SUES RELATIVE MURDER VICTIMS

A Fieldman of Houston, Brother of Mrs. Engler, Who Was Murdered, Is Defendant

\$7,500 DAMAGES ARE CLAIMED

Man Who Found Dead Bodies of Englers Claims Fieldman Beat Him Up in Jail

By United Press.
AUSTIN, Aug. 29.—A Fieldman, Houston, brother-in-law of Charles Engler, who with his wife and adopted daughter were murdered in the Engler home at Moores Crossing, 10 miles east of Austin, is defendant in a suit for \$7,500 damages filed in Travis County Court by John Starnall, who first discovered the bodies. Starnall, while being detained in jail by the sheriff in connection with the investigation alleged that on August 11 Fieldman attacked him and beat him with his fist.

At the time of the alleged assault, Starnall was being questioned by officers, who permitted Fieldman to accompany them into the cell at the jail. Immediately after the assault, Sheriff W. D. Miller filed a complaint in Justice Court and Fieldman was fined. Later Starnall was released on habeas corpus proceedings.

Two Negroes Hit by Stray Bullets as Police Battle Bandits in Business Section

By United Press.
KANSAS CITY, Aug. 29.—Two negroes were struck by stray bullets in a running fight between police and bandits who staged a running gun fight here today.

The bandits staged a payroll robbery in a business street, held police at bay with a bottle of nitro glycerin which they threatened to hurl at their car and escaped.

ORIENT GAP DONE IN YEAR

And Soon Afterward the Road Will Reach Deep Into Mexico

WICHITA Kan., Aug. 29.—Within one year the gap of the Orient railroad between Marquese, Mexico, and the Rio Grande River will have been completed, W. T. Kemper, president of the road, said here last week. As soon as the gap is completed work will start on the connecting link between Alpine, Texas, south to the Rio Grande.

In other words, the Orient would extend from Wichita to a point beyond Chihuahua, Mexico, within a little more than a year if the reorganization plan is approved, he said. The Marquese project will be completed, regardless of the interstate commerce commission's decision.

New equipment would be installed at once, Mr. Kemper said. New engines and electric motors were on their way, while cars already had been delivered.

"Reorganization approval also will mean a costly terminal and station here," Mr. Kemper said.

Miss Brookside Nell Boyd and Miss Helen Cowan, who have been visiting Mr. and Mrs. C. A. McCorkle, returned to their homes at Temple Friday.

Amarilloans Weigh Twins in Lubbock Enroute South

LUBBOCK, Aug. 29.—Mr. and Mrs. B. C. Elliott and twin boys, Billie, passed through Lubbock recently en route to Sweetwater where they will visit their parents, Mr. and Mrs. T. G. Elliott.

Billie and Bobbie, the twin babies, were weighed at the office of the public health nurse here, and only one ounce difference in the weight was shown, one weighing 17 pounds and eight ounces while the other weighed 17 pounds and seven ounces.

Mr. Elliott stated that the boys' grandparents at Sweetwater had never had the opportunity to see them, and that a great time is anticipated on the visit there.

Navy Planes Fly to San Pablo Bay in Readiness for Trip to Hawaii Monday

PB-1 CONDITION UNCERTAIN

Third Plane of Trio, Said Not to Be in Condition, May Not Be Ready in Time

By United Press.
SAN FRANCISCO, Aug. 29.—One step nearer the giant hop over the seas to Hawaii, two of the navy trio of big sea planes selected for the trip flew today from Crissey Field near the waterfront to the position in San Pablo Bay from which the start will be made Monday.

Condition of the PB-1, the third plane of the trio, is unknown and it is uncertain or not whether she will be in shape for the trial flight. Officials said the PB-1 would take off Sunday for San Pablo Bay, but in official quarters it was said the big plane might not be in shape for the hopoff Monday, which is scheduled for 2 p. m.

SCHOOL OPENING PLANS ARRANGED

Final Details Will Be Completed Early This Week, According to Superintendent McLain

FIRST SESSION SEPT. 7

District Lines for Grade Schools Changed from Previous Years—New Courses

All arrangements will be completed early this week for the opening of the city schools Monday, September 7th, according to Superintendent B. H. McLain.

E. F. Neimast, principal, will be in his office at the High School all day Friday to enroll high school students who were not in the Sweetwater schools last year.

Saturday, September 5th, at 9 o'clock in the High School building, there will be a faculty meeting, where final instructions will be given teachers for the enrolling of pupils Monday and general plans for the year.

There will be no opening exercises Monday morning, all time being given to getting pupils enrolled and classed, programs made out, and books issued. A large attendance is expected in all schools, but conditions are not expected to be so crowded in September as later, for a great many pupils do not enter school until cotton is picked, usually in December.

District lines for the grammar schools will be unchanged from those of last year. The East Ward boundary will follow Oak Street to the T. & P. tracks, thence east to Lamar St. thence south to Grogan Wells, thence east to the limits of the district. South Ward limits will follow the south boundary of the East Ward district as outlined above and follow the T. & P. tracks west to the district limits. The West Ward territory will include all north of the T. & P. tracks and west of Oak Street, with that part lying between Oak Street and the Orient Tracks considered neutral; i. e. pupils in this territory may go to either East or West Ward.

The general organization and rules will be the same as last year. Music has been added in the grades and Manual Training and Public Speaking in the High School, including an orchestra, glee club, dramatic club, etc. The school expects to cooperate with the boy scouts and fire reserve movements, having teachers who will be helpful in this work.

The administration solicits the same spirit of patience, fairness, and cooperation on the part of the patrons that was accorded last year.

TO TRIAL MONDAY

Second Oklahoman Charged in Connection Death Dallas Watchman Last June

DALLAS, Aug. 29.—Joe Brown of Haskell, Oklahoma will go on trial here Monday in connection with the slaying of Charles Swinney, night watchman, last June.

A special venire of 250 men has been called for the jury. The Oklahoman is the second to face trial for the slaying. Captain J. Goodman of Tulsa was given a five year manslaughter sentence on the same charge. His case is under appeal.

BROTHER CLAIMS MURDER

Mystery of Death Enshrouds Bridge Where Car Crash Results in Tragedy

By United Press.

HUTCHINSON, Kan., Aug. 29.—Belief that his brother had been killed when the auto in which they were riding crashed into a bridge is thought by county authorities as the reason for the suicide today of Penn Gray, prominent merchant.

When his brother, Howard Gray, returned to the scene of the accident after receiving medical attention, he found his brother dead, shot through the temple. A .25 caliber revolver lay in the car and a box of shells for it was found under the seat.

Penn Gray had been driving the car at the time of the crash. His brother was hurled through the windshield and sustained lacerations about the head and neck.

Howard Gray insists that his brother was murdered because he never carried a gun.

Sheriff Lankford holds to the suicide theory, however.

CITY IS GROWING

Directory Compiled by W. L. Hunter Shows 7,100 Population—20 Per Cent Increase

Sweetwater has a population of 7,100 at this time, according to W. L. Hunter, compiler of a new directory of this city just printed by the Sweetwater Reporter.

This is an increase of twenty per cent over the former directory of Sweetwater printed three years ago.

