MISS GRETCHEN SLOAN

★ ★ ★
ONE WILL BE FESTIVAL QUEEN — In upper 2. Both are Brownfield High School students. and lower panels are the two candidates for queen of Rotary's 11th annual Harvest festival, to be held Oct. 17. Upper panel: She's Miss Gretchen Sloan, daughter of Mr. and Mrs. L. E. Sloan of Seagraves Hwy. Already holding the title, "Miss Oil Progress Week" for 1957. Gretchen is the oil industry's entry in the HF contest. Lower panel: She's Miss Patsy Hulse, daughter of Mr. and Mrs. Dan Hulse of Route

MISS PATSY HULSE

Stage Plays
To Be Seen

Three stage productions will be presented this year to students of Jessie G. Randal, Colonial Heights and West Ward schools.

First of the trio, "King Midas," will be staged at 10 a.m. Monday for Jessie G. and Colonial Heights, and at 1 p.m. Monday for West Ward.

All three plays will be given by a professional troupe out of New York City.

Later plays will include "Puss and Boots" and "King of the Golden River." Admission price will be 15 cents a student.

Ginnings
Total 1,401

Terry County bale count: 1,401 as of Friday noon. Same period last week: 394. Current tally in neighboring Yoakum is 275. Count last week: 66.

The figures are determined by Aubrey T. Jones, head here of the Texas Employment Commission office.

TORNADOES WIN, 21-0

Lamesa Blows Past The Cubs

By CHARLIE MAPLE
NEWS Sports Editor

The Lamesa Golden Tornadoes roared through the Brownfield Cubs like a full-grown hurricane, 21-0, here Friday before an estimated 3,400 fans at Cub Stadium.

Depending upon a third-string sophomore quarterback and a second-string sophomore fullback, the Tors dominated play in nearly every period as the Cubs played uninspired ball.

Lamesa broke the scoring ice with 3:05 minutes gone in the second period as big Howard Westmoreland, Tor fullback, broke off tackle for eight yards and the TD. Sam Jones booted the extra point.

Westmoreland's sprint capped a 21-yard drive set up by a 27-yard punt return by Mike Schmidt to Brownfield's 21.

With 3:55 minutes left in the first half, Westmoreland broke through center on the old "draw" play and rambled for a 67-yard touchdown jaunt without competition. The way was paved when the Lamesa forward wall opened a gaping hole big enough for a truck to drive through.

Brownfield's Lone spark in the first half came in the waning seconds when Kenneth Willis threw three strikes, covering 37 yards, but the clock ran out with the Cubs on Lamesa's 26.

The Tors opened another drive after receiving the second half kickoff but were stopped on the Cub 36 when Cary White recovered a fumble by Kirk Wiggins, Lamesa quarterback.

Brownfield returned the ball to the Lamesa 45 where Browning fumbled back to the Tors.

About 5:05 minutes were gone in the final period when Mike Schmidt, a thorn in Brownfield's side all night, raced into the endzone from the 17 to cap a 50-yard drive. Jones added his third extra point to complete scoring for the night.

In the waning minutes of the game, Paul Todd, Tor guard, picked an Oswald pass out of the air and raced 65 yards to the Cub 20 before he was pulled down from behind. The interception killed Brownfield's only threat after they had moved from their own 38 to the Lamesa 20 in eight plays.

The Cubs held, however, and the game ended only minutes later.

Wiggins, calling signals in place of injured quarterback Frank McKinney who was out with an injured leg, displayed amazing poise throughout the game as he mixed up his signals and kept the Cubs guessing

After-Game Party Is Given for Immanuel Baptist Youth Group

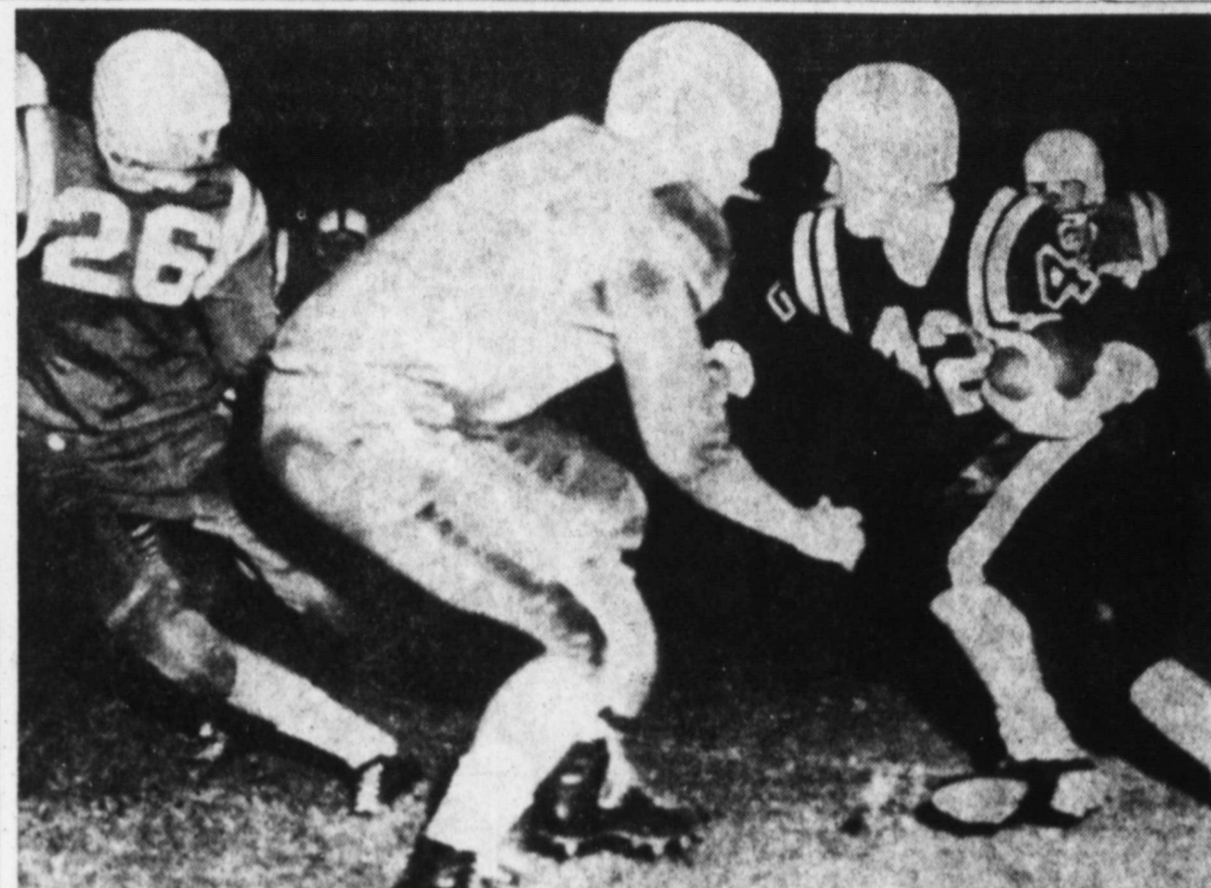

The Youth department of Immanuel Baptist church held an after-the-game party Friday night in Fellowship hall.

Sheron McCarley was chairman of program, which featured a reading on "Football", by Pheobe Kay.

Decorations created a pseudo playing field by having goal posts at each end of room to represent Lamesa and Brownfield, Red and white pom-poms and school pennants completed the decor.

Refreshments were served. The Rev. and Mrs. Boyd Pearce sponsored the event.

Plans have been made to continue these parties after each home game throughout the season, said the Rev. Mr. Pearce.

WHERE FROM HERE—Mike Schmidt, Lamesa and another unidentified Cub tackler set to ball-carrier, appears to be trying to figure bring him down. The action was caught in Fri- where to go from here as Jackie Meeks (26) day's 21-0 loss to the Tornadoe. (NEWSfoto)

Lions Club To Feature Oil Speaker

A Shell Oil Company automotive engineer will prelude Oil Progress Week here when he discusses "The Cost of Plenty" at the noon luncheon of Brownfield Lions Wednesday in The Party House.

John W. Hughes, who operates out of Shell's Midland area transport department, will discuss the results of the over-production of the world's oil industry. He is sponsored here by Brownfield Chamber of Commerce.

The speaker, representing the Oil Information Committee of the American Petroleum Institute, will be introduced by T. C. Williams Jr., superintendent of Honolulu Oil Company's Wadson Field.

"The meeting is open to anyone interested—especially area oil personnel," said Joe Satterwhite, chamber manager.

Hughes' talk Wednesday will prelude Oil Progress Week See No. 3 Page 6

Two Amateur Radio Events Slated Here

Plans for a "hidden transmitter" hunt on Oct. 13 were finalized last week by members of Terry County Amateur Radio Club. General chairman of the event is Don McCandless, assisted by Archie Proctor.

The "hams" also made further plans for a Nov. 3 "swapfest," and E. C. Pool was named chairman.

In addition, the group presented an "Amateur Radio Handbook" to Harold Wilson and his son, Harold Dean, who will move soon to Andrews.

After a program on Assisted Emergencies by Pool, refreshments were served to more than 20 persons attending.

C. E. Hicks Is New Zone 4 Supervisor

New Zone 4 supervisor of Terry Soil Conservation Districts is C. E. Hicks of Route 1, Meadow.

Elected to serve five years, Hicks was named one of the TSCD supervisors Oct. 1 by farmers living east of the Brownfield-Lvelland highways and north of Brownfield-Tahoka highways.

Prior to the election in the vocational agriculture room of Meadow High School, a film, "The Plant Speaks," was shown by vo-ag teacher Lester Ericson.

