News

Views

We received a notice this week that Mr. Claude Hearne of Seagraves is a delegate to the 1956 Democratic Convention to be held in Chicago August 13 to 18.

Got, a late report from a little fishing trip, and understand that John Kendrick's young son, Kenny, is a little the best fisherman. If you folks want the full details, drop by the First National Bank.

If any of you baseball fans have not been attending the Little League games during this past week, don't miss the opportunity to see the finals between the All-Star teams of the various groups around Brownfield. If you do not attend regularly, you will be surprised at how well these 11 and 12 year old boys play the game. Finals will be Friday night.

For those of you who have not visited the new Plaza Motel and Restaurant, we urge that you go down Friday during their grand opening. You can get a free cup of coffee and a doughnut, and have the pleasure of visiting one of the finest motel and restaurants in West Texas.

In fact, since the opening of the beautiful and new Melody Restaurant, Brownfield can be proud of having enough excellent eating places and sleeping accommodations to handle some small conventions. You can show your appreciation by patronizing these fine people. . . . Brownfield is the kind of town you and I help to build.

Five area men reported Tuesday to Brownfield's Selective Service Board 116 for induction into the Armed Forces. They were Donald Ray Johnson of Levelland, Andrew Jordan Wyatt Jr., of Brownfield, Joe Frank Longley of Meadow, Lee Virgil Bartlett Jr., of Meadow, and J. L. Dalrymple of Whitharral.

We doff our hats to members of the Brownfield Police Department and to personnel of Brownfield Funeral Home, who played a speedy but major role in the success of the July 19 Mothers Game. At the end of their "acts," many spectators were not aware that all was in fun.

July 27 only! The rock 'n' roll craze hits the Rialto Theatre. Here's your chance, amateur rockers, to display those rollin's talent. All tyros in this immediate area may register and take part, says Mgr. Sammy Jones.

Players, managers, coaches, sponsors and the public—these groups apparently see a major role for Little League baseball in Brownfield, spurred, no doubt, by the whopping success of the season just ending. It was a feather in Brownfield's civic hat when the "czars" chose this place for district tournament. The future should hold no limits.

BHS Gym Will Be Site of Queen Judging

The Terry County Farm Bureau Queen for 1956 will be named at 8 p.m., Aug. 23, in Brownfield High School gymnasium, General Chairman Mrs. Odus Walser said this morning. The tally of girls entered in the annual event remained unchanged at four this week. They are Donna Sue Christopher, Barbara Gay Russell, Sabra Welcher and Shirley Hall. Prizes worth \$25, \$15 and \$10 will go to the three top girls, Mrs. Walser said. She urged this morning that "othe. girls plan to enter this worthwhile contest." Deadline is Aug. 15.

MISS LITTLE LEAGUE OF 1956 — Pictured above is Mayor Arlie Lowmore placing the crown on Miss Little League of 1956. She is Nancy Benson, 9-year-old daughter of Mr. and Mrs. John Benson of 909 East Hill. Kneeling is Taylor Holland, Little League president. Players look on. The queen's reward: a 5-day stay at Crazy Water Hotel in Mineral Wells.

AT SOUTH PLAINS HEALTH UNIT

Immunization Clinics Are Slated

Immunization clinics, to be held on the second and fourth Wednesday of each month, will be initiated Aug. 8 at South Plains Health Unit, Dr. E. M. Johnson, director, said this morning. Time of the clinics will be from 1 until 4:30 p.m. Purpose: To administer diphtheria, whooping cough and small pox shots to those persons who do not wish to consult their own physician, explained the director.

In addition, unit personnel will give polio vaccine shots to persons under 20 years of age and to pregnant women. These two categories are covered in the federal law pertaining to the vaccine.

"The government allocates the Salk polio vaccine on this basis: 85 per cent to private physicians and 15 per cent to health departments—and our unit here is considered a health department," said Dr. Johnson.

In a July 3 letter to Dr. Johnson, the National Foundation for Infantile Paralysis wrote: "Polio vaccine supply in the United States as a whole now exceeds current demand. You should now—or very soon—be able to get all the vaccine you need through whatever distribution system is established in your state."

The letter continued: "Vaccine given in July and August will prevent paralytic cases and even deaths in August and September."

Said Dr. Johnson: "Eligible persons are urged to get their Salk polio inoculations at once."

Season Tickets To Cub Games Slated For Sale

Season tickets for Cub home games will go on sale Wednesday, School Superintendent O. R. Douglas said this morning. The tickets will be available through Aug. 10 in the courthouse offices of Raymond Simms, school tax collector-assessor.

The tickets will sell for \$7.50, explained Douglas, and will reserve a seat for the holder at all six of the home games this season.

Starting Aug. 11, the Brownfield Quarterback Club will take the tickets which are not sold during the first days of the sale and will canvass the city in a general ticket drive.

Buford Burnetts Here On An Extended Visit

Mr. and Mrs. Buford Burnett of Farmington, N.M., are spending the next several weeks in the home here of his parents, Commissioner and Mrs. Bob Burnett.

Both still are convalescing from a May 9 auto mishap Mrs. Burnett needs the use of crutches, and her husband is still in a weakened condition. He was in an Abilene Hospital more than two months, unconscious most of that time.

Posse Slates Dates Of Upcoming Rodeo

August 30, 31, and September 1 are the dates set by the Terry County Sheriff's Posse for a world championship rodeo to be held in Brownfield.

Bill Price, chairman, announced that a huge parade at 5 p.m., August 30, will kick off the event. Local businesses are urged to enter floats.

Admission will be \$1 for adults and 50 cents for children. Posse members stressed that they wish to give people in this area a fine rodeo at low prices.

Word was received this week that the Rodeo Cowboys Association has contracted to participate and approved the local rodeo, according to posse members.

Stock for the rodeo will be furnished by Duke Gibbs of Belton, and many famous acts such as trick riders and ropers, have been contracted for the three-day event. Quite a few famous cowboys plan to participate.

HEY CHAMPIONS! — The ornate cups shown above will be presented Friday night to the district tournament champions and runner-up team. Hal Roche, left, holds the cup which he will give to the champions. Hal is tournament director. R. H. Cassefevens, Little League secretary, holds the prize for the runners-up. (Staff Photo)

Brownfield Families Will Play Host To Student-Travelers

Old World manners and West Texas hospitality will be on display here next week when 17 students, 16 Europeans and 1 Algerian, become house guests of nine Brownfield families.

The travelers are spending part of the summer in the United States at the expense of the Association for World Travel Exchange, an organization which works through, but is not affiliated with, Rotary International.

Here is the schedule of events for the visitors, as released by the Rev. Ralph O'Dell, chairman of the International Service committee of Brownfield Rotary Club:

The students will arrive here Tuesday by car from El Reno, Okla. They will go immediately to their assigned homes, where they will live until Wednesday noon, at which time they will furnish the program for a joint meeting of Brownfield Rotarians and Lions in First Methodist Church.

Beginning at 1 p.m., Wednesday, the guests will be conducted on an extensive tour of Brownfield and area, concluding with a party at Terry County swimming pool. They'll spend Wednesday night with their hosts and depart 10 a.m., Thursday, for Santa Fe, N. M.

The exchange tour, one of 19 scheduled this summer, will take the students to 25 cities.

The following Brownfield families will host the visitors: Mr. and Mrs. John Kendrick of 1306 East Broadway, Guy Debbaudt, 20, Brussels, Belgium, and Jean-Marie Ledoux 16, Namur, Belgium; Mr. and Mrs. Roy Priest of 1005 East Lake — Solange de Loos-Corswarem, 32, Brussels, and Marie-Therese Haag, 24, Les Sapins, France;

Mr. and Mrs. Newell Reed of 702 East Lons—Jacqueline Dumont-Perrot, 37, Levallois, France, and Monique Parser, 23, Ath, Belgium; Mr. and Mrs. Earl Jones of 1315 East Tate — Andree Liegeois, 25, Brussels, and Astrid Mantnieks, 18, Brussels;

Mr. and Mrs. Russell Winton of 1016 East Lake—Karl Middelvaue, 23, Siegen, German, and Jean Louis Ede, 24, Paris, France; Mr. and Mrs. Phil Gaisch of 1212 East Lons—Nicole Rampont, 21, Brussels, and Jacqueline Laverne, 22, Algiers, Algeria;

Mr. and Mrs. Tommy Hicks of 112 Tate—Odette Challou, 33, Rouen, France; Mr. and Mrs. Dip Pemberton of 1104 East Buckley — Nicole Moens, 23, Brussels, and Colette Parser, 21, Ath, Belgium, and Mr. and Mrs. Byron Rucker of 1010 East Buckley—Nicole Versteegen, 22, Brussels, and F. Frassin, 32, Bordeaux, France.

Leaders of the tour are Mr. and Mrs. Robert L. Epps of New Haven, Conn. He is 24 and she is 22, and they'll be staying with Mr. and Mrs. A. W. Turner of 714 East Tate.

Brownfield Boys in Dallas for Awards

Two Brownfield boys are in Dallas to receive the highest honor which can be given on a statewide basis to Future Farmers of America, the Lone Star Farmer Degree.

The two youths, William Smyrl and Avon Floyd, will accept their degrees Friday in Dallas' Statler-Hilton Hotel, site of the annual FFA state convention. Smyrl is the son of Mr. and Mrs. Garvin Smyrl of Route 4, and Floyd, the son of Mr. and Mrs. Bern Floyd of Route 2.

They are accompanied by Walter Meyer, vocational agricultural teacher in Brownfield High School and adviser of the Brownfield Chapter, FFA. Smyrl recently won the

Careful! Wording Is Tricky . . .

The Brownfield News offers this word of caution concerning the three referendums which you will find at the bottom of Saturday's election ballot:

If you are for mixed schools, mixed marriages and the use of interposition to halt illegal federal encroachment, you must vote AGAINST.

Likewise, if you are against mixed marriages, mixed schools and the use of interposition to halt illegal federal encroachment, you must vote FOR.

Let this old saw be your guide: "Read the fine print."

We invite you to study the sample ballot on Page 1, Section 3. It is exactly like the one which you will use when you cast YOUR vote Saturday.

An Editorial

Will you bear with us if we reveal ourselves to be a bit naive and unsophisticated in the next paragraph?

Saturday is election day in Brownfield, and we are going to the polls with chin up, chest out and stomach in, feeling every bit an American.

Trite? Unsophisticated? We think not. To us, those are ugly words which aptly describe the feeling of many Americans toward America, Americanism, love of country and loyalty to country.

We believe that too many GIs taken prisoner by the Reds in Korea thought it "unsophisticated" not to say, "That's the way the ball bounces," and swallow the Communist line, hook and sinker. Their attitude revealed a dark blotch on their frame of mind toward their country.

Technically, we're going to the polls to try to put OUR men in office. Actually, we'll cast our vote because we are compelled by that "something" which Americans have and for which millions of persons of this planet yearn, are fighting, have died and are dying.

We'll grant you the good old American privilege of pinning your own definition to that elusive "something." However, isn't it incorporated in Valley Forge, the Declaration of Independence, the U. S. Constitution, Pearl Harbor and . . . ?

Here is a thought: An artist's picture representing man's goal in his timeless struggle for our "something" need show nothing more than an American voting on election day.

And the day is Saturday. Going with us?

Lions Make Switch To New Party House

Brownfield Lions ate lunch Wednesday for the first time in their new quarters, the Party House.

For entertainment, they listened to a sextet of Brownfield singers comprising B. F. Hutson, Jim Williams, Dale Travis, Alvin Davis, Joe Collum and Roy Priest, accompanied at the piano by Leonard Ellington.

Out-of-town guests were Louis B. Reed of Lamesa, presiding judge of the 106th Judicial District, and A. J. Rinehart of Amarillo.

The Lions will meet next Wednesday with Brownfield Rotary Club, host to a group of foreign students, said President W. N. (Doc) Lewis. The Rev. James Tidwell said an invocation.

