MRS FERGUSON CARRIES COUNTY

Official Returns Show Her Nolan Majority Over Dr. Butte For Governor 303 Votes.

BUTTE TAKES 5 PRECINCTS

Carries Nolan, Hylton, Blackwell, Dora, and Rocky Crossing—Pension Wins 5 to 1.

By The United Press.

DALLAS, Texas, Nov. 8.—Mrs M. A. Ferguson held a lead of 75,440 votes over Dr. G. C. Butte as on the basis of complete returns from 156 out of 252 counties in the State to the Texas Election Bureau at 6 o'clock tonight. The tabulation gives Mrs. Ferguson 292,197 and Dr. Butte 217,751.

The final majority of Mrs. Ferguson is estimated at 120,000 by the Texas Election Bureau. No more reports will be given out until Monday. Will Not Appeal.

Disclaiming any intention on the part of the Republicans of Texas to contest the gubernatorial election unless the result was very close, W. E. Talbot, campaign manager for Dr. Butte said the incident was closed, in a statement issued here tonight. Mr. Talbot said that while undoubtedly many votes were thrown out by election officials contrary to the ruling of the State Attorney General, the list was comparatively small as a whole.

According to complete official returns in Nolan County from the general election held Tuesday, "Ma" Ferguson now leading her Republican opponent for Governor, Dr. George C. Butte, by approximately 50,000 votes, carried the county by 303 votes. The county totals are: Ferguson, 1,170; Butte, 877.

Butte carried five precincts in Nolan County, Dora, Nolan, Hylton, Blackwell, and Rocky Crossing. His largest majority was in Hylton, where he carried the precinct by 48 votes. The Confederate Pension amendment carried in Nolan County by more than five to one, incomplete returns showing 694 votes for the amendment, and only 129 against it. The pension carried in the state by a large majority.

Democratic electors received 1,610 votes, and Republican, 853. The vote for Davis, Coolidge, Ferguson, and Butte, by precincts, follows:

NEED BOOKS

The Sweetwater Public Library has been established long enough to make its value to the community well established. And now the thing to do is to establish the library a little more firmly. It needs more books. A library can never have too many. Think what it would mean if every person in Sweetwater donated just one book? Sweetwater is leading the procession in West Texas in too many ways to permit any lapse here.

LODGE SINKING

By The United Press. CAMBRIDGE, Mass., Nov. 8.—The condition of Senator Henry Cabot Lodge was considered most serious tonight. He suffered a sinking spell during the day and at 8 p. m. had been unconscious for more than 80 hours.

Attending physicians declared his condition "less favorable" while others believed that he would not survive the night.

Soviet Celebration Features Decorated Statue Of Liberty

By The United Press. MOSCOW, Russia, Nov. 8.—A placard showing the Statue of Liberty adorned with the Fascisti swastika was displayed before the Volshoy theater last night as a feature of the Soviet celebration of the seventh anniversary of the Communist revolution.

Throughout the day hundreds of thousands of workers paraded under the Red Flag. Banners urging increased production in industries predominated in the parade.

Affidavit That Defeated Gubernatorial Candidate Was Kluxer Party Victim—on Lookout.

By The United Press. BUNCEON, Mo., Nov. 8.—Charles Burns, who came into prominence in Missouri politics when he signed an affidavit declaring that Dr. Arthur Nelson, defeated Democratic candidate for Governor, was a member of the Ku Klux Klan, has been accidentally shot and killed by his son at the Burns farm near here, according to information reaching here tonight.

The shooting, reports said, occurred yesterday, but was not disclosed until late today. Burns and his son, Ray, 18, had been guarding the house since the affidavit was made public.

Young Burns, according to advices, broke his shotgun to unload it and accidentally discharged both barrels. The elder Burns was instantly killed. No inquest will be held, Cooper County officials declared after an inquiry determined that death was accidental.

Lamb County Farmer in Custody Says He Shot at Cows—Rifle Bullets Injure Woman.

By The United Press.

LUBBOCK, Texas, Nov. 8.—G. A. Rice, Lamb County farmer, was held in custody tonight pending the outcome of injuries sustained by Mrs. May Cummings when a dozen rifle shots raked her home here today. Her condition is not considered serious.

Rice admitted firing the shots but declared that he was shooting at cattle that had broken into his field, and did not know that the house was in the range of his fire. Relations between the families have been strained for months, according to reports to officers.

Light Rain Falls.

Light rains fell over a small area in West Texas Friday night, according to reports, and warmer weather followed Saturday. Rainfall in Sweetwater Friday night amounted to only .03 of an inch, the Sweetwater Vulcanizing Co. reported, but it was enough to settle the dust created by a long dry spell.

GOOD BOOK WEEK

The Self Culture Club of Sweetwater is rendering this community a valuable service in establishing and maintaining a Public Library in this city.

I have been requested to designate the week of November 9th to 15th inclusive as Good Book Week, and Sunday, November 9th as Good Book Sunday. It is desired that everyone bring books to their church on Sunday, to be donated to the Public Library. In compliance with this request the pastors of the churches, the teachers in the schools, and all organizations in Sweetwater, are urged to assist in making Good Book Week a success.

Books and donations will be received at the Library from 1 to 5 o'clock each afternoon.

(Signed) JOE H. BOOTHE, Mayor.

FINISH PROGRAM OVER SUPPLY OF CELEBRATION TURKEY MARKET

Armistice Day Observance Here To Start With Parade of All Ex-Service Men.

BANQUET ENDS CELEBRATION

Address, Service at Graves, Football Game, Big Time For All Here Tuesday.

The celebration sponsored by the American Legion to be staged here Tuesday in observance of Armistice Day will feature one of the largest and most complete parades staged in Sweetwater in over a year, and this, in addition to other features for the day, will go to make up a very eventful program appropriate for the occasion. Ex-service men from over the county are invited to Sweetwater for the day, and the Legion is urging all World War veterans to attend in uniform for the parade.

The parade will start at 10 o'clock Tuesday morning and the various units of the procession will be as follows:

- Color Guard.
- Sweetwater Band.
- Legion Members and other ex-soldiers.
- National Guard.
- Fraternal Organizations.
- Boy Scouts.
- School children.
- Ladies Auxiliary in cars.