Storage of Grain

Current facilities for storing Terry's 1957 grain harvest are in adequate supply, Grady Goodpasture emphasized Saturday noon.

Said Goodpasture, owner of Goodpasture Grain & Milling: "We merely want to scotch any talk that facilities are not available now for storing grain."

"It is true that our drying bins are pretty much loaded See No. 2 Page 6

Kiwanians To Sponsor Dale Carnegie Course

Brownfield Kiwanis Club will sponsor a 15-week Dale Carnegie course here this fall, beginning with a free demonstration session a 6:30 p.m. Monday in The Party House, according to Harley Stone, president.

Proceeds of the course, which is limited to 40 persons, will defray expenses of additions to the Kiwanis Kiddie Park, revealed the president.

The demonstration Monday to be followed by another free session Oct. 14, is designed to give an insight into what the course will offer during the 15 weeks. Both sessions will start at 6:36 p.m.

Eight Sessions Included Offered in 18 nations throughout the world in addition to the United States and Canada, James Norman and Ronald Bailey, who will instruct, said the course will feature sessions of memory improvement, public speaking, development of courage and self-confidence and other self-improvement traits.

"The course will include eight sessions on human relations—one of the most important factors in dealing with other people," said Norman. "It also will give enrollees numerous chances to speak before the group and to develop confidence in their abilities."

Three Books Used "Mr. Carnegie once said

JAMES NORMAN

you are judged by four things," explained Norman. "What you do, what you say, how you say it and how you look. We plan to help our enrollees polish these four traits."

Norman said three books written by Carnegie will be used as texts in the courses and will be included in the course fee. They are "How to Win Friends and Influence People," "How to Stop Worrying and Start Living" and "Public Speaking and Influencing Men in Business."

Classes will be conducted from 6:36 to 10:15 p.m. each Monday during the course, added Norman.

TO SPEAK HERE — John W. Hughes, Shell Oil Company automotive engineer, will discuss "The Cost of Plenty" at Brownfield Lions noon luncheon at The Party House on Wednesday. His talk will prelude Oil Progress Week activities here next week.

ZOOT SUIT ZEKE FROM ZANESVILLE — Recognize the ugly creature above? He's well-known in these parts, and he's one of three candidates for "Ugliest Man" in the Oct. 17 Harvest Festival. Other entries are H. L. (Hub) King of Jaycees and John Hensard of Lions Club. Winnah will be revealed night of Oct. 17 in Cub Stadium, site of the tremendous goings-on which Brownfield Rotarians have scheduled for the 11th annual Festival. Zoot Suit Zeke? He's the Rev. Ralph O'Dell, Rotary Club's official, tied-up and delivered entry in the search for the ugliest. (LOWE'Sfoto)

Bulletin Lists Aids For Stock Feeding

Most ranchmen know they will have to reduce their livestock numbers during drouth, but hesitate to start selling because of their hope for rain or better price to lessen the losses they may suffer in the disposal of carefully selected breeding stock.

The procedure of reducing numbers and feeding the remainder applies particularly to preserving selected breeding stock. Two considerations are: (1) to use the feeds in amounts to keep the stock alive and (2) to use the feeds to maintain production. The principal difference is in the amounts of feed supplied.

Other considerations vary a little, whether the objective is maintenance, subsistence, supplemental or emergency feeding.

A bulletin recently release by the Texas Agricultural Extension Service, B-218, "Emergency Feeding of Livestock", contains information to help ranchers with their feeding problems.

It contains sections on general considerations; vitamin A deficiency; cost of feed nutrients; roughages and concentrates; methods of feeding; salt-cottonseed meal mixtures; feeding judgement; feeding weak stock.

INITIATE MEMBERSHIP DRIVE—Terry County Farm Bureau's annual membership drive began in earnest Friday. It'll continue for 12 days. The event was initiated Thursday night when TC FB directors and wives met for supper in The Party House. Among those present were, from left: Dennis Taylor of Crosbyton, president of the Crosby County Farm Bureau; Frank Price of Matador, fieldman for Farm Bureau's District 2, and J. T. (Jake) Fulford, president of TCFB. Note the "friendly persuaders" the trio holds, for persuading prospective members to join. (It's all a gag!) Taylor was guest speaker Thursday, discussing the role of Farm Bureau in the national scene, and relating it to the wisdom of Solomon. He emphasized that Farm Bureau was made up of the most democratic and God-fearing men in the nation. Price has succeeded Oltner Grote as this district's fieldman, Grote now managing the bureau's Mexican national program. Four community chairmen who'll ramrod the current drive were introduced by the membership committee chairman, R. D. Jones Jr. They are Delton Tatum of Route 1, L. A. Tuttle of Tokio, Junior Henson of Route 2 and Bob Luker of Route 5. This year's goal: 900 TCFB members for 1957-58. Statewide goal: "To lead the South." (NEWS-photo)

Union Parents Club Elects President

Mrs. M. G. Gary was elected president of Union Parents Club at the organization's initial meeting Sept. 25 at the school.

Other officers elected include Mrs. Leo Hudleston, vice president; Mrs. Harvey Smith, secretary-treasurer, and Mrs. Claud Montgomery, reporter.

Homeroom mothers named at the meeting include Mrs. Smith and Mrs. Mutt Tyler, first; Mrs. Jack Wagner and Mrs. Leon Foote, second; Mrs. Jack Baccus and Mrs. Barnes, third; Mrs. Walter Cheatham and Mrs. Smith, fourth and fifth; Mrs. H. Hancock and Mrs. Andy Foster, sixth and seventh; and

Mrs. Bob Luker and Mrs. Joe Cabe, eighth; Mrs. Cheatham and Mrs. Carroll Shults, ninth; Mrs. Tom Montgomery and Mrs. Rufus Dill, 10th; Mrs. Earl Cornett, Mrs. Hudleston, Mrs. Olen Herring and Mrs.

Foster, 11th; Mrs. Frank Sargent and Mrs. Bonnie Kay 12th. The group will meet again at 2 p.m. Oct. 9.

Greeley Reversed!

CHICAGO — To reverse Horace Greeley's advice, go East, young man, go East—if you want to be safe, that is!

That's where you'll find the states with the lowest motor vehicle deaths rates, according to the National Safety Council.

They are Rhode Island, Connecticut, New Jersey and Massachusetts. Among the top five, too is the District of Columbia.

Learning the Rules

This boy and girl are playing "grown-up" and we are happy to see them playing the roles of traffic policeman and pedestrian because we know how terribly important it is for them to learn the traffic rules early. If our children know the rules—how to cross the street, to look before chasing that escaped ball—we are not afraid when they start off walking to school or to play in the vacant lot. Boys and girls need to learn some of life's great rules at an early age also. They must learn that the self-centered, grasping life will never be satisfactory; that God's principle for a successful life is "do unto others as you would have them do unto you." These rules are carefully taught in the Sunday Church School and here also are the aids which parents need to help them give their children religious training. Take your children to Sunday Church School and stay with them.

**EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE**

Is something wrong with your life
—an inner restless dissatisfaction?
The answer to every human problem
comes only from God our
Maker. He alone can forgive and
reassure.

Through the church God has
committed the provisions and pro-
ceeding of His forgiveness and
redemption love. Without a church
relation no one is securely related
to God. Everyone should be in the
Church and the Church in every-
one!

'56 Motor Death Record Batters Disaster Tally

CHICAGO—The sinking of the Titanic, the Chicago fire and the San Francisco earthquake were headline-getters of yesteryear — and they won't soon be forgotten.

But the combined death toll from those and 49 other major disasters since 1865 is only 28,094—far short of the 40,000 persons killed in motor vehicle accidents in 1956, according to "Accident Facts," statistical yearbook of the National Safety Council Safety Council, just off the press.

Bread is probably the oldest of mankind's prepared foods.

ON YOUR NEW
Cadillac Eldorado Brougham

Above is Mr. Scharbauer Eidson accepting the keys to his new Cadillac, the exquisite Eldorado Brougham, from Mr. Otis S. Harding, vice-president of Harding Motors, Inc., Cadillac-Oldsmobile Dealer in Brownfield. The Brougham is custom-crafted and features such new innovations as a stainless steel top, exclusive air suspension system, lambskin carpeting throughout, the glove compartment is custom fitted with cigarette case, vanity compact, and lipstick, stick cologne, silver drinking cup and vanity mirror, the rear arm rest contains Arpege Perfume, note pad, pencil and vanity mirror. This new Cadillac is the most expensive American-made car manufactured in the United States, and delivers in Brownfield for \$13,600. Mr. Eidson is a native of this area and is in the cattle and oil business at Lovington, New Mexico.

HARDING MOTOR CO.

OLDS-CADILLAC DEALER

'OFFENSE IS BEST DEFENSE'

Car Dealer Profits by Newspaper Ads

By WELDON CALLAWAY

During the nationwide slump in automobile sales last year, one of the country's largest car dealers continued to enjoy expanding sales. A magazine assigned a business reporter to call on the dealer and to try to discover how one agency had increased sales while others were losing business.

When the interview started the dealer handed the reporter copies of a local newspaper. "We have no secrets. You will find the answer to your question in our newspaper advertising. We believe a good offense is the best defense. You will see we stepped up our local advertising to meet the threat of a depressed market."

"Sure the national advertising of our manufacturer convinced people that we have a good car; but that is —not enough in a tough market. It took hard selling local advertising to bring customers to our showroom, which is the only place we can sell —automobiles," the dealer explained.

He pointed out that some of the things included in his local advertising that could not be carried in national advertising were details on financing, prices, trade-in allowances, special promotions, and the dynamic personality of the agency itself.

