**TOM REAVLEY**  
Oilman-Businessman Banquet Speaker

Texas Secretary of State Tom Reavley will appear here Oct. 11 before some 500 persons attending the annual Oilman-Businessman Banquet.

The secretary will be introduced by Al Muldrow of Brownfield, whom Reavley succeeded at Austin. The speaker will be flown to Lubbock by Honolulu Oil Company and brought here by car.

Committeemen this week pushed their final plans for the banquet, to get under way at 6:30 p.m., next Thursday in Veterans Hall. As he has many times in the past, J. E. (Buddy) Gillham, Brownfield State Bank officer, will be in charge of the barbecue.

General Chairman John Hansard said this morning that some of the entertainment will be provided by Miss Janiece Meek, singer-accordionist, and daughter of Mr. and Mrs. R. D. Meek of Seagraves Road.

The district supervisor of Honolulu, T. C. Williams of Brownfield will emcee the annual banquet, said Hansard.

In addition to the banquet, participation by Brownfield oil firms in the annual Harvest Festival week will be marked by open house at several of the businesses sites. Open house date: Oct. 16. Doors of the co-operating firms will be marked by huge yellow-blue banners, Hansard explained.

Miss Oil Progress of 1956—she's Kay Kessinger and she'll get her crown the night of the banquet. To date, Miss Kessinger has tallied 34,700 votes in her race also to be named Harvest Festival queen.

The other two contenders in that race are Miss Sarita Serenil, with 10,000 votes to date, and Miss Janith Spears, 20,500. Rotarian Leonard Ellington is in charge of the count.

During the period Oct. 10-17, all Brownfield service stations will take part in a "Hats Off!" campaign. The hats will be doffed to their customers.

During the week, customers will be given free good will booklets, each marked with a number. Holder of the lucky number at the end of the period will receive \$25 cash, said Hansard.

Reavley was born in Wood County, reared in Nacogdoches, where he attended high school. He also attended Stephen F. Austin State College and then received his BA from Texas University.

After three years in the U. S. Navy during World War II, Reavley was assistant district attorney of Dallas County. Later he became county attorney in Nacogdoches County.

## Brotherhood Clinic Scheduled Monday In Meadow Church

Officers and members of Brownfield Association Brotherhood will attend a clinic at 7:30 p.m., Monday, in First Baptist Church at Meadow.

The Monday session was announced this morning by J. T. Fulford of Meadow, president of BAB, which includes Terry and Lynn counties.

Said Fulford: "It will be of immense value to us for our brotherhood officers and members to attend this clinic. The more we know about our work, the better we can do."

After supper, and a song and praise service, including Scripture and prayer, the members will be divided into groups for conference, explained Fulford.

Addressing the presidents and pastors, will be Dr. L. H. Tapscott of Dallas, executive secretary of the state brotherhood.

Judson Burnett of Levelland, district brotherhood president, will confer with membership vice-president, secretaries, treasurers and membership committee.

The program vice-presidents and choristers will hear Dr. Franklin Swanner of Plainview, district secretary.

Activities vice-presidents, chairman and members of all brotherhood committees—these groups will meet with Fulford. The Rev. John Rankin of Anton will talk with Royal Ambassador leaders and sponsors.

After a business session, the Rev. Melvin Rathael of Lubbock will deliver an inspirational message.

## Dollar Day Winners Selected by Draw

Following are winners of \$10 merchandise certificates by Monday's Dollar Day drawings.

Mrs. Pearl Polk of PO Box 984 (Klein's), Tom Luckey of 1006 Tahoka Road (Furr's), Mrs. E. W. Rambo of 301 East Tate (Dunlap's), Wana Trout of Tokio Community (Shelton's), Mrs. D. Hunter of 517 South Third (Franklin's).

Mrs. J. T. Clements of 501 East Lons (Bob's Shoes), Mrs. J. H. Gober of Meadow (Bayless Jewelry), Mrs. Glynn Brown of Route 3 (Cobb's), Mrs. J. J. ## PULLERS NEEDED

### Bale Count Climbs As Cotton Matures

Here's the latest tally of bales turned out by the 17 gins in Terry County: 19,160 as of noon Wednesday.

The figure was compiled this morning by Aubrey T. Jones of the Texas Employment Commission, who added:

"We need more cotton pullers immediately." At the peak, some 4,000 Mexican nationals are required by Terry farmers, explained the TEC official.

Six gins in Yoakum have produced 4,145 bales to date, said Jones, who's estimating that the neighboring county will harvest 19,000 this year. Of the final count here, Jones said, "I'm sticking to my guess of 72,000 bales. If the wrong kind of weather doesn't hit us, I might raise that figure."

## QB Club To Sponsor Auto Caravan For Friday Night Game

The Brownfield Quarterback Club, at its regular Monday night meeting, voted to lead a caravan of football fans to Lamesa Friday night to see the football game between the Lamesa Golden Tornadoes and the Brownfield Cubs.

This will be the first road game for the Cubs and all fans who are interested in driving in the caravan are See QUARTERBACK, Page 8

## New Locations Are Announced

Three locations and two completions marked oil activity last week in Terry County.

In the Prentice 6700 Field, Joseph I. O'Neill Jr. No. 6-C Covington-West has been spotted 2,690 feet from north and 1,980 feet from west lines of Section 23, Block 4-14, S&M Survey.

Operations will be on a 320-acre lease, 9 miles north of Tokio townsite, with rotary tools scheduled to go 6,800 feet.

Great Western Drilling Company's 10-A Brit Clare is to be located 1,030 feet from south and 1,345 feet from west lines of Section 22, Block 4-14, C&M Survey, on 320-acre lease, 7 miles north of Tokio, rotary to 6,800 feet. Field is the Prentice 6700.

In the Prentice-West Field, the Joseph I. O'Neill Jr. No. 5-C Covington-West is spotted 2,913 feet from north and 660 feet from west lines of Section 23, Block D-14, C&M Survey, on 320 acres, 9 miles north of Tokio, rotary to 6,800 feet.

Honolulu 22-B Alexander, 440 feet from south and 1,980 feet from west lines of Section 18, Block K, PSL Survey, has been completed as a pumper, with operator drawing 115 barrels of oil a day. Gas-oil ratio was 318-1, with no water. Gravity was 29.6. Top of the pay is 6,537, and total depth, 6,780. It is in the Prentice Field.

In the Prentice-Lower Clear Fork, Kay Kimbell 1-B S. T. Murphy, 660 feet from south and 440 feet from west lines of Section 22, Block K, PSL Survey, operator pumped 233-75 barrels of oil in 24 hours.

## NEW MEXICO DEMO GATHERING

### Big Rally To Attract Brownfield Group

At least 50 Brownfield persons are expected to take part Oct. 14 in a huge Democratic rally at the ranch home of Mr. and Mrs. U. D. Sawyer of Crossroads, N. M.

Among top-drawer Democrats which the Brownfield party is to see will be Paul Butler of South Bend, Ind., national Democratic chairman. His hostess, Mrs. Sawyer, is national committeewoman from New Mexico.

Invitations to the annual event have been issued to U. S. Senator Lyndon Johnson, House Speaker Sam Rayburn, all of New Mexico's congressmen and senators, and T. E. Brown of Artesia, national committeeman.

Between 400 and 500 persons from New Mexico and West Texas are expected, said Mrs. Sawyer. The business meeting will get under way at 3 p.m., or shortly after Butler arrives by car from Lubbock. It will follow a barbecue lunch, scheduled for approximately 12:30.

## Teenagers' Burglary Marathon Brought To Dismal Ending By Brownfield Police

Apparently determined to beat any and all known records, two Brownfield youths, 13 and 14, burglarized 19 Brownfield business firms this week before hard-pressed police could halt the dismal marathon.

Immediate goal of the fleet-footed pair, said Police Chief Nolan Lassiter, was money for attending Panhandle-South Plains Fair.

Loot from the first four businesses enabled them to have their day at the fair. After that, broke but experienced, the duo got down to business.

Firms burglarized were Cliff's Western Wear, Panhandle Service Station on Lubbock Road, Miller's Cafe, Graves Magnolia Station, City Cleaners, Cinderella Beauty Shop, Gene Gunn Tire Store, DeLuxe Cleaners, Model Dry Goods, George & Nellie's Cafe, Lions Ball Park concession stand, Griffith's Variety, Jack Bailey Chevrollet, Jack Hamilton Tire (twice) Ray's Cleaners, Broadway Cleaners, and J. B. Knight Furniture, Hardware and Implement stores.

The youths are to appear for hearing at 9 a.m., Tuesday, before Juvenile Judge Ches-shir. On the same day, another Brownfield youth will appear for hearing of a charge of theft exceeding \$50. The boy is accused with stealing two new Schwinn bicycles.

A total of nine thefts occupied Brownfield police this week. Four were solved in short order, five are outstanding, said Chief Lassiter.

Four accidents this week raised the year's tally to 112 within the city limits. Deaths from traffic mishaps remain at zero. Injuries for the year total 5.

Violation of the liquor law was charged this week to Leroy Hubbard, Brownfield Negro. Police turned Hubbard over to county officers.

