And here's to you, with the help of my feeble hand

May we always united stand."

Much applause was given this "inaugural address" and Mrs. Johnson was immediately made poet laureate of the club.

More delight still awaited us, for just at this time a number of invited guests called, and tally cards were passed marked "To Honor Our President" and soon five tables of 42 enjoyed the remainder of the afternoon.

A most delicious two-course luncheon was served in the manner for which Mrs. Lusk is especially noted, consisting of fruit salad, sandwiches, olives and refreshing mint tea, and cot ice and "Choice home-made cakes.

The club is truly indebted to our popular new member, Mrs. Lusk, for one of the most delightful club parties of the season. Those invited to this courtesy extended to our new president, were: Mesdames T. Y. Casey, L. W. Anderson, E. L. Collings, G. B. Rowden, J. W. Moore, C. M. Wilson, B. R. Stine, Jim Camp, Albert Sisk, H. H. Johnson, O. J. Bryan, G. B. Finley, Earl Collings, W. H. Moore, W. W. Rannels, M. W. Collie, Wm. Garlick, Theo. Ray of Midland, and the hostess.

Dancing Party

The Smart Set enjoyed another dance at the ranch home of Mrs. Hugh Roberson last week. Tripping the light fantastic toe until a late hour, after which dainty refreshments were served.

"Tom Thumb Wedding"

A Tom Thumb wedding was presented to a very large audience Monday evening at the Opera House. The little tots acted their parts real well and looked real quaint in their costumes. It was given under the auspices of the Euzelians, a class of young ladies of the Baptist church who are working to send some of their members again this year to specialize in Sunday School work.

Bridge Party

Mrs. C. M. Wilson welcomed the Bridge Club at her very pleasant home last Thursday afternoon at three o'clock, filling two tables for bridge, for the pleasure of her guests.

An appetizing luncheon attractively served on the small tables when the games were over was much enjoyed. Those present were, Mesdames Hudson, Weyer, Drane, Buck, Hankins, W. H. Moore, Wes Roberts, Miss Beauchamp and the hostess.

Dancing Party

The attractive home of Mr. and Mrs. W. W. Hubbard was the scene of merry dancing last Friday evening. Delicious punch and home made sweets were passed. Those present were: Misses Nell Kerr, Leota Feenochamp, Marion and Jane Looby, Marion Moore of Barstow, Frances Hubbard, Messrs. Tommy Harrison, Charlie Parker, Putnam Barstow, of Barstow, Vernon Hicks, Theron Hicks, Mr. and Mrs. Moore of Barstow, Mr. and Mrs. Needham, the host and hostess.

Merry Wives

Mrs. Sam Means was hostess and leader for the Merry Wives Club at her home Wednesday, with the following enjoyable program:

Roll Call—Mark Twain.
Lesson on the Lives of Walt Whitman and Mark Twain.

An interesting reading was given by Mrs. Means.

A business session was then in order and arrangements to celebrate the Club's birthday considered, an event looked forward to each year by the members and their families. It will be given at the home of Mrs. L. W. Anderson on Thursday of next week.

The club meets next week with Mrs. Gid Rowden the lesson being a review of the "Colonial Writers."

Twentieth Century Club Entertained

A most delightful finale of the year's course of study for Twentieth Century Club was a pretty club party given to the club by Mrs. Max Krauskopf, the retiring president, at her home on Wednesday afternoon complimentary to the newly elected president, Mrs. E. G. Weyer, who at this meeting resumed the responsibilities of the chair. The afternoon was spent in merry chat, an elaborate two-course luncheon served by Mrs. Krauskopf, completing this enjoyable gathering.

Those who compose this interesting club are Mesdames Hugh Roberson, J. E. Starley, J. W. Parker, Tom Harrison, John Hibdon, E. G. Weyer, J. Heard, John Lilley, Monroe Kerr, A. E. Wilcox and Max Krauskopf.

Dinner Party

The hospitable home of Dr. and Mrs. O. J. Bryan was in gala attire last Saturday evening, for an elegantly appointed dinner party, at 7:30 o'clock.

Artistic taste and the culinary skill of the hostess was in evidence throughout an elaborately served 7-course dinner. One long, prettily arranged table seated the guests, the center piece being an attractive crystal vase filled with lovely spring lilies and graceful long sprays of fern, the base tied with a pretty bow of pink tulle. Dr. and Mrs. Moore, Dr. and Mrs. Jim Camp, Dr. and Mrs. H. N. Lusk, Dr. Magee, Mr. and Mrs. H. H. Johnson, Mesdames J. Y. Leavell, Lillie Cole and the host and hostess were present.

After dinner a most enjoyable evening was spent in progressive 42, running 3 tables in the living room, thus completing this very pleasant affair.

