The Brownfield News

And Terry County Herald... Terry County's Oldest Business Institution

"A Bible and a newspaper in every house, a good school in every district—all studied and appreciated as they merit—are the principal support of virtue, morality, and civil liberty."—Benjamin Franklin

VOLUME 19

16 PAGES

BROWNFIELD, TERRY COUNTY, TEXAS, THURSDAY, JULY 12, 1956

PRICE—10 CENTS

NUMBER 28

As a parting shot with this column I want to plead with you to attend the July 28 Democratic Precinct conventions. It is hard for the average voter to understand what good comes from his spending part of a Saturday afternoon in a somewhat dry meeting. But actually there is nothing "dry" about these conventions for this is the beginning point of our government. We call for large vote turnouts, but we actually come closer to casting our ballot for president, etc. in a convention than we do at the poll. This is one of those things you have to participate in before you realize what it is all about. Almost anything can happen at the Precinct convention, so get in there and pitch.

A note from Mrs. Otto Butler "In the vicinity of Boston" tells everyone hello and she remarked how glad they are to get news from home through the NEWS each week. She was particularly glad to read about the swimming pool and park. As we've remarked before, that park and pool is going to be a source of pride to a lot of people for a long time. Everyone who even voted for it will feel good. Those who actually worked, like Mrs. Butler and hundreds of others, even feel better.

Judge Herb Chesshir says he's had several visits from groups from other counties to see the pool-park and party house setup. They are pointing at the Terry county installation as "ideal". Thanks for your letter, and write again. Don will be glad to have them. That leads up to saying that Don Bynum, who is vacationing this week in Chicago with his wife's relatives, will take duties of editor next week. Don will do a good job and if anything the paper should editorially improve in the future.

From editors to hogs... Brownfield Vocational Ag teachers, Ves Hicks and Walt Meyer attended the third annual Swine Short course at Texas Tech this week.

Safety belts can be credited with saving Zing Merlin and two others last week. Merlin and his violins (three women including his wife) had played in the Lubbock coliseum the night before and were going west on the Brownfield-Plains highway to California when they flipped their Cadillac.

The only injury was sustained by Pat Matthews, who wasn't using her safety belt. The others were bruised, but nothing broke. She broke her collar bone.

Judge Chesshir and Joe Satterwhite were in Seminole last week and they report considerable confusion there with regard to highway matters. First as expected, nobody there is interested in seeing a Brownfield-Midland highway go across the county, missing both Seagraves and Seminole.

Second, the federal government is now in the highway picture and US 62 right-of-way south of the railroad below Seagraves is supposed to be 220 feet. That knocks the idea of going through any town in the head.

Also where the highway parallels a railroad it must be a 130 foot right-of-way, which means another 30 for Terry county over original estimates. See NEWS-VIEWS, Page 6

Political Rally Is Set At Ball Field Monday

Absentee voting started briskly this week as an indication of keen interest in the forthcoming (July 28) Democratic Primary election.

Interest should mount even higher following the Monday night Political Rally at the Lions Baseball field. Speaking will start at 8 o'clock. Judging from recent similar type rallies fireworks may be expected, particularly in the Senate race where Candidate Preston Smith and Incumbent Kilmer Corbin have engaged in hot words in calling "a spade a spade".

The Political Rally is being sponsored by the County Home Demonstration Council. The Council will sell cakes and pies and part of the proceeds will be used to send 4-H club delegates to the national conference in Chicago.

All local candidates have agreed to speak and several district and state candidates will also be present. About 100 attended the Monday evening rally at Pool, including candidates and wives, in a warm-up for the county-wide rally.

County Clerk Wade Yandell also called attention to the fact that the ballots are somewhat confusing with regard to the integration voting. Three propositions are considered at the bottom of the ballot and the voter should carefully read them before voting.

The first concerns mixing white and negro children in public schools and the vote is either "for" or "against" specific legislation exempting any child from compulsory attendance at integrated schools attended by white persons and negroes.

The second concerns intermarriage between the white and negro races and the third concerns the use of intraposition to halt illegal Federal encroachment.

The first two are the confusing ones, for as Yandell pointed out, unless the voter reads closely he likely will vote just opposite from what he wanted to.

Commit Juveniles To Reform School

Two sixteen-year-old Terry county boys were committed to the State Reformatory at Gatesville Tuesday by local Juvenile authorities. Both boys had previously been in a reformatory. One had moved to Brownfield about three weeks ago and the other, who had formerly lived in Lubbock, had been here a few months. Neither attended school here.

The two were arrested Sunday as a result of Lubbock police picking up a 15-year-old boy there for questioning. He admitted he and the two Brownfield boys were involved in two car thefts Friday night.

A fourth boy was later implicated and the statement made to Brownfield police Monday by the local boys showed they had stolen a used car from the Jack Bailey lot on West Broadway. They drove to Lubbock where they abandoned the car because they feared it was "getting hot" and they might be caught driving it.

They took another car from a lot in Lubbock and rode around in it for several hours before abandoning it. And they later stole another car that same night.

One of the Brownfield boys with one of the Lubbock boys performed four break-ins while the other two waited in the car and watched.

They admitted stealing an electric razor, a carton of cigarettes and about 15 cigarettes lighters and some food from the four Lubbock firms.

Former Pool Pastor Is Airman of the Month

Airman Second Class Ray Douglas, instructor with the 3366th Student Squadron at Amarillo Air Force Base, was named Airman of the Month for May. He and his wife Mildred were honored in appropriate ceremonies.

FIRST QUEEN CANDIDATE — Donna Sue Christopher, 17-year-old daughter of Ray Christopher and Brownfield High school senior, is the first candidate for Terry County Farm Bureau Queen. Candidates now have a month in which to enter, and the contest will be held on August 23.

NEED TWO-THIRD MAJORITY

Wheat Quota Vote Scheduled Friday

Friday, July 20, is the date when growers will determine how they want to market their 1957 wheat crop, Carl Golden, Chairman of the Terry Agricultural Stabilization and Conservation Committee, reminded farmers today.

Farmers who will harvest more than 15 acres of wheat as grain on a farm in 1957 are eligible to cast ballots in the wheat quota referendum. The polling places in Terry Co. will be in the ASC Office at the Post Office in building.

A two-thirds favorable vote will mean that marketing quotas and penalties on excess wheat will be in effect for the 1957 wheat crop. Under quotas, too, price support to growers in the commercial area who

NEW HYBRID GRAIN SORGHUMS TO OPEN "NEW ERA" IN AGRICULTURE HERE

Cotton Prospects Good

Not only are Terry county crops looking better than a year ago during the last seven years, but a new era is also dawning with the advent of the hybrid grain sorghum, says County Agent Jim Foy.

The real optimists say this could be the year that cotton yields will surpass the 79,211 pulled in 1949, and even the more conservative prognosticators foresee a 70,000 bale harvest.

The two big "ifs" — bugs and rain—hold the answer. However, rainfall has been good over practically all of Terry county so far. In fact rain has helped with the insect problem, coming at intervals to keep thrip infestation in particular down considerably.

Terry county cotton is definitely 10 days ahead of normal cotton growth and maturity, which from past history of cotton crops in advanced stages indicates an increase in quality and price.

Foy's enthusiastic appraisal of the grain sorghum future is based partially on reports from south Texas of spectacular gains in yield, plus the success farmers are having here. Nine farmers were so-called "apprentice growers" last year and about 37 are growing the hybrids this year.

Mid-year Economy Steady Fall Harvest Holds the Key

Judging from bank deposits, building permits and postal receipts Terry county business has held its own during the first half of 1956, and everything depends on what looks like one of the best cotton crops since 1949. There has been seasonal sagging in all phases of the economy, but tax collections have surpassed those of 1955 as one indication of a strong pulse.

Brownfield banks report \$14,122,608 on deposit, as of June 30, which is nearly \$800,000 below the \$14,901,436 reported at the same time in 1955. However the 1956 deposits are about equal to those in 1952 and are a million or more dollars ahead of 1953 and 1954. Seasonal declines are reflected in the drop from January 1 when deposits were \$16,702,947 to \$14,895,093 in April and down to \$14,122,608 at the end of June.

Brownfield Savings & Loan Association showed slightly more than a \$300,000 gain in resources since the first of the year, and have shown phenomenal growth since beginning business in October 1951 that comparative figures mean very little, except that the economy of the area continues good. Total capital and liabilities total \$3,943,104.

Postal receipts gained over 1955 but by such a slim margin that you might say they are even. Through six months they total \$38,829 this year compared to \$38,786 last year. However Assistant Postmaster Wm. Brown said that July has already shown an increase over last year, and if the cotton crop continues good a new record is due to be set.

Mobile Army Exhibit Appears Here Thurs.

A mobile Army exhibit, sponsored by the U. S. Army Recruiting Service, is scheduled to appear in Brownfield at the County Court House on July 13 at 8:30 to 12, it was announced today by Sgt. Roy, U. S. Army Recruiter for this area.

The air conditioned exhibit unit pictorially points out the opportunities available to qualified young men who volunteer for duty in the Regular Army.

Among the special advantages offered volunteers are branch assignments of their choice, a choice of technical training, and in some cases a choice of overseas assignments.

The exhibit unit is a reconverted 37 passenger bus. On display are the new green and the dress blue uniforms, the medals and insignia worn by service personnel, some models of Army equipment, illuminated color photographs of normal work carried on by today's modern Army, and recruiting literature.

Eye-catching red, white and blue outside paint makes the exhibit unit easily recognizable. Sgt. Roy extends a cordial invitation to everyone in this vicinity to visit the mobile exhibit during its stop in Brownfield.

Schools Prepare For September 5 Opening

Junior High students who want to change their schedules may see Principal Joe Collum at the Junior High.

A two-man paint crew is also nearing completion on inside retouching of the schools and custodians are repairing all desks, according to Curriculum Coordinator Delwin Webb.

A yard crew has also installed a new football practice field, 75 by 150 yards, north of the stadium and are working on all other school ground this summer. Brownfield schools open September 5.

Equalization Board Named At Meadow

A board of equalization for the Meadow School was appointed at a meeting of the board of trustees Monday night.

Chairman of the equalization board is Claude Russell. Members of the board are D. R. Smith, B. F. Finley, J. T. Fulford and Lewis Peeler.

A public meeting is scheduled for August 2. The school board also issued a call for applicants for two vacancies in the Meadow School system, one for football coach and one for a primary teacher.

Registration for the fall semester is scheduled to begin Aug. 31 and classes will begin on Sept. 3.

WENZLE WINS

A. D. Wenzle's Berkshire beat four Texas Tech entries in a carcass contest at Lubbock this week. The Berkshire dressed out 31.1 inches in length, 1.43 inch fat back, 5/16 inch pork chops (eye muscle) and weighed 210 on the foot.

FAST GROWING ACALA—A. W. "Slim" Hiltbrunner, who farms south of Gomez, is pictured with the only long staple Acala cotton believed to be growing in the county. He has the rest of his fine looking crop in Lankart.

EIGHT INCH DIFFERENCE — Jack Mason measures 22 inches and the 7078 is 14 inches holds a yardsick on his 7078 to indicate the difference in growth between the more common grain sorghum variety and the new Texas 610 hybrid in the row behind him. The 610 shows up in the growth.

MRS. CARROLL HINSON

Miss Charlene Kornegay, Allen E. Casebeer United In Hobbs Rites

Miss Charlene Kornegay, daughter of Mr. and Mrs. E. F. Kornegay, 1504 E. White Street, Hobbs, N. M., and Allen Elwood Casebeer, son of Mr. and Mrs. A. E. Casebeer, 521 S. Fourth, Brownfield, were united in marriage June 25 at 2 p. m. in the home of the bride's parents.

The single ring ceremony was read by Rev. A. J. Franks, pastor of the North Side Baptist Church of Brownfield. Baskets of varicolored gladiolus and roses were used for decorations and formed a background before which the ceremony was performed.

Miss Sharon Lewellen of Hobbs was maid of honor. J. C. Walker of Weatherford was best man.

The bride wore a street length dress of lined sheer white nylon, with tiny raised pastel flowers. Her accessories were light blue, and she wore a red carnation corsage.

Following the wedding a reception was held in the home. Mrs. Jimmy Mills served cake, and Miss Carolyn Kornegay, sister of the bride, and Miss Joyce Creach alternated at the punch service.