Quarter Horse Derby At Ruidoso Saturday

The second annual Quarter Horse Derby, with an estimated \$7,500 purse, will feature this weekend of racing at Ruidoso Downs Saturday afternoon.

New Mexico's Governor John Simms is slated to be on hand to witness the running of the Annual Governor's Handicap on Sunday afternoon.

Rebekahs Set Bake Sale

Members of Rebekah Lodge 56 will hold a bake sale Saturday on the courthouse lawn. They also will sell cold drinks and coffee, said Mrs. E. E. Preston, Noble Grand.

WILL GET AWARDS—The two Terry youths pictured above, both members of Brownfield Chapter, Future Farmers of America, are in Dallas, where they are attending the annual statewide FFA convention. On the left is Avon Floyd, son of Mr. and Mrs. Bern Floyd of Route 2. With him is William Smyrl, son of Mr. and Mrs. Garvin Smyrl of Route 4. Both are to receive the Lone Star Farmer Degree on Friday. (Staff Photo)

true to the AN

ctors

It's a joy to put thoughts on paper especially when an event like the District Little League tournament comes along and it is evident by expression and enthusiasm that all teams playing here were so wholeheartedly supported by the many fans who came to Brownfield from the towns represented.

The regrettable fact in any event of this sort is that there can be only one winner. However, all of the boys who appeared in

LAMESA LITTLE LEAGUE ALL-STARS — The Lamesa Little League All-Stars, pictured above with their coaches, gained a birth in semi-final play in the district tourney here by defeating Loveland (National), 13 to 2. (Staff Photo)

the tournament here are champions in their own right. The visiting towns can be rightfully proud of their ambassadors from the world of sports for the excellent conduct and deportment displayed by all concerned, including the fans, during the first round of play.

This corner feels sure the same attitudes will be in evidence throughout the remainder of the tournament... while on the subject of baseball it should be noted that Johnny Murphy of the Cardinals, in the Junior League, stepped up to the American Legion team last Tuesday night and starred as the local Legion lads downed Amherst, 14 to 8.

Murphy was on base four times in as many trips to the plate, picking up two hits, a walk, and an Amherst error. The lad was facing much faster pitching in this competition... Had a very nice chat with Cub football coach Doug Cox the other AM and naturally the talk centered around Leon Wil-

lis, first string guard. Willis hurt his knee playing baseball and a report from Dr. Cross in Lubbock indicates an operation. Willis will be hospitalized for five days and after that will have to use crutches for a couple of weeks or more.

Doug is a bit pessimistic about Leon for the upcoming season but operations of this nature have become quite commonplace over the past few years and the lad should come around in good fashion. Some cartilage will have to be removed from the knee.

Unless complications arise, Willis should be in action by the third game of the season, or sooner... Robert Patrick got back to town this week from a nice vacation in Arkansas... a vacation that was somewhat hampered since Bob was on crutches.

He broke his leg in spring football practice. Doug indicates that Patrick won't see action this season... How about a record membership in the Quarterback club this fall? Oh! that Mothers Game last week — What a show!... Many thanks gals... Some food for thought would be a commission in Brownfield, next summer, under which all baseball programs would operate.

This would eliminate the confusion which usually arises when there are three or four leagues playing under different rules and regulations and would centralize the activity of the competent administrators who deserve a pat on the back for a job well done this season.

Understand the managers of the Junior League will meet Saturday AM to select an all-star team from that league to play other towns throughout the area... A little lad with a lotta zip is one of our little leaguers. He's about two sizes larger than four bits but has a million dollars worth of courage as witnessed by this... Seems as how he was riding home after a ball game one night with his coach when the coach jokingly pointed to a good sized boy and said, "there's a mean fellow." The small lad's immediate retort was, "Stop this car and I'll get out and take some of the meanness out of him."

BE SURE TO VOTE SATURDAY, JULY 28

Prentice Field Site Of One Completion

One completion and one new location, both in the Prentice Field, highlighted Terry county oil activity this past week.

The completion: Honolulu Oil Corporation's No. 2-B Alexander, 1,980 feet from south and 660 feet from east lines of Sec. 17, Block K, PSL Survey, was plugged back from 8,432 feet to 5,914, with the pay topped at 5,856 feet and perforations at 5,856-5,882 feet. Operated or pumped 141 barrels of oil per day. Gravity was 39.1, and gas-oil ratio was 321-1, acidized with 4,000 gallons and fractured with 6,000.

The location: Joseph I. O'Neil Jr. No. 3-G Covington-West, 1,556 from north and 2,200 feet from west lines of Sec. 23, Block D-14, C&MRR Survey, 320 acres lease, 9 miles north of Tokio, rotary to 6,100 feet.

SUMMER SESSION BHS NEWS

By DONNA CHRISTOPHER

Where'd it go? July, that is. Fall fashions already are appearing in the stores, and in a little over a month it will be back to the old grind. Gosh! Third installment on the summer job series: Gene Mason

From where I sit... by Joe Marsh

Confused "Sit"-uation

Been meaning all week to tell you about Curley Lawson's "baby-sitting" experience.

His Mrs. left him in charge, about seven p.m., with instructions not to let the children come downstairs. So Curley read his paper and whenever he heard footsteps on the staircase he ordered the culprit back to bed. Happened three or four times.

Little while later, Mrs. Miller from next door came over to inquire if Curley had seen her Sonny. "Here I am, Mom" came a voice from upstairs, "But Mr. Lawson won't let me go home."

From where I sit, jumping to conclusions like Curley did, doesn't always make for an amusing story. I'm reminded of the people who—without due consideration—have concluded that I'm wrong to like an occasional glass of beer. Well, to my way of thinking, that's not only intolerant... but, what's more, "minding" the other fellow's business is not the American way.

Joe Marsh

Copyright, 1956, United States Brewers Foundation

life guards at the Country Club pool. Martha Chisholm, Bob Upton, Lynn Cary, Dennis McCutcheon, and Mary Ann Holmes work at the Brownfield State Bank & Trust Co. Charles Inscore is a gas jockey at Crites Humble Service Station.

Clara Cabrera Delio is employed by Fenton's Shoe Store. Walter Brinson helps out at Merritt Grocery. Grace Grissom, Jo Anna Cook, Sue Dell Jones, Jennie Wade, and Ruedell Bradley work at the Zesto stand. Linda Harrell is working at the Retail Merchants Association.

Brenda Weathers is spending the summer counseling at a Camp Fire Girls camp at Cedar Hill, near Dallas. She will be a sophomore in Baylor University next fall.

Couples Around Town: La Nell McAnally-Tommy Street, Shelby Thompson-Earle Davis, Ann McBurnett-Johnny O'Neal, Mary Jane Brownfield-Bob Upton, Sally Rutledge-Delbert Bradley, Jo Ann Fulton-Dennis McCutcheon, Mary Ann Holmes-Sam Roan, Jerre Sue Estes-Ernest Hyman, Gloria Angus-Donnie Boyd, Gail Cottrell-Jack Lucas, Theresa Stephens-Bobby E. Moore, Pasty Fulton-Paul Brock, Bobbie Nell Richardson-Ronnie Swan, Kay Kissinger-Jimmy Walker, Jessie McClellan-Jerry Lemmons, Brenda Fenton-Wesley Britton, Lynn Cary-Bill Brighton, Diana Adams-Jerry Don Huckabee, Jeanie Criswell-E. V. Murphy, Sherry Don Spears-Kenneth Murphy, Le Nora Turner-Jeff Chesshir, Judith Glenn-Sammy Key, Beverly Isaacs-Ray Gober.

Add Items: Faye Grissom

and Dale Johnson are engaged. Jessie McClellan and Mary Kate Ramsour recently attended the 40th annual Northwest Texas Conference Methodist Youth Assembly, held on the McMurry College campus.

Barbara Knox returned last Sunday from a week's stay at her aunt's ranch in Midland. While there she says she rode horseback, ate fried chicken, chased jackrabbits and dated her best beau, Richard Baggett, who works in Odessa.

Shirley Wilkinson and Doris Ratliff hosted a dance at the party house Tuesday night.

Dianna Adams is visiting in Levelland this week. She left Monday and should return this week-end.

After the western dance at the party house last Thursday, Le Nora Turner had a slumber party for about ten girls. Gene Mason entertained some of the boys the same night.

Eleanor Miller, bride-elect of 1st Lieut. Donald E. Mayfarth, was honored at a miscellaneous tea shower, Thursday morning, July 26.

Jerre Sue Estes and Ernest Hyman are going steady again!

Farm And Home Appliance

From where I sit... by Joe Marsh
Confused "Sit"-uation
Been meaning all week to tell you about Curley Lawson's "baby-sitting" experience.
His Mrs. left him in charge, about seven p.m., with instructions not to let the children come downstairs. So Curley read his paper and whenever he heard footsteps on the staircase he ordered the culprit back to bed. Happened three or four times.
Little while later, Mrs. Miller from next door came over to inquire if Curley had seen her Sonny. "Here I am, Mom" came a voice from upstairs, "But Mr. Lawson won't let me go home."
From where I sit, jumping to conclusions like Curley did, doesn't always make for an amusing story. I'm reminded of the people who—without due consideration—have concluded that I'm wrong to like an occasional glass of beer. Well, to my way of thinking, that's not only intolerant... but, what's more, "minding" the other fellow's business is not the American way.
Joe Marsh

600,000 4-H'ers Hunt Hazards

SAFETY is an important crop that's being harvested on the farms and in the homes of 600,000 4-H Club members taking part in the 1956 National 4-H Safety Program.
Through 4-H projects and activities, club members in all 48 states are correcting hazards which are responsible for an annual toll of 14,000 lives and 1,200,000 serious injuries among farm residents, and an economic loss estimated to be a billion-and-a-half dollars.
4-H'ers conduct surveys to locate hazards, and then correct unsafe conditions. They present demonstrations on a wide variety of topics pertaining to farm, home and highway safety, and members give talks over radio and television and before group meetings. In addition, club members build booths and displays for exhibiting at fairs and in store windows.
Realizing that motor vehicle accidents are responsible for

over 40 percent of all accidental deaths among farm people, 4-H'ers are increasing their participation in motor vehicle safety. In recognition of the outstanding safety work done by 4-H members, General Motors is again providing incentives in the 1956 National 4-H Safety Award Program. Included in the awards offered are four gold-filled medals for winners in each county; an all-expense trip to the National 4-H Club Congress in Chicago for the state winner; and \$200 college scholarship for the eight national winners. Certificates and plaques are also provided for clubs reporting outstanding safety programs on county and state levels.
The 4-H Safety Program is conducted by the Cooperative Extension Service, and the awards arranged by the National Committee on Boys and Girls Club Work. Complete information on the program is available from the Extension Service.

BROWNFIELD VS SEAGRAVES

Tourney Semifinals On Tap Here Tonight

The District 4 area tournament, being held here this week, goes into the semifinal round tonight with the Lamesa All-Stars meeting Andrews in the opener at 5:30, while the Brownfield All-Stars are pitted against the Seagraves All-Stars in the closer at 7:30. The action, as usual, will take place in Lion's Park.

Lamesa gained the semifinal round by dumping the National League All-Stars from Leveland Monday night, 13 to 2, while Andrews dropped Denver City, 16 to 4. The games were played before a huge crowd with all four towns adequately represented.

Brownfield defeated the American League All-Stars from Leveland, 6 to 0, Tuesday night to close out the first round of play. Seagraves drew a bye in the first round and will appear for the first time in tournament play tonight.

Henderson, Cruce Win At Cloudcroft Sunday

Brownfield's Gwen Henderson topped the first flight in women's play Sunday at Cloudcroft, N.M., by defeating Vera Gilmore one up.

Evelyn Cruce, also of Brownfield, took consolation honors by defeating Laurie Mae Hensing of Anthony, 4 and 3.

