Hudspeth Refutes Statements of Cobb

TO LARGE AUDIENCE IN PECOS THEATRE CANDIDATE LAID BARE HIS RECORD AS SERVANT OF THE PEOPLE

The seating capacity of the Pecos Theatre was taxed last night with a representative audience of people hailing from Pecos and surrounding towns, who gathered to hear Senator Claude B. Hudspeth discuss the merits of his candidacy for the office of Congressman from this district. The Senator was introduced by Judge Jas. F. Ross, who paid high tribute to the past record of Mr. Hudspeth in the State Senate, and told those present that the main issue before the American people today was the winning of the war. All other issues were secondary, he said.

Mr. Hudspeth lost no time in preliminaries when he arose to address the audience, merely stating that his only excuse in coming to the theatre was on account of the fact that his integrity as an American, and as a servant of the people who confided in him was attacked, and he must, to hold his own and the people's respect defend himself.

On the issue of woman suffrage, he stated candidly that he was opposed to it from the fact that prominent women of the state were for and against suffrage, but that he proposed a test primary in which only women could vote, and let them decide whether or not they wanted the vote, and he would abide by their decision.

In touching on the zone law bill, Mr. Hudspeth stated that his opponent in the race is circulating the fact that he (Mr. Hudspeth) opposed the measure in its passage. A copy of the Senate proceedings on the bill was produced by Mr. Hudspeth, in which his name appears as having supported the bill. He invited any who cared to come and see this record. He further stated that 21 votes were necessary to put this bill into effect, and that he was the last and twenty-first man to vote and he supported the measure. "Although," said the Senator, "I know I am addressing an audience of whom the majority are prohibitionists, I want to tell you frankly that I am not a prohibitionist, but the records will prove that I have supported every local option movement for prohibition." Continuing he said: "I wrote the bill that put a \$2000 license on the so-called soft drinks to keep the local option territories free of bootleggers."

Stating that it was said that he was not worthy of the confidence of the people of the district inasmuch as he had done nothing, Senator Hudspeth laid bare his official record for the past sixteen years during which time he had served at Austin in the House and Senate. Mr. Hudspeth's record during this time is a splendid one, and one which could be made only by a man of superior influence as a leader, and one possessed of tireless energy. Several of the things mentioned that loom out distinctly were the Normal at Alpine, the School of Mines at El Paso, the Tubercular Sanatorium, and not least his interest in seeing that depredations along the border were stopped by the forming of an additional force of rangers.

Touching the issue of 100 per cent Americanism, Mr. Hudspeth drew some striking contrasts between himself and his opponent in the race.

Those who heard Mr. Hudspeth were impressed with his earnestness, and it is The Enterprise's opinion that he made many new friends as a result of his visit and address.

No Hudspeth clubs were formed. —WSS—

CHANGE IN SCHEDULE OF THE SANTA FE TRAINS

The Santa Fe Railway will change the schedule of its trains running into Pecos next Sunday. The time of departure is now 2:00 p. m., and the new time schedules it to leave fifteen minutes earlier, or 1:45 p. m. As no trains run on this branch of the system on Sunday the operation of the new time will begin Monday, June 3rd, 1918.

A Letter from the Kelly Aviation Fields

A PERUSAL OF THE FOLLOWING WILL ENLIGHTEN YOU AS TO WHY TRICK FLYERS HAVE QUIT AMUSING US

The following interesting letter is from Jo Camp, a Pecos boy, now in training at Kelly Field. The high art of flying is the specialty at this camp, and they are turning out dare-devils that make even the birds of the air green with envy over some of the stunts pulled off. Its reading will also furnish you with a good and sufficient reason why we have no more birdmen performing at country fairs and lots sales at so much per fly. This squad of youngsters put them clean out of business. Here's the letter as Jo tells it:

I see in The Enterprise each week a letter from Camp Travis, and I will take the liberty to tell something of another camp near San Antonio, one which is proving a great training school for those who will be up in the air about the kaiser "over there."

I hardly know how to begin this narrative for there are so many interesting things happening here. It has been said that a man talked most about the thing that was nearest his heart, so probably I had better tell about the dinner we just finished eating (?). Our bill of fare for today's noon meal consisted of chicken and dressing, sweet potatoes, cucumbers, asparagus, roasted ears, butter and bread, lemonade, pie, cake, and ice cream. Can you beat that for eats in an army camp? Don't you know it will be hard for us to put up with the eats in those German prison camps you hear so much about? If we could get a feed like this just before going in we could endure it for a while, at least. But our eats are not the most interesting of topics to tell our friends about, so I will change the subject.

Yesterday the soldiers at Kelly Field with the help of the Travis and Ft. Sam Houston boys, gave an interesting program for the benefit of the Red Cross drive. The Kelly boys gave the greatest aerial program ever staged in America, so our Commanding Officer said. The papers had announced that thirty planes would fly, in regular battle formations, so 50,000 civilians, in addition to a greater number of soldiers, gathered to see the various stunts announced. One soldier standing near me counted the planes as they left the ground, and when he counted forty he said: "I didn't know there were so many planes here," but he kept counting them, and when he finished, there were more than a hundred. They were easily counted, for they left the ground one at a time, directly behind each other. They mounted high diving in the shape of an "S", and when they flew that way for a long time the leader signaled to them to change formation. Signals are made by turning his plane straight up or down, or with one side higher than the other, and all know the signals, and in a few minutes are in the form of a circle, or a "V", or a triangle, and many other formations. One of the best stunts was when three planes flew in a perfect triangle with only ten or fifteen feet between the wings of their planes. They were making sixty or seventy miles an hour and were only about three hundred feet in the air, and when they passed over the crowds they waved at us and you ought to have heard how the crowds responded. Sixteen planes then came by in the shape of a "V" and they reminded one of a flock of wild geese flying although they made considerably more noise with their motors and were also in close formation, being not more than fifteen feet apart. Two planes had a mimic combat in the clouds. They approached each other from north and south, and of all the looping and falling and running above and below each other that I have ever seen here, those two surpassed everything. They fought above and in the clouds and down where we could see them for a half hour or more, and one of them pretended that he had been shot down, and fell for a few hundred feet and then righted and sailed off like an old crow. Cadet Joseph Lievre, with

No More Wheat Until Next Harvest

LEAD OF TEXAS FOLLOWED BY THE ENTIRE COUNTRY. OUR FIGHTING MEN MUST BE THOROUGHLY FED

Mr. Hoover has just issued the following ringing message to the country: "The confidence of the United States Food Administration that the people of the country would respond enthusiastically and wholeheartedly upon presentation of the facts to any necessary requests for reduction in consumption of food has been fully justified. We have demonstrated our ability not only to think together but to act together. This response of the people is the reason for the present appeal.

"Our work is not yet complete. In spite of the encouraging results of our efforts, in spite of the fact that our exports of foodstuffs are constantly increasing and are approaching the minimum requirements abroad, the need of renewed devotion and effort is present. While all of the requirements of the Food Administration should be constantly observed, there are certain matters I desire to stress at this time.

"In the case of meat and meat products, the necessities for shipment abroad are very great. Whereas the allied consumption has been reduced to the average of about 1 1/4 pounds per person per week, we are today enjoying about 3 1/4 pounds per person per week. This division is unequitable and the understanding of these facts will justify our request that the consumption of all meats including poultry, as nearly as possible, be reduced to 2 lbs. per week per person over four years of age.

"In the case of sugar we are embarrassed by the necessity of using ships for carrying our soldiers and feeding the allies, and in consequence we must use sugar with great economy. We must emphasize the importance of canning and preserving on a large scale among our people this summer and our available sugar must be conserved for this purpose.

"But the situation with regard to wheat is the most serious in the food supply of the allied world. If we are to satisfy the minimum wheat requirements of our armies and the allies and the suffering millions in the allied countries, our consumption of wheat in the United States until the next harvest must be reduced to approximately one-third of normal. It is inconceivable that we should fail in this crisis. For each of us who can personally contribute to the relief of human suffering, it is a privilege—not a sacrifice. All elements of the American population cannot bear this burden equally. Because of the constant daily employment of women and the lack of home-baking facilities, many households in large urban centers require a food ration already prepared, such as the bakers'

Males Reaching 21st Year Must Register

JUNE 5 SET AS DAY OF REGISTRATION.—ALL MALES ELIGIBLE MUST APPEAR IN PERSON.—ALIENS ALSO

The Secretary of War authorizes the following:

With the signing by President Wilson of the bill and proclamation designating Wednesday, June 5th, as the day on which all men who have reached the age of 21 since last June 5th shall register for military service, Provost Marshal General Crowder's office immediately began preparations for the enrollment of the men. Instead of using the election machinery as was done last year, General Crowder will call upon the local boards. It is believed that their experience during the past year has peculiarly fitted them to handle the new registration economically and efficiently.

General Crowder has estimated that probably three-quarters of a million men will be added to the American army by the new registration. His estimate is based on the fact that almost 10,000,000 men registered last year. This number included all between the ages of 21 and 31, and statistics collected by General Crowder's office show that a little more

(Continued on page 4)

standard 'Victory Bread' loaf. Furthermore, we must constantly safeguard the special requirements of children and invalids.

"To meet the situation abroad and to prevent serious suffering at home, it is imperative that all those whose circumstances permit shall abstain from wheat and wheat products in any form until the next harvest. It is realized and deeply appreciated that many organizations and some communities have already agreed to follow this plan.