While the new directory does not contain the names of those below a certain age, the number of members of each family was ascertained when the data for the new directory was secured and from the totals thus obtained the population estimate prepared.

The new directory has a general directory, wherein are listed the names of inhabitants of the city in alphabetical order, a street directory giving the number of the street and the name of the householder, a list of the tax payers of the county, a classified business directory and much general information concerning this section.

To Abilene

Dr. and Mrs. L. G. Morony left Saturday for Abilene where they will make their future home. Dr. Morony was formerly pastor of the Baptist church here.

A family reunion is scheduled for J. L. Payne when members of the family of Mrs. Murphy who is at the Grogan Wells Sanatorium gather here from different points. Among those expected are Dr. Murphy of Temple, Mr. and Mrs. Geo. T. Wilson from Abilene and Mr. and Mrs. Hoyt Murphy of Abilene.

She was formerly a probationary nurse here, beginning training July 15 and left the hospital Friday. Mrs. Ashley passed through San Antonio from a visit to Mexico City and was to have taken the girl to Miami. No trace has been found.

COMPLETE PLANS FOR COAL STRIKE

Impending Anthracite Miners Walkout Already Felt—158,000 Men to Quit Work

STRIKE IN OKLAHOMA

Henrietta District Plans to Join Hartshorn Mountain Miners for 1924 Scale

By United Press.

PHILADELPHIA, Aug. 29.—The impending anthracite coal strike began to make itself felt in this section today, where 158,000 miners will quit work Monday at midnight.

Already some of the workers have removed the tools from the pits and gone to their homes to remain until the strike shall have ended.

John L. Lewis, president of the United Mine Workers and storm center of wage disputes for a decade, organized union headquarters in a hotel here and is arranging details of the suspension of work.

Messages and orders are being sent out from union headquarters arranging for the maintenance men to observe regulations for normal conditions in the mines, pertaining to ventilation, and other protection of property.

Lewis informed the workers that the miners' families would be provided for with relief funds when and where needed after proper investigation had been made.

As the strike plans progressed the state and national governments were silent and no indications were forthcoming that either would dip into the situation with offers of arbitration. Both union leaders and operators indicated that they had lost faith in arbitration. At best, it was pointed out, arbitration is only a temporary arrangement.

Major W. W. Inglis, chairman of the operators' committee said that he wanted the present strike settled on a business basis that will preclude any possibility of a suspension of work in the future. Inglis suggested a plan which provided for a readjustment of wages for a minimum time, but the miners objected, fearing a return of the objectionable sliding scale system.

There is a ten weeks supply of an anthracite coal on hand at the mine, it was indicated.

Strike in Oklahoma

HENRIETTA, Okla., Aug. 29.—Beginning their 115 mile auto trek to the Hartshorn Mountain district, hundreds of union miners are leaving here tonight for the great gathering tomorrow where a big barbecue and talk fest will feature. It is estimated that more than 10,000 miners will be in attendance.

Tomorrow union organization of the Henrietta coal mining region will be completed and the miners will strike for the 1924 wage scale. The proposed strike in the Hartshorn district will be effective Monday, according to David Fowler, international union representative.

Mr. and Mrs. Dan Smith and Misses Hazel, Dorothy, Dorris and Juanita Smith of Nashville, Tenn., Floyd Austin of Dickson, Tenn., and W. W. Williams of Honolulu were recent guests of Mr. and Mrs. Leroy Johnson while enroute to Los Angeles to make that city their home.

Police in Dakota Asked to Watch for Men Reported Heading Southward

By United Press.

GRAND FORKS, N. D., Aug. 29.—Bandits last night raided three Canadian villages 50 miles above the border, cutting all telephone wires and obtaining loot amounting to over \$7,000 according to word received here today.

Police are asked to watch for the bandits who are reported heading south.

The raiders visited Trehermo, Bathwell and Holland.

They blew the safes in several stores.

"RANK INSUBORDINATION"

Yank Manager Won't Give Exact Reason—Big Fellows Hitting Falls Way Down

By United Press.

ST. LOUIS, Aug. 29.—Babe Ruth, former home run king of the American League, is speeding eastward tonight smarting under a \$5,000 fine and what is worse—an indefinite suspension because his conduct is held to be detrimental to the Yankee baseball team.

With unexpected suddenness, Miller Huggins, the midget manager of the Yanks, late today ordered the suspension and imposed the fine on the ground that Ruth's conduct of late had been unbecoming a baseball player.

Further than this he declined to reveal the nature of Ruth's offense. It was later learned that Huggins took the action he did for something the King did off the field instead of during a game. Ruth's hitting while on the road trip has not been at all brilliant, his average being a mere .245.

Huggins wanted newspapermen away but did consent to see them after the game. He declared that the fine and suspension were imposed because of rank insubordination and that he believed it would be a good lesson to the big fellow.

"I have fined Ruth \$5,000, indefinitely suspended him and given him a ticket home. That is all that I have to say," Huggins declared.

CARS KILL MORE

Department of Commerce Announces Motor Fatality Records for First Part 1925

WASHINGTON, D. C., Aug. 29.—The Department of Commerce announces that reports of automobile fatalities in 1925 have been received from 77 cities of 100,000 population or more. Thirty of these cities show more automobile fatalities in the four week period ending August 15 than in the previous four week period. Nor folk shows no fatalities for the last eight weeks, and in addition the following seven cities show no fatalities for the last four weeks: Dayton, Houston, Lynn, New Bedford, St. Paul, San Antonio, Waterbury. New Bedford, with two deaths still holds the record for 1925.

For 57 cities with an aggregate population of 27 million, there were 2,878 automobile fatalities reported in the period January 1st to August 15, 1925, as contrasted with 2,885 such fatalities in the period January 1 to August 31, 1923. Of these 2,878 deaths 368, or 13 per cent, were reported in the four week period ending August 15, 1925.

Of the 66 cities for which comparisons are possible so far for 1923 and 1925, 36 show more automobile fatalities reported in the period January 1 to August 15, 1925, than occurred in the first eight months of 1923.

So far this year New York City has reported 559 automobile fatalities, Chicago 344, Philadelphia 173, Detroit 158, Los Angeles 139, while for the last four week period the figures are New York City 58, Chicago 45, Philadelphia 24, Detroit 31, and Los Angeles 17.

Mrs. F. M. Poffenbach and daughter Florence returned Friday night from Whitesboro and Dallas where they have spent the month of August visiting relatives.

BILLING

People killed at railroad grade crossings in 1924 totaled 8582. This is Uncle Sam's official figure. Killed one by one, they attracted no great interest. If a single accident killed 8582 the country would be alarmed into action.

The logical action, of course, is elimination of dangerous grade crossings as rapidly as possible. Meantime, motorists and drivers should play safe—exercise even more caution than seems necessary. Chalk "8582" on your windshield.

BETTER

The iron and steel industry is a tenth busier than it was a month ago. It's still operating half-time or a bit better. Recovery from dull times is not taking place with spectacular speed. Instead there's a gradual and steady improvement which is very "healthy."

Study these periods of business depression and learn that they are mainly due to fear. That's why there can never be too much optimism, for optimism is courage.