After a wedding trip to Northern New Mexico and Colorado, the couple is at home in Hobbs, where the bridegroom is employed with the General Telephone company of the South West.

Bridal Shower Courtesy To Miss Kornegay

A bridal shower, complimenting Miss Charlene Kornegay, bride elect of Allen E. Casebeer, was held June 22 in the home of Mrs. C. E. Casebeer, 1805 Gila Drive, in Hobbs, N. M. Co-hostess was Mrs. Helen Mills.

Approximately 30 guests called.

Miss Nelda Joyce Brown Will Marry Bud Web Cammack Here August 26

Announcement of the engagement and approaching marriage of Miss Nelda Joyce Brown to Bud Web Cammack, son of Mr. and Mrs. Web Cammack, 1902 18th, Lubbock, has been made by her parents, Mr. and Mrs. R. A. Brown, 802 E. Repetto.

The bride elect is a graduate of Brownfield High School, attended Trinity University, and is now employed with Kirtland Air Force Base in Albuquerque.

N. M. Her fiancé is a graduate of Lubbock High School, served in the Navy, and is now attending the University of New Mexico in Albuquerque.

The couple will exchange vows August 26 in the first Baptist Church. Rev. Jones W. Weathers, pastor of the church will officiate at the double ring ceremony.

The couple will make their home in Albuquerque following their marriage.

Miss Sandra Fae Yandell Becomes Bride of Carrol Hinson July 7

In a ceremony read at 8 p. m. July 7 in the First Presbyterian Church, Miss Sandra Fae Yandell, daughter of Mr. and Mrs. W. Fred Yandell of 2500 E. County Road, Odessa, became the bride of Carrol D. Hinson of Houston, son of Mr. and Mrs. D. L. Hinson of Brownfield.

Rev. Jones W. Weathers, pastor of the First Baptist Church, officiated at the double ring rites.

Leonard Ellington, organist, played the traditional wedding music and accompanied Dale Travis when he sang "Always", "Take Thee, My Beloved" and "The Lord's Prayer".

Vows were exchanged before an archway of greenery and white gladiolus, flanked with baskets of white gladiolus and candelabra. White tapers adorned with white gladiolus and tied with white satin bows marked the aisle.

The bride, given in marriage by her father, wore an original model gown of white imported French lace and nylon tulle over net and taffeta. Designed with portrait neckline, outlined with scalloped applique of lace dotted with embroidery of iridescent sequins and seed pearls and holding a tiny upstanding ruffle of pleated tulle, the fitted lace bodice had small sleeves completed with gauntlets worn over the hands and terminated with a point a center front waistline. From this stemmed a skirt of yards and yards of tulle encircled with rows of scalloped lace, simulating tiers, the immense fullness of tulle over net and taffeta sweeping into a short graceful train at back. Hoops and crinoline emphasized the fullness. Her veil of silk illusion net depended from a shell-type cap of ace embroidered with pearls and sequins. She carried a white orchid atop a Rainbow bible.

Mrs. Joe Dale Scott of Lubbock was matron of honor. She wore a street length dress of coral crystaline, designed with a scoop neckline, pleated bodice and voluminous skirt. She carried a heart-shaped bouquet of carnations surrounded with tulle.

Miss Gay Holmes of Abilene was maid of honor and wore a

dress identical to that of the matron of honor in pink. She also carried a heart-shaped bouquet surrounded with tulle.

Attending his brother as best man was Harold Hinson of Houston. Bill Hinson of Houston, also a brother, was groomsmen, and candlelighters were Gilbert Nunn of Midland and Foster Hinson, a brother of the bridegroom, of Houston.

At a reception held in the church parlor, the couple was assisted in receiving by their parents and attendants.

The serving table was laid with a pink net floor length cloth and decorated with the bouquets of the attendants flanked with crystal holders containing pink tapers. Long streamers fell from pink satir bows at each corner of the table and were adorned with tiny white hearts.

A four tiered columnated wedding cake and punch were served from opposite ends of the table by Mrs. H. G. Swan of Levelland, Mrs. Tommy Winn of Brownfield, and Mrs. Gilbert Nunn of Midland.

On the registry, also covered with a floor length pink net cloth, a bouquet of feathered carnations in a heart-shaped bowl adorned with cupids was tied with long pink satin streamers from which tiny white hearts dangled. Mrs. Leo Hall of Brownfield presided at the register, and presented guests miniature pink tulle rice bags tied with coral satin ribbons. Guests attended from Abilene, Houston, Odessa, Mead, Brownfield, Paris, Midland, Levelland, Andrews, and Lubbock.

For a trip to Ruidoso, N. M., the bride chose a blue two piece cotton dress with scalloped neckline and hipline, accented with small bows caught with rhinestone clips. She wore white accessories and an orchid corsage.

Both Mr. and Mrs. Hinson are graduates of Brownfield High School. She is past worthy of the Brownfield Chapter of Rainbow girls. She attended North Texas State College in Denton and Odessa College. The bridegroom attended the University of Texas, and served four years in the Navy. He is now attending Cliff Hyde Flying School in

MISS NELDA JOYCE BROWN

August Induction Call Will Be Seven

Induction notices will be mailed to five men this week from Selective Service Board 116, serving Terry, Yoakum, Hockley and Cochran counties.

The five will report on the 25th. The August call will be for seven on the 16th. Twelve will take preinduction physical examinations during August.

The Texas call for August is 639, two less than the 641 called for in July. The national call is 13,000 men for the Army during August.

Houston. The couple is at home at 4735 Aftonshire Drive, Apartment 4, in Houston.

To Sell or Buy—Classify—Phone—Classified Ad Department.

Mrs. Christian Hostess to CWF

The Christian Women's Fellowship of the First Christian Church met July 8 at the home of Mrs. Joe Christian. Nineteen members attended.

The meeting opened with a prayer by Mrs. William Spreen. The program, "Presenting C. W. F.", was presented under the leadership of Mrs. Truett Flache and Worship leader Mrs. Casper.

Mrs. T. McDonald received the offering.

At the close of the meeting, Mrs. Jerry Stoltz was presented a farewell gift from the group. Mrs. Stoltz and her family will move to Lovington, N. M. soon.

Refreshments of home made

Gospel Meeting Begins At Wellman Church

A gospel meeting will begin at Wellman Church of Christ on July 19 and continue through July 28.

Brother J. R. Trigg will do the preaching.

Weekly morning services will begin at 9:30 and evening services will begin at 8.

Everyone is cordially invited to attend.

Mr. and Mrs. E. M. Goins of McAllister, Okla. visited Mr. and Mrs. Lee Lyons this week. Mrs. Goins is Mr. Lyons's sister.

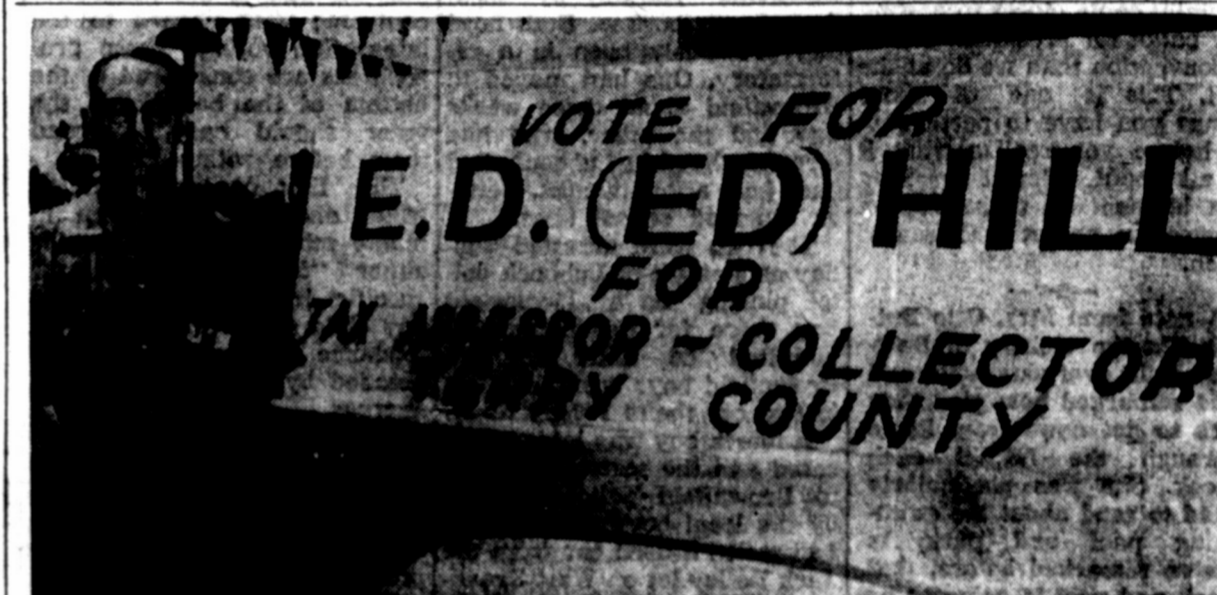

Ice cream and cake were served by the hostesses, Mmes. Stoltz, Johnny Venable, John Jennings and Bill Dugger.

JOINT INSTALLATION — Brownfield Odd Fellows and Rebekahs joined in installing officers Monday evening and also witnessed the unique feature of a husband and wife assuming the two principal offices in each Lodge. Mr. and Mrs. E. E. Preston, right, were installed as Noble Grand of each respec-

five Lodge. Installing officers, from left seated, were Mrs. Claud Buchanan, Mrs. W. B. Brown, Mrs. Marion Stone, Mrs. Pritchard of Denver City and Mrs. Pearl Robbins, District Deputy President of the Rebekah Assembly of Texas. Back, E. V. Riley, Joe Stevens, Loy Lewis and Earl Cook.

Circles of Calvary Baptist Church Met This Week In Homes For Study

The circles of the Calvary Baptist Church met in various homes this week for Bible study.

The Helen Tisdale Circle of the church met at the church for Bible Study. The meeting was opened with prayer by Mrs. Warren Stowe. The calendar of prayer was read by Mrs. Cecil George. The lesson was taught by Mrs. Stowe. Mrs. George closed the meeting with a prayer.

Those present were Mmes. Dale Copeland, Mary Howell, Byron Cabiness, Stowe, and George, and Miss Margie Ruth Howell.

Ruby Wheat circle met in the home of Mrs. Glen Collum. The calendar of prayer was read by Mrs. Lovella Todd. Special prayer was led by Mrs. Lottie Evans. Mrs. Collum taught the lesson.

Those present were Mmes. Todd, Evans, Alton Garner, Tommy Shipman.

The Darlene Sears circle met in the home of Mrs. Bill Conlee for Bible Study.

The scripture, John 1:18, was read by Mrs. Oscar Decker. The calendar of prayer was read and prayer was led by Mrs. Earl George. Mrs. W. J. Stokes taught the lesson, which was the group of prayers from the New Testament. Mrs. Ray Mullings closed the meeting with prayer.

Those present were Mmes. Stokes, O. W. Cox, Mullings, F. I. Poole, H. C. Daugherty, W. S. Armstrong, George, Decker, and Conlee.

The three circles will meet at the church Monday, July 16, for a Royal Service program.

SUNDAY SINGING
Terry County singers will meet at 2:30 Sunday afternoon in the Foursquare church.

Services Held For Baby Boy Tuesday

Funeral services were held at 10 a.m. Tuesday in the Northside Baptist church for David Reid Johnson, six-month-old son of Mr. and Mrs. E. R. Johnson. The baby died of strangulation Sunday night in his parent's home at Lovington when his head apparently became wedged between the mattress and side of the bed.

Rev. A. J. Franks officiated at the services and burial was in Brownfield cemetery.

Survivors include the parents and grandparents, Mr. and Mrs. L. A. Johnson and Mr. and Mrs. Bud Emery, all of Brownfield.

NOTICE TO BIDDERS

Sealed proposals, addressed to the President of School District, Wellman, Texas, for the construction of a duplex for Wellman Independent School District, Wellman, Texas, in accordance with contract documents as prepared by The Butler-Kimmel Co., Architects, and will be received at the office of the Superintendent, Wellman, Texas, until 8:00 p.m., Tuesday, July 17, 1956, at which time they will be publicly opened.