"It is hoped that you will communicate this to your organization and your community, urging those whose circumstances will permit to join in with us and take this stand.

"HERBERT HOOVER."

While Texans may well feel proud that the Lone Star State has led all the rest in its resolutions to do without any wheat, we may accept the above message to the rest of the country as a compliment. It will furnish you with an answer to some of those unthinking, or as yet unconvinced, citizens who ask why we should go without wheat flour when some other parts of the country are not compelled to do so. It should never be necessary to compel any American or any American community to give its all to humanity in this struggle for freedom. The reason is clear.

Very truly yours,
E. A. PEDEN,
Federal Food Administrator of Texas

Our Weekly Letter From Camp Travis

EXTRA CARE IN WRAPPING AND ADDRESSING PARCELS MUST BE TAKEN.—MANY PARCELS UNCLAIMED AT CAMP

When the soldier boy's Evelyn Mae sends him a cake and a shoe box of fudge, why, of course, he has to sit down and tell her how "delicious" it was. What he doesn't tell her is that the cake was moulded in transit and he had to bury it in the garbage can. Nor does he mention the fact that the candy went astray because the address was faulty, and all the sweets that poor little Evelyn Mae labored over were dusty dry before they reached her correspondent.

The fact is that the postal service of Camp Travis is cluttered up with ill-packed, ill-addressed, ill-chosen and generally unnecessary parcels of food intended for a body of men who, even if the parcels never arrived at all, would be one of the best fed bodies of men in the country. The ration is a balanced one, every component that is required to make the meals nourishing and appetizing being provided. Fruits and vegetables find their place in the menu in season. The men do not need food from home. When it comes, if it is still in edible condition, the entire assemblage in the barracks of the recipient assist him in stowing it away and a box that took long hours of thought in preparation disappears in five or ten minutes.

For those who have a sweet tooth and desire dainties between meals, the regimental exchanges are within a hundred yards or so from the farthest barracks, and for a few cents the soldier can fill up on ice cream, or candy or other gimcracks. Quarter pound cakes in sanitary oiled paper may be obtained there also, as well as fruit of all kinds. The ice cream is produced at a factory that has complied with sanitary regulations of the army. The same is also true of the candy, and cakes bear a "release date" after which they are no longer considered fresh and may not thereafter be sold. Although these cakes contain no wheat flour, the substitutes are so cleverly blended that the substitutions cannot be detected. All things considered, therefore, if Evelyn Mae wants Private Oswald to have more goodies, she would do far better to send him the money to get them here in camp where they are fresh, than to ship them to him in a fragile hat box or similar container. But even then, Private Oswald is better off as he is, for he gets all he can hold at meal times, and more than that is not good for him anyhow.

Troops at Camp Travis are getting field training now. They march out by regiments and stay out for the day, the company cooks accompanying the men and serving the noon meal from field kitchens. The drills and exercises approximate war con-

Reeves County Boys Join the Colors

FIFTEEN ANSWER THE CALL OF THEIR COUNTRY DURING PAST WEEK.—THREE GO AS VOLUNTEERS TOMORROW

During last week and this several of the young men of Reeves county have been called to join the Colors, and do their part in making the kaiser regret the fact that he ever started anything with your Uncle Sammy.

One contingent left last Saturday in which was Professor Whitehead and T. E. Hayden, the former being the superintendent of the Balmorhea school, and the latter principal of the Pecos schools during the term just ended, and Richard Yowes, and Clarence Teal. These men were assigned to Camp Cody.

Yesterday the following were picked up here by a special train and assigned to the training camp at San Antonio, Camp Travis: Joe Langham, Carl Eddins, Otto Pace, Bud Harbert, Nathan Slover, J. C. Portervant, Frank Percer, of Cartican, Okla., Juan Borillo, Silvera Flores, Jilrilo Olivas, and Panteleon Martinez.

Tomorrow another contingent will leave for Etersburg, Va., to enlist as veterinary volunteers. They are, Holsey Glover, 3rd class; Marvin Carpenter, 2nd class; Dan Bowie, 1st class.

Among these are some of the community's best young men and the best wishes of the people go with them, that they may acquit themselves with credit both to themselves and to the home county, and may each and every one of them be returned to us again covered with glory won in paths of duty to country. —WSS—

P. E. Bowie was in from the ranch today buying supplies.

conditions as nearly as may be, both of work better than the routine drill, although they realize that the latter has its place. But they get out into the country, and, when the problem is one of open warfare, the individual soldier gets an opportunity to see something of the entirety of the work. When the problem is one of trench warfare, the necessity for co-operation and synchronization of effort is of still greater importance. And the soldier has a chance to see that also.

The men like it because it is more like "real something", as they say. They are not forgetting why they are here. These exercises are the nearest approach yet to that end. And that is why the men take to them so readily.

Keep Well. Do not allow the poisons of undigested food to accumulate in your bowels, where they are absorbed into your system. Indigestion, constipation, headache, bad blood, and numerous other troubles are bound to follow. Keep your system clean, as thousands of others do, by taking an occasional dose of the old, reliable, vegetable, family liver medicine.

Theford's Black-Draught. Mrs. W. F. Pickle, of Rising Fawn, Ga., writes: "We have used Theford's Black-Draught as a family medicine. My mother-in-law could not take calomel as it seemed too strong for her, so she used Black-Draught as a mild laxative and liver regulator... We use it in the family and believe it is the best medicine for the liver made." Try it. Insist on the genuine-Theford's. 25c a package.

R. N. McCarthy and son, Al, arrived Monday from El Paso and Kent.

"Gets-It"-2 Drops-Then to the Dance! "Goodnight to Corn Pains-Corns Peel Off With 'Gets-It.'" Say, girls, you can laugh at tight shoes, or damp, corn-pulling weather, big bumpy corns, calluses on the soles of your feet, corns between the toes, hard and soft corns.

A group of 100 women telephone operators, to serve with the Expeditionary Forces, have already been sent to France, and 150 are now in training schools to meet future demands. Wives of officers and men who are eligible for duty in France are not accepted.

Guarding Our Lines. Guarding our lines is like guarding our health-we must encourage the care of our bodies-train our organs for bodily endurance, efficiency and full achievement. It is not so much a necessity to fight disease as to cultivate health.

If we want to increase our chances for long life-Dr. Pierce, of the Surgical Institute, Buffalo, N. Y., says: "Keep the kidneys in good order. Try to eliminate through the skin and intestines the poisons that otherwise clog the kidneys. Avoid eating meat as much as possible; avoid too much salt, alcohol, tea. Try a milk and vegetable diet. Drink plenty of water, obtain Anuric (double strength), for 60 cents at druggists, and exercise so you perspire-the skin helps to eliminate toxic poisons and uric acid."

STROUD, OKLA.-"I suffered for a year with kidney trouble. I saw Dr. Pierce's advertisement in the paper and wrote for a trial package of Anuric. It helped me so much I went to the drug store and bought a supply of Dr. Pierce's medicine. I bought four bottles of the 'Golden Medical Discovery' one package of the Anuric Tablets and a vial of the Pleasant Pulver. The 'Golden Medical Discovery' cured me of my kidney trouble and I am now well and happy." JANE FISHER, Route 1.

WHAT THE RED CROSS IS DOING AND WHAT YOU CAN DO

One of the most beautiful tributes that Reeves county has ever paid to her Red Cross is the way all have so generously and willingly contributed to the Second War Fund. For your whole-heartedness in this work the Chapter most heartily thanks you.
To the ladies: So many are leaving for vacation visits, the few that remain find it so necessary to appeal for more help. Come and help us sew, and make surgical dressings. There are so many little ways one can help. Special mention is due Mr. R. E. Miller who has contributed sewing machines, chairs and other furniture for the comfort of our sewing rooms, and he not only keeps them in repair, but does the drayage free of charge.
Our Red Cross pig, Clara Barton, donated to the Collier Auxiliary by Mrs. Stamper, was bought at the auction by Mr. Ezell who will care for

her and fatten the swine and she is to be auctioned off again when her avoirdupois reaches the high-price mark.
The greatest of praise and thanks is attributed to Mrs. Short in the liberal contribution of the Red Cross play, your accomplished class rendered at the Pecos Theatre Monday.
Wells Unit on Thursday.-10 present, 7 garments. Friday being a very busy day with all the Red Cross members the Friday Unit did not meet.
Merry Wives completed 5 garments with 8 present. The Merry Wives extend a most hearty welcome to all on Wednesday afternoons. The work room is in great need of more help. This work must go on even at the greatest of sacrifices.
The surgical dressing class again did their bit-serving lunch on Friday last and netting \$148.

