VOL. 20 TEN CENTS BROWNFIELD, TERRY COUNTY, TEXAS, THURSDAY, JANUARY 24, 1957 NUMBER 4

Year Of 4-H Club Work Is Concluded by Awards Night

Some 75 parents and guests watched Monday night as 43 boys and girls were honored during the annual Terry County 4-H Awards program.

The event in The Party House was emceed by Alvin Davis, agricultural adviser and vice-president of Brownfield State Bank.

A total of 13 Brownfield men and women presented the awards for 16 American farms in 15 divisions.

Here's how the awards were presented:

Achievement. Duncie Steen, son of Mr. and Mrs. Conley Steen of Route 2; Jesse Hartman, son of Mr. and Mrs. J. M. Hartman of Route 3; Winnie Shults, daughter of Mr. and Mrs. Carrol Shults of Route 5, and Barbara Benson, daughter of Mr. and Mrs. Jake Benson of Route 1, Meadow.

Beautification of home grounds. Mark Hulse, son of Mr. and Mrs. Curtis Hulise of Route 1, Meadow.

Boy's agriculture. Jeff Hulise, son of Mr. and Mrs. Curtis Hulise; Guy Hinson, son of Mr. and Mrs. Joe Hinson of Route 1; Jerry Holder, son of Mr. and Mrs. R. B. Holder of Route 1, and Alton Carmichael, son of Mr. and Mrs. W. H. Carmichael of Route 3.

Canning. Clara Duncan, daughter of Mr. and Mrs. E. J. Duncan of Route 1, Meadow; Pat Bottoms, daughter of Mr. and Mrs. J. Bottoms of Route 1, Seagraves; Darlene Bacaus, daughter of Mr. and Mrs. Jack Bacaus of Route 5, and Lawrelle Wheatley, daughter of Mr. and Mrs. Herman Wheatley, Sr., of Johnson Community.

Clothing. Janice Newsum, daughter of Mr. and Mrs. J. T. Newsum of Route 5; Linda Hinson, daughter of Mr. and Mrs. Joe Hinson; Edreann DuBose, daughter of Mr. and Mrs. L. A. DuBose of Seagraves, and Barbara Bishop, daughter of Mr. and Mrs. J. W. Bishop of Wellmar.

Electric. James Bandy, son of Mr. and Mrs. D. L. Bandy of Route 1, Herman Wheatley, son of Mr. and Mrs. Herman Wheatley, Sr., and Ethel Martin, daughter of Mr. and Mrs. Reg Martin of Route 2.

Field crops. Jimmy Sargent, son of Mr. and Mrs. Frank Sargent of Route 5, and Vaughn Tatum, son of Mr. and Mrs. Delton Tatum of Route 1.

Tractor. Hilbert Briscoe, son of Mr. and Mrs. Harold Briscoe of Route 2.

Food preparation. Barbara Watkins, daughter of Mr. and Mrs. Carl Watkins of Wellman; Priscilla Cornett, daughter of Mr. and Mrs. A. B. Cornett of Route 5; Beverly Hendricks, daughter of Mr. and Mrs. Russell Hendricks of Route 1, Meadow, and Yvonne Adams, daughter of Mr. and Mrs. Kyle Adams of Route 1, Seagraves.

Frozen food. Lee Frances Montgomery, daughter of Mr. and Mrs. T. B. Montgomery of Route 5.

Garden. Freddie Pickett, son of Mr. and Mrs. A. I. Pickett of 818 North D., and Jimmy Foy, son of Mr. and Mrs. Jim Foy of 702 East Oak.

Leadership. Hilbert Briscoe, and Jeannie Solsbery, daughter of Mr. and Mrs. Thurman Solsbery of Route 1, Meadow.

Meat animals. John Floyd, son of Mr. and Mrs. B. A. Floyd of Route 2, and Howard Moorhead, son of Mr. and Mrs. L. O. Moorhead of Route 2.

Public speaking. Genell Cornett, daughter of Mr. and Mrs. Earl Cornett of Route 5, and Ronnie Sprayl, son of Mr. and Mrs. Garvin Smyrl of Route 4.

Recreation. Jackie Dill, son of Mr. and Mrs. Rufus Dill of See Year, Page 5

GOLD STAR WINNERS — Among awards presented Monday night to 43 members of Terry County 4-H clubs, the Gold Stars indicated "the tops." Recipients of the high honors are pictured above with County Judge Herb Ches-

Brownfield Lions Announce Annual Tournament of Talent Feb. 21 and 22

Brownfield Lions this morning announced their sixth annual Tournament of Talent, scheduled Feb. 21 and 22 in the new high school auditorium.

Lion C. R. Douglas, steering committee chairman, explained this morning that "Some 40 acts are to be slated for the two-night revue."

The tournament, sponsored by the Lions since 1952, is a club project designed to raise funds for

carrying on the group's several civic undertakings.

Time for registration is now, said Douglas. (A registration blank is to be found elsewhere in this edition.)

Entries may sign for the spectacular with County Judge Herb Cheslir in his courthouse office, Jake Geron in the City Hall, J. E. Smith at Smith Machinery Com-

ACTING POLICE CHIEF — Brownfield City Manager Eunice Jones announced this week the appointment of James Tippit, shown above, as acting police chief. Tippit, a sergeant on the force since last June, will succeed Nolan Lassiter, who leaves the post Feb. 1. The new police head is 29 years old. He and his family live at 1205 East Hill. Mrs. Tippit is the former Miss Joretta Shawn of Tahoka. Their two daughters are Candace, 7 years, and Jama Cyan, 8 months. They attend Baptist Church. He is a Jaycee. Tippit came to Brownfield from Snyder, where he served on the police force. He also has served with the Tahoka force. Tippit was born in Gatesville and was graduated from high school in Tahoka. He spent two years in the Army Corps of Engineers during World War II. The new chief explained this morning, "I do not intend to change the basic policies under which the department has been operating successfully for the past year. I intend only to improve my work with it." (Staff Photo)

pany at 1201 Lubbock Road, R. N. McClain at Brownfield State Bank, J. Richardson at First National Bank, and Joe Collum at junior high school.

The club has divided the two nights of entertainment into four divisions: high school and out-of-town, junior high school, elementary school (first through sixth grades) and Negro.

Professional entertainment probably will be brought in, said John Hansard, publicity chairman. Douglas, Richardson and Hansard comprise the club's steering committee.

Other committee chairmen are Paul Farrar, registration, and screening; Dennis Q. Lilly, tickets and finance; R. T. Wilson, rehearsal.

CONSTRUCTION COST: \$176,000

31 Miles of Terry Paving Is Announced

A total of 31.6 miles of Terry County paving has been announced by the Texas Highway Department. Cost: \$176,000.

The department explained that the paving is the first step in a new program of highway work for 1957.

Schedule of work is the following:

- FM, 403 from U. S. 62 to Gaines County line, 14.1 miles reconstruction of base and surface, \$182,000; FM 2066, from U. S. 62 to FM 211, 9.1 miles of seal coat, \$8,000; and
- FM 1698 from U. S. 62 east, 5.8 miles of seal coat, \$4,800, and FM 1076, from State 137 east, 2.6 miles seal coat \$2,000.

S. C. McCarty of Lubbock district engineer for the department, explained this morning, "This new program is designed especially to protect investment already made in the state road system."

It was announced that work will begin on these projects, as soon as planning is completed and right-of-way secured.

Bingo Party 'Scheduled'

More than 260 persons are expected to play when Brownfield VFW post holds its huge March of Dimes bingo party at 8 p. m., Friday, in Veterans Hall on Seagraves Highway.

Herschel McKay, commander of Post 5774, Veterans of Foreign Wars, explained this morning that more than 45 Brownfield firms had contributed "generosity of money and merchandise to make this event a success."

The commander said that all the merchandise and \$100 in cash would be given to winners.

In addition, the bingo players may enjoy free coffee, doughnuts and soft drinks.

MRS. R. M. KENDRICK

Services Held Sunday For Pioneer of Terry

Funeral services for Mrs. R. M. Kendrick of 301 West Tate, 70-year-old West Texas pioneer who died Saturday, were held here Sunday afternoon in First Baptist Church.

Dr. Jones W. Weathers, officiated, assisted by the Rev. W. J. Spreen of First Christian Church. Burial was in Terry County Memorial Cemetery, under the direction of Brownfield Funeral Home.

Pallbearers were Ervin Rambo, B. F. Hutson, Lee O. Allen, Everett Latham, Sam Pruitt and I. J. Richardson.

Honorary pallbearers were Dr. T. L. Treadaway, Dr. E. O. Nelson, Roy B. Collier, W. B. Tudor, A. A. Sawyer and I. M. Bailey.

Her survivors are two sons, Clovis Kendrick of 620 East Tate, and Richard Kendrick of Bandera; one daughter, Mrs. Orb Stice of 808 East Tate; two brothers, Jim Cunningham of Plains, and Will Cunningham of Utopia, and six grandchildren.

Mrs. Kendrick died about 12:30 a. m., Saturday, in Treadaway-Daniel Hospital. She had been ill for a brief time.

Prior to 1904, the year Terry County was organized, Mrs. Kendrick lived here with her family. In early 1908, she was married to R. M. Kendrick. In 1909, Mr. and Mrs. Kendrick moved to Plains from Gomez, where he had owned a bank. They then moved to Brownfield in 1919, the year First National Bank was chartered. He was president of the bank from the date of its charter until he died in 1950.

Mrs. Kendrick's father, D. S. Cunningham, was commissioner of Precinct 1 for many terms. She was an associate member of Maids and Matrons Club and was a member of First Baptist Church.

District Playing Big Role Here

(EDITOR'S NOTE: The following is the annual report of Terry Soil Conservation District, prepared and released by its five supervisors.)

The Program and Plan for Terry Soil Conservation District was approved Dec. 1, 1955. Basic memorandum of understanding and the supplemental memorandum were approved by TSCD supervisors Feb. 17, 1956.

Current supervisors are Chairman L. M. Waters Jr., Secretary R. J. Furtell, and Homer Causseaux, Bruce Zorns and James Thurman.

Regular soil district meetings are held the first Thursday of each month, at 2 p. m., in the directors room of Brownfield State Bank.

There were seven regular meetings and one called meeting in 1956, with an average attendance of 80 per cent by supervisors.

TSCD now is sponsoring a quarterly newsletter, the cost of each publication being borne by a different Brownfield businessman interested in soil and water conservation.

TSCD's Program and Plan has been printed in large enough quantities to furnish copies to all co-operators, interested businesses and banks, civic clubs, schools, vocational agriculture department, libraries, local chambers of commerce.

Printing cost of the publication was shared by Brownfield, State Bank, First National Bank, Goodpasture Grain & Milling Company, J. B. Knight Company, Kersh Implement Company, Western Grain Company and Plains Liquefied Gas Inc.

Highway signs have been placed near all major roads in the district showing that "You are entering the Terry Soil Conservation District."

Supervisors attended the recent meeting of State Association of Soil Conservation District Supervisors held in Lubbock. Charles Korsh, dealer - district chairman, and County Agent Jim Foy also attended.

The district furnished 2,000 church bulletins, 100 signs and 20 books of sermons for Soil Stewardship Week. Brownfield Ministerial Alliance cooperated and 15 churches participated.

Assistance was given to the Brownfield, Wellman and Meadow vocational agriculture departments in the land judging contest.

Supervisors are assisting Brownfield Boy Scouts to pass merit badge work on soil and water conservation and related subjects.

Individuals in the dealer - district program have assisted in printing of Program and furnishing of lunch on the annual field day tour, Sept. 18, 1956.

Implement dealers have contacted farmers and have contributed to increased conservation practices. They also have contributed to the increase in district cooperators.

State and national association dues were paid by the district for 1956.

TSCD won the 1956 Fort Worth Press Award for the Outstanding Soil Conservation District in Zone 1, receiving \$300 at the annual awards dinner at Quannah in May.

The annual TSCD tour was held in September, and 10 farms were visited. Air-conditioned buses and a barbecue lunch were furnished by the banks and business concerns. Cong. George Mahon of the 5th District made a brief talk.

The following information is furnished to reflect conditions and problems in the District:

Services Held Sunday For Pioneer of Terry

Funeral services for Mrs. R. M. Kendrick of 301 West Tate, 70-year-old West Texas pioneer who died Saturday, were held here Sunday afternoon in First Baptist Church.

Dr. Jones W. Weathers, officiated, assisted by the Rev. W. J. Spreen of First Christian Church. Burial was in Terry County Memorial Cemetery, under the direction of Brownfield Funeral Home.

Pallbearers were Ervin Rambo, B. F. Hutson, Lee O. Allen, Everett Latham, Sam Pruitt and I. J. Richardson.

Honorary pallbearers were Dr. T. L. Treadaway, Dr. E. O. Nelson, Roy B. Collier, W. B. Tudor, A. A. Sawyer and I. M. Bailey.

Her survivors are two sons, Clovis Kendrick of 620 East Tate, and Richard Kendrick of Bandera; one daughter, Mrs. Orb Stice of 808 East Tate; two brothers, Jim Cunningham of Plains, and Will Cunningham of Utopia, and six grandchildren.