Everyone is invited to enter the parade in cars, who desire to do so, the Legion committee announced Saturday. The parade will proceed from the Armory on lower Oak street, to the T-P station, march one block east, then north to the north side of the court house and west to the first National Bank building. A line will be formed on the west side of the court house, and all will stand at attention when the fire whistle blows.

Hon. R. M. Chitwood will deliver an address from the court house steps, and following the speech, four cakes will be auctioned for the benefit of disabled veterans. A short program will be held at the cemetery when grave markers will be erected.

At 2:30 o'clock Tuesday afternoon, football players will stage a parade through the business section of town, following which everyone will go to Swatter Park to witness the football game between the Sweetwater and Ballinger high school elevens. A banquet will be served at 8 o'clock Tuesday evening for Legion members and families at the Robertson Cafe.

FLYERS LAND

Wade and Nelson, Two of the American World Flight Expedition, Arrive in Houston Saturday.

By The United Press. HOUSTON, Texas, Nov. 8.—Driving through a downpour of rain, Lts. Leigh Wade and Eric Nelson, globe girdling aviators piloting the Boston II and the New Orleans, landed here at 12:30 p. m., coming from San Antonio in a little less than three hours flying time.

Evangelist John M. Rice of Abilene, passing through Sweetwater on an appointment, will preach at the Church of Christ Sunday evening at 7:30.

DRESSING PLANT HERE REFUSES TO BUY BIRDS SATURDAY ACCOUNT FLOODED MARKET OF EARLY SEASON.

Poultry Man Says Farmers Should Wait Until Market is Cleared Before Selling.

The local poultry dressing plant closed its turkey market Saturday at noon and were not buying birds Saturday due to the flood of turkeys on the market and the over supply that has been rushed to Sweetwater for the past three weeks. The market was down to 15 cents per pound Saturday. It was reported, dropping from 18 cents.

The vast shipments to the New York markets following the modifying of the quarantine regulations is responsible for the decline of prices, poultry men state, as is also the fact that farmers are rushing their birds to the markets all at once and earlier than last year.

The turkey market opened much earlier this year than it did last year, with the result that the birds are grading low on account of poor condition, and that farmers are all trying to sell at once instead of waiting later in the season.

The Western Produce Co., of this city began dressing turkeys Sept. 20, which is two weeks earlier than they started in 1923. Their third carload of dressed turkeys for 1924 will be shipped out Sunday, they report, while the first carload in 1923 was not shipped until Oct. 13th. These figures show the marked increase in the early markets of 1924 as compared with 1923.

G. J. Diehlmann, manager of the Western Produce Co., stated that the present lack of a turkey demand locally was not due to a low market, but was due to the fact that farmers were pouring their produce onto the market in such quantities that they could not be handled.

"We have all the birds we can handle at present," Mr. Diehlmann stated, "but we expect to be out of the farm early next week. Then if the farmers will not all rush the birds to the market at the same time, the price will doubtlessly remain steady, and we can handle the season's crop. Everyone can sell their turkeys and get good prices. With Christmas still nearly two months off, the demand of the Christmas markets will be steady, and the market will be better than if all the birds are not sold now."

Miriam And Nellie Receive Invitations From San Antonio

SAN ANTONIO, Texas, Nov. 8.—Governors-elect Miriam E. Ferguson of Texas and Nellie Taylor Ross of Wyoming will meet here next month if they accept the urgent invitations already sent them to visit friends and relatives in this city.

District Judge S. B. Taylor, brother of Mrs. Ross, has invited his sister to visit here in December. No room had John Bickett, friend of the Fergusons, learned of this, than he invited "Ma" to be the guest if his wife and himself at the same time.

PLAN LADIES NIGHT

Sweetwater Club to Meet November 20—Speakers Coming.

The next meeting of the Sweetwater Luncheon Club has been set for November 20, when ladies night will be appropriately observed. A very interesting program, including out of town speakers, and other features, is being worked out and Ladies' Night is expected to be as memorable in 1924 as it was last year, when Hubert Toler cut the big cake, and various other events took place.

REFINERY BEGINS OPERATION HERE

After Nearly Year's Idleness, Sweetwater Refinery Has Crude in Stills.

SHADE LEASES PROPERTY Built in 1920, Plant Stood Idle Till Present Operator Took Charge—East Got Stock.

After standing idle for nearly a year, the Sweetwater Refinery has resumed operations under the direction of J. M. Shade who has again leased the property. A shipment of crude is being run through the stills and Sweetwater gasoline, kerosene and distillate are again available in this section.

The Sweetwater Refinery was originally built by the Rex Oil and Refining Co., in 1920. After this company quit, the plant stood idle until 1922 when it was leased by Mr. Shade and associates. Mr. Shade operated the plant until December, 1923, when the refinery was purchased by the Owens Oil and Refining Co. Stock in the Owens concern was industriously sold in Jamestown, N. Y., and a mortgage floated as well. Cash raised in this manner, it is reported, was used in sinking a well in the Central Texas field. The said well did not prove profitable and the control of the Sweetwater property of the Owens Company passed into the hands of a Mr. Paulsen and associates, of Jamestown, N. Y.

Mr. and Mrs. Shade and son made many friends while in Sweetwater before, who will be glad to welcome them back. Mrs. Shade was especially active in local musical circles.

Ex-Soldier Sails For American Home After Two Years in French Prison—on Arson Charge.

By The United Press.

CHERBOURG, France, Nov. 8.—John Ayott, an American war veteran from Michigan, sailed for his home today after two years spent in a French prison for arson.

President Doumergue pardoned him because of considerable doubt as to his guilt. The American married a French girl and afterward quarreled with his father-in-law. The latter's barn was burned and Ayott accused of the crime, which is a most serious one in France. Ayott was convicted and sentenced to a long prison term.

REPORT BOOSTS COTTON MARKET

Government Condition Report of 55.9, Forecast and Ginnings Hikes Market 40 Points.

REPORT BY STATES

Advance Largely Due to Stock and Grain Market Conditions—N. Y. Exchange Active.

By The United Press.