Medalist of the tourney was Ann Everidge, who held a large audience breathless as she defeated Mrs. Clayton Webster of San Angelo 7 and 5.

Lamesa's Gene Wesmolin pitched a two hitter against Leveland and Andrews's Tommy Comancho also racked up a two hitter against Denver City. Both boys starred at the plate for their respective teams with Wesmolin getting two for two while Comancho had four for four, one of those a home run in Lion's Park.

Lamesa 302 206 - 13-12-4
Leveland (Natl) 000 002 - 2-2-7
Denver City 020 020 - 4-2-9
Andrews 371 14x - 16-13-7

Hurlers Led By Woody Harbin

Brownfield's Woody Harbin, after tossing a one-hitter Tuesday night against Leveland's American League All-Stars, leads the pitching performances witnessed here in the first round of play in the District 4 area tournament of Little League Baseball.

Harbin had things his way from the very first inning with a blazing fast ball counting for 13 strikeouts over the route. In six innings of play only 20 batters faced Harbin as he walked one and allowed the single bingle.

Brownfield exploded in the bottom of the fifth for five big markets on six safeties and from that point on there was never a doubt in the minds of some 700 fans that Harbin would continue to control the game.

His burning fast ball was hitting the corners for called strikes and the middle pitches had the opposition whiffing throughout the game. The lone hit came in the top of the fourth when with one out second baseman David Schmedley of Leveland connected for a clean single.

Harbin had walked Gary Hill in the top of the second and

Publications Ready Concerning Cotton

Two recent Texas Agricultural Experiment Station publications, B-830, Cotton Production on the Texas High Plains and B-832, Smith-Doxey Classification, Fiber Testing and Problems of the Cotton Trade, are now available from the Agricultural Information Office, College Station, Texas.

The first named was prepared by the staff of the Lubbock substation headed by Superintendent D. L. Jones and Dr. H. C. Lane of the Department of Plant Physiology and Pathology, College Station.

Such items as seedbed preparation, planting, cultivation, irrigation, fertilization, insects, diseases, varieties, defoliation, harvesting and field storage of cotton are discussed. The authors point out a successful cotton program for the area is through lower cost of production. They say this can be accomplished only by a thorough understanding of the factors influencing cotton production so that a sound integrated production program can be evolved. Listed in the bulletin are the results of research aimed at developing such a program. Dr. R. L. Hunt, professor, Department of Agricultural Economics and Sociology, in the second bulletin reports the findings of a study made last year. He interviewed or sent a questionnaire to members of the Texas Cotton Association and 65 merchants answered the questions in sufficient detail to use their replies. These firms represent shippers, f. o. b. merchants, spot brokers and mill buyers and have an annual business of approximately 4,864,000 bales.

On Smith-Doxey, 53 said they bought some cotton on S-D classification and in 1954 about 38 percent of their total purchase were made on the basis of "green cards". Thirty-two said the service was satisfactory or at least partially so; 20 said it was not satisfactory and practically all made some crit-

icism of S-D classification. Some use of fiber testing was noted by 53 firms. Approximately half of the 4.8 million bales handled by the 65 firms was sold on the basis of Micronaire tests, but only 27 percent of fiber testing is still too new, points out Hunt, to give a definite set of discounts and premiums.

Mr. and Mrs. Bruce Zorns, Mrs. Murphy May, and Mrs. Ben Monnet are in Ruidoso, N.M. this week.

Foot-saving Education

My son's shoes smell to high heaven. Is it a common problem? Can it be corrected?
By Barney Doss

It is rather common. If you remember, before schools were air-conditioned teachers always spotted their desks between the door and the window and they left the window open until the pupils turned blue. That was not because the teachers had claustrophobia. Almost every boy who has asked me about this embarrassing condition was wearing shoes that were much too short for his feet. Shoes are designed to fit the heel of the foot and the arch while leaving air space in front of the toes and around them. Practically all of the work and the perspiring are done by the toes. Crowding them into the fronts of short shoes seals in the perspiration until it acquires an odor. More on this subject next week.

JUDGE

ALTON B. CHAPMAN
Floyd County

For Associate Justice
Court of Civil Appeals

"We can do nothing but predict a victory for Judge Chapman in his race for Associate Justice. Judge Chapman is as capable and deserving a Christian man as we have ever known. With the Courts of our land in hands as devoted and capable as the hands of Judge Chapman, American Justice in both criminal and civil courts will continue to be a lighthouse throughout the world."

The above quote was taken from the July 16th issue of the town where Judge Chapman Texas Spur, a newspaper in the finished high school, where he served as County and District Attorney and for the last 19 years as District Judge.

His record on appeals, when the cases he has tried and disposed of are compared to the cases reversed, is better than 93 per cent perfect.

The labor bosses have endorsed Judge Chapman's opponent.

GOMEZ NEWS

Brownfield Association of the Youth Rally met at the Tokio Baptist Church Monday. The theme was "Training Youth", and about 179 attended.

The meeting opened with hymns and followed by a prayer. A business meeting was held by the president. The Sweet Street Baptist Church of Tahoka gave the devotional, and a demonstration was given by the Tokio Sunbeams. Mrs. Claude Johnson of Brownfield gave a history of Sunbeams. Rev. Ernest Stewart of O'Donnell gave the main address.

Mr. and Mrs. R. L. Condray of Meadow and her parents, Mr. and Mrs. J. B. Nixon of

Whiteface attended the Gomez church Sunday night and visited with the T. L. Nipp family. Rev. Nipp is former pastor of the church where they all attended a number of years ago.

Week end guests in the home of Mr. and Mrs. A. R. Arp were their daughters and families, Mr. and Mrs. James King, Jamie and Cynthia of Andrews and Mr. and Mrs. Aubrey Neighbors, Kathy and A. C. o Brownfield.

Junior girls from Gomez Baptist Church who attended the Plains Baptist Assembly camp last week were Annetta Britton, Diane Clark, Nettie Faye McKee, Linda Vest, and Patricia Smyrl and their sponsor, Mrs. Marvin Vest.

Mrs. S. F. Beadles left this week to be with her mother Mrs. A. F. Dendy, who is seriously ill in a hospital at Sulphur Springs.

Visitors last week in the home of Mr. and Mrs. T. D. Roberts were her sister and family, Mr. and Mrs. E. L. Nelson of Lubock, and his nephews David Lynn and Dwight Hill of Wellman. The Roberts family visited Sunday at Afton with his parents, Mr. and Mrs. L. C. Roberts.

Week end visitors in the home of Mr. and Mrs. E. H. Vinson were his mother, Mrs. G. W. Vinson of Wheeler, who will spend this week here; their son and family, Mr. and Mrs. Dane Vinson of Lubock; and a nephew and family, Mr. and Mrs. Donald Vinson of Plainview.

Charles Vinson left Wednesday for Wichita, Kansas, where he will enter a hospital for a check-up.

Verna and Deryl King are visiting this week with their sister and family, Rev. and Mrs. Bill Ware, at Point.

Tommy Nipp is conducting the song services for a revival at the Circle-Back Baptist Church. The revival began last

If you stay home Election Day, you cast

2 VOTES AGAINST YOURSELF

Your side loses a vote.

The other side gains two—the vote it would take to equal yours and the vote it would take to beat yours.

Be sure you're registered!

Listen...read...look...talk...argue...think...then VOTE

Friday and will continue through this week.

Rev. Horace Hitt of Wolf-orth will be guest speaker at the Gomez Baptist Church for the next two Sundays in the absence of Rev. T. L. Nipp, pastor, who will be conducting a revival in the Baptist church at Quail where Rev. Melvin McClum is pastor. Tommy Nipp will be in charge of the song services for the revival.

Don Taylor is visiting for the summer with his grandmother, Mrs. Hautie Albright in Oklahoma.

Visitors Sunday in the home of Mr. and Mrs. Tyler Martin were her parents, Mr. and Mrs. Tom Garrett, and Mr. and Mrs. Dorsey Martin and children, all of Lubock; and Mr. and Mrs. Maurice Martin and children of Wellman.

The Womens' Missionary Union of the Gomez Baptist Church met Monday morning at the church for all day meeting, teaching "The Way Made Plain", a book on soul winning. A covered dish luncheon was served at noon in the church kitchen. Those attending the all day meeting were Mesdames Wes Key, Clevis Sears, A. V. Britton, Bill Blackstock, T. L. Nipp, Doc Roberts, D. K. Taylor, and Rev. Nipp. Mrs. J. W. Stone and Emily Blackstock were in charge of

the Sunbeams Monday. Mrs. Stone taught from the book "Bonnie Baptist on Stewardship". Children attending the meeting were Mary Jane and Billie Lou Backstock, Ronnie Chambers, Brenda, Jackie, Sandra and Kenneth Roberts, Stevie, Bill, Dayna and Terry Taylor.

Those from Gomez who attended the Brownfield Association of the Youth Rally held at Tokio Baptist Church Monday evening were Rev. and Mrs. T. L. Nipp, Mrs. Bill Blackstock and Emily, Mary and Billie, Mrs. J. W. Stone, and Mona Vee Decker.

Mr. and Mrs. J. A. Roach has as their guests last week his sisters, Mrs. George Covington and Mrs. Edd Graston both of San Angelo.

Gomez-Johnson Home Demonstration Club met Thursday in the fellowship room at the Gomez Baptist Church.

Mrs. Harding Joyce was in charge of the meeting. The program, "Life's High Way Signs", on mental health was discussed by Mrs. Kellie Sears, club health and safety chairman. Mrs. Sears said that mental health has to do with everybody's every day life. It means the overall way that people get along... whether it be in their families, at school on the job, at play, with their associates, or in their community. It has to do with the way that each person harmonizes his desires, ambitions, abilities, ideals, feelings, and his conscience, in order to meet the demands of life as he has to face them.

Traffic signs were used to compare the achievement of good mental health to the travel on lifes highway. Refreshments of cold drinks and cookies were served.

Visiting in the home of Mr. and Mrs. R. L. Hamm Sunday were Mrs. Hamm's sister, Mrs. Stella Hopkins of Dalhart, and niece and daughter, Mrs. Nellobeth Eaton and Cecilia of Amarillo.

Dodgers, Tigers Tied In Junior League Lead

Going into the final days of play in the Brownfield Junior League, the Dodgers and Tigers are tied for top spot. The Dodgers gained the tie last Wednesday night by downing the Tigers, 14 to 13.

In Wednesday night's second contest the Pirates were ahead of the Cardinals 4 to 3 when the game was called. The game will be completed Saturday night.

Decrease Indicated In Spring Pig Crop

A drop of eight percent in the nation's spring pig crop and an indicated reduction of seven percent in the number of sows to farrow this fall promise some relief for swine prices, says John G. McHaney, extension economist. Figures on Texas production closely follow the national trend, he adds.

Commercial slaughter of hogs during the first four months of 1956 averaged about 16 percent above the same months of last year but after midsummer the Slaughter rate is expected to drop to last year's level and then later below it.

As a result of the announced decrease in spring pig numbers and the indicated drop in fall farrowings and fewer hogs going to market, McHaney says prices should average at least as high this fall as last and should not drop to the low level of prices paid producers late in 1955.

Despite the indicated reduction in hog numbers, the specialist points out that total production of meat for 1956 is expected to be three percent above 1955 and meat consumption per person will average about 162 1/2 pounds compared with 161 pounds last year.

Prices paid for hogs will re-

respond to the reduction in supply, says the economist, if the seven percent reduction in the fall pig crop occurs and general economic activities continues at the present rate, the price in the spring of 1957 should average above last spring's prices by more than seven percent.

Low prices at the present time should not be reason for the efficient hog producer to curtail production. Hogs should be sold when their weight reaches the 230 to 220 pound level. Producers should guard against producing over-fat hogs.

Chailis Personals

Mrs. Dorothy Martin was honored with a pink and blue shower Friday from 7:30 to 9 p.m. in the home of Mrs. C. S. Carroll.