Mrs. Kendrick died about 12:30 a. m., Saturday, in Treadaway-Daniel Hospital. She had been ill for a brief time.

Prior to 1904, the year Terry County was organized, Mrs. Kendrick lived here with her family. In early 1908, she was married to R. M. Kendrick. In 1909, Mr. and Mrs. Kendrick moved to Plains from Gomez, where he had owned a bank. They then moved to Brownfield in 1919, the year First National Bank was chartered. He was president of the bank from the date of its charter until he died in 1950.

Mrs. Kendrick's father, D. S. Cunningham, was commissioner of Precinct 1 for many terms. She was an associate member of Maids and Matrons Club and was a member of First Baptist Church.

AN EDITORIAL . . .

How Important That Vote Of Yours!

You can help write history — and also help to determine your own living conditions — if you remember to pay your poll tax before January 31.

If you do, it is entirely possible that your vote alone could change the course of history. It has happened before.

More than a century ago, one vote sent a certain man to the Indiana State Legislature. A vote cast by this legislator sent Edward A. Hannegan to the U. S. Senate. And the vote cast by Senator Hannegan was the margin by which Texas was admitted to the Union.

One vote was also the margin by which an Indiana congressman was elected . . . and a single vote, cast by that same congressman in 1876 made Rutherford B. Hayes president of the United States.

Texas has had many close elections — some so close that a handful of votes determined the outcome. So remember:

All citizens, 21 to 60 years of age, must obtain receipt (the tax is only \$1.75) in order to vote. des citizens in the regular military services (to be secured in the county of their residence at the time they entered the service).

Persons 60 years of age or older before Jan. 1, 1956, are exempt but must secure an exemption certificate before January 31, 1957, if they reside in cities of 10,000 or more. (If they live outside the city limits of that size they do not need a certificate to vote).

(1) A husband can apply for his wife's poll tax receipt and vice versa.

(2) Any person becoming 21 years of age after Jan. 1, 1956, and before Dec. 31, 1957, is exempt from the payment of tax but must secure an exemption certificate.

(3) New residents of the State of Texas, after Jan. 1, 1956, are entitled to exemption certificates, but must have lived in Texas for at least one year and in the county where they offer to vote for six months prior to the election in which they wish to vote.

As a citizen of a free country, it is your solemn duty to vote in every election. You can help defend your freedom, but ONLY if you are armed with a poll tax receipt or exemption certificate.

More farmers are using summer See SUPERVISORS, Page 5

Jan. 31 Is Mighty Important Date, Podner. Poll Tax Paid?

THE WINNERS — Climax of the 1956 year in 4-H club work was climaxed Monday night for the group pictured above. From left, front row: Jeff Hulse, Duane Steen, Mark Hulse and Jesse Hartman. From left, second row: Johnny Moorhead, Ronnie Smyrl, John Floyd, Jerry Holder, Vaughn Tatum and Jackie Dill. Third row: Sue Nelson, Winnie Shults, Janice

Newsum, Genell Cornett, Ethel Martin and Lawrelle Wheatley. Fourth row: Barbara Benson, Lila Solsberry, Linda Hinson, Hilbern Briscoe and Guy Henson. Fifth row: Beverly Hendricks, Fred Sedgwick, Alton Carmichael and Herman Wheatley Jr. For details of the event, see main story, Page 1, Section 1. (Staff Photo)

Red Raiders To Play Saturday in Canyon

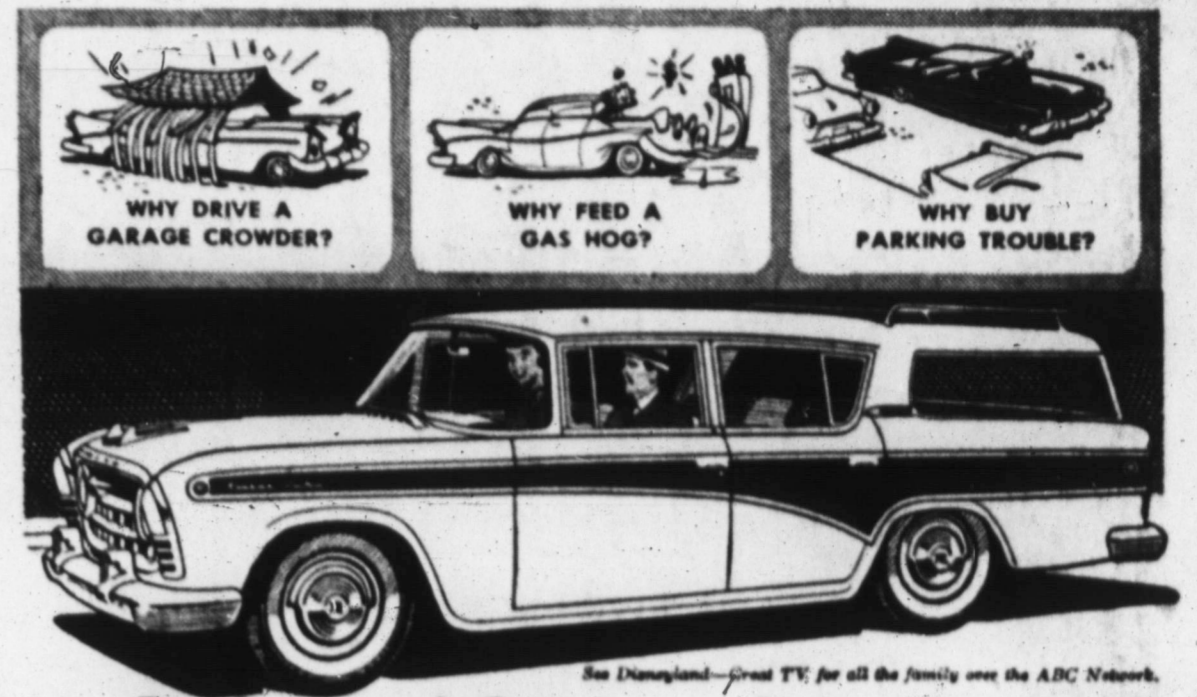

LUBBOCK, Jan. 21—To climax a week of battling the books, the Texas Tech Red Raiders meet another formidable opponent in the West Texas State Buffaloes at Canyon Saturday night. The Raiders' next home game is with Baylor Wednesday night, Jan. 30.

West Texas has always been tough for the Raiders, particularly at Canyon, and the added handicap of mid-term finals is not expected to sharpen Tech's shooting eyes. Tech hasn't beaten West Texas in a regularly scheduled game at Canyon since 1931. The Raiders edged the Buffaloes in a tournament at Canyon in December, 1952, but dropped the January game there.

Coach Polk Robinson's big hope is that his 6-6 sophomore center, Leon (Podd) Hill of Sudan, is able to play. In Tech's exhibition loss to Phillips 66, 85-61, Hill chipped an elbow.

Since the game with the National Industrial League leaders was merely an exhibition, the loss does not count against the official record, which reads five wins and eight losses.

Tech's freshmen, earlier winners, 104-77 over the Calves, meet the West Texas freshmen at 6 p.m. Saturday.

Moore, Le Nora Turner-Gerald Jenkins, Reudell Bradley-Arnold Rimer, Betty Bragg-Doyle Neighbors, Linda Gaunt-Danny Powers, Ruth Glenn-Lonnie Bartley, Jackie Scoggins-Billy Harlan, Barbara Knox-Larry Meeks.

Class meetings were held Wednesday morning to elect class favorites and nominees for class outstanding. The seniors elected Carole Johnson and Leon Willis as favorites, and Janith Spears and Jackie Meeks will run against the

Our sports world is deeply saddened. The 14-year-old Robert L. (Butch) Russell has gone to heaven. The young athlete always carried a big, infectious grin and was a member of the Dodger team in last year's Junior League.

I and hundreds of others have a heavy heart at this time. Words are not enough to pay tribute to a lovable lad whose first thought was of his fellow-players.

His soul is resting in serene peace and will command a respectful place in heaven's Hall of Fame.

To you, Butch, we will be eternally grateful for the privilege of association. Your shining example of courage and humbleness will always serve as a guiding light down the path in the world of sports.

Junior candidates, Patsy Hulse and Kenneth "Jive" Cary for all-school favorites. Patil Wilder and Tommy Lamar were selected junior favorites. The sophomore class had a run-off for their class favorites, and the freshmen elected Yvonne Parker and Jimmy Green as favorites. Class outstandings were elected by secret ballot Thursday morning in home room. We'll have news of the run-off results next week.

The local assembly of Rainbow Girls entertained Mrs. Ophie Pope, Grand Visitor of the Order of the Rainbow for Girls in Texas, with a salad supper preceding their regular initiation meeting Monday night.

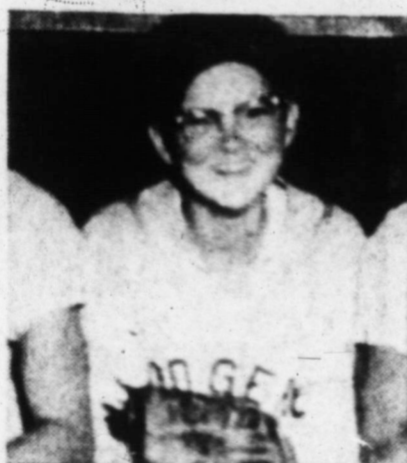

Try-outs for the junior play, "Brother Goose", were held Wednesday afternoon.

Friday morning another guidance film, the second shown under the direction of Dr. Hooy, was shown to the student body. A panel of four discussed the film, "Are You Ready For Marriage", after the showing.

Bobbie Bailey, a freshman, returned to school Monday after recently having her appendix removed.

Tuesday morning B. H. S. student leaders assembled in the

cafeteria where the Student Council launched the first in a series of leadership workshops. Four speakers, Morgan Copeland, Newell Reed, L. J. Richardson, and O. R. Douglas, discussed various phases of leadership, and answered questions posed by the students present. Hot chocolate, coffee, and donuts were served before the discussion by the cafeteria staff.

ROBERT L. RUSSELL

Butch Russell Rites Conducted Tuesday

Funeral services for Robert Lonnie (Butch) Russell, 14-year-old son of Mr. and Mrs. Henry Russell of Welch, were held Tuesday in the Lamesa Church of Christ, with W. T. Hamilton, minister, officiating.

Burial was in Lamesa Memorial Park.

Young Russell died Monday afternoon in Lamesa General Hospital, victim of a heart ailment from birth. He had been seriously ill for two weeks.

Other than parents, his survivors are three brothers, James Kelton and Paul B., both of the St. Louis Cardinal baseball club, and Kenneth R., of Alpine; and grandparents, Mr. and Mrs. P. Russell of Emhouse, and Mr. and Mrs. J. C. Carver of Dawson.

Russell appeared to be following in the footsteps of his two brothers associated with the Cardinals and his father, all three professional baseball players.

He was a centerfielder on the Dodger team here last summer. The Dodgers were in the Pony League. He was named to the league's All-Star team. Fans and fellow-players considered him a top-notch ball player.

The Dodgers and the All-Stars attended the services at Lamesa. Russell was born July 24, 1942, in Hobbs, N. M. He had lived with his family in Welch since 1946, where his father is employed by Cities Service Oil Corporation.

RECENTLY ARRIVED — New minister of music and education at First Baptist Church is Beryle C. Lovelace, pictured above with his family in their home at 915 East Tate. The children are Kent, 3, and Laura Beth, 15 months. The Lovelaces come to Brownfield from Corsicana, where he served as minister of music at the First Baptist Church. Both Mr. Lovelace and his wife Eloise are graduates of Howard-Payne College at Brownwood, and both are charter members of Rho Alpha, national fraternity of Christian Arts. Lovelace is no stranger to this area: His father is Weaver C. Lovelace of Knox City, long a pastor of Wellman, Union and Ropesville churches. Now in semi-retirement, Lovelace's father was ordained and licensed to preach in 1930 by the Brownfield First Baptist Church. Beryle has two uncles, Norman and Ira Lovelace, who live in Tokio Community. Mrs. Lovelace's father is a Baptist minister and the associational missionary of Hunt County, and lives in Greenville. She is a member of the Ninettes, Brownfield singing group, and he is a Civitan. (Staff Photo)

Cubs Eke By Andrews, 51-50, Meet Monahans Friday Night

The Brownfield Cubs, with a 21-point fourth quarter, narrowly eke out a 51-50 victory over the Andrew Mustangs in Friday night's encounter at the High School Gym. The game was a 2-3A conference match.

The Cubs netted only 23 percent of their shots during the first half but blew back in the final two stanzas to hit an average of 45.8 per cent. The final blow came in the fourth period when the Cubs netted 21 points, the final two being dropped in by Cason just prior to the closing whistle.

Johnny Raybon was big man for the night as he dropped 18 points through the nets.

Brownfield also won the B game downing the Mustangs, 53-45, with Jerry Don Huckabee scoring 18 points to take the honors.

Last weekend the 7th and 8th grade teams won their tournaments while the 9th grade was consolation winner in its tournament.

Friday night the Cubs travel to Monahans for another conference encounter.

 Safety: Lita Solsberry, daughter of Mr. and Mrs. Thurman Solsberry.

