Tracks Washed Away By Rains

Train Service Delayed by Downpours That Break 150 Feet Track on T-P and Flood Orient for 14 Miles.

ENTIRE STATE DRENCHED

Precipitation Extends Over Large Portion of Texas; Long Drouths Broken In Many Counties; Half Inch Here.

Train service on the Texas and Pacific railroad was delayed early this morning and throughout the day by heavy all night rains in the Van Horn section where several hundred feet of tracks were washed away. Streams of water pouring down from the mountains in that district served to loosen ties and rails, according to reports reaching here, and tracks for a considerable distance in that section were under water.

The Sunshine Special No. 2, eastbound, due in Sweetwater at 8:35 o'clock, was held up at the west end of the division by wash outs. The train was reported due at 8 p. m., at noon Friday, nearly 12 hours behind schedule. Indications were that the east bound night passenger train, due here at 10:30, would also be delayed.

Freight service was tied up during the day, according to the local T-P offices. It was believed that it would require 36 hours to clear the tracks.

Reports reaching here today stated that the Orient tracks in the Fort Stockton-Alpine section, were under water. About 14 miles of tracks, in all, were washed out, local Orient officials reported.

Heavy Rains at Toyah

By United Press.

TOYAH, July 31.—More than a 100 mile strip of West Texas was covered with pelting rains during the night. Tracks on the Texas and Pacific railroad were washed out at various points, holding up train service. A 1,500 foot break tied up the west bound Sunshine Special, while the east bound train was marooned at Van Horn. The fall was continuing this morning.

A steady, drizzling rain was falling in Sweetwater at 1:30 p. m. Friday, after showers during the night had raised the week's total precipitation another half inch. The week's total rainfall stood at 1.20 inch, bringing the month's total to 2.03 inches. The total for the year is now 16.90 inches.

According to United Press dispatches, and reports reaching Sweetwater, the rain was general over a large portion of the entire state, extending from Van Horn, Alpine and San Angelo to Fort Worth, and from Lubbock to South Texas counties.

The Texas and Pacific offices here reported good rains falling from Baird to Big Spring, and from Van Horn westward. Light showers fell from Baird to Fort Worth.

The Orient reported good rains from here south to San Angelo.

The local telephone offices reported good rains at Snyder, Rule, Colorado, Roscoe, Lubbock, Lamesa, Merkel, San Angelo, Blackwell and Maryneal. One and one half inch fell at the latter place. A light shower fell at Rotan, but no rain was reported from Roby.

Rain at Mabee

By United Press.

MABANK, July 31.—One inch of rain fell here last night. This is the first rain of any consequence since May 19.

Cotton Outlook Brightens

By United Press.

BALLINGER, July 31.—Ballinger's estimate on the cotton yield in this county jumped from 40,000 to possibly 100,000 bales as the result of a good rain throughout the county last night and today the fall continued slowly. The rain amounted to from 1 to 2 inches in the county, and was continuing at noon Friday.

Brady is Soaked

By United Press.

BRADY, July 31.—A slow rain began falling here at 8 a. m. amounting to a half inch at 11 o'clock and it was still raining over the entire county.

Dry Spell Broken

By United Press.

ATHENS, July 31.—After an all night rain the fall is continuing here today. The rain breaks a drouth at Athens of almost three months.

Feed Crops Saved

CROSS PLAINS, July 31.—Rain began falling here shortly after midnight and amounted to 1 1/2 inches at 10 o'clock this morning, when the rain was still falling. Low hanging clouds indicated that the fall may continue throughout the day. Feed crops have been saved.

Ready to Receive Bryan's Body

This picture shows the casket which contains the body of William Jennings Bryan being carried into the house at Dayton, Tenn., where he died, preparatory to placing his body in it to lie in state in the Tennessee town.

MORE QUAKES TO COME IN AUGUST

Italian Earthquake Prophetic Predicts Tremors for August 2—Predicted Recent Shakes

REGISTERED IN ITALY

Tremors in Texas, Oklahoma, New Mexico and Other Points Recorded in Italy

By United Press.

