ADMINISTRATION DEMOCRATS MEET AND ORGANIZE

ORGANIZATION FOR COUNTY PERFECTED—URGE VOTERS ATTEND CONVENTIONS

A meeting of administration democrats of Hale county was held at the court house yesterday afternoon, for the purpose of organizing the get every democratic voter in the county to attend the presidential precinct conventions to be held on Saturday, May 1st, which will elect delegates to the county convention, to be held in Plainview May 15, which will elect delegates to the state convention, which will elect delegates to the national democratic convention.

The county court room was comfortably filled with people, a few women being present.

Peyton B. Randolph, chairman of the campaign committee for Hale county, presided, and Guy Scott of Hale Center was elected secretary.

The editor of the News read the resolutions which are published below, and the Representative T. J. ... W. W. Kirk, Guy Scott, Mr. Griffith of Hale Center and others spoke in favor of the resolutions, and they were unanimously adopted as the sense of the meeting.

The permanent campaign committee for Hale county was selected as follows: P. B. Randolph, chairman; J. M. Adams, secretary; Elmer F. Sansom, treasurer; C. S. Williams, Guy Scott, W. W. Kirk and two other members to be selected, executive committee.

A committee chairman is to be appointed for each precinct and he is to appoint a woman vice chairman, to look after the organization in each voting precinct, and circulate petitions pledging voters to attend the precinct conventions May 1. So far the following have been appointed, and the others will be appointed in a few days: J. J. Barton, Bartonite; R. L. Hooper, Halfway; Guy Scott, Hale Center; J. A. Line, Happy Union; W. W. Kirk, Plainview.

The meeting was quite an enthusiastic one.

Whereas, the Democratic party under the leadership of that incomparable Statesman and Patriot, Woodrow Wilson, has given to the Nation two of the wisest, most progressive and most beneficial administrations in fifty years, and has placed upon the Statutes books, of the nation more wholesome, progressive and constructive laws than any other administration. Among them is currency reform and the establishment of the Federal Reserve banking system, which renders financial panics practically impossible, the Federal Farm Loan Bank and rural credit system; Tariff reform and Tariff commission; the establishment of the first income law, which taxed wealth that formerly escaped taxation; one of the greatest merchants marines that ever made the oceans; Direct election of the United States Senators by the people; conducted the nation triumphantly and gloriously through the greatest world war ever recorded in history, and brought about an epoch of prosperity unparalleled in the annals of the world. These being only a few of the great and glorious achievements of the Wilson Administration.

Therefore Resolved; That we, the Democrats of Hale County, in mass meeting assembled, do heartily and enthusiastically endorse the Democratic administrations under Woodrow Wilson and pledge ourselves to the support of a delegation to the San Francisco Convention that will vote for and do all in their power to secure the endorsement of the Democratic administration under Woodrow Wilson.

Resolved 2nd; That we view with deep mortification and regret that some men claiming to be Democrats and professing allegiance to the Democratic party, but who are, in reality, allies of the Republican party, or are seeking dis-memberment and division of the Democratic party, among whom are Edward J. Edwards of New Jersey and Joseph Weldon Bailey of Texas, and who are in fact in the service and as we believe, in the employ of the great whiskey and brewing interests of the Nation, and are seeking to overthrow the achievements of the great moral and progressive elements of the Nation, by seeking the repeal of the Prohibition amendment, or rendering it inoperative by adverse laws and legislation.

STUBBS AND PERKINS ESTABLISHING MEN'S STORE

Putting New Stock of Shoes and Furnishings in the Citizens National Bank Building

Messrs. C. C. Stubbs and A. C. Perkins returned Thursday from St. Louis and other northern markets, where they bought a stock of men's furnishings and shoes for men, women and children, which they will open in in the Citizens National Bank building.

The store will be one of the most modern on the Plains, and the proprietors are experienced merchants in this class of goods.

While in St. Louis Mr. Stubbs took a course in orthodoxy, and made the second highest score ever made by any pupil under the instruction of Dr. A. E. Block, the famous foot specialist. Hence, Mr. Stubbs is well qualified to properly fit shoes to people's feet.

The new store expects to open for business about April 15th.

Elks Will Play Base Ball for H. S. Piano Fund

The Elks will pull off a base ball game at the Lamar school grounds next Tuesday afternoon, April 13, for the benefit of the high school piano fund. Dr. C. D. Wofford is low cock-a-hiram of the game, and is getting together a couple of teams that will play "some ball." The public is urged to attend the game, and help a good cause.

The Parent-Teachers' association has raised about \$1,000 with which to buy a piano, and have ordered it. It is a Chickering grand concert piano, and costs \$1,355, plus the freight, which will make the total about \$1,400, which is considerably under the regular price, as a special discount is given to schools. It is one of the best pianos made. This leaves about \$400 to be raised, and it is hoped to make a large part of this sum at the base ball game.

