"MY TURN"

By Carol Ellis

TO EVERYONE ELSE in the world, the car is a status symbol. I, being a minority of one, think of a car as a device to get me from one place to another and I don't care what it looks like as long as it runs good and gets me there.

Isn't it irritating the way manufacturers keep moving stuff around? For instance, to change your lights from bright to low-beam and back again, you used to be able to stomp on a little switch located in the floor near the left foot which you weren't using for anything else anyway. Now the button is located somewhere on the dashboard or on one of those little levers behind the steering wheel.

While I'm driving down the road trying to find the right button to push, I usually end up squirting the windshield with water, turning on the wipers, or flicking on various turn signals, much to the confusion of people in cars behind me. Now, I ask you... is that safe? What was wrong with that button on the floor which was pushed with the foot that wasn't being used for anything else anyway?

These days, no two cars have the horn located in the same place either. When some other nut is just about to run you down, it's no time to have to hunt for the horn. In some cars, it is located on one of those confusing little levers behind the steering wheel. In others, it's on the side of the cross-bar in the middle of the steering wheel. What was wrong with all cars having a standard place for those little necessary gadgets?

We are fortunate to live in an area where people are very friendly to one another. Folks driving by, nearly always wave, whether they know you or not. Now we've come up with something new. Tinted windows. It may be cooler inside a car with tinted windows, but I hate not being able to enjoy a friendly wave.

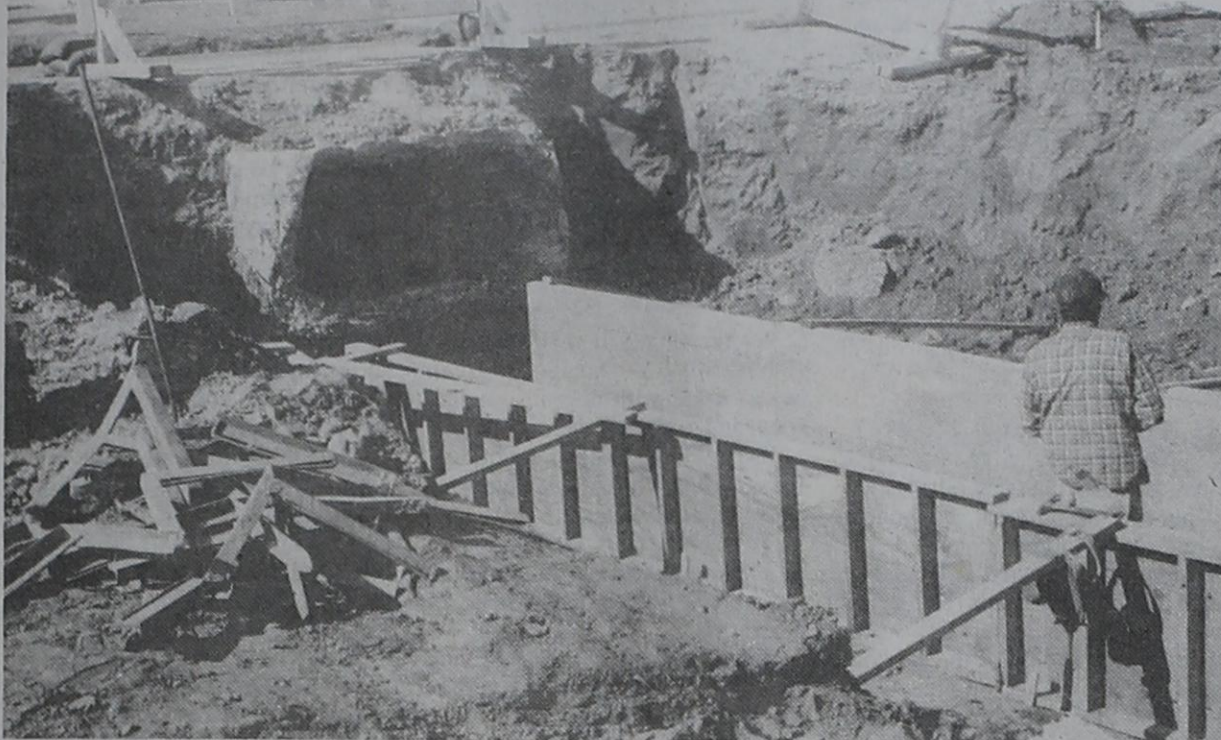

The police and highway patrol fellows are not fond of tinted windows for sure. It is dangerous for them to stop a car for a traffic infraction and then have to walk up to a window which is so dark that they can't see if a gun is pointing at them or what.

But tinted windows are dangerous for another reason. A really good driver makes allowances for human error on the part of the other people driving around them. Just because you have the right of way doesn't mean it is always safe to go barreling along, oblivious of everyone else. I like to know if the person at the stop sign has turned their head and looked in my direction when I'm coming through an intersection. If they don't know I'm there, they might just go ahead and meet me in the middle. Now, thanks to tinted windows, I can not always tell if the person in the other car has looked my way or not.

Of course we all practically live in our cars these days. In the bigger cities, I've seen ladies putting on their makeup and combing their hair while waiting at a stop light. People eat in their cars, talk on the phone in their cars, and, I've heard of some folks even getting dressed in their cars while driving down the street going to work in the mornings. So, for that reason, I suppose it's nice to have the privacy of tinted windows. But I, for one, still think they are unsafe.

My Dad was always prepared for any emergency on the road. He made sure the spare tire was always aired up and he kept a box of tools in the trunk of the car, plus some spark plugs, a fan belt, a can of oil and a jug of water. I don't think that would do the trick these days. Everything on a car is now computerized and things under the hood of the car are so complicated that it requires an engineering degree to figure out even the most minor repairs.

Randall Carr, who writes "Carr Care" for the Amarillo Globe says, "The best emergency repair set up today is a cellular phone --- to call for a tow truck."

HIGHWAY WORK....Construction work on widening of Highway 60 through Friona has been much in evidence, as everyone knows. Workmen are shown building forms for a new drainage culvert near Reeve Lake.

Loyalty Day Slated Locally

Mayor Clarence Monroe declared Friday, May 1 as Loyalty Day for the city of Friona.

Joining Mayor Monroe are John Duke, Commander of Parmer County Memorial Veterans of Foreign Wars Post 1413 in Friona, and Dale Mann, President of Parmer County Memorial V.F.W. Auxiliary in Friona. The two local organizations are sponsors of the Loyalty Day observation.

Loyalty Day was originated in the 1930's by the V.F.W. and Ladies Auxiliary. The V.F.W. celebrated the occasion for many years. Then in 1958 Congress declared May 1 the official date for Loyalty Day nationwide.

On this special day, all Americans should celebrate and be thankful for their freedom, their country, and those veterans who have worked and fought to protect the United States' way of life.

The V.F.W. Post 1413 is also sponsoring a breakfast at the post home, 6th and Euclid, on May 1 from 6:30 a.m. to 8:00 a.m. to celebrate the occasion. All local veterans and their families are invited to join the V.F.W. members and their families for breakfast on Loyalty Day.

Project To Benefit Sr. Class

On April 25, starting at 12 noon, a group will sell tamales at Friona High School Cafeteria. Proceeds from the sale will go to provide prizes for the 1992 Senior Class party.

Cost of the tamales will be \$5.00 per dozen. Those wishing to call-in orders may call Martha Bautista, 247-2254; Rosa Reyes, 247-2233; Angela Bermea, 247-3560; or Juanel Jordan, 247-2242. The tamales will be delivered if requested.

El 25 de Abril se venden tamales a \$5.00 la docena. Esto es para ayudar a los Seniors de High School. Por favor llame a 247-2254, 247-2233, 247-2242, 247-3560 si gusta ordenar.

WORK SESSION....Members of the Women's Division of the Friona Chamber of Commerce held a work session this week to plan a Spring Fiesta for Friona newcomers. From the left are Teresa Buske, Barbara Rhodes, Debbie Smith, Sandra Berend and Holly Jones.

LOYALTY DAY....Mayor Clarence Monroe signs a proclamation declaring May 1 as "Loyalty Day" in Friona. Looking on are Dale Mann of the VFW Auxiliary, and John Duke, representing the Friona VFW post.

Church Is Hosting Western Artist Sun.