Fort Worth Trip Is Planned Concerning Airport Program

Eight Brownfield men will go to Fort Worth Friday to make final plans with Civil Aeronautics Authority for getting construction under way of the airport 4 miles east of the city.

The Fort Worth trip is the result of a joint meeting Monday between city, county and county commissioners when the city decided half a section of land to the city.

That half-section comprises the current airport facilities east of town. The city will retain water and mineral rights.

The following men will go to Fort Worth:

Earl Jones of Jones-Coffey Insurance Agency; Joe Satterwhite Chamber of Commerce manager; Pete Morris of Harris Flying Service; Don Cates, county tax assessor-elect; Bob Burnett, commissioner of Precinct 4; W. P. (Buddy) Norris of Norris Crop Dusting Service and Ralph W. Douglas, Littlefield engineer.

Douglas will be in charge Monday to see the construction.

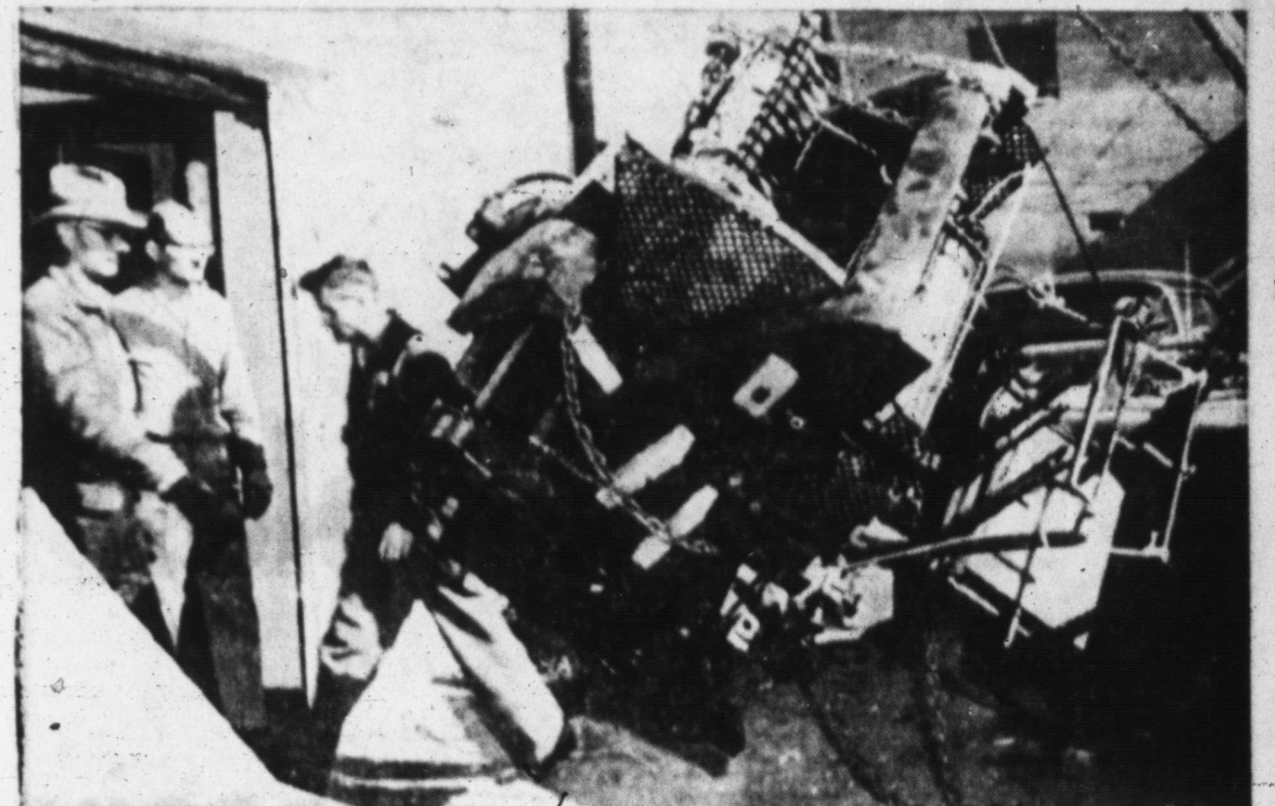

Gold Star: James Bandy and Jeanie Solsberry.

Presenting the gold award to the 4-Hers were J. T. (Jake) Fulford, president of Terry County Farm Bureau; Bob Ethersole, assistant county agent; Mrs. P. D. Sheen, director of Terry County Home Demonstration Council; Johnie Venable of Brownfield Tractor Company; and

Mrs. O. D. Kennedy, immediate past chairman of the HD council; Don Lyman, editor of the Brownfield News; Herald H. L. (Hub) King, Director of District 2, Texas Farm Bureau; Miss Shirley Holbrooks, home demonstration agent; and

Master of ceremonies Davis L. G. Smith, Brownfield State Bank officer; Mrs. Tom Pettigrew, HD council member; Mrs. James Thurman, representative 4-H mother; and County Judge Herb Chesley.

James Bandy closed the program with the 4-H Prayer: "Help me, O Lord, to live so that the world may be a little better, because Thou didst make me. Amen."

RECOGNIZE IT? — In case you don't, that and facing the machine. Employee Charles Miehle Vertical, fast printing machine being unloaded at Terry County Printing Company, 316 West Main. Directing operations is Lee Lidzy, manager. He's the fellow wearing no hat and facing the machine. Employee Charles Hutchinson is entering building. The Miehle brings to five the number of printing machines in the building. (Staff Photo)

Supervisors—

(Continued from Page 1)

legures, and the Soil Bank program is leading emphasis to his practice.

The district has several types of equipment available for rent to farmers. In most cases, this type of equipment normally would not be owned by individuals.

The district furnished visual aid equipment and film to the county agent to be used in soil conservation education.

The year 1956 was one of the lowest in the district's history. Despite this, conservation prac-

es went along at an acceptable rate. The year saw the highest cotton yield in the district's history. This was due to good management of irrigation water, use of fertilizer and crop rotation.

Large acreages of rented land is still a problem. This has shown much improvement in the past year, as landowner and tenant worked more closely together. In many cases, leases are being obtained.

At the present time, TSCD is in good financial condition. The district wishes to thank other agencies, banks, businessmen, implement dealers and others who assisted it in 1956.

Financial statement of district: Balance Aug. 31, 1956 was \$6,021.

Cash on hand, \$5,518. Trust Fund Balance, 2501. Rental equipment, \$6,094. Visual aid equipment, \$1,231. Less depreciation to Aug. 31, 1956, \$3,516. Total net worth, \$8,431.

Lamesa Services Held For Mrs. Jack Addison

Mrs. Milton Addison of 1615 East Tate attended funeral services Wednesday in Lamesa for her sister Mrs. Jack M. Addison.

Final rites were held in the First Baptist Church and burial was in Lamesa Memorial Park.

Other survivors are her husband; father W. E. Maberry and two sisters Mrs. Max Entekin of Semole and Mrs. W. W. Miers of Lamesa.

LP Gas Cuts Farm Costs

Lower maintenance and operating costs are features of the new Ford tractors which are factory-equipped with liquefied petroleum (LP) gas engines. All 11 tractor models produced by Ford Motor Company's Tractor and Implement Division now are available with the LP option in addition to gasoline models. These LP-gas operated tractors are on display at the local Ford farm equipment dealership. The new system, using propane or butane-propane fuel, is of the liquid-withdrawal type. The hooded controls are directly in front of the operator and can be reached from the seat.

 304 TAHOKA ROAD

Brownfield Tractor To Show Ford Innovations

Two important farm machinery developments are being announced by Ford Motor Company, according to Johnie Venable of Brownfield Tractor Company at 304 Tahoka Highway.

For the first time in Ford's 40-year history of tractor production, liquefied petroleum (LP) gas engines are being made available as a factory-installed option in all models, and three new optional front wheel arrangements for row crop tractors also are being introduced.

Venable this morning invited all residents of the area to see the new Ford equipment at his show room.

TEAM CAPTAINS — Annual membership drive of Brownfield Kiwanis Club ended today. Team captains were Ves Hicks, left, and J. A. Chambliss. Losing team was to be revealed late tonight. That captain will push the other in a wheelbarrow around the courthouse square Saturday noon. Youngest of Brownfield civic clubs, the Kiwanis organization seeks to increase its membership by at least 14. (Staff Photo)

Mothers To March On Polio Jan. 31

Brownfield mothers will make their March on Polio Thursday Jan. 31 from 7 to 8 p. m. according to Mrs. Jack Bailey march chairman.

Group leaders met with Mrs. Bailey at the Melody Restaurant Wednesday to map plans for the event. Those attending were Mesdames H. L. King, Rebecca Ballard, Sherwood Gill, Phil Gasch, Bluzelle Kathir, Buck Howell, Murphy May, Charlie Price, John Jennings, R. N. Love, Thurman Skains, J. T. Fowman, James Murchough, Truett Flache and Bob Thurmons.

Other group leaders are Mesdames Pruce Zorns, C. L. Green, Bob Simmons, Joe Ramsuel and Claude Merritt.

All Brownfield residents are urged to turn on their porch lights from 7 to 8 p. m. Thursday Jan. 31 and support the Mothers March on Polio.

Mr. and Mrs. Pemberton Hosts To Bridge Club

Mr. and Mrs. D. Pemberton were host and hostess to their couples bridge club Tuesday night in their home.

Valentine motif was carried out. Cherry pie and coffee were served to players, and Miss Jimmie, Bill Anderson, Joan Kendrick, Howard Juro, and George O'Neal.

High couple was the Bill Andersons, Mrs. Juro and Mr. Kendrick tagged.

Business Women Circle Entertain District Group

The Business Women's Circle of the Calvary Baptist Church entertained the Business Women's Federation recently.

The state Women's Missionary Union colors were carried out in decorations. Cake squares, coffee, and cocoa were served to ladies from Wilson, the First Baptist Church of Brownfield and Calvary Church. Mrs. Lee Hemphill, district chair-

RECENT BRIDE COMPLIMENTED — The former Miss Barbara Hodges, Mrs. Dennis Beadles, sister of the honoree; Mrs. S. F. Beadles, mother of the bridegroom; Mrs. Beadles, and Mrs. Ima Hodges, the honoree's mother. (Staff Photo)

Girl Scout Leaders Will Meet Tuesday

The first official neighborhood association meeting since the Caprock Girl Scout Council was formed will be held at 10 a. m., Tuesday, in the Little House.

Neighborhood chairman, Mrs. L. J. Foster, was guest speaker for the occasion.

Shower Courtesy To Mrs. Roy Gober

Mrs. Roy Gober was honored with a layette shower Monday afternoon in the home of Mrs. J. M. Burleson of Meadow.

Out of town guests attended from Hobbs, N. M., Ropesville, and Brownfield. About 45 persons called or sent gifts.

Fidelis SS Class Has Regular Meet

Fidelis Matrons Sunday school class of the First Baptist Church met Jan. 15 in the home of Mrs. Alfred Tittle for a monthly business meeting.

Mrs. Jim Jones opened the meeting with a prayer, and Mrs. Sid Machen led the closing prayer. Mrs. W. A. Kimbrough was in charge of the program.

Coffee, cold drinks, and cookies were served to Mesdames W. M. Adams, C. R. Riley, Machen, Doran Dumas, Kimbrough, Elmer Brownlee, Jack Bailey, J. O. J. and Miss Alda Mae Steen.

Feb. 13 Luncheon Is Scheduled Here

Christian Women's Fellowship met at the First Christian Church Jan. 14.

The meeting opened with a prayer by Mrs. John Jennings. Announcements were made concerning the covered dish dinner to be held Feb. 13. A school of missions will be held Sunday evenings in February. It was also announced on adolescents' conf. in Mrs. John Venable and Mrs. Joe Satterwhite serving refreshments. The meeting closed with the CWI benediction.

Mrs. Yeager Named To Fill PTA Post

Mrs. O. D. Yeager was elected second vice-president to fill the unexpired term of Mrs. Joe Ramsdell when Colonial Heights PTA met Jan. 10 at 7:30 p. m. in the school cafeteria.

Mrs. L. C. Webster was subgroup leader for the study-discussion "Problem Solving Attitudes and Methods." She was assisted by Mrs. J. E. Smith, Bill Tilger, and Mrs. Will Fitzgerald.

Room count was won by Icela Crouch, with Mrs. Fitzgerald's room second, and Mrs. Byron Rucker's room third.

Juvenile Delinquency Is Studied by Group

The Woman's Society of Christian Service held the second meeting of its winter study, "Youth in A Responsible Society," in the church parlor Monday, with Mrs. J. C. Criswell in charge.

Mrs. G. S. Webber gave the opening prayer. Mrs. Leo Holmes was in charge of the program, with the subject "Juvenile Delinquency In The United States."

A very interesting panel discussion was given by Judson H. Chesbair, Mrs. Burton Hackler, Mrs. Leonard Chesbair, and Mrs. Ben Christopher gave the devotional.

Mrs. Chris Hafe and Mrs. Earl Layman are visiting friends and relatives in California.

Attending market in Dallas early next week will be Mrs. Sam White and Cool Arnold from Cobbs', Mr. and Mrs. Kenneth Plattner from Dunlap's; and Mrs. Harvey Gage, Miss Gladys Swain, and Ned Self from Collins.