Released from the penitentiary only last May, Joe E. Stedham, 30-year-old Dallas convict pled his trade here this week, passing three checks at Piggly Wiggly.

Brownfield police are holding Stedham for action here. Later, he'll be sent to Dallas where two warrants await him.

Latest in the rash of burglaries this week occurred at A&W Root Beer Stand and at Boston's Super Dog Stand on Lubbock Road. Unsolved, the A&W burglary netted \$80. Some \$7 was taken from the Super Dog Stand.

Charges of carrying a prohibited weapon (pistol) were filed this week by Brownfield police against Nicanor Rodriguez, 30-year-old Mexican male. Rodriguez is a Mexican national, but has lived here since 1952.

James E. Tippit was promoted to sergeant this week. He had been a night-side patrolman. Tippit will be in charge of night police, said Lassiter. Capt. Aaron Zeigler will move over to day-side operations.

Chief Lassiter returned this week from Mineral Wells, where he attended a fire arms school sponsored by the Federal Bureau of Investigation.

## ASC Committeemen Named by Farmers

Terry farmers have elected their 1956-57 ASC community and county committeemen. Returns were tallied in the office of Looe Miller by the ASC election board. Results:

Meadow—Clois Sharp, W. I. Walker and Ben Finley; Chal-lis—Bill Marchbanks, Hubert Hinson and J. T. Fulford; Pleasant Valley—J. B. Oliver, Alton Webb and Nathan Evans; Union—Robert Luker, Darrell Lewis and Olan Her-ring.

Pool—Charles Tyler, Eddie Bingham and A. O. Waters; Wellman—Sam Oliver, Elmo Adair and A. A. Slaughter; Lahey—Art W. Adair, L. B. Cabe and R. J. Rowden; Tokio—O. A. Pippin, Reg Martin and Ray Jones, and Johnson—Grady Dickson, L. V. Alexander and D. A. Kelly.

County committeemen are Carl Golden, chairman; Paul Roy Barrier, regular member; Homer Barron, first alternate, and R. D. Jones Jr., second alternate.

The Quarterback Club is sponsoring a caravan to Lamesa Friday night for the Cub-Tornado game. There are two good reasons why they would like for you to join the caravan.

First and foremost: It will be much safer driving behind the chief of police at 50 mph, than leaving late and driving 80-90 mph in your car.

Second, your car in this caravan, with streamers flying in the breeze, will add a lot of color and enthusiasm for our boys. They are doing a fine job . . . let's keep up our part by attending every possible game.

## Terry County Farm Bureau Membership Drive Ending Today

The annual membership campaign of Terry County Farm Bureau ends today.

Kick-off meeting for the event was held last Thursday at the Party House, with J. T. (Jake) Fulford, bureau president, emceeing.

After supper, the group listened to Oliver Grote, Texas Farm Bureau field man, who explained that TFB needs 78,000 members to lead the South.

Grote also reminded the membership committee that FB was instrumental in stabilizing the federal minimum wage at \$1, to the exclusion of farm labor.

"Farm labor will be included in any revision of the federal minimum wage law during the next session of Congress, if we do not try our best to prevent it," cautioned the field man.

The TCFB's membership drive this year is being directed by L. M. Waters, Jr., first vice-president.

Waters explained that only members signed by the bureau before Oct. 31 will be counted in the 1956 year. "The more members we have in Terry County Farm Bureau," said Waters, "the more votes we'll be able to cast at the annual convention of TFB." The session will be held in Houston in November.

Officers besides Fulford and Waters are R. D. Jones Jr., vice-president; Alton Loe, secretary-treasurer, and Kelton D. Miller, service agent. The following are directors: Raleigh Luker, Eullice H. Farrar, G. I. Sims, D. C. Flowers, Leon Foote, Delton Tatum, Carl Hogue and Kenneth Purtell.

**IT TOOK HOURS TO DOUSE THIS ONE** — Pictured above is the fire which raged for several hours last Saturday at Joe Christian's Western Grain Company, Fifth and Stewart streets. Of undetermined origin, the blaze destroyed an estimated \$3,000 in hay, feed and seed. Main elevator shown at right was undamaged. The fire was discovered about 5 p.m. Brownfield volunteer firemen fought it until the wee hours of

Sunday morning, when they finally buried the smoking remains by using a bulldozer. It was the second major blaze at a grain company within two weeks. The building was an old frame structure and was razed. There were no reports of injuries. The box car was damaged before it could be pulled away from the fire.

LETTER TO THE EDITOR

Brownfield Ranks High With Visitor

Dear Editor: I would like to give a write-up to the Brownfield NEWS, what I think about Brownfield and the people, etc.

I have been visiting there for some long visits during the past 20 years, and I can see that the district has bloomed in the last 50 years.

I think the people of Brownfield should all be very proud of their nice little city. On my last visit there, I was much surprised to see how Brownfield has grown in the past 20 years.

The people also should be very proud of their wide streets, trees, flowers and good water, homes and business buildings.

I found the business and professional people there very congenial—and I also found some Samaritans there.

I have lived in larger cities, but none of any nicer people than in Brownfield. I am now living in Dallas, but hope to visit Brownfield sometime in the future.

P. S. I don't write a very plain hand, but if you think this to be satisfactory for printing in your paper, you may do so. I think you put out a fine paper for the size of the town.

Sincerely yours, Bertha M. Aren 520 Rosemary Lane, Dallas, Tex.

TOTAL DESTRUCTION WILL BE THE RESULT — Fire struck last Saturday at a unit of Western Grain Company, Fifth and Stewart streets. An estimated \$3,000 in grain, hay and seed was destroyed by the blaze shown above. Discovered about 5 p.m., Brownfield volunteer firemen finally won out in the early Sunday morning hours. They were forced to use a bulldozer for burying the smoldering ruins. Owner Joe Christian said the contents of the building were a total loss. The old-frame structure was burned to the ground. (Staff Photo)

NEW GREETER — Henceforth, new arrivals in Brownfield will be greeted by Mrs. Hal Roche, left, on the part of the many business firms. Mrs. Roche is assuming her duties as head of the Newcomer's Association. She's succeeding Mrs. Woody Frymire, shown with her. Purpose of the association is to greet new residents and present them with certificates for gifts from Brownfield merchants. (Staff Photo)

Mr. and Mrs. George Ellis will leave the last of the week to visit with her mother in Oklahoma.

A birthday dinner Sunday in the T. L. Nipp home was in honor of four members of the family who have birthdays within ten days of each other. Honored were both Rev. and Mrs. T. L. Nipp, Billy Nipp, and Mrs. Nipp's sister, Mrs. H. M. Cook, of Seagraves.

Those attending besides the honorees were Mr. and Mrs. Bill Gilchrist and daughter, Diane, of Midland, Mrs. C. L. Sikes of Ackerly, H. M. Cook of Seagraves, and Tommy Nipp.

W. M. U. of the Gomez Baptist Church met Monday afternoon at the church.

Mrs. Kellie Sears, president, conducted the business session. Plans were made for the Brownfield Baptist Association Workers Conference which will meet at the Gomez church in October.

The chairman of the various committees to the W. M. U. discussed their duties and functions in the organization. In the election of officers

### Wednesday Day For Tex Carson Circus

Early next Wednesday morning the Tex Carson Wild Animal Circus will start to roll into Brownfield to begin the days festivities, that has been looked forward to by all the children and, most of the grown-ups as well.

Everyone is invited to the morning hours to see the show and the erection of the top, where men, elephants and automatic machinery combine to quickly build the city of canvas.

At 10 a.m. all children are invited to come out and see the many animals fed and watered, an education in natural history for all.

Trapeze artists, acrobats, jugglers, wire walkers, clowns, elephants, horses, ponies, performing bears and chimps, help to round out a big two hour program that is guaranteed to please all.

As a special feature on the midway will be Lotus, 4-ton hippopotamus, said to be the largest on tour, also a mother gorilla and baby, the only ones on the road this season.

Two performances will be presented, at 2:30 and 8 p.m. and at a special reduced admission price to all, children 50c and adults 90c which includes all tax.

The elephants will be down town at noon circus day . . .

### Colonial Heights PTA Will Meet October 11

Colonial Heights Parent Teachers Association will meet at 7:30 p.m. Oct. 11 in the school cafeteria.

The program will continue the new study-discussion series and will be on "Feeling of Security and Adequacy in Children," under the direction of Mrs. E. L. Barnes.

All parents are urged to attend. A nursery will be provided for the care of children.

**AERIALIST**—pictured above is Miss Wanda Moore, featured aerialist, who will thrill patrons attending the Tex Carson Circus coming to Brownfield for two performances, 2:30 and 8 p.m. on Wednesday, Oct. 10, sponsored by the Jaycees.

### Pool Personals

Rev. Alton West preached here Sunday with 43 present in the services. Rev. and Mrs. West and family visited with Mr. and Mrs. Neil Barrier and Kathy Sunday evening.

Dinner guests with Mr. and Mrs. Junior Biggs and son Sunday were Mr. and Mrs. Leroy Barrier and boys, Mr. and Mrs. Bradley Seaton and daughter of Lubbock, Marcia Dunn, and Walter Brison of Brownfield.