In other words, local newspaper advertising was supplying a necessary ingredient of successful advertising—information on which immediate action is based. The need for including effective action information is a basic advertising principle.

Yarborough Appointed Subcommittee Chairman

Senator Olin D. Johnston (D., S. C.), chairman of the Senate Post Office and Civil Service Committee, today announced the appointment of Senator Ralph Yarborough (D., Texas) as Chairman of the Civil Service Subcommittee.

"Senator Yarborough served the Committee with great distinction in the first session of the 85th Congress, during which he quickly earned the respect and admiration of all postal and classified employees," said Johnston.

As chairman of the Civil Service Subcommittee, he will have the assistance of the competent junior Senator from Idaho, Mr. Church, and the newly elected Junior Senator from Wisconsin, Mr. Proxmire. The Subcommittee are Senators Martin of Pennsylvania and Morton of Kentucky.

The Civil Service Subcommittee, during the second session of the 85th Congress, will consider important employee legislation, such as, health insurance, improvements in the life insurance program, and a program to assure the promotion of employees on the basis of merit.

In addition to his service as chairman of the subcommittee, Senator Yarborough will continue as a member of the Federal Employees Compensation and Post Office Subcommittees.

The Federal Employees Compensation Subcommittee will act as soon as Congress convenes to correct the injustice visited on Federal employees by the President when he vetoed the modest and past-due pay increase bills overwhelmingly passed by Congress during the closing days of the session just ended.

The Post Office Subcommittee will consider a number of bills important both to the nation's 500,000 postal employees and to the users of the mail who are interested in a better and more efficient postal service.

Government employees and in putting the old principle to work, the dealer recognized the fact that effective action information is an element in advertising which must be supplied locally, since all sales are made at the local level. He chose the local newspaper as the best proven medium for stimulating local action.

the public both stand to gain from Senator Yarborough's service on these major subcommittees of the Post Office and Civil Service Committee. His great understanding of the many problems involved and statesmanlike approach to their solution, coupled with his native ability and driving initiative, provides a combination of virtues that foretells success in these assignments," concluded Johnston.

Broncs Open Title Defense With Win

The Meadow Broncos smashed the Pirates 48 to 0 at Cooper Friday in the opening District 4-B encounter for both clubs.

Meaw rolled up a 26 to 0 halftime score and added two more tallies in the third and one in the fourth. Bobby McCallister kicked the three extra points.

Quarterback James Smith, halfback Ronnie Bell and fullback James Pendergrass figured in the scoring. End Harold Henson scored once on a pass from Smith.

No. 2

at the present time. However, that situation is being corrected, and there is no lack of space for grain, particularly that of 13 or under in moisture content."

No. 3

activities here beginning Oct. 13. More than 700 Brownfield families will erect "Oil is My Business" signs this week to indicate the impact oil has on this area, said Satterwhite.

Activities include a banquet Oct. 15 and entries in the annual Harvest Festival parade Oct. 17. The industry's queen, Miss Gretchen Sloan, daughter of Mr. and Mrs. L. E. Sloan of Seagraves Road, will be a candidate for HF Queen.

The OPW committee will meet at 7 p.m. Monday in the Melody Restaurant to make final plans for the week's activities.

Lima beans are of South American origin.

ONLY PART OF THE BAG — There are 15 deer on the ground in picture above, part of the 22 killed last week in western Colorado, above Douglas Pass, by Brownfield hunters. Young fellow on left is Bobby Baumgardner, son of Mr. and Mrs. Robert Baumgardner of 1107 East Buckley. With him is Robert Jones, son of Mr. and Mrs. Cliff Jones of 1009 East Buckley. Their dads were among nine hunters in Colorado. Others were E. B. (Bud) McBurnett Jr., Bob Gardner, Pedro Zant, Leon

Jones and Leroy Jones, all of Brownfield, and Marvin Jones of Dumas, Bill Saville of Amarillo, and Bob Hart of Lubbock, former Brownfield resident. The season opened Oct. 1, and the kill above was taken during the first day and a half. McBurnett remained longer than the rest, but "was driven out by the snow." Limit in Colorado is four deer, buck or doe, for each hunter. (NEWSfoto)

First Christian Youth Choir Presents Music Program To Delphian Study Club

The Youth Choir of First Christian Church was featured on a program of religious music at a meeting of Delphian Study Club at Seleta Jane Brownfield Club House Wednesday.

Mrs. Weldon Callaway gave brief historical sketches on several familiar hymns to prelude the choir's singing. During the business meeting the group made plans hold their annual rummage sale on Oct. 12. Mrs. Nathan Chesshir

presented a corsage upon returning to the club.

Hostesses Mrs. E. C. Pool and Mrs. Buck Howell served punch and cookies from a serving table centered with a dried flower arrangement. Bouquets of chrysanthemums completed the decor.

Members attending were Mrs. W. P. Norris, Howell, Paul Ward, E. E. Preston, George Steele, Callaway, Chesshir, K. D. Sadleir, Claud Buchanan, Wayne Brown, Pool, Preston Hester, D. A. Lowe, W. T. Pickett and Crede Gore.

Guests included Mmes. L. C. Webster, John Jennings, D. L. Pemberton and Truett Flache.

Maid and Matrons Study Libraries

"Ignorance is the night of the mind," was the theme of Maids and Matrons' Study Club meeting Tuesday in Seleta Jane Brownfield Club House.

Mrs. Robert L. Noble Jr. discussed the organization's summer reading program and Mmes. E. C. Davis and E. O. Nelson followed with discussions of famous libraries in the United States and abroad.

A stork theme was displayed in decorations on the table, honoring Mrs. John C. Clark.

Mmes. A. W. Butler and Loe Miller served pink and blue cake squares, pink lemonade and mints to club members.

NORMA RENE PATTON

Patton Betrothal Is Announced Here By Her Mother, Father

The engagement of Miss Norma Rene Patton to Donald L. Cabe was announced here this week.

She is the daughter of Mr. and Mrs. R. C. Patton of Route 3, and he, the son of Mr. and Mrs. L. B. Cabe of Route 3.

Carl Hecker of Crescent Hill Church of Christ will officiate at the double ring ceremony in his home at 4 p.m., Oct. 14.

Maid of honor will be Miss Dorothy Patton, the bride-elect's sister, and the bridegroom's brother, Creed Cabe, will be act as best man.

She is a graduate of Brownfield High School, and he of Wellman High School.

Miss Patton presently is employed by Brownfield State

carried out in table decorations. About 26 persons called during the afternoon.

FOR HARVEST COFFEE—The handsome silver service pictured above will be given to the person holding the right ticket at Alpha Omega Study Club's annual Harvest Coffee, to be held at 10 a.m., Oct. 10 in Seleta Jane Brownfield clubhouse. Tickets to the event now are on sale at \$1 each. President of AO is Mrs. Tommy Hicks, right, who's discussing the Oct. 10 program with the club's finance chairman, Mrs. r. R. Cafes Funds derived from the annual Coffee are used by AO to further its several civic projects. (NEWSfoto)

Lubbock Women Will Conduct Workshop For Members of Local Garden Club

"Formula for Flower Show Practice" will be the theme of a workshop for members of Brownfield Garden Club Tuesday, Oct. 9, beginning at 9:30 a.m. at Seleta Jane Brownfield clubhouse.

Mrs. E. E. Louthan of Lubbock, first vice governor of district 1 and an accredited national flower show judge, will give a review of flower show practice. Speaking on basic flower arrangements will be Mrs. N. H. Williams, also of Lubbock and also an accredited national judge. Mrs. H. B. Thompson will be program chairman.

The workshop is being held

in preparation of the fall flower show to be held by members of the local club later this month. Members are asked to take similar flowers, containers and implements they will use to make their floral arrangements for the actual show when they attend Wednesday's workshop.

Hostesses will be Mmes. Eulice Farrar, Bill Blackstock, J. R. Hisson and Tim Faulkenberry. A covered dish luncheon will be served at noon.

Several members of Brownfield Garden Club plan to attend a zone meeting at Paducah Tuesday.

Bank and Trust Company. After the wedding, they will live in Biloxi, Miss., where he is stationed with the U.S. Air Force.

Mr. and Mrs. Martin Line, 913 East Cardwell, were weekend visitors in Odessa, with Mr. and Mrs. Bobby Line and grandchildren, Val and Van.

Hi-Tones Singers Entertain At Tea

The Hi-Tones vocal group, under the direction of Fred Smith, opened their season by entertaining at the Federation tea at Seleta Jane Brownfield clubhouse last Friday. Alpha Omega Study Club was hostess for the event, which was a courtesy to Texas Federated Woman's Club president, Mrs. A. J. House of Yoakum.

Accompanied by Leonard Ellington, pianist, the group was introduced by Mrs. Grady Goodpasture. They sang "Over the Rainbow", Musetta's "Waltz Song" and "Surrey With the Fringe on Top."

Members of the Hi-Tones are Mesdames Goodpasture, Bill Cope, Ed Wilder, Jack Bender, Roy Harris, Beryl Lovelace and Ralph O'Dell; and Miss Ellen Griffin.

Call 3858 For Society

Waco Home Is Featured On Sundays

Children of the Methodist Home at Waco, will be heard on a new series of radio programs broadcast Sunday mornings on a network of stations in New Mexico and Texas.

The programs, which begin this week, will carry a basically inspirational theme and will be designed to blend with listeners' Sunday morning activities.

The broadcasts will originate on the Waco Home's campus and will point up some of the aspects of the expanded child-care services now provided by the Home. These include Group care, Foster-Home placement, Adoption, and Family Rehabilitation.

Music on the programs will feature one of the nine choirs of the Home with occasional selections performed by the 400 children who live on the Home's campus.