Dr. Kenneth Wyatt, noted artist, will be the guest of Friona's First United Methodist Church on Sunday, April 26.

At 10 a.m. Sunday, the youth and adult classes will meet in the sanctuary with Dr. Wyatt. He will share the story of the Disciples and the meaning of the painting of each of the Disciples that Wyatt has painted. Stories about the Disciples' lives will be shared as well.

At 10:55 a.m., Wyatt will be the preacher for the morning worship service.

At noon, the church will host a "Mexican Pile-on meal." Proceeds of the meal will go for the youth, to purchase a tape player, T.V. set and other equipment for the youth program.

At 12:50 p.m., Kenneth Wyatt will talk about "The Star," a building to be given to this area, which will house the paintings of "The Disciples," "The Women of

the Bible," and "The Lands of the Bible." This is an exciting outreach planned for this area.

At 6 p.m., the church will host a "Disciple Bible Study Group."

Planning Brunch For Newcomers

The Friona Chamber of Commerce's Women's Division will sponsor a "Spring Fiesta," a brunch for newcomers in the community, on Saturday, May 2, from 10-11:30 a.m. at the Depot in City Park.

Newcomers to Friona are urged to contact either Holly Jones at 247-3991 or Dianne Tatum at 265-3858.

Friona's Mariachi Band has been invited to participate at the brunch.

Packing Plant Announcement 25 Years Ago

This week, the Friona community will observe an anniversary that turned out to be very vital for the economy of the area.

It was on April 28, 1967--25 years ago on Tuesday--that Missouri Beef Packers, Inc., the forerunners of the Excel Corp., announced plans to expand from its original plant in Missouri and build a second plant in Friona.

In a special "Extra" edition, the Friona Star announced that the Chamber of Commerce, through its Industrial Committee, had reached an agreement whereby the community would donate the landsite to MBP in exchange for the location of the plant near Friona, which was in the running with several other area cities to land the plant.

The projected cost of the original plant was \$3 million. (Compare that to the recent addition by Excel, which cost over \$11 million).

"Expected to employ over 250 people, and add over \$1,000,000 annually in payrolls alone to the economy of the Friona area, the plant will be located on a 197-acre plot three and one-half miles southwest of Friona," the Friona Star article stated.

The plant announcement came on the heels of announcements to build two new cattle-feeding operations in the county. One was to be located west of Friona and have a capacity of 50,000 and the other near Bovina and would feed 30,000 head of cattle.

The announcement article stated that MBP, in its first year of operation, would expect to slaughter over 400,000 head of cattle. This would be four times as many cattle as were slaughtered by the largest packing plant in Texas at the time--Neuhoff of Dallas, making MBP in its first year the largest plant in the state.

The Chamber's Industrial Committee was spearheaded by Dr. Loyd Shackelford, A.L. Black, Andy Hurst, Frank Spring and Jack Carrothers.

After a full year of construction, MBP held dedication ceremonies and an Open House for the public during the last weekend in April, 1968, and opened its doors for operation on May 6, 1968. So the plant will observe its 25th anniversary in Friona in 1993.

K'garten Enrollment Slated Next Week

If you have a child who will be five years of age or older, on or before September 1, 1992, and is not presently enrolled in pre-kindergarten, Tony Igo, Friona Primary School principal, asks that you bring your child's birth certificate, immunization records and Social Security card to the Primary Building during the week of April 27-May 1.

Those coming to the principal's office will be given enrollment forms to complete. Just come during the school day at your convenience.

A booster shot must be given since a child's fourth birthday. A child will not be able to begin the new school year until all immunizations are complete.

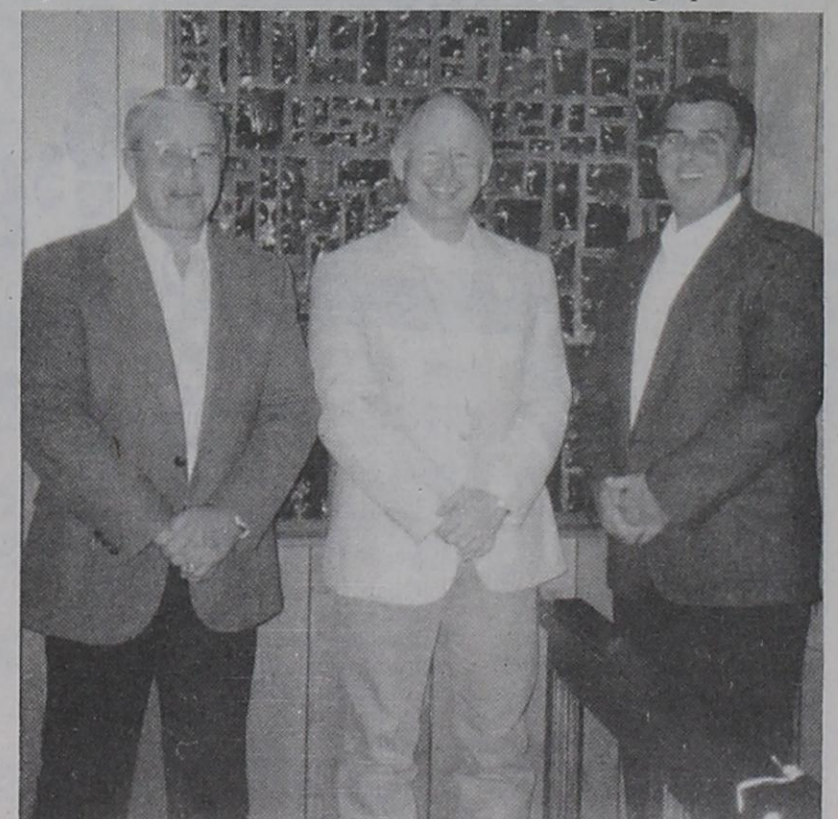

If you know of some child who will qualify to begin kindergarten, please have the parents come by the Friona Primary Building during the kindergarten registration week of April 27-May 1. Parent orientation, tentatively set for August 20, will be held at the beginning of school and you will be notified shortly before school starts.

Elementary TAG Fair Is Set April 28

Come one and all to the TAG Fair at the Friona Elementary School Cafeteria on Tuesday, April 28 from 7-8:30 p.m.

The Talented and Gifted (TAG) students will be displaying samples of things they have done during the 1991-92 school year. Presentations will include story telling, puppet shows, a reader's theatre, dinosaurs, pirates, inventions, a quilting project and much more.

This will be a great opportunity for everyone to learn more about the TAG program and be a part of these unique learning experiences.

TO GIVE CONCERT...The Gospel Js--Jerry Loflin, Jerry Cass and Jim Parker, will present a free concert May 2 at the Friona United Methodist Church. The public is invited. The group sings only gospel music. They have a tape, entitled "Just Gospel," which was released in March. Copies of the tape are on sale for \$7.00, with proceeds going for a sound system for the Methodist Church.

Friona Flashbacks

....from the files of The Friona Star

60 Yrs. Ago-April 29, 1932
L.G. Sympton, superintendent of the city water works, has been quite busy during the past two weeks installing water meters for those of the city's patrons who have not as yet had meters.
The new golf course which has been in process of construction for the past two weeks, under auspices of the Friona Golf Club, was pronounced ready for use Sunday and many of the members spent a part of the day playing thereon.

50 Yrs. Ago-April 24, 1942
Prior to the AAA's wheat pro-

gram, huge supplies always meant low prices, Olin Schleuter, chairman, Deaf Smith county AAA committee, said this week. During the last few years domestic wheat prices have consistently followed loan prices, Schleuter said. During 1928, 1939 and 1940, farmers received 56.1 cents, 69.2 cents and 68.2 cents per bushel, respectively, while the average loan rate for the same years was 53 cents, 63 cents and 65.5 cents per bushel, respectively.

40 Yrs. Ago-April 17, 1952
Evidently the newly elected Friona city commission has rolled up its sleeves and gone to work, judging by the amount of business transacted by that group in the last week. With the telephone rate increase on the agenda, summer water rates to be determined, and routine city business needing attention. Telephone rates increases were granted the Southwestern Associated Telephone Company Friday night by the Friona City Commission.

35 Yrs. Ago-April 25, 1957
School bonds totaling \$300,000, which were approved last month by the voters of the district for the purpose of additional buildings were sold to Municipal Securities Co., Eddlemen Pollock Co., and Thornton & McMahon, Inc., Tuesday evening. The bids which were accepted averaged 4.4418 per cent interest. Of the six companies which submitted bids, five sent representatives to the meeting.