OSCAR BUCHHOLZ AND MISS BESS DONNELLY MARRIED

The Enterprise was among other Pecos friends to receive the following announcement this week:
Mrs. M. H. Donnelly announces the marriage of her daughter, Martha Elizabeth, to Mr. Theodore Oscar Buchholz on Wednesday the twentieth of May, Humble, Texas.
A card enclosed bears the following: At Home after the first of June, Pecos, Texas.
The groom, Mr. Oscar Buchholz, has been reared in Pecos and is well and favorably known as one of our young business men who is generous and up-to-date, and numbers among his friends the entire population of Pecos. Oscar is the only son of Mr. and Mrs. C. E. Buchholz and has always been dutiful and obedient and is justly beloved by his fond parents.
Miss Donnelly taught in the Pecos schools for two years, and is a lady of education and refinement and a worker in the Methodist church. She has many friends in Pecos who will be delighted to know that she is to make this place her future home.
The Enterprise joins the many Pecos friends of this happy and popular couple in giving them a royal welcome and wishing them a long, happy and prosperous wedded life.
Mr. and Mrs. Oscar Buchholz will be at home at the home of their father and mother until their home, now occupied by Harry Anderson, is vacated.
-WSS-

LITTLE GIRLS FRACTURES COLLAR BONE FROM FALL

Louise, one of the little daughters of Mr. and Mrs. C. H. Gunn, had a serious accident, and, according to physicians a close call from fatal injury when she fell out of a tree near her home, Monday, and struck on her head. The side of her head came in direct contact with the cement walk and the ear, acting as a cushion, very likely saved her from a serious concussion.
Her collar-bone was broken, but today the little lady is much improved and it is hoped will soon be ready to again romp around as her own little self.
-WSS-

THE FRIENDSHIP OF THE WEST

One of the things that makes life worth the living and puts new life in those whose faith is waning as to real friendship occurred this week when Bill Jones of Maria, who is well known to all the cattlemen and older citizens of West Texas, visited in Pecos this week. Mr. Jones and H. G. Pinkston are long time friends and real friends in the truest sense of the word. After a very pleasant visit with Mr. Pinkston, and on the eve of leaving for his home Mr. Jones handed Mrs. Pinkston \$100 in bills with the request that she say nothing about it and after his departure hand the roll to Mr. Pinkston. This was done and was a very pleasant and most delightful surprise.
But the generosity of Mr. Jones did not stop there. He called on R. P. Hicks, the coal man, and paid for six tons of coal to be delivered to Mr. Pinkston.
Mr. and Mrs. Pinkston are quite old and getting feeble nowadays and in their declining years this gift from such a friend, and so unexpected, has overjoyed these good people who are altogether worthy and deserving of the very best.
Advt.

ECONOMY IN BUILDING. BEST AND CHEAPEST LUMBER-I EVER BOUGHT.

When we save you money and sell you better materials than you can get elsewhere for the price, we both benefit.
You acquire a saving and satisfaction; we, a steady and permanent customer. If you have the slightest doubt of our intention and ability to accomplish this result, come in at once and give us a trial and be convinced. We guarantee Economy in materials.

THE PLACE TO BUY GROVES LUMBER CO. WILL TREAT YOU RIGHT.

The Treasury Department has extended to Great Britain an additional credit of \$75,000,000, making a total of American loans to that country 2,795,000,000, and the total to all the co-belligerents \$5,363,850,000.
-WSS-
To Cure a Cold in One Day. Take LAXATIVE BROMO Quinine. It stops the Cough and Headache and works off the Cold. Druggists refund money if it fails to cure. E. W. GROVES' signature on each box. 30c.

Lining up for War Stamp Campaign

JUNE 28th IS DAY SET FOR SPECIAL ACTION THAT WILL INSURE SUCCESS OF PLAN. READ THIS LETTER

Dallas, Texas, May 30.—With the third Liberty Loan successfully floated and Texas clamoring over the top in the \$100,000,000 Red Cross drive, special instructions have been issued by William G. McAdoe, secretary of the United States Treasury, to begin, throughout the United States and extensive drive for the sale of War Savings Stamps. Every tax payer and wage earner in the country will be authoritatively summoned to appear at a designated place in his community on June 28, and pledge to the Government the maximum amount he will save and invest in War Savings Stamps by December 31.

Announcement of this order was made today by Louis Lipsitz, State Director of the National War Savings Committee, and every War Savings chairman in all of the Texas counties has been instructed to now pledge meetings June 28th in every school district in his respective subdivision, Mr. Lipsitz declared.

"Sometime this week a Presidential proclamation will be issued, setting aside June 28th as a National War Savings day, and summoning every citizen to make to the Government his solemn pledge of the maximum amount of money he will save and invest in War Savings stamps from the White House," said Mr. Lipsitz.

A similar proclamation calling this proclamation to the attention of the taxpayers and wage earners of Texas will be issued at Austin by Governor W. P. Hobby. Every mayor in the incorporated towns and cities of Texas will also issue official notices.

"Following the instructions of the Secretary of the Treasury, every War Savings chairman in Texas will send to all the taxpayers and wage earners in his county an official summons from the President of the United States, the Secretary of the Treasury Department and the State Director of the National War Savings Committee, bidding him to attend the meeting which will be held in his particular school district. In most cases these meetings will be held in the schoolhouses. In the rural districts and small towns these meetings will be convened promptly at 2 o'clock in the afternoon of National War Savings Day. In the urban districts such meetings may be held in the afternoon or in the evening between the hours of 7 and 9 o'clock.

"The district meetings are to be conducted by the President, Secretary and Treasurer of the school districts, aided by the vice-chairman of that particular sub-division. Every person in attendance will be supplied with a pledge card upon which he will indicate to the Government the amount of savings he will make and invest in War Savings Stamps by the 1st of December. These cards will be taken up, a facsimile copy of them sent to Washington, and the original retained by the banks.

"Great care will be taken so that every male and female taxpayer and wage earner is summoned by official notification through the mails, proclamation and the publication of these proclamations in the newspapers of Texas, because," Mr. Lipsitz explained, "the burden of attending the meetings has been placed upon the individual and positive orders have been issued to us that the names of summoned persons who absent themselves from these meetings shall be reported to headquarters for action."

The State of Texas has been assigned the definite amount of \$91,000,000, to be saved and invested in War Savings Stamps by December 31. The districts quota will be announced at each meeting to be held on June 28.

All of the county War Savings officials, both men and women, have been carefully instructed in their duties by Mr. Lipsitz at three State conferences held at Houston, Fort Worth and Wichita Falls. These meetings were attended by special representatives sent from Washington by the Treasury Department and every phase of the work was carefully outlined, that there may be no hitch on June 28th in carrying out Secretary McAdoe's instructions and pledging the entire amount of the State's quota. At these conferences were represented by counties more than 95 per cent of the \$91,000,000, Texas' quota.

The work outlined by the Treasury Department, Mr. Lipsitz pointed

Enterprise is Complimented On Activity

HEAD OF WAR SAVINGS COMMITTEE APPRECIATES PUBLICITY GIVEN MOVE IN THESE COLUMNS

The following letter, though addressed to the editor of The Enterprise, directly complimenting him on his efforts in giving publicity to the sale of War Stamps, may also be taken as a direct compliment to the citizens of this community for the generous response they have made to the calls. The Enterprise is justly proud of the recognition, and feels that there is enough honor to divide with the citizens. The letter reads: "I have been following with the greatest interest, the effectiveness with which you are presenting in The Enterprise, Uncle Sam's War Saving lesson. I personally desire to thank you for your splendid cooperation and to express to you the appreciation of the United States Treasury Department. You are doing a fine work, and that W. S. S. cut-off slug is a fine idea."

(Signed) LOUIS LIPSITZ, State Director War Savings Com. Mr. Lipsitz also conveys the information that everything is being put in ship-shape for another War Stamp campaign, and The Enterprise's cooperation is further urged.

The editor, to allay any thought to the effect that The Enterprise instigated the advertising ideas during the various drives for its own pecuniary profit publishes here a paragraph embodied in Mr. Lipsitz's letter:

"Shortly, says Mr. Lipsitz, 'you will receive a new set of War Savings Advertisements and if you desire, your county chairman of War Savings will designate a special committee to aid you in calling upon the business men of your city and getting them to donate advertising space for these Government advertisements, as all of the patriotic merchants in Texas have been doing, and which many of the Pecos merchants have been doing.'"

In the past The Enterprise editor gave his time to these solicitations and bore his pro rata of the expense, so the appointing of a committee to attend to this special and all-important feature, will relieve him of no small portion of the responsibility of placing before our people an effective appeal that they support our Government. Not for a minute does The Enterprise wish anyone to get the idea from the above that any dissension has been heard. Pecos merchants have done their "best" along these lines, and the above is printed merely to place before our people the Government's appeal, and to show how each can best help in the momentous task of bringing to the Nation and its Allies a victory conditioned only on lasting peace among the nations.

ODD FELLOWS WILL HOLD MEMORIAL SERVICE JUNE 9

Relatives and friends of deceased Odd Fellows are invited to attend the Memorial Services of the Odd Fellows at Fairview Cemetery, Sunday afternoon, June 9th, at 4:30.

R. R. RODGERS, Noble Grand.

Tom Crum will arrive home tomorrow from Johnson, Kansas, where he had been with his cattle. He says the range there is fine and cattle doing nicely. Ira Jackson of Van Horn, is up in that country with cattle, also.

Mr. and Mrs. A. Tinally and little daughter left Wednesday morning for Detroit, Michigan. Mr. Tinally goes in the interest of the Standard Operating Company and The Sunshine Oil Corporation, both of which institutions he is at the head of.

If You Want a good gas engine to run stock water pump see Hibdon at The Enterprise office. Two good ones and both Fairbanks-Morse make. Either one at a bargain.

out, entails the printing of more than 6,000,000 pieces of literature, the calling to the meetings in over 11,000 Texas school districts, the summoning of approximately 1,800,000 people of the 4,500,000 population of Texas to these meetings, the posting over the State of 50,000 official proclamations and the double handling of approximately 1,800,000 signed Government pledges.