Roy L. Lang Dead
Roy, the seven-year-old son of Mr. and Mrs. R. C. Lang of near Kress, died at the family home yesterday afternoon about 5 o'clock, of pneumonia. Burial will take place in Kress cemetery this afternoon, with Undertaker Garner in charge.

The Lang family has the sympathy of their many friends in their hour of bereavement.

Soldier and Globe-Trotter Here
Major G. Cecil Boulter, former soldier in the British army, adventurer, globe-trotter, lecturer and publicist, is here for a few days, taking orders for a set of books he is promoting. He has been a soldier in seven wars, and has been in every country in the world except Alaska, so he said to the editor of the News this morning.

He is a very interesting character.

Buy Re-Treading Business
Messrs. C. H. Buttolph and A. L. Creswell have bought the South Plains Re-Treading and Re-Tiring Co. from Mr. White, who has left town, and they will continue the business in the building just across the street west of the city hall.

Garner Buys Hebert Place
Marvin Garner has bought the Hebert residence property on West 7th street, just this side of Wayland college, from the Hebert family, and he and his family have moved to it.

Hawaiian Troupe Here
A troupe of Hawaiians and Filipino musicians are holding forth at the Mae I theatre this week.

W. H. Boulter of the Stoneback community was in to see us Monday. He reported that some of the material for the new school house to be built there has been put on the ground, and as soon as the present term of school closes work will begin, and part of the old building will be used in the construction of the new one. Miss Inez, daughter of Mr. Boulter, has been teaching the school for the past two years, and has been elected to teach in the Hale Center school next year.

...tion amendment, or rendering it inoperative by adverse laws and legislation.

NEW CITY CHARTER IS ADOPTED; CHAS. F. VINCENT RE-ELECTED MAYOR

Board of City Development and Auto Tax Carry--Wilson Elected Marshal and Saigling Secretary.

The most interesting city election ever held in Plainview took place today, and the largest vote, 555, was polled.

The new city charter was ratified by an overwhelming vote, the Board of City Development section was adopted by 100 majority, the auto tax section pulled through by 9 votes, Chas. F. Vincent was re-elected mayor, Chas. Wilson was elected city marshal, Geo. Saigling re-elected city secretary, and Aldermen E. H. Humphreys, J. M. Waller and J. M. Malone were re-elected.

The vote was as follows:
For the charter 357
Against the charter 100
For Board of City Development. 274

JUNIOR CHAMBER COMMERCE WILL HOLD ROUSING MEETING

WILL PLAN FOR TRADE EXCURSION OVER THE PLAINS SOON

The Junior Chamber of Commerce did not meet last night as the city hall was occupied with a meeting of the city council. But next Monday night there will be a jam-up big meeting of the Chamber, and a special program of speeches that will enthuse a wooden Indian, so says Secretary C. V. Smith.

A campaign is to be made to get a large number of new members, and they will be taken into the body at that time.

The matter of a trade excursion will be taken up and the date set and committees appointed to put it thru. Let every member and other citizen who has had the town's interests at heart be present.

Goodwin Sells to Eastland Party
J. C. Goodwin has sold his dairy and farm west of Plainview to Spencer Bros. of Cisco, prominent oil men. One of the Spencers expect to move on it and make it his family home. The Spencers have bought many thousand acres of land in Hale county the past year, and are now possibly the largest realty dealers in the county. Perry & Cram engineered the deal.

France and Germany May War
France and Germany are both ending troops into the Ruhr coal mining district in Germany, where Germany is seeking to put down an insurrection of workmen. It may lead to war. The United States, England and Italy have taken sides against France.

Otto Buys Hawley Farms
R. W. Otto has bought the farms of H. H. Hawley of Dallas, which include one thousand acres of land, and are north of Plainview in Liberty school community. C. P. Siepp has farmed the land for several years.

R. F. Baylies left this morning for his ranch near Evanston, in Southwestern Wyoming. He will return to Plainview in June. His wife is at Berkeley, Calif., where their daughter is in the State University. She has been elected one of the editors of the university daily paper.

HALE CENTER
April 2—The Needlework club will meet with Mrs. Arthur Jones Wednesday afternoon.

Mrs. G. H. Bryant and little son, John Cannon, are visiting her daughters, who are in school at Clarendon.

The school board met Monday night and elected the following teachers for the next term: G. W. Sears, Supt., and Miss Hallie Wilkins of Partonsite, and Miss Inez Boulter of Stoneback community, grade teachers.—Record.