Parmer County notaries public were reminded this week by Hugh Moseley, county clerk, that they must re-qualify themselves between June 1 and June 10 if they want to keep their commissions. Secretary of State Zollie Steakley has announced that he will reappoint persons now holding commissions, but they must file a new oath and bond with the county clerk in that period.

30 Yrs. Ago-April 26, 1962
Board of directors for the proposed new Farmers' Co-Op Gin reports that over \$30,000 have been raised for the installation of the gin.

Vickie Copley, Production Supt.
Marlene Mueller, Bookkeeper
Lisa McLellan, Advertising

The board members have begun checking blueprints and consulting different authorities in connection with the actual installation of the plant, according to Keith Brock, board member.

Bond burning ceremonies at the city hall Thursday marked the end of the last of the City of Friona Refunding Bonds, series of 1945. The last three of the thirty-five \$1,000 bonds which replaced bonds valued at \$41,500 issued in 1931 were redeemed by the city last week.

The junior cowboys will test their mastery over the four legged animal at the second annual Friona Junior Rodea Friday at 8 p.m. in the Jaycee arena west of town on Highway 60.

25 Yrs. Ago-April 27, 1967
The Friona Star won five awards--more than any other newspaper--in the annual Panhandle Press Association contests. The awards were presented as a highlight of the annual press convention last weekend in Amarillo. The Star won awards in five of the six contests divisions it was eligible to enter. The Star won second place in the editorials competition, and was third in general excellence, columns, special editions and best woman's page feature.

Announcements of the location of a giant industry for Friona is expected on Friday, according to the Chamber of Commerce's industrial committee. The local committee, which includes Dr. Loyd Shackelford, A.L. Black, Jack Carrothers and Andy Hurst has been working toward securing a packing plant for the past several months.

15 Yrs. Ago-April 27, 1972
Garold Eugene (Jerry) Eakins, 34, former Friona resident, was killed about 6:45 a.m. last Saturday near Cannon Air Force Base, Clovis when his plane crashed. Eakins, an experienced pilot, was spraying crops for Chuck's Spraying Service of Bovina, about a half-mile north of the air base when a wing struck the ground and caused the plane to crash.

10 Yrs. Ago-April 25, 1982
Open house for the remodeling program at Friona Junior High and Elementary School will be held Sunday, April 25, between the hours of 2 and 4:30 p.m. No formal tours are planned, according to Superintendent Tom Jarboe. Residents may come and go as they please. There will be faculty members and administrators in the various buildings to answer any questions the visitors might have.

The Friona High School band earned a Division I rating at its competition Friday at Durango, Colorado.

5 Yrs. Ago-April 25, 1987
Friona High School students have qualified for the U.I.L. meet in Odessa in 20 events, as well as in the one-act play. Students will be vying for a chance to qualify for the state literary meet with a high placing this weekend.

The Fourth Dinner Theatre, sponsored by Modern Study Club, is underway this weekend at the Friona Community Center. The production includes all-local performers once again, and the theme for the production is "Made for America."

Que Pasa?
por Vicente Soto

En los pasados dias vamos a los candidatos haciendose garras para ver quien gana nuestro voto. Algunos hasta usan sombreros de charro para tratar de identificarse con nosotros. Cualquiera persona puede ponerse un sombrero. Verdad? Hojala que podamos abrir los ojos para ver por quien votamos esta vez.

Esa es una cosa, otra cosa es que nosotros estamos a punto de ver a nuestros muchachos graduarse de la High School. Quisiera saludar a todos los muchachos y muchachas que acaban su escuela y se van al colegio. Arriba y Adelante!

Nuestro equipo "La Fuerza de Friona" juega este domingo en el campo frente al Banco de Friona contra el Zacatepec de Amarillo a las 2:00 p.m. todos estan invitados. Descamos una pronta recuperacion a Rosa Roberts, Esperanza Garcia, Leona Steelman, y a Matilde Martinez que se encuentran en el Hospital de Friona.

Un pequeno recordatorio: la policia sigue buscando gente bilingue para ayudar a interpretar. Para mas informacion llame a la oficina.

Help For Dealing With Divorce

By RON TRUSLER
M.Ed., L.P.C., C.C.D.S.

(Director of Clinical & Substance Abuse Services, Central Plains Center for MH/MR & Substance Abuse)

This is the second article in a series regarding divorce: Flashbacks may occur. They are reminders of the past relationship. Some of them may be good. However, during the first part of the divorce, they will probably be bad. Any good ones may surface later after the anger has been worked through. Flashback can even pop-up in the next relationship. That can cause some interesting situations. These can be detrimental unless they're properly identified and dealt with.

One thing to remember, emotions are functioning in a survival type made--at an all-time low. One may do and say things they would not normally do or say. Attitudes may be more calloused. Actions may include habits that are not normally becoming or their character. Don't be too quick to judge that person. Here are some quick hints that will help in the long run: (1) Don't make a big decision by yourself; enlist the help of someone you trust; (2) When things seem overwhelming, take one thing at a

time, get organized, prioritize; (3) Having the feelings of being on-the-go may not be all bad. It helps keep the sanity. Be wise though. It's expensive. You may notice a vocabulary change from "ours" to "mine" or from "us" to "I"--plural to singular.

The next article will deal with some other "normal" reactions and emotions of divorce.

Elementary, Junior High Lunch Menu

Week of April 27-May 1
MONDAY--corn dogs, carrots, chilled fruit, cookies and choice of beverage.

TUESDAY--pizza, French fries, chilled fruit and choice of beverage.

WEDNESDAY-- Frito pie, pinto beans, salad with dressing, Mexican cornbread and choice of beverage.

THURSDAY--chicken fried steak, mashed potatoes, gravy, corn, dinner rolls and choice of beverage.

FRIDAY--charburgers, French fries, hamburger fixings, cookies and choice of beverage.

Found the right house?

Keep shopping!

A home is the biggest single investment most of us ever make. Finding the one that fits your needs and your income can be a real challenge! But don't stop shopping when you've found the house that's right for you.

You need to shop for a mortgage, too. There are more alternative sources for mortgage loans today than even before -- and more loan options, too. That's why shopping for the mortgage is as important as shopping for the house.

We invite you to take a good look at the mortgage options we offer.

They differ by rate, term, payment schedule and up front charges. Some have a fixed rate of interest. Others have a variable rate which may be adjusted from time to time. Found the right house? You need to shop for a mortgage too! One of our mortgages could well be just right for you. And isn't it nice to deal with people you already know and trust?

When you've found the right house, stop and see us for the right mortgage!

Final Community Concert Is Scheduled In Hereford

The final concert of the 1991-92 season by the Hereford Community Concerts Assn. will feature the Texas Boys Choir, on Friday, May 1, at 8 p.m. at the Hereford High School Auditorium.

