MISS NELL McLERORY

## GRADUATE OF GOMEZ HIGH SCHOOL

### Former Terry Resident Assumes Duties As Dean Of Women At Decatur Baptist

A former Terry County resident who was reared in the Gomez Community has assumed duties as dean of women at Decatur Baptist College in Decatur.

She is Miss Nell McLeroy, sister of Mrs. A. H. Patton of Johnson Community and Mrs. Kellie Sears of Gomez.

It was on Sept. 16 that Miss McLeroy completed work for her doctor of religious education degree at Southwestern Baptist Theological Seminary in Fort Worth. On Sept. 17, she went to Decatur.

She will have the degree of Doctor of Religious Education conferred upon her in May of next year.

Reared at Gomez and a graduate of Gomez High School, Miss McLeroy is the daughter of the late Mr. and Mrs. C. J. McLeroy. She taught for nine years at Gomez and for several years at Tahoka.

The new dean of women at Decatur also conducted Training Union courses throughout the state for a number of years, and was educational director of First Baptist churches at Levelland and Kerrville. Decatur Baptist is the world's oldest junior college.

### Tractor School Set

Plans for Terry County's 4-H and FFA Tractor Maintenance School, scheduled to begin at 8 a.m. Saturday, are rapidly taking final shape, according to Bob Etheredge, assistant county agent.

The day-long meeting will kick off with a 30-minute lecture on tractor safety by Dr. Willie Ulich of Texas A&M. Seven other short lecturers will cover practically every phase of tractor care and maintenance prior to a

Powell then offered the flag to Brownfield Scouts who raised it in ceremonies marking the dedication Sunday of the new Boy Scout Area, near Veterans Hall. (NEWSfoto)

## National Newspaper Week Is October 1-8

This week has been set aside for us in the profession to call certain things to your attention and to remind ourselves of our obligation to our community.

To keep the Freedom of the Press, we must work to preserve the right to print the truth and to defend our democratic form of government.

On this day, we ask that God will grant us the wisdom and the knowledge to perform our duties well. We also ask that each of you help us. We need your ideas, suggestions and cooperation.

"Our paper reflects our community" . . . This is true because we have to have your cooperation to gather the news . . . to sell subscriptions . . . to sell advertising.

It is through your support that we were able to move up from "weekly" to "semi-weekly." Our next move, of course, will be to go "daily." Growth and development of our community will decide when. It could happen in the next couple of years.

In the past four months, we have added more than 700 new families in Terry County to our subscription list, and we're not through yet. We still are working to get in touch with everyone in our trade area.

We have added more than \$16,000 worth of new equipment to our plant this year, enabling us to print a cleaner newspaper and to speed up production so that we might keep our advertising and subscription rates as low as possible.

We want to say "Thank You" to every person who has purchased a classified ad during the past year . . . to everyone who has paid for his subscription . . . to everyone who has called a staff member to report news . . . to everyone who has complimented our newspaper in any way . . . to every advertiser who has spent money with us to attract more customers into his business.

There is no doubt in our minds that you will continue to cooperate and to support us in building a better product and a better Brownfield.

Respectfully,  
Curtis J. Sterling  
Publisher

## OFFICIAL MEMORANDUM

GREETING:

Our Constitutional guarantee of freedom of the press is a guarantee of an individual's right to own and to control a printing press without subservience to the government. That guarantee established the fact that a free government of free men does not need to live in fear of the thoughts and words of its free citizens.

Today, the freedom of America depends on the freedom of the press. The free flow of information to the public is essential to the preservation of our American way of life, and we must be continually vigilant against any efforts to impede this freedom of information.

Texas newspapers and newspapermen have consistently shown recognition of the great obligations and responsibilities which go with freedom of the press.

THEREFORE, I, as Governor of Texas, do hereby designate the period of October 1-8, 1957, as NEWSPAPER WEEK in Texas and urge due recognition of the contributions of a free press.

Price Daniel  
Governor of Texas

## TEXAS PRESS HEAD URGES PUBLIC VISIT NEWSPAPER

Jimmie Gilentine, president of the Texas Press Association, urged all Texans to visit their hometown newspaper sometime this week in the 18th annual observance of National Newspaper Week.

"We want all newspaper readers to have an opportunity to witness the actual operation of a newspaper plant during the week of Oct. 1-8," emphasized Gilentine, who also is publisher of the Hereford Brand.

Said Gilentine: "Texas newspaper men and women, who devote a great deal of their time and talents each year to the success of special weeks, will be reflecting, in their columns and news stories, thoughts on the Constitutional guarantee of freedom of the press and the threats to it."

The TPA head continued: "Thomas Jefferson once said, 'Were it left for me to decide whether we should have a government without newspapers or newspapers without government, I should not hesitate to prefer the latter.'"

Theme for the week is "Your Newspaper Serves," and both the Newspaper Association Managers, Inc., and TPA, which jointly sponsor National Newspaper Week in Texas, invite readers everywhere to join in the observance this week, Gilentine concluded.

## KICKOFF 8 P.M. AT CUB STADIUM

### Cubs To Host Lamesa Here

By CHARLIE MAPLE

The Cubs will be aiming for their first victory of the season tomorrow night when they open their home schedule by hosting the Lamesa Golden Tornados at 8 p.m. in Cub Stadium.

Because the Tornados have played only one game this season — first one was rained out — not much is known about their full potentiality.

Brownfield scouts said the Tornados looked strong and fast in last week's outing when Kermit pasted them, 21-13. Coach Don Hendley said the Cub opponents have a strong running attack and a better than average pair of passers. "Our boys had better get ready for a lot of passes—they threw 12 last week," he said.

The Cubs will enter the game with a 16-pound per man weight deficit. Cub starters average about 152 while Lamesa averages 168, most of which is in the forward ball.

