## MOST IMPORTANT RACE UNDECIDED

Impossible to Pick Winner in Reporter's Circulation Contest, For Wonderful Prizes.

**PUBLISH STANDING SOON**  
Second Week Finds Contestants Still Entering—Final Week's Work Will Be Important.

Inquiries coming in from every nook and corner of Nolan and adjoining counties, coupled with the entrance of new candidates, is conclusive proof that the Sweetwater Reporter's mammoth \$2,000 Automobile and Prize Campaign is daily gaining momentum and creating wide interest.

While the campaign is really in its infancy—practically just begun—the tremendous interest manifested augurs well for the success of this prodigious contest. It has been freely predicted that owing to the handsome prizes offered, plus the liberal commission proffered to the non-prize winners, this much-talked-of campaign will be a matter of interest long after some lucky person has glided smoothly away in that beautiful Sport Model Maxwell.

And, it is a positive fact that one of the happy contestants will capture the Grand Prize on August 30—the final day of the contest. Another fortunate candidate will cop the new Console Model Brunswick Phonograph—the sparkling diamond ring—a beautiful chest of silver and an attractive, as well as expensive, wrist watch. Is it any wonder that candidates continue to enroll?

It is well for every candidate to remember, however, that the contest has practically just started; the standing of the candidates soon to be published will mean but little in the race that faces the crowd of prize hunters. The point is, the race is far from run; as a matter of fact, the winner will come under the wire on August 30—the close of the campaign—and not before.

At the present time every contestant has an equal chance—it is far too early to hazard a guess as to the probable winner. It is utter folly for any candidate to figure that they have the grand prize won and safely stowed away and it is equally foolish for any candidate to imagine that any particular competitor is a sure winner. The contest has FOUR weeks to run, and, according to record of numerous past campaigns, the prizes are captured during the LAST WEEK. That is only natural, for willing friends inevitably come to the rescue of their favorites in the last stages. It has ever been thus.

Subscriptions mean votes and VOTES mean prizes.  
As a gentle reminder to those who expect to enter TOMORROW, we suggest that you clip the Entry Coupon TODAY. There is no time like the present. The only course to pursue is—ENTER NOW.

J. L. Robinson came home from Dallas and spent Sunday with his family and returned Sunday night.

## WHEAT RECORD

Kansas City Receives 1,872 Cars in Day—Many Cars Delayed on Side Tracks.

By The United Press.  
KANSAS CITY, Mo., July 28.—All previous wheat receipt records were broken today with 1,872 cars. Receipts would have been higher if transportation of thousands of cars on blocked side tracks in Kansas had been expedited.

If placed in a solid train, the cars would form a train 18 miles long grain men declare. Such a train would contain 2,340,000 bushels of wheat, at \$1.30 a bushel. The receipts were 1,289 bushels a week ago, and 799 a year ago today.

The fact that men have died for independence doesn't prevent a good deal of grumbling about paying alimony, according to Oklahoma City Times.

HOPE FOR AGREEMENT

Delegates in High Spirits as Plenary Session of Reparations Conference Opens.

By The United Press.  
LONDON, Eng., July 28.—With the Anglo-American bankers group apparently having won its point, and Premier Herriot agreeable to promise financial and military evacuation of the Ruhr, the inter-allied conference met in plenary session at the foreign office with the delegates in high hope of reaching an agreement.

It was understood as the delegates arrived in high spirits that Herriot had capitulated and agreed to promise evacuation of the Ruhr, in which event the bankers group would approve the conditions of the international loan to Germany, and it would be possible to set the machinery of the experts plan to motion.

Miss Naomi Stewart of Jal. N. M., is here visiting her aunts, Mrs. R. B. Ross and Mrs. Ozment and other relatives.

## LODGE IS ILL

Republican Senate Leader Undergoes Hurried Operation Following Sudden Attack.