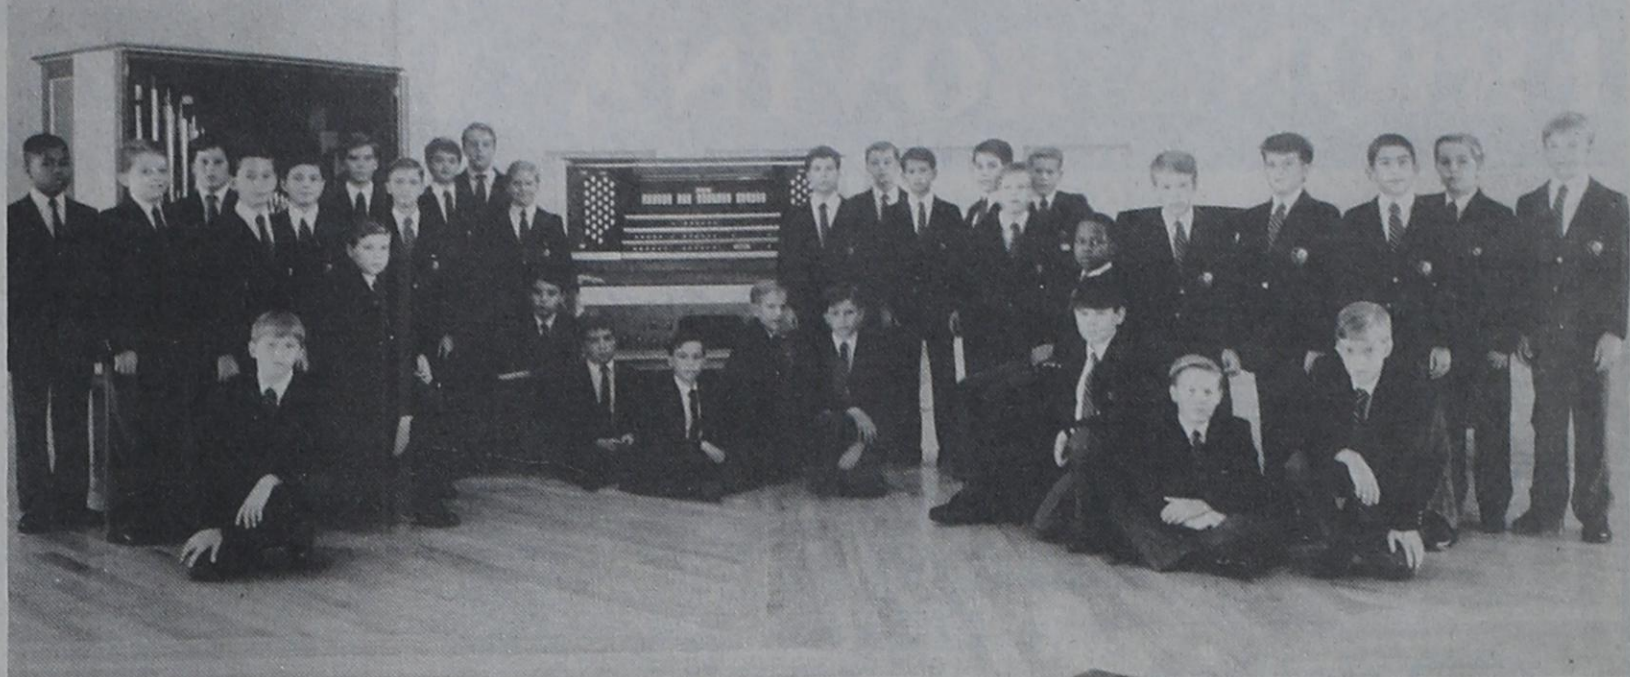

Igor Stravinsky, with whom they recorded his *Persephone*, called them "the best boys' choir in the

world"; *The New York Times* hailed them as "irresistible...corralling the hearts of the audience"; and in their concert tours around the United States, The Texas Boys Choir is consistently acclaimed for its "finesse and versatility", "vocal refinement", and "professional exuberance." After a benefit concert in March 1983 at Carnegie Hall for the Pearl S. Buck Foundation, *The New York Times* praised the Choir for its "discipline, affectingly sweet tone and purity."

Now in its fifth decade of concertizing, this ensemble of 40 young boys has earned a world-wide reputation rivaling that of the famed boys' choirs of England and Germany. In more than 3,000 appearances throughout the United States, Canada, Mexico and Europe, the Choir has offered musical programs ranging from exquisite old church music and Elizabethan madrigals to the latest Broadway show tunes and the exuberant folk songs of the Texas ranches, all performed in fully costumed, lighted and choreographed extravaganzas. The Choir has sung at the Mormon Tabernacle, Westminster Abbey and Notre Dame Cathedral. They represented the United States at the Festivals in Vienna and Holland, participated in Wales' historic Eisteddfod and appeared at the Festival Paul Claudel at La Cote St. Andre in France. The Texas Boys Choir has performed in Mozart's *The Magic Flute*, Puccini's *Tosca*, Stravinsky's *Persephone* and the American premiere of Gian-Carlo Menotti's *Help, Help, the Globolinks* with the Santa Fe Opera.

The Choir also performs regularly as guest artists with the Fort Worth and Dallas Symphonies, the Fort Worth Opera Association, and the Texas Little Symphony.

Recent concert tours abroad include tours of Japan in 1982 and 1984. In 1988, the Choir toured Australia as an official representative of the United States to the Australian Bicentennial. They were selected for this honor by the American Australian Bicentennial Foundation in Washington, D.C. along

The Texas Boys Choir

with the Chicago Symphony, the Twyla Tharp Dance Troup, and the River City Brass Band.

Future tours abroad are being planned for Spain and the Bahamas in 1992 as a celebration of the 500th Anniversary of both the discovery of America and the uniting of Spain under Ferdinand and Isabella.

Founded in 1946 in Denton, Texas, by George Bragg, the Texas Boys Choir is the carefully hand-picked and specially trained top-level group of a permanent choir organization and year-round choir school headquartered in Fort Worth. Unique among the great boy choirs of history in that it is a non-denominational civic organization, it was chartered in 1946 as a non-profit corporation by the State of Texas. By 1957, the Choir had attained such prominence that several large cities were bidding for its relocation. Fort Worth won with a generous grant and a pledge of civic support. There the Choir's affairs are currently managed by a board of directors composed of community leaders. In 1988, the Choir moved to a newly built facility of its own. The award winning building contains a concert hall and other public areas plus classroom and rehearsal facilities for the choirs and the school. In the same year, the Choir opened its own academic school.

The school is designed to educate only the boys involved in the touring choir, and functions during the semesters when the choir is involved in professional touring or media activity—generally January to June.

The Executive Director of the Texas Boys Choir is Jack Noble White, a native of Weatherford, Texas, who came to his post in 1977 with a distinguished musical and administrative background. With graduate degrees both in music and educational psychology, his posts have included tenure as Headmaster of St. Paul's School, Mobile, Alabama, a large 12-grade college prep institution. White served fifteen years as Secretary of the Episcopal Church's national music commission, The Standing Commission on Church Music and is an Honorary Fellow of the Westminster Choir College.

Facts About The **BIBLE** *BY JOHN LEHTI*

DRINKING WATER OUT OF A ROCK?

WHEN MOSES LED ISRAEL OUT OF THE WILDERNESS, THEY RAN OUT OF WATER. THE PEOPLE SAID THEY WOULD RATHER HAVE DIED IN EGYPT THAN TO PERISH IN THIS ARID LAND. MOSES AND AARON TOOK THE PROBLEM TO GOD, HE ORDERED MOSES TO SPEAK TO THE ROCK BEFORE THE PEOPLE AND THERE WOULD BE SUFFICIENT WATER FOR BOTH MAN AND BEAST. WHAT WOULD YOU DO UNDER THE CIRCUMSTANCES? WOULD YOU ACTUALLY ASK FOR A ROCK TO GIVE YOU WATER? MOSES DID! (NUMBERS 20:11) MOSES LIFTED HIS EYES AND SMOTE THE ROCK AND THE WATER GUSHED FORTH.

Blackburn Rites Held Here Mon.

Funeral services for Dean Blackburn, 64, were held Monday afternoon at the Sixth Street Church of Christ, with Leon Talley, minister, and Terry Brown, minister of the Greenlawn Church of Christ, Lubbock, officiating.

Burial was in Lazbuddie Cemetery, under the direction of Ellis-Blackwell Funeral Home.

Blackburn passed away last Friday, April 17, at High Plains Baptist Hospital in Amarillo after a lengthy illness.

He was born August 23, 1927, at Alex, Oklahoma. He moved with his family to the Friona area 62 years ago. He married Anna Jo Coffman June 6, 1948, in Friona.

He served as manager of Maurer Machinery for 27 years, then spent the past 16 years with the Dick Davis Advertising Agency. He served the Panhandle and Eastern New Mexico area for DACO, and was a member of its board of directors.

Blackburn served in the U.S. Air Force and the Merchant Marine during World War II. He was a member of Sixth Street Church of Christ.

Survivors include a son, Hal Blackburn of Las Cruces, N.M., his wife, Anna Jo of the home; and two brothers, John Blackburn of Friona and Keith Blackburn of Albuquerque, N.M.

Pallbearers were C.L. Lillard, Eugene Bandy, Larry Fairchild, Tom Jarboe, Teddy Fangman and Gaylord Maurer.

The family suggests memorials be made to the Harrington Center in Amarillo.

