

No other method of telling the public what you want—to buy or sell—can compare with a classified advertisement. They attract attention by their very appearance. Results from them make the price negligible.

FATE OF WATERWORKS EXTENSION PLAN HANGS IN BALANCE

PATRIOTIC CITIZENS NOT BEING PROPERLY BACKED

The committee appointed to secure funds for the funds for the organization of a company to take over and extend the present waterworks system has been busy this week, but the results have been very unsatisfactory.

At the meeting at the Baptist church last week \$3,950.00 was raised and the work of the committee this week—and they have practically completed a canvass of the town—shows but \$2,650.00 additional raised. Those subscribing and amounts are as follows:

P. V. S. Bank	\$1000
O. J. Green	250
T. H. Beauchamp	250
Ed Otto	100
H. N. Lusk	100
J. B. Hudson	100
B. T. Biggs	100
Pecos Auto Co.	100
E. Easterbrook	50
W. F. Howard	50
H. P. Kerr	50
R. G. Middleton	50
F. P. Richburg	50
J. N. Groen	50
W. W. Hubbard	50
T. E. Brown	50
Geo. F. Williams	50
E. B. Kiser	50
W. F. Stephen	50
Harry Anderson	50
David Adams	50
Total	\$2650
Previously subscribed	\$3950
Total subscribed	\$6600

These figures show \$6,600.00, but the committee say they have in sight about \$10,000. In order to put the system over properly about \$25,000 will be needed. This leaves a deficit of from \$12,000 to \$15,000, and it looks very much as if the committee will remain and the people will not.

Remember, no one is asked to donate anything. This is only an investment, as The Enterprise sees it, of our money at 6 per cent, and you are at the same time getting the benefit of the investment. Just why the people have not responded more liberally The Enterprise does not know, but it does know that it is of vital importance to our town and people to have the present system of waterworks extended. It will save on insurance and will make it possible to have a cleaner, more healthful city and therefore a more desirable one in which to live.

It is up to our people to say whether or not they are satisfied to live in a city without fire-protection in the residence portion, and without water with which to irrigate your lawns and beautify our homes. Some have these conveniences, but all should be generous and big-hearted enough to help the other fellow get them when at the same time he is advancing the value of his own property and diminishing the causes of disease and death. What will Pecos citizens do in the premises?

QUITO DERRICK UP MACHINERY SET

Pat Wilson, who not only maintains a comfortable home in Pecos, but has one of the best equipped ranch homes in Ward county, was in town for a few days this week. He says that the derrick for the Sunshine Oil Corporation in that county, near Quito is finished, the work being completed last week. He states that the derrick is standard in every dimension and built with a view of going to any reasonable depth to develop the oil resources of that section of West Texas. Some of the machinery is on the ground, and Mr. Wilson says this is being installed, while the remainder is expected any day and will be set up on arrival and work of actual drilling will be commenced at an early date.

Mr. Wilson is an old timer in this section of the country and is especially acquainted with the Quito district, and talks interestingly of the many indications of gas and oil that have been noticed there for years past. One feature is the "blowing wells," so named by the cowboys, who placed no real significance to the noises, and looked upon these freaks as curiosities to show the passing strangers. These noises are similar to that made by the wind and issue from fissures in the ground in several locations in Ward county and geologists claim they are made by the accumulation of gas beneath the surface. Other indications besides the above has led to the present activities, and Mr. Wilson is pinning his faith on the Quito field becoming a proven oil and gas field in the very near future.

TEN PER CENT SEMI-ANNUAL DIVIDEND DECLARED BY PROGRESSIVE LOCAL FIRM

At a meeting of the stockholders of the Brady-Camp Jewelry Company on Tuesday evening, J. G. Love was elected president, Mrs. B. R. Stine, first vice president, and Chas. Manahan secretary-treasurer.

These are the same officers who have guided the destiny of this firm for the past year and that they have managed the business well is attested by their re-election as well as by the fact that at this meeting a ten per cent dividend was declared for the past six months.

Evidently a good portion of their success is due to constant and persistent advertising in the Enterprise—keeping the firm name ever before the public. The constant advertiser is always the successful business man and even the one of just common horse sense has only to watch the paper and the businesses to detect the growing concerns.

TRANSFERRED TO BORDER

K. H. Townsend, with the Federal Horticultural Board, left this week for Houston where he will get further instruction. He will do border work for some time, working along the border to Brownsville and in Sonora, Mexico. Mr. Townsend is a splendid young man, courteous and obliging and has made many friends in Pecos during his stay here.

SPANELL CASE IS CONTINUED

Brownwood, Texas, June 9.—Trial of Harry J. Spanell on a charge of killing Colonel M. C. Butler at Alpine, Texas, three years ago, was continued to the first Monday in January, 1920, when called in District Court here late today, because of inability to obtain jurors. Pressing harvest work caused veniremen to be excused.

SARAGOSA ITEMS

Solomon Shellenberger of Pecos, is now working for Sol Mayer as engineer.

Fred Holbert left Thursday for Kansas City to enter the Sweeney Auto School. Here's hoping Fred will return as a first-class auto mechanic.

Misses Bertha Hoefs, from the ranch, and Edna Bennett from Fort Stockton, were visiting Mrs. E. R. Cox last week.

Mrs. Annie Jackson, Misses Erie and Jimmie Conger and Messrs. Bud Turner and Anthony Izzo of Pecos were visiting relatives and friends in Saragosa Wednesday night.

Miss Mabel Totter went to Pecos last Monday to take the teachers' examination. Miss Mabel has been employed to teach the Mexican school here next year.

The stockholders of the Toyah Valley Gin Co. held a meeting at the school house Wednesday night to discuss a proposition presented by T. L. Patrick of Barstow, for the purchase of the gin. The proposition was accepted and the deal will soon be completed. Mr. Patrick will add new machinery and will give Saragosa and community a first-class gin.

Rev. J. F. Lloyd of Balmorhea, and Rev. Dr. Fincher, who are conducting a series of meetings at Balmorhea, came over Thursday afternoon and preached at the Methodist church to a small but appreciative audience. Miss Boone of Louisville, Ky., musical director of the meeting, was present with her choir of young folk who did some excellent singing. Miss Boone also favored us with a solo. We were very glad to have these good people with us.

Rev. C. A. Dickson went to Pecos Sunday morning and preached at the Baptist church morning and night the regular pastor, W. A. Knight, being absent.

P. A. Harbert had the misfortune to stick a nail in his foot last week and it has been paining him quite severely since, but we are glad to note that the injured member is improving and will soon be o. k.

S. A. Shellenberger and family have moved here from Pecos and are occupying the Jepson place on the Sol Mayer farm.

John Conger has moved from the Jepson place to the Salhouse place. Billie McGarrey of Balmorhea, has been in Saragosa for the past several days papering the rooms of C. M. Honaker's residence.

W. F. White returned Saturday from Quito where he has been at work on the big derrick for the past several weeks. He says it is a dandy and now complete in every detail. The young folks of this community were delightfully entertained with a party at the home of Mr. and Mrs. H. Robbins Saturday night.

A. M. Randolph, county surveyor left for Pecos the latter part of the week, having spent about ten days surveying the range of the U people.

T. B. Pruett, Judge Jas. F. Ross, Sid Kyle and J. B. Sullivan all of Pecos, were here for a short while Friday.

Miss Margaret Wagoner, who had been teaching school in El Paso for the past year, is here visiting her sister, Mrs. Jesse Williams.

Mrs. Norbert Heulster of Balmorhea was here Thursday visiting Mrs. H. Crenshaw.

Farmers in this section are now busy with their second cuttings of alfalfa, and many are loading it for shipment. The alfalfa crop in the Valley is going to be a heavy one this season, and many expect at least seven cuttings before the close of the having season.

Miss Maggie Williams is in Pecos this week visiting with her sister, Miss Lanora.

E. D. Balcom, a former resident of Balmorhea, but now located at Dallas, was here Monday. While here Mr. Balcom bought several cars of hay to be shipped to the Dallas Transfer Company, Dallas, Texas.

E. R. Cox and wife, Misses Edna Rennett, Mable Black and Bertha Hoefs attended church services at Balmorhea Sunday night.

A hail storm, lasting about fifteen minutes struck this place Tuesday afternoon, killing several small chicks and breaking window glass in some of the windows. Reports from the farms indicated that some cotton was seriously damaged.

ANNUAL MEETING OF PECOS LIBRARY ASSOCIATION

The Carnegie Library Association met Thursday afternoon, June 5, in business session at the library building, with Mrs. J. W. Moore, first vice president, presiding. The following were present: Mrs. J. W. Moore, Mrs. Albert Sisk, Mrs. T. Y. Casey, Mrs. B. R. Stine, Mrs. E. G. Weyer, Mrs. H. T. Collier, Mrs. G. T. Looby and Mrs. John Hibdon.

This being the annual meeting, reports of officers and committees for the year's work was given and notwithstanding the many handicaps during the year, splendid reports were given.

The city has taken over the support of the library and there will be no more private subscriptions solicited and the association wishes to express its appreciation to the people who have contributed to this fund from time to time.

Officers for the ensuing year were elected as follows: President, Mrs. B. R. Stine; first vice-president, Mrs. E. G. Weyer; second vice president, Mrs. L. W. Anderson; recording secretary, Mrs. T. Y. Casey; corresponding secretary, Mrs. John Hibdon; treasurer, Mrs. Howard Collier.

The following committees were appointed: Mrs. G. B. Finley, Mrs. C. T. Looby, Mrs. J. W. Brooks, constitute the book purchasing committee; Mrs. Walter Browning, Mrs. Albert Sisk and Mrs. J. W. Moore the ways and means committee.

The following is the treasurer's report:

Books and magazines	\$178.77
Expenses	7.67
Stationery	6.00
United work	10.00
P. O. Box rent	1.80
Librarian	291.50
Collector	24.00
Miscellaneous	23.75
Total expense	\$543.49
Donated by city	\$375.00
Subscribers and other sources	261.12
	\$636.12

LIBRARIAN'S REPORT

Circulation	3832
Accessions	177
Total number registered	904
Registered during year	97
Fines and book rent	\$46.56
Estimated value of books received this year	\$183.29

It is scarcely necessary to explain that the loss in circulation this year was due to the fact that the library was closed from October 5 to November 14, and again from December 2 to December 30, and there was very little reading done until the latter part of January, on account of the influenza.

One hundred and seventy-seven books have been added, 24 of these being gifts to the library. Some valuable books of reference have been paid for, and special efforts will be made to build up the non-fiction department this year.

The children's books have outgrown their present quarters and additional shelves on the east side of the library will soon be in use. There has been a marked increase in the number of readers since school closed.

BALMORHEA NEWS

W. B. Thorp and family left Balmorhea Wednesday for Fort Worth, where they will make their future home. Mr. Thorp will be greatly missed in the valley by all who know him, as he is a fine young man, and at all times attending strictly to his own business.

We are glad to note that Mr. W. D. Randolph, who has been on the sick list for so long at the home of his brother, is now improving, and hopes to be able to be about again in a few days.

George Edgell, who has been in the navy for Uncle Sam for the last few months, is back in Balmorhea, having secured his honorable discharge, George looks natural in the saddle again.

A few cars of alfalfa hay of the first cutting still moves to eastern markets, and the second cutting is at hand right now and some will begin to cut Monday.