FAENZA, Italy, July 31.—An earthquake of great distance was registered on the instruments of Professor Raffaele Bandanti at 8 o'clock last night. He had foreseen a tremor at the month end, and now predicts an earthquake in the Mediterranean region August 2.

The past 48 hours were marked by seismic disturbances of not critical extent in Italy, Hawaii, California, New Mexico, Texas, Oklahoma and Kansas.

Felt in Kansas City

By United Press.

KANSAS CITY, July 31.—Several "veterans" of the recent California earthquake felt the tremor here. This indicates that the area shaken extended from Tuenmuar, New Mexico, to Kansas City, a distance of about 700 miles.

NO COAL STRIKE

Premier Baldwin Secures Provisional Settlement English Coal Crisis —Owners Suspend

By United Press.

LONDON, July 31.—Premier Baldwin announced in Commons today that he had been successful in making a provisional settlement of the coal crisis.

Owner have suspended for a fortnight.

The lockout notices were to have gone into effect tonight.

RATIFY SALE

Texas League Okehs Purchase By Houston Club of Pitcher Red Bird from Waco

By United Press.

HOUSTON, July 31.—The Texas League today ratified the purchase of pitcher, Red Bird, from the Waco club by the Houston club.

The purchase price was \$6,000.

Red Bird is to report to the Houston club on Saturday.

RUSK GETS 1 1/2 INCHES

By United Press.

RUSK, July 31.—One and a half inches of rain fell over Cherokee county last night ending a three weeks' hot spell.

Among the great works of faith is the installment plan.

There are leaders enough in America but not enough grievances to go around.

RESURFACE ROADS

COLORADO, July 31.—The city of Snyder is resurfacing with gravel Highway No. 7 within the city limits. This work is being done to prepare for a coat of asphalt and gravel by the State Highway Department.

There is a fraction over two miles of this highway within the city limits and the resurfacing will cost the city approximately \$5,000, according to City Alderman F. G. Sears.

GOVERNOR SAVES MEXICAN CONVICT

El Paso Murderer Gets Stay of Execution from Mrs. Ferguson Four Hours Before He Was to Die

NOW LIFE SENTENCE

Commutes Sentence to Life Imprisonment—Convicted of Killing Policeman in 1923

By United Press.

HUNTSVILLE, July 31.—Arnulfo Valles, El Paso murderer, was saved from the electric chair by governor Miriam Ferguson last night, just four hours before he was scheduled to pay with his life for the killing of Enrique Riveria, Mexican policeman at El Paso in 1923.

The governor commuted the sentence to life imprisonment.

All preparations for the electrocution were completed when the executive's staying message was received.

Considers Youth's Age

AUSTIN, July 31.—The youth of the prisoner and the opinion that the evidence in the case did not justify the penalty, saved Arnulfo Valles, 29 year old El Paso murderer from the electric chair last night, Governor Ferguson said today.

Valles will serve life imprisonment.

The governor overruled an adverse recommendation by the Board of Pardons just 4 hours before Valles was scheduled to go to his death.

The governor indicated her opinion that the killing of the officer by Valles was not premeditated.

BRIDGE WASHED OUT

Heavy Rains in Panhandle Cause Denver Bridge to Go Out

AMARILLO, July 31.—One hundred feet of the Fort Worth and Denver bridge across the Canadian river was washed out.

All Denver trains are being detoured over the Rock Island line today. The river was falling this afternoon, the railroad officials reported and the work on replacing the missing spans of the bridge is to begin tomorrow morning.

The river began rising early yesterday and at 11 o'clock railroad officials feared damage to the bridge. The high point was recorded about 11 last night when five bents of the structure went out.

The river bed at the point where crossed by the Denver is very treacherous, hardly a year passing without the bridge being damaged.

ARCHER CITY, July 31.—The municipal electric light and power plant here has been sold to the Wichita Falls Electric Company. It was too small and the service was inadequate. The city will hereafter receive service from the high tension transmission lines of the company. LUBBOCK, July 31.—New telephone lines of the best material are being built by the Southwestern Bell Telephone Co. between Amarillo, Plainville, Lubbock, Pampa and Slaton. The company is expending vast sums territory to keep up with the needs of money in the growing West Texas for service.

Threatened The Life of Coolidge

By United Press.