A Cashier's Check, Certified Check, or acceptable Bidder's Bond payable to Wellman Independent School District, Wellman, Texas, in the amount of 5% of the largest possible total for the bid submitted, must accompany each bid as a guaran-

Frozen Foods Is Theme Of Union HD Club

Union Home Demonstration Club met July 5 in the home of Mrs. John Avara. Five members answered roll call with "My favorite frozen food."

Mrs. Rufus Dill and Mrs. Oiver Miller gave a program on frozen foods.

Present were Mmes. John Avara, Rufus Dill, L. L. Banta, Bob Luker, and Oliver Miller.

The next meeting will be with Mrs. Luker July 19.

tee that if awarded the contract, the bidder will promptly enter into a contract and execute a 100% surety bond of bid submitted. If the bidder fails to make the required bond, his 5% Cashier's Check, Certified Check or Bidder's Bond will be forfeited as liquidated damages.

Attention is called to the fact that the rates of pay for labor engaged in the construction of projects will be not less than the prevailing local wage rates and further in full compliance with any State wage law that may be applicable.

The Owner reserves the right to reject any or all bids and to waive any or all formalities.

Plans and Specifications may be examined without charge in the office of the Architect, and Contractors may procure Plans and Specifications from The Butler-Kimmel Company, Architects, 412 Avenue M, Lubbock, Texas, or at the Superintendent's Office, Wellman, Texas.

Mr. and Mrs. Dip Pemberton and children vacationed last week at Lake Thomas.

Mrs. J. C. Waters Hostess to Group

The Evangelical Methodist women met in the home of Mrs. J. C. Waters July 5 at 7:30 p.m.

The meeting opened with a prayer. Mrs. G. M. Thomason read the 15th chapter of John and the group held a discussion.

Mrs. J. E. Barefield was honored with a layette shower during the meeting.

Following the business meeting, the group packed for mailing four boxes of clothing for the home missions. The ladies also worked on crafts for the Vacation Bible school being conducted by the church this week.

Cookies and ice cream were served to Mesdames Thomason, J. L. Reast, Anna Barefield, Lois Little, Charles Shrimpton, Evelyn Collins, and Miss Betty Collins.

The next meeting will be July 20th at 7:30 p.m. in the home of Mrs. Shrimpton.

Former Local Minister To Lead Gospel Meet

T. J. Finley, well known former minister of the Crescent Hill Church of Christ, will conduct a Gospel Meeting at the Southside Church of Christ from July 22 through 29.

Another Terry countian, Glenn Sargent, will be the song director.

Evangelist Finley, who now lives at Orange, Tex., will conduct services at 10 a.m. and 8 p.m. daily.

Joe Christan has been out of town this week on a business trip to Brownwood and Uvalde.

Four Visitors At Regular OES Meet

A regular meeting of Brownfield Chapter No. 785, Order of the Eastern Star, was held Tuesday night at 8:00 P.M. at the Masonic Temple. Mrs. Grace Buchanan, Worthy Matron, presided, and welcomed the four visitors, Mr. and Mrs. Clinton Bagwell of Seymour Chapter No. 488, Seymour, Texas; Mrs. Frances Spreen, Seymour Chapter No. 488 and Mrs. Hilda Satterwhite, Ballinger Chapter No. 266, both residents of Brownfield.

During the course of the business meeting it was voted to support a religious education scholarship. These scholarships can be awarded to any eligible Texas student of any faith who is studying for any type of religious leadership.

An initiation ceremony was held, following which a refresher drill was given on some

First Batist Circles Meet

Circles of the Women's Missionary Society of the First Baptist Church met in the homes this week for Mission Study, with the following in attendance:

Ann Petti, 4 present; Bagby, 6; Blanche Groves, 9; Janelle Doyle, 5; Lois Glass members met with other circles this week; Lottie Moon, 4; Lucille Reagan, 5; and Roberta Edwards, 5.

The W. M. S. will meet at the church Monday at 4 p.m. for a Royal Service program. A special program in observance of the 50th anniversary of Royal Service will be presented.

of the work of the Order. Refreshments were served by Mr. and Mrs. Claud Buchanan, and Mrs. Viola May Barrett.

NEXT MEET IN PLAINVIEW

Little League All-Star Team Named for Play-offs

Taylor Holland, Terry Little League President, today announced the selection for the 1955 All-Star Team and at the same time notified the managers, by letter, of the announcement.

Fourteen players were named to the All-Star Roster with four alternates being chosen. Holland said, "the alternates will be used in the event of sickness or injury to one of the regulars."

The players chosen were: Woody Harbin, Yankees; Leon Speed, Braves; Leonard George, Red Sox; Jimmie Foy, Yankees; Teddy Howell, Braves; Ken Baker, Red Sox; James Ivey, Yankees; C. L. Stockton, Indians; Maurice Howell, Braves; Jimmy Hackney, Indians; David McDonald, Giants; Floyd Tucker, Yan-

kees; Charlie Cook, Braves; and Douglas Godwin of the Red Sox.

Alternates Were: Donald Carruth, Indians; Frank Lopez, Giants, David Preston, Braves and Joe Cabrera of the Cubs.

Arlie Lowrimore of the Yankees; A. R. Isaacs of the Red Sox and Burton Hackney of the Indians were selected as the managers of the All-Star Squad.

Holland said, "The All-Stars will begin workouts this Sunday and will wear the uniforms of the team winning the Little League but the caps will be All-Star caps ordered especially for the squad." The team will be announced to the fans at the game tonight as well

as to the radio audience during the first game broadcast.

CALL PARTY OFF

The sunrise breakfast and swimming party for teenagers, scheduled at the Brownfield Country Club for Saturday, July 14, has been called off, it has been announced by Mrs. Joe Christian, chairman.

Brownfield Last in SPWGA Points

Gwen Henderson came through with low net of field Wednesday afternoon in South Plains Women's Golf association play at Brownfield Country Club, but the local ladies still trail in Vivian Parks Trophy points. Plainview is leading with 1179, Lubbock Country Club has 1180, Hillcrest has 1186 and Brownfield 1189.

Helen Humphries of Hillcrest was medalist with an 80, which also won low gross in the

championship flight. Vivian Parks took low net with a 69 for LCC.

Mrs. Henderson's 82 was low gross in the first flight and aside from her 58 net, three tied at 68.

Dorothy Goble was the only other Brownfield winner as she tied for low net in the second flight with 76.

About 77 golfers entered. The next meet will be at Plainview on August 1.

Miss Little League Contest Nears End

Brownfield's initial "Miss Little League" contest will reach its climax one week from tonight at Lion's Park when one of the ten contestants will be officially adorned with robe and crown suitable to the title. For the past ten days the girls

have been feverishly combing the city selling tickets to the "Mothers Game", which will be played that night.

The winner of the contest will be awarded a five-day, all expense paid vacation at the Crazy Hotel in Mineral Wells, Texas, one of the South's finest vacation and health resorts. She will reign as queen over the festivities at the ball park and will be the honored guest at the resort.

The "Mothers Game", which is the stellar attraction for the night of the coronation, will

get underway at 7:15, and although there is a hint of convict attire in the air, all the male umpires (one at each base) will bedeck themselves with raiment of the opposite sex.

Tickets to the game may be purchased from any one of the ten contestants who are: Beth Chesshir, Nancy Benson, Daphne Pemberton, Mary Jane Barrett, Linda Lou Collins, Pam Shirley, Sandra Kay Bradley, Ruth Fulford, Frances Dishman, and Virginia Lee Cooper.

SPWGA WINNERS—Mrs. Jack Bailey, left, won low gross with a 58 and Mrs. Ted Hardy, right, South Plains Women's Golf association president and local tournament chairman respectively, are shown with the low net and low gross winners of Wednesday play here. Mrs. Joe Henderson, left middle, won low gross with a 58 and Mrs. Harold Humphries was low net with an 80. All are members of Brownfield Country Club except Mrs. Humphries who plays for Hillcrest of Lubbock.

Blanchard Rites Are Held At Meadow Mon.

Funeral services were held for Mrs. W. R. Blanchard, 72, Rt. 1, Meadow at 10 a.m. Monday in the Meadow Church of Christ. John McCoy, Crescent Hill Church of Christ minister, officiate and burial was in Level land cemetery.

—n-v—
Mrs. Blanchard had lived in the Meadow area for approximately 10 years. She died Saturday afternoon following lengthy illness.

Survivors include: a daughter, Mrs. Carl White of Meadow; two sons, Z. V. Blanchard El Campo and W. R. Blanshard of Bunkie, La.; five grandchildren.

Pallbearers were Herbert Chesshir of Brownfield and G. O. Richey, Herman Horschler, G. B. Jones, Horace Belew and Earl Norman of Meadow.

Wheat—

(Continued from Page 1)

penalty will equal to 45 percent of the May 1, 1957 parity price for wheat.

Chairman Golden emphasized that the vote is on wheat marketing quotas and ton wheat allotments. Whether or not the vote is favorable on the quotas, acreage allotments will be in effect for the 1957 wheat crop.

Marketing quotas have been approved by growers voting in referendum for the past three wheat crops. Last year, 77.3 percent of the growers voting favored quotas for the 1956 crop.

He also reminded farmers that July 16, is the final date for filing application for "new" farm wheat allotments.

Mr. and Mrs. Kenneth Plotner returned this week from a two week vacation on California.

GEE GEE'S Ghit Ghat!

Seems like there were lots of things I wanted to talk about this week, but now that I have typewriter in hand . . . blank. Some new construction going on around town this week: the Rogers' are building a new building right west of Harold Crites' Humble station on Broadway and will soon have Brownfield Floral in operation there. Roy Collier has a big construction job going in front of the Brownfield Funeral Home. To quote Roy: I'm laying up a nice-sized debt for my grandchildren to pay.

Other new things around town are: Mrs. Fred Adams has bought the Dairy Mart at the intersections of the Tahoka and Lubbock highways, and we'd like to wish her lots of luck. Fred, of course, will keep on taking care of the U. S. Mail at the local p.o.

Sure want to thank all of you for calling in your news to me. I've had numbers of you to call this week and say you read that I'd like for you to call in your news. I appreciate it, and it certainly makes for more interesting reading to have more local news in the

paper. Be sure to remember my phone number is 3858.

The Miss Little League contest is waxing hot these days. It's pretty cute to watch the ten little contestants in action, giving their sales talks. I don't know who's leading the pack but little nine-year old Frances Dusehman had sold around 200 tickets at the last accounting. Be sure to get your ticket for the mama's ball game on the 19th and thus cast your vote for your favorite for Miss Little League. And don't just buy that ticket and put it in the top bureau drawer, because you sure won't want to miss seeing such fine ball players as Mildred Wilder, Gwen Kimbrough, Ruth Steele, Florence Parker, and many others in action. It should suffice to say that Mary Dee is one of the ring-leaders in getting this game together. It's going to be one of the spectaculars of the season, and I know you won't want to miss it.

Father passed another milestone Wednesday . . . his fourth or fifth 29th birthday. Thought I'd never get the old boy's birthday cake together, but finally made it. And will you please tell me why it is that one day you can decide to bake a cake and it turns out beautifully, but just try to make one special for a birthday or a bake sale and everything goes wrong. This particular one vaguely resembled the Leaning Tower of Pisa, with all the icing sadly hanging down around its knees.

Should this go in the "it could only happen in Brownfield, Texas" department: around midnight Thursday some joker decided to make off with one of the city's dump trucks. Unknown to the driver the stuff in the truck was or fire, so the fire truck and a city patrolman take off after the dump truck, sirens screaming, trying to put out a fire in a dump truck which they (the fireman and patrolman) didn't know was stolen. It could only happen in Brownfield, Texas. Which reminds me that re

ME Faith Circle Met At Church

Faith Circle of the First Methodist Church met in the Webber room at the church at 9:30 a.m. Monday.

Hogue had the lesson on "Scatter the Seeds". The opening hymn was "Bringing in the Sheaves". The scripture was the 71st Psalm. Mrs. G. S. Webber led the opening prayer.

Mrs. Hogue also gave the meditation. Assisting her with the program were Meses Sherman Mitchell, Terrell Isbell, Bill Thompson, and Ida Bell Walker.

Mrs. Webber conducted the business meeting.