Tea

Mesdames Albert Sisk and W. W. Rannels pleasantly entertained the Missionary Society of the Methodist church at the handsome bungalow home of Mrs. Sisk Tuesday afternoon with a pretty tea.

It is always a source of real pleasure to be guests of these hostesses and the afternoon's diversion was cleverly planned.

Each guest was given a clothes pin and a strip of crepe paper, to dress a doll. There was an interesting looking back to the scenes of their childhood days, and some smart notions were very soon developed.

Familiar and witty sayings were then cut into pieces and the guests requested to put them back together.

The serving of a delic...

lad course completed the enjoyable affair. About thirty ladies called during the afternoon.

42 Party

A most delightful afternoon was spent with Mrs. Earl Collings on last Thursday afternoon in the cozy entertaining suite of her home. Five tables were attractively run for progressive 42.

Mrs. E. L. Collings, and the sister of Mrs. Earl Collings, Miss Mazie Gipson, assisted the hostess in entertaining and also in serving a faultless two-course luncheon, which bespoke the art the young hostess has acquired in this line. The luncheon consisted of pressed chicken sandwiches, delightful pear salad, olives, and ice tea; ice cream topped with crushed strawberries, and elegant home-made loaf cake.

Those who had the pleasure of being Mrs. Collings' guests were: Mesdames Chas. Manahan, Monroe Kerr, Walter Browning, W. H. Browning, J. Y. Leavell, Ed Read, H. H. Johnson, O. J. Bryan, Proffitt, Finley, Wilcox, Roy Wilcox, H. N. Lusk, Albert Sisk, Frank Cavett, M. H. Schermerhorn, Sid Cowan, Hansen, E. L. Collings, Misses Read and Gipson.

Enterpean Club

The Enterpean Club held a most interesting meeting at the club rooms on last Saturday with Mesdames W. H. Browning, Jr., and J. E. Starley leaders for the lessons, being Verdi's "La Traviata" and Wagner's "The Flying Dutchman." A very instructive drill on both operas was ably conducted by the hostesses and the following musical numbers and papers were enjoyed:

"La Traviata" (Verdi), the leader being Mrs. Browning. Story of the play by leader.

Names of principal characters and scenery, by Mrs. J. W. Moore.

Piano prelude to Act I, by Miss McCarver.

Voice—"Pure As An Angel" by Mrs. Browning.

Violin—"Gems from 'La Traviata, Act II'" by Miss Beauchamp.

Solo—"Fly Home" in Fair Provence" by Mrs. Starley.

"Flying Dutchman" (Wagner) the leader being Mrs. J. E. Starley.

Story of the opera, by leader.

Character drill, Mrs. Earl Collings.

Description of Acts, Mrs. Yarbrough.

Piano, Overture, Miss Nannie Mae Collings.

Voice—"Senta's Ballad" by Miss Walker.

Solo—"Like a Vision" Miss McCarver.

Piano Duett, selected, Mesdames Schermerhorn and Jordan.

Easter Party

Mesdames L. W. Anderson and Wm. Garlick heralded the coming Easter season with a beautifully planned party on last Friday afternoon, at the home of Mrs. Anderson.

Three rooms were prettily decorated in the striking colors of purple and yellow, large purple crepe paper bows were effectively tied over the pass-ways. Streamers of little chickens and rabbits hanging from every opening and, too, they were placed very attractively over the entire entertaining suite.

The tally and score cards carried out the same idea, in the games of 42 which were played at 14 tables.

The Victrola furnished lively music throughout the party and all made the entertaining of these hostesses marked by the cordial hospitality that

speeds the hours for their fortunate guests.

An elaborate two-course luncheon was uniquely served, consisting of chicken patties, fruit salad, sandwiches, brick cream in purple and yellow, with angel food cake.

Those invited to this enjoyable affair were Mesdames Stine, Casey, Sisk, Tudor, Rowden, Camp, Howard, Wilson, Collings, Means, Lusk, Johnson, Hudson, Moore, Collie, Rannels, Jones, Wilcox Manabans, Starley, Wilcox, Roy Wilcox, Sid Cowan, Charske, Kerr, Ross, Kyle, McCarver, Browning,

You Can Make Excellent Cake With Fewer Eggs

Just use an additional quantity of Dr. Price's Cream Baking Powder, about a teaspoon, in place of each egg omitted.

This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

CREAM LAYER CAKE

Old Way

1 cup sugar
1/2 cup milk
2 cups flour
2 teaspoons Dr. Price's Baking Powder
3 eggs
1/2 cup shortening
1 teaspoon flavoring

New Way

1 cup sugar
1 cup milk
2 cups flour
4 teaspoons Dr. Price's Baking Powder
1 egg
2 tablespoons shortening
1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTION—Cream the sugar and shortening together, then mix in the egg. After sifting the flour and Dr. Price's Baking Powder together, two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white icing.

