JUNE FIFTH REGISTRATION DAY AT ALL VOTING PLACES

Those Who Expect to be Away from Voting Precincts May Register With County Clerk.

HEAVY PENALTY ATTACHED

Election Judges and Assistants Will Serve as Volunteers from Seven O'clock a. m. to Nine p. m.

Tuesday, June 5, has been designated by President Wilson as registration day. On this day all males between the ages of 21 and 31 are required to present themselves at their respective voting precincts and register under penalty of imprisonment.

The detail of registration will be under the direction of the sheriffs of the various counties of the states, and the mayors of cities having population of 30,000 or more. All work of registration will be volunteer.

No excuses for non-registration will be accepted. Any who are subject to registry and are absolutely detained because of illness or other condition will be required to have someone appear and register for him. Those who will be absent from their voting precincts on June 5th may register with the county clerk on any day before that date. Others will not be permitted to register before the appointed day.

George Charles Toberman, a traveling salesman of St. Louis was the first man to register in Hale County. He filled out his registration card this morning.

Sheriff J. C. Terry has asked all the regular election judges to serve as registrars. Enough others have already volunteered in Plainview to give them assistance at the Plainview polling places. Those who will serve as registrars are: Plainview, Court House, W. B. Martine and Chas. McCormack; Plainview City Hall, R. A. Barrow and G. C. Keck; Happy Union, J. M. Buchanan and C. D. Wendt; Petersburg, J. L. Jay and T. R. Phillips; Hale Center, Barnett O'Bryan and Sam Goodiet; Norfleet, C. D. Sageser and C. J. Sturdivant; Runningwater, D. F. Morgan and B. B. Morton; West Side, Jim Johnson and Cleve Phillips; Bartonite, Frank Scott and J. P. Carr; Abernathy, Tom Fletcher and A. E. Pipkin; Halfway, R. L. Hooper and E. L. Gilbert; Lakeview, T. J. Lowery and G. F. Wirtz.

All registrars are requested by Sheriff Terry to call at his office before June 5th for instructions. Places of registration will be open at 7 in the morning and closed at nine at night. A rush at registration places is no excuse for non-registration.

At the request of Sheriff Terry the Herald prints the following instructions to those who will be required to register. The question cards will conform with the subjects here mentioned.

How to Answer Question on Registration Cards!

Read carefully before you go to registration table. Here you see what will be asked. Study the questions. Prepare the answers in your mind.

Questions will be asked for you to answer in the order in which they appear on this paper. These questions are set out below with detailed information to help you answer them.

Do not write on, mark, or otherwise mutilate these instructions. Do not remove them. They should be carefully read so you will have your answers ready when you go before the Registrar.

All answers should be written on the Registration Card in ink by the Registrar, who should be careful to spell all names correctly and to write legibly.

1. Name in full. Age in years.— This means all your names spelled out in full.

State your age today in years only. Disregard additional months or days. Be prepared to say "19," or "25," not "19 yrs. 3 mos.," or the like.

2. Home Address. This means the place where you have your permanent home, not the place where you work. Be prepared to give the address in this way: "232 Main Street, Chicago, Cook County, Illinois;" that is, give number and name of street first, then town, then county and State.

3. Date of birth. Write your birthday (month, day and year) on a piece of paper before going to the Registrar, and give the

Plainview Militia Go to Brownsville With Other Companies

Word has been received here that all the Plainview members of Company L, Fourth Regiment, were moved last week from Fort Sam Houston to Brownsville.

All of the companies of the State Militia are now at Brownsville except the El Paso, Mineral Wells, and Weatherford companies. A few individuals of the different companies have been sent to Camp Funston at Leon Springs for training. Those at Leon Springs from the Plainview Company are Lieutenants Carl C. Brown and Jennings Anderson.

paper to him the first thing. Example: "August 5, 1894."

If you do not remember the year start to answer as you would if someone asked you your birthday, as "August 5th." Then say "on my birthday this year I will be (or was)—years old." The Registrar will then fill in the year of your birth. Many people do not carry in mind the year they were born. This may be obtained by the Registrar by subtracting the age in years on this year's birthday from 1917.

4. Are you (1) a natural born citizen; (2) a naturalized citizen; (3) an alien; (4) or have you declared your intention of becoming a citizen (specify which)?