TAMPA, Fla., July 31.—Noman Clien, wanted in Washington and other cities on charges of having threatened to kill President Coolidge, was arrested here today by United States secret service agents.

Clien is the alleged leader of a band of anarchists.

Government agents said he had threatened the lives of Rockefeller, Henry Ford and Thomas Edison, as well as that of the President. The arrest followed a chase of many months, leading secret service agents thru many sections of the country.

Garden for Vitamines

By United Press.

WASHINGTON, July 31.—Steer clear of the drug stores and seek vitamins in the garden or in the market, is the advice of Dr. Reece Jones, chemist in charge of the Protein Investigation of the Department of Agriculture, who has completed an exhaustive survey of vitamins.

In cases of suspected vitamin deficiency in the diet, Jones said corrective measures should be taken through the use of suitable natural footstuffs, and not through commercial vitamin preparations, "many if not most of all of which are worthless."

"Vitamins play a very different role in nutrition from the other constituents," said Jones. "They are essential to growth, health and life, but they contribute neither energy nor tissue building material. Their function has been likened to that of a spark plug in a gas engine. They are often referred to as the accessory food factors."

Human beings and animals, according to Jones, are unable to produce vitamins within their bodies and lack of sufficient vitamins in the diet "is soon followed by serious consequences. Young animals will fail to grow normally and adults will rapidly decline in weight and develop certain characteristic affections known as deficiency diseases."

MOUNT VERNON, July 31.—The electric transmission line between Mt. Vernon and Mt. Pleasant has been completed and Mt. Vernon is now receiving electricity from this line. The service is improved and the cost to consumers is less than from the old local plant.

AMARILLO, July 31.—Sale of the City Light and Water Company by the Doherty interests to the Southwestern Public Service Company has been announced. C. S. Makeig, who has been with the company for several years, has been made general manager.

MARSHALL, July 31.—Completion of a high voltage transmission line between Marshall and Longview will mark the opening of the first farm service line of the East Texas Public Service Company. This line will extend to the Grover community and serve twenty-three farms with power and light.

About the only game in which the United States hasn't grabbed most of the worth-while prizes is resource grabbing.

Willing it to charity doesn't indicate generosity. It is easy to be generous with stuff you have no darned use for.

DALLAS, July 31.—Representatives of several electric power and light companies of Texas met here recently to consider further plans of the committee of farm and electric interests for service of electricity to the farms.

Funeral Today For Commoner

William Jennings Bryan Will Rest in Warrior's Grave Tonight Beside the Unknown Soldier and Other War Dead.

THOUSANDS VIEW BODY

Church Packed Throughout Day by Those Who View Body for Last Time; Only Brief Funeral Service Today.

By United Press.

WASHINGTON, July 31.—William Jennings Bryan will rest tonight in a warrior's grave beside the Unknown Soldier, war generals and privates in rank who died in battle.

Today his body lay in state in the church of the president, a weather stained red brick structure enveloped in trees in the center of the bustling capital.

Throughout the night when the lights of the city were darkened, comrades in arms of the Spanish-American War stood guard at the bier.

Twenty thousand persons had marched up in line through the front door of the church yesterday to see the Commoner from noon to ten p. m., and then the doors were closed for the night vigil.

PRINCE WANTS A NEW JAP CABINET

Premier Cata Will Be Asked By Prince Regent to Form A New Cabinet at Once

RESIGNED LAST NIGHT

Party Rivalry Given as Reason for Resignation of Cabinet—May Appoint New Party

By United Press.

TOKIO, July 31.—The Prince Regent, according to indications today, will ask Premier Kata to resign his cabinet.

The resignation was the result of technical differences between Kensaiki and Seyukai parties over taxation, but in reality it is the outcome of long standing political rivalry.

The Prince Regent postponed his trip to Saghalien because of the cabinet crisis.

SPEAKS TO MANY

Capacity Audience Hears Evangelist McMillan at Revival—God De- fined by Inspiration

Evangelist E. W. McMillan, who is preaching in the revival meeting now in progress at the Church of Christ, Fourth and Elm street, addressed a capacity crowd Thursday evening on the theme, "God is Love."