By The United Press.  
BOSTON, Mass., July 28.—Senator Henry Cabot Lodge, Republican leader in the Senate, is seriously ill in a Cambridge hospital following a sudden attack of bladder trouble which resulted in a hurried operation Sunday.

Attending physicians described his condition as serious but satisfactory. He is doing very well, they explained, for a man of his years, but his advanced age—he is 74—makes the situation dangerous.

A second operation may be necessary before the patient can be discharged from the hospital, it is feared. Senator Lodge has been suffering from bladder trouble for some time. It is believed that the crisis will be passed within 24 hours.

Mr. and Mrs. W. A. Cogdell of Abilene were week-end guests of her parents, Mr. and Mrs. George Altizer and family on Walnut street.

## FAMILIES WILL GIVE TESTIMONY

Defense in Leopold-Loeb Murder Trial Decides on Move at All Night Conference

DEFENDANTS UNCONCERNED

Laugh and Talk While Testimony Drags—Parents to Tell Intimate Lives of Youths.

By The United Press.  
CHICAGO, Ill., July 28.—All members of the Leopold and Loeb families—including the parents—will take the witness stand and bare intimate details of the lives of Nathan Jr., and Richard, in a desperate effort to save the youths from the gallows, it was decided today.

In a long conference of defense attorneys, alienists, and members of the families at the home of Clarence Darrow, chief counsel for the defense, lasting until 2 o'clock this morning, the decision was reached to spare neither the parents nor the boys the shame and pain of parading before Chief Justice Cavelly, sitting as judge and jury in the judicial hearing, the misdeeds of Nathan and Dickie.

Darrow had hoped to spare Loeb's parents, ill in their retreat at Charlevoix, Mich., and had also hoped to save Nathan Leopold Sr., the humiliation of taking the stand to reveal the fantastic career of his son.

Conferences of the defense were held all day Sunday for the purpose of smoothing out the details of the case due for presentation Tuesday. The last conference was being held in the Darrow home when a Chicago morning paper blazed out with the heretofore secret report of the alienists who examined the boys. This decided Darrow to call all who have a knowledge of the past of the youths to take the stand.

The state hammered out the last link in the chain of evidence with which it hopes to send Leopold and Loeb to the gallows. Crowe, state's attorney in personal charge of the prosecution, was rounding up the odds and ends.

Hand writing experts identified various documents in the case. Defendants and spectators appeared bored by the testimony, and many spectators drifted out of the court room.

Leopold and Loeb, tiring of the drone of the testimony, talked and laughed and seemed unmindful of the attention upon them by the alienists' report on their physical conditions.

## REBELS BEATEN

Federals Have Captured All Strongholds in Sao Paulo—Bombardment Lasted Several Days.

By The United Press.  
RIO DE JANEIRO, July 28.—The rebel forces which have been holding Sao Paulo since midnight of July 4, have capitulated, an official communique announced here today.

The announcement was not unexpected, as it was known that the heavy federal bombardment which had been under way for several days had placed the rebel troops in a hopeless situation. The federal forces, estimated at 30,000, have been pushing forward through the city for several days.

"Legal troops (government forces) have taken all the rebel positions in Sao Paulo" the communique stated.

Mrs. R. C. Ledford and son, Harrison Ledford, will return soon from an auto trip to Webster, where she visited her sister, Mrs. Hope Turner, and made a short pleasure trip to galveston.

## LYNCH DAVIDSON CARRIES COUNTY

Fifteen Boxes Give Lynch Davidson 702 Mrs. Ferguson 587, Felix D. Robertson 566.

WILL C. EDWARDS WINS HERE  
Harry Tom King Tops Opponents in Nolan County—Several State Races Are Close.

Nolan County ran true to the prediction dope in giving Lynch Davidson the largest vote in the contest for Governor, with Judge Felix Robertson and Mrs. Ferguson in a tight race for second place.

Morris Sheppard carried the county easily for re-election to the United States Senate. His majority over the combined vote cast for his two opponents was well over 1,000 votes.