Guests were registered in a white baby book and the gifts were displayed in the bed room.

Refreshments of potato chips, mints, white cake squares with pink and blue buds, and cold drinks were served to Mmes. L. R. Bagwell, Wayne Bagwell, T. C. Pettigrew, M. L. Pate, J. L. Langford, L. V. Langford, Floyd Joplin, Clark, Henson, L. P. Price, Anderson, W. J. Henderson, and Wanda Brake. There were others who sent gifts but could not attend.

The Meadow-Chailis Home Demonstration club members met Tuesday in the home of Mrs. Sam Gossett. Mrs. Gossett, president, conducted the business meeting.

Roll call was answered by the members giving their favorite frozen food.

The program, a meal from the freezer, was given and demonstrated by Mrs. Tom Pettigrew and Mrs. Cecil Farrar.

The menu consisted of glazed ham surprises, frozen baked corn, tossed salad, hot rolls and ice cream pie. The hostess served rolled filled sandwiches, cake and cold drinks with the menu.

The club family social will be held August 13 at the party house at the park.

Mr. and Mrs. J. D. Morris and children, Karen and Brent of Edmonson visited in the home of his sister, Mrs. Cecil Farrar. As many know, Mrs. Morris suffered a broken leg in their December explosion. Mrs. Morris is doing as well as can be expected.

Aurelia Massingill of Post visited in the home of Dahlia Gossett Tuesday.

Mr. and Mrs. J. Strickland of Brownfield visited the L. P. Price home Sunday afternoon. Rev. and Mrs. Glen Smith

BROWNFIELD ALL-STARS READY TO GO — The Brownfield Little League All-Stars are seen here just prior to the start of their first game in the district tournament. Immediately after this photo was taken the team took the field against the American Little League All-Stars of Levelland and defeated them, 6 to 0, behind the one-hit pitching of Woody Harbin. With the victory Brownfield gained the semifinals and they meet Seagraves at 7:30 tonight. (Staff Photo)

and children of Puente, Calif are here visiting relatives and old friends. Brother Smith is a former pastor of Chailis Church. They attended prayer meeting Wednesday night and met quite a few of their friends.

Mr. and Mrs. E. N. Corley and daughter, Carolyn, and a grandson went to Graham Friday to be with Mr. Corley's mother, who observed her 90th birthday the 20th. They had their family reunion July 22.

Rev. and Mrs. Gary Martin and boys were guests in the M. L. Pate home Sunday.

Mr. and Mrs. L. P. Price and Charles and Ann Cole attended

the Price family reunion Sunday with a picnic dinner at the park.

Mr. and Mrs. Edd Whitaker attended the Brooks family reunion in the home of her parents, Mr. and Mrs. C. F. Brooks, in Roaring Springs Friday, Saturday, and Sunday.

All the Brooks children, in laws, grandchildren, and great grandchildren were present. There were 46 present in all and they report having a wonderful time together.

Mr. and Mrs. L. R. Bagwell and Mrs. Wayne Bagwell and daughter spent the weekend in Stephenville with her mother and brother and fam-

ily. Mrs. Tom Stephens, C. L. Stephens, and other relatives.

Those visiting in the J. C. Armstrong home Sunday were Mr. and Mrs. C. S. Carroll and family, Mr. and Mrs. J. C. Armstrong, Sr., and Mr. and Mrs. Ernest W. Spradling of Abernathy.

Mr. and Mrs. J. K. Moss from Levelland visited the L. R. Bagwell family Thursday.

Mr. and Mrs. L. R. Bagwell and Mrs. Wayne Bagwell and Janice visited the C. S. Carroll's Wednesday evening.

W. M. U. met at the church Monday at 3 p.m. for Bible study. Mrs. Garner led the group in the study. Plans were made for a visitation program to begin Thursday.

A college senior dated a young lady from a nearby girls' school a few times. Then some weeks passed, and when she hadn't heard from him, she sent a telegram reading: **DEAD, DELAYED OR DISINTERESTED?** To which the young man promptly wired back: **HUNTING, FISHING OR TRAPPING?**

Women's News

Gee Gee Privitt Society Editor
Vol. 19 Brownfield News-Herald, Thursday, July 26, 1956 No. 30

WSCS Met At Church Monday

A general meeting of the Woman's Society of Christian Service of the Methodist Church met Monday at 9:30 a. m. in the church parlor. Mrs. J. C. Criswell, president, conducted the meeting. Mrs. B. L. Thompson gave the opening prayer. Mrs. Glenn Harris continued the program of "The Quadrennial Goal". Mrs. G. S. Webber gave the devotional.

The society is sponsoring four senior girls to "the school of Missions" being held in Lubbock, beginning Monday, July 30. There will be several ladies from the society who will attend the school.

September 1 in the First Baptist Church of Brownfield with the Rev. Jones W. Weathers, pastor, officiating at the double ring rites.

Miss Ann Bradshaw of Brownfield will be the bride's honor attendant, and Donad D. Durham of Brownfield will attend the bridegroom.

Miss Powell is a 1954 graduate of Brownfield High School, and is employed as book keeper with Lawson-Payne Machine and Supply in Brownfield. Her fiancé is employed with Ozark-Mahoney Chemical company in Brownfield, where the couple plan to make their home.

Mr. and Mrs. Bill Anderson have returned from a week vacation in Colorado.

Miss Lewis, Mr. Shelton To Marry

The engagement and approaching marriage of Miss Janelle Lewis to Lyle Shelton has been announced by her parents, Mrs. Norma Dell Lewis and I. O. Lewis. The prospective bridegroom is the son of Mr. and Mrs. Joe Shelton.

Vows will be exchanged September 1 at 7 p. m. in the First Baptist Church. Rev. Jones W. Weathers, pastor, will officiate at the double ring rites.

Matron of honor will be Mrs. Bobby Latham of Lubbock, and Miss Pasty Stice of Brownfield will be maid of honor. Don Andross of Brownfield will be best man.

Miss Lewis is a graduate of Brownfield High School and attended the University of Colorado and Texas Tech, where she was a member of Kappa Kappa Gamma social sorority.

Mr. Shelton is also a graduate of Brownfield High School and of Texas Tech.

The couple will live in Pensacola, Fla. following their marriage.

MISS JANELLE LEWIS

Mrs. Shrimpton Is Hostess to Group

Mrs. Charles Shrimpton was hostess when the Evangelical Methodist women met in her home at 7:30 p. m. July 19.

The opening prayer was led by Mrs. Evelyn Collins. Mrs. Shrimpton gave the devotional on Stewardship.

Following a brief business meeting and the breaking of the Acron banks, the closing prayer was led by Mrs. G. M. Thomason.

Refreshments were served to Mesdames J. C. Waters, J. L. Reast, Thomason, and Collins, and Miss Betty Collins. The next meeting will be at home of Mrs. Thomason.

Turner HD Club Studies Covers

The Turner Home Demonstration Club met July 18 with Mrs. L. W. Yowell.

Mrs. Jesse Snodgrass acted as president and called the meeting to order. Mrs. Allen Rollins acted as secretary and read the minutes of the last meeting. The club planned their club picnic for August 31. The club's bake sale will be July 28 at the old court house at Plains.

Miss La Rue Gilmore, county agent, gave a demonstration on Luggage Covers.

Roll call, "A place where I would like to travel" was answered by nine members: Mmes. Yowell, Homer Sudderth, Snodgrass, I. P. Smith, Rollins, Reg Martin, Carl Low-

SUPER SUNFLOWERS—These sunflowers, growing in the back yard of Mr. and Mrs. George Nickel of 1314 North A., have reached the towering height of 10'6". The seed came from Davis Fruit Market and were planted this spring. Pictured standing beside the sunflowers are the Nickel's grandsons, Donnie and Stanley Lewis Morrow, sons of Mr. and Mrs. G. L. Morrow. The Nickels have not given the sunflowers any special treatment, such as fertilizer, but have kept them watered all season. The stalk of the largest sunflower is some two inches in diameter, and the flower itself is as big as a large platter. (Staff Photo)

rey, T. A. Elmore, and J. T. Anderson. Two visitors attended, Mrs. Yowell of Johnston and Mrs. Henson of Brownfield. The next meeting will be September 5 in the home of Mrs. Homer Sudderth. The program will be shrubs, trees, and cuttings, by the agent.

Plaza Motel Opening Set Friday

Formal opening of the Plaza Motel and Restaurant will be held from 9 a. m. until 6 p. m. Friday, owners Dewey Murphy and Bruce DuBose said this morning.

Operators of the new restaurant are Mr. and Mrs. A. R. (Nick) Nicholson, well known here as former owners of Nick's Cafe.

Free coffee and doughnuts will be served in the restaurant Friday, and the public is

invited to attend. The motel, considered to be one of the most up-to-date on the South Plains, comprises 25 units, including two suites, each unit being air-conditioned, with tile bath, separate dressing room, carpet and modern blond oak furniture.

A fully equipped kitchen is one of the showy items in the new eating place, which is decorated in a pink, coral and grey theme. The restaurant's ceiling, paneled with pirana pine, is certain to attract much attention.

Mr. and Mrs. L. C. Webster, Mike and Diane, have returned from a two week stay in Osyka, Miss., with Mrs. Webster's father who has been seriously ill.

MISS ALLINE POWELL

Miss Powell Will Marry Mr. Ratliff

Mr. and Mrs. B. W. Powell of 107 West Hill announce the engagement and approaching marriage of their daughter, Alline, to Conrad E. Ratliff, son of Mr. and Mrs. W. F. Ratliff, Route 5, Tahoka. Vows will be exchanged

Ideal Bridge Club Met With Mrs. Ed Wilder

Mrs. Ed Wilder was hostess to Ideal bridge club in her home July 15.

A chilled fruit salad, cake, and punch were served to Mmes. R. L. Bowers, Wilson, Collins, Roy Herod, C. L. Haffer, Earl Layman, Tom Harris, A. M. Muldrow, and A. A. Sawyer.

Mrs. Sawyer scored high, and Mrs. Harris was second high. Mrs. Herod was low.

Series of Parties, Courtesies To Miss Eleanor Miller, Bride Elect

A series of showers have been given as a courtesy to Miss Eleanor Miller, who will marry 1st Lt. Don Mayfarth July 31.

In Wingerd Home
Mrs. Roy Wingerd was hostess at a coffee in her home from 9 to 10:30 a.m. Thursday morning. Mrs. Glenn Woodruff of Matador was co-hostess.

Pastel mums centered the serving table and a point of interest was a scale model car carrying a miniature bridal couple, lettered "California or Bust" with miniature shoes tied to the back bumper.

Coffee, doughnuts, and a fruit plate were served to approximately 40 guests who called. Mrs. John King presided at the coffee service.

Bridge Party Fetes Couple
Mr. and Mrs. Robert Knight entertained Miss Miller and Lieutenant Mayfarth at a bridge party in their home Thursday night.

A frozen dessert was served to Miss Miller, Lt. Mayfarth, Mr. and Mrs. Robert Lee

A hostess gift of china was presented to Miss Miller.

Coffee Is Courtesies
A coffee and person shower complimented Miss Miller Friday morning at 10 a.m. in the home of Mrs. Robert Lee Craig. Other hostesses with Mrs. Craig were Mrs. Johnny Laird and Mrs. Dave Sanford.

The serving table was centered with a watermelon basket filled with chilled fresh fruit. Coffee, cinnamon rolls, and fruit were served to eight guests.

Rogers Home Scene of Party
The home of Mrs. Dewey Rogers was the scene of an informal "coke" party and kitchen shower honoring Miss Miller at 5:30 p.m. Wednesday. Co-hostesses were Mrs. J. M. Teague and Mrs. Gerald Perry.

The serving table was laid with a brown and green cloth with gold napkins and featured a centerpiece of gold mums. Cakes, cheese snacks, and pickled onions and olives were served to approximately 20 guests.

