## TAKE CENSUS ON FARM CONDITIONS

To Seek Information on Production of Crops, Value of Farm Properties, Farm Population.

DISTRICT OFFICE HERE

Walter Boothe Supervisor—Study Marketing and Tax Conditions From Government Reports.

WASHINGTON, D. C., Nov. 24.—The Department of Commerce is about to take a census of agriculture covering the crop year 1924 and relating to conditions on or near January 1, 1925. This is the first Census of Agriculture to be taken midway between the decennial censuses; the Act of Congress authorizing it is based on the belief that, with rapidly changing conditions in agriculture, there should be a stock-taking as often as every five years. The work of taking the census will begin December 1, and is to be completed on or before January 31. As rapidly as possible after the receipt of returns statements will be released for the press, by the Census Bureau at Washington relative to production of the principal farm crops, and the values of farm properties, including land, buildings, machinery, and livestock.

Sample questionnaires are being widely distributed to the farmers, to familiarize them with the information soon to be called for by the enumerators. In addition to the usual inquiries relative to production, values, and farm expenses, the schedule calls for the amount of taxes paid by the farm operator on farm property, including real estate tax, personal property tax, and special assessments. It is important to ascertain just what the burden of taxation resting upon the farm really is and how it compares with the amount of taxes paid by other interests. This may point the way to a more equitable adjustment of the tax burden.

Heretofore the census of agriculture has always been taken in connection with a complete census of population. This time it will cover the farm population only, showing the number of persons living on the farm, including the family of the operator and the farm laborers and their families. These persons will be classified as under or above ten years of age and as white or colored.

The extent to which farm operators used the purchasing and selling facilities of farmers' organizations will be brought out by two inquiries; one calling for the value of products of the farm sold through a farmers' marketing organization, and the other calling for the value of all farm supplies purchased from or through a farmers' organization. An additional index to the marketing conditions will be brought out by answers to inquiries as to the kind of road adjoining the farm, whether concrete, brick, macadam, gravel, improved dirt, or unimproved dirt, and the distance to the nearest market town. Through inquiries of this character the Census seeks to secure information relative to conditions upon which to a considerable degree the success of farm operation depends.

Statistics on District No. 6, follow: Supervisor, Walter L. Boothe, Sweetwater, Texas. Number of enumerators, 49. Number of farms, 1920 census, 6,976.

Counties (31); Andrews, Brewster, Crane, Coke, Crockett, Culberson, Ector, El Paso (part of), Glasscock, Howard, Hudspeth, Irion, Jeff Davis, Loving, Midland, Mitchell, Nolan, Pecos, Presidio, Reagan, Reeves, Schleicher, Sterling, Sutton, Terrell, Tom Green, Upton, Val Verde, Ward, Winkler.

## DIE IN PLANE

Three Men Killed as Machine Used For Advertising Stunt Plunges to Earth.

SPRINGFIELD, Mo., Nov. 24.—Three men were instantly killed here late today when the airplane in which they were riding, fell from the sky and smashed at the edge of town.

The men were using the plane to do stunts for advertising a store at Marysville, Mo., when the accident occurred.

## Scores of Friends Pay Final Tribute To Mrs. Harding

By The United Press.

MARION, O., Nov. 24.—Scores of friends passed before the bier of Mrs. Florence Kling Harding today before the casket was closed at noon and removed to the Epworth Episcopal Church, where funeral services were to be held at 2 p. m.

In accord with Mrs. Harding's wishes, only the simplest ceremony was to be held. The procession was to proceed over the same route to Marion Cemetery taken by the body of the late President a year ago in August.

## GIRL KILLED AS AUTO OVERTURNS

Miss Mary Snyder, 21, Colorado, Dies Almost Instantly After Crash Sunday Night.

YOUNG SISTER INJURED

Returning From Ranch Visit With Members of Family, Driver Fails to Make Curve.