In most areas, the programs will be heard at 8:15 a.m. Corpus Christi and San Antonio stations will delay the program to 8:30. In El Paso, the programs will be heard at 9:00.

The Waco Home is supported by the Methodist Church but is non-denominational in its service. Centrally located, the Home serves the two-state area of Texas and New Mexico.

Two ESA Pledges Receive Pins

The pledges received pins when Beta Theta chapter of Epsilon Sigma Alpha met Tuesday night in the home of Patsy Hamilton, 1311 Cactus Lane. They were Ola Mae Holliman and Barbara Atkinson.

Mrs. Hamilton gave a short program on ESA.

Pie and coffee were served to the above and to Reta Wilson, Dorothy Gore, Bobbye Bayliss, Gretta Hipp, Sue Williams, Betty Hillis, Margaret Ratliff, Trucene George, Gladys Swain, Whitey Howell, Jewel Coats and Jo Jennings.

Series Widely Accepted Educational Television

"Adventures in Education," a 26-week lecture series by University of Texas Professor Arthur H. Moeblman, is broadcast over 18 Texas television stations.

Although planned primarily for beginning teachers, the series is attracting widespread interest among experienced teachers, parents and other citizens.

SCHOLARSHIP—Betty Hargrove, daughter of Mr. and Mrs. J. S. Hargrove of 1117 Tahoka Road, was named winner this week of a \$100 Zeta Tau Alpha Sorority Scholarship. A Texas Tech freshman, she was graduated last spring from Brownfield High School. She also is one of 18 Tech girls selected to live in Casa Linda, honorary cooperative housing unit at Tech. While attending BHS, she was employed by Bayless Jewelry and Nelson's Pharmacy.

Change of Date On Junior High PTA

The regularly scheduled meeting of Junior High Parent Teacher's Association has been changed from Thursday, Oct. 17, to Thursday, Oct. 10, according to Mrs. David Nicholson, president.

Change of meeting date was made since Harvest Festival falls on the 17th, Mrs. Nicholson said.

The program chairman, Mrs. J. O. Rodgers, urges all parents and interested persons to attend the Oct. 10 meeting, which will be a group discussion on Citizenship, to be led by county attorney Morgan Copeland.

Meeting time is 4 p.m. in the school library.

Pvt. Willie Bramlet Is Stationed In Germany

Army Pvt. Willie J. Bramlet, son of Mr. and Mrs. E. E. Bramlet of 516 North Sixth, is wireman in Battery C of the 264th Field Artillery Battalion in Germany.

Bramlet entered the Army in January, 1957, received basic training at Fort Chaffee, Ark., and arrived overseas in July.

The 20-year-old soldier attended Brownfield High School and formerly was employed in the Bullard Oilfield.

Visitors in the home of Mr. and Mrs. Joe L. Shelton, are their daughter, Mrs. Johnny Keyes, and her children, John Shelton and Diana, of Azle.

It is 2,613,035 light years to the moon.

Misgivings and Sidelights State CAPITOL

By VERN SANFORD
Texas Press Association

AUSTIN — How much will Texas' drought-shocked farm economy be able to come back, thanks to 1957 rains?

U.S. Bureau of Crop Estimates says Texas' 1957 cash income, from all farm and ranch products, may be as much as \$200,000,000 higher than last year.

Actual statistics now in are not so rosy. Reports from the University of Texas Bureau of Business Research show cash income, as of July, down 13 per cent from July of last year. Farm income for July is 70 per cent of the 1947-49 average.

"Farm income," says a BBR analyst, "is still the most depressed sector of the Texas economy, although rising prices and a better outlook for crops give some grounds for optimism."

Some attribute the poor cash showing in reports thus far to lateness of crops in areas where continued spring rains delayed planting.

Whatever final statistics show, most farmers and farm observers seem to regard 1957 as the beginning of better things. It rained. And though the rains may have washed out cotton, rotted melons and mildewed grain, it "put a season in the ground."

LITTLE ROCK REPERCUSSIONS — News from Little Rock, Ark., brought expressions of concern and disapproval from the Texas Capitol.

Gov. Price Daniel, on hearing the President had sent in federal troops to enforce school integration, fired off a telegram to the White House. Such action, said Daniel, was

"reminiscent of the tactics of Reconstruction Days."

"Does this mean you will occupy with troops every non-integrated school in the South?" the Governor asked. "If so, your action will destroy the public school systems and good will among the races which most of us in the South have labored so hard to preserve."

U.S. Sen. Lyndon B. Johnson who was in the State Capitol at the time, for a Democratic women's gathering, said he was "concerned and disturbed."

"I think there should be no troops from either side patrolling our school campuses," said Johnson.

NEW LAWS SUGGESTED — Spectators of the ICT investigations are no longer interested in what BenJack Cage did or didn't do. Or in what he says or doesn't say. They are more interested in the effect the ICT matter will have on future insurance regulations.

Cage answered a few general questions for the Senate investigating committee. But he refused to answer 90 others on grounds of possible self-incrimination.

However, officials of the State Insurance Department spoke to the committee specifically and without hesitation. Commissioner William A. Harrison suggested need for possible legislation in four areas:

1. Board authority to determine the competence of management and to pass on management contracts. (Jack Cage Co. had a management contract with ICT.)
2. More board control over financial record keeping by

Brownfield News Editorials

STAGE SET FOR GOVERNMENT CUTBACK

Competitive Businesses Unfair

The snail's pace at which reluctant bureaucrats have been whittling down Uncle Sam's \$15 billion dollar investment in 19,265 Government-owned business-type activities and curtailing this impossibly unfair competition with tax-paying private businesses, may now be stepped up. In response to letters and telegrams and personal protests from businessmen all over the nation (prompted by various small business organizations and notably by National Association Businessmen) a conference committee on the Military Construction Bill threw out the principal road-block that has stood in the way of getting the Government out of business.

In passing the bill without the obstructive Section 411 of the original House bill, Congress has cleared the way for the Defense Department to divest itself speedily of those activities, mostly in the category of "small business," that threaten the very existence of thousands of privately-financed, tax-paying enterprises — coffee-roasting plants, motor repair and typewriter shops, paint factories and a long list of others.

The obnoxious and discredited Section 411 would have required the Secretary of Defense to secure the approval of Congress on the termination of most of these business-type activities. As matters stand, the Department now is on its own, free to move as speedily as it can

in scotching these threats to our traditional system of free enterprise.

In view of the expressed desire and intention of the Department to pare down its man-power, it is fair to expect these competitive installations to be uprooted and cast out right and left.

But just in case there is undue foot-dragging from the bureaucrats who would like to keep their fat-cat, non-competitive jobs and retain their command over thousands of government-supported workers, those same business men who blocked Section 411 will want to stay on watch.

In fact, National Association Businessmen has asked in a recent bulletin that "members who are being hurt by Defense Department competition" submit reports on their situations and the association "will undertake to make proper representations to the Pentagon and find out what can be done."

We think that every business and trade association in the broad field of merican free enterprise would do well to advise its members similarly, and to throw its best efforts into a speed-up of getting the Government out of business. The Pentagon can no longer pass the buck to Congress!

companies.

3. Change in the minimum capital requirements for organizing a company (presumably to require more capital.)

4. Changes in insurance investment restrictions.

FLU FUORE FADES — After the shock of the first flare-up, most Texans seemed resigned to living with the Asian flu threat for awhile. Although cases tripled (to 9,151) in a week, health officials in some areas reported a decline. Some said they felt were "over the hump."

SHOEMAKER'S POLICY DROPPED — An Austin district judge has ordered the state receiver to stop paying premiums on A. B. Shoemaker's giant insurance policy. Value of the gradually diminishing policy was down to \$719,000.

At one time the policy would have been worth \$1 million on Shoemaker's death. Money would have been added to the assets of the bankrupt US Trust and Guaranty Co.

Shoemaker attempted to kill himself after his company collapsed. His death seemed imminent, and the \$20,000-a-year premiums were kept paid. Now doctors say Shoemaker may

live another 15 years.

TUG O' WATER — Water contests are back in the news. City of San Antonio has been trying for more than three years to get permission to take 100,000 acre feet of water annually from Canyon Dam to be built near New Braunfels.

Guadalupe-Blanco River Authority opposed the request, and last July the State Water Board turned down San Antonio's application. San Antonio has now filed suit in an Austin court to get the board's decision nullified.

Fort Worth had better luck with the Water Board. It gained permission to take 355,000 acre feet a year from tributaries of the Trinity. Enough, presumably, to care for the city's needs until the year 2000.

But there were protests, both from within and without Fort Worth. Board said permit is a new type which will protect the supply of downstream users.

SCHOOL PANEL — House Speaker Waggoner Carr added three more to the committee which is to study means for

handling Texas' growing school population. They are Mrs. Will Miller of Corsicana, Nat Williams of Lubbock and Stone Wells of Houston.

Appointment of six persons by Governor Daniel will complete the 24-member committee.

THE AMERICAN WAY

By GEORGE PECK

"The fool hath said in his heart, there is no God. Corrupt are they, and have done abominable iniquity; there is none that doeth good." So reads the first verse of the Fifty-Third Psalm.

George Peck

A more accurate description of God-hating, God-denying Khrushchev and his communist pals could not be given. Yet it was written thousands of years ago and is but one of the myriad of prophecies and nuggets of wisdom to be found between the covers of the World's Best Seller—THE BIBLE.

The week of October 21-27 has been designated as 17th Annual National Bible Week by the Laymen's National Committee, which has sponsored National Bible Week in October of each year for the past sixteen years — with such remarkable and outstanding success.