(1). If you were born in the United States, including Alaska and Hawaii, you are a natural-born citizen, no matter what may have been the citizenship of your parents. If you were born in Porto Rico, you are a citizen of the United States if your father was a citizen of the United States at the time you were born, unless you have been expatriated yourself.

(2). You are a naturalized citizen if you have completed your naturalization; that is, if you have "taken final papers." But you are not a citizen if you have only declared your intention to become a citizen (that is, if you have only "taken out your first papers"); in the latter case you are only a "declarant."

You are also a naturalized citizen if, although foreign born, your father or surviving parent became fully naturalized while you were under 21 years of age, and if you came to the United States under 21.

(3) You are a declarant, if, although a citizen or subject of some foreign country, you have declared on oath before a naturalization court your intention to become a citizen of the United States. Receipt from the clerk of the court of the certified copy of such declaration is often called "taking out first papers." You are not a declarant if your first paper was taken out after September 26, 1906, and is more than 7 years old.

(4). You are an alien if you do not fall within one of the three classes above mentioned.

5. Where were you born? First name the town, then the State, then the country, as "Columbus, Ohio," "Vienna, Austria," "Paris, France," "Sofia, Bulgaria."

6. If not a citizen, of what country are you a citizen or subject?

This need be answered only by aliens and declarants. Remember that a declarant is not a citizen of the United States. If an alien or declarant, state the name of your country as "France," "Japan," "China," etc.

7. What is your present trade, occupation or office?

This does not ask what you once did, nor what you have done most of the time, nor what you are best fitted to do. IT ASKS WHAT YOUR JOB IS RIGHT NOW. State briefly, as "Farmer," "Miner," "Student," "Laborer on farm, in rolling mill, in automobile, wagon, or other factory," "Mechanic in automobile factory," etc. If you hold an office under State or Federal government, name the office you hold. If you are in one of the following offices or employments, use one of the names hereafter mentioned:

"Customhouse clerk," "employed in the transmission of mails," or "employed in an army, arsenal, or navy yard," "mariner, actually employed in the sea service of citizen or merchant within the United States."

8. By whom employed? Where employed?

If you are working for an individual, firm, corporation or association, state its name. If in business, trade, profession, or employment for yourself, so state. If you are an officer of the state or federal government, say whether your office is under the United States, the State, the County or

10,000 LAST WEEK FOR A. & M.; \$30,000 YET NEEDED

Other Towns Smaller Than Plainview Have Completed Subscription Lists to Cover Costs.

The A. & M. Campaign Committee reports that \$70,000 has been subscribed to date. \$10,000 of this amount was subscribed last week. The campaign closes Saturday night, May 26th. Unless the additional \$30,000 is subscribed by that time, Plainview and Hale County will have lost an opportunity that will never come again.

The way in which the people of Hale County think and act toward this proposition in the next four days may determine whether this great enterprise is to be located in Hale County.

Floydada, Crosbyton, Rails, Lubbock and Amarillo have already raised the required bonus for the West Texas A. & M.

\$100,000 is a small amount compared to the assets an agricultural and mechanical college will bring to this section. One prominent business man of this city, having given liberally to the movement and feeling a bit dependent over the slow progress of the campaign, remarked: "It is a poor state of affairs when the State of Texas sees fit to auction off to the highest bidder an educational institution." This view, which, unfortunately, is the view of a number of aggressive men, is erroneous. It is the spirit of the community which the State is testing. The State of Texas is not soliciting subscriptions with which to build her institution of learning; but she is making an effort to locate them where they are wanted and where they will receive the greatest co-operation from the people,—and there is no better way of finding out how much the people want an institution than by seeing how much they are willing to put into one.

Our legislators thought that if the people wanted the A. & M. College enough to pay for it, and sacrifice for it in order to secure it, that they would create the proper community spirit for the A. & M. after it becomes a reality.

We have the location, we have the climate and the soil and undeveloped resources. The committee feels practically certain that if the amount is raised, the enterprise will be ours. If you have not seen the Committee, do so at once and "Get in on the A. & M. Fund." Subscriptions are not due till September. Subscribe liberally and trust it to the Lord to help you raise the amount by September. But "GET IN ON THE A. & M. FUND" NOW.

the municipality. In answer to the question as to where you are employed, give the town, county, and State where you work.