Mr. and Mrs. S. C. Hackney, of Cleveland, Texas, are now at home at Limpia. Mr. Hackney is now full manager of the Limpia Mercantile Company store and postoffice at that place.

Another big gusher was brought in yesterday evening, on the streets of Balmorhea. Think it was under the shade trees in front of the Bozeman Drug Company, from the way a large crowd had gathered around talking oil. There is sure to be a well close by but no one seems to have seen it.

E. D. Balcom, now of Dallas, was on our streets Tuesday shaking hands with his many friends.

I. L. Barlow has purchased that famous milk cow known as Bright Eyes, of W. B. Thorp, so as to take a place in Mr. Barlow's herd of fine Jerseys, and if it is fine stock you are interested in and love to look at, come around to Mr. Barlow's barns and take a peep.

As the speed limit for autos has now been reduced to 100 miles per hour on the county road from Brogado to Toyahvale, makes one feel safer now to take one's car out for a joy ride and to know that all danger of being run down is all over. But it is no safe place for your family to cross the road even at a public crossing.

BIRTHS.

Born to Mr. and Mrs. Nick Coalson, at Toyah, on Wednesday, June 4, a fine girl. Nick is the son of Mr. and Mrs. Dug Coalson, and he and his wife have been visiting at the parental home for some weeks.

ESTIMATING COST OF NEW SYSTEM

J. E. Gamell, division engineer of the Tri-State Telephone Co., headquarters at El Paso, with another of his force, is in Pecos inspecting the plant and making estimates for the rebuilding of the telephone system here.

While there is no set time for the beginning of the rebuilding of this system in Pecos it is to be hoped it will be started at an early date, as the working conditions and the service would be greatly improved with the new equipment.

BROOM FACTORY FOR REEVES

For several months Taylor Conger has been contemplating the erection of a broom factory at Saragosa. The machinery for the enterprise has arrived and will be installed within the next few days. A building which will be used for the factory is now being moved from near the hotel to a lot near the bank building on Main street. Mr. Conger says he will have only a small outfit to start, but will enlarge the plant as the business will justify.

ROYAL ARCH CHAPTER INSTALLS NEW OFFICERS

At a regular meeting of Pecos Royal Arch Chapter No. 218, the following officers were installed:

Dr. Jim Camp, High Priest; D. T. McKee, King; R. N. Couch, Scribe; J. B. Prewitt, Secretary; J. G. Love, Treasurer; B. A. Toliver, Captain of Host; D. W. Bozeman, Prince-Sovereign; Harry Woods, Royal Arch Captain; W. W. Camp, 3rd Vail; J. W. Hudgens, 2nd Vail; Max Ritz, 1st Vail; J. B. Heard, Guard.

W. A. Hudson installed the officers while E. L. Collings acted as Marshal.

TO INSPECT STATE HIGHWAY FROM PECOS TO VAN HORN

W. E. Hamilton, who has a contract for the building of a section of the State Highway out from Van Horn, and also another stretch in Ward county, was in town for a day or two this week. Mr. Hamilton informs the Enterprise that the State Highway Commission, State Engineer R. W. Winrow and Curtis Hancock, formerly of the highway commission, will meet at Van Horn on the 19th inst. for the purpose of inspecting his work and the road generally. They will also be furnished conveyance and will make a general inspection of the highway east of Van Horn, visiting Pecos en route.

VISITING FORD AUTO SCHOOL

Ralph Williams, of the Pecos Auto Company, left Wednesday for Houston where he will be for several days studying new electrical attachments for Ford automobiles. Ford agents from all over the State will be in attendance upon this school of instruction in order that they may be more proficient in their work.

C. A. M. PITTS REMOVED TO HOME OF SISTER

C. A. M. Pitts, who recently suffered a stroke of paralysis, has so far recovered as to be removed to the home of a sister at Greenville. They left yesterday, and it is to be hoped the change will work a complete recovery.

MOVE INTO THEIR HOME RECENTLY PURCHASED

Mr. and Mrs. Jim King, who recently purchased the Jim Prewitt cottage on Oak and Seventh streets, moved in Wednesday of this week, and Jim says they are busy arranging things for a long and comfortable stay.

COL. MULLIGAN HAS WAR RECORD

Dallas is planning one of the biggest times ever in the nature of a reception for the 144th regiment, due to reach that city tomorrow. This regiment is part of the 36th Division and they made some record in the late fighting against the Huns, and played a big part in winding up the famous Hindenburg Line and placing it and the inventor on the shelf for keeps.

In command of the regiment is Colonel Clark M. Mulligan, brother of Mrs. Harry Hinkle of Pecos. Col. Mulligan started with the regiment as major, but assumed charge when the colonel was wounded in one of the battles, and conducted himself in such manner that he won citations from both the French and American staffs, and was placed in command of the regiment. Colonel Mulligan will respond to the address of welcome at the reception in Dallas.

HOME FROM FRANCE

Jim Slover, son of Mrs. J. I. Slover of Pecos, is home again from Europe where he had a hand in licking the Huns. Jim, like the rest of the boys, looks as if the job agreed with him, being much fiesher and wears a broader grin.

GOOD ROADS MEETING HELD AT MIDLAND THIS WEEK

As stated elsewhere the commissioners' court of Reeves county went to Midland the fore part of the week and met with a commission of the Bankhead Highway Association. It seems that the object of the meeting was to entouse those good people about the project. It seems that road work in that county in the past has been unsatisfactory, which, in a way dampens their ardor for future work along that line.

RANGER-HUDSON DRILLING NOW AT 600 FEET LEVEL

D. W. Bozeman of this place, and Finley Holmes of Toyah, returned yesterday from the Desdemona fields where the Ranger-Hudson company is putting down a well. Both of these gentlemen are officers in the company.

Regarding the Ranger-Hudson Well No. 1, Mr. Bozeman stated that the 600-foot level was reached Wednesday night and Monday morning will more than likely find them at the 1000-foot mark.

FINE RAINS VISIT THIS SECTION DURING THE WEEK

No more appropriate time could be selected for the fine rains that visited Pecos and surrounding country this week. Though not general, the rains were distributed over considerable territory and will make grass as fine as ever seen in this section in many years. The cattlemen are justly happy and everybody is feeling good once more.

ADDITIONAL PERSONALS

Mr. and Mrs. Hez Kountz and children of Balmorhea, have been in Pecos for the past few days. They planned to start on an overland trip to east Texas Wednesday, but the uncertain weather delayed the start. It is their intention to visit relatives in Kimble county, and from there will proceed to Austin for a short visit.

METHODIST CHURCH.

The regular service Sunday morning, Sunday night's program will be a set of pictures on Palestine and Syria, the Bible land. These pictures are of the best. They will give you an idea of how people lived in the days of the Old Testament and the New Testament. The scenes which cluster about the life of our Savior will be especially interesting.

WHEN YOU TRUST YOUR MONEY TO ANYONE

What guarantee do you have? If you trust your money with us we offer you the protection of a STATE GUARANTY FUND BANK, which means all unsecured and non-interest bearing deposits are protected by the State of Texas Bank Guaranty Fund. We are also a member of the FEDERAL RESERVE SYSTEM.

PECOS VULCANIZING COMPANY

PECOS, TEXAS

PECOS BEST TOYAH BY 5 TO 3 SCORE

It was just like old times last Friday afternoon at the local ball grounds, when Toyah and Pecos clashed in a game of baseball that was exciting from several viewpoints. The crowd that attended was proof of the fact that the national game can still thrill, and that its revival will be welcomed.

For many years rivalry between the two towns, especially in baseball, has been intense, and while the brand of ball played was O. K. in every respect, the game was not devoid of little unpleasanties that only try the patience of the spectators and leave a bitter taste. It is hoped that these will be eliminated in the future and that the fans of both Toyah and Pecos will have many opportunities to watch what should be America's cleanest sport.

Two umpires were used to finish the game, the final result being 5 to 3 in favor of Pecos.

Following is the score by innings:

	R	H	E
Pecos	1	0	0
Toyah	0	1	0

Return games are being arranged and if the plan materializes a series of three will be played at Toyah on July 2, 3 and 4, in connection with the big barbecue and rally which will take place on the Fourth of July.

PECOS GIRL'S FIRST TRAIN RIDE

Misses Josie and Letha Prewit, daughters of Mr. and Mrs. Jim Prewit, left Tuesday afternoon on the Santa Fe for Clovis, N. M., to visit with their sister, Mrs. Fenton Alley. Miss Letha is nearly eight years of age and her joy knew no bounds when it was announced that she was to ride on the steam cars, for it was one of the pleasures she had never tasted in all her young life.

C. E. PROGRAM.

To be rendered at the Christian church Sunday evening at 7:30 p. m. Subject: "What We Owe and How to Pay It." Leader, Edwin Vickers. Scripture Lesson, 2 Cor. 8: 1-15. Sentence prayers. Song No. 130. Clippings. Song No. 166. Talk, "Does It Pay to Give One's Time and Energy to the Bible School?" Mr. Moran. Talk, "What, Besides Money, Should We Give God's Work?" Mrs. Green. Song No. 123. Business and benediction.

Colds Cause Grip and Influenza
LAXATIVE BROMO QUININE Tablets remove the cause. There is only one "Bromo Quinine." E. W. GROVE'S signature on box. 30c.

ENGINEER PEAK DIES OF INJURIES

Freight engine 368, of the Texas and Pacific, turned over Monday morning near Judkins, and before Engineer Cecil Peak and Fireman Russell could extricate themselves from the cab, sustained scalds which proved fatal to the former, who died the same night. No hope is held out for the fireman, his death being expected at any time. The exact cause of the wreck is not known.

Engineer Peak was one of the most popular engineers on the road. He was born and reared in Big Spring and had been connected with the Texas and Pacific for more than twenty years.

On the way to clear the track at Judkins, the wrecker sent out from Big Spring jumped the track, but the crew with it soon had the right-of-way clear for train passage.

TO CONTINUE WORK OF THE ARMY Y. M. C. A.

Decision to continue the work of the Army Young Men's Christian Association among the soldiers in the six States of the Southern department during the remainder of the demobilization period, or to the end of the present calendar year, has been reached at the conference of the national war work council of the Y. M. C. A. being held in New York City. This announcement is made in a telegram just received in San Antonio by Fred B. Appleget, associate executive secretary of the Southern department Y, from Charles Kurtzhals, executive secretary of the department, who is attending the meeting of the war work council.

The telegram states that the budget of estimated expenses to cover the six months period from July 1 to December 31 has been approved, this budget being based on the funds subscribed for the army work of the Y for the present war, and having no reference to the peace-time activities of the army and navy division of the Y. M. C. A.

John R. Mott, general secretary of the National War Work Council of the Y. M. C. A., was given a special decoration of the French government at one of the sessions of the conference. The medal was presented in person to Dr. Mott by the head of the French commission.

ANNUAL STATE SUNDAY SCHOOL CONVENTION

The forty-fifth annual State-wide Sunday School Convention for all denominations will be held at Galveston June 21, 22, 23, 24.

Special rates of one fare and one-third will be on sale, Friday, June 20, good for ten days. The fine program and attractiveness of Galveston at this season will assure a large attendance. Come by railroad or auto parties.

Much interest has been manifested throughout the State. North Texas delegates are planning to go in special cars, leaving Dallas Friday night, June 20. Other sections should do likewise.