Special to The Reporter. COLORADO, Texas, Nov. 24.—Miss Mary Snyder, daughter of D. H. Snyder, prominent cattleman of Colorado, and one of the most popular young ladies of this city, met instant death in an automobile accident Sunday night while driving with members of the Snyder family on the Sterling City road ten miles southwest of Colorado.

In company with her father and mother and two smaller sisters, Miss Snyder was returning to Colorado from a visit to the H. S. Beal ranch, 25 miles southwest. She was at the wheel and in rounding a curve on the highway the machine skidded and overturned, pinning the occupants underneath. Miss Snyder was dead when removed from the wreckage.

Little Francis Beal Snyder, 7, is thought to be seriously injured. The others escaped with minor bruises and cuts. The automobile, a high-powered closed model, was completely wrecked.

Miss Snyder was 21 years of age and a young woman of high attainments. She was very popular among the young people of Colorado. She was a granddaughter of H. C. Beal, 1804 Fifth Ave., Fort Worth, and of the late Captain D. H. Snyder of Georgetown. She was reared in Colorado.

## EGYPT PAYS FOR KILLING STACK

Government Gives Great Britain 500,000 Pounds 15 Minutes Before End of Ultimatum.

GOVERNMENT THEN QUILTS

Troops Parade in Streets of Cairo—Paris Egyptian Association Sends Baldwin Defiance.

By The United Press.

CAIRO, Egypt, Nov. 24.—Just 15 minutes before the expiration of the time limit set in the ultimatum, the Egyptian government at 11:45 today paid Great Britain 500,000 pounds as indemnity for the assassination of Sir Lee Stack. The government, headed by Premier Pasha, then resigned.

The payment of the sum, which severely taxed the Egyptian treasury, was made under the guns of a British warship, which arrived at Alexandria this morning. The payment was accompanied by a brief note, protesting that some of the other demands delivered Saturday night as the result of the fatal shooting of the Sirdar, were unjustifiable.

Accordingly, troops were ordered to occupy the Alexandria custom houses.

## Paris Wires Defiance.

PARIS, France, Nov. 24.—The Egyptian Association in Paris wired Premier Stanley Baldwin of Great Britain this morning. "Egypt is resolved to continue to fight British influence in the Nile Valley. We will repulse your humiliating demands. Your soldiers and fleet do not frighten us."

## Discuss War Plans.

LONDON, Eng., Nov. 24.—Important troop, naval, and air force movements were discussed by the Cabinet today when it met to consider the critical situation in Egypt. Plans concerning the nature of proceedings were closely guarded.

## Fire Damage Near Ballinger.

BALLINGER, Texas, Nov. 24.—Damage estimated at \$20,000 resulted when fire of undetermined origin destroyed the State Bank of Calpa, near here, and damaged two other buildings.

## ENDORSE SCOUTS

Nolan County and Others of Buffalo Trail Respond Liberally to Campaign For Funds.

Local officials of the Buffalo Trail Council were winding up the campaign for Nolan County's quota Monday and reported that funds for this county were practically all in. A few more collections are to be made yet, but the drive is expected to go over easily when the final check-up is made.

Donations came in liberally during the campaign last week. The town was covered by workers who were seldom turned down by Sweetwater folks. The splendid record of Scouting in the Council the past year is in a measure responsible for the liberal response made by the public, it was pointed out. People are realizing more than ever the value of the Boy Scout movement, Scout officials here state, and are anxious to contribute that the work may be carried on successfully. The annual Boy Scout camp held on the Concho River in August was one of the main features of the year's Scouting program. Many citizens from the four counties in the Council visited the camp to see the program and work carried on by the scores of Boy Scouts there, thereby becoming better acquainted with the ideals and aims of the movement. A successful drive to raise the quota for the Council means that the annual camp is assured for 1925, Scout officials state.

