

Annual Blue, Gold Banquet Observed By Cubs of Pack 74

More than 250 parents and guests took part last Thursday in the annual blue and gold banquet of Cub Pack 74.

The session was held in Veterans Hall, where a total of 16 Cubs and a number of adult leaders received awards.

Master of ceremonies was Cubmaster Harold Wilson. Invocation and short address was said by the Rev. Bill Spreen of First Christian Church.

Bobcat awards went to Jon Whiteside, Michael Noble, Richard Smith and Frank Skaggs. Bear awards were given to Dale Kennedy, Larry Simmonds and Joe Bob Lee. Lion badges were presented to Joe Ned Barker and Sammy Hernandez.

Twins Robert and Richard Kimbrough, sons of Mr. and Mrs. Bill Kimbrough of 710 East Main, received the official Boy Scout knife and three-year service pins. They'll enter Troop Scout in the near future. In addition, a one-year service pin was given to Dick McPherson.

John Blackburn received his two silver arrows on the Wolf badge and his one-year service pin. Joe Ervin got a silver arrow to his Wolf Badge, and gold arrows to the Wolf and Lions badge went to Randy Seales and Mack Thomson.

In charge of an impressive cake ceremony — the Cubs also were observing the 47th anniversary of Boy Scouting in America — was H. B. Virgil Crawford, Legion commander here.

Other adults who helped present the program were Mrs. Paul Ward, David Nicholson, Lejeune Lincoln, Odus Walsen and Jerry Kehoe.

Certificates of appreciation also were presented to the pack's adult leaders.

NUMBER 7

TOURNAMENT ENTRIES — The talented dancers pictured above will be seen in the up-coming Tournament of Talent, sponsored by Brownfield Lions. They are Kay Howell, left, daughter of Mr. and Mrs. Buck Howell of Seagraves, and Beth Chesher, daughter of County Judge and Mrs. Herb Chesher of 901 East Tate. Tickets to the Feb. 21-22 event are \$1 for adults and 50 cents for students. It will be held in Brownfield High School's new auditorium. (Staff Photo)

GREAT MEN, ALL

Pastors Reveal Influence Of 'Most Unforgettable Persons'

(EDITOR'S NOTE: Five Brownfield pastors answered writer Don Noble's question: "Who is the most unforgettable person you've ever known?")
By DON NOBLE
NEWS Staff Writer

THE REV. JAMES E. TIDWELL, First Methodist Church: "As a preacher, I have had contact with many people — young and old, rich and poor, big people and little people. Of them all, one person among God's little people has impressed me most with his life.

"Cleo Jones was a young man in my first church, who at the time was 41 years of age. He was a person whose body had been twisted and had been deformed by a condition from birth which made him a helpless cripple.

"Upon reflection, however, such words as dwarfed, helpless and cripple do not seem to apply to Cleo. His faith and viewpoint were

Church: "My most unforgettable character is Dr. S. P. Brooks, who for many years was president of Baylor University.

"He was a man of deep sympathies, broad vision and keen insight into human nature. He was wise in his counsel, always saying to his students, 'Take a long look.' He was a great Christian layman

REV. JONES W. WEATHERS who put into practice the principles of Christ.

JOHN McCoy of Crescent Hill Church of Christ: "I would choose Christian mother. Her name is not important, but the spiritual qualities in her life are not eas-

REV. JAMES E. TIDWELL such that you forget the physical when you came into his midst. I never will forget how his brother had to carry him in his arms into the church, nor the manner in which Cleo would join with us in Christian worship and song.

"When we had sentence prayer, or when we gave a personal testimony, he would be among the first who would life his halting and stammering voice to God to offer his thanks for life and to praise God for His goodness. His favorite hymn was "Work for the Night is Coming."

"In the year that I served that church, I never heard this man, who had never taken a step in his life, who had been denied many of the pleasures most of us take for granted, complain or offer one harsh word of criticism. "I often pray for the spirit of Cleo Jones to become my spirit that I also may be more humble and a better servant of God."

THE REV. WILLIAM J. SPREEN of First Christian Church: "Dr. Clinton Lockhart, late head of the Department of Old Testament, Texas Christian University.

"Dr. Lockhart was a great scholar. He also was humble. He was warm and considerate to the stu-

REV. WILLIAM J. SPREEN dents in his classes. He was a true friend, regardless of your shortcomings. And always, with his dynamic personality, he was challenging you to attempt the impossible."

THE REV. JONES W. WEATHERS of First Baptist

JOHN MCCOY, EVANGELIST ily forgotten. She had served faithfully beside her husband in their Christian home, when in the midst of their busy home life her husband passed away.

"She had never worked outside her home, and now she was left without support. Her faith in God was tested. Her Christian woman continues to live as an example of real Christian faith."

REV. W. E. MITCHELL ship with Him, such as my own and I know Him through faith. Because of it, where there has been sorrow, He has given me peace and joy. Where there was no hope, He has given me hope of eternal life."

WANNA RAISE THE ANTE? — No, it isn't most tickets to the sixth annual Tournament of Talent, a Brownfield Lions Club project, of course. Losing team can expect to eat "soup and beans" after the Feb. 21-22 spectacular.

DATES DRAW NEAR FOR CLUB SPECTACULAR

Tickets Are Selling Fast To Brownfield Lions' Sixth Annual Tournament of Talent, Slated Feb. 21-22 in New Auditorium

The date is Feb. 21-22. The occasion: Brownfield Lions Club sixth annual Tournament of Talent.

Lions were pounding the pavement this week with tickets to the winding in hand. They're selling the tickets for \$1 to adults and 50 cents to children. Price at the door: \$1 for all.

In addition to some 40 amateur acts, the club has scheduled for the second year the popular Bowman Brothers of Lubbock. Last year's audience proved the trio's drawing power.

Here's a fast rundown on the coming event:

Deadline for entries is 5 p. m., Feb. 15. Total entries to date: about 30. Place: Brownfield High School's new auditorium.

Judges: Out of town Lions, assisted by an applause meter — audience actually will determine three top winners in four divisions.

Wildcat Gets Spraberry Oil

J. C. Williamson of Midland has logged free oil in what is being called Spraberry lime section at his No. 1 Green, wildcat operation in western Terry county.

Test came between 9,175-255 feet, tool open one and one-half hours, with gas at surface by end of test. No gauge was recorded.

Figal recovery was 350 feet of oil; 90 feet of mud and sulphur water cut oil; and 270 feet of sulphur water. Bottomhole pressures ranged from 100 to 260 pounds, flowing with a 15-minute shut-in gauge of 560 pounds.

Drilling operations were being continued below 9,316 feet in line. The projected 12,700-foot test sits 2,310 feet from north and 1,980 feet from west lines of Section 93, Block D-11, C&MR survey. It is 1 1/2 miles west of Brownfield townsite and four and one-half miles northwest of Texas Company's No. 1 Black, a Devonian discovery.

Test miles southwest of Brownfield, meanwhile, Texas Company's No. 1 B W. Ludeman, proposed 12,850-foot effort, was drilling 12,512 feet in lime and chert.

Accuracy of the meter was tested last year, when four acts were judged so close in quality that they had to be registered twice on the instrument.

A total of \$170 in prizes has been earmarked for winners. Here are the divisions in which the prizes can be earned: Negro and elementary (scheduled for the first night), high school and out-of-town and junior high school (scheduled for second night).

Lions from Wilson have sent word to the Brownfield club that they'll attend as a group to back their entries.

Entire proceeds from the annual event always are marked for the club's civic projects. Here are a few of them: Lions Crippled Children's Camp at Kerrville; eye glasses for the needy here and elsewhere; and the Goodfellows Fund.

APRIL 18 IN LION'S BALL PARK

Jaycees Set Date for Stock Show Here

Date for the annual Terry County Junior Livestock Show is April 18.

Sponsored by Brownfield Junior Chamber of Commerce, the show date was determined Tuesday afternoon by County Agent Jim Foy, Assistant County Agent Bob Etheredge, and the following high school agriculture teachers in the county: Yes Hicks and Walter Meyer of Brownfield, Lester Ericson of Meadow and Homer Jones of Wellman, Hicks, Meyer and Etheredge are Jaycees.

The assistant agent explained this morning that Stansly Anderson of Texas Tech would be asked to act as general judge of the one-day show. Anderson is an associate professor of animal husbandry.

Auctioneer is expected to be Hank Matthews of Anton. Site of the event: Lions Baseball Park, scene of last year's show.

Church of Christ To Sponsor Speaker On Church in Denmark

Feed Davis of Dora, N. M., will speak here at 6:30 p. m., Sunday in Crescent Hill Church of Christ.

Davis will report on his plans for a new church in Copenhagen, Denmark, under the direction of the Taylor Street Church of Christ at Hobbs, N. M.

John McCoy, minister of the Crescent Hill Church, said this morning that the public is invited and that no collection would be taken.

The Davis family, Fred, Arlyn and their 3-year-old son Jim, are formerly of Brownfield, serving the Southside Church of Christ in 1955, immediately following his graduation from Abilene Christian College.

Crescent Hill Church is de-fray. See SPEAKER Page 6

Research Lab Threatened By Board's Action

By GEE GEE PRIVITT
NEWS Staff Writer

"To be or not to be," is the decision being awaited by personnel of the Texas Cotton Research Committee's branch laboratory at Texas Tech.

In a recent action, the State Legislative Board decided to do away with the laboratory, which is the fiber, yarn and fabrics branch of CRC.

The branch is particularly vital to the South Plains, says K. Lance Turner of Lubbock, CRC director. Turner says he feels the importance of the laboratory because it handles detailed research on light spot cotton. He is the son of Mr. and Mrs. A. W. Turner of 714 East Tate.

Turner appeared Jan. 31 before the House Appropriations Committee in Austin to appeal for retaining the Lubbock lab. A Senate hearing is scheduled Feb. 28.

In reporting developments of the House hearing, Turner said: "Without the help of Rep. Robert Bowers of Brownfield, we would have made a poor showing. His influence was strong enough to give us hope that the Tech lab will not be closed."

Continuing, Turner explained that "Rep. Bowers is vitally interested in this project, because he represents a large cotton growing area, and he is working 'round the clock' for us. I feel that his people should be aware of what he is doing for us."

Turner reported this morning in a telephone conversation that "Light spot cotton is of a much better grade than government classing stipulates it to be. The purpose and aims of the Texas Tech lab are to continue to fight for the recognition and fair prices which this cotton deserves."

Turner also is head of the Economic and Merchandising Laboratory at Texas University and of the Cottonseed and Cottonoil Laboratory at Texas A&M, all components of CRC of Texas.

Urgent Session Slated For Cotton Men Here

The total market for U. S. cotton can dwindle to 8 million bales or grow to 16 million bales in four or five years.

Facts supporting the above statement will be discussed at a special meeting of Terry cotton producers and ginners at 7 p. m., Feb. 26, in Brownfield High School auditorium.

The meeting is one of a series being held in the major cotton growing counties of West Texas. It follows a recent meeting at Lubbock, where a representative group of the West Texas cotton industry listened to basic information on cotton's problem, program and potential.