Miss Miller was presented a kitchen gadget corsage by the hostesses.

Miss Miller will also be complimented with a miscellaneous bridal shower in the home of Mrs. Leo Holmes today at 4 p.m.

Calvary Circles Had Mission Study

The Ruby Wheat, Darlene Sears, Helen Tisdale circles of the Calvary Baptist Church met in the yard of Mrs. Mary Howell for a mission study program. Scripture was read by Mrs. Cecil George. Also the names of the missionaries on the calendar of prayer was read by Mrs. George. Prayer for the missionaries was led by Mrs. Oscar Decker. Mrs. Alton Garner taught the mission study lesson from the book "Stewardship in the Life of Women." Mrs. Lottie Evans closed the meeting with prayer.

Those present Mrs. Lovella Todd, Miss Margie Ruth Howell, Mrs. F. L. Poole, Mrs. R. D. Copeland, Mrs. A. W. Stowe, Mrs. Norris Phillips, Mrs. Lottie Evans, Mrs. Oscar Decker, Mrs. Alton Garner, Mrs. Cecil George, and Mrs. Mary Howell.

All of the circles will meet at the church Monday the 30th of July, at 2:30 p.m.

TOO YOUNG, YET — Too young yet to enter the Armed Forces but eager to see the lively exhibits, four Brownfield youths Thursday boarded the 4th Army's mobile show. From left, they are Bob Casstevens, 11, son of Mr. and Mrs. R. H. Casstevens of 121 West Broadway; Lester McCullough, 13,

son of Mr. and Mrs. E. B. McCullough of 1215 West Lake; Pat Swan, 16, son of H. N. Swan of 317 East Hill, and Leroy Harris, 15, son of Mr. and Mrs. J. L. Harris of 306 West Powell. With them is S. Sgt. Arthur Roy of Lubbock, Army recruiter.

Meadow Personals

Mr. and Mrs. Carl Tuener and children have returned to their home in Roswell, N.M. after visiting several days in the home of her parents, Mr. and Mrs. Jack Longley.

Mr. and Mrs. Smith have sold their laundry in Meadow and will be moving to Coleman in a few days. Mr. and Mrs. Turner of Lubbock bought the

laundry and are running it. Mr. and Mrs. Carl Russell and daughters, Barbara and Carene spent the week end in Dallas with their daughter and family, the James Foxes. Mrs. Fox and children had been visiting here and the Russells took them home.

Mr. and Mrs. Tillman Busby of Wellington spent the week end visiting her relatives. The Busbys, Mrs. Ruby Dalton, Lonnie and Wanda, and Mr.

Mrs. R. N. Lowe Hostess To Gala Bridge Players

Gala Bridge Club met in the home of Mrs. R. N. Lowe Tuesday, July 17 at 7:30 p.m.

A salad plate and coffee were served to Mesdames Eddie Ballard, Frank Ballard, Herbert Chesshir, Harry Cornelius, Clovis Kendrick, Troy Neel, J. O. Rodgers, R. L. Bowers, Tommy Hicks, Coy Barnett, Harlan Glem, and O. L. Stice.

Mrs. Bowers scored high and

Mrs. Frank Ballard was second high. Mrs. Barnett and Mrs. Rodgers binged.

Mr. and Mrs. Bill Mason, Ellen, Bobby and Roger, of Adrian, Mich., spent the week end with his brother, N. L. (Bus) Mason and family.

afternoon. Willie Wright has returned home from the Methodist Hospital in Lubbock where he was confined for several days. He is home from the Methodist Hospital Monday after undergoing minor surgery.

Receives Appointment
Word has been received by her mother, Mrs. L. J. Carruth of Meadow, that Miss Beatrice Fontella Carruth has just been appointed chairman of the Department of Psychiatric Nursing of the University of Texas School of Nursing.

This appointment carries with it the rank of Associate Professor.

Naturally...it's Gas

1) The National Fire Protection Association has compiled documented proof that shows Natural Gas as the safest fuel. 2) Automatic Gas water heaters provide you with a dependable supply of really hot water. The fast recovery of an automatic Gas water heater allows you to wash load after load of clothes. 3) The safe and dependable operation of an automatic Gas water heater are just two of many reasons why modern home owners prefer Natural Gas for heating water. Another good reason is the economy of dependable Natural Gas service. See your plumber or Gas appliance dealer today. Install a modern, automatic Gas water heater in your home... sized to the needs of your family.

Illustrated above is the Permagas automatic Gas water heater. The Permagas is approved by the American Gas Association testing laboratories.

MINIMUM RECOMMENDATIONS FOR NORMAL HOT WATER REQUIREMENTS		
Number Bathrooms	Number Bedrooms	Storage Cap'y. Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

NOTE: USE NEXT LARGER SIZE WITH AUTOMATIC CLOTHES WASHER OR AUTOMATIC DISHWASHER.

JUNIOR LEAGUE CARDINALS — From the left in the front row, they are Glen Sanders, Gene Blake, Jim Blake, T. J. Stephens and Danny Eaves. In the middle row, from left: McCullough and Coach Bill Cope. (Staff Photo)

Mr. and Mrs. Robert Knight and family are vacationing this week in Ruidoso, N. M.

LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger & appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals; still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less your weight less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by: **Primm Drug Store—Brownfield** Mail Orders Filled

Mrs. A. K. Bonham and children of Sacramento, Calif. are visiting this week with her parents, Mr. and Mrs. Luther Heath. The Heath children were together over the week end for the first time in four years. Others than Mrs. Bonham, who is the former Louise Heath, were Mr. and Mrs. Bob Heath and two children of Lubbock and Mr. and Mrs. Carro' Heath and baby of Pasadena Texas.

Mrs. J. B. Fox and sons Jimmie and Larry, of Dallas visited her parents, Mr. and Mrs. Carl Russell in Meadow. Also visiting the Russells were Mr. and Mrs. Morris Fox of Meadow, who are also grand parents of the boys.

Guests last week, in the home of Rev. and Mrs. Bill Spreen were his sister, Mrs. J. E. Ilse, and Mr. Ilse, Mary Ann and Joyce Elaine, of Houston. While visiting here, the group visited Carlsbad Caverns.

Dougie Mason and George Casey left Sunday morning with the Jake Gore family for Arlington. George is returning home after visiting several weeks here with relatives and Dougie will spend two weeks with George. The Gores will go on from Arlington to other points in Texas for a vacation.

Hospitalization Men
Preferred Life pays top commissions, renews every month and liberal monthly cash bonuses to good producers. Plenty of free leads. Mr. and Mrs. R. J. Murray of Arlington arrived last week for a visit with her sister, Mrs. Harold Crites, and Mr. Crites. Over the week end the group, accompanied by Mr. and Mrs. Jack Bailey, went to Ruidoso, N.M. to spend this week. Mr. Crites will join them there today. They will return to Brownfield Sunday.

LEGAL NOTICE
THE STATE OF TEXAS
COUNTY OF TERRY
WHEREAS the Commissioners Court of Terry County, Texas, met in regular session on the 9th day of July 1956, A. D. at the regular meeting place in the Courthouse in Brownfield, Texas, and

WHEREAS the said Commissioners Court by an order entered in Volume 6, page 246 of the Minutes of the Commissioners Court of Terry County, Texas, appoint R. C. Stephenson as a special commissioner to sell at public auction one certain tract of land owned by Terry County, Texas.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS that I, A. C. Stephenson, will at 10:00 A.M. on the 13th day of Aug. A. D. 1956, sell to the highest bidder at a public auction to be held at the Courthouse door in Brownfield, Texas, the following described tract of land, to-wit:

The surface estate only of the South 100 feet of Tract 7 of the J. F. Cook Subdivision of a part of the Southeast One Fourth of Section 111, Block T, D. & W. Ry. Co. Survey, Terry County, Texas, provided that no abstract of title shall be furnished to the buyer.

In testimony whereof witness my hand this 9th day of July A. D. 1956.
/s/ A. C. Stephenson 28-3TC

GUARDIANSHIP OF RAY T. CASTLEBERRY A PERSON OF UNSOUND MIND
IN THE COUNTY COURT OF TERRY COUNTY, TEXAS
TO ALL PERSONS INTERESTED IN THE ABOVE PERSON OF UNSOUND MIND OR HIS ESTATE:
You are notified that I have on the 25 day of July, 1956, filed with the County Clerk of Terry County, Texas, an application under oath for authority to make a case for mineral exploration and development, with or without pooling provision or utilization clauses, on that certain real estate belonging to such person of unsound mind, described as follows:
An undivided three-fourths (3/4) interest in the oil, gas and other minerals in and under and that may be produced from the East 1/3-1/3 acres of the North 213-1/3 acres of Section 2, Block D-8, CLARR Ry. Co. Survey, Terry County, Texas.
That the Judge of the County Court of Terry County, Texas, on the 25 day of July, 1956, duly entered his order designating the 13 day of August, 1956 at 10 o'clock A. M., in the County Courtroom in the Courthouse of such County as the time and place when and where such application would be heard at such times and place.
DATED this 25 day of July, R. A. CASTLEBERRY, Guardian of the Estate of Ray T. Castleberry, a person of unsound mind.

GRAND OPENING

Friday--July 27

9:00 a.m. to 6:00 p.m.

To The Plaza Personnel:

Pictured at left is the interior of one of the units of the beautiful new Plaza Motel. We are pleased to join Dewey Murphy, Bruce Dubose and A. R. Nicholson in celebrating their Grand Opening Friday . . . and appreciative that we were chosen to furnish the furniture and carpeting for this new establishment.

GRIGGS and GOBLE FURNITURE CO.

To The Plaza Personnel:

We are pleased to join with Griggs and Goble Furniture in extending our hearty congratulations to Dewey Murphy, Bruce Dubose and A. R. Nicholson on their Grand Opening and wish them continued success. We are proud to have had a part in the construction of Brownfield's newest business . . . the plumbing, wiring, refrigeration and air conditioning.

GEE GEE'S Ghit! Ghat!

Be sure to plan to attend the formal opening of the new Plaza Motel and Restaurant located on the Plains highway tomorrow from 9 a. m. to 6 p. m. Free coffee and doughnuts are being served by Nick and Ladell Nicholson at the restaurant, and the public is cordially invited to look over their new establishment. Dewey Murphy and Bruce DuBose, the owners, have done themselves proud on this beautiful place. Bruce was the designer and his mother, Katie, has exhibited wonderful taste in furnishing the units. All the units are furnished a little differently, and all are beautiful. Incidentally, in 16 of the units hang oil paintings done by Bruce. You won't want to miss the cozy atmosphere of the restaurant, either. It's modernly done up in a color theme of pastel pink (in the brick patterners which are set in the middle of the room), coral, and gray. The ceiling is paneled in Pirina pine and the floor is terrazzo tile. It's very smart, and I know you'll enjoy dining there often.

Want to tell you to notice he ads in this week's paper. One concerns Mrs. Loraine (Hargrove) Springer, who was a former teacher here, and has now moved back and will open her piano studio near the schools. Her husband will teach in the Brownfield school system next year.

You football fans be sure to remember that season tickets are now on sale. For previous ticket-holders, selling is now in progress, and others will get a crack at the tickets beginning August 1.

Congratulations to Benson who was crowned Miss Little League of 1956 last Thursday night. She and her parents will get a five day trip to a resort at Mineral Wells, in addition to the crown, courtesy of KTFY. Thanks to the combined efforts of all the people who have worked so hard with Little League this summer, and that includes all the little queen contestants, the league fund is some four or five hundred dollars richer. And here's

where I'd like to throw some bouquets to all the managers and coaches; to Roy Fleming and Johnny Benson and Dick Chisholm, as well as Alvir Vineyard, Keith Snedeker, Lick Moorhead, and L. R. Richardson, who umped; to Hub King Talyor Holland, Junior Bond, John Jennings, Daryl Lewis, Arlie Lowmore, and Burton Hackney, who announced; to Crawford Taylor and Mary Dee who kept scores; and to Hal Roche, who broadcast the games over KTFY, engineered the contest, helped keep the scores straight and very ably kept the public informed, via radio and newspaper, on the team standings and what not. There are many more who worked and if I've missed naming you, I'm sorry, because you are certainly included in the bouquet-tossing. And certainly all the people who supported these teams through all the hot hours are to be commended. With the district tourney being held here this week (and we sure hope Brownfield cops it!), it is a fitting climax to Little League's greatest year in Brownfield.