Saturday will be spent in sight-seeing, recreation, surf bathing, and a probable banquet on the beach Saturday night. Sunday delegates will attend Sunday schools and preaching services and great mass meeting, afternoon and night. Monday and Tuesday regular convention sessions will be held including addresses, conferences, educational and departmental meetings in which many noted speakers from Texas and other States will have a vital part.

Every Sunday school of Texas should be represented by the pastor, superintendent, departmental leaders, officers, teachers and pupils.

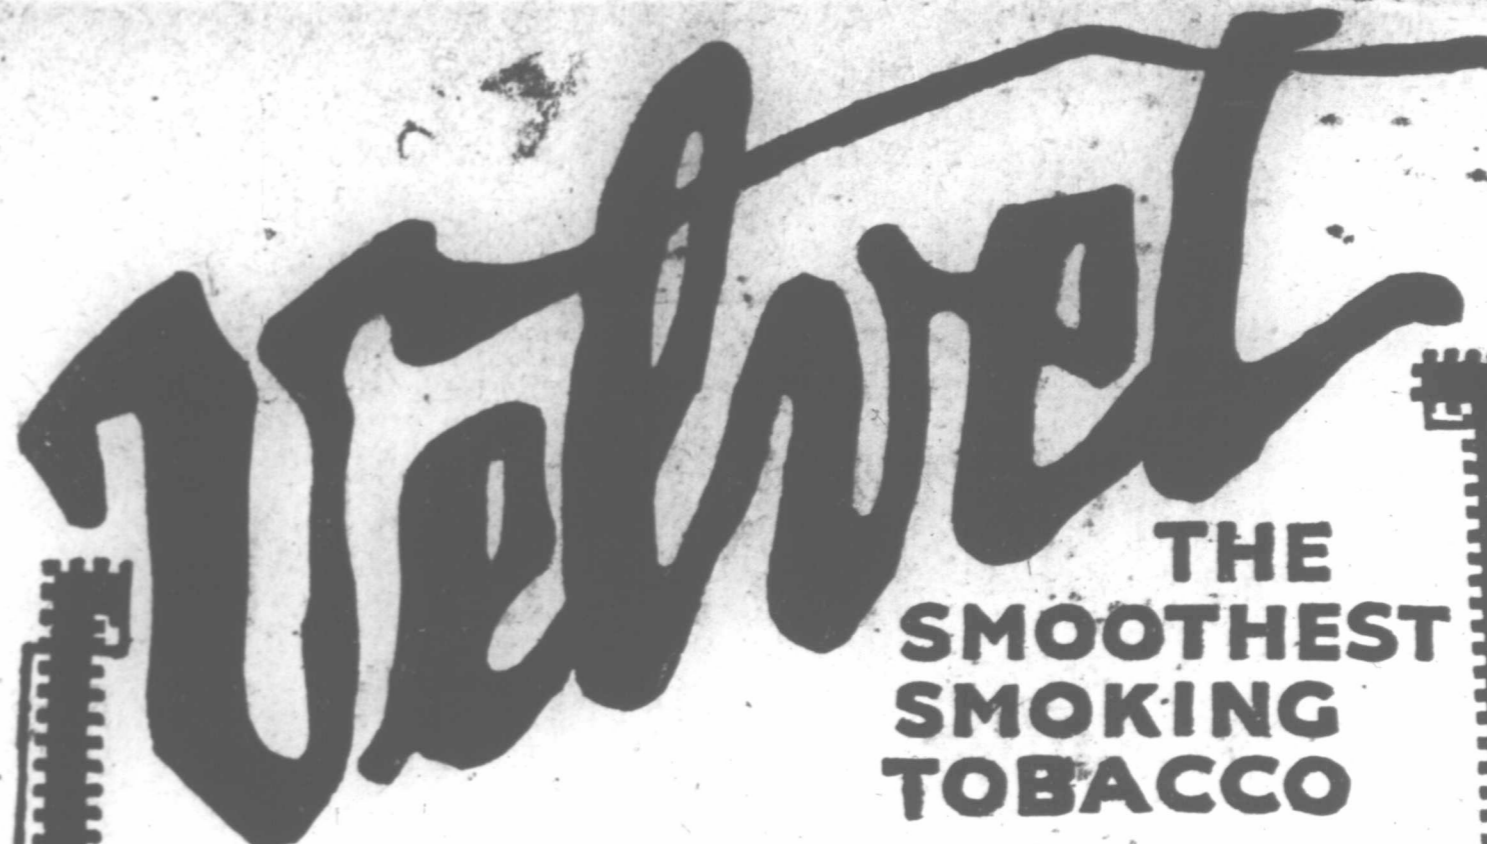

Delegates desiring hotel and boarding house reservations should address Rev. D. B. Titus, special chairman, Galveston. Address other inquiries to Texas Sunday School Association, 408 Hughes Building, Dallas.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Hall's Family Pills for constipation.

THINGS THAT ARE EVIL GENERATE OWN DESTRUCTION

President R. E. Vinson preached the baccalaureate sermon at the commencement exercises of the University of Texas, Sunday, June 8. He took for his text 1 Kings 19: 11-13. Dr. Vinson said, in part:

"Tearing down is no part of God's work, catastrophe does not belong to Him. Things and conditions that are evil generate their own destruction. When atmospheric conditions produce a storm, or when the adjusting of the crust of the earth makes it quiver and shake, or when lightning flashes from a surcharged cloud, just so surely will any structure that is built upon an evil foundation crumble and fall—and fall because of its own nature and not from any external pressure whatever. We know that industry, sobriety, justice, charity are the strength of the community; we know that pride, fullness of bread, and abundance of idleness are its death. The church and the school are the constructive agencies of civilization. They are therefore charged with an enormous responsibility. There has been, it seems to me, a tendency upon the part of both

THE SMOOTHEST SMOKING TOBACCO

TIME—given the right chance—puts character in a man's face, horse-sense under his hat, and mellow friendliness into his tobacco.

Velvet Joe

Time is a big factor in giving Velvet Tobacco its mildness and "character."

Velvet ages for two whole years in wooden hogsheads. During this long period the choice Burley leaves take on a kindly quality of coolness, a rich fragrance, a "taste" that appeals to pipe smokers—old and young.

Don't hurry, but just walk into the next store and lay down a dime and a nickel and say "VELVET"—the tobacco that isn't harsh but is friendly.

Liggett & Myers Tobacco Co.

Roll a VELVET Cigarette

enure and school to place a disproportionate emphasis upon the realms of truth yet unexplored at the expense of the things which are already known and believed among us, and in consequence of this the atmosphere around us has become one in which questioning and criticism and doubt form by far too large a part for it is certain that neither religion nor education can long endure, much less grow, in such unfavorable environment. The genius of discovery is that which keeps the known interesting, so that without it both church and school would become possessed of dry rot and be stale and unprofitable. Both religion and education are based upon knowledge, not upon mystery. The man who is ever learning yet never able to come to the knowledge of the truth, whose attitude toward life is only that of a question mark, who exalts ignorance into a philosophy, has no place in the pulpit or in the classroom of the church or the school which must participate in the task of rebuilding the nation from decay and death. There is one end before the church and the school which takes precedence over all their other purposes. To them are committed the men and women of each generation to be fitted and kept fit for the duties and responsibilities of life, that these men and these women may be clear-headed, self-reliant, so that each may find his place in the world and in the home in all relationships. The duties of service and the motives of sacrifice which these conditions teach are not matters of secondary importance. The realm of the man and civic life, of business and of government will never be better than the principles for which they stand unless and until the men and women who make them stand possess the hand, the eye, the ear, with wits, to meet the demands of strategy, and to measure the endurance of self-sacrifice and the endurance of self-reliance.

THE UNIVERSAL CAR

The Ford Motor Company have instructed us to sell the genuine Ford Parts to any and every reliable Garage who will pledge their use in the repair of Ford cars. The genuine Ford Parts are absolutely necessary to the owner of Ford cars that he may get full service from his car. We carry them and so, we hope, in a short time will every reliable Garage. We solicit your service business because we have the Ford Methods, the Ford Parts, the Ford Mechanics and the Ford prices. Incidentally would be glad to get your order for one or more Ford cars.

That Empty Corner

AS you read this under the lamp, look over at that empty corner. Suppose you had there a New Edison. What would it mean to you?

There in that corner no longer empty would hide the greatest stars of opera, vaudeville favorites, wonderful musical soloists, great orchestral leaders—all waiting your bidding to pour forth for you the magic of their music. Were they there in the flesh, hiding in the shadows of your empty corner, they could give you no more.

Hundreds of Edison tone tests in which the artist sang or played in direct comparison with

The NEW EDISON

have proved that it is utterly impossible to tell artist from instrument. If you own a New Edison you'll have in your own home all that the ear can give you of the art of the world's greatest musicians.

Decide now to call at our store tomorrow and fill that empty corner with the New Edison—the only invention in all the world that RE-CREATES the human voice and the music of human-played instruments.

RICH SULPHUR DEPOSITS FOUND

B. A. Barrager, who is manager for the interests of the Michigan Sulphur Company in this section, was in Pecos Saturday on business. Mr. Barrager stated that the prospect work being done in the vicinity of Oria is revealing rich deposits of sulphur, and that as soon as transportation facilities can be procured this section of the country will take a leading part in supplying the country's demand. Mr. Barrager states that the labor situation is hindering the work at present, as it is next to impossible to secure men to remain any length of time.

A MERCILESS JUDGE

One Who Shows No Favor
A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Pecos resident has withstood this sternest of all tests.

Mrs. E. E. Miller, says: "Several years ago my back was weak and lame and ached constantly. My kidneys acted too often and that annoyed me very much. It didn't take many boxes of Doan's Kidney Pills to cure me."

Mrs. Miller gave the above statement October 27, 1913, and OVER THREE YEARS LATER, on April 7, 1919, she added: "I still recommend Doan's Kidney Pills highly. They are fine. I use a few of Doan's occasionally and they keep my kidneys in good condition."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Miller had. Foster-Milburn Co. Mfgs., Buffalo, N. Y.—Adv. (43)

I have permanently located in Pecos. Practice limited to Eye, Ear, Nose and Throat. Glasses scientifically adjusted.—I. E. SMITH, M. D. Advertisement

LOOKING OVER SULPHUR DEPOSITS OF SECTION

M. J. Epley, of New Orleans, president and general manager of the Toyah Valley Sulphur Company; H. M. Little of Meridian, Miss., operating engineer, and S. C. Abbott of Toronto, Canada, mining engineer, were Pecos visitors this week. They accompanied Dr. J. A. Daniels, another member of the firm, over an inspection of their holdings in Reeves and Culberson counties and were well pleased with the outlook.

These are wide-awake, pleasant gentlemen who know what they are about, and are making preparations for extensive developments in the near future, but have nothing for the press at this time for the reason that they are not of the noisy kind and only want to publish facts as they have been accomplished and are not boasting of the possibilities or probabilities of the future.