The meeting closed with a prayer and the circle benedic-

cently one of our fine upstanding citizens took off for a vacation with his family. Seems his foot got a little heavy on the accelerator and the highway patrol picked him up. Which has happened to some of us at some time or other. What struck the real ironic note was one of the first questions the highway patrolman fired at the fine upstanding citizen: "Is this your family with you?" Well, maybe it's not so stupid, but can you imagine any man, trying to get on a vacation, taking some one else's family with him?

Turner HD Club Met Last Week

The Turner Home Demonstration Club met Friday, July 8, in the home of Mrs. Jesse Snodgrass.

Mrs. Mauk, president, called the meeting to order. Mrs. Snodgrass read "The ways to kill a club" for opening exercises.

Mrs. Forehand called roll, which was answered with "A quality I need to develop to help youth". Mrs. Sudderth gave the council report.

Mrs. I. L. Smith, 4-H leader, had the program, which was given by three 4-H girls: Annette Sudderth, Roberta Snodgrass, and Sandra Smith, on Safety in the Home.

The club is planning a bake sale for July 28, which is election day, Plains.

Following the meeting, a layette shower was given for Mrs. Loyd Yowell.

Visitors in the home of Mr. and Mrs. Cleon Jones last week were their son, Don, Mrs. Jones, and Tommy of Garden City, Kansas.

Members present were Meses. W. B. Downing, Hogue, Webber, Walker, Early, Thompson, Mitchell, Isbell, Cleve Williams, George Hunt, and Miss Maude Bailey.

Perry Family Is In Reunion Here

A reunion of the Perry family was held July 5 at the home of Mr. and Mrs. Deke Perry.

Those present were Mr. and Mrs. Radford Buford and Travis of Porterville, Calif.; Mr. and Mrs. C. A. Brookey and Patsy of Lubbock; Mr. and Mrs. Gerald Perry and Marior Bea, Mr. and Mrs. R. D. Perry, Mr. and Mrs. Frank Brookey and family, Mr. and Mrs. Ray Hughlett and girls, Mr. and Mrs. Boyd Noel and girls, Mr. and Mrs. Jim Mackey, Mr. and Mrs. Jim Warren; and Bernard, Coda and Bernice Gunn of Odessa.

July 4 the group had a weiner roast and picnic. Those present were Mr. and Mrs. Gerald Perry, Mr. and Mrs. Floyd Perry, Mr. and Mrs. R. B. North, and Mr. and Mrs. Frank Brookey and families and Coda, Bernard, and Bernice Gunn.

Mr. and Mrs. C. T. Mitchell of Lubbock spent a long week end with her parents, Mr. and Mrs. L. J. Dunn, Sr.

Dennis Q. Lillys Return from Trip

Mr. and Mrs. Dennis Q. Lilly have returned from a two and one half week vacation to points in Florida and the south and a vacation with their son, Hugh Tucker Lilly and family at Port au Prince, Haiti.

While visiting in Haiti, the Lillys and their hosts visited many points of interest, including the de Cheppells foundation on one of the islands and a large dam the Haitian government 'o control their agricultural and economical problems.

Returning to the states, the Lillys joined Mr. and Mrs. Paul Farris and Mr. and Mrs. Othel Reeves of Brownfield in Miami for the Lions International convention.

En route home, the group visited Silver Springs, Vicksburg, and saw the Seven Wonders of the World at Dallas.

Mr. and Mrs. J. E. Elliot Jay and Kay, of Sapulpa, Okla were Saturday until Tuesday visitors with his sister, Mrs. Walter Bond, and Mr. Bond and his nephew, Dr. Jerry Bailes and family.

Among the week end visitors at Ruidoso, N. M. were Mrs. Mary Lou Adams and Diane Dave Burton, Mr. and Mrs. Frank Ballard, and Mr. and Mrs. J. B. Huckabee.

Mrs. Jarvis Nowel and son, Jimmy, of Plainview attended the Crescent Hill Church of Christ here Sunday. Her daughters, Iris Dell and Iva Nell, who had been visiting their grandmother, Mrs. J. W. Moore the previous week, returned home with them.

BROWN

The Brownfield News

AND THE TERRY COUNTY HERALD

Vol. 19 Brownfield News-Herald, Thursday, July 12, 1956 No. 28

the farming angle

By
DON RYNUM
Farm Editor

Terry wheat growers will vote July 20 in the ASC office, basement of the Post Office, said Looe Miller, manager.

The Terry voters will help decide if marketing quotas will be in effect for the 1957 crop. Any growers who will harvest 15 or more acres for grain is eligible, explained Miller.

Survey findings of the prevailing wage scale for farm employees will be posted weekly in the Brownfield office of Texas Employment Commission, the courthouse, Jim Foy's office and the post office.

The decision to post the findings was made recently by TEC, said Aubrey Jones, manager here.

One of the year's highlights for Terry County Farm Bureau personnel will be the naming of its queen for 1956. Winners here will compete in district contest. Final goal of the district winner is the national event. TCFB did not organize a queen-contest last year, and some members voiced the opinion that they "had been left out of a good deal".

Here's a deadline to remem-

ber: July 20, when all operators must sign their Soil Bank Acreage Reserve agreements. Here's another deadline: July 31, when the farm operator and owner(s) must sign if such is necessary.

Now that we have quick-freeze, the next major advancement in preserving farm-freshness in vegetable may be vacuum-cooling. The USDA has revealed research results that cut shipping costs and improve quality.

The process is one in which the air is pumped out of a vacuum chamber in which the produce has been placed. Evaporation of water from the produce cools it. Several plants have been or are being built.

There is more optimism among USDA operating heads, as distinguished from policy officials, that farm income soon will start upward. Most of them admit that it is "just a feeling that things soon will start getting better."

Market price figures for the first four months of this year are encouraging. For the first time since 1951, the average

See FARMING ANGLE, Page 3

BLUE PANIC AND THREE CHILDREN—Blue panic grass growing on the Elmer Edwards farm 14 miles southwest of Brownfield is looked over by experts, children of the tenant, Lamar Stunkard. From left, they are Richard Lee, 10; Alpha Dean Hohenberger, 9, and Leon

11. The grass was planted less than two months ago, using the Terry Soil Conservation District's new seeder. Edwards uses it as a means of protecting the farm home, the land and, perhaps, as a cash crop. (Staff Photo)

IN SOIL BANK RESERVE

Deadline for Adjusting Cotton Acreage Nears

Terry Cotton growers have until July 31 to adjust their cotton acreage for the Acreage Reserve of the Soil Bank by plowing or disking their crop, Looe Miller of the Agricultural Stabilization and Conservation office said this week.

Growers who are interested in participating in the reserve should visit the Terry County ASC office and sign an agreement designating the acreage to be included in the

program. "Adjustment of cotton acreage for the reserve may be done by plowing or disking," explained Miller, "but this must be done before the closing date."

The payment will be 15 cents a pound, based on the smaller of the normal or appraised yield, but will not be less than \$6 an acre, Miller said.

In no case, said Miller, will the farmer be permitted to

place more cotton acreage in the reserve than his allotment provides. "However," he concluded, "where the allotment is less than 2 acres, the farmer must reserve his whole allotment to take part in the program."

Surveys of Prevailing Wages Announced

Up-to-the-minute findings concerning the prevailing wage for farm employees are to be posted prominently in:

All Class 1, 2 and 3 post offices; Texas Employment Commission offices, county courthouses and county agricultural agents offices.

The decision to post the findings were made last week by members of the Texas Employment Commission.

During the hoeing season, each of the following counties

will be surveyed: Dawson, Gaines, Lynn, Terry and Yoakum. The survey for any particular county will end on a Friday afternoon and the findings are expected to be posted the latter part of the following week.

Aubrey Jones, manager of TEC's Brownfield office, said it was his understanding that the determination (as contrasted with a wage finding) of the prevailing wage will be made by the U. S. secretary of labor

failure is associated with the tragic loss of life and that experience in industry has proved accident prevention measures always pay.

Engineer Ulich points out that specific studies in other states show that as high as 86 per cent of all farm machine accidents involve tractors and tractor equipment. This might be a mighty good place to start a safety program on most farms, says Ulich.

"You wouldn't think of selling a good right hand or arm, an eye or a leg, but many have lost these precious possessions simply by sticking them into a moving or operating machine.

The President said that in nearly every accident human

by stumbling over an unshielded power take-off or by getting an eye knocked out by flying dust or debris from an operating machine being checked at too close range.

"Think about these needed body parts and your life when working with machinery and you'll develop a consciousness about safety you never had before," says Ulich.

When every farm worker develops this type of attitude toward safety, farm accidents will drop to a new low level and farm living will become more pleasant and satisfying as a result. Your safety is in your hands.

County Group Will Determine Reserve Yields

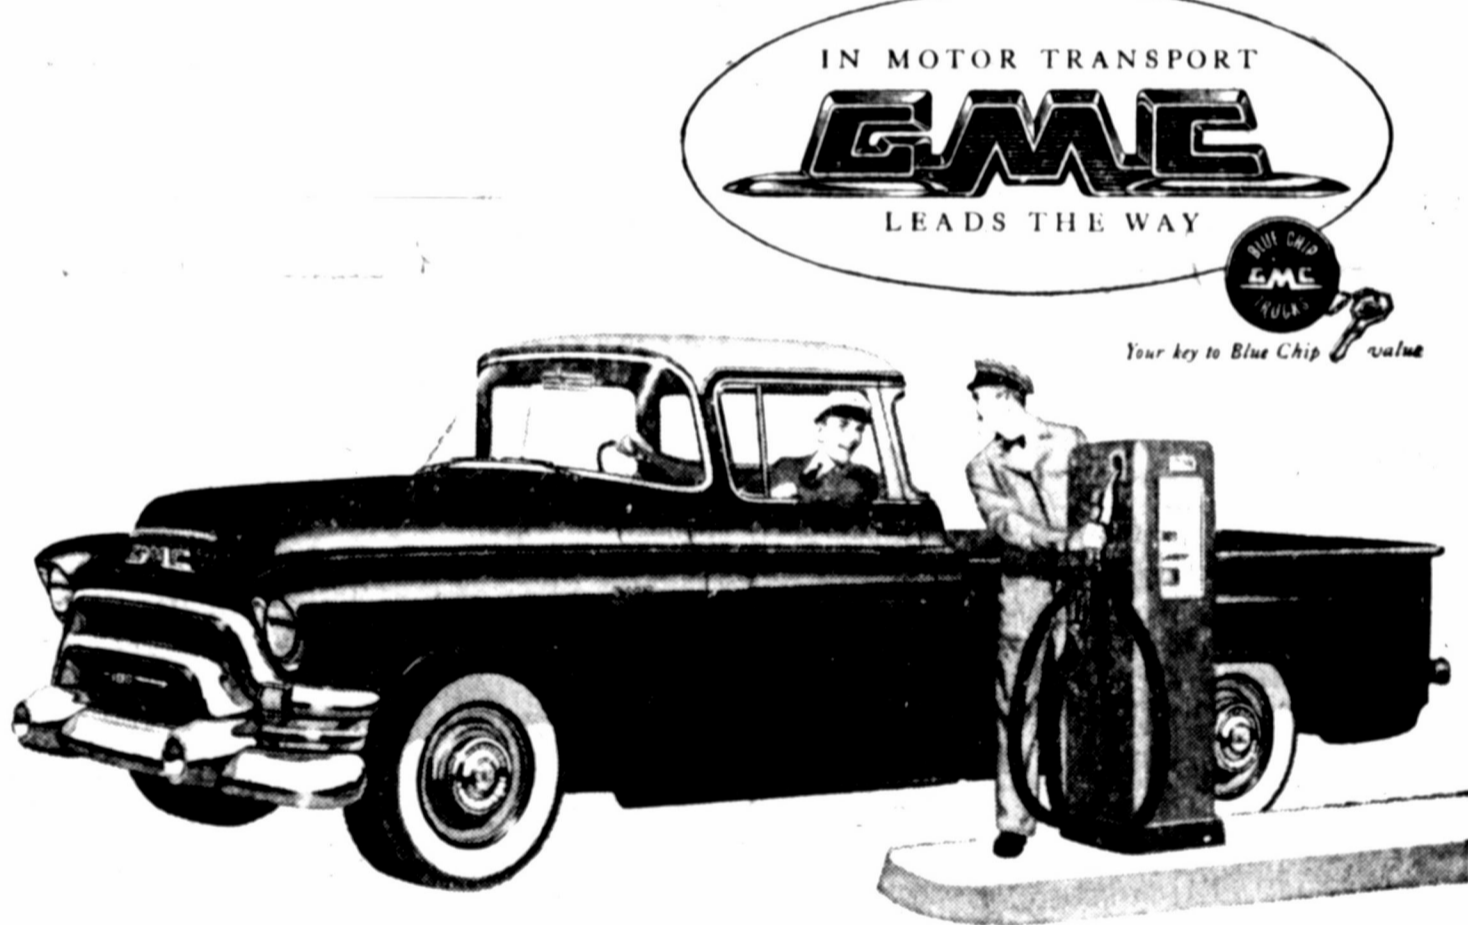

Regulations determining when "normal" yields and when "appraised yields" will be used as the basis for payments under the 1956 Soil Bank Acreage Reserve program were clarified today by the Terry County ASC committee.