WASHINGTON, D. C., Nov. 8.—The condition of the cotton crop on November 1 was 55.9 normal, forecasting a total this year of 12,816,000 bales, the Department of Agriculture reported today. The cotton of the 1924 crop ginned to November 1 totaled 9,694,920 bales, the Census Bureau reported in a simultaneous statement.

Following the government report on the condition, forecasted yield, and amount ginned of the 1924 cotton crop, on November 1, issued Saturday, the cotton market advanced 40 points, January closing Saturday at 23.53-55 in New York, and 23.41-45 in New Orleans.

The spot market at New York, New Orleans, Dallas, Galveston, Houston, and Fort Worth advanced 40 points.

According to the report received in Sweetwater the advance Saturday was due mostly to the strength shown in stock and grain markets, which has caused a much better feeling in the trade condition. The crop estimate was about what was expected, while the ginnings were about 100,000 bales lower than most of the trade expected.

United Press reports stated that more than 1,000,000 shares of stock changed hands in the short day trading on the New York stock exchange Saturday, the third boom day since the national election. The market closed strong with buyers at attention to take advantage of any recession among the leading stocks.

ARMISTICE DAY

Tuesday, Sweetwater will join the nation in commemorating the end of the World War, November 11, 1918, when the Armistice between Germany and the Allies, who had taken all the fight out of the Teutonic War Lord, was signed.

It was a glorious day to the thousands of Americans in France, who had left their homes across the sea and offered to sacrifice their lives for the cause of freedom. It was none the less glorious to their families at home, who worked and saved to keep them in the field, and to the nations of Europe who had put all their strength into the fight against the Hun domination of the world.

Armistice Day must always be a glorious day. America must not forget her heroic dead and the spirit of glory in which they died. With their faces to the foe and their life blood spilled upon a foreign soil, these men and boys, fighting under Old Glory for the honor of the greatest nation in the world, died willingly that their cause might triumph, and in their last whispers, told their comrades to "carry on."

Six years have elapsed since the greatest conflict in the history of man ceased. Each year, on the anniversary of the Armistice, America has honored her war dead. Wheels of the nation's business and government have halted, and in every corner of the land, Armistice Day has been observed.

America will not forget. And while the Legions of the Dead are martialled Tuesday to watch their earthly comrades form the line once more that marched to victory, let us also honor the mothers and fathers who reared their boys to die on the field of battle, and the wives, sweethearts, and families who bore the grief that still tugs at their heartstrings, for the honor of the United States of America, and the glory of American Manhood.

Armistice Day must always be glorious, and its mission never forgotten.

FAITH

Many will study in Sunday School today the story of Jesus feeding the multitude who followed Him into the mountains. From the scanty supply of loaves and fishes available were fed the whole crowd of those present. Too many persons will concern themselves with the miraculous phase as attesting to His greatness without taking into consideration the much greater factor of Faith. Of the Faith of the multitude in Him and of His faith in His own Divine Power. Faith is the greatest source of potential energy, not only in matters spiritual but in a material world as

well. Faith in one's own ability to put it over. In everyone of us are vast sources of seldom tapped ability. Never do we exert ourselves to the limit in the pursuit of the worthwhile. A little more study along this line might have a wholesome and beneficial influence.

THE VIADUCT

City officials are displaying commendable interest in furthering the underground viaduct to provide a safe passage way between the north and the south sides of Sweetwater without a person having to take his or her life in his hands every time he finds it necessary to make that journey. If somebody were standing in that vicinity, taking occasional potshots at passersby with a high powered rifle, ways and means would soon be found to stop the proceedings. Several lives have been lost in grade crossing accidents in Sweetwater. The county road improvement program will abolish the grade crossings on the principal crossings outside the city. Should the municipality be any the less safe than country highways?

SUN SPOTS

On the basis of his study of the sun spots, the man who forecast the world war, Abbe T. Moreux, director of the Bourges Observatory in Germany, declares that Europe is in for a great deal more trouble between 1925 and 1928.

Moreux has been gazing at the sun for 20 years, and several years before the recent conflict broke out he told the world what it had coming. And if he is right about the next war, Uncle Sam will probably find a place in the unpleasantness over seas.

How a man can pick out the freckles on the sun and arrive at the conclusion that there will be a war during certain years is beyond us. Not wishing to spoil the gentleman's record in forecasting battles between nations, we hope that he is wrong this time. We would even go so far as to wish that there might be specks on the end of the gentleman's telescope, and not so many belligerent spots on Old Sol after all.

The Ladies' Auxiliary of the Board of City Development will hold its regular meeting Saturday afternoon at the Court House Auditorium, at 3 o'clock. Every member of the Auxiliary is urged to be present.

Sixth District Chairman. Many of Mrs. Lige Cutbirth's friends in the city and elsewhere will be happy to know that she has been appointed chairman of the sixth district of the State Federation of Music Clubs. She is hoping to form a County Federation of Music Club in Nolan County by the new year at least.

Mr. and Mrs. Sidney Mason, Mr. and Mrs. Cliff Richardson and daughter Miss Jewell were visitors to Snyder recently.