The Lubbock meeting was addressed by staff members of the National Cotton Council.

It was recommended by the Lubbock group that the information be presented to a wider cross-section of the industry through a series of similar county meetings.

Local planning committee for

The Feb. 26 meeting comprises Carl Pritchard, manager of Meadow, Co-Op Gin; J. T. (Jake) Fulford, president of Terry County Farm Bureau; Virgie Travis, chairman of the NCC committee here; H. L. (Hub) King, director of Texas Farm Bureau's District 2, and Jim Foy, Terry County agent.

NCC staff members who will present the program here are E. Weaver Sears and Richard Yeager. A third member is yet to be named.

Burglaries and Thefts Cleared With Arrests

Burglaries and a series of thefts were cleared this week with the arrest of one white and nine Negro juveniles.

Brownfield police said the 10 were implicated in burglaries of Western Slaughter House at 980 North Thirtieth and of Bunny Bread Warehouse.

3,000 INSTRUMENTS INSTALLED IN BROWNFIELD

Telephone Milestone Reached Here

Telephone No. 3,000 was installed this week in Brownfield.

The milestone was announced by Paul Farrar, district manager for General Telephone of the Southwest.

The instrument was placed in the home of Mr. and Mrs. Early G. Robertson of 220 West Lake. A free three-minute long distance call and a corsage were Mrs. Robertson's surprise awards, in commemoration of the occasion.

Farrar explained this morning that there were 2,982 telephones in Brownfield at the end of last year, a gain of 229 for the 12-month period. "Growth of the Brownfield exchange has been continuing at a rapid pace since 1940."

Between 1930 and '40, the number of telephones were more than doubled, from 172 to 237 in 1930 to 485 in 1940.

Said Farrar: "The next 10 years saw the number of instruments increased four times, to the 1,865 in 1950. The exchange was converted to dial in 1953.

"Since 1950," Farrar explained, "144 more telephones were added to bring us to our current milestone."

According to earliest records, Brownfield was part of the State Telephone Company of Texas. This company is an original predecessor

of General Telephone, Farrar explained.

In the past year, Brownfield has become even more important as a long distance center for General. Four new long-distance switchboard positions recently were added at a cost of some \$14,000. Positions now total 14.

Earlier last year, a \$20,000 project to expand and improve long-distance service was completed when 40 additional dialing trunks were added to the Brownfield exchange. Farrar explained that this greatly increased facilities through which operators in Brownfield could dial their own long-distance calls.

The Brownfield exchange actually became a toll center April 15, 1956, with facilities to dial 33 million telephones throughout the United States — without the aid of another operator.

Brownfield operators also began on that date operator toll dialing for Denver City, Meadow, Plains, Ropesville and Seagraves.

General Telephone has increased in economic value as an industry in Brownfield because of the location here of the company's Western Division offices, headed by J. L. (Dusty) Kemper.

Completed last fall was a modern building at Seventh and Tate.

Here are housed the division offices, where about 40 persons are employed. The one-story structure has about 5,000 square feet of floor space. General also has a warehouse at 720 West Broadway for division supplies and material.

"We're proud of the growth of our Brownfield exchange," Farrar said, "and we will continue to have faith in the future expansion of this area. We'll strive to provide Brownfield subscribers with telephone service unsurpassed anywhere."

U. S. Civil Service Slates Examinations

The U. S. Civil Service Commission announces examination for a parts and equipment cleaner, WB-5, \$1.63 an hour, for employment in the vicinity of Lubbock.

Full information and applications may be obtained from the post office, or from the executive secretary, Reese Air Force Base.

AT SAN ANGELO SCHOOL

Joe Grizzle, who is station installer for General Telephone company of the Southwest in Brownfield, is in San Angelo attending a two week company school in basic station installation and maintenance.

TELEPHONE MILESTONE—General Telephone Company of the Southwest installed its 3,000th instrument this week in Brownfield. Honors fell to Mrs. Early G. Robertson of 220 West Lake, pictured above testing the telephone. She and her husband moved only this week to Brownfield from Waco. She's wearing a corsage which company officials presented to her in commemoration of the event. She also was given a free three-minute long-dis-

tance call. Mrs. Robertson chose to call her mother in Shiner, Tex. With her is John Shelley, installer-repairman with General. Shelley's father has been a long-time General employee, currently supervising the company's plant at Guyton, Okla. Robertson has moved to Brownfield to oversee the farming operations of Al M. Muldrow. He is a Texas A&M graduate, majoring in animal husbandry. (Staff Photo)

Brownfield Lions' Sixth Annual Tournament of Talent Scheduled Feb. 21-22

AO Members Fete Husbands Tuesday

Members of Alpha Omega Study Club honored their husbands at a party held in Seleta Jane Brownfield clubhouse Tuesday evening. Hostesses were members of the social committee.

A fried chicken dinner, with strawberry meringue tarts and coffee were served to Messrs. and Misses Bill Cope, E. H. Farrar, Grady Goodpasture, Jake Gore, Arde Lowmeyer, V. L. Patterson, Fred Smith, E. Y. Wilder, Perry Reed, Curtis Sterling, Tommy Hicks and M. C. Bowers. Games were played by the group following dinner.

CHECK IS AWARD — Pictured above is Roy Snow, left, and T. Wilson. Wilson is director of the Distributive Education program at Brownfield High School, and Snow a student. They're looking at a \$5 check which Snow won last Friday in San Angelo. Occasion was the annual DE Activity Day, with some 20 high schools from West Texas competing. Snow won the check for third place in advertising copy and layout. Arvin Stafford, also of BHS, was entered in the same contest. Other DE students who went to San Angelo for the one-day event were Janith Spears, who entered the job interview contest; James Hall, sales demonstration contest, and the following who entered the window display contest: Jerry Nell Pipkin, Claudia Tuttle, Janey Turner and Wayne Jackson. They were accompanied by Wilson. (Staff Photo)

MUSIC AND MADNESS—THE HEARTBEATS — The Nation's hottest Rock 'N' Roll Combo make their first personal appearance in Brownfield this week. The cutups of the cadenza will appear on stage at the RIALTO Theatre, Friday night, February 15th. These lads have been featured with Nat "King" Cole and have made numerous appearances in movies. Their latest picture is "Rock Pretty Baby" which will show at the Rialto next week. They are coming to Brownfield direct from the Hollywood Paladium where they have completed a successful engagement.

Herods Attend Courtesy Dinner

Last Thursday, Mr. and Mrs. Roy Herod attended a dinner at the Caprock Hotel in Lubbock. The dinner was given by the Continental Oil Company agents of the Lubbock division and the personnel of the Lubbock office, and was a courtesy to Mr. and Mrs. C. S. Black of Lubbock.

Black has held the position in this area for 13 years. He is being transferred to the Albuquerque division and they will reside in that city.

A farewell gift of luggage and gold monogrammed briefcase were presented to Mr. Black by Roy Herod, Continental agent from Brownfield.

Those present with the honored couple included agents and their wives from Lubbock, Slaton, Floydada, Post, Tahoka, O'Donnell, Brownfield, and Lekeand, and

Down Wellman Way

Margaret Ingram

Martha Goetz

Mr. Z. Z. Zigler says, "Although a friend may remain faithful in misfortune, yet none but the very best and kindest will remain faithful to us after our errors and our sins."

We have two new students in HS. They are Curtis and Anna Morton from Brownfield. They are both freshmen.

Mrs. Akers, our English teacher, was absent from school Wednesday, Thursday and Friday of last week. She was ill with the flu.

Lady Luck seemed to have turned against the Wellman basketball team the last two games. Wellman played leadoff girls February 5. The team girls lost, 32-44. "A" team girls lost, 37-60; boys, 28-54. Wellsan played Whiteface there February 8. The "B" team girls lost, 23-35 and the "A" team girls lost, 43-53.

The FFA boys returned from San Antonio Sunday afternoon where they attended the fat stock show. They also toured the city and saw many of its beautiful sites. They saw the Alamo, and the Breckinridge Park. They were guests of the Bluebonnet Hotel.

The juniors now are selling tie

several station managers and operators.

Last year, Mr. Black was recognized by Continental Oil Company as being one of the few men having served in the capacity as A-1 Division Manager for 25 years. He and Mrs. Black were frequent visitors in the Herod home here

to the Junior play which will be presented February 22, at 7:30 p. m. Tickets are 50 cents and 5 cents.

The seniors are having a box supper Tuesday at 7:30 p. m., in the high school auditorium. Bring your boxes, girls, and boys, bring the money!

The voting for officers for the Student Council for 1957-58 school year will be held Friday. The officers-seekers are Bill Adams and Earlroll Parker—president, Burdy Hawkins and Pat Runnels—vice-president, Margaret Ingram and Barbara Bishop—secretary, and treasurer, Dixie Bowlin and Alton Carmichael—reporter. The new officers will attend the Texas Student Council Convention at Corpus Christi the 28th, 29th and 30th of March.

Peggy Dean visited school Tuesday. She is a '55 graduate of WHS.

Mr. Lawlis, typing and book-keeping teacher, is the proud father of a boy, Joe Keith. He was born Monday night. So cigars and chewing gum have been the order

Mrs. Burton G. Hackney Is Guest Speaker At Jr. Women's Study Club

Mrs. Burton G. Hackney was guest speaker when the Junior Women's Study Club met in the home of Mrs. Dub Holleman at 808 East Lons Monday afternoon.

Mrs. Hackney gave an informative talk on "Understanding the Catholic Faith," which included a brief outline of the history of Catholicism and also the modern concept of Catholicism.

Following the program, refresh-

ments of punch and heart-shaped cookies were served to the guest and to the following members: Mesdames Billie Blankenship, Bob Campbell, Jerry Gannaway, Jack Hamilton, Alvin King, Alton Martin, E. B. McBurnett, Jr., Erwin Moore, Buddy Orr, Mack Ross, L. G. Moore, and Harley Stone, one new members, Mrs. Junior Ratliff.

A brief business session, presided over by Mrs. McBurnett, fol-

lowed, during which a reading of the minutes was given by Mrs. Gannaway, and reports were made by various committees. The club voted to discontinue the Newcomer's Club as a club project.

The group also voted to send Mrs. McBurnett as delegate, with Mrs. Blankenship as alternate to the District TFWC convention in Amarillo.

The next meeting will be held in the Seleta Jane Brownfield clubhouse and will be guest day. Members are urged to bring guests.

NEARS COMPLETION — Beautification of the American Legion's Boy Scout Area rapidly is nearing an end. Pictured above are three of the four permanent buildings contained in the area. A fifth is proposed. In far background may be seen part of the stockade fence which surrounds the area on three sides. In foreground is part of the sidewalks which have been laid. The 1,242-foot fence cost \$2,504. A total of \$500 has been spent on the walks. Grass and shrubbery are planned. (Staff Photo)

RUDY WINCHESTER

Little League Coach Departs Brownfield

A prominent Little League manager and coach, Rudy Winchester, departed Brownfield last Monday to make his home in Big Lake.