WHAT THE RED CROSS IS DOING AND WHAT YOU CAN DO

WOMEN'S WORK DEPARTMENT.

One of the most important branches of Red Cross work which has been undertaken by the Woman's Department is that of providing clothing for the hundreds of thousands of refugees in the districts that have been devastated by the war. At present it is the French and Belgian refugees for whom the appeal is being made. The various pattern companies have published patterns of the garments, and many of our Red Cross Chapters have taken up the work of making the clothing.

This is work that can be done in the central sewing rooms of the Chapters, or it can be done at home, as the workers may prefer. The material should be flannel, outing flannel or flannelette, and the color preferably gray.

Boys' blouse suits, made of serge or any very strong warm material, in gray, black, brown or navy blue. McCall pattern 105-A is for a 4-year-old boy, and the sizes run up to 105-E for a 12-year-old.

Pinafones, McCall pattern size 99-A for a 4-year-old child and 99-B for a 6-year-old. Material black sateen or checked blue and white gingham.

Girls' chemise, McCall pattern 110-A for a 6-year-old, size running up to 110-G for an 18-year-old. Women's chemise, McCall pattern 152-A for a 36-inch bust and 152-B for a 38-inch bust. The materials should be heavy unbleached muslin.

Girls' drawers, McCall pattern 111A for an 8-year-old, size running up to 111-E for 18 years. Women's drawers, McCall pattern 151-A for a 28-inch waist, 151-B for a 28-inch waist, 151-C for a 30-inch waist and 151-D for a 34-inch waist. Materials, heavy unbleached muslin.

For the little ones at the creeping age there are two dress patterns wanted, McCall pattern 90-A being a 6-month size, 90-B for 1 year and 90-Q for 2 years, while 91-A is the size for 1 year and 91-B for the 2-year-old child, this pattern having no provision for a smaller size.

Please order by numbers, and remember that all orders should come through chapter headquarters to the Bureau of Supplies.

MRS. EDMUND F. BROWN, Director of Women's Work, Southwestern Division A. R. C., 1617 Railway Exchange Building, St. Louis, Mo.

CIVILIAN RELIEF DEPARTMENT.

More than 400 Home Service Sections in the Red Cross Chapters of the Southwestern Division are now helping the families of our soldiers and sailors to solve the many problems which are daily arising. They are thus sustaining the morale of our fighting men. No chapter is now considered complete if it is without a Home Service Section, which is in sympathetic touch with all the needs of its families and with the newest methods of meeting these needs.

Every ship in our navy carries a bulletin stating that the Red Cross Chapter back home will assist the men on board by caring for their families, and thus relieving their minds from worry; likewise in the various camps, bulletins are posted and Red Cross Field Directors are stationed so as to make this service sure and effective between the camp and the Red Cross Chapter at home.

The problems which are presenting themselves are numerous and difficult. Problems which would ordinarily arise in peace times are now enlarged by the absence of one or more of the members of the family and are made more complicated by war conditions. Not only is relief needed in many cases, but prompt advice and information is of tremendous concern to these families. Mails would be flooded, the work of military and federal authorities would be hampered, and families would be in anxiety and distress were it not for the fact that Home Service Sections of the Red Cross have established an information service to answer all questions. Among other things, they are equipped with accurate information regarding the rates of pay of various classes of enlisted men, the proper form of addressing mail to them, the condition of discharged men and the provision for after-care of disabled men, the proper procedure for securing allotments and allowances, the protection of civil rights of men in the service, rules and regulations in connection with the soldiers and sailors of our allies, the shipment and burial of deceased men, and a multitude of other matters which are so vital to the comfort and welfare of the family. Every new law and regulation is promptly communicated to the Home Service Sections. Most of these sections include one or more lawyers who can give advice on the most technical questions.

Recently a group of attorneys in Washington has been watching government reports on the death or injury of soldiers and sailors and writing to the nearest relative for the purpose of securing a fee as attorney of claim agent. The Bureau of War Risk Insurance has announced that it will not be necessary to consult or employ an attorney, claim agent or other person to secure the benefits to which a family is entitled under the law of Oct. 6, 1917. The Civilian Relief Department of the Southwestern Division, anticipating the activities of unpatriotic lawyers and claim agents, advised all of its Home Service Sections several months ago to prepare themselves for this kind of service, and the sections have announced to their respective communities that they are prepared to give the families all necessary information should death or injury occur to a loved one. The Home Service Section can tell what financial compensation will be made to the family, how it can be obtained and will supply the necessary forms on which to make application. Thus every dollar to which the family is entitled for the government will be received by them and not spent for unnecessary attorney's or claim agents' fees.

ALFRED FAIRBANK, Director Civilian Relief, 1617 Railway Exchange, St. Louis.

DEPARTMENT OF CIVILIAN RELIEF.

Home Service—By the language of its charter and also by proclamation of President Wilson the American Red Cross has been made responsible for the welfare of the soldiers' and sailors' families. Each Chapter is responsible for the families living within its jurisdiction. Each Red Cross Chapter has organized a HOME SERVICE SECTION usually composed of not to exceed seven people and made up of men and women. It is the duty of these Home Service Sections to see that no soldier's or sailor's family suffers because the man is at the front. They give them assistance in many ways, as follows:

1. Aiding the wife to secure an allotment from her husband and the separation allowance from the government.
 2. Looking after the family when some of its members become ill.
 3. Acting as big brother or big sister to disobedient boys and girls.
 4. Securing positions for members of the family.
 5. Aiding in legal, business and insurance matters.
 6. Protecting families from dishonest agents and sharks.
 7. Relieving by grants or loans when the family is in distress and when the amount given by the soldier and the government is not sufficient to provide for the family.
- finally gets the most out of this war is the one that takes the best care of its women and children while the men are away.
- At present Home Service Sections are giving great assistance to the families by explaining the features of the war insurance bill. They have organized an information service at chapter headquarters and are now prepared to tell each family how to secure an allotment from the man in service, how to secure the government separation allowance and how much it will amount to; what benefits come from the law if their soldier is injured or killed. They are also giving definite and accurate information about the cheap government insurance which this bill provides.
- ALFRED FAIRBANK, Director Civilian Relief, 1617 Railway Exchange, St. Louis, Mo.

This paper has enlisted with the government in the cause of America for the period of the war

As dead as Russia should be a popular expression when one desires to reach the limit in mortuary circles.

No wheat until the next harvest. That's the program mapped out for all red-blooded American citizens. To call this sacrifice is certainly borrowing some territory to let the imagination romp around in.

The way Claude Hudspeth put it in his speech last night, the choice up to the people here in Pecos is between a rain and a sand-storm. The senator said that in every place he spoke that section was visited by a rain.

'Work or fight' is some slogan, according to The Enterprise's way of thinking. Loafers have no place in the task that confronts our nation today. Not only should the ban be placed on loafers, but, also, on places that tend to produce loafers.

Reeves county now has about 125 of its finest young men in the service. No wonder we, as a county, are doing our best in the various lines of endeavor that will hold up the arms of our government and bring about a speedy peace through victory.

In a recent speech Bill the Hun, in frenzied outburst, said 'What have I not done to prevent this terrible bloodshed and suffering.' Many writers have wasted valuable space on the subject, when one sentence covers the premises like a blanket: 'Not a d---d thing!'

A news item in the Dallas News says that 'one of the most inspiring sights of the war is the form of that fine grizzled veteran, Gen. Wood, as he presides the White House, asking that he be given a chance to go to France and fight.'

The Enterprise doesn't know, but is of the opinion that the kaiser's Christmas dinner, to be partaken of in the city of Paris, is getting cold. Which reminds The Enterprise of the bum guess made by Hindenburg, that the date had been postponed until April 1st, last. It might be that this load of bunkum was removed from command of the hun horde on account of poor arithmetic.

The next number, ladies and gentlemen, on the year's program is the War Stamp drive. The Enterprise has no idea what Reeves county's quota will be, but why worry? Our people have such a fool habit of going over lately that the editor is safe in making the announcement that we'll reach it, no matter how high. So this is to serve notice on those in charge to lift the limit for Reeves now and forever more.

It doesn't make a bit of difference to The Enterprise how many soldiers we have in France at the present time, nor should it make any difference to any real American. To spies of Germany its different. They are interested and would give a great deal to know. From all accounts The Enterprise knows that we have enough over there to hold up our end of the line, and to give the Huns worry enough to last them the remainder of their lives.

The results from the recent Liberty Loan and Red Cross drives prove that Americans are alive to the real issues at last. Especially does the figure reached in the latter campaign prove that patriotism is burning with a glow that will defy any attempt of Prussianism to quench it. The Liberty Loans are what their name implies—a loan. All of us expect our money back. We loaned to the government with that understanding. And we expect, also, accrued interest on the amount. But the money realized by the Red Cross was free from encumbrances so far as the Association was concerned, all Americans expect is that it relieve the suffering of humanity wherever found. That this is being done we have abundant assurance and proof. The Red Cross asked \$100,000,000, a sum that was thought impossible before the first drive. This amount was oversubscribed 50 per cent. A spirit of this kind broods no good for kaiserism.