INVITING DEATH

Here's a beautiful baby, in excellent health. The proud mother ex-

hibits him to visitors. Their instant tendency is to take hold of the baby's fingers. They do not realize danger of transferring germs.

Within a few seconds after baby's fingers have been pawed by grown-ups, his fingers go to his mouth.

This is one of the commonest ways germs of colds and other diseases get into the baby's system.

Lucky for baby, if visitors toy with his fingers outdoors. Mother is naturally afraid to offend by cautioning about transfer of germs. If she is wise, she will expose his fingers to the sunlight.

Germs die almost instantly in sunlight. And, by the way, one of the best remedies for a sore throat is to open your mouth so the sun will shine into the infected parts.

More disease germs are "caught" by contact with the hands than any other way. Except, possibly, kissing.

The danger is especially acute when there is a cut or a chapped crack in the skin of the hands.

The League Against Hand Shaking is doing excellent work.

Hand shaking, after all, is rather a ridiculous custom. It's a stupid survival of the days when men extended their right hand to instill confidence by showing they carried no weapon.

Says Baby Story Is A Myth

The marriage of Mr. and Mrs. Floyd Bonham, above, of Los Angeles, is threatened with a bigamy charge brought by Alvine Johnstone, below. Johnstone insists Mrs. Bonham is his wife and that a baby was born to them. Mrs. Bonham says she went through a marriage ceremony with Johnstone to help him in a legal matter, but that it was illegal. She denies the baby was born to her.

FORGOT THEIR PAY

Judge and District Attorney in Lamesa "Broke"

LAMESA, Aug. 29.—Judge Gordon B. McGuire, Judge of the 106th Judicial District of Texas, says that there may be lots of honor attached to being district judge, but that in his case there will not be much money for several days.

It seems that the last State Legislature went far enough to establish the 106th district, but they forgot to provide money to pay the salaries of the hired hands in the district.

The officers of the 106th will not be able to draw any pay checks from the state until the next legislature appropriate funds to meet the checks.

ORIENT ADDS MEN

List Promotions in Freight Department Are Announced

WICHITA, Kan., Aug. 29.—Promotions in the traffic department and the establishment of new general agencies in Texas are announced by the Orient railroad in its campaign to get its share of the southwestern freight business.

H. N. Clark has been appointed general Southwest Agent at Fort Worth to succeed C. R. Taylor who has resigned. Mr. Clark is a native Texan and has been in the service since 1919.

Before coming to Wichita as dispatcher he was sent in the station service where he received solicitation experience. The Wichita Falls office which has been a sub agency now is a general agency. A. R. Mitchell, division clerk of the General Traffic Manager's office, will have a charge. Mr. Mitchell is from Amarillo and has been in the Orient service two years after serving twelve years with the Santa F.

Following the resignation of E. L. House at El Paso, E. B. Wright, formerly with the I. & G. N. railroad at Laredo, has been appointed to that position. Mr. Wright has many years experience in handling traffic solicitation.

The Dallas territory has increased in importance and H. C. Rich, who has been with the Orient eight years and has had charge of sub-agency, will be made general agent with headquarters at that place.

Included among the leading social events of the week were a number of affairs arranged in honor of Mrs. C. A. Engle of Greenville. Mrs. S. Edwards was hostess at a luncheon Friday. Mr. and Mrs. Rufus Wright, Mrs. Gerald Fitzgerald and Mrs. Nettie Fitzgerald McAdams gave a beau-

SINGERS TO MEET

The Nolan County Singing Convention will meet at Roscoe September 12 and 13, which is the second Sunday of September and the Saturday before. Proper arrangements are being made to take care of the people that will attend. And we are anxious that every class in the county attend on Saturday afternoon when the business will be attended to. Right here let me say that we are trying to make a convention out of this and not simply an all day singing. Therefore

it is very important that you send your delegates to the business meeting. Let every class in the county call a meeting now and get delegates ready, as well as the class. This is a county affair and it is as much your convention as it is anybody else's, and we want you to feel that way about it. Invitations are being sent out to different music houses, requesting them to send us a quartet, and we are expecting a great time. Make your plans to be with us.

FATE OF NATIONS DEPENDS ON PACT

EUROPE'S ONLY CHANCE.

Guaranteed Peace Between France and Germany is Biggest Problem He Declares.

Col. House Thinks Decision on Security Pact Will Mean Much to World.

BY MILTON BRONNER, NEA Service Correspondent.

LONDON, Aug. 29.—"The adoption or rejection of the security pact, which will guarantee peace between France and Germany by guaranteeing the present frontiers, is the biggest question in Europe. In fact, it is the biggest question in the world. It is far more important than the question of unemployment, the chronic depression in trade, the matter of inter-allied debts."

"For all these things, big as they are, can not be settled until European peace is made secure. Until this is accomplished, there will be unrest and uneasiness and nervousness and pessimism in Europe."

"Men and nations can not settle down. That affects trade. It helps bring about unemployment. It cuts down national revenues and when treasuries are empty or crippled it's no use talking international debts."

The man who was speaking was one of the best informed in the world—no less than Colonel E. M. House, who is over here on his annual pilgrimage to Europe.

The one-time ambassador extraordinary from Wilson, to all the statesmen of Europe, the man who in a most critical period of our history was eyes and ears for the President, still gets the first-hand "dope."

He was having an informative talk with two of the foremost statesmen of Britain when he was good enough to chat with me for a few minutes. It's the same thing when he is in France. Colonel House is the one man to whom grim old "Tiger" Clemenceau pours out his heart.

"The security pact," said Col. House, "was proposed by Germany to France. I remember that England, Belgium, France, are all eager that something shall come of it. I believe something will."

"It will be a slow process. There will be many parleys, but in the end I hope and believe something definite will be accomplished."

"But won't the matter of the Polish frontiers, which Germany at present refuses to guarantee, toss all the fat in the fire?" I interjected.

"I believe not," said Col. House. "I think a formula will be found. If I were a German I would be more anxious to come to an amicable arrangement than even a Frenchman could be."

"Just consider the situation for a moment. France wants peace and security above all things else. She has experienced three tremendous disappointments since the signing of the armistice."

"The first was when America and England failed to ratify the pact guaranteeing her against aggression by Germany, since then there have been other conferences and other pacts where agreements were drawn up, but they always came to nothing. They were not ratified."

FARMER IS BACK ON FEET AGAIN

Secretary Jardine Finds That Prosperity Is Again Beginning To Smile on Farmer.

GETTING OUT OF DEBT.

Farmers Are Paying Off Debts and Value of Land Is Increasing, He Thinks.

WASHINGTON, Aug. 29.—The American farmer is getting back on his feet—slowly but surely recovering from his long post-war slump. This is the opinion of Dr. William

M. Jardine, secretary of agriculture. He based it upon personal observations made during his recent eight weeks' tour through the farming sections of the country. "What I saw and heard on that trip," he said, "not only convinces me that this will be a fairly good season in itself, but that agriculture is at last actually out of danger. "The farmers are all greatly encouraged—and so am I. "Up until last spring they were weighed down by a great surplus of products that was a 'hand-me-down' from the war. "It was hard to work off this surplus. It meant drastic retrenchment during a four-year period of acute distress. "But now they have accomplished it. "As a result, they are facing the prospect of fairly good incomes this year, and are moderately optimistic regarding the future.