The majority of the contributions received by workers here were cash donations, although other donations are to be collected in monthly payments. The drive is being carried on in other counties of the council very successfully. Scout executive Barcus was in Snyder Monday in connection with the Scurry County drive. The drive in Fisher County is also on this week. A Scout rally and field day will be staged in Rotan Thanksgiving Day in connection with the Fisher County drive.

## EXPECT LARGEST POULTRY EXHIBIT

Third Annual Show of Nolan County Association Will Be Seen Here, December 16-20.

MANY ENTRIES RECEIVED

Walter Burton, Arlington, Will Judge Birds—Invitations Sent All Over State.

Plans are already underway for the Nolan County Poultry Association's third annual poultry show, less than a month distant, and according to an announcement made by officials of the association Monday, the show will be on a larger scale than any exhibit of similar nature held in this section this year. Inquiries for entry blanks, information and details are beginning to come in to local officials from all over the State.

The poultry show will open Tuesday, December 16, and run for four days. Hundreds of poultry breeders from over the State are expected to attend the exhibit. One of the best showings of blooded birds that has ever been held in this section is planned for the four days, and an attractive list of premiums is being arranged for the show.

The Poultry Association has secured the services of Walter Burton, Arlington, as judge of the exhibits. Mr. Burton is well known in Nolan County, and ranks high with the poultry breeders of the United States. He has for years been superintendent of the poultry show division of the Dallas Fair, and is on the committee of Standard Perfection of the American Poultry Association.

Invitations are out to poultry breeders over this section of the State, and interest in the coming event is rapidly developing. Keen competition is promised each entrant in the exhibits. The show is expected to exceed the first two annual exhibits, and it is expected that there will be at least three times as many birds on display this year as last year.

The officers of the show are, R. Lanier, president; L. C. Gregg, vice president; J. H. Mauzey, superintendent; R. L. Shaffer, secretary, and Rae A. Ramzel, W. C. Calvert, R. L. Shaffer and M. T. Mauzey, directors.

## STUDY TRAFFIC

Only Way To Cut Down Street and Highway Accidents, Conference Reports.

Special to The Reporter.

WASHINGTON, D. C., Nov. 24.—"There is almost total lack of systematic effort to secure accurate and complete data regarding traffic accidents, their types and causes, and methods of prevention" declares the Committee on Statistics of the Conference on Street and Highway Safety, in a report to Secretary of Commerce Hoover based on a thorough survey which revealed an annual loss in the United States due to street and highway accidents in 1923 of 22,600 persons killed, 678,000 serious injuries, and an economic loss of \$600,000,000. In states where centralized agencies have been created to investigate such accidents, it has been possible to attempt a systematic remedy of the conditions. But 34 states have no adequate system for securing such information; and in few states is any record kept except where death or serious personal injury result from traffic accidents.

Such facts, the Committee says, "are fundamental to the adoption of adequate methods of traffic control, if the present situation is to be improved."

## FINES PAID

Crap Shooters Assessed \$31.70 Each in Justice Court.

Justice Brashear's court was unusually well patronized Monday morning when the thirteen gamblers arrested south of Roscoe late Saturday night on charges of shooting craps, paid off. Fines and costs of \$31.70 per each were assessed and paid in each case.

Two men named Brown and Hutchins from Dora paid fines and costs amounting to \$12.70 in the same court on a charge of fighting.

## Stunt Plane Gets Attention While Bandits Get Cash

By The United Press.

MINERAL WELLS, Texas, Nov. 24.—Four bandits held up the employees of the Loving State Bank at Loving, 40 miles northwest of here, today, and escaped with an undetermined amount of cash.

An unidentified stunt airplane held the attention of the townsmen while the bandits scooped up all the cash in sight. As the bandits fled, the plane disappeared.

By The United Press.

LONDON, Eng., Nov. 24.—Five British war ships, including the dreadnaught Iron Duke, were dispatched today to enforce the demands for reparations made in Egypt for the murder of Sir Lee Stack.