ENTERTAINMENT COMPLETING MISS McCARVER

Mrs. C. M. Wilson and Miss Sadie Collings most beautifully entertained on last Saturday evening at the home of Miss Collings with a Thrift Stamp Shower, complimenting our charming bride-to-be, Miss Florence McCarver.

The living room of the hospitable Collings home was decorated with fragrant training honeysuckles. Beneath these bowers the honoree in her sweet and gracious manner received her friends, who showered her with the very happiest wishes for her future.

Miss Warren Collings who, as on all occasions, was the spice of the evening, startled the guests by shrill blasts from a postman's whistle, and, attractively dressed in military suit, delivered to each guest a letter and to the bride-to-be a huge envelope which contained Thrift Stamps from all present together with their fondest wishes. These were read and pasted in the stamp book, affording much merriment and pleasure during the entire evening.

The dining room was artistically decorated in our beloved Starry Banner and streamers of red, white and blue. The bride's table was laid in handsome lace and here the bride's cake was cut by each guest, who again covered the honoree with happy felicitations. Delicious ices were served with the bride's cake.

Miss McCarver holds a very dear place in the hearts of all—a place that none can fill. Our loss is another's gain. She carries to her new home the very happiest and dearest wishes for her future, and we know that the influence of the beautiful character that she is will be felt in the social and church circles wherever she abides, as it did with us.

Those who were present at this very delightful affair were the honor guest, Miss Florence McCarver Misses Annie Richburg, Lillian Poe, Bynnie Bozeman, Mildred McCarver, Minnie Vickers, Buena Mae Howard, Marie Grafius, Misses Glover, Edgings, Cummings, Warren, Nannie Mae and Sadie Collings; Mesdames Earl Collings, Knight, Ethel Reynolds, E. L. Collings and C. M. Wilson. A FRIEND.

WSS

A Letter from the Kelly Aviation Fields

(Continued from page 1)

three other pilots had been climbing with their machines all during the first of the program and they flew behind a large cloud and were out of sight for ten or fifteen minutes, and when they came out again they were more than a mile high. Lievre then turned a half loop that placed him in a position with his head toward the earth and he flew that way for a mile, and the crowd cheered more than they had before. One of our French officers, Lt. Mathieu, was one mile high when he turned the nose of his machine toward the ground and came down like a rock. The crowd, however, would not leave until Rodman Law and Edward Stinson flew over at an altitude of 3,000 feet and Law jumped out of the plane with a parachute. They were directly over the crowd when Law jumped, but a strong wind carried him about a mile to the west of us before he landed. This was the third time that Law had jumped from an aeroplane in that manner.

In the big parade that opened the program, the 344th Artillery formed the greatest part of it. I wanted to tell this because it is the organization that Sgt. Bee Colwell, of Pecos, belongs to.

Tell the friends at home that I am all right and like the rest of the boys at Camp Kelly, have sworn to make kaiser Bill pay for all the fatigue, guard, and kitchen police duty we have to do. I will write again and tell of a speech I am going to hear at the Y. M. C. A. No. 160 tonight. A French officer who is now out of the service on account of his wounds has been speaking at Travis, Camp John Wise, Ft. Sam Houston, Camp Stanley and Kelly Field for about two weeks. Every one is anxious to hear the old, old story from the front again told by one from over there.

By the way, I saw a French War Cross a few nights ago. I went to the city to see a Red Cross man, the head of the work in France, and I heard him speak. A boy who lives in Alabama won this cross in France and gave it to the Red Cross man to give to his father and asked that he tell his dad to wear it for him until he returned. The man told a good joke, too. He said that two of the negro soldiers were passing along a road in France and met a Scotch soldier in his kilties and it set the negroes to arguing as to whether the Scotch soldier was a woman or a man. Finally one of the negroes said: he was a man, while the other said he was a woman. At last one said: 'Say nigger, I know 'bout what it is, I bet its one of dem Middlesex soldiers.'

Well, I have made this too long already so will stop. Good luck to the rest of the force. Old Pecos will look like the promised land to me when next I see it, but I must run over and see the kaiser before I see you folks again; any word you wish to send him?

JO W. CAMP, Sergeant Major, Line 89. WSS

LITTLE CHILD IS VICTIM OF PNEUMONIA AT RANCH

Lucile Pendergrass, the five-year-old daughter of Mr. and Mrs. R. G. Pendergrass, died last Sunday afternoon of pneumonia. The father, who lives on a farm north of here, brought the child to one of our physicians last Saturday for examination, and it was in a much more critical condition than the parents had supposed. All of the children of the family are suffering with whooping cough and this child was not known to have the complication until examination by the physician.

She was buried at the Barstow cemetery Monday afternoon at 5:30. Short services were conducted at the grave by Homer L. Magee of Pecos. The family has the sympathy of our people in the loss of their child.

FOR CONGRESS

I am a candidate for Congress subject to the Democratic primaries. For Prohibition. For Woman Suffrage. Was Wilson a delegate at Baltimore. Was Wilson Collector of Customs at El Paso. Resigned to run for Congress. PLATFORM—100 per cent. Americanism; Stand by the President; Help Whip the Kaiser.

ZACH LAMAR COBB (Political Advertisement)

Males Reaching 21st Year Must Register

(Continued from page 1)

than ten per cent of these men were 21 years of age. On that basis it is estimated by the draft officials that the total registration will exceed one million, of which 750,000 will be available for military service. This makes proper allowances for physical defectives, exemptions because of dependents and other bars to military service.

The law provides that every young man in the United States who has reached the age of 21 years since June 5, 1917, or will reach that age on or before June 5, 1918, must register. The only exceptions are in the cases of men who are actually in military or naval service. All male persons, citizens or aliens, born between June 6, 1896, and June 5, 1897, inclusive, except officers and enlisted men of the regular army, Navy or marine corps, and the National Guard and Naval Militia while in Federal service, and officers in the officers' reserve corps, and enlisted men in the enlisted reserve corps, while in active service, must register. Some misunderstanding has been caused by the publication of reports that medical and divinity students need not register, and General Crowder has issued the following statement:

'Divinity students and students of medicine must register. Under the terms of the law signed by President Wilson on Monday students who were preparing for the ministry in recognized theological or divinity schools and students who were preparing for the practice of medicine and surgery in recognized medical schools on May 20, 1918, are exempt from the draft. However, the law does not relieve such students from the duty of registering on Wednesday, June 5th. Registration comes first, exemption afterwards. It is necessary that these students register.'

The registration will be held in the office of the local board having jurisdiction of the area wherein the person to be registered permanently resides, or in such other place as by public notice is designated by the board, between 7 a. m. and 9 p. m. on Wednesday, June 5, 1918.

It is necessary to go to the registration place in person. Any man who expects to be absent from home on Wednesday, June 5, 1918, should go at once to the office of the board where he expects to be and have his registration card filled out and certified. He must then mail his card to the office of the local board having jurisdiction of the place wherein he permanently resides, and in view of the fact that this card must be received by his home local board on or before June 5, 1918, it is essential that anyone who expects to be away from home on that date arrange for his registration immediately.

Anyone who is sick on June 5, and unable to present himself in person at the office of the local board may send some competent friend, who may be deputized by the clerk to prepare his card.

Any person in doubt as to where he should register should consult the local board in the place where he permanently resides, or he may obtain the desired information from the office of the mayor if he lives in a city of 30,000 population or more, or from the county clerk or parish clerk if he does not live in a city of 30,000.

It is not anticipated that many will be delinquent. It is hoped that none will be, but for those who do fail to perform their duty Congress has provided a very heavy penalty. Failure to register on June 5 constitutes a misdemeanor punishable by imprisonment for one year, and may result, furthermore, in the loss of valuable rights and privileges and immediate induction into military service.

HERE'S PROOF

A Pecos Citizen Tells of His Experiences.

You have a right to doubt statements of people living far away but can you doubt Pecos endorsement? Read it: J. B. Davis, Fourth St., says: 'I had quite a bit of trouble with my kidneys and my back was weak and lame and ached all through the small part. I had bladder trouble also and the kidney secretions were too frequent and burning in passage and highly colored. Doan's Kidney Pills did me a great deal of good and when I have noticed any return of the kidney trouble since, I have procured a box at the City Pharmacy. They have never failed to relieve me.' Price 60c at all dealers. Don't simply look for a kidney remedy. Doan's Kidney Pills—the same that Mr. Davis had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—Advt. 1

RANCHERS OF WEST TEXAS ARE STRONG FOR DUDLEY

El Paso, May 30th.—Cattlemen, ranchers and business men in West Texas are taking an unusual interest in the candidacy of Richard M. (Dick) Dudley for State Senator from this district, as he is making the race on a platform of representing the interests of these allied interests in the State Senate during the next two years.

Mr. Dudley, who lived in Mexico many years and understands the character of the people across the border, is urging the governor and the State Legislature to provide adequate protection for every Texan living along the border. At his own expense he went to Austin recently on a non-political mission at the request of the cattlemen and ranchers of West Texas to have Governor Hobby authorize the formation of a cowboy constabulary for the protection of American interests from the cowardly raids of Mexican bandits. This was done at his request.

At the present time Mr. Dudley is making a tour of the district in order to study the needs and desires of the residents of this section in order that he can better represent them in the legislature. His record during his two-year term of office in the house of representatives was a continuous fight for the rights of the cattlemen, landowners and other citizens of West Texas and he stands pledged to an even more vigorous policy when elected to the upper house.