POSTAL EMPLOYEE RECOGNIZED — Pictured above are Wilburn V. Carter and Mrs. Marie Cunningham, both employees of Brownfield Post Office. Carter is showing Mrs. Cunningham the certificate of recognition given him by Postmaster General Arthur A. Summerfield and George A. Gray, regional director. Carter, who has been fireman-custodian of the Brownfield post office for the past 15 years, also received a \$50 check.

Meadow News

By MARY GOBER
NEWS Correspondent

James Selman of Hobbs, N. M., and J. H. Gober were in Amarillo Monday on business.

Visitors in the home of Mr. and Mrs. Tom Adams Monday were Mrs. Lee Walker and Mr. and Mrs. Speedy Joplin and children.

Barbara Russell of Lubbock spent the weekend in the home of her parents, Mr. and Mrs. Carl Russell, and Carlene.

Mr. and Mrs. Steve Warren and two daughters have returned to their home in Dallas after spending several days in the home of his parents, Mr. and Mrs. Pearce Warren, and Bob. The Steve Warrens plan to move to Lubbock soon.

Mr. and Mrs. Alvin Gray and daughters of Brownfield and Mr. and Mrs. Cecil Peck and daughter, Ann Beth, Mrs. Mary Armstrong, Mr. and Mrs. Garland Peck and daughter, Melody Kay, of Lubbock, visited in the home of Mr. and Mrs. Ed Peck Sunday.

Mrs. Dot Castleberry is spending this week in Frisco, visiting her son, Ray, and family.

Mr. and Mrs. Arthur Curtis and family attended the funeral of her grandmother in Westbrook last Sunday.

Mrs. Willie Verner of Roswell and Mrs. T. E. Verner attended the Money Price sale north of Brownfield Monday.

Mrs. Cliff Wilcox of Lubbock and Mrs. Benson Hunt visited Mrs. Dot Castleberry last Friday.

Rev. Allen A. Pelt has returned home after spending several days in the Seagraves hospital.

Benjamin Isaacs of Brownfield attended Sunday school and church at the Methodist church last Sunday and was a dinner guest in the home of Mr. and Mrs. J. H. Gober and Ray, Mr. and Mrs. Roy Gober were also dinner guests in the Gober home.

Alzela Adams spent Tuesday in Brownfield visiting her grandmother, Mrs. W. M. Adams.

Mr. and Mrs. E. A. Short visited in Lubbock Saturday.

Mr. and Mrs. Newell Reed of Brownfield visited in the home of her parents, Mr. and Mrs. J. M. Purleson, Sunday afternoon.

Mr. and Mrs. James Selman and daughters, Mary Jo and Pat, of Hobbs, N. M., spent Sunday night, Monday, and Monday night in the home of her parents, Mr. and Mrs. J. H. Gober, and Ray.

Mrs. Sammy Tate and son, Mrs. Earl West, of Lubbock, and Mrs. Marie Turner and children of Lovington, N. M., visited in the home of Mrs. Ellie Turner Tuesday.

Mr. and Mrs. Ben Baggett of Brownfield visited his mother, Mrs. Gregory, and Mr. Gregory Tuesday. Mrs. Gregory is very ill.

Mr. and Mrs. Carl Pritchard left Wednesday for Fort Worth where they will spend a few days visiting and attending to business.

Rev. and Mrs. M. W. Reynolds, Mrs. Louis Peeler, and Ray Gober attended the Spearhead sub-district adult workshop in Tahoka Monday night.

Pean Hinson of Brownfield attended the Methodist Church here Sunday.

TRAGEDY AT NIAGARA—The news camera catches the prelude to a wintertime tragedy at Niagara Falls, Ontario, as these deer struggle in the icy rapids leading to Horseshoe Falls. They are three of four that were trapped in the swirling currents. They battled for more than a mile and got ashore, but were frightened back into the water. They were swept to their deaths over the falls.

GOMEZ NEWS

By ERA SEARS
NEWS Correspondent

Mr. and Mrs. W. B. Paschal spent last weekend visiting in the home of their daughter and family, Mr. and Mrs. Floyd Camp and children at Monahan.

Mr. and Mrs. Clyde H. Johnson from Grassland have moved to the Gaston farm from south Gomez.

Mr. and Mrs. Grover Richie and children of Meadow visited Sunday in the home of her parents, Mr. and Mrs. Joe W. Kennedy, who recently moved to this community from Plains.

Mr. and Mrs. H. D. Knight and children, Carla, Sherie and Dell from Wilson have moved to farm seven miles north of Gomez.

AUTOMATIC GAS WATER HEATER

* Facts show that "the hotter the water, the whiter the wash." And a modern GAS water heater such as this slim, trim, 1957 RHEEM delivers temperatures high enough to more than meet the most rigid laundering specifications. Add to this the fact that dependable GAS heats water faster than any other fuel—and you've got the best insurance there is for the lightest, whitest launderings that ever came out of a washer!

To Make Laundering Lighter... Washdays Brighter...

Smart Moderns go GAS!

AUTOMATIC GAS CLOTHES DRYER

* You've no idea how much lighter your washday load can be, 'til you've tried a work-saving GAS clothes dryer—minus all the lugging, lifting, stooping and stretching that go with old fashioned line drying. lightens the load on hubby's pocketbook, too. Did you know that it costs only about \$2.60 a year to dry clothes for a family of four—plus, the fact that GAS drying saves on clothes because it's easier on cloth fibers than outdoor drying. Any wonder, then, why Smart Moderns go GAS?

The glamorous 1957 WHIRLPOOL Imperial Super-Speed Dryer, available in decorator colors.

Down Wellman Way

Mr. Z. Z. Zigler says, "Take care that the face which looks on from your mirror in the morning is a pleasant face. You may not see it again all day, but others will."

Last Wednesday we chose class favorites, all school favorites, and the faculty chose the best citizens and the best athletes.

They were as follows:
Senior favorites—Barbara Smith and Otis Smith
Junior favorites—Martha Goa and Kenneth Taylor

Sophomore favorites—Barbara Bishop and Bob Belcher
Freshman favorites—Mary Adair and Jerry Bradley

All school favorites—La Rue Rex and Otis Smith
Best Athletics—Foxie Oliver and Kenneth Taylor

Best Citizens—Janelle Hulse and Bill Elliott

The pictures of the favorites basketball teams and pep squad were taken Friday.

The Wellman High school honor roll for the past six weeks has been announced by the high school principal, Mr. Edna A. Amell. Students having an "A" or "B" average are as follows:

Freshmen—
"A" average, Peggy Burnett and Barbara Watkins.
"B" average, Mary Adair, Tootsie Hawkins, Karen Hamm, Mary Hohenberger, Velda Hill, and Virginia Thornton.

Sophomores—
"A" average, Winston Livesey and Rals Lee.
"B" average, Sammie Adair, Barbara Bishop, Pat Rummels, Dixie Bowling, and Luddy Hawkins.

Juniors—
"A" average, Bill Adams and Martha Goa.
"B" average, Danny Lee and Cynthia Smith.

Seniors—
"A" average, Janelle Hulse.
"B" average, LaVerna Dickens, Foxie Oliver, Sabra Welcher, Dena Graham, and Jerry Carmichael.

The conference games in basketball opened January 15, at 7:00 p. m. with Union. The girls won 49-18 and the boys lost 56-15. Friday night, January 18, we played Meadow. We came out on the under side. The girls lost 54-39 and the boys lost 37-9. Wellman teams play Whiteface here Tuesday night, January 22 at 7 p. m. and Friday night they play Smye there at 7:00 p. m.

The Juniors are now practicing on their annual play "The Red-headed Royalty from Arkansas" which will be presented February 22. They practice Mondays, Wednesdays, and Fridays from 12:30 to 2:30 p. m.

A Southern School Assembly was presented to the student body Tuesday, January 22, at 12:30 in the high school auditorium. This program was presented by Leo and Josephine Gaska from Dallas. Everyone enjoyed the program very much.

The sophomore class had a round-table discussion Monday, January 21 on "What Literature Should High School Boys and Girls Read?" A panel consisting of six students: Eddy Hawkins, Pat Rummels, Barbara Bishop, Larry Simms, Tommy Lee, and Rals Lee led the discussion assisted by the moderator, Mrs. Akers.

The following points were brought out. The members of the class agreed that high school students should read fiction and biography that is approved by the Library Committee; that each high school student should read at least one daily newspaper.

It seems to us that Union boys have some special charm that attracts the Wellman girls. The Wellman girls who go with boys from Union are Foxie Oliver—Claude Montgomery; Margaret Ingram—Robert Earl Faught; Barbara Bishop—David Cobe; Sammie Adair—Kenneth Hancock; Dixie Bowling—Wylie Kay; Foxie Oliver is now wearing an engagement ring from Claude Montgomery.

Wellman FHA Girls Selling Candies At Basketball Games

Danny Lee, program chairman has turned the program for Wednesday over to the freshmen girls. The freshmen girls are going to put on a skit entitled, "Table Manners."

The FHA girls are selling pie coffee, candy and jam during the basketball game at home.

Foxie Oliver and her family attended a family reunion at Oak Murry's home Sunday.

Dixie Bowling is recuperating from an injured collar bone which she received during a ball game.

Tootsie Hawkins and Peggy Burnett visited friends in Dallas last weekend.

Danny and Tommy Lee and a family have been at Spur, Mrs. Willie Smith has been ill. Mrs. Lee stayed at Spur a week.

Georgia Faught's aunt and uncle, Mr. and Mrs. L. H. Faught from Alabama, visited in her home over the weekend.

Clara Bolen's uncle and aunt, Mr. and Mrs. A. G. Maynard from Meadow, visited in her home over the weekend.

Margaret Ingram's aunt and uncle, Mr. and Mrs. Jake Byler from San Angelo, visited in her home Monday and Tuesday.

DETROIT (UP)—When Carroll S. Blair heard strange noises in his car Thursday, he had a service station attendant thoroughly check his engine. The attendant could discover nothing wrong and started checking the rest of the car. A cat was finally discovered perched on the axle.

CITATION BY PUBLICATION THE STATE OF TEXAS:
TO: MODESTA VASQUES HERRERA. Defendant, Greeting: **YOU ARE HEREBY COMMANDED** to appear before the Honorable District Court of Terry County at the Courthouse thereof, in Brownfield, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 27th day of December A. D. 1956, to Plaintiff's Petition filed in said court, on the 49th day of June, A. D. 1956, in this cause, numbered 4619 on the docket of said court and styled Willie Herrera, Plaintiff, vs. Modesta Vasques Herrera, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: A suit for divorce, alleging abandonment for more than three years and asking that custody of Irene Herrera be awarded to defendant, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served with in ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Brownfield, Texas, this 27th day of December, A. D. 1956.
Attest: Eldora A. White, Clerk, District Court, Terry County, Texas. 1-4c

CITATION BY PUBLICATION THE STATE OF TEXAS:
TO: MODESTA VASQUES HERRERA. Defendant, Greeting: **YOU ARE HEREBY COMMANDED** to appear before the Honorable District Court of Terry County at the Courthouse thereof, in Brownfield, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 27th day of December A. D. 1956, to Plaintiff's Petition filed in said court, on the 49th day of June, A. D. 1956, in this cause, numbered 4619 on the docket of said court and styled Willie Herrera, Plaintiff, vs. Modesta Vasques Herrera, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: A suit for divorce, alleging abandonment for more than three years and asking that custody of Irene Herrera be awarded to defendant, as is more fully shown by Plaintiff's Petition on file in this suit.

NEW REBEKAH OFFICERS — Installed Tuesday night, the 1957 officers of Brownfield Rebekah Lodge 56 are pictured above. From left: Mrs. Pearl Robbins of Denver City, District 5 deputy president and installing officer; Mrs. Lilly McPherson, Noble Grand; Mrs. David Nicholson, Vice-Grand; Mrs. Jim Griffith, secretary, and Mrs. L. R. Riney, treasurer. Appointive officers for the year are Mrs. Mary Smith, inside guardian; Mrs. R. B. Berry, outside guardian; Mrs. Mary Harwell, chaplain; Mrs. Bobby Thomson, warden; Mrs. Jewel Moore, con-

ductor; Mrs. Dessie Stone, right support Noble Grand; Lena Bryant, left support Noble Grand; Imo Riley, right support Vice-Grand; Mrs. Gertrude Short, left support Vice-Grand. Supporters to the other stations are Anna Bess Stewart, Freddie Tatum, Alda Mae Steen and Ethel Keith. Mrs. Loretta Preston will fill the past Grand position, and Miss Juanita Stevens, the musician's station. Mrs. Evelyn Williams and Mrs. Ann Mason filled the positions of altar bearers. Mrs. Vada Lewis was appointed team captain. (Staff Photo)

Farewell Bridge Party Honors Mrs. Adams

Mrs. Herbert Chesshir and Mrs. Leonard Chesshir were hostesses for a farewell bridge party honoring Mrs. Mary Lou Adams Monday night. Mrs. Adams will move to Midland this weekend.