Mr. and Mrs. L. T. Redding and family of Brownfield visited Sunday with Mr. and Mrs. Otis Aldridge.

Mr. and Mrs. James Trim

### Stewardship Play Given by Circles

The circles of the Calvary Baptist Church met at the church for a regular business meeting.

"Our Best" was sung by the group.

Mrs. Alton McKee read the calendar of prayer for the missionaries and Mrs. Warren Stowe led in prayer for the missionaries. A Stewardship playlet "Stewardship Journey" was put on by Mrs. Oscar Decker. With the help of Mrs. Cecil George and Mrs. Lovella Todd. The different committee chairmen gave plans for the coming year. The meeting was closed with prayer by Mrs. Earl George.

Those present: Mmes. L. T. Redding, W. D. Pierson, Alton McKee, Lovella Todd, Oscar Decker, Warren Stowe, W. J. Stokes, Ben Stokes, Tommy Shipman, Bryon Cabbiness, J. B. Marsh, Earl George, Cecil George, Norris Phillips, Alton Garner and Mary Howell.

and family of Brownfield Beverly Brown visited Mr. and Mrs. J. M. Trussell Sunday.

Mr. and Mrs. E. J. Duncan and girls ate Sunday dinner with their son, Elvico, and family.

Visiting in the home of Mr. and Mrs. M. C. Wade Sunday were Mr. and Mrs. Jesse Blackerly and son, Alton, of Seminole, Mr. and Mrs. R. A. Whitley and Mr. and Mrs. J. W. Wade and children, Susie and Butch, of Brownfield.

Mr. and Mrs. Gene Joplin of Seagraves visited Saturday night with her mother, Mrs. Martha Howard, and Johnny.

W. M. U. met Monday for an all day week of prayer program with Mrs. Junior Biggs. The ladies carried covered dishes and spread lunch together.

Mrs. Martha Howard was in charge of the meeting. Others attending were Mesdames M. C. Wade, Alton West, Neil Barrier, Harold Crooks, Leroy

**MOVING TO HARLINGEN** — The Ed Rogers family, residents of Brownfield since August of 1953, will leave next week to make their home in Harlingen, where Rogers will be educational director of the First Baptist Church, the position he held in the church here. A graduate of public schools and Junior College at Hillsboro, Rogers received his BA degree from Baylor University in 1938 and taught school and coached at Bastrop and La Porte before entering the Navy in July of 1942. Following his service, he entered Southwest Baptist Seminary in Fort Worth and received his master of religious education and bachelor of sacred music degrees from the seminary. Prior to coming to Brownfield, he served as educational director at the First Baptist Church at Carlsbad, N. M. Rogers is pictured here with his wife, Anna Beth, and children, Martha 12, Paul 9, and Donnabeth 6. (Staff Photo)

What a revolting development this is. Somewhere in the shuffle I lost my list of notes for this week's column and, being the slow-witted dope that I am, I haven't the remotest idea what I had jotted down. So I'm taking a last ditch (and last minute) stand and trying to rack my brain for something to fill up the space with.

First off, don't forget that next week, Oct. 7-13, is Fire Prevention Week. This is an ideal time to check around

Barrier, E. J. Duncan, and Elvico Duncan.

your home for fire hazards, within and without. This, of course, includes being sure that the wiring in your home is adequate and safe.

In these days of modern conveniences, when there is an appliance to cover every phase of housekeeping and living, there is heavier strain on your electricity circuit boxes.

If you have any doubt at all about your circuits being over-loaded, don't hesitate to call in an electrician. Be sure to go over your premises thoroughly and participate actively and constructively in

### Fire Prevention Week.

Joining the ranks of "face-lifters-of-fronts-in-Brownfield" is Hoy's Flowers, which is going very modern. And of course, work is going right on at Nelson Pharmacy and the new General Telephone building is going up rapidly. We personally like to see such progress going in Brownfield.

Montgomery Ward is putting the final touches on its building (recently vacated by Lindsey Hardware's automotive parts business) and will have its formal opening Thursday, Friday and Saturday.

Mrs. Woody Frymire, Mrs. Roscoe Huffman and Lola Mae Farris invite you to go by and visit their new business and to take advantage of the many opening specials they'll have to offer you.

Kate and Mon Telford will

### Wellman FHA Will Have Card Sale

The FHA girls received their Christmas cards Monday. They are now selling them. A business meeting will be held Wednesday afternoon at 3:00 p.m. The chapter mothers are invited.

Georgia Faught's sister and brother-in-law, Mr. and Mrs. Harold Russin from Lubbock visited in her home over the week end.

Tommy and Danny Loe's great aunt from Spur, Texas, Mrs. Willie L. Smith, visited in their home over the week end.

Clara Bolen's sister and her husband from Tatum, New Mexico, Mr. and Mrs. Donald Willis, visited in her home Sunday.

Maraget Ingram's aunt, Mrs. Virgil Hodge and her son from Hobbs, N.M., visited in her home Sunday. Also her aunt and uncle Mr. and Mrs. Jake Byler from Mertzon, Texas, visited in her home Sunday.

See you next week. Maraget Ingram F. H. A. Reporter

be taking off for the West Coast very soon to see their new (and only) grandson, Mon III, who was born last week. The new apple-of-the-eye has two older sisters.

We were happy to have the Maids and Matrons Study Club members visit the "salt mine" Tuesday. They seemed eager to learn how we go about putting the News together, although it was old hat to some of the members like Kate Telford, Mrs. Redford Smith, Lois Wingerd and Mrs. Jessie Randall, who have had previous experience with printer's ink.

Don and I were pleased to speak to the ladies on some phases of newspaper work. It was my first such appearance, and, after the way my son and he conducted himself, no doubt my last, unless I promise not to inflict him on them again ever.

It was real nice to have

LYLE SHELTON

MILTON, Fla. — A first solo flight has been made by Navy Ensign Lyle T. Shelton, son of Postmaster and Mrs. Joe Shelton of 406 West Main.

He attended Texas Tech at Lubbock before entering the service. Before leaving the Whiting Field Naval Auxiliary Air Station here, for more advanced training, Shelton will receive instruction in precision air work along with his regular solo flights.

Crawford Burrow drop in to see us Wednesday of this week. As you know, his old ticker gave him a pretty bad time of it recently, but he says his doctor has given him a clean bill of health now and if he takes care of himself, he should be kicking around here for a good long time. We're always happy when things turn out like this, and it's sure swell having you out and about, boy.

Don't pass up an opportunity to get your Harvest Festival tickets, little friends. They have a great list of prizes, a slate of fine entertainment, and three beautiful girls aiming at the queen's crown. And incidentally, if you can't find anyone who'll sell you a ticket, just give me a buzz. I just happen to have a few left.

**DETERMINED**—Who can deny it? Highlight of the CUB-Wildcat game last Friday was the 90-yard sprint down the sideline by Mike Greer (he of the 23 in the left panel). Greer, 'Cat half' tallied the first of three Wildcat TDs in the first half. In the lower panel: Mike Hamilton gains yardage. Later, he plunged over from one foot out for the Cubs' final touchdown. Secret of the Cubs' blazing second-half rampage must have been a prayer and boot from Coach Doug Cox in the dressing room (Staff Photos)

**MEEKES MEANDERS** — A kingpin of last Friday's Cub-Wildcat game, Jackie Meekes, backscats for yardage. Plays later, he tallied his TD of the game. Score: Littlefield 20, Brownfield 19. This Friday, the Cubs play in Lamesa, for their first game away from home. Their foes: the Golden Tornadoes. (Staff Photo)

How many of you noticed the antics of the referee in last Friday's game? From my point of observation it appeared that he was in the midst of a naval training course in semaphore technique. To wit: At one point, during the fourth quarter of play, he gave these signals in order — both sides off sides, backfield in motion, stop the clock, an official's me out and start the clock — then he stepped off a five-yard penalty against Brownfield. Could he be cold and had to wave his arms a bit of increase the blood circulation.

Comes that time again! WORLD SERIES. The classic got underway Wednesday, as you know, and prior to that time the usual odds were set. Seems that each time the Yanks and the Bums meet in a series the odds makers always pick the Yanks as 7.5 favorite to win. This particular edition of the series will carry one different aspect, particularly in the opening game which will be played in Brooklyn tomorrow afternoon (written Tuesday night). The skill and knowledge of an old (as ball players go) moundsman against the strength and ability of a young hitter. The boys who write the stories already have had a field day with the feats of a pitcher who was discarded by two clubs as washed up but has managed to come back and pick up the dream of all pitch-

ers—a no-hitter. This is the old man—the Cinderella Man—Sal (The Barber) Maglie. The youth, Mickey Mantle, leads the league in practically every department going into the series, and it was thought by many that he would break Babe Ruth's home run record this year. It'll be interesting to watch this pitcher to hitter duel in the opener.

Had a brief chat with Taylor Holland last Saturday morning. He was back trying to sell his house and reported that T. H., his son, is playing some pretty good football. Taylor's regards to his many friends here. He misses you.

Could be that Monday night will wind up the current American Legion sponsored wrestling in Brownfield. Heard this morning that this week's card will feature a mixed tag team. Reports are that the match, since being changed to the ball park, have shown some increase in attendance but what with cooler weather coming on that could change. If you could be persuaded to attend Monday's card, you might get an evening of fun for your efforts since some of the boys put on a pretty good show.