To combat the weight disadvantage, the Cubs have placed added emphasis on fast charging across the scrimmage line. Coach Cox and his staff have shifted several personnel to add drive to the Cub

attack. Ronnie Goode was elevated from the B team to a probable starting position at left end for the Lamesa game, replacing Johnny Mac Jones. Goode displayed a great deal of fire and spirit in practices this week to claim the position.

The coaching staff said others may move up to the varsity if they produce as well as Goode has this week. With B team players scrapping for varsity position, Cub starters showed more spirit and hard work in the week's practice sessions.

The Tornados likely will be striving to improve on their ninth place rating, among South Plains AAA teams, and to atone for last year's 20-14 defeat at the hands of the Cubs. The Cubs are rated number eight.

## IN PARTY HOUSE

### FB Dinner Is Tonight

A goal of 900 for 1957-58 has been set for the annual membership campaign by Terry County Farm Bureau.

Strategy for attaining the 900 new members will be set forth during a banquet at 8 p.m., today in The Party House.

TCFB's annual membership drive, Oct. 4-18, falls within Texas Farm Bureau Month, Oct. 1-31.

Guest speaker tonight will be the president of the Crosby County Farm Bureau, Dennis Taylor. He'll be introduced by Emcee R. D. Jones Jr.

TCFB membership committeemen this year are Chairman Jones, Leon Foote, Carl Hogue, Bob Smith and Homer Causseaux, who also are directors.

Other directors are Pres. J. T. (Jake) Fulford, Raleigh Luker, Winfred Tucker, G. I. (Bogie) Sims, D. C. Flowers, Jimmy Farrar and Secy. Alton Lee.

Mrs. John Hill is the FB's office secretary, and Joe Ed Sullivan is the service agent.

## Texas Has Record Pulpwood Harvest

Texas' tree farm program of growing timber as a crop on tax-paying lands helped the Lone Star state record one of the biggest percentage gains in pulpwood production of any state in the South last year, says a forest industry spokesman.

### First Home Game's Tickets on Sale In Courthouse Office

Tickets to the Cub-Lamesa game will remain on sale at Raymond Simm's office in the courthouse until noon Friday, according to Mrs. J. D. Miller, athletic fund auditor.

The box office at Cub Stadium will open at 5 p.m. for those who can not obtain them at the courthouse before the deadline, said Mrs. Miller. Ticket prices are \$1.50 for reserved seats, \$1.25 for general admission and 25 cents for students.

Mrs. Miller said there are plenty of seats available for the opening home game, which starts at 8 p.m. Friday. "Only 304 season tickets have been See No. 3 Page 3

## TO DELIVER FIRST SERMON ON SUNDAY

### Pastor Arrives at First Christian

New pastor of First Christian Church is the Rev. Marion W. Nilsson, who will deliver his first sermon there Sunday.

The Rev. Mr. Nilsson and his wife arrived Tuesday in Brownfield and presently are settling themselves in the parsonage at 811 East Tate.

First Christian has been without a fulltime minister since May, when the Rev. W. J. (Bill) Spreen retired and accepted a position in Seymour.

#### Has Studied Abroad

Marion W. Nilsson is a native Iowan. His education includes a bachelor of arts degree from Drake University in Des Moines, master's degree from Columbia University in New York City, and bachelor of divinity degree (cum laude) from Yale Divinity School at New Haven, Conn.

Accompanied by Mrs. Nilsson, he studied for one year in England on a Yale fellowship, and the couple concluded the 12 months abroad by traveling throughout England and Scotland and in several countries on the Continent.

The Rev. Mr. Nilsson's first pastorate was at St. Joseph, Mo., where he stayed four years. Then followed a seven-year ministry at First Christian in Brookfield, Mo., and an 11-year pastorate at First Christian in Roswell, N.M.

#### Held National Offices

He was in the fourth year of his ministry at the Mallory Avenue Christian Church in

REV. MARION W. NILSSON

Portland, Ore., when he accepted his call to Brownfield.

The new pastor had held a number of state and national offices in his communion, the Christian churches or Disciples of Christ, and presently is a member of the Board of Managers of the United Christian Missionary Society, whose headquarters are in Indianapolis, Ind.

While at the Roswell church, the Rev. Mr. Nilsson guided his congregation in raising funds which resulted in the building of a new church cost-

ing more than \$350,000.

During the same period, the Roswell church was able to increase its congregation by some 950 members. While at Mallory, more than 300 new members entered the church. The Nilssons' reputation among young people has preceded them for their work with them to Brownfield.

Mrs. Nilsson is a graduate of Simpson College at Indianola, Iowa, and taught public school music and was a junior high principal before her marriage.

## IN CEREMONIES AT FIRST PRESBYTERIAN

### Grand Master of Texas, AF&AM, To Level Cornerstone Of Church

The Grand Master of the Most Worshipful Grand Lodge of Texas, Ancient Free and Accepted Masons, will open a representation of the Grand Lodge for the purpose of leveling the cornerstone of First Presbyterian Church at 4 p.m. Saturday.

Grand Master Paul Turney will be accompanied by other Grand officers, and more than 100 out-of-town Masons are expected to be here for the occasion.

The Saturday event is thought to be the first time in the history of Texas Freemasonry that the Grand Master, in person, has levelled the

cornerstone of a church.

Said the Rev. Ralph O'Dell, pastor of First Presbyterian and member of Brownfield Lodge 903, AF&AM:

"Masons long have had an beautiful program for the leveling of cornerstones of public buildings. Here in Brownfield, the Post Office and the American Legion are two examples of their work."