Date nut cake and coffee were served to Mesdames Adams, Ted Hardy, Jack Hamilton, Eddie Ballard, R. N. Lowe, J. O. Rodgers, and N. L. Mason. Members presented individual gifts to the honoree.

ESA Makes Final Plans For Meet

Kappa Zeia chapter of Epsilon Sigma Alpha sorority met in the home of Donna Badgwell Monday night. Rita Holmesley was hostess. The district ESA convention, to be held here this weekend, was

discussed by members and final plans were made. The group voted on ways and means and voted to contribute to the March of Dimes. Merle Kemper presided in the absence of president Frances Gillham.

Members present were Maxine Steele, Merle Kemper, Josh Sweeten, Mickey Freeland, Ann Dugger, John Lou Callison, Maxine

Wojtcha, Donna Badgwell, Rita Williams, Sue Whitson, Zelline Murgensen, Evelyn Hopkins, Laura Mae Clark, Fern Niles, and Rita Holmesley.

Mr. and Mrs. Joimay raybon attended the basketball game in Kermit Friday evening and spent the night with his brother and family in Monahan.

Calvary Business Women Have Meet

The Business Women's Circle of the Calvary Baptist Church met at the church for their regular meeting.

A devotional was given by Mrs. Lottie Evans. The group sang a hymn, "The Great Physician." "Help the Missionaries" was the program theme, concentrating on mission work along the Mississippi Basin. Mrs. Warren Stowe closed the meeting with a prayer.

Those present were Mesdames Chuck Mulkey, Buck Stewart, Bill Conlee, Knox Hinkle, Evans and Stowe, and Miss Marjorie Howell.

Couples Bridge Club Met With Brownfields

Mr. and Mrs. Lee Brownfield entertained members of their night couples bridge club in their home Thursday evening.

Pie and coffee were served to Messrs. and Meses Jack Hamilton, Burton Mackney, Howard Hurd, L. Patterson and Grady Goodpasture.

Mr. and Mrs. Hamilton were high couple and Mr. and Mrs. Goodpasture were second high. Mrs. Goodpasture and Mr. Mackrey hinged.

Beta Theta Chapter of ESA Currently Is Observing Its 10th Anniversary

BETA THETA PRINCIPALS — In the left panel is Kay Billings, current president of Beta Theta Chapter of Epsilon Sigma Alpha Sorority. In middle panel are charter members. From left standing, they are Dorothy Gore, Sue Ballard, Kanna Ste-

vans, Ruth Shaw, Bernadine Graber, Mary Ballard, Bobbie Bayless, Elsie Card and Glory Kendrick. From left in front, they are Elva Gilliam, Ruth Ramseur, Margaret Browder and Minnie Hazel Bowman. Current chapter members are pictured

in right panel. From left back row: Peggy Castle, Ann Johnson, Shirley Holbrooks, Patsy Hamilton, Jody Davidson and Sarah Callaway. From left middle row: Jo Jennings, Ruby Nell Hopkins, Kay Billings, Bonnie Vachal, Greta Hipp, Tru-

cene George, Gladys Swain and Dorothy Gore. From left front row: Rita Wilson, Nancy Stults, Betty Kehoe, Cleo Newsum, Jewel Coats and Dixie Williams.

12 New Members Receive Jewel Pins

Beta Theta Chapter of Epsilon Sigma Alpha Sorority held its 13th annual "jewel pin ceremony" Jan. 19 in Seleta Jane Brownfield club house.

The following members received their pins: Sarah Callaway, Jewel Coats, Peggy Cowlar, Jody Davidson, Patsy Hamilton, Shirley Holbrooks, Ann Johnson, Betty Kehoe, Cleo Newsum, Nancy Stults, Dixie Williams and Rita Wilson.

President Kay Billings conducted the ceremony, assisted by vice-president Dorothy Gore and district coordinator Dorothy Lowe of Plains.

Other guests were G. W. Short of Plains and Mrs. O. D. Kennedy of Brownfield, honorary member.

The ceremonial table was covered with a white net cloth over a table and featured two candleabra adorned with yellow tulle, surrounded by ruffles of blue net and ribbon.

A crystal bowl filled with floating tulle centered the table and was flanked by two open Bibles hanging on the wall directly behind the table was an enlarged replica of the sorority's jewel pin.

Dinner tables were covered with white cloths and decorated with tulle and blue net. An assorted salad plate, cake and coffee were served to 20 members and their three guests.

The Brownfield chapter was organized in September 1945 by a representative from international headquarters in Loveland, Colo. The 13 charter members were:

Ruth Ramseur, Elva Gilliam, Minnie Hazel Bowman, Kanna Stevens, Mary Ballard, Elsie Card, Dorothy Gore, Ruth Shaw, Sue Ballard, Bernadine Graber, Margaret Browder, Bobbie Bayless and Glory Kendrick.

First installation was held in the La Mecca cafe, at which time Glory Kendrick was named president. Since then, membership has been increased to the maximum of 25.

Other presidents have been Twila Dorrough, Evelyn Luker, Frances Haily, Bernadine Graber, Anita Cooper, Margaret Browder, Ruby Nell Hopkins, Lillian Haynes and Kay Billings.

In recent years, Beta Theta has received top honors in several contests. In 1955 and '56, the chapter scrapbook won first place at both state and international conventions.

Posters have ranked in the two top divisions for the last three years. In 1954, Alma

Cade was selected second in the state ESA beauty contest. In 1955-56, Beta Theta published the first chapter organ in the state, called "The Teson," which won second in international competition.

Beta Theta has had three Harvest Festival entries: Glenna Fay Winston was queen in 1947; Margaret Browder, second in 1949, and Alma Cade, queen in 1955.

District 9 of the sorority was organized in 1953, with Anita Cooper as president. Alma Cade also has held the office. Each year the district has a welfare project to which Beta Theta contributes.

The district has purchased a wheelchair for the Fairview Polio Foundation and has contributed to the school for mentally retarded children at Lubbock.

Beta Theta also has contributed to the state project, which is to raise funds for fighting polio. The funds have been used for a rocking bed, iron lung, respirator, self-help device for crippled polio patients. The Wolfe Rehabilitation Home in Houston also has been supported.

The chapter has solicited funds by having baby contests, amateur shows, lake sales, rummage sales and by receiving donations.

The chapter funds have been dispersed in the following manner: Texas City Disaster fund, flood

relief, Auricular Foundation, Christmas baskets, Girls town at Whiteface, milk bills for two needy families, crutches for the county welfare officials, and for Polio relief medical care.

Chapter members have attended many conventions. Ruth Ramseur took part in the first convention. The state session will be held this year in Odessa, and the international at Memphis, Tenn.

Circle Meetings Next Week Announced

A Royal Service and missions program was presented by Blanche Groves Circle Monday for Women's Missionary Union meeting in First Baptist Church.

Participating were Meses. Carl Johnson, Billie Moore, H. B. Grant, Fred Turner, Henry Fugate and R. D. Shewmake. Approximately 40 members attended.

Circles will meet next week to do community missions as follows: Janelle Doyle with Mrs. T. C. Hogue at 107 East Main, 4 p. m., Monday. Roberta Edwards with Mrs. Carl Johnson at 1012 East Buckley, 9:30 a. m., Tuesday. Blanche Groves with Mrs. C. E. Jones at 218 East Tate, 4 p. m., Monday.

Lucille Reagan with Mrs. Jones Weathers at 1211 East Tate, 4 p. m., Monday. Ann Pettit with Mrs. Mack Ross at 1205 East Cardwell, 9:30 a. m., Monday. Lotie Moon with Mrs. A. Howard at 401 West Ripley, 2:30 p. m., Monday. Lois Glass with Mrs. I. M. Bailey at 503 East Cardwell, 9:30 a. m., Monday.

The BWC and Lydia circles will not meet next week. All community missions chairman will meet at 3 p. m., Monday, in First Baptist Church to sort clothes.

The Newcomers club, sponsored by the Brownfield Junior Woman's Study Club, meets monthly. All persons interested in belonging are asked to contact Mrs. McBurnett or any other club member.

Local Delegates At Cancer Meeting

Mrs. Paxton Howard of Odessa, Dick Simpson of Big Spring, and Dr. R. E. G. Cowper of Big Spring were elected directors of District 2 of the American Cancer Society at the district's annual meeting held Tuesday in the VA hospital at Big Spring.

More than 64 cancer leaders from the 23 counties comprising District 2 attended. Official delegates from the Terry County unit were Mrs. R. N. McClain, Mrs. W. T. Pickett, and Mrs. Lewis Simmonds.

The day long session, stated Mrs. McClain, was designed to increase the effectiveness of cancer control in our area by providing volunteers with vital advance information on how to carry out such a program through organization, service, education, and crusade. Delegates learned that if present rates continue, more than 49,000,000 Americans now living will die of cancer, Mrs. McClain stated.

Calvary Circles In Mission Study

All circles of the Calvary Baptist Church Women's Missionary Union met in homes for visitation and community missions.

The Helen Tisdale circle met with Mrs. J. B. Marsh at 111 South Fifth; Darlene Sears circle met with Mrs. Ed Morton on South Third; the Alpha circle met at the church; and the Ruby Wehat circle met with Mrs. Lloyd Daugherty at 601 Lanny Drive.

Members attending were Meses James Waymon Todd, Daugherty, Ralph Murry, Warren Stowe, Tommy Shipman, Hubert Muston, Alton McKee, Marsh, Norris Phillips, Mary Howell, Minnie Decker, Orville Graves, Lynn Smith, Morton, Oscar Decker, J. E. Spears, and C. W. Pate.

All circles will meet at the church Tuesday, Jan. 29, for a program on "Emphasis of Mission Study."

Miscellaneous Shower In Foster Home Honors Mrs. Dennis Beadles

A miscellaneous bridal shower honoring Mrs. Dennis Beadles was given Tuesday, Jan. 15, in the home of Mrs. L. J. Foster at 505 Magnolia Drive. Mrs. Beadles is the former Miss Barbara Hodges.

Hostesses with Mrs. Foster were Mesdames George Ellis, Bill Blackstock, Kelli Soars, T. L. Nipp, H. J. Key, Henry Decker, B. F. Foshee, J. L. Newsom, J. A. Fox, W. H. Key, Jerry Dumas, Tyler Martin, J. W. Chasteston, W. D.

The honoree's chosen colors of pink and turquoise were used in decorations. The serving table was laid with a white linen cloth and featured a turquoise gift tree from which hung a small pink net tulle and a turquoise gift tree.

Crystal and silver appointments were used to complete the setting. Mrs. Billy Toon, sister of the bride, presided at the punch bowl. Mrs. Kelly and Mrs. Blackstock served decorated cake squares and nuptials.

Mrs. Neil Thompson, sister of the bride, registered guests in a white bride's book during the calling hours of 4 to 6 p. m. Gifts were displayed in the bedrooms.

Mr. and Mrs. J. F. Thurman residents of Route 5 for some time have moved to a new home at 215 South Second in Brownfield.

HD Club Meeting Is In The Farrar Home

Meadow - Chasin Home Demonstration Club met Tuesday afternoon in the home of Mrs. Cecil Farrar.

Mrs. T. C. Pettigrew called the meeting to order and Wanda Doak read the minutes.

The program on "A Quick Meal From the Freezer," was given by Miss Shirley Holbrooks, county agent showing film as she discussed various menus and the occasion when a meal can be quickly prepared from the freezer.

Copies of recipes and menus were given to all attending. There were seven members present and two new members. They were Mrs. Joe Henson and Mrs. Ira Casen also one visitor Mrs. Cleta Carroll.

Sandwiches, cookies, coffee and cold drinks were served by the hostess. The next meeting will be Feb. 1 in the home of Mrs. Loyal Menson.

Mr. and Mrs. F. L. Morgan, Jr. of El Paso spent the weekend with Mr. and Mrs. F. L. Morgan, Sr. They were accompanied by Mrs. Ethel Harris who visited with Mrs. Ida Bruton and Mrs. J. T. Gaston.

TAKE COTTON CONTEST PRIZES — Eight boys were awarded cash prizes Jan. 16 for the dryland and irrigated yields per acre which they coaxed from their entries in the annual Terry County Cotton Contest. Winners are pictured above. From left, Miss Nancy Gaston, county agent's secretary who made presentations to Herman Wheatley Jr., son of Mr. and Mrs. Herman Wheatley Sr.; Donald Brown, son of Mr. and Mrs. Jack Brown; Buddy Hawkins, son of Mr. and Mrs. Leo Hawkins, and Fred Sedgwick, son of Mr.

and Mrs. A. F. Sedgwick. From left in right panel: Miss Stella Moore, county judge's secretary who made presentations to Fred Brown, Donald's brother; Johnny Cabiness, son of Mr. and Mrs. Byron Cabiness, and R. Lee Petty, son of Mrs. Leola Petty. Not shown is Lynn Joplin, son of Mr. and Mrs. R. A. Joplin. Quartet in left panel raised irrigated cotton. Donald Brown and Sedgwick planted Paymaster variety; Wheatley and Hawkins, Lankart. Yields on irrigated projects: Donald Brown, 1,087 pounds;

Wheatley, 814 pounds; Sedgwick, 799, and Hawkins, 780. All yields are lint cotton per acre. Trio in the right panel planted dryland cotton. Cabiness and Joplin planted Empire variety, and Brown, Paymaster, and Petty, Lankart. Yields for the trio and Joplin: Cabiness, 453.2 pounds of lint cotton per acre; Brown, 451; Joplin, 280, and Petty, 262.7. The cash awards: Cabiness and Brown, \$100 each; Fred Brown and Wheatley, \$75 each; Joplin and Sedgwick, \$50 each, and Petty and Hawkins, \$25 each. These gins

contributed \$50 each to the contest: Herman's, Terry County, Travis, Newsom, Meadow Co-Op, Brownfield Co-Op, Lee O. Allen, Wellman Co-Op, McNabb and Foster-Union. The yields of Cabiness and Donald Brown were certified by R. J. Purcell, L. H. Wheeler, Crede Gore, Coy Terry, Neil Barrier and J. W. Young. A total of 19 Terry FFA and 4-H youths were entered in the irrigated division, and 16 in the dryland division. The irrigated yield of Brown was the highest since the inception of the contest in 1951.