FIRE DESTROYS \$1,000 WORTH OF FEED

W. L. Slagle of Near Runningwater Loses Barn, Sheds, Grain and Feedstuffs

Friday afternoon at 3 o'clock W. L. Slagle, who lives on Runningwater west of Plainview, lost his barn, sheds, harness and all his grain and feedstuffs by fire.

The wind was blowing from the residence, or that too would have been destroyed.

Mr. Slagle estimates his loss at \$1,000, with no insurance, and it is a great calamity to him.

Tulia People Buy Garage
Messrs. Ashur and McKee from Tulia have bought the Postoffice garage from Roy Lipscomb, and will continue the business. Mr. Lipscomb and family will move to Madison, Neb., where he and his brother, Robert, will take the agency for the Maxwell cars and Cleveland tractors.

Spring Clean-Up Would Reduce Fire Hazzards

City Fire Marshal F. J. Cousineau is very anxious that this city be thoroughly cleaned before another fire occurs. The report of State Fire Marshal English on the Grandview conflagration shows that fire to have been started by defective electric wiring and to have been spread by shingle roofs. There are many instances of defective wiring in this city and many shingle roofs. There is no telling when the fire demon shall turn this way, and it is better to prepare carefully and be ready to fight the fire before the match is struck.

A clean city is less likely to catch fire and the fire, once caught, is more easily extinguished in a clean city than in one where rubbish and old boxes and barrels are allowed to litter the back yards and alleys.

A spring clean-up campaign is a necessity both from the standpoint of fire prevention and from the standpoint of health, and City Fire Marshal F. J. Cousineau is going to ask the people of this city to cooperate with him in every way to prevent the recurrence here of a fire such as that which destroyed Paris and Grandview.

The clubwomen of other Texas cities are now taking up the matter of fire prevention and it is believed the city fire marshal will have full co-operation from the clubwomen of this city in the present campaign. Women are the heaviest losers by fire, 65 per cent of all Texas fires being those in dwelling houses, and women have proved that they can "fight fires before the match is struck" to such good advantage as to materially reduce the fire loss. An added reason for women lending their aid in fire prevention is that two children and one grown woman are burned to death in Texas every week. All of these deaths are 80 per cent of the fire loss is due to carelessness.

G. E. LOCKE GETS BARN AND FEED BURNED

Feed Worth \$1,500 Destroyed Besides Large Barn—Spark from Flue

C. E. Locke, who lives at Runningwater, had his barn and entire stock of feedstuffs burned Saturday afternoon, while the wind storm was at its height. It is thought that a spark from the residence stove flue caused the fire.

He had about \$1,500 worth of feed consumed, not enough being left to feed his horses at night. The barn was one of the largest ones in that section of the county.

A committee of neighbors was in town yesterday raising a fund to give to Mr. Locke.

The day before W. L. Slagle, who lives beyond Runningwater, lost his barn and feedstuffs by fire.

Judge and Mrs. H. C. Randolph left Sunday for Austin, where he has some business and they will also visit relatives. They will go from there to Fort Worth to visit their son, Leslie, who is a student in Texas Christian University. They will go from that place to Eureka Springs, Ark., to spend three weeks in the Ozarks.

UNPRECEDENTED COLD WEATHER EASTER SUNDAY

THERMOMETER WENT TO 15 ABOVE—FROST EXTENDS TO THE RIO GRANDE

An unprecedented Easter cold snap swept over the entire United States Saturday night and Sunday. Here in Plainview Sunday morning the thermometer stood at 15 degrees above zero, which Weather Observer Klingler tells us is unprecedented for this late in the spring. Last year the last killing frost was April 9th, and the thermometer was only down to 27 above.

The frost extended to the Rio Grande river, and killed much early vegetation in every section of the state. Here the peaches, plums and early garden truck was mostly killed. D. C. Aylesworth of Plainview Nursery tells us that he thinks some of the cherries and the apples are still alright.

Monday morning the thermometer was at 25 degrees.

The cold wave followed a straight wind and dust storm which blew from the west almost all Saturday, late in the afternoon turning to the north.

At Amarillo and north of there was snow, and all over Kansas and other western states it was very deep and blocked railroad traffic. In the Eastern states there were unprecedented floods of rain.

The Ohio and Mississippi rivers are now on their annual spring rampages from melting of winter snows and are doing damage, though the levees are holding out alright.

Today is almost as warm as summer, and the thermometer is up above 80 degrees.

96,303 Women Can Vote

According to a list of poll tax payments in the various counties of the state, it is shown that 83,742 women paid poll tax and 12,561 had exemption certificates issued to them—making a total of 96,303 qualified women voters, who can take part in the presidential precinct primary conventions to be held May 1, and the regular primaries of July. It is safe to say that practically everyone of them will vote—and against Joe Bailey and his crowd.