Well, you all know what Saturday is all over Texas. It is the day we go to the polls to elect the men who we think will steer us safely through the next two years, politically. By now you've had a chance to weigh the merits and demerits of all the candidates and should have your mind made up as to who, you think, will serve your interests best. I hope two things: I hope you'll be sure to go to the polls Saturday and I hope you'll have sense enough to vote for the

Cities Service Has Awards Dinner

Members of Cities Service Oil Co's Production division in the Brownfield, Texas, area were honored with a safety award dinner at Brownfield last night. The production group has completed two years of work for a total accumulation of four years without a lost-time accident.

Present from Bartlesville to help the Cities Service men record were C. R. Smith of the Production division and E. R. Estus, safety director.

Included in the production group honored for their safety record were J. L. Beaty, Charles Devore, P. D. Driver,

persons you feel is best-qualified. That's all I ask of you . . . outside of stressing the importance of your attending your precinct convention Saturday afternoon.

Some people can't understand what's so great about handing over \$1.75 for the privilege of casting a vote for some candidate or other. These are the same people who say, "what difference does it make . . . what can my little old vote do? These are the same people who scream the loudest for lower taxes, higher wages, more this and bigger that and better those. Well, your little old vote does count and it is important that you elect men

Billy Joe Harp, William L. Huddleston, Blana L. King, J. D. Paige, E. L. Robinson, John C. Robinson, Joseph D. Russel, Johnnie W. Smethers, Billie S. Whisenant, Billy J. Smethers, Homer L. Lauderdale, Charles W. Swaim, Jimmy G. Puckett, R. S. Kerley and H. R. Russell.

to speak for you in your government.

Ask the Japanese people . . . these people who are now struggling to make their democracy work. These people turn out 82 percent strong to vote when their polls open. What percentage of Americans turn out to exercise this great privilege? About sixty percent. Fewer people this year, so I read, will vote than did in the last major elections. Why? It's certainly not because the Texas population has decreased.

Just as some people have inherent beliefs about religion, so have I have the inherent belief that people should pay their poll tax and vote. I consider it a duty, but a privilege as an American. I hope you feel the same way.

About 50 persons attended a picnic and get-together of the Price family at Coleman Park Sunday. Guest of honor was Mrs. Ted Cole and children, Ann and Charles, of Tulsa.

Roel, born July 1 at 12:30 a.m., weighing 7 lb., 2 oz., to Mr. and Mrs. Belgrave Cabrera, City.

THE OLD AND THE NEW—Time was in Terry county farming—and not long ago—when legumes, hybrid grain sorghum and irrigation played no role at all. The picture has changed rapidly in the last few years. In the pictures, taken recently on the Jimmy Farrar farm west of Foster gin, is the story of a new agriculture. The same practices are being carried out by many other far-sighted Terry farmers. From left in the upper panel: A. R. Hodges, left, of the U. S. Soil Conservation Service here, and Farrar discuss thriving sesbania; The two men compare the height of hybrid grain to that of standard variety in center picture, and in the right picture cotton following vetch attracts their attention. Lower left picture: Farrar points to Chinese red peas interplanted with grain. Lower right picture: Hodges manipulates a de-

vice which indicates the "drag down" at one of Farrar's two irrigation wells. The sesbania, a legume fairly new to the county, was planted June 17 on 21 acres, fertilized with 150 pounds of 13-39-0. It follows wheat which made 38 bushels this year — and wheat will follow it this fall. Farrar has said he will shred the sesbania and turn it under. Both varieties of grain were planted the same time. The hybrid, Texas 590, is about 14 inches taller than its cousin, 7078. No fertilizer was put down. Farrar's cotton this year follows vetch, a practice which is expected to pay good dividends. Always alert to his soil's need for nitrogen and organic matter, Farrar says that interplanting basic crops with legumes is now standard practice. (Staff Photos)

the farming angle
By DON BYNUM

SECTION THREE
The Brownfield News
AND THE TERRY COUNTY HERALD

Vol. 19 Brownfield News-Herald, Thursday, July 26, 1956 No. 30

When Jerry Stoltz, former editor of the NEWS, recently became associated with the Lovington (N.M.) Press, this writer was moved into the editor's slot. The change does not mean any lessening of our news coverage of the farming scene in Terry. "The Farming Angle" will remain a regular feature of the paper. And we'll start it off today in this fashion: Pat Patterson, amiable manager of Piggly Wiggly, and Joe Johnson, Brownfield realtor, concluded last Sunday after a

40 mile inspection tour throughout the county that "We're not going to look at them (dryland crops) any more until it rains. If it doesn't rain within the next 10 days, they're gone, we think." As this column was being written Monday noon, it was sprinkling on some of those crops for which Pat and Joe have so much concern. By the time this bit is read, let's hope that it has rained somewhat more. This item concerning Patterson and Johnson is worthy of note: Both men are succeeding in agriculture as they have in business. Neither one hesitates to try new farming methods, especially when the methods might improve the output of their farms. Texas growers had 7,175,000 acres of cotton in cultivation July 1, about 42 per cent of See FARMING ANGLE Page 8

WESTERN GRAIN AND FARM STORE

Brownfield News Editorials

ITALIANS FALL FOR IT

U. S.-Type Supermarket Hit in Rome

As a result of cooperative action between a group of American food chains and the Department of Agriculture, a typical U. S. -type supermarket was exhibited at the International Congress on Food Distribution in Rome. Response, it is now reported, exceeded all expectations. Some 17,500 people visited the market on the opening night alone. The Paris Herald-Tribune described the exhibition as "one of the hit shows of the Rome season." It then said: "The show is almost too good judging from preview reactions. Some of the Italian newspapermen and their wives at the preview walked through the sample store in stunned silence. It was so different from the pushcart-buying which kills hours each day for most Roman housewives, resident Americans included,

that many were at a loss for words." One enthusiastic observer said the market "will do more for American prestige than millions in giveaways." And an enterprising Italian group has offered to buy the market and everything in it, right down to the mirrors, with the intent of duplicating it. A typical modern American store dealing in commodities other than food would receive an equally rapturous reception. The American system of mass distribution — based on big volume at a very low unit profit — has no comparable counterpart abroad. For the most part, European merchandising is many, many years behind this country. And that helps to explain why our living standards so far exceed those of the rest of the world.

WANT A WELL?

Oil Business Quite Risky

"I wish I had an oil well!" You've heard that said a thousand times — probably you've said it yourself. For oil wells have become a popular symbol of wealth. And there is no doubt that a big producing oil well would be a nice thing to have. At the same time, getting an oil well, and then making something valuable out of the crude, is a mighty risky business. For instance, last year oil producers spent more than \$2.5 billion drilling some 55,000 wells in this country. A great many of them turned out dry and useless. The drillers just had to try again and hope for better luck next time. One well, in Louisiana, was sunk to a record 22,570 feet — more than four miles — before traces of oil were found. The cost was \$2.4 million. Much oil now travels via pipeline — and

it costs about \$32 thousand to lay just one mile of 12-inch pipe. Modern gas engines demand fuel of much higher octane content than used to be the case — the average octane rating of gasoline has risen from 74 to 84 in the past 26 years. It costs oil companies \$500 million to improve gasoline quality by just one octane number. The oil industry offers great rewards — and, with them, great risks. Treasury Secretary George M. Humphrey and Budget Director Percival F. Brundage have reported jointly, proudly and happily that for the fiscal year ended June 30, the US Treasury showed its first surplus since 1951. The amount of income over outgo is \$1,754,000,000. And while the gentlemen have not indicated what should be done with it, others have been quick to point out that it is not enough to provide a worthwhile tax cut. But it is enough for a payment on the national debt — which would be quite a novelty!

Strange How The "Liberal" Mind Works

THE AMERICAN WAY

MISUSE OF ELECTRIC POWER

By George Peck

EDITOR'S NOTE: George Peck is Chairman of the Board of the National Labor-Management Foundation and Executive Editor of its official publication, PARTNERS. "Farm and Ranch" Magazine has assembled some data that throws considerable "light" on the misuse of electric power for home and space heating in the area supplied by the Tennessee Valley Authority. It reveals that taxpayers located outside that area are paying through the nose to provide electrical luxury, not enjoyed by them, for those signally-favored citizens in the TVA area.

For instance, 150,000 homes are now heated electrically in the TVA area, despite the fact that it is economically unsound and impractical to furnish power for space heating homes and buildings electrically, because a peak load is created which is seasonal in nature. Investor-owned power companies and the basic heating industry have long recognized this fact. In addition many hundreds of commercial buildings and tourist courts in the TVA area are being heated entirely electrically. An electrically heated home during extremely cold weather will use about thirty times as much as the national average daily home consumption. Hamilton County, Tennessee (Chattanooga) has approximately 40,000 homes heated entirely by electricity — on an extremely cold day it uses as

By VERN SANFORD
Texas Press Association

AUSTIN, Tex. — Saturday is V-Day . . . "Voting Day" in Texas. It's the Democratic primary! It could be the biggest voting day in Texas history. Paid poll taxes and exemptions total a record-setting 2,410,188. Not all these people will mark ballots. Some are Republicans. They don't vote in a Democratic Primary. And some Democrats will stay home.

Not since the Ferguson Era have more than 80 per cent of qualified voters turned out for a primary. General elections have run higher. Biggest vote ever cast in the state was 1,075,946 in the 1952 general election. This was an 87 per cent turnout. Highest primary

vote so far was the August, 1954, total of 1,458,220. Whether candidates in their final fervent appeals, these last few hours, will be able to stir out more voters remains to be seen. Even harder to predict is who will have the edge in major state races. Most informed observers hedged their guesses with "ifs," "buts" and "may-bes." They watched the straw votes and sample polls, checked the betting odds, but still weren't sure. Major cause for uneasiness is that rapid growth and shifts in Texas' population have wiped out many of the old rules of thumb on what it takes to win. Fifteen years ago the rural vote was all-important. Non-metropolitan votes still are in the majority and they are "dependable" votes. However, the five major cities have between them nearly a million eligible voters—917,209. In this big city market, labor claims a 450,000 to 500,000 "sphere of influence" vote. —But admitted it couldn't deliver that many in a bloc to anyone.

the Texas Referendum Committee, puts it simply, in these words: "If you are opposed to mixed schools, mixed marriages and illegal federal interference, vote FOR all three propositions." Due to the wording of the referendums, it is necessary for one to vote for the measures if he is against the subjects that each covers. For example, the first proposition reads "FOR (or against) specific legislation exempting any child from compulsory attendance at integrated schools attended by white persons and negroes." Proposition number two reads "FOR (or against) specific legislation perfecting state laws against intermarriage between white persons and negroes." Third proposition says "FOR (or against) the use of interposition to halt illegal Federal encroachment." The use of double-negatives is most confusing. Voters also should remember that they may split their votes on the referendums, if they wish. For example, if a voter were opposed to mixed marriages and illegal federal interference, but not opposed to mixed schools, he would vote FOR the two propositions, and against the latter.

been forced to purchase power from adjacent private power companies during all extremely cold weather in order to supply this space heat. This current is available from the private power companies because they do not permit the misuse of electric power for space heating. What makes this misuse of electricity for space heating even more "wicked," is that enormous quantities of coal are available in close proximity to the TVA area; and natural gas is piped throughout the area and readily available; fuel oil is in large supply by rail or water transportation; and the supply of wood from local forests is almost inexhaustible. Large areas of the U. S. A. are not nearly so fortunate as the TVA area in the availability of natural fuels.