These gentlemen are well equipped with brains and money and while they are working quietly and making very little fuss about it, they are doing lots of work and later on will have something to give out for publication worth while. They left Tuesday for New Orleans via El Paso. After a visit for awhile with his family in New Orleans, Dr. Daniels will return to Pecos to look after the interests of his company again.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

Call at the City Market for your barbecued meats and save your fuel and worry.—Adv. 42tf

OTHERWISE HAS NOTHING TO DO

The job of an outpost Y. M. C. A. secretary on the Mexican border is very much like that of the pioneer circuit rider, with some additions. Besides covering his territory of two or three hundred miles every week across the desert in a flivver to serve the soldiers at the various outposts, he is expected to—

Operate moving picture shows with the light furnished from an apparatus in his flivver;

Give educational humorous lectures on popular subjects, sometimes illustrated with stereopticon slides;

Arrange for amateur performances by the soldiers themselves during the time he is at other posts;

Organize Bible classes and local Y. M. C. A.'s among the soldiers to conduct the work of the organization during the week;

Act as a traveling postoffice for the men and furnish them free stationery for writing letters;

Preach on regular and special occasions the kind of sermons the soldiers need;

Act as chaplain where no regular army chaplain is stationed;

Serve as a mechanic whenever the lighting apparatus carried in the flivver or the automobile machinery itself gets out of order;

Be ready to kill or wound any bandits who might attempt to rob or kill him in the lonely desert;

Make his rounds and cover his posts over two or three hundred miles of desert regardless of weather or other conditions.

FLOODS PLAY HAVOC WITH SCHEDULE OF T. AND P.

All train schedules were declared null and void Tuesday morning, so far as the Texas and Pacific railway was concerned, the condition being brought about by flood rains east of the Big Spring country, the right-of-way, in many places, being almost obliterated. Several trains from the east were discontinued.

Y. M. C. A. MADE GOOD AT HOME

If you did not get at least two letters from soldier boys with the little Red Triangle in the corner of the envelope, you simply didn't get your share. More than enough envelopes were given out in the United States alone by the Y. M. C. A. from the time mobilization began up to April 1st of this year to send two letters to every person in the United States and leave an excess of some sixty millions besides.

The Y. M. C. A. distributed 270,385,624 envelopes in the home camps, not to mention those issued to the A. E. F. in France, Belgium, Italy, Germany and Russia. Estimated attendance at the huts and other Y. M. C. A. buildings, maintained in this country from the beginning of war had, by April 1, reached the total of 343,040,816.

Money orders sold over the Y. M. C. A. counters totalled \$19,078,013, and 186,309 entertainments were provided for the boys. Some 83,000 of the entertainments were moving picture shows. The total attendance at the entertainments was close to 80,000,000.

Educational classes conducted by the Y. M. C. A. in the various camps were attended by 6,998,851 men and the total attendance at the 47,272 lectures was 13,158,707, enough to make the average lyceum manager envious.

More than seven and three-quarter millions of books were loaned, and some 20,691,136 men attended the religious meetings that the Y conducted. There were, in addition to these, 118,313 Bible class sessions, the attendance at which was 3,115,585.

All the figures mentioned cover merely the activities of the home work section and are in addition to the work done on the other side. Neither do they include the work done since April 1 of this year.

Piles Cured in 6 to 14 Days

Druggists refund money if PAZO OINTMENT fails to cure Itching, Blind, Bleeding or Protruding Piles. Instantly relieves Itching Piles, and you can get restful sleep after the first application. Price 60c.

AFRICAN HUNTER TO ATTEND COWBOY REUNION

Ambrose Means, who resides at Grand Canyon, Arizona, is a quiet, unassuming sort of man, as far as appearance goes. Yet he has the record of being the only man living who has ever roped a rhinoceros. And his loops have fallen about the necks of lions and tigers in the jungles of Africa. Means, who was a cowboy near here ten years ago, went to Africa with Buffalo Jones to capture wild animals for the Smithsonian institution. His roping of the jungle brutes created excitement at the time, as being the nerviest exhibitions of skill with the lariat of which the world had heard.

Means expects to be at the fifth annual New Mexico Cowboys Reunion, to be held at Las Vegas, July 2, 3 and 4. He will compete in the roping and riding contests. At present he is in Yellowstone Park, acting as guide to a party of New Yorkers.

New Voiles, Silks and White Goods at Bessire's Store, Toyah.—(Advertisement.) 43-3t

YOUNG FOLKS ENJOY PICNIC

A party of joy-seeking picnickers met at Miss Irene Prewit's Tuesday afternoon at six o'clock to go to the Mitchell place. Owing to the usual delays it was after seven before the several cars started. Pitching dollars and mumble-peg helped pass away the time until it was too dark to play; then supper was spread and all were launched into a sea of lemonade, sandwiches, pickles, cakes and fruit. All waited until train time in order to meet Miss Nannie Mae Collins, who returned from El Paso on the 11:30 o'clock train, spending the time telling stories, riddles and singing songs.

Those who enjoyed this pleasant outing were Misses Hazel Berry, Olie Mae Murray, Mary Lee Richburg, Aileen Love, Irene Prewit, Carrie Wadley, Warren Collings, Sadie Collings, Mabel Smith, Lola Hines and Caroline Glover, and Messrs. Van Camp, Von Rosenberg, Milton Wadley, Lorraine Garret and Otis Moorhead.

"FAKE" ASPIRIN WAS TALCUM

Therefore Insist Upon Genuine "Bayer Tablets of Aspirin"

Millions of fraudulent Aspirin Tablets were sold by a Brooklyn manufacturer which later proved to be composed mainly of Talcum Powder. "Bayer Tablets of Aspirin" the true, genuine, American made and American owned Tablets are marked with the safety "Bayer Cross."

Ask for and then insist upon "Bayer Tablets of Aspirin" and always buy them in the original Bayer package which contains proper directions and dosage.

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidestetr of Salicylicacid.

WRIGLEYS

Is Sealed!

LOOK for the sealed package, but have an eye out also for the name

WRIGLEYS

That name is your protection against inferior imitations. Just as the sealed package is protection against impurity.

The Greatest Name in Goody-Land—

The Flavor Lasts

Only ONE out of 147 does it!

There are actually, over 147 brands of cigarettes sold in this country. But, not one of them does what Chesterfields do, for Chesterfields do more than please the taste—they touch the smoke-spot—they let you know you are smoking and—they satisfy!

It's all in the blend—a blend of fine selected TURKISH and DOMESTIC tobaccos—just the right kind and the right quantity of each.

There never was a cigarette that grew faster in popular favor because no cigarette ever gave such value.

Prove it! Smoke a Chesterfield fresh from the moisture-proof package.

Liggett & Myers Tobacco Co.

Chesterfield CIGARETTES

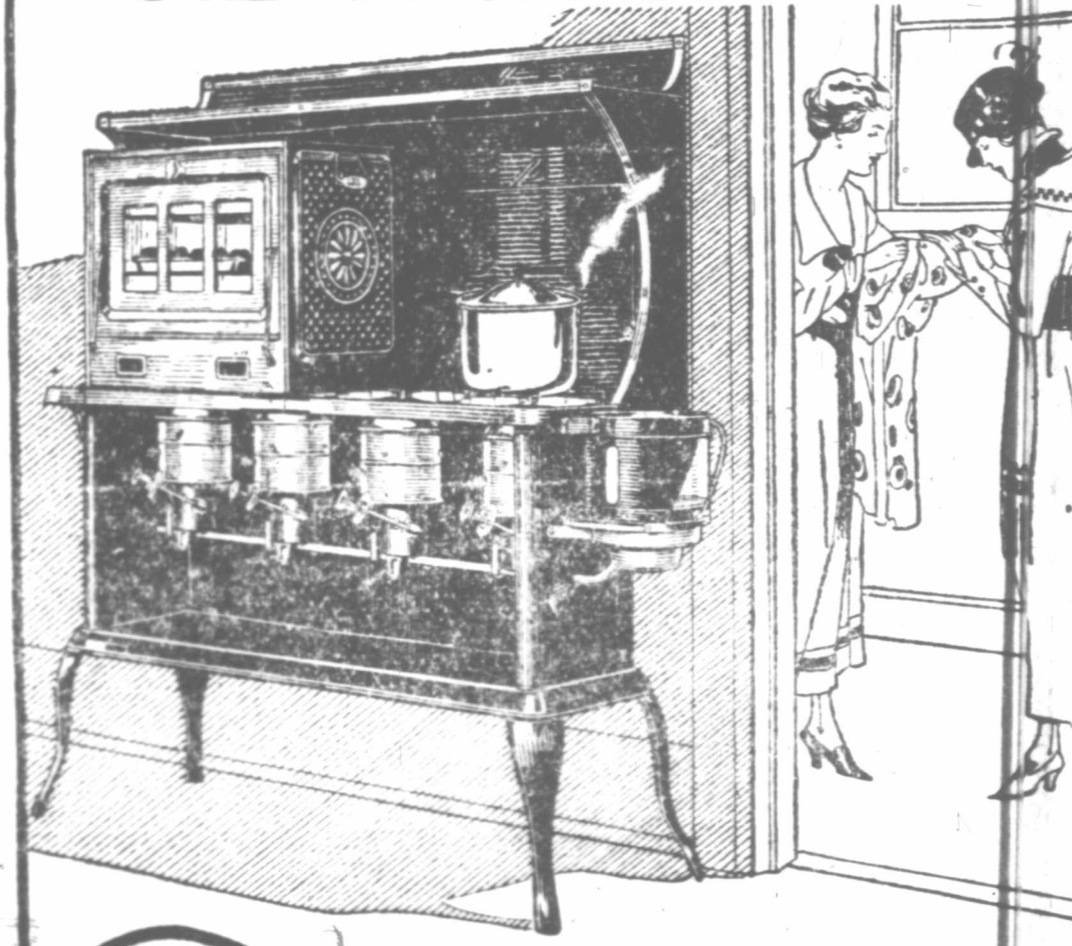

—of Turkish and Domestic tobaccos—blended

They SATISFY!

This is the package with the moisture-proof jacket that keeps Chesterfield's original freshness and flavor intact.

PURITAN OIL COOK STOVES

"YOU can always leave the Puritan while 'the pot is boiling'—the flame stays where you set the indicator on the burner—low, medium or high. And at full heat the indicator's automatic wick stop prevents smoking."

From Puritan advertising—The Delineator—May, 1919.

Steady cooking neat—not a sweltering fire, for you set the utensil in a clean hot flame that comes up through the grate—like gas. Keeps the kitchen clean and cool. Brass burners—last for years.

Reversible Glass Oil Reservoir

A clean, quick way to handle the ideal cooking fuel—kerosene oil.

Puritan stoves are sold by reliable dealers everywhere. Look for the Triangle trade mark.

See your dealer or write for free Puritan booklet No. 24.

That Pecos needs an extension of waterworks system can hardly be questioned by anyone of sane mind. The only question is as to how this can be accomplished. Judge Starley, after much thought over the matter, devised a plan by which he believes this can be legally done. There are those who disagree with him, but if there is it is up to them to suggest something better. Many of them have our own pumping plants and get water for our own use so that as there is water in the well. No man will desire to deprive the other fellow from these comforts and necessities just because he has not in favor of the means with which to do this. Let's make of Pecos the most beautiful, healthful, literary and desirable place in Texas which to live. This cannot be done without water and plenty of it. When this is accomplished no forces can stop Pecos from making a real city, withstanding a few mossbacks and contrary opinions.