The total number of qualified male voters is 711,281.

Interest in Fort Worth Theatre
Dye, Ford and Rogers, the firm owning the Olympic and Mae I theatres in Plainview, are among the largest stockholders in the new \$325,000 Pantegas Theatre which is to be erected soon in Fort Worth. One of these men will probably manage the Fort Worth play house. Other men interested in the theatre are Alexander Pantegas of Los Angeles and Schanfield and Sweet of Minneapolis.

Prices of Tires to Advance

Automobile tires are expected to be another advance in price before summer, and tubes will advance in several weeks, is the prediction of local tire dealers.

Gas has gone up to 31c a gallon, and many accessories have been advanced in price recently, so a lot of the joy is taken out of joyriding.

Purchases Nolan County Ranch

Fort Worth, April 2.—E. P. Rudd of near Plainview today purchased the R. H. Fitzgerald ranch at Maryneal in Nolan county, of which Sweetwater is the county seat. The area purchased is eight sections and the price paid was \$12 per acre, totaling \$61,440.

Blew Phillips' Silo Down

The wind Saturday was very strong especially in the Runningwater section. G. L. Phillips had a silo blown down and the windows blown out of his residence.

A number of windmills and out-houses in that community were also wrecked.

Canyon Normal Orchestra Coming

The Canyon Normal Orchestra will leave this week for a tour of the Plains towns, giving concerts. Plainview is one of the towns to be visited.

New Band is Rehearsing

The new Junior Chamber of Commerce band is now rehearsing, and will soon be able to give concerts.

Dr. Copeland and sons of Ralls were in town Saturday.

Don't fail to vote for the special road tax next Saturday.

The issue in Texas is—shall the white standard of President Wilson or the black standard of "Coal Oil Joe" Bailey triumph?

On account of the high cost of clothing "overall clubs" are being organized in many towns down in the state, the members pledging themselves to wear overalls until clothing prices are reduced to a proper level. The movement may become nationwide. It may succeed—unless the overall manufacturers raise their prices to a prohibitive figure.

An official statement from the treasury department of Mexico announced that Mexico will soon resume payment of interest on its external debt and will also carry out the project for the establishment of the Bank of the Republic. Is Mexico coming back to peace and prosperity? We hope so, for it is a treasure house of natural resources that need developing to become a blessing to mankind.

Prosperity is surely coming to the editor of the News these days. Last week he received a 50 per cent dividend in one of his oil well and refinery companies down in the state—payable in stock—and the lithographed certificate sent is one of the prettiest we have yet seen. However, a 10 per cent cash dividend would have been more acceptable.

Cooke county is the home of the former senator, Bailey. Gainesville is the capital of Cooke county. Gainesville has two ably edited newspapers—the Register and the Hesperian. The verdict of the Hesperian is that the Wilson democrats will carry the precinct convention, Saturday, May 1. The verdict of the Register is that the former senator "who praises only the dead" will not be overthrown in his old home town.

An oil gusher has been struck in Wilbarger county, near Vernon, and things are surely livening up in that town. Property values are skyrocketing, hundreds of new people are coming in and the Record is to begin the publication of an afternoon daily with leased wire service. The main stockholder and publisher of the Record is B. O. Brown, formerly in the newspaper business in Plainview. He is one of the best newspapermen in Texas. We are glad to see him prospering.

IN A MINOR STRAIN

Every man is a natural born arbitrator when he figures that he can't lick the other fellow.

Every five or ten minutes these days you can run into a brainless idiot who could not run a peanut stand, but who insists on telling you how much better he could run the government that the man who is running it now.

A Lockney man says drinking "near-beer" is like having your girl throw you a kiss. The sentiment is alright, but the thrill isn't there.

Foster's Weather Bulletin

Washington, April 3.—Warm waves will reach Vancouver about April 6, 11, 16 and 21 and temperatures will rise on all the Pacific slope. They will cross crest of Rockies by close of April 7, 12, 17 and 22; plains sections April 8, 13, 18 and 23; meridian 90, upper Great Lakes, lower Mississippi Valleys, Ohio-Tennessee Valleys on April 9, 14, 19 and 23; eastern sections April 10, 15, 20, and 25, reaching vicinity of New Foundland about April 11, 16, 21 and 26. Storm waves will follow about one day behind warm waves, cool waves about one day behind storm waves.

These four principal disturbances will dominate the weather of North America from near April 6 to 26. Most severe storms and most precipitation of April are expected during the five days centering on April 9 and 21. These are not expected to be very great storms. Probably the most important feature of the month will be the frosts expected during the five days centering on April 27.