Rudy managed the J. C. Braves last season, and was set to take over the reins of this coming season. He assumed his duties Tuesday with the C. G. Morrison Variety Store chain.

Before a short-lived venture into the insurance business, he managed Wacker's Variety Store here.

His wife Jane and three children, Vikki, Kathy and Ricky are remaining here until he locates a home in Big Lake.

Christian Fellowship Met At Church Feb. 11

The Christian Women's Fellowship met at the church Feb. 11 at 7:30 p. m.

The meeting was opened with a prayer by Mrs. Bill Dugger. After a short business meeting conducted by the president Mrs. Truett Elache, Mrs. Bill Spreen took charge of the program. Mrs. R. T. McDonald was in charge of the worship, and the meeting closed with the C. W. F. benediction.

Refreshments were served by the hostesses, Mrs. Spreen and Mrs. McDonald.

Baptist Circles In Bible Study

Circles of the First Baptist Church met in homes this week for Bible study.

Ann Pettit met with Mrs. E. B. McBurnett, Jr., with seven present; Janelle Doyle, Mrs. Elry Jones, 10 present; Lois Glass, Mrs. James Anderson, seven present; Lois Glass, Mrs. James Anderson, seven present; Lucille Reagan, Mrs. A. Howard, eight present; Roberta Edwards, Mrs. Jim Jones, 10 present; and Lydia circle met with Mrs. Cora Bruce.

The next meeting will be an all-circle affair at the church Monday at 4 p. m. for a Royal Service program.

Miss Shirley Wheat, senior student at McMurry College in Abilene, was a weekend guest of Jack Jacobson and Mr. and Mrs. Roy Herod.

MOST FOR TWO YEARS

Teaching Contracts Renewed by Board; Pay Hikes Depend on Austin Legislation

Blld p-1 2-24 Teaching
Two-year contracts were approved this week for five Brownfield school principals, four coaches and seven teachers.
The action was taken by members of the Brownfield School Board, meeting in regular session, Monday night.
O. R. Douglas, superintendent of schools, was given a new three-year contract. His current tenure still had one year to run.
The contract of Head Coach Doug Cox was not considered, in that he was given a three-year contract last year.

Principals: Byron Rucker of high school, Joe Collum of junior high school, Kenneth Browning of West Ward, Bryan Jones of Colonial Heights and Vernon Brewer of Jessie G. Randal.

Coaches: Don Powers, Charlie Keese, Elroy Payne and Farris Nowell.

Teachers: Veg Hicks and Walter Meyer, vocational agriculture; Fred Smith, director of high school band; Jimmy Williams, director of junior high band; R. T. Wilson, distributive education director; A. V. Wall, high school choral director; James Ratcliff, junior high counselor; Delwin Webb, curriculum coordinator, and Dr. Robert Hoey, guidance counselor.

The board also re-employed for one year all teachers in the Brownfield school system, with the exception of those who joined only

recently. Their contracts will be considered in March.

Certain emergency legislation pertaining to an increase in teaching salaries currently is awaiting approval of the 55th Legislature at Austin. Should the approval be granted, Brownfield school board voted Monday night to use it to the advantage of Brownfield teachers, all along the line.

In other business, the board heard a progress report on the school budget, and reviewed current bills.

Present Monday were President Clarence Griffith, vice-president Bill Carter, Secretary Hubert Thompson, and I. M. Bailey, J. L. Newsom, Cecil O'Neal and Tommie Hicks.

Others attending were Raymond Simms, school tax assessor-collector and secretary to the board; Burton Hackney, school attorney, and Supt. Douglas.

POOL NEWS

Rev. W. E. Lynn preached here Sunday with 45 present for Sunday school.

Mr. and Mrs. Junior Biggs and Kerry and Mr. and Mrs. Robert Berryhill and Pam of Brownfield spent Sunday with Mr. and Mrs. Jack Brown and family. Mr. and Mrs. J. M. Trussell also spent Sunday afternoon with the Browns.

Pool Home Demonstration met last Wednesday in the home of Mrs. Jack Brown. Those present were Mmes. Don Day, Dan Day, James Watson, J. M. Trussell, E. J. Duncan, and one visitor, Mrs. Donald Brown. The next meeting will be with Mrs. E. J. Duncan Feb. 20. Mrs. James Watson was elected new president of the club.

Mrs. W. B. Downing Honored on Birthday

Mrs. W. B. Downing was honored Feb. 11 on her birthday in the home of her daughter, Mrs. Roy Herod.

Games of canasta and bridge were enjoyed by the honoree and Mesdames Jess Smith, Fred Smith, Tom May, Bob Land, W. S. Salamon, Rebecca Ballard, and Herod. Lemon cake and coffee were served.

Valentine Party Staged For Brownie Troop 18

Brownie Troop 18 of the Girl Scouts enjoyed a Valentine party at their meeting Monday, Feb. 11. There were 16 members present.

Mrs. George Germany acted as leader in the absence of Mrs. Lal Copeland.

Plainsmen Quartet Will Be Featured at Meeting

The Plainsman Quartet of Dallas will be featured singers when the Terry County Singing Convention meets at the Northside Baptist Church at 2 p. m. Sunday, Feb. 17. The Plainsmen are featured entertainers over radio station WFAA in Dallas.

Among other quartets to attend Sunday's singing will be the Ramblers of Lubbock. The public is cordially invited to attend.

Terry County Home Demonstration Council Stresses Health Program

The regular business session of the Terry County HD Council was held in the Party House on Tuesday, Feb. 12 with the Council Chairman, Mrs. Loyce Floyd in charge.

The recommendations were adopted after they had been approved by the eight clubs of the county which were all represented at the business meeting. The Council voted to offer its services

to Mrs. Lewis Sirmingale for the care of any tuberculosis patients of the county who might need aid in any way. A baby shower for an expectant TB mother is the first project to be held in the near future. A committee with Mrs. Tom Pettigrew as chairman will be in charge of plans.

The HD Clubs are carrying on an extensive educational program on cancer. Films are being shown

RECENT BRIDE HONORED — Mrs. Teddy Joe Hardy, the former Miss Dean Reagan, was honored at a coffee held Feb. 9 in the home of Mrs. Howard Hurd. Pictured here, left to right, are Mrs. Hurd; Mrs. Ted Hardy, mother of the bridegroom; the honoree; Mrs. Leon Reagan of Spur, mother of the honoree; and (seated) Mrs. John Cloud, another hostess. The recently-married couple make their home in Abilene, where both are students at Hardin Simmons University. (Staff Photo)

See our selection of hats by Frank Benson and other famous hatters. These Spring fashions are shown in all of the latest color creations.

Gloves by Hansen in white and all of the pastel colors to match or harmonize with Mi Lady's costume.

She selects a Kid Bag in Navy, Beige or Black Patent to complete her ensemble.

Miss Stella Moore appears demure, while showing her White Linen Sheath Dress adorned with a double breasted new creation, The Navy Cape.

This two-piece ensemble of navy blue and white linen is by Julie Clark. Miss Moore was photographed as she was entering the store.

Collins

PT-A Executives Plan Conference

The executive committee of the 14th district of Texas Congress of Parent Teachers Association met in Brownfield Jan. 31 at the Melody Restaurant to plan the district conference to be held here April 9-10.

Attending were Mrs. J. M. Harner, president of Lubbock; Mrs. W. O. Lockwood of Lorena; Mrs. E. E. Simpson of Levelland; Mrs. Tom Karrah of Hale Center; and Mrs. P. R. Cates of Brownfield, all vice presidents; Mrs. Frank Rogers of Littlefield, recording secretary; and Lester Rosson of Levelland, parliamentarian.

Brownfield PTA members attending the meeting were Mesdames James Thurman, Curtis Sterling, Sid Lowrey, Lal Copeland, Sam Teague, V. L. Patterson, Truett Flaiche, J. H. Bounds, Leonard Cheshir, John Jennings, and Paul Ward; and Messrs O. R. Douglas, Delwin Webb, Kenneth Browning, Joe Collum, Tim Faulkenberry, and Bryan Jones.

Party Courtesies To Jackie Steele

Honoring Jackie Gale Steele, 2 1/2 year old adopted son of Mr. and Mrs. Ray Steele, a miscellaneous shower was given at the Party House Tuesday from 7:30 to 9 p. m.

Hostesses were Mesdames Ann Dugger, Frances Gage, Fran Price, Marie Cheshir, Mary Dee Mason, and Sue Ballard. A Valentine motif was used in decorations. The serving table was laid with a white cloth and was centered with a small red wagon filled with red and white flowers. Heart shaped cookies were served with coffee and punch. Mrs. Price presided at the silver coffee service and Mrs. Dugger-laded punch from a crystal bowl. Approximately 70 guests called during the evening.

Fidelis Matrons Class Has Dinner

Mrs. Sid Machen of 1004 East Lake was hostess for a dinner for members of Fidelis Matrons Sunday school class of the First Baptist Church Tuesday evening. Hostesses with Mrs. Machen were Mesdames Fred Arnold, Jack Bailey, Alfred Tittle, A. W. Kimbrough, J. P. Lynn, Dick Bailey, and E. O. Nelson. Guests included Mesdames Jim Jones, Helen Norris, J. L. Crow, J. W. Weathers, Robert Noble, Dorman Dumas, Imo Riley, and W. M. Adams and Miss Aida Mae Steen.

Just Snooping

By GEE GEE PRIVITT
NEWS Staff Reporter

Pardon me if I seem cracked on the subject of the new Spring things for the small set cropping out all over SHELTON'S, but Ida Mae does have some of the very cutest. This includes a brand new shipment of suits for little boys... solid color pants and printed or plain batiste shirts. Also new boxer shorts for the wee ones... and rayon linen pants... just \$1.75 for small, medium, large, or extra large. Among the newer things are the delightful new Spring bonnets for the little girls... in many styles, including the new sailors and others like mothers. These are in starched laces and eyelets, as well as shantung, all trimmed up with dainty lace, pale velvet or satin ribbons, and miniature posies. Believe me, these are not the usual run-of-the-mill hats for little girls... each one fits an individual. Tiny purses to match, and, naturally, Ida Mae has thought of everything by stocking little white nylon gloves to complete the outfit.

Delovely new batiste fluffs for the 1, 2, 3 and 3x toddlers, too! In soft pastels of pink, blue, and maize, they're made up with full, full skirts (and nylon net petticoats to stand them out!), with new necklines and lace trimmed puffed sleeves. One dream is in rosewood batiste with a button-on or handy and eyelet pinafore that will be too, too on some little miss on Easter morn.

The latest Bobbie Brooks sports wear in champagne or blue Kayak (a new silky material) is here... as advertised in March Charm mag. Shorts, walkers, pants and skirt in solids, contrasting stripe pants, blazer jacket, and shirt with drawstring waist. Beautifully tailored as only BB knows how and with an interesting buckle tab for eye appeal, as well as better fit. Don't miss the very springy Frosette separates with large and small polka dots on the full skirt and matching solid sleeveless blouse with squared neckline. all at SHELTON'S. adv.

Shelton's

GEE GEE'S Chit Chat!