"They are paying off long-standing debts and getting out of the shadow of bankruptcies. Their farms are no longer hard to sell. The purchasing power of farm products is 90 per cent of what it was before the war—the highest it has been since 1920. "These are some of the evidences that agriculture, as a whole, is getting out of its rut. "As to specific conditions— "In the Corn Belt, which suffered greatly during the post-war depression, indications point to the return of at least some degree of prosperity. "Last year 'bigs were cheap, while corn was a poor and expensive crop. Conditions reversed. "This year conditions have been reversed. I found the average cost of packer and shipper droves of hogs to be \$13.69 a hundredweight at Chicago, compared with \$7.46 last year. And the prospect is for a heavy crop of corn. "The wheat situation is not so good when compared with last year when America's crop was exceptionally good and crops throughout the rest of the world exceptionally poor. "Our winter wheat crop this season is about 185 million bushels short of last, while the foreign crops have improved.

SECRETARY W. M. JARDINE

"At the same time, my observations convince me that there will be a splendid crop of spring wheat, and this will greatly benefit the wheat-raising states.

"The sheep raising industry, in the far west, I found very prosperous. "The cattle industry I found in distress—as it has been for years—but there seems to be a general belief that the worst period is over and that the industry is now due for slow but sure improvement. "I found evidence which appears to bar out this belief in Chicago where choice steers were bringing \$13.56 as compared with \$10.70 last year.

Coast Solves Problem.

"The Pacific coast has been confronted with a particularly difficult marketing problem, but has effectively solved its difficulties by co-operative organizations. Conditions there are now reasonably stable, while the sentiment is optimistic.

"In the Cotton Belt, indications point toward a large crop and favorable income, except in certain sections of the southwest that have been stricken by drought.

"The east is not in such good shape. Last year's low prices for potatoes and hay, together with economic difficulties in the dairy industry, are having their effect. "The east and drought-stricken southwest must be viewed as dark spots on the agricultural landscape. But taking the country as a whole there is stronger evidence of approaching agricultural prosperity than I have seen for five years."

Embroidery Club

The South Side Embroidery Club met Thursday after a month's vacation at the residence of Mrs. G. W. Jones on El Paso street. Mrs. Moody, president, welcomed each member. After work had been compared, delicious refreshments were served to the following members: Mrs. G. W. Moody, Mrs. H. D. Sken, Mrs. J. W. Burkett, Mrs. O. C. Cooper, Mrs. Bill Cunningham, Mrs. W. A. Stephenson, Mrs. Roy Hooker, Mrs. J. Waggoner, Mrs. W. L. Homer, Miss Bessie Revel and Mrs. C. W. Jones. The club will meet with Mrs. Burkett at 511 East South Third Thursday, September 10.

U. S. CASH COMING BACK
 WASHINGTON—Europeans who resorted to the large scale use of American paper money during the unstable currency conditions which followed the war are now again putting faith in the stabilized currencies established by the own nations and the American money that was drawn a-broad is now coming back.

The commerce department, through a special study aided by banks doing foreign exchange business, has determined that in the first seven months of 1925, American currency previously sent abroad to a total of \$42,071,000 was returned. In the same period only \$3,131,000 of American money was sent abroad.

return of American money came from Germany; the balance of about 11 million dollars came from England.

VALENTINO WANTS A WIFE AND HOME

Screen Lover Explains Why He and His Wife Are Separating At Present.

WANTS HOME LIFE.
 Rudolph Want a Home and Children While Wife Wants Career, He Declares.
 By RUSSELL J. BIRDWELL,
 (NEA Service Writer)

HOLLYWOOD, Calif., Aug. 29.—Why can't Rudolph Valentino, perfect lover of the movies, be successful in affairs of the heart in real life?

"Shiek," hero of amazing movie romances, Valentino yet is unable to find happiness and love for himself. His second wife, Natacha Rambova, formerly Winifred Hudnut, is in New York suing for legal separation.

Why? Rudolph told me in an exclusive interview.

"It is for woman primarily that man slaves and aspires. How does he place his gifts of accomplishment at the feet of the woman he adores. But when this woman is out in the world striving to achieve the same success for herself—well, there is nothing left to give her.

"I have learned something that all should know, but husbands and wife cannot try to earn the living. Man was made for that work. And when woman marries she should be content to create a happy home."

"We sat talking on the 'set' where Valentino is working in 'The Lone Star,' a title which now poignantly fits him. He was garbed in the uniform of a Cossack officer. The movie orchestra was playing 'Yearning' while we talked. The sentiment of the music seemed ironic.

"That's what I wanted!" Valentino exclaimed, somewhat unworried by emotion as most theatrical entities are. "A home. I have never had it. My wives have wanted to find their own fate and fortune."

Valentino said that when he went home he wanted to see his wife to lavish his love upon her to carry gifts to her. But Natacha wasn't home to greet him. She was out making her own career.

"Two careers can not be successfully homed under one roof" Valentino continued. "So it was best that we part. I would rather call it a marital vacation than a separation."

VALLEY CREEK NOTES

(Special Correspondent)
 Clyde Robertson made a business trip to Paint Rock Thursday.

Several from this community have been attending the Universalist convention which has been in progress throughout the week at Hylton. The meeting was conducted by Rev. Brooks and Rev. Cook. Judge Barker was with them during the latter part of the week. He spoke Friday evening on the subject, "Evolution of Religion." Sunday morning his subject was "What's the Use?" Dinner was spread on the grounds Sunday there being two beeves donated. The Universalists are church building at this place.

Mr. and Mrs. Ernest Stevens and family of Blackwell spent the week end at the home of Mr. and Mrs. P. C. Stevens.

Hendrix Stevens of Wingate visit ed here Sunday.

Mr. and Mrs. Otis Parker of Roscoe were week end guests of the latter's parents Mr. and Mrs. J. W. Kinsey.

Mrs. Clark and daughters motored to Sweetwater Saturday.

Mr. and Mrs. Alva Talley are entertaining a new comer in their home. The little fellow arrived Sunday afternoon.

P. C. Stevens, who has been sick for some time is greatly improved.

Mr. and Mrs. E. C. Armstrong and family made a trip to Sweetwater Saturday.

Mr. and Mrs. Joe Franks attended church at Winters Sunday.

Mr. and Mrs. Odes Moores were shopping in Sweetwater Saturday.

Mr. and Mrs. R. O. Holland attended the Christian meeting at Winters Sunday.

Mr. and Mrs. S. D. Moore and family motored to Sweetwater Saturday.

Mr. and Mrs. Ragsdale of Wingate have been attending the meeting at Hylton this week.

R. D. Curry who has been visiting on the Plains, has returned home.

Mrs. Tom Ragsdale is visiting her sister, Mrs. Byrd Ragsdale this week.

Miss Jennie Ben Franks was the week end guest of Mrs. T. M. Franks.