Local Church News

Church of Christ Pays Off all Indebtedness—Will Have Pastor
 The Church of Christ has raised money to pay off all its church indebtedness and is planning to get a good preacher to locate here this fall.

They have secured Elder Horace Busby of Fort Worth, to hold a meeting here to begin Friday night before the third Sunday in June. He is said to be one of the best evangelists in the South. A very fine speaker, with lots of pep, pleasant and forceful in his arguments. A real gospel preacher.

This meeting will be held under a large tent on the lots just east of the Baptist church.

J. W. Acuff of Waco, one of the most noted singers and music writers we have, will have charge of the song service during the meeting and will conduct a training or chorus class free to everybody, about 10 days in advance of the meeting.

Mr. Acuff has been connected with the Trio Music Co., of Waco, for many years.

Easter Services in Plainview
 Nearly all of the local churches had special programs for Easter, and most of them were decorated with flowers.

There were very elaborate programs of music and special sermons at the Methodist and Baptist churches; there was a special sermon at the Nazarene church, the Knights Templar held their annual service at the Presbyterian church. The choir of the First Christian church had prepared a special program, but as Rev. M. L. Dickey of Claude was unable to occupy the pulpit the service was not held.

Ladies were out in their new spring clothes.

New Christian Pastor Coming May 1st

Rev. M. L. Dickey, who has been called as pastor of the First Christian church will not be able to begin his work here until May 1st, when he and his family will move to Plainview from Claude.

Mennonite Minister Preaches At the Court House

Rev. Clayton F. Derstine of Eureka, Ill., Mennonite evangelist, who has been holding a meeting at the Snyder school house, south of town, the past ten days, delivered a lecture at the court house yesterday afternoon to a good-sized congregation. He is a very able speaker, and those who heard him were well paid for their time.

He closed his meeting at Snyder last night.

Knights Templar Hold Easter Service

Sunday morning the Knights Templar held their annual Easter service at the Presbyterian church. Fifteen Knights marched to the church in their uniforms and had seats in front, taking part in the service.

There was a special musical program by the choir, with Miss McCurdy as pianist, and the high school orchestra also played.

Miss Flora Meadows and Mr. Matt Cram sang solos and Prof. R. M. Crabb gave a violin selection.

Prof. J. E. Willis, as prelate of the K. T. Commandery, led the service and delivered an address, telling of the history and principles of the order, which was established by Christian warriors in the wars of the Crusades against the Moslems for the possession of Jerusalem and the Holy Sepulcher, nearly 1,000 years ago.

Preached First Sermon

Harry Gromer of Tullia ministerial student in Wayland college, preached his first sermon in the Tullia Baptist church Sunday.

Farmers Should Set Prices To the News

"A Farmers Wife" in a recent issue, pictures farm life problems but vaguely to what the next generation will face unless the farmers "call a halt."

He has been the "moss back", the "hay seed", in fact the goat for all to ride until they all have saddles on (for the riders' convenience.)

The farmer is the only working class that is dictated to about his labor, his products, etc. The only class that does not figure cost of production, depreciation, labor, etc., and demand a profit. He takes his produce to town and in a half-hearted way asks "what will you pay?" instead of saying to the merchant "what you will pay!" If a farmer hires a hand it is \$5.00 per day and board "or I won't work," alright! The farmer should add that to the cost of production and demand his 10 per cent profit and if every American farmer would do it for two years the whole world would be on its knees at his feet.

The farmer is the only class that holds the reins, to demand his rights, and if he prefers to remain a jelly-fish and keep his nose to the grindstone he should not complain but go on in slavery for the balance of time.

I, too, am a farmer's wife and know our friend "Farmers Wife" quotes us facts but lets look for the reason since every effect is preceded by a cause.

It is time the American farmers were waking up.

Store Talk

This windy weather is mighty hard on baby chicks at best. Unless they are being properly fed and housed there is danger of losing many of them. Poultry is too high to waste it in the wholesale loss of baby chicks. The best preventative is proper feeding. Purina Chick Feed is a balanced ration that will keep your chicks healthy and growing. We have the full line of Purina Feeds.

With the grass becoming green the cows should show an increase in the amount of butter fat in their milk. This butter fat is what we are after in any quantities that you can supply it—big or little. We test your cream promptly and give you your check without a long wait. Bring us all the cream you can get as often as you can get it to us.

Get ready for bumper crops this year—a big rain is due and the ground is in fine shape. Prices of feed stuffs will be high again this year and it behooves you to make two blades of grass grow where one grew before. The best plan is to buy re-cleaned seeds that have been acclimated and we are in position to furnish your needs in such field grain seeds.