**Fierce Cubs Edged by Littlefield Wildcats, 20-19**

A determined and aggressive second half by the Cubs in last Friday's game pulled them within one point of the Littlefield Wildcats who threatened during the first half to overpower the bogged down Brownfield team.

The Wildcats jumped off to a 7-0 lead with the game only minutes old when Mike Greer, Cat halfback, took a punt off the toe of Bob Cloe on his own 10 and tightroped the sidelines for 90 yards and paydirt. Mike

Morris provided the plunge that tallied the extra point. The Wildcats were never headed after that.

Littlefield added two more tallies and an extra point throughout the remainder of the first half, while Brownfield picked up one touchdown to close out the half with the score 20-6.

The Cub's score came late in the second period when Jackie Meekes went over from the 14 after the Cubs had taken over on the Littlefield 26. Bobby Moore missed his attempt to convert for the extra point.

The Cubs took the field in the second half, seemingly a different ball club and proceeded to rack up two touchdowns during the third period. Mike Hamilton passed to Larry Meekes for the first and plow-

on a quarterback sneak for ed over from the one-foot line the second tally.

Moore kicked one for two here and the score stood at 20-19 at the end of the third quarter. During the final period the two clubs swapped action and the game ended with Littlefield running out the clock with straight line touchdowns.

**Boy-Girl Teams Will Highlight Wrestling**

Described as the "most thrilling wrestling event ever staged in Brownfield," two teams of one boy and one girl each will mix it up in a tag match at 8:30 p.m. Monday, in Lions Ball Park.

Top girl wrestlers will participate: Miss Kathy Starr, whom many have seen on television, and Miss Jean Porter, Texas' rough and tumble champion.

The blond wrestler from Canada, Klondike Ike, and the popular Mexican, Pancho Valdez, will comprise the males in the money event.

The team of Starr and Valdez will tangle with Porter and Ike.

To be here from Boston will be Jungle Girl, Mr. Sugi Imoto, the Jap, will have his hands full this week when he takes on Ray Cortez, a newcomer to the Brownfield wrestling scene.

**Mary Jo Hardy Wins In Football Contest**

Mrs. Ted (Mary Jo) Hardy of 415 East Buckley, headed a long list of entrants in last week's NEWS football contest when she correctly picked 21 of a possible 22 winners.

She missed only the tie game between Kansas and College of the Pacific. In second place was Bill Williams of a Rural Route in Brownfield, who had 20 correct choices. Bill was chosen second place winner when his predicted scores of the Texas Tech-Baylor and Brownfield-Littlefield were proven closer than 10 other contestants, who also had 20 correct answers.

Low prize this week goes to

**Mrs. Harvey Gage of 701 East Oak, who had but nine correct answers.**

The points are compiled each week toward a grand total at the end of the current season when the winner will be given a grand prize by the NEWS.

N. L. Mason and Teena Gillham are in the lead after two contests with 37 points each. Following with 36 points each are: Jimmy Rodgers, Ed J. Mayfield, John Jennings, Mrs. Ted Hardy, Mrs. James W. Evans, Bill Cope and J. O. Burnett Jr.

After two weeks there are 127 entrants for the grand prize.

**Cubs, Tornadoes Clash Friday**

The Brownfield Cubs, with a 1-2 record for the season, hit the road for the first time Friday when they travel to Lamesa to take on the Lamesa Tornadoes.

Coach Doug Cox has been gearing the Cubs squad all week to meet a Lamesa team that will outweigh them, and will present a one-two scoring punch in halfback John Middleton and fullback Roger Shipp.

The Golden Tornadoes dropped a 27-12 decision to highly touted Kermit last week but showed stamina and determination even into the waning minutes of the game.

The Cubs meet this same Kermit team in a conference game on Nov. 23, in Cubs Stadium. Kermit is undefeated.

The Cubs will leave for Lamesa about 5:30 Friday afternoon and will make the trip by bus. The Brownfield Quarterback Club is organizing a caravan of fans to attend the game. Tickets are on sale in the office of the school assessor collector in the courthouse, until 11 a.m., Friday. Price: \$1.25. Student tickets are 25 cents if bought here and 50 cents at the gate.

**Union Sacks Spade For the First Win In School's History**

Howard Hungerford, fleet-footed back for the Union sixth grade football team, piled up 115 yards while scoring three touchdowns to lead Union to a decisive 44-30 victory over Spade in Union's second conference game of the season.

The win gave Union a 1-1 standing in the conference and a 1-2 record for the season. Hungerford stepped off distances of 70, 25 and 20 yards in

**Junior High Teams Drop Twin Bill To Denver City Eleven**

The Brownfield Cubs 7th and 8th grade teams hosted Denver City last Thursday night in Cubs Stadium and although the Cubs dropped both ends of the twin bill the 7th grade team managed to hold Denver City to 7 points while the DC 8th graders scored 19 against the 8th grade Cubs.

The 7th grade Cubs led Denver City throughout the first three quarters of play but allowed a breakaway run by Denver City in the last period to provide the tie. The DC conversion was the deciding point

his three touchdown dashes. Wylie Kay, taking two passes (15 and 5 yards) from Al Newsom scored twice. Jimmy Sargent was on the receiving end of a 20-yard pass from Newsom for one touchdown and Newsom scored once on a 4-yard run.

Martin Young, a 5-foot 11-inch senior scored all five of Spade's touchdowns. The game was played at Spade and was the annual Spade homecoming game.

Union Starters: Kermit Shults — LE, Jimmy Sargent — C, Wylie Kay — RE, David Cobe — QB, Al Newsom — HB, Howard Hungerford — HB. Substitutes: Jimmy Howell, defensive halfback; Danny Huddlestone, defensive Guard; Rodney Herring, defensive Right End and Alton Foster, defensive Left End.

## Maid and Matrons Study Club Has Tour of Newspaper Plant, Program

Maid and Matrons Study Club met Tuesday, Oct. 2, at the Seleta Jane Brownfield clubhouse at 3:30 p.m. Hostesses were Mrs. A. R. Smith and Mrs. Roy Wingerd.

Program chairman was Mrs. W. J. Spreen. The group went on a tour of the Brownfield News plant, conducted by the publisher, Curtis Sterling, the editor in chief, Don Bynum, the advertising manager, Mary Dee Mason, and the shop foreman, Weldon Callaway. Each member was given a lead slug bearing her name, which were set up on the Intertype machine. Following the tour, the group returned to the clubhouse and brief talks were made by Bynum and Mrs. Sam Privitt, society editor.

The serving table was laid with a Belgium lace cloth belonging to Mrs. Wingerd. Angel Cake and punch were served by Mrs. Smith and Mrs. Wingerd.

Members present included Mesdames W. M. Adams, W. A. Bell, John Clark, J. L. Crow, E. C. Davis, Leo Holmes, J. A. Jackson, O. B. Larner, E. O. Nelson, Looe Miller, J. L. Randal, Smith, Percy Spencer, W. J. Spreen, M. G. Tarpley, Frank Wier, J. M. Telford, and R. L. Bowers.

## Brownie Troop 17 Elects Officers

Brownie Troop 18 met Sept. 24 at the Girl Scout Little House.

The following officers were elected for the first half of the year: president, Lenna Nowell; vice president, Kathy Morris; secretary, Mary Darlyne Jones; treasurer, Joann Knox; reporter, Barbara Bryant; and housekeepers, Janie Germany, Carolyn and Linda Richardson.

The group played games and sang the Brownie song, followed by the Brownie promise. Mrs. Lal Copeland is leader.

Every family has a "string saver" or "junk collector". They never throw anything away, like to make something out of nothing, or even spend good money on de luxe items of their hobby. Sunday will see the Terry County Amateur Radio play host to radio hams of the Panhandle and South plains. Some 150 people usually turn out. It is called a "Swapfest". Many towns have tried to hold these but the Terry County group has the most popular. As usual, it was requested by hams all over the South Plains.

—n-v—

Ever hear of a "stare line"? They're just sightseers, or "rubber neckers", in automobiles. Every county seat has such a line-up Saturday night, mostly young people parked and just looking. (!) In Terry County, it is a line of moving cars and they are looking over Little Mexico on the square, Saturday afternoon and Sunday. It's interesting!

Some dryland farmers will have a fair year. Walter Morris, who lives and farms south of Lake View, 5 miles east of Meadow, about doubled his anticipated feed on dryland. Many Meadow dryland farms are doing better on cotton than they have for several years.

—n-v—

When will the First Methodist Church sanctuary be finished? Jimmy Tidwell, minist-

ers, says the flow of materials and furnishings controls that, but it won't be Christmas time. The walls and external things move fast but the finishing touches consume time, he points out. The new sanctuary should be in use sometime in January.

Mrs. C. R. MacBride, secretary at Oak Cliff Methodist Church in Dallas, visited her son, J. E. Tidwell, minister of the First Methodist, last week.