"The simple way to remember this is to associate normal yields with underplanting."

Now-GMC gives you a bonus of up to 3 gallons in every tankful!

Talk about low-cost GMC ownership! With its new high-ratio cruising axle, a Blue Chip GMC pickup now gives you up to 17.8% better gas mileage. That's 3 gallons' worth of bonus miles in every filling!

And you get far better road speeds, too, from an easy-stroking, unstrained engine. In short, from a mere \$10.50 axle option, GMC now gives you the advantages of a \$125 overdrive.

Add this new gas-stretching ability to the super-efficiency of a GMC 180 hp V8

engine—to the moneysaving advantages of Hydra-Matic Drive*—and an important fact is clear:

The operation and maintenance savings of Blue Chip features can bring the over-all cost of a half-ton GMC down to the level of—or below—the cheapest stripped-model truck on the market.

Of course, you'd always have preferred a Blue Chip GMC to any other truck. But now—with cost so strongly in its favor—there's no need to step down. Come in and tell us what colors you want on your GMC.

*Optional at moderate extra cost

A STEP ON AND UP

Scouting and Brownfield Share Benefits

The men who had the vision and put the effort into creating the Boy Scout camp on the American Legion grounds no doubt have received their own reward through the accomplishment of the job. But it is well for the rest of the community to know to whom credit is due.

SEVEN ADVERTISING DO'S

Common Denominators

Most of us have probably forgotten there is such a thing as a "common denominator." But back in fifth grade arithmetic, or at least somewhere in our schooling, we ran into it and now we see it pop up again in a recent talk by Edward Burgeson, Director of the Bureau of Advertising's Retail Department.

He outlined seven "common denominators" for consistently successful advertising.

First advertise the merchandise people want to buy and when they want to buy it.

Give the customer enough information about the item so that she is sure she knows what you are offering before she enters the store.

Make it especially appealing and easy for the customer to buy at your store. Give full information in ads—address, store hours, your services, parking, etc.

Dramatize one or two specific benefits and hammer away at the related selling points.

Personalize your ads with distinctive photographs or artwork.

Write your copy the same way you would talk to a customer in your store—truthfully, simply, enthusiastically.

"Merchandise" your ads in the windows and on the counters.

A few years ago plans were made to build individual Scout huts on each of the four corners of the lot north of the Legion Hall with a recreation hall or council building in the center. Until recently three of the huts were completed and were being used. Now the council house is completed and a new era in scouting has started.

And not only the scouts will benefit from the Council house since it will be used for other groups and help take the strain from the Legion Hall. Scouts come first, of course.

The addition to the Scouting program was made possible by the First Presbyterian church. They gave their old recreation building to the Scouts and it was moved to the new location several months ago. The generosity and civic spirit of this church is very commendable and each of the members can take pride in having their own small part in the act.

The expense of moving, remodeling, painting and stuccoing the building was about \$2,500 and it was shared by many. The City, County, American Legion, Lions Club and Rotary Club all contributed cash... as did many individuals. Free labor and materials were also given.

Joe Shelton and Ralph Bailey supervised the painting and Goodpasture Ready Mix cement gave a liberal amount of cement. Lumber companies sold materials at cost, or gave them free. Copeland Hardware contributed to the paint program. The telephone company moved lines.

This has been a community project and many have contributed that we don't know about. But sincere thanks is due everyone who helped, this project is another milestone in making a better Brownfield.

Beware the Blackjack

THE AMERICAN WAY

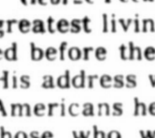

By George Peck

(EDITOR'S NOTE: George Peck is Chairman of the Board of the National Labor-Management Foundation and Executive Editor of its official publication, PARTNERS.)

MARXISM CREATES NO UTOPIA

By George Peck

Over the almost 20-year period that I have been inflicting my column on a long-suffering and patient reading public, I have stated time and time again that Communism (dire as it is) is not the thing which we Americans should fear the most. The various facets of Socialism are the real menace to America, because they provide the stepping-stone to Communism. In other words the vast rank and file of the American people abhor Communism and it can not be foisted upon them by direct methods—but it can sneak up on them via Socialism.

On Monday evening, April 16, the Nation's greatest living American, ex-President Herbert Hoover, appeared before the Inter-American Bar Association at Dallas, Texas. His address was carried over a nation-wide hook-up. Millions of Americans heard Elder-Statenmen Hoover, but for the benefit of those who were not fortunate enough to be listening in, I'd like to quote some of the highlights of his speech.

Mr. Hoover's subject was: "World Experience with the Karl Marx Way of Life." After pointing out that America's first struggle was to shake off Colonialism, he warned that "a new problem has come across the Atlantic to plague us during the past 50 years. That is the invasion of Karl Marx Socialism."

Tracing the march of Marxism throughout the world, Mr. Hoover drew attention to the fact that it provided the entering wedge for the Communist variety of Socialism and that, "today it is rotting the souls of two-fifths of mankind."

The ex-President asserted that the words Socialism and Socialist have become unpopular words on this side of the Atlantic, that the Socialists have developed new and disguised cults and fronts that masquerade under a variety of names such as, Liberal and Progressive. But call them by camouflaged names, they will embrace the destructive philosophy of that Arch-Socialist, Karl Marx.

We can learn from the sad-experiences of other nations. "There are some conclusions," Mr. Hoover said, "that we might learn from these years of world experience with the Karl Marx virus-infected civilization... Certainly the ex-

hibits of Karl Marx elsewhere would not indicate that his philosophy has anywhere produced a Utopia."

Mr. Hoover then made what in this columnist's estimation was the strongest point of his address as he said: "This is far more to all of this than just economics... the primary dogma of Karl Marx was atheism and substitution of economic materialism for religious faith. It denies the existence of God. It defiles the ideals and spirit of men."

"Religious faith is deeply imbedded in our Western Hemisphere civilization. The Sermon on the Mount established the transcendent concept of compassion and good will among men. From those principles have come our moral foundations, our obligations as our brothers' keepers, and respect for the dignity of man."

"I would not have you think that I believe our civilization is perfect, or that we do not have a multitude of problems if we would improve the life and invigorate the spirit of our peoples. But these problems can be solved only by free men. I prefer to go forward with the philosophy of Christ to that of Karl Marx."

America owes a futher debt to Mr. Hoover for having warned us so ably and forcefully about the Karl Marx Way of Life, how it has led to loss of freedom for two-thirds of the

LOOKING AHEAD

Citizens Must Combat Lethargy

CITIZENS GO TO SLEEP

There are three very real factors challenging the very existence of our great American system with its freedoms its incentives for individual advancement, its unmatched living standard, and its constant dynamic surge of progress. They are (1) the natural lethargy of human nature, (2) a powerful, well-directed, worldwide Communist conspiracy to dominate the world, and (3) a powerful, well-financed effort to undermine the foundations of our freedom through infiltration of every segment and function of our American society.

The fact that lethargy is a human characteristic is found throughout the history of the human race. At no spot on the earth's surface has good government or a good economic structure been preserved for very many generations, through all human history. Greece lost her Democracy. Rome lost her Republic. The fall of these two world leaders of their day, one after the other, didn't come because either of them had fulfilled her mission. In each instance the fall came because human lethargy in time replaced the citizenship interest which had created a new kind, and better government than had existed in the past.

The Dark Ages

Rome's fall ushered in the period known in history as the Dark Ages and the human race stagnated for nearly a thousand years. When we examine history we find the rise and fall of 19 different civilizations; and in each instance where the citizenry itself had a part in creating the mode of life, the apathy of the citizens led finally to the fall.

We in America are now six generations from George Washington and Patrick Henry, both of whom represented the height of citizen interest in a government providing individual freedom. Through the years we have lost much of our love of freedom. We are affected with much complacency. We are trusting that our children will just catch Americanism like they catch the mumps and the measles. We're moving gradually toward bigger and bigger government with more and more dependence on central government.

Big Government Growing

Government is already the biggest economic factor in our lives. The Federal Government is more and more giving up responsibilities and powers, takes in and spends about one-fourth of all the money in circulation, one-fourth of all the wealth produced. The Federal Government in America. We have private banks that have loaned throughout the history of our nation and these banks have played no small part in the development of our economy. But today the big lender is the Federal Government.

The Federal Government, of course, is greatly in debt. And yet Uncle Sam is lending money at a lower rate of interest in some cases than he borrows it. Yes, actually the Government is borrowing money at three per cent, in some cases, and turning around and lending it at two per cent. It's costing taxpayers generally \$200 million dollars a year to make up the difference and pay for the administration.

Political Consideration

Still another factor in the big government lending agencies is the factor of politics, mismanagement and graft. Only a deep-seated citizen apathy would have condoned the gross incidents of graft which occurred, for instance, in the RFC from 1945 to 1950 as exposed by a sub-committee of the Senate Banking and Currency Committee in the later half of 1950. Millions upon millions were loaned to questionable enterprises through the influence of political hacks. Millions of taxpayers money were squandered. This kind of operation is characteristic of government which has become too big.

Personal freedoms are being restricted in proportion to the growth of big government. See **LOOKING AHEAD, Page 3**

world's population and that definitely Marxism Creates No Utopia.

By VERN SANFORD

Texas Press Association AUSTIN, Tex. —Income and expense reports of candidates show Daniel, Aikian and Wilson leading in both receipts and expenditures, in their respective fields.

U. S. Sen. Price Daniel was far out in front in financial support. He listed contributions totaling \$112,849.

Other gubernatorial contenders' kitties stacked up thusly: Reuben Senterfitt, \$31,772; Ralph Yarborough \$23,865; W. Lee O'Daniel \$1,770.

Sen. A. M. Aikin Jr. led in the Lt. Governor's race with \$19,637 in contributions, as compared with \$8,125 for Lt. Gov. Ben Ramsey and \$6,300 for John Lee Smith.

Will Wilson was far ahead of the pack in the attorney general's race, reporting financial support totaling \$21,021.

On the expenditure side of the ledger the leaders held the same positions. In the Governor's race, Daniel spent \$82,474; Senterfitt \$32,081; Yarborough \$25,826; and O'Daniel \$20,589.

Among the candidates for Lt. Governor, Aikin reported expenses of \$12,244.82; Ramsey \$7,003; and Smith \$8,583.05.

Wilson again outdistanced his competitors in the campaign for attorney general with a total expenditure of \$10,962.

Shots Cut Polio—State Health Department officials believe Salk shots enabled Texas to avert a bad polio year.

Pre-season incidence of polio, they point out, was unusually high this year—224 cases as compared to 167 in 1955. But as the season progressed, immunization was stepped up. Since April 28 there have been only 269 cases compared to 375 in the same period last year.

"This would have been a major polio year," said one official. "Salk vaccine apparently is the answer to why it isn't."

Farm Income Off 13 Per Cent—Texas farm income thus far in 1956 has slid 13 per cent from last year.

Inadequate moisture was the major cause. Prices were off only three per cent. Therefore, most of the drop came from smaller marketings.

State officials took note of the farmer's worsening plight. Gov. Allan Shivers announced

the U. S. Dept. of Agriculture has approved extension of the emergency drought feed program for 64 counties.

A request for direct payments to enable drought-hit farmers to purchase hay on the open market was turned over to the state defense and disaster relief office. It came from the Texas Farm Bureau president who said the present federal program is inadequate.