BACKACHE, SWELLING OF HANDS AND FEET.

Dear Editor: "I appeal to those of your readers who are bothered with backache and a constant tired feeling to give 'Anurie' a trial. It has been recently discovered by Dr. Pierce of the Invalids' Hotel, Buffalo, N. Y. I suffered from backache, swelling of hands and feet, too frequent excretion from the kidneys and many other symptoms. Was unable to work, but after taking just one box of 'Anurie' according to directions I am again able to perform my daily duties." (Signed) W. R. BWAY.

NOTE—If you've never used the "Anurie," cut this out and send 10 cents to Dr. Pierce for a large sample package. This will prove to you that "Anurie" is 37 times more active than lithia in eliminating uric acid—and the most perfect kidney and bladder corrector, as well as relieving pains of rheumatism, lumbago, neuralgia. If you are a sufferer, go to your best druggist and ask for a 50-cent package of "Anurie."

Pecos Auto Company Places Three New Fords

The Pecos Auto Company has placed three new cars since our last report. They had a Ford Sedan engaged for Mrs. Chris Ritz for some time back, but were unable to obtain one from the factory. While attending the convention of Ford dealers in El Paso, Messrs. Williams & Hedblom secured one up there and drove it to Pecos, being but twelve hours on the run. They were 19 hours going up by train.

Mrs. Ritz has the finest car in Pecos now, for pleasure riding. It certainly is a beauty, and she is surely deserving of the present.

T. B. Pruett purchased a Ford and is enjoying it very much. One evening last week we in company with him, his son, T. B. and A. H. Smith had the pleasure of a trip to Barstow.

Dr. Jim Camp purchased a five-passenger Ford from this firm.

Resolutions of Respect

To the Worshipful Master, Wardens and Brethern of Pecos Valley Lodge No. 736, A. F. & A. M.:

We, your committee appointed to draft resolutions on the death of Bro. E. S. Alley, beg leave to report:

For almost fifty years Judge Alley has worthily worn the badge of a Mason. In June, 1899, shortly after his location at Pecos, he became a member of this Lodge by affiliation from Junction City Lodge No. 548, and from that time until his death, he was a devoted member, rarely missing a meeting of his Brethern.

His kindly smile and cheerful words, his harmless jokes and genial humor will be sadly missed by all who knew him.

For sixteen years he served as County Judge of Kimble County, and for a number of years he was Mayor of our City. Full of years and worldly honors, he has passed to his reward in the "starry decked heavens, where all good Masons hope to arrive," and be with the Grand Artificer of the universe in the Supreme Lodge above.

Resolved, that in the death of Judge Alley, this Lodge has lost a faithful member, his Brethern a splendid friend, Masonry a true brother, the family a loving husband and father and the community a worthy citizen.

May we bear him in loving memory.

Resolved, further, that these resolutions be spread upon the minutes, and a copy furnished to the family and the press.

Fraternally submitted,
W. A. HUDSON,
E. L. COLLINGS,
JIM CAMP,
Committee.

The Pneumonia Season.

The cold, damp weather of March seems to be the most favorable for the pneumonia germ. Now is the time to be careful. Pneumonia often results from a cold. The quicker a cold is gotten rid of the less the danger. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. As to the value of this preparation, ask anyone who has used it.—Advt.

CLIP THIS AND PIN ON WIFE'S DRESSER

Cincinnati Man Tells How to Shrivele up Corns or Calluses so They Lift Off With Effort.

Ouch ! ! ! ! ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender aching corn or hardened callus stops soreness at once, and soon the corn or callus dries up and lifts right off without pain.

He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have freezone tell him to order a small bot.

Off To Their Homestead Up In New Mexico

Mr. and Mrs. Chas. Goedeke and family last week loaded some of the furniture onto wagons, themselves into an automobile and "hiked" for their new possessions in lower New Mexico, about 65 northeast of Pecos, and will make that their home for some time to come.

When all the rest of the "homesteaders" arrive in that neighborhood they will have a young Pecos community. The Times wishes them all the best of times and prosperity.

Off For W. O. W. Head Camp.

Mrs. John Hibdon, who was elected as delegate from the Pecos Woodman Circle and Mrs. P. A. Harbert from Thistle Circle, at Saragosa, left Saturday for Waco, where the Head Camp and Circle will be held.

John Baker who is the delegate from Allthorn Camp No. 208, of Pecos, left Monday afternoon. They all went via Fort Worth, and will bring home glowing accounts of the gathering.