9. Have you a father, mother, wife, child under 12, or a sister or brother under 12 solely dependent upon you for support (specify which)?

Consider your answer thoughtfully. If it is true that there is another mouth than your own which you alone have a duty to feed, do not let your military ardor interfere with the wish of the nation to reduce war's misery to a minimum. On the other hand, unless the person you have in mind is solely dependent upon you do not hide behind petticoats or children.

10. Married or single (which)? Race (specify which)?

This does not ask whether you were once married, but whether you are married now. In answer to the question as to your race, state briefly whether "Caucasian," "Mongolian," "Negro," "Malayan," or "Indian."

11. What military service have you had? Rank? Branch? Years? Nation or State?

No matter what country you have served, you must give complete information. In answering these questions, first name your rank, using one of the following words: "Commissioned officer," "Private." Next state branch in which you served in one of the following words: "Infantry," "Cavalry," "Artillery," "Medical," "Signal," "Aviation," "Supply," "Marine," "Navy." Next, state the number of years service, not counting time spent in the Reserve. Finally, name the Nation or State you served. If you served in the United States or one of the states of the United States, name your service in one of the following terms: "National Guard (of such and such a state)," "Militia (of such and such a State)," "Volunteers (of such and such a State)," or "Regular Army (Navy) of the United States."

The following young men and women graduated:

John Boswell, president of the class; Lucille Bryan, secretary-treasurer; Hester Jordan, vice-president and salutatorian; Helen Barnett, Mabel Bohner, Birdie Bryan, Ada Clark, valedictorian, Ruth Dillingham, Minnie Finch, Noema Harris, Ruth Harrison, Mamie Hill, Lorna Hutchinson, Meryle Marrs, Thelma McLean, Edith McCall, Esther Mitchell, Jessie Ozden, Ardella Stoneker, Lillian Stoneker, Beulah Jackson, Beth Pool, Mary Lee Nichols, Laura Hagood, Frank Buchannan, Leo Ebeling, Erwin Kerr, Hugh Tull, Elmer Dement.

Scholarships to College of Industrial Arts and to Southern Methodist University were awarded to Miss Ada Clark, she being the young lady who attained the highest class rank. Free scholarships to State University and to Baylor were awarded to Frank Buchannan, he having attained the highest grade of the boys.

The exercises Monday night closed the school year of 1916-1917. In many respects the year has been the most successful in the history of the Plainview schools. One of the features of the success of this year's work was the splendid discipline inaugurated in the beginning of the year's work by Supt. J. W. Campbell.

In addition to other accomplishments this year saw the adaption of the department system which has placed the Plainview schools on the highest level of proficiency with the best schools of the state.

12. Do you claim exemption from draft? Specify grounds.

Because you claim exemption from draft, it by no means follows that you are exempt. For the information of the War Department you should make a claim now if you intend to prosecute it. Some persons will be exempted on account of their occupations or offices, some on account of the fact that they have relatives dependent upon them for support. Your answer touching these things will be important in supporting the claim you now intend to make in your answer to the present questions. Be sure, therefore, that the grounds you now state are in conformity with your answers to questions 7 and 8. In stating grounds you claim as exempting you use one of the following terms: If you claim to be an executive, legislative, or judicial officer of the State or Nation, name your office and say whether it is an office of the State or Nation. If you claim to be a member of a religious sect which creed forbids its members to participate in war, in any form, simply name the sect. If you are employed in the transmission of the United States mails or as an artificer or workman in an army, arsenal, or Navy Yard of the United States, so state. If you are a felon, or otherwise morally deficient and desire to claim exemption on that ground, state your ground briefly. If you claim physical disability state that briefly. If you claim exemption on any other ground, state your ground briefly.

After registration a registration certificate will be furnished. This certificate must be carried on the person and subject to the demand of any military or civil officer.

Underwood Back From Bankers Meet Reports Prosperity

R. A. Underwood, cashier of the Citizens National Bank arrived Saturday morning from El Paso, where he has been attending the Banker's Association which was in session there last week. Mr. Underwood reports that despite the fact that El Paso is not easy of access, the attendance passed the one thousand mark.