The patriotic citizen who wants to hold his home town will not cripple an institution which is doing more to hold the town than any other—the newspaper—by sending away for his blank and stationery in order to save a few cents. If there be such Pecos who are guilty of such atrocities, they will do well to weigh the matter well before doing so again. The Enterprise is "getting by," thank you, but within the next two or three weeks will install about six thousand dollars worth of new machinery, which will make it one of the best equipped print shops in West Texas. Every citizen of the town should be really as proud of the advancement of the editor and should lend his stunted support to that one institution which is tooting your horn and doing its part in putting Pecos on the map.

It seems next to impossible for the Enterprise to keep its classified column filled up. "There is a reason," a few days ago the Richburg Land Rental Company placed a small order therein and sold by wire 40 acres of oil land. Others run their classified ad one time and phone the editor to "cut it out"—results obtained. "If you have anything to sell, trade or want to purchase anything using the "classified" in the Enterprise.

There are yet people in Pecos who will for one-half cent difference on links send to Fort Worth instead of going the home concern the benefit. This is true patriotism, but when the stuffer is brought in this class of persons will be forgotten in the mad dash of real live wires. This class is the home paper as a convenience when they get in a hurry, forgetting that they are making it impossible for the home paper to accommodate them at all times with a full line of blank.

With an eye single to the benefit of the entire people and cutting out schemes to personally benefit, the Enterprise can see no reason why the pulchre should not "take to" an extension of our waterworks system. The Enterprise is not in on any schemes and firmly believes the only object of the promoters is to benefit the whole town. Let's have the waterworks extension.

Dr. I. E. Smith advertised in last week's Enterprise—classified—for a class cooker. He called at the office Monday, and said: "Take out the class cooker local. Have secured."

The "classified" in the Enterprise results. Just try it once or ask your neighbor who has.

UNION MISSIONARY SOCIETY.
Program for Sunday afternoon at the Methodist church, at 3 o'clock.
Subject: Chosen.
Leader, Alfred Stephen.
Song, Tidings.
Scripture lesson, Acts 20: 28-40.
Prayer.
Roll call. Answer with Scripture verse.
Memory verse, Acts 20: 33. Ruby Ephen.
"Paul, a prisoner in Jerusalem—nice McKellar."
Song, "Onward, Christian Soldier."
Jose's School—William Adams.
Select reading—Margaret Love.
Song, "Stand Up for Jesus."
Benediction.

There is a time and place for everything. The time is NOW. The place is O. J. Green, to save money on our groceries and dry goods, feed and flour. Phone 84.

A CORRECTION
In giving the names of the new Star officers last week the following names were inadvertently omitted by the party handing in the names, and should have been included: Mrs. Jno. Camp, Associate Matron; V. Hanson, Warden; Miss Nannie Mae Collings, Marshal.

We are going to reduce our prices on everything regardless of the advance in the market. Better stock O. J. Green & Co.

PERSONAL MENTION

Mrs. George Ward has returned from a visit in the east.

Miss Velma Ward is spending a few days in El Paso this week.

Miss Hazel Berry came down last week from El Paso and is visiting Mrs. M. W. Collie.

Mr. and Mrs. George K. Jackson were in from the ranch at Hoban, shopping, Tuesday.

Clay Cooke came in from Fort Worth yesterday looking fresh and jubilant as ever.

Miss Thelma Murdock of Toyah was the guest the early part of the week of Mrs. By Johnson.

Add Owen returned the early part of the week from El Paso with a new Buick for Dr. O. J. Bryan.

Mrs. Mitchell Lawson and children left Tuesday for an extended visit to relatives in Callahan county.

Miss Nannie Mae Collings returned home Tuesday from El Paso, where she had been for some time studying music.

Miss Maggie Williams of Balmorhea came in Tuesday and spent a day or so with her sister, Miss Lanora.

A. M. Randolph, county surveyor, returned Saturday from a ten-day trip, during which time he resurveyed the U range.

Dev. C. A. Dickson was up from Saragosa and preached for the Baptist congregation Sunday morning and evening.

Miss Nell Kerr is at home from the Texas Woman's College, Fort Worth, where she has been in school the past year.

Mrs. J. V. Hanson and children left Monday for Pomona, California, for an extended visit to her mother and other relatives.

Captain W. W. Dean and family of Carlsbad, N. M., have moved to Pecos and are occupying the Rutledge home for the summer.

Miss Irene Black, a popular and accomplished young lady of Barstow was a visitor in Pecos this week, the guest of Mrs. R. G. Middleton.

Mrs. W. W. Camp, Mrs. Sam Wilson and daughters, Misses Maggie and Mary Wilson, have returned from a pleasant visit to relatives in El Paso.

Little Miss Beulah Lee and Bertie Miller of Ranger arrived Sunday for a visit during the summer to their aunt, Mrs. George K. Jackson, at Hoban.

Miss Buena Mae Howard left Friday for a few weeks' visit to relatives at Crosbyton, and from there will go to San Angelo to visit her sister, Mrs. J. R. Davis.

A. W. Hosie, accompanied by his sister, Mrs. John Claypool and Mrs. E. B. Daniel, was down from Toyah Monday visiting and attending to business matters.

Mr. and Mrs. A. Tinnally and little daughter, Miss Laura, Mrs. J. H. Tinnally and Mr. and Mrs. George Ewing came in this week from a visit in El Paso, and are now at home.

Jack Love returned Monday from a week's visit in Austin, where he attended to business matters. Jack alighted from the train with a broad smile as if glad he was home once more.

C. R. Buchanan arrived last week from El Paso and is relieving Jack Linton at the City Pharmacy's prescription case. Jack has been under the weather for some time past and has decided to take a much-needed rest.

Judge J. F. Meier of Balmorhea, was a visitor in Pecos the latter part of last week, and on Sunday left for Dallas, where he will be under the observation of physicians for some time.

Van Camp, youngest son of Mrs. Jo Camp, arrived Saturday morning from Fort Worth, having attended T. C. U. the past term. Van is a fine young fellow and his arrival is welcomed not only by his relatives but by the younger set.

Edgar Patterson, of Balmorhea, left Sunday for Dallas in company with J. F. Meier. Edgar has an ugly wound from a hay hook piercing his left ear recently, but it is doing nicely and only a small scar will be visible when entirely healed.

D. S. Floyd, of Midland, connected with the Midland Northwestern as auditor, was a Sunday visitor in Pecos. Floyd was a long-time resident of Pecos, but recently severed all ties in this section by the sale of his home to B. H. Palmer.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel your strength fading, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

Work pants and overalls at 25 percent off. Regular \$2.25 striped overall for \$1.88. O. J. Green & Co.

Get our prices on dry goods. We will make it worth your time and money. O. J. Green & Co.

We have added two new clerks to our force and will be able to take care of all your wants promptly. Try us. Green's Grocery.

Be a Joy-Walker, "Gets-It" for Corns

3 Drops, 3 Seconds—Corns Is Doomed!

When you almost die with your shoes on and corns make you almost walk sideways to get away from the pain, take a vacation for a minute or two and apply 3 or 3 drops

"My Corns Peel Clean Off, With 'Gets-It'!"

of the world's magic and only genuine corn-peeler, "Gets-It." Then, and then only, will you be sure that your corn will loosen from your toe so that you can peel it right off gloriously easy with your fingers. Take no chances of continued pain and soreness—why use greasy, irritating salves, plasters that shift and press into the "quick," razors and "diggers" that make corns bleed and also grow faster? Use painless, easy, always sure "Gets-It." There's only one like it in the world—that's "Gets-It." Millions have tried and O. K.'d it for years. It never fails. "Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfg. by E. Lawrence & Co., Chicago, Ill.

Mrs. Don Carter and infant daughter left Sunday to join Mr. Carter on the farm near Barstow.

T. F. Slack left the fore part of the week for his home at Tempe, Arizona. His son, Kenneth and wife, accompanied him and will visit there for a season.

Mrs. Lillian Butler and little son, David, left Monday for Los Angeles, California, where Mrs. Butler will be in a conservatory studying music during the summer.

Mr. Shepperd returned Wednesday from a trip to Upshur county, where he went on business. He reports that section dry and needing rain.

C. R. Troxel of the Troxel Oil Company, drilling a deep test well northwest of Toyah, was here from Dallas Tuesday. Mr. Troxel says they are having trouble at the well on account of a water shortage.

Mrs. A. J. Hart and children, Monroe and Miss Luella, of Toyah, were Pecos visitors for a few hours Monday, the guests of Mrs. Hart's daughter, Mrs. D. J. Moran.

Dr. and Mrs. I. E. Smith received a telegram Friday of last week announcing the safe arrival in New York from overseas of their son, Carl, of the 144th field hospital corps, 36th division.

Mrs. Sid Kyle's mother, Mrs. G. M. McGonagill, and sisters, Mrs. A. I. Boyd and Miss Anna Belle McGonagill left Monday for their home at Lovington, N. M., after a week's visit in Pecos, the guests of Mrs. Kyle.

Mr. and Mrs. H. N. McKellar and children, Mrs. T. B. Pruett and children, Miss Ora and T. B. Jr., and Miss Hazel Berry constituted a party who visited at the Beau McCutcheon ranch in beautiful Limpia Canyon in the Davis Mountains, Saturday and Sunday.

Mrs. F. A. Bessire was over from Toyah Saturday between trains and made the Enterprise a very pleasant visit, leaving a nice order for printed stationery. This good lady reports a very good business in their store and will have her hands full while Mr. Bessire is away taking a much-needed rest.

Mrs. E. B. Daniel of Toyah was a Pecos visitor Monday, and was accompanied by her daughter, Miss Georgia. Mrs. Daniel says that her visits to Pecos are very rare, but she admires Pecos and its beautiful residences and notes many improvements on each visit. On this occasion she had a very pleasant session with the local dentist.

R. C. Warn and family were out at their farm on Toyah Creek Saturday and Sunday seeing after the harvesting of their wheat crop. Mr. Warn sowed alfalfa and wheat together last year—the wheat as a nurse crop—and is now gathering about thirty bushels per acre from this crop. Some of this acreage, Mr. Warn reports, will make thirty-five bushels per acre.

CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes into Sour Bile, Making You Sick and You Lose A Day's Work

Calomel Salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headache, constipated and all knocked out, just go to your druggist and get a 50 cent bottle of Dodson's Liver Tone, which is a harmless vegetable substitute for calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to the children; they like it!

The tried and true American Beauty Flour at O. J. Green's.

Let us save you money on your dry goods and groceries. O. J. Green.

T. A. Randals and grandson, Telus, returned Saturday from a two week's visit to Judge and Mrs. Ben Randals and daughter. T. A. says there are more pretty women in El Paso than in any other town of its size in the world. T. A. is a close observer of the fair sex, although seventy odd summers have passed since he first took up his abode in America, and he ought to know. The old gentleman suffers some nowadays from rheumatism, yet he is spryer than many a good many years his junior. Mr. and Mrs. Gid Rowden moved the first part of the week from the house they had been occupying for the past few years to the Richburg place just across the street.

BAPTIST CHURCH.

Rev. J. H. Sailors of Fort Stockton will occupy the pulpit next Sunday at both morning and evening services.

LEMON JUICE IS FRECKLE REMOVER

Girls! Make This Cheap Beauty Lotion to Clear and Whiten Your Skin.

Squeeze the juice of two lemons into a bottle containing 3 ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how clear, soft and white the skin becomes. Yes, it is harmless.—Advt.

NOTICE

The commissioners' court of Reeves county will meet as a board of equalization June 26th, 1919, and will be in session at the court house from 10 o'clock a. m. until 5 o'clock p. m. S. C. VAUGHAN, Clerk.