Monkey see, monkey do and so Monday when I saw my neighbor across the street, Lee Brownfield, out working in his rosebed, I nosed over and inquired if it was pruning time. Lee, frowning as how January should have been pruning me, but we've never had enough time to run the sap down good however, when he noticed his rose budding out, he saw his duty and did it by pruning the bushes. Since Lee always has such an array of wonderful roses, I figure I can't lose by following his al-

vice, so I'm carrying on a concentrated search for my pruning shears. Brownfield's newest business is the Beauty Aid Clinic at 509 Seagraves Road, opened this week by Francis (Mrs. Buddy) Gillham and Georgia (Mrs. Les) Short. This is an entirely new and different type of salon offering various beauty aids, including Thermique hair removal; Dermapeels, with deep face massage; Quik-Tan, a new coin-operated sun tan machine; and Niblack reducing machines for rent or sale. Also a very fine cosmetic for special skins, the Betty Knowlton Special Cosmetics. The face massages offered at the Beauty Aid Clinic are not to be confused with facials; as these special face massages follow the bone structure and muscles completely. Sound: wonderfully relaxing.

MEET ME IN LAS VEGAS

—With—
DAN DAILEY and
CYD CHARISSE

ENTERTAIN AT BANQUET — Pictured here, left to right, are Mr. and Mrs. Edmund Anthony Hobbs, N. M. Sherry, Don Spears, Dixon Latham, Mary Kate Ramsour and Mr. and Mrs. Berl Lovelace. They were participants in the annual Sweetheart banquet held at the First Baptist Church here Monday night. Some 186 guests saw the spectacle of a theme "Memories" narrated by Mr. and Mrs. Curtis Sterling. Also included in the program was a reading by Mary Jane Brownfield. Mrs. Pat Ramsour was program chairman.

doesn't it I think Brownfield is most fortunate in having such a salon as this? and I know you'll all want to join me at the Beauty Aid Clinic to wish Frances and Georgia the very best of luck. Brownfield's loss is Big Lake's gain, but we sure do hate to lose the Rudy Winchesters. Rudy and his wife, Pat, not only helped to sustain the First Presbyterian Church here, but many social and civic organizations as well. Rudy will be sorely missed in many places, but the Boy Scout here will really feel his loss. Such a shame to lose such nice folks. I could think of a few I'd rather trade off than Rudy and Pat. Sure hope they'll come back real often to see us!

The Terry County Singing Convention will have a great treat to offer Sunday when the famed Plainman Quartet from radio station WFAA in Dallas appears here at 2 p. m. in the Northside Baptist Church. This is an event that you lovers of good old gospel singing won't want to miss. Better arrive in plenty of time to get a good seat.

Gee, it makes you feel good when someone says something nice and encouraging to you, doesn't it? I was very pleased when Minnie Hazel (Mrs. J. T.) Bowman called me last week to compliment me on a financial report I gave at the annual stockholders meeting at the country club. Another good glow came on Tuesday morning when Era (Mrs. Kellie) Sears called to thank me for writing up their last Home Demonstration Club meeting so nicely. I really appreciate the kind words, fellows... maybe I can give someone a helping hand along the way sometime.

Wellman FHA Girls To Have Bake Sale And All-Card Sale

The Wellman Future Homemakers met Feb. 6, in the homemaking department. The main topic of discussion was ways of making money. The girls decided to have a bake sale to make money. The date for the bake sale has not yet been set. The girls also talked about selling all occasion cards to raise money.

Sammie Adair and her family went to Big Spring Sunday. They visited relatives, Mr. and Mrs. G. K. Bradshaw.

Foxie Oliver visited in San Antonio over the week-end. Janelle and Tajuana Hulse and family spent Sunday in Andrews visiting. They recently visited relatives at Ja., N. M.

Georgia Faught's sister and brother-in-law, Mr. and Mrs. Crawford from Denver City, visited in her home over the week-end. Ann Baker's aunt and uncle from Washington visited in her home. Mary Adair and her family went to East Texas over the week-end. They visited S. C. Adair.

Attend Annual Meeting

Rev. J. E. Iswell, pastor of the First Methodist Church, and Rev. Ray Elmore, pastor of the Second Methodist Church, attended the 22nd annual Ministers' Week held on the Southern Methodist University campus in Dallas early this week. Ministers from throughout the South Central Methodist Jurisdiction, an eight-state area, participated in the event, which is said to be one of the largest of its kind in Protestantism.

PWO Luncheon Is Slated Next Week

The calendar of events for the First Presbyterian Church for the coming week is:
Sunday, Feb. 17: 9:45 a. m. Church school; 11 a. m. Morning Worship; 4:30 Vespers over KT-FV; 6 p. m. Junior and senior Westminster Fellowship.
Monday, Feb. 18: 1 p. m. Presbyterian Women's Organization monthly luncheon, Mrs. Claude Buchanan and Mrs. Dewey Rogers, hostesses, devotional by Mrs. Lal Copeland, program chairman Mrs. George Wilson.
Wednesday, Feb. 20: 5:30 p. m. Westminster choir rehearsal; 6:30 p. m. Covered dish supper; 7:30 p. m. Mid Week Bible study; 8:30 p. m. Chancel choir rehearsal.

Mrs. Plant Services Are Held on Monday

Monday services were held for Mrs. J. H. Plant, 70, a Terry County resident for 28 years, in Crescent Hill Church of Christ, with John McCoy, minister, officiating.
Burial was in Terry County Memorial Cemetery, under the direction of B. H. Haffield Funeral Home.
Pallbearers were T. F. Winn, L. V. Alexander, C. A. Winn, R. D. Jones Sr., Keith Gore and C. D. Parker. Honorary pallbearers were Jim Jones, R. L. Stallings, Wood Johnson and L. V. Gillette.
Survivors are her husband, three daughters, Mrs. B. M. Tuttle of Brownfield, Mrs. Johnnie Temme of Los Angeles, and Mrs. Leona James of Downey, Calif.; two brothers, John and Homer McCash of Levelland, and eight grandchildren.
Mrs. Plant died Saturday in her home in the Johnson Community.

Mike C. Bell Rites Held in New Mexico

Funeral services were held Jan. 28 in Quemado, N. M. for Dr. Mike C. Bell, 89, former Texas physician who died Jan. 24 in Las Vegas, N. M.

Dr. Bell practiced medicine for 40 years in Brownfield, Tulla, Winters, Waller and Silverton before moving to New Mexico in 1931. He was a doctor for nearly a quarter of a century in Quemado. He was a member of Brownfield Lodge 903, AF&AM. He is survived by one sister

Nettie Bell of Waller, and 12 grandchildren and 2 great-grandchildren. "Coot" Arnold will be in Abilene all next week for the grand opening of a new Cobb's Department Store there. Arnold is manager of the Brownfield store.

WITH JAMBOREE IN MIND — Boy Scouts of Troop 85 are pictured above as they made further preparations this week for the fourth national jamboree, which they'll attend July 12-18 in Valley Forge, Pa. From left in the upper panels: Ronnie Ward, John Jennings, Johnny Rodgers, Pat Hamilton, Jim Gammill, Jeff Pemberton, Ronnie Fenton, Winston Odom and Howard Hurd, Jr. Quartet on the left is assembling various materials and patches which they'll trade for similar items at the Pennsylvania event. "Trading of patches and state souvenirs at a jamboree is much of the fun to be had by the Scouts," says R. T. Wilson, Scoutmaster of 85 who'll accompany the group. July 4 is departure date for the Scouts, aboard a chartered bus. Route to be taken is being plotted by quintet in right panel. In small pictures, the group is shown on a recent outing to Lake Thomas at Snyder, where they gained additional out-door skills they'll need at Valley Forge. Not shown are these other 85'ers who will go to Pennsylvania: Allen Neal, Lynn Pennington, Jimmy Rodgers and Archie Jennings. The Brownfield group will be joined by 10 other Scouts and leaders from Silverton. Troop 85 is sponsored by Brownfield Lions Club. (Photos by Bill Conlee)

GOMEZ NEWS

By ERA SEARS
NEWS Correspondent

Recent visitors in the home of Mr. and Mrs. Jeff McQueen were her sister and brother-in-law, Mr. and Mrs. Edgar Nealy, of Coleman county, and their daughter and husband, Mr. and Mrs. James Williams of Lubbock. Mr. and Mrs. Wyatt Hanson and daughter, Mrs. Ray Fraiser, and son Tommy of Farmington, N. M. visited over the weekend in the home of Mr. and Mrs. Kenneth Godwin and other relatives. Mrs. Hanson is a visitor of Mr. Godwin, a former resident of this community. Jack Mason and son, Roy Carroll, made a business trip to Bowie over the weekend. Mrs. Joe Dishman and children and Mrs. George Matthews of Brownfield visited Sunday in the home of Mrs. John Day. J. B. Kempson, teacher in the Levelland public schools, spent the weekend visiting in the home of his parents, Mr. and Mrs. I. B. Kempson.

Weekend guests in the home of Rev. and Mrs. T. L. Nipp were their son and daughter and families, Mr. and Mrs. Tommy Nipp and Mr. and Mrs. Bill Gilchrist, all of Midland. A farewell dinner was held for Billy Nipp, who is leaving Wednesday for the Armed Services in El Paso. On behalf of the Young People's department of the Gomez Baptist Church, Billy Nipp was presented a Bible by Mrs. Clevis Chambers, as a going-away gift.

Mr. and Mrs. Noah Lemley, Mr. and Mrs. Lee Loftis, Mrs. Theda Baggett, and Joe Davis spent the weekend in Ruidoso, N. M.

Crabtree Services Held Here Saturday

Graveside services were held Saturday for J. O. Crabtree, 76, who died Feb. 11 in a Lubbock convalescent home after a prolonged illness.

The Rev. Howard Smith of Church of Nazarene officiated. Burial was in Brownfield Cemetery, under the direction of Brownfield Funeral Home.

Crabtree, a native of Grayson County, had lived here for about 10 years before moving to Lubbock. He was engaged in the real estate business. His wife died several years ago.

YOUNG QUEEN & KING — Mary Jane Blackstock, daughter of Mr. and Mrs. Bill Blackstock, and Ronnie Chambers, son of Mr. and Mrs. Clevis Chambers, were crowned queen and king, at the annual Sweetheart banquet held Monday night at the Gomez Baptist Church. More than 50 persons attended.

mer Porch," was effectively carried out in the decorations and entertainment. Organ dinner music was played throughout the meal, and among those on the program were Dixon Latham and Katie Ramseur, who sang, "Make Believe," Sherry Don Spears, singing "Can't Help Lovin' That Man Of Mine," and Mary Jane Brownfield, who gave an appropriate reading. In addition to these B. H. S. students, several others participated in the program.

After the banquet, Ken and Mont Muldrow entertained several

couples with a dance in their home.

COMIN' AND GOIN'; Sharon Kennedy — Ken Muldrow, Karen Foshee — Joe Oswald, Jeanie Criswell — E. V. Services Conducted For W. R. Wilkins

Final rites for W. R. Wilkins, 79-year-old Route 4 farmer, were held here last Friday in Brownfield Funeral Home Chapel, with the Rev. Warren Stowe of Calvary Baptist Church officiating. Burial was in Terry County Memorial Cemetery.

