NUMBER 585

# MILITARY TRAINING CAMP MAY BE LOCATED HERE

Sweetwater Chamber of Commerce through its Secretary Thos F. Hodge, has made application to the War Department at Washington, D. C. to establish a military Training Camp in this city.

Congressman W. R. Smith has wired the Department at Washington his hearty endorsement of Sweetwater as By Associated Press. a most ideal location for such quarters Secretary Hodge has written Senators ardson, of Houston, Texas, killed her- CONTINUES UNABATED WITH VICfelt that they too will endorse the She is said to have been disappointed movement.

The Government has been offered ground, light and water, free of charge in as great an abundance as the camp

Sweetwater is the greatest railroad center from Fort Worth to El Paso and could throw the men in training here on the Mexican border from below Alpine clear on in to New Mexico within a few hours.

The Orient would give quick service to the Alpine region, the Santa Fe to New Mexico and the Texas and TERRUPTED PROGRESS IN MOBI-Pacific to El Paso.

Owing to the high altitude of Sweetest water to be had, together with a THOUSAND ALONG THE MEXICAN constant breeze by day and by night. our health record is unsurpassed in TROOP TRAINS ARE MOVING

# FARMERS' UNION HEAD

a cure for injustice by H. N. Pope, president of the Texas Farmers' Unice, in a contribution to the Texas nomic League's discussion of the administration of justice, received by says in part:

"The discussion of the administration of justice now going in the press sufferers from injustice, and I would

ssary to his prosperity that he be a capable citizen, as that he be a capamuch upon sound legislation and camaking two pumpkins grow where one grew before. His happiness is as soil His success is as much dependtriotic citizenship as it is upon the diversification of farm products. To are rightly their own, the farmers oer; the braggart from the achiever, and the capable from the incapapression and ruin

Take Politics Out of Justice

on this subject. I would sug-

there quit playing politics with the powers of his office.

with the people. He has no more cribed real estate, towit: ight to use his authority in paying political debts than he has to sell cedit. An official who violates his of said addition, and on record in the actual hostilities at an early day. or perjury, and an official who untertakes to pry open the backdoor of fame with a lawsuit, ought to be arrested for burglary.

"The farmers of this state have just cause to complain of the inefficiency of government. The number and the per cent of tenant farmers never were greater, which is a true barometer to agricultural conditions. There never was a time in the his-Texas is nearly 1,000 miles across. They did not wait for the other fellow tory of this nation when prosperity was more completely waylaid on its journey to the farmer, or when misrealize its immensity and to deal just- case of real co-operation. The time and fortune reached him so easily as at

### Prosperity Waylald

"Likewise, the business interests have their troubles. Any political law suit filed against industry ought to be styled 'the Politicians vs. the People, and the verdict ought to be that the politicians are guilty of slaughtering industry, and they should be sentenced to quit playing politics or resign their office.

"The farmers get too much salvation and not enough co-operation from government; too much politics and not enough business. If the administrative branch of government could give us prosperity by filing political lawsuits, then the tenant farmers would all be rich. If the legis lative branch of government could cure the evils of society by increasing the volume of laws, we would have a perfect civilization. If the judiciary branch of government could give us justice by making political speeches from the bench, then we would have no more injustice within

"The farmer cannot expect in government to reap something he does not sow, any more than he can plant thistles in the soil and harvest grain. It is no more possible to make a statesman out of a politician than it is to make a silk purse out of a The farmers of Texas sow's ear. must face the situation squarely. We are the predominating class, and we cannot escape the responsibilities of government. Upon our shoulders rest largely the destiny of Texas, and upon our ballot the policy of government depends."

Use of Powers of Office to Advance Personal Ambitions Is Crime Against People, Says H. N. Pope.

DO YOU KNOW WHERE TO BUY THE BEST SHOES **Herndon Says** "In Electing Success, Fine Footwear Votes In the Affirmative. and what Herndon says is so IN the army of shoe wearers more than half of them occasionally find fault with their footwear. We think we can tell you where the trouble lies. They should pick out a good shoe store--let folks there find out what they really need and stick to the one place. # KILLS COTTON CHOP NO HOPE AVOID.

Washington, July 2.-The war de partment is speeding preparations for the Mexican campaign, confident that war between the United States and Mexico is only a matter of days.

and state department officials appeared to be strained almost to the breaking point when the day passed without response to the American de

Army chiefs hope the Carranza reply will not arrive before the middle of next week, because every day's delay gives them an additional number ofsoldiers with which to swell the for es on the border.

By the middle of next week, army officials believe, the bulk of the national guard either will be enroute to the border or ready to entrain.

#### Staff Glad of Delay.

When the house recessed today unnot be able to appear before congres before Wednesday and the war department is given more time to rush men, guns and ammunition to the border to prepare the army to launch its Mexican campaign as soon as the orders

Army staff officers are paying no heed to the possibility of settlement of the conflict with Mexico by diplomatic exchanges. They are not con cerned over the talk of mediation to

The military men who are charged with the task of preparing for war are willing to permit the state department to exchange notes and discuss co-operation while they are mustering in soldiers, mobilizing ammunition and supplies and preparing to fight.

The opinion generally held by army officers is that war with Mexico can ot be averted, no matter what notes w be exchanged with Carranza, nor how many neutral diplomats tender eir good offices.

speeches as being intended mere ly to give notice to the world that the inited States has sought to avoid

### Officers Expect War.

if officers of the army who have constant communication with Funston and General Bell that the Mexican armies and

state department refused to nt on the defiant memorandum in Mexico City by Carranza's oreign minister yesterday because it had not been officially presented to he United States. War department fficials are unwilling to discuss it.

They branded the charge that Capin Boyd and the other American ofprecipitated the clash at Carzall as a plain lie, conceived to mask treacherous ambush into which

Carranza officers participated fight at Carrizal, to them was nand that Carranza shall make known are to order treacherous at-

there is another Carrizal, army not notes They count on General Funston to fight and let the writing follow.