Postal Exams Are Scheduled

The U. S. Civil Service Commission has announced examinations for substitute clerk-carrier at \$1.82 an hour for employment in the Brownfield Post Office.

Postmaster Joe Shelton emphasized this morning that, while there is no immediate position open in Brownfield, future positions will be filled from the register of eligibles who take this examination.

Anyone who may be interested in starting a postal career is urged to call by the post office and get application Form 500AB. The postmaster pointed out further that all postal careers must start from the position of substitute.

Applications when completed should be sent to The Regional Office, Eighth U. S. Civil Service Region, Room 103, 11-14 Commerce St., Dallas, Tex.

uniform utilization of their range vegetation.

Twice as many 4-H boys received training in grass and plant identification as in 1955 while 38 counties for the first time trained range judging teams. A state-wide, week-long range management training camp for a selected group of 4-H boys was also held as was a two-week course for county agents.

The specialists worked in each of the 13 Extension Districts during the year and gave assistance to local county agents by revising five publications, preparing exhibits, appearing as speakers at county meetings and field days, by preparing news stories, magazine articles and radio talks.

Also by issuing each month their "Range Notes" which gave the results of work being done in the counties as well as late research information.

Glass Bead Proves Fertile
DETROIT (UP)—Patricia Peavley, 12, was surprised Thursday when she discovered a mustard seed she received at Christmas had sprouted. The seed is encased in a glass bead on a necklace.

OUTLOOK WILL BE PRESENTED

Urgent Farm Meeting Slated Tuesday

The farming outlook for 1957 will be presented at 7:30 p. m., Tuesday in the 106th District Courtroom.

Speaker will be Looe Miller, manager here of Agricultural Stabilization and Conservation. Miller will emphasize the Production Marketing Association picture and its relation to the federal soil bank.

The Tuesday night session is being called by the Terry County unit of Plains Cotton Growers, Inc.

Kenneth Purcell, president of the unit, said this morning that 1957 officers for the Terry group would be elected at the meeting.

Following Miller's address, H. L. (Hub) King of Brownfield will moderate a question-and-answer session concerning the location of a cotton sub-classing office "somewhere southwest of Lubbock."

Said Purcell: "This meeting is to be one of the most important sessions this year for our Terry farmers. Everyone is urged to attend."

COTTON SURPLUS MAY BE RELIEVED SOME

Farmers To Continue in Cost-Price Squeeze

Texas farmers will continue to be in a price-cost squeeze during 1957, although crop restrictions and increased agricultural exports may tend to relieve pressure created by large surpluses of cotton and wheat, say extension economist John G. McHaney.

Overall large supplies of agricultural products will prevent any great price increases to boost farmers income and production costs even may average slightly higher than 1956 figures, McHaney added.

Additional funds still may be in the farmer's reach, however, in view of a scheduled government agricultural expenditure rise from \$4.9 billion in 1955-56 to \$5.7 billion for

1956-57 as a result of the Soil Bank program. With a fair amount of rain in 1957, McHaney says the Texas farmer can expect a better year than 1956.

The Suez situation and other world trouble spots will not tend to decrease the agricultural export market, and a general level of good economic activity is predicted for the new year by McHaney.

Government economic and fiscal policy definitely will play a leading role in the 1957 picture, he points out, and 1956-57 total outlay scheduled by the federal government if up \$2.7 billion over a year ago chiefly because of national security programs.

Tighter credit and higher interest rates probably will make for a firmer check on ex-

Range Management Program Progresses Despite Setbacks by Continued Drouth

Range management demonstrations conducted last year under the supervision of local county agents involved 3,469,105 acres of Texas rangelands, reports extension range specialists, A. H. Walker and G. O. Hoffman.

The specialists, in their year-end report, stated further that 7,731 range operators conducted demonstrations which stressed the efficiency and economy of production under the drouth conditions. These demonstrations, because of the improved practices used, increased the returns or savings to the ranchmen by approximately \$4.25 million.

Flexibility in range management practices, but not serious, affect a continuing strong demand for 1957 agricultural products.

Educational benefits from training meetings and field demonstration in the form of new knowledge on accepted range practices were estimated by the specialists to have been worth another \$700,000 to the state's ranch operators.

A total of 10,734 ranch operators in 225 Texas counties received assistance during the past year on range management problems, and some 985 meetings were attended by 28,500 interested livestock producers. Field days held in the counties numbered 133 with an attendance of more than 9,300.

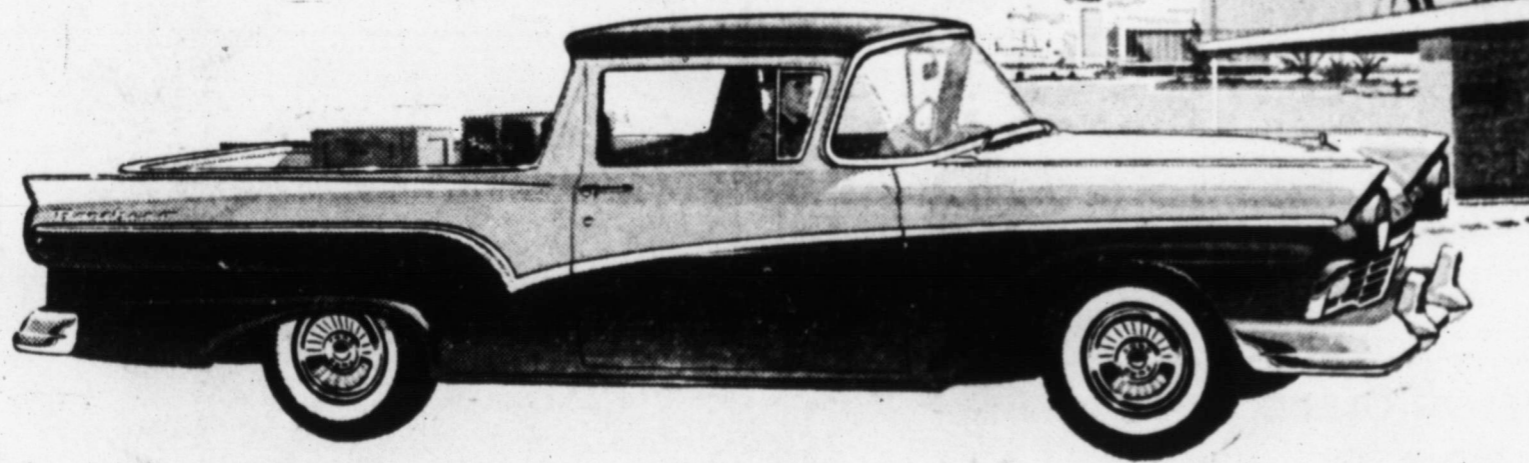

Flexible stocking demonstrations were conducted by 2,000 operators. 11,977 new watering facilities were constructed while more than 1,400 ranchmen used a salt distribution practice to get more

Vol. 20. Brownfield News-Herald, Thursday, Jan. 24, 1957 No. 4

LOOK!

...more than a car
...more than a truck

LOOK again!

IT'S THE NEW FORD RANCHERO

HAULS LIKE A TRUCK! No need to hold back on load. Pile it on—the Ranchero packs a greater payload than many standard pickups! Power aplenty, too—Short Stroke V-8, up to 212 hp, Fordomatic or Overdrive at extra cost.

HANDLES LIKE A CAR! Ball-joint front suspension—first time on any pickup—gives true passenger-car ride. Cab interior is exactly like that of the '57 Ford Ranch Wagon. Power steering, power brakes, power seat and power windows available at extra cost.

Looking at the boldly modern styling of the new Ford Ranchero, you may find it hard to believe that it's actually a man-sized truck. But, you'll find there's a lot of left behind the glamour.

It carries more than half a ton. That's more capacity than many standard pickup trucks offer you. Loading height is less than any pickup. No matter how you look at it, the new Ford Ranchero is a real workhorse.

And it's a show pony, too! The Ranchero looks, rides and handles like a passenger car. Its crisp lines have a wonderful way of saying progressive you and your company are.

The new Ford Ranchero is surprising in many ways. Never has so much style and luxury been packed into so rugged a vehicle at such a low price.

See 'em Soon! First of a great new line of

Brownfield News Editorials

Comes the Day of Reckoning

THE AMERICAN WAY

By George Peck

(EDITOR'S NOTE: George Peck is Chairman of the Board of the National Labor-Management Foundation and Executive Editor of its official publication, PARTNERS.)

By GEORGE PECK

In a previous article discussing the plight of "Small Business,"

stated that "Big Business" is not the predatory monster that the "Hate - Big Business" zealots would have us believe. As a matter of fact, the weight of evidence ends to prove that "Small Business" is really helped by its big brother—that both are essential cogs in our American production machinery.

The real deterrents to "Small Business" are two other BIGS — "Big Government" and "Big Labor."

"Big Government" imposes a heavy burden of taxes on the little fellow. This makes it practically impossible for him to plow back profits into his business for expansion. Further, because Federal Government for the past quarter century has taken such a large percentage of the big fellow's income through the progressive income and estate taxes, the little fellow finds wealthy backers — at most as scarce as hen's teeth.

Federal Government further complicates the problems of small business by competing with him. The U. S. Budget Bureau reported in May 1956 that Uncle Sam was operating approximately 20,

000 commercial - industrial activities in competition with private industry — operating such things as false teeth factories, ice cream plants, fertilizer plants, laundries, etc., etc.

Big Government adds still further to the discomfort and the cost of doing business of the little fellow by imposing on him a mountain of costly paper work. He is the unpaid collector of taxes levied on employees and customers. He must file five reports a year with the Internal Revenue Department, segregate funds for taxes, file reports and constantly hold his files open for audit.

On top of these things, he is subjected to a multitude of regulations, rules and edicts, not only cooked up by Federal Government, but by State and local governments as well. The Federal Trade Commission tells him what kind of language he can use in his advertising; the Labor Department lays down the working conditions he must provide if working on Federal projects; and the Food and Drug Administration adds further to his woes by dictating what ingredients he can put in his products while the Labor Department attacks him from still another angle—ruling the level of wages that he must pay his employees.

All in all, it can readily be seen, that "Big Government," creates no bed of roses for the little fellow.

Are you now feeling sorry for the poor unfortunate small business man? Read on as to what "Big Labor" is doing to him and shed real tears for him. That's the area where he really has trouble, where he is caught in the wage-price-cost squeeze. The small entrepreneur has been forced during recent years to accept the higher wage rates and fringe benefits, which in turn, have been forced on industry leaders. Many a small business man cannot afford these extra costs; it forces them to higher selling levels that price them out of the market.

Harold J. Ruthenburg, at one time an organizer for the United Steelworkers and now himself a small business man, has most aptly stated his own plight, and that of the other little fellows, occasioned by this squeeze of "Big Labor," as follows:

Unless the unions adopt a realistic viewpoint toward the small manufacturers—by that I mean companies employing 100 to 500 people, or doing 1 million to 10 million dollars volume—unless the unions adopt a policy of co-operating with them to increase their efficiency, they are going to negotiate the small manufacturers out of existence or into divisions of large companies.

The unions are a prime mover in the tremendous merger programs that have been under way in the last several years in American industry.

They force a small company over the horizon, over the hill,

AUSTIN, Tex. —Gov. Price Daniel has lined up an impressive array of goals for himself and fellow officials during the next two years.

His message to the Legislature detailed 25 points. He labeled four as "emergencies."

Getting top priority were (1) water conservation (the suggested doubling the proposed \$100,000,000 bond program); (2) additional highway patrolmen and other safety measures; (3) laws to facilitate right of way buying for highways and (4) a crime commission to guard against official misconduct, curb lobbying, etc.

Governor Daniel also recommended pay raises for teachers and state employees, local decisions on school segregation, increased old age pensions, abolition of dual banking - insurance operations, more money for insurance law enforcement, improved penal statistics where they've got to go and get under the umbrella of a big company by becoming a division of it — selling out.

To sum up: "Big Government" and "Big Labor" are the two greatest factors in prematurely graying the hair of our small business man. If somehow these two agencies can be taken off his back, his chances of success will be greatly enhanced. And by the same token, "Big Business" would get "a shot in the arm," because of its dependence on small business for a considerable degree of its success. Healthy, prosperous small business makes for a healthy, prosperous over-all economy.

utes for insurance and security controls, use of state funds for advertising to 4 unopposed workmen's compensation benefits.