Mr. and Mrs. Talley were pleasant callers at the home of Mr. and Mrs. Clark Friday evening.

VILMA BANKY, BUDAPEST ACTRESS, APPEARING WITH RUDOLPH VALENTINO IN HIS LATEST PICTURE, 'THE MOVIE SHEIK DE NIERS' THAT VILMA CAME BETWEEN HIM AND HIS WIFE, ASSERTING THAT THEY HAVE SEPARATED BECAUSE "TWO CAREERS CAN NOT BE HOMED UNDER THE SAME ROOF"

ation. I am a fatalist. I can't foresee what will come of this but I hope for the best. What is to be will be."

The screen lover remarked that a fastidious public forces him into unreal unhuman situations. "But at heart I am like any other man who lives and works."

"And I look forward to a day when I might have children" he said thoughtfully.

"But life is a grim jest at best . . . we must take it humorously or apply for a place in a psychopathic institution."

Valentino whose first wife was Jean Acker denied that Vilma Banky Budapest actress, had come between him and Mrs. Valentino.

"Along with friends I took Miss Banky to a preview of her first American picture," he explained. "No, there is no other woman."

Miss Banky is playing opposite Valentino in his present picture.

"I am beginning to learn that our jazz-age is having its effect. It is making woman too restless. She always was restless, but never so much as now."

As I left, the lone eagle smiled.

"But as it is in Pagliacci, Life is but a grim jest and the show must go on."

Huntin' Time Is Here

SENATE BILL NO. 3

Sec. 5. In order to divide the State for the purpose of better regulating the open and closed seasons for the hunting of the wild game birds and wild game animals of this state, a line following the center of the main track of the International & Great Northern Railroad beginning at Laredo and running thence to San Antonio, thence to Austin, thence to Longview, and thence following the center of the main track of Texas & Pacific Railroad to Texasboro, shall constitute a division of the North and South Hunting Zones of this State. All that portion of the State lying northwesterly of said line shall be known as the North Zone, and all that portion of the State lying south-easterly of said line shall be known as the South Zone.

Sec. 6. There shall be an open season, or period of time when it shall be lawful to hunt, take, or kill such of the game animals and game birds as are named in this section, as follows:

Wild mourning doves, in the South Zone during the months of November and December of each year; in the North Zone during the months of September and October of each year.

Wild white-winged doves, in both the North and South Zones, during the months of August and September.

Wild quail of all kinds, and wild Mexican pheasants or chachalaca in the North Zone, November 15th to the following January 1st, both days inclusive; in the South Zone December 1st to the following January 15th, both days inclusive.

Wild turkey gobblers, in both North and South Zones, November 16th to the following December 31st, both days inclusive.

Wild rail (other than coot and gallinules), wild black-bellied plover and wild golden plover and yellow-legs, the months of September and October of each year in both the North and South Zones.

Wild ducks of all kinds (except wild wood ducks), wild geese, wild brant, wild snipe of all kinds, wild gallinules and wild coot or mud hen, in the North Zone, October 16th to the following January 31, both days inclusive; in the South Zone, November 1st to the following January 31, both days inclusive.

Wild prairie chicken or pinnated grouse, in both the North and South Zones, September 1st to September 10th of each year, both days inclusive.

Wild buck deer, wild bear, in both the North and South Zones, November 16th to December 31st, each year both days inclusive.

Wild red or fox squirrels and wild gray squirrels, in both North and South Zones, the months of May, June and July, and in the months of October, November and December of each year. Provided, however, that nothing in this Act shall prevent the keeping of squirrels in cages as domestic pets; and provided further, that it shall not be unlawful to kill squirrels in the following named counties at any time, to-wit: De Witt, Caldwell, Guadalupe, San Saba, Mason, Gillespie, Llano, Kimble, Menard, Comal McCulloch, Brown, Kerr, Burnet, Mills, Schleicher and Edwards.

Sec. 7. It shall be unlawful to take, kill, or possess any birds in greater numbers than the daily, weekly or seasonal bag-limit or number of such game birds and game animals permitted to be killed or taken, such bag-limits to be as follows:

Wild mourning doves and wild white-winged doves, fifteen in any one day, and not more than forty-five in any one week of seven days.

Wild quail of all kinds, and wild Mexican pheasant of chachalaca, twelve in any one day, and not more than thirty-six in any one week of seven days, and all kinds and varieties of these shall be considered in making up the limit of twelve.

Wild turkey gobblers, three during the open season of any one year, as herein provided.

Wild geese and brant of all kinds, four in any one day, and not more than twelve in any one week of seven days.

Wild ducks of all kinds, wild snipe of all kinds, wild black-bellied plover, wild yellow-legs, wild gallinule, or Indian hen and wild coot or mud hen, twenty-five in any one day, and not more than fifty in any one week of seven days; provided, that all kinds and varieties of game birds mentioned in this section shall be considered in making up the daily limit of twenty-five or weekly bag limit of fifty.

Wild prairie chicken or pinnated grouse, five in any one day, and not to exceed ten in the open season of any one year.

Wild buck deer, two during the open season of any one year, as provided in this Act. Wild bear, one during the open season of any one year, as provided in this Act.

Wild squirrel, ten in any one day.

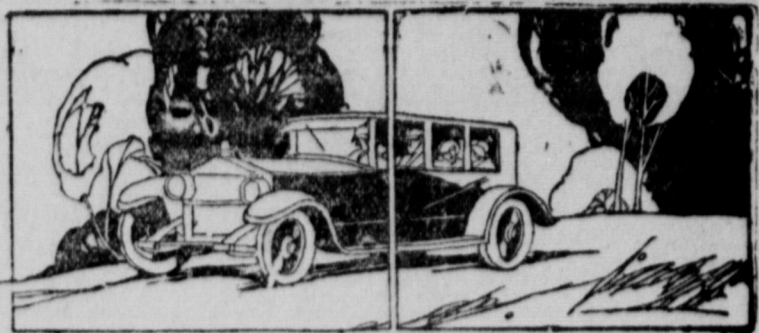

Any person killing or taking more than the daily, weekly or seasonal bag-limits as set forth in this section; or any person killing, taking, hunting, wounding, or shooting at any game bird or game animal at any other time of the year, except during the open season as provided for in this Act; or any person killing, taking, capturing, wounding or shooting at any game bird or game animal for which no open season is provided by this Act, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in a sum of not less than ten (\$10.00) dollars nor more than two hundred (\$200.00) dollars; and each game bird or game animal unlawfully taken shall constitute a separate offense.