The Laymen's National Committee is a nationwide organization, the membership of which is made up solely by laymen and laywomen of America's three great faiths—Jewish, Catholic and Protestant.

It is dedicated to the proposition that while the material progress and unprecedented prosperity of America are self-evident, this nation almost continuously is in danger of forgetting that when the spirit of God departs a nation, Liberty and Freedom wither and die on the vine.

Spiritual Guardup

SCHOOL BUS LAW — There still are people who don't observe Texas school bus law, say state officials. Seven were killed in school bus collisions last year.

Wide publicity on the provisions of the law are urged by Education, Highway and Safety Department officials. Basically, the laws say:

- 1. A driver meeting or overtaking a school bus that has stopped to load or discharge passengers must stop immediately. He may then proceed cautiously at not more than 10 miles per hour.
- 2. Law does not apply in city limits or on a divided highway where the bus is on a different roadway from the other vehicle.

Urges Daily Reading
"The World's Best Seller"

that we call the BIBLE is the inspired word of God. It is the Book of the Ages. It is food for the soul. It purifies the life. It points the way to salvation.

The reading and studying of this Book can transform any life. Changed men can change the nation. The only hope for the individual, or the nation, lies in this Book.

"It is so profound that the greatest intellects have debated its meaning for centuries; and yet it is so simple that children can understand and grasp its meaning."

"There can be no true Christian commitment without a daily perusal of its pages. We have millions of Bibles in America but so little actual Bible reading."

"I commend the Bible, not as a fetish, but as a Holy-Book which is the inspired message of God to all generations."

Through newspaper, radio, television and motion picture publicity, through local meetings in auditoriums, clubs and school houses across the nation, the committee is urging all Americans to give daily reading to their Bibles and to attend the churches of their choice.

To Revive Interest

Yes, the week of October 21-27 is National Bible Week — a week during which a special drive will be made to revive the flagging interest of America's citizens in the greatest Book that has ever been written.

The Father of our Country, George Washington, wisely warned in his Farwell Address: "Reason and experience both forbid us to expect that national morality can prevail in exclusion of religious principle."

And now, another and most humble George exhorts the readers of his column to get out Bibles—read them daily— See No. 1 Page 3

Walker Is Appointed State Agriculture Leader; Assumes Duties on October 16

College Station (Sp1)—A. H. (Fred) Walker, range specialist for the Texas Agricultural Extension Service since September, 1947, has been named state agricultural leader for the service effective October 16. He succeeds John E. Hutchison who became Extension Director August 20.

Walker is a native of Val Verde county; a graduate of Comstock High School and holds B. S. and M. S. degrees from Texas A&M College.

He was appointed county agricultural agent of Culberson county in March, 1937 and on January 1, 1940 was transferred to the same position in Menard county where he served

until 1942 when he was called for military service. He served in the U. S. Air Force as a navigator on a B-24 and was shot down and wounded in Europe. He was discharged as a captain and returned to Menard county in November 1945.

He was granted a leave to do graduate work at A&M in 1946 on a Sears-Roebuck Foundation Scholarship and received his M.S. degree in range management. He was appointed assistant pasture specialist on the headquarters staff on September 16, 1947 and to his present position—range specialist—on June 1, 1948.

He has played a major role in popularizing grass and range judging contests for both 4-H and FFA boys and has worked closely with county agents, research workers, soil conservation districts and others in developing a well-rounded range improvement program in the state.

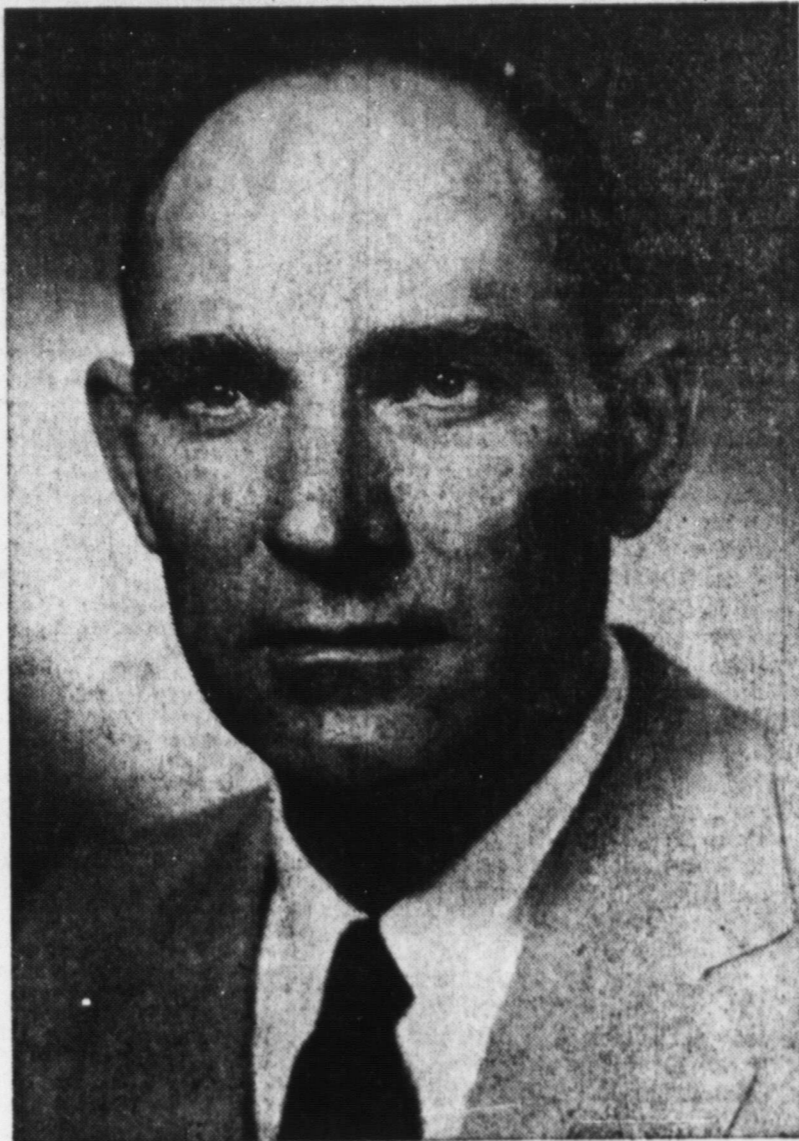

In his new position, Director Hutchinson said, Walker will work closely with the agricultural specialists in developing and strengthening their programs.

HD Awards Given To Texas Agents

Four Texas county home demonstration agents have been selected to receive the 1957 Distinguished Service Award of the National Home Demonstration Agents' Association. Presentation of awards will climax activities of the association's national meeting in Minneapolis, Minn. October 22-25.

Mrs. Argen Hix Draper, Deaf Smith county; Mrs. Lurline Daspit, Collin county; Mrs. Minna Perry, Panola county, and Emily Ritter, Brazos county, are the Texas agents to be honored this year.

Awards are made annually to home demonstration agents from the various states, Hawaii and Puerto Rico who have

A. H. (FRED) WALKER

Committee Leaders Elected by HD Club

Northwest Home Demonstration Club met Sept. 23 in the home of Mrs. Jewel Bell of Meadow.

Miss Betty Hillis, Terry County home demonstration agent, demonstrated the many faces of hems for all fabrics.

Mrs. Roy Howell, president presided during a short business session in which the following chairmen were appointed for the club functions next year:

Mrs. Bell, finance and recreation; Mrs. T. A. Bell, education and citizenship; Mrs. Lee Holden, civil defense; Mrs. Hershel Vest, health and safety, and Mrs. Wayne Caden-

rendered outstanding service to the people with whom they work for a period of 10 years or more.

Ability to develop leadership and effective programs in home demonstration and 4-H Club work are major factors considered in making this award, according to Mrs. Sybil Stringer, Castro county home demonstration agent, chairman of the state recognition committee.

Formal presentation of the awards will be made at a special recognition luncheon to be held at the Student Union Building of the University of Minnesota on October 25.

head, yearbook and 4-H. Refreshments of punch and cookies were served.

Former Texas Prison Official Publishes Book

The Texas Prison Rodeo, presented each Sunday in October at Huntsville, is described in "Assignment Huntsville: Memoirs of a Texas Prison Official," to be published Oct. 21 by the University of Texas Press.

Author Lee Simmons of Sherman organized the first rodeo at the Texas penitentiary in 1931 when he was general manager of the Texas Prison System. Almost two million spectators have witnessed the "world's fastest and wildest rodeo."

and if they've been neglecting their churches, to get back into them. Remember that October 21-27 is 17th Annual National Bible Week.

Calvin Jowers, 520 North fifth, has returned from Dallas where he spent the last three months in Baylor Hospital.

Meadow News

Mr. and Mrs. J. H. Gober were in Lubbock Thursday of last week to attend the funeral of Frank Selman of Hobbs, who passed away Tuesday.

World day of prayer was observed at the Baptist Church last Wednesday with an all-day program. Lunch was served at the noon hour.

Mr. and Mrs. Gillham Busby of Wellington moved to Meadow last week. Mrs. Busby is Mrs. Ruby Dalton's sister and lived here before she married.

Mr. and Mrs. Leonard Issacs and children of Brownfield visited in the home of his niece and husband, Mr. and Mrs. Ray Gober Saturday night.

Mrs. J. H. Gober and Mrs. Roy Gober and Randy were in Hobbs Monday visiting in the home of Mr. and Mrs. James Selman and family.

The W. S. C. S. met at the church Monday afternoon to continue their study. Mrs. John Cadenhead is directing the study.

The R. W. Holder family visited Sunday in Seagraves with their daughter, Mrs. Jeff Wiggins and family. Another

daughter, Mrs. Sherrill Davis and family, also attended the family get-together.