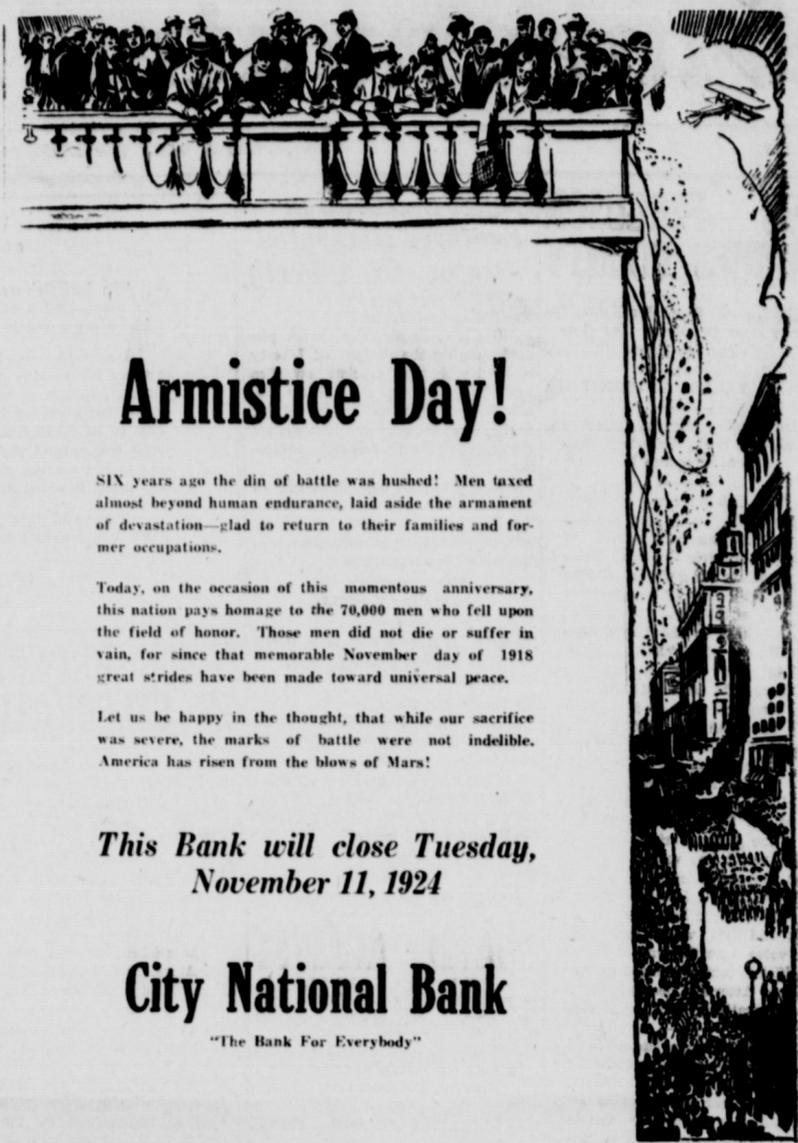

Miss Lucile Meadows of Plainview an old Baylor College friend of Miss Lorene Kelsey is spending the week end here with her and will leave tonight for Abilene to enter college.

Armistice Day!

SIX years ago the din of battle was hushed! Men taxed almost beyond human endurance, laid aside the armament of devastation—glad to return to their families and former occupations.

Today, on the occasion of this momentous anniversary, this nation pays homage to the 70,000 men who fell upon the field of honor. Those men did not die or suffer in vain, for since that memorable November day of 1918 great strides have been made toward universal peace.

Let us be happy in the thought, that while our sacrifice was severe, the marks of battle were not indelible. America has risen from the blows of Mars!

SELF CULTURE CLUB

Mrs. John Focht Hostess To Club Members Friday Afternoon

Mrs. John Focht was hostess Friday afternoon at a meeting of the Self Culture Club. Papers relating to their study on "Social Problems" were: "Feeble Minded People as a Social Danger"—Mrs. S. W. Browning; "Care of the Feeble Minded and Insane in Texas"—Mrs. M. A. Belcher.

The club literary committee will

meet Saturday afternoon with representatives from other clubs of the city at the public library to devise plans for library betterment and to consider a proposition for a Library benefit.

When adjournment had been announced by Mrs. Davis, Mrs. Focht passed plates of sandwiches, individual Os-good pie topped with red, white and blue ribbons suggested the near approach to Armistice Day.

Green Tomato Mince Meat

This recipe for Green Tomato Mince

Old in years doesn't mean old in body to D. Edson Smith of Berkeley, Calif. He's 86 now, but every day he goes through exercises—such as wrapping his left foot around his neck and touching the floor simultaneously with his head and feet. He expects to live to be more than a hundred.

Meat is published by request and will be found to be delicious and a good way to use up the green tomatoes instead of making chow chow out of them.

Chop one peck of green tomatoes and drain off all juice, then add as much water as juice drawn from tomatoes; add five pounds of sugar, 2 pounds of raisins cut in halves, and cook for 45 minutes; add two tablespoonful each of salt, cloves and allspices. Boil until mixture thickens, stirring frequently. Now add six chopped apples and when apples have cooked soft the mince meat is ready to serve. Seal while hot, though it will keep several days unsealed.

AMUSEMENTS

At The Palace.

Every youth, in his romantic moments, has dreamed of being shipwrecked on a desert isle, or lost in the wilderness, with a beautiful maiden!

Every desert isle is plentifully stocked with bananas and coconuts; any blazes in the regular diet of the stranded couple is bridged with a liberal serving of tropical love and kisses!

But the actuality is vastly different in Paramount's "Empty Hands", featuring Jack Holt, at the Palace Monday and Tuesday. He and a girl are cast in the Northern wilderness, empty handed except for penknife. They not only lack the most elementary tools and weapons, but also find themselves practically devoid of clothing.

Then begins a bare-handed struggle with nature to wrest from it the necessities of life. They are both highly civilized persons, but the advantage lies with the man, who has spent his life in the great outdoors, while the girl is the soft product of the cities.

At The Lyric.

The English libel law of "the greater the truth, the greater the libel" would put a tremendous cramp in the style of the average American newspaper reporter, especially Gladys Walton, in the latest Universal attraction, "The Wild Party" coming to the Lyric Theater Monday and Tuesday.

When an American reporter writes a story about a minister running away with the wife of the corner grocer, all his paper has to consider is the correct statement of the facts in the case. "If it's true it isn't libelous. But it must be accurate!"

Before Herbert Blache began the filming of "The Wild Party" he made a careful study of the libel laws relating to the publication of news involving to the slightest degree any angle which might be construed as libelous.

For one of the big punches in the picture hinges on this point. A sensational news story had stimulated street sales and a girl reporter was considerably elated over the "scoop" which she had put over on the rival papers. Then the bombshell burst.

A libel action to the extent of \$100,000 was filed against the newspaper which had printed the story. Only part of the story was right!

SOROSIS CLUB

Emerson's Essays Discussed at Meeting With Mrs. Bowen.

Mrs. Berry Bowen was hostess Friday afternoon at a meeting of the Sorosis Club, which had been postponed from last Friday, because of the Fair.