That cold spell last week was probably the last blast of winter. Some say that it killed most of the fruit. We do believe, however, that it was the last attempt as a come-back of winter and that spring has opened with Easter. Then comes the garden planting—some have already started it. We want to sell you the seeds for your garden. We have them and they are the kind "that get up and grow."

We've changed that window at the Plainview Produce Co. store to give you a better display of the fruits and vegetables we will offer. We have a nice assortment of these brought from New Mexico and South Texas markets. You will probably find in this showing just what you have been wanting.

It's a little early for lunch goods but just the same when you are going on a car trip you often find it inconvenient to get to a place in time for dinner, or to have to wait until dinner is served. You will find the solution in our assortment of quality lunch goods that will afford you a most pleasant meal without a wait.

BETTER POULTRY ON THE FARM Is a Necessary Part of the New Order of Things

The world needs more poultry and the farmer who keeps abreast of the times should not be lax in taking advantage of the enormous demand.

Poultry raising is pleasant and may be made of distinct profit to the farmer if he will follow strictly the three following essentials to profitable poultry production:

- All operations must be put on a scientific basis, regarding care of poultry, housing facilities, etc.
- A careful study of the market demands as to quality and the high standard of excellence to be maintained.
- Observance of marketing problems, in order to make disposition to the very best advantage.

Good poultry is a safe investment. We urge you to increase your poultry supply and shall be glad to assist you if you will call upon us.

SOCIETY

Mrs. Randolph Entertains Sunday School Class
Mrs. H. C. Randolph entertained her Sunday school class, (the young ladies and young men), of the First Christian church, Friday night. The evening was enjoyably spent playing forty-two, and a delicious salad course was served.

Miss Mabel Sanderson Becomes Bride of Forrest Ansley
Friday morning at 10 o'clock, Miss Mabel Sanderson and Mr. Forrest Ansley were married at the home of the bride's mother, Mrs. J. M. Sanderson, in this city, relatives and a few friends being present.

The room of the house were nicely decorated, and prior to the ceremony Mrs. J. B. Wilson sang "Because I Love You."
Mrs. E. R. Williams played the wedding march, and Dr. Ernest E. Robinson tied the nuptial knot, using the ring ceremony.

The bride wore a dress of beaded pink Georgette, with black maline hat, black suede pumps, and carried pink roses.

After the ceremony the wedding party had luncheon at the Ware hotel, and later in the day left in a car for Amarillo, to visit the groom's parents, after which they will make their home on the Ansley ranch near Vega, west of Amarillo.

The bride is an amiable and cultured young lady, and was a graduate of the 1917 class of Plainview high school. The groom is the son of Mr. and Mrs. Ben Ansley and was raised in Plainview. He has been in the land and ranch business in and near Amarillo for several years.

Mrs. P. B. Randolph Hostess To C. W. B. M.

Mrs. Peyton B. Randolph was hostess yesterday afternoon to the C. W. B. M. of the First Christian church.

After a short business session she served a salad course.

The election of officers will take place at the May meeting.

Gassaway-Foster

At the residence of the groom's brother, Mr. W. H. Gassaway, at 4 o'clock p. m. April 4th, Mrs. James Porter Gassaway and Miss Ruby Eulena Foster were united in Mar-

On account of the high cost of clothing "overall clubs" are being organized in many towns down in the state, the members pledging themselves to wear overalls until clothing prices are reduced to a proper level. The movement may become nationwide. It may succeed—unless the overall manufacturers raise their prices to a prohibitive figure.

We are long on syrup. See us before you buy.—Cash Grocery Co.

Knohuizen & Boyd have added Mr. R. C. Nicholl to their sales force and it is predicted Bob will be one of the best insurance salesmen in the field within a very short time.

He has personally sold 110 policies in the Plainview Mutual No. 2 in the past six days and it is largely due to his efforts that we can announce that it will pay \$1,000.00 at the death of a member.

We are proud of this second circle as it represents a fine class of risks—everyone in good health and not over fifty years old. We will continue to build this circle to 2,000 members like the Original Plainview Mutual No. 1.

The Weather Prophet says Buy Tires Now!

One of these days Spring is going to open up. There will be a Sunday or a week-end warm and delightful and everybody will be motoring.

You know how it is on those early runs. You see more motorists held up by tire trouble in one day than you see in a week in June.

The old tires that have stood over the Winter, many of them without proper care, just go to pieces when heated up for the first time.

Of course you want to use up your old tires, so see that they are in the best possible condition, but see, too, that you have along a couple of dependable spares.

You are going to buy some new tires this Spring anyway; get them now and be ready. Don't put it off and go out the first warm day with the probability of blowouts and lots of trouble.