Mrs. Jack Tongate and Mrs. Holland Johnson are patients at Treadaway-Daniell Hospital and doing very well at present.

Mrs. Wayne Harris and daughter, Marlyn, of Ralls, spent the week with her mother, Mrs. Bob Castleberry.

Bob Patterson of Denver City spent the weekend in Meadow. Mr. and Mrs. James Selman and daughters, Pat and Mary Jo, of Hobbs, visited in the home of her parents, Mr. and Mrs. J. H. Gober, last Thursday night. They were en route home from Lubbock where they attended the funeral of James's father.

Sunday was Church School Rally Day at the Methodist

Church. Mrs. J. M. Burlison had charge of the program. Special music was presented by the choir. Other program highlights included introduction of various classes, introduction of superintendents and presentation of certificates by Ray Gober.

REGISTERS THIRD DISTRICT WIN

Union Claws Weak 'Cats, 46-7

Riding on the rambling legs of a second string back, Weldon Bell, the Union Wildcats easily upended an injury and illness-riddled Wellman team.

Swapping intercepted passes with Wellman, Union moved for their next TD on a 33-yard drive, capped by a one-yard plunge by Huddleston. The point was added on the way.

Rains Expected To Be Beneficial For Game

Recent rains will be especially beneficial to both hunting and fishing this fall, according to H. D. Dodgen, executive secretary of the Game and Fish Commission.

"The rains have been so general they will help the late grass situation throughout the state," he said.

The rains have been sufficient to carry much new food from the land into the lakes and streams for the benefit of fish.

tech by Huddleston.

With little more than a minute to play, Union ended scoring with a two-yard plunge by Huddleston. The score was set up when Rodney Herring recovered a Wellman fumble on the home team's 17.

Tech Will Host SE Conference School For The First Time

Although the Texas Tech-Louisiana State clash Saturday night will be the Red Raiders fourth game with a Southeastern Conference team, it will be the first contest in Lubbock with an SEC school.

Tech holds a 2-1 edge by virtue of a 27-29 win over Mississippi State at Jacksonville, Miss., and a 35-13 victory over Auburn at Jacksonville, Fla., in the January, 1954, Gator Bowl.

Bell Shows Up Well In New Role

Texas Tech's third string quarterback as the 1957 season opened, Jerry Bell of Ballinger, isn't likely to go to sleep on the bench this fall.

Temporary loss of Tech's letterman quarterback, John Riddle of Artesia, N.M., with a broken hand has elevated Bell to the No. 2 spot, and he has been quick to take advantage of his opportunity.

Besides piloting the Raiders to five first downs, Bell carried twice for 15 yards, completed more, with 49 seconds remaining. With the score tied, the Raiders had been driving toward a winning touchdown when the Tigers recovered a Tech fumble on the LSU 24.

Two of the 1954 participants will be back in action. Three-year letterman Win Turner of Baton Rouge is a Tiger quarterback, and senior halfback Mack Pogue of Sulphur Springs has returned to the Raiders after a two year Army tour.

his only two throws for 13 yards, averaged 47 yards on two punts, returned an Aggie punt 16 yards, and ran back a

kickoff 20 yards. Chunky at 5-11 and 195 pounds Bell, a junior, isn't overly fast. But he observed and absorbed

a lot of football spotting for broadcasters while sitting out last season with a knee injury

Brownfield Freshmen Fall 33-12

With the exception of the first and last minutes, Thursday's game proved disastrous as the Brownfield freshmen team fell before a grinding Andrews attack, 33-12, at Andrews.

Johnny Murphy raced 60 yards for a touchdown on the second play of the game to give the future Cubs a lift initially. However, Andrews took the ensuing kickoff and ground out 65 yards and a TD—then kicked the extra point.

Brownfield's other touchdown came on the last play of the game as Murphy broke loose for a 65-yard jaunt.

Coch Farris Nowell said the frosh, outmanned and outweighted, played an excellent offensive game but they could not seem to stop the 'Hosses' offense.

"Our fumbles hurt us as much as Andrews did," said Nowell. "We fumbled once inside the 15 and once at mid-field."

Richard Collins, Brownfield right half, was singled out for his offensive blocking during the game.

Rice Leads Raiders in Rushing Offense

Sophomore halfback Ronnie Rice of Lefors has taken over the rushing leadership among Texas Tech's Red Raiders.

Rice, substitute halfback, chalked up the most yards-pertry of any back on the field during the 21-0 loss to Texas A&M.

He averaged 7.3 yards on six carries to bring his total to 91 for the season, nearly 30 ahead of the previous leader, quarterback Floyd Dellinger of La Vega, who has a net of 63.

Dellinger still leads in total offense with 188 yards. He has accounted for 125 aerial yards on 10 completions of 22 throws — best passing mark.

Dellinger also paces the Raiders in kickoff returns, averaging 25 yards on three, and in punt returns, 13.5 yards on four runs.

Sophomore halfback Mickie Barron of Childress and end Gerald Seeman of Fort Worth each have caught three passes, for 30 and 22 yards, respectively, to lead that department.

As a team, the Raiders are averaging 187 yards rushing, against 213 for opponents, and 77.5 passing against 39.5. Their total offense mark, thanks to amassing 318 yards to the Aggies' 255, is now 264.5 per contest. Opponents are averaging 270.5.

Quarterback Jerry Bell of Ballinger leads punters with a 43-yard average on three covers.

Violations were comparatively few. Wardens made 25 arrests in the entire area. These included killing over the legal limit and shooting from automobiles.

Record of 'Juvenile Decency' at BHS is Cited in Certificate

Brownfield High School this week was awarded their second Juvenile Decency award, according to the Denim Council, which sponsors the honor.

The honor, based on community service work, was awarded to 112 top schools across the nation. The BHS Student Council was cited for their work in the community.

Juvenile Decency certificate, inscribed with the school's name, was awarded to the Student Council by The Denim Council, N.Y., representing the entire U.S. blue-jean industry, and the National Association of Student Councils, representing over 7,300 high school student councils in every state in the country.

This year's awards mark the second annual competition to be run by the organizations during the school year.

The competition, with its award, is a public-spirited move in itself, originated to help inspire the nation's young people to constructive and rewarding use of their leisure-time hours, to help point the way to a better way of life, and to aid in the great fight against juvenile delinquency and for juvenile decency being waged by schools, youth and parent organizations and community leaders everywhere.

4-H Clubbers To Be Given State Award

Twenty-four outstanding 4-H club boys and girls, representing 12 Texas Extension Districts, have been named to receive the State Fair Award of Honor for 1957.

The winners were elected on the basis of their outstanding achievements in general 4-H club work.

Floyd Lynch, state 4-H club leader, said the winners will be guests of the State Fair at a banquet honoring them, their parents and extension agents. All winners have indicated that they would be present to receive their award. The banquet will be held at the Adolphus Hotel in Dallas on October 4.

The district winners and their counties are: Jim Eakin, Gray; Mike Shurbert, Hale; Herky Killingsworth, Cottle; Wells Robert Mote II, Wise; Pat Potts, Hopkins; Roddy Harrison, Ward; Wayne Sharp, Tom Green; Norman O. Snow, Burnet; Jimmy Charles Griffith, Panola; Larry Thieme, DeWitt; Logic Tobola II, Wharton; and Gerald Brian Hubbard, Hidalgo; and

Bonta Kay Dunnihoo, Ochiltree; Barbara Ann Meador, Lubbock; Frances Hill, Fisher; Cinda Jane Ellis, Dallas; La Juanda Christenberry, Hopkins; Marylyn Hunt, Ward; Irma Lee Livingston, Coleman; Betty Lou Vogel, Falls; Mary Williams, Anderson; Kathleen Nagel, DeWitt; Ruby Gynell Jordan, Brazoria; and Fay Crow, San Patricio.

Mishap Death Chances Upped By Fast Driving

CHICAGO—If you have an accident while driving 25 m.p.h., the chance of someone being killed is only one in 300. But for each addition-

al 10 m.p.h., you greatly increase the chance of a fatality.

The 1967 edition of "Accident Facts," the statistical yearbook of the National

Safety Council, shows that the chance of an accident being fatal at 35 m.p.h., is one in 115; at 45, one in 70; at 55, one in 40; at 65, one in 20, and at 75, one in 8.

GOOD WORK COMES EASY

with **JOHN DEERE DISK PLOWS**

GOOD WORK comes easy with John Deere Disk Plows—not just when they're new, but down through year after year of dependable, low-cost service.

Correct design, a fully adjustable hitch, and balanced weight distribution hold John Deere Disk Plows to their work in every soil condition—even hard, irrigated soils. The mesh-grain, cross-rolled disks resist splitting and

curling—hold their edge better than ordinary disks. Precision-type bearings provide solid, light-draft disk support. Rugged standards and the rigid overhead frame maintain proper alignment despite severe shocks and strains.

Search as you will, you won't find a better disk plow than a John Deere. Come in soon for complete information.

From The Huddle

By CHARLIE MAPLE
NEWS Sports Editor

On the surface it would appear future Cubs are pretty well taking it on the chin in their games this season because of their lack of wins. However, we should go back to last season to get the full picture.

For instance, in Thursday's games, all four teams — B, Frosh, and Junior High—were defeated by Andrews by 25-6, 33-13, 25-0 and 6-0. But these same boys, for the most part, were downed by almost double these scores in 1956.

Though this still does not show in the win column, it indicates improvement and that is, in the final analysis, all we can really expect.

CAUSE OF GREY HAIR . . .

Apparently the Cub coaching staff did not have enough problems before the season started with an inexperienced and shallow team.