### Open House Observed By Mr. and Mrs. Jim Nelson on Fiftieth Anniversary

In observance of their 50th wedding anniversary, Mr. and Mrs. Jim Nelson greeted friends at their home at 503 N. 5th from 2 to 5 p.m. Sunday, Sept. 30. Hosts and hostesses for the open house were their children, Mr. and Mrs. Guy T. Nelson of Seminole, Mr. and Mrs. Lorn Walters of Plain-

view, and Mr. and Mrs. Ladell Nelson of Andrews.

Miss Edna Pinckard and Jim Nelson were married October 2, 1906, in Hillsboro, where they made their home until about 30 years ago, when they moved to Brownfield. Before his retirement, Mr. Nelson worked for some 15 years as a ginner and for eight years on the police force.

The serving table was laid with a cutwork cloth and was decorated with a cake trimmed in gold confection with the numerals "50". An arrangement of yellow chrysanthemums surrounding "50th anniversary" and bells of gold centered the buffet. Mrs. Roy Collier presided at the crystal punch service, and Mrs. Anna Bell Barrow showed the gifts.

The honored couple's daughter in law, Mrs. Dadell Nelson, registered 97 guests from Brownfield, Levelland, Lubbock, Tahoka, and Seminole.

### Girl Scout Troop 2 Has Dramatic Skits

Girl Scout Troop 2 met Tuesday at 4 p.m., at the Legion Scout Hut with leaders Helen Powell, Irma Kendrick, Dorothy Rodgers, and Margaret Havener in charge.

The three patrols presented dramatic skits concerning Girl Scout laws and purposes. The group also worked on plans for the float they will have in the Harvest Festival parade Oct. 18.

Approximately 30 girls attended.

### Grisson-Johnson Vows Exchanged

Mr. and Mrs. L. R. Grisson of 312 E. Buckley, announce the marriage of their daughter, Fay, to Naval Airman Truitt Dale Johnson, son of Mr. and Mrs. J. J. Johnson of Brownfield.

Vows were exchanged in a double ring ceremony read in the First Baptist Church at Corpus Christi, with Dr. E. C. Hurford officiating.

As a wedding ensemble, the bride chose a white faille dress trimmed with rhinestones and seed pearls, worn with navy blue accessories.

Attending the couple were Mr. and Mrs. Melvin Montgomery of Corpus Christi, uncle and aunt of the bride.

The couple is making their home at 3408 Ocean Drive in Corpus Christi, where the bridegroom is stationed with the Navy.

Mrs. Truitt Dale Johnson

### Mrs. Myron Fenton New WMU President

The W. M. U. of the First Baptist Church met Monday, Oct. 1 at 4 p.m. at the church. Business was discussed and the new officers were recognized.

New officers are president, Mrs. Myron Fenton; first vice

president, Mrs. Gladys Moorhead; second vice president, Mrs. Howard Sherwin; secretary, Mrs. C. W. Denison; treasurer, Mrs. C. E. Ross; young people's directors, Mrs. Ike Bailey; Bible study chairman, Mrs. Joe Jackson; Mission study chairman, Mrs. Bill Neel; publicity, Mrs. S. D. Faubion; prayer chairman, Mrs. J. L. Crow.

The circle chairman are: Roberta Edwards, Mrs. Arlie Lowmore; Ann Pettit, Mrs. Pat McBurnett; Lucille Reagan, Mrs. W. H. Collins; Lois Glass, Mrs. Jarrel Cox; Janelle Doyle, Mrs. Elroy Jones; Blanche Groves, Mrs. Carl Johnson; and Lottie Moon, Mrs. Will Adams.

MISS JANICE MEEK

### Janiece Meek To Wed T. D. Proctor

Mr. and Mrs. R. D. Meek of Seagraves Road, Brownfield, announce the engagement and approaching marriage of their daughter, to Tommy Dick Proctor, son of Mrs. Cora Proctor of E. Harris Street,

Brownfield. Vows will be exchanged November 25 in the home of her sister, Mrs. Jr. Ratliff. The couple will live in Lubbock where Mr. Proctor is employed with Lathams.

From the road up, 1957 Fords are a complete departure from previous models. They will be unveiled by Ford dealers in 19 body styles, of which this is the four door Victoria, a member of the new "Fairlane 500" series. Fairlane models are nine inches longer and four inches lower than their 1956 counterparts. Though the new models are lower, interior headroom is as great as last year, since the car's chassis and floor are re-designed for a lower center of gravity.

**'57 Fords Prove To  
Be Eye-Catchers At  
Portwood Showing**

The 1957 Ford—it was the undivided center of interest Wednesday as eager crowds gathered at Portwood Motor Company.

What Portwood showed them, they apparently liked.

Eye-catching was the height of the new cars—only 4 feet 8 inches.

For the first time in its 53-year history, Ford Motor Company is producing two sizes of automobiles.

The company's new line is divided into two basic sizes, Fairlane and Custom, plus the station wagon series, each with its own body and chassis.

In addition, the Fairlane series has been expanded to offer "Fairlane 500" models, which have extra luxury features.

The Fairlane and Fairlane 500 sedans are nine inches longer and four inches lower than last year's comparable models. Custom and Custom 300 sedans are more than three inches longer and nearly three and one-half inches lower than the 1956 models.

Station wagons are three and one-half inches lower and nearly six inches longer. Fairlanes and Fairlane 500's are built on a 118-inch wheelbase. Station wagons, Customs and Custom 300's have a 116-inch wheelbase.

Standard engine for the Fairlane and station wagon series is the 212-horsepower Thunderbird V-8. A 190-horsepower V-8 is standard for the Custom and Custom 300 series. Both have two-barrel carburetors. In addition, the 144-horsepower Mileage Maker Six is available on all models.

All engines can be ordered with standard, over-drive or Fordomatic transmission.

adoption of such resolution and order.  
The motion, carrying with it the passage and adoption of the election resolution and order, prevailed by the following vote:  
AYES: Councilmen Travis, Noel, Chisholm, Murphy and Kendrick.  
NOES: None.  
The resolution and order is as follows:  
WHEREAS, the City Council of the City of Brownfield, Texas, deems it advisable to issue the bonds of said City for the purposes hereafter stated therefore **Be it resolved and ordered by the City Council of the City of Brownfield:**

I.  
That an election be held on the 23rd day of October, 1956, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this resolution and order, at which election the following propositions shall be submitted to the qualified electors who own taxable property in said City, and who have duly rendered the same for taxation:

"Shall the City Council of the City of Brownfield, Texas, be authorized to issue TWO HUNDRED SEVENTY THOUSAND DOLLARS (\$270,000) of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Waterworks System; said bonds to mature serially over a period of years not to exceed twenty-five (25) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

"Shall the City Council of the City of Brownfield, Texas, be authorized to issue FIVE HUNDRED THOUSAND DOLLARS (\$500,000) of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Electric Light and Power System; said bonds to mature serially over a period of years not to exceed twenty-five (25) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's Electric Light and Power System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

In the event the said revenue bonds are authorized to be issued by a majority of the qualified electors of said City, voting at said election, and the same are issued to the holder or holders of such bonds shall never have the right to demand payment thereof out of any funds raised or to be raised by taxation; and each bond issued or executed in pursuance of such election, shall contain this clause:  
"The holder hereof shall never have the right to demand payment of this obligation out of any funds raised, or to be raised, by taxation."  
III.  
That said election shall be held at the CITY HALL in the City of Brownfield, Texas, and the entire City shall constitute one election precinct.

IV.  
That the following named persons are hereby appointed officers of the election, to-wit:  
Lee Eaton, presiding judge; L. J. Richardson, judge; David Nicholson, clerk; Marion Bowers, clerk; and Murphy May, clerk.

V.  
That said election shall be held under the provisions of said ordinance in conformity with Chapter 6, V.A.T.C. Election Code, adopted by the Fifty-second Legislature in 1951, and that printed on such ballots shall appear the following:

"For the issuance of \$270,000 Waterworks Revenue Bonds and pledging the revenues of the city's combined waterworks and sanitary sewer system to the payment thereof."  
"Against the issuance of \$270,000 Waterworks Revenue Bonds and pledging the revenues of the city's combined waterworks and sanitary sewer system to the payment thereof."  
"For the issuance of \$500,000 Electric Light and Power System Revenue Bonds and pledging the revenues of the city's electric light and power system to the payment thereof."  
"Against the issuance of \$500,000 Electric Light and Power System Revenue Bonds and

pledging the revenues of the city's electric light and power system to the payment thereof"

VII.  
That notice of said election shall be given by posting and publication a copy of this resolution and order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS". Said notice shall be posted at the City Hall and at two other public places in said City not less than fourteen (14) days prior to the date on which said election is to be held, and shall be published on the same day in each of two consecutive weeks in a newspaper of general circulation, published in the City of Brownfield, Texas, the first of said publications to be made not less than fourteen (14) days prior to the date set for said election.