And get this! A ton of coal will produce from 2 1/2 to 3 times as much heat in regular heating equipment as it will after passing through all the steps from the steam plant to

VOTE FOR E.D. (ED) HILL
FOR TAX ASSESSOR - COLLECTOR TERRY COUNTY

VOTE FOR HERBERT C. MARTIN
AN ASSOCIATE JUSTICE OF PROVEN ABILITY

EDUCATION and EXPERIENCE:

- Graduate of University of Texas Law School.
- Two terms as District Attorney of Hale, Lamb, Bailey, Swisher and Castro Counties.
- 22 years experience as a trial lawyer.

Your election of HERBERT C. MARTIN to a first term as ASSOCIATE JUSTICE, based on his legal experience shown above, has proven to be a wise investment in your COURT OF CIVIL APPEALS as shown by the record below:

THE FIRST TERM RECORD of HERBERT C. MARTIN

● LAWYERS APPROVED—
The State Bar of Texas conducted a secret poll of the lawyers of the District to ascertain their opinions as to the best qualified man of the two candidates for Associate Justice. The results of the poll were announced June 15, 1956.

● CITIZENS APPROVED—
Herbert C. Martin was elected by a strong majority vote for a first term as Associate Justice, Court of Civil Appeals.

● SUPREME COURT APPROVED—
Herbert C. Martin has written 165 opinions to date during his first term as Associate Justice with only 7 reversals by the Supreme Court of Texas.

On a FIRST TERM RECORD of PROVEN SERVICE, re-elect HERBERT C. MARTIN to a SECOND TERM as ASSOCIATE JUSTICE of the COURT OF CIVIL APPEALS.

New Cotton, Wheat Varieties Are Given Favorable Reports

The Texas Agricultural Experiment Station has announced that planting seed for Blightmaster, a disease-tolerant, stormproof cotton, and Crockett, a new high-test weight, early maturing, good quality, hard red winter wheat for Texas, will be available in 1957.

Available from the Agricultural Information Office are publications, L-292, Blightmas-

ter and L-288, Crockett which describe these new and improved crop varieties for Texas. Tests indicate the Blightmaster will yield as much as under blight-free conditions as other stormproof varieties now grown in Texas, and greater yields may be expected under heavy blight conditions. Staple length is 15-16 to one inch.

It is adapted to stripper harvesting; is medium in maturity; semi-spreading in growth habit and is recommended for areas of the state where a stormproof variety is desired.

The new hard red winter wheat for Texas has good disease resistance, early maturity, high yields, high test weight and high milling qualities to its credit. Crockett wheat is recommended for the Panhandle and South Plains wheat areas and also for the Rolling Plains and north-central Texas wheat areas.

Individuals interested in producing certified seed of Crockett during the 1956-57 crop year may obtain foundation seed from the Foundation Seed Section, Texas Agricultural Experiment Station, College Station, Texas.

Refund of Gas Tax Available

Farmers are entitled to claim a refund of the federal tax on all gasoline bought and used for farming during the six-month period January 1 through June 30, 1956. C. H. Bates, extension farm management specialist reminds Texas producers.

Any owner, tenant or operator who buys gasoline for use on a farm may file a claim, may request a refund of the tax on any gasoline used on his farm by a custom operator or a neighbor in connection with cultivating the soil, or raising or harvesting a crop.

Law Sets Amount
Under the law enacted April 2, 1956, the amount claimable this year is two cents on each gallon of gasoline purchased and used on a farm for farming purposes during the first 6 months of 1956. In future years claims will be filed for a full 12-month period from July 1 through June 30.

Claims must be filed on Internal Revenue Service Form 2240. It may be obtained from county agents or district directors of Internal Revenue. Date for filing for this year's refund is after June 30, but not later than October 10.

The law does not permit payment of claims filed late.

Records Are Required
Refund claims must not be

made for gasoline used off the farm, according to the specialist, or for gasoline used for other than actual farming purposes.

This applies to gasoline used on the highway, for personal use such as mowing the lawn, or for processing, packaging, freezing or canning operations. Sufficient records should be kept to enable the Internal Revenue Service to verify the accuracy of the refund claimed.

Miss Cora Bartlett of 708 E. Lake has returned to her home after a visit with relatives in Phoenix, Ariz.

final use in the home for space heating.

Finally, power experts are agreed that there will never be enough current available to meet the needs of space heating and if electricity for this purpose were curtailed it would not be necessary to provide such large amounts of power in an area (TVA) which already has more current than like areas in other parts of the U. S. A.

So there you have it! To the facts that TVA was financed with taxpayer's money, that it pays only token local taxes and no Federal taxes, we now find that it misuses electric power for home and space heating at greatly-increased, unnecessary expense to the nation's taxpayers.

The great "yard-stick" provides luxury heat for the favored few at the expense of the unfavored many. Surely TVA is a "yard-stick," but contrary to the claim of its proponents, is one that proves public power is costly, unsound and impractical.

Mr. and Mrs. J. L. Murphy and three children of Oklahoma City spent Tuesday night with their niece, Mrs. Jim Dudley.

TERRY COUNTY FRIENDS OF

Senator A. M. Aikin, Jr.

1. Author of Gilmer-Aikin Bill . . . The Bill Which Has Meant Much To Public Education in Texas.
2. Original Author of Farm-to-Market road Legislation.
3. Sponsor of Constitutional Amendment Which Puts State On Cash Basis

**URGE YOU TO
VOTE FOR AND SUPPORT HIM
AS CANDIDATE FOR**

Lieutenant Governor of Texas

SENATOR A. M. AIKIN'S 23 YEAR RECORD AS A LEGISLATOR

Co-Author Gilmer-Aikin Bills which have brought Texas to the forefront in Education.

One of the original authors of farm-to-market roads legislation and co-author of the Colson-Briscoe Bill, allocating 15 million dollars each year to farm-to-market roads.

Sponsor of Constitutional amendment which put state on cash basis, providing legislature cannot spend more than is available.

Operates a small business himself and knows problems of small businesses.

Has consistently supported gasoline tax refund for farmers and has opposed every attempt to repeal it.

Has consistently supported legislation for the following:

State hospitals — School for the Blind — School for the Deaf — Special Education for retarded children — State Employees Retirement system — Legislation for Firemen and Policemen — Legislation for National Guard Armory Board — Legislation for the Judiciary — Legislation for Junior Colleges and other institutions of higher learning.

His unquestioned record of 23 years of legislative experience — 4 years in House of Representatives and 19 years in Texas Senate — qualifies him to be elected Lieutenant Governor, whose principal duty is to preside over the Senate.

He was born in Red River County at Akin Grove. His father moved to Milton in Lamar County when he was two years old. He grew up there, finished ten grades in a three-teacher school, and rode horseback 4 miles to finish high school at Deport in 1923. He attended Paris Junior College, where he milked cows for his room and board. In 1931 he went back to school, was graduated from Cumberland University, in 1932, with LLB Degree. He is married to the former Miss Welma Morphey and they have one son, Bobby, age nine.

Highlights —

(Continued From Page 2)
Search League works quietly. Their aim is better state government. Election winners, whoever they are, likely will have cause to use the league's exhaustive fact-finding survey. Only three years old, TRL already has provided Texas taxpayers with nearly a million dollars worth of services. All for free. Big businessmen are footing the bill.

Ben C. Belt, president of Gulf Oil Corporation, Houston, is chairman of the 72-member board of directors. Alvin A.

Burger, a nationally-recognized government research expert, is executive director. A modest office suite two blocks west of the Capitol houses the 21-member staff.

TRL was set up as a non-profit, non-political, educational corporation. It is prohibited by its charter from lobbying for the adoption of any of its recommendations. It can undertake a survey only at the request of the department concerned.

Apparently these restrictions have not hampered its effectiveness. While its analyses may turn up faults and criticisms,

state agencies are standing in line for its services. Recommendations from surveys made so far have resulted in far-reaching administrative and legislative changes.

Agencies now working toward league-suggested goals include the state hospital system, University of Texas, and the public school financing (Gilmer-Aikin) program.

A State Library Commission survey is to be ready in about two weeks. Reports on the Department of Public Safety and Board of Control are to be completed by the end of summer. A mammoth State Highway Department analysis is due for release in September.

Stated for beginning in 1957 are studies of the Department of Public Welfare and the Youth Development Council.

Shepperd Urges Action — Atty. Gen. John Ben Shepperd has urged the House Investigating Committee to conduct full on-the-ground hearings to uncover elections frauds in Duval and surrounding counties.

Shepperd's comment on the situation came as the result of a wire Rep. Wade Spilman, chairman of the committee, sent to C. B. Dick of Laredo. Dick had requested an investigation of absentee voting practices in Webb, Zapata, Jim Hogg, Duval and Starr Counties.

In a wire to Spilman, Shepperd cited a group of bills introduced in the last legislature, at the request of his office, and the Texas Press Association. The measures, he pointed out, would eliminate such situations as now exist in the South Texas area.

All the bills, Shepperd said, failed to win legislative approval.

"Since 1953, we have tried to interest legislative agencies in the cleanup of Duval, and your committee will discover, as we did, that the same thing that happened there can happen in any county where a political boss can control election officials and machinery and the judicial processes," Shepperd said.

The bills to which he referred would open meetings of public agencies, allow full inspection of public records, protect reporter's sources of in-

HEY!—Have You Tried a News Herald Classified Ad—They Get Results — Phone 2188.

formation, require full publication of financial statements of counties and school districts, require an audit upon proper petition by taxpayers, providing of official finances or theft of public funds or records, and give venue in adjoining counties in case of theft of public funds.

More Drought Aid Sought—A committee of 175 Texas agricultural leaders, called together by Ag. Comm. John C. White, is working for two-way expansion of federal drought assistance.

Goals include a six-point credit program and direct subsidies of \$10 a ton for buying hay and other roughage.

County Judge W. S. Pickett of Karnes County heads an 11-member group designated to push the program.

Right Of Way Buying Urged — Getting the "right of way" is the only major obstacle likely

to delay the federal highway building program in Texas.

Enough road building equipment now is on hand to double the present work capacity within two years, said members of the Texas Highway Branch of Associated General Contractors.

Cities and counties which can do so were urged to buy up roadway immediately.

Other needs foreseen by the industry include the use of prestressed concrete, to get around the steel shortage; and higher state salaries for beginning engineers, in order to compete with federal employers.

Short Snorts—Dr. J. W. Ed-

gar, Texas Commissioner of Education, has been chosen to receive the 1956 A. Harris & Co. Texas Award, presented annually to the Texan who has contributed significantly to the advancement of American Life. Presentation will be made Aug. 4, in Dallas. . . . Thirty-nine new industries were established in Texas during the first quarter of '56, announced the University of Texas Bureau of Business Research. In addition, 71 companies expanded. . . . Texas savings and loan companies have made fewer loans, and for less money, in 1956. Total loans dropped 10 per cent in number, and 13 per cent in value, from 1955, ac-

J. O. GILLHAM
Our
STATE
REPRESENTATIVE**

98th District

—J. O. GILLHAM—

HE DESERVES TO WIN ON HIS OWN RECORD OF ACCOMPLISHMENTS

He is a native Texan and has been a resident of West Texas all of his adult life, and has constantly insisted on a fair deal for West Texas since he has been a member of the Legislature.

He is a successful business man of unquestioned ability, honor and integrity.

He has an outstanding record of accomplishments during his four years as our Representative, and has become one of the leaders of the House of Representatives and is a member of all top Committees of the House. He knows how and can get things done for us in Austin.

He is not the candidate of any person, group or organization, but constantly works for the overall good of the people of his district and the State of Texas.

He is a life-long Democrat and has always supported the Democratic party, sincerely believing that the Democratic party is best for the people of Texas.