John White, state agriculture commissioner, said the state's rural economy, in many areas, is in the final stages of collapse. Ghost towns are in the making in the heart of some of our richest agricultural lands, he said.

Last week's widely scattered rain brought only temporary relief to some Southwest Texas areas, reported the Agricultural Extension Service. In most sections, said the service drought is spreading. Result: feed crops are being lost and livestock sold off in large numbers.

Creek Damming Complaints — Continued complaints of creek damming were reported by the state Water Board last week as evidence of Texas' mounting water troubles.

One of the most critical areas now is at Llano, said the board. Irrigators were asked to limit their withdrawals from the nearly dry Llano River.

Communities along the river have priority, said the board. Some, such as Junction and only a 30 to 60-day supply.

Other areas from which complaints of damming were sent to the board included Wolf Creek and Groesbeck Creek on the Red River, Blanco River in Blanco County, Caney Creek near Bay City, and Elm Creek in Milam County.

Meanwhile, the Water Board had another problem. After a 12-day recess, hearings were to resume Tuesday in the Canyon Dam controversy. San Antonio's request for water from the proposed dam is vigorously opposed by nearby rural communities.

Diplomas May Come Harder —If the State Board of Education adopts its study-committee's proposals, future diplomas will come a little harder for Texas high school students.

Suggestions included (1) two years, instead of one, of labor. See **HIGHLIGHT, Page 4**

Looking Ahead—

(Continued From Page 2)

It is a simple equation: what power the government has it must, of course, take from the people. What money it has must come from the people. When the Federal Government takes over a new responsibility—whatever it may be—people must give up that responsibility. And when they give up a responsibility and become dependent upon the government for that particular thing, they lose independence, freedom. Yes, apathy, human lethargy is one of the great threats to all we hold dear in America. Is your interest in freedom active?

Farming Angle—

(Continued from Page 1)

of farm prices increased from December to May. For the year, the outlook

Lt. John Thompson Assigned To MATS

Kelly AFB, Texas—Second Lieutenant John V. Thompson, son of Mr. and Mrs. J. E. Thompson of 221 North 11th Street, Brownfield, Texas, has been assigned to the 57th Air Transport Squadron, Continental Division, Military Air Transport Service (MATS).

Lieutenant Thompson is a student navigator in the 57th Air Transport Squadron, MATS. The Military Air Transport Service is a major command of the United States Air Force. It is composed of Air Force and Navy personnel and equipment.

He graduated from Brownfield High School and received his Bachelor of Science Degree from Texas Tech in 1955. He was a three-year letterman in football at Texas Tech and coached freshman football there in 1954.

Lieutenant Thompson entered the Air Force on active duty in April 1955 and recently received his navigator's wings at Ellington Air Force Base, Houston, Texas.

now is for cotton about \$10 a bale under 1955, wheat about the same, cattle, hog and milk prices somewhat higher, soybeans and cottonseed higher, feed grains up slightly.

An American and a Dutchman were talking. "What does your flag look like?" asked the American. "It has three stripes," replied the Dutchman, "red, white and blue. We say they have a connection with our taxes: We get red when we talk about them, white when we get out tax bills, and pay 'til we're blue in the face." "That's just how it is here," commented the American, "only we see stars, too."

County—

(Continued from Page 1)

said the committeemen, "The regulations require the committee to base payment on normal yields for acreage placed in the reserve by underplanting this year.

Payment Assured
"This means that farmers who participate in the program by underplanting are assured of payments based on normal crop yields.

"In cases where land qualifies for the reserve through crop destruction due to natural causes or where it is plowed under or otherwise physically incorporated into the soil, or where it is clipped, mowed or cut before harvest, the regulations require the county committee to appraise the yield that would have resulted had the land remained in production under conditions existing this year."

This appraised yield, continued the committeemen, must be compared with the normal yield for the farm. The regulations require that the SMALLER of the two appraised yield or normal yield—be used as the basis for the reserve payments on the land.

Both normal yields and appraised yields will be determined by the county committee.

REGULATIONS CHANGED

Cropland Grazed Earlier This Year To Be Included in Acreage Rsvr Plan

"Cropland which was grazed by livestock earlier this year now may be included in the 1956 Acreage Reserve program of the Soil Bank," Looe Miller of ASC explained this morning.

"However, such land may not be grazed from the period beginning June 23 and extending through the rest of this year," he explained.

Under an amendment to the 1956 program regulations, he said, farmers now may designate for inclusion in the reserve any of the basic commodities cropland which was grazed between Jan. 1 and June 22, inclusive.

(As originally announced,

the regulations provided that no cropland which was grazed at any time during 1956 or from which a crop was harvested during the year could be included in the reserve.)

Miller pointed out that while the grazing limitation still applies to "reserved" acreage from June 23 until the end of the year the Soil Bank Act provides that grazing of Acreage Reserve land may be authorized under special circumstances.

Consent for such special grazing privilege may be given by the secretary of agriculture at any time if the governor of a

atory science, (2) a half unit more of government or history, (3) making physical education and health non-credit courses and (4) limiting athletic practice during school hours.

Bus Segregation Still Law—Texas citizens will have the right to file criminal complaints against anyone violating bus segregation laws.

Atty. Gen. John Ben Shepperd has reiterated his official opinion that a recent U. S. Supreme Court decision did not invalidate Texas law in this area.

"Any citizen may file a complaint against any bus driver or other person failing to comply with these laws," said Shepperd.

His statement came in response to a query from Rep. Joe Pool of Dallas. There, as in several other Texas cities, enforcement efforts have been

state certifies that there is need because of natural disaster.

virtually abandoned since the high court ruling.

Short Snorts—A warning to future holiday motorists came from the Department of Public Safety after Texas led the nation in July 4 fatalities. Col. Homer Garrison said heavy traffic and fast driving caused Texas highway deaths to soar to 15, more than double the predicted 6 . . . Marketing of the 1956 Texas cotton crop could be delayed by a strike-caused shortage of steel bands used in baling. Texas stocks are critically low, according to the State Agriculture Department . . . Texas' August draft call is for 639 men, compared to 641 in July, says State

CHURCH OF THE NAZARENE

Hold General Assembly In Kansas City

The Church of the Nazarene, looking toward its denominational golden anniversary in highpoint in the history of scriptural holiness in the nation at its fourteenth quadrennial General Assembly just concluded in Kansas City.

Dr. Samuel Young, one of five general superintendents who was re-elected, preached

Selective Service headquarters. Also in August draft boards will be called on for about 1,134 men to take physical and mental examinations for future draft quotas . . .

the opening day communion message at which the 12,000 persons received the elements in reverent silence in 12 minutes.

Sunday school enrollment climbed 21 per cent to 605,000. A total of \$10,500,000 was given to world evangelism in the same period. A national study showed that the Nazarene church gained 653.7 per cent in membership from 1916 to 1952, or the best record among the 126 Protestant bodies reporting.

The Nazarenes were challenged with 1956-60 goals: 1,000 new churches, or an

average of five each week. 1,000,000 in Sunday School enrollment

Attention! Wheat Farmers

July 20, 1956

Is The Date To Vote On WHEAT MARKETING QUOTA REFERENDUM

If quotas are approved—

All farms in commercial wheat States with more than 15 acres of wheat will be subject to quotas.

Price support will be available to cooperators (those who do not exceed their acreage allotments) at a level between 75 and 90 percent of parity.

If quotas are disapproved—

There will be no quota penalties for excess wheat.

Allotments will remain in effect.

Price support will be available to cooperators at 50 percent of parity.

PLEASE GO VOTE . . .

A Majority Of The Farmers Should Make This Decision . . . Not A Small Number

His Last Switch in Motor Cars !

We have no way of knowing, of course, how many different makes of motor cars this gentleman has owned through the years.

But we're willing to bet that he has now made his last switch in motor cars!

For this time it's a Cadillac! And it is historically true that once a motorist makes the move to the "car of cars", he is usually a Cadillac owner for life.

What are the reasons for this great devotion and loyalty? Well, let us count them off.

First of all, there are the things which everyone recognizes in Cadillac. There is its great beauty . . . its matchless luxury . . . and the unquestioned respect which the car commands the world over.

Then there are those qualities with which anyone who has ever driven a Cadillac is familiar.

There is its marvelous comfort and ease of handling . . . its magnificent power and performance . . . and its wonderful balance and agility.

And, finally, there are those things which only Cadillac owners themselves can fully appreciate. There is the car's remarkable economy of operation and upkeep—its incredible longevity—and its marvelous resale value.

Incidentally, you will find that we have recently made two additions to this list of things you get when you make your decision for Cadillac.

We're talking about prompt delivery and a generous trade-in allowance!

Better come in while the circumstances are so favorable—and make your last switch in motor cars!

**Vote of Terry Farmers Will Help Decide
 To Phases of the 1957 Wheat Program**

How Terry county wheat growers vote in the July 20 referendum will, when added to the vote throughout the na- tion, decide two phases of the 1957 wheat programs. The two points at issue in the vote will be (1) whether

marketing quotas shall be in effect, with penalties on "excess" wheat from farms not in compliance with the acreage allotment, and (2) the level of price support available to those who comply with the farm acreage allotments.

Whether or not quotas are approved, acreage allotments will remain in effect for the crop, explained R. G. Shrauner, chairman of the State Agricultural Stabilization and Conservation Committee.

If quotas are approved by at least two-thirds of those who vote in the referendum, the quotas and penalties for excess production will be in effect, and price support on the crop will be available at a level between 75 and 90 percent of par-

Frank Hamilton Was In Oil Fields 50 Years

(Editor's Note: Sketch compiled from records of ORAL HISTORY OF TEXAS OIL PIONEERS, University of Texas. Persons who can con- tional, documents, or photo- graphs of early oil fields should write to the Archives Collection, Box 7767, University Station, Austin, Texas.)
 Frank Hamilton, who retired in 1951 after 50 years in the oil fields, now lives at Brecken- ridge, where he spends his time hunting and fishing and commuting to his farm near

Nixon. He was born in Austin in 1886. He was in high school when the Lucas Gusher came in the winter 1901.
 When school was out in the spring he and a dentist's son, without asking permission of anybody, took the train to Beaumont. They expected to work through the summer and come back to Austin for the opening of school in the fall. But Hamilton never came back. Oil got into his blood.

His first job was firing a boiler, a job he got by saying he had had a little experience. The little experience was really zero, a fact which his boss was not long in finding out. But he was a willing worker and was learning fast. Hands like this were scarce, and he was kept on the job.

First and last, he has filled about every job to be done in an oil field. He has been fireman, derricks man, driller, pumper, tool pusher, gauger, water works man. Most of his years have been put in the service of the Gulf Oil Corporation and its parent companies, and his duties have taken him to Tampico, Sour Lake, Batson, Humble, Caddo Lake, Burk- burnett, Electra and Brecken- ridge. He was witnessed many important developments in oil field technology.

He helped repressure the first wells so treated. This was done by pumping compressed air into the well. He also was involved in the first underwater drilling, at Caddo Lake. Piles were driven and plat- forms were constructed not only for the dwdwdwdwdwd only for the rig, but for the slush pit as well, for water pollution carried a heavy fine.

Many incidents stand out in his memory, not the least of which is his 21 days of blind- ness and the suspense of not knowing whether he would ever see again. This happened at Sour Lake, where clouds of a heavy, poisonous gas often hovered near the ground. Sometimes you could escape it by lying down.

It was responsible for at least two deaths. The stand- ard treatment for blindness was to cut up on Irish potato and lay pieces on the eyes. When this didn't work, Hamilton went to Galveston and, under

the care of a specialist, gradu- ally regained his eyesight.
 He recalls the disorder of boom times at Spindietop, Sour Lake, and Batson, especially the influx of criminals—"easy livers", he calls them. They were responsible for a number of murders, though these kill- ings were largely confined to each other. One night as Ham- iltion was walking from the location he felt a jab in the back. It was a gun held by a woman demanding money. He had only 30 cents, and she threatened to shoot him for not having more.

At Batson there was no jail and culprits were chained to trees. Sometimes there might be a dozen men and women or two padlocked to the pines, each on a chain eight or ten feet long.

From where I sit... by Joe Marsh

"Keep The Change"

If you've seen "Mac" Johnson this week, chances are he's told you his waitress story. For those who haven't heard:
 "Mac" recently stopped at an out-of-town diner. He ordered the chef's special—and his wait-ress (brand new on the job) made every possible mistake. She con- fused the order, spilled the soup, dropped the rolls, brought him a wrong dessert.