Wilkins is survived by his widow; two sons, Nelson Wilkins of Ajo, Ariz., and Carlos Wilkins of Tokio; four daughters, Mrs. Nora Johnson of Brownfield, Mrs. Annie Toon of Seagraves, Mrs. Connie Snowdon of Ajo, and Mrs. Gladys Knibbe of Upland, Calif., and several grandchildren and great-grandchildren.

BANQUET DIGNITARIES — These four people were instrumental in making the annual Sweetheart banquet at the Gomez Baptist Church Monday night a success. Left to right, they are the Rev. T. L. Nipp, pastor of the church and principal speaker at the event; Mrs. Merlin Speed, who participated in the pageant and played piano selections during the meal; Pat Ramseur of Brownfield, vocalist for the pageant; and Alton Webb, master of ceremonies. (Staff Photo)

Mary Jane Blackstock, Ronnie Chambers Crowned At Gomez Banquet

A sweetheart banquet was held in the Fellowship Room of the Gomez Baptist Church Monday night at 7:30. Alton Webb served

as master of ceremonies for the occasion. William Snyrl gave the invocation. Mrs. Merlin Speed played piano selections during the meal. Following the welcome by Webb, Larry Huckabee sang a solo.

For the Valentine pageant, a large heartshaped frame of red edged in lace served as a background for sweethearts of all ages. Pat Ramseur sang "Playmates" as Mary Jane Blackstock and Ronnie Chambers represented youngsters; "Young Love" was the song for teenagers. Delma Fox and Glen Chesser, "Always" was the theme for newly weds Mr. and Mrs. Merlin Speed; "Let Me Call You Sweetheart" for parents, Mr. and Mrs. Clevis Chambers; and "When Your Hair Has Turned to Silver" was the accompaniment for Mr. and Mrs. H. N. (West) Key as grandparents.

Mary Jane Blackstock was crowned queen of the banquet, and Ronnie Chamber, king.

Rev. T. L. Nipp, pastor of the church, spoke on "Supreme Love." Following the group singing of "Let Me Call You Sweetheart," Hugh Kirby gave the benediction. About 50 attended.

The second leadership conference was held in the high school cafeteria Wednesday morning. Mr. Rucker, Dr. Hoey, Mr. Webb, and Mr. Douglas were the principal speakers. Those attending were served coffee, hot chocolate, and cookies.

Come try the BIG BUY
(You can boss this Buick Special for little more than the price of a smaller car!)

ONE LOOK at that price figure and you'll know that—again in 1957—if you can afford a new car you can afford a Buick.

And look what you get for so little extra money. You get the most completely new Buick in years. Not just brand new in styling and brand new in body design.

But new in features that make this the dream car of the year to drive.

You get brand-new performance because the engine is literally new from the crankshaft up.

You get a brand-new instant response because we engineered brand-new torque into Variable Pitch Dynaflo.*

And to give you the new sure-footed safety of a lower center of gravity—we built a brand-new frame—which lowers the car, but keeps the headroom, legroom and footroom that a big car should have.

Fact is, there are more than 150 other chassis changes in this '57 Buick—waiting for you to try them. Do that soon—at your Buick dealer's.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Manufacturer's Suggested Price—for this

2-Door SPECIAL 6-Passenger Sedan

\$2595⁸³

(including Delivery and Handling Charges and Federal Excise Taxes) Transportation charges, state and local taxes, accessories and optional equipment, including Dynaflo transmission, radio, heater and white sidewall tires, additional. Prices may vary with individual dealer pricing policies.

MEET WITH STATE 4-H AGENT — The group pictured above met Feb. 6 with the Texas state 4-H Club agent, Miss Peggy Wilsford of College Station. Principal discussion of the session, held in the courthouse, was the role of the adult leaders in 4-H club work. Other state personnel present were the extension district agents, Mrs. Aubrey Russell and W. H. Jones of Lubbock; Miss Shirley Holbrooks, Terry County home demonstration agent; Jim Foy, Terry County agent, and Bob Etheredge, assistant county agent. From left in front row, they are Mrs. A. T. Pickett of 400 North D, Mr. and Mrs.

Raymond Green of Route 5, and Mrs. Jesse Hartman and daughter Margella of Wellman. From left, center row: Mrs. Loyce Floyd, Terry County Home Demonstration Council chairman of Route 1; Mrs. Marion B. Stone, of Route 5, Mrs. Jasper Moore of 203 West Powell and Mrs. A. F. Sedgwick of Wellman. From left, back: Alvin Davis, agricultural adviser and vice-president of Brownfield State Bank; Thurman Solsbery of Route 1, Meadow; Jesse Hartman; Mrs. Rufus Dill of Route 5; Mrs. Paul Gracey of Route 1, and Mrs. O. D. Kennedy of 709 East Lake. (Staff Photo)

4-H CLUB
Notes
By BOB ETHEREDGE
Assistant County Agent

Terry County 4-H Council met Saturday in The Party House to discuss activities of National 4-H Club Week, March 29. Wellman delegates were Andre Sedgwick, Fred Sedgwick and Jesse Dean Hartman.

Meadow delegates were Barbara Benson, Bennie Spait, Jeannie Solshery, Virgil Gilliam, R. Lee Sapin and Keith Tyler. Brownfield Junior High School delegates were Sandra Turner, Ethel Martin, Linda Henson, James Riley Davis, Duane Steen, Ronnie Smyrl and Johnny Roe. Union delegates were Pete Grene, Genell Cornett, Jackie Dill and Lynn Dill.

Representative from Brownfield High School was Herbie Pickett, West Ward. Jamie Rodgers, Richard Kimbrough, Danny Thurman, Donald Criswell, Stanley Farrar, Terrell Givens and Randy Williams.

Adults present were Mrs. A. F. Sedgwick of Wellman; Mrs. Rufus Dill of Union, Mrs. A. T. Pickett of Brownfield and Mrs. Thurman Solsbery of Meadow.

Union 4-H Club had its meeting Tuesday, Feb. 5, with Darwin Cheatham presiding over the boys. Miss Shirley Holbrooks, Terry County home demonstration agent, met with the girls.

Wellman 4-H boys also met Tuesday, and Fred Sedgwick, club president, took charge of some projects and discussed various projects and plans for the 4-H Club week.

Up Meadow way, Keith Tyler presided during a recent meeting of the club. It was decided that the group would participate in the week-long observance.

Terry County 4-H Club will meet at 7:30 p. m., Monday in The Party House.

ter quality organic matter.

Four. Drainage, on some soils, comes before fertilizer response. Poorly drained soil robs plant roots of air and stops the action of necessary soil microbes. 5. Erosion washes fertilizer right off the fields. 6. Fertilize the root bed rather than the seed-bed with the right amount of the right kind of fertilizer properly placed.

To get the best results from any commercial fertilizer, the soil

DRILLED SORGHUM COVER — The land pictured above is ready for grass planting. Where blowing is a problem, drilled cover is the most important step in obtaining a successful stand of grass. Steps to observe in planting a cover are: 1. Delay planting until late June or July — drill sorghum on a clean, firm bed. 2. Use drill and plant at the rate of 15-18 pounds of seed an acre. 3. Mow or shred sorghums if they show signs of maturity. Do not plow or disturb the stubble. Seed grass in stubble during March or April of the next year. The foregoing deals with land preparation and seeding of cover crops in preparation for seeding grass the following year. The steps are important to Terry County farmers who will participate in the Soil Bank's Conservation on Reserve. They represent the best known methods for planting. (SCS Photo)

Go-Ahead Is Given For Installing Humidifying Equipment In Lubbock Cotton Classing Office

The go-ahead signal for installation of humidifying equipment in the Lubbock Cotton Classing Office recently was given by the U. S. Department of Agriculture in Washington, to the four representatives of Plains Cotton Growers, Inc. and other agricultural organizations, who presented the plans.

Charles Kersh of Terry County, director of the PCG, explained the representatives were selected from various agricultural organizations which met last November to discuss the classing situation and make plans.

George Pfeifferberger, executive vice-president of PCG, Curtis Boyd of Lubbock, Kenneth Purcell of Brownfield, and John I. Bowling of Hale Center went to Washington with the recommendations for cotton classing improvements drawn up at the November meeting.

Pfeifferberger, who served as chairman of the meeting, said the USDA agreed installation of such humidifying equipment, would improve classing conditions.

The owner of the new classing building also has agreed to such changes and plans now are under way to provide the additional room.

Present plans call for cotton to be allowed to humidity 12 to 24 hours before classing. The work will be done this year prior to classing of any of the '57 crop, said officials.

Pfeifferberger also said the USDA officials were favorable to the plan that cotton from different areas on the South Plains be classed by the same classers and would not be shifted about to different classers, if the group desired it this way.

The Washington officials also said establishment of a classing review board consisting of a government classer, a Plains Cotton Growers classer and a cotton trade classer is acceptable. Details of this program remain to be worked out.

FERTILIZER HAS MAJOR ROLE

Productivity of Soils Can Be Changed By Good, Bad, Indifferent Management

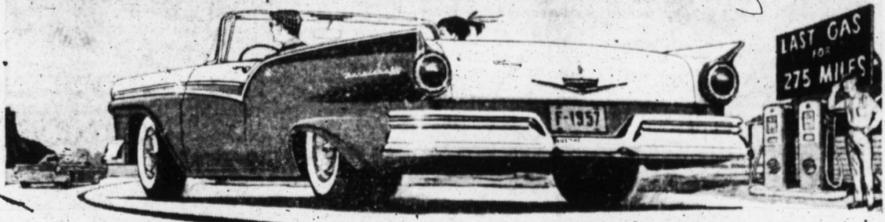

The productivity of soil can be changed through good or poor management, although such things as climate, topography and soil texture set limits on what a given type of soil will do.

Things to watch in good soil management are:

1. Humus. This is the supply of organic matter available to the soil.
2. Fertility. This is the available food supply for the plant.
3. Tilth. This is the structure status of the soil.
4. Erosion. This is the depth of the arable soil.

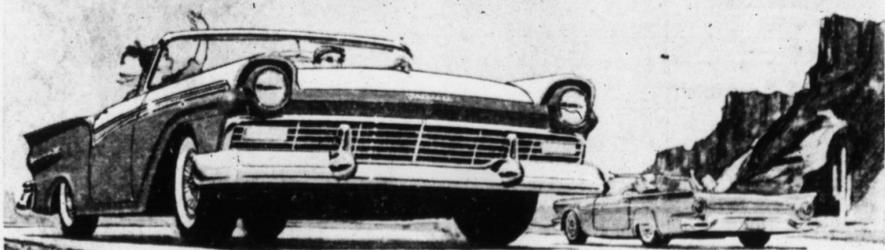

Fertilizer is a valuable tool to use in crop production. It likely is to be wasted if the following are forgotten:

1. Plants often run out of water before they run out of fertility.
2. Be sure the fertilizer rate and analysis are the proper ones to fill the needs of the crop and the soil.
3. The best way to improve the tilth and water holding power of the soil is by producing and properly managing more and better crops.