"We of First Presbyterian do feel that this church, in a very real sense, is the property of the citizens of Brownfield. Therefore, the very symbolical and meaningful ceremony of the Grand Lodge for leveling the cornerstone should be that

of a public institution and not of a private organization."

Items To Be Sealed

Among other items, the Grand Master will seal within the cornerstone a copper box containing rosters of First Presbyterian members, all committees in charge of building the new church, and of Brownfield Lodge 903, in addition to a short history of the church, copy of the church bulletin and this edition of the NEWS.

All brethren of Brownfield Lodge have been urged by Worshipful Master J. O. Burnett to assemble at Masonic Temple not later than 3 p.m. See No. 5 Page 3

## CHANGE TO SHAMROCK TO W-30 MOTOR OIL NOW AND PROTECT THE LIFE OF YOUR CAR'S ENGINE AND BATTERY

The development of Shamrock 10W-30 Motor Oil is based on the fact that the typical passenger car engine operates most of its useful life in the temperature zone between the cold start and normal operating temperatures.

All oils thicken as temperature decreases. The difference between Shamrock 10W-30 and conventional oil is that it thickens less at low temperature. The effect on your car's performance is important.

When you change to Shamrock 10W-30, the improvements you'll notice immediately are: (1) that even on the coldest mornings the engine will turn over quickly and easily, and (2) a marked increase in gasoline mileage.

These advantages are the most obvious, but are necessarily the most important. Frictional wear in the engine takes place at a very high rate during the first few strokes when starting an engine with little or no lubricant on the cylinder walls. 10W-30 reduces this wear, slowing quickly... replenishing the oil film. At high temperatures a thicker lubricant does a better job of keeping metal surfaces apart. Accordingly, 10W-30 being thick

at high temperatures gives your engine full protection at this end of the temperature range, too. With Shamrock 10W-30 in the crankcase you will: (1) extend the life of your car's engine, (2) extend the life of your battery, (3) increase gasoline mileage and (4) reduce the octane requirement. We don't claim miracles for it, but you probably will.

QUALITY YOU CAN MEASURE BY YOUR CAR'S PERFORMANCE

**BOY SCOUT AREA DEDICATED** — More than 300 visitors thronged the Boy Scout Area during open house Sunday and the formal dedication of the site. Scene above is at flagpole, where Brownfield Scouts raised the Stars and Stripes which had been given them by members of Howard-Henson Post 269, American Legion. Here for the ceremony were A. W. (Gus) Benner of Lubbock, scout executive for the South Plains Council, Boy Scouts of America; and Don Reece of Brownfield, district executive for Quanah Parker District. Also on hand were J. C. Powell Jr., of Brownfield, chairman of Quanah Parker institutional representatives, and H. B. Virgil Crawford, immediate past commander of Howard-Henson. Crawford introduced Lejeune Lincoln, 269's commander. The Area represents the Legion's building program there, which has exceeded some \$25,000. For the occasion, Dr. Jones W. Weathers of First Baptist Church said an invocation. (NEWSphoto)

### Guy Nowlin Winner in Football Contest for Second Week

Winner in last week's Football Contest was Guy Nowlin of Meadow. Second place "picker" was Mrs. Albert Johnson of 805 East Lons.

Both persons guessed right on 12 out of a possible 15 winners. Nowlin gained the edge, however, when he named the actual Cub-Littlefield score, 13-7. Mrs. Johnson had guessed Cubs 21, Littlefield 28.

Low man in the weekly "pick 'em" contest was Larry Joe Simmonds of 312 South Second.

### Jackie Meeks To See More Action in Saturday Game

Former Cub halfback Jackie Meeks, is expected to see a lot of action when the Texas Western Miners put their unbeaten record on the line against the University of New Mexico.

Though Meeks is a 155-pound second string halfback, he played a good portion of last week's tilt against West Texas State. In addition to sparking defensive play, he carried the ball for 12 yards in six tries.

The Miners took their second game in a row last week, coming from behind a 0-12 deficit to beat tough West Texas State, 20-12. The preceding week they had rallied to edge North Texas State, 14-13.

### Meadow Broncos To Open District Play At Cooper Friday

The Meadow Broncos open their 4-B District schedule when they journey to Cooper to tangle with the Pirates at 8 p.m. Friday.

Recovering from two straight defeats, Coach Phil Wynne said the Broncos will be ready for this game.

Also victims of consecutive defeats—three—the Pirates are considered to be tough. Running from a singling, Cooper has a good passing and running attack.

"Don Verretto and Gary Bell, the Pirate runners, both are fast and powerful," said Wynne.

Cooper lost to Plains, Friendship and Anton without scoring. "However, they were inside Anton's 20 on three different occasions last week and inside the five twice," revealed Wynne.

The Meadow mentor said the Broncos have been somewhat "flat" in their two contests but they are improving. "I feel like we did pretty well last week considering that Stanton is a contender for their district title in Class A," he said.

The Friday night contest will open a rugged six-game district schedule for the Broncos, the next three away from home. Next home game will be Nov. 2 with Lorenzo.

### Two Terry Students Attending Wayland

Terry County is represented by two students at Wayland Baptist College, which began its 49th year on Sept. 18, according to Dean Cecil Cosper. They are among the students from seven countries and 24 states.

Foreign countries and territories represented are Alaska, Columbia, France, Hong Kong, Iowa, New Mexico leads out of states areas with 46 students. In second and third places are Oklahoma with 24 and Colorado with 11.

Terry students enrolled are: Cletus Caswell of Meadow, and Verna King of Rt. 4.

Massachusetts is known as the Bay State.

tractor operator's contest, beginning at 1 p.m.

The school and contest is sponsored by seven farm equipment dealers in the county. The dealers will provide equipment and instructors for the schools, which will be held in the BHS vocational building.