Despite it all, "Mac" left a substantial tip. But she still hand- led the money back. "Keep it, Mister—you've sure earned it more than I have," she said.
 From where I sit, that girl de- serves credit for admitting her shortcomings—something not everyone is big enough to do. For instance, I'm convinced lots of folks know they're wrong when they deny me the right to a glass of beer with my supper... just because they happen to prefer some other beverage. They wouldn't like me ordering them to accept my choice.

Joe Marsh

FORT GORDON, GA.—Cadet Harold F. Wolford, son of N. R. Wolford, Welch, Tex., is receiving six weeks of training this summer at Fort Gordon, Ga., through the ROTC program of Texas Technological College.

The training, which ends August 3, includes use of Signal Corps equipment and facilities, firing of weapons, tactical field problems and defense against chemical, biological and radio- logical warfare.

Wolford was graduated from Dawson High School in 1951.

SUMMER SCHOOL
 COMMERCE, July — J. J. Walker of Wellman has enrolled for the summer session at East Texas State College. Walker attended Southeastern State College and at the present is doing graduate work in his major field.

ity to those who comply with the farm wheat allotments.
 If more than one-third of the voters disapprove the quotas, there will be no marketing quotas and no penalties for excess production, and the available price support will drop to 50 per cent of parity, as provided by law.

Whether or not quotas are in effect, acreage allotments will remain in effect for the 1957 wheat crop.

Chairman Shrauner explained that wheat marketing quotas and acreage allotments operate only in commercial wheat States, including Texas. Since the quotas affect only those growers in the commercial area who will have more than 15 acres of wheat for harvest as grain on a farm in 1957, these growers are the only ones eligible to vote in the referendum.

happy vacations begin in a Chevy

You'll love to travel in it, because it loves to travel! When you get this Chevrolet out on the road, you'll want to keep going—and so will the whole family.

Of course, even in a Chevrolet the happiest vacations may involve one or two minor problems. Like fidgety small fry who want gallons of water and keep asking if you're almost there. The big things, though, are beautifully taken care of by this roomy Chevrolet's smooth and easy way of going. That's for sure.

The fact is, few cars at any price hold the road with Chevy's grace, with its solid feeling of stability. And with horsepower up to 225, Chevrolet moves out like a whirlwind, for safer passing. It's no wonder that so many people who used to buy higher priced cars are changing to Chevrolet! Stop by soon for a ride.

America's largest selling car—2 million more owners than any other make.

Kicking Off
This is the last go-round on this somewhat spasmodic column. When there's been something to talk about we've used it, and when everything was quiet we just skipped writing it. However it has been a lot of fun following Brownfield sports for more than five years now. In looking back there has been quite a change. There were those years when Red Denham and Jackie Neal locked up in softball pitching duels for Primm Drug and Teague-Bailey. A lot of good softball was played by Dunk Warren, R. C. and Digger Morton and others. Then we didn't have any-

Events At Church For Week Listed

Since Rev. Ralph O'Dell and his family are on vacation, there will be no morning worship services at the First Presbyterian Church Sunday, July 15.
Monday, July 16: 12:30 p.m., Presbyterian Women's Organization executive committee meeting; 1:30 p.m. P.W.O. monthly luncheon, hostesses Mrs. Jay Barret and Mrs. Caroline Ellington, program, "Piloted by Youth", Mrs. A. M. Muldrow, program chairman.
Friday, July 20: 12 noon, Rotary club meets.

thing for a year or two and along came the Little League and baseball interest has really boomed. The future is bright.
Golfing wise there have been changes, but by and large Ray Warden had dominated the local scene over these years. The course has shown continuous improvement and again the future is bright.
Track has been a disappointment at Brownfield High and until proper facilities are available it will probably remain so. Football has seen its ups and downs. There were thrilling moments and bitter ones. Hardest to take was the 20-13 loss at Littlefield in 1951 with a district championship at stake. Donnie Boyd, Jerry Anderson, the Swan brothers, Billy Thomson, Dean Murphy, Loman Jones, Roscoe Treddaway, Max Black and a bunch of other fine boys deserved to win that night. And then the crowning See KICKING OFF, Page 8

LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger & appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because as your own doctor will tell you, when you eat less, your weight less. Excess weight enlarges your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON's sold in this GUARANTEE. You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your drugist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by: Primm Drug Store—Brownfield Mail Orders Filled

Tigers Lead in Loop As End Approaches

With only five games remaining on the Junior League schedule Buchanan's Tigers took a firm grip on the championship with their fourth straight victory Saturday night, 4-1 over the Pirates. The win brought the Tiger record to 8-3 up to the Wednesday game. The Sundown Pump Supply Dodgers and First National Bank Cardinals are tied in second with 5-6 records while the Rotary Pirates trail at 4-7.
Wednesday night the Dodgers and Pirates, Tigers and Cardinals played. Saturday evening the Tigers meet the Pirates and the Dodgers catch the Cardinals.
Although not in the lead in games won, the hard-hitting Dodgers maintained their team batting average lead with .290. They have 74 hits in 255 times at bat. The Cardinals are second with .265. The Tigers have a 240 average and the Pirates are batting .230.
Half of the top ten hitting in the league are Dodgers, but Johnny Murphy of the Cardinals is the leader with 15 hits in 26 times to the plate for .577. Four Dodgers with T. H. Holland at .471, Robert Prewitt at .462, Doug Mason .444 and Don Skiles .412 follow in that order.
The rest of the big ten are Jim Howell of the Pirates, .389; Butch Russell, Dodgers .389; Doug Cappelco, Tigers .381; Riley Davis, Tigers .360 and Charlie Crites, Pirates .333.

SUMMER SESSION BHS NEWS

By DONNA CHRISTOPHER

The month of July came with a traditional "bang" and here we are with about a month and a half of vacation left. Wow!
Kay Kissinger worked last week with the state champion twirler in Sonorro, New excito. Saturday, she competed in a twirling contest at Albuquerque, N. M., and one at Sonorro, Sunday. She arrived home Monday.
Down Romance Lane: Patti Wilder—George Fuguit, Bettie Ann Davis—Lee Allen Jones, Linda Crowe—Phil Addison, Sherry Don Spear—Vernon Brewer, Jeanie Criswell—E. V. Murphy, Ann Lee—Ellis Cox, Mary Jane Brownfield—Bob Upton, Gloria Angus—Donnie Boyd.
The Facts Ma'am: Two local beauties, Nancy Sue King and Ann Shropshire, are candidates in the "Miss Lubbock" contest. Five girls left early Sunday morning for San Antonio, and Supreme Assembly, Order of the Rainbow for Girls. The Mother Advisor of the local assembly, Mrs. Ione Turner, followed Monday with another girl, making a total of six girls

including Jeanie Criswell, Donna Sue Nelson, Mary Ann Holmes, Donna Jane Newsom, Gail Cottrell, and "ye olde editor" went too. The Assembly will last through Wednesday.
There was a surprise birthday party for Patti Wilder at 7:30 p.m., Tuesday, July 10. It was held at the Party House, and guests danced and played games. Refreshments of cake and punch were served.
Mrs. Webb, Spanish, English, and speech teacher at B. H. S., has a summer visitor in the person of her sister, Linda Crowe.
A small gathering danced to records Saturday night at the Party House.
Rhonda Askew is visiting here from Eldia, N. M.
Some of you have asked for a run-down on summer jobs, so we've listed a few of our more industrious young citizens and where they are employed. Jerre Sue Estes is working at Plains Liquefied Gas; Jimmy Walker is doing a fine job disc-jockeying for station KTFY; Wanda Cornelius is secretary to Mr. Douglas in good ole B. H. S.; Danny Powers cashiers at the Village Grill; Larry Meeks and Frances Grene are associated with the new swimming pool; Betty Hargrove is employed by Bayless Jewelry; Kenneth Murphy peddles clothes at Field's; Cecil Blankenship works for Klein's, and to keep it in the family—Chuck Kersh works at Kersh Implement, Bud Portwood at Portwood Motor Co., Mary Joe Christian at her pop's Western Grain Store, and Mike Hamilton at Hamilton's Tire Store. These are but a few of our working "young-ups", and we'll try to include some more in the coming weeks.

Challis Personal

The Women's Missionary Union met at the church Monday for a Bible study. The president, Mrs. M. L. Pate, led the business meeting. Mrs. John Garner led the Bible study. There were 11 members present.
A large crowd attended prayer meeting Wednesday night after services, the fourth was celebrated by enjoying cake and ice cream. There were approximately 35 present.
Dinner guests in the home of Mr. and Mrs. Judson Henderson at Gomez Wednesday were Mr. and Mrs. W. J. Henderson, Mr. and Mrs. Bill Henderson, Rodney, Jeffrey and Jamie, and Mr. and Mrs. M. L. Pate and boys, Sonny, and Bryce.
Charles and Ann Cole from Tulsa, Okla., are visiting their grandparents, Mr. and Mrs. L. P. Price this week.
Rev. and Mrs. Gary Martin and boys, Chris and Terry Don, were dinner guests in the W. J. Henderson home Sunday.
Mr. and Mrs. T. C. Pettigrew had as their guests Sunday her mother, Mrs. Verner Patterson, from Slaton. Also a cousin and her husband from San Angelo.
Mrs. Floyd Joplin was hostess Tuesday to the Meadow-Challis Home Demonstration Club members.
Mrs. Sam Gossett, club president, led the business meeting.
Roll call was answered with an idea on keeping cool. The program on 4-H awards was given by Mrs. Gossett, program chairman.

50-Year-Old Husband Needs More Vitamin C Than Does Wife

If you are a man over 50, chances are you need more foods rich in Vitamin C than does your wife. Extension foods and nutrition specialists say probably both of you need more protein and iron and less fat than most people get in their daily diet.

These are some of the conclusions indicated by a recent University of California study of nutrition.

Men in the study had less Vitamin C in their blood than the women, even though they ate more heartily of foods generally and thus had a higher Vitamin C intake.

Lack of Vitamin C in the diet often is the cause of tender, bleeding gums and subsequent loss of teeth. Such troubles were found among a number of the older people in this study whose blood tested low in Vitamin C.

Values of cholesterol, the fatty chemical found in excess in the middle and inner layers of artery walls in persons afflicted with the artery disease, arteriosclerosis, were low in men who were 20 per

cent or more overweight. They were high in those who were 20 per cent or more overweight.

There is no clear-cut relationship of this kind for women. Apparently, women can endure more cholesterol in their blood without harm than men.

Findings in the study showed that the red color in the blood, or hemoglobin, varied directly

with the amount of iron and protein food. The more you eat, the more you have.

A practical application of these findings for senior citizens would be to eat plenty of fruits, cottage cheese, vegetables, skimmilk, lean meats and lean fish. Some foods important for Vitamin C are oranges, grapefruit, strawberries, tomatoes, salad, greens, broccoli and raw cabbage.

Many New Books Received For Young Readers at Maids & Matrons Library

Many new books have been received for young readers at the county library, operated by the Maids and Matrons Study Club, with Miss Olga Fitzgerald, librarian, it has been announced.

Among the thirty two books donated to the library at the Silver Tea held last month by the club and at which Mrs. E. N. Jones of Lubbock reviewed Dr. Curry Holden's book, "The Hill of the Rooster", were:

Christmas Stories, Child's Bible Reader, From Feet to Fathoms, Sylvia Sanders and The Tangled Web, Young Builders, The Mercer Boys with the Coast Guard, the Mercer Boys at Woodcrest, Faraway Fields, Jean Craig FIELDS Romance, Red Randall at Pearl Harbor, The Lone Ranger and the Silver Bullet, Young Buglers, Captain of the Eleven, The Red Pony, Silver Chief, Dog of the North, The Sea Dog, Robinson Crusoe.

Tarzan the Untamed, The Pony Rider Boys in Alaska, Treasure Island (Two copies), Gidappy, Counting Rhymes, Little Red Riding Hood, The King's Cavalier, The Sinister Sign Post (two copies) The Hidden Staircase, The Mystery at Lilac Inn, The Phantom Freighter, and two books for a dull reading, Wuthering Heights and Nothing So Strange.