Mr. Dudley will visit Pecos soon and will meet his constituents personally.

Many of the ranchmen are moving back to their ranches since the close of school and houses are going begging. Many of them are glad to have their houses occupied in order to hold the insurance.

O. T. Norwood of Fort Worth, was in Pecos the forepart of the week, the guest of his brother-in-law, B. A. Toliver and family.

Tom Duncan was in town today from his ranch near Kent.

RED CROSS CARNIVAL HELD AT PORTERVILLE

Mrs. Floyd Goodrich threw open her doors to the Red Cross Auxiliary Wednesday evening, May 22nd, when she gave a carnival for the War Fund Drive.

On account of a rain and hail storm just before night, there were not as many as expected, but nevertheless those present showed their patriotism by giving liberally to this noble cause.

A nice sum was realized from the meals which were served throughout the evening, from cold drinks and from the different booths. The fish pond was a very popular innovation on this occasion, from which a nice sum was collected, also from a gypsy fortune teller's magic show. Music was furnished throughout the evening and was much enjoyed. Mrs. Goodrich, who had the drive is highly complimented for what she did in leading Porterville 'over the top' in the Second War Fund drive of the Red Cross.

DOCTOR ARONSON DIES IN HOSPITAL AT EL PASO

Dr. A. Aronson, well known to the residents of this section at El Paso last Friday.

The passing of Dr. Aronson will be regretted by many of our people who were personally acquainted with him. He was quiet and unassuming. He was quiet and unassuming. He was quiet and unassuming. He was quiet and unassuming.

Rabbi Martin Ziehlman conducted the funeral services and the body was laid to rest in Mt. Sinai cemetery.

A wife and five children survive him.

SUNDAY SCHOOL CLASSES ENJOY PICNIC IN COUNTRY

The young ladies Sunday school classes of Mrs. B. R. Stine of the Christian church, and Miss Lillian Poe, of the Methodist church went to irrigation ditches near Barstow Tuesday afternoon and had a delightful picnic. A fine time is reported. One of the pastimes enjoyed was bathing in the main canal.
---WSS---
BAPTIST SUNDAY SCHOOL ENJOY PICNIC ON RIVER

The members of the Baptist Sunday school went up to the Sullivan bridge on the Pecos river yesterday and had a picnic. The spread consisted of all manner of good things to eat. The young people had a merry time promenading up and down the river, children enjoyed various games while the older people sat around and held conversations.
---WSS---
Miss Marie Lloyd visited in Pecos today with Mrs. E. J. Moyer. She was on her way home to Balmorhea, after a short visit at the Experimental Farm with her sister, Mrs. J. W. Jackson and at Barstow with another sister, Mrs. Irby Dyer.

Milk Goat—I have a splendid milk goat, fresh in January, for sale at a bargain. The Enterprise office.
Mrs. W. L. Ross and daughter, Callie, left Saturday afternoon for their ranch in New Mexico and were accompanied by Mrs. Ross' father and mother, Mr. and Mrs. K. S. Felts. They will be up there for some time.

Attorney Clay Cooke is spending the week with his wife in Bosque county.

Mrs. A. G. Van Horn and children and Miss Mabel Bessire were visitors in Pecos today from Toyah.

Miss Golda Wilhite is again a resident of Pecos, arriving about two weeks ago.

The little two year old daughter of Mrs. O. H. Beauchamp is seriously ill with pneumonia.

Shredded Bear Grass as a Future Feed

RECENT DEMONSTRATIONS IN PECOS PROVE THAT IMPORTANT FACTOR IN FEEDING STOCK IS OVERLOOKED

The following is compiled mainly from an article appearing in the Dallas Semi-Weekly News stressing the fact that nutritious feed is to be had in abundance for stock raising, especially in West Texas, and is a correction of many erroneous ideas held by stockmen in regard to several of the plants used in feeding stock:

One of the most practical purposes to which bear grass or yucca may be put on the plains of Southwest Texas is as a cattle feed. Cattlemen have made systematic feeding tests with bear grass during the last six months and have succeeded in cutting down their feed bills very materially. On the cattle ranches of West Texas and New Mexico feeders have had striking success with bear grass, which, however, must be properly treated before it will result beneficially.

An erroneous opinion has spread far and wide throughout the bear grass territory, that cattle will thrive on the leaves of the bear grass plant alone. But it would be difficult to make these leaves palatable to livestock because of their keen edged sides and barbed ends, which make it difficult for cattle to eat to advantage. There have been many cases where farmers have cut the bear grass blades in a food chopper and fed them to cattle. However, by far the most palatable and nutritious feed elements of bear grass are contained in the stem or stalk. These stems have been analyzed at colleges and experiment stations and were found to contain much similarity to timothy hay as a cattle feed.

The writer in the News then goes on to describe the plant, which is familiar to all our cattlemen, and then tells of his trip to Pecos and of the introduction of an up-to-date feed grinder especially adapted to the preparation of bear grass for cattle feed, being introduced in this section by the Sims-Jordan Hardware Co., of Pecos. He says:

The writer spent several days in the vicinity of Pecos, West Texas, looking into bear grass conditions and its uses as a cattle feed. That region perhaps has developed the uses of the plant as a feed more highly than any other territory. Largely through the efforts of I. J. Sims and C. B. Jordan, hardware merchants of Pecos, bear grass stalks enter largely into Southwestern Texas cattle feeding at the present time. Through their enterprise they succeeded in having chemical and feeding tests

made of the bear grass and finally induced an El Paso factory to manufacture a shredder into which the largest stalks of the Spanish Dagger or bear grass stalks can be fed and torn to shreds. The machine is an improvement over the milo, corn or kafir feed choppers, which are not powerful enough to handle the large yucca plants. The demand for the cutter is very great and hundreds have been sold of late.

The writer then gives several instances of successful experiments with the feeders, and among local cattlemen the experience of Albert Cooksey is given as follows:

A. B. Cooksey of Pecos, is feeding 300 pure-bred Hereford cows, yearlings, heifers and steers on shredded bear grass and cottonseed cake. The experiments began fifty days ago and there has been a saving of one-half the cottonseed cake with equally as good results. Formerly it took three pounds of cottonseed cake per head and now Mr. Cooksey only feeds one and one-half pounds of the cake, together with shredded bear grass. Mr. Cooksey considers shredded bear grass as of equal value to dry silage or sorghum fodder. There has been no disease of any kind in the herd and no death loss.

WSS—
DAY OF PRAYER OBSERVED

The spirit of the President's proclamation that yesterday be observed throughout the Nation as a day of prayer, fasting and humiliation was carried out in Pecos. At 11 o'clock the citizens of the town gathered at the Methodist church and united in a service of prayer.

The day also being Memorial Day, the flags here flew at half-mast in the forenoon, out of respect to the departed heroes of the Nation. At noon they were raised to the head-mast.

Explosion Destroys Midland Buildings

MYSTERY SHROUDS BLOWING UP OF POOL HALL AND RESULTANT DAMAGE TO MANY OF CITY'S BUILDINGS

An explosion in a pool hall at Midland the early part of the week which caused the death of one man and the demolition of four or five business houses, and shattered windows of buildings for two or three blocks away, is still shrouded in mystery, so far as The Enterprise has been able to learn. The explosion occurred early in the morning, and at the rear of the pool hall where the explosion occurred, was found the body of the proprietor of the place with his skull crushed and his face badly mutilated. The fire and the force of the explosive, which is supposed to have been dynamite, destroyed and wrecked about five business houses which will be a serious loss to that town.

Midland has been hard hit by the drouth and fires the past year.

WSS—
THIS IS NOT A JOKE—JUST SOMETHING FUNNY

The scene is laid in the western part of Pecos, not far enough out to be classed as the suburbs, yet not close in enough to be called the city proper.

Two of Pecos' charming daughters strolling thence, chatting casually, spied a goat in the backyard of a resident of West Pecos. Formerly the goat was a lamb, but said lamb was growing at such a rapid rate and interfering with Hoover's conservation plans to such a degree that even little Mary decided that to win the war it must be disposed of. Mary, however, must have a pet, and so the lamb became a goat—a wee little fellow 6 weeks old. These young ladies had seen the lamb times without number, but knew nothing of the change in the species, and on beholding Nanny, one of them said:

"Oh, Mrs. —, what did you do to the lamb, he looks so funny?"

"Why that's a goat," said the good lady. "Did you really think it was a lamb?"

"Of course," chirruped the other young lady who, until now remained silent. "Of course, it's a goat. Is that all you know about agriculture—can't tell the difference between a lamb and a goat?"

YOUNG PECOS COUPLE ARE QUIETLY MARRIED

As The Enterprise goes to press tonight, information comes of the marriage of two of the community's young people, Louis Roberson, son of Mr. and Mrs. H. C. Roberson, and Miss Dorothy Haight, who for some time past made her home with Mr. and Mrs. R. N. Sewell.

Particulars at this late hour are lacking, but The Enterprise feel it is not too late to join with the happy couple's many friends in wishing them bon voyage in double harness.

WSS—

Mrs. J. B. Heard and children this week moved to their ranch for the summer.

Hill Hudson will arrive home tomorrow from Fort Worth where he had been attending T. C. U. for the past year.

GET RESULTS BY PATRONIZING THE ENTERPRISE CLASSIFIED COLUMN.