Etheredge said the school and contest is open to any 4-H or FFA member. "However, tractor driving contestants must attend the morning school to be eligible," he added.

The assistant agent said fathers are urged to attend the sessions with their sons.

Sponsors of the event are Meadow Implement Co., Kersh Implement Co., Bryant Tractor Co., Cargill Tractor Co., J. B. Knight Implement Co., Brownfield Tractor Co., and Smith Machinery Co.

Committee, said figures just released by the government show Texas harvested 21.1 per cent more pulpwood last year than in 1955, compared to an average gain of 11 per cent during the same time by the 12 states of the nation's biggest pulp-producing area—the South.

The South produced 20,344,900 cords of pulpwood last year—57 per cent of the nation's supply. Texas' share of the harvest was 1,459,000 cords, most of which went to furnish the raw material needed by the state's four pulp mills whose daily rated capacity is 1,675 tons.

The 1956 pulpwood cut in Texas represented an increase of 255,000 cords over the 1955 harvest—1,204,000 cords.

"The tree farm program can take a bow for a major role in this big increase," said Stanley. "Texas has nearly 1,000 certified Tree Farm dedicated to the growth of repeat-

ed crops of timber through wise management."

Texas' two leading timber-producing counties were Montgomery and Jasper.

Georgia had the largest pulpwood production of any southern state last year, contributing 3,850,000 cords to a record-breaking harvest which showed an increase for the seventh straight year, reported Stanley. Texas ranked ninth in the South on the basis of last year's cut, he concluded.

### Oriental Theme Carried Out In Tea Honoring Mrs. A. J. House of TWFC

An Oriental theme was carried out when Alpha Omega Study Club was hostess to Texas Federated Women's Club president Mrs. A. J. House of Yoakum, Mrs. Robert Lindsey, district president, Mrs. A. T. Cocanougher of Lubbock and Mrs. R. B. Jones, Plains, first and second district vice presidents Friday at 2 p.m. at Selma Jane Brownfield clubhouse.

Also guests were members of Maids and Matrons, Delphian and Brownfield Junior Woman's study clubs.

Purpose of the Oriental theme was in honor of Mrs. House's special project, the Dorothy House Vietnam Oriental scholarship fund, which is a memorial to her daughter who died in childbirth. Mrs. Vietnam was formerly a teacher in Lowrimore, who was in orient-

Korea, where her husband was stationed.

Mrs. House, who is visiting many study clubs in this area, spoke to the group on the administrative theme, "Abundant Living Through Service." She concentrated her remarks on the scholarship fund, a study of religious of the world, the department of the American home and the driver education courses taught in Texas high schools.

The serving table was laid with a white cloth and featured an oriental floral arrangement in an antique silver and jade dish with miniature oriental figurines adjacent. White decorated cake squares, Chinese fortune cakes and spiced tea were served by Mrs. Arlie East.

al costume.

Guests registered by Mrs. Doug Cox, also in costume, on tags bearing oriental writings at a table decorated with an oriental jewel box spilling gems. The mantle was decorated with white spider chrysantheums and dancing figurines, and an oriental rose arrangement was set on the piano.

Mrs. Tommy Hicks, president of Alpha Omega study club, greeted guests and presented them to Mrs. House, Mrs. Lindsey, Mrs. Cocanougher and Mrs. Jones.

### Red Raiders Will Be In Good Shape Saturday

Barring illness, Texas Tech should be in a good shape for Louisiana State Saturday night as the Red Raiders were for Texas A&M last week.

Quarterback Jerry Bell of Ballinger has a badly bruised hip, but should be back in uniform. He has been running No. 2 quarterback in the place of John Riddle of Artesia, N.M., still sidelined with a broken hand.

One of Tech's two starting seniors, end Pat Hartsfield of Lubbock, played only nine minutes in the 21-0 loss to Texas A&M after being weakened by sinus trouble. Two others, guard Billy Woodin of Roaring Springs and end Jimmy Allison of Amarillo, were also slowed by respiratory ailments that kept them from practices during the week.

Coffee was first used in Abyssinia in the ninth century.

**A VETERAN IS RETIRED** — A veteran of the American Expeditionary Force in World War I and of the U. S. Postal Service, George W. Dodson, second from left in immediate front, retired Monday as Brownfield postal employees looked on. He's accepting a certificate of merit from Wm. C. Brown — it was signed by Postmaster General Arthur Summerfield. Man holding the fishing tackle box — a gift from the crowd to Dodson — is J. H. Carpenter, who himself was retired several months ago here. Other fellow in front row is Postmaster Joe Shelton. Dodson began his career 33 years 1 month and 15 days ago, on Aug. 16, 1924. Since then, he has worked eight offices, all in Texas. Said Dodson: "I'm quite proud of my years in the postal service. Time has been good to me. Now, I'm going to do an awful lot of fishing." Dodson's AEF unit was the famous "H" Company of the 144th Infantry Regiment, 36th Division. (NEWSfoto)

**13-7 SCORE STANDS**

**"Play Shouldn't Have Affected Us," Says Cub Quarterback Concerning Final Play**

(EDITOR'S NOTE: The following interview was conducted to ascertain just what took place in the final 14 seconds of the Littlefield game Friday. Despite confusion and allegations by various persons attending the game, it stands 13-7 in favor of Littlefield and no protest has or will be lodged.)

"In a fast-moving game, I don't have time to stop and remember every down that has been played in a series," said Joe Oswald, Cub quarterback, in recounting Friday's Littlefield game. "I, and I'm sure any other quarterback, depends upon the correct down to be on the downbox."