He said he favors a \$5,000,000 prison building program, a paid adult parole system, laws to curb juvenile crime, revision of the state constitution, a continued state office building program (including an archives building), improved narcotics laws, study of the need of the handicapped, election law changes and long-range study of the state tax structure.

Legislative comment following the talk was favorable.

Enactment of the total program would almost certainly require more revenue than the state has in sight. Daniel made no flat promise against new levies, except for sales and personal income taxes.

His budget message, to come later, will detail costs with suggestions for new revenue, if necessary.

WELL-HEELED COWHAND. — Texas' new temporary U. S. Senator, William Blakley, personalities of the Southwestern success story.

He began his career as an Oklahoma rancher, went on to become a Dallas lawyer, CPA and top-bracket financier. His millions are spread among two-millions real estate and oil holdings, three insurance companies and a controlling interest in Brasfield Airways.

His first whirl at politics seems destined for success too. He is a friend, not only of outgoing Gov. Shivers, who made the 11th hour appointment, but also of new Gov. Price Daniel, Senate Majority Leader Lyndon Johnson and President Eisenhower.

Blakley said he will vote with HIGHLIGHTS See Page 3

CONGRATULATIONS FARMERS AND BUSINESS MEN

For Being Lucky Enough To Have

A Soils Laboratory In Brownfield

To Goodpasture Grain . . .

We want to express our appreciation to you for placing this very modern Agricultural Laboratory in our City. We feel like this Laboratory is a step towards better farming and more profits to every farmer that uses your facilities.

To The Business Men . . .

You may or may not be conscious of the value of having a Soils Testing Laboratory in your County, but from better farming practices which in turn means more money to the Farmer, you will receive great benefits.

To The Farmers . . .

We would like to suggest that you make a special point to visit Mr. Stone at the Lab. From a visit with him you can learn how to take a sample of your soil to be analyzed, and chances are from this analysis you will gain some knowledge of your soil that will make you money.

This laboratory is now open for testing so the quicker you have your soil tested the sooner you are going to know whether you need to apply fertilizer and the proper amounts to be applied.

We feel that over a period of years the most of us will be amazed at how much progress will be made as a result of this Laboratory being placed here.

STEAKLEY SWORN IN — First executive appointment approved by the Senate was Austin Attorney Zolie Steakley, Gov. Daniel's choice for Secretary of State.

Steakley's swearing-in by Chief Justice John E. Hickman followed within 24 hours. It was the new streamlined oath authorized by one of last November's constitutional amendments.

Quipped Governor Daniel, a spectator, "I'm glad they left out that part about never fighting a duel, because I've almost had to do some of that recently."

Steakley's immediate predecessor, Tom Reavley, has joined an Austin law firm to be known now as Powell, Rauhant, McGinnis and Reavley.

"BILL" BOARD — With the legislative session well underway,

hundreds of bills have flooded the hoppers. Some of the more significant would:

1. Transfer one per cent of the permanent school fund (now \$340,000,000) to the available school fund. By Rep. Louis Dugas of Orange.

2. Create a separate Securities Commission which would combine operations now performed by the securities divisions in the Secretary of State's office and Insurance Commission. By Rep. Barefoot Sanders of Dallas.

3. Empower cities to tax agricultural land they annex at a lower rate than other property. By Rep. Richard C. White of El Paso.

4. Give the Railroad Commission power to regulate rural telephone rates. By Rep. Jack Welch of Marlin.

5. Control interest rates on small loans. One bill, by Rep. Ed Sheridan of San Antonio, would prohibit interest of more than 10 per cent a year. Another by Rep. Tony Koriath of Sherman would limit interest to three per cent a month.

6. Prohibit sale or use of fireworks except in displays authorized by the fire marshal. By Rep. Gordon Forsyth of Corpus Christi.

7. Abolish absentee voting. By Rep. B. H. Dewey Jr. of Bryan.

8. Provide for automatic congressional re-districting every 10 years if Legislature fails to do so. By Dewey.

9. Provide a four-year term for governor with a two-term limit. By Rep. Dixon W. Holman of Fort Worth.

10. Require school board candidates to run for places to prevent election of a member by a minority vote. By Rep. Ben Ferrell of Tyler.

Chairman Reveals Committee's Action

At its regular quarterly meeting Jan. 14 in Austin, the Texas Commission on High Education heard a committee report from Stephenville, which appeared in the interest of making Tarleton State College a

four-year senior institution. Al M. Muldrow of Grownfield, chairman of the state committee, explained this morning that his group had accepted the formal petition of the Stephenville persons.

Muldrow also said that the commission heard representatives of the Texas A&M College System with the proposal that the A&M College of Texas establish a graduate engineering division of the A&M College in Arlington.

Pay your poll tax before the deadline—January 31, 1957. Without a poll tax, you cannot vote. Texans, arm yourselves. Arm for victory. Buy your poll tax

ADVANCED Power Steering Is Yours TODAY in a Great Fleet of JOHN DEERE TRACTORS

It's the success story of the tractor industry! Two years ago, John Deere introduced factory-engineered Power Steering on row-crop tractors. No other single tractor feature ever received such widespread and enthusiastic acceptance. Here was unsurpassed ease of handling that meant new freedom at the wheel on every tractor job. Now—John Deere offers you Advanced Power Steering for Models "50," "60," "70," and "80" Tractors—steering that is even smoother and more positive in its operation... even more quickly responsive to your command. Ask us for a free demonstration of a John Deere Tractor with Advanced Power Steering soon.

Chevrolet shows you some important differences in low-priced cars just by *the look on its face!*

Wouldn't you say that most of the '57 cars look good from 50 feet away, but what about from 50 inches away?

What does a close-up of the grille tell you, for example? Is it solidly made like the new Chevrolet grille? Or, in comparison does it look less rich in design—feel less strong and solid? Compare the quality and construction of the bumpers and headlights, the fit of the chrome trim.

The more closely you look all around the car, the more clearly you'll see that Chevrolet has the edge in the way it's put together. You'll find, for instance, that Chevrolet is the only

car in its field with a lacquer finish... that only Chevrolet Bel Air models give you foam rubber cushions in front and rear seats as standard equipment. These are just a few of the advantages of Body by Fisher. And Chevrolet, you know, is the only low-priced car that has a Fisher Body.

We'll be glad to give you a close-up, comparative look at this new Chevy any time you care to come in. This week, maybe?

Goodpasture Grain

Sidedressing Tends To Give Increased Yields of Small Grains

Generally, the value of using nitrogen fertilizer for increasing the yields of cotton and corn is well known, but according to M. K. Thornton, extension agricultural chemist, small grain producers who fail

to give their crop an application of this same plant food are passing up an opportunity to increase yields. From now until mid-February, farmers in the area south of Waco should apply the

nitrogen sidedressing. Those to the north of the area should make the application by March 1 or not later than March 15. The specialist emphasizes that demonstrations conducted for the past several years have

PAGE FOUR Brownfield News-Herald, Thursday, Jan. 24, 1957

shown that small grain yields can be increased from 25 to 50 per cent through the use of nitrogen fertilizers. Generally, Thornton, says, an application of 150 to 200 pounds of ammonium sulphate or 100 pounds of ammonium

nitrate an acre is sufficient if applied within the suggested dates. The increased yields will more than pay for the plant food and labor required to put it on the crop. Too, he adds, increased yields are needed now to re-

plenish the short stocks of farm held small grains in Texas. Of course, he says, cooperation from 'mother nature' in the form of badly needed moisture will materially aid the cause of production.

He Still Needs Your Help!

YOUR Victory Over Polio

Through the March of Dimes, which financed Dr. Salk's work on the vaccine against polio, victory over this devastating disease has now been brought within the reach of mankind. Two things more—both possible, both practical—need to be done to finish the job and clinch the victory.

ONE: If everybody gives generously to the 1957 March of Dimes, new hope, new usefulness, a new and better life for many of those who have already been stricken by polio will be a possibility of the future.

TWO: If everybody between the ages of six months and 35 years gets vaccinated, polio itself would very shortly be a thing of the past.

Ever since it began its fight to wipe out this crippling, life-blighting affliction, the March of Dimes has marched a two-way street—to give help to those who needed it and to protect those who didn't.

Today, with victory in sight, joining the March of Dimes means more than ever before, *giving and getting.*

In this 1957 March of Dimes, let's express our gratitude by giving, to help those for whom the vaccine is too late. And let's safeguard ourselves by getting vaccinated early. Best time to do both is now.

Membership Drive Studied by Kiwanis

Plans to conclude its current membership drive were made when Brownfield Kiwanis Club met Thursday night in The Melody Restaurant.

Presiding was President Boyd Miller, who explained that the drive would be concluded Jan. 24. The club is divided into two groups for the purpose, and losing captain of one group will push the winning captain around the square in a wheelbarrow. The Brownfield club is in Division 7, Texas-Oklahoma District of Kiwanis International.

LONES COPELAND Agency

Improved Planting Practices: A New Year's Resolution

A good New Year's resolution for Texas farmers would be, resolved: To plant Texas registered or certified seed for the 1957 crop year.

There is no such thing as "Bargain Basement" seed. Cheap seed

results in inferior plants—you get about what you pay for, with few exceptions. Registered or certified seed isn't necessarily expensive but it is sensible—you know what you are paying for.

The farmer should look for

the official tag on the bag of seed which indicates that the contents have been inspected by the Texas Department of Agriculture. It means the seed meets specifications of the Texas State Seed Law that demands certain regulations.

A seller of certified seed must plant his plots with the purest foundation or breeder's seed. The fields to be certified must be isolated from similar crops according to the Standards and these fields are checked by impartial state inspectors for purity and freedom from disease and weeds.

Warehouses where seed are stored must measure up to certain standards and the seed are sealed in a bag with the red, white and blue state of Texas seal and the Texas certified or registered tag securely attached.

Registered seed, strictly, is not guaranteed quality seed. The tag merely guarantees that the bag is properly labeled as to content, what percent is foreign matter, etc. This label is purple. Certified seed, on the other hand, must meet strict standards and this tag is pale blue.

These labels are the farmer's protection against inferior or misrepresented seed products. He knows exactly what he is buying and that his seed bags contain exactly what the tag says they contain.

In other words, the tag on the bag guarantees the breeding in the seed.

Facts on Irrigation Summarized in New Extension Release

"Thinking of Irrigation" is the title of a publication just released by the Texas Agricultural Extension Service and it is available without cost from the offices of local county agents or from the Agricultural Information Office,

Challis News

By MAE HENDERSON

Those from Challis Church attending the workers conference of the Brownfield association Thursday in Immanuel Baptist Church in Brownfield were:

Mr. and Mrs. T. C. Pettigrew and boys, Mr. and Mrs. Loyd Henson, Mr. and Mrs. C. S. Carroll and Mr. and Mrs. W. J. Henderson. The many friends of Mr. and Mrs. Henson went to their home Friday, who have recently moved to Brownfield, 505 North B, and honored them with a house warming. The gifts were opened in the living room and the family received many useful and lovely gifts.

Those attending were: Mr. and Mrs. Floyd Jolin, Mike and Debra, T. C. Pettigrew, Tommy and Larry, K. J. Corley and Carolyn, Merl Richardson and girls, M. L.

College Station, Texas. Extension Irrigation Specialist R. V. Thurmond, the author, has listed in concise form the most important considerations for those contemplating an irrigation program for their farm. Illustrations are used to emphasize and clarify the facts listed.

Such items as water supply, soils, crops, methods of applying water, equipment and planning and designing the system are covered in the publication. The final test comes, says Thurmond, when these cost factors are all added together—water cost, extra equipment, taxes, maintenance, fertilizer, depreciation, interest on investment and labor—and compared with the expected increased income derived from irrigation.

To be profitable, the engineer emphasizes that income must be increased enough through the use of irrigation to offset the additional costs. Installing an irrigation system should not be looked upon as a short time proposition, but as a change in farm management and operation which will affect farm production and income for a long period of time, says Thurmond.

Pate and Bryce, Mr. and Mrs. C. S. Carroll, Linda and Lynn, I. P. Price, W. J. Henderson, Guy Britton, Edd Whitaker, Edd Laney, Mrs. Ann Mason, Clarence Clark, and out of town guests were: Mr. and Mrs. W. W. Coursey and daughter of Levelland.

Coffee, cookies and cold drinks were served to approximately 50 guests and the honoree. Those who were unable to attend sent gifts.

Mr. and Mrs. C. S. Carroll and children visited in the L. R. Bagwell home Wednesday after prayer services.

Those visiting in the L. R. Bagwell home Tuesday were: Mr. and Mrs. D. Stephens of Morton and Mr. and Mrs. J. K. Moss of Levelland.

Mr. and Mrs. J. F. Henderson and family of Albany visited their parents, Mr. and Mrs. W. J. Henderson and Mrs. Lillie Harris, Miss Louisa Curby from Brownfield spent Sunday with Bobbie Joe Bagwell.

Those visiting in the John Garner home Sunday were Mr. and Mrs. J. C. Armstrong and family of Ropes, and Mr. and Mrs. C. S. Carroll and children.