H. A. Wren returned yesterday from a month's trip in the east. Mrs. Wren will remain for some time yet. He reports a delightful trip.

Rev. W. A. Knight is away this week attending a series of two-day meetings which are being held with the different Baptist churches in the district.

Judge Ponder S. Carter was in Pecos yesterday boosting Hon. Claude B. Hudspeth for congress. Mr. Carter is looking unusually well and happy.

For Sale—Have a fine buck kid, half Toggenburg and half Nubian—both pure milk goat breeds—at a bargain. The Enterprise office.

Judge and Mrs. J. F. Meier of Balmorhea were Pecos visitors today, the judge calling at this office and saying howdy. He reports that the recent rains in the Valley put several feet of water in the big reservoir.

Milton Wadley left this (Saturday) morning for El Paso where he will enlist in the Navy. Milton is yet under the draft age but he just simply had too much patriotism and got in a hurry to help get the United States goat.

S. K. Lewis is in from his ranch today looking happy and as handsome as ever.

T. J. Sisk this week shipped a car of hogs to the Fort Worth market which netted him something over \$1700.

Mrs. George Williams, who has just closed a successful year of teaching school at Porterville, returned home Tuesday.

Miss Nell Kerr arrived this morning from the Texas Woman's college of Fort Worth, where she had been in attendance for the past year.

H. T. Lavelle of Balmorhea, candidate for assessor, was looking after his political interests in and around Pecos for a day or two this week.

Elmer Reynolds came in from the ranch yesterday and he and attorney Jno. B. Howard went up the river early this morning on a fishing trip.

WSS—
EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is Quicksilver and Acts Like Dynamite on Your Liver

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and never should be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and cannot salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

THE THRICE-A-WEEK EDITION OF THE NEW YORK WORLD IN 1918

The THRICE-A-WEEK WORLD'S regular subscription price is only \$1 per year, and this pays for 156 papers. We offer this unequalled newspaper and The Enterprise together for one year for \$2.50.

Practically a daily at the price of a weekly. No other newspaper in the world gives so much at so low a price.

The value and need of a newspaper in the household was never so great as at the present time. We have been forced to enter the great world war and a large army of ours is already in France. You will want to have all the news from our troops on European battlefields and 1918 promises to be the most momentous year in the history of our universe.

No other newspaper at so small a price will furnish such prompt and accurate news of these world-shaking events. It is not necessary to say more.

LEGAL NOTICES

SHERIFF'S SALE

The State of Texas,)
County of Reeves.

By virtue of a certain execution issued out of the Honorable County Court of Reeves county, on the 7th day of May, 1918, by the clerk of said court against Leslie A. Needham, Leslie A. Needham, Trustee for the stockholders of the Trans-Pecos Land & Irrigation Co., a corporation and Spencer B. Pugh, for the sum of Five Hundred Sixty-eight and 15-100 (\$568.15) Dollars and costs of suit, in cause No. 582 in said court, styled J. G. Love versus Leslie A. Needham et al, and placed in my hands for service, I, Tom Harrison, as sheriff of Reeves county, Texas, did, on the 8th day of May, 1918, levy on certain real estate situated in Reeves county, Texas, described as follows to-wit: Sections 21, 23, and 25, Block 2, H. & G. N. Ry. Co.

And levied upon as the property of said defendants, and on Tuesday, the 4th day of June, 1918, at the courthouse door of Reeves county, in the town of Pecos, Texas, between the hours of 1 o. a. m. and 4 p. m. I will sell said land at public vendue, for cash, to the highest bidder, as the property of said defendants by virtue of said levy and said execution.

And in compliance with law, I give this notice by publication in the English language for three consecutive weeks immediately preceding said day of sale, in The Enterprise and Pecos Times, a newspaper published in Reeves county.

Witness my hand this 8th day of May 1918.

TOM HARRISON,
Sheriff Reeves County, Texas
First insertion May 10
Last insertion May 31.

F. P. Richburg Land & Rental Agency

We Give a Few of Our Best Bargains

If you own vacant grazing land and wish to lease it, list it with us and give definite description so we can locate it. If you want to lease, see us and tell us what you want and where you want it.

In your description of lands be sure and give Section No. and what Survey, that is, whether Public School Land, T. and P. Ry., H. and T. C. Ry., etc., and sometimes it is designated by Townships. Be careful to give full description.

No. 106—4-room house, 100 feet front, artesian well in yard. Grass, and shade, small barn, chicken pens, etc. All up in good shape. Price \$800 cash.

4-room house on 75 ft. lot. East front and S.-E. corner. This place is well situated on Oak Street, and up in good shape. Pretty good out buildings. Entire lot fenced, a galvanized 30-barrel cistern and house gutted. Price \$1000. Half cash, balance on easy terms.

We have two 10 section and one 20 section ranches for sale in Reeves county. A good time to buy while it is yet dry. Think it will rain some day, then land will be higher.

No. 281.—A small 4 section ranch 25 miles south of Pecos. Four sections in solid block and 5 sections leased for 5 years, making 9 sections in all. All fenced and all lying in block. Good soft water, 4-room new house, barn, garage and good corral made of 2x8 lumber. The four sections, Nos. 35, 36, 37, and 38 bought at \$2.01 from State. 5 1-2 sections leased on five-year lease. This is a splendid little ranch with soft water and good soil to grow fruit, vegetables, etc. Price \$3.50 cash or \$4.00, 1-2 cash, balance in one year.

No. 274.—160 acres 3 miles northwest of Pecos, 1 mile northwest of the State Experiment Farm. All in good state of cultivation, watered by a large pumping plant. The entire farm is fenced with hog-proof woven wire. Has a \$3,000 residence and 1 tenant house. This is an extra good irrigated farm. Only \$100 per acre. Good terms.

No. 282.—1 sections, No. 10, 680 acres, and S 1-2 of section 6, Block No. 54, twsp. 7, 276 acres. \$1.50 to State, at 3 per cent. Has good well. Lies 3 miles west of Hoban, and joins the H. H. Jones farm on the north. Think this can be bought for \$5.00 bonus.

5-room house on 100 ft. lot and S. E. corner. Weatherboarded and painted. Considerable out buildings, house nicely painted and screened porch. Plenty shade trees and good garden place. Price \$900; \$250 cash, balance monthly or in 2 or 3 annual payments, 8 per cent interest.

No. 286.—A well located 4-room house close in; 50-ft. lot, east front and good terms. Price \$800. Part can be paid in monthly installments. If you want a pleasant little place don't fail to see us.

Good time now to lease grass land; it is not going to stay dry always. F. P. RICHBURG LAND & RENTAL COMPANY.

No. 288.—Good 5-room house with screened porch and bath; garage, barns, poultry yards and pens and garden. East front. This is a weather-boarded house and up in good shape. Lot 100x115 feet. In good neighborhood. Price \$1500.

No. 290.—4 section ranch about 4 miles west of Arno. Sections No. 4, blk 54, and Nos. 8, 10, and 12, blk No. 55, Twp. 4, T. & P. survey. Well on section No. 4, blk 54. This is good grazing land. Other land around it can be leased. Price \$1000 per section bonus.

No. 291.—Corner lot with two 4-room houses on it. This property is in fairly good shape and is good rent property for colored people. Close in, almost always rented. Owner lives in Illinois and wants to dispose of it. Price, \$600 cash.

No. 293.—One section land 8 miles south of Pecos. This section borders on the Pecos River which makes it riparian land. Most of it is agriculture land. Price \$10 per acre.

No. 300.—1 section, No. 24, H. & G. N. Ry. survey. A splendid river section. Part has been cultivated. Price \$10 per acre. Good terms. Lies 10 or 12 miles from Pecos on the Pecos River.

No. 301.—E 1-2 of section 59, blk No. 4, H. & G. N. Ry. Co. survey. Situated between Experiment Farm and Sand Lake. Price \$5.00 per acre.

No. 302.—Sections Nos. 21 and 23, price \$3.00 bonus. \$2.00 due to the State at 3 per cent. 2 other sections joining that can be leased.

No. 375.—We have several small ranches for sale, ranging from 4 sections to 50 sections. Price from \$1.00 to \$3.00 per acre, most of it \$1.50 to State at 3 per cent interest. If you want a small ranch come to see us.

No. 376.—800 acres in West County, just across the Pecos River from Pecos City. 160 acres of this tract lies on the south side of the T. & P. R. R. track and borders on the river. There are some 150 or 160 acres of this tract in cultivation. A drain ditch and a canal pass through it. Will sell it in a body or in tracts. Price \$40 to \$80 per acre. We can make satisfactory terms. This tract lies on the Pecos and Barber road for 1 mile or more.

No. 378. A 5-room one and one-half story on 115-foot lot. Northeast corner, good shades. A good place for a good house. Price \$1200, 1-2 cash, balance in three annual payments.

An 18-room Hotel for sale or rent. Will sell furnishings and rent the building or sell all.

We want a section of good land near railroad. If you have one let us know.

No. 379.—4 sections, Nos. 2, 4, 24 and 26, block 57, twsp. 2, T. & P. Ry. Co. survey. This land lies in the sulphur belt, between Orla on the Santa Fe and the Tinaly sulphur mines. Price \$5.00 per acre, bonus.

No. 380.—1 section, No. 182. This section lies on the north side of the P. V. S. Ry., joining Verhalen. Splendid land. Price \$10 per acre.