The quarterback said the Cubs took the ball with 49 seconds left in the game. "We ran three plays into the line and the clock was stopped with 14 seconds left because a Littlefield man appeared to be hurt," he said. "The downbox and scoreboard showed third down coming up. I asked the referee for a timeout but he said it would cost us a penalty. "I then asked him when the clock would start and he said when the ball was snap-

ped. Thinking the downbox was right, I called a running play instead of punting—the down was changed to fourth when we started the play," he added.

Queried whether he asked the officials what the down

was, Oswald said "no" but that an official had signalled third down to Coach Cox. "It does not make much difference now," said Oswald. "We should have had more of a lead than we had—besides we learned a lot from the experience."

Coach Doug Cox verified that he asked an official what the down was on the play in question. "He held up three fingers, indicating third down, so that was all I could do without getting the boys penalized," said the coach.

Despite the confusion and resulting loss, a survey of the team revealed they thought they should have been leading enough that the play would have had little effect on the outcome.

This is the **EDSEL** for 1958

"Proved by the longest, toughest test of all—

1½ million road miles"

No other car has ever been more thoroughly tested than the Edsel.

Pitted against the mountain passes of Colorado, Edsel transmissions and brakes had to meet demands far beyond all normal needs.

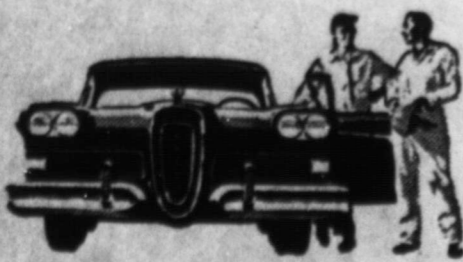

Checked and rechecked, Edsel test cars ploughed through powdery alkali grit and 118° desert heat in Death Valley to test carburetors and rear axle gearing.

Edsel test cars spent months in city and cross-country traffic, testing engines, brakes, and ride. The Edsel passed every test in the books—and some never thought of before.

**IG INSPECTION** — Annual Inspector General's inspection was held Monday night for Brownfield's National Guard unit, the Howitzer Company of the 2nd Battalion, 112th Armored Cavalry Regiment. From left facing camera: Maj. Karl Carson of 4th Army at San Antonio, IG inspector; Lt. Victor Herring Jr., unit commander, and Maj. Lewis R. Morris of Lamesa, the battalion administrative assistant. Maj. Carson was accompanied by Sgt. IC Jake Truciano of Midland, Regular Army advisor of the 112th. (NEWSfoto)

Pvt. Billy Gene Payne left Sunday for Camp Dix, N.J., where he will board a plane for Germany about Oct. 10.

**FOUR-DAY RUN AT REGAL**

**John Wayne, Janet Leigh, Air Force Stars of Howard Hughes' 'Jet Pilot'**

Howard Hughes' "Jet Pilot," the most talked about air picture of all time, is announced as the next attraction at the Regal Theatre.

Dates: late show Saturday night, and Sunday, Monday Tuesday and Wednesday.

With John Wayne, Janet Leigh and the U.S. Air Force starred, this big Technicolor picture, which has been years in the making, will thrill Brownfield audiences.

Sixteen months of aerial filming alone was devoted to the flying sequences to get on the screen the full canvas of realism and thrills by Howard Hughes.

"Jet Pilot" revolves around the romantic conflict of American jet officer John Wayne and Soviet pilot Janet Leigh, when he is assigned to take her under his wing, after she lands illegally at a USAF base in Alaska.

**Cargo Meeting Held By Mariners Club Friday**

A Cargo meeting was held by the Prairie Schooner Mariners Club of First Presbyterian Church Friday at the church.

Cargo for the meeting included redecorating and cleaning two Sunday School rooms. After a short business meeting and devotional by Miss Ellen Griffin, watermelon was served to Mr. and Mrs. Don Cooper, Mr. and Mrs. Gerald Kehoe, Mr. and Mrs. Joe Morris, Mr. and Mrs. Jack Bender, Mr. and Mrs. John Whiteside, the Rev. Ralph O'Dell, Mr. and Mrs. George Wilson, Mr. and Mrs. Barry Welton, Mr. and Mrs. Bill Thomas and Miss Griffin.

The son of Mr. and Mrs. M. A. Payne of 205 West Powell, he will be with the Armed Forces about 18 months in Europe.

**Col-Tex Opens New Service Station**

A three-day celebration will denote the opening of a new Ohlenbusch Super Service Station here Friday through Sunday.

The station, located at 901 Seagraves Road, will offer five grand prizes ranging from \$50 cash for first to one case of motor oil for fifth, in addition to several daily prizes of gasoline.

Manager of the new business, which will be open 6:30 a.m. to 12 p.m., is Lawrence Hill.

Drawing for grand prizes will be held at 8 p.m. Saturday.

**WELLMAN HOSTS UNION 8 P.M. TONIGHT**

**Annual 'Grudge' Battle Set**

Though comparative records indicate a walk-away win for Union when they tangle with the Wellman Wildcats at 8 p.m. tonight at Wellman, the books will be thrown away for this annual grudge battle. Union, who will enter the game with two decisive district wins to their credit, will rely on two break-away backs to carry the running load. In the Southland game, which the Wildcats took, 60-33, Wiley Kay

and Alfred Newsom rolled up 472 yards and scored 48 points. Union does not rely on passes to any extent but can take to the air when the ground game is slowed. Neither district contest has required any passing. The Union record shows victories over Spade, 34-6, and 60-33 over Southland. The opening game with Borden was washed out by a halftime deluge with Borden leading, 14-

0. The Wellman Wildcats, though having received three decisive losses in three outings, have the potential to make the "family squabble" an interesting game. Wellman has been hampered by a lack of material and inexperience throughout the season. Wellman's record for the season includes losses to Patton Springs, 52-30; Southland, 77-0, and Cotton Center, 46-13. Coach James Daugherty says his charges may pull a few surprises before the tilt is over.