DEAN BLACKBURN

Boy Added By Couple

A baby boy was born to Mark and Deirdre Osborn on April 3, 1992 at Clovis High Plains Hospital. Aaron Tate Osborn weighed seven pounds, 14 ounces, and was 21 inches long.

Grandparents are Joy Osborn, John and Beulah Miller, all of Friona. Great-grandparents are Mr. and Mrs. S.C. Moore, Clovis; Mrs. Claude Miller, Amarillo; Mr. and Mrs. W.S. Ingram and Mrs. Sloan Osborn of Friona. Great-great grandparents are David E. Moore of Roswell, N.M., and Mrs. John Ingram of Wellington.

The new arrival has an older sister, Adrienne Morgan, two and one-half.

Cellophane was invented in Switzerland in 1906.

Ex-Resident Buried Here On Thursday

Funeral services for James Ross (Pete) Braxton, 80, were held Thursday, April 23 at the First Baptist Church, with Rev. Charles Broadhurst, pastor, officiating. Burial was in Friona Cemetery, under the direction of Ellis-Blackwell Funeral Home.

Braxton died April 20 at Southwestern Memorial Hospital in Weatherford, Oklahoma.

He was born April 6, 1912, in Twitty. He married Christine Southall September 26, 1942, in Friona. The Braxtons moved to the Black community after their marriage, where he opened Tri-County Elevator. He owned and operated the elevator for 23 years, until retiring in 1969.

Braxton was a member of First Baptist Church in Friona, and also was a member of the Masonic Blue Lodge, the Scottish Rites, York Rites, and Khiva Shrine Temple of Amarillo.

Masonic graveside services were conducted.

Survivors include his wife Christine of the home; two sons, James Braxton of Luther, Oklahoma and Ray Braxton of Austin; two brothers, A.C. Braxton of Hereford and Jim Braxton of Buleah, Colorado, and one sister, Sue Ray of Albuquerque, N.M.

One grandchild, Gini Reiss of Williamsville, N.Y., also survives.

He was preceded in death by his parents, Patrick and Ada Braxton, and 12 brothers and sisters.

Pallbearers were Homer Lindeman, Hugh Moseley, Jim Dixon, Larry Knowles, John R. Cook and Ed Clark.

SPECIAL COW SALE
MAY 2-11:00 A.M.

Expecting to sell 2,000 Springer Cows, Pairs, Breeding Age Bulls, Bred Heifers and Open Heifers

OPEN HEIFERS

- 60 750 lb. open black whiteface Hereford and red whiteface, out of one of the top cow herds in New Mexico, calfhooed vaccinated.
- 22 Registered Salers heifers, O.C.V. includes: 12 purebred, 10-7/8's, weighing 600-725 lbs.
- 140 500-550# open heifers, calfhooed vaccinated, originating from 2 New Mexico mountain ranches, rock footed, wintered on dry grass, includes: 50 red whiteface, 40 black whiteface, 20 Brangus & 30 exotic crosses
- 74 open 2-year-old Brangus heifers 700-800# medium flesh, caked & grass

BRED HEIFERS

- 42 Brangus springer heifers, calfhooed vaccinated, bred to Brangus bulls
- 7 Coming 3-year-old first calf registered Salers, with bulls since January 23rd
- 30 Beefmaster heifers, 800-1000#, bred to low birth weight Beefmaster bulls, from one of New Mexico's top Beefmaster breeders, running on cake & grass
- 44 Brangus heifers 700-800#, calfhooed vaccinated, bred to low birth weight Red Angus bulls, a nice set, don't miss these
- 91 heifers, bred to Brangus bulls, 750-800# approximately 40 black whiteface, 30 red whiteface, balance exotic cross, caked & grass, all calfhooed vaccinated

COWS, PAIRS & SPRINGERS

- 40 black whiteface cows 4 & 5 year olds with a few 6 years, bred to Charolais bulls off of grass
- 20 Beefmaster pairs, cows 5-7 years old, off of the same ranch as Beefmaster heifers listed above
- 95 top quality horned Hereford cows, bred to Hudgen's Brahman bulls, about 65 really nice F-1 calves on the ground. Balance heavy springers, ages are 6 to 10 years old, all have good mouth
- 90 Dehorned Hereford cows, 4-7 years, bred to a ripping good set of Brangus bulls, cows are in real good flesh, wintered on the farm and moved back to grass
- 39 Brangus cows, bred to Brangus bulls, in good flesh, 5-8 years old
- 44 Young black whiteface cows, nice, bred to black bulls
- 35 Young red whiteface cows, nice, bred to black bulls
- 78 3-7 year old crossbred cows, bred to Brangus bulls, will be sorted in small groups, a set of cows you will really like
- 2 4-year-old Salers cows, 1 baby on the ground, Registered
- 11 Brangus and black whiteface 3-year-olds, heavy bred
- 22 Charolais cross and English cross cows, off grass, 2nd calves up to running age, bred to registered Salers bulls
- 30 3-6 year old purebred Longhorn cows, heavy springers, a few babies, will be sold in small groups. If you're having varmint problems, whether it is 2 legged or 4 legged, a few of these high horned cattle might be of value to you.
- 51 Mostly straight 6 year old Hereford cows, dehorned, bred to Brangus bulls, a nice set, in top condition
- 88 Mostly young cows, bred to black bulls, crossbred and English cross
- 20 8 & 9 year old heavy springer mixed cows
- 226 Cows, various breeds, all preg. checked, wintered on cake & grass
- 99 5-9 year old cows, 21 calves on the ground, includes: 33 Brangus, 24 Charolais, 20 black whiteface, 22 red and red whitface, cows are in excellent flesh

BREEDING BULLS

- 15 Beefmaster bulls, 14-18 months old, 900-1200# from the same New Mexico producer as heifers and pairs listed above

S.D. Baize Is Indicted For Wife's Death

Olton School Board President S.D. Baize, 45, has been indicted for arson and the murder of his wife, Joan Baize, 43, in connection with a house fire on March 16.

He was indicted by the Lamb County Grand Jury last Thursday.

Baize turned himself in to authorities Friday morning, and he was arraigned on charges of murder and arson by District Judge Pat Boone, Jr.

Baize was released after posting bail on bonds totaling \$10,000.

Mrs. Baize suffered burns to 80 per cent of her body in a fire at their home the afternoon of March 16. She was found in the master bedroom, where the fire started, and her husband was found unconscious in a hallway.

Mrs. Baize died enroute to University Medical Center in Lubbock, and the death was later ruled a homicide by Justice of the Peace Jim Hansen of Lubbock.

An autopsy revealed that Mrs. Baize died from traumatic arrest, as a result of severe burns and smoke inhalation. The autopsy also revealed "multiple lacerations to the head, as well as a fractured nose."

The death has been investigated

TENNIS QUALIFIERS.... Arturo Perez, left, won the district singles title in tennis for Friona High School. Nathan Scott and Mark Outland won the district doubles title. The FHS athletes will compete at the regional tournament at Odessa 29-30.

by Lamb County and Olton officials, Texas Ranger Jackie Peoples and the State Fire Marshall's Office. Baize is a former resident of Friona, and a graduate of Friona High School.

Local VFW Sets Dinner

The Friona VFW will host a chicken dinner on Sunday, April 26. Serving will begin at 11:30 a.m. and continue until 2 p.m. at 116 West Sixth Street.

The price will be \$5.00 for adults and \$2.50 for those under 12 years of age.

The menu will include fried chicken, mashed potatoes, gravy, green beans, salad and dessert.

Prairie Acres Party Line

By CAROL DELEON

I have several things that I want to mention this week, so I'll start out with the "Thank You's": Dr. Alexander for picking up the Indian blankets that we have used to decorate some walls; Mildred Welch for magazines; the family of Dean Blackburn for the beautiful flowers that they donated; Raye Jene London for the beauty shop supplies; Eloise Cosca for the Easter lily she gave in memory of her mother, Jessie McSpadden; Wilma Wise for the magazines; Odell Holley for the beautiful irises that he shared with us and Bill Stewart's daughter, Billie Chandler for the delicious Danish for the staff to enjoy during break.

I would like to mention at this time how much we appreciate all of the donations made to the Love Fund. This is the only way we are able to purchase equipment and items that keep our nursing home a superior rated facility.