Big line of flour and feed. Get our prices. A trial is all we ask. O. J. Green.

We have just received a car of that good American Beauty Flour. O. J. Green & Co.

A hint to the wise is sufficient. O. J. Green Grocery.

CITATION BY PUBLICATION

The State of Texas, To the sheriff or any constable of Reeves county—Greeting:

You are hereby commanded to summon T. E. Crawford by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 70th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 70th Judicial District, to appear at the next regular term of the District Court of Reeves County, to be holden at the court house thereof, in Pecos, Texas, on the 3rd Monday in November, A. D. 1919, the same being the 17th day of November, A. D. 1919, then and there to answer a petition filed in said court on the 11th day of June, A. D. 1919, in a suit, numbered on the docket of said court No. 1853, wherein Mrs. Kate McAulay is plaintiff and T. E. Crawford is defendant, and said petition alleging that on the 20th day of November, 1914, the said T. E. Crawford made, executed and delivered to one C. T. Wright his two certain promissory notes each in the sum of \$400.00, the first due on the 15th day of June, 1915, and the second due on the 15th day of May, 1916, both bearing interest at the rate of 8 per cent per annum; both principal and interest payable at Celena, Texas.

Said notes were given as part of the purchase price and in part payment for the following described tract or parcel of land, lying and being situated in Reeves County, Texas, being the southwest quarter of section 13, in block C-21, public school land, and containing one hundred and sixty (160) acres.

That both the deed from C. T. Wright to the said T. E. Crawford and also the said notes recite that a lien is retained upon the said land until said notes with all interest thereon are fully paid.

That said notes with all rights therein were on the 2nd day of December, 1914, duly transferred, assigned and conveyed without recourse for a valuable consideration to this plaintiff by said C. T. Wright by written transfer which transfer is duly recorded in the deed records of Reeves County, Texas, and that the plaintiff is now the owner of said notes.

Wherefore, premises considered, plaintiff prays that defendant be cited in terms of law to answer this petition and upon hearing thereof she have judgment for the said debt, all interest due thereon, attorney's fee, costs, etc.

Herein fail not, but have before said court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court, at office in Pecos, Texas, this 11th day of June, A. D. 1919.

S. C. VAUGHAN, Clerk District Court, Reeves County. First insertion June 13.

Fresh fruit and vegetables every morning. Phone us your order early. O. J. Green Grocery.

Everybody talks oil. We want to talk bargains in groceries and dry goods to you. O. J. Green.

A Message to Our Friends and the General Public

The Trans-Pecos Oil Co. Capitalization \$175,000.00

This company has been organized to develop a large body of acreage in Reeves, Ward and Loving counties. This acreage is well selected and a part of it lies near the Laura Well and Troxell Well and passed on favorably by the best geologists in Texas. The company agrees to drill a test well on some part of this holdings to a depth of 4,000 feet, unless we get oil in commercial quantities at a lesser depth.

Operations to begin as soon as sufficient stock is sold to begin operation. This company is organized under a declaration of trust, articles of which have been properly recorded in Reeves County, Texas. All funds derived from sale of stock, less the legitimate expenses of the Company will be applied to the development of the Company's holdings.

This Company agrees to pay not less than 75 per cent of its net earnings in dividends. Payments will be semi-annually.

The Trans-Pecos Oil Company is a joint stock association, and under the articles of trust creating it, vesting control and management in a board of trustees, elected by a majority of its shareholders.

Stockholders and trustees are exempt from all personal liabilities of the Company, or chargeable only as association assets.

The Board of Trustees

Men composing the Board of Trustees, and officers of this Company are all experienced business men, and all live in Pecos, Texas. Each one selected for his peculiar characteristics and abilities required for his peculiar task in the management of this Company.

OFFICERS

E. L. COLLINGS, President
O. J. GREEN, Vice President
G. C. PARKER, Secretary and Treasurer
JUDGE BEN PALMER, Legal Adviser

TRUSTEES

Depository, First National Bank

Authorized Capitalization \$175,000

The authorized capital stock of this Company is \$175,000.00, all common stock, fully paid and non-assessable. Par value is \$1.00 per share. A limited amount offered at this price, and at the first showing of oil this stock is bound to advance in the open, and the Board of Trustees reserve the right to advance the subscription price without notice, as well as the right to withdraw same from the market at any time.

All subscriptions should be accompanied by Bank Draft, Cashier's Check, or Money Order, for the full amount.

Stock certificates will be issued and mailed immediately upon receipt of remittances. Make all drafts or orders payable to The Trans-Pecos Oil Company.

There is no investment upon earth offering the immense profit that the oil production is today.

Greater opportunities than ever are opened up by the new Texas oil fields, which will require hundreds of millions of dollars in the next two years for development. It is up to you whether you have a share in the profits to be derived from this great field, or whether you, afterwards, will be one of those to say, "I wish I had bought some of The Trans-Pecos Oil Stock."

Our Only Purpose is to Get Oil.

IMPORTANT

We want no man to take this element of chance unless he can afford to do so. Be fair to yourself, your family, and us. Consult your bank account. If you are honestly able to take what we consider a good chance, much above the average, then make your check our check and send it with the coupon below filled out to this Company.

The Trans-Pecos Oil Company

Owens a five-year commercial lease on more than 7,000 acres of land in Reeves, Ward and Loving counties, and other leases pending, and we do hereby refer you to the records of said counties, and ask that you investigate our holdings.

These proven fields now spouting oil were Wild Cats once, just common soil. That's what made millionaires.

The Pecos Field gives unusual promise to be one of the most sensational oil fields in Texas. We expect it to be a gusher field, very similar to the Tampico Field. Remember, a few months ago, Ranger and Burkburnett were unproven territories. We now have the shallow oil of a very fine quality, and possibly will have oil in commercial quantities in the next few days.

Faith Makes Millions

Ninety per cent of the country's business is done upon faith. You can hardly conceive of the business transaction which does not involve faith to some degree at least. Without faith there would be no business, and without faith there would not be an oil field in the world today. Did you ever think that every oil field in the world has been developed on some man's faith in oil being found at some given location beneath the thick crusts of the earth?

Reports of Government

It is faith that makes millions. This is particularly true in oil, the master fortune builder. Money is made more quickly in oil than in any other business on earth; but you cannot make money in oil unless you have faith enough to make an investment.

Your Chance in Pecos Field

The chance in the Pecos Field for a golden investment is greater today than it was in Ranger before that field was proven, because both the Ranger and Burkburnett fields support the theory that even a greater deposit of oil is under the sulphur deposits and structural folds of the Pecos district. In other words, the geology of the Pecos Field is even more striking in its impressiveness than was that of the Ranger Field, for at Pecos we have not only the structural formations on a very large scale, but we have the gas wells and sulphur fields, the salt creek, and all the other characteristics of the greater proven fields of the world.

Pecos Oil Field Likely to Develop into largest in area in Texas

HOW DO THEY KNOW?

How is mortal man to know that oil in great pools, oceans of it, sometimes lies beneath the crusts of the earth, awaiting the day when it shall be tapped and brought to the surface for the convenience, the comfort and the enrichment of those who study nature in her wonderful manifestation? Did the Creator, in His wisdom, store away in the bosom of the earth oil and gas and precious minerals to give employment to men of curious minds throughout the centuries. It would seem so. Mankind has taken from the rocks and from the soils of the earth its hidden treasures almost since the dawn of creation.

So someone was the first in every field; and now that the Pecos field is looming on the horizon of oil activities, we learn from geologists that this field has striking and profoundly impressive evidences that it is destined to be a great producer of oil.

Three deep tests now going down in Reeves county, timbers on the ground for several more rigs, and one derrick erected in Ward county, and it is an evident fact that the oil men are watching the Pecos Oil Field from the four corners of the United States. We again urge that you investigate this Company and the large acreage we have, and act according to your better judgment.

Every dollar of your money will be honestly and legitimately spent for the betterment of all concerned. Our books will be open at all times to our stockholders, and each one dollar so invested in this Company will share its pro rata part in all oil produced, and at the same time you are equally interested in more than 7,000 acres of land.

Liberty Bonds taken at face value.
We ask the hearty cooperation of the business men of Reeves, Loving and Ward counties.

PECOS, TEXAS

MANY TEXANS RETURN WITH 90TH

In Pecos and many other sections of Texas there is rejoicing over the news that the entire Ninetieth division has landed in the United States, after having participated in some of the hardest fighting in France and establishing a war record that will forever make Texas proud of her sons.

Several of the Reeves county boys are already home, their arrival being recorded in previous issues of the Enterprise. Last Saturday Bill Poitevant arrived from overseas and is with his aunt, Mrs. J. F. Grogan. Poitevant took part in the last few months of fighting on the Meuse, through the Argonne Woods, was in

COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Philpot, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days... I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go... I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about give up all hopes of our getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle... I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today.

at the death of Hun miracle, and had the pleasure of marching with the Stars and Stripes into Germany. He has many souvenirs of the trip, but is proudest of the fact that he is back again to good old Reeves, and all are glad with him.

Bill Miller, who volunteered early in the game for service with Uncle Sam, and who had been stationed at Fort Bliss, was discharged last week and is now at home with his parents, Mr. and Mrs. R. E. Miller.

Jim Bowlin has returned from overseas and passed through Pecos, en route to El Paso where he will be mustered out of the service.

Albert Rowden, son of Mr. and Mrs. Gid Rowden, V. V. Beck, and J. C. Wilson, have landed in New York and will be mustered out in the next few days and return to their homes here.

Barney Hubbs, who has been with the naval forces of Uncle Sam for the past eighteen months, was discharged and returned home the fore part of the week. Barney is looking fine and says that while the experience and training did him good he is glad to be back home.

Wynne Goode, returned this week, after service in the Navy. Wynne, however is on Uncle Sam's reserve list, not receiving his final discharge yet.

Cromwell Barlow, well-known and popular Balmorhea boy, who spent a year in the Navy, first at San Diego and later at Hampton Roads, Va. Still later he sailed for Cuba, with a convoy of sixteen submarines, and while there enjoyed himself canoeing, riding surf-boards, fishing and swimming. Another of his trips was to the Virgin Islands in South America, where much fine tropical fruit was had for little money, also to Panama, thence to New York where the sailors disembarked and took train for Boston, where they were stationed sixteen days. Then, in succession, Albany, Buffalo, Cleveland, St. Louis, Dallas and home. Cromwell did his work well and willingly and is proud of having the opportunity of doing his bit, and now that all is over he is glad to be at home among the home folk and friends who are proud of him.

U.S. PIGEON LANDS AT SARAGOSA

W. R. Black of Saragosa was a visitor in Pecos the forepart of the week, attending to business matters, and made the Enterprise office a pleasant call while here, and brought the information that one of the U. S. carrier pigeons landed at the farm of a Mexican there. Upon inquiry it was found that the bird came there in the month of November, 1918, and has been there ever since. The bird is a fine specimen, and while it carried no capsule in which messages are contained, it had the regulation leg-bands and wing marks. On the right leg was a silver band stamped with the numerals, "18-3459, U. S. A." On the left leg was an unmarked silver band, while the marking on the under side of the left wing was "U. S. A., P. S. 27."