Not Bothered Any More

So-called rheumatic pains, gripe, aches, lame back, sore muscles or stiff joints are the results of overworked, weak or disordered kidneys. E. L. Strengthen weak kidneys and help rid the blood of acids and poisons.—For sale at Bozeman's Drug Co.—Advt.

been playing society the past few weeks. On Saturday afternoon forty little happy faces, in response to the dainty invitations issued, called to pay homage to their friend, little Laura May Wylie, who celebrated her sixth birthday on that afternoon, at the home of her parents, Mr and Mrs. W. K. Wylie. Mrs. O. O. Curtis and Miss Mabel Smith, teachers for this band of little ones in the Methodist Sunday school assisted the mother in entertaining.

Games all so dear to the wee ones were enjoyed on the pretty lawn and later the Donkey Contest, which is always enjoyed, was called in the dining room, where a jolly time was had replacing the severed pieces of anatomy.

The little guests then rallied round the lovely dining table, with its attractive center piece, the birthday cake, with six burning tapers. Here a surprise package awaited the little honor guest—a beautiful pearl necklace, a gift from her parents.

Mesdames Ben Randals, Eggleston and Kesler assisted in serving the ice dearest to the child's heart—fruit ice cream and cake.

Many lovely gifts were brought by the friends.

Those invited to this happy affair were: Little Misses Helen Ewing, Bessie Reynolds, Mary Otto, Lillian Eddins, Mildred Ruhlen, Letty Lois Randals, Gladys Lawson, Elsie Hedblom, Sue Hines, Ruby Mae Stephen, Jewell Hollebeke, Wara Belle Hollebeke, Eunice Estelle Otto, Virginia Kesler, Edith Slover, Myrtle Crum, Mabel Crum, Doris Haygood, Marguirite Ross, Margaret Love, Helen McKellar, Hilma Rogers, Genevieve Cox, Lola Elsie Dawson, Elira Wylie, Masters Jack Dawson, Robby Runnels, Don Leckenby, Fred King, Steven King, J. A BEVERAGE

Watch !!!

We make a prediction—watch for its fulfillment. For some years, various and sundry concerns have been making beverages which are grouped under the general description of "near-beer."

Now comes Bevo—a cereal beverage, not a "near-beer," nor do we seek its sale on any basis of being an evasion of the law or of being a substitute for anything. It is offered purely for what it is—a delightful, wholesome and nutritious drink.

Bevo met with instant and complete success. A whirlwind success.

Surely there must be something special about

Bevo that has won this success. That something is not the shape of the bottle or the beauty of the label but the goodness of the contents of the bottle.

We anticipate some beverages will be offered in a way to make the appearance of the package look as much like the Bevo bottle as possible. The intention is obvious.

But you don't taste the shape of a bottle—it's the flavor of the contents of the bottle that you must depend upon for enjoyment.

Then beware of impersonators—don't be satisfied to try to identify Bevo by the shape of the bottle alone—

Look !!

There are these certain identification marks that are your protection against imitations. Not just imitations of the product, remember—but those more insinuating imitations which try to deceive you by putting an old failure into a bottle similar to a new success. So look for these unmistakable marks of the genuine Bevo—demand that the bottle be opened in front of you, then—

Look for the Seal

See that it is unbroken covering the Crown Top

Look at the Crown Top, and see that it bears the Logo

Be sure the Bottle bears this Label

Have you tasted Bevo? Then you know that nothing can satisfactorily take its place. If you haven't tasted it you should learn what it is and all that it offers you.

Bevo is an all-year-round drink. You cannot enjoy Dutch lunches, Welsh rarebits, oysters, clams, lobsters, sausage, cheese, and many other such delicious edibles without partaking of a little Bevo. Give it a trial and see if this prediction is not true.

Listen!

Bevo is a pure drink; is strictly non-intoxicating. This means more than that it contains pure and harmless ingredients—it means that though you might often well be afraid of possible germs in milk or water, Bevo, being a pasteurized product in sterilized bottles, is absolutely free from bacteria.

Bevo is a nutritive beverage—the fine cereals from which it is made give it this quality.

Bevo is a delightful and refreshing soft drink—unlike any you have ever tasted—indeed a Triumph in Soft Drinks.

You should hear the comments of people who have tasted and who know Bevo. They all—

men, women and children—have a good word to say about Bevo's good qualities. We feel that we can say this with assurance, not only because of the wonderful sale we have had on Bevo but because of letters on letters received, congratulating us on the product.

You can't get these good qualities in anything but Bevo—demand the genuine.

You will find Bevo at inns, cafeterias, restaurants, groceries, department and drug stores, soda fountains, dining cars, steamships, canteens, soldiers' homes, navy, and other places where refreshing beverages are sold. Your grocer will supply you by the case.