A full cabinet meeting resulted in the Iron Duke being ordered to Alexandria for Malta. The warship Malaya was ordered from Malta to Port Said. A cruiser and two destroyers left for the Suez Canal.

At the same time, it was announced that British evacuation of Egyptian army units in the Soudan had begun.

## CARS LEAVE TRACK

Broken Rail Results in Freight Wreck Near Odessa.

A box car and caboose of a west bound T-P freight train left the tracks near Odessa early Monday morning, but no casualties were reported. The accident was the result of a broken rail, it is believed.

Neither of the cars turned over, and the track was repaired with little delay of passenger trains.

## DAMAGE BY FIRE

Houston Business House Destroyed. Entire Block Threatened as Wind Whips Flames.

By The United Press.

HOUSTON, Texas, Nov. 24.—Damage estimated at more than \$50,000 resulted here early this morning when fire of undetermined origin gutted the Sauter building, a two-story business structure, and threatened for a time to wipe out an entire block.

The firemen fought the blaze for more than three hours in the face of a high wind, before it was brought under control.

## TOWN DESTROYED

## WOMEN MEET IN FIFTH SESSION

Nolan County Federation of Women's Clubs Hears Reports at Blackwell Saturday.

NEXT SESSION HERE

Accept Sweetwater's Invitation to Meet in Baptist Church—Praise Nolan County Fair.

Fifteen women's organizations of Nolan County met Saturday at Blackwell for the fifth County Federation meeting, largely attended by women from every corner of the county.

Following a bountiful chicken dinner, the meeting was called to order by Mrs. R. C. Ledford, county chairman, with Mrs. L. C. Vinson acting as secretary in the absence of Mrs. J. W. Young. "America," led by John A. McCurdy, opened the program. After the reading of the minutes the membership in the federation was called and the delegates answered with excellent reports of their work and plans for the future. The report of the rural clubs is always a feature of the meeting.

The interest with which each member reported its work at the recent fair was an inspiration. Mrs. E. K. Frost made a motion that the federation go on record as pledging itself to a bigger and better Nolan County Fair in 1925, which was received with much enthusiasm.

A vote of thanks was offered the County Judge and the County Commissioners for the continuation of the Home Demonstration work in Nolan County.

A nominating committee was appointed for the next meeting, when the annual election of officers will be held. Members of the committee are: Miss Minnie Fowler, Sweetwater; Mrs. Austin Jordan, Blackwell; and Mrs. J. P. Hutchins, Hylton. Sweetwater's invitation for the January meeting was accepted, as was the invitation of Mrs. Harry Bondies to hold the meeting at the new Baptist Church.

Louis Horn of Blackwell gave the address of welcome, and was followed by J. A. McCurdy, who spoke on "A Vision of United Efforts, or Contact of Rural and City," as showing what Nolan County could do. He cited the recent county fair as an example.

Blackwell talent furnished a very pleasing program as follows: Reading, Miss Gillispie; vocal solo, Mrs. Austin Jordan; reading, Clydine Jones; vocal duet, Mrs. Youngblood and Miss Ruby McClendon; benediction, Mrs. Reeves.

## MARRIED AT TRENT

Local Couple Leaves Monday Afternoon For San Antonio.

Miss Vera Free and John McEntyre were married Sunday afternoon at Trent by Rev. Ledger, Methodist pastor. They left Monday afternoon for San Antonio where it is reported they will make their home.

The bride has been an employe of the Southwestern Bell Telephone Company in this city for the past four years and has many friends here. She has made her home with her mother, Mrs. Chapman.

Mr. McEntyre has been associated with his father and brothers in garage and filling station business in Sweetwater.

## Extinguish Fire.

The Sweetwater Fire Department was called to the Elliott residence at 111 Lamar Street Sunday morning where a small blaze had started in the flue. The fire was extinguished without damages resulting.