Eats like a hummingbird!

Like all the new '57 Fords, that sleek Sunliner up there lives on a mighty lean diet of gasoline. Big reason? Look underneath the new front-hinged hood of this over 17-foot long dreamboat. There you'll find a magnificent V-8 engine... an all-new, easier "breathing" power plant that measures fuel and air more efficiently than ever before to give you fuller combustion, greater economy. There you'll find a completely new brand of Ford TNT that's the proud result of Ford's many years of V-8 leadership. Yes, "Six" or "Eight"... the going's never been so great!

Goes like a Thunderbird!

For a car that "eats" like a bird... just watch this new kind of Ford devour the miles! That's its new Thunderbird V-8 power* for you. It's the same kind of mile-melting power that sparks the mighty Thunderbird itself... the same staying power that hurried a '57 Ford over 50,000 salt-encrusted miles at Bonneville in less than 20 days... at an average speed of more than 108 miles per hour! But Action Test the new kind of Ford. Feel the new solid, silent ride that stems from the all-new Inner Ford. Discover all the other reasons why Ford makes "luxury" a low-priced word!

*Ford offers V-8 engines in a wide range of horsepower — including a Thunderbird 312 Supercharged V-8 that delivers 300 hp and a 270-hp Thunderbird 312 Super V-8

AMMO-PHOS FERTILIZERS

16-20-0 13-39-0 11-48-0
15-30-0 8-32-0
12-24-12

MATHIESON

1. **ECONOMY**—You save time and money in storing, handling and spreading high analysis pelletized AMMO-PHOS because it contains up to 2½ times more plant nutrients than most other fertilizers. Compare plant food values.
2. **STORABILITY** — AMMO-PHOS occupies only half as much of your valuable storage space. Pellets will not lump or cake if stored in a dry place. Buy ahead with confidence. AMMO-PHOS will be in excellent condition when you need it.
3. **SOLUBILITY** — All guaranteed plant food in AMMO-PHOS are completely soluble in water. The method of compounding keeps the phosphorus available longer.
4. **DRILLABILITY** — No sticking or bridging when you drill with AMMO-PHOS. The pellets are dry and free-flowing — provide easier, more even distribution in the field without bothersome dust. Airplane application is simplified.
5. **CHEMICAL UNIFORMITY** — There's no spotty feeding with AMMO-PHOS. Each pellet has a uniform content of the major plant foods . . . the same guaranteed analysis . . . because AMMO-PHOS is chemically compounded. Each plant receives the same proportions of plant foods, resulting in uniform high yields.
6. **AVAILABILITY** — AMMO-PHOS gives you a quick-acting, non-leaching nitrogen . . . the most available phosphorus you can buy . . . and potash to fit your soil requirements. The pellets retard the rate of reversion of phosphorus by clay in the soil . . . give plants a quick, healthy start and feed through to a successful, big-yield maturity.

PLUS ADEQUATE SULPHUR — All grades of AMMO-PHOS contain adequate sulphur in addition to the major plant foods. This important plant food element is another bonus factor when you use Mathieson High Analysis Pelletized AMMO-PHOS.

Brownfield News Editorials

TEXAS NATIONAL GUARD THREATENED

How About It, Governor?

Destruction of the National Guard, threatened by arbitrary decision of the Pentagon brass to require six months active duty of all National Guard enlistees, may have been averted by the interperate and uninformed "draft-dodging" commentary of Secretary of Defense Charles E. Wilson before the House Armed Services committee.

Facing up at long last to the failure of their costly reserve program, it would seem that the Army heads convinced Mr. Wilson that the Guard was standing in the way by offering a young man the opportunity of becoming a "citizen soldier" (as General Washington called the militiaman) without scrapping his civilian career.

Having decided on the six-months-training policy for the Guard, Mr. Wilson and his advisors then called in the Reserve Forces Policy Board of the Defense Department and the General Staff Committee on National Guard and Army Reserve Policy to rubber stamp the decisions already taken.

Fortunately for the country at large, as well as for the National Guard and the prestige of the individual states, Mr. Wilson's charge that the Guard became a refuge for draft dodgers during the Korean War has stirred up a full-scale tempest. It is not likely to subside until the Army's Reserve plan fiasco and the professional soldier's animosity toward the Guard are fully exposed.

Maj. Gen. Ellard A. Walsh, president of the National Guard Association, immediately branded the Wilson accusation "a damn lie". He reminded the nation that every enlistee was immediately liable to active service, that both the Army National Guard and the Air National Guard urged their complete mobilization immediately at the outset of the Korean emergency. And while the

Government said no, it was only a "police action", 37 percent of the Army National Guard and 84 percent of the Air National Guard were soon mobilized.

With regard to the six months training period demanded by the Pentagon, Gen. Walsh reminds us that the Reserve Forces Act of 1955 provides for active duty training periods of three to six months, and that the National Guard Association has urged a mandatory three months program.

"This is not my dunghill", said Mr. Wilson the other day, referring to the White House. And we wonder if the same remark might not apply to the executive mansions of the 48 states — since the Governors thereof are, nominally at least, the commanders-in-chief of their respective National Guard units.

Will the States stand by while the Federal government absorbs their historic and valiant constabularies — as they have stood by while the Washington bureaucrats took over welfare at the state level, and as they are standing by while federalization of their schools is being formulated? Perhaps it is time for another Governors' Conference?

THE AMERICAN WAY

By George Peck

(EDITOR'S NOTE: George Peck is Chairman of the Board of the National Labor-Management Foundation and Executive Editor of its official publication, PARTNERS.)

From time to time throughout the history of this nation, amendments have been made to our Constitution. Those Founding Fathers who were wise enough to draft the greatest document of political freedom in all world history, knew that with the growth of the U. S. A., and changing conditions, modifications would have to be made. Therefore, they most wisely made provision for amendments to the Constitution and prescribed the methods for enacting them.

Including the Bill of Rights (the first ten made shortly after the drafting of the Constitution) in all, twenty-two amendments have

been made to the Constitution. It is a distinct compliment to the foresight of the Founding Fathers that a number of these amendments have been injurious to, rather than constituting improvements to that historic document.

One of these — the 16th Amendment — was a grave error. First, because it granted the Federal Government the right to levy and collect taxes on incomes. Second, and this is what really has caused grievous trouble, no limitation was put as to the percentage the government can levy and collect.

During the debate in the Senate, on the enabling act for submission to the States for ratification, one very astute Senator suggested that a limitation of ten percent be written into the act as to the percentage Federal Government could levy on incomes. He was almost laughed out of the Senate for deigning to suggest that any Congress of the U. S. A. would ever dare to take as high as ten percent of a company's or an individual's income. No limitation was put into the 16th Amendment, and we now witness the sad spectacle of the Federal Government not only deigning, but actually taking as high as 91 percent of certain incomes.

Austin Newsletter
By R. L. BOWERS JR.
State Representative
98th District

Most of the activity in the House during the past week was confined to the introduction of new bills and their being referred to committees.

Of the few bills which were passed by the House, those of greater importance were HB No. 4, the "Pool Bill"; HB No. 145, a bill to cancel certain unused water filings; HB No. 16, the Texas Commercial Fed Control Act; and HB No. 91, amending the Hot Check Law concerning checks given to persons for employment or personal services.

HB No. 4 provides the manner of filling vacancies in the offices of U. S. Senator and congressman — at large. A roll call verification vote was called for the tally was 103-46, one member stating that the voting machines had improperly recorded his vote. Later, by unanimous approval of the House, Rep. Obie Jones of Austin recorded a negative vote on the bill, likewise saying that his vote had been improperly recorded. Final vote: 102 for, 47 against.

This bill was passed from the House with sufficient majority to give effect to the emergency clause contained therein which would make it effective as law after final passage in the Senate and the signature by the governor.

Had the bill been passed by a simple majority vote, it would not have been effective as a law until 90 days after the adjournment of the Legislature. Therefore, upon final passage, the bill will effect the senatorial election, April 2.

Much debate was heard in the House concerning the Pool Bill, with those in favor advancing the argument that it would insure the election of a senator by a majority vote of the people.

The bill provides for a run-off election in event that no single candidate has a simple majority in the initial election.

Those against the bill believed that the run-off election constituted excessive expenditures, and that the bill was discriminatory in nature. However, the majority of the members felt that this bill was essential and the argument concerned whether it was proper to pass such a bill at this time.

In the final analysis, it seems that the bill was more than a dispute between conservatives and liberals, for it was necessary that such provisions be included in our election system.

Most of the water legislation will be coming up in a week or

By Vern Sanford
Texas Press Association
AUSTIN, Tex. — Possibility of financing the most ambitious program in state history without new taxes has been put forth by Gov. Price Daniel.

In his budget message to the Legislature Governor Daniel recommended a \$32,000,000 increase in state spending during the next two years. More money would go for public school teachers' salaries, judicial salaries, state hospitals and special schools, Prison System, Railroad Commission, State Highway, Public Safety and Insurance Departments, higher education, state employees' retirement, an archives building, old age pensions, aid to handicapped, state advertising, water conservation, highway right-of-way, legislative salaries and a state law enforcement commission.

Financing would be on a "little bit here, little bit there" basis. Daniel said he felt legislators might expect some increase in the comptroller's forecast of expected revenue. He also called on the oil industry to work out its bottlenecks to allow for increased oil production. This could bring the state an additional \$10,000,000 in the next biennium.

A 10 per cent boost in auto license fees for right-of-way buying was proposed by the governor. He also recommended studying diversion of part of the permanent school fund to the available fund to finance public school costs, and higher tuition to help pay college teachers more.

And, if after all these, still more money is needed, he proposed a tax of 3/4 cent per 1,000 cubic feet on gas reserves tied up in long-term contracts.

JOHN Q. SPEAKS — Most of the 55th's significant legislation is now in the committee stage. Committees are required to hold public hearings at which any interested person may appear to say why he's for or against the bill being considered.

In the course of a session controversial measures bring hundreds, even thousands, of citizens to speak their minds at committee hearings.

Recent hearings of interest concerned:

1. Cutting firemen's hours to 60 in larger cities, 63 in smaller. Firefighters Association is pushing vigorously. Cities say they can't afford it, protect state interference in local affairs.

2. Giving more legal rights to women, another biennial bone of contention. Many women's groups are backing bills to abolish the wife's separate acknowledgment on property sales and allow women to convey their sep-

arate property without husband's consent.

3. Regulating handling and sale of eggs. House committee approved the bill which would require dealers and wholesalers to "properly label" eggs. Owners of small flocks, not claiming a specific specific grade for their eggs, would be exempt.

4. A bill requiring the admission of reporters to precinct, county and state political conventions. Approved by Senate Committee. A TPA "Better Government" Bill.

5. More power for the State Highway Department in condemning land for road rights. Sought by the department as necessary for the stepped-up building program. Opponents call it "arbitrary," say land owners wouldn't have time to get out of the way of bulldozers.

6. Licensing and regulating bail bondsmen. Proponents say it is necessary to stop "jail running" and "fee splitting" by lawyers and bondsmen.