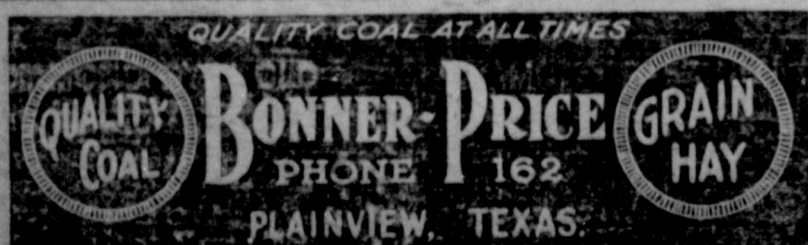

Let us look over your tires and tell you what to expect from them.

We have your size in new ones of these well-known makes.

McGlasson-Armstrong Rubber Co.

Our Tire Wagon is just as close to you as your Telephone

Get your tires now while you can get your size with no delay. Be ready and you will get more fun out of the first trip than out of any other.

Abernathy Has a Strong Bank
Abernathy has one of the strongest small banks on the Plains—the First State Bank. Its deposits at the last call amounted to \$255,000 which indicates that Abernathy people are well fixed financially. The bank is officered by able business men, who have the interests of the people and the community at heart, and they are progressive and are doing their full part in the development of the town and surrounding country.

Trade with Abernathy merchants. By so doing you help build up the town, and encourage the merchants to increase their lines of goods. If every person in this vicinity would buy everything they can in Abernathy it would not be long until there would be stores here as extensive as those in the larger towns on the Plains.

Everybody should boost Abernathy. A much larger town can be built here if the people will be progressive, encourage every enterprise and boost for all good things. We have as good land as there is on the Plains, and are just the right distance from Plainview and Lubbock to have a town of 1,000 or 1,500 people.

Fields Buys Half-Interest
J. M. Fields has bought a half-interest in the R. M. Hardesty dry goods store. The firm name will be hereafter Hardesty & Fields.

Splendid Opportunity for Abernathy
The Plainview News has added a new department which will be devoted to news of the Abernathy country. The Abernathy merchants are supporting the venture and crowding the department given over to their town with timely and attractive ads. Abernathy should be able to support a local newspaper but failing in that, the department in the News offers a splendid opportunity for giving the smaller town some publicity. The new department should be a success.—Southwest Plainsman, Amarillo.

HALE CENTER
April 5.—J. E. Cox and O. C. Sanders spent last week at Sweetwater Springs.

By 2:00 was a business caller in Plainview Thursday evening.

Miss Cole was a Plainview caller Friday evening.

C. R. Houston was greeting friends here Friday.

T. F. Mounts and wife spent Thursday in Plainview.

Mr. and Mrs. Roger Pinson are now "at home" in rooms in the Baptist parsonage.

The teachers of the lower grades gave their pupils a picnic and Easter egg hunt Friday. Needless to say the children enjoyed themselves.

Taylor Smith and Miss Tilla Akeson are assisting in the Goodlett & Cooley store. The dry goods department will soon be opened to the public.

There was an error in Friday's News. The Hale Center Presbyterian church has not been dedicated. The ceremony of dedication will take place Tuesday, April 13th at 7:00 p. m.

The sand storm and cold Saturday did a great deal of damage to fruit in their section.

About People You Know

Rev. J. F. Nix, who for most of the last three years has been pastor of the Baptist church of Texico, N. M., has accepted a call to become pastor of the Baptist church of Portales, N. M., and will move to this field at once. During the time he has been at Texico, the church has more than doubled and his work is recognized in the denomination of his state as a great success. Before going to Texico he was connected with Wayland college.

Ross D. Rogers of Amarillo, of the firm of Dye, Ford & Rogers, has been appointed Texas vice president of the National Picture Theatre Corporation of America, a large moving picture corporation. Mr. Rogers has been in New York attending a meeting of the corporation. Mr. Rogers used to live in Plainview and is the son-in-law of Mr. and Mrs. R. M. Peace.

Miss Lillian Earnest, employee of Barrier Bros. Dry Goods Co. of this city, who has been ill for several days at the home of her parents near Littlefield, was able to return home this week.—Lubbock Avalanche.

Ellis Wingo and Miss Ruby Michial of Estacado were married here Thursday by Judge L. J. Mathis and left immediately on a honeymoon tour in Central Texas.—Lorenzo Enterprise.

H. R. Miller of Cisco is here on business.

KRESS

April 1.—Mrs. P. J. E. Milton and daughter Allie, left the latter part of the week for Oklahoma, where they will spend the summer visiting relatives.

T. P. Rush, who is well known in Kress, after an absence of several years, was here the latter part of last week, visiting his brother, B. A. Rush, and also shaking hands with his many friends.