GETS SECOND DAILY

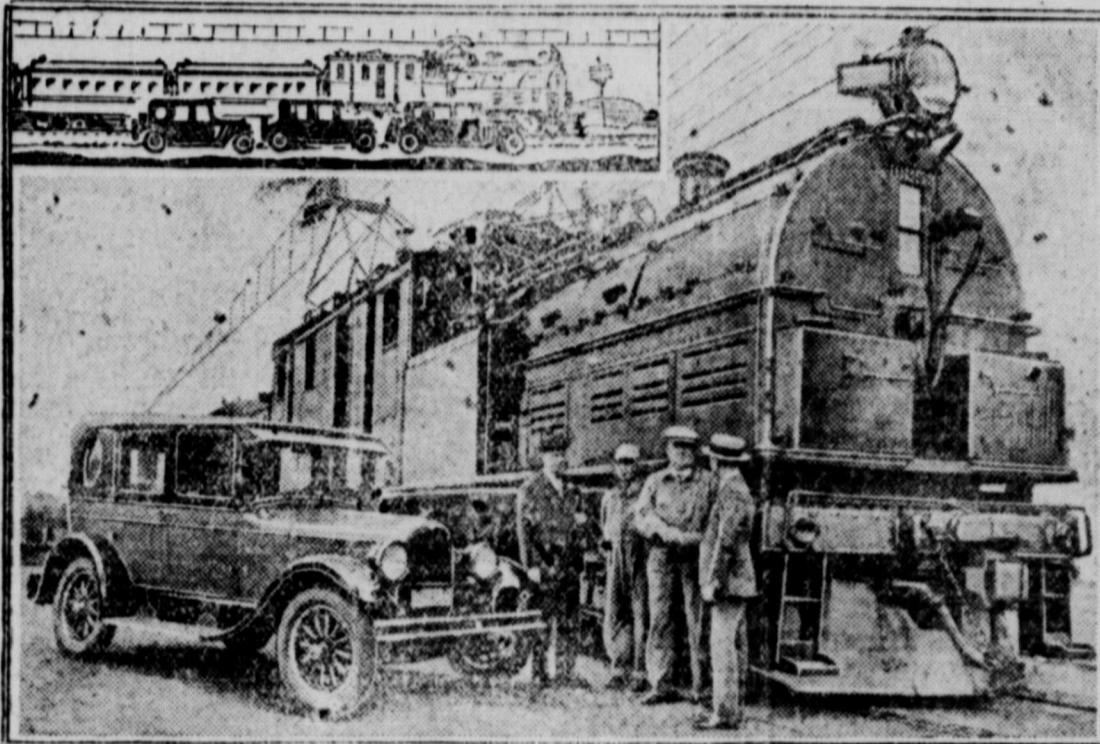

Afternoon Journal To Be Started Soon in Lubbock

LUBBOCK, Texas, August 29.—Lubbock will soon have another daily newspaper in the next few weeks, according to an announcement made here by the Plains Journal here, a weekly publication. The Plains Journal will be published in connection with

their weekly, with Chas. A. Guy, editor and Dorrance Roderick, manager, within the next few days, the announcement stated.

This will make the second daily newspaper in Lubbock. The Lubbock Morning Avalanche is at present the only daily newspaper in Lubbock or on the South Plains within a radius of over a hundred miles.

New Chrysler Rivals Modern Rail Giant

HERE we see the latest in modern transportation—the Chrysler Six Crown Imperial and one of the huge electric locomotives used by the Chicago, Milwaukee and St. Paul railroad to haul the Olympian, the crack trans-continental train, over the beautiful northwest route to the coast. This latest creation of Walter P. Chrysler stands as far in the forefront in the field of individual transportation as the big electric locomotive stands in the field of mass transportation.

WESTERN MOTOR COMPANY

Ford Announces New Model Cars; No Price Change

Body changes and chassis refinements more pronounced than any made since the adoption of the Model T chassis have been announced here by the Ford Motor Company. There will be no advance in price, it also was

stated. Production at the Dallas branch will start September 1, at which time all dealers will be supplied with the improved cars. Outstanding features of the improve

ments in both open and enclosed types are lower, all-steel bodies on a lowered chassis, complete new design in most body types, a change from black to color in closed cars, larger, lower fenders, newly designed seats and larger, more powerful brakes. Langer lines, effected through higher radiator and redesigned cowl and bodies are apparent in all the improved Ford cars, but are especially pronounced in the open types. Wide crown fenders hung close to the wheels contribute to the general effect of lowness and smartness. While runabout and touring cars remain in black, the closed bodies are finished in harmonious color schemes, enhanced by nickel radiators. The Coupe and Tudor bodies are finished in deep channel green while the Fordor is rich Windsor Maroon. Greater comfort is provided for

The Mark of Quality

25 Years of

Firestone Service

to Highway Transportation

25 years of anticipating the requirements of motorists—making manufacturing processes more certain—producing a higher standard of quality—25 years of unswerving adherence to the Firestone pledge, "Most Miles per Dollar"—summarizes Firestone's record of service to car owners.

Firestone factories have grown from a small building approximately 75 x 150 feet to mammoth plants having floor area of over 60 acres—from a capital of \$50,000 to over \$50,000,000—from an annual sales volume of \$100,000 to over \$100,000,000—all in the short period of 25 years.

This Firestone record could only have been made through furnishing the public with outstanding values and is, consequently, your assurance of quality and lowest prices.

If you would like to know more of this wonderful record, ask your Firestone dealer to send you an illustrated folder.

With today's high cost of crude rubber and other raw materials, Firestone's opportunity to serve the public was never better, due to its great volume and special advantages in buying, manufacturing and distribution.

CHRYSLER SIX

Women Are Quick To Sense Chrysler Quality

The Chrysler Six taught the American public that neither high cost nor cumbersome size is necessary to the superfine motor car.

That's the reason for the ever-strengthening hold of the new Chrysler Six upon the great numbers of discriminating men and women who are not satisfied with anything short of the utmost in motor car quality, comfort and performance.

Women especially find the Chrysler Six the ideal personal car—easy to handle, carefree, smooth running and delightful in its ease of riding.

The situation today is perfectly plain. Chrysler Six engineering, achieving even more revolutionary results, has simply made it unnecessary to pay a huge premium for motoring luxury.

In roadability, in generous seating capacity, in every phase of performance, in dependability and in long life, this new Chrysler Six equals, or surpasses, all the other fine cars.

Yet its new purchase price is far lower. Its upkeep cost is far lower. Its operating cost is far lower.

Add to this, the irresistible riding and driving appeal of the Chrysler Six to the man and woman who know motor cars—and you have one conclusive reason why new Chrysler Six sales mount month after month to new high marks.

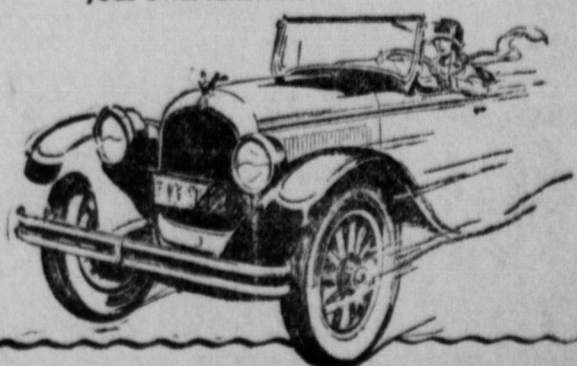

Try this Chrysler Six performance yourself. We are always eager to have you prove the car's unprecedented results to your own satisfaction.