Facing a tough schedule, an outbreak of injuries hit the first weeks, followed by several flu victims prior to the Littlefield game. You may say "so what — all football teams have this sort of trouble."

The crowning blow came

Thursday when Leon Hinson got mixed up on a signal practice play and butted heads with tiny Robert Travis, cutting a one-inch gash over his left eye to drop him from play at least a week.

Though Hinson is not a starter, he is a main cog in the defensive lineup and Coach Cox was faced with shuffling his defense the day before the Lamessa game. Another of the things that adds to a coach's grey hairs—and Doug doesn't have many to get grey!

ABOUT CHARLES LEE . . .

Several fans have been wondering what happened to tackle Charles Lee after the Littlefield game last week. Lee collapsed in the dressing room after the game, a victim of over-excitement. Monday he entered the hospital to undergo an appendectomy and is reported to be doing well now. Doctors said Friday's collapse was not caused by his appendix.

At any rate, it is not likely that he will be back in the lineup for the Cubs for the rest of the season.

UNION-WELLMAN TUFF . . .

We went down to see Union

By HUGH WILLIAMSON

An outdoorsman, as you would expect, is more sensitive to the weather than other folks. And that doesn't merely mean that he is interested in whether it's hot or cold, wet or dry.

He watches the fishing calendar, the solunar tables, the barometer, and the weather predictions. He is aware of water temperatures at various depths, and he looks for the signs of nature.

All this goes for the hunter

Mustangs Corral Brownfield B Team

The Andrews Bees jumped to an early, 19-0, first half lead and never were threatened as they rode over the Brownfield B team, 25-6, Thursday at Cub Stadium.

The visitors, who have never lost a game since they began playing together in the seventh grade, tallied only six points in the last half as the future Cubs scored and tightened their defense.

Brownfield scored on a three-yard plunge by Leon Clark after driving 60 yards with the second half kickoff. Key play in the drive was a 25-yard pass from Clark to Ken Donaldson.

After allowing Andrews to jump to their early lead, Brownfield, playing with four youngsters who had missed practice all week because of sickness, threw up a tight defense the last half.

SCORE BY QUARTERS

Andrews — 6 13 6 0—25
Brownfield — 0 0 6 0—6

and Wellman tangle Thursday night — our first chance to watch six-man teams in action. To put it bluntly—we enjoyed it immensely. Though Wellman was hampered by several injuries and illness, they put up a terrific battle in going down 46-7, before Union's attack.

If you have never seen a six-man game, we advise your attending one in the near future. It is a faster game and provides more wide-open running and hard tackling than most 11-man games.

as well as the fisherman. As the dove hunter contemplated the season opening in the South Zone, Oct. 1, for example, he recalled heavy rains in the area late in September, and he thought about cooler weather.

His conclusions were that dove hunting around tanks would not likely be productive because there's water everywhere for the birds. And he figures that doves would be migrating southward in search of warmth.

Weather Signs

Old timers were keen about the weather. Far more so than moderns who live in conditioned air and don't depend directly on agriculture for their livelihood.

The old folks didn't depend on gadgets to know whether the fish were biting. They understood that there is a rhythm in nature, and they watched for signs that they knew were reliable.

If the old cow rested quietly under a shady tree, if the dog slept by the front steps, if there were no birds singing or flying—if all nature seemed at a standstill — that was no time to go fishing.

But when the cow got up and started grazing, the dog stretched himself and dug up a bone, and the birds suddenly appeared in the sky—that was fishing time.

The system still works. One friend of mine keeps a bowl of goldfish and can tell by their action — or inaction—whether to head for the creek or not.

Solunar Tables

Another fellow tells me that by watching the solunar tables he can tell when the workers in his office are going to be the most alert, active, and industrious. These times coincide with the best fishing hours as indicated by the tables.

It has long been known that the weather affects the way we feel: Benjamin Franklin advised "that we do business with men when the wind is out of the northwest." That's because a northwest wind is a sign of fine weather.

Thus it's not surprising that anglers say "fish bite the best when the wind's from the west."

Barometer Readings

Many salesmen refuse to call on customers when the barometer is low. They know that the prospect is likely to be feeling depressed at such a time. Likewise, old fishermen know that the fishing is best when the barometer is high or rising.

September rains were good for the angling situation. They washed food from surrounding land into the lakes and streams for the fish to eat.

Some big fat bass are going to be caught in Texas during the next two months!

Incidentally, the better the land along the shore line, the more good washed into the water by rains. No lake surrounded by poor land can be rich in fish. Consequently, your earnest angler is a booster of soil conservation.

System for Bass

Getting back to black bass fishing for a minute . . . there's a fellow around here who catches them regularly from the Colorado River lakes. He gave me his system the other day, and I'll pass it on for you, to try:

He gets in a boat at daybreak and moves slowly along, casting a surface lure to the edge of the weed beds, and into pockets among the weeds. He gives the lure plenty of time, twitching it ever so slightly at long intervals.

Recently he has scored one 5½ and two 4 pounders. His favorite bait is a Heddon SOS Silver Flash, a wounded minnow type with a spinner front and back. He ties on a red and white bucktail.

Many's the black bass that

Ward Is Leading TWC Ballcarrier With 7.2 Average

Fullback Charles Ward, Odessa's contribution to Texas Western College's unbeaten football team, is at the head of the list of Miner ball carriers after two weeks of play.

Ward, 195-pound senior fullback, has averaged 7.2 yards per carry in the Miner's victories over North Texas State

and West Texas State. He has carried 17 times for 123 yards, and has scored one touchdown.

Second leading rusher is halfback Jimmy Bevers of Lovington, N.M., who has gained 90 yards in 20 attempts for a 4.5 average. He is only a fraction ahead of quarterback Bob Laraba, however. Laraba has averaged 4.4 yards by gaining 89 yards in 20 attempts.

A tall junior from Niagara Falls, N.Y., Laraba also is leading in total offense and in passing. He has completed 5 of 10 passes for 90 yards and one touchdown, and has gained a total of 179 yards.

Don Maynard, fleet halfback from Colorado City, tops the Miner pass receivers with 2 catches for 58 yards and one touchdown. Maynard also is the leading scorer, with two touchdowns and two extra points and a total of 14 points. Bob Forrest, quarterback from Carlsbad, N.M., is second in scoring with 12 points.

A sophomore fullback, Willie Vasquez of El Paso, has taken over the leadership in one of Texas Western's strongest departments — punting. Vasquez has punted five times for 188

yards and an average of 37.5 yards. One of his boots went out of bounds on the West Texas 6 to put the Buffs in a hole that led to a Miner score.

In team statistics the Miners are second in almost every department except scoring. Texas Western trails in first downs, 20 to 30; and in yards rushing 456 to 576. But the El Paso team leads in yards passing, 90 to 56, in pass interceptions 2 to 0, and has had less penalties by a margin of 30 to 95.

Brownfield Coed Joins Tech Majorette Group

Gail Davis, daughter of Mr. and Mrs. Gene Davis of 104 East Felt, was one of eight Texas Tech coeds named as majorettes to lead the Red Raider Band this fall.

Miss Davis is a junior advertising art major at Tech.

Other majorettes include Dorothy Adkins of Plainview, Jill Flynt of Anson, Leta Roberts of Littlefield, Benni Ellen Dunn of Lubbock, Betty Lovelace of Abernathy, Peggy Blackmore of Georgetown and Sylvia McAden of Midland.

We Want to Urge Every Farmer to Join The FARM BUREAU

WHAT IS FARM BUREAU

It is an organization of Farmers and people interested in farming, banded together to work for things they feel are worthwhile on the local, state and national level.

The officers on the local level are individuals elected among the Farm People to serve for one year.

The regional, state and national officers are then elected by our delegates from each of the respective counties.

WHY SHOULD WE BELONG TO THE FARM BUREAU?

You and I as individuals do not have the time, knowledge, and money to make trips to Lubbock, Austin, Atlanta, Georgia, to speak our minds on things we feel are good for us as Cotton farmers.

Therefore, if we are represented, we must band together on the local level and select members of our group to do our fighting.

During the Farm Bureau Membership Drive, we urge you to join and help others to join by passing on a good word

Farm Bureau Doesn't Cost . . . It Pays . . .

Plains Liquefied Gas, Inc.

**Coed Joins

Famed Ringling Bros., Barnum & Bailey Circus To Give Performances in Lubbock

LUBBOCK (Special) — Officials announced this week that Ringling Bros., Barnum & Bailey Circus will appear Nov. 11-12-13 for five performances in Lubbock Coliseum.

Two of the shows will be at 8 p.m., Nov. 11 and 12. Three matinee performances are scheduled for 3:30 p.m., Nov. 11 and 12, and at 4 p.m., Nov. 13.

"The Greatest Show on Earth" is playing only in indoor arenas and Lubbock is one of the first cities to see the all new production. Highlights this year will include "The Corona-

tents. Also included in the new arrangement is a huge new band, which will play extra music written just for the circus.

The show to be seen in Lubbock is the same one that played in New York's Madison Squart Garden at a \$6.50 top price. However, the Lubbock Coliseum has announced that its top price seats will be \$3.60. Other prices are \$3, \$2.40 and \$1.80. Children may have one-half price for any seats at all matinee shows. However, all prices are the same at night shows.

Although the seats are not on sale yet, the Lubbock Coliseum is taking mail orders and they will be filled in the order they are received. The mailing address is Lubbock Coliseum, c/o City Hall, Lubbock, Texas.

This new Ringling Bros. Circus is one event that people of all ages on the South Plains will not want to miss. The Circus is still the "Greatest Show On Earth" and "The World's Greatest Entertainment Value."