Miss Dorothy DeLong happened to an accident, while running at school a few days ago. She fell and sprained her ankle and has been unable to walk since.

E. H. Rudd, who has been away for some time on business and also visiting, returned Thursday. He is away again at this writing, being in Sweetwater looking after business matters.

A band of "Volunteers of America" in home missionary work, of Amarillo, were in Kress last Friday. Those in the party were:—Captain and Mrs. Bailey, Mrs. Stockton, and Rev. Walker. Captain and Mrs. Bailey are in charge of the work in Amarillo. They were enroute from Plainview to Amarillo, and made a short stop in Kress. They sang and played several good songs while here. A solo was sung by Mrs. Bailey and a short sermon preached by Rev. Walker. Captain Bailey also made us a good talk, telling of the good works they were doing. They took up collection for the homes they are going to erect in different places and the total collection amounted to about \$12.00. Captain Bailey tells us they are going to build a home in Amarillo.

J. E. Sweptson and J. M. Simpson, of Tulia, were seen on the streets of Kress last week.

J. C. Gilbert, who has been away for some time visiting relatives, returned home last week. He was accompanied by his grandson, Clinton Gilbert, who will spend a few days here visiting.

Mr. Edwards, of Tulia, was in Kress Monday attending to business matters.

Mr. Wright, of Littlefield, has accepted a position in Kress, as apprentice for the Santa Fe.

Mr. Martin and family, of Eden, Texas, are in Kress this week. They will make their future home here. They have bought the telephone system and Mr. Martin will be our future "phone manager."

The contest in the Kress High school was held last Friday afternoon and night, at the school auditorium, spelling in the afternoon and declamation and debate at night. The Junior spellers were—Vivian Boston, Maud Beck, Edna Mae Stewart, Nettie Lynn Harrison, Vivian Beeton and Martha Adkisson. Junior declamation boys were—Glen Davis and John Hamilton. Seniors girls were—Maud Beck, Dorothy DeLong, Tot Hamilton and Byrdie Skipworth. Senior boys were—Milton Adkisson and James Boston. The winners were: Junior boys—Glen Davis. Senior girls, Dorothy DeLong. Senior boys, Milton Adkisson. The subject for debate was "Resolved, That the Government should own and operate the Railroads." Affirmative Ernest Skipworth and Tony Vaughn. Negative, Aileen Kerr and Andrew Rush. The negative side won the debate. They also had first and second winners in the declamation. Aileen Kerr won first and Ernest Skipworth won second. Judges were as follows: Messrs. John W. Elliott, Judge C. A. Clements, of Plainview, and O. Miller. Prizes were issued to all the winners, but we are not sure just what they were and we will not make mention of them here. A large crowd was assembled to hear this and all seem to enjoy it very much. All contestants did well it seemed as if it would have been trying to have been the judges. A number was given to each speaker and winners were called by number.

A crowd of young people from Tulia were seen on the streets of Kress, Sunday afternoon.

Mrs. F. D. Moore is in Amarillo this week visiting friends and relatives.

The Methodist meeting began last Sunday night, and will last indefinitely. Mr. Sjogren is here assisting in the singing.

E. O. Cates, one of our progressive farmers, returned home Tuesday, after being away for several days on business.

Elvin Box left Sunday for East Texas, where he will be for several days.

Relatives are visiting in the Hartman home this week.

SOMETHING NEW

The "NEW EDISON" phonograph.

When you buy a phonograph you buy it, first for the musical quality, second for the design of the cabinet.

The "NEW EDISON" is different from any "talking machine." All talking machines boast of their "tone" but the "NEW EDISON" has no tone of its own, IT RE-CREATES THE TONES AS MADE either by voice or instrument, and so perfect that it is impossible to tell the difference.

You do not hear the rasping metallic sound that is so common to talking machines but YOU HEAR THE FULL VOLUME OF MUSIC just natural music.

The "New Edison" is "The Phonograph with a Soul." You get the over tones of music with the "New Edison" and without these the music is sharp and metallic.

The re-producer is the latest invention of the "Wizzard Thomas A. Edison," used only on his phonographs and unknown to any other. It has a real diamond point that does not wear the records and will last always. You are not bothered with changing needles.

The records are much harder and thicker and harder to break. These are only a few advantages the "New Edison" have over any talking machine.

If you want real music the New Edison will give it, and we will be glad to give you demonstration and tell many other advantages of the New Edison.

The New Edison like many automobiles are very hard to get on account of the great demand for them by critical music lovers, but just now we have in stock several different models to select from, and at prices that will please you. We are adding to our stock of records almost every day and will greatly enlarge with the latest music.

Don't forget that we specialize in our prescription department. We fill them just like your doctor writes them.

No one will appreciate your business more than we.