7. Raising Legislative salaries to \$7,500 a year. Backed by Texas Jaycees, opposed by economy-minded solons and others who saw a similar constitutional amendment vetoed at the polls several years ago. House committee, nevertheless, approved.

FEED REGULATION OKAYED — Both House and Senate have passed bills updating regulation of livestock feed sales.

Differences in the proposals by Sen. George Moffett of Chillicothe and Rep. Grainger McIlhenny of Wheeler will have to be adjusted. Basic aim is to require labeling as to contents of feeds and closer inspection of manufacturing.

INSURANCE FIRM SHUT DOWN — State agencies have moved to close ICT Insurance Company of Dallas. Described as "hopelessly insolvent," the company is alleged to be \$1,500,000 in the red.

On request of the Insurance Commission, Atty. Gen. Will Wilson obtained a temporary court restraining order against business operations.

Officials emphasized the business involved, a casualty company, should not be confused with ICT Life Insurance Co.

OIL SITUATION TENSE — Eyes of the world will be on the Texas Railroad Commission hearing Feb. 19 to decide the March allowable.

In the background is an implied threat of federal control if state agencies and industry fail to step up production to supply Western Europe.

Texas officials were sharply critical of the Washington attitude. Governor Daniel said the President should use his authority to cut crude oil imports and reduce refinery runs. These, plus pipeline,

two, and I shall have more to say about it in my next Newsletter. See HIGHLIGHTS Page 3

Demonstration In Fine Arts Program Theme of Delphian Study Club Tuesday

Demonstration in fine arts was the program theme when Delphian Study Club met Feb. 6 in Seleta Jane Brownfield clubhouse.

Mrs. K. B. Sadleir was program chairman. She introduced Mrs. John Lucky, who presented several of her voice pupils. Soloes were sung by Virginia Lee Cooner, Betty Bragg, and Betty Collins, and a group of Mrs. Lucky's pupils sang selections from musical comedies.

Mrs. Paul Ward presided in the absence of the president, Mrs. Weldon Callaway.

Hostesses were Mrs. Sadleir and Mrs. W. P. Norris. The serving table was laid with a white linen

cloth and was centered with red and white satin and styrofoam Valentine. The mantle was decorated with a Valentine box. Sweet heart chifon pie, heart shaped mints, coffee and pink lemonade were served.

Members attending were Mesdames Wayne E. Brown, Virgil Bynum, Nathan Chesshir, Tim Faulkenberry, Alvin Hallbauer, D. A. Lowe, Norris, E. C. Pool, Sadleir, George Steele, Paul Ward, and B. R. Bradley, who is Mrs. Sadleir's mother.

Mr. and Mrs. Cary Hays of Baton Rouge, La., are house guests this week of Mr. and Mrs. Roy Wingerd.

Bill Setting Up The Grading and Label Of Eggs Introduced

WACO (Sp)—Texas housewives can be assured of buying quality eggs if a proposed grading and labeling law is passed by the Legislature, according to J. Walter Hammond, president of the Texas Farm Bureau.

"Also," Hammond said, "the egg producers of the state would be protected from unfair competition by low grade, culled eggs from other states if the pending egg legislation is enacted." The bill would regulate the handling and sale of eggs in this state by establishing standards of size and quality and providing for grading and labeling regulations.

Hammond said that producers selling from their own flocks would be exempt from regulations as long as they did not claim a grade for their eggs.

He declared the proposed law would benefit the jobbers, who's sales and retailers by establishing their reputation as handlers of quality eggs. He said it would encourage flock owners to produce quality eggs.

In addition, such a law would establish a definite channel for "cracks and rejects," eliminating them from the fresh, edible egg market, he said.

Texas, which imports 40 per cent of the eggs consumed in the state, is the only state in the nation which does not have an egg grading and labeling law," said Hammond. "Consequently, the state has become the dumping ground for low grade, culled eggs from other states."

Senator A. J. Rogers of Childress and Representative Walter Schwartz of Brenham introduced the proposed egg legislation (Senate Bill 32 and House Bill 173) in the Legislature.

Fertilizer—

PHOSPHATE PLACED DEEPER
By placing the phosphate deeper in the soil where the soil moisture supply is more constant, the more readily available the phosphate will be.

Increasing the turnover of organic matter in the soil improves aeration and more phosphorus and other minerals are available to plant because of the increased decomposition.

Small applications of phosphate on phosphorus deficient soils may be so firmly absorbed by the soil that the plant can obtain only a relatively small part of the applied phosphate.

The cost of heavy applications of phosphate should not be charged to the immediate crop but should be allocated over several years and regarded as a gain to

Mrs. Pool Hostess To Sewing Members

Mrs. E. C. Pool was hostess for a party for members of her Lubbock sewing club and their husbands Friday, Feb. 8.

A Valentine motif was used in decorations. The serving table was laid with a red cloth with white lace. The tables were laid with white cloths. Place cards were Valentines.

Guests included Messrs. and Mrs. A. V. Bryant, C. I. Green, Gurtis Boyd, Frank Campbell, Orby Adams, and W. E. Mansfield, and Mrs. Melvin Robinson, all of Lubbock; and Mr. and Mrs. Joe Jackson of Brownfield.

Movies were taken of the group, and games of canasta were played during the evening.

American—

curring with Daniel Webster, said: "The power to tax is the power to destroy." The several States which ratified the 16th Amendment most certainly would not have done so had they dreamed that some day the Federal Government would presume to take as high as 91 per cent of an individual's income.

Communism's basic demand is confiscation of all wealth. It is this columnist's studied opinion that we have gotten dangerously near to confiscation and communism by permitting the Federal Government to levy such a heavy impost on incomes.

The Founding Fathers intended to leave to the individual States and to local governments within the States, a maximum of authority to conduct their own State and local affairs. At present the Federal Government under the authority vested in it by the 16th Amendment, has the power and is exercising it, to tax incomes—both large and small—to the point where there is little or no tax power left for the States.

This increased Federal taxation,

the fertility value of the soil.

Fertilizers should not be used as substitutes for manures, plant residue and crop rotation, but should be used to supplement them. Good soil structure can be maintained or improved only through the use of proper crop rotations, plant residues, manures, grasses and legumes.

Fertilizers are the most economical means for producing more and better organic matter for soil improvements.

Under many soil conditions and with many crops, the more soluble forms of phosphorus have resulted in greater absorption of the soil element as compared to less soluble forms, particularly in young plants or seedlings.

with resultant loss of taxing power to the smaller units of government has created a dangerous concentration of power at Washington. The Federal Government has usurped many of the functions that rightfully and constitutionally belong to State and local governments.

To fully protect the rights of the people, the States and the local communities, the 16th Amendment should be repealed. Failing that, at least, a definite limitation should be placed upon the Federal Government's power to levy taxes on incomes. True democracy in a Republic such as ours, is based on a form of self-government by the people and their elected representatives in their own counties, townships or towns. No centralized government at a remote capital, such as Washington, can efficiently and wisely decide what is best for all the people in a country as large as the U. S. A.

The States Rights Party which had T. Coleman Andrews as its candidate for president in the 1936 election, is for outright repeal of the 16th Amendment—to abolish the Federal income tax entirely. This Party, organized just a few weeks prior to the election, made quite a remarkable showing. It rolled up enough votes to encourage its leaders to look toward 1960 with confidence. It is now flex-

Highlights—

line connections for independents' wells, would make it possible for Texas to export more crude oil, he said.

WATER BOARD CHANGES— Amid the hue and cry for water conservation, State Auditor C. H. Cavness noted numerous "weaknesses" in the present State Water Board set-up.

In his annual report on the board Cavness suggested reorganization along the lines of the State Highway Commission. This means a three-man policy board and a full-time administrator.

Primary needs, said Cavness, are for continuity of direction and a statewide master water plan: **CO-OP RULING—**Rural electric co-ops can continue to serve customers in an area after it is annexed by a city, says the State Supreme Court.

But others in the city area can not become members of the co-op, said the court.

It was the end to drawn-out litigation between the City of Gilmer and Upshur Rural Co-op with its muscles. With four years of organization, it promises to be a real factor, come 1960. You'll be reading more about The States Rights Party in this column from time to time.

other cities, co-ops and private utilities joining in. **SHORT SNORTS—** Governor Daniel said he does not favor a per-head sales tax on livestock sales to underwrite an animal health program, proposed by the Livestock Sanitary Commission. "Our farmers and ranchers have enough troubles," said Daniel, "without new taxes." Texas farm prices were up 2 per cent in January, reports the Agricultural Marketing Service. Meat animal prices were up 12 per cent above December.

We Invite You To Have Your Soil Tested Now

Mr. Stone Will Assist You...

Have You Had Your Soil Tested?

If you have, you are familiar with how to take a sample of your soil to be tested. If you have not, Mr. Stone at our laboratory will be happy to instruct you as to how this is done and at the same time can point out the advantages of doing so.

Advantages Of Having Soil Tested

1. After taking a soil test, you will know what chemical elements your soil is deficient in.
2. When you do your fertilizing, you can supply the right amounts of Chemical Fertilizers rather than guessing.
3. This will not only save you money on your fertilizer, but will enable you to increase your yields using the same amount of water.
4. Mr. Stone will also be able to suggest to you the proper amounts of fertilizer to be applied after taking into consideration the amount of water you have and after knowing the desired yields you are aiming for.

Come By To See Us

We have realized the need for such a laboratory and we feel certain that with proper use the lab can be of benefit to every farmer in this area. We want to insist that you drop by and visit our Agricultural Laboratory and get to know "Stony" personally.

KEEP "Tuned-in"

—Have you heard from God today?
Or is there too much static? Maybe you are
just not 'tuned-in.' At this moment there
are voices and music surging all about you.
Do you hear them? Maybe not, but you could
if you had your radio delicately in tune. Prayer is the
sensitive instrument man must use to get in tune with God. But it
is hard to stay tuned in. Elijah failed here... and so do we.
That is why we need the church. It helps us keep our finger
on the dial of faith and obedience to God's will. Go to church
Sunday. Carry your walkie-talkie with you every day. Keep it
tuned to heaven. Make frequent reports of your victories
and failures, and receive your marching orders direct from God!
"Speak, Lord, for Thy Servant heareth."

These religious messages are made possible by the above individuals and business firms with the hope
of creating a more sincere interest in our churches and a more church-minded community.

Women of Bible To Be Studied By EMW

The Evangelical Methodist Women met in the home of Mrs. Laura Riney recently for a regular meeting.

Mrs. Robert Shrimpton opened the meeting with a prayer, and the devotional was given by Mrs. Evelyn Collins. Mrs. Riney led the study on the second chapter of Ecclesiastics.

During the business meeting, members voted to start a study of the Great Women of the Bible. Mrs. William Mayo closed the meeting with a prayer.

Members present were Mesdames Mack Thomason, Laura Riney, William Mayo, B. W. Young, Pat Shrimpton, Evelyn Collins, and Miss Betty Collins.