In spite of the disturbed business conditions of the state, Mr. Underwood said that there was a general note of prosperity sounded by the delegates from all sections. According to the reports of the delegates there is and has been more money on deposit in Texas banks for the past six months than ever before in the history of the State. Among other proposed legislation was a resolution adopted, asking congress to make train robbery a violation of the Federal law.

Mr. Underwood spoke in high terms of the royal entertainment accorded the delegates by the City of El Paso. Among the many pleasant features of their stay was a trip to old Juarez, Mexico, where they were received by the Mexican Consul, Señor Eduardo Soriano.

Chautauqua Tent Located on Lots Near Baptist Church

B. Hughes, representing the Rejpath-Horner Chautauquas, is here today making final arrangements for the opening of the big event on Saturday. Mr. Hughes will remain here until after the opening day in charge of the erection of the big tent and other details of the Chautauqua.

The tent this year will be located on the five lots across the street from the Baptist church, just back of the city hall. The tent crew and tent will be here Friday morning ready for erection.

Tickets are selling fast this week and it behooves all of those who expect to purchase season tickets to get them from the committee or the drug stores as the price will positively be \$3.00 at the gate instead of \$2.50 before the gate sale opens. The number of students' and children's tickets are running low and these will be withdrawn from sale as soon as the tickets now on hand are exhausted.

T. L. & D. Co. Buys 56 Herefords To Start Big Herd

The high prices which have recently been obtained for cattle of all kinds is proving of interest to the officers of the Texas Land & Development Co. As a first of a series of purchases, fifty-four head of Hereford cows, most of them with calves, were bought last week from A. J. Smith of Floyd County. The purchase price was \$90 a head.

All of these cows and calves are subject to registry and the later purchases will be of the same high standard. Added to the herd are two registered bulls bought from John Gist.

These few cattle will form the nucleus for a big herd which will be kept on one of the company's dry farms seven miles north of Plainview. J. F. Watson is temporarily in charge of the operations on this farm.

Kruger to Have Charge of Cows for Syndicate Experiment

A shipment of twenty-three pure bred Holstein cows, and a registered Holstein bull arrived Friday for the T. L. & D. Co. P. E. Barber, the agricultural demonstrator for the company, who went to Las Cruces, New Mexico, to ship the cattle returned Monday.

This herd will be in charge of A. M. Kruger. They will be used in conducting a commercial experiment to determine whether the company will raise dairy cattle in an extensive way. Tests will be made and records kept of each cow.

About fifty acres of Pioneer Park Farm will be set aside for the herd, barns and sheds will be built, an engine and separator installed, and other needed equipment added. The butter fat will be sold and the milk fed to pigs.

This shipment cost the company \$3,000. They were originally imported into New Mexico from Iowa by Mr. Barber, who has repurchased them for the T. L. & D. Company.

BRAZIL, MEXICO, SWEDEN BRISTLE AT GERMANY

ATTEMPT TO ASSINATE RUSSIAN WAR MINISTER CHARGED TO OLD REGIME.

ALLIES GAIN ON WEST FRONT

Thirty Members of Laborers and Farmers Union Beg to Turn States Evidence; Wanted To Resign.

(Special to the Herald.)

Fort Worth, Texas, May 22.—An attempt was made this morning to assassinate the Russian War Minister Kerensky. The attempt failed. The plot is considered to have been formed by members of the old Russian regime.

The President of Brazil asked the Brazilian Congress in session today to nullify the neutrality existing between Germany and the United States of Brazil.

Mexico has formally entered a protest against Germany's submarine campaign. It was stated yesterday that Mexico was about to make some move but news dispatches were undecided whether the move would be in favor of Germany or opposed.

Sweden is unusually bitter over the sinking of three grain ships by submarines.

About thirty members of the Laborers and Farmers Co-Operative Association at Goree, Texas, have turned over to the government literature of their organization and have offered to turn states evidence. These members insist that they tried to resign from the organization but were not permitted to do so.

Reports from all along the western front indicate gains for all the allies. There is a rumor of a German war-tor off the coast of Maine.

DR. ROBINSON DELIVERS SERMON TO 1917 CLASS

SPEAKER STATED THAT THE MOST NEEDED THING IN PLAINVIEW WAS CO-OPERATION.