Mrs. F. J. Neall directed the program from "Ralph Waldo Emersons Essays" and roll call was answered by prose quotations from Emerson. Mrs. Frank Morgan led an interesting discussion on "Emerson as an Essayist"; Mrs. Neal followed, leading another discussion on Emerson's "Compensation", one of his most noted essays. Mrs. John Perry gave an interesting paper on "My Favorite of all of Emerson's Essays." Another paper of equal interest was given by Mrs. A. A.

On Dress Parade

Six years ago, the boys "over there" were far too busy making the Huns cry "Kamerad" to be on dress parade. But Tuesday, Armistice Day, they'll all want to look their best.

If you're going to get out in uniform, let us put it in shape for you. And of course, if you're in "civies" Galbraith's will clean and press your suit for anything from a parade down the avenue to a hop across the dance floor.

Ladies' work is also taken care of best here. We can fix up every member of the family spick and span for the Armistice Day Celebration.

ABILENE WINS EXCITING GAME

Sweetwater Holds Better Trained Team to Close Score in First Half of Contest.

FUMBLES ARE COSTLY

Pups Lost Ball Twice in Shadow of Goal—Sweetwater Scores on Safety.

Facing a team that had all the earmarks of a college trained eleven except in size and weight, the Sweetwater High School eleven staged a desperate fight in the most thrilling game played here this season but were unable to conquer the Abilene Eagles, a team composed largely of Abilene High School second string men, and came out of the bloody fray with the small end of a 25 to 2 score. Abilene's scoring was well won and deserved, but two costly fumbles under the shadows of the goal posts kept the Salty Pups' score to a lone safety made in the first quarter and their only count of the game.

The Eagles machine was well oiled and was running smoothly and all their plays were carried out like clock work, their biggest ground gaining plays coming from the sensational end runs of Pool and Walters, midget quarter back who side-stepped his way for gain after gain behind beautiful interferences. Burton Herring starred for the Sweetwater bunch and was good for a gain every time, and the work of Sheppard, quarterback, and Beall on the line showed up well, as usual.

Sheppard kicked off to open the game and the Abilene receiver was downed in his tracks. The Eagles made slight gains in two line plunges but were then thrown for two losses and punted with no return. Sheppard punted after three line plunges that gained little ground, and the Eagles completed a pass for 8 yards and made downs with an 8 yard end run. The Salty Pups luckily intercepted a forward pass and carried the ball 5 yards before being downed. Herring went around right end for 10 yards, and Sheppard and Boyles in succession

HUNTERS RETICENT

Members of some of the hunting expeditions that left Sweetwater last week with prolific promises of deer and wild turkey, are returning. If they had any luck they are most reticent about it. Among those who returned from the Pecos country are Otto Carter, John Meyers, Harry Cress and W. E. Noah, while W. R. Costephens and Mr. Reavis came in from the Kerrville sector. Reports from Mose Newman, Dr. A. W. Canfil, H. B. Allen and E. C. Brand are to the effect that more supplies were needed from Meindard. The nature of these supplies, whether grub or ammunition, was not disclosed.

carried the ball for a total of 8 yards. The Eagles tightened up and Sheppard was forced to punt on the 40 yard line, and while the two teams stumbled around in seemingly confusion, the ball rolled to the goal line. The Eagles punted from the goal line, and Sweetwater returned 8 yards, placing the ball on the 30 yard line. A pass failed, and Sheppard attempted a field goal, but the ball went wild on the kick.

The Eagles fumbled on the snap from center and a mad scramble was made for possession of the ball which was within spitting distance of the goal line. When the melee was cleared away, Gibson, Sweetwater linesman was on the bottom with the ball hugged to his chest, 8 yards from the goal line, and fans were yelling for a touchdown. The Pups with the scent of victory in their nostrils, went 5 yards on a plunge and prepared for a final 3 yards for a count. A pin was struck into the balloon of hope, however, as the Pups nervously fumbled the ball which the Eagles covered like a hawk.

In the opening of the second quarter, the Abilene eleven prepared to punt to safety from the Pups' goal line but were slow with the kick, and the Pups were on top in an instant, scoring their only count with the safety.

Abilene took the ball on the Pups' 30 yard line and made two first down on long end runs. The end run program was carried on until the Eagles were on the 8 yard line from which they completed a pass across the goal line for their first score, but failed to kick goal.

Abilene kicked off and the Pups returned 10 yards after which Sheppard and Herring were each thrown for 8 yard losses. Herring gained 8 yards on the next play after running from left end, around the backfield, and back to the right end. Sheppard was forced to punt, and the enemy, on the next play, gained 35 yards with a zig-zagging end run, and was penalized on the next play for 15 yards on off-side. A snap was fumbled and the Eagles were thrown for a 10 yard loss. A forward pass failed, and the Eagles punted, and the half ended with the ball on the Abilene 70 yard line. Score Abilene 6, Sweetwater 2.

The Eagles kicked off in the third

quarter and Sheppard punted 35 yards. Abilene line plunges and end runs carried the ball to the five yard line with first down and goal to goal, and the next play carried the ball across, but the Eagles failed to kick goal. The Eagles kicked off, and the Salty Pups made slight gains through the line. Score, Abilene, 12, Sweetwater 2.

Sheppard punted in the opening of the last quarter and Abilene punted in return after failing to gain. A forward pass was intercepted by Abilene and the ball carried through an open field 60 yards for their third touchdown, but the Eagles again failed to kick goal. The Eagles kicked off and Boyles and Sheppard carried the ball for 15 yards through the line. The Eagles again intercepted a forward pass but were downed in their tracks. The enemy gained 15 yards through an end run, and shortly after completed a pass across the goal line for their final touchdown. A pass across the line for the extra point was completed.

Abilene kicked off, and two forward passes by the Pups failed, and the ball went to Abilene on the 40 yard line. A gain of ten yards was made, and the game ended with the ball in Abilene's possession on the 30 yard line. Final score, Abilene 25, Sweetwater 2.

Line up:
Sweetwater: Webb and Mitchell, ends; Gibson and Heath, guards; Risinger, Black and Beall, tackles; Gordon, center; Sheppard (Captain) quarterback; Boyles and Herring, half backs; Watson, fullback.
Abilene: Daniels and Smith, ends; L. Miller and Donald, tackles; Williams and Fielder, guards; Webb, center; Walters, quarterback; Pool and Boyd, half backs; Sellers, fullback.
Officials: Daniels, referee; Mitchell, umpire.