T. Sgt. and Mrs. Elijah Henderson and boys of Big Spring visited their parents, Mr. and Mrs. W. J. Henderson and Mrs. J. E. Evans over the weekend. They also attended church at Challis Sunday. Other visitors in Mrs. Evans home were Leroy and wife. They were on their way to near Houston to make their home there.

Mr. and Mrs. L. R. Bagwell and Mr. and Mrs. Wayne Bagwell and Janice visited Mr. and Mrs. D. Stephens and daughter at Morton Sunday. Visitors in the Loyd Henson home Sunday were Pastor and Mrs. Oscar Kenney and daughter, Sharon, and Andy Roberts of Seminole.

Yard Beautification Hints Are Given

Good lawns don't just happen. They are the product of considerable time and effort, says, E. M. Trew, extension agronomist. A fertile soil, adapted grasses and drainage, along with proper watering, fertilization and mowing are essentials for establishing an attractive lawn.

A sandy loam soil high in organic matter is considered best for lawns. The lawn area should be graded for proper drainage and smoothness. Sand may be added to clay soils or clay to loose sandy soils in order to make them suitable for lawns, says Trew.

A soil test is recommended in order to know just what kinds and amounts of plant food should be added to the soil. The fertilizer should be worked into the soil by plowing or spading. The addition of organic matter will improve the tilth and water-holding capacity of the soil. But in new lawns, Trew recommends the use of a nitrogen fertilizer along with the organic matter to take care of the decomposition process.

Only adapted grasses should be used in the lawn. Bermuda is the most widely adapted lawn grass for Texas. San Augustine grass is recommended for the eastern half of the state. Buffalograss is recommended for areas where watering facilities are not available except in East Texas and Gulf Coast areas. Centipede generally is not recommended for lawns.

Zoysia is adapted in Texas but unless the home owner is willing to do all the necessary things for establishing and maintaining a beautiful lawn this grass is not recommended. Perennial ryegrass, tall fescue and Kentucky bluegrass can be used in the Panhandle area for permanent lawn grasses if irrigated.

Trew recommends that only high quality seed of a single grass, not a mixture, be used for lawn seeding. Lawns also may be established with sprigs or by sodding, depending upon the grass used.

NUMBER 12—Rip Sewell, Primm-Drug guard, is caught as he nets 2 points for the Druggers. Prior to netting the shot Sewell had intercepted a Post pass and broke ahead of the pack to get under the basket alone. The action was in Monday night's game which the Druggers won from Brown Bros., Oil Co. of Post, 84-28.

Dependable Pumping Power

New 800-6A power unit develops 148 hp on LP gas and 134 hp on natural gas at 1200 rpm.

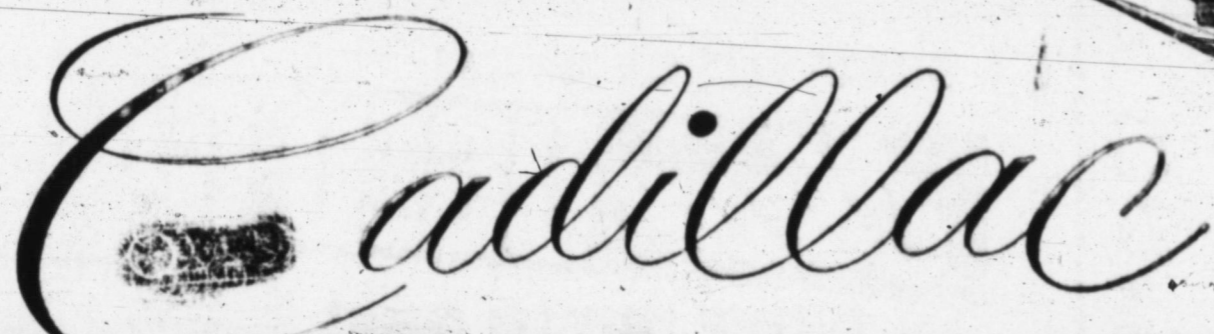

Here's another dependable MM power unit designed to furnish low-cost, trouble-free performance. Smooth, 6-cylinder, high-turbulence power and counter-balanced crankshaft reduce torsional vibration for longer engine life.

Newly designed heat exchanger base plan keeps oil at proper operating temperature, greatly increases engine life and lengthens period between oil and filter cartridge changes. Fan acts as a cooler as well. Sight oil glass provided in base pan can be converted to oil-flow control valve for adding oil directly to crankcase from a barrel of oil, thereby keeping oil at a constant level. Fan attaches directly to an SAE standard flywheel housing and provides a rigid mounting of the power take-off for heavy belt drives, etc. Double-disc clutch and power take-off are of heavy-duty design.

MM heavy-duty power units are noted for their long life. Nine models to choose from. Stop in soon. Let's talk over your power needs.

Pride of the Neighborhood!

It's a happy occasion indeed when a new Cadillac first appears in the driveway of its happy owner.

As you would expect, it signals the most joyful of family celebrations—and occasions the heartfelt congratulations of friends and acquaintances.

But you might be surprised, we think, to learn of the widespread rejoicing which the arrival of a new Cadillac frequently inspires.

In fact, the car invariably becomes a source of genuine pride and satisfaction throughout the entire neighborhood in which it resides.

The neighborhood understandably delights in having a beautiful new Cadillac to grace its streets... and takes great pleasure in knowing that one of its own has been able to realize the dream that lives in the hearts of so many.

And we think you might also be surprised to learn that this happy event is currently taking place in a great many neighborhoods that have never before laid claim to a Cadillac car.

For there is an ever-growing awareness that Cadillac—with all its incomparable motoring virtues—is one of the soundest and wisest purchases a motorist can make.

From a standpoint of purchase price, maintenance, operation and resale value, the car represents a truly extraordinary investment.

Surely, in view of this, you should consider a Cadillac this year.

We will be happy to put you behind the wheel at any time for a personal demonstration.

In fact, why not come in and see us today?

ON THE FARMING SCENE FOR THIS YEAR

Turkey Farmers Facing Tough Times During '57

Turkey producers probably will have a tough time marketing birds at a profit in 1957, say extension poultry marketing specialist F. Z. Headblossom and extension economist John G. McHaney. Government purchases through the school lunch program eased last year's situation somewhat, yet little or no profit was realized from turkey enterprises.

Feed - dealer credit sources risk - sharing plans of production financing are factors which may influence farmers to continue turkey production at a higher rate during 1957 although prices received for the record 1956 crop were the lowest in several years.

The specialists say some of the pressure from the expected large crop may be relieved by current trends which are lengthening turkey sales into a year - round business instead of seasonal holiday buying. However, it will not solve completely the marketing problem of surplus production, they warn.

Both national and state testing reports indicate an increase in the number of breeder hens. In Texas, on Dec. 15, 1956, 40 per cent more hens had been tested than by the same date in 1955. USDA reports indicate that U. S. farmers intend to hold 16 per cent more heavy hens and 3 per cent fewer light breeder hens for the production of eggs and poults in 1957.

The reports also show a 31 per cent national increase in the number of turkeys tested for pullorum disease. Turkey storage stocks were listed at 103,833,073 pounds at mid-December of 1956 for a 52 per cent increase over the same period in 1955. Based on the above information, the specialists conclude that producers will need to use all available facts in order to market their 1957 turkey crop at a profit.

Paul Gaston Is Named Guard of Kappa Sigma

LUBBOCK, Jan. 23.—Paul Gaston, Texas Tech. senior, has been elected guard of Kappa Sigma, social fraternity.

He is a member of Pi Epsilon Tau, petroleum engineering honor society, Pi Epsilon Sigma, national freshman men's honor society, and Saddle Tramps, service organization.

He is the son of Mr. and Mrs. J. H. Gaston of Brownfield.

Outlook To Remain 'Tight'

AUSTIN (Special)—This year will be another one of tight margins for Texas farmers. For those who have left another belt notch slim profits, a further hitching-up after the lingering drought and may be in order.

Although the Soil Bank program will benefit some farmers, its value in drought-ridden Texas is doubtful, since there is no present potential on which to base payments. So, the Texas farmer will have to look to his crops and produce for income. Here, in part, are his prospects:

COTTON—Fortunately for Texas' big cotton industry, price prospects are most encouraging here. The unexpected export of 7,000,000 bales in 1956 considerably reduced Commodity Credit stockpiles. That, plus war threats and probable reduced production through the Soil Bank make the cotton outlook better. It is even possible the Administration may have to raise the support level.

WHEAT—The 1957 wheat crop is expected to be considerably shorter than that of last year, due to reductions from Soil Bank and drought. Surpluses probably will drop, especially if exports continue to improve. All this, however, is not calculated to bring prices much higher. Supports likely will remain unchanged, although market prices should be up very slightly.

CORN—No prospects for improvement as prices still will depend entirely on support levels. The corn inventory is high.

GAIN SORGHUM—Prospects here are poor price-wise. The crop promises to be big and cheap, although the drought likely will pay the estimates notably. The market probably will be below loan rate.

POULTRY AND EGGS—Broilers already have gotten off to a bad start this year, but prices can't go any way but up. The climb will have to be gradual, and though prices should top the dreary '56 picture, they still won't be high.

Egg prices are currently low and may remain below the same period last year until late spring. After that, they should be about the same as last year.

LIVESTOCK—Pork production will be down which means some improvement, although it likely

69% OF POLIO 'LUNG' PATIENTS ARE OVER 20

INFANTILE PARALYSIS?
AMONG THOSE NEEDING SOIL BANK AND OTHER AID FOR BEATING THE 1957 CROP, MORE THAN 20 PER CENT ARE OVER 20 AND THE OTHER 15% OLDER.

Whitley Home Scene Here of Shower For Mrs. W. Anderson

Mrs. W. B. Anderson, the former Miss Miriam Hopson, was honored Jan. 10 with a miscellaneous bridal shower in the home of Mrs. I. L. Whitley at 615 South First.

Mrs. Whitley greeted guests as they arrived, and introduced them to the bride's mother, Mrs. M. E. Hopson, and the bridegroom's mother, Mrs. Anderson.

Guests were registered by Mrs. A. T. Pickett in a white taffeta book made by her and Mrs. Barney North.

Punch was served by Mrs. Henry Cargill, assisted by Mrs. Marion Schmidt. Cookies decorated with red-and-white initials M-B also were served.

The table was laid with a white cut-work cloth over red. Red roses in a crystal bowl formed the centerpiece.

A table in the living room was used to display a miniature bride and groom and white candles were used in crystal holders.

Gifts were displayed in the bedroom by Mrs. R. A. Whitley.

Hostesses were Mrs. Whitley, Mrs. R. L. Whitley, Mrs. Cargill, Mrs. Pickett, Mrs. North, Mrs. J. T. Offutt, Mrs. Nell Hobbs, Mrs. Edna Goldston, Mrs. Ray Black and Mrs. Tom Harred.

Dr. Weathers Given Committee Position

The Rev. Jones W. Weathers, pastor of First Baptist Church, has been re-appointed a member of the conventions study committee of the Baptist General Con-

vention of Texas. Dr. Weathers' appointment was announced this week by the public relations department of the convention in Dallas.

Mrs. Collier Rites Conducted Tuesday

Final services for Mrs. A. B. Collier of Route 1, Tahoka Highway, were held Tuesday in Brown-

field Funeral Home Chapel, with John McCoy, minister of Crescent Hill Church of Christ, officiating. Burial was in Terry County Memorial Cemetery.

Mrs. Collier, 78, died Monday in her home. She had been ill for several months. She had been a resident here since 1933, moving from Kibbe County.

Her survivors include the husband; two sons, Pate Collier of 901 East Oak, and S. B. (Shorty) Collier of Tahoka Highway; one daughter, Mrs. B. M. Hargrove of 1102 Tahoka Road; two brothers, Will and Bob Ridgeway of Ker-ville; one sister, Mrs. Syc Dillie of Meahan; and three grandchildren.

I PAY ALL MY BILLS PROMPTLY AND ENJOY THE PRIVILEGE OF ...

GOOD CREDIT RATING

WHAT DOES YOUR CREDIT RECORD SAY ABOUT YOU?

People who buy on credit, and pay promptly, have the best credit rating — there's no doubt about it. You can buy almost anything you want on credit, anywhere, anytime, if your paying record is good. THE WAY YOU PAY YOUR BILLS is the basis on which the merchants, doctors, and bankers extend credit to you.

A GOOD CREDIT RATING IS A VALUABLE ASSET. GUARD IT AS A SACRED TRUST.

THE ANNUAL AUDIT IS TO BE MADE

Enjoy the vast privileges of a good credit rating.

THE ANNUAL AUDIT FOR NEW CREDIT RATINGS IS TO BE MADE

About this time of year the Merchants Association Credit Bureau checks each member's ledger as to the manner of payment of customer's charge accounts. This information is assembled and posted to the Credit Record of every individual and is used to make up his new Credit Rating.

These Credit Ratings are available to over 3,000 Retail Merchants Associations and Credit Bureaus in the United States, Canada and Europe through our affiliation with the Associated Credit Bureaus of America. Your Credit Record is of your own making

The Credit Bureau only keeps the Record.