Mr. Black stated that the pigeon was in perfect condition with the exception of its right wing, the injury to that member making it impossible for it to fly any distance. He said it was having the best of care, and that the Mexican at whose place it alighted considered it a good omen and will not part with it except to the government authorities.

The Quinine That Does Not Affect the Head
Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of E. W. GROVE, 30c.

Weekly Health Talks

A WORD ABOUT THE KIDNEYS
BY DOCTOR WATSON.

People are easily frightened when they think something is the matter with their lungs or heart, and well they may be; but few people understand the dangers of diseased kidneys. These organs have a duty of vital importance to perform, and if they are diseased, there is no telling how or where the symptoms may appear. The kidneys are filters, and when they are healthy they remove the poisons from the blood and purify it. When the kidneys are diseased, the poisons are spread everywhere, and one of these poisons is uric acid. The uric acid is carried all through the system and deposited in various places, in the form of urate salts—in the feet, ankles, wrists and back—often forming bags under the eyes. Sometimes the resulting trouble is called rheumatism, lumbago, sciatica and backache. Finally, come stone in the bladder, diabetes and Bright's disease.

Dr. Pierce, of Buffalo, N. Y., in recent years, discovered that a certain combination of remedies would dissolve uric acid (urate salts) in the system. He found this combination to be harmless, so that he made it up in tablets, of double strength, and called them Anuric Tablets. They dissolve uric acid in the human system as hot coffee dissolves sugar. If you have uric acid troubles, don't delay in taking Anuric Tablets, which can be secured in the drug stores. You can write Dr. Pierce, too, and he will tell you what to eat and how to live so that more uric acid will not form in your system. Dr. Pierce will not charge for this advice.

PRINCE ALBERT

the national joy brand

LAY your smoketaste
flush up against a listening post—and you'll get the Prince Albert call, all right! You'll hunt a jimmy pipe so quick and get so much tobacco joy out of every puff you'll wish you had been born twins! For, Prince Albert puts over a turn new to every man fond of a pipe or a home made cigarette. It wins your glad hand completely. That's because it has the quality!

And, right behind this quality flavor and quality fragrance is Prince Albert's freedom from bite and parch which is cut out by our exclusive patented process. We tell you to smoke your fill at any clip—jimmy pipe or makin's cigarette—without a comeback!

Tippy red bags, tidy red tins, handsome pound and half pound tin humidors—and that clever, practical pound crystal glass humidor with sponge moisture top that keeps the tobacco in such perfect condition.

PECOS, TEXAS

REPAIR GINS FOR GOOD WORK

Walton Peet, Specialist in Cotton Marketing, A. & M. College, says that hundreds of thousands of dollars are lost to Texas farmers annually through poor ginning of cotton. This loss to farmers benefits nobody. It is much value destroyed.

A part of the responsibility for this loss rests upon ginners and a part upon farmers. Poorly equipped and improperly operated gins lower the grade of cotton and reduce its selling price. Likewise, carelessly packed and carelessly handled cotton results in lower grades and lower prices.

In picking cotton care should be taken to keep out leaves, burrs and trash. Seed cotton should be protected from dew and showers. Under no circumstances should cotton be ginned while it is damp. Do not pile cotton on the ground, for it not only accumulates trash and dirt but absorbs moisture from the soil.

Gins should be thoroughly overhauled and put in good condition at this season. It is highly desirable that local farmers' organizations appoint a gin committee to confer with ginners and see to it that gins are in proper condition to handle the crop promptly and efficiently. Much of the large quantity of low grade cotton now on the market is the product of poorly equipped and improperly operated gins. The difference in the price of the different grades is so great that the lowering of a farmer's crop one or two grades may mean financial disaster, while the raising of the grade may mean a profit on his year's work.

Farmers who have planted good seed of improved varieties of cotton should arrange now for keeping their seed from being mixed with inferior varieties at the gin. Where several farmers in a neighborhood are growing one variety of cotton and all have planted pure seed, they should arrange to have the roll dropped, the breast cleaned and have the seed run out on a wagon sheet on the floor.

Particular attention should be given by farmers and ginners to the ginning of good staple cotton. To avoid cutting and nipping, the speed of the saws should be reduced and the feed so regulated as to keep the roll soft. A hard or tight roll will result in cutting the fiber and lowering the value of cotton which, if properly ginned, should command a premium over shorter staple varieties.

Nothing compares with Orange Peco for ice tea. At Collings & Son. -Advt. 41-t2

WEEKLY FINANCIAL REVIEW.

Prepared for The Enterprise by the St. Louis Union Bank.

Exports from the United States in April totaled \$715,000,000, as compared with a total of \$605,000,000 for March and \$501,000,000 for April 1918. Value of exports for the first ten months of the fiscal year, ended with April, amounts to \$5,705,000,000, as against \$4,884,000,000 for the corresponding period of the preceding fiscal year. April imports totaled \$273,000,000, a gain of \$5,000,000 over March imports, but a decline of \$6,000,000 from the total for April, 1918. Imports for the ten months ended with April had an aggregate value of \$2,474,000,000, as compared with \$2,362,000,000 for the same period of the fiscal year 1917-1918.

KNIGHTS CHOOSE LOCAL LEADERS

At their first meeting in the local lodge of Knights of Pythias elected officers for the ensuing semi-annual term as follows: J. A. Drane, chancellor commander; A. D. Linton, vice chancellor; R. E. Williams, prelate; Harry Woods, master at arms; S. C. Vaughan, master of work; Milton Wadley, inner guard; Jerome Dolesal, outer guard.

At the regular session held Monday evening of this week it was decided to hold memorial services in the near future in honor of deceased knights of the home lodge.

NOTICE OF ROAD BOND ELECTION

The State of Texas, County of Reeves.

On this the 26th day of May, A. D. 1919, this court being in special session and all of the commissioners being present, came on to be heard and considered the petition of E. B. Daniel and fifty-three other persons, praying that bonds be issued by said Road District No. Two (2) of Reeves County, Texas, in the sum of Fifty Thousand (\$50,000) Dollars, bearing five and one-half per cent (5 1/2) rate of interest, maturing thirty (30) years from date thereof, for the purpose of constructing, maintaining and operating macadamized, gravelled or paved roads and turnpikes, or in aid thereof;

And it appearing to the court that said petition is signed by more than fifty of the resident property tax-paying voters of said Road District No. Two (2) of Reeves County, Texas, and that the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of such Road District No. Two (2), of said Reeves County, Texas;

It is therefore considered and ordered by the court that an election be held in said Road District No. Two (2) of said Reeves County, Texas, on the 28th day of June, A. D. 1919, which is not less than thirty days from the date of this order, to determine whether or not the bonds of said Road District No. Two (2) of Reeves County, Texas, shall be issued in the amount of Fifty Thousand (\$50,000.00) Dollars, bearing five and one-half per cent (5 1/2) rate of interest and maturing thirty years from date thereof; and whether or not a tax shall be levied upon the property of said Road District No. Two (2) of said Reeves County, Texas, subject to taxation for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity.

Notice of said election shall be given by publication in a newspaper published in said county for four successive weeks before the date of said election, and in addition thereto there shall be posted notices of such election at three public places in said Road District No. Two (2) of said Reeves County, one of which shall be at the courthouse door, for three weeks prior to said election.

Said election shall be held at Toyah, Texas, and C. C. Cargill is hereby appointed manager of said election.

Said election shall be held under the provisions of the Road District Act passed at the First Called Session of the Thirty-first Legislature, and amendments thereto, and only qualified voters, who are property taxpayers of said Road District No. Two shall be allowed to vote, and all voters desiring to support the proposition to issue bonds shall have written or printed on their ballots the words "For the Issuance of Bonds and Levying of the Tax in Payment Thereof," and those opposed shall have written or printed on their bal-

COMMISSIONERS GO TO MIDLAND

The commissioners' court, in session this week as a board of equalization, adjourned Tuesday afternoon and left for Midland to meet with a commission of the Bankhead National Highway Association.

The object of the Midland meeting is to get from the officers a report of conditions affecting the highway in their respective counties.

Those who attended the meeting were County Judge Jas. F. Ross and Commissioners J. E. Eisenwine of precinct No. 1; A. W. Hsieh of No. 2; C. C. Kountz, of No. 3; Sid Kyle, of No. 4. County Clerk S. C. Vaughan, on account of illness in his family, was unable to attend.

Work is moving along in fine shape on the highway, and the problem of dealing with the sands in Ward county is fast being overcome. Reeves county is furnishing the gravel for this stretch of road and it is figured that more than one thousand cars will be required.

The end of summer should see the completion of the highway, and all towns along the route enjoying benefits that will naturally accrue.

lots the words "Against the Issuance of Bonds and the Levying of the Tax in Payment Thereof."

The manner of holding said election shall be governed by the laws of the State governing general elections.

A copy of this order signed by the county judge of said county shall serve as a proper notice of said election and the county judge is directed to cause said notice to be published in a newspaper published in said Road District No. Two (2), if there be a newspaper published therein, and if not, then in any newspaper published in said county, for four successive weeks next preceding said election, and cause to be posted a notice thereof at three public places in said Road District No. Two (2), one of which shall be at the courthouse door, for three weeks prior to said election.

The boundaries of said Road District No. Two (2), of Reeves County, Texas, are described as follows, to-wit:

Beginning at a point in the east line of Section 12, Block 72, Public School Land, where the Texas & Pacific Railway track crosses said line; thence in a southerly direction following the west boundary line of Commissioners Precinct No. 1, to the southwest corner of Section 48, Block 55, Tsp. 7, T. & P. Ry. Co.; thence westward along the north line of Blocks 55 and 56, Tsp. 8, T. & P. Ry. Co., to the southeast corner Block C-11, Public School; thence south, following the east line of Blocks C-12 and C-13, Public School, to the southeast corner of said Block C-13; thence west following the south line of Block C-13 to the county line between Reeves and Jeff Davis counties where the south line of said Block C-13 crosses said county line; thence following the said county line to San Martine Springs; thence in a northerly direction following the county line between Culberson and Reeves counties to a point in said county line where the north line of Section 4, Block 53, Public School, crosses said county line; thence east following the north line of Blocks 53, 56 and 57, Public School, to the northeast corner of said Block 57; thence south following the east line of Block 57 and 58 to the southwest corner of Block 55, Tsp. 5, T. & P. Ry. Co.; thence east following the south line of said block; thence east along the north line of Sections 23 and 22, Block C-17, Public School, to the northeast corner of said Section 22, said Block C-17; thence south, following the east line of Sections 22 and 21, said Block C-17, Public School; thence south following the east line of Block 72, to a point in the east line of Section 12, said Block 72, the place of beginning.

JAS. F. ROSS, County Judge Reeves County, Texas. First insertion May 30. Last insertion June 27.

SHERIFF'S SALE.

The State of Texas, County of Reeves.

By virtue of a certain Order of Sale issued out of the Honorable 48th Judicial District Court of Tarrant County, on the 28th day of April, 1919, by the clerk of said court, against A. S. Logsdon for the sum of Thirteen Hundred and Eighty-six (\$1386) Dollars and costs of suit, in cause No. 46975 in said court, styled Mrs. M. J. Hagan versus A. S. Logsdon, and placed in my hands for service, I, E. B. Kiser, as sheriff of Reeves County, Texas, did on the 6th day of June, 1919, levy on certain real estate situated in Reeves County, described as follows, to-wit: North one-half of Section 290 in Block 13, H. & G. N. Railway survey, containing three hundred and twenty acres of land.