EAST WARD PROGRAM

Pupils of Mrs. Curry's Room Entertain Friday Morning.

The pupils of Mrs. Curry's room entertained the mothers of the East Ward Friday morning with a clever program, which consisted of a playlet and a little dance number in which a dozen little girls took part. Rev. J. R. Henson was present and gave a splendid talk on keeping the Sabbath. The teachers at the East Ward School have introduced a pleasing idea into the school this year of entertaining the mothers and fathers, too, if they will come, with an interesting little program every Friday morning. They take it room about and some of their numbers would be appropriate for an elaborate program given any where.

SHOWER FOR MRS. REDDEN

Friends Remember Victim of Fire Loss With Gifts.

Mrs. Clint Scott was hostess Thursday when a number of her neice's, Mrs. Dennis Redden's, friends gathered to give her a miscellaneous shower and express to her their sympathy at the loss Monday night of all her household furnishings by fire at the Weatherby residence.

A number of useful and beautiful gifts were given Mrs. Redden and she expressed a deep appreciation for each gift.

Mrs. Scott passed plates of cake and hot chocolate topped with whipped cream as a concluding pleasure.

Presbyterian S. S. Teachers Meet.

The officers and teachers of the Presbyterian Sunday School held their regular monthly meeting Thursday evening at the church, with D. A. Clark, superintendent, presiding, and Secretary Oscar Pate in his place. The teachers gave good reports of the work being done by their classes.

Rev. B. B. Hestir will preach Sunday afternoon at 3 o'clock for the Presbyterian congregation at Roscoe.

Entertains For Guest.

Miss Helen Davis assisted by her mother, Mrs. W. G. Davis, entertained several couples of young people Friday evening complimentary to her house guest, Miss Martha Ackers of Fort Worth.

Bunco was the feature of the evening's fun, intersperced with other

games, music and contests. Prizes were given the winners in each contest, the most amusing being the Art Exhibit and the hidden fortune found in English walnuts. A beautiful perfume was given Miss Ackers as a guest prize by the hostess.

The guest list included besides Miss Ackers, Misses Francis Fitzgerald, Clara Bell Willis, Ruth Davis, Francis Hamilton, Nina May Majors, Vineta Sneed, and Joseph Robinson, Burton Herring, Bruct Gibson, E. P. Reese, Sam Crutcher, Ralph Wright, James Sheppard, Bogle Hall, and Merlyn Toler. Fruit punch and sandwiches were served.

Sunday School Teachers Meet.

The teachers of the First Christian Sunday School held a very interesting meeting Friday evening in the church parlors, with almost 100 per cent of

the teachers present. The meeting was called to order by Dr. McKissick. Following the conference, Mrs. McKissick and Mrs. Walter Anderson served plates of chicken salad, sandwiches and hot chocolate. The members of the choir who were meeting for rehearsal at the same hour, were invited to share the refreshments.

DELPHIANS MEET

Elect Officers and Discuss Renaissance Drama.

The Delphian Chapter met Thursday afternoon at the court house auditorium for their regular lesson on the study of "Dramatic Entertainments of the Renaissance."

Interesting parts of the subject was taken as follows: "The Commedia Dell Arte," dis-

cussed by whole chapter.

"The Interlude as Exemplified,"—Mrs. A. A. Chapman.

"The Four P's"—Mrs. Walter Boothe.

"The Masque"—Mrs. D. B. Brown.

Mrs. C. A. Rosebrough conducted the questions on the "Salient Points" of the lesson from the Strolling Play-

ers of that period.

Mrs. D. B. Brown gave the "President's Summary" most interestingly.

During the business part of the meeting, Mrs. Walter Boothe was elected president of the chapter to take the place of Mrs. A. S. Kendrick who resigned the office on account of ill health. Mrs. Royal Headrick was

elected to finish out the year in place of Mrs. John Hubbard, who also resigned.

Mrs. D. B. Brown was appointed by the chair to meet with the library committee of the Self Culture Club at the library Saturday afternoon in company with other club representatives of the city.

Thanksgiving Day

Gone are the days when the Pilgrim Fathers went forth with the trusty blunder buss to bring back the bird that was to grace the Thanksgiving Day Table. Though their hats were often ventilated with arrows, our fore fathers never-the-less always celebrated a Day of Thanks—when everybody made merry.

The Pilgrims could not produce delicacies for their feast at a moment's thought. Travel was too inconvenient and dangerous. That, however, is a far chry from the present day Thanksgiving, when a modern institution such as Wade's Market provides the best of everything for your Thanksgiving Table.

The Thanksgiving dinner is the most important part of the day's celebration. It is at the table, surrounded by members of the family, that we give thanks for our many blessings.

Let Wade's Market take care of your Thanksgiving preparations. Equipped with the most modern refrigerating plant in West Texas, this modern institution is able and ready to serve you. Here you can find the finest turkeys, meats, oysters, delicacies, including sausage from our own sausage mill.

We handle WILSON'S CERTIFIED MEATS, both wholesale and retail, the finest products of the American packing industry. You will find our service efficient, prompt, and courteous.

by making publication of the herein after set out ordinance,
NOTICE IS GIVEN:

Of all matters and facts therein contained:

"An Ordinance Approving Engineer's Rolls or Statements For a Portion of East North Third Street and Sundry Other Streets and Places, Fixing Time and Place For Hearing, and Directing the City Secretary to Give Notice, and Declaring an Emergency."