VIII.  
It is the intent and purpose of the City Council that if authorized at the election hereby ordered, the bonds submitted under Proposition No. 1 hereof, shall have equality of lien with the "City of Brownfield, Texas, Waterworks and Sewer System Revenue Bonds", dated July 1, 1950 (authorized at an election held in said City on the 12th day of June, 1950), in accordance with the provisions of the proceedings pertaining to the issuance of said previously authorized bonds. It is the intent and purpose of the City Council that such revenue bonds authorized at the election herein ordered for the purpose of constructing improvements and extensions to the City's Waterworks System, shall constitute an indebtedness against the City's combined Waterworks and Sanitary Sewer System, and that such bonds may be issued in one or more installments payable from the net revenues of the City's combined Waterworks and Sanitary Sewer System on a parity with the bonds authorized at the election held on June 12, 1950, as aforesaid.

IX.  
It is the intent and purpose of the City Council that if authorized at the election herein ordered, the bonds submitted under Proposition No. 2 hereof, shall have equality of lien with the "City of Brownfield, Texas, Electric Light and Power System Revenue Bonds", dated July 1, 1950 (authorized at an election held in said City on the 6th day of September, 1953), in accordance with the provisions of the proceedings pertaining to the issuance of said previously authorized bonds. It is the intent and purpose of the City Council that such revenue bonds authorized at the election herein ordered for the purpose of constructing improvements and extensions to the City's Electric Light and Power System, shall constitute an indebtedness against the City's Electric Light and Power System, and that such bonds may be issued in one or more installments payable from the net revenues of the City's Electric Light and Power System on a parity with the bonds authorized at the elections of June 12, 1950 and September 8, 1953, as aforesaid.

## Gail Cottrell Installed As Worthy Advisor By Local Rainbow Assembly

Gail Cottrell was installed as Worthy Advisor, and Mary Jo Christian as Worthy Associate Advisor when the Brownfield Order of the Rainbow for Girls held open installation Monday. Installing officers were from the Lubbock Assembly No. 98, with Mrs. Fae Holmes as Mother Advisor. Installing officer was Joan Bethany; Glenda Keyton was installing chaplain; Donna Robinson, recorder; Madeline Holmes, marshal; and Julia Hartley, musician.

Officers installed for the Brownfield Assembly, other than Miss Cottrell and Miss Christian, were: Mary Jane Brownfield, Charity; Juana Jay Barret, Hope; Sue Shewmake, Faith; Donna Christopher, recorder; Sue Steele, treasurer; Valdene Garner, chaplain; Yvonne Parker, drill leader; Sandra Collum, Reigion; Linda Gauntt, Nature; Barbara Kirschner, Immortality; Ann Lemley, Fidelity; Sherron McCorley, Service; Beverly Isaacs, confidential observer; Aurilia Massingill, outer observer; Brenda Faubion, musician; and Carolyn Rankin, choir director. Mrs. Ione Turner is Mother Advisor.

Jean Criswell, past worthy advisor, gave the call to order, and Claude Buchanan gave the invocation. Following the installation rites, Miss Cottrell gave the acceptance speech and presented gifts to her parents, Mr. and Mrs. Herman Cottrell. Miss Christian presented gifts to the installing officers, and Miss Criswell presented a gift to the Mother Advisor.

Mrs. Florence Parker presented merit awards, and Miss

Cottrell presented the past Worthy Advisor's pin to Miss Criswell.

A musical reading, "If", was given by Mary Joe Christian, and the program was closed with the benediction by Mr. Buchanan.

Refreshments were served in the dining room, carrying out the Worthy Advisor's colors of pink and white, theme of "Religion" and her motto, "No man can stand alone".

Jean Criswell and Donna Christopher were in charge of the decoration committee.

## Founder of State Mental Group To Speak Here For Local AAUW Members

Mrs. Leland Croft of Odessa, founder of the State Mental Hospital Development Association of Texas and named outstanding woman of Odessa, will address the Brownfield branch of the American Association of University Women here Thursday, Oct. 11, at 7:30 p.m. at the Seleta Jane Brownfield clubhouse. The subject of her address will be "Our Responsibility to the Mentally Ill."

Mrs. Croft is in much demand as a speaker across the state, filling several engage-

ments a week and oftentimes speaking two and three times a day. The association she founded has been in existence just a little over two years and has 12 local branches throughout the state. Its primary goal is rehabilitation of mental hospitals and institutions throughout the state and it is supported entirely through donations, memberships and fund raising projects such as the Christmas being sponsored by the Texas Junior Chamber of Commerce.

The association has donated many gifts of television sets, furniture, drapery, clothing, books, an electric organ, money, and many other articles to various state institutions. It is seeking improved legislation so that more personnel and better medical care can be offered to those patients in the hospitals. One of the most important items on its agenda is the passing of Amendment Number Seven, which will provide for the abolishment of compulsory trial by jury for the mentally ill. Texas is the only state in the United States that retains such a law.

Miss Lou Rae Huckaba, executive secretary of SMHDA, will accompany Mrs. Croft on her trip.

of Latin America in purchasing and consuming U. S. farm exports, according to the latest report of the U. S. Department of Agriculture.

The report, issued by the department's Foreign Agriculture Service, also discloses that Cuba, with its 6,000,000 population continues to be the best customer in the world for lard and cured pork exported from American farms.

The reduction in gasoline prices to farmers announced recently by the major oil companies will save Texas farmers and ranchers about three-quarters of a million dollars, according to J. Walter Hammond of Tye, president of Texas Farm Bureau.

TFB was instrumental in getting the reduction, as it has been successful many times in the past in obtaining favorable legislation and prices for Texas farmers.

Terry County Farm Bureau today will end a week of extensive campaigning to resign old members and to get new members. Should Texas get 78,000 members this year, it will lead all Farm Bureaus in the South.

Terry county farmers are being reminded by TCFB that they, as individuals,

**THIS VAT IS BIG** — The huge vat pictured above recently was completed at the Ozark-Mahoning plant east of Brownfield. The complicated process of turning Terry County minerals to sodium sulphate will call for the use of the vat, termed a "separator," by Ozark personnel. The valuable portion of the contents will sink to the bottom of the vat, explained Bob Cummings, assistant superintendent, standing beside the structure. The stuff on the bottom will be drawn off by pump, leaving a super-cold liquid which will be turned back into the machinery for extraction of the cold. Some \$1,000,000-plus Ozark-Mahoning site is expected to be in operation soon after the first of the year. Some 30 families will be connected directly with it. (Staff Photo)

would have had no chance in securing major benefits for themselves as TFB has done within the past few years.

"Only through organization," explains J. T. (Jake) Fulford, president, "can we the farmers ever hope to pull ourselves out of this farm problem."

Fulford also cautioned that "... many groups seek to

control or to influence farmers. We cannot allow ourselves to be pulled this way and that way by outside factions. We know our problem. It is up to us, and to us alone, to solve it."

"Everyone in town is talking about the Smith's quarrel," remarked the wife. "Some are See FARMING ANGLE Page 4

## Egg Price Drop Is Seen During Latter Half of This Year

Egg prices during the first six months of 1956 averaged 11 percent above the same period for last year while feed prices were down 7 per cent. According to F. Z. Beanblossom, extension poultry marketing specialist and John McHoney, extension economist, it now appears that egg prices during the latter half of 1956 will be lower than for the same period a year ago.

They say two factors will be responsible—the nation's laying flock will be larger and the trend toward a higher rate of lay will continue. A seasonal rise in egg prices is probable for this fall but it will be less and the peak is likely to be reached earlier than in 1955, they say.

Cold storage holdings of shell eggs in the nation on July 1 were 44 percent less than a year ago and for the West South Central States which includes Texas holding were down 75 percent. The specialists point out because egg production now varies less from season to season than in former years, the seasonal pattern of egg prices is also smoother.

The usual seasonal price rise from spring to fall also no longer justifies storage of as large a proportion of spring production in shell form as in previous years.

Hatchery output of replacement chicks in January 1956 was 24 per cent above the same month in 1955 and February output was up 21 per cent. March output was up only 3 percent and May 5 percent above a year earlier. The January chicks are now coming into production and indications point to more hens on the nation's farms come January 1957.

Egg production in Texas is increasing slightly, say specialists. April production was up 3.6 per cent and July 4.4 per cent as compared with the same months last year.

Potatoes and cabbage are the only vegetables carried on the October listing of plentiful foods.

Efficiency of production will continue to be a decisive factor in determining how much profit the egg producer will receive, say the specialists.

## October Foods List To Be Bulging Cornucopia

The harvest moon of October will shine on a cornucopia bulging with plentiful foods. This despite the prolonged drought which has cut deeply into agricultural production in many states of the nation.

The USDA's Agricultural Marketing Service, Southwestern Regional Office, Dallas, reports that protein-rich foods dominate the October list.

These include beef turkeys, stewing chickens, broilers and fryers, as well as eggs, peanut butter, cheese, milk and other dairy products.

Potatoes and cabbage are the only vegetables carried on the October listing of plentiful foods.

### Irrigation Equipment Should Be Used All Year, Says Specialist

By LEE H. WILLIAMSON  
Soil Conservation Service

Many Terry farmers have complete irrigation of their summer crops. Now that the summer is ending, however, what are they going to do with their irrigation equipment.

A sizeable investment is represented by the irrigation systems.

Some farmers will stack the equipment and wait until next spring to use it again. Others will plant, and have planted, winter crops, and will use their systems to water those crops.

Those winter crops will improve the soil and provide protection against blowing, and in a lot of cases mean cash to the farmer.