Don't forget to list your pasture land with us.

We have a 200-acre Clay county farm to trade for a small ranch. Will trade all farm implements and teams and take cattle on the ranch.

No. 400.—A 6-room house and 100-foot lot, with barn, poultry yards and garden and lots of nice shades. This place is situated in the best part of town. An artesian well in back yard. A good bargain. Price \$1500, two-thirds cash, balance easy terms.

We have a number of cheap houses that we can give special bargains in. If you want a little home call and see us. If you have any property to trade let us hear from you.

TO SELL OR TRADE

No. 280—164 acres, 5 miles west of Pecos, on T. and P. Ry. 80 acres in cultivation and fenced with rabbit-proof wire. 3 room house in good shape, good barn and other sheds. A good well of about 1500 gallons per minute, 5 inch pump, 45 horse power crude oil engine. This land is suitable for growing cotton, maize, alfalfa, sweet potatoes, melons, etc. Price, \$50 per acre. If this interests you, write us for full particulars. Would consider trade for farm in the Lampasas country, at the right price. This same kind of land this year has made an average of \$375 per acre on 7 acres in melons.

Several others. Call around and look them over.

ONE CENT SALE AT PECOS DRUG COMPANY A SUCCESS

The one-cent sale, which seems to be an annual institution with the celebrated string of Rexall Drug Stores, opened at the Pecos Drug Company last Thursday and ran until Saturday the 25th, doing a land office business each day.

These sales are becoming more and more familiar to our people, and the plan is one of the most novel modes of advertising the Rexall brand of goods that was ever conceived by the brain of man. The plan was to price an article, say, at \$1.50. You bought the article and paid that price; you then handed the charming and obliging clerk a copper cent and she gave you a duplicate of the first. Great stunt, and Doc, too, is simply in his element when he's pulling one of the annual feasts of bargains on his unsuspecting customers.

The Enterprise force designed and printed the huge hand bills that furnished publicity for Doc and the Rexall people's modern method of advertising their commendable goods.

The British meat shortage is being felt more severely now than at any time since the war started. That the shortage is not confined to meats however, is shown by the fact that effective control of the milk supply is already being considered, in order to meet a possible greater shortage later in the year, and that some sections of England labor are favoring extensions of the compulsory rationing system to bread, cheese and tea.

Whenever You Need a General Tonic Take Grove's.

The Old Standard Grove's Tasteless chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cents.

Balmorhea Holds Carnival for Red Cross

CITIZENS FROM PECOS AND ADJOINING TOWNS MAKE MERRY AND SWELL FUND FOR RED CROSS WORK

On last Saturday afternoon a delegation from Pecos, accompanied by the Pecos Band, left for Balmorhea, from whence an invitation had been issued to attend a big carnival, under the auspices of the good women of the Red Cross Chapter in the Valley. It was said by those who attended that everything good was to be found there in the way of enjoyment, even to the supplying of one of the most urgent needs—a good rain. It was at first thought that the rain would spoil the day, but after it stopped, everyone pitched in and soon had the ground in shape for even milady of the glass slippers, and the program started and carried out in its entirety.

A parade was formed, led by Sol Mayer and C. M. Honaker, the latter bearing aloft the Service Flag of the county, containing 110 true blue stars. After these came the Pecos Band, followed by the good women of the Balmorhea-Saragosa Chapter of the Red Cross, dressed in the beautiful service uniform of the Association. The contingent next in line made one rub his eyes and wonder if it was not a page torn from the fairy tales of Aesop. There could be seen old Aunt Diana and Snow White, Cowboys, Cowgirls, Pickaninies, Indian girls, Gypsy fortune tellers, the ever-present clowns, and a parcel of others that baffle the memory. The line of march was through the main street to the grounds, and when that point was reached everything was thrown wide open and the fun began. If anybody didn't have one of the best times of his or her life, enjoying the splendid hospitality of these good people of the Valley, it was because they were too trifling to take advantage of it, for it was there for them.

The financial end of this innovation, also, was all that could be expected. The amount realized from the carnival was \$562. Enterprise readers need not be reminded that the cause espoused on this occasion is one of the noblest born in woman's breast and will rejoice that such a magnificent sum has been added to the large sum already subscribed by the loyal people in Toyah Valley. The figures for the Valley, as reported to The Enterprise was a little short of \$1800.

IS HONORABLY DISCHARGED FROM ARMY SERVICE

Frank Palmer arrived home last week from the training camps at El Paso, where he volunteered in Uncle Sam's service some months ago. He contracted pneumonia about two months ago while in the service, and came near passing in. Since that time he has improved so slowly that he was recently honorably discharged. Frank is looking thin, but his many friends in Pecos and elsewhere hope he may soon regain his former good health.

Only members of units of the senior division Reserve Officers' Training Corps, now in attendance at various educational institutions maintaining such units will be eligible to attend the one month's course of training to be held from June 3 to July 3, at Plattsburg Barracks, N. Y., Fort Sheridan, Ill., and the Presidio, at San Francisco. There are 120 colleges maintaining these units, from which 6,500 students will be selected. Those who complete the course of training will not be eligible for commissions. A great number will be under military age.

LIKE AN ELECTRIC BUTTON ON THE TOES

Tells Why a Corn is So Painful and Says Cutting Makes Them Grow

Press an electric button and you form a contact with a live wire which rings the bell. When your shoes press against your corn it pushes its sharp roots down upon a sensitive nerve and you get a shock of pain.

Instead of trimming your corns, which make them grow, just step into any drug store and ask for a quarter of an ounce of freezone. This will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. A few drops applied directly to a tender aching corn stops the soreness instantly, and soon the corn shrivels up so it lifts right out, root and all, without pain. This drug freezone is harmless and never inflames or even irritates the surrounding skin.

COBB CLUB FORMED

On Monday afternoon of this week a meeting of the ladies of Pecos and vicinity was called of which Misses A. Louise Dietrich and H. R. Moss were the instigators. They are working over this district in the interest of Mr. Zachariah Cobb's candidacy for Congress, organizing clubs and doing their utmost toward furthering his interests. Miss Dietrich, The Enterprise understands, hails from Chicago, but is now an inhabitant of El Paso. They are both very pleasant ladies, and are capable of taking care of themselves.

At this meeting there were, according to the proprietor of the Opera house, where they met, about twenty-five ladies present (it was impossible for The Enterprise man to attend owing to more pressing business and a shortage of help), and at the end of the meeting only about half that number. However, they organized a Cobb club with Mrs. C. M. Wilson, president, Mrs. W. A. Hudson, vice-president, Mrs. Max Krauskopf, recording secretary, Mrs. M. W. Collier, secretary. Mrs. Monroe Kerr and Mrs. F. W. Johnson were the other officers.

Of course, the meeting was enthusiastic—it would have been so had there been but two or three ladies—but The Enterprise desires to be fair on all questions of common interest, and will say that according to its best information some were for and some were against Cobb, and probably the greater number present at the beginning were not present at the end of the meeting. However, this is meant as no disrespect for those on either side, as they were evidently voicing their honest convictions and this is always commendable in anybody anywhere.

Neat white silk ribbons with the name "Cobb" were printed at The Enterprise office and each Cobb woman tagged.

It was a good meeting but there are few ladies in Pecos who are willing to let a Chicago suffragette tell them how or where they should stand though they may be on the right side, and especially if they do not claim to have any political suasion whatever. The women should, like the men, stand for something in politics, or should not be allowed to vote in a Democratic primary.

Doings at Saragosa

Lots of hay is being loaded and shipped this week.

Pink Harbert made a business trip to Fort Davis and Marfa Monday.

Although there was much water and mud a majority of the Saragosa folk attended the Red Cross Carnival at Balmorhea last Saturday night.

John Bush has moved his family back to the ranch, they having moved to town a few months ago to send the children to school.

W. L. Connelly and family returned from Pecos Tuesday where they had been to attend the funeral of Mr. Connelly's mother.

Marvin Carpenter has volunteered for army service and will leave Saturday for Virginia where he will be assigned to the Remount corps.

Bud Harbert of Weatherford, is here this week visiting friends and relatives, and will leave next week for the training camp at San Antonio, Texas.

Miss Agnes Smith and Irene Maaz left Sunday for their homes at Temple and Waco, respectively. They have been engaged to teach here the next school term.

C. A. Eggleston came in from Pecos Sunday on his way to his farm in the Borilla community. He says that section got one of the best seasons in years from the overflow.

Prof. and Mrs. A. H. Smith left Sunday for Killeen, Texas, where they will spend the summer. Prof. Smith has been engaged to teach the Toyah school next term, and we regret very much to lose him, as he has taught us a good school this year and Toyah is to be congratulated on securing his services.

The Saragosa School closed for the term last Thursday. At night closing exercises were held in the High School auditorium, and a nice program rendered. Judge Ross, of Pecos, made an excellent talk to the graduates, and Prof. Smith made a short talk, after which he presented diplomas to Miss Mary Holbert, and Raymond Honaker. These two young people are the first graduates of the Saragosa school.

Drives Out Malaria, Builds Up System. The Old Standard general blood-purifying tonic, Drives Out Malaria, enriches the blood, and builds up the system. A true tonic. For adults and children. 60c.

State of Ohio, City of Toledo, Lucas County, ss. Frank J. Cheney makes oath that he is senior partner of the firm of F. J.