WHEREAS, the City of Sweetwater has heretofore entered into contract with West Texas Construction Company for the making and construction of street improvements in said City and on the hereinbelow mentioned portions of streets, and the City Engineer has prepared and filed with the City rolls or statements in connection with the proposed improvements on each of such streets showing thereon the amounts to be assessed against the various parcels of abutting property, and against the owners thereof, and showing other matters and things; and,

WHEREAS, as shown by such statements, the amounts proposed to be assessed against property abutting upon East North Third Street and against the owners thereof, between its intersection with the East line of Locust Street, and its intersection with the East line of Crane Street, known as Unit No. 1, for curb is Fifty Cents per lineal foot, and for paving and other improvements, exclusive of curb, is six dollars per front foot; and

WHEREAS, as shown by such statements, the amounts proposed to be assessed against property abutting upon Beall Street, and against the owners thereof, between its intersection with the North line of North Second Street, and its intersection with the south line of North Third Street, known as Unit No. 3, for curb is Fifty Cents per lineal foot, and for paving and other improvements, exclusive of curb, is Four Dollars and Twenty Cents per front foot; and,

WHEREAS, as shown by such statements, the amounts proposed to be assessed against property abutting upon Elm Street, and against the owners thereof, between its intersection with the North Line of North Second Street, and its intersection with the South line of North Third street, known as Unit No. 4, for curb is Fifty Cents per lineal foot, and for paving and other improvements, exclusive of curb is Seven Dollars and Fifteen Cents per front foot; and,

WHEREAS, as shown by such statements, the amounts proposed to be assessed against property abutting upon a portion of North Second Street adjacent to and fronting on Lot No. 7, Block No. 15 in the original town of Sweetwater, and against the owners thereof, said portion of North Second Street being twenty feet north and south by one hundred and forty feet east and west, known as Unit No. 5, for curb is Fifty Cents per lineal foot, and for paving and other improvements, exclusive of curb, is Five Dollars and Fifty Cents per front foot; and

WHEREAS, said rolls or statements have been examined and approved;

THEREFORE:
BE IT ORDAINED BY THE COM-

MISSION OF SWEETWATER, TEXAS:

(1) That the said rolls or statements in connection with the improvements and assessments therefor on the said streets and places be, and the same are, hereby adopted and approved.

(2) That a hearing shall be given and held by and before the Commission of the City of Sweetwater, Texas, at 2 o'clock P. M., on the 24th day of November, 1924, in the City Hall, in the City of Sweetwater, Nolan County, Texas, at which time and place all owners of property abutting upon the said portions of streets or any of them, as well as all others interested, shall be and appear and present and make any objections or protests which they, or any of them, may have, and shall call to the attention of the Commission any errors, irregularities or invalidities, if there be any, in connection with the proposed improvements, the proceedings therefor, or proposed assessments, or any other matter in anywise connected with such improvements, proceedings or assessments; and such hearing may be continued from day to day and time to time, if necessary, to fully and fairly hear all presenting themselves to be heard, and any such owner or other person interested or affected may subpoena witnesses and introduce evidence. Such hearing will be held and conducted in accordance with and under the terms and provisions of the

Charter with amendments in force in the City and the law in force in this City, and when concluded assessments against abutting property and against the real and true owners thereof will be made and levied and, when levied, such assessments will be and constitute a first and prior lien on the premises against which assessments are so levied and a personal liability of the real and true owners of such premises whether such owners be named or not.

(3) The City Secretary is directed to give notice of the time and place and purpose of such hearing by causing a substantial copy of this ordinance to be published at least three (3) times in some newspaper published in and of general circulation in the City of Sweetwater, Texas, the first of which publication shall be made at least ten days prior to the date fixed for such hearing.

(4) The City Secretary may, but is not required to, give further notice of the time, place and purpose of such hearing, by causing a copy of the published notice to be mailed to the owners of property abutting upon the said portions of streets but said notice, by publication shall be sufficient, valid and binding in all cases whether or not any other notice be given and whether or not any other notice, if given, be correct.

(5) The improvements on said portions of streets are being delayed pending taking effect of this ordi-

nance and the giving of such notice and the holding of such hearing, and it is necessary that such improvements be proceeded with while the weather will permit, and such facts constitute and create an emergency and an urgent public necessity requiring that the rules and charter provisions providing for ordinances to be read at more than one meeting or more than one time be suspended,

and requiring that this ordinance be passed as and take effect as an emergency measure; and such rules and provisions are accordingly suspended, and this ordinance is passed as and shall take effect as an emergency measure, and shall be in full force and effect immediately from and after its passage.
PASSED AND APPROVED this 6th day of November, 1924.

PRAISE GRANGE

Stagg, Rockne, and Other Football Mentors Declare "Red" One of Game's Greatest Stars.

By HENRY L. FARRELL

(United Press Sports Editor)
NEW YORK, Nov. 8.—Selection of an All-American football team has been made simpler for the experts by one position with the showing made by Red Grange, the star Illinois half-back in the Illinois-Michigan game. Grange not only cinched a place on every selection by scoring five touchdowns in a major game, but he performed an unheard of feat in scoring four touchdowns in the first period of a most important game.

"Grange, beyond all doubt, is one of the greatest players ever developed," Alonzo A. Stagg, coach of the University of Chicago eleven said in commenting on the game. Considering that he went into that game a marked man and that Michigan had a whole year to devise some way of

To Be Tried

Because he sympathized publicly with the views of the Rev. Fosdick, New York liberal clergyman, Rev. George E. Hunt (above) pastor of Christ Presbyterian Church, Manhattan, W. P. charges have been brought against him by those Presbyterians

stopping him, his performance was amazing."

It was pointed out that Grange did just as much under heavy pressure as Babe Ruth could do by hitting four home runs in a world series game. Ruth never did that. In fact the Babe's hitting in his world series experience always has been very ordinary.

Knute Rockne, the Notre Dame coach, also is a great admirer of Grange. "I never heard of any player scoring four touchdowns in the first period of such an important game," Rockne said. "George Gipp once ran for six touchdowns in a game against Kalamazoo, but four of them were called back."

It is generally admitted in the west that Gipp, the late Notre Dame star,

was the only player of recent years who could compare with the all-around ability of Grange. The Illinois junior can do everything that Gipp did just as well or a little better, but he can't kick, or at least he hasn't been called upon to kick.

While admitting that he is one of the greatest players in the country, many western critics claim that he has his great interference to thank. It is true that Mellwain and Britton gave him great interference in the Michigan game, but it will have to be admitted that every runner has to have interference. Grange got a good running start behind his interference, but he finished all his long runs alone and it always is the last few yards that are the hardest.

RADIO MYSTERY

K. C. Fans Find Difficulty in Tuning in For Programs.

KANSAS CITY, Mo., Nov. 8.—Kansas City radio fans have a mystery. Some uncanny, unknown influence is interfering with their receiving sets, they declare.