Most farms irrigation systems represented an investment of some \$10,000 many of them running as high as \$20,000. It is hard to justify that much expenditure for only three months of use.

By irrigating a winter crop, according to plant and soil needs and maintaining a safe reserve of moisture in the ground at all times, the job of pre-planting irrigation will be See IRRIGATION EQUIPMENT Page 4

## Farm Tractors Can Be Killers

High on the list of subjects discussed by members of the Texas Farm and Ranch Safety Council in their fall meeting held at Waco was the problem of how to make rural Texas more safety conscious.

While the Council, composed of a group of men and women interested in making rural life safer and more pleasant, pondered the question, death struck only a few miles away. A farm tractor was being towed by a pickup and driven by a farm worker.

Apparently, because of excessive speed and a fast

slow-down, the tractor jackknifed and turned over several times killing the tractor driver. A terrible price to pay for the violation of a basic safety rule—that of moving farm equipment at a safe rate of speed regardless of whether equip-

ment is being towed or is traveling under its own power.

Farm tractor fatalities, according to W. L. Ulich, extension agricultural engineer and secretary of the Council, have been on the increase in Texas this year. In July, two tractor operators on the South Plains were killed the same day in accidents.

One was caused from excessive speed on a rural road and the other when the tractor was driven too close to an irrigation ditch which was being filled with soil. Both tractors turned over on the drivers.

Tractors can be killers, says Ulich, when they are operated in a careless manner. The specialist urges all farmers and others who operate tractors and other power driven farm machinery to always guard against practices which involve the element of chance.

# We Want to Urge Every Farmer to Join The FARM BUREAU

## WHAT IS FARM BUREAU?

It is an organization of Farmers and people interested in farming, banded together to work for things they feel are worthwhile on the local, state and national level.

The officers on the local level are individuals elected among the Farm People to serve for one year.

The regional, state and national officers are then elected by our delegates from each of the respective counties.

## WHY SHOULD WE BELONG TO THE FARM BUREAU?

You and I as individuals do not have the time, knowledge, and money to make trips to Lubbock, Austin, Atlanta, Georgia, to speak our minds on things we feel are good for us as Cotton farmers.

Therefore, if we are represented, we must band together on the local level and select members of our group to do our fighting.

### Going To Diet? See Your Doctor First!

Every sixth American is 10 per cent or more above his ideal weight, according to the actuarial tables. As a people, say the nutrition experts, too many of us are "overweight but undernourished." Statisticians report that the fat die young. And medical science long has recognized that those excess pounds are either a diagnostic indication of certain diseases or at least predispose the system to make us their easy prey.

Viewed in this light, the Health News Institute points out, overweight among our problems in preventive medicine easily heads the list. And it calls for the care and counsel of a physician as unmistakably as any other pathological condition.

Yet overweight doesn't manifest itself dramatically, like cancer or tuberculosis. It's a bodily state which tempts us to experimentation, and lends itself to appeals to vanity rather than to serious self-concern.

If you're overweight, The Health News Institute warns, remember that while you may think you have an aesthetic problem, it's also a medical one. It could be glands, bad eating habits, or a variety of factors — not the least of which may be the psychological drive which creates the so-called "compulsive" eater. Doctors have found that it is generally true that the fat person is the person who eats too much.

In emphasizing once more that obesity is a medical problem, the Council on Foods and Nutrition, in an official statement in the Journal of the American Medical Association, recently declared:

"Ethical advertisers of foods recommended for weight-reducing regimens likewise have stressed the importance of a medical consultation prior to reduction of the food intake. Weight reduction may be harmful to health or even endanger life if undertaken without full understanding of the problem."

A low caloric diet may be an unbalanced diet, in which event your physician may wish to supplement your reducing routine with vitamins. Or he may prescribe certain drugs to be taken in connection with the diet he recommends for your particular case.

Again, the whole point is that excess fat is an individual condition, and calls for the physician's individual attention. Any one particular diet or "reducing plan" may or may not be the right one for you. There's only one rule for dieting that's completely safe and wise: See your doctor first.

### SATAN TREMBLES

By George Peck

(EDITOR'S NOTE: George Peck is Chairman of the Board of the National Labor-Management Foundation and Executive Editor of its official publication, PARTNERS.)

By George Peck

To the Elmer Times, a weekly newspaper published at Elmer, New Jersey, I am indebted for the following jingle which appeared in its 1956 Almanac: It refers to a sign placed in a bookstore window which boosted Bible sales:

"Holy Scripture, Writ Divine

At a dollar forty-nine;

Satan trembles when he sees

Bibles sold as cheap as these".

Well, his Satanic Majesty must right now be shivering in his boots. It's panicky feeling that attacks him in October of each year. For that is the week during which National Bible Week is observed, sponsored by the Laymen's National Committee, the All-Faiths organization. The 16th annual observance of this important event is from October 15-21 this year. No wonder the Devil shivers and shakes, for right well he knows that the interest of many Americans will be attracted to the Bible and many thousands of others will have their interest rekindled. And Satan further knows the power of God's Holy Book when men and women put it to work to combat his evil machinations.

Mr. Melvin H. Baker, Board Chairman of National Gypsum Company, Buffalo, N. Y., is serving as National Chairman for National Bible Week this year. In accepting the assignment, Mr. Baker said, "I am happy to do this job because all people should study the Bible, which is the foundation for our civilization. Shortly we will be asking leading men and women in 500 different communities to become chairmen of group in each of their respective communities. Newspapers, magazines, radio stations, theatres, churches, schools and other public groups across the nation will be asked to take part in this great campaign. I'm sure we can anticipate the support of all in carrying our message to a maximum number of people.

"Though this effort, we hope to provoke interest in Bible reading. In these busy times when there is so much confusion, it is my hope that we may take time out to reinforce our spiritual knowledge and, in so doing, find the answer to many perplexing issues. Aside from comfort to be had in our day-to-day troubles, much can be gained to bring peace if the people throughout the world approach the international issue through spiritual teachings of the Savior. This can all be found in the Good Book".

The theme for National Bible Week 1956, October 15-21, is THE BIBLE — TIMELESS AND ETERNAL." How true that is! It is the world's perennial Best Seller. Its New Testament tells the story of the greatest character who ever lived. James A. Francis, D.D., beautifully describes Him in a short essay entitled, "One Solitary Life", as follows:

"Here is a man who was born in an obscure village, the child of a woman who, to her peasant neighbors, was just one of them and one with them. He grew up in another village. He worked in a carpenter shop until he was thirty, and then, for three years, he was an itinerant preacher. He never wrote a book. He never held an office. He never owned a home. He never had a family. He never traveled two hundred miles from the place where he was born. He never did one of the things that usually accompany greatness. He had no credentials but himself.

"While still a young man the tide of private opinion turned against him. His friends ran away. One of them denied him. He was turned over to his enemies. He went through the mockery of a trial. He was nailed a cross between two

AUSTIN, Tex. — Campaigning in Texas is in high gear. First to open statewide headquarters were the Texas Democrats for Eisenhower. In charge is Weldon Hart, long-time aide to Gov. Allan Shivers.

A few days later Warren Woodward, Houston attorney, moved to the capital city to set up the Stevenson-Kefauver

thieves. As he was dying, his executors gambled for the only piece of property he had on earth, and that was his coat. When he was dead he was taken down and laid in a borrowed grave through the pity of a friend. His name was Jesus . . .

"Nineteen wide centuries have come and gone and today He is the centerpiece of the human race and the leader of the column of progress.

"I am far within the mark when I say that all the armies that ever marched, and all the navies that were ever built, and all the parliaments that ever sat, and all the kings that ever reigned, put together have not affected the life of man on this earth as has that One Solitary Life".

### camp.

Says Hart, "Our campaign is backed by Texas Democrats who supported Eisenhower in 1952 and who can see no reason to change."

First of a series of ads in behalf of Ike appear in all Texas newspapers this week. Stevenson ads will follow as Woodward's program begins to unfold.

Meanwhile candidates for the vacated Senatorial post of Price Daniel are jockeying for position. But none has made what could be called a state-

### wide plea for support.

Daniel is finally "in" as the Democratic nominee for governor. But procedure for naming a new U. S. Senator still is as muddled as ever. He resigned his senate seat effective Jan. 15, "or sooner if a successor is elected."

When this can be done, and how, hinges on (1) when the governor calls a special election; and (2) whether the State Democratic Executive Committee decides to try to hold party primaries before the special election.

Meanwhile Governor Shivers is on a bear hunt in Kodiak, Alaska, with two of his sons. Segregation Laws Proposed — Legislation designed to circumvent the school integration ruling has been proposed by the governor's advisory committee.

Bases of the plan: (1) local boards could not desegregate schools unless so directed by a vote in the district, (2) liberal consideration would be given requests of parents wishing to avoid sending a child to an integrated school and (3) persons trying to force integration would be liable to prosecution.

Governor Shivers said he would use the report in making recommendations to the next Legislature.

Roughage Program Suspended — It took drought-hurt Texas farmers only about two weeks to swamp the million dollar federal aid program for roughage.