The commence sermon for the 1917 class of the Plainview High School was delivered Sunday morning by Dr. E. E. Robinson, Pastor of the Plainview Methodist Church. The exercises were held in the new auditorium of the Presbyterian Church. The following program was rendered:

Prelude.

Processional March, the choir singing "Onward Christian Soldiers."

Doxology.

Invocation—Rev. Hagemer.

The Gloria, sung by the choir.

"Holy, Holy, Holy," sung by the congregation.

Reading of the scriptures, by Dr. I. E. Gates.

Anthem—"Crown Him Lord of All." Soloists, Messrs. Todd, Cousineau and Hutchings.

Offering.

Quartette—"Just for Today." Sung by Mesdames Doland and Wilson and Messrs. Hutchings and Henderson.

Sermon by Dr. Robinson. Subject—"Launch Out Into the Deep."

Anthem—Mesdames Wilson and Doland, soloists.

Recessional, "The Son of God Goes Forth to War."

His subject was: "Launch Out Into the Deep." The speaker said the text taught four lessons which constituted the outline of his sermon: Obedience, Co-Operation, Self-Revelation, Self-Mission. Obedience on the part of Peter caused him to launch his net out into the deep in obedience to the command of the Savior. It took co-operation on the part of all to lift the net from the water. The speaker took occasion to say that one thing more than anything else needed in Plainview was co-operation.

This fish act revealed Peter to himself and that self-revelation was taught by action. The final charge of the Master to Peter was that he should become a fisherman of men. This was the lesson of self-mission.

Among the other good advice given to the class was a warning against self-opinionation. The speaker said "I have known high school graduates who had enough brass to run a bell factory, I have seen high school boys and girls with enough brass to startle an insurance agent, or to run a street carnival."

A graceful admission

SINCE the perfect eye is one among many thousands, to admit imperfection is a common sense thing to do. It is more sensible to acknowledge it gracefully by wearing becoming, comfortable glasses, than by frowns and squinting. The puckered, wrinkled forehead is unpleasant to observe. Doing that mars one's features permanently, and injuries, instead of helps, vision. Properly fitted glasses improve and protect vision and good looks. Don't frown. Consult Peterson's about glasses.

FLOWERS FOR THE LIVING.

Do not keep the alabaster boxes of your love and tenderness sealed up until your friends are dead. Fill their lives with sweetness. Speak approving, cheering words while their ears can hear them, and while their hearts can be thrilled and made happier by them; the kind things you mean to say when they go, say before they go. The flowers you mean to send for the coffins, send to brighten and sweeten their homes before they leave them.

If my friends have alabaster boxes laid away, full of fragrant perfumes of sympathy and affection, which they intend to break over my dead body, I would rather they would bring them out in my weary and troubled hours, and open them, that I may be cheered and refreshed by them while I live and need them. I would rather have a plain coffin without a flower, a funeral without an eulogy, than a life without the sweetness of love and sympathy. Let us learn to anoint our friends before hand for the burial. Post mortem kindness does not cheer the troubled spirit. Flowers on the coffin cast no fragrance back over life's weary way.

LIFT YOUR CORNS OFF WITH FINGERS.

Tells How to Loosen a Tender Corn or Callus So It Lifts Out Without Pain.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn or callus the soreness is relieved and soon the entire corn or callus, root and all, lifts off with the fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callus without inflaming or even irritating the surrounding tissue or skin. A small bottle of freezone will cost

very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callus. If your druggist hasn't any freezone, he can get it at any wholesale drug house for you.—Adv.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts Your Liver Without Making You Sick and Can Not Salivate.

You're bilious, sluggish, constipated and everybody's druggist—has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

Cold Days Require Coal. Why is it that some folks always delay their coal buying and the installing of their stoves until the last minute when every member of the family has run the risk of serious cold or pneumonia and until all of the coal and stove dealers are so busy they cannot give the best service? Surely the wise man will not be caught in a blizzard with his coal supply not yet laid in. We have the supply of coal, we have the prompt service, and the prices are lower now than they will be when winter gets here. Isn't it good health insurance, isn't it good business, isn't it the sensible thing to do to place your order now? Just phone us at 162 and we will do the rest. ALLEN & BONNER