Clyde Beatty Circus Slates Two Shows At Levelland's V. F. W. Grounds Monday

The Clyde Beatty Circus, one of the world's largest amusement organizations, will present two shows Monday on the V. F. W. Grounds at Levelland. Performances will be at 3 p.m. and 8 p.m.

More than 150 performers representing the best talent obtainable from the five continents of the world are to be seen with the big show this season.

As a prelude to the circus performance, a gloriously enchanting and stupendous spectacle entitled "La Persia," a gorgeous fiesta, is unfolded.

To those who love fairy lore, it far exceeds in magnificence, brilliancy, gorgeousness and beauty the glories of any spectacle yet staged by this circus.

There will be dancing girls; companies of trained singers; orchestras, grand golden-toned organs and the crash of cymbals. Yet this colossal produc-

tion which daily amazes thousands, is but one feature of the Clyde Beatty Circus.

Clyde Beatty, the famous wild animal trainer, will appear at each performance in the big cage, battling 40 lions and tigers. Beatty has appeared as the star in more than 30 feature films, "Ring of Fear," "Africa Screams" etc.

Mr. and Mrs. Leonard Lang, 718 East Broadway, have returned from a fishing trip at Lake Buchanan, where they caught many bass and crappie. While there, they visited his niece and husband, Mr. and Mrs. J. H. Hornbeck, at Burnett, and also visited former Brownfield residents, Mr. and Mrs. Bill Settle, at Lometa.

It's Value Day Monday

THE COMMODORES — Popular Dot recording artists, the Commodores, pictured above, will be here Oct. 17, date of the Rotary Club's 11th annual Harvest Festival. Upper left is Homer Tankersley, lead singer in the quartet, and next to him is Floyd Gray, bass. Lower left is Chuck Speed, and the other fellow is Eddie Seals.

DO-IT-YOURSELF HATS — The trio of Brownfield Scouts pictured above took time Sunday to show their guests some of the headgear which Troop 49 is making. From left: Donald Carruth, son of Mrs. J. R. Carruth of 720 East Main; Jimmy Hackney, son of Mr. and Mrs. Burton Hackney of 803 East Broadway, and Kenny Kendrick, son of Mr. and Mrs. John Kendrick of 1306 East Broadway. Occasion was during open house Sunday and the formal dedication of the Boy Scout Area, adjacent to American Legion Hall. (NEWSfoto)

State 4-H Winners Named; Totals Six

Names of the first group of winners in statewide 4-H award programs for 1957 have been released by Floyd Lynch, state 4-H leader for the Texas Agricultural Extension service.

Winners included three girls from Brown county — George Ann Hitchcock, home improvement; Patricia Mae Madison, frozen foods and Rita Stewart, beautification of home grounds. Another Brown county girl, Raby Jean Beakley was named state winner in public speaking in June.

Others listed were Cinda Jane Ellis, Dallas county, food preparation; Elmer Freese, Hale county, tractor maintenance and Donald Neumann, Falls county, leadership.

Misses Hitchcock and Madison will receive all-expense trips to National 4-H Club Congress, Chicago, December 1-5. Donors for these awards are Sears-Roebuck Foundation, Chicago and Whirlpool-Seeger Corp., St. Joseph, Mich.

Miss Stewart will receive a wrist watch from Mrs. Charles R. Walgreen, Chicago, donor for the beautification program. Miss Ellis and Freese will also receive Congress trips provided by Betty Crocker of General Mills, Minneapolis, Minn., and Humble Oil and Refining Co., Houston, respectively. Neumann will receive a pen and pencil set from Edward Foss Wilson of Chicago.

Records of these winners will enter for further competition for sectional and national awards.

Local county extension agent and adult 4-H leaders

Challis News

NEWS Correspondent

Mr. and Mrs. John Gipson of Los Angeles, are visiting her sister and family, Mr. and Mrs. W. J. Henderson this week.

Mr. and Mrs. N. L. Witt and family visited Mr. and Mrs. E. R. Slater Thursday night.

Some 43 persons attended Sunday School and several visitors were at worship service. About 41 attended training union, an increase of 15-20 over a few months ago.

Mr. and Mrs. L. R. Bagwell, state winners in their local clubs and counties, judging was first done on the county, then the district and finally on a statewide basis.

Pre-Season Squirrel Hunting Costs Nimrods

Several hunters in northeast in northeast Texas have found it doesn't pay to open the squirrel season too early. Wardens have taken them into courts and in each instance heavy fines were assessed.

The squirrel season opened officially in Red River and Bowie Counties Oct. 1, and will open in Lamar County Oct. 15, according to the director of Law Enforcement of the Game and Fish Commission.

N. Corley, last weekend. The C. S. Carroll family spent Sunday with her parents, Mr. and Mrs. John Garner.

The E. R. Slaters visited Sunday afternoon with Mr. and Mrs. D. J. Yowell.

Missionaries Will Tell of Experiences

The Rev. and Mrs. Wesley Harmon will present services at 7:30 p.m. Tuesday at the Church of the Nazarene, 201 West Tate, according to the Rev. Howard Smith, pastor.

The Rev. Mr. and Mrs. Harmon, missionaries for the Church of the Nazarene in Trinidad, will be here as part of their tour throughout the U.S., describing their work and experiences in Trinidad.

While in Trinidad, the Rev. Mr. Harmon pastored the St. James Church of the Nazarene, and the couple assisted in teaching at the Nazarene Bible

REV. WESLEY HARMON School in Port of Spain, Trinidad. Before going to the mission...

SALUTE TO THEIR FLAG — The trio of Girl Scouts in picture above was among dozens of persons who watched the raising of the American flag in Sunday ceremonies dedicating the Boy Scout Area. (NEWSfoto)

Fertilizer Usage Rate Still Climbs

The total tonnage of fertilizer sold in Texas during the spring of 1957 was about five per cent higher than during the same periods of 1955 and 1956.

Mixed fertilizer accounted for 46 per cent of the total tonnage sold this year, as compared with 53 per cent sold in the first six months of 1956. Grades of the 1-2-1 ratio accounted for 65 per cent of this total and the 1-1-1 ratio for 11 per cent.

Reports from individual counties indicated a varied fertilizer purchase pattern in different regions of the state, said State Chemist J. F. Fudge.

East Texas used 46 per cent of the total tonnage of mixed goods sold in Texas and 6 per cent of the tonnage of mixed goods in the 1-2-1 ratio. More than 77 per cent of the mixed goods sold in Texas was used in the three eastern regions—East Texas, Gulf Coast and North Central.

Mixed goods carried 19 per cent of the nitrogen, 50 per cent of the available phosphor-

Texas Ranked Sixth in Use of Isotopes

Texas now ranks sixth in the nation in the number of users of radioisotopes, a University of Texas Bureau of Business Research writer reports in an article on "Applied Atomic Energy in Texas."

Alfred G. Dale, writing in Texas Business Review, asserts: "It will be that uses of applied radiation will have a more profound influence upon the industrial development of the state than will the development of nuclear power."

Texas industry now is applying radiation in at least three ways: materials testing, process control and research (utilizing tracer techniques) and fundamental research in the petroleum and chemical industries (oriented to possibilities of product processing via

radiation reactions.)

Materials testing, particularly of metal products, is conducted by gamma ray radiography for a fraction of the cost of comparable X-ray equipment, Dale says.

"In the petroleum industry, tracer techniques are being developed rapidly," he notes. In view of the increasing importance of applied radiation in Texas industry, Dale foresees construction of specialized reactor facilities for the production of isotopes and for direct irradiation work on materials, plus an increase in the number of "hot" laboratories for research involving isotope use.

"Down Wellman Way"

Hi there!
Proof of fall is here: quiet, hazy, sunny days — the slow throb of oil wells — the low hung smoke of the carbon plant—the beat of drums in pep squads — marching — that's down Wellman Way!

The Annual staff met last Friday with Mr. Ezzell, to talk about the 1958 Annuals. They decided to start selling them sometime in October.

Thanks to their sponsor, Mr. Cordell Green, the pep squad put on a good program Friday night. The Wildcats played host to the Cotton Center Elks for their first home game. October 3, the Wildcats will again play host. This time to the Union Wildcats. Come on Wellman and let's skin those Union Wildcats!

We want to say "hello" to our new students: Ray Sansing a senior from Brownfield and Wilford Stokes, a junior from

Seagraves. Welcome to W. H. S. boys!

Mr. Rabid, our caretaker, and his wife have a baby boy who was born September 27 at Lamesa. His name is Jimmy Charles.

We were happy to see a lot of ex-students from W.H.S. Friday night at the balgame, and to know that they are still interested in our school.

Wellman took on a new look Wednesday, and we hardly recognized our own classmates! Why? Because it was picture day.

The sophomores made \$24.37 on their car wash Saturday. They plan to have a rummage sale some time soon. Any contributions would be greatly appreciated.

We are sorry to hear about Rals' father, Mr. Rals Loe, Senior, who had an eye operation last Tuesday and we hope that he recovers very soon.

Two new volleyball courts at W.H.S. have been completed and two more are in construction along with a tennis court.

The Wellman F.H.A. girls are selling Christmas cards. So far they have done very well.

The F.F.A. officers for the coming year are as follows: Bill Adams-President, LDean Hughlett-Vice President, Kenneth Taylor-Reporter, Carrol Parker-Treasurer, Jimmy Goza-Sentinel, Buddy Hawkins-Secretary.

At a special called meeting Martha Goza was selected Chapter Sweetheart for the coming year.

Mrs. Clarence Morley and two grandchildren, Lynn and Rick Morley of Portales, N.M., spent the weekend with Miss