Here are some of the things we have done with these funds: the purchase of 2-13" television sets for the residents, one new shower chair, drugs for the destitute, a modem for the computer to transmit information directly to the Texas Department of Human Services (which is required), nine new mattresses, books for families on nursing home placement, repair on the big screen television, some beauty

shop supplies, brochures for marketing, new lawn mower, paint for the fence around the patio, patio furniture, new linens for the beds and, in the near future, we will purchase more supplies for the beauty shop.

The donation made in memory of Cap and Vivian Dennis from their estate has enabled us to do the following things on the Horizon Unit: putting up the chain link fence outside, remodeling of the unit and a new roof, due to terrible leaks. The Love Fund paid for the labor and the general fund is paying for all the materials and supplies.

Again, we want to say how much these donations are appreciated.

The following donations have been made to this Love Fund:

In memory of Ruth Jones: Dan and Grace Jo Johnson, Lunell and Hollis Horton, Jr., Loyd and Linda Cheshier, Ilene Osborn, Gene and Dorothy Ellis, Jim and Christine Zorns and Russell O'Brian.

In memory of J.P. Ready: Mr. and Mrs. A.L. Outland, Jim and Christine Zorns.

In memory of Tress Tannahill: Ilene Osborn.

This summer one third of the nation will be ill-housed, ill-nourished and ill-clad. Only they call it a vacation.--Joseph Salak

PATTI SHERRILL and BLAIR BROWN....Mr. and Mrs. J.E. Sherrill, Jr. of Bovina announce the engagement and approaching marriage of their daughter, Patti of Amarillo, to Blair Brown, also of Amarillo. His parents are Sharon Brown of Stratford and Joe Ray Brown of El Paso. The couple will exchange wedding vows Saturday, June 27 at 3 p.m. in the First United Methodist Church of Bovina. The bride-elect is a 1983 graduate of Bovina High School and 1987 graduate of West Texas State University. She is employed by the River Road Independent School District. The prospective bridegroom is a 1980 graduate of Stratford High School, 1985 graduate of Texas Tech University, Lubbock, and is employed by Randall High School.

Easter Egg Hunt Winners Named

The Friona Riding Club held their annual Easter egg hunt last weekend.

Winners in the different age

K. Trimmells Have Baby Boy

Mr. and Mrs. Kevin Trimmell of Oklahoma City became parents of a baby boy, Tuesday, April 7.

He weighed eight pounds, one ounce and was named David Levi.

David is the first child for the couple. His grandparents are Roy and Carolyn Trimmell of Friona and Wayne and Dorothy Boyd of Oklahoma City.

His paternal grandparents are Mr. and Mrs. Elvin Johnston of Amarillo and Thelma Trimmell of Yates City, Kansas.

categories were: one-two year olds--Pedro Mendez, son of Mr. and Mrs. Josefin Mendez; three-five year olds--Kara Zetsche, daughter of Mr. and Mrs. Bobby Zetsche, Lubbock; six-nine years olds--Isaac (last name was not available); 10-12 year olds--Ruben Saenz, son of Mr. and Mrs. Daniel Saenz.

The Riding Club would like to make a correction on the starting date of the summer Playnights. They will start Saturday, June 13 at 7 p.m.

All youngsters up to age 19, who wish to participate, are invited to come out and enjoy the activities and compete in different events.

There will be three age groups available at Playnight events: 9 and under, 10-14 and 15-19.

Hospital Report

Parmer County Community Hospital, Friona--Matilde Martinez, Leona Steelman, Esperanza Garcia and Rosa Roberts.

Northwest Texas Hospital, Amarillo--Tammy Whatley and baby girl.

St. Mary's Hospital, Lubbock--Joe Menefee.

St. Anthony's Hospital, Amarillo--Ruth Rushing and Dott Boatman.

Methodist Hospital, Lubbock--Seva Struve.

Hot + Dry=Cool?

Well.....Almost. Those are the IDEAL conditions that an evaporative cooler will provide the maximum cooling for low dollars. But even when the conditions are ideal, an ARTIC CIRCLE evaporative cooler from VASEK SERVICE & EQUIPMENT in Hereford will still provide you with very low-cost cooling and comfort year-round.

We've chosen the ARTIC CIRCLE name because they've proven that they can combine top quality materials and workmanship with economical pricing structures. They also have a 5-year limited warranty on the cabinet for leakage and the bottom pan coated with plastisol. Our prices at VASEK are very competitive and include the motor, pump, float and water distribution assembly and bleed-off kit. And we can install a new unit for you in one day's time in most cases.

We also offer a full line of all sizes of evaporative coolers including both side and downdraft models, automatic window units, industrial grade coolers and even the installation aids and accessories to install a new unit. Whether you're a do-it-yourselfer, or would like to have us install one, or just need the one you have serviced, we can take care of any need you have.

We have over 100 years of combined experience on our staff and with the VASEK name on the job you can rest easy knowing that your new unit has been "Branded with Quality" and will provide you with years of low maintenance, low energy bills and a high degree of dependability. Call us today for a FREE estimate or come and visit our showroom and see for yourself that we're set up to give you the best there is.

Town Talk

By June Floyd

Call 247-2211 With Yours News Items

It was good to get back home Monday after spending about ten days in Oklahoma. My first stop was in Arapaho, where I spent a long weekend with Lillie Mae Hughes.

Then, I drove to Tipton. Wild flowers were blooming profusely just about everywhere I went. From McLean east, everything looked greener and more flowers were blooming along the roadside as well as around homes. Think it must have been the very best time for irises. They were blooming everywhere and were in several colors as well as a few combinations.

Since last August, I've had six good reasons for going to Tipton. That is, if anyone needs reasons to visit children and grandchildren.

John and Geneva Osborn and Richard, Frieda, Brandon and Barrett Dickson live about one-half mile apart, so I generally get my daily walking in by hot footing it from house to house.

Thanks to all of you who cooperated with Debra in putting Town Talk together while I was gone and to all who have expressed appreciation that I'm home again.

Out-of-town visitors in the Floyd homes last week were Gerald, Jana and Sarah Floyd of Elkhart, Kansas, and Heather Osborn and Curtis Ward, who are students at Lubbock Christian University.

On Saturday, the Friona Floyds and Kansas Floyds, along with Marvin Floyd of Shallowater, were guests in the home of Jason's maternal grandmother, Mrs. Ross Goodwin, who lives in Muleshoe, for a birthday dinner in his honor.

Captain Amy Bates, who is stationed at Tinker Air Force Base in Oklahoma City, was a special guest in the home of her paternal grandmother, Martha Evelyn Bates, last weekend.

Amy, a former Friona High School student and daughter of Mr. and Mrs. Philip Bates of Lubbock, has done several tours of duty in the Desert Storm incident.

Three of her younger siblings, Jay, Duane and Melissa Bates, came up from the Hub City Saturday and spent the night.

Other Sunday guests in the Bates home were Lessie Watson, Nelson and Lorraine Welch and Doris and Eugene Bogges, all of Friona; and Helen Teague of Cheyenne Wells, Colorado.

One of Friona's Grand Old Ladies, which is made up of women over 80, had another birthday Friday.

Lillie Taylor reports, "I'm now

87 years old and still able to take care of myself, my house and my yard and am very grateful that I am."

A daughter and son-in-law, Doris and Bill Young of San Angelo, came up and spent the weekend with her. Friday morning, a group of friends met at the T-Box Restaurant for breakfast.

Those present besides the honoree were Orma Flippin, Marie Sanders, Selma Habbinga, Jessie Douglas, Edith Johnson, Mildred Mendoza, Doris Young, Fern White and Janell Shreve.

Congratulations, Lillie! We'll be expecting a report when you reach the next milestone.

Easter Sunday guests in the home of Mr. and Mrs. Glen Stevick were Ronnie and Carolyn Stevick and children, Chad and Brook; Mickey and Karen Harrelson and daughter, Goldie; and Derrick and D'Nae Stevick, all of Friona.

Also, James Ray Stevick of Hereford.

On Tuesday, Karen accompanied Glen and Ruth to Amarillo, where Glen had minor surgery on both eyelids. They returned home Tuesday afternoon and Ruth reported that Glen was making satisfactory progress that evening.

Two of Selma Habbinga's nieces have visited in her home twice recently. Nelda Harrison of Vida, Texas, and Bernice Gore of Houston were in the Panhandle for the Texas Bowling Tournament in Amarillo. These two are sisters and Nelda participated in the competition.