## AGENT NAMED

Miss Mayme Lou Parr of Dublin to Succeed Miss Mable Spann in Nolan County Work.

According to announcement of county officials, Miss Mayme Lou Parr of Dublin, Texas, has been appointed Home Demonstration Agent for Nolan County, and will succeed Miss Mable Spann here December 1. Miss Parr has been employed in the Comyn schools since the beginning of the present term. She is expected to arrive in Sweetwater soon to assume her new duties.

ROADS

Chief interest attaches to the new administration of state affairs at this time in speculation upon the appointments to be made by Mrs. M. A. Ferguson for the various state appointive state offices.

It is very much to be hoped that the new administration will find it possible to work in harmony with the present head of the State Highway Commission, K. M. Hubbard. Appointed by Gov. Hobby and then reappointed by Gov. Neff, he has a wealth of experience in state highway matters added to a large sized amount of personal ability. It is safe to say that no one in Texas has done more to further the cause of good roads in Texas than Mr. Hubbard and it is very improbable that anyone can be found to succeed him who will do more in the future.

It was a deserved recognition of this work of Mr. Hubbard's that led to his being elected head of the Southwest Good Roads organization and it is to be hoped that the presence of Former Governor Ferguson at this meeting bodes well for the future.

BE CAREFUL

The people of some community are shocked every day by the news of an automobile wreck fatality. Over the weekend, the toll of highway accidents increases, and on Monday, the press of the nation chronicles the great number of deaths.

There is apparently little that can be said or done to cut down the number of deaths resulting from motor accidents. People do not willfully drive their cars in a manner calculated to increase the hazards of motoring. Neither do they seek to imperil their lives and those of their passengers. But some of them do take reckless chances.

"Don't Be Reckless—But Wreckless," might be well taken as a slogan for motorists. Perhaps you are considered a good driver. This fact does not make you immune from accidents. The driver who considers his car a member of the family and gives it every attention naturally likes to get something out of it on the highway. He wants to feel the thrill of the "pick up", the response of his motor when it is called on to demonstrate its power, the joy of humming down the road with his machine absolutely under control.

This is all splendid as long as the driver remembers to BE CAREFUL. The state and nation spend millions of

The Pior Tire Service has taken over the wholesale distribution of Federal Tires in this section. The Pior territory extends north to the Caprock, and west to Pecos. Tires are shipped here in carload lots and then distributed at great saving in time and freight or express rates. An order from Fisher, Mitchell, Scurry, or other county in the territory can be in the customers' hands the same day as received whereas two to three days are required from Dallas or Fort Worth, former distributing points. Although only recent in the wholesale field, Pior Tire Service has already sold a large quantity of tires throughout the territory.

dollars to keep our roads passable. They are made for safe and sane traffic, and the driver who takes hazardous chances, who endangers his own life and property of his fellow citizens, who forgets to BE CAREFUL, is guilty of criminal negligence.

Even if your next motor trip is a matter of life and death, BE CAREFUL. Don't over-estimate your ability to handle your machine. Remember that conditions over which you have no control guide the destinies of your journey, that obstacles of which you know nothing may be in your path. Be ready for the emergency when it comes by being careful and keeping your car under control to meet the crisis that you may face instantly. Study the odds when you take a chance—BE CAREFUL.

"Feet of Clay," Cecil B. De Mille's latest production for Paramount, which features Rod La Rocque, Vera Reynolds, Victor Vareoni, Ricardo Cortez, Julia Faye, Theodore Kosloff and Robert Edeson, opened a two days' run at the Palace Theater today. The story is an adaptation of the immensely popular magazine serial by that name by Margaretta Tuttle. Beulah Marie Dix and Bertram Millhauser wrote the screen play.

Traveling in its locale between a brilliant winter resort, a poor Harlem flat and a gorgeous eye-filling home of wealth, "Feet of Clay" is one of the most entertaining productions De Mille has ever offered the picture public.