"Israel, subjected to the limitations of the Decalogue, believed God was law," he said. "The ancient Greeks, cultured in sculpture, painting and other fine arts, regarded God as beauty; the Romans, by reasons of their attainment through temporal conquests, thought of God only as Power; and the scientists, naturalists and inventors of modern times, seeing God only thru the unfeeling natural laws, think of Him and define Him as Harmony."

"But John, who saw and heard the living, loving Christ, the very expression of God's love for His creatures, and was permitted to see through the veil, as well, the glories prepared for man hereafter, has given the world the full, comprehensive meaning of God in His declaration, 'First John, 4:8, that 'God is Love.'"

Excellent congregational singing, directed by Mr. Alphin features every service. The evening hour for the services is 8:15 o'clock. Everyone is invited to hear the services.

EL PASO, July 31.—The El Paso Electric Company has just completed a large industrial plant sub-station to serve an area at present using 2,000 horse power.

MARSHALL, July 31.—The East Texas Public Service Company will invest \$300,000 additional capital here at once to increase the capacity of the power plant here.

SAN ANTONIO, July 31.—The Central Power and Light Company recently acquired by the Middle West Utilities Company, serves 65 counties, most of them in Texas.

As a final desperate expedient, perhaps Washington could get the Digest to poll France on the debt question.

FORESTS GOING

Alarmed at Disappearance of Timber in West—Taxation Does Not Favor Conservation

SEATTLE, Wash., July 31.—Alarm over the rapid rate at which Washington forests are being cut up into lumber has been expressed by Governor Boland P. Hartley, himself a timberman of long experience.

Governor Hartley predicted that within 20 years the timber of the state will have been cut away until lumbering will no longer be a major industry. At present lumbering and contingent industries are said to carry 65 per cent of the state's payroll.

The timber stand in this state is one of the important remaining ones in the entire country.

Some lumbermen are inclined to ridicule the governor's statements as absurd, but on one point they agree. That is that the present system of taxation does not favor conservation. It is cheaper to cut timber, regardless of current prices, than to hold the stands which are heavily taxed. Under this system of things the denuded land cannot be reforested profitably by owners.

Other lumbermen point to the fact that as the easily accessible timber is cut away, a natural increase in price will develop, which will force lumber to give way to cheaper building materials. Far in the mountains, at least, they maintain, there will be timber for the cutting if the world lumber market justifies it.

Ford is hard to understand. The Chinese junk boat is a boat, and he hasn't made a bid.

As a final desperate expedient, perhaps Washington could get the Digest to poll France on the debt question.

CONSTRUCTIVE AMERICANISM

The newspapers are full of discussions of various ideas connected with the plan of a World Court. Generally speaking, the press of our country is inclined to favor an international policy that is of a constructive character.

There is little disposition to condemn movements like the World Court a Disarmament Conference, and plans for stabilizing international industrial and commercial conditions.

Few political leaders go to the extreme of advocating commercial isolation of our country. Press reports indicate that there is an underlying sentiment, possibly tinged with idealism, that favors our lending a hand in the economic restoration of any of the European countries.

One of the great byproducts of the World War is a lessening of racial prejudices and more of the helpful big brother feeling toward all foreign nations.

el. One of them, Commissioner Gabaldon threatens to "fight forever" an attempt to "place rubber lands in the Philippines in the grasp of Americans." He declares that Americans are seeking economic control of the islands and that the Filipinos are determined to preserve their lands, with their many valuable resources, for their own people.

FIRST IN SWEETWATER

Had the panhandle earthquake wrecked thriving, busy cities in that great section of the state, and taken a great toll of lives, press associations would have carried thousands of words in dispatches on the disaster.

Instead, the Reporter went to additional expense and gave its readers a complete newspaper. Readers of the Reporter wanted to know about the Panhandle earthquake, and that service was given them yesterday afternoon.

hours before the same identical news reached here in Friday morning dailies.

Just as it went to the limit in serving its readers in the panhandle earthquake, so will you find the Daily Reporter does its work on the other big issues and stories that develop from time to time.

SCALE UP AND DOWN

Whether it be by president Coolidge or by any other public official or agency, efforts for tax reduction will meet with popular approval.

For the tax burden is real. It bears heavily on everybody.