BUY USED CARS FROM RELIABLE SWEETWATER DEALERS

There was a time when buying a used car was as uncertain as purchasing oil stocks. And it still is if you are not careful from whom you buy. The best made car in the world priced so low as to seem a great bargain, may be a very expensive proposition. For the said car may have been abused, and yet so "treated" that you won't know it until you have driven it a few miles. Or the used car you buy seemingly so cheaply from some stranger may have been stolen. And then when the real owner takes his car with him, where will your money be?

Buy used cars from recognized dealers here in Sweetwater whom you know. These men have been in business here for years and expect to be here for years to come. They have their business reputation to sustain. Cars they sell are priced in accordance with the real

value on the basis of the unused mileage built into said car. These business men stand back of their sales. They are here today, tomorrow, next year, and the year after.

It is always a good business proposition to trade with folks you know, with business firms of recognized standing in the industry. Sweetwater automobile dealers, in the course of their sales of new cars, are continually acquiring good used cars. These cars, of course, are for sale and for sale very reasonably. Because these automobile men are not in the used car business. They maintain their business by the sales of new cars. They cannot afford to, and do not, allow a higher price for a used trade-in car than the said car is worth, and in turn, they can and do sell these used cars on a very low margin.

When in the market for a good used car, see one of
these responsible automobile
dealers:

Sweetwater Serves You Better

And So Does DABNEY MOTOR CO.

THE NEW HOME OF THE IMPROVED FORDS, LINCOLNS AND
FORDSONS IN SWEETWATER

The recognized policy of Ford service, which has made the Ford the leading car in the world today, has been adopted by the Dabney Motor Co., Ford dealers in this section, who recently moved into their new and commodious quarters on North West Third Street.

It has been said that this building is one of the best designed and equipped Ford agencies in West Texas. Be that as it may, certainly neither expense nor effort has been spared in giving Fords, Lincolns and Fordson Tractors a business home in every respect worthy of them.

The very latest and most modern time saving equipment has been installed, so that a superior service is available to present and prospective owners, from the time their car is serviced new, to the incidentals that occur over a long period of use.

Regardless of its nature, if it is pertaining to any product of the Ford Motor Co., patrons can be assured of getting what they want when they want it.

The Dabney Motor Co. occupy their new quarters at an auspicious time, when new models are announced by the Ford Company. Body changes and chassis refinements more pronounced than any since the adoption of the famous Model T await purchasers on September 1, at no advance in price. Longer lines, larger lower fenders, newly designed seats, larger brakes and a more smart appearance will be among the noticeable improvements.

The Dabney Motor Co. will appreciate an opportunity to show the new model Fords on arrival, as well as the new Sweetwater home that has been prepared for them.

This is one of a series of pages devoted to the upbuilding of SWEETWATER and made possible through the co-operation of the following Progressive Business Men. Watch for the next one.

driver and passengers in both open and closed cars by largest compartments, more deeply cushioned seats and greater leg room.

Most important in the mechanical changes are the improved brakes. The transmission brake drum and bands have been considerably increased in size which gives the foot brakes softer and more positive action as well as longer life. The rear wheel brake drums are larger and the brake of self energizing type.

Coil tires are now standard equipment on all Ford cars.

SELL MANY TRUCKS

Shipments First Half of 1925 Equal Entire 1924 Output

Official figures showing that Graham Brothers shipments of 10,800 trucks for the first half of 1925 equalled their entire 1924 output are no surprise to those who have been watch-

ing the rapid rise of this company to its present position in the industry.

Graham Brothers trucks equipped with Dodge Brothers engine were first offered to the public early in 1921. It was in 1921 that there was such general business depression in almost every industry in the United States. The truck industry, in particular, suffered heavily. The total 1921 production fell 54.2 per cent below 1920.

"Although there was a general impression in 1921 that people were not buying trucks," says H. B. Allen, local Dodge Brothers dealer, "the enthusiasm of the owners of the first of these rugged, powerful, dependable Graham Brothers trucks led to an immediate and rapidly increasing demand. With an increased number of owners, and satisfactory service available at Dodge Brothers dealers, every where, came the good will which belonged to a worthy product."

Mr. and Mrs. J. L. Stephenson have returned from a ten day visit with relatives at Marfa, El Paso and other points.

WINS BOAT RACE

Speed Boat Baby Shadow Victorious In Gold Cup Event

By United Press.

PORT WASHINGTON, L. I., Aug. 29.—The speed boat Baby Shadow, owned by C. G. Fisher, raced to victory in the first heat of the Gold Cup race here this afternoon.

The Nuisance, owned by Mrs. B. D. Crumwell, was second and the Baby Bootlegger third.

TRAVEL CHEAPLY

Two Men Make Trip Across Country at Low Rate

Los Angeles to Detroit at a total cost of \$22.20.

That is what it costs in a Chevrolet according to Joseph L. Rogers, Hollywood, and A. V. Gallina, Los Angeles, insurance men who recently made the trip of 3,104 miles at an expense of \$44.40 for gasoline, oil and food, or seven-tenths of a cent per man per mile.

The Chevrolet used was a sedan owned by Mr. Gallina. It had been driven only 639 miles before they decided to make a vacation tour to the Detroit home of Mr. Roger's brother, Clifford W. Rogers.

Alternating at the wheel, they made the trip in five days and 18 hours, only a day and one half longer than the time of the transcontinental flyers which travel a much shorter distance due to the windings of motor roads.

The tourists gave no particular thought either to the speed or economy of the trip until they were questioned in Detroit by the manager of a Chevrolet service station where they stopped on arrival to change the crank case oil. He induced them to visit W. S. Knudsen, president of the Chevrolet Motor Company, General Motors building. After inspecting and driving the car, Mr. Knudsen pronounced it in excellent mechanical condition.

ARREST SPEEDERS

Authorities Warn Against Cutting Through Funeral Processions

A total of 17 autoists were arrested during August for speeding, records at the city hall show.

Authorities warn against cutting through funeral processions. One arrest was made Friday on this complaint and others will follow if the practice is not stopped, authorities say.

Autos Meet

What might have proven a serious accident was narrowly averted Saturday afternoon when a Ford driven by Miss Maurine Johnson was run into by a car driven by John Cochran. Miss Johnson had just made the turn from E. N. 3rd street into Locust going south when her car was struck at the rear wheel by the east bound car. The Ford was knocked several feet by the impact, but with the exception of a broken hub cap and a bent fender no damage was done.

CAR SALES BRISK

Total 26 New Cars Registered At Collectors Office

Trading in cars and trucks was brisk in Sweetwater and Nolan County during the past week according to the records in the County Tax Collectors office, thirty six cars and trucks having changed hands in that time. Ten of those were second hand or re-built cars, the rest new.

During the week C. S. Boyles Motor Company local Chevrolet dealer, delivered eight cars, as follows: Touring car to R. L. Richardson, of Dora; Touring car to Floyd Dennis, Dora; Touring car to R. L. Ford, Dora; Touring car to W. T. Pietsch, Roscoe; Coach to J. W. Shannon, Roscoe; Roadster to E. E. Harwell, Roscoe.

Dabney Motor Company, Fords, Fordsons and Lincolns delivered five cars and one truck. To Sweetwater Ice Cream Co., Roadster; C. E. Berry, city; Coupe; A. W. Johnson, city, roadster; W. M. Buchanan, Nolan, Touring; Dr. R. E. L. Meesham, Lockney; Coupe and Porfirio Lopez, truck.