**Dove Season Open In Most of Texas**

South Texas hunters got their chances at mourning doves Tuesday. The season continues through Nov. 17, except in the whitewing area where the season will end Oct. 14. The North Texas season continues until Oct. 17, inclusive.

"Rains of the past week caused a migration of the doves, but it looks like they'll still be plentiful in the South Texas area," says the Director of Law Enforcement of the Game and Fish Commission.

"South Texas doves also are in good condition. Most of them have matured and the pin feather are gone." The director also warned against shooting or having in possession more than the limit of ten birds. All shotguns should be plugged to hold only three shells.

Lt. Dwayne West, center on Texas Tech's football teams of 1953-55, is now stationed at Reese Air Force Base, just a few miles from the Tech campus.

Tech, beginning in 1960, will play three to four Southwest Conference games in Jones Stadium each season. Weaver figures that the inclusion of major intersectional opponents will give fans of West Texas and the eastern portion of New Mexico the best schedules anywhere.

Jimmie Wilson, business manager of athletics, was selling at the first of the week tickets on the 20-yard line to the LSU game. Reserved tickets are \$3.50 and may be bought by mail or across the counter at the athletic office in Jones Stadium.

**OFF OUR CHEST...**

Here and now let's get something off our chest and then we hope it is forgotten by die-hard Cub fans.

We grant that Friday's Littlefield game undoubtedly was decided by some very questionable officiating. However, we have talked to several of the players and they said they hated to lose the game but they agreed they should have been at least two touchdowns ahead at the end of the tilt.

We feel the youngsters came out of the scrap a better team. Though likely they felt "we wuz robbed" they took to the practice field this week and showed more unity and team spirit than has been evident all season. If the Wildcat loss did this, it was worth it.

**SCOTCHING RUMORS...**

After hearing dozens of variations of rumors about the last 14 seconds of Friday's game, we took time Monday to talk to Coach Cox and Joe Oswald, Cub quarterback, to find out what happened that could not be known in the stands. The interview may be found elsewhere on this page.

The interview is not to further any cause other than to enlighten the sundry persons who claim they "know just what happened and what was said... and we wuz robbed!"

By the way, if any have aspirations of giving officials a hard time at any future game,

keep this note tucked away in your mind: Haskell High School was put on probation last year because a fan attacked an official and because of verbal abuse of officials by Haskell fans.

Several other schools have been suspended from competition because of fans' sportsmanlike conduct at games.

**TOP FLIGHT TILTS...**

Football fans should have their pick of some fine tilts about the county this week — and not all of them here in Brownfield.

A real battle between Terry's Six-Man teams, Union and Wellman, will unfurl at 8 p.m. tonight in Wellman. Though Union is heavily favored, these "family" battles usually provide plenty of fireworks.

Meadow journeys to Cooper Friday to open their District 4-B schedule with Cooper at 8 p.m.

The local battle, in which the Cubs host Lamesa's Golden Tornadoes, should be another top-notch game — especially since it is the Cubs' first home showing.

**HUDDLE'S HUMBLE HUNCHES...**

Apparently the old crystal ball went on the blink last week — or was it heart over head? In either case, we hit only 4 out of 9 picks last week for a 444 average. The Cubs and Meadow Brocos did come

near our predictions but wound up on the short end.

Here we go this week, hoping to do better.

**Brownfield over Lamesa, 21-14.** We are sure of this one if the Cubs keep their present attitude.

**Andrews over Ysleta, 27-6.** This could be closer but we don't think Andrews will have much trouble.

**El Paso Austin over Odessa Ector, 26-0.** Ector still has not found their scoring punch, and we don't think they will this time either.

**Kermitt over Colorado City, 33-20.** This should be a ding-dong battle from the opening whistle.

**Hobbs over Monahans, 20-13.** The Lobos will have to show more fire than they did against Colorado City to stay in the game.

**Union over Wellman 52-33.** Union has the scoring punch but Wellman will be "up" for this annual grudge battle.

**Meadow over Cooper, 18-13.** This is our week to go out on a limb for the Broncos again.

**LSU over Texas Tech.** Tech, though improving, could pull a sleeper in this game but the Tigers look tough this year.

**CLOSING CLIPS...**

There are plenty of good seats left for Friday's home game against Lamesa. Mrs. J. D. Miller said tickets will be on sale at the court house until 11 a.m. today and then will be offered at the stadium, starting at 5 p.m. How about giving the Cubs plenty of backing...

Jackie Meeks, who is playing halfback for TWC saw a lot of action in the West Texas game Saturday. Though it was mostly on defense, he did carry the ball six times for a gain of 12 yards.

Texas Tech's harvest regular is 230-pound Gene Bentley, junior from Panhandle.

### Irrigation Is Growing In Texas

A contributing factor and a mighty important one to the overall agricultural production of Texas' farms and ranchers is irrigation.

R. V. Thurmond, extension agricultural irrigation engineer has just released a statewide summary which points up the great economic importance that supplemental water plays in the state's economy.

Figures were collected from each county in the state relative to the total number of acres irrigated; number of irrigated farms; acres irrigated by gravity; number of sprinkler systems; number of irrigation wells; acres irrigated from ground water and the acreages of the principal crops irrigated in each of the counties. County agricultural agents supplied the information and Thurmond made the final compilation.

The total land under irrigation in Texas now stands at 6,962,234 acres. This compares with a total of 6,208,022 acres in 1955 (figures are from a similar survey).

In June 1957 when the farms were listed as being irrigated. Only 18 counties in the state reported no irrigation.