The farmer sells his crops and in turn gives more to the tax collector than he keeps for himself.

Last year the railroads paid taxes in the amount of \$340,000,000, or \$30,000,000 more than was paid the stockholders.

Merchants may and usually do, add their taxes to the selling price of their goods and wares, thus passing the tax burden on to the consumer, but as taxes rise, prices soar, sales lessen and profits dwindle.

The tax burden cannot be shifted. Directly or indirectly, it falls on the general public. The only way to reduce it is to scale up economy and scale down extravagances.

LANDS IN TREE

Aviator Practicing Forced Landing Made One That Was No Fake

SAN ANTONIO, July 31.—Settling into a tree top like a bird, a Jennie plane, containing Cadet E. J. Moe, of Brooks Field, was not damaged today, although it will have to be taken apart before it can be brought down.

Moe was making practice forced landings near Brooks Field, when he was compelled to make a real forced land, although he saved his neck.

Presbyterian Church

The regular Communion service will be held Sunday morning at 11 o'clock. All members are urged to be present. There will be preaching at 8 p. m. Special music at both services. Sunday school at 9:45 p. m. and Christian Endeavor at 7 p. m.

B. B. Hestir, pastor.

The Sweetwater Band will give an open air concert on the court house lawn this evening at 8 o'clock. Sam Goldman will direct the band. Everyone is invited to hear the splendid concert that has been arranged.

Correct this sentence: "Sorry," said she to the young millionaire, "but I promised to go flivvering with Bill this evening."

The supreme test of personality comes when you must tell the taxi driver that your money is in your other pants.

PAINS ALL OVER

Lady Says She Took Cardui and Never Saw Such Improvement—Was So Weak Couldn't Stand.

Weatherby, Miss.—Mrs. James M. Hall, of this place, writes that she was "getting weaker all the time" when Cardui, the woman's tonic, was first brought to her attention.

"I suffered all the time and had pains all over," says Mrs. Hall. "I was so weak I could not stand. My skin was cold and flabby. I did not have any color. I had always been a very active woman—used to outdoor exercise, walking and going where I pleased, and to get down, not able to get myself a drink, was indeed a hardship."

"Nothing seemed to help me, till I began on Cardui. The first bottle seemed to strengthen me, and I sent for five more. By the time I had taken these, I was on my feet, going around, doing my work, gained in health and strength."

Take CARDUI THE WOMAN'S TONIC

AMUSEMENTS

PALACE

Racing scenes for "The Dixie Handicap", Reginald Barker's latest production for Metro-Goldwyn-Mayer, which is coming to the Palace Theater today were filmed at the Latonia Track. For this purpose a unit from the Metro-Goldwyn Mayer studio in Culver City traveled east to the famous Kentucky race track and photographed the third section of the international race in which Epinard, the French champion, ran and lost.

In the picture, "The Dixie Handicap," a thoroughbred two years old captures the Derby, and provides a smashing finish for a colorful romance of the South. This climax was carefully prepared by Barker, who determined that nothing else but the real thing would do for this sequence.

"The Dixie Handicap," written by Gerald Beaumont, and adapted by Waldemar Young, has a cast that includes, Frank Keenan, Claire Windsor, Lloyd Hughes, John Sainpolis, Otis Harlan and many others.

LYRIC

Two veterans of Patheserials appearing in "Idaho!", the newest chapter play, featuring Mahlon Hamilton and Vivian Rich, are Frank Lackteen and Omar Whitehead. Whitehead played the important role of Captain X, with Ruth Roland in "Ruth of the Range," and Lackteen has been leading villain in "The Fortieth Door," "Leatherstocking" and "Into the Net", all Patheserials. As soon as his work was completed in "Idaho!" he rushed to Miami, Florida, to play an important part in the next Patheserial, adapted from Albert Payson Terhune's novel, "Black Caesar's Claim." An episode of "Idaho!" is showing every Friday and Saturday at the Lyric Theatre.

QUEEN

"Ranchers and Rascals" is one big human nature comedy drama, replete with powerful sensational scenes, lightened by the most wholesome comedy situations ever pictured.