A leaky electric light transformer is blamed for the buzz, buzz, whirr filling the air night and night, at times making it impossible to "pick up" even local programs. But the transformer, if it is that, hasn't been located. Just when the "interference" is believed to be localized, reports flood the radio club officers, that it has broken out in some other part of the city. According to the fans, even expensive neodyne and heterodyne sets cannot tune out the interference.

"FLAPPER" MURDERER

Girl Who Killed Mother and Father in Law Admits Crimes.

HUGO, Ok., Nov. 8.—Mrs. Winona her mother-in-law near Pitcher, Okla. It was only after twenty hours grilling that the girl-wife confessed to the slayings, finally crying:

"I will tell all to save Roy; he is innocent and knows nothing.

This is her story: She and Roy's mother plotted to kill the elder Green for his insurance. Winona did the shooting, she said. The will was probated and the insurance paid. After several weeks they took a trip to Oklahoma, going to Tulsa, Pawnee, and several other cities. At Pitcher, where her mother-in-law owned property, Winona confessed, she killed Mrs. Green. Her body was found in a secluded spot in the hills on directions furnished by the "flapper" slayer.

Mr. Curtis of the India Rubber World, tire trade paper of New York City, wanted to find out if it were true that such a prominent merchant as the Guarantee Motor Car Company, of San Antonio, Texas, had gone 100 per cent Dunlop.

So he wrote the Guarantee Motor Car Company and asked them all about it.

Maybe you will be interested in reading the Guarantee Motor Car Company's reply.

India Rubber World
New York, N. Y., Attention Mr. A. Curtis.

Sept. 15, 1924.

Dear Sir:—Your recent letter regarding press reports which contained the information that we were handling Dunlop Tires is correct.

Regarding our business on Dunlop Tires, can state that our tire business has PRACTICALLY DOUBLED since becoming distributors of this well known brand of tires, which, as most everyone is now familiar, is the oldest line of tires in the world. Dunlop appealed to us for several reasons.

1st.—The fact that they had been manufactured for a period of 36 years and today enjoy the confidence of the buying public.

2d.—Immense resources, both financial and the knowledge of how to manufacture good merchandise.

3d.—The ability of a company to manufacture good merchandise and maintain that quality for so long a time.

(Signed) GUARANTEE MOTOR CO.

We are glad to say that our experience has been along similar lines to that of the San Antonio company. Our tire business has doubled, month after month, ever since we started selling Dunlops. We say this not boastfully, but with the knowledge that the buying public is never fooled for long. The judgment of the majority is always correct. And in Dunlops, the motoring public has found its ideal in tires.

of the market, Mr. Dielmann declared, for the only thing it needs is to have the supply slacken until the birds can be handled.

The three cars of dressed turkeys shipped so far this year by the Western Produce Co., total over 6,000 dressed birds, the shipping foreman stated. Seven killers are employed there regularly, while about 20 pickers are kept busy preparing the birds for shipment.

The quarantine regulations have been settled now, and no difficulty is experienced in shipping poultry from counties outside the quarantined district.

BAYLOR WINS

Texas Informally Dedicates Stadium With Trouncing From Bears, 28 to 10.

By The United Press.

AUSTIN, Texas, Nov. 8.—Texas University informally dedicated the new \$500,000 stadium by allowing the Baylor University eleven to measure them for a 28-10 defeat here today.

Although making 12 first downs to 11 by the Bears, the Longhorns were unable to gather their strength where it would count. Baylor scored a touchdown in the first quarter, and Coffey, Bear backfield ace, carried three more across in the third quarter. Goal kicks followed each touchdown.

Texas counted in the second with a safety and another in the last quarter. The Longhorns' only touchdown went across in the last quarter when Captain Marley carried the ball over after a series of passes.

The kick for extra point went wide. Chilly rainy weather held the attendance down.

Razorbacks and Methodists Battle to 14-14 Score After Texans Make Strong Start.

FAYETTE, Ark., Nov. 8.—S. M. U. and Arkansas University battled to a tie here today, 14-14, after the Methodists piled up two touchdowns in the first half and held the Razorbacks scoreless until after that time.

S. M. U. scored a touchdown and a goal after kick in each of the first two quarters and the Razor backs duplicated in the last two periods. Arkansas also counted with goal kicks.

“Empty Hands”

A Man and Woman Lost in Deep Forests of Canada!

Alone without food or Shelter! She was dressed only in Flimsy Ball Gown. Friends searched in vain!

You must see this powerful story by Arthur Stringer that everybody is talking about. It is one of the very greatest of the Paramount Forty! Powerful! Gripping! Entertaining! A story of the Great Outdoors!

“EMPTY HANDS” is a story of a girl's idleness, who, through fate, is stranded in a wilderness with a man of steel, of honor, and an uncanny knowledge of the ways of the wilds. These two people of vastly different creeds and from different civilizations are reduced to the primitive to which they must necessarily resort for the sake of self-preservation.

Empty-handed they begin, as it was in the beginning, by fashioning a crude home, clothing and weapons. To Claire comes an appreciation of labor and of the manner in which her wealth and luxury, which she took so much for granted, has been handed down to her. She marvels at their pioneering into a miniature and hand-made civilization of their own.

Then comes love and conflicting emotions, the girl ready to defy conventions after the fashion of her own manner of living, and the man determined to hold to conventions, his promise to his dying mother to do so, and his loyalty to Claire's father, sustaining him in his human struggles. At last, however, aid comes, and the two are married, and they return on a month's honeymoon to the wilderness.

WHAT IS MODERN YOUTH COMING TO?

Every fibre of Leslie Adams' youthful and beautiful being quivered with the joy of the dance, the swirl of social excitement, the throb of music, the pulsing rush, whirl and swirl of social attention and youthful admirers!

Today — Wild Pleasure — Tomorrow — Reckoning!

The gilded youth and the gay flappers cared nothing for the morrow, as they revelled only in the pleasures of the hour!

And Leslie, who found herself caught in the net of frenzied gaiety and wild dissipation, struggled from one complexity into another. She started out as a newspaper reporter, and, Oh! what a fix she found herself in!

It's thrilling, hilarious, exciting and colorful!