Will C. Edwards was Nolan County's choice for Lieutenant Governor. Barry Miller of Dallas County was the popular newspaper man's nearest opponent, with Malone and McCall bringing up the rear.

Dan Moody, leading the State in the early returns, was far ahead of the other candidates for Attorney General. J. M. Melson ran second in Nolan County, with Wall third and Ward fourth.

First honors in the county in the race for Comptroller went to A. J. Smith, and low score to another member of the Smith family, Don F. Moulden, Baker, Bell, and Terrell, the latter listed Sunday as leading the field in the State for the office, shared votes about equally.

The three candidates for Chief Justice of the Supreme Court ran a close race, with Cureton leading Buck and Wear by little more than 100 votes. The race between George B. Terrell, picked as successful candidate for Commissioner of Agriculture, and his opponent, Robert E. Spazman, was also very close in Nolan County, with Spazman about 50 votes in the lead Sunday afternoon.

J. C. Mason and Clarence E. Gilmore were running neck and neck in the county with the returns virtually complete Sunday afternoon. Ed Weaver dropped out of the local race for Railroad Commissioner, regular six-year term.

## FIX STATE RATE

Automatic Tax Board Sets Maximum of 75 Cents on \$100 Valuation For Year.

By The United Press.  
AUSTIN, Texas, July 28.—The constitutional maximum of 75 cents on the \$100 valuation was fixed by the state automatic tax board as the state rate for this year.

The ad valorem tax is 35 cents; school tax, 35; confederate pension, 5. This is the same as last year's rate. The grand total to be raised in the state is \$13,120,905.

Record Crop Assured.

By International News.  
HENRYETTA, Ok., July 28.—Reports coming from the planters in this section are to the effect that the recent rains assures the Henryetta district the greatest crop of cotton yield since 1919, when a number of tenant farmers were enabled to purchase the farms they tilled, and that is quite likely what will happen this season if present indications mean anything.

## HOG MARKET UP

New High For Year in Kansas City With \$10.05 Top—Chicago Highest Since World War.

By The United Press.  
KANSAS CITY, Mo., July 28.—Hogs sold from 50 to 60 cents higher, with a top of from \$9.85 to \$10.05, a new high for 1924, but a dollar under the record high of 1922.

By The United Press.  
CHICAGO, Ill., July 28.—Hog values hit the highest point since world war days today at the local yards. The average reached \$10.50, with prices going up from 40 to 85 cents during the day.

## Lynch Davidson In Second Place

Retains Lead of Thousand Over Mrs. Ferguson in Hot Contest For Second Place In Governor's Race.

## ROBERTSON PILES UP BIG LEAD

Dallas Judge Has 38,000 Plurality Over Nearest Opponent—Moody Retains Lead in Attorney General Race.

By Texas Election Bureau.  
DALLAS, Texas, July 28.—Robertson continues to lead in the State gubernatorial race with Lynch Davidson regaining second place and Miriam Ferguson third in returns from 212 out of 252 counties with 16 of them complete.

The figures are: Robertson 138,053; Lynch Davidson, 100,149; Ferguson, 99,319; Whit Davidson 85,242; Barton, 22,095; Collins, 13,907; Dixon, 3,032; Pope, 11,213; Burkett, 13,907.  
In the Attorney General's race Moody leads with 192,183, Ward 78,181, Wall 71,022 and Melson 60,564.  
In other state races, the run-off will be between S. H. Terrell and O. D. Baker for Comptroller; Robison and Sarzent for Land Office Commissioner; Gilmore and Mason of Merkel for Railroad Commissioner, Smith and Nabors Railroad Commissioner.

Mauzey Runs Strong.  
Additional returns received since the publication of results on county offices failed to change the situation in any way and the list of county officers will remain the same with exception of Commissioner Precinct 2.  
County Judge A. S. Mauzey was re-elected by a little less than a two to one vote over John H. Cochran Jr., who had previously served Nolan County in a similar capacity. Judge Mauzey carried every box in the county with the exception of Dora and Maryneal.