"Bullets" the dog with the human brain, scores heavy in this one. With out question it is one of the fastest action stories of the series and its entertainment value is great! This will be shown at the Queen Theatre Saturday only.

Will Work Huge Bed Spread With U. S. Emblem in Center for White House

By United Press. SWAMPSCOTT, Mass., July 31.—A white knitted bedspread bearing the great seal of the United States worked into its center and measuring 7 by 5 feet over all will be Mrs. Coolidge's contribution to the White House.

The work, which will require 18 months of Mrs. Coolidge's spare time, marks a revival of an old custom of first ladies of the land leaving a piece of handwork at the White House as an heirloom to the nation. The custom began with the wife of President Madison and continued down to and including Mrs. McKinley. Most of these historic relics are now placed in glass cases in the White House Show room.

When finished, the Coolidge bedspread will be placed on one of the four big posters in the state bedroom of the White House.

Mrs. Coolidge has already obtained ten one pound balls of long South Sea Island cotton, very smooth and silky, for the work.

Dried Beef With Cream

1-4 lb. smoked dried beef, thinly sliced, 1 cup scalded cream, 1 1/2 tbs. flour.

Remove skin and separate meat in pieces, cover with hot water, let stand 10 minutes, and drain. Dilute flour with enough cold water to pour easily, making a smooth paste; add to cream and cook in double boiler 10 minutes. Add beef and repeat. One cup white sauce may be used in place of cream, omitting the salt.

Chicken Salad

Cut cold boiled fowl or remnants of roast chicken in 1-2 inch cubes, and marinate with French dressing. Add

Insects Can't Live Where NI-LATE is sprayed

Ni-Late is the quickest, surest, safest, insecticide known. Manufacturer will pay \$50 reward if it fails to kill Flies, Ants, Mosquitoes, Bed Bugs, Roaches or any insect, when used according to directions.

Ni-Late is harmless to humans, animals, or fine fabrics. Convenient and inexpensive to use. Price 50c for large bottle with sprayer free—at your druggist's or grocer's.

Use Ni-Late today. Rid your home of every filthy germ-laden insect pest.

Take no chances with your baking

MAKE sure that you get the best possible results every time you cook or bake by using Mrs. Tucker's Shortening. You will find that it makes muffins, hot breads, cakes—light and flaky and tender. That fried meat and vegetables are never greasy. That whenever you use it, it imparts the richness of butter—and none of the heavy indigestibility of lard.

That is because Mrs. Tucker's is a pure, wholesome vegetable shortening. It is made exclusively of choice cottonseed-oil. Buy a pair of it from your grocer today. It will be enough to convince you of its economy.

You'll be delighted, too, with the new container for Mrs. Tucker's. Absolutely air-tight, it assures you shortening that is fresh and pure. It's wonderfully easy to open—a matter of seconds. Once empty, it is useful about the house as a bucket or dinner pail. Interstate Cotton Oil Refining Co., Sherman, Texas.

Mrs. Tucker's Shortening
America's finest cooking fat

equal quantity of celery washed, scraped, cut in small pieces, chilled in cold or ice water, drained and dried in a towel. Just before serving moisten with mayonnaise dressing. Mound on a salad dish, and garnish with kolks of hard boiled eggs forced through a potato ricer, and celery tips.

Cheese Straws

2-3 cup flour, 1 cup soft bread crumbs, 1-4 tsp. salt, 1 cup grated cheese, cayenne, 2 tbs. milk.

Mix the ingredients in the order given in the recipe. The milk should merely moisten the ingredients so they will stick together. It may be necessary to increase the quantity. On a slightly floured board roll the mixture to 1-4 inch thickness. Cut in strips 1-4 inch wide and 4 to 6 inches long. Place on oiled pan. Bake until broken in a moderate oven.

Caramel Custard

4 cups scalded milk, 1 tsp. salt, 5 eggs, 1 tsp. vanilla, 1-2 cup sugar.

Put sugar in iron frying pan, and stir it constantly over hot part of stove until melted to a syrup of light brown color. Add gradually to milk being careful that milk does not bubble up and over, as is liable on account of high temperature of sugar. As soon as sugar is melted in milk add mixture gradually to eggs slightly beaten; add salt and flavoring, then strain in buttered mold. Bake as custard. Chill and serve with caramel sauce.