The story starts with a yachting party at Catalina Island. All sorts of beach novelties are worked into a series of colorful scenes which in costume combine bathing suits on lovely girls with the latest summer creations of the modest and the tailor. The eye-filling piece de resistance is a race between twenty girls in jockey bathing suits on surf-boards behind fast speedboats.

The slower a tobacco burns, the cooler it smokes. Also the longer it lasts. This slow-burning is due to the fact that Granger is "rough cut" to smoke slow and cool—cut for pipes, not cigarettes. And Wellman's famous old secret method produces richer fragrance and taste.

**ANNOUNCEMENT PARTY**

**Self Culture Club Program Honors Miss Mable Spann.**

One of the outstanding meetings of the Self Culture Club for the year was held Friday afternoon when Mrs. A. W. Canfil was hostess. Mrs. P. G. Dabney lead the program. Mrs. Roy Scudday read a very interesting paper and was followed by Mrs. John Focht.

The president declared the club adjourned and the guests caught the idea that there was a special significance in the shortness of the program and the extra number of guests who were special friends of the only young lady member of the club. About this juncture Charles Arthur Canfil appeared with his violin and played "Love's Greeting," with Mrs. Roy Scudday at the piano; Mrs. Jim Butler next took her place at the piano and Mrs. Scudday sang, "I Love You Truly" with Charles Arthur playing a violin accompaniment. After this no one was surprised when Mrs. Butler struck the chords of Lohengrin's Wedding March and a Bridal Party led by Lona Ruth Butler, as flower girl, entered.

The only surprise was the personnel of the party. Mrs. A. S. Kendrick came first as "Matron of Honor" and next came the "Bride," Mrs. M. A. Belcher, wearing her own wedding dress of several (?) years ago. They were met in regular style by the "bridegroom" and his "best man" as they marched through the living room into the dining room. The bridegroom was impersonated by Mrs. William Morton and the "best man" was Mrs. P. T. Quast. Both looked very "manly" in their full dress attire.

Little Miss Leona Ruth Butler gave a musical reading "Love is Just a Flower" and responded to an encore with an original verse by Mrs. Canfil. With the lovely luncheon which followed, the plate favors of beautiful roses held the secret hidden in their rosy hearts, which read: "Announcing the wedding of Miss Mable Spann and R. D. Cox, December 10, 1924."

Punch was next served in the dining room and Mrs. R. C. Ledford, always in a happy mood, acted in the capacity of toastmistress, introduced the speakers and called for the following toasts: "The Bride," Mrs. W. W. Davis; "The Bridegroom," Mrs. Willard Gibson; "The Two Hearts," Mrs. Ledford; "Miss Spann," Mrs. S. W. Browning; "The New Home," Mrs. Alvin Gray; "Adopting R. D., The New Club Husband," Mrs. John Focht.

**Texas Lady Says Her Family Has Been Taking Theford's Black-Draught, When Needed, for Many Years.**

Alto, Texas.—"We inherited the use of Black-Draught in our family," says Mrs. Mary Shuptrine, who lives near here on R. F. D. 2. "My grandmother was an old woman when she died about ten years ago, and she had been using it literally ever since I can remember. She gave it to her children and grandchildren for biliousness and stomach complaints, so when I went to housekeeping we just naturally used it, too."

"I give it to my children for a purgative whenever they need one, and we are never without it. Made into tea, it surely is fine. It's the best home remedy for headache and constipation I know of."

During over 80 years of its continued popularity, Black-Draught has become the standard liver medicine in many thousands of homes, where it has been found of great benefit in the treatment of constipation, biliousness, indigestion and other common liver, stomach and bowel complaints. Ten million packages of Black-Draught are now sold a year, as more and more people are learning of the value of this well-known remedy.

Insist on Theford's, the only genuine Black-Draught powdered liver medicine. At all dealers'. NC-164