## WARNING SENT BY U S TO PERSIA

May Break Relations with Teheran Over Killing of Robert Imbrie, U. S. Vice Consul.

DEMANDS REPARATIONS  
Punishment For Guilty Also Asked—Want Guarantee of Safety of Americans in Persia.  
By The United Press.  
WASHINGTON, D. C., July 28.—The American government today warned Persia that it may break relations with the Teheran government if satisfaction is not obtained for the murder of Robert Imbrie, American vice consul.

The American note of protest made public by the State Department, declared that "full reparations should be made for the killing of Imbrie, and that punishment should be meted out to the guilty."

The note demands "assurance be given affording adequate protection for the lives of Americans, and that the safety of officials of the American government in Persia should be guaranteed."

George T. Rea, returned to his home at Fort Worth Saturday night, following a week's visit here with his son, Gus Rea and family.

## HUGHES CONFERS

Informal Mediation Did Much to Restore Confidence in London Reparations Conferences.

By The United Press.  
LONDON, Eng., July 28.—Informal mediation by Secretary of State Hughes is generally understood to have been the turning confidence, the Evening Standard said today.

Hughes left for Paris today, bid farewell at the station by Ambassador Kellogg and the Allied officials of the Big Five—McDonald, Theunis, Herriot, and De Stefani—who then went to number 10 Downing street to discuss the details of this afternoon's plenary session.

Mrs. Sue Hearncock of Abilene, returned to her home Saturday following a visit with Mr. and Mrs. Peyton Rogers in the Orient Addition.

Miss Mary Elliott returned Sunday night from a week's visit at Cross Plains.

**PROPHECY**

The present indications in the State gubernatorial race would seem to bear out the prediction made in this editorial column some time ago—viz. that the run-off would be between Felix D. Robertson and J. E. Ferguson. Since that prediction was made, "Farmer" Jim has been disqualified and his wife Miriam substituted on the ticket. This substitution does not seem to have diminished the well known Ferguson vote—increased it if anything.

On the basis of returns in the first primary a woman governor of Texas is very distinctly among the possibilities.

Felix D. Robertson, bearing the endorsement of the Ku Klux Klan, will vote his full strength in the first primary—as do all candidates and as of course will Mrs. Ferguson. It is the vote that is scattered among the other candidates that will elect the Governor of the State. And among the other candidates the Klan will presumably have a bearing on only two—V. A. Collins and Barton. Some of this strength may possibly swing to Robertson, although it did not in the first primary. It is comparatively so small that it will not cut much figure, however.

It is hardly likely that any of the Whit Davidson vote will go to Robertson. Whit Davidson has consistently opposed the Klan. He has been endorsed by the Farm Labor element—an old Ferguson crowd. It seems probable that most of this vote will go to Mrs. Ferguson except that portion who may be opposed to women

office-holders and especially the novelty of a woman in the Governor's chair.

The Lynch Davidson vote is not so easily analyzed. It is largely anti-Klan of course, for Lynch Davidson consistently opposed the hooded organization. That element will go to the support of Mrs. Ferguson presumably. However, the Lynch Davidson vote was composed largely of the remaining independent element of the State that does not permit any organization to control its vote and is not controlled by prejudices. It will vote as it makes up its own mind as to the welfare of Texas. Whether this vote will be cast for Robertson or Mrs. Ferguson will depend upon how they size up the situation—whether they prefer the Klan with Z. E. Marvin and Tom Love of Dallas in control of Texas or Jim Ferguson.

**NO WOMEN ALLOWED!**

**Barber Says Shop Should Be Haven of Men.**

EL PASO, Texas, July 28.—Taking the bit in his teeth, O. L. Ehlers, barber, has notified women that he doesn't want their patronage. He placed a sign over his shop "No Ladies Hair Bobbing in This Shop."