Fruit Cocktail

Remove pulp from grape fruit, and mix with shredded pineapple, bananas cut in slices in quarters, and strawberries cut in halves, using half as much pineapple and banana as grapefruit and allowing four strawberries to each grapefruit. There should be 2 cups fruit. Chill thoroughly, serve in cocktail glasses, and garnish with candied cherries and leaves.

Parker House Rolls

2 cups scalded milk, 2 tsp. salt, 3 tbs. butter, 1 yeast cake dissolved, 2 tbs. sugar in flour (about 51-2 cups) Let rise again, toss on slightly floured board, knead, pat, and roll out to 1-3 inch thickness. Shape with biscuit cutter, first dipped in flour. Dip the handle of a case knife in flour, and with it crease the middle of each piece; brush over 1-2 of each piece with melted butter, fold, and press edges together. Place in greased pan 1 inch apart, cover, let rise, and bake in hot oven 12 to 15 minutes. As rolls rise they will part slightly and if hastened in rising, are apt to lose their shape.

"BROKEN OUT" FACES ARE NOT IN STYLE

The girls who can't wear clothes which are in style because they have eczema, rash, tetter, scrofula or a "breaking out" where it would show are more to be scolded than pitied, because there is no need for them to be unattractive in out-of-style dresses,

when they can get rid of these skin troubles so easily now.

Black and White Ointment and Soap are surprising thousands of girls who have had to deny themselves the get, because they quickly remove all trace of these skin troubles.

They are economically priced, in liberal packages. The 50c size Ointment contains three times as much as the 25c size. All dealers have both the Ointment and the Soap. (adv)

HOUSEHOLD HINTS

Raising the Kitchen Table

A kitchen table that is too low for a tall woman to work at comfortably may serve a double purpose. Cover it with white table cloth (or zinc or glass if the pocketbook permits) and have a carpenter of the "handy man about the house" make a second table top raised on four supports to the proper height. The original surface then makes a convenient shelf for many small utensils and kitchen accessories.

Discarded Fruit Jar Tops

Discarded fruit jar tops are excellent for poaching eggs in; also for drop cakes when you have not enough muffin pans to keep them busy. Place them in a pan for easy handling.

A New Dressing for Salad

Have you ever tried using one or two tablespoonsful of a bottled relish or sweet pickle relish to a cupful of cooked salad dressing? This makes a delightful dressing for head lettuce.

Keeping Yolks of Eggs

When using the whites of eggs, if you do not need the yolks at the same time, drop them into a cup of cold water. This will prevent the yolks from hardening, until you can use them.

WASHINGTON GOSSIP

WASHINGTON, July 31.—To mitigate the tragedy of rejected immigrants at Ellis Island and to increase efficiency in choosing prospective American citizens, the United States government hopes hereafter to weed out all applicants in their native homes.

The experiment was initiated this month by the State Department through its consulates in the seven leading ports of the British Isles, and if successful will be generally extended. Special immigration inspectors to cooperate with the consulates at London, Liverpool, Glasgow, Southampton, Belfast, Dublin and Kobb (Queens-town) have been appointed by Secretary of Labor Davis and have sailed for their new posts. Examining physicians from the Public Health service have been selected by Secretary of the Treasury Mellon for the experiment.

At the same time the United States is attempting to decrease the difficulties of casual tourists by offering to foreign government reciprocal abolition or reduction of non-immigrant visa-fees, in accordance with a special law passed by the last session of congress.

Reciprocal abolition of such fees has already been secured by the State Department with Switzerland, Sweden, Guatemala, Honduras, Costa Rica and Panama. Spain and Bulgaria have agreed to reciprocal reduction. Similar negotiations are now being pushed with all other foreign governments.

The State Department's new plan regarding immigration control was outlined by a high official today as follows:

"The arrangement is in the nature of an experiment to determine whether it is practicable to make such an examination before the embarkation

of the immigrant as may be safely substituted for the major part of the examination now made at American port of entry.

"It is hoped that the consul furnished with information as to the eligibility of an alien under the immigration laws by the Immigration advisers and data as to his medical fitness by the medical adviser, will be able to prevent much of the uncertainty and hardship now experienced by immigrants."