Of the \$121.55 received at the tea from sale of books and cash donations, the following books were purchased:

Desert Animals, Flip, Flopped Hound, Mountain Boy, Alexander's Birthday, Augustus Drives a Jeep, Cowboy Tommy, Down Down the Mountain, High Courage, Kathy's Quilt, Little Eagle, Swift Thunder of the Prairie, Tiger and the Rabbit, Zeke the Raccoon, Le Lun, Lad of Courage, First Book of Prehistoric Animals, First Book of Birds, First Book of Stones, Golden Treasure, Young Reader's Baseball Stories, Young Reader's Dog Stories, Young Reader's Horse Stories, Young Reader's Indian Stories, Young Reader's Pioneer Stories, Horton Hatches the Egg, If I Ran The Zoo.

Big Bright Land, Enchanted Caravan, Francie, Linda's Homecoming, Remember the Valley, She's My Girl, Shoeing Theatre, Spring Comes Riding, Take A Call Topsy, Nancy Drew and: Sign of the Twisted Candles, Mystery of the Ivory Charm, Clue in the Crumbling Wall, and Secret of the Wooden Lady, the Borrowers, Wind in the Willows, Mr. Popper's Penguins, Cochise of Arizona, Den for Tony, Fast Sooner Hound, Wish For Ludie, House at Noddy Cove, They Were Strong and Good, Copper-toed Boots, Beech Tree, Rabbit Hill, Elevator to the Moon, Homer Price, The Melendy Family.

Misty of Chinoteague, Freddy and the Men from Mars, First Book of Magic, First Book of Electricity, First Book of Ballet, First Book of Snakes, Hari, Jungle Lad, Wonderful Adventures of Nils, Miss Jelly-

Brownfield Cadet Is ROTC Commander

FORT HOOD, TEXAS, July 11—Richard L. Ridgway, son of Mr. and Mrs. Richard W. Ridgway, Route 1, P.O. Box 805, Brownfield, Texas, was selected to serve as Cadet Company Commander June 28, to lead his Reserve Officer Training Corps unit for the day.

Student company commanders are selected by cadet officers to lead fellow students on the basis of academic standing, initiative, teamwork, leadership and voice and command ability.

The cadet staff positions are

tot's Visit, The Expandable Browns, Wonder World of Long Ago, Slim Green, Blue Canyon Horse, Mystery in the Old Red Barn, Mystery in the Lost Letter, Mystery of the Winding Stair, Mystery of the Secret Drawer, Mrs. Piggie Wiggle, Betsy and the Circus, Henry Huggins, Strawberry Girl, Bright of the Grand Canyon.

Willow Whistle, What's Inside of Me, What's Inside the Earth, Come to the Pet Shop, Come to the Zoo, Come Chucky, Come, George Carver, Boy Scientist, Abe Lincoln Frontier Boy, Abigail Adams Girl of Colonial Day, Ben Franklin Printers Boy, Louisa Alcott, Girl of Old Boston, Franklin Roosevelt, Boy of Four Freedoms, Frispey Summer, Mei Li, Adopted Jane, Mr. Bumps and His Monkey, Farmers Boy, Little House on Prairie, Little Town on Prairie, The Long Winter, Thedwick the Big Headed Moose, Pepper and Salt, 900 Buckets of Paint.

All young people in Terry County are urged to visit the library and take advantage of these and other books provided for their reading.

MUSIC CAMP GRADUATES—The quartet pictured above returned recently from Portales, N. M., where they attended the annual Sunshine Music Camp at East New Mexico University. From left, they are Kay Kiessinger, daughter of Mr. and Mrs. E. A. Kiessinger; Patsy Hulse, daughter of Mr. and Mrs. Dan Hulse of Gomez community, who was elected queen of the camp, complete with maids-in-waiting; Le Nora Turner, daughter of Mr. and Mrs. J. B. Huckabee, and Patti Thomas, daughter of Mr. and Mrs. J. R. Thomas. Patti and Le Nora are attending the current band school at Texas Tech. In August, Patsy and Kay will try for twirling (baton) positions with next year's Brownfield High School pep squad. Le Nora will be drum major and Patti will audition for "first horn" in the school band. (Staff Photo)

Five Brownfield Students Attend WTS

CANYON, July 11, (Special) Five persons from Brownfield are attending the first summer term at West Texas State College, which closes June 14, and opens again for the second six-week term on July 17.

About half of the 1100 students enrolled at WT are graduates working toward the master degree, but several are freshmen beginning college work for the first time. The summer session ends Aug. 22 with commencement.

Brownfield students are Hazel Louise Bralley, Juanita Ruthel Holder, Ruby Rebekah

rotated daily to afford each student an opportunity to distinguish himself by practical demonstration of his leadership qualities.

Cadet Ridgway is a student at Texas Technological College, Lubbock where he is majoring in Agronomy. He graduated from Brownfield High School in 1953.

His practical studies in Military Science will be completed here the first week in August when he will return to Texas Technological College to complete his work there prior to being called to active duty with the Army as a second Lieutenant.

Three From Terry Attending Wayland

Plainview, July 12 (Spl.)—Three Terry County students, Cletus Ray Caswell and Mr. and Mrs. Samuel Hernandez, are enrolled in Wayland College's first nine weeks summer school.

Caswell, son of Mr. and Mrs. C. D. Caswell, Route 1, Meadow, is a junior ministerial student at Wayland. He is an active member of the college's Ministerial Alliance and is seeking the B. A. degree with a major in Bible and minor in speech.

Mr. and Mrs. Hernandez, who make their home in Brownfield, are both seeking the B. A. degree at Wayland. Mr. Hernandez is a sophomore ministerial student at Wayland majoring in Spanish and minoring in education. Mrs. Hernandez is a junior majoring in education and minoring in Spanish.

In the change over to the nine weeks summer term, Wayland has also scheduled its first summer commencement for Aug. 5. Miss Eula Mae Henderson, executive secretary of the Women's Missionary Union of the Baptist General Convention of Texas, will address the August graduates.

Baxter Wins Fourth Invitation Tourney

PAGE EIGHT Brownfield News-Herald, Thursday, July 12, 1956

PRIZE WINNERS—Thirteen of the 16 prize winners in the Brownfield Invitational Golf tournament Sunday are shown above. Rex Baxter, winner with a 263 in kneeling at the left. Continuing from the left is shown John Paul Cain, third in the Championship flight and Frank Freer of Odessa, second. Arlyn Scott was medalist. Hal Taylor won the President's flight and Ted Hardy won the second flight. Back row, Harold Crites, first flight runner-up; Lee Brownfield, second flight runner-up; Sawyer Graham, second flight consolation; J. O. Burnett, President flight second; Jack Trammel, first flight winner; Paul Woods, President flight third and Jim Stanley, Matador, third flight consolation.

Rex Baxter spread-eagled the field with a fantastic 25-under par 72 hole total to win the fourth Brownfield Invitational Golf tournament Sunday. But the sturdy Amarilloan shared the spotlight during those final two rounds with seventeen-year-old Don O'Neal of Brownfield who closed with subpar rounds to win fourth: the class field.

Baxter, finalist in the recent NCAA tournament as a University of Houston entry, equalled the course record of 65 in his first effort Saturday morning. He came back after lunch to smash the record with a 64, that believe it or not could have been a few strokes better if putts had dropped. Sunday he finished with a 68-66 for 263.

Frank Freer of Lamesa remarked as he accepted the second place prize "I played as good as I know how and finished nine strokes under par. But I was still 16 strokes out of first."

John Paul Cain of Sweetwater and Texas Tech finished two strokes ahead of O'Neal at 284. Danny Powers, only other Brownfield entry to complete play in the championship flight was 10th with 299.

Play was switched from match to medal Thursday night when Tournament Committee chairman Prentice Walker and committee decided to hold qualifying opening an additional day due to confusion concerning dates that seemingly had cut the field to only 50 golfers. Twenty-two more qualified Friday to bring the total to 72.

Arlyn Scott of Odessa shot his best round of the tournament in qualifying to win medalist honors with a 68. Baxter qualified even par with a 72.

Hal Taylor of Lubbock beat J. O. Burnett on the second extra hole in the President's flight for first. Paul Woods was third with 308, four strokes back of the leaders.

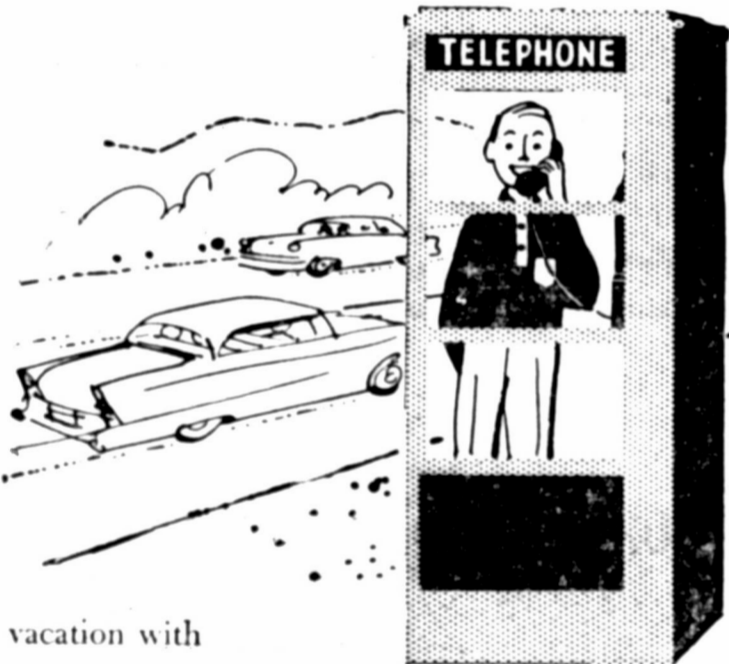

Jack Trammel of Lubbock won the first flight finals from Harold Crites and Jack Sharp of Lubbock took the consolation prize from Jerry Kirschner.

In the second flight Ted Hardy beat Lee Brownfield in extra holes for the championship and Sawyer Graham carried home the consolation prize.

Bobby Joe Walker of San Angelo beat Sherwood Gill for the third flight first prize and Jim Stanley of Matador won consolation.

Kicking Off—

(Continued From Page 6)

blow was that Littlefield won the three-way toss to represent the district in the play-offs.

Bright days are ahead however with Doug Cox at the helm of a fine coaching staff. Two seasons from now the Cubs will probably be in a new stadium and the change will be remarkable.

Basketballwise Farris Nowell has improved year by year although the natural talent has varied. There's no reason to think he won't continue to improve the calibre of play, and off hand we expect interest to pick up in basketball considerably in years to come.

Hal Roach will be handing sports for the NEWS starting next week and as you saw during the couple of weeks I was at camp, he will do a thorough job. To those who have cooperated so well these last few years we say thanks and urge you to continue to do so with Hal. There's nothing to say to those who let the news slip their minds. They want publicity, but they won't do their part. Here's hoping the few of that kind there are will jump up and start doing a good job, also.

So we say, good luck to the Cubs and all you sports.

R. L. BOWERS, JR.

State

Representative

Saturday
July 28

When you go to the polls on July 28, consider sending a young man to Austin to represent you here in the 98th district. A man who believes in West Texas for West Texans... a man who is for all the people all the time: Robert L. Bowers, Jr. Your support will be sincerely appreciated.

This ad sponsored and paid for by friends of Robert L. Bowers, Jr., who are interested in sending a young man to Austin as their representative from the 98th district.

GREATEST SALE EVER

repeated by insistent demand

Sealy

"ENCHANTED NIGHTS" MATTRESS
BUTTON-FREE TOP... No Buttons, No Bumps, No Lumps!

Yes, you asked for it! When Sealy ran this record-breaking sale last year, our factories couldn't keep up with the demand! Once again—for a limited time only—you can save a whopping \$19.55 on the famous "Enchanted Nights" Mattress. And you do more than save! You get superb Sealy sleeping with all these famous quality features:

- Extra high coil count!
- Pre-built borders for years of longer wear!
- Smart decorator design ticking!
- Top quality innerspring unit for the healthful firmness pioneered by Sealy!
- Same fine quality matching box spring—JUST \$39.95!

Verified By The AMERICAN STANDARDS TESTING BUREAU to give service and wear beyond its TEN YEAR WRITTEN GUARANTEE