As Ehlers explains it, women have no business in barber shops which have been and always should be men's tonsorial havens. The women, he declares, should patronize beauty parlors. And besides, women are hard customers to please. They fidget and squirm around in the chair and make a nervous wreck out of the poor barber, Ehlers claims. They balk, too, when it comes to waiting their turn. The women sneer, pitily, as they pass Ehlers' sign, but the men come in with a glad smile, he says.

**Are Enjoying Vacation.**

Mr. and Mrs. M. B. Howard and party are having a most wonderful trip, according to news received here by friends. They are now at Denver and have seen some of the most beautiful scenery in the world enroute and on side trips made from Denver. They have had no car trouble and M. **DAMAGE BUILDINGS**

**Small Boys Believed Responsible For Damage to School Buildings.**

Local officers report that a large amount of damage is being done to school buildings over the city, the high school, and east ward school suffering the greatest amount of damage. Many windows in these two buildings have been broken recently, and further damage has resulted on the interior.

It is the opinion that small boys and their "nigger shooters" are responsible for the greater part of the damage. This theory was proven in regard to the east ward building when several boys were caught red handed. Officers state that the damages to the buildings will have to be paid for and that any one guilty of these offenses will be prosecuted.

FORT WORTH, Texas, July 28.—Imagine stalwart Texans with their middles clasped by contraptions of steel and canvass

That's what we can expect, according to P. G. Pflueger, haberdasher. Pflueger, who insists he isn't joking, says the men in Paris are already wearing corsets, and since Paris fashions usually arrive down here about a year later, he predicts that 1925 will see Texas males donning corsets each morning.

Mrs. Earl Wilson of Hereford who has been visiting her parents the past six weeks, received news Sunday that her husband had been elected County Judge and Superintendent of the Public Schools of Deaf Smith County. He will be in Sweetwater to spend a few days soon.

PORT ARTHUR, Texas, July 28.—The "mystery railroad" which settlers who have lived in this section for 65 years couldn't explain, was built at the order of Sam Houston when Texas was fighting Mexico for independence in 1836.

This information was given by J. R. Mitchell of Carson, La., who said his grandfather told him the story of the road. The line was built for military purposes, but was never used by General Houston as a military measure.

By The United Press.  
NEW YORK, July 28.—Demanding security for American investors in German bonds, J. P. Morgan sailed for England today, where he expects to advise allied statesmen at the London conference. The banker made it clear in a formal statement that he was not going in an official capacity, that this was his annual vacation, but that if

asked he would be glad to advise the members of the conference.

"As bankers," Morgan said, "we should not ask the American investor to buy German bonds until the Allies determine a policy that in our opinion will give security to the holder."

**N**OW it can be told. Three years ago we decided to revive a famous old secret method of mellowing tobacco—"Wellman's Method", it was called.

For three years we have been quietly trying it out—we, and about a quarter-million shrewd pipe-smokers who discovered it for themselves.

No whirlwind campaigns, no "special offers", no extravagant claims; Granger Rough Cut has made good on its taste alone. There could be no better proof of its quality.

Now we are ready to "tell the world". An extraordinary pipe tobacco. "Wellman's Method"—now ours exclusively—not only mellows tobacco, but "rounds it out"—gives it a new taste, richer and milder.

There's no other method like it, nor any other tobacco like Granger.

And not only differently mellowed, but cut differently—cut for pipes. The Rough Cut burns more slowly, hence smokes cooler—and a pipe-load lasts nearly twice as long. And finally—notice the package.

If Granger Rough Cut were packed in fancy lithographed tins, it would cost 15 cents.

But wrapped in smart heavy foil, you get this fuller, longer, cooler smoke at a third less cost. Foil instead of costly tin—hence the price.

Too good to be true? Ask any man who has tried it. Better yet—get out your pipe!