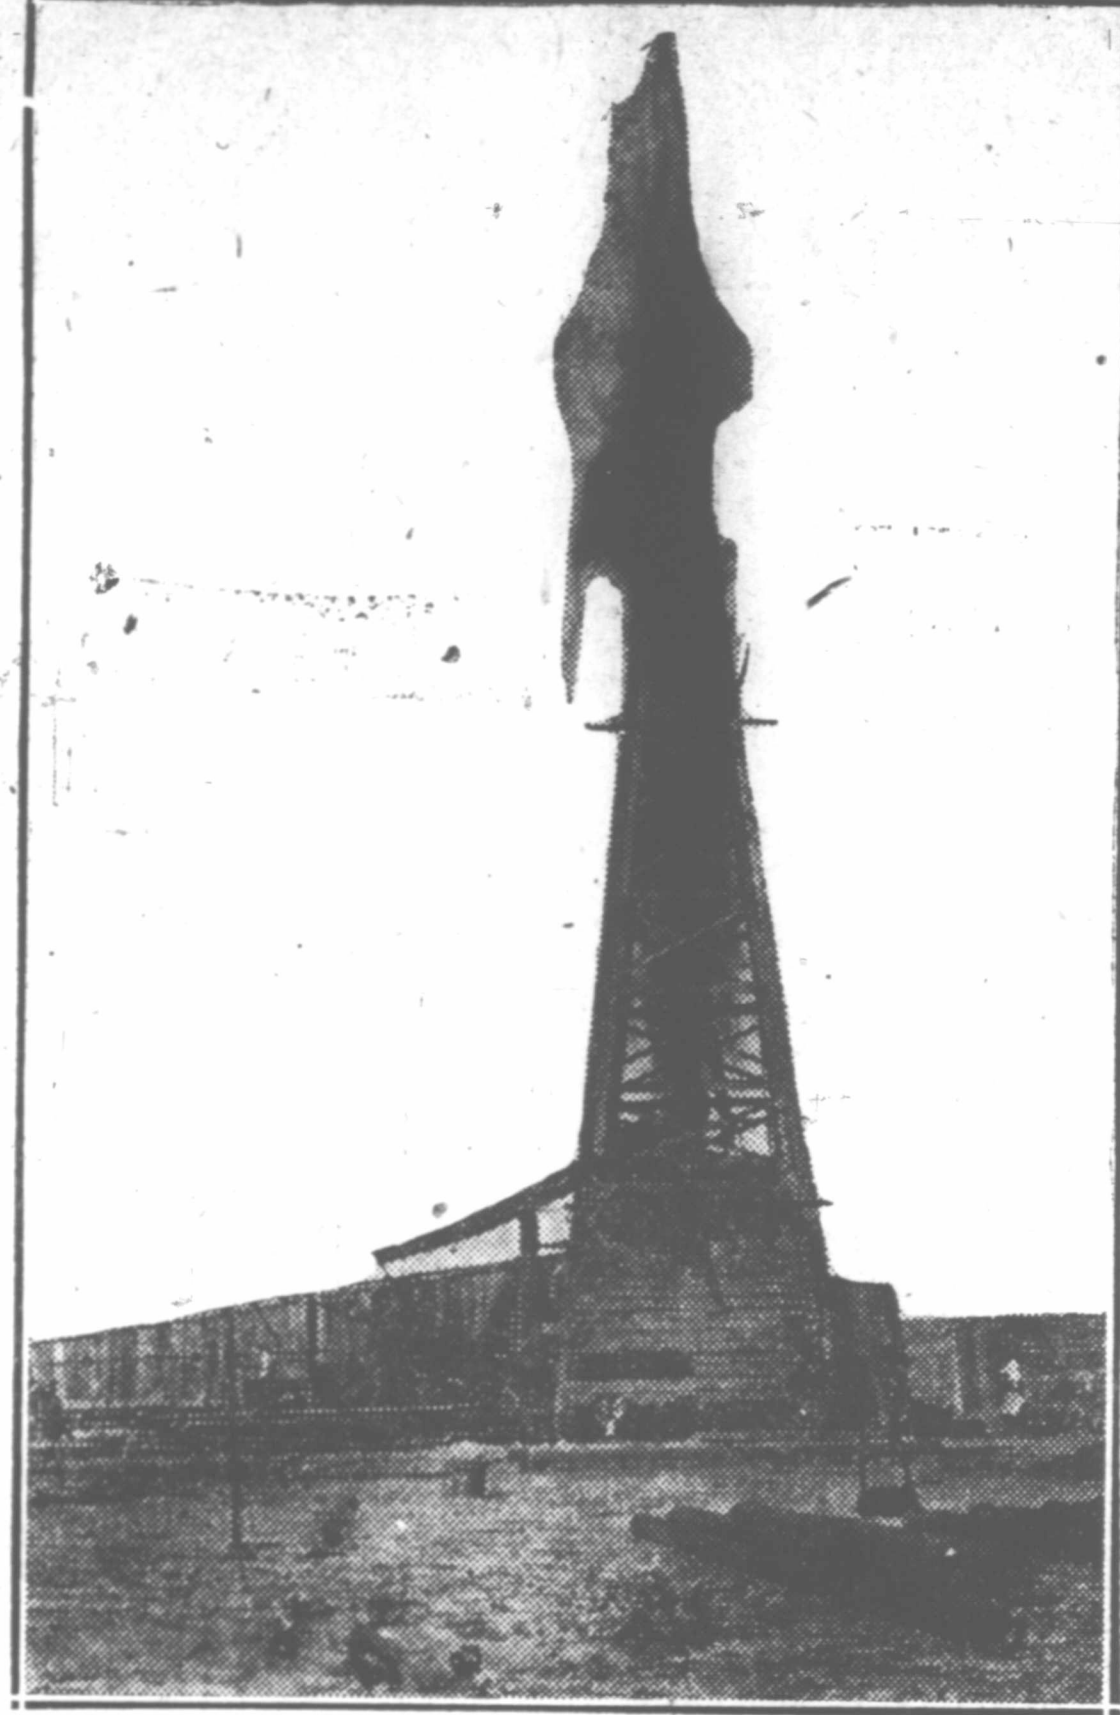

And levied upon as the property of said A. S. Logsdon, and on Tuesday, the first day of July, 1919, at the court house door of Reeves county, in the town of Pecos, Texas, between the hours of ten a. m. and four p. m. I will sell said real estate at public vendue, for cash, to the highest bidder, as the property of said A. S. Logsdon by virtue of said levy and said order of sale.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Enterprise, a newspaper published in Reeves county, Texas.

Witness my hand this 6th day of June, 1919.

E. B. KISER, Sheriff Reeves County, Texas. By R. G. MIDDLETON, Deputy. First insertion June 7. Last insertion June 27.

SHERIFF'S SALE.

The State of Texas, County of Reeves.

By virtue of a certain Order of Sale issued out of the Honorable District Court of Reeves County, on the 23rd day of April, A. D. 1919, by the clerk of said court against H. E. Lemmer, J. N. Johnson, W. R. Hunt, S. E. Hunt, for the sum of sixteen hundred six and no one-hundredths (\$1,606.00) dollars and costs of suit, in cause No. 1796 in said court, styled W. O. Mathis versus J. N. Johnson et al, and placed in my hands for service, I, E. B. Kiser, as Sheriff of Reeves County, Texas, did, on the 23rd day of April, 1919, levy on certain real estate situated in Loving county, described as follows, to-wit: All of Section 42, Block 54, Tsp. 2, Cart. No. 4945, T. and P. Ry. Co. survey, Loving County, Texas, and levied upon as the property of said J. N. Johnson et al. And on Tuesday, the 1st day of July, 1919, at the court house door of Reeves County, in the town of Pecos, Texas, between the hours of ten a. m. and four p. m. I will sell said real estate at public vendue, for cash, to the highest bidder, as the property of said W. O. Mathis by virtue of said levy and said order of sale.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Enterprise, a newspaper published in Reeves county.

Witness my hand, this 5th day of June, 1919.

E. B. KISER, Sheriff Reeves County, Texas. By R. G. Middleton, Deputy. 41-4t

SHERIFF'S SALE.

The State of Texas, County of Reeves.

By virtue of a certain Order of Sale issued out of the Honorable District Court of Reeves County, on the 7th day of May, 1919, by the clerk of said court against Fred Fritsch for the sum of six hundred four and no one-hundredths (\$604.00) dollars and costs of suit, in cause No. 1826 in said court, styled O. C. Slate versus Fred Fritsch et al, and placed in my hands for service, I, E. B. Kiser, as Sheriff of Reeves County, Texas, did, on the 7th day of May, 1919, levy on certain real estate, situated in Reeves county, described as follows, to-wit: Lots Nos. 1 and 2 in Block No. 9, Clark's addition to the City of Pecos, Texas, and levied upon as the property of said Fred Fritsch. And on Tuesday, the 1st day of July, 1919, at the court house door of Reeves county, in the town of Pecos, Texas, between the hours of ten a. m. and four p. m. I will sell said real estate at public vendue, for cash, to the highest bidder, as the property of said Fred Fritsch by virtue of said levy and said order of sale.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Enterprise, a newspaper published in Reeves county.

Witness my hand, this 5th day of June, 1919.

E. B. KISER, Sheriff Reeves County, Texas. By R. G. Middleton, Deputy. 41-4t

H. & G. N. LANDS IN REEVES COUNTY

Surveys Nos. 45, 47, 53, 55, E. half of 61, and 68 in Block 4. Nos. 43, 48, 47, and W. half of 37, in Block 5. The surveys in these blocks are situated from 5 to 8 miles from Pecos City, in the artesian belt of the Pecos River country and will be sold as a whole or in quarter sections. Also surveys Nos. 13 and 49, in Block 6, and Survey Nos. 5, 9, 13, and 15, in Block 7. Also 11 surveys in Block 10; 16 surveys in Block 11, and 3 surveys in Block 12; none of these river lands. Also Surveys Nos. 1, 3, 5, and 19, fronting on the Pecos River, in Block 8, in the extreme northern portion of Pecos County, and partly in Reeves County. Also 11 surveys in Block 10; 16 surveys in Block 11, and 3 surveys in Block 12; none of these river lands. No local agents for these lands, which are handled direct by the Agent and Attorney in Fact for the owner, William M. Johnson.

IRA H. EVANS, Agent and Attorney in Fact, AUSTIN, TEXAS.

PEACE HAS COME

One of the biggest items in the new era that the return of Peace has ushered in will be that of BUILDING. Building of honor, integrity, a democracy that will survive and, as important as any, the

BUILDING OF COZY HOMES

Materials for building, will, later on become scarce. Entire cities in Europe must be rebuilt. America must supply the material.

We are position to furnish estimates on plans and materials for the building. Later on we may not be able to do so.

Paint

3 Paint Pointers

Paint is DECORATIVE; it gives the finishing touch of beauty to the property.

Paint is PRESERVATIVE; the properly painted building is longer lived than one that is left to the ravages of wind, sun and rain.

Paint is RESTORATIVE; it is the one thing that can "bring back" the appearance of that run-down place.

Our paints are noted for these three characteristics, and the range of colors will meet every wish you might have for your particular purpose.

This is "painting time"; take advantage of it for your own benefit.
