RETAIN BOARD

By a vote of nearly two to one, the gated. citizenship of Sweetwater voted to re tain the Board of City Development. While this result was not unexpected nevertheless the argument should end here and now. The work that is waiting for Sweetwater to do demands a united effort if it is to be eftected. And right now is a fine time to forget that there ever was a fractional difference of opinion.

The impendign election to a large extent handicaped the operation of the board. Now that handicap has been removed, it is time to begin hammering along lines already laid out and in other ways that may suggest themselves as we go along

Carolina Lady Got So She Could Just Drag.—"Cardui Built Me Up," She Declares.

Kernersville, N. C.—In an interesting statement regarding Cardui, the Woman's Toule, Mrs. Wesley Mabe, of near here, recently said: "I have known Cardui for years, but never knew its worth until a year or so ago. I was in a weakened, run-down condition. I became draggy—didn't est or sleep to do any good; couldn't do anything without a great effort. I tried different remedies and medicines, yet I continued to drag.

"I desided to give Cardui a trial, and found it was just what I really needed. It made me feel much etremeer soon after I began to use it. I began to eat more, and the nervous, weak feeling began to leave. Seen I was sleeping good.

"Cardui built me up as no other tonic ever did.

"I used Cardui with one daughter who was puny, felt hed and tired out all the time. It brought her right out, and soon she was as well as a girl could be. We think there is nothing like Cardui."