**Granger Rough Cut**

**A Pointer on Tobacco—**

The slower a tobacco burns, the cooler it smokes. Also the longer it lasts. This slow burning is due to the "cut". Granger is "rough cut" to smoke slow and cool—cut for pipes, not cigarettes. And Wellman's famous old secret method produces richer fragrance and taste.

## LYNCH CARRIES COUNTY

(Continued from Page One)

J. E. Binkley and J. T. Robison hotly contested the honor of carrying Nolan County in the vote for Commissioner of the General Land Office. Will Sargent was a close third when most of the precincts had reported the final count.

W. A. Nabors, seeking re-election to the office of Railroad Commissioner for a four-year unexpired term, carried Nolan County, with J. M. West second and Lon Smith and Robert Speer fighting for third place.

Harry Tom King of Abilene carried the county by several hundred votes for State Senator, Jesse L. Smith came second, and B. L. Russell third. Congressman Thomas L. Blanton got but little opposition from Ernest G. Albright, who received a few scattered votes in the county despite the fact that he withdrew from the race shortly before the primary.

## LYNCH DAVIDSON SECOND

(Continued from page 1).

Chairman Democratic Committee; Lloyd Rogers, Public Weigher, Precinct 1; P. A. Smith, Justice of the Peace, Precinct 5, and George Eatwell Justice Precinct 7, were all re-elected without opposition.

**Unofficial Totals.**

The total from the Roscoe box was received Monday morning but Mulberry Canyon was still out. It is a small box however and will not affect returns.

As soon as the official vote is available, it will be published in tabular form. The unofficial vote, subject to minor corrections here or there follows:

For Senator: Sheppard 1709, Davis 366, Maddox 183.

For Governor: Barton 95, Dixon 21, Ferguson 529, Lynch Davidson 656, Whit Davidson 110, Collins 72, Burkett 209, Pope 35, Robertson 543.

For Lieutenant Governor: Edwards 870, Malone 251, McCall 430, Barry Miller 633.

The vote for County Judge was: Cochran 950, Mauzey 1798, For Sheriff: Yarborough 1739, Lambert 1071. For Tax Collector: Miss Elliott 1533, Jim Butler 1290. For County Superintendent of Schools: Fowler 1139, Scott 1055, Gilliam 607. For Treasurer: Hightower 1829, Farris 926. Commissioner precinct 1: Thompson 1043, Roy 777. Commissioner precinct 4: George 208, East-

well 154. Justice precinct 1, Brashear 692, Bryan 641.

**Davidson Carries Fisher.**

On the basis of returns still incomplete, Lynch Davidson appears to have carried Fisher County, with Robertson and Ferguson running very close for second place.

Smith apparently carried the county for State Senate with King second and Russell third.

Bruce Bryant of Haskell was elected District Judge over Walter S. Pope of Jones County. Bryant carried every county in the district in addition to Fisher.

**Mitchell County.**

Lynch Davidson apparently carried Mitchell County on the basis of incomplete returns with Mrs. Ferguson and Robertson pressing him closely. Thompson carried the county as county judge, with I. W. Terry apparently re-elected Sheriff by a large margin. A run-off in the county judge race appears imminent with either Wulfgren or Cole opposing Thompson.

**Judge House Wins.**

Special to The Reporter.

**ROTAN, Texas, July 28.**—On the basis of late returns, R. C. House apparently has defeated A. F. Connell as County Judge of Fisher County, 1678 to 1308. Roy F. Formway and F. Allen had a close race for county attorney, with Formway leading 1455 to 1407.

W. M. Burnett is leading both his opponents in the sheriff race, 1583, with Sheriff Lambert polling 894, and Hughey 465. Maisey Hambright leads for County Clerk with 1521, Bond 952 and Roberts 457.

N. F. Bonner is county treasurer with 1316 votes as compared with F. J. Strobel 961 and Debusk 555.

R. E. Parker is leading for tax assessor with 1957 votes as compared with R. E. Parker 669.