U. S. Department of Agriculture has ordered that no more applications be approved while it makes a "careful reappraisal" of demands. Under the program, originally designed to run to Jan. 1, farmers in drought disaster areas were to receive certificates good for \$7.50 per ton for purchase of roughage for cattle.

State Building Hits New High — An estimated all-time high of \$27,600,000 will be spent on new state buildings in the fiscal year just begun.

More than half of this, or \$14,000,000 will be used in Austin. A whopping \$8,000,000 will See HIGHLIGHTS Page 3

**TRACTOR FATALITIES HIGH**

**Increase of Farm Machinery On Roads Can Be Dangerous**

"More and more farm implements now are seen on public highways. This, of course, is one result of rapid mechanization on Texas farms. And it has brought with it added dangers," W. L. Ulich, Texas Agricultural Extension Service engineer, said.  
 One-third of all fatalities occur on public roads, and many others occur on private lanes and drives, Ulich added. Mile for mile, it is much safer to operate an automobile on public roads than it is to operate a tractor. The heavier the traffic, the greater the hazard.  
 Farm work should be planned to reduce the exposure of slow-moving tractors and farm machinery to traffic hazards.  
 Rules of the road apply to farm tractors and implements. Come to a full stop when entering the highway and at regular stop signs. . . . do not proceed until it is safe to do so, and

then be sure to turn into the proper lane. Don't cultivate the habit of driving on the wrong side of the road when no vehicles are in sight, Mr. Ulich continued.  
 Early evening is not only a period of heavy automobile traffic, but it is also the time when motorists have the greatest difficulty in seeing. If machinery must be on the road at dusk hours of darkness, proper lighting is a must.

Reflective material applied to tractors and equipment is an added safeguard, and during daylight hours a red flag helps draw attention of the motorist to the hazards of slow-moving machinery, Mr. Ulich concluded. Motorists should not be expected to assume the entire responsibility for safety on rural highways. The farmer must also share in this responsibility.

**Irrigation Equipment Should Be Used All Winter—Says SCS Specialist**

reduced in proportion to the amount of moisture in the soil planted to winter crops.

If all the irrigated land is in cover crops and the soil moisture is maintained at 50 per cent of field capacity or above, then only half as much water will be required before spring planting as would be needed had no winter irrigation been done.

The winter cover crop, when properly incorporated into the soil, will help reduce evaporation from the surface and will increase water holding capacity and fertility of the soil.

Increased water-holding capacity will permit application of larger amounts of water at each irrigation and longer periods between irrigations. Everyone knows the advantages of increased fertility.

U. S. Soil Conservation Service technicians assisting your Terry Soil Conservation District, will be glad to help farmers with planning their irrigated winter cover crops and in determining when and how much water to apply at each irrigation.

Remember, it is just as important to do an efficient irrigation job on winter cover crops as on cotton. A good cover during the blow season can keep your soil at home for you to grow a crop on in

instead of it's blowing onto your neighbor's farm and fouling up his field, too.

'Sir Francis Drake was the first Englishman to sail around the world.

taking his part and some are taking hers . . . "And," interrupted her husband, "I suppose a few eccentric individuals are minding their own business."

Any farmland regularly used in the production of crops, including tame hay, may be included in the soil bank's conservation reserve, Robert G. Shrauner, chairman of the State Agricultural Stabilization and Conservation, has announced.

Land not eligible under the program includes non-crop land, land that is designated for the acreage reserve and land owned by the federal government.

Chances are better than 50-50 that the beef, pork or chicken you eat nowadays was raised on a diet on antibiotic "wonder drugs," the USDA reports.

A survey by the department's marketing service indicates that farmers also are turning rapidly to other chemicals to make their animals healthier and help them grow faster.

Million of dollars of farmers' money literally is going begging because farmers entitled to federal gasoline tax refunds have not filed claims, J. T. (Jake) Fulford, president of Terry County Farm Bureau, pointed out this week.

Several Brownfield youths will be among the 10,000 Future Farmer of America boys and visitors expected in Kansas City, Oct. 15-19, for the four-day national convention.

*—Nevertheless, not my will but Thine be done.*

Have you prayed such a prayer? Have you ever asked God to remove the heavy cross, the rough way, the bitter cup? The Master had but one aim: to do the will of His Father in Heaven. Jesus said, "not my will but Thine be done." Is that your attitude? Do you ask to know His will with you? Do you bother to go to church and take your family? Have you realized that all you have come directly from God? Do you count it a privilege to support His Kingdom's work? Have you made the doing of His will the primary motive in living? Brother, nothing else really matters. Your church and your pastor can help you in this vital matter.

### ... Down Wellman Way ...

Hi! The FHA girls went to the Lubbock fair a week ago Monday. They all had a wonderful time. Tuesday morning they came to school with red faces because they had blistered. A few of the girls came back with black hats with their names written on them.

We received our individual class pictures last Wednesday. Nearly everyone had a good picture. Since the pictures are here the annual layout manager and her helpers have started working on the annual each evening after school.

Tuesday, the Wellman High School had a Southern Assembly featuring Dorothy and Fred Smythe with their twin pianos. Everyone enjoyed their show.

The junior class has decided on the play they are to put on December 7. It is "The Red-head Royalty From Arkansas." They have ordered books for the play and will get them in about three or four weeks.

The Sophomore and Junior classes sponsored a weiner

roast Tuesday night for the entire High School at the home of Danny and Tommy Loe. Each pupil that went to the party brought 30 cents to furnish the refreshments.

The Junior High football boys will play Spade Thursday at 2:30 here. This will be their first game. Everyone is invited.

The Junior Class is going to have a rummage sale Saturday on the courthouse lawn. The Seniors had one last Saturday and they made \$65.80. They had rummage left over and the Juniors bought it from them.

On September 22, the football boys played Smyer and won, 37 to 38. Last Friday night Southland defeated them by a score of 52 to 20. This coming Friday they play Cotton Center at Cotton Center. The pep squad will go on a bus and Mrs. Hill, Mrs. Hawkins, and Mrs. Hulse will go on the bus with them.

The senior class have ordered their play, which will be presented November 13. The name of the play is "GREAT

### 40 DE Students Employed Here

A total of 40 distributive education students of Brownfield High School now are working part-time with business firms here.

The figure was released this morning by R. T. Wilson, DE coordinator, who said:

"The businesses of Brownfield have been extremely cooperative this year in helping these DE students. This is seen in the increase in the DE program and the ease with which the students have been placed."

The students and their training stations are:

Frances Johnson, City Hall; James Hall, Griggs & Goble Furniture; Eddie McKay, First National Bank; Janith Spears, Swart Optometric Clinic; Arvin Stafford, Terry County Printing & Office Supply; Gayle Victory, Mar-

Here Today!

FROM A NEW ... CAR PROVED IN ACTION

came the magic that made possible so wonderfully different a Ford. In the toughest on-the-road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides you sweet and low . . . that it takes the bumps without a bobble, the curves without the pitch . . . and, flat in power, it "takes nothing from nobody." Nothing on wheels hurries, handles or holds up like a Ford!

# A new kind of FORD with the mark of tomorrow

Lowest family car on the road

Only four feet eight inches tall

Everywhere you look it has the "Touch of Tomorrow"

Six or V-8 the going is great!

The Fairlane 500, finest Ford series, features five of the 19 longer, lower, better Fords for '57.

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts. It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet . . . stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New wheelboard rear springs and ball joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.

Best of all, Ford libraries like quiet is built in. And the new "Inner Ford" is why. For never be-

fore in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any car buyer can easily afford. Come in! See what wonder cars you can buy now at low Ford prices.

### Randal PTA Group To Continue Study

Fathers and mothers who plan to join the Randal PTA are urged to do so in the next few days. Charles Hamilton, membership chairman, has announced that the officials drive will be concluded on Oct. 15. Monday night, October 8, marks the beginning of the new study-discussion program.

### Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket straight and always expected to—you know how it goes around a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them—or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tidlands back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept

that promise, and he promised to give us a government in Washington that we could be proud of, because it was clean and honest and efficient—and, in this man's opinion, he had kept that promise. "I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and Brother Kefauver and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on doing it right up to Nov. 6. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question:

"Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington—now, be honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"

This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly—I'm convinced he is the best man to keep up OUT of war.

That's why I still like Ike—better than ever!

Yours truly,  
*Tex*

**FINISHING TOUCHES**—Workmen are pictured above putting final touches to the construction of a huge storage tank at site of Prentice Gasoline Plant, now being built west of Brownfield and some 100 yards across the line in Yoakum County.

Final output of the plant will be some 60,000 gallons of liquid petroleum products daily. The capacity will be approximately 20,000,000 feet of gas a day. (Staff Photo)

Materials have arrived and interest is high in anticipation of the new program. Members who have not ordered the study packets may do so by calling Mrs. W. E. Sherwin, phone 4423, study course chair-

man, or Dr. Robert Hoey. The regular meeting is at 7:30 p.m. in the Randal cafeteria, and the executive committee meets at 7 p.m. in the room across the hall from the cafeteria's inside entrance.

Mrs. James Burnett, president, stresses that all committee chairmen and officers be present for this important 7 p.m. meeting.

Dr. and Mrs. E. O. Nelson spent the week end in Altus, Okla., visiting with her sister and family.