After the tournament, they went to Southern Colorado to visit friends. They spent a couple of nights with Selma as they were coming and going.

Lee and Jo Witten were in Arlington Wednesday for the funeral of one of Jo's sisters-in-law, Gwendolyn Holley, who had been ill about two years.

Jo was the soloist for the services and Lee was a pallbearer. Enroute to Arlington, they spent one night in Abilene in the home of Mr. and Mrs. Lawrence Purcell. Then spent another night there as they were on their way home. Mrs. Purcell is Jo's sister.

The Wittens reported a nice trip both ways and Jo said, "I've never been in that part of Texas when the wild flowers were more beautiful." She went on to say, "We saw bluebonnets, Indian paint brush, buttercups and many varieties I didn't recognize. There were blankets of them in several different colors."

Alton and Elizabeth Peak took

advantage of the Easter break from school and had a Family Retreat in Oklahoma City.

They were joined by Ed and Janice Peak Johnson and daughters, Erin, Amanda and Edy, who live in Warrensburg, Missouri.

There are so many interesting things to see and do in Oklahoma's capital city that getting enough visiting done took some effort.

We have a new neighbor down at 1305 Columbia. He is Antonio Mendoza. He and Mildred Rule were married recently in the home of Joe and Jackie James in Hereford. They were attended by Joe and his mother, Peggy James.

At the present time, Antonio is employed by the State of Texas and is working on the new prison, which is being constructed at Lamesa.

Weekend guests in the home of Opal Baxter were Troy and Gladys Young and Karen Head and sons, Chris and Josh, who live in Hobbs, New Mexico.

The Youngs and Heads have other Friona kin, so when they're here they visit with Joyce and C.H. Veazey, John and Debra Baxter and family and others.

Roy and Eva Miller are home again. He has started his spring garden and Eva reported, "We have driven more than 3,000 miles this month and I'm ready to stay at home for awhile."

Since this couple always has a large garden and keeps busy most of the summer canning, freezing and preserving vegetables and fruit, maybe staying home will be necessary.

Their most recent jaunt, which ended one week ago Sunday, took them down in Central Texas. They visited in San Marcos with their oldest son, Roy V., Jr. and his wife, Glenda, before attending the Wild Flower Festival at Eagle Lake.

Eva reported, "Going south from Llano to Willis City we saw the most gorgeous array of wild flowers I have ever seen. All the hills, as well as the valleys in between were blanketed with bluebonnets, white buttercups and other colorful blossoms."

They also visited in the home of Dr. and Mrs. Dan Miller and children, Jared, Sam and Rachel, who live at Wheelock. Dan's brother, Ben, and his wife, Tracy, who live in Bryan, were also visiting in Wheelock.

Roy V. and Glenda later accompanied his dad and mother to DeSoto, Texas, for the wedding of Angie Glass. She's the daughter of Dale and Mary Lou Miller Glass of McLean and is employed as a Registered Nurse at Methodist Hospital in Lubbock. Her husband attends Texas Tech University.

Angie and Roddy Burrus were married in the flower garden of the home of her brother-in-law and sister, Ray and Maridale Glass Davidson.

There was another addition to the Miller family while Roy and Eva were down there. A baby girl, who was named Juliann May, was born to Joe and Terry Glass Luna, who live in Waxahachie.

James and Sue Procter hosted their annual family and friends Easter dinner in their home at noon Sunday.

Those attending were Bryce McMurtrey, who attends West Texas State University; and Jeff Procter, Angie Price, Darran Procter, James Sanders and Wade Procter, who are students at Lubbock Christian University.

Also, the following from Friona: Elthie and Johnny Hand; Barney and Jean Castleberry; Dustee, Ashlee and AlLee Gee; Wessie Hand; Ron and Libby Procter; Dewayne and Cheryl Procter and daughter, Darla; and Ted and Glenda Procter and children, Charlotte and Barry.

Rose Redinger of Lavern, Oklahoma, has been visiting her sisters, Opal Strickland and Lucy Mae Stokes for the past two weeks.

On Sunday, Lucy Mae took her to Amarillo, where they were met by Rose's daughter, Shirley Burke of Follett, Texas, then spent the afternoon visiting in the home of Bill and JoLynda Horton and children,

Maelyn and Brad.

Mr. and Mrs. R.E. Snead returned home Monday afternoon after spending several days in New Mexico. They spent some time at their lake home near Logan then went to Albuquerque.

In the Duke City, they visited in the homes of John and Janet Payne and Jim and Sheryl Snead and children, Layle and Clint.

Our apologies this week go to Christiane (Mrs. Delbert) Putman, whom we erroneously listed in our write-up last week as deceased. We are having to get used to a different obituary "fax" form we're receiving at the Friona Star. We are sorry about the mistake.

Mrs. Putman, like the late author Mark Twain, felt like saying "the reports about my demise have been greatly exaggerated."

Friona is losing a longtime resident, Karen Britting, who has moved to Ozark, Arkansas. Karen, a former Friona merchant and well-known in the business community, plans to open a "bed and breakfast" inn at the Arkansas town, which is just across the state line on Interstate 40.

She invited all of her friends and acquaintances to call her when they are in that area, and we hope that she will keep us advised about her new venture, and wish her well.

Rachael Knowles, daughter of Linda and Larry Knowles, was involved in an automobile accident last Thursday in Lubbock. Rachael, a junior student at LCU, had her vehicle hit broadside while attempting to cross 19th Street.

She received a concussion, cuts and abrasions, but was treated at a Lubbock hospital and released in time to join her family for Easter in Friona. Rachael's younger sister Amy has been helping out as a

typist after school at the Friona Star, and says her sister still had some stiffness, but otherwise was doing all right.

Members of Friona's First Baptist Church had a treat on Sunday, when a former member, Kevin Wiseman, served as music director, during the absence of Geary Brogden, who did some visiting of his own for Easter.

Wiseman is the high school principal at Petersburg, and also directs the music at the First Baptist Church of that city. This past Sunday, his wife, the former Carolyn Murphree, joined him for a special duet.

The Wiseman children, Sheila, Kyle and Brian, joined them in visiting their Friona grandparents, the Curtis Murphrees and the Buddy Wisemans.

The night of April 7 was an exciting one for Kevin and Paul Trimmell, who live in Oklahoma City. After Kevin took his wife, Lori, to a hospital to wait for the birth of their first child, he returned home to pick up some forgotten article.

As he was pulling out of the drive, Paul drove up, parked his pickup, locked the doors, put the key in his pocket and got in the car with Kevin.

When the two returned at 3 a.m. after the birth of little David Levi, Paul's pickup was gone. The two immediately called the police department and reported the incident.

A spokesman for the police department gave them almost no encouragement that the pickup could be located. However, two days later it was found and returned to Paul with minimal damage.

The only thing that was removed from the pickup was a laundry bag filled with clothes that needed to be washed even though there were a lot

of tools as well as a stereo and a lot of tapes that could have been stolen.

Needless to say, Paul was so happy to get his pickup back that he wasn't too concerned about losing the dirty clothes.

Mr. and Mrs. Boyd Pipes, Jr. and children, Zachary, Ricky, Victoria and Rachel of the Rhea community, were weekend visitors in the home of his paternal grandparents, Mr. and Mrs. Woodrow Pipes, who live in Childress, Texas.

Other family members joining them were Sue Tiercy and daughters, Sheena and Alisha, of Elk City and Sonny and Carolyn Pipes of Oklahoma City.

Out-of-town visitors in the home of Mr. and Mrs. Roy V. Miller, Sr. over the Easter weekend were three of their great-granddaughters, Mandy, Amy and Andrea Gerles, who live in Canyon.

Bob and Lydia Wyly had a family get-together at their home Sunday.

Out-of-towners present included J. and Gay Henderson and son, Jace, Plainview, Texas; Paul and Philip Henderson, Bob LaBrue and Janet Baxter, Lubbock.

Also, Jay and Janet Norsworthy of Arlington, Texas; Nancy and Larry Hunter and daughter, Jessica of Canyon; Merle Fielder of Ardmore, Oklahoma; Pat Mannon of Fayetteville, Arkansas; Robin and Mike Williams of Fieldton, Texas and Teriece Shirley of Hereford.