Union Prayer Meeting

The men and boys' Union Prayer Meeting will meet as usual Sunday afternoon at 6:30 o'clock in the basement of the Presbyterian church. The subject, "Forty Days in the Wilderness, between Hell and Heaven," will be discussed by Ernest Bryan, the leader for next Sunday. Boys and men from all denominations are urged to attend.

Junior Missionary Society

The following program will be rendered by the Junior Missionary Society of the First Methodist church, Friday, July 31, at 4 o'clock.

Opening song: Showers of Blessing. Scripture reading: 21 chapter Matthew, Mrs. Ted Hall. Leader: Virginia Stewart. Prayer: Gladys Johnson. Talks—Mattie Beth Payne. Rainbow: Polly Hall. Primary leader's lesson: Katherine Douglas.

The Ladies Auxiliary to the Board of City Development will meet a Thursday afternoon at the court house at the usual hour.

Change affects things but little. Turkey legalized hooch, and the jails aren't empty, either.

Neat Effect

This tie does not knot in the usual manner but passes through wide embroidered slits in a very flat tailored fashion. A monogram adds a note of interest and individuality.

Do You Know Meat?

Above we show what is commonly called a carcass of meat. This is from a prime young animal and from it will be taken those choice cuts of meat that are so well suited to your individual taste.

We MUST KNOW MEAT in order to give you exactly what you order, and if you do not know the different cuts we will be glad to explain to you, show you and advise you as to which are the BEST cuts.

No matter what you order, when you order it here, you are sure of two things. One is to get exactly what you order and the other is to get the best QUALITY that money will buy.

PERSONALS

Ray Lindley, son of Dr. and Mrs. C. D. Lindley, who is a ministerial student at Phillips University, arrived Wednesday for a short visit with his parents.

Mrs. Gus Bethany and Mrs. Burnia Rone have returned home after a visit in Merkel and Abilene with friends and relatives.

Misses Camilla Boykin and Virginia Hudson of Fort Worth, with their uncle, Bruce Crow, of Texarkana, Ark. will arrive Saturday to spend a few days at the home of Mr. and Mrs. Willard Gibson.

Miss Cora Chance left Thursday for a visit with friends and relatives in New Mexico. She was accompanied by her sister from Abilene.

Mrs. John Hubbard and son, John Barry, are the guests of friends and relatives in Taylor.

Mrs. Nix of Fort Worth was a guest in the home of Mrs. A. G. Elliott, 111 Lamar street, on Thursday, enroute to Clovis.

Mr. and Mrs. E. L. Langley and children will return home Saturday from Carthage, Texas, where Mr. Langley was called on account of the illness of his mother. Shortly after his arrival there she died, and the funeral was held Wednesday.

Miss Olivia Bryant of Roswell, N. M., is visiting her niece, Mrs. F. H. Northern on Walnut street.

Mrs. J. L. Taff left Thursday afternoon for Temple to be with her husband, who is seriously ill in the Santa Fe hospital there. He will likely undergo an operation Friday or Saturday morning.

Ellis Douthitt spent several days the guest of his friends here while enroute to his home in Fort Worth, from Colorado.

Mrs. John Kegan has returned to Clyde after a visit with her sister, Mrs. George Parker.

Mr. and Mrs. E. C. Brann and two daughters, Helen and Nina Mae, of Hamlin, are the guests of their daughter, Mrs. Carl Ragland.

What Is New For Fall?

What a variety milady has this season from which to choose! The first advance showings of Autumn Frocks can now be seen at Hassen's. Limited yet, of course, but you can get a good idea of the color trend for the new season.

We feature some new dresses from Dorothy Knapp in late colors and designs. And the prices are most reasonable!

Velvet Hats for Fall

Some stunning models have just been received and are now on display in the store. Fall colors predominate.

Specials for Saturday & Monday

We will have several specials for the week-end. Come down tomorrow early and see them!

HASSEN COMPANY

Mr. and Mrs. Hubert Toler are guests of friends and relatives in Dallas this week. 157-t6de.

Carl Ragland and E. C. Brann of Hamlin are in Dallas for a few days looking after business.