Toler Motor Company delivered four Chryslers. To L. B. Allen, Sedan; Jack Yarbrough, Phaeton; H. M. Emerson, Sedan; J. A. Morrow, Seminoles, 4 Sedan.

H. B. Allen, local Dodge dealer delivered a Dodge truck and a Coupe to the U. S. Gypsum Co.

Western Motor Co., delivered to W. A. Martin a D45 Buick, and to E. C. Brand of Hamlin a model 26 51 Buick.

Sweetwater Overland Co., delivered a Willys Knight to J. Welch.

Roscoe Motor Company delivered a Ford Touring to T. B. Harrison and A. H. Warnken.

AMUSEMENTS

LYRIC

Cigaret smoking is not among the many accomplishments of Beverly Bayne.

When the noted film star at tempted to smoke a cigarette during a scene in Warner's "The Age Of Innocence," at the Lyric Theatre, As the Countess Olenka, she is supposed to smoke and drink with the nonchalant of a woman of the world.

While the camera was clicking El liott Dexter offered her a light.

"Stop," shouted Wesley Rugles, the director. The star coughed and dropped the cigaret.

After much coaching she was able to hold and smoke the cigaret with a semblance of sophistication. She said that she has only smoked three times during her whole stage and screen career.

PALACE

Although Mary Hay is repeating her stage success on the screen in "New Toys" the First National picture at the Palace Monday and Tuesday, her chief ambition is entirely disassociated with either stage or screen. It is music that claims her deepest interest and to which she plans to turn when she gives up acting.

Everybody should see the Merchants Pageant Style Show and Concert to be held at the Court House Auditorium Thursday and Friday nights, Sept. 3 and 4th. Fine drills and parades. Catchy songs, talks and acts. Lots of fun. A general good time for everybody. Over 100 people. The biggest event of the season. Admission only 25 and 35 cents. Benefit Woman's Missionary Society of the Methodist church. Don't forget the date and place—Come. 182112c.

This Service is Delivered Exactly Where It Is Wanted

If you do some shopping in the morning your packages will probably be delivered in the afternoon, or you will carry them home.

If you buy a car you may get it soon, but probably in thirty days. You may order a dinner at a restaurant, but it will be served after and not when ordered.

Light and Power Service is delivered instantly—when you want it—every hour of the day—every day of the year.

And the service of Light and Power is delivered where you want it—in the very place you are to use it.

Fuel is placed outside in a shed. The mail is delivered in a box outside. But Light and Power service is right there where it is to be used.

NOTICE OF BANKRUPT'S PETITION FOR DISCHARGE

In the District Court of the United States for the Northern District of Texas, in Bankruptcy, Abilene, Texas. No. 1058 In Bankruptcy In the matter of Charles Thomas Oliver, Bankrupt.

OFFICE OF REFEREE
Abilene, Texas, August 27, 1925

Notice is hereby given that Charles Thomas Oliver of the county of Nolan and district aforesaid, did, on the 30 day of August, 1924 file in the clerk's office of said court, at Abilene, a petition setting up that he has been heretofore duly adjudged a bankrupt under the act of Congress approved July 1, 1898; that he has duly surrendered all his property and rights of property, and has fully complied with all the requirements of said acts and of the orders of the Court touching his bankruptcy, and praying for a full discharge from all debts provable against his estate in bankruptcy, save such debts as are excepted by law from such discharge.

On considering the above mentioned petition, it is ordered that any creditor who has proved his claim, and other parties in interest, if they desire to oppose the discharge prayed for in said petition, shall, on or before the 12th day of October, 1925, file with the Referee for the Abilene Division of said district, a notice in writing of their opposition to a discharge in the above entitled cause.

OUR FALL DRESSES

For Girls, Misses and Women are here in an alluring display of the newest colors, materials, and designs. Of course, there is a hat to match each dress and make the costume complete. May we show you?

HASSEN COMPANY

Mrs. D. C. Darling of El Paso, Mrs. W. E. Nabors of Eastland, and Miss Jessie Stell of Colorado are visiting Misses Bessie and Jessie Johnson. Mrs. Darling and Mrs. Nabors were formerly the Misses Thelma Gardner and Thora Boone of this city.

SOCIETY

ELECTED TEACHERS

Misses Lucy and Mickey Cutbirth Members Rotan Faculty

Misses Lucy and Mickey Cutbirth, two of Sweetwater's most popular musicians, will direct the piano, violin and orchestra in the Rotan schools this year. They were elected to this work early in June and will open their school and class studios next week. Both of these young ladies are well known both as local and radio artists, and leading members of the Sweetwater Violin Choir of whom their mother, Mrs. L. Cutbirth, is director, and in which organization they will continue to appear in radio and concert programs through the coming season. They were recipients of many social honors when they visited Dallas and Fort Worth on a concert tour in June, accompanying the Violin Choir of the High School Music Club as special soloist and accompanist.

Delphian Chapter

The Sweetwater Delphian Chapter will hold their first meeting of the new club year at 4 o'clock, Thursday afternoon, September 3rd, at the home of Mrs. Dr. Allen.

Entertain at Home

Frances McAnelly entertained with a party at her home Tuesday night. Mrs. McClure gave several solos, and there were games and a general good time. Refreshments were served to over two score guests.

Birthday Party

Miss Lorena Kelsey and Mrs. L. A. Ritter entertained Monday afternoon from 4 to 6 o'clock at the home of Mrs. Kelsey in honor of little Charles Alfred Ritter, who celebrated his third birthday. There were 14 little friends present. After games were played refreshments were served from a table gaily decorated in honor of the occasion with baskets of pink and white flowers, with large pink candles. There was a big white birthday cake bearing its three candles. Jack Perry found the ring. Blueford Hestir, the dime and Harold Lafford the thimble, and Thomas Breeding the Button. The honor guest received many nice gifts.

Dr. and Mrs. H. C. Scott had as dinner guest Friday evening her nephew, E. M. Cain of Dallas, who is connected with the Veterans' Bureau of Vocational Training in that city.

Honor Miss Horn

Mrs. E. L. Frost was hostess at a delightful picnic supper Saturday night at Lake Trammell, honoring Miss Louise Horn of Blackwell and

Miss Tabitha Hiff of Greenville. The guests were from the younger social set of the city and Dr. and Mrs. P. R. Hamilton were among the chaperones.

Mr. and Mrs. W. W. Davis, Ruth and Willis Davis, and Mr. and Mrs. B. E. Robertson came in Saturday from a week's trip in the mountains of New Mexico, including Santa Fe, Roswell, Las Vegas, Albuquerque and other points.

KEEP YOUR MONEY IN THIS BANK—NOT IN YOUR POCKET

The proper place for money is in the bank and the proper way to pay is by check. Why take the risk of robbery or of loss by accident? A checkbook is easier to carry than a roll of bills and offers no temptation to pickpockets. Besides the safety afforded, there is a tremendous gain in convenience.

Think it over and come in and have a talk.