LET'S TAKE A LOOK AT THE RECORD . . .

EDUCATION: He has been a real friend of education. He was co-author of Teachers pay raise bill in special session in 1954, helped to pass the teachers' pension constitutional resolution and is advocating its approval by the people this fall; author of bill which created Commission on Higher Education; sponsored committee amendment to general appropriations bill which placed our Junior Colleges on sound financial base; voted for increased appropriations for our Senior Colleges and Universities which has enabled them to meet constantly increasing enrollments; voted for increased appropriations for our penal system which has made it one of the best penal systems in the country and which has made it 75 per cent self-sustaining.

BUSINESS AND GENERAL LEGISLATION: Author of Committee bill which regulates retail sales at below cost, which has been of great help to small independent merchants. Co-author of Small Claims Court Law which has been very helpful to business men on the collection of small accounts; co-author of new probate code, co-author of Parks Improvements law; co-author of new partnership law; co-author of law giving equal treatment to Korean War Veterans; voted for increased funds for Highways and farm-to-market roads.

CLEAN GOVERNMENT: Mr. Gillham was the co-author of the House resolution which created the House Investigating Committee which has made a thorough investigation of the Veterans Land Scandals and the Insurance Scandals. He also sponsored a bill which completely reorganized the Veterans' Land Board. He also voted to submit to the people a constitutional amendment this fall which will give the Veterans' Land Board an additional sum to lend to veterans. He believes that the many thousands of veterans who have not yet had the opportunity to participate in the program should have that opportunity, for he believes the program is sound if properly administered. He was the co-author also of HB240 which passed in the House but was killed by the Senate. This bill would have saved U. S. Trust & Guaranty Co. investors more than one million dollars.

WATER AND CONSERVATION: Mr. Gillham has been a member of the Conservation and Reclamation Committee of the House which handles all water legislation. He has actively supported water conservation legislation, but has been constantly alert to the protection of the rights of his people on the high plains. He killed in the House the constitutional amendment resolution which would have imposed an ad valorem tax of 3¢ per \$100.00 valuation, on all the real estate and personal property of every Texas citizen. Mr. Gillham argued that it was unfair to place a tax upon those who would never benefit from dams on our rivers, from which we could never get a drop of water. After a hard fight, the House turned down the proposition by a three-to-one vote.

TAXES: Believing in a balanced budget, Mr. Gillham insisted on appropriations being met by sufficient taxes. He also believes in fair and equal taxes, therefore voted to raise beer taxes from 37½¢ per barrel to \$3.35 per barrel; voted against a 2¢ gasoline tax; voted for two increases in corporation franchise taxes even though these directly affected him. Voted twice against a general sales tax and a state income tax.

IN WYOMING—A/B James T. Billingsley of Brownfield is training as in the Teletype operator Specialist course at Warren AFB, Wyo. son of Mr. and Mrs. J. T. Billingsley, Airman Billingsley will complete his basic training while attending technical school at Warren. After graduation he will assume duties with the Air Force in his field of specialty.

50,000 Dozen Eggs Needed Annually To Provide A Living

How many hens are needed to provide a living income for the producer? The answer to this frequently asked question involves not only hen numbers but more important, says Ben Wormeli, extension poultry husbandman, is the number of eggs required each week to earn the expected living income.

It is generally considered, says the specialist, that about 50,000 dozens of eggs are required to earn a living for a poultryman. Production on a weekly basis would need average about 1,000 dozens.

If average earnings were five cents a dozen, this production would return to the producer \$50 each week. Since feed and flock depreciation represent about 90 percent of the cost of producing eggs, the successful producer should concentrate on these two items of management.

To produce 52,000 dozens of eggs in a year with hens that average 17 dozens of eggs

each, about 56 percent production, the poultryman would need a flock of slightly more than 3,000 laying hens in production the year-round. Since mortality and culling will take out about 20 percent of the hens during the laying year, the poultryman will have the equivalent of a 12 months production from 90 percent of the pullets housed, points out Wormeli.

By upping the rate of lay per hen, the total number required to produce the 1,000 dozens of eggs each week can be cut. Too, says the specialist, it is just good

business for the poultryman to carefully estimate his average costs and earnings and thus set a reasonable potential profit per dozen.

Too, Wormeli urges egg producers to seek a dependable graded egg market where he can get full pay for producing egg of top quality. By starting replacement chicks several times each year, the producer can maintain both uniform marketing or egg volume and income from his egg business. Thus making his living income more stable.

Tests Disprove Cowmen's Fears

A fear expressed by some Texas cattlemen that selecting replacements for breeding herds on the basis of weaning weight would tend to lower the quality or grade of the herd has not proved true in initial reports from cooperating cattle producers.

On the contrary, Texas A&M College System Animal Husbandmen, L. D. Wythe, L. A. Maddox, Jr., and J. K. Riggs, report a definite relationship between high weaning weight and high grade among the 929 Hereford and Angus calves processed in the first studies. All calves guarding Fancy had an average weaning weight of 442 pounds as compared with 413 pounds for all calves grading good.

They also found that heifer calves tended to grade higher than bull calves of the same age with 19.5 percent of the heifers grading Fancy compared to 12.6 percent for all bull calves graded.

Another finding were that cows 2 to 3 years of age and over 10 years at the time their calves were dropped, weaned lighter calves than cows 4 to 9 years of age. Also that in a herd where replacement heifers had been selected on the basis of weaning weight and yearling gain as well as grade since 1953, 20 calves from 2-year old heifers sired by known high-gaining bulls weighed only 3 pounds less than those from cows in the same herd ranging in age from 4 to 8 years of

age. The animal husbandmen say the early results are a strong indication that rapid progress can be made in both weaning weight and conformation grade when a program as outlined in Texas Bulletin 809 is put into practice.

More loadspace for your money! Ford's F-100 Pickups now offered in two body lengths. New 8-foot box on 118-inch wheelbase gives up to 19 cu. ft. more capacity than any other half-tonner. Regular 6 1/2-foot box on 110-inch wheelbase is one of roomiest in its class with a full 45 cu. ft. capacity. New 2-stage rear springs give smooth ride, loaded or light.

LOOKING FOR THE LOWEST-COST TRUCK?

Take a tip from the men who buy trucks every year!

The big truck fleets buy more Fords than any other make!

The big fleets have the cost records. They know which trucks cost less to buy and run. They know which trucks are the most dependable. And official registration figures show that more big fleets choose Ford than any other make.

When you decide to go Ford, you certainly get comforting assurance that you've picked the right truck!

Low truck costs are just as important to big fleet users as they are to you. And, when fleet buyers favor Ford, you can be sure they've checked all cost factors. You can be sure they've found that Ford trucks cost less.

First cost is low. Resale values are high. Ford's modern Short Stroke engines keep running costs down. And a 10-million truck study proves that Ford trucks last longer.

See your Ford Dealer soon. Buy with confidence, drive with confidence, and SAVE with confidence.

Ford's rugged T-800 is a real money-maker! Chosen from two heavy-duty V-8's, developing 260 and 212 horsepower. Both are equipped with sodium-cooled exhaust valves that last as much as five times longer! Power steering and tachometer standard at no extra cost.

Come in and see us NOW!

SPECIALIST SAYS

'Never Enough of High Quality Alfalfa'

Alfalfa is a crop of varied farm uses. It is important in Texas as a source of hay, pasture and seed and also as a soil improving crop. Its blossoms provide bees with a prime source of nectar for honey.

E. N. Trew, extension pasture specialist, says the supply of high quality alfalfa has never seems to be adequate. As a pasture crop, it is excellent alone for hogs but for cattle and sheep is usually used in mixtures with grasses. Its excellence as a soil improving crop is well established.

Alfalfa does best, says Trew, on fertile, well drained alkaline and of medium texture. With applications of lime and plenty of fertilizer, it is being grown on acid, sandy soils in East Texas.

The most widely adapted varieties are the "Common" varieties, Texas, Southwestern and Barstow. These varieties are recommended for all of Texas except for the area south of a line east and west through College Station and

MYSTERY FARM NO. 43 — There's divided opinion on the ownership of last week's MF. It could belong to H. R. Fox. At least three persons think so. They are Thelma Fox of Route 4 (H. R.'s niece), Herman Wheatley, Jr., of Johnson community, and James Cloe of 1201 Tahoka Road, in that order of time.

San Antonio. For this section, Hairy Peruvian, Indian and African make more winter growth and more total yield than do the "Common" varieties. Arizona Chilean may also be used in this area.

Ranger and Buffalo are grown in the Rolling and high Plains areas for seed but have no advantage over the "Common" varieties in forage production. Prostrate varieties for pasture have not been successful in Texas, says Trew.

Fall seeding is best for establishing alfalfa stands. The

seedbed should be firm, clean and moist. Seed may be planted in dead stubble in areas where wind or blowing sand is likely to damage the young plants. Alfalfa needs plenty of potash and phosphorus as well as calcium. A soil test will determine these needs.

Trew says from 15 to 20 pounds of good seed should be seeded per acre. If planted in 36 to 42 inch rows for grazing in dry areas, from two to three pounds of seed per acre should be used. Only certified seed should be planted and it should be inoculated just prior to

Announce Exam For Sub Clerk-Carrier

The U. S. Civil Service Commission has announced examinations for Substitute Clerk-Carrier for employment in the Brownfield, Post Office.

Postmaster Joe L. Shelton states that there is no immediate position open in the Brownfield office, this examination is being held in first, second and third class offices in the states of Texas, Oklahoma, Louisiana and Arkansas, for the purpose of establishing registers from which appointments may be made if and when openings do occur.

Further information and application forms 5000AB may be obtained at the post office.

planting. And finally, Trew says, don't plant alfalfa on land infested with cotton root rot.

Farming Angle—

(Continued from Page 1)
the U. S. total crop, and only one per cent less than Texas had last year.

Spotted alfalfa aphids, which struck quickly here in Terry several months ago, soon may be up against it. Lahontan, an alfalfa variety developed for resistance to stem nematode and bacterial wilt, now is being used to develop new varieties resistant to those crop-destroying pests.

National average wheat price support for 1957 will be \$2 a bushel. The unit rate for

determining payments under the wheat acreage reserve of the soil bank next year will be 60 per cent of that, or \$1.20 a bushel.

You can graze livestock on land put into the Soil Bank acreage reserve this year, if (1) you live in a county designated as a drought disaster area, (2) the governor of the state certifies there is need for grazing, and (3) the secretary of agriculture consents. You still get payments on the land put into the soil bank when you graze it with permission.

You are entitled to a refund

of two cents a gallon all gasoline used on your farm for farming purposes during the first six months of 1956, but you must make application for it before Oct. 1.

You can include — on the form—all gasoline used in tractors, for grinding and drying grains, and for trucks operated on the farm. No refund will be made for gasoline used in trucks operating on the public highways. Internal Revenue says you must be able to "verify the accuracy" of your claim.

POL ADV

Leading the parade!

Ralph Yarborough Is FOR:

- A \$30 per month raise in old age pensions—for the fathers and mothers, the builders, of Texas.
- A real water conservation program.
- A real soil conservation program.
- More and better schools.
- Higher teacher pay (and the retirement pay raise to be voted on in the fall).
- A real youth development program.
- A real juvenile delinquency program.
- A real anti-narcotics law for Texas, with the strongest possible penalty for heroin peddlers.
- A lobby registration law.
- Adequate legislative pay.
- Higher workmen's compensation and better industrial safety laws.
- Expanded public health and hospitalization.
- An honest program for Veterans Benefits.
- Modern medical treatment for the mentally ill.
- State to pay fair share of cost of rights-of-way for State Highways.
- More and better rural electrification, farm-to-market roads and highways.

Ralph Yarborough OPPOSES:

- Any additional State sales taxes or any State income tax.
- ★ ... AND HE WILL CLEAN UP THE CORRUPT MESS IN AUSTINI