The number of irrigation wells rose from 42,674, in 1955 to 54,994 in 1957. The number of sprinkler systems in use almost doubled during this same period with a 200,000 acre increase in the land thus irrigated.

Grain sorghums on almost 2.3 millions of acres were the principal crop irrigated. Cotton was a close second with almost 2.2 millions of acres under irrigation. Other major crops included wheat, rice, vegetables,

### Beef Raisers Have Bright Future Now

Things are looking up for Texas beef raisers. That word is advanced in a Texas Business Review report by George E. Neel Jr., an editorial assistant.

"After seven dry years, ranchers, forced to sell large numbers of cattle because of the drought, are keeping their herds on rain-restored pastures in Texas," writes Neel. "They are watching the cattle and the price of cattle, up \$2 to \$3 more per 100 pounds at mid-year than it was last year at the same time, both gain weight before sending large numbers of the animals to market."

By June 1, Texas pastures were at 83 per cent of their normal condition, a considerable change from last year's 53 per cent when 222 of the state's 254 counties were declared drought disaster areas.

"The rancher can look at the drought with mixed emotions," says Neel. "It caused most cattle growers to cut down on the size of their herds, but at the same time, by restricting production, it helped to increase the price of cattle. Now that the drought has broken, production will gradually increase. Whether it will increase sufficiently in time to depress cattle prices seriously, only time can determine."

pastures, alfalfa, field corn, oats and barley, forage sorghums, orchards and others.

Hale county with 500,000 acres under irrigation leads all counties in this respect but is closely followed by Swisher with 480,000 acres. Many other counties in this same general area have in excess of 300,000 acres under irrigation. Counties in the Lower Rio Grande Valley and the rice belt are also among the leading counties.

## Miss Mattie E. Morgan Becomes Bride Of James Corley Sparks In Abilene

Before a background of white gladioli and stock, Miss Mattie E. Morgan, daughter of the late Mr. and Mrs. W. I. Morgan because of the bride of James Corley Sparks, son of the late Mr. and Mrs. J. A. Sparks.

The double ring ceremony was read in First Methodist Church at Abilene at 7 p.m. Saturday, with Dr. D. D. Denison, pastor of the church and formerly of Brownfield, officiating.

Traditional wedding marches were played by Mrs. Denison who also played "Through the Years" and "Indian Love Call".

The bride wore an ice blue imported Italian velvet sheath dress with a matching bolero, and an orchid corsage. Her necklace and earrings were ice blue rhinestones and she had a sixpence in her shoe. For something old and borrowed she carried a white handkerchief more than 60 years old, belonging to Mrs. Denison, and her dress was something new.

Guests attended from Spur, Brownfield and Abilene.

For a wedding trip, the bride chose a navy blue wool suit with ice blue and black accessories and an orchid corsage.

MRS. JAMES SPARKS

The couple is residing at 702 East Lake.

The bride holds B. S. and Master of Education degrees from Texas Tech and is a teacher in Brownfield High School. Her new husband is employed as a barber in Brownfield.

Mrs. Earl Bradley of 209 East Buckley was called to El Paso Tuesday at the illness of her daughter, Mrs. Doyle Lawrence, who has Asian flu. Mrs. Bradley will care for the Lawrence's two children until their mother is well.

## Spaghetti Supper Planned Friday

Members of Colonial Heights Parent Teachers Association will serve a chicken spaghetti supper prior to the Brownfield-Lamesa football game Friday from 5:30 to 8 p.m. at the school cafeteria located at 1100 East Repetto.

Included on the menu is chicken spaghetti, green beans, salad, drink and chocolate cake. Tickets are \$1 for adult plates and 50¢ for children under 12.

Tickets are on sale with members of the PTA or may be purchased at the door Friday. The public is cordially invited to attend.

Mr. and Mrs. James Mitchell are moving to Big Spring, where he will be employed by Magnolia Petroleum Company. Mrs. Mitchell, the former Diane Green, has been head bookkeeper at First National Bank.

Mr. and Mrs. L. E. Sloan and Lee of Seagraves Road and Mr. and Mrs. H. E. Sherwin and Mike of 606 East Cactus Lane attended the South Plains fair Friday and saw the Holiday on Ice show that night.

Alexander Graham Bell was trained to be a teacher of music and elocution.

### Miss Sharon Lee Kinsey United In Marriage With Jerry Loyal Henson

The Rev. Oscar Kinsey of Seminole officiated when his daughter, Sharon Lee, became the bride of Jerry Loyal Henson at 2 p.m. Saturday in the home of the bridegroom's parents, Mr. and Mrs. Loyal Henson, 505 North B.

Bronze chrysanthemums and orchid asters formed a background for the double ring rites.

The bride wore a blue and white carnation corsage.

Miss Jackie Pittman was maid of honor. She wore a pink velvet suit with a pink carnation corsage.

Dean Eubanks was best man.

At a reception honoring the couple, the table was laid with a cutwork cloth and featured

an arrangement of marigolds and dahlias. The tiered blue and white wedding cake was topped with a miniature bridal couple. Punch and cake were served by Miss Lavada Whitaker.

The bride attended Seminole schools and her new husband attended Brownfield schools. The couple is making their home in Lubbock, where he is employed with Morton's.

Mr. and Mrs. Eddie Rowe and son, Dennis, have returned from Houston to make their home here, and presently are living in Brownfield Manor at 908 East Buckley. He was employed in Houston by Brown and Root Construction Company. He is associated here with P. R. Cates, Brownfield contractor.

## BHS News

### By Patti Wilder

Our first home game of the season will be with Lamesa this Friday night. Let's continue our all-out support of the CUBS!

A noisy group of loyal fans traveled to Littlefield last Friday night to see the Cubs win the game until the last nine seconds. They fought hard only to lose to the "little men in black and white suits with whistles in their mouths."