Also, Sherille Koelzer, Gerall and Mary Beth Wyly and daughters, Shyla, Amber and Erica; Criss and Karen Wyly and daughters, Kayla, Lacy and Kathleen and John and Debra Baxter and children, Misty, Corben, Courtney and Cameron, all of Friona.

MR. COTTON FARMER . . .

THE PLAINS COTTON COOPERATIVE ASSN. (POOL) IS

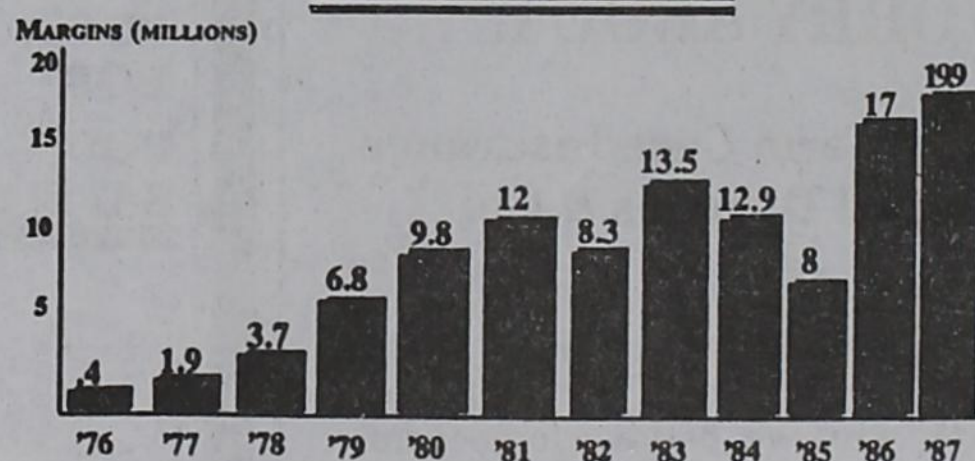

OPEN DURING THE MONTH OF APRIL.

This year, growers have new options, such as the Mill Option and Pool Option to consider.

We will be happy to explain these options to you.

DENIM MILL MARGINS

The Co-op's Denim Mill has made profits averaging \$9 million per year for the past 12 years.

Farmers can get in or out of the cotton pool each year in April. Give us a call, or come by the gin for details.

ASCS Makes Announcements To Parmer County Farmers

Parmer County ASCS executive director Curt Miller this week made a number of announcements which should prove of interest to county farmers:

Certification/Measurement Service: May 15, 1992 is the final date to certify small grains (wheat, rye, barley, oats, triticale), regardless of their use (harvest, ACR cover, CU cover etc.). If you do not already have an appointment PLEASE call (481-3311) and make an appointment as soon as possible. This is also the final date to certify to zero acreage planted if the farm has a base for that commodity.

Measurement service will be offered on small grains until May 15, 1992. Regardless of the use of the small grain it is suggested that you take advantage of this low cost service if you are unsure of any acreage. Measuring service rates are \$20.00 plus \$.03 per acre for each acre over 25. If you haven't already done so, PLEASE call and make an appointment. Remember, there is no tolerance on measurement service.

Small Grains Left Standing: If you have wheat or other small grains on ACR or CU that will be left standing and not substantially destroyed by May 15, 1992, you must file a request to leave the small grain standing and pay a

\$10.00 inspection fee by May 15 to remain in compliance.

Payment Limitation/Joint Operations: If you signed up for the 1992 ARP Program and did not complete payment limit forms, you need to check back with this office. No payments shall be made until payment limit forms are completed or an update is signed.

Payment limitation rules for joint operations including husband and wife joint operations require that all their farming business be carried in the name of the joint operation at the enterprises they are doing business with. This includes gains, elevators, lending institutions, electric and gas companies etc. Doing business any other way could cause the joint operation to be combined as one person for payment limitation purposes.

Tolerance of Corn and Sorghum: Changes have been made in the tolerance calculation for participating corn and grain sorghum on the combined corn and grain sorghum permitted acreage. Tolerance shall be calculated as 5% of the TOTAL reported corn and grain sorghum acreage (not to exceed 10 acres). Acreage of corn and grain sorghum will be determined separately. The difference between the reported and determined acreage

of each crop will be totaled. The total of the differences of the two crops may not exceed the 5% tolerance (not to exceed 10 acres) of the total reported acres.

Compliance Procedures for 1992: Producers are required to report all cropland acreage, including zero acreage reports, on ASCS-578 when the farm is participating in the 1992 price support and production adjustment program. Producers on nonparticipating farms requesting P&CP credit for zero acreage reports are also required to report all cropland on the farm.

For 1992, all payment reductions due to failure to fully comply shall be considered farm rather than crop specific. If a producer is penalized due to one crop being out of compliance and the penalty exceeds the payment for that crop, the penalty will carry over to other

crops on the farm.

For 1992 and future years, if a producer does not request, or the COC does not determine good faith for any crop, all participating program crops shall be ineligible for any benefits, all advance payments shall be refunded and liquidated damages shall apply to all participating program crops, all crops shall be ineligible for price support benefits, and all other crops shall be ineligible for disaster benefits, if available.

Dates to Remember: May 1--Final date to accept owners signatures on ARP contracts; May 15--Final date to report small grains; May 25--County Office will be closed for Memorial Day; June 1--Final loan date (corn, cotton, grain sorghum, soybean minor oil seeds); June 1- October 31--Non-haying and Non-grazing Period.

YOUR EYES

DIABETES AND YOUR EYES

Because diabetics face certain vision risks, they need to take extra care to prevent damage to eyesight. Regular examinations with the optometrist -- the first line of defense -- are key to protection. Your optometrist will recommend an appropriate schedule of regular examinations that may range from once every three months to once a year.

In the examination, your eye doctor will pay special attention to those vision risks most associated with diabetes; for instance, there is a tendency for retinal changes to occur that may permanently affect vision. That's why the optometrist may dilate pupils to view more clearly the retina at the back of the eye. Blood pressure may be checked, too, because hypertension can contribute to diabetic eye damage.

Temporary blurring may be caused by a blood sugar imbalance but usually clears up when blood sugar levels return to normal. However, the patient may need glasses temporarily.

Say 'Yes' To Income Investments

What's more important in an investment--growth or income? It's a question over which many investors disagree, but there is a strong argument for income, particularly if you are reasonably sure the income could increase. The battle cry for high-yielding-securities advocates is, "a cow for its milk, a chicken for its eggs and a stock, by gosh, for its dividends."

Under today's tax structure, a dollar of dividends is worth as much as a dollar of growth. Add to that the fact that dividends are typically steadier and more predictable than growth potential, and you have a strong argument for the get-rich-slowly crowd.

Common stocks and mutual funds are two ways to benefit from dividend income while retaining the opportunity for some growth.

In either case, it pays to do a little homework on the investment's history of dividend payments. For example, select several common stocks that you might like to own. Next, go to your library or your broker's office and ask for the historical data on earnings and dividend payments for those stocks. Moody's, Standard & Poor's, Value Line and other research firms offer this data. Eliminate the companies with a weak history of dividend payment and/or increases. Limit your list to companies whose earnings and dividends have increased regularly. There are a lot of quality

companies out there, so be selective. Good utility companies can be an excellent starting point in your search for dividend-paying stocks.

Mutual funds are another way to enjoy dividend income. Again, it is up to you to select funds that have a history of good dividend payment and also meet your criteria for safety. The important thing to remember when selecting a mutual fund for income is to satisfy yourself that the income has consistently grown over a meaningful period.

For example, the annual report of one income mutual fund shows that on a \$200,000 investment made in 1980, the income went up about every year. The income received in the last reporting period was \$24,366, about 50 per cent more than 10 years ago. That beat the cost of living, which was up about 37 per cent during that period. Part of the reason for this increased income is that the original \$200,000 investment had nearly doubled to \$374,135. That's the extra bonus of growth. Although good current income may be a primary concern, don't overlook the need for some reasonable growth along with it.

Common stocks and mutual funds offer no guarantee that income will continue or increase. With careful research, however, a long record of consistent results is about as close as you can get to planning the future.

ONE LESS THING TO WORRY ABOUT.

Look into Long-Term Care Insurance from Edward D. Jones & Co.

At Edward D. Jones & Co., we understand the importance of building financial security and know you don't want to take chances with your hard-earned savings.