FOR FUTURE FARMERS — Gov. Price Daniel has designated Feb. 16-23 as National Future Farmers of America Week in Texas. Gov. Daniel is shown presenting the proclamation to Kenton Harvey, state FFA president, and E. C. Weekley, executive secretary of the Texas Association of Future Farmers of America.

Mary Ann Holmes Is Math Club Member

Miss Mary Ann Holmes, daughter of Mr. and Mrs. Leo Holmes of 702 East Tate, has been chosen for membership in Hypatia Hexagon, mathematics club at Stephens College, Columbia, Mo.

Objectives of the club, say school officials, is to promote friendship among mathematics students and to widen opportunities for obtaining a deeper appreciation of the importance of mathematics in modern life.

MARY ANN HOLMES

Coffee In Hurd Home Is Courtesy To Mrs. Teddy Joe Hardy of Abilene

Mrs. Teddy Joe Hardy of Abilene, the former Miss Dean Reagan, was introduced to Brownfieldites at a coffee held in the home

of Mrs. Howard Hurd Saturday, Feb. 9, from 9:30 to 11:30 a. m.

Hostesses with Mrs. Hurd were Mesdames A. W. Butler, W. R. Stewart, L. B. Forbus, John Cloud, Virgil Travis, George Wade, J. J. Andress, Graham Smith, and Homer Nelson.

Mrs. Hurd received guests and presented them to the honoree, the mother of the bridegroom, Mrs. Ted Hardy, and the honoree's mother, Mrs. Leon Reagan of Spur.

Miss Ann Reagan of Spur, sister of the honoree, registered 48 guests during calling hours.

New Wear Resisting Sprinkler Developed For the High Plains

A new sprinkler, with a wear-resistant bearing, is said to have been developed by RAIN BIRD. Designed especially for use in irrigation systems of the High Plains, the Model 30TH Sprinkler resists abrasive silt or sand.

Wearing surfaces of a brass bearing are protected by a replaceable wearing ring insert made of a wear-resistant plastic developed by DuPont. This bearing insert turns against a soft, neoprene rubber washer, forming a perfect seal against sand and other abrasive elements.

All wear is said to be absorbed by the easily-replaced, low-cost insert. The top of the bearing is protected from blowing sand and abrasives by a tight neoprene hood. Field-tested under severest High Plains conditions, this new wear-resistant bearing has performed better than any other type bearing previously available.

The new Rain Bird Model 30TH Sprinkler also has two contact points which balance the drive and minimize wear. Greater diameter of coverage and more uniformity of coverage is provided, say the makers.

Mrs. J. T. Hoy Hostess To Las Amigas Players

Mrs. J. T. Hoy was hostess to Las Amigas bridge club Feb. 6.

High player was Mrs. Tom Harris. Mrs. O. L. Stice was second high, and Mrs. Frank Ballard and Mrs. Otis Larner binged.

Strawberry chiffon pie and coffee were served to the above and to Mesdames Kenneth Watkins, Clovis Kendrick, Al Muldrow, Burton Hackney, Wilson Collins, Harry

Local GS Troops Have New Numbers

Under the new Caprock council, local Girl Scout Troops will have new troop numbers, according to Mrs. Jack Shirley, president of the local scout leaders.

The following changes have been made: Troop 1 is now Troop 5, Troop 2 is now Troop 9, Troop 11 remains Troop 11, Troop 4 is now Troop 12, Troop 15 is now Troop 14, Troop 17 is now Troop 23, Troop 18 is now Troop 30, Troop 29 is now Troop 43, Troop 3 is now Troop 87, and Troop 8 is now Troop 147.

New Home troops, who are in this neighborhood of the council, have been changed as follows: Troop 1 is now Troop 218 and Troop 2 is now Troop 249.

Cornelius, R. N. Lowe, and Leonard Chesher.

Couples Bridge Meets In Goodpasture Home
Mr. and Mrs. Grady Goodpasture entertained their couples bridge club Feb. 7.
Cocomint pie and coffee were served to Messrs. and Mrs. Jack Hamilton, Lee Brownfield, Howard Hurd, Burton Hackney and Lal Copeland.
Mr. and Mrs. Brownfield scored high, and Mr. and Mrs. Hurd were second high. Mrs. Copeland and Mr. Hackney binged.

Mrs. Frank Barret, Recent Bride, Is Complimented at Bridal Shower

As a courtesy to Mrs. Frank Barret, a miscellaneous bridal shower was given at the Nurse's Home of Treadway - Daniell Hospital Feb. 6. Mrs. Barret is the former Fredda Chaney.
Hostesses were Mesdames Jack Church, R. W. Whitney, V. M. L. Wallen, and Beulah Atkins.
The serving table was laid with lace cloth and was decorated with Valentines flanking a large red bow with streamers lettered "Fredda and Frank." A Valentine motif was used in all decorations. Mrs. Atkins presided at the crystal punch service. Cherry punch and decorated cake squares were served.
Approximately 40 guests were registered by Mrs. Elmer McCut-

William H. Bryant Is Enrolled at Wayland

William H. Bryant, son of Mr. and Mrs. B. M. Bryant of Brownfield is among 58 new students from three nations enrolled for the spring semester at Wayland Baptist College in Plainview.
Bryant finds himself among students from nine nations

FARM BUREAU WEEK PROCLAIMED — Gov. Price Daniel is shown signing a proclamation designating Feb. 17-23 as "Texas Farm Bureau Organization Week." Looking on are J. Walter Hammond of Tye, left, president of the Texas Farm Bureau; and Millard Shivers of Waco, organization director. The farm organization is planning to stage a state wide "new member" drive during the "Week." A quota of 75,000 members has been set by the TFB for 1957.

PROCLAIMED BY GOVERNOR

TFB 'Week' Is Scheduled for Feb. 17-23

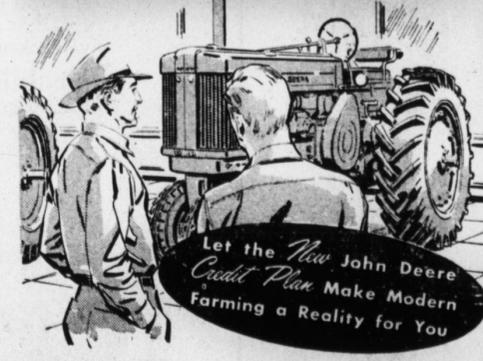

AUSTIN (Special) — Gov. Price Daniel has proclaimed Feb. 17-23 as "Texas Farm Bureau Organization Week."
The special week pays tribute to farm and ranch people who "through their various organizations have crusaded by democratic procedures for a voice in the affairs of the state and for an opportunity to secure economic equality."
The Texas Farm Bureau plans to stage a statewide "new member" drive during the week, according to TFB President J. Walter Hammond.
"Thousands of volunteer membership workers will be contacting their neighbors in rural areas to tell the story of Farm Bureau and to enroll them in the organization," said Hammond.
A quota of 75,000 members in 1957 has been set by TFB. Last year, the state farm organization had 70,159 on its rolls.

Senator Preston Smith

"What about the U. S. Senate seat left vacant by Gov. Daniel?" That's been the question of the week around the capitol.
Very high on the interest list for some time has been Rep. Joe Pool's controversial bill to require a run-off in a special Senate election if no candidate receives a clear majority in the first called election.
Rep. Pool's bill failed to pass a test vote, but it passed a House vote the next day.
The day before the test vote was scheduled, Sen. Charles F. Herring of Austin stirred up more interest by filing a bill which would continue Sen. W. A. Blakley, the Dallas multi-millionaire, in the junior seat of the U. S. Senate for the remaining two years of the term.
While Sen. Herring was quietly filing his bill, Pool announced that county judges all over the state were opposing his bill because of increased financial burden of a run-off election on county budgets.
The judges say the counties will have to cough up \$200,000 for a run-off election.
The Pool bill, if passed by the Senate before April 2, would mean further delay of at least 25 days in electing a successor to Sen. Blakley, by requiring the run-off election.
The Herring bill to keep Sen. Blakley in office for the rest of the term was shouted down in the House before the Pool bill was voted on.
Blakley's appointment has appeared to be generally satisfactory all around. He was welcomed in Washington by Sen. Lyndon Johnson. And although a personal supporter of President Eisenhower on the general election ticket, Blakley lined up in Washington with the Democrats.
CHICAGO: Chicago Mayor Richard J. Daley learning of the U.S. Communist Party's decision to switch its headquarters to Chicago: "We certainly don't want them here. Why don't they go to Moscow?"

You Can't Afford to Be Without Modern JOHN DEERE Farm Equipment!

PROFITABLE farming demands better work in fewer hours... money saving on every operation; modern John Deere Equipment is the answer to your needs and it can be yours... this season, thanks to the John Deere Credit Plan.

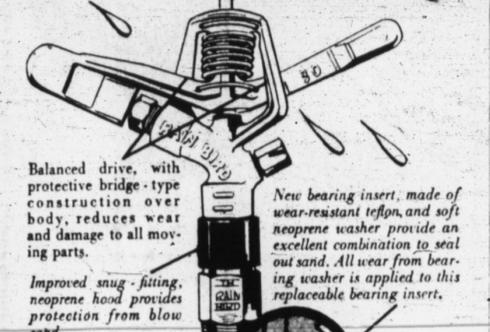

Here's low-cost financing tailor-made for your particular circumstances. Down payments to meet your particular needs... the balance in convenient monthly or seasonal payments to coincide with your income. All arrangements are confidential; you deal only with us. There's no package arrangement; life and property insurance, costing only a few cents a month, are available if you want them.
Let's talk over your individual equipment and credit requirements this week; the John Deere Equipment you've planned someday to own can start working for you... this season.

NONE ARE TOO YOUNG — No one is too young to be struck down by heart disease. Texas Tech President E. N. Jones, who is chairman of the current 1957 Texas Heart Fund, is shown above visiting 14-month-old Marshall Marroquian, heart patient in Methodist Hospital in Lubbock. The infant is the son of Mr. and Mrs. Alfonso Marroquian of Post. Dr. Jones, in urging support of the Texas Heart Fund, pointed out that "Approximately one-half million children of school age, plus thousands like little Marshall, are victims of heart and circulatory diseases. They need our help through contributions to the work of the Texas and American Heart associations."

Here's the most powerful light-duty truck!
V8 POWER ...206 H.P. OF IT!
Hill climbing's a snap. Passing is quicker and safer. And you make better road-time.

NEW RSD SUSPENSION*!
Bumps — even deep ruts — never reach the driver of this truck. Every trip's a smooth-riding pleasure.
*RSD Suspension standard on Suburban; optional at extra cost on other 1/2-tonners.

OUT-IN-FRONT STYLING!
No other truck today comes close to these Blue Chip light-duties — potent new rivals of the station wagon.

HYDRA-MATIC ECONOMIES!**
Hydra-Matic bars engine strain. You're rid of all clutch costs. Even brakes and tires last longer.
**Hydra-Matic optional at extra cost.

17% BETTER GAS MILEAGE
You cut fuel use as much as 17% — thanks to GMC's new, fast-ratio cruising axle. And you get all the other benefits of overdrive — without its extra cost.