Class officers were elected last Tuesday. The results are: "Senior" Class: President—Gene Mason; Vice President—Gene Mason; Secretary—LeNora Turner; Junior Class: President—Gary White; Vice President—Ronnie Bartley; Secretary—Karen Foshee; Sophomore Class: President—Larry Jackson; Vice President—Elbert Landes; Secretary—Mary Lou Harrell; Freshman Class: President—Charlie Crites; Vice President—Roy Jones; Secretary—Latrece Teague.

Those attending the "B" team game at Lamesa last Thursday were: Barbara Nicholson, Ann Copeland, Judy Teague, Yvonne Parker, Janice Nowell, Barbara Germany, Carol Ann Mayfield, Pat Vinyard, Frances Steen, Linda Bost, Rita Lou Goodpasture, Sue Goodnight and JoAnn McAdoo.

Surely you have noticed the broad smiles and beaming faces of seniors — our rings

have finally arrived!!! Band students were measured for jackets on Monday, Soon (?) the band members will be "sporting" their new apparel.

Last Thursday the following FTA students substituted for the teachers who were called to a meeting: Mary Jane Brownfield-Third Grade; Gretchen Sloan-eighth grade math; LeNora Turner-eighth grade science; Sharon Kennedy-fourth grade; Sue Shewmake-fourth grade and Patti Wilder-fourth grade.

The recently installed line of officers for the Order of Rainbow for Girls are: Worthy Advisor—Juana Jay Barret; Worthy Associate Advisor—Sue Shewmake; Charity—Bobby Bailey; Hope—Valdene Garner; and Faith—Sharon McCarley.

Tuesday morning we had our first assembly of the year. The Rev. Jamts Tidwell of Girst Methodist Church was our speaker.

The following college students were home for the weekend: Johnny Raybon—Texas Western; Mike Hamilton—TCU;

Bobby Moore—Odessa College; Ernest Hyman—ACC; Barbara Knox, Gail Cottrell, and Doyle Simpson—West Texas State.

Brownfield was well represented by Jackie Meeks, who is playing halfback for the Texas Western "Miners" ... He played an outstanding game last Saturday when the "Miners" beat the West Texas "Buffalos," 20-12.

Friday night after the game there will be a party in the Fellowship Hall of Crescent Hill Church of Christ.

As a result of the "B" team game, Herbie Pickett spent last Thursday night in Treadaway-Daniell Hospital.

Sherry Don Spears, who will be married tomorrow at 4:15 in Methodist Church of Meadow, was the honoree of a miscellaneous shower in the home of Mrs. M. H. Ratliff, Saturday afternoon from 3:30 to 5:30.

Charles Lee underwent an emergency appendectomy at Treadaway-Daniell Hospital Monday morning. Saturday night Donna Sue Nelson gave a farwell slumber party for Sherry Don Spears. Those attending were: Mary Ruth Venable, LeNora Turner, Sue Shewmake, Diana Adams, Freda Newsom, Doris Ratliff, Carolyn Weathers, Patti Thomas, Barbara Germany, Bobbie Nell Richardson, Bettie Ann Davis and Patti Wilder.

Diana Adams and Freda Newsom visited here over the weekend. Diana is from Midland and Freda is from Levelland.

Bobby Ramey of Hereford visited Sue Shewmake last Sunday.

Claude Montgomery visited here over the weekend with his parents.

Couples who went to the fair Saturday night were: Linda Bost—Herbie Pickett; Rita Lou Goodpasture—Curtis Bryant; Doris Ratliff—Ellis Cox; and Patti Wilder—George Fugitt.

### Angus-Allison Vows Are Slated

Mr. and Mrs. E. J. Angus of 1216 East Main announce the engagement and approaching marriage of her daughter, Gloria, to James A. Allison, son of Mr. and Mrs. Gerald Allison of Route 4, Muleshoe.

First Presbyterian Church of Brownfield will be the scene of the double ring rites at 4 p.m. November 22. The Rev. Ralph O'Dell, pastor of the church, will officiate.

A graduate of Brownfield High School, Miss Angus attended Western College in El Paso and is now employed with American National Insurance Company in Lubbock.

The prospective bridegroom is a graduate of Muleshoe High School and is a senior engineering student at Texas Tech in Lubbock, where he is affiliated with Kappa Sigma social fraternity.

The couple will live in Lubbock following their marriage.

### Calls for Hunting Fishing Licenses Up

Hunting and fishing license business in Texas this year has been the biggest in the history of the Game & Fish Commission. This comes from the chief clerk, who, for the past two weeks has been filling re-orders from practically every area in the state.

### Experiment Station Schedules Field Day

The annual Field Day of the Texas Agricultural Experiment Station at Lubbock has been set for October 8 at 9:30 a.m., Superintendent C. E. Fisher has announced.

Tractor-drawn trailer tours of the station will be made under guidance of county agricultural agents to view the research plots and exhibits of latest developments in agricultural research on the station, said Fisher.

After lunch the station staff

"The demand was especially heavy on the coast," he said. "This was brought about by the requirement for salt water licenses. We under estimated the demand. As a result, many places along the coast ran out of licenses. They have plenty now, however."

will discuss the highlights and new developments on the Station and at 13 outfield locations in the southern High Plains.

Visitors will have ample time to view and discuss all phases of the work, he added. Included will be influence of water management, different levels of irrigation and fertilization on yield of cotton, sorghum grain; new varieties of blight resistant cotton; perennial Sudan-grass; grain sorghums; and special crops such as soybeans, sesame and castor beans.

Some of the latest developments also likely to create interest includes the "W" planter with press wheel attachment, production of native grass seed, control of nematodes, insects and plant diseases.
